

# DISTRICT 3 Newsletter

September 2014

Join Our Mailing List!

## Welcome to Pima County District 3

### Community Members

The wait is over and the District 3 Newsletter redesign is finally here! We apologize for our extended hiatus and thank you for your patience but hope that you'll be happy with our new and improved way to keep you informed, share your community's stories and events. The new format will be more focused on District 3 communities, events and you as our constituents. We will be highlighting a neighborhood, local artist and business for every edition as well as providing pertinent County news and happenings for District 3.

Please stay tuned for our upcoming interactive page, which will feature a fully interactive map with neighborhood boundaries, local businesses... events and more.

If your community has any suggestions or events that you would like to see put into the newsletter please contact our office and we will try to accommodate.

Thank you again for your patience and we look forward to bringing you more District 3 news in the near future.

## Picture Rocks 1st Annual Community Resource Fair

**FREE EVENT! September 20, 2014**

Join your fellow community members for the 1st Annual Resource Fair! Learn more about events and activities in the Picture Rocks area, as well as local organizations.
