## Why Mental Health First Aid?

Mental Health First Aid teaches you how to identify, understand and respond to signs of mental illness and substance use disorders. This training gives you the skills you need to reach out and provide initial support to someone who may be developing a mental health or substance use problem and help connect them to the appropriate care.

### Three Learning Options

- **Virtual.** First Aiders will complete a 2-hour, self-paced online class, and then participate in a 4-hour, Instructor-led videoconference.
- **Blended Learning.** After completing a 2-hour, self-paced class, First Aiders will participate in a 4-hour, in-person, Instructor-led class.
- **In-person.** First Aiders will receive their training as an 8-hour, Instructor-led, in-person course.
