Environmental Quality

Pima County Department of Environmental Quality (PDEQ), formed in 1989, serves Pima County by protecting public health and the environment. PDEQ operates programs to monitor air and water quality, hazardous waste, solid waste, and assist in waste minimization and pollution prevention. PDEQ also provides public outreach, education, and citizens' assistance; processes environmental permits; and responds to public complaints and inquiries with investigations and enforcement.

Our Mission

Preserve and protect the environment of Pima County for the long-term benefit of residents' health, welfare, safety, and quality of life. Identify and respond to environmental issues by providing public services including monitoring, enforcement, information, education, and solid waste management.

PUBLIC NOTICE
RELATED TO SOLID WASTE PROPOSING A NEW
FEE SCHEDULE FOR PIMA COUNTY'S SOLID WASTE FACILITIES

The Pima County Department of Environmental Quality (PDEQ) is proposing revisions to Pima County's fee schedule relating to Pima County's solid waste facilities (landfills and transfer stations).

Staff recommends the Board of Supervisors adopt the proposed fee schedule ordinance. The proposed fee schedule ordinance presents changes to solid waste facilities fees, including changes to commercial and residential fees, fees will remain at current rates or decrease.

A public hearing before the Pima County Board of Supervisors will be held on Tuesday, June 6, 2017 at, or after, 9:00 a.m. in the Board Hearing Room, located at 130 W. Congress, 1st floor, Tucson, Arizona.

The proposed ordinance is available for review at the PDEQ office and on the [PDEQ Draft, Proposed & Final Rules](#), website under the Waste tab. If requested, PDEQ can email a pdf version of the proposed ordinance to anyone requesting this service. For additional information, please email [Sarah Reitmeyer](#), or call (520) 724-7437.

Draft, Proposed, & Final Rules

The Arizona Revised Statutes 49-112 and 49-471 et seq. authorizes the county to adopt regulations and establishes a rulemaking process by which the county must follow. In addition, a variety of state laws give citizens the right to comment on regulations before the county can put them into effect. Pima County Department of Environmental Quality is responsible for creating and amending existing rules within Pima County Code Title 7- Environmental Quality, Title 13 - Public Service, and Title 17 - Air Quality, and creating and amending existing Pima County Ordinances relating to Air, Water, and Waste.

PDEQ follows a process for creating and amending Pima County Code and Pima County Ordinances. An [Introduction to the Rulemaking Process](#) provides an overview of the process and frequently asked questions regarding rulemaking. PDEQ also follows a process for revising the Pima County portion of the Arizona [State Implementation Plan \(SIP\)](#). Each rulemaking, or revision of the Pima County portion of the SIP will have a 30-day Public Comment period. Public Comments can be submitted in writing via letter, [e-mail to Sarah Reitmeyer](#), or through the PDEQ [online Public Comment Form](#). We encourage you to [participate in the rulemaking process](#).
