Re: **Freedom of Information Act Request**

Dear Mr. Upchurch:

It is our understanding that the US Forest Service has transmitted via email three Excel spreadsheets to some of the cooperating agencies associated with the Rosemont Mine NEPA process. The names of the files were "combined cooperator comment" and "more cooperator comments". The files bear the date 8-17-2011. My staff requested these spreadsheets from Melinda Roth. However, Ms. Roth responded by stating that she has been unable to locate the documents. It is certainly possible that the emails were sent by other US Forest Service staff without the knowledge of Ms. Roth. Pima County is seeking access to these spreadsheets in order to assist with our current review of the Draft Environmental Impact Statement. In addition, we request a fee waiver.

Please feel free to contact Ms. Julia Fonseca at 740-6460 or Julia.Fonseca@pima.gov if you have any questions related to the requested documents.

Sincerely,

A handwritten signature in black ink, appearing to read "C. Huckelberry", is written over a large, stylized flourish that extends from the bottom right of the signature area.
