

Future Bond Election Proposed Project

Project Name: SILVERLAKE PARK EXPANSION

PR 14

Location: This project is located in Silverlake Park at 1575 E. Thirty-Sixth Street, which is within the incorporated jurisdiction of the City of Tucson, Ward 5.

Scope: Design and construction of an informal open play turf area, a covered playground, paved paths, a covered basketball court, ramadas with picnic amenities, parking areas and associated landscaping and irrigation in accordance with the park master plan.

Benefits: This project will address the community's needs within the park's service area for family-oriented picnicking activities, youth sports and multipurpose court activities, as identified in the City of Tucson Parks and Recreation 10-Year Strategic Service Plan.

Total Cost Estimate: \$2,300,000

Bond Funding: \$2,300,000

Other Funding: None identified at this time.

Total Cost Estimate by Major Task: \$0 for land acquisition, \$276,000 for planning and design, \$2,024,000 for construction.

Fiscal Year Project Start and Finish Date: The Project Start and Finish Dates will be determined as part of the Bond Program Implementation Phase and through a cooperative dialogue between the City of Tucson and Pima County.

Estimated Project Schedule by Major Task: Land acquisition at 0 months, planning and design at 14 months, construction at 15 months.

Project Management Jurisdiction: The City of Tucson will have project management jurisdiction of this project pursuant to an intergovernmental agreement with Pima County.

Operating Jurisdiction: The City of Tucson will have operating and maintenance jurisdiction of this project.

Future Operating and Maintenance Costs: This project will impact the City of Tucson Operation and Maintenance Budget. The City will identify this impact and incorporate it into its annual budget process to cover the increased cost associated with the addition of these facilities. The estimated increase in annual operating expenditures based on current design and similar existing facilities is \$95,000. There is also an estimated increase in annual revenues of \$10,000. Both expenditures and revenues will need to be adjusted at the time of actual construction.

Regional Benefits: The direct benefits of this project are primarily limited to the service area of the project. However, the project will have a regional benefit in reducing the use of similar facilities outside the service area created by area residents willing to travel long distances to meet recreational needs
