

Board of Supervisors Memorandum

May 21, 2019

Tentative Budget Adoption: Fiscal Year 2019/20

Background

Pursuant to state statute, the Board of Supervisors is required to adopt a tentative budget to establish a maximum ceiling for the County budget. Adoption of the Tentative Budget serves to set the maximum County expenditure ceiling and establish maximum tax rates. Prior to final budget adoption on June 18, 2019, the Board may reallocate expenditures and revenues among departments differently than set forth in the Tentative Budget and may decrease expenditures, as well as corresponding tax rates.

Status Report

My original recommendations were included in my transmittal of the Recommended Budget to the Board of Supervisors on April 25, 2019. The Recommended Budget included \$1,309,392,644 of combined County expenditures. \$616,202,490 of this amount represents General Fund expenditures.

Proposed Tentative Budget Adjustments

General Fund

The Proposed Tentative Adopted Budget now includes the following proposed adjustments to General Fund departments made since my April 25, 2019 Recommended Budget was submitted to the Board of Supervisors:

- The salary and benefit costs of the proposed Fiscal Year 2019/20 salary adjustments were calculated and distributed to the impacted General Fund departments. These funds were originally budgeted as a lump-sum amount in Non-Departmental. Any leftover recommended salary adjustment funds after this reallocation were moved to the General Fund Budget Reserve in the Proposed Tentative Adopted Budget.
- \$40,000 reserved in the Budget Stabilization Fund for the Literacy Connects outside agency to fund costs associated with literacy and arts programs.
- \$25,000 reserved in the Budget Stabilization Fund for the Triangle Y Ranch Camp to fund repairs and restoration costs to the camp's water reservoirs.

As the result of the changes above, the proposed General Fund Budget Reserve increased \$877,884 from the recommended amount of \$40,789,884 to \$41,667,768.

After these adjustments, the General Fund's proposed tentative net expenditures are reduced \$126,135 from \$616,202,490 to \$616,076,355.

Other County Funds

The salary and benefit costs of the proposed Fiscal Year 2019/20 salary adjustments were also calculated and distributed to the impacted Non-General Fund departments. Departments were given the opportunity to adjust their budgets back to the Recommended Budget total before the adjustment. Some departments chose this option while others decided to submit the higher adjusted amount increasing their net fund impacts. These changes increased proposed Non-General Fund expenditures by a net total of \$1,551,031.

Combined County Budget

If all recommendations contained in this memorandum regarding property tax rates are approved, the combined total County property tax rate is decreased \$0.0500 per \$100 of taxable net assessed value from the Fiscal Year 2018/19 combined rate. The combined levies produced by this rate will increase by \$17,756,605 or 3.82 percent from the current year.

The combined primary and secondary property taxes levied by the County fund 37 percent of the total County recommended expenditures.

The combined overall County Proposed Tentative Budget for Fiscal Year 2019/20 is \$1,310,817,540 and is \$23,283,069, or 2 percent, less than the current year and \$171,896,956, or 12 percent, less than twelve years ago.

Prior to final adoption of the budget on June 18, 2019, I will transmit to the Board any other recommended adjustments to the Tentative Budget that may be necessary to incorporate the most recent information available to project this year's General Fund ending fund balance and next year's revenues and costs. I will develop any such recommended adjustments within the tax rates presented within the Proposed Tentative Budget to the Board, which are the tax rates listed in the table below.

Recommended Fiscal Year 2019/20 Budgets and Tax Rates

The table below outlines both the Fiscal Year 2019/20 expenditure budgets and tax rates I propose for Fiscal Year 2019/20 based on the information contained in this memorandum. Should the Board at the time of tentative adoption take action to increase County expenditures beyond those included in the Proposed Tentative Adopted Budget, the budget ceiling and/or the tax rate may increase above the amounts listed below.

Proposed Tentative Tax Rates		
Fiscal Year 2019/20 Budget	Budgeted Expenditures	Tax Rate
Total County Budget	\$1,310,817,540	\$5.5584
Primary Property Tax:		
General Fund Primary	\$616,076,355	\$3.9996
Secondary Property Taxes:		
County Free Library District	\$43,111,317	\$0.5353
Regional Flood Control District	\$16,914,213	\$0.3335
Debt Service	\$107,861,884	\$0.6900
Stadium District	\$9,071,755	

According to the State’s Property Tax Oversight Commission, Pima County’s neutral Fiscal Year 2019/20 Primary Levy is \$342,712,233. The combined General Fund primary levy being proposed is \$349,163,676. A neutral levy is defined by state statute as containing no increase that results from any increase in the value of existing property in the County due to market appreciation. **Under the proposed tentative primary property tax rate, as presented, the County will be required to issue a Truth in Taxation Notice and hold a Truth in Taxation public hearing prior to the final budget adoption (Attachment 1).**

In 2015, the State Legislature passed legislation making the County Library and Regional Flood Control Districts secondary property tax levies subject to Truth in Taxation requirements similar to the requirements already in place for the County’s primary property tax levy as described above. The impact to each district is as follows:

The Library District’s neutral secondary levy is \$43,396,656. The secondary levy being proposed is \$46,731,502. **Pursuant to statute, the Library District will be required to issue a Truth in Taxation Notice and hold a Truth in Taxation public hearing prior to the final budget adoption (Attachment 2).**

The Regional Flood Control District’s neutral secondary levy is \$25,486,660. The secondary levy being proposed is \$26,495,639. **Pursuant to statute, the District will be required to issue a Truth in Taxation Notice and hold a Truth in Taxation public hearing prior to the final budget adoption (Attachment 3).**

Following the Board’s adoption of the Tentative Budget, the County is required to publish the Tentative Budget in a format prescribed by the Arizona Auditor General. The budget, presented in the required format, is attached to this memorandum (Attachment 4).

The Honorable Chairman and Members, Pima County Board of Supervisors

Total County Revenue

Proposed Fiscal Year 2019/20 General Fund revenue totals \$581,070,524 and is unchanged from the earlier Recommended Budget amount.

County-wide Proposed Tentative Adopted Budget revenue totals \$1,128,183,604 or \$153,355 higher than the original recommendation. This increase is the result of several minor adjustments in grant-related revenue.

Recommendation

I recommend the Board of Supervisors tentatively adopt the Fiscal Year 2019/20 Budget as presented to the Board in the April 25, 2019 memorandum – Transmittal of Recommended Fiscal Year 2019/20 Budget and the updated Proposed Tentative Adopted Budget, including the changes described in this memorandum.

Sincerely,

C.H. Huckelberry
County Administrator
