Dear Supervisor Elias:

This letter serves as request for payment of your \$500 pledge to Literacy Connects. Your continued support and your participation in our 2012 Fundraising Event mean the world to us! As you know so well, **your gift helps break the generational cycle of illiteracy.**

We are grateful and excited to have you as our advocate on the Pima County Board of Supervisors. Thank you for understanding that literacy connects... to everything. It is the bedrock upon which we build our lives. You recognize that maintaining and growing a community of literate individuals takes more than simply caring; it takes funding and long-term commitment to create real change.

With support from generous friends like you, Literacy Connects is able to carry out our mission: **Connecting people of all ages to a world of opportunities through literacy and creative expression.**

In appreciation,

Elizabeth Campbell
Director of Development
