**RE: P18RZ00011 – ADDITIONAL REQUEST FOR CONTINUANCE  
P&Z Public Hearing -- Harbour Trust, et. al. – La Cholla Boulevard Rezoning**

Dear Terri:

This letter shall constitute our request for a 60-day continuance of the Planning & Zoning Commission's public hearing on the above-referenced rezoning. The P&Z public hearing is currently scheduled for Wednesday, April 24, 2019. We would now request that the hearing be continued until the Commission's June 26, 2019 meeting.

You will recall that our original request was made to allow us additional time to work with the Pima County Regional Flood Control District (RFCD) in further analyzing and resolving various drainage-related matters and details on the project.

While we have made progress with that necessary work, we have also encountered some delays. We would request the additional time to allow us to properly complete it, revise the rezoning's Site Analysis document, and then leave sufficient time for RFCD to review and formally comment upon our findings to the Commission.

Thank you for your assistance in this matter, and please let me know if you have any questions regarding the above.

Best Regards,
