

March 13, 2020

Dear OA Agencies and Committee Members.

RE: Alternative Meeting Methods

Pima County is committed to continue with the OA agency meetings as scheduled until further notice. The current risk to Coronavirus (COVID-19) in Pima County remains low. In light of the COVID-19 concerns and community spread, we are taking preventative measures to assist in the reduction of exposure and the spread of the virus through social distancing and offering teleconference attendance.

We are asking agencies to limit the attendance to those who are scheduled to present and staff who will be answering questions by the Committee. We will be providing a hybrid type meeting, so you can view and listen to the meetings.

You may call in or view via Facebook, as follows:

1. Phone Number (Listen/Speak): 520-222-1111 and enter Code 112233#
NOTE: ► Please put your speaker on MUTE (speaker) until you are called on.
► RSVP if you will be attending via Phone.
2. Facebook (View/Listen Only): <https://www.facebook.com/pimacountyhousingcenter/>
NOTE: ► You will need to have a Facebook account and login.

Also, if you are not feeling well or at higher risk, I encourage you to use one of the alternative meeting methods. Thank you. Stay Safe.

If you have any questions, please don't hesitate contact or text Ana Basurto 520.358.6195 or Daniel Tylutki directly at 520.358.8608.

Again, thank you, especially for your support and services of our community programs.

Regards,

Ana Basurto
OA Program Coordinator
