

Pima County Building Tenant Rent Deferral

On April 9, 2020, the Pima County Board of Supervisors approved deferral of rent payments, including utilities and operating and maintenance expenses, if applicable, for entities and businesses leasing space from the County.

Facilities Management has been directed by the County Administrator to contact our tenants to determine if they wish to make use of this deferral. Tenants should be receiving the following [Deferral Rent Survey Letter](#) in the next few days. The letter will be emailed and sent via post. If you have not received the letter, it can be found [here](#).

Once we receive your preferences, Facilities Management will be contacting you directly to finalize your deferral. If you have any questions, please don't hesitate to contact us at FM_Leasing_Services@pima.gov or call Tina Tellez at 520-724-3393.

We are strong and resilient, and we will get through this as a community, if we work together and support one another.

Stay Safe,
