Dear Supervisor,

We thank you tremendously for your \$1000 pledge towards the mission, vision, programs, and collective efforts of the Garden Youth Development Project. Our mission is to provide programs for community youth that teach life skills and subjects of academia through arts based projects. We service youth in our community between the ages 0 - 17. Pledges are used for operational costs, facility rental of Garden Level Studios to host the programs, personnel to facilitate and instruct the youth, teaching resources (i.e. sheet music, instructional CD's), and marketing the programs. A portion of the money will also be used as scholarships to subsidize the costs of tuition so youth can participate at a reduced rate.

We appreciate your contribution and look forward to the many success stories we will be able to realize with your help.

Garden Youth Development Project is a non-profit organization with the state of Arizona, Tucson Youth Football and Spirit Federation acts as our fiscal agent. Make checks payable to Garden Youth Development Project.

Sincerely yours,

Tanishia Hamilton, Vice President
