Re: Conditional Use Permit request P19CU00010 Equine Voices Rescue & Sanctuary - W. Dove Way

We are NOT in support of this request, due to questions about how many MORE animals will be added to the property, where all the manure is going, plus fly control, etc.. Since our property is down stream from this, we are unsure of the effect all of the waste/manure will have to our area. Not to mention all the extra traffic.

We already have an illegal dog kennel still operating up the road from us that isn't regulated, so who will be checking on the changes made to this facility if they are allowed to continue growing in size? !

This is a rural area & we want to keep it that way.

Our parcel is on S. Old Mesquite Way and inside your notification area. We have no objections to the granting of a conditional use permit as stated for Equine Voices.

I wish to voice my protest against Equine Voices Rescue & Sanctuary (P19CU00010) obtaining a Type I Conditional Use Permit. Again I wish to deny the permit that is being requested.
