Mr. Thomas Phillips  
General Manager – Mission Complex  
ASARCO, Mission Complex  
4201 W. Pima Mine Road,  
Sahuarita, AZ 85629

Dear Mr. Phillips:

Enclosed is a final, renewal permit for ASARCO LLC, Mission Complex located at 4201 W. Pima Mine Road in Sahuarita, Arizona. The permit contains the following; Part A consists of standard general permit conditions which apply to your facility. Part B provides specific conditions that apply to your facility. Attachment 1 is a list of applicable regulations. Attachment 2 consists of an equipment list, Attachment 3 is a Site and Visual Observation Map and Attachment 4 is a Schedule of Performance Tests.

Please keep a copy of this permit and attached documents at the 4201 W. Pima Mine Road - Sahuarita, Arizona facility for the life of the permit term. This renewal is effective April 19, 2013 and will remain valid for a permit term of 5 years. On that date, this issuance effectively replaces the expired permit currently onsite as the official air quality permit.

If you have any questions or need additional information, please contact Rupesh Patel at (520) 724-7341.

Sincerely,

A handwritten signature in black ink, appearing to read "Mukonde Chama".

Mukonde Chama, P.E.  
Air Permits Manager
