

Exhibit A

**PIMA COUNTY DEPARTMENT OF TRANSPORTATION
RIGHT OF WAY PERMIT FEE SCHEDULE**

1. Public Right-of-Way Improvement Permit Fee.

- a. Improvement permit fee applies to all construction activities within public rights-of-way and easements and is based on the linear feet of right-of-way measured along the right-of-way centerline occupied by the improvement.

200 lineal feet or less	\$120
201 to 500 lineal feet:	\$300
501 to 1000 lineal feet:	\$420
1001 to 2500 lineal feet:	\$480
2501 lineal feet and above:	\$600

Improvements that are complex, outside of the department's expertise, or require engineering analysis may be subject to an additional fee: \$55/hr or invoiced amount.

2. Construction Inspection Fee. In addition to the permit fees listed above, the following inspection fees apply:

- a. General Inspection Fee of five and one half percent (5.5%) of the cost of construction or \$165 whichever is greater is required for any and all construction within public rights-of-way excluding utility work which is covered under item "b" below. The cost of construction shall include furnishing all labor, equipment, tools, materials, and incidentals required in the construction of the permitted work. Permitted work includes but is not limited to roadway excavation, clearing and grubbing, pavement section, borrow, embankment, boring, grading, major and minor structures, storm drains, guardrail, hand rail, curbing, sidewalk, landscaping, slope stabilization, drainage features, flood control improvements, walls, traffic control, mailboxes, driveways, sleeving, monitor wells, fencing, traffic signals, lighting and signing.
- b. Utility Inspection Fee applies to all in ground construction related to the installation, maintenance, relocation, repair and modification of utilities (i.e. water, gas, electric, sewer, telecommunication, cable, phone, communication tower, etc.) and is based on the linear feet of work.

200 lineal feet or less:	\$165
201 to 500 lineal feet:	\$330
501 to 1000 lineal feet:	\$660
1001 to 2500 lineal feet:	\$1,320
2501 lineal feet and above:	\$2,200

Setting service meters may be performed under a single permit for up to six installations. The inspection fee is \$25/meter.

- c. Aerial Utility Inspection Fee applies to all overhead construction (i.e. setting/removal of poles and cable stringing operations) and is based on 33% of the fees under item "b" above or \$165 whichever is greater.

- d. Additional or special inspections, reviews, engineering, release of assurances: \$55/hr or invoiced amount.

Construction activities longer than 90 calendar days in duration may be subject to an additional inspection fee based on the remaining work.

The contractor shall provide to Pima County all necessary product material testing reports and product acceptance testing reports prepared by a materials testing laboratory approved by the Arizona Department of Transportation. A copy of all laboratory test reports shall be submitted to the Permit Inspections Section of the Department of Transportation promptly for all permitted work.

3. **Fax, mail-in, or email application:** No additional charge

4. **Oversize/overload vehicle permit:**

Oversize vehicles that exceed 8.5 feet in width or 13.5 feet in height:

\$15/one day or \$30/30 day permit.

Overweight vehicles that exceed 80,000 lbs.: \$75/30 day permit

Overweight and oversize vehicles: \$75/30 day permit

Additional reviews or engineering: \$55/hr or invoiced amount.

Annual permit prescribed under A.R.S. 28-1103 E: \$360

5. **Permit renewal:** \$60

6. **Permit and right-of-way Work Standards Booklet** \$5.00 each

7. **Permit applicability.** A permit covers only contiguous construction and the work to be done as one continuous operation.

8. **Permit Cancellation or Modification.** An approved permit may be cancelled or modified by the applicant and the prorated balance of permit and inspection fees refunded subject to a \$100 processing fee.

9. **Permit expiration.** Permits for work done pursuant to a recently approved subdivision improvement plan expire one hundred and eighty (180) days after the date of issuance. All other permits expire forty-five (45) days after the date of issuance. A permit may be renewed one time only, upon payment of the permit renewal fee. All right-of-way improvement permits must be renewed prior to or within 1 day after the date of permit expiration.

10. **Fee for commencement of work without a permit.** If any work other than emergency response within a public right-of-way is commenced prior to obtaining a permit, a fee of \$300 will be assessed against the applicant/contractor. The \$300 fee is not an offset to, or waiver of any costs, fines or penalties which may be assessed pursuant to Pima County Code Section 10.44.050.
