Tentative Budget Adoption: Fiscal Year 2016/17

Background

Pursuant to State statute, the Board of Supervisors is required to adopt a Tentative Budget to establish a maximum ceiling for the County budget. Adoption of the Tentative Budget serves to set the maximum County expenditure ceiling and establish a maximum tax rate. Prior to Final Budget Adoption on June 21, 2016, the Board may reallocate expenditures and revenues among departments differently than as set forth in the Tentative Budget and may decrease expenditures, as well as corresponding tax rates.

Status Report

My original recommendations were included in my transmittal of the Recommended Budget to the Board on April 29, 2016. The Recommended Budget included \$1,226,880,273 of combined County expenditures. \$587,875,300 of this amount represents General Fund expenditures and reflects the impacts of \$18.8 million of expected State cost shifts to Pima County.

Impact of State Budget Cost Shifts

At the time I submitted my recommendations to the Board, the State Legislature was still in session and considering a State Budget. The Governor and the Legislature have since passed and signed a budget for Fiscal Year (FY) 2016/17. This budget did nothing to address the \$18.8 million of additional State Budget cost shifts to Pima County.

As indicated in my Recommended Budget memorandum, Pima County was held fully liable by the unelected State of Arizona's Property Tax Oversight Commission (PTOC) for \$15.8 million of FY 2015/16 one-percent homeowners rebate liability costs that had been paid by the State to the Tucson Unified and other school districts for the last 35 years. In the FY 2015/16 Adopted Budget, the Board approved an increase of \$0.1098 in the primary property tax rate to cover the anticipated ongoing County share of these longtime State costs in the amount of \$8 million with the presumption of the remainder being shared among other primary property taxing jurisdictions within Pima County. The additional \$7.8 million cost of PTOC's decision will be paid from the FY 2015/16 General Fund Budget Reserve, reducing the amount of funding available to be carried forward into the FY 2016/17 budget.

The FY 2016/17 proposed Tentative Adopted Budget assumes Pima County will continue to be held liable for the full \$15.8 million of one-percent homeowners rebate costs by the PTOC. In order to fund the ongoing additional \$7.8 million annual cost of this liability, the proposed budgeted primary property tax rate has been increased by \$0.1030 to \$4.4907 per \$100 of taxable value. I cannot emphasize enough the only reason I am asking the Board to consider

an increase in the primary property tax rate is to cover the full cost of the State's shift of its fiscal responsibility to Pima County. The primary reason I am recommending a property tax increase is because this additional fiscal liability is an ongoing and recurring expense. It is not a one-time expense that could be covered with a payment from the fund balance.

Statutory Constables Salary Increase

Arizona Revised Statute 11-4241.01 sets the maximum salary for Constables in precincts with 16,000 or more registered voters at \$67,000 per year. All Constables, with the exception of the Ajo Constable (Precinct 3), currently earn \$61,208 per year. Constables that are currently up for reelection in Precincts 1, 4, 6, 7, 8, 9 and 10 are eligible to receive the maximum salary beginning in January 2017. Constables in Precincts 2 and 5 will be eligible for an increase to the maximum in FY 2018/19. The Recommended Budget includes \$27,369 in salary and associated benefit increases to fund the first six months of costs of the FY 2016/17 increases.

Correction in Number of County Budgeted Full Time Equivalent (FTEs)

The Recommended FY 2016/17 FTE count in Table 3: Total Budgeted FTE Positions, FY 2007/08 Adopted through FY 2016/17 Recommended Budget, is understated. The correct number of FTEs contained in the FY 2016/17 Recommended Budget is 7,164, not the 7,063 originally shown. This means that overall, the FTE count actually increased by a net 103 FTEs over the FY 2015/16 count rather than remaining essentially unchanged as originally reported. The revised table is provided below.

**Total Budgeted FTE Positions, FY 2008 Adopted Budget
through FY 2016/17 Recommended Budget**

FY	Budgeted FTEs	Change in Budgeted FTEs	Cumulative Change in Budgeted FTEs
2007/08	8,396		
2008/09	8,113	(283)	(283)
2009/10	7,838	(275)	(558)
2010/11	7,753	(85)	(643)
2011/12	7,361	(392)	(1,035)
2012/13	7,314	(47)	(1,082)
2013/14	7,329	15	(1,067)
2014/15	7,255	(74)	(1,141)
2015/16	7,061	(194)	(1,335)
2016/17	7,164	103	(1,232)

The majority of the year-to-year increase in FTEs occurs in the General Fund. The increase in the funded FTEs is primarily the result of a change in the methodology of budgeting for

temporary employees such as election workers, temporary parks staff, etc. These positions are now budgeted in the same manner as other County positions rather than lumped together in order to present a clearer picture of budgeted salaries and benefits costs. The increase is also net of various increases and decreases in the funded FTE count within the various County departments. Descriptions of FTE changes are included within the individual department budget descriptions in the Recommended Budget book.

Proposed Tentative Budget Adjustments

Based on additional information available since the transmittal of the Recommended Budget, I propose the following adjustments to the original recommendations:

General Fund

My original recommendation includes an \$849,551 operating transfer of General Funds to the Economic Development and Tourism Special Revenue Fund (ED&T) in order to fund various outside agencies. Included in this transfer is \$149,519 to partially fund the \$422,844 County investment in the JobPath Program. The proposed Tentative Adopted Budget increases the transfer to fund JobPath by \$77,156 to \$226,675. This increases the overall operating transfer to ED&T to \$926,707.

Also included in my recommended operating transfer of General Funds to ED&T was \$304,527 to partially fund the \$441,000 County payment to Sun Corridor Inc. (SCI). The proposed Tentative Adopted Budget increases the transfer to fund SCI by \$210,000 to \$514,527. This increases the overall operating transfer to ED&T to \$1,136,707.

The Recommended Budget includes a \$1,840,289 State mandated payment of County funds to the Arizona Department of Juvenile Corrections through the Arizona Department of Administration. The final State Budget included a one-time reduction of \$1,226,900 of this payment to \$613,389. I am instructing staff to add these cost savings to the \$12 million reserved in the new Property Tax Rate Stabilization and Compensation Fund component of the General Fund Budget Reserve, increasing its total to \$13,226,900.

The State Budget includes a supplemental appropriation to reimburse counties for the Presidential Preference Election. The State will reimburse Pima County a total of \$1,356,787 versus our budgeted \$881,794. The additional reimbursement of \$474,993 will also be added to the reserve in the Property Tax Rate Stabilization and Compensation Fund component of the General Fund Budget Reserve, increasing its total to \$13,701,893.

As a result of the changes above, the proposed General Fund Budget Reserve is increased from \$46,378,198 to \$47,793,015.

The effect of all these adjustments is that the General Fund's Recommended Expenditure amount of \$587,875,300 will increase a net of \$187,837 to \$588,063,137.

Other County Funds

My original recommendation included \$422,844 of expenditures for the JobPath program within the ED&T. The funding for this program is increased in the proposed Tentative Adopted Budget to \$500,000.

An economic analysis of the benefits associated with the County's funding of JobPath programs over the last five years, during the longest and deepest recessionary period in Pima County in recent history, shows the County's public investment in JobPath has yielded a 4 to 1 ratio of benefits realized versus cost. When direct wages are then translated into traditional direct and indirect economic benefits, the total economic impact of the JobPath program over the years studied is \$34.3 million, resulting in a benefit to cost ratio of 17 to 1 on the County's public investment in JobPath programming. The recent, multiple announcements of new companies relocating to or expanding in Pima County have increased the need for a local trained workforce. In order to respond to this need and to enhance the benefit ratio of our investment, the total JobPath budget for FY 2016/17 is proposed to increase \$77,156 from \$422,844 to \$500,000.

My original recommendation included \$441,000 of expenditures for the SCI contract administered by ED&T. I propose that our contract with SCI for FY 2016/17 include a similar provision as contained in FY 2015/16 to pay a base amount of \$441,000 plus an optional \$210,000. These additional funds will be used to facilitate, implement and market County economic development properties to prospective new, export-based companies. ED&T's proposed tentative budget includes a total of \$651,000 for SCI.

Transportation, Road Repair Fund. As I indicated in my Recommended Budget memorandum, Highway User Revenue Fund (HURF) collections are beginning to show moderate increases. Based on actual collections by the State through the end of April 2016, staff forecasts the County will receive an additional \$2 million of revenue in FY 2015/16. These additional funds are included in the FY 2016/17 Recommended Budget. Trends also appear to show the County will receive \$1 million of HURF in addition to the \$42.5 million currently included in the FY 2016/17 Recommended Budget.

Before adjourning the recent session, the Legislature approved a bill (House Bill 2708) for FY 2016/17 that includes a one-time \$96.5 million "give-back" statewide to partially offset past sweeps of HURF used to fund the State's Department of Public Safety. Of this \$96.5 million, \$30 million will be distributed to counties. Pima County's share of these county funds will be approximately \$1.75 million.

Based on this information, it appears the County may receive up to \$2.75 million of additional HURF revenues over the amount included in the FY 2016/17 Recommended Budget. The proposed tentative adopted revenues for transportation have been increased to reflect the anticipated additional HURF. Also, transportation expenditures have been increased by \$4.75 million and are dedicated to pavement preservation. As the additional HURF funds are

realized, they will be allocated to pavement preservation projects.

Combined County Budget

If all recommendations are approved, the combined total County property tax rate is increased \$0.1230 from the FY 2015/16 rate. The combined levies produced by this rate will increase by \$21,009,991, or 4.7 percent from the current year.

The combined primary and secondary property taxes levied by the County fund 38 percent of the total County recommended expenditures.

The combined overall County Proposed Tentative Budget for FY 2016/17 is \$1,232,105,266, which is \$65,236,124, or 5.6 percent, more than the current year and \$250,609,230, or 16.9 percent, less than nine years ago.

Major components of this year-to-year expenditure increase include:

Increase in Capital Projects Costs	\$23,507,346
State Budget Cost Shifts	17,597,362
Property Tax Stabilization and Compensation Fund	13,701,893
Increase in Debt Service	4,634,699
Increase in Employee Benefits	4,171,325
Increase in General Fund Budget Reserve	<u>3,834,795</u>
Total Major Budget Cost Increases	\$67,447,420

Prior to final adoption of the budget on June 21, 2016, I will transmit to the Board any other recommended adjustments to the Tentative Budget that may be necessary to incorporate the most recent information available to project this year's General Fund ending fund balance and next year's revenues and costs. I will develop any such recommended adjustments within the tax rates presented within the Proposed Tentative Budget to the Board, which are the tax rates listed in the table below.

Recommended FY 2016/17 Budgets and Tax Rates

The table below outlines the budgets and tax rates I propose for FY 2016/17. Should the Board, at the time of Tentative Budget adoption, take action to increase County expenditures beyond those included in the Proposed Tentative Budget, the budget ceiling and/or the tax rate may increase above the amounts listed below.

FY 2016/17 Budget	Budget	Tax Rate
Total County Budget	\$1,232,105,266	\$6.0395
General Fund	588,063,137	4.4907
County Free Library District	42,166,526	0.5153
Regional Flood Control District	17,652,430	0.3335
Debt Service	115,455,401	0.7000
Stadium District	5,398,439	-----

According to the State's PTOC, Pima County's neutral FY 2016/17 Primary Levy is \$340,659,594. The primary levy being proposed is \$351,024,536. A neutral levy is defined by State statute as containing no increase that results from any increase in the value of existing property in the County due to market appreciation. Under the proposed tentative primary property tax rate as presented, the County will be required to issue a Truth in Taxation Notice and hold a Truth in Taxation public hearing prior to final budget adoption. Preliminary calculations based on the Proposed Tentative Budget are contained in Attachment 1.

Last year, the State Legislature passed legislation making the County Library and Regional Flood Control Districts secondary property tax levies subject to Truth in Taxation requirements similar to the requirements already in place for the County's primary property tax levy as described above. FY 2016/17 is the first effective year of this requirement, and the impact to each district is as follows:

- The Library District's neutral secondary levy is \$40,005,570. The secondary levy being proposed is \$40,279,454. Pursuant to statute, the District will be required to issue a Truth in Taxation Notice and hold a Truth in Taxation public hearing prior to final budget adoption. Preliminary calculations based on the proposed tentative County Library District budget are contained in Attachment 2.
- The Regional Flood Control District's neutral secondary levy is \$21,892,252. The secondary levy being proposed is \$23,643,348. Pursuant to statute, the District will be required to issue a Truth in Taxation Notice and hold a Truth in Taxation public hearing prior to final budget adoption. Preliminary calculations based on the proposed tentative Regional Flood Control District budget are contained in Attachment 3.

Following the Board's adoption of the Tentative Budget, the County is required to publish the Tentative Budget in a format prescribed by the Arizona Auditor General. The budget, presented in the required format, is included as Attachment 4 to this memorandum.

Employee Benefits

The County continues to see increases in overall benefits costs, and the Proposed Tentative Budget reflects the benefits adjustments to date. FY 2015/16 budgeted benefits totaled \$139.2 million. Based on both outside factors and specific actions the Board has

taken this budget cycle, FY 2016/17 budgeted benefits will increase \$4.2 million to approximately \$142.4 million.

The Board took two actions earlier this year that impact both the County's and employees' benefits costs in FY 2016/17:

- Eliminated the PPO Health Plan for approximately 1,300 County Employees.
- Moved all employees to one existing High Deductible Health Plan (HDHP).
- Ensured that all eligible employees in the HDHP will receive \$1,000 or \$2,000 contributions Health their Health Savings Account.
- Structured the employees' biweekly share of premium contributions to fund the County's self-insured health plan in order for employees to share in the reduction in health plan cost increases during the first years of the new plan. Many employees that take advantage of the premium discounts offered by the County will pay little or nothing in biweekly premiums.

Employee Compensation

In previous memoranda, I shared information regarding various employee compensation proposals from employee groups, the Sheriff, etc. My Proposed Tentative Adopted Budget does not include recommendations for employee pay increases. I plan to submit a memorandum to the Board detailing specific proposals, options and costs of employee compensation adjustments prior to Final Budget Adoption. The Board can take action on any of the proposals as part of Final Budget Adoption on June 21, 2016.

Recommendation

I recommend the Board of Supervisors tentatively adopt the Fiscal Year 2016/17 budget as presented to the Board in the April 29, 2016 memorandum "Transmittal of Recommended Fiscal Year 2016/2017 Recommended Budget" and the updated budget, including the changes described in this memorandum.

Respectfully submitted,

C.H. Huckelberry
County Administrator
