Dear Kiki,

Literacy Connects requests that Supervisor Bronson consider a grant of \$1,000 to assist in our delivery of literacy programs throughout the greater Tucson area. Our four diverse programs work with infants and their parents, school children and adults. Combined, these programs assist well over 40,000 people a year.

We appreciate Supervisor Bronson's support and her strong advocacy for literacy and education in Pima County.

Sincerely,

Betty Stauffer
