Dear Maiola,

Congratulations! It brings us great pleasure and enthusiasm to announce that you have been selected to receive a Lifetime Achievement Award for your positive efforts in contributing to our community. We are extremely grateful for your tireless work in making your immediate neighborhood, and by extension the entire region, a better place to live and raise a family. It is precisely because of your determination and action, and that of many others like yourself, which continues to enhance the overall quality of life and makes Pima County a special and proud place to call home for countless individuals and families.

In celebration of this well-deserved acknowledgement, we ask that you and 4 of your family members join with your fellow community leaders for a recognition ceremony at the Kino Community Center, 2805 E. Ajo Way, on October 15, 2011 at 3:00 PM. You will be joined by your peers who have worked to receive this credit to be collectively honored and presented with this most auspicious award as a sign of gratitude and appreciation from both myself and an indebted public.

Please email or call Benny Gomez at 520-740-8126 or benny.gomez@pima.gov to RSVP by October 7th. Again, many thanks for your continued dedication and commitment to your neighboring and far-reaching community, and we look forward to seeing you the afternoon of October 15th.

Sincerely,

Ramón Valadez
Chairman, Pima County Board of Supervisors
District 2
