

ATTACHMENT 3

Sign Code Update - Draft 2 Revisions from Draft 1		
Subsection	Page	Revision
18.79.010 (A)(6)	1	Deleted word “clear” because repetitive with “visibility”
18.79.030	2 - 7	Reformatted “definitions” section consistent with formatting found elsewhere in zoning code
18.79.030 (B)	2	Deleted “balloon sign” because incorporated into “inflatable or air activated signs”
18.79.030 (C)	3	Provided definition of “correlated color temperature” per comment
18.79.030 (F)	4	Provided definition of “flag”
18.79.030 (I)	4	For electronic message display sign under illuminated, added that it is an “on-site” sign and does not include a “digital billboard” sign
18.79.030 (M)	5	Added definition of “Maximum luminous intensity” per comment
18.79.040 (A)	8	Deleted “balloon sign” from prohibited signs & added “digital billboard” per comment
18.79.050 (C)	9	Increased number of exempt flags per comment
18.79.060 (C)	10	Deleted “only” for clarification
18.79.060 (D)	10	Deleted “identification” – no longer using term
18.79.060 (D)	11	Added “This exception does not apply to electronic message display signs.” because the ‘exception’ derived from the existing sign code and EMD’s are newly allowed
18.79.070 (B)	11	Added sign measurement graphic for clarification
18.79.070 (E)	13	Added the sign permit “portion of” an application (sign permit is part of a building permit application) per comment
18.79.080 (A)(1)(i) & (2)	13 - 15	Reformatted billboard subsection & added “a billboard” for clarification because it’s the billboard constructed after 1/1/84 not the road Replaced “shall” with “may” because the board may approve or not
18.79.080 (B)(5)	17	Added “an illuminated” for clarification
18.79.030 (B)(10)(d)	18	Replaced “luminance” with “luminous” for accuracy per comment
18.79.080 (D)(7)(b)	19	Added “Maximum height: 8 feet” per comment
18.79.080 (D)(8)(d)	20	Replaced “luminance” with “luminous” for accuracy per comment
18.79.080 (E)	20	Deleted “; calculated as part of the wall sign allotment” instead window signs are limited to 40% of window area per comment
18.79.080	21	Added Figure 1 to illustrate the different treatment of electronic message display signs because they had not previously been allowed
18.79.090 (C)	22	A 6 month allowance for banners attached to existing buildings was added
18.79.100	23	Deleted “Flexible option” & replaced with correct “Dark sky protection option” and added master “sign” program
18.79.100 (A)(4)	23	Unnecessary text – these are illuminated signs
18.79.100 (A)(4)(c)(vi)	24	Replaced “luminance” with “luminous” for accuracy per comment
