

LAND USE INTENSITY LEGEND SUMMARY

This summary lists what residential densities and zoning classifications are allowed under the different land use intensities for areas governed by the Pima County Comprehensive Plan, Pima Prospers. Further information relative to the planned land use designations and their purposes can be obtained from the publication *Pima County Comprehensive Plan Update* available from the Planning Division. Information relative to individual zoning districts can be obtained from the appropriate section of the *Pima County Zoning Code (Title 18)*. The Zoning Code is available on the *MuniCode* website at the following address: https://www.municode.com/library/az/pima_county/codes/code_of_ordinances.
