Kiki,

Our Community Festival Day could use a donation of \$1000.00 from your office towards much needed supplies for our volunteers. It would be wonderful if you could do this for us.

Also Friends of Robles Ranch could use a donation of \$500.00 to go towards rubber floor mats for our clothing bank. It would certainly be a great comfort for our volunteers who work there.

Sincerely,

JoAnn Bowen

President of Friends of Robles Ranch
