

Greetings, Pima County Employees:

Pima County kicked off its 51st Employees Care About Pima County (ECAP) Campaign on Sept. 1. ECAP makes it easy for all employees to support those charitable organizations that have made a difference in their lives and the lives of others in our community.

Donating is easy and can be done entirely online in less than five minutes at the [United Way/Pima County ECAP site](#).

Your donation to any of more than 200 organizations involved with ECAP shows how **County employees are together, “Pima County – United as a Community”** for all our neighbors.

Find a cause you support, decide what you would like to pledge and make your donation. You can donate through a bi-weekly or one-time payroll deduction [credit card accepted], or by cash / check through your solicitor. Please ask your supervisor for the name of your department’s ECAP Solicitor if you need assistance or email ECAP@pima.gov.

The 2020-21 ECAP campaign runs through Nov. 30. Please be generous during these difficult times... help us beat last year's campaign, which raised over \$300,000!

Thank you!

Sincerely,

C.H. Huckelberry
County Administrator
