RE: ELECTION ISSUES

Dear Recorder Rodriguez:

I would like to take this opportunity to extend an invitation to you or your representative to attend a meeting of the Pima County Election Integrity Commission to discuss those issues that are common to both the Department of Elections and the Recorder's Office.

Also, a number of the members of the Commission have had the opportunity to hear your presentation on the 2018 election, I feel it would be beneficial if the presentation was made to the entire Commission.

While I am cognizant of the fact that the Commission has no formal relationship with the Recorders office, I feel that there are a number of areas that the departments impact each other, and a better understanding of these issues will be beneficial to both.

Our meetings are generally on the third Friday of the month beginning at 9:00 am but may be adjusted to accommodate your schedule.

Thank you in advance for supporting this request and we look forward to meeting with you in the near future.

Sincerely,
