

Your inspection is complete. Now what?

Follow these steps to track your project.

1. The first thing you need to do is visit Pima County Permits at permits.pima.gov.
2. Enter your permit number in this box.
3. Click on "Record Details" and then "View Inspection Summary" for a list of permit conditions and inspection results.
4. Click on "Fees" if you need to pay fees.

Click the arrow in any section for additional details.
