Subject: From ICS

Kiki,

Thanks so much to Supervisor Bronson for designating \$1,000 for ICS. As a non-profit organization providing basic services to seniors, people with disabilities, and Individuals in financial crisis, the demand for our services continues to climb as a result of the economy.

We will use these funds for our Good Samaritan Program which provides emergency assistance for items such as medications, back to work items, help with rent or utilities where there are no other grant funds available.

The check should be written to Interfaith Community Services and mailed to the address below.

Thanks again and please share our thanks to Supervisor Bronson.

Sincerely,
Bonnie
