

## Learn more about same day solar permits

Attend the virtual SolarAPP webinar

Pima County Development Services is hosting a virtual event demonstrating the Pima County and City of Tucson Solar Automated Permitting Process. Registered solar contractors are invited to attend this webinar outlining the simple process making up the automated solar review process, applying for a building permit, and inspection process. Staff will be available for questions. See the details below for more information.

Date: **September 15, 2021**

Time: 09:00 am

Location: Virtual (Microsoft Teams)

An invitation to the presentation over Microsoft Teams can be requested by sending an Email request to [solarAPP@pima.gov](mailto:solarAPP@pima.gov).
