

**Early Ballot Voter** – Pima County recently mailed you a ballot for the November 6, 2018 General Election. Please note that due to a printing error, the contest for the Tucson Unified School District Governing Board was mistakenly omitted from your ballot. We are sorry for the inconvenience and will be sending you a new ballot that will reflect the missing contest. Please note the following information:

If you have already voted and returned your ballot, the county will then “hold” that ballot and allow you to vote and return your new early ballot.

If you vote and return your new ballot, the old ballot will be rejected and the new one will be counted. If you do not vote and return the new ballot, the old one will be counted.

We are sorry for the confusion and are ready to assist you with any questions you may have. You may contact us at **724-6830**. We are at your service.
