

Future Bond Election Proposed Project

Project Name: Buffalo Soldiers Memorial

Location: This project is located 1575 E. 36th Street. The memorial will be placed in an outdoor location just south of the entrance into the Quincie Douglas Center.

Scope: Construct an ADA compliant memorial to honor the contributions of the Buffalo Soldiers and showcase their exploits in the Southwest.

There are currently no monuments in Tucson that recognize or honor the contributions of Black Americans in the defense of the nation. This Memorial will help: Raise awareness of the contributions that the Buffalo Soldiers made in settling the Southwest, Arizona and their connection to Tucson, Pima County and Southern Arizona; Recognize the contributions of the Buffalo Soldiers in protecting the nation in a time of war and “educate” the community about rich history of the Buffalo Soldiers and their positive impact on defending the nation and settling Southern Arizona and other Western states.
