Solicitation: As part of the Coronavirus Aid, Relief and Economic Security (CARES) Act, Pima County was allotted additional CDBG and ESG funding, known as CDBG-CV and ESG-CV, to assist in addressing the growing needs made apparent by this public health crisis. Pima County is soliciting applications from eligible non-profit and government agencies for programs and projects that prevent and respond to the spread of infectious diseases such as the coronavirus disease 2019 (COVID-19). This funding is dedicated to organizations and governments that anticipate an increase in services due to COVID-19, or have a new proposal for projects or programs dedicated towards increased community needs associated with the outbreak.

Applicants are required to check this website prior to the due date for addenda and/or additional information to assure that the application incorporates all addenda.
