GROUND LEASE

THIS GROUND LEASE (this "Ground Lease"), dated as of June 1, 2008, by and between PIMA COUNTY, ARIZONA (the "County"), as lessor, and U.S. BANK NATIONAL ASSOCIATION, as trustee for the benefit of the registered owners of the Certificates (as defined herein) (the "Trustee"), as lessee;

WITNESSETH:

WHEREAS, the County owns the parcel of real property situated in Pima County, Arizona and described in Exhibit A and all improvements thereon existing at the time of execution of this Ground Lease (collectively, the "Public Works Parking Garage") and will lease the Public Works Parking Garage to the Trustee, pursuant to the authority in Section 11-256 of the Arizona Revised Statutes (the "Act"); and

WHEREAS, the Trustee will lease the Public Works Parking Garage from the County for the term specified herein; and

WHEREAS, as a means of financing certain improvements for the County, the Trustee will execute and deliver the Certificates of Participation, to be known as the "Certificates" evidencing proportionate ownership interests in the lease payments to be made by the County pursuant to a Lease-Purchase Agreement (as defined below); and

WHEREAS, simultaneously with the execution and delivery of this Ground Lease, the Trustee will execute the Trust Agreement, dated as of June 1, 2008 (the "Trust Agreement") with the County; and

WHEREAS, in order to effect such financing, it is necessary to set forth the terms and provisions to be in effect hereafter;

NOW, THEREFORE, in consideration of the above premises and of the mutual covenants hereinafter contained and for other good and valuable consideration, the parties hereto agree as follows:

Section 1. **Term.** The County hereby leases the Public Works Parking Garage to the Trustee and the Trustee hereby leases the Public Works Parking Garage from the County for the period commencing as of the date hereof and terminating on June 1, 2023, or such later date as the term of the Lease-Purchase Agreement identified in Section 2 below shall terminate. This Ground Lease shall be subject to earlier termination in accordance with Section 5 hereof.

Section 2. **Simultaneous Lease-Back; No Merger.** The County and the Trustee agree that simultaneously with and upon the execution of this Ground Lease, the parties shall enter into a Lease-Purchase Agreement, dated as of June 1, 2008 (the "Lease-Purchase Agreement"), pursuant to which the Trustee, as lessor, has agreed to lease the Public Works Parking Garage to the County, as lessee. The County acknowledges that, as provided in the Lease-Purchase Agreement, if an event of default or termination occurs under the Lease-Purchase Agreement without a concurrent
prepayment or termination of this Ground Lease as provided in Section 3 hereof, the Trustee shall have the right to enter upon and have the right to occupy the Public Works Parking Garage and to relet or otherwise dispose of its interest in the Public Works Parking Garage without affecting or terminating this Ground Lease.

It is intended by the parties hereto that no merger of the leasehold estates of the County shall occur by operation of law by reason of this Ground Lease and the Lease-Purchase Agreement, and more particularly that (1) the leasehold interest granted by the County to the Trustee under this Ground Lease is and shall be independent of the Lease-Purchase Agreement, (2) the Lease-Purchase Agreement shall not be an assignment or surrender of the leasehold interest granted to the Trustee under this Ground Lease, and (3) the Lease-Purchase Agreement shall not operate as a merger or extinguishment of the leasehold interest granted to the Trustee under this Ground Lease.

Section 3. **Title to Property.** Title to the Public Works Parking Garage shall at all times remain with the County, subject to the Lease-Purchase Agreement.

Section 4. **Rent.** The Trustee agrees to prepay its rental obligations hereunder to the County, from the proceeds of the Certificates, upon delivery of the Certificates, which consideration is agreed to represent fair market rental value for the Public Works Parking Garage, and is being paid to the County. The Trustee shall not be responsible for any additional payments hereunder, including any lease or real estate taxes levied with respect to this Ground Lease or the transactions contemplated hereby.

Section 5. **Early Rights of Termination by County.**

(a) The County shall have the right to terminate this Ground Lease upon written notice to the Trustee after prepayment of the Lease-Purchase Agreement in accordance with Section 10.3 thereof, or the exercise of the County of its option to purchase in accordance with Section 10.2 thereof, and, in either case, defeasance of the Trust Agreement in accordance with Article XIV thereof.

(b) If there is no Event of Default under the Lease-Purchase Agreement in existence at such time, this Ground Lease shall terminate, without any necessity of written notice or further action on the part of the County or the Trustee, on the same date occurring on or after June 1, 2011 that the Public Works Parking Garage is deemed to have been purchased by the County and is released and removed from the Lease-Purchase Agreement, in accordance with Section 10.2 thereof.

Section 6. **Surrender.** The Trustee agrees that upon the expiration or termination of this Ground Lease it will surrender to the County the Public Works Parking Garage. At the time of such surrender, the Public Works Parking Garage shall be free and clear of all liens and encumbrances resulting from any act or omission of the Trustee.

(b) This Ground Lease may not be modified, amended, altered or changed except with the prior written consent of the County and the Trustee.

(c) If any provision of, or any covenants, obligation or agreement contained in, this Ground Lease is determined by a court to be invalid or unenforceable, that determination shall not affect any other provision, covenant, obligation or agreement, each of which shall be construed and enforced as if the invalid or unenforceable portion were not contained in this Ground Lease. That invalidity or unenforceability shall not affect any valid or enforceable application thereof, and each such provision, covenant, obligation or agreement shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

Trustee under the Lease-Purchase Agreement or through funds made available pursuant to the 
Trust Agreement.

Section 14. Execution in Counterparts. This Ground Lease may be executed in several 
counterparts, each of which shall be an original and all of which shall constitute but one and the 
same instrument.

Section 15. Recording. The parties agree that this Ground Lease or a memorandum 
thereof is to be recorded in the records of Pima County, Arizona, and that this Ground Lease or a

(v) As used in this Section, "Hazardous Substances" shall mean: any substance or material at the level defined or designated as hazardous or toxic waste, hazardous or toxic material, a hazardous or toxic chemical, a hazardous, toxic or radioactive substance, petroleum or other similar term, by any federal, state or local environmental statute, regulation, or ordinance presently in effect or that may be promulgated in the future, as such statutes, regulations and ordinances may be amended from time to time, including, but not limited to, the statutes listed below:

(m) Disclaimer. The Lessee acknowledges that the Leased Property is being acquired by the Lessor at the Lessee's request and direction pursuant to the Ground Lease and the Deed specifically for the purpose of leasing the Leased Property to the Lessee; the Leased Property will be acquired on the basis of specifications and requirements furnished by the Lessee; and the Lessor has not held itself out as having knowledge or skill particular to the Leased Property or made any affirmations of fact regarding the Leased Property.
(n) **Continuing Disclosure.** With respect to the execution and delivery of the 2008 Certificates, the Lessee covenants to comply with the reporting requirements applicable to obligated persons set forth in Rule 15c2-12 adopted pursuant to the Securities Exchange Act of 1934, as amended, or any successor provision thereto, and to enter into one or more continuing disclosure undertakings or agreements in form and substance satisfactory to the Original Purchaser.

**Section 2.2 Representations, Covenants and Warranties of the Lessor.** The Lessor represents, covenants and warrants to the Lessee as follows:

(a) **Due Organization and Existence.** The Lessor, on the date of execution of this Lease-Purchase Agreement, is a national banking association, duly organized and existing under the laws of the United States of America and has power to enter into this Lease-Purchase Agreement, the Ground Lease and the Trust Agreement, and has duly authorized the execution and delivery of all of the aforesaid agreements.

(b) **No Encumbrances.** The Lessor will not pledge the Lease Payments, Additional Rent or other amounts derived from the Leased Property and from its other rights under this Lease-Purchase Agreement, and will not transfer, mortgage or encumber its interest in the Leased Property, except as provided under the terms of this Lease-Purchase Agreement and the Trust Agreement.

(c) **No Violations.** Neither the execution and delivery of this Lease-Purchase Agreement, the Ground Lease or the Trust Agreement, nor the fulfillment of or compliance with the terms and conditions hereof or thereof, nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which the Lessor is now a party or by which the Lessor is bound, or constitutes a default under any of the foregoing, or results in the creation or imposition of any lien, charge or encumbrance whatsoever upon any of the property or assets of the Lessor, or upon the Leased Property, except Permitted Encumbrances.

(d) **No Assignments.** Except as provided herein, the Lessor will not assign this Lease-Purchase Agreement, its right to receive Lease Payments, Additional Rent or other amounts derived from the Leased Property or from its other rights under this Lease-Purchase Agreement or its duties and obligations hereunder to any other person, firm or corporation.

**Section 2.3 Tax Covenants.** The Lessee covenants (a) that it will take or cause to be taken all actions that may be required of it for the interest on the 2008 Certificates to remain excluded from gross income for federal income tax purposes, (b) that it will not take or authorize to be taken any actions which would adversely affect such exclusion and (c) that it, or other persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the 2008 Certificates in compliance with Arizona law and the Trust Agreement, (ii) restrict the yield on investment property, (iii) make or cause to be made timely and adequate payments to the federal government as provided in Section 8.8 of the Trust Agreement, (iv) maintain books and records, and (v) refrain from certain uses of proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of the interest on the 2008 Certificates under the Code. An officer of the Lessee shall take any and all such
actions, make such rebate payments or potential payments and make or give such reports and certifications as may be appropriate to assure such exclusion of the interest.

The Lessee covenants that it will use, and will restrict the use and investment of the proceeds of the 2008 Certificates in such manner and to such extent, if any, as may be necessary, so that (a) the 2008 Certificates will not (i) constitute an arbitrage bond, a private activity bond or a hedge bond under Sections 141, 148 or 149 of the Code, or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest on the 2008 Certificates will not be treated as a preference item under Section 57 of the Code.

Any officer of the Lessee having responsibility with respect to the execution and delivery of this Lease-Purchase Agreement shall, alone or in conjunction with any other officer, employee or agent of or consultant to the Lessee, be authorized (a) to make or affect any election, selection, designation, choice, consent, approval, or waiver on behalf of the Lessee with respect to this Lease-Purchase Agreement or the Certificates as the Lessee is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the interest on the 2008 Certificates or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action which be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Lessee, as may be appropriate to assure the exclusion of the interest on the 2008 Certificates from gross income for federal income tax purposes, and (c) to give one or more appropriate certificates of the Lessee, for inclusion in the transcript of proceedings for setting forth the reasonable expectations of the Lessee regarding the amount and use of all the proceeds relating to the 2008 Certificates and the property financed with such proceeds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the 2008 Certificates.

ARTICLE III
DEPOSIT OF MONEYS; APPLICATION OF FUNDS

Section 3.1 Deposit of Moneys.

(a) On the Closing Date, there shall be deposited with the Trustee the net proceeds of sale of the 2008 Certificates, which proceeds shall be deposited as provided in Sections 2.6 and 3.1 of the Trust Agreement for disbursement pursuant to the Trust Agreement.

Section 3.2 Acquisition of Leased Property. The Lessor hereby agrees to acquire the Leased Property through the deposit and disbursement of funds in accordance with Section 2.6 of the Trust Agreement.

Section 3.3 Payment of Delivery Costs. Payment of the Delivery Costs shall be made from the moneys deposited with the Trustee in the Delivery Costs Fund as provided in
Section 3.2 hereof, which shall be disbursed for this purpose in accordance and upon compliance with Article III of the Trust Agreement.

Section 3.4 Unexpended Proceeds and Other Moneys. All excess moneys remaining in the Delivery Costs Fund and not required for payment of Delivery Costs, shall be transferred by the Trustee to the Lease Payment Fund pursuant to Section 3.2 of the Trust Agreement and applied as a Prepayment of the Lease Payments pursuant to Article X hereof, and shall be applied to pay the next-succeeding Lease Payments as the same become due and payable.

ARTICLE IV
AGREEMENT TO LEASE- PURCHASE; TERMINATION OF THIS AGREEMENT;
LEASE PAYMENTS; TITLE TO THE LEASED PROPERTY

Section 4.1 Lease-Purchase. The Lessor hereby leases the Leased Property to the Lessee, and the Lessee hereby leases the Leased Property from the Lessor, upon the terms and conditions set forth in this Lease-Purchase Agreement.

Section 4.2 Term of Agreement; Termination.

(a) The Term of this Lease-Purchase Agreement shall commence on the date hereof, and continue until the end of the Lessee's current fiscal period, and thereafter shall be deemed to automatically be extended by the Lessee for such additional fiscal periods as are necessary to complete the anticipated total Lease Term through and including June 1, 2011, unless terminated prior thereto as provided herein. If on June 1, 2011, the Trust Agreement shall not be discharged by its terms, then the Term of this Lease-Purchase Agreement shall be extended until the Trust Agreement shall be discharged by its terms. If prior to June 1, 2011, the Trust Agreement shall, to the extent permitted by law, be discharged by its terms, the Term of this Lease-Purchase Agreement shall thereupon end. Reference to the Term of this Lease-Purchase Agreement shall include the initial and any extended term hereunder.

(b) If the Lessee shall fail to obtain, on or before the third Business Day prior to the last date on which the Lessee is required or permitted to adopt its budget for a Fiscal Period, proper budgeting and final appropriation by the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the Fiscal Period for which such budgeting and appropriation are made, the Lessee will immediately notify the Trustee in writing of that fact. If on the last date on which the Lessee is required or permitted to adopt its budget for a Fiscal Period no such proper budgeting and final appropriation by the Lessee's Board of Supervisors shall have been made, all of the Lessee's right, title and interest in and future obligations under this Lease-Purchase Agreement and to all of the Leased Property shall terminate (subject to reinstatement as provided in subsection (c)), effective as of the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which sufficient funds were determined to be lawfully available and allocated and the Lessee shall be relieved of any subsequent obligation under this Lease-Purchase Agreement with respect thereto, other than to return the Lessor possession of all of the Leased Property as provided in this Lease-Purchase Agreement and to pay any accrued and unpaid obligations.
(c) If this Lease-Purchase Agreement terminates pursuant to subsection (b) and if within forty-five (45) days after such date of termination amounts described in subsection (b) are determined to be available which would have permitted this Lease-Purchase Agreement to have continued in effect with respect to the Leased Property if such amounts had been determined to be available prior to the termination date, then this Lease-Purchase Agreement shall be reinstated with respect thereto and deemed renewed as of the day following the date of such termination.

Section 4.3 Possession. The Lessee agrees to take immediate possession of the Leased Property. The Lessee agrees to surrender possession of all the Leased Property upon termination of this Lease-Purchase Agreement for any reason (i) on the day following the forty-five (45) day reinstatement period provided in Section 4.2(c) hereof or (ii) on the date set by the Lessor under Section 9.2(b) hereof. To the maximum extent permitted by law, the Lessee agrees to hold the Lessor harmless for, from and against any costs, loss or damage whatsoever arising from or occasioned by any removal of property due to such termination.

Section 4.4 Lease Payments; Additional Rent; Other Payments.

(a) Obligation to Pay. Subject to the provisions of Section 4.2 and Articles VI and X hereof, the Lessee agrees to pay to the Lessor, its successors and assigns, as rental for the use and occupancy of the Leased Property, the Lease Payments (denominated into components of principal and interest) in the respective amounts specified in Exhibit B, to be due and payable on the respective Lease Payment Dates specified in Exhibit B. Any amount held in the Lease Payment Fund on any Lease Payment Date (other than amounts resulting from the Prepayment of the Lease Payments in part but not in whole pursuant to Article X hereof, other than (i) amounts required for payment of past due principal or interest with respect to any Certificates not presented for payment and (ii) proceeds of the Certificate Insurance Policy, if any) shall be credited towards the Lease Payments then due and payable, and no Lease Payments need be made on any Lease Payment Date if the amounts then held in the Lease Payment Fund (other than amounts resulting from the Prepayment of the Lease Payments in part but not in whole pursuant to Article X hereof, other than (i) amounts required for payment of past due principal or interest with respect to any Certificates not presented for payment and (ii) proceeds of the Certificate Insurance Policy, if any) are at least equal to the Lease Payments then required to be paid. Each Fiscal Period’s Lease Payments shall be for the use of the Leased Property during such Fiscal Period.

The obligations of the Lessee to pay Lease Payments and Additional Rent as required in this Lease-Purchase Agreement and the performance and observance of the other covenants and agreements on the Lessee’s part contained herein shall be absolute and unconditional in all aspects, except as specifically otherwise provided herein with respect to termination upon non-appropriation of funds. During the term hereof, the Lessee (i) shall not suspend or discontinue payment of the Lease Payments or Additional Rent, (ii) shall perform and observe all of its agreements contained herein, and will not terminate this Lease-Purchase Agreement for any reason, including, without limitation, any acts or circumstances that may constitute destruction of or damage to the Leased Property, frustration of purpose, or any failure of the Lessor to perform and observe any agreement whether express or implied, or any duty, liability or obligation arising out of or connected with this Lease-Purchase Agreement.
The Lessor acknowledges that it has been informed by the Lessee that, pursuant to Arizona law, the Lessee's obligation to make Lease Payments is a current expense of the Lessee, payable exclusively from budgeting and appropriation during each Fiscal Period, and is not a general obligation or indebtedness of Pima County, Arizona.

Arizona law provides that, if the Lessee fails to budget and appropriate money for any periodic payment or renewal term of a lease-purchase agreement, such agreement shall terminate at the end of the current term and the Lessee shall be relieved of any subsequent obligation under such agreement. The Lessee hereby covenants to make Lease Payments and Additional Rents for all Fiscal Periods during the Lease Term if funds are budgeted and appropriated by the Lessee's Board of Supervisors for that purpose.

The budget officials of the Lessee hereby covenant that they will include in the budget presented to the Lessee's Board of Supervisors sufficient funds for payment of all Lease Payments and Additional Rent when due, provided, however, the Lessor acknowledges that pursuant to Arizona law, budgeting and appropriation of money by Pima County is a legislative act of the Board of Supervisors and is beyond the control of the budgeting official of the Lessee.

(b) **Effect of Prepayment.** In the event that the Lessee prepays all remaining Lease Payments and Additional Rent in full pursuant to Article X hereof, the Lessee's obligations under this Lease-Payment Agreement shall thereupon cease and terminate, including but not limited to the Lessee's obligation to pay Lease Payments under this Section. In the event the Lessee prepays less than all of the remaining principal components of the Lease Payments and Additional Rent pursuant to Sections 10.3 or 10.4 hereof, the principal and interest components of the remaining Lease Payments shall be reduced proportionately such that the remaining Lease Payments correspond to the remaining payments of principal and interest with respect to the Outstanding Certificates (determined by reference to the Trust Agreement).

(c) **Rate on Overdue Payments.** In the event the Lessee should fail to make any of the Lease Payments or Additional Rent required in this Section 4.4, the payment in default shall continue as an obligation of the Lessee until the amount in default shall have been fully paid, and the Lessee agrees to pay the same with interest thereon, to the extent permitted by law, from the date of default to the date of payment at the rate of ten percent (10%) per annum.

(d) **Fair Rental Value.** The Lease Payments and Additional Rent for each rental payment period during the term of this Lease-Purchase Agreement shall constitute the total rental for the Leased Property for such rental payment period, and shall be paid by the Lessee in each rental payment period for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of the Leased Property during each such period for which said rental is to be paid. The parties hereto have agreed and determined that the total Lease Payments and Additional Rent represent the fair rental value of the Leased Property. In making such determination, consideration has been given to the appraised value of the Leased Property, other obligations of the parties under this Lease-Purchase Agreement, the uses and purposes which may be served by the Leased Property and the benefits therefrom which will accrue to the Lessee and the general public.
Section 4.5 **Quiet Enjoyment.** During the Term of this Lease-Purchase Agreement the Lessee shall have quiet use and enjoyment of the Leased Property, and the Lessee shall during such Term peaceably and quietly have and hold and enjoy the Leased Property, without suit, trouble or hindrance from the Lessor, except as expressly set forth in this Lease-Purchase Agreement. The Lessor will, at the request of the Lessee and at the Lessee's cost, join in any legal action in which the Lessee asserts its right to such possession and enjoyment to the extent the Lessor may lawfully do so. Notwithstanding the foregoing, the Lessor shall have the right to inspect the Leased Property as provided in Section 7.1 hereof.

Section 4.6 **Title.** Pursuant to the Ground Lease, the Lessee shall hold title to the Public Works Parking Garage, but subject to this Lease-Purchase Agreement and the Lessor's interest in the Ground Lease. Pursuant to the Deed, the Lessor shall hold title to the Public Works Building and the Legal Services Building.

If the Lessee prepays the Lease Payments and Additional Rent in full pursuant to Article X hereof or makes the advance deposit required by Section 10.1 hereof, or pays all Lease Payments and Additional Rent during the Term of this Lease-Purchase Agreement as the same become due and payable, all right, title and interest of the Lessor in and to the Leased Property shall be transferred to and vested in the Lessee free and clear of this Lease-Purchase Agreement. Such title shall vest in the Lessee hereunder without the necessity of any additional payments or of any further instrument of transfer. The Lessor agrees to take any and all steps and execute and record any and all documents reasonably required by the Lessee to confirm such vesting of title.

Section 4.7 **Additional Rent.** In addition to the Lease Payments described in Section 4.4 hereof, the Lessee shall pay when due (a) all costs and expenses incurred by the Lessor or the Trustee to comply with the provisions of the Trust Agreement, (b) payments required to be deposited into the Rebate Fund pursuant to Section 8.8(c) of the Trust Agreement, (c) compensation, expenses and any other amounts payable to the Trustee under Section 9.8 of the Trust Agreement, (d) all amounts payable by the Lessee pursuant to Section 7.2 hereof, (e) all costs and expenses of auditors, engineers, accountants and legal counsel, if necessary, but excluding Delivery Costs (which shall be paid by the Lessor from moneys deposited in the Delivery Costs Fund) and (f) all rent for any holdover period during which Lessee stays in possession of the Leased Property after termination of this Lease-Purchase Agreement, which rent shall be calculated as: (i) number of days of holdover divided by (ii) 365 multiplied by (iii) the Lease Payments for such Fiscal Period.

Section 4.8 **Nonsubstitution.** If an event of default, as defined in Section 9.1 hereof, shall occur or the Lessee shall terminate this Lease-Purchase Agreement pursuant to Section 4.2(b) hereof, the Lessee agrees, to the extent permitted by law, for sixty (60) days from the date of such termination, not to purchase, lease or rent any other property or services to perform the
same functions as, or functions taking the place of, those performed by the Leased Property; provided, however, that these restrictions shall not be applicable if or to the extent that the application of these restrictions would affect the validity of this Lease-Purchase Agreement.

ARTICLE V
MAINTENANCE; TAXES; INSURANCE; AND OTHER MATTERS

Section 5.1 Maintenance, Utilities, Taxes and Assessments. Throughout the Term of this Lease-Purchase Agreement, as part of the consideration for the rental of the Leased Property, the Lessee shall repair and maintain the Leased Property, and the Lessee shall pay for or otherwise arrange for the payment of all utility services supplied to the Leased Property, which may include, without limitation, janitor service, security, power, gas, telephone, light, heating, water and all other utility services, and shall pay for or otherwise arrange for the payment of the cost of the repair and replacement of the Leased Property resulting from ordinary wear and tear or want of care on the part of the Lessee or any assignee or sublessee thereof. In exchange for the Lease Payments and Additional Rent herein provided, the Lessor agrees to provide only the Leased Property, as hereinbefore more specifically set forth.

The Lessee shall also pay or cause to be paid all taxes and assessments of any type or nature, if any, charged to the Lessor, the Trustee or the Lessee affecting the Leased Property (but not including income taxes), the respective interests or estates therein or the taxability of any payments under this Lease-Purchase Agreement; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Lessee shall be obligated to pay only such installments as are required to be paid during the Term of this Lease-Purchase Agreement as and when the same become due.

The Lessee or any sublessee may, at the Lessee’s or such sublessee’s expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Lessor shall notify the Lessee or such sublessee that, in the opinion of Independent Counsel, by nonpayment of any such items, the interest of the Lessor in the Leased Property will be materially endangered or the Leased Property or any part thereof will be subject to loss or forfeiture, in which event the Lessee or such sublessee shall promptly pay such taxes, assessments or charges or provide the Lessor with full security against any loss which may result from nonpayment, in form satisfactory to the Lessor and the Trustee.

Section 5.2 Modification of Leased Property. The Lessee and any sublessee shall, at their own expense, have the right to remodel any portion of the Leased Property or to make additions, modifications and improvements to any portion of the Leased Property. All such additions, modifications and improvements shall thereafter comprise part of the Leased Property and be subject to the provisions of this Lease-Purchase Agreement. Such additions, modifications and improvements shall not in any way damage the Leased Property or cause it to be used for purposes other than those authorized under the provisions of State and federal law; and the Leased Property, upon completion of any additions, modifications and improvements made thereto pursuant to this Section, shall be of a value which is not substantially less than the value of such Leased Property immediately prior to the making of such additions, modifications
and improvements. The Lessee will not permit any mechanic's or other lien to be established or remain against the Leased Property for labor or materials furnished in connection with any remodeling, additions, modifications, improvements, repairs, renewals or replacements made by the Lessee or any sublessee or assignee pursuant to this Section; provided that if any such lien is established and the Lessee shall first notify or cause to be notified the Lessor of the Lessee's or any sublessee's intention to do so, the Lessee or any sublessee may in good faith contest any lien filed or established against the Leased Property, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom and shall provide the Lessor with full security against any loss or forfeiture which might arise from the nonpayment of any such item, in form satisfactory to the Lessor. The Lessor will cooperate fully in any such contest, upon the request and at the expense of the Lessee or such sublessee.

Section 5.3 General Liability Insurance. The Lessee shall maintain or cause to be maintained, throughout the Term of this Lease-Purchase Agreement, Qualified Self-Insurance or a standard commercial general insurance policy or policies with a responsible insurance company or companies authorized under the laws of the State to assume such risks, of such types and in such amounts as are determined by the Lessee to be customary for similar institutions carrying on similar activities to those carried on the Leased Property. Said policy or policies, or any Qualified Self-Insurance as discussed below, shall, to the extent permitted by law, name the Lessor and the Trustee as additional insureds and shall provide for coverage against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the construction or operation of the Leased Property; provided, however, to the extent the Lessor or the Trustee is not named as additional insureds under any insurance or Qualified Self-Insurance, the Lessee hereby assigns to the Lessor and the Trustee its rights to receive any or all proceeds received from such insurance or Qualified Self-Insurance as their respective interests or rights under this Lease-Purchase Agreement may appear on the date of payment thereof. Such liability insurance may be maintained as part of or in conjunction with any other liability insurance coverage carried or required to be carried by the Lessee and may be maintained in the form of Qualified Self-Insurance by the Lessee. The proceeds of such liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the proceeds of such insurance shall have been paid.

Section 5.4 Fire and Extended Coverage Insurance. The Lessee shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Lease-Purchase Agreement, insurance or Qualified Self-Insurance against loss or damage to any structures or equipment constituting any part of the Leased Property by fire and lightning, with extended coverage and vandalism and malicious mischief insurance. Said extended coverage insurance shall, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance then in existence. Such insurance shall be in an amount equal to one hundred percent (100%) of the replacement cost of the Leased Property then in existence. Such insurance may be subject to deductible clauses of not to exceed $100,000 for any one loss. Such insurance may be maintained as part of or in conjunction with any other fire and extended coverage insurance carried or required to be carried by the Lessee and may be maintained in the form of Qualified Self-Insurance by the Lessee. Said policy or policies, or any Qualified Self-Insurance, shall, to the extent permitted by law, provide for insuring the Lessor, the Trustee and the Lessee against
such loss or damage; provided, however, to the extent the Lessor or the Trustee are not named as
debt payees under any insurance or Qualified Self-Insurance, the Lessee hereby assigns to the
Lessor and the Trustee its rights to receive any or all proceeds received from such insurance or
Qualified Self-Insurance as their respective interests or rights under this Lease-Purchase
Agreement may appear on the date of payment thereof. The Net Proceeds of such insurance
shall be applied as provided in Section 6.2(a) hereof.

Section 5.5 Title Insurance. The Lessee shall provide, at its own expense, on or
before the Closing Date, a title insurance policy in form satisfactory to the Lessor in the amount
of not less than the aggregate principal amount of the 2008 Certificates insuring the Trustee’s
interest in the Leased Property under the Ground Lease, the Deed and this Lease-Purchase
Agreement, subject only to Permitted Encumbrances. All Net Proceeds received under said
policy shall be deposited with the Trustee in the Lease Payment Fund and shall be credited
towards the Prepayment of the remaining Lease Payments pursuant to Section 10.4 hereof.

Section 5.6 Insurance Net Proceeds: Form of Policies. Each policy of insurance
required by Sections 5.4 and 5.5 hereof shall provide that all proceeds thereunder shall be
payable to the Lessor or assigned to the Lessor by the Lessee pursuant to Sections 5.3 and 5.4
hereof and applied as provided in Section 6.2 hereof. All policies of insurance required by this
Lease-Purchase Agreement and any statements of self-insurance shall be in form satisfactory to
the Lessor. The Lessee shall pay or cause to be paid when due the premiums for all insurance
policies required by this Lease-Purchase Agreement, and shall promptly furnish or cause to be
furnished evidence of such payments to the Lessor. All such policies shall provide that the
Lessor shall be given thirty (30) days’ notice of each expiration, any intended cancellation
thereof or reduction of the coverage provided thereby. The Lessor shall not be responsible for
the sufficiency of any insurance herein required and shall be fully protected in accepting
payment on account of such insurance or any adjustment, compromise or settlement of any loss
agreed to by the Lessee. The Lessee shall cause to be delivered to the Lessor annually evidence
satisfactory to the Lessor that the insurance policies required by this Lease-Purchase Agreement
are in full force and effect. In the event the Lessee maintains self-insurance for the insurance
required by Sections 5.3 and 5.4 hereof, the Lessee shall cause to be delivered to the Lessor
annually the documentation required for the determination that such self-insurance constitutes
Qualified Self-Insurance. The Lessee shall furnish an annual certificate stating that the
insurance in effect meets the requirements of Sections 5.3, 5.4 and 5.6 of this Lease Agreement.

Section 5.7 Advances. If the Lessee shall fail to perform any of its obligations under
this Article, the Trustee may, but shall not be obligated to, take such action as may be necessary
to cure such failure, including the advancement of money, and the Lessee shall be obligated to
repay all such advances as Additional Rent as soon as possible, with interest at the rate of ten
percent (10%) per annum from the date of the advance to the date of repayment.

Section 5.8 Installation of Lessee’s Equipment. The Lessee and any sublessee may
at any time and from time to time, in its sole discretion and at its own expense, install or permit
to be installed other items of equipment or other personal property in or upon the Leased
Property. All such items shall remain the sole property of such party, in which neither the Lessor
nor the Trustee shall have any interest, and may be modified or removed by such party at any
time provided that such party shall repair and restore any and all damage to the Leased Property
resulting from the installation, modification or removal of any such items. Nothing in this Lease-Purchase Agreement shall prevent the Lessee and any sublessee from purchasing or leasing items to be installed pursuant to this Section under a lease or conditional sale agreement, or subject to a vendor's lien or security agreement, as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest shall attach to any part of the Leased Property.

Section 5.9 Liens. The Lessee shall not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Leased Property, other than the respective rights of the Lessor and the Lessee as herein provided and Permitted Encumbrances. Except as expressly provided in this Article, the Lessee shall promptly, at its own expense, take such action as may be necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim, for which it is responsible, if the same shall arise at any time. The Lessee shall reimburse the Lessor for any expense incurred by it in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.

Section 5.10 Delivery of Leased Property Upon Termination.

Lessee shall, (i) upon the early termination of the full Term of this Lease-Purchase Agreement or (ii) on the date set by the Lessor under Section 9.2(b) hereof, deliver the Leased Property to the Lessor, or another person, as directed by the Lessor, in at least as good condition and repair as when delivered to Lessee, ordinary wear and tear excepted. The Leased Property shall be delivered to the Lessor, or another person, as directed by the Lessor, as herein required, free and clear of all liens, encumbrances and rights of others except Permitted Encumbrances.

ARTICLE VI
DAMAGE, DESTRUCTION AND EMINENT DOMAIN;
USE OF NET PROCEEDS

Section 6.1 Eminent Domain. If all of the Leased Property shall be taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Term of this Lease-Purchase Agreement shall cease as of the day possession shall be so taken and the Net Proceeds shall be deposited with the Trustee pursuant to Section 7.2 of the Trust Agreement. If less than all of the Leased Property shall be taken permanently, or if all of the Leased Property or any part thereof shall be taken temporarily, under the power of eminent domain, (i) this Lease-Purchase Agreement shall continue in full force and effect and shall not be terminated by virtue of such taking and the parties waive the benefit of any law to the contrary, and (ii) there shall be a partial reduction of Lease Payments as a result of the application of the Net Proceeds of any eminent domain award to the Prepayment of the Lease Payments hereunder as provided in Section 6.3 hereof.

Section 6.2 Application of Net Proceeds.

(a) From Insurance Award. The Net Proceeds of any insurance award resulting from any damage to or destruction of any Leased Property by fire or other casualty shall be deposited in the Insurance and Condemnation Fund created pursuant to Article VII of

434241 20
the Trust Agreement by the Trustee promptly upon receipt thereof and, if the Lessee determines, within ninety (90) days following such deposit, that the replacement, repair, restoration, modification or improvement of such Leased Property is not economically feasible or in the best interest of the Lessee, then, upon receipt by the Trustee of written notice of such determination by the Lessee Representative, such Net Proceeds shall be promptly transferred by the Trustee to the Lease Payment Fund and applied as provided in Section 10.4 hereof; provided, however, that in the event of damage or destruction of the Leased Property in full, such Net Proceeds may be transferred to the Lease Payment Fund only if sufficient, together with other moneys available therefor, to cause the redemption of all Outstanding Certificates; provided further, however, if the Net Proceeds are not sufficient to cause the redemption of all Outstanding Certificates the Lessee shall have an option to purchase the Leased Property for a price representing the difference between the amount of Net Proceeds received and available for transfer to the Lease Payment Fund and the amount required to redeem all Outstanding Certificates. The proceeds from said insurance and the Net Proceeds shall then be deposited in the Lease Payment Fund and applied as provided in Section 10.4 hereof. All Net Proceeds deposited in the Insurance and Condemnation Fund and not so transferred to the Lease Payment Fund shall be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property by the Lessee, upon receipt of a requisition satisfactory to the Trustee signed by the Lessee Representative stating with respect to each payment to be made (i) the requisition number, (ii) the name and address of the person, firm or corporation to whom payment is due, (iii) the amount to be paid, and (iv) that each obligation mentioned therein has been properly incurred, is a proper charge against the Insurance and Condemnation Fund, has not been the basis of any previous withdrawal, and specifying in reasonable detail the nature of the obligation, accompanied by a bill or a statement of account for such obligation; provided, however, in the event the Lessee determines that the Net Proceeds are insufficient for the replacement of the Leased Property and that additional funds are not available from other sources in an amount sufficient for such replacement, such Net Proceeds shall be transferred to the Lease Payment Fund and be applied in accordance with Section 10.4 of this Lease-Purchase Agreement. Any balance of the Net Proceeds remaining after such work has been completed shall be deposited in the Lease Payment Fund and applied toward subsequent Lease Payments.

(b) From Eminent Domain Award. The Net Proceeds of any eminent domain award resulting from any event described in Section 6.1 hereof shall be deposited in the Insurance and Condemnation Fund to be held and applied by the Trustee pursuant to Section 7.2 of the Trust Agreement.

(c) Proceeds of $100,000 or Less. The parties hereto agree that the provisions of this Section 6.2 are not intended and shall not be construed in any way to apply to the proceeds of any insurance or condemnation award less than or equal to $100,000. Such proceeds shall be paid to the Lessee and applied by the Lessee in its sole discretion.

Section 6.3 Reduction of Rental in the Event of Prepayment of Lease Payments. In the event the Net Proceeds of any insurance or condemnation awards are deposited in the Lease Payment Fund and credited towards Prepayments pursuant to Section 10.4 hereof, the amount of remaining Lease Payments shall be reduced proportionately as to the principal and interest components thereof such that the resulting Lease Payments will correspond to the remaining payments of principal of and interest on the Outstanding Certificates (after any
redemption of Certificates pursuant to Section 4.2 of the Trust Agreement resulting from such Prepayments), which resulting Lease Payments are hereby deemed to represent fair consideration for the use and occupancy of the portions of the Leased Property not taken, damaged or destroyed. In the event of any such reduction, this Lease-Purchase Agreement shall continue in full force and effect and the Lessee waives any right to terminate this Lease-Purchase Agreement by virtue of any damage or destruction of the Leased Property causing such reduction of Lease Payments.

ARTICLE VII
ACCESS TO LEASED PROPERTY, INDEMNIFICATION

Section 7.1 Access to the Leased Property. The Lessee agrees that the Lessor, any Lessor Representative shall have the right at all reasonable times to enter upon and into the Leased Property and to examine and inspect the Leased Property. The Lessee further agrees that the Lessor, any Lessor Representative, and the Lessor's successors or assigns shall have such rights of access to the Leased Property as may be reasonably necessary to cause the proper maintenance of the Leased Property in the event of failure by the Lessee to perform its obligations hereunder.

Section 7.2 Release and Indemnification Covenants. To the extent permitted by law, the Lessee shall and hereby agrees to indemnify and save the Trustee harmless for, from and against all claims, losses and damages, including legal fees and expenses, arising out of (i) the ownership, use, maintenance, condition or management of, or from any work or thing done on, the Leased Property, (ii) any breach or default on the part of the Lessee in the performance of any of its obligations under this Lease-Purchase Agreement or of any of its representations or warranties under this Lease-Purchase Agreement, (iii) any act or negligence of the Lessee or of any of its agents, contractors, servants, employees or licensees with respect to the Leased Property, (iv) any act or negligence of any sublessee of the Lessee with respect to the Leased Property, or (v) the acquisition and construction of the Leased Property, the execution and delivery of this Lease-Purchase Agreement, the Ground Lease, the Deed and the Trust Agreement, and the execution, delivery and sale of the Certificates. No indemnification is made under this Section or elsewhere in this Lease-Purchase Agreement for claims successfully brought for willful misconduct, negligence, or breach of duty under this Lease-Purchase Agreement by the Lessor or its officers, agents, employees, successors or assigns. The indemnification made under this Section shall survive the termination or expiration of this Lease-Purchase Agreement and the redemption or defeasance of the Certificates.

ARTICLE VIII
ASSIGNMENT, SUBLEASING AND AMENDMENT

Section 8.1 Assignment and Subleasing by the Lessee. This Lease-Purchase Agreement may not be assigned by the Lessee. The Leased Property may be subleased through agreements in existence on the Closing Date and extensions and renewals thereof, and the Leased Property may be otherwise subleased only with the written consent of the Lessor, which consent shall not be unreasonably withheld, and subject to all of the following conditions:

434241 22
(i) This Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments hereunder shall remain obligations of the Lessee;

(ii) The Lessee shall, within thirty (30) days after the delivery thereof, furnish or cause to be furnished to the Lessor a true and complete copy of such sublease;

(iii) No such sublease by the Lessee shall cause any of the Leased Property to be used for a purpose other than a governmental or proprietary function authorized under the provisions of the Constitution and laws of the State; and

(iv) The Lessee shall furnish the Lessor with a written opinion of Special Counsel, with respect to any such sublease, stating that such sublease shall not adversely affect the exclusion of the interest components of the Lease Payments from gross income for federal income tax purposes when paid to the Owners of the 2008 Certificates.

Section 8.2 Amendment of this Lease-Purchase Agreement. Without the written consent of the Trustee, neither the Lessor nor the Lessee will alter, modify or cancel, or agree or consent to alter, modify or cancel this Lease-Purchase Agreement, excepting only such alteration or modification as may be permitted by Article X of the Trust Agreement.

ARTICLE IX
EVENTS OF DEFAULT AND REMEDIES

Section 9.1 Events of Default Defined. The following shall be "events of default" under this Lease-Purchase Agreement and the terms "events of default" and "default" shall mean, whenever they are used in this Lease-Purchase Agreement, with respect to the Leased Property, any one or more of the following events:

(i) Failure by the Lessee to pay any Lease Payment or other payment required to be paid hereunder at the time specified herein, and the continuation of such failure for a period of two (2) days.

(ii) Failure by the Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed under the Trust Agreement or this Lease-Purchase Agreement, other than as referred to in clause (i) of this Section, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to the Lessee by the Lessor, the Trustee or the Owners of not less than five percent (5%) in aggregate principal amount of Certificates then Outstanding; provided, however, if the failure stated in the notice can be corrected, but not within the applicable period, neither the Lessor, the Trustee nor such Owners shall unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Lessee within the applicable period and diligently pursued until the default is corrected.
(iii) Any representation or warranty made by the Lessee hereunder shall be untrue in any material respect as of the date made;

(iv) The filing by the Lessee of a voluntary petition in bankruptcy, or failure by the Lessee promptly to lift any execution, garnishment or attachment, or adjudication of the Lessee as a bankrupt, or assignment by the Lessee for the benefit of creditors, or the entry by the Lessee into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Lessee in any proceedings instituted under the provisions of the federal bankruptcy statute, as amended, or under any similar acts which may hereafter be enacted.

Notwithstanding the foregoing, if, by reason of Force Majeure, the Lessee is unable to perform or observe any agreement, term or condition of this Lease-Purchase Agreement, other than any obligation to make Lease Payments or Additional Rent required under this Lease-Purchase Agreement, the Lessee shall not be deemed in default during the continuance of such inability. However, the Lessee shall promptly give notice to the Lessor of existence of any event of Force Majeure and shall use its best efforts to remove the effects thereof; provided that the settlement of strike or labor disturbances shall be entirely within the Lessee's discretion.

For the purpose of this subsection, the term "Force Majeure" shall mean, without limitation: Acts of God; strikes, lockouts or other labor disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States or any of its departments, agencies, political subdivisions, courts or officials, or any civil or military authority; insurrections; civil disturbances; riots; epidemics; landslides; lightning; earthquakes; fires; hurricanes; tornados; storms; droughts; floods; arrests; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation.

Section 9.2 Remedies on Default. Whenever any event of default referred to in Section 9.1 hereof shall have happened and be continuing, the Lessor may exercise any and all remedies available pursuant to law or granted pursuant to this Lease-Purchase Agreement including, without limitation, excluding the Lessee from the Leased Property; provided, however, that notwithstanding anything herein or in the Trust Agreement to the contrary, there shall be no right under any circumstances to accelerate the Lease Payments or Additional Rent or otherwise declare any Lease Payments or Additional Rent not then in default to be immediately due and payable. Each and every covenant hereof to be kept and performed by the Lessee is expressly made a condition and upon the breach thereof the Lessor may exercise any and all rights of entry and re-entry upon or into the Leased Property and also, at its option, with or without such entry, may, subject to the Certificate Owner's rights provided in Section 9.7 hereof, terminate this Lease-Purchase Agreement; provided, that no such termination shall be effected either by operation of law or acts of the parties hereto, except only in the manner herein expressly provided. In the event of such default:

(a) In the event the Lessor does not elect to terminate this Lease-Purchase Agreement in the manner hereinafter provided for in subparagraph (b) hereof, the Lessee hereby irrevocably appoints the Lessor as the agent and attorney-in-fact of the Lessee to enter upon and
take possession of the Leased Property, to the exclusion of the Lessee, and relet the Lessee’s interests in the Leased Property in the event of default by the Lessee in the performance of any covenants herein contained to be performed by the Lessee and to remove all personal property not constituting Leased Property and to place such property in storage or other suitable place in the County of Pima, State of Arizona, for the account of and at the expense of the Lessee, and, to the extent permitted by law, the Lessee hereby exempts and agrees to save harmless the Lessor for, from and against any costs, loss or damage whatsoever arising or occasioned by any such entry upon and reletting of the Leased Property and the removal and storage of personal property by the Lessor or its duly authorized agents in accordance with the provisions herein contained. The Lessee hereby waives any and all claims for damages caused or which may be caused by the Lessor in reentering and taking possession of the Leased Property as herein provided and all claims for damages that may result from the destruction of or injury to the Leased Property and all claims for damages to or loss of any property belonging to the Lessee that may be in or upon the Leased Property.

The Lessee agrees that the terms of this Lease-Purchase Agreement constitute full and sufficient notice of the right of the Lessor to take possession of or re-rent the Leased Property in the event of such reentry without effecting a surrender of this Lease-Purchase Agreement, and further agrees that no acts of the Lessor in effecting such re-renting or re-leasing shall constitute a surrender or termination of this Lease-Purchase Agreement irrespective of the term for which such re-leasing or re-renting is made or the terms and conditions of such re-leasing or re-renting, or otherwise, but that, on the contrary, in the event of such default by the Lessee the right to terminate this Lease-Purchase Agreement shall vest in the Lessor to be effected in the sole and exclusive manner hereinafter provided for in subparagraph (b) hereof.

(b) In an event of default hereunder, the Lessor at its option may terminate this Lease-Purchase Agreement and sell, convey, re-rent, or re-lease all or any portion of its interests in the Leased Property any may exclude the Lessee therefrom. Neither notice to pay rent or to deliver up possession of the premises given pursuant to law nor any proceeding in unlawful detainer taken by the Lessor shall of itself operate to terminate this Lease-Purchase Agreement and no termination of this Lease-Purchase Agreement on account of default by the Lessee shall be or become effective by operation of law, or otherwise, unless and until the Lessor shall have given written notice to the Lessee of the election on the part of the Lessor to terminate this Lease-Purchase Agreement. The Lessee covenants and agrees that no surrender of the Leased Property or of the remainder of the term hereof or any termination of this Lease-Purchase Agreement shall be valid in any manner or for any purpose whatsoever unless stated or accepted by the Lessor by such written notice. Additionally, to the extent permitted by law, the Lessee hereby exempts and agrees to save harmless the Lessor for, from and against any costs, loss or damage whatsoever arising or occasioned by any removal of the Leased Property by the Lessor or its duly authorized agents in accordance with the provisions contained in this Lease-Purchase Agreement.

Section 9.3 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Lessor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease-Purchase Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but
any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Lessor to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice, other than such notice as may be required in this Article or by law.

Section 9.4 Agreement to Pay Attorneys' Fees and Expenses. In the event either party to this Lease-Purchase Agreement should default under any of the provisions hereof and the nondefaulting party should employ attorneys or incur other expenses for the collection of money or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it will on demand therefor pay to the nondefaulting party, to the extent permitted by law, the fees of such attorneys and such other expenses so incurred by the nondefaulting party.

Section 9.5 No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Lease-Purchase Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 9.6 Application of Proceeds. All Net Proceeds received from the sale, release or other disposition of the Leased Property under this Article IX, and all other amounts derived by the Lessor as a result of an event of default hereunder, shall be applied as provided in Section 13.3 of the Trust Agreement.

Section 9.7 Trustee and Certificate Owners to Exercise Rights. Such rights and remedies as are given to the Lessor under this Article IX shall be exercised by the Trustee and the Owners of the Certificates as provided in the Trust Agreement.

ARTICLE X
PREPAYMENT OF LEASE PAYMENTS

Section 10.1 Security Deposit. Notwithstanding any other provision of this Lease-Purchase Agreement, the Lessee may on any date secure the payment of Lease Payments by a deposit with the Trustee of (i) an amount in cash which, in the judgment of the Trustee, together with amounts on deposit in the Lease Payment Fund and the Insurance and Condemnation Fund is sufficient to pay all unpaid Lease Payments and Additional Rent, including the principal and interest components of Lease Payments, in accordance with the Lease Payment Schedule set forth in Exhibit B, or (ii) Defeasance Obligations, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant acceptable to the Trustee, together with interest to accrue thereon but without reinvestment thereof and, if required, all or a portion of moneys or Defeasance Obligations then on deposit in the Lease Payment Fund, be fully sufficient to pay all unpaid Lease Payments and Additional Rent on their respective due dates or by Prepayment thereof pursuant to Section 10.2 hereof, as the Lessee shall instruct at the time of said deposit. In the event of a deposit pursuant to this Section and upon the defeasance of all the Certificates pursuant to Section 14.1 of the Trust Agreement, all obligations of the Lessee under this Lease-Purchase Agreement (except those which survive termination of this Lease-Purchase Agreement), and all security provided by this Lease-Purchase Agreement for said obligations, shall cease and terminate, excepting only the obligations of the Lessee to make,
or cause to be made, Lease Payments and Additional Rent from the deposit made by the Lessee pursuant to this Section, and if the Trust Agreement has been discharged, title to the Leased Property shall vest in the Lessee on the date of said deposit automatically and without further action by the Lessee or the Lessor. Said deposit shall be deemed to be and shall constitute a special fund for the payment of Lease Payments and Additional Rent in accordance with the provisions of this Lease-Purchase Agreement.

Section 10.2 Purchase Option. The Lessee may exercise its option to purchase all of the Leased Property on any Prepayment Date, by paying the applicable Prepayment Price together with Additional Rent and the interest component of the Lease Payment required to be paid on such Prepayment Date to effect the redemption of Certificates pursuant to Section 4.2(a) of the Trust Agreement and a deposit described in Section 10.1 hereof sufficient to secure all unpaid Lease Payments necessary to provide for the payment of principal of and interest evidenced by the Certificates not subject to redemption or which are not being redeemed. Except as otherwise provided in the Trust Agreement, such Prepayment Price shall be deposited by the Trustee in the Lease Payment Fund to be applied to the redemption of Certificates pursuant to Section 4.2(a) of the Trust Agreement. The Lessee shall give the Trustee notice of its intention to exercise its option not less than forty-five (45) days in advance of the date of exercise.

Section 10.3 Optional Prepayment. The Lessee may prepay the Lease Payments, in whole or in part, at any time. Such Prepayments shall be deposited in the Lease Payment Fund and applied to the payment or redemption of Certificates as provided in Articles II and IV of the Trust Agreement or, if the Certificates are not subject to redemption at the time of such deposit, shall be applied as provided in Section 14.1 of the Trust Agreement to provide for the payment of Certificates as directed by the Lessee.

Section 10.4 Mandatory Prepayment From Net Proceeds of Insurance, Eminent Domain. The Lessee shall be obligated to prepay the Lease Payments allocable to the Leased Property, in whole or in part, on any May 15 or November 15, or the next succeeding Business Day if such date is not a Business Day, from and to the extent of any Net Proceeds of insurance award or condemnation awards with respect to the Leased Property theretofore deposited in the Lease Payment Fund for such purpose pursuant to Articles V, VI, IX or X hereof or pursuant to Section 7.2 of the Trust Agreement. The Lessee and the Lessor hereby agree that such Net Proceeds, to the extent remaining after payment of any delinquent Lease Payments, shall be credited towards the Lessee's obligations under this Section and shall be applied to the mandatory redemption of Certificates required by Section 4.2(b) of the Trust Agreement.

Section 10.5 Credit for Amounts on Deposit. In the event of Prepayment of the principal components of the Lease Payments and Additional Rent in full under this Article X, such that the Trust Agreement shall be discharged by its terms as a result of such Prepayment, all amounts then on deposit in the Lease Payment Fund shall be credited towards the amounts then required to be so prepaid.

The cancellation shall be effective when written notice from the Lessee’s Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Lease-Purchase Agreement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Lessor covenants not to employ as an employee, an agent or, with respect to the subject matter of this Lease-Purchase Agreement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Lease-Purchase Agreement on behalf of the Lessee within 3 years from execution of this Lease-Purchase Agreement, unless a waiver of A.R.S. § 38-511 is provided by the Lessee’s Board of Supervisors.

The Lessee retains the legal right to randomly inspect the papers and records of the Lessor to ensure that the Lessor is complying with the above-mentioned warranty. The Lessor shall keep such papers and records open for random inspection.
by the Lessee during normal business hours. The Lessor shall cooperate with the random inspections by the Lessee, including granting the Lessee entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(c) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above), to the effect that (i) when executed and delivered by the Trustee, those Additional Certificates will be valid and binding in accordance with their terms and will be secured hereunder equally and on a parity with all other Certificates at the time Outstanding hereunder as to the assignment to the Trustee of the amounts pledged hereunder, and (ii) the execution and delivery of the Additional Certificates will not result in the portion of the Lease Payments designated as interest evidenced by the Certificates Outstanding immediately prior to that execution and delivery of such Additional Certificates becoming includable in gross income for purposes of federal income taxation.

(d) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above) to the effect that any amendments or supplements to the Lease-Purchase Agreement entered into in connection with the execution and delivery of the Additional Certificates have been duly authorized, executed and delivered by the Lessee, and that the Lease-Purchase Agreement, as amended or supplemented, constitutes a legal, valid and binding obligation of the Lessee, enforceable in accordance with its terms, subject to exceptions reasonably satisfactory to the Trustee for bankruptcy laws and other laws affecting creditors’ rights and the exercise of judicial discretion.

(e) Written confirmation from Moody’s, if the Certificates are then rated by Moody’s, and from S&P, if the Certificates are then rated by S&P, that the issuance of the Additional Certificates will not cause the then-assigned rating assigned to the Certificates to be reduced or withdrawn.

When the documents listed above have been received by the Trustee, the Trustee shall execute and deliver the Additional Certificates to or on the order of the original purchaser thereof, but only upon payment of the agreed-upon purchase price for the Additional Certificates.

The 2008 Certificates shall be initially issued in the form of a single fully registered certificate for each scheduled principal payment date for each series of 2008 Certificates. Upon initial execution and delivery, the ownership of such 2008 Certificates shall be registered in the Register in the name of Cede & Co., as nominee of DTC, and, except as hereinafter otherwise provided, all of the Outstanding 2008 Certificates shall be registered in the name of Cede & Co., as nominee of DTC.
With respect to the 2008 Certificates registered in the Register in the name of Cede & Co., as nominee of DTC, the Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the 2008 Certificates (a “Beneficial Owner”), nor any responsibility or obligation to any DTC Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the 2008 Certificates under or through DTC or any DTC Participant, or any other person with respect to (i) the accuracy of any records maintained by DTC or any DTC Participant, (ii) the payment by DTC or any DTC Participant of any amount in respect of the 2008 Certificates, (iii) the giving of any notice that is permitted or required to be given to Owners under this Trust Agreement, or (iv) any consent given or other action taken by DTC as an Owner.

Notwithstanding any other provision of this Trust Agreement to the contrary, the Trustee shall be entitled to treat and consider the person in whose name each 2008 Certificate is registered in the Register as an absolute Owner of such 2008 Certificate for the purpose of payment, for the purpose of giving notices of prepayment with respect to any 2008 Certificate, for the purpose of registering transfers with respect to such 2008 Certificate, and for all other purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest evidenced by any 2008 Certificate only to or upon the order of the respective 2008 Certificate Owners, as shown in the Register, as provided in this Trust Agreement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the 2008 Certificates to the extent of the sum or sums so paid. No person other than a 2008 Certificate Owner, as shown in the Register, shall receive a 2008 Certificate evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this Trust Agreement.

Notwithstanding any other provision of this Trust Agreement or the 2008 Certificates, so long as the 2008 Certificates are held in book-entry form and registered in the name of Cede & Co., as nominee or DTC, or registered in the name of any successor securities depository, or its nominee, the following provisions shall apply:

(a) Presentation. Presentation of 2008 Certificates to the Paying Agent at their scheduled payment dates or upon prepayment prior thereto shall be deemed made to the Paying Agent when the right to exercise ownership rights in the 2008 Certificates through DTC or a DTC Participant is transferred by DTC on its books.

(b) Fractionalized Representation. DTC may present notices, approvals, waivers, votes or other communications required or permitted to be made by Owners under this Trust Agreement on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2008 Certificates through DTC or DTC Participants.

The 2008 Certificate Owners have no right to a depository for the 2008 Certificates. The Lessee or the Trustee may remove DTC or any successor thereto for any reason at any time. In such event, the Trustee shall (i) appoint a successor securities depository qualified to act as such under Section 17(i) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate 2008 Certificates to such successor securities depository, or (ii) notify DTC of the availability through
DTC of 2008 Certificates and transfer one or more separate 2008 Certificates to DTC Participants having 2008 Certificates credited to their DTC accounts as directed by DTC. In such event, the 2008 Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving 2008 Certificates shall designate, in accordance with the provisions of this Trust Agreement.

The Trustee and the Lessee may execute the letter of representation in connection with the execution and delivery of the 2008 Certificates. The letter of representation is for the purpose of effectuating the book-entry-only system only and shall not be deemed to amend, supersede or supplement the terms of this Trust Agreement that are intended to be complete without reference to the letter of representation. In the event of any conflict between the terms of the letter of representation and the terms of this Trust Agreement, the terms of the Trust Agreement shall control. DTC may exercise the rights of a 2008 Certificate Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

ARTICLE III
ACQUISITION FUND AND DELIVERY COSTS FUND

Section 3.1 Acquisition Fund. The Trustee shall establish a special fund designated as the “Acquisition Fund”. There shall be deposited in the Acquisition Fund the proceeds of the sale of the 2008 Certificates required to be deposited therein pursuant to Section 2.6 hereof. The Trustee shall immediately release and disburse the amounts in the Acquisition Fund to the County as consideration for the County executing and delivering the Ground Lease and the Deed.

Section 3.2 Delivery Costs Fund. The Trustee shall establish a special fund designated as the “Delivery Costs Fund.” The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided herein and in the Lease-Purchase Agreement. There shall be deposited in the Delivery Costs Fund the proceeds of sale of the 2008 Certificates required to be deposited therein pursuant to Section 2.6(a) hereof.

The Trustee shall disburse moneys in the Delivery Costs Fund only upon a requisition signed by the Lessee Representative setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom said amounts are to be disbursed, stating that the amounts to be disbursed are for Delivery Costs properly chargeable to the Delivery Costs Fund. Amounts remaining in the Delivery Costs Fund after January 1, 2009, shall be transferred to the Lease Payment Fund.

The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the Lessee Representative, of the moneys held in the Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the Lessee Representative in connection with disbursements made pursuant to this Section.
ARTICLE IV
REDEMPTION OF 2008 CERTIFICATES

Section 4.1 Right to Redeem. The 2008 Certificates shall be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein and with respect to any Additional Certificates, as set forth in a supplement to this Trust Agreement.

Section 4.2 Redemption.

(a) No Prior Optional Redemption. The 2008 Certificates are not subject to optional redemption prior to their stated maturity dates.

(b) Redemption from Net Proceeds of Insurance and Condemnation. The 2008 Certificates are subject to redemption on any Interest Payment Date in whole or in part, from the Net Proceeds of insurance or condemnation, which Net Proceeds are deposited in the Lease Payment Fund and credited towards the Prepayment made by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, in any order of maturity designated by the Lessee (or by the Trustee by lot in the event that no such designation is received by the Trustee at the time such Net Proceeds are deposited with the Trustee), and by lot within a maturity at a redemption price equal to the principal amount of the 2008 Certificates to be redeemed, together with accrued interest to the date fixed for redemption, without premium.

Section 4.3 Selection of Certificates to be Redeemed. If less than all of the 2008 Certificates of the same maturity are to be redeemed upon redemption of 2008 Certificates hereunder, the Trustee shall select the 2008 Certificates to be redeemed by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each 2008 Certificate as representing that number of 2008 Certificates of $5,000 denomination as is obtained by dividing the principal amount of such 2008 Certificate by $5,000.

Section 4.4 Partial Redemption of Certificates. Upon the selection and call for redemption of, and the surrender of, any 2008 Certificate for redemption in part only, the Trustee shall cause to be executed and delivered to or upon the written order of the Owner thereof, at the expense of the Lessee, a new 2008 Certificate or 2008 Certificates of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2008 Certificate surrendered, in accordance with instructions received from the Owner thereof, with one 2008 Certificate being delivered in the absence of such instructions.

Section 4.5 Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the 2008 Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such 2008 Certificates on such date. If on the date fixed for redemption moneys for payment of the redemption price and accrued interest are held by the Trustee as provided herein, interest on the 2008 Certificates so called for redemption shall cease to accrue, such 2008 Certificates shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such 2008 Certificates so called for redemption shall be deemed paid and no longer Outstanding.
Section 4.6 Notice of Redemption.

(a) Whenever redemption of 2008 Certificates is to be made, the Trustee shall give notice of the redemption of such 2008 Certificates, which notice shall specify the redemption date, the redemption price and the place or places where such redemption price will be payable and, if less than all of the 2008 Certificates are to be redeemed, the numbers or other distinguishing marks of such 2008 Certificates so to be redeemed, and, in the case of 2008 Certificates to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2008 Certificate to be redeemed the redemption price of such 2008 Certificate or the specified portion thereof in the case of a 2008 Certificate to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable on such 2008 Certificate or portion thereof so to be redeemed.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than thirty (30) days nor more than sixty (60) days before the redemption date, to all Owners of any 2008 Certificates or portions of 2008 Certificates which are to be redeemed at their last addresses appearing upon the Register, but failure so to mail any such notice, or a defect in such notice, as to any 2008 Certificate shall not affect the validity of the proceedings for the redemption of any other 2008 Certificate.

(c) In addition to the notice called for in subsections (a) and (b), further notice shall be given by the Trustee as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption or result in a breach of trust by the Trustee of notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all 2008 Certificates being redeemed; (B) the date of issue of the 2008 Certificates as originally issued; (C) the rate of interest borne by each 2008 Certificate being redeemed; (D) the maturity date of each 2008 Certificate being redeemed; and (E) any other descriptive information needed to identify accurately the 2008 Certificates being redeemed.

(ii) Each further notice of redemption shall be sent at least 35 days before the redemption date, return receipt requested, to all registered securities depositories which are registered owners of the 2008 Certificates then in the business of holding substantial amounts of obligations of types such as the 2008 Certificates (such as, at the time of execution and delivery of this Trust Agreement, Depository Trust Company of New York, New York; Midwest Securities Trust Company of Chicago, Illinois; Pacific Securities Depository Trust Company of San Francisco, California; and Philadelphia Depository Trust Company of Philadelphia, Pennsylvania) and to one or more national information services that disseminate notices of redemption of obligations such as the 2008 Certificates (such as, at the time of execution and delivery of this Trust Agreement, the Daily Called Bond Service of Financial Information, Inc., Jersey City, New Jersey;
the Called Bond Service of Kenney Information Services, New York, New York; Moody's Municipal and Government, New York, New York; and S&P's Called Bond Record, New York, New York).

(d) A second notice of redemption shall be given within sixty (60) days after the redemption date in the manner required above to each of the Owners of the 2008 Certificates designated for redemption which have not been presented for payment within thirty (30) days after the redemption date.

ARTICLE V
LEASE PAYMENTS; LEASE PAYMENT FUND

Section 5.1 Holding Rights in Lease-Purchase Agreement. The Trustee, as Lessor under the Lease-Purchase Agreement, holds certain rights and interest in the Lease-Purchase Agreement, including but not limited to all of the Lessor’s rights to receive and collect all of the Lease Payments, Additional Rent, the Prepayments and all other amounts required to be deposited in the Lease Payment Fund pursuant to the Lease-Purchase Agreement or pursuant hereto. All Lease Payments and Prepayments to which the Lessor may at any time be entitled shall be paid directly to the Trustee.

Section 5.2 Establishment of Lease Payment Fund. The Trustee shall establish a special fund designated as the “Lease Payment Fund.” All moneys at any time deposited by the Trustee in the Lease Payment Fund shall be held by the Trustee in trust for the benefit of the Owners of the Certificates. So long as any Certificates are Outstanding, neither the Lessee nor the Lessor shall have any beneficial right or interest in the Lease Payment Fund or the moneys deposited therein, except only as provided in this Trust Agreement, and such moneys shall be used and applied by the Trustee as hereinafter set forth.

Section 5.3 Deposits. There shall be deposited in the Lease Payment Fund all Lease Payments and Prepayments received by the Trustee, including any moneys received by the Trustee for deposit therein pursuant to Section 4.4(a) or Articles VI or X of the Lease-Purchase Agreement and any other moneys required to be deposited therein pursuant to the Lease-Purchase Agreement or pursuant to this Trust Agreement.

Section 5.4 Application of Moneys. All amounts in the Lease Payment Fund shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of and interest and redemption premiums (if any) with respect to the Certificates as the same shall become due and payable, in accordance with the provisions of Article II and Article IV hereof.

Section 5.5 Transfers of Investment Earnings to Lease Payment Fund. Except as otherwise provided in the Tax Compliance Certificate, the Trustee shall, on each December 15 and June 15, or the next succeeding Business Day if such date is not a Business Day, transfer any income or profit on the investment of moneys in the funds hereunder (except the Rebate Fund) to the Lease Payment Fund.

Section 5.6 Surplus. Any surplus remaining in the Lease Payment Fund, after redemption and payment of all Certificates, including premiums and accrued interest (if any) and
payment of any Additional Rent, or provision for such redemption or payment having been made to the satisfaction of the Trustee, shall be withdrawn by the Trustee and remitted to the Lessee.

ARTICLE VI
[RESERVED]

ARTICLE VII
INSURANCE AND CONDEMNATION FUND; INSURANCE; EMINENT DOMAIN

Section 7.1 Establishment of Insurance and Condemnation Fund; Application of Net Deeds of Insurance Award. Any Net Proceeds of insurance against accident to or destruction of any structure constituting any part of the Leased Property collected by the Lessee in the event of any such accident or destruction shall be transferred to the Trustee pursuant to Section 6.2 of the Lease-Purchase Agreement and deposited by the Trustee in a special fund designated as the "Insurance and Condemnation Fund" to be applied and disbursed by the Trustee as provided in Section 6.2(a) of the Lease-Purchase Agreement.

Section 7.2 Application of Net Proceeds of Eminent Domain Award. If all or any part of the Leased Property shall be taken by eminent domain proceedings (or sold to a government threatening to exercise the power of eminent domain) the Net Proceeds therefrom shall be deposited with the Trustee in the Insurance and Condemnation Fund pursuant to Section 6.2(b) of the Lease-Purchase Agreement and shall be applied and disbursed by the Trustee as follows:

(i) If the Lessee determines, based upon a report of an independent engineer or other independent professional, that (A) such eminent domain proceedings have not materially affected the operation of any of the Leased Property or the ability of the Lessee to meet any of its obligations under the Lease-Purchase Agreement, and (B) that such proceeds are not needed for repair or rehabilitation of the Leased Property, the Trustee shall transfer such proceeds to the Lease Payment Fund to be credited towards the Prepayments required to be paid pursuant to Section 10.4 of the Lease-Purchase Agreement and applied to the redemption of Certificates in the manner provided in Article IV hereof.

(ii) If the Lessee determines, based upon a report of an independent engineer or other independent professional, that (A) such eminent domain proceedings have not materially affected the operation of any of the Leased Property or the ability of the Lessee to meet any of its obligations under the Lease-Purchase Agreement, and (B) such proceeds are needed for repair, rehabilitation or replacement of the Leased Property, the Trustee shall pay to the Lessee, or to its order, from said proceeds such amounts as the Lessee may expend for such repair, rehabilitation or replacement, upon the filing of requisitions of the Lessee Representative, certificates of architects or engineers and other documents as the Trustee may at its discretion request.

(iii) If (A) less than all of the Leased Property shall have been taken in such eminent domain proceedings or sold to a government threatening the use of eminent
domain powers, and if the Lessee determines, based upon a report of an independent engineer or other independent professional, that such eminent domain proceedings have materially affected the operation of any of the Leased Property or the ability of the Lessee to meet any of its obligations under the Lease-Purchase Agreement, or (B) all of the Leased Property shall have been taken in such eminent domain proceedings, then the Trustee shall transfer such proceeds to the Lease Payment Fund to be credited toward the Prepayment required to be paid pursuant to Section 10.4 of the Lease-Purchase Agreement and applied to the redemption of Certificates in the manner provided in Article IV hereof.

The Lessee shall be required to obtain, at its own expense, and provide to the Trustee the report of an independent engineer or other independent professional consultant prior to the Lessee making any determination under this Section 7.2. Any such determination by the Lessee shall be final.

Section 7.3 Cooperation. The Trustee shall cooperate fully with the Lessee at the request and expense of the Lessee in filing any proof of loss with respect to any insurance policy maintained pursuant to Article V of the Lease-Purchase Agreement and in the prosecution or defense of any prospective or pending condemnation proceeding with respect to the Leased Property or any part thereof.

Notwithstanding the foregoing provisions of this Section 7.2, the Lessee agrees, to the extent permitted by law, that in the event it brings an eminent domain or condemnation proceeding with respect to the Leased Property, it will offer to pay the Trustee an amount at least equal to all principal and accrued interest on all outstanding Certificates and all fees and expenses owed by the Lessee hereunder.

ARTICLE VIII
MONEYS IN FUNDS; INVESTMENT

Section 8.1 Held in Trust. The moneys and investments held by the Trustee under this Trust Agreement (other than those held in the Rebate Fund) are irrevocably held in trust for the benefit of the Owners of the Certificates, and for the purposes herein specified, and such moneys, and any income or interest earned thereon, shall be expended only as provided in this Trust Agreement, and shall not be subject to levy or attachment or lien by or for the benefit of any creditor of the Lessor, the Trustee or the Lessee or any Owner of Certificates.

Section 8.2 Investments Authorized. Permitted Investments acquired hereunder, if registrable, shall be registered in the name of the Trustee and shall be held by the Trustee. The Trustee may purchase or sell to itself or any affiliate, as principal or agent, investments authorized by this Section. Such investments and reinvestments shall be made giving full consideration to the time at which funds are required to be available. The Trustee may act as purchaser or agent in the making or disposing of any investment.

Section 8.3 Accounting. The Trustee shall quarterly, or at such other intervals as the Trustee and the Lessee shall from time to time agree upon (but in no event less frequently than semiannually or more frequently than monthly), furnish to the Lessee an accounting of all
investments made by the Trustee. The Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with Sections 8.2 and 8.6 hereof.

The Lessee acknowledges that, to the extent regulations of the Comptroller of the Currency or any other regulatory entity grants the Lessee the right to receive brokerage confirmations of security transactions made by the Trustee as they occur, the Lessee will not receive such confirmations to the extent permitted by law. The Trustee will furnish the Lessee with periodic account transaction statements that will include the detail for all investment transactions made by the Trustee hereunder.

Section 8.4 Allocation of Earnings. Any loss on investments shall be charged to the respective funds from which such investments were made, and any interest, income or profit on any deposit of funds shall be deposited and transferred as provided in Section 5.5 hereof.

Section 8.5 Valuation and Disposition of Investment. For the purpose of determining the amount in any fund, all Permitted Investments credited to such fund shall be valued on the basis of fair market value. The Trustee shall determine the fair market value based on accepted industry standards and from accepted industry providers. Accepted industry providers shall include, but are not limited to, pricing services provided by Financial Times Interactive Data Corporation, Merrill Lynch, Citigroup Global Markets Inc., Bear Stearns, or Lehman Brothers. Certificates of deposit and bankers’ acceptances shall be valued at the face amount thereof, plus accrued interest thereon. The value of Permitted Investments which cannot be determined as described above shall be established by prior agreement between the County and the Trustee.

Section 8.6 Deposit and Investment of Moneys in Funds.

(a) Moneys in all funds and accounts held by the Trustee shall be invested by the Trustee, as soon as possible upon receipt of immediately available funds at its designated office, to the fullest amount possible in Permitted Investments as directed, in writing or by telephonic or other reasonable means, by the Lessee or, in the absence of direction by the Lessee, the Trustee shall invest in item (i) of the definition of Permitted Investments; provided that the maturity date or the date on which such Permitted Investments may be redeemed at the option of the holder thereof shall coincide as nearly as practicable with (but in no event shall be later than) the date or dates on which moneys in the funds or accounts for which the investments were made will be required for the purposes thereof.

(b) Amounts credited to a fund or account may be invested, together with amounts credited to one or more other funds or accounts, in the same Permitted Investment, provided that (i) each such investment complies in all respects with the provisions of subsection (a) of this Section as they apply to each fund or account for which the joint investment is made, and (ii) the Trustee maintains separate records for each fund and account and such investments are accurately reflected therein.

(c) The Trustee may make any investment permitted by this Section, through or with its own commercial banking or investment departments unless otherwise directed by the Lessee.
(d) The Trustee shall sell at the best price obtainable, or present for redemption, any Permitted Investment purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the fund or account for which such investment was made.

Section 8.7 Liability of Trustee for Investments. The Trustee shall not be liable for any loss resulting from the making of any investment made in accordance with the provisions hereof, except for its own negligence, willful misconduct or breach of trust.

Section 8.8 Tax Compliance Certificate; Creation of Rebate Fund.

(a) The Lessee hereby agrees to abide by each of its covenants contained in Section 2.3 of the Lease-Purchase Agreement and in any Tax Compliance Certificate as required by Special Counsel and to perform in accordance with this Section 8.8.

(b) There is hereby created, at the direction of the Lessee, and ordered established with the Trustee an irrevocable trust fund to be designated the “Rebate Fund,” which shall be administered in accordance with the provisions of this Section 8.8 and the Tax Compliance Certificate.

(c) The foregoing provisions of this Section 8.8 notwithstanding, (i) the Rebate Fund shall not be considered a part of the Trust Estate created hereunder, and (ii) the Trustee shall be permitted to transfer moneys on deposit in any of the trust funds established under this Trust Agreement to the Rebate Fund in accordance with the provisions of the Tax Compliance Certificate. The Trustee shall hold moneys delivered or held in the Rebate Fund as a trust fund separate from any other fund or account established hereunder, and shall apply such moneys only in accordance with the provisions of the Tax Compliance Certificate.

ARTICLE IX
THE TRUSTEE

Section 9.1 Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Trust Agreement and no implied covenants or obligations shall be read into this Trust Agreement against the Trustee; and

(ii) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Trust Agreement; but in the case of any such certificates or opinions which are required by any provision hereof or thereof the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Trust Agreement.
(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Trust Agreement including those described in (a) above, and use the same degree of care and skill in their exercise, as a prudent corporate indenture trustee would exercise or use under the circumstances.

(c) No provision of this Trust Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct or breach of trust, except that:

(i) This subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Trustee shall not be liable for any error of judgment made in good faith and without negligence by a chairman or vice-chairman of the board of directors, the chairman or vice-chairman of the executive committee of the board of directors, the president, any vice president, the secretary, any assistant secretary, the treasurer, any assistant treasurer, the cashier, any assistant cashier, any trust officer or assistant trust officer, the controller and any assistant controller or any other officer of the Trustee customarily performing functions similar to those performed by any of the above designated officers or, with respect to a particular matter, any other officer to whom such matter is referred because of his knowledge of and familiarity with the particular subject;

(iii) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith and without negligence in accordance with the direction of the Owners of the Outstanding Certificates as provided herein relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Trust Agreement; and

(iv) Except for the obligation (A) Owners of any Event of Default pursuant to Section 13.9 hereof, (B) to notify the Owners of a declaration of acceleration pursuant to Section 13.2 hereof, or (C) to take action to exclude the Lessee from possession of the Leased Property, no provision of this Trust Agreement or the Agreements shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability (including, without limitation, any and all environmental liability) in the performance of any of its duties hereunder or thereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity or other assurance against such risk or liability is not reasonably assured to it. Without limiting the generality of the foregoing, such other assurance may include, but shall not be limited to, environmental audits or other evidence satisfactory to the Trustee that it will not incur liability by reason of any remedial action taken pursuant hereto. The Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment properly to be done by it as the Trustee, without prior assurance of indemnity, and in such case shall be entitled to reimbursement by the Lessee for all reasonable costs, expenses, attorneys, and other fees, and all other reasonable disbursements, including its own fees, and for all liability and damages suffered by the
Trustee in connection therewith except for the Trustee’s negligence, willful misconduct or breach of trust.

(d) Whether or not therein expressly so provided, every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

(e) The Trustee is authorized and directed to execute the Ground Lease, Lease and accept the Deed.

(f) The Trustee is not responsible for any official statement or any offering or disclosure materials prepared in connection with the Certificates

Section 9.2 Certain Rights of Trustee. Except as otherwise provided in Section 9.1 hereof:

(a) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties.

(b) Any request or direction of the Lessee mentioned herein shall be sufficiently evidenced by a certificate of a Lessee Representative, and any action of the governing board of the Lessee may be sufficiently evidenced by a copy of a resolution certified by the secretary or an assistant secretary of the Lessee to have been duly adopted by the governing board of the Lessee and to be in full force and effect on the date of such certification and delivered to the Trustee.

(c) Whenever in the administration of this Trust Agreement the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a certificate of a Lessee Representative.

(d) The Trustee may consult with counsel and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of any of the Certificate Owners pursuant to this Trust Agreement, unless such Certificate Owners shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.
(g) The Trustee may engage agents and attorneys to assist it in executing any of the trusts or powers hereunder or performing any duties hereunder and shall not be liable for the negligence or misconduct of such agents and attorneys so long as the Trustee exercises due care in the selection thereof.

Section 9.3 Employment of Experts. The Trustee is hereby authorized to employ as its agents such attorneys at law, certified public accountants and recognized authorities in their fields (who are not employees of the Trustee), as it reasonably may deem necessary to assist it to carry out any of its obligations hereunder, and shall be reimbursed by the Lessee for all reasonable expenses and charges in so doing.

Section 9.4 Enforcement of Performance by Others. It shall not be the duty of the Trustee, except as herein provided, to see that any duties and obligations imposed upon the Lessee are performed.

Section 9.5 Right to Deal in Certificates and Take Other Actions. The Trustee may in good faith buy, sell or hold and deal in any Certificates with like effect as if it were not such Trustee and may commence or join in any action which an Owner is entitled to take with like effect as if the Trustee were not the Trustee. It is understood and agreed that the Trustee engages in a general banking business and no provision hereof is to be construed to limit or restrict the right of the Trustee or any affiliate of the Trustee to engage in such business with the Lessee or any Owner. So engaging in such business shall not constitute a breach of trust on the part of the Trustee, but neither shall engaging in such business abrogate, alter or diminish any duty or obligation of the Trustee as Trustee hereunder.

Section 9.6 Removal and Resignation of the Trustee. The Trustee may resign at any time, or may be removed at any time for any breach of its duties hereunder by an instrument or instruments in writing signed by the Owners of not less than a majority in Aggregate Value of Certificates then Outstanding. Written notice of such resignation or removal shall be given by the Trustee to the Lessee and such resignation or removal shall take effect only upon the appointment and qualification of a successor Trustee. In the event a successor Trustee has not been appointed and qualified within sixty (60) days of the date notice of resignation is given, the Trustee or the Lessee may apply to any court of competent jurisdiction for the appointment of a successor Trustee to act until such time as a successor is appointed as provided in this Section.

In the event of the resignation or removal of the Trustee or in the event the Trustee is dissolved or otherwise becomes incapable to act as the Trustee, the Lessee shall be entitled to appoint a successor Trustee, unless an Event of Default has occurred and is continuing.

Unless otherwise ordered by a court or regulatory body having competent jurisdiction, or unless required by law, any successor Trustee shall (i) be a trust company or bank in good standing and duly authorized to exercise trust powers within the State, (ii) be subject to examination by a federal or state authority, and (iii) maintain a reported surplus of not less than fifty million dollars ($50,000,000).

Every successor Trustee howsoever appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Lessee an instrument in writing, accepting such
appointment hereunder, and thereupon such successor Trustee, without further action, shall become fully vested with all the rights, immunities, powers, trusts, duties and obligations of its predecessor, and such predecessor shall execute and deliver an instrument transferring to such successor Trustee all the rights, power and trusts of such predecessor. The predecessor Trustee shall execute any and all documents necessary or appropriate to convey all interest it may have to the successor Trustee. The predecessor Trustee shall promptly deliver all records relating to the trust or copies thereof and communicate all material information it may have obtained concerning the trust to the successor Trustee.

Each successor Trustee, not later than ten (10) days after its assumption of the duties hereunder, shall mail a notice of such assumption to each Owner of a Certificate.

Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible as a successor Trustee under Section 9.6 hereof in the case of the Trustee, shall be the successor to such Trustee, without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 9.7 Proof of Claim. The Trustee shall have the right and power to take actions in the name and place of the Lessee or Owners to make proof of claim in any proceeding, bankruptcy, reorganization or otherwise where proof of claim may be required. Any amount recovered as a result of any such claim, after payment of all fees (including reasonable attorneys’ fees), costs, expenses and advances incurred by the Trustee or its agents in pursuing such claim, shall be for the equal benefit of all of the Owners.

Section 9.8 Trustee’s Fees and Expenses. The Lessee hereby covenants and agrees (i) to pay as Additional Rent to the Trustee reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), (ii) to reimburse as Additional Rent the Trustee upon request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Trust Agreement (including the reasonable compensation and the expenses and disbursements of its counsel and its agents), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith or willful misconduct or breach of trust, and (iii) to indemnify and hold the Trustee harmless for, from and against any loss, liability or expense, arising out of or in connection with the acceptance or administration of this trust or its duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder; provided, however, that such indemnification shall not extend to claims successfully brought against the Trustee for, or losses, liabilities or expenses incurred as a result, of the Trustee’s negligence, bad faith, willful misconduct or breach of trust. The Trustee’s rights to compensation, reimbursement and indemnity while serving as Trustee hereunder shall survive resignation or removal of the Trustee or discharge of the Trust Agreement.
Any provision hereof to the contrary notwithstanding, if the Lessee fails to make any payment properly due the Trustee for its reasonable fees, costs, expenses and fees of attorneys, certified public accountants, recognized authorities in their field and agents (not employees of the Trustee) incurred in performance of its duties or for which the Trustee is entitled to indemnity, the Trustee may reimburse itself from any surplus moneys on hand in any fund or account created pursuant hereto, provided that application of funds upon an Event of Default shall be governed by Section 13.3 hereof.

Section 9.9 Intervention by Trustee. The Trustee may intervene on behalf of the Owners, and shall intervene if requested by an instrument or instruments in writing signed by the Owners of not less than a majority in Aggregate Value of the Certificates Outstanding, in any judicial proceeding to which the Lessee is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interest of Owners of the Certificates. The rights and obligations of the Trustee under this Section are subject to the approval of that intervention by a court of competent jurisdiction. The Trustee may require that a satisfactory indemnity bond be provided to it in accordance with Section 9.1 hereof before it takes action hereunder.

Section 9.10 Destruction of Certificates. Upon payment of or surrender to the Trustee for cancellation of any Certificate, the Trustee shall destroy such Certificate.

Section 9.11 Reports. The Trustee shall quarterly, or at such other intervals as the Trustee and the Lessee shall from time to time agree upon (but in no event less frequently than semiannually or more frequently than monthly), prepare and submit to the Lessee reports covering all moneys received and all payments, expenditures and investments made as the Trustee hereunder since the last previous such report.

Section 9.12 Separate or Co-Trustee. At any time or times, solely for the purpose of meeting the legal requirements of any jurisdiction, the Lessee and the Trustee shall have power to appoint, and, upon the request of the Trustee or the Owners of at least a majority in aggregate principal amount of Certificates then Outstanding, the Lessee shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint, one or more persons, approved by the Trustee and, unless an Event of Default has occurred and is continuing by the Lessee, either to act as co-trustee or co-trustees, jointly with the Trustee of all or any part of the pledged property, or to act as separate trustee or separate trustees of all or any part of the pledged property, and to vest in such person or persons, in such capacity, such title to the pledged property or any part thereof, and such rights, powers, duties, trusts or obligations as the Lessee and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

If the Lessee shall not have joined in such appointment within fifteen (15) days after the receipt by it of a request so to do, or in case an Event of Default shall have occurred and be continuing, the Trustee alone shall have power to make such appointment.

The Lessee shall execute, acknowledge and deliver all such instruments as may reasonably be required by any such co-trustee or separate trustee for more fully and certainly vesting in such co-trustee or separate trustee the property, rights, powers and duties intended to
be vested in such co-trustee or separate trustee. The Lessee shall be under no obligation to prepare any such instruments.

Every co-trustee or separate trustee shall, to the extent permitted by law but to such extent only, be appointed subject to the following terms, namely:

(a) The Certificates shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations hereby conferred upon the trustee in respect to the custody, control and management of moneys, papers, securities and other personal property shall be exercised solely by the trustee.

(b) All rights, powers, trusts, duties and obligations conferred or imposed upon the trustees shall be conferred or imposed upon and exercised or performed by the Trustee, or by the Trustee and such co-trustee or co-trustees or separate trustee or separate trustees jointly, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(c) Any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee and such co-trustee or separate trustee shall abide by such request.

(d) Any co-trustee or separate trustee may, to the extent permitted by law, delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise.

(e) The Trustee may at any time, by any instrument in writing, with the concurrence of the Lessee, accept the resignation of or remove any co-trustee or separate trustee appointed under this Section, and, in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Lessee. Upon the request of the Trustee, the Lessee shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. The Lessee shall be under no obligation to prepare, record or file any such instruments or agreements.

(f) No Trustee hereunder shall be personally liable by reason of any act or omission of any other Trustee hereunder, nor will the act or omission of any Trustee hereunder be imputed to any other Trustee.

(g) Any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing delivered to the Trustee shall be deemed to have been delivered to each such co-trustee or separate trustee.

(h) Any moneys, papers, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.
Upon the acceptance in writing of such appointment by any such co-trustee or separate trustee, it or he shall be vested jointly with the Trustee (except insofar as local law makes it necessary for any such co-trustee or separate trustee to act alone) with such title to the pledged property or any part thereof, and with such rights, powers, duties or obligations, as shall be specified in the instrument of appointment subject to all the terms hereof. Every such acceptance shall be filed with the Trustee. To the extent permitted by law, any co-trustee or separate trustee may, at any time by an instrument in writing, constitute the Trustee, its or his attorney-in-fact and agent, with full power and authority to do all acts and things and to exercise all discretion on its or his behalf and in its or his name.

In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the title to the pledged property, and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the trustee unless and until a successor co-trustee or separate trustee shall be appointed in the manner herein provided.

Section 9.13 Recitals and Representations. The recitals, statements and representations contained herein or in the Lease-Purchase Agreement, or in any certificate (excluding the Trustee’s execution of the Certificates or any recitals or representations concerning the Trustee or its powers) shall not be taken or construed as made by the Trustee, and the Trustee neither assumes nor shall be under any responsibility for the correctness of the same.

The Trustee makes no representation as to, and is not responsible for, the validity or sufficiency hereof, of the Certificates, or the validity or sufficiency of insurance to be provided or, except as herein required, the filing or recording or registering of any document. The Trustee shall be deemed not to have made representations as to the security afforded hereby or hereunder or as to the validity or sufficiency of such security. The Trustee shall not be concerned with or accountable to anyone for the use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof. The Trustee shall have no duty of inquiry with respect to any default or Events of Default described herein without actual knowledge of or receipt by the Trustee of written notice of a default or an Event of Default from the Lessee, any Owner.

ARTICLE X
MODIFICATION OR AMENDMENT OF AGREEMENTS

Section 10.1 Amendments Permitted. This Trust Agreement, the rights and obligations of the Owners of the Certificates, and the Ground Lease and the Lease-Purchase Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental agreement which shall become effective when the written consent of the Owners of a majority in Aggregate Value of the Certificates then Outstanding, exclusive of Certificates disqualified as provided in Section 10.3 hereof, shall have been filed with the Trustee, provided, however, that no such modification or amendment shall (i) extend or have the effect of extending the fixed maturity of any Certificate or reducing the interest rate with respect thereto or extending the time of payment of interest, reducing the amount of principal thereof or reducing any premium payable upon the redemption thereof, without the express consent of the Owner of such Certificate, (ii) reduce or have the effect of reducing the percentage of
Certificates required for the affirmative vote or written consent to an amendment or modification of the Ground Lease, the Lease-Purchase Agreement or this Trust Agreement, or (iii) modify any of the rights or obligations of the Trustee without its written assent thereto. Any such supplemental agreement shall become effective as provided in Section 10.2 hereof.

This Trust Agreement, the rights and obligations of the Owners of the Certificates, and the Ground Lease and the Lease-Purchase Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental agreement, without the consent of any Owners of the Certificates, but only to the extent permitted by law and only (i) to add to the covenants and agreements of any party other covenants to be observed or to surrender any right or power herein reserved to the Lessor or the Lessee, (ii) to cure, correct or supplement any ambiguous or defective provision contained herein or therein, (iii) in regard to questions arising hereunder or thereunder, as the parties hereto or thereto may deem necessary or desirable and which shall not, in the judgment of the Trustee, materially adversely affect the interests of the Owners of the Certificates, or (iv) to provide additional terms and conditions in connection with the issuance of Additional Certificates in accordance with Section 2.11 hereof and which shall not, in the judgment of the Trustee, materially adversely affect the interests of the Owners of the Certificates. Any such supplemental agreement shall become effective upon execution and delivery by the parties hereto or thereto as the case may be.

Section 10.2 Procedure for Amendment with Written Consent of Certificate Owners. This Trust Agreement, the Ground Lease and the Lease-Purchase Agreement may be amended by supplemental agreement as provided in this Section 10.2 in the event the consent of the Owners of the Certificates is required pursuant to Section 10.1 hereof. A copy of such supplemental agreement, together with a request to the Certificate Owners for their consent thereto, shall be mailed by first class United States mail postage prepaid by the Trustee to each Owner of a Certificate at his address as set forth on the Certificate Register maintained pursuant to Section 2.10 hereof, but failure to mail copies of such supplemental agreement and request shall not affect the validity of the supplemental agreement when assented to as in this Section provided.

Such supplemental agreement shall not become effective unless there shall be filed with the Trustee the written consents of the Owners of a majority in Aggregate Value of the Certificates then Outstanding (exclusive of Certificates disqualified as provided in Section 10.3 hereof) and a notice shall have been mailed as hereinafter in this Section provided. The consent of an Owner of a Certificate shall be effective only if ownership of the Certificates for which such consent is given is proved in accordance with Section 2.9 hereof. Any such consent shall be binding upon the Owner of the Certificate giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Certificates shall have filed their consents to such supplemental agreement, the Trustee shall mail a notice to the Owners of the Certificates in the manner hereinbefore provided in this Section for the mailing of such supplemental agreement of the notice of adoption thereof, stating in substance that such supplemental
agreement has been consented to by the Owners of the required percentage of Certificates and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of such supplemental agreement or consents thereto). A record, consisting of the papers required by this Section to be filed with the Trustee, shall be conclusive proof of the matters therein stated. Such supplemental agreement shall become effective upon the mailing of such last-mentioned notice, and such supplemental agreement shall be deemed conclusively binding upon the parties hereto and the Owners of all Certificates at the expiration of sixty (60) days after the filing of the papers required by this Section, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty (60) day period.

Section 10.3 Disqualified Certificates. Certificates owned or held by or for the account of the Lessee or by any person directly or indirectly controlled by, or under direct or indirect common control with, the Lessee (except any Certificates held in any pension or retirement fund) shall not be deemed Outstanding for the purpose of any vote, consent, waiver or other action or any calculation of Outstanding Certificates provided for in this Trust Agreement and shall not be entitled to vote upon, consent to or take any other action provided for in this Trust Agreement.

Section 10.4 Effect of Supplemental Agreement. From and after the time any supplemental agreement becomes effective pursuant to this Article X, this Trust Agreement, the Ground Lease or the Lease-Purchase Agreement, as the case may be, shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners of Certificates Outstanding, as the case may be, shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modification and amendment, and all the terms and conditions of any supplemental agreement shall be deemed to be part of the terms and conditions of this Trust Agreement, the Ground Lease or the Lease-Purchase Agreement, as the case may be, for any and all purposes.

The Trustee may require each Certificate Owner, before his consent provided for in this Article X shall be deemed effective, to certify that the Certificates as to which such consent is given are not disqualified as provided in Section 10.3 hereof.

Section 10.5 Endorsement or Replacement of Certificates Delivered After Amendments. The Trustee may determine that Certificates delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the Trustee, as to such action. No such notation shall be made by the Trustee unless the Trustee shall have received an opinion of Special Counsel to the effect that such modification of the Certificate form will not adversely effect the exclusion from gross income for federal income tax purposes of the interest component of Lease Payments paid with respect to the Certificates. In that case, upon demand of the Owner of any Certificate Outstanding at such effective date and presentation of his Certificate for such purpose at the principal corporate trust office of the Trustee, a suitable notation shall be made on such Certificate. The Trustee may determine that the delivery of substitute Certificates, so modified as in the opinion of the Trustee is necessary to conform to such Certificate Owners' action, is necessary and such substitute Certificates shall thereupon be prepared, executed and delivered. In that case, upon demand of the Owner of any Certificate then Outstanding, such substitute
Certificate shall be exchanged at the principal corporate trust office of the Trustee, without cost to such Owner, for a Certificate of the same character then Outstanding, upon surrender of such Outstanding Certificate.

Section 10.6 Amendatory Endorsement of Certificates. The provisions of this Article X shall not prevent any Certificate Owner from accepting any amendment as to the particular Certificates held by him, provided that proper notation thereof is made on such Certificates.

ARTICLE XI
COVENANTS; NOTICES

Section 11.1 Compliance With and Enforcement of Lease-Purchase Agreement. The Lessee covenants and agrees with the Owners of the Certificates to perform all obligations and duties imposed on it under the Lease-Purchase Agreement.

Subject to Section 4.2(b) of the Lease-Purchase Agreement, the Lessee will not do or permit anything to be done, or omit or refrain from doing anything, in any case where any such act done or permitted to be done, or any such omission of or refraining from action, would or might be a ground for cancellation or termination of the Lease-Purchase Agreement by the Lessor thereunder. The Lessor and the Lessee, immediately upon receiving or giving any notice, communication or other document in any way relating to or affecting their respective estates, or either of them, in the Leased Property, which may or can in any manner affect such estate of the Lessee, will deliver the same, or a copy thereof, to the Trustee.

Section 11.2 Observance of Laws and Regulations. The Lessee will well and truly keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on it by contract or prescribed by any law of the United States, of the State or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of any and every right, privilege or franchise now owned or hereafter acquired by the Lessee, including its right to exist as a body corporate under the laws of the State, to the end that such rights, privileges and franchises shall be maintained and preserved and shall not become abandoned, forfeited or in any manner impaired.

Section 11.3 Prosecution and Defense of Suits. The Lessee shall promptly, upon request of the Trustee or any Certificate Owner, from time to time take such action as may be necessary or proper to remedy or cure any defect in or cloud upon the title to the Leased Property, whether now existing or hereafter developing and shall prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and, to the extent permitted by law, shall indemnify and save the Trustee and every Certificate Owner harmless for, from and against all loss, cost, damage and expense, including attorneys' fees, which they or any of them may incur by reason of any such defect, cloud, suit, action or proceeding.

Section 11.4 Recordation and Filing. The Lessee shall record and file the Lease-Purchase Agreement, and all such documents as may be required by law (and shall take all further actions which may be necessary or be reasonably required by the Trustee), all in such
manner, at such times and in such places as may be required by law in order fully to preserve, protect and perfect the security of the Trustee and the Certificate Owners.

Section 11.5 **Further Assurances.** The Lessor and the Lessee will make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Trust Agreement and the Lease-Purchase Agreement, and for the better assuring and confirming unto the Owners of the Certificates the rights and benefits provided herein.

Section 11.6 **Action Upon Termination of Lease-Purchase Agreement.** In the event the Lease-Purchase Agreement is terminated pursuant to Section 4.2(b) thereof, the Trustee shall take possession of the Leased Property on the day following the forty-five (45) day reinstatement period provided in Section 4.2(c) of the Lease-Purchase Agreement or seek a judicial order excluding, or take other action preventing, the Lessee from using the Leased Property and use its best efforts to re-let or sell the same. This covenant shall be enforceable by the Owners (subject to the requirements set forth in Section 13.8 hereof).

**ARTICLE XII**

**LIMITATION OF LIABILITY**

Section 12.1 **Limited Liability of Lessee.** Except for the payment of Lease Payments and Prepayments when due in accordance with the Lease-Purchase Agreement and the payment of Additional Rent and the performance of the other covenants and agreements of the Lessee contained in said Lease-Purchase Agreement, including the payment of fees and expenses and indemnities of the Trustee, the Lessee shall have no pecuniary obligation or liability to any of the other parties or to the Owners of the Certificates with respect to this Trust Agreement or the terms, execution, delivery or transfer of the Certificates, or the distribution of Lease Payments to the Owners by the Trustee.

Section 12.2 **No Liability of the Lessee for Trustee Performance.** The Lessee shall have no obligation or liability to any of the other parties or to the Owners of the Certificates with respect to the performance by the Trustee of any duty imposed upon it under this Trust Agreement.

Section 12.3 **Indemnification.** To the extent permitted by law, the Lessee agrees to indemnify and save the Trustee harmless for, from and against (i) all claims, suits and actions brought against it, or to which it is made a party, and from all losses and damages and expenses, including attorneys fees, suffered or incurred by it as a result thereof, where and to the extent such claim, suit or action arises out of the actions of any other party to this Trust Agreement including but not limited to the ownership, operation or use of the Leased Property by the Lessee, and (ii) any taxes required to be paid by the Trustee as a result of the receipt of any amounts under the Lease-Purchase Agreement. Such indemnification shall not extend to claims, suits and actions successfully brought against the Trustee for failure to perform and carry out the duties specifically imposed upon and to be performed by it pursuant to this Trust Agreement. In the event the Lessee is required to indemnify the Trustee as herein provided, the Lessee shall be subrogated to the rights of the Trustee to recover such losses or damages from any other person or entity.
Section 12.4 Opinion of Counsel. Before being required to take any action, the Trustee may require an opinion of Independent Counsel acceptable to the Trustee, which opinion shall be made available to the other parties hereto upon request, which counsel may be counsel to any of the parties hereto, or a verified certificate of any party hereto, or both, concerning the proposed action. If it does so in good faith, Trustee shall be absolutely protected in relying thereon.

Section 12.5 Limitation of Rights to Parties and Certificate Owners. Nothing in this Trust Agreement or in the Certificates expressed or implied is intended or shall be construed to give any person other than the Lessee, the Lessor, the Trustee and the Owners of the Certificates, any legal or equitable right, remedy or claim under or in respect of this Trust Agreement or any covenant, condition or provision hereof, and all such covenants, conditions and provisions are and shall be for the sole and exclusive benefit of the Lessee, the Lessor, the Trustee and said Owners.

Section 12.6 No Liability of the Trustee for Payment of Lease Payments by Lessee. Except as expressly provided herein, the Trustee shall have no obligation or liability to the Owners of the Certificates with respect to the payment of the Lease Payments by the Lessee when due, or with respect to the performance by the Lessee of any other covenant made by it in the Lease-Purchase Agreement.

ARTICLE XIII
EVENTS OF DEFAULT AND REMEDIES OF CERTIFICATE OWNERS

Section 13.1 Rights Under the Lease. The Trustee has the right to exercise such rights and remedies conferred on the Lessor pursuant to the Lease-Purchase Agreement as may be necessary or convenient (i) to enforce payment of the Lease Payments, Additional Rent, Prepayments and any other amounts required to be deposited in the Lease Payment Fund, the Rebate Fund or the Insurance and Condemnation Fund, and (ii) to otherwise exercise the Lessor's rights and take any action to protect the interests of the Trustee or the Certificate Owners in an Event of Default.

Section 13.2 Remedies. If an Event of Default shall happen, then and in each and every such case during the continuance of such Event of Default, the Trustee (i) shall take action to exclude the Lessee from the Leased Property, and (ii) may with the prior written consent of the Owners of not less than five percent (5%) in aggregate principal amount of Certificates then Outstanding, shall exercise any and all other remedies available pursuant to law or granted pursuant to the Lease-Purchase Agreement including the option to re-rent or re-lease all or any portion of the Leased Property pursuant to Article IX thereof. Upon the occurrence and continuance of any Event of Default, the Trustee may with the prior written consent of the Owners of not less than five percent (5%) in aggregate principal amount of Certificates then Outstanding, shall, declare the principal amount of the Certificates then Outstanding to be immediately due and payable, whereupon such principal amount shall, without further action, become and be immediately due and payable, anything in this Trust Agreement or in the Certificates to the contrary notwithstanding; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay
Lease Payments and Additional Rent only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement. The Trustee shall give notice of such declaration of acceleration to the Lessee and shall give notice thereof by first-class mail to Owners of all Certificates then Outstanding.

Section 13.3 Application of Funds. Upon an Event of Default, all moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article XIII or Article IX of the Lease-Purchase Agreement shall be applied by the Trustee in the order following upon presentation of the Certificates, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the ordinary and extraordinary fees and the costs and expenses of the Trustee in declaring and pursuing remedies in connection with such Event of Default, including reasonable compensation to its or their agents, attorneys and counsel;

Second, to the payment of amounts, if any, payable pursuant to the Tax Compliance Certificate;

Third, to the payment of the whole amount then owing and unpaid with respect to the Certificates, whether by acceleration or otherwise, for principal and interest, with interest on the overdue principal and, to the extent lawful, installments of interest at the rate of ten percent (10%) per annum (but such interest on overdue installments of interest shall be paid only to the extent funds are available therefor following payment of principal and interest and interest on overdue principal, as aforesaid), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid with respect to the Certificates, then to the payment of such principal and interest without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest.

Section 13.4 Institution of Legal Proceedings. If one or more Events of Default shall happen and be continuing, the Trustee in its discretion may with the prior written consent of the Owners of a majority in Aggregate Value of the Certificates shall proceed to protect or enforce its rights or the rights of the Owners of Certificates by a suit in equity or action at law, either for the specific performance of any covenant or agreement contained herein, the foreclosure of any lien granted herein, or in aid of the execution of any power herein granted, or by mandamus or other appropriate proceeding for the enforcement of any other legal or equitable remedy as the Trustee shall deem most effectual in support of any of its rights or duties hereunder.

Section 13.5 Non-waiver. Nothing in this Article XIII or in any other provision of this Trust Agreement or in the Certificates, shall affect or impair the obligation of the Lessee, which is absolute and unconditional, to pay or prepay the Lease Payments and Additional Rent as provided in the Lease-Purchase Agreement, or affect or impair the right of action, which is also absolute and unconditional, of the Certificate Owners to institute suit to enforce and collect such payment. No delay or omission of the Trustee or of any Owner of any of the Certificates to
exercise any right or power arising upon the happening of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein, and every power and remedy given by this Article XIII to the Trustee or the Owners of Certificates may be exercised from time to time and as often as shall be deemed expedient by the Trustee or the Certificate Owners.

Section 13.6 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Certificate Owners is intended to be exclusive of any other remedy, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise.

Section 13.7 Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in Aggregate Value of the Certificates then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Certificates, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, without the consent of the Owners of a majority in Aggregate Value of the Certificates.

Section 13.8 Limitation on Certificate Owners' Right to Sue. No Owner of any Certificate issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Trust Agreement, unless (i) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default hereunder, (ii) the Owners of at least a majority in Aggregate Value of all the Certificates then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) said Owners shall have tendered to the Trustee reasonable indemnity against the costs, expenses, and liabilities to be incurred in compliance with such request, and (iv) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Certificates of any remedy hereunder; it being understood and intended that no one or more Owners of Certificates shall have any right in any manner whatever by his or their action to enforce any right under this Trust Agreement, except in the manner herein provided, and that all proceedings at law or in equity with respect to an Event of Default shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Certificates.

The right of any Owner of any Certificate to receive payment of said Owner's proportionate interest in the Lease Payments as the same become due or to institute suit for the enforcement of such payment, shall not be impaired or affected without the consent of such
Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Trust Agreement.

Section 13.9 Notice of Default.

(a) Within thirty (30) days after (i) the occurrence of an Event of Default under clause (iii) of the definition thereof in the Lease-Purchase Agreement, or (ii) receipt, in writing or otherwise, by the Trustee of actual knowledge or notice of an Event of Default under clauses (i) or (ii) of the definition thereof, the Trustee shall give written notice thereof by first-class mail to each Owner of a Certificate then Outstanding, unless such Event of Default shall have theretofore been cured; provided that, except in the case of a default in the payment of principal or the redemption price of or interest on any of the Certificates, the Trustee may withhold such notice if, in its sole judgment, it determines that the withholding of such notice is in the best interests of the Owners.

(b) The Trustee shall immediately notify the Lessee of (i) the occurrence of an Event of Default under clause (iii) of the definition thereof, and (ii) when the Trustee has received actual knowledge or notice, in writing or otherwise, of an Event of Default under clause (i) or (ii) of the definition thereof.

ARTICLE XIV
MISCELLANEOUS

Section 14.1 Defeasance. If and when any Outstanding Certificates shall be paid and discharged in any one or more of the following ways:

(a) By well and truly paying or causing to be paid the principal of and interest and redemption premiums (if any) with respect to such Certificates Outstanding, as and when the same become due and payable;

(b) By making an irrevocable deposit with the Trustee, in trust, at or before maturity, of money which, together with the amounts then on deposit in the Lease Payment Fund is fully sufficient to pay such Certificates Outstanding, including all principal of and interest and premium, if any;

(c) By making an irrevocable deposit with the Trustee, in trust, of Defeasance Obligations, together with other money, if required, in such amount as will, in the opinion of an independent certified public accountant acceptable to the Trustee, together with the interest to accrue thereon, but without reinvestment thereof, and amounts then on deposit in the Lease Payment Fund together with the interest to accrue thereon, but without reinvestment, be fully sufficient to pay and discharge such Certificates (including all principal, interest and redemption premiums) at or before their respective maturity dates and pay all unpaid Additional Rent; or

(d) By making an irrevocable deposit with the Trustee, under an escrow deposit and trust agreement, of security for the payment of Lease Payments and Additional Rent as more particularly described in Section 10.1 of the Lease-Purchase Agreement, said security to be held by the Trustee as agent for the Lessee to be applied by the Trustee to pay the Lease Payments and Additional Rent as the same become due and payable and make a Prepayment in full on any
Prepayment Date, pursuant to Section 10.1 of the Lease-Purchase Agreement; notwithstanding that any Certificates shall not have been surrendered for payment, all obligations of the Lessor, the Trustee and the Lessee with respect to such Outstanding Certificates shall cease and terminate, except only the obligation of the Trustee to pay or cause to be paid, from Lease Payments paid by or on behalf of the Lessee from funds deposited pursuant to paragraphs (b) through (d) of this Section, to the Owners of the Certificates not so surrendered and paid all sums due with respect thereto, and in the event of deposits pursuant to paragraphs (b) through (d), the Certificates shall continue to represent direct and proportionate interests of the Owners thereof in Lease Payments under the Lease-Purchase Agreement.

Other than as required by the Tax Compliance Certificate, any funds held by the Trustee, at the time of one of the events described in paragraphs (a) through (d) of this Section, which are not required for the payment to be made to Owners, shall first be applied to the payment of Additional Rent and, thereafter, be paid over to the Lessee, subject to Section 9.8 hereof.

Any Certificate or portion thereof in authorized denominations may be paid and discharged as provided in this Section; provided, however, that if any such Certificate or portion thereof is to be redeemed, notice of such redemption shall have been given in accordance with the provisions hereof or the Lessee shall have submitted to the Trustee instructions expressed to be irrevocable as to the date upon which such Certificate or portion thereof is to be redeemed and as to the giving of notice of such redemption; provided further, that if any such Certificate or portion thereof will not mature or be redeemed within sixty (60) days of the deposit referred to in paragraphs (b) through (d) of this Section, the Trustee shall give notice of such deposit by first class mail to the Owners.

If the Lessee prepays the Lease Payments and Additional Rent in full pursuant to Article X of the Lease-Purchase Agreement, makes the advance deposit required by Section 10.1 of the Lease-Purchase Agreement or pays all Lease Payments and Additional Rent during the term of the Lease-Purchase Agreement as the same become due and payable, all right, title and interest of the Trustee and the Lessor in and to each element of the Leased Property shall be transferred to and vested in the Lessee. Title shall be transferred to and vested in the Lessee hereunder without the necessity for any further instrument of transfer; but the Trustee and the Lessor agree to take any and all steps and execute and record any and all documents reasonably required by the Lessee to consummate such transfer of title.

Section 14.2 Records. The Trustee shall keep complete and accurate records of all moneys received and disbursed under this Trust Agreement, which shall be available for inspection by the Lessee and any Owner, or the agent of any of them, at any time during regular business hours of the corporate trust department of the Trustee.

Section 14.5 Binding Effect; Successors. This Trust Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Trust Agreement either the Lessor, the Lessee or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Trust Agreement contained by or on behalf of the Lessor, the Lessee or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 14.6 Execution in Counterparts. This Trust Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 14.7 Destruction of Cancelled Certificates. Whenever in this Trust Agreement provision is made for the surrender to or cancellation by the Trustee and the delivery to the Lessee of any Certificates, the Trustee may, upon the request of the Lessee Representative, in lieu of such cancellation and delivery, destroy such Certificates and deliver a certificate of such destruction to the Lessee.

Section 14.8 Headings. Section 14.9 Waiver of Notice. Whenever in this Trust Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.
Section 14.10 **Severability of Invalid Provisions.** In case any one or more of the provisions contained in this Trust Agreement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this Trust Agreement, and this Trust Agreement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this Trust Agreement and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Trust Agreement may be held illegal, invalid or unenforceable.

Section 14.11 **Cancellation of Contracts.** As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee’s Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Trust Agreement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Trust Agreement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Trust Agreement on behalf of the Lessee within 3 years from execution of this Trust Agreement, unless a waiver of A.R.S. §38-511 is provided by the Lessee’s Board of Supervisors.

THIS IS TO CERTIFY that the Registered Owner identified above, or registered assigns, as the Registered Owner of this Certificate of Participation, Series 2008 (the "2008 Certificate") is the owner of an undivided proportionate interest in the right to receive certain Lease Payments and Prepayments thereof under and defined in that certain Lease-Purchase Agreement, dated as of June 1, 2008 (the "Lease-Purchase Agreement"), by and between U.S. Bank National Association, as trustee (the "Lessor") and Pima County, Arizona (the "Lessee"), which Lease Payments and Prepayments and certain other rights and interests under the Lease-Purchase Agreement are held by U.S. Bank National Association, as trustee (the "Trustee"), at its designated corporate trust office.

The Registered Owner of this 2008 Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2008, and semiannually
thereafter on December 1 and June 1 of each year (the "Interest Payment Dates") until payment in full of said portion of principal, the Registered Owner's proportionate share of the Lease Payments designated as interest coming due preceding each of the Interest Payment Dates; provided that interest with respect hereto shall be payable from the Interest Payment Date next preceding the date of execution of this 2008 Certificate (unless (i) this 2008 Certificate is executed prior to December 1, 2008, in which event interest shall be payable from the Dated Date identified above, (ii) this 2008 Certificate is executed on an Interest Payment Date, in which event interest shall be payable from such Interest Payment Date, or (iii) this 2008 Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding an Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any 2008 Certificates of the issue of which this is one, interest hereon shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2008, interest shall be payable from the Dated Date identified above, unless this 2008 Certificate is executed after a Special Record Date (as defined in the hereinafter-described Trust Agreement) and before the following Special Interest Payment Date (as defined in the Trust Agreement), in which event interest shall be payable from the scheduled Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amounts representing the Registered Owner's share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such Interest Payment Date (the "Record Date"), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of $1,000,000 or more in aggregate principal amount of 2008 Certificates as of the close of business of the Trustee on the Record Date for a particular Interest Payment Date or, if applicable, the Special Record Date for a particular Special Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner's expense) on the Interest Payment Date or Special Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such Interest Payment Date or, if applicable, the Special Record Date for such Special Interest Payment Date. Said amounts representing the Registered Owner's share of the Lease Payments designated as principal are payable when due upon surrender of this 2008 Certificate at the principal corporate trust office of the Trustee.

This 2008 Certificate has been executed and delivered by the Trustee pursuant to the terms of a Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the
"Trust Agreement"), and is one of a series of certificates limited in aggregate principal amount to $50,000,000 (the 2008 Certificates, together with any additional certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates"). The Lessee is authorized to enter into the Lease-Purchase Agreement and the Trust Agreement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2008 Certificates are delivered, the rights thereunder of the Registered Owners of the 2008 Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2008 Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including June 1, 2011, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.
To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner’s proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner’s Certificate.

This 2008 Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2008 Certificate. Upon such transfer a new 2008 Certificate or 2008 Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2008 Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2008 Certificates are not subject to optional redemption prior to maturity.

The 2008 Certificates are subject to redemption on any Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2008 Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2008 Certificate shall not affect the validity of the proceedings for the redemption of any other 2008 Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2008 Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

(c) Each 2009 Certificate shall be transferable only upon the Register by the Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner thereof or his duly authorized attorney. Upon surrender for transfer of any 2009 Certificate, the Trustee shall execute and deliver, in the name of the transferee, one or more new 2009 Certificates, of the same aggregate principal amount and maturity as the surrendered 2009 Certificate.

(d) Any 2009 Certificate, upon surrender thereof to the Trustee together with written instructions satisfactory to the Trustee, duly executed by the Owner thereof or his attorney duly authorized in writing, may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of 2009 Certificates with the same maturity of any other authorized denominations.

(e) All 2009 Certificates surrendered in any exchange or transfer of 2009 Certificates shall forthwith be cancelled by the Trustee.

(f) In connection with any such exchange or transfer of 2009 Certificates, the Owner requesting such exchange or transfer shall as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer.

(g) The Trustee may but shall not be obligated to exchange or register the transfer of any 2009 Certificate (i) which has been called or selected for call for redemption in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of redemption. If the transfer of any 2009 Certificate which has been called or selected for call for redemption in whole or in part is registered, any notice of redemption which has been given to the transferor shall be binding upon the transferee and a copy of the notice of redemption shall be delivered by the Trustee to the transferee along with the 2009 Certificate or 2009 Certificates.

Section 2.8 Mutilated, Lost, Destroyed and Stolen Certificates. If (i) any mutilated 2009 Certificate is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any 2009 Certificate, and (ii) there is delivered to the Trustee such security or indemnity as may be required by the Trustee to hold it harmless, then, in the absence of written notice to the Trustee that such 2009 Certificate has been acquired by a bona fide purchaser and upon the Owner paying the reasonable expenses of the Trustee, the Trustee shall cause to be executed and shall deliver, in exchange for such mutilated 2009 Certificate or in lieu of such destroyed, lost or stolen 2009 Certificate, a new 2009 Certificate of like principal amount, date and tenor. If the principal of any such mutilated, destroyed, lost or stolen 2009 Certificate has become, or will on or before the next 2009 Interest Payment Date become, due and payable, the Trustee may, in its discretion, pay such 2009 Certificate when due instead of delivering a new 2009 Certificate.

Section 2.9 Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by 2009 Certificate Owners may be in any number
of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such 2009 Certificates. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of 2009 Certificates shall be sufficient for any purpose of the Trust Agreement (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate of an officer of any bank or trust company located within the United States of America, which need not be acknowledged or verified. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(b) The fact of the ownership of 2009 Certificates by any person and the amount, the maturity and the numbers of such 2009 Certificates and the date of his holding the same shall be proved by the Register maintained pursuant to Section 2.10 hereof.

Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any 2009 Certificate shall bind every future Owner of the same 2009 Certificate in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.10 Certificate Register. The Trustee will keep or cause to be kept, at its designated office, sufficient books for the registration and transfer of the 2009 Certificates which shall at all times be open to inspection by the Lessee and the Lessor during normal business hours with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, 2009 Certificates as hereinbefore provided.

Section 2.11 Book-Entry-Only System. The 2009 Certificates shall be initially issued in the form of a single fully registered certificate for each scheduled principal payment date for each 2009 Certificate. Upon initial execution and delivery, the ownership of such 2009 Certificates shall be registered in the Register in the name of Cede & Co., as nominee of DTC, and, except as hereinafter otherwise provided, all of the Outstanding 2009 Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to the 2009 Certificates registered in the Register in the name of Cede & Co., as nominee of DTC, the Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the 2009 Certificates (a “Beneficial Owner”), nor any responsibility or obligation to any DTC Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the 2009 Certificates under or through DTC or any DTC Participant, or any other person with respect to (i) the accuracy of any records maintained by DTC or any DTC Participant, (ii) the payment by DTC or any DTC Participant of any amount in respect of the 2009 Certificates, (iii)
the giving of any notice that is permitted or required to be given to Owners under the Trust Agreement, or (iv) any consent given or other action taken by DTC as an Owner.

Notwithstanding any other provision of the Trust Agreement to the contrary, the Trustee shall be entitled to treat and consider the person in whose name each 2009 Certificate is registered in the Register as an absolute Owner of such 2009 Certificate for the purpose of payment, for the purpose of giving notices of prepayment with respect to any 2009 Certificate, for the purpose of registering transfers with respect to such 2009 Certificate, and for all other purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest evidenced by any 2009 Certificate only to or upon the order of the respective 2009 Certificate Owners, as shown in the Register, as provided in this First Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the 2009 Certificates to the extent of the sum or sums so paid. No person other than a 2009 Certificate Owner, as shown in the Register, shall receive a 2009 Certificate evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this First Supplement.

Notwithstanding any other provision of the Trust Agreement or the 2009 Certificates, so long as the 2009 Certificates are held in book-entry form and registered in the name of Cede & Co., as nominee or DTC, or registered in the name of any successor securities depository, or its nominee, the following provisions shall apply:

(a) Presentation. Presentation of 2009 Certificates to the Paying Agent at their scheduled payment dates or upon prepayment prior thereto shall be deemed made to the Paying Agent when the right to exercise ownership rights in the 2009 Certificates through DTC or a DTC Participant is transferred by DTC on its books.

(b) Fractionalized Representation. DTC may present notices, approvals, waivers, votes or other communications required or permitted to be made by Owners under this First Supplement on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2009 Certificates through DTC or DTC Participants.

The 2009 Certificate Owners have no right to a depository for the 2009 Certificates. The Lessee or the Trustee may remove DTC or any successor thereto for any reason at any time. In such event, the Trustee shall (i) appoint a successor securities depository qualified to act as such under Section 17(i) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate 2009 Certificates to such successor securities depository, or (ii) notify DTC of the availability through DTC of 2009 Certificates and transfer one or more separate 2009 Certificates to DTC Participants having 2009 Certificates credited to their DTC accounts as directed by DTC. In such event, the 2009 Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving 2009 Certificates shall designate, in accordance with the provisions of the Trust Agreement.
The Trustee and the Lessee may execute the letter of representation in connection with the execution and delivery of the 2009 Certificates. The letter of representation is for the purpose of effectuating the book-entry-only system only and shall not be deemed to amend, supersede or supplement the terms of this First Supplement that are intended to be complete without reference to the letter of representation. In the event of any conflict between the terms of the letter of representation and the terms of this First Supplement, the terms of the Trust Agreement shall control. DTC may exercise the rights of a 2009 Certificate Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

ARTICLE III
ACQUISITION FUND AND DELIVERY COSTS FUND

Section 3.1 2009 Project Fund. The Trustee shall establish a special fund designated as the “2009 Project Fund” as a subfund within the Acquisition Fund. There shall be deposited in the 2009 Project Fund the proceeds of the sale of the 2009 Certificates required to be deposited therein pursuant to Section 2.6(b) hereof. The Trustee shall immediately release and disburse the amounts in the 2009 Project Fund to the County as consideration for the County executing and delivering the First Amendment to Lease-Purchase Agreement.

Section 3.2 Delivery Costs Fund. The Trustee shall establish a special fund designated as the “2009 Delivery Costs Fund.” The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided herein and in the Lease-Purchase Agreement. There shall be deposited in the 2009 Delivery Costs Fund the proceeds of sale of the 2009 Certificates required to be deposited therein pursuant to Section 2.6(a) hereof.

The Trustee shall disburse moneys in the 2009 Delivery Costs Fund only upon a requisition signed by the Lessee Representative setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom said amounts are to be disbursed, stating that the amounts to be disbursed are for Delivery Costs properly chargeable to the 2009 Delivery Costs Fund. Amounts remaining in the 2009 Delivery Costs Fund after October 1, 2009, shall be transferred to the Lease Payment Fund.

The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the Lessee Representative, of the moneys held in the 2009 Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the Lessee Representative in connection with disbursements made pursuant to this Section.

ARTICLE IV
REDEMPTION OF 2009 CERTIFICATES

Section 4.1 Right to Redeem. The 2009 Certificates shall be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein.
Section 4.2 Redemption.

(a) No Prior Optional Redemption. The 2009 Certificates are not subject to optional redemption prior to their stated maturity dates.

(b) Redemption from Net Proceeds of Insurance and Condemnation. The 2009 Certificates are subject to redemption on any 2009 Interest Payment Date in whole or in part, from the Net Proceeds of insurance or condemnation, which Net Proceeds are deposited in the Lease Payment Fund and credited towards the Prepayment made by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, in any order of maturity designated by the Lessee (or by the Trustee by lot in the event that no such designation is received by the Trustee at the time such Net Proceeds are deposited with the Trustee), and by lot within a maturity at a redemption price equal to the principal amount of the 2009 Certificates to be redeemed, together with accrued interest to the date fixed for redemption, without premium.

Section 4.3 Selection of Certificates to be Redeemed. If less than all of the 2009 Certificates of the same maturity are to be redeemed upon redemption of 2009 Certificates hereunder, the Trustee shall select the 2009 Certificates to be redeemed by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each 2009 Certificate as representing that number of 2009 Certificates of $5,000 denomination as is obtained by dividing the principal amount of such 2009 Certificate by $5,000.

Section 4.4 Partial Redemption of Certificates. Upon the selection and call for redemption of, and the surrender of, any 2009 Certificate for redemption in part only, the Trustee shall cause to be executed and delivered to or upon the written order of the Owner thereof, at the expense of the Lessee, a new 2009 Certificate or 2009 Certificates of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2009 Certificate surrendered, in accordance with instructions received from the Owner thereof, with one 2009 Certificate being delivered in the absence of such instructions.

Section 4.5 Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the 2009 Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such 2009 Certificates on such date. If on the date fixed for redemption moneys for payment of the redemption price and accrued interest are held by the Trustee as provided herein, interest on the 2009 Certificates so called for redemption shall cease to accrue, such 2009 Certificates shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such 2009 Certificates so called for redemption shall be deemed paid and no longer Outstanding.

Section 4.6 Notice of Redemption.

(a) Whenever redemption of 2009 Certificates is to be made, the Trustee shall give notice of the redemption of such 2009 Certificates, which notice shall specify the redemption date, the redemption price and the place or places where such redemption price will be payable and, if less than all of the 2009 Certificates are to be redeemed, the numbers or other distinguishing marks of such 2009 Certificates so to be redeemed, and, in the case of 2009
Certificates to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2009 Certificate to be redeemed the redemption price of such 2009 Certificate or the specified portion thereof in the case of a 2009 Certificate to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable on such 2009 Certificate or portion thereof so to be redeemed.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than thirty (30) days nor more than sixty (60) days before the redemption date, to all Owners of any 2009 Certificates or portions of 2009 Certificates which are to be redeemed at their last addresses appearing upon the Register, but failure so to mail any such notice, or a defect in such notice, as to any 2009 Certificate shall not affect the validity of the proceedings for the redemption of any other 2009 Certificate.

(c) In addition to the notice called for in subsections (a) and (b), further notice shall be given by the Trustee as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption or result in a breach of trust by the Trustee of notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all 2009 Certificates being redeemed; (B) the date of issue of the 2009 Certificates as originally issued; (C) the rate of interest borne by each 2009 Certificate being redeemed; (D) the maturity date of each 2009 Certificate being redeemed; and (E) any other descriptive information needed to identify accurately the 2009 Certificates being redeemed.

(ii) Each further notice of redemption shall be sent at least 35 days before the redemption date, return receipt requested, to all registered securities depositories which are registered owners of the 2009 Certificates then in the business of holding substantial amounts of obligations of types such as the 2009 Certificates (such as, at the time of execution and delivery of this First Supplement, Depository Trust Company of New York, New York; Midwest Securities Trust Company of Chicago, Illinois; Pacific Securities Depository Trust Company of San Francisco, California; and Philadelphia Depository Trust Company of Philadelphia, Pennsylvania) and to one or more national information services that disseminate notices of redemption of obligations such as the 2009 Certificates (such as, at the time of execution and delivery of this First Supplement, the Daily Called Bond Service of Financial Information, Inc., Jersey City, New Jersey; the Called Bond Service of Kenney Information Services, New York, New York; Moody’s Municipal and Government, New York, New York; and S&P’s Called Bond Record, New York, New York).

(d) A second notice of redemption shall be given within sixty (60) days after the redemption date in the manner required above to each of the Owners of the 2009 Certificates
designated for redemption which have not been presented for payment within thirty (30) days after the redemption date.

**ARTICLE V**

**AMENDMENT OF SECTION 2.11 OF ORIGINAL TRUST AGREEMENT**

Section 2.11 of the Original Trust Agreement is hereby amended to read, in its entirety, as set forth below, effective simultaneously with the execution and delivery of the 2009 Certificates, the delivery and acceptance thereof by the purchasers of the 2009 Certificates to evidence the consent of the Owners of a majority in Aggregate Value of the Certificates Outstanding.

*Section 2.11. Execution and Delivery of Additional Certificates. So long as the Lease-Purchase Agreement remains in effect and no Event of Default under this Trust Agreement has occurred, the Trustee may execute and deliver, at the direction of the Lessee, Additional Certificates from time to time to provide funds to pay any one or more of (i) the costs of refunding Outstanding Certificates or restructuring the Lease Payments under the Lease-Purchase Agreement, or (ii) the costs of making any modifications or improvements to the Leased Property as the Lessee may deem necessary or desirable.*

Before the Trustee shall deliver any Additional Certificates executed pursuant to a supplement authorized by Article X hereof, the following items shall have been received by the Trustee:

(a) Original executed counterparts of any amendments or supplements to the Lease-Purchase Agreement and of the Trust Agreement entered into in connection with the execution and delivery of the Additional Certificates, which are necessary or advisable, in the opinion of Special Counsel, to provide that the Additional Certificates will be executed and delivered in compliance with the provisions of this Trust Agreement.

(b) A written opinion of Special Counsel to the effect that (i) the documents submitted to the Trustee in connection with the request then being made comply with the requirements of this Trust Agreement, (ii) any filings required to be made under Section 11.4 of this Trust Agreement have been made, and (iii) all conditions precedent to the delivery of the Additional Certificates have been fulfilled.

(c) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above), to the effect that (i) when executed and delivered by the Trustee, those Additional Certificates will be valid and binding in accordance with their terms and will be secured hereunder equally and on a parity with all other Certificates at the time Outstanding hereunder as to the assignment to the Trustee of the amounts pledged hereunder, and (ii) the execution and delivery of the Additional Certificates will not result in the portion of the Lease Payments designated as interest evidenced by the Certificates Outstanding immediately prior to that execution and delivery of such Additional Certificates becoming includable in gross income for purposes of federal income taxation.

(d) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above) to the effect that any amendments or supplements to
the Lease-Purchase Agreement entered into in connection with the execution and delivery of the Additional Certificates have been duly authorized, executed and delivered by the Lessee, and that the Lease-Purchase Agreement, as amended or supplemented, constitutes a legal, valid and binding obligation of the Lessee, enforceable in accordance with its terms, subject to exceptions reasonably satisfactory to the Trustee for bankruptcy laws and other laws affecting creditors' rights and the exercise of judicial discretion.

(e) Written confirmation from Moody's, if the Certificates are then rated by Moody's, and from S&P, if the Certificates are then rated by S&P, that the issuance of the Additional Certificates will not cause the then-assigned rating assigned to the Certificates to be reduced or withdrawn.

When the documents listed above have been received by the Trustee, the Trustee shall execute and deliver the Additional Certificates to or on the order of the original purchaser thereof, but only upon payment of the agreed-upon purchase price for the Additional Certificates.

Prior to the issuance of any Additional Certificates, the Lessee shall inform the Trustee of the names of all entities which have rated the outstanding Certificates.

ARTICLE VI
MISCELLANEOUS

Section 6.1 Binding Effect; Successors. This First Supplement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this First Supplement either the County or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this First Supplement contained by or on behalf of the County or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 6.2 Execution in Counterparts. This First Supplement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 6.3 Heads. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this First Supplement. All references herein to "Articles," "Sections," and other subdivisions are to the corresponding Articles, Sections or subdivisions of this First Supplement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this First Supplement as a whole and not to any particular Article, Section or subdivision hereof.

Section 6.4 Waiver of Notice. Whenever in this First Supplement the giving of notice by mail or otherwise is required, the giving of much notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.
Section 6.5 **Severability of Invalid Provisions.** In case any one or more of the provisions contained in this First Supplement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this First Supplement, and this First Supplement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this First Supplement and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this First Supplement may be held invalid, illegal or unenforceable.

Section 6.6 **Cancellation of Contracts.** As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee’s Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this First Supplement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this First Supplement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this First Supplement on behalf of the Lessee within 3 years from execution of this First Supplement, unless a waiver of A.R.S. §38-511 is provided by the Lessee's Board of Supervisors.

Section 6.7 **Certain Warranties and Certifications from the Lessor.**

(a) To the extent applicable under Arizona Revised Statutes ("A.R.S.") § 41-4401, the Trustee, in its capacity as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement, including its subcontractors who work on this First Supplement or the Lease-Purchase Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E verify requirements under A.R.S. § 23-214(A). The breach by the Trustee of the foregoing shall be deemed a material breach of the Trustee’s duties under the Trust Agreement and the Lease-Purchase Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The County retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Trust shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.
(b) Pursuant to A.R.S. §§ 35-391.06 and 35-393.06, the Trustee certifies that it does not have a scrutinized business operation in Sudan or Iran. For the purpose of this subsection, the term "scrutinized business operations" shall have the meanings set forth in A.R.S. §§ 35-391 and 35-393, as applicable. If the County determines that the Trustee submitted a false certification, the County may impose remedies as provided by law, including termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement.

The Registered Owner of this 2009 Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2009, and semiannually thereafter on December 1 and June 1 of each year (the “2009 Interest Payment Dates”) until payment in full of said portion of principal, the Registered Owner’s proportionate share of the Lease Payments designated as interest coming due preceding each of the 2009 Interest Payment
Dates; provided that interest with respect hereto shall be payable from the 2009 Interest Payment Date next preceding the date of execution of this 2009 Certificate (unless (i) this 2009 Certificate is executed prior to December 1, 2009, in which event interest shall be payable from the Dated Date identified above, (ii) this 2009 Certificate is executed on a 2009 Interest Payment Date, in which event interest shall be payable from such 2009 Interest Payment Date, or (iii) this 2009 Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2009 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2009 Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any 2009 Certificates of the issue of which this is one, interest hereon shall be payable from the 2009 Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2009, interest shall be payable from the Dated Date identified above, unless this 2009 Certificate is executed after a Special Record Date (as defined in the Original Trust Agreement) and before the following Special 2009 Interest Payment Date (as defined in the Original Trust Agreement), in which event interest shall be payable from the scheduled 2009 Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amounts representing the Registered Owner’s share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such 2009 Interest Payment Date (the “Record Date”), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special 2009 Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of $1,000,000 or more in aggregate principal amount of 2009 Certificates as of the close of business of the Trustee on the Record Date for a particular 2009 Interest Payment Date or, if applicable, the Special Record Date for a particular Special 2009 Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner’s expense) on the 2009 Interest Payment Date or Special 2009 Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such 2009 Interest Payment Date or, if applicable, the Special Record Date for such Special 2009 Interest Payment Date. Said amounts representing the Registered Owner’s share of the Lease Payments designated as interest are payable when due upon surrender of this 2009 Certificate at the principal corporate trust office of the Trustee.

This 2009 Certificate has been executed and delivered by the Trustee pursuant to the terms of an Original Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the “Original Trust Agreement”), authorizing the execution and delivery of the aggregate principal amount of $50,000,000 (the “2008 Certificates”), as supplemented by the First Supplemental to Trust Agreement, dated June 1, 2009 (the “First Supplement”, together with the
Original Trust Agreement, the "Trust Agreement") authorizing a series of certificates limited in aggregate principal amount to $34,400,000 (the "2009 Certificates", and together with the 2008 Certificates and any Additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates"). The Lessee is authorized to enter into the First Amendment to Lease-Purchase Agreement and the First Amendment to Trust Agreement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2009 Certificates are delivered, the rights thereunder of the Registered Owners of the 2009 Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2009 Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including June 1, 2012, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.
To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2009 Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2009 Certificate. Upon such transfer a new 2009 Certificate or 2009 Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2009 Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2009 Certificates are not subject to optional redemption prior to maturity.

The 2009 Certificates are subject to redemption on any 2009 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2009 Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2009 Certificate shall not affect the validity of the proceedings for the redemption of any other 2009 Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2009 Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

ARTICLE II
THE 2010 CERTIFICATES

Section 2.1 Authorization.

(a) The Trustee is hereby authorized and directed to prepare, execute and deliver, to the Original Purchaser, 2010 Certificates in an aggregate principal amount of $20,000,000, evidencing proportionate ownership interests in the Lease Payments and the Prepayments.

(b) Except as provided in Section 2.11 of the Original Trust Indenture, as supplemented by this Second Supplement, the Trustee shall not at any time while the Certificates are Outstanding execute and deliver additional certificates payable from the Lease Payments and secured by a lien and charge upon the Leased Property on a parity with or prior to the lien and charge securing the Outstanding Certificates hereunder.

Section 2.2 General Terms of 2010 Certificates. The 2010 Certificates shall be executed and delivered only in fully registered form, without coupons, and shall be numbered from one upwards, in the order of their execution, with any other designation as the Trustee deems appropriate. The 2010 Certificates shall be subject to redemption prior to their specified principal payment dates as provided in Article IV hereof.

Each 2010 Certificate shall bear the dated date of the date of the initial delivery thereof, and shall also bear the date of its execution and interest with respect thereto shall be payable from the 2010 Interest Payment Date next preceding the date of execution thereof, unless (i) it is executed prior to December 1, 2010, in which event interest with respect thereto shall be payable from the date of delivery of the 2010 Certificates, (ii) it is executed as of a 2010 Interest Payment
Date, in which event interest with respect thereto shall be payable from such date of execution, or (iii) it is executed after a Regular Record Date and before the following 2010 Interest Payment Date, in which event interest with respect thereto shall be payable from such 2010 Interest Payment Date; provided, however, that if, as of the date of execution of any 2010 Certificate, interest is in default with respect to any Outstanding 2010 Certificates, interest with respect to such 2010 Certificate shall be payable from the 2010 Interest Payment Date to which interest has previously been paid or made available for payment with respect to the Outstanding 2010 Certificates, or, if prior to December 1, 2010, interest shall be payable from the dated date thereof, unless it is executed after a Special Record Date and before the following Special 2010 Interest Payment Date, in which event interest with respect thereto shall be payable from the scheduled 2010 Interest Payment Date next preceding such date of execution.

Payment of interest on any 2010 Certificate on any 2010 Interest Payment Date or any Special 2010 Interest Payment Date shall be made to the person appearing on the Register as the Owner thereof as of the Regular Record Date immediately preceding such 2010 Interest Payment Date or, if applicable, the Special Record Date immediately preceding such Special 2010 Interest Payment Date. Such interest shall be paid by (i) check or draft mailed to such Owner at his address as it appears on the Register or at such other address as he may have filed with the Trustee for that purpose, or (ii) to any Owner of $1,000,000 or more in aggregate principal amount of 2010 Certificates, as of the close of business of the Trustee on the Regular Record Date for a particular 2010 Interest Payment Date or, if applicable, the Special Record Date for a Special 2010 Interest Payment Date, by wire transfer in immediately available funds sent on the 2010 Interest Payment Date or Special 2010 Interest Payment Date, as the case may be, to any bank or trust company in the continental United States, in accordance with written notice from such Owner containing the wire transfer address, which written notice is received not later than five (5) days before the Regular Record Date with respect to such 2010 Interest Payment Date or, if applicable, the Special Record Date for any Special 2010 Interest Payment Date, it being understood that such notice may refer to multiple interest payments.

In the event there are insufficient funds available on any 2010 Interest Payment Date to pay the interest then due on the 2010 Certificates, the Regular Record Date shall no longer be applicable with respect to the 2010 Certificates. If sufficient funds for the payment of such interest thereafter become available, the Trustee shall immediately establish a Special 2010 Interest Payment Date for the payment of the overdue interest and a Special Record Date for determining the Owners entitled to such payments. Notice of the establishment of any such Special 2010 Interest Payment Date and Special Record Date shall be mailed by the Trustee to each Owner not less than ten (10) days prior to the Special Record Date nor more than thirty (30) days prior to the Special 2010 Interest Payment Date. Such overdue interest shall be paid on the Special 2010 Interest Payment Date to the Owners of the 2010 Certificates as of the Special Record Date.

Section 2.3 Maturity: Interest Rates.

(a) The 2010 Certificates shall be in the denomination of $5,000 or any integral multiple thereof (except that no 2010 Certificate may have principal maturing in more than one year) and shall mature on the dates and in the principal amounts, and interest with respect thereto shall be computed at the rates, as shown below:

(b) Interest with respect to the 2010 Certificates shall be payable on December 1, 2010 and thereafter semiannually on June 1 and December 1 of each year to and including the date of maturity or redemption, whichever is earlier. Said interest shall represent the portion of Lease Payments designated as interest and coming due during the six (6) month period preceding each 2010 Interest Payment Date with respect to the 2010 Certificates or in the case of the first Lease Payment, the period since the dated date of the 2010 Certificates. The proportionate share of the portion of Lease Payments designated as interest with respect to any 2010 Certificate shall be computed by multiplying the portion of Lease Payments designated as principal with respect to such 2010 Certificate by the rate of interest applicable to such 2010 Certificate (on the basis of a 360-day year of twelve 30-day months).

Section 2.4 Form of the 2010 Certificates. The 2010 Certificates shall be in fully registered form without coupons. The fully registered form of the 2010 Certificates and the assignment to appear thereon shall be substantially in the forms set forth in Exhibit A attached hereto and by this reference incorporated herein, with such necessary or appropriate variations, omissions and insertions.

Section 2.5 Execution. The 2010 Certificates shall be executed by and in the name of the Trustee by the manual signature of an authorized representative of the Trustee. If any officer whose signature appears on any 2010 Certificate ceases to be such officer before the date of delivery thereof, such signature shall nevertheless be as effective as if the officer had remained in office until such date of delivery. Any 2010 Certificate may be executed on behalf of the Trustee by such person as at the actual date of the execution of such 2010 Certificate shall be the proper officer of the Trustee although at the nominal date of such 2010 Certificate such person shall not have been such officer of the Trustee.

Section 2.6 Application of Proceeds and Other Moneys. The proceeds received by the Trustee from the sale of the 2010 Certificates shall forthwith be set aside by the Trustee in the following respective funds and accounts and in the following order of priority:

(a) The Trustee shall deposit into the 2010 Delivery Costs Fund, an amount equal to $86,400.00.
(b) The Trustee shall deposit into the 2010 Project Fund, an amount equal to $20,325,680.10 of proceeds of the 2010 Certificates.

Section 2.7 Registration, Transfer and Exchange of 2010 Certificates.

(a) All 2010 Certificates issued hereunder shall be negotiable, subject to the provisions for registration and transfer thereof contained herein or in the 2010 Certificates.

(b) So long as any 2010 Certificates are Outstanding, the Trustee shall maintain at its designated office books for the registration and transfer of 2010 Certificates, and shall provide for the registration and transfer of any 2010 Certificate under such reasonable regulations as the Trustee may prescribe. The Trustee shall act as registrar for purposes of exchanging and registering 2010 Certificates in accordance with the provisions hereof.

(c) Each 2010 Certificate shall be transferable only upon the Register by the Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner thereof or his duly authorized attorney. Upon surrender for transfer of any 2010 Certificate, the Trustee shall execute and deliver, in the name of the transferee, one or more new 2010 Certificates, of the same aggregate principal amount and maturity as the surrendered 2010 Certificate.

(d) Any 2010 Certificate, upon surrender thereof to the Trustee together with written instructions satisfactory to the Trustee, duly executed by the Owner thereof or his attorney duly authorized in writing, may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of 2010 Certificates with the same maturity of any other authorized denominations.

(e) All 2010 Certificates surrendered in any exchange or transfer of 2010 Certificates shall forthwith be cancelled by the Trustee.

(f) In connection with any such exchange or transfer of 2010 Certificates, the Owner requesting such exchange or transfer shall as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer.

(g) The Trustee may but shall not be obligated to exchange or register the transfer of any 2010 Certificate (i) which has been called or selected for call for redemption in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of redemption. If the transfer of any 2010 Certificate which has been called or selected for call for redemption in whole or in part is registered, any notice of redemption which has been given to the transferee or transferor shall be binding upon the transferee and a copy of the notice of redemption shall be delivered by the Trustee to the transferee along with the 2010 Certificate or 2010 Certificates.

Section 2.8 Mutilated, Lost, Destroyed and Stolen Certificates. If (i) any mutilated 2010 Certificate is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any 2010 Certificate, and (ii) there is delivered to
the Trustee such security or indemnity as may be required by the Trustee to hold it harmless, then, in the absence of written notice to the Trustee that such 2010 Certificate has been acquired by a bona fide purchaser and upon the Owner paying the reasonable expenses of the Trustee, the Trustee shall cause to be executed and shall deliver, in exchange for such mutilated 2010 Certificate or in lieu of such destroyed, lost or stolen 2010 Certificate, a new 2010 Certificate of like principal amount, date and tenor. If the principal of any such mutilated, destroyed, lost or stolen 2010 Certificate has become, or will on or before the next 2010 Interest Payment Date become, due and payable, the Trustee may, in its discretion, pay such 2010 Certificate when due instead of delivering a new 2010 Certificate.

Section 2.9 Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by 2010 Certificate Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such 2010 Certificates. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of 2010 Certificates shall be sufficient for any purpose of the Trust Agreement (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate of an officer of any bank or trust company located within the United States of America, which need not be acknowledged or verified. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(b) The fact of the ownership of 2010 Certificates by any person and the amount, the maturity and the numbers of such 2010 Certificates and the date of his holding the same shall be proved by the Register maintained pursuant to Section 2.10 hereof.

Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any 2010 Certificate shall bind every future Owner of the same 2010 Certificate in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.10 Certificate Register. The Trustee will keep or cause to be kept, at its designated office, sufficient books for the registration and transfer of the 2010 Certificates which shall at all times be open to inspection by the Lessee and the Lessor during normal business hours with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, 2010 Certificates as hereinbefore provided.

Section 2.11 Book-Entry-Only System. The 2010 Certificates shall be initially issued in the form of a single fully registered certificate for each scheduled principal payment date for
each 2010 Certificate. Upon initial execution and delivery, the ownership of such 2010 Certificates shall be registered in the Register in the name of Cede & Co., as nominee of DTC, and, except as hereinafter otherwise provided, all of the Outstanding 2010 Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to the 2010 Certificates registered in the Register in the name of Cede & Co., as nominee of DTC, the Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the 2010 Certificates (a "Beneficial Owner"), nor any responsibility or obligation to any DTC Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the 2010 Certificates under or through DTC or any DTC Participant, or any other person with respect to (i) the accuracy of any records maintained by DTC or any DTC Participant, (ii) the payment by DTC or any DTC Participant of any amount in respect of the 2010 Certificates, (iii) the giving of any notice that is permitted or required to be given to Owners under the Trust Agreement, or (iv) any consent given or other action taken by DTC as an Owner.

Notwithstanding any other provision of the Trust Agreement to the contrary, the Trustee shall be entitled to treat and consider the person in whose name each 2010 Certificate is registered in the Register as an absolute Owner of such 2010 Certificate for the purpose of payment, for the purpose of giving notices of prepayment with respect to any 2010 Certificate, for the purpose of registering transfers with respect to such 2010 Certificate, and for all other purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest evidenced by any 2010 Certificate only to or upon the order of the respective 2010 Certificate Owners, as shown in the Register, as provided in this Second Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the 2010 Certificates to the extent of the sum or sums so paid. No person other than a 2010 Certificate Owner, as shown in the Register, shall receive a 2010 Certificate evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this Second Supplement.

Notwithstanding any other provision of the Trust Agreement or the 2010 Certificates, so long as the 2010 Certificates are held in book-entry form and registered in the name of Cede & Co., as nominee or DTC, or registered in the name of any successor securities depository, or its nominee, the following provisions shall apply:

(a) Presentation. Presentation of 2010 Certificates to the Paying Agent at their scheduled payment dates or upon prepayment prior thereto shall be deemed made to the Paying Agent when the right to exercise ownership rights in the 2010 Certificates through DTC or a DTC Participant is transferred by DTC on its books.

(b) Fractionalized Representation. DTC may present notices, approvals, waivers, votes or other communications required or permitted to be made by Owners under this Second Supplement on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2010 Certificates through DTC or DTC Participants.
The 2010 Certificate Owners have no right to a depository for the 2010 Certificates. The Lessee or the Trustee may remove DTC or any successor thereto for any reason at any time. In such event, the Trustee shall (i) appoint a successor securities depository qualified to act as such under Section 17(i) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate 2010 Certificates to such successor securities depository, or (ii) notify DTC of the availability through DTC of 2010 Certificates and transfer one or more separate 2010 Certificates to DTC Participants having 2010 Certificates credited to their DTC accounts as directed by DTC. In such event, the 2010 Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving 2010 Certificates shall designate, in accordance with the provisions of the Trust Agreement.

The Trustee and the Lessee may execute the letter of representation in connection with the execution and delivery of the 2010 Certificates. The letter of representation is for the purpose of effectuating the book-entry-only system only and shall not be deemed to amend, supersede or supplement the terms of this Second Supplement that are intended to be complete without reference to the letter of representation. In the event of any conflict between the terms of the letter of representation and the terms of this Second Supplement, the terms of the Trust Agreement shall control. DTC may exercise the rights of a 2010 Certificate Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

**ARTICLE III**

**ACQUISITION FUND AND DELIVERY COSTS FUND**

**Section 3.1 2010 Project Fund.** The Trustee shall establish a special fund designated as the “2010 Project Fund” as a subfund within the Acquisition Fund. There shall be deposited in the 2010 Project Fund the proceeds of the sale of the 2010 Certificates required to be deposited therein pursuant to Section 2.6(b) hereof. The Trustee shall immediately release and disburse the amounts in the 2010 Project Fund to the County as consideration for the County executing and delivering the Second Amendment to Lease-Purchase Agreement.

**Section 3.2 Delivery Costs Fund.** The Trustee shall establish a special fund designated as the “2010 Delivery Costs Fund.” The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided herein and in the Lease-Purchase Agreement. There shall be deposited in the 2010 Delivery Costs Fund the proceeds of sale of the 2010 Certificates required to be deposited therein pursuant to Section 2.6(a) hereof.

The Trustee shall disburse moneys in the 2010 Delivery Costs Fund only upon a requisition signed by the Lessee Representative setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom said amounts are to be disbursed, stating that the amounts to be disbursed are for Delivery Costs properly chargeable to the 2010 Delivery Costs Fund. Amounts remaining in the 2010 Delivery Costs Fund after May 1, 2010, shall be transferred to the Lease Payment Fund.
The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the Lessee Representative, of the moneys held in the 2010 Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the Lessee Representative in connection with disbursements made pursuant to this Section.

ARTICLE IV
REDEMPTION OF 2010 CERTIFICATES

Section 4.1 Right to Redeem. The 2010 Certificates shall be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein.

Section 4.2 Redemption.

(a) No Prior Optional Redemption. The 2010 Certificates are not subject to optional redemption prior to their stated maturity dates.

(b) Redemption from Net Proceeds of Insurance and Condemnation. The 2010 Certificates are subject to redemption on any 2010 Interest Payment Date in whole or in part, from the Net Proceeds of insurance or condemnation, which Net Proceeds are deposited in the Lease Payment Fund and credited towards the Prepayment made by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, in any order of maturity designated by the Lessee (or by the Trustee by lot in the event that no such designation is received by the Trustee at the time such Net Proceeds are deposited with the Trustee), and by lot within a maturity at a redemption price equal to the principal amount of the 2010 Certificates to be redeemed, together with accrued interest to the date fixed for redemption, without premium.

Section 4.3 Selection of Certificates to be Redeemed. If less than all of the 2010 Certificates of the same maturity are to be redeemed upon redemption of 2010 Certificates hereunder, the Trustee shall select the 2010 Certificates to be redeemed by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each 2010 Certificate as representing that number of 2010 Certificates of $5,000 denomination as is obtained by dividing the principal amount of such 2010 Certificate by $5,000.

Section 4.4 Partial Redemption of Certificates. Upon the selection and call for redemption of, and the surrender of, any 2010 Certificate for redemption in part only, the Trustee shall cause to be executed and delivered to or upon the written order of the Owner thereof, at the expense of the Lessee, a new 2010 Certificate or 2010 Certificates of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2010 Certificate surrendered, in accordance with instructions received from the Owner thereof, with one 2010 Certificate being delivered in the absence of such instructions.

Section 4.5 Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the 2010 Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such 2010 Certificates on such date. If on the date fixed for redemption moneys for payment of the redemption price and accrued interest are held by the Trustee as provided herein, interest on the
2010 Certificates so called for redemption shall cease to accrue, such 2010 Certificates shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such 2010 Certificates so called for redemption shall be deemed paid and no longer Outstanding.

Section 4.6 Notice of Redemption.

(a) Whenever redemption of 2010 Certificates is to be made, the Trustee shall give notice of the redemption of such 2010 Certificates, which notice shall specify the redemption date, the redemption price and the place or places where such redemption price will be payable and, if less than all of the 2010 Certificates are to be redeemed, the numbers or other distinguishing marks of such 2010 Certificates so to be redeemed, and, in the case of 2010 Certificates to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2010 Certificate to be redeemed the redemption price of such 2010 Certificate or the specified portion thereof in the case of a 2010 Certificate to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable on such 2010 Certificate or portion thereof so to be redeemed.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than thirty (30) days nor more than sixty (60) days before the redemption date, to all Owners of any 2010 Certificates or portions of 2010 Certificates which are to be redeemed at their last addresses appearing upon the Register, but failure so to mail any such notice, or a defect in such notice, as to any 2010 Certificate shall not affect the validity of the proceedings for the redemption of any other 2010 Certificate.

(c) In addition to the notice called for in subsections (a) and (b), further notice shall be given by the Trustee as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption or result in a breach of trust by the Trustee of notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all 2010 Certificates being redeemed; (B) the date of issue of the 2010 Certificates as originally issued; (C) the rate of interest borne by each 2010 Certificate being redeemed; (D) the maturity date of each 2010 Certificate being redeemed; and (E) any other descriptive information needed to identify accurately the 2010 Certificates being redeemed.

(ii) Each further notice of redemption shall be sent at least 35 days before the redemption date, return receipt requested, to all registered securities depositories which are registered owners of the 2010 Certificates then in the business of holding substantial amounts of obligations of types such as the 2010 Certificates (such as, at the time of execution and delivery of this Second Supplement, Depository Trust Company of New York, New York; Midwest Securities Trust Company of Chicago, Illinois; Pacific
Securities Depository Trust Company of San Francisco, California; and Philadelphia Depository Trust Company of Philadelphia, Pennsylvania) and to one or more national information services that disseminate notices of redemption of obligations such as the 2010 Certificates (such as, at the time of execution and delivery of this Second Supplement, the Daily Called Bond Service of Financial Information, Inc., Jersey City, New Jersey; the Called Bond Service of Kenney Information Services, New York, New York; Moody's Municipal and Government, New York, New York; and S&P's Called Bond Record, New York, New York).

(d) A second notice of redemption shall be given within sixty (60) days after the redemption date in the manner required above to each of the Owners of the 2010 Certificates designated for redemption which have not been presented for payment within thirty (30) days after the redemption date.

ARTICLE V
MISCELLANEOUS

Section 5.1 Binding Effect: Successors. This Second Supplement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Second Supplement either the County or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Second Supplement contained by or on behalf of the County or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 5.2 Execution in Counterparts. This Second Supplement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 5.3 Headings. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Second Supplement. All references herein to “Articles,” “Sections,” and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Second Supplement, and the words “herein,” “hereof,” “hereunder” and other words of similar import refer to this Second Supplement as a whole and not to any particular Article, Section or subdivision hereof.

Section 5.4 Waiver of Notice. Whenever in this Second Supplement the giving of notice by mail or otherwise is required, the giving of much notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 5.5 Severability of Invalid Provisions. In case any one or more of the provisions contained in this Second Supplement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this Second Supplement, and this Second
Supplement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this Second Supplement and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Second Supplement may be held illegal, invalid or unenforceable.

Section 5.6 Cancellation of Contracts. As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Second Supplement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Second Supplement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Second Supplement on behalf of the Lessee within 3 years from execution of this Second Supplement, unless a waiver of A.R.S. §38-511 is provided by the Lessee's Board of Supervisors.

Section 5.7 Certain Warranties and Certifications from the Lessor.

(a) To the extent applicable under Arizona Revised Statutes ("A.R.S.") § 41-4401, the Trustee, in its capacity as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement, including its subcontractors who work on this Second Supplement or the Lease-Purchase Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E verify requirements under A.R.S. § 23-214(A). The breach by the Trustee of the foregoing shall be deemed a material breach of the Trustee's duties under the Trust Agreement and the Lease-Purchase Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The County retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Trustee shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(b) Pursuant to A.R.S. §§ 35-391.06 and 35-393.06, the Trustee certifies that it does not have a scrutinized business operation in Sudan or Iran. For the purpose of this subsection, the term "scrutinized business operations" shall have the meanings set forth in A.R.S. §§ 35-391 and 35-393, as applicable. If the County determines that the Trustee submitted a false
certification, the County may impose remedies as provided by law, including termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement.

Registered Owner: CEDE & CO.

Principal Amount:

THIS IS TO CERTIFY that the Registered Owner identified above, or registered assigns, as the Registered Owner of this Certificate of Participation, Series 2010 (the “2010 Certificate”) is the owner of an undivided proportionate interest in the right to receive certain Lease Payments and Prepayments thereof under and defined in that certain Lease-Purchase Agreement, dated as of June 1, 2008 (the “Original Lease-Purchase Agreement”) as amended and supplemented by the First Amendment to Lease Purchase Agreement, dated as of June 1, 2009 (the “First Amendment”) and a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, (the “Second Amendment”, and together with the Original Lease-Purchase Agreement and the First Amendment, the “Lease-Purchase Agreement”), by and between U.S. Bank National Association, as trustee (the “Lessor”) and Pima County, Arizona (the “Lessee”), which Lease Payments and Prepayments and certain other rights and interests under the Lease-Purchase Agreement are held by U.S. Bank National Association, as trustee (the “Trustee”), at its designated corporate trust office.

The Registered Owner of this 2010 Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2010, and semiannually thereafter on June 1 and December 1 of each year (the “2010 Interest Payment Dates”)) until
payment in full of said portion of principal, the Registered Owner’s proportionate share of the Lease Payments designated as interest coming due preceding each of the 2010 Interest Payment Dates; provided that interest with respect hereto shall be payable from the 2010 Interest Payment Date next preceding the date of execution of this 2010 Certificate (unless (i) this 2010 Certificate is executed prior to December 1, 2010, in which event interest shall be payable from the Dated Date identified above, (ii) this 2010 Certificate is executed on a 2010 Interest Payment Date, in which event interest shall be payable from such 2010 Interest Payment Date, or (iii) this 2010 Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2010 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2010 Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any 2010 Certificates of the issue of which this is one, interest hereon shall be payable from the 2010 Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2010, interest shall be payable from the Dated Date identified above, unless this 2010 Certificate is executed after a Special Record Date (as defined in the Original Trust Agreement) and before the following Special 2010 Interest Payment Date (as defined in the Original Trust Agreement), in which event interest shall be payable from the scheduled 2010 Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amounts representing the Registered Owner’s share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such 2010 Interest Payment Date (the “Record Date”), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special 2010 Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of $1,000,000 or more in aggregate principal amount of 2010 Certificates as of the close of business of the Trustee on the Record Date for a particular 2010 Interest Payment Date or, if applicable, the Special Record Date for a particular Special 2010 Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner’s expense) on the 2010 Interest Payment Date or Special 2010 Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such 2010 Interest Payment Date or, if applicable, the Special Record Date for such Special 2010 Interest Payment Date. Said amounts representing the Registered Owner’s share of the Lease Payments designated as principal are payable when due upon surrender of this 2010 Certificate at the principal corporate trust office of the Trustee.

This 2010 Certificate has been executed and delivered by the Trustee pursuant to the terms of an Original Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the “Original Trust Agreement”), authorizing the execution and delivery of the aggregate
principal amount of $50,000,000 Certificates of Participation, Series 2008 (the "2008 Certificates"), as supplemented by the First Supplement to Trust Agreement, dated as of June 1, 2009 (the "First Supplement") authorizing the execution and delivery of the aggregate principal amount of $34,400,000 Certificates of Participation, Series 2009 (the "2009 Certificates") and a Second Supplemental to Trust Agreement, dated February 1, 2010 (the "Second Supplement", together with the Original Trust Agreement and the First Supplement, the "Trust Agreement") authorizing a series of certificates limited in aggregate principal amount to $20,000,000 (the "2010 Certificates", and together with the 2008 Certificates, the 2009 Certificates and any Additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates"). The Lessee is authorized to enter into the Second Amendment and the Second Amendment under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2010 Certificates are delivered, the rights thereunder of the Registered Owners of the 2010 Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2010 Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including June 1, 2019, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and
payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2010 Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2010 Certificate. Upon such transfer a new 2010 Certificate or 2010 Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2010 Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2010 Certificates are not subject to optional redemption prior to maturity.

The 2010 Certificates are subject to redemption on any 2010 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2010 Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2010 Certificate shall not affect the validity of the proceedings for the redemption of any other 2010 Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2010 Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

If the transfer of any 2013 Certificate which has been called or selected for call for redemption in whole or in part is registered, any notice of redemption which has been given to the transferor shall be binding upon the transferee and a copy of the notice of redemption shall be delivered by the Trustee to the transferee along with the 2013 Certificate or 2013 Certificates.

Section 2.8  Mutilated, Lost, Destroyed and Stolen Certificates. If (i) any mutilated 2013 Certificate is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any 2013 Certificate, and (ii) there is delivered to the Trustee such security or indemnity as may be required by the Trustee to hold it harmless, then, in the absence of written notice to the Trustee that such 2013 Certificate has been acquired by a bona fide purchaser and upon the Owner paying the reasonable expenses of the Trustee, the
Trustee shall cause to be executed and shall deliver, in exchange for such mutilated 2013 Certificate or in lieu of such destroyed, lost or stolen 2013 Certificate, a new 2013 Certificate of like principal amount, date and tenor. If the principal of any such mutilated, destroyed, lost or stolen 2013 Certificate has become, or will on or before the next 2013 Interest Payment Date become, due and payable, the Trustee may, in its discretion, pay such 2013 Certificate when due instead of delivering a new 2013 Certificate.

Section 2.9 Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by 2013 Certificate Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such 2013 Certificates. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of 2013 Certificates shall be sufficient for any purpose of the Trust Agreement (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate of an officer of any bank or trust company located within the United States of America, which need not be acknowledged or verified. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(b) The fact of the ownership of 2013 Certificates by any person and the amount, the maturity and the numbers of such 2013 Certificates and the date of his holding the same shall be proved by the Register maintained pursuant to Section 2.10 hereof.

Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any 2013 Certificate shall bind every future Owner of the same 2013 Certificate in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.10 Certificate Register. The Trustee will keep or cause to be kept, at its designated office, sufficient books for the registration and transfer of the 2013 Certificates which shall at all times be open to inspection by the Lessee and the Lessor during normal business hours with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, 2013 Certificates as hereinbefore provided.

Section 2.11 Book-Entry-Only System. The 2013 Certificates shall be initially issued in the form of a single fully registered certificate for each scheduled principal payment date for each 2013 Certificate. Upon initial execution and delivery, the ownership of such 2013 Certificates shall be registered in the Register in the name of Cede & Co., as nominee of DTC,
and, except as hereinafter otherwise provided, all of the Outstanding 2013 Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to the 2013 Certificates registered in the Register in the name of Cede & Co., as nominee of DTC, the Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the 2013 Certificates (a “Beneficial Owner”), nor any responsibility or obligation to any DTC Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the 2013 Certificates under or through DTC or any DTC Participant, or any other person with respect to (i) the accuracy of any records maintained by DTC or any DTC Participant, (ii) the payment by DTC or any DTC Participant of any amount in respect of the 2013 Certificates, (iii) the giving of any notice that is permitted or required to be given to Owners under the Trust Agreement, or (iv) any consent given or other action taken by DTC as an Owner.

Notwithstanding any other provision of the Trust Agreement to the contrary, the Trustee shall be entitled to treat and consider the person in whose name each 2013 Certificate is registered in the Register as an absolute Owner of such 2013 Certificate for the purpose of payment, for the purpose of giving notices of prepayment with respect to any 2013 Certificate, for the purpose of registering transfers with respect to such 2013 Certificate, and for all other purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest evidenced by any 2013 Certificate only to or upon the order of the respective 2013 Certificate Owners, as shown in the Register, as provided in this Third Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the 2013 Certificates to the extent of the sum or sums so paid. No person other than a 2013 Certificate Owner, as shown in the Register, shall receive a 2013 Certificate evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this Third Supplement.

Notwithstanding any other provision of the Trust Agreement or the 2013 Certificates, so long as the 2013 Certificates are held in book-entry form and registered in the name of Cede & Co., as nominee or DTC, or registered in the name of any successor securities depository, or its nominee, the following provisions shall apply:

(a) Presentation. Presentation of 2013 Certificates to the Paying Agent at their scheduled payment dates or upon prepayment prior thereto shall be deemed made to the Paying Agent when the right to exercise ownership rights in the 2013 Certificates through DTC or a DTC Participant is transferred by DTC on its books.

(b) Fractionalized Representation. DTC may present notices, approvals, waivers, votes or other communications required or permitted to be made by Owners under this Third Supplement on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2013 Certificates through DTC or DTC Participants.

The 2013 Certificate Owners have no right to a depository for the 2013 Certificates. The Lessee or the Trustee may remove DTC or any successor thereto for any reason at any time. In such event, the Trustee shall (i) appoint a successor securities depository qualified to act as such
under Section 17(i) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate 2013 Certificates to such successor securities depository, or (ii) notify DTC of the availability through DTC of 2013 Certificates and transfer one or more separate 2013 Certificates to DTC Participants having 2013 Certificates credited to their DTC accounts as directed by DTC. In such event, the 2013 Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving 2013 Certificates shall designate, in accordance with the provisions of the Trust Agreement.

The Trustee and the Lessee may execute the letter of representation in connection with the execution and delivery of the 2013 Certificates. The letter of representation is for the purpose of effectuating the book-entry-only system only and shall not be deemed to amend, supersede or supplement the terms of this Third Supplement that are intended to be complete without reference to the letter of representation. In the event of any conflict between the terms of the letter of representation and the terms of this Third Supplement, the terms of the Trust Agreement shall control. DTC may exercise the rights of a 2013 Certificate Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

ARTICLE III
ACQUISITION FUND AND DELIVERY COSTS FUND

Section 3.1 2013A Project Fund. The Trustee shall establish a special fund designated as the “2013A Project Fund” as a subfund within the Acquisition Fund. There shall be deposited in the 2013A Project Fund the proceeds of the sale of the 2013A Certificates required to be deposited therein pursuant to Section 2.6(a)(ii) hereof. The Trustee shall immediately release and disburse the amounts in the 2013A Project Fund to the County as consideration for the County executing and delivering the Third Amendment.

Section 3.2 Delivery Costs Fund. The Trustee shall establish a special fund designated as the “2013 Delivery Costs Fund,” comprising the 2013A Delivery Costs Account and the 2013B Delivery Costs Account. The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided herein and in the Lease-Purchase Agreement. There shall be deposited in the 2013A Delivery Costs Account the proceeds of sale of the 2013A Certificates required to be deposited therein pursuant to Section 2.6(a)(i) hereof and there shall be deposited in the 2013B Delivery Costs Account the proceeds of the sale of the 2013B Certificates required to be deposited therein pursuant to Section 2.6(b)(i) hereof.

The Trustee shall disburse moneys in the 2013 Delivery Costs Fund only upon a requisition signed by the Lessee Representative setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom said amounts are to be disbursed, stating that the amounts to be disbursed are for Delivery Costs properly chargeable to the 2013 Delivery Costs Fund. Amounts remaining in the 2013 Delivery Costs Fund after September 1, 2013, shall be transferred to the Lease Payment Fund.
The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the Lessee Representative, of the moneys held in the 2013 Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the Lessee Representative in connection with disbursements made pursuant to this Section.

ARTICLE IV
REDEMPTION OF 2013 CERTIFICATES

Section 4.1 Right to Redeem. The 2013 Certificates shall be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein.

Section 4.2 Redemption.

(a) No Prior Optional Redemption. The 2013 Certificates are not subject to optional redemption prior to their stated maturity dates.

(b) Redemption from Net Proceeds of Insurance and Condemnation. The 2013 Certificates are subject to extraordinary redemption on any 2013 Interest Payment Date in whole or in part, from the Net Proceeds of insurance or condemnation, which Net Proceeds are deposited in the Lease Payment Fund and credited towards the Prepayment made by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, in any order of maturity designated by the Lessee (or by the Trustee by lot in the event that no such designation is received by the Trustee at the time such Net Proceeds are deposited with the Trustee), and by lot within a maturity at a redemption price equal to the principal amount of the 2013 Certificates to be redeemed, together with accrued interest to the date fixed for redemption, without premium.

Section 4.3 Selection of Certificates to be Redeemed. If less than all of the 2013 Certificates of the same maturity are to be redeemed upon redemption of 2013 Certificates hereunder, the Trustee shall select the 2013 Certificates to be redeemed by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each 2013 Certificate as representing that number of 2013 Certificates of $5,000 denomination as is obtained by dividing the principal amount of such 2013 Certificate by $5,000.

Section 4.4 Partial Redemption of Certificates. Upon the selection and call for redemption of, and the surrender of, any 2013 Certificate for redemption in part only, the Trustee shall cause to be executed and delivered to or upon the written order of the Owner thereof, at the expense of the Lessee, a new 2013 Certificate or 2013 Certificates of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2013 Certificate surrendered, in accordance with instructions received from the Owner thereof, with one 2013 Certificate being delivered in the absence of such instructions.

Section 4.5 Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the 2013 Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such 2013 Certificates on such date. If on the date fixed for redemption moneys for payment of the redemption price and accrued interest are held by the Trustee as provided herein, interest on the
2013 Certificates so called for redemption shall cease to accrue, such 2013 Certificates shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such 2013 Certificates so called for redemption shall be deemed paid and no longer Outstanding.

Section 4.6 Notice of Redemption.

(a) Whenever redemption of 2013 Certificates is to be made, the Trustee shall give notice of the redemption of such 2013 Certificates, which notice shall specify the redemption date, the redemption price and the place or places where such redemption price will be payable and, if less than all of the 2013 Certificates are to be redeemed, the numbers or other distinguishing marks of such 2013 Certificates so to be redeemed, and, in the case of 2013 Certificates to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2013 Certificate to be redeemed the redemption price of such 2013 Certificate or the specified portion thereof in the case of a 2013 Certificate to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable on such 2013 Certificate or portion thereof so to be redeemed.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than thirty (30) days nor more than sixty (60) days before the redemption date, to all Owners of any 2013 Certificates or portions of 2013 Certificates which are to be redeemed at their last addresses appearing upon the Register, but failure so to mail any such notice, or a defect in such notice, as to any 2013 Certificate shall not affect the validity of the proceedings for the redemption of any other 2013 Certificate.

(c) In addition to the notice called for in subsections (a) and (b), further notice shall be given by the Trustee as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption or result in a breach of trust by the Trustee of notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all 2013 Certificates being redeemed; (B) the date of issue of the 2013 Certificates as originally issued; (C) the rate of interest borne by each 2013 Certificate being redeemed; (D) the maturity date of each 2013 Certificate being redeemed; and (E) any other descriptive information needed to identify accurately the 2013 Certificates being redeemed.

(ii) Each further notice of redemption shall be sent at least 35 days before the redemption date, return receipt requested, to all registered securities depositories which are registered owners of the 2013 Certificates then in the business of holding substantial amounts of obligations of types such as the 2013 Certificates (such as, at the time of execution and delivery of this Third Supplement, Depository Trust Company of New York, New York) and to one or more national information services that disseminate
notices of redemption of obligations such as the 2013 Certificates (such as, at the time of execution and delivery of this Third Supplement, the Daily Called Bond Service of Financial Information, Inc., Jersey City, New Jersey; the Called Bond Service of Kenney Information Services, New York, New York; Moody’s Municipal and Government, New York, New York; and S&P's Called Bond Record, New York, New York).

(d) A second notice of redemption shall be given within sixty (60) days after the redemption date in the manner required above to each of the Owners of the 2013 Certificates designated for redemption which have not been presented for payment within thirty (30) days after the redemption date.

ARTICLE V
MISCELLANEOUS

Section 5.1 Binding Effect; Successors. This Third Supplement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Third Supplement either the County or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Third Supplement contained by or on behalf of the County or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 5.2 Execution in Counterparts. This Third Supplement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 5.3 Headings. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Third Supplement. All references herein to “Articles,” “Sections,” and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Third Supplement, and the words “herein,” “hereof,” “hereunder” and other words of similar import refer to this Third Supplement as a whole and not to any particular Article, Section or subdivision hereof.

Section 5.4 Waiver of Notice. Whenever in this Third Supplement the giving of notice by mail or otherwise is required, the giving of much notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 5.5 Severability of Invalid Provisions. In case any one or more of the provisions contained in this Third Supplement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this Third Supplement, and this Third Supplement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this Third Supplement and each and every other section, paragraph, sentence, clause or phrase hereof.
and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Third Supplement may be held illegal, invalid or unenforceable.

Section 5.6 Cancellation of Contracts. As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee’s Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Third Supplement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Third Supplement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Third Supplement on behalf of the Lessee within 3 years from execution of this Third Supplement, unless a waiver of A.R.S. §38-511 is provided by the Lessee’s Board of Supervisors.

Section 5.7 Certain Warranties and Certifications from the Lessor.

(a) To the extent applicable under Arizona Revised Statutes ("A.R.S.") § 41-4401, the Trustee, in its capacity as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement, including its subcontractors who work on this Third Supplement or the Lease-Purchase Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E verify requirements under A.R.S. § 23-214(A). The breach by the Trustee of the foregoing shall be deemed a material breach of the Trustee’s duties under the Trust Agreement and the Lease-Purchase Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The County retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Trustee shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(b) Pursuant to A.R.S. §§ 35-391.06 and 35-393.06, the Trustee certifies that it does not have a scrutinized business operation in Sudan or Iran. For the purpose of this subsection, the term “scrutinized business operations” shall have the meanings set forth in A.R.S. §§ 35-391 and 35-393, as applicable. If the County determines that the Trustee submitted a false certification, the County may impose remedies as provided by law, including termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement.
and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement.

Section 5.8  **Leased Property.** The description of the Leased Property, as defined in the Original Trust Agreement, is hereby amended to mean the Public Works Building, the Legal Services Building, the Public Works Parking Garage and the Adult Detention Center described in Exhibit C attached to this Third Supplement, setting forth the Leased Property under the Lease, reflecting the addition of the real property and improvements conveyed to the Trustee by the 1997 Trustee.

THIS IS TO CERTIFY that the Registered Owner identified above, or registered assigns, as the Registered Owner of this [Refunding] Certificate of Participation, Series 2013[A][B] (the "2013[A][B] Certificate") is the owner of an undivided proportionate interest in the right to receive certain Lease Payments and Prepayments thereof under and defined in that certain Lease-Purchase Agreement, dated as of June 1, 2008 (the “Original Lease-Purchase Agreement”) as amended and supplemented by the First Amendment to Lease Purchase Agreement, dated as of June 1, 2009 (the “First Amendment”), the Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010 (the “Second Amendment”) and the Third Amendment to Lease-Purchase Agreement, dated as of May 1, 2013 (the “Third Amendment”, and together with the Original Lease-Purchase Agreement, the First Amendment and the Second Amendment, the “Lease-Purchase Agreement”), by and between U.S. Bank National Association, as trustee (the “Lessor”) and Pima County, Arizona (the “Lessee”), which Lease Payments and Prepayments and certain other rights and interests under the Lease-Purchase Agreement are held by U.S. Bank National Association, as trustee (the “Trustee”), at its designated corporate trust office.

The Registered Owner of this 2013[A][B] Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2013, and
semiannually thereafter on December 1 and June 1 of each year (the “2013 Interest Payment Dates”) until payment in full of said portion of principal, the Registered Owner’s proportionate share of the Lease Payments designated as interest coming due preceding each of the 2013 Interest Payment Dates; provided that interest with respect hereto shall be payable from the 2013 Interest Payment Date next preceding the date of execution of this 2013[A][B] Certificate (unless (i) this 2013[A][B] Certificate is executed prior to December 1, 2013, in which event interest shall be payable from the Dated Date identified above, (ii) this 2013[A][B] Certificate is executed on a 2013 Interest Payment Date, in which event interest shall be payable from such 2013 Interest Payment Date, or (iii) this 2013[A][B] Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2013 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2013 Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any 2013[A][B] Certificates of the issue of which this is one, interest hereon shall be payable from the 2013 Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2013, interest shall be payable from the Dated Date identified above, unless this 2013[A][B] Certificate is executed after a Special Record Date (as defined in the Original Trust Agreement) and before the following Special 2013 Interest Payment Date (as defined in the Original Trust Agreement), in which event interest shall be payable from the scheduled 2013 Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amounts representing the Registered Owner’s share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such 2013 Interest Payment Date (the “Record Date”), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special 2013 Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of $1,000,000 or more in aggregate principal amount of 2013[A][B] Certificates as of the close of business of the Trustee on the Record Date for a particular 2013 Interest Payment Date or, if applicable, the Special Record Date for a particular Special 2013 Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner’s expense) on the 2013 Interest Payment Date or Special 2013 Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such 2013 Interest Payment Date or, if applicable, the Special Record Date for such Special 2013 Interest Payment Date. Said amounts representing the Registered Owner’s share of the Lease Payments designated as principal are payable when due upon surrender of this 2013[A][B] Certificate at the principal corporate trust office of the Trustee.
This 2013[A][B] Certificate has been executed and delivered by the Trustee pursuant to the terms of an Original Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the “Original Trust Agreement”), authorizing the execution and delivery of the aggregate principal amount of $50,000,000 Certificates of Participation, Series 2008 (which are no longer outstanding), as supplemented by the First Supplement to Trust Agreement, dated as of June 1, 2009 (the “First Supplement”) authorizing the execution and delivery of the aggregate principal amount of $34,400,000 Certificates of Participation, Series 2009 (which are no longer outstanding), the Second Supplement to Trust Agreement, dated as of February 1, 2010 (the “Second Supplement”) authorizing the execution and delivery of the aggregate principal amount of $20,000,000 Certificates of Participation, Series 2010 (the “2010 Certificates”) and a Third Supplement to Trust Agreement, dated as of May 1, 2013 (the “Third Supplement”, together with the Original Trust Agreement, the First Supplement and the Second Supplement, the “Trust Agreement”), authorizing a series of certificates limited in aggregate principal amount to $_________ (the “2013[A][B] Certificates”). The Third Supplement also authorized a series of certificates limited in aggregate principal amount to $_________ (the “2013[B][A] Certificates”), which the Trustee will execute and deliver simultaneously with the execution and delivery of the 2013[A][B] Certificates. The 2010 Certificates, the 2013[A][B] Certificates, the 2013[B][A] Certificates and any Additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the “Certificates”. The Lessee is authorized to enter into the Third Amendment and the Third Supplement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2013[A][B] Certificates are delivered, the rights thereunder of the Registered Owners of the 2013[A][B] Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2013[A][B] Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee’s then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including December 1, 2022, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee’s Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee’s Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next
occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee’s obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner’s proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner’s Certificate.

This 2013[A][B] Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2013[A][B] Certificate. Upon such transfer a new 2013[A][B] Certificate or 2013[A][B] Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2013[A][B] Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2013[A][B] Certificates are not subject to optional redemption prior to maturity.

The 2013[A][B] Certificates are subject to redemption on any 2013 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2013[A][B] Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to
mail any such notice or any defect in such notice as to any 2013[A][B] Certificate shall not affect the validity of the proceedings for the redemption of any other 2013[A][B] Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2013[A][B] Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

The Registered Owner of this 2013A Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2013, and semiannually thereafter on December 1 and June 1 of each year (the “2013 Interest Payment Dates”) until payment in full of said portion of principal, the Registered Owner’s proportionate share of the Lease Payments designated as interest coming due preceding each of the 2013 Interest Payment

outstanding), as supplemented by the First Supplement to Trust Agreement, dated as of June 1, 2009 (the “First Supplement”) authorizing the execution and delivery of the aggregate principal amount of $34,400,000 Certificates of Participation, Series 2009 (which are no longer outstanding), the Second Supplement to Trust Agreement, dated as of February 1, 2010 (the “Second Supplement”) authorizing the execution and delivery of the aggregate principal amount of $20,000,000 Certificates of Participation, Series 2010 (the “2010 Certificates”) and a Third Supplement to Trust Agreement, dated as of May 1, 2013 (the “Third Supplement”, together with the Original Trust Agreement, the First Supplement and the Second Supplement, the “Trust Agreement”), authorizing a series of certificates limited in aggregate principal amount to $80,175,000 (the “2013A Certificates”). The Third Supplement also authorized a series of certificates limited in aggregate principal amount to $12,750,000 (the “2013B Certificates”), which the Trustee will execute and deliver simultaneously with the execution and delivery of the 2013A Certificates. The 2010 Certificates, the 2013A Certificates, the 2013B Certificates and any Additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the “Certificates”. The Lessee is authorized to enter into the Third Amendment and the Third Supplement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2013A Certificates are delivered, the rights thereunder of the Registered Owners of the 2013A Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2013A Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory limitation or restriction.

The terms of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee’s then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including December 1, 2022, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee’s Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee’s Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.
Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the particular Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive all or any part such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2013A Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2013A Certificate. Upon such transfer a new 2013A Certificate or 2013A Certificates, of Authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not as 2013A Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2013A Certificates are not subject to optional redemption prior to maturity.

The 2013A Certificates are subject to redemption on any 2013 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation attributable towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2013A Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2013A Certificate shall not affect the validity of the proceedings for the redemption of any other 2013A Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.
IN WITNESS WHEREOF, this 2013A Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

Said amounts representing the Registered Owner’s share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such 2013 Interest Payment Date (the “Record Date”), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as may be filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special 2013 Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of $1,000,000 or more in aggregate principal amount of 2013B Certificates as of the close of business of the Trustee on the Record Date for a particular 2013 Interest Payment Date or, if applicable, the Special Record Date for a particular Special 2013 Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner’s expense) on the 2013 Interest Payment Date or Special 2013 Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such 2013 Interest Payment Date or, if applicable, the Special Record Date for such Special 2013 Interest Payment Date. Said amounts representing the Registered Owner’s share of the Lease Payments designated as principal are payable when due upon surrender of this 2013B Certificate at the principal corporate trust office of the Trustee.

This 2013B Certificate has been executed and delivered by the Trustee pursuant to the terms of an Original Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the “Original Trust Agreement”), authorizing the execution and delivery of the aggregate principal amount of $50,000,000 Certificates of Participation, Series 2008 (which are no longer
outstanding), as supplemented by the First Supplement to Trust Agreement, dated as of June 1, 2009 (the “First Supplement”) authorizing the execution and delivery of the aggregate principal amount of $34,400,000 Certificates of Participation, Series 2009 (which are no longer outstanding), the Second Supplement to Trust Agreement, dated as of February 1, 2010 (the “Second Supplement”) authorizing the execution and delivery of the aggregate principal amount of $20,000,000 Certificates of Participation, Series 2010 (the “2010 Certificates”) and a Third Supplement to Trust Agreement, dated as of May 1, 2013 (the “Third Supplement”), together with the Original Trust Agreement, the First Supplement and the Second Supplement, the “Trust Agreement”), authorizing a series of certificates limited in aggregate principal amount to $12,705,000 (the “2013B Certificates”). The Third Supplement also authorized a series of certificates limited in aggregate principal amount to $80,175,000 (the “2013A Certificates”), which the Trustee will execute and deliver simultaneously with the execution and delivery of the 2013B Certificates. The 2010 Certificates, the 2013B Certificates, the 2013A Certificates and any Additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the “Certificates.” The Lessee is authorized to enter into the Third Amendment and the Third Supplement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2013B Certificates are delivered, the rights thereunder of the Registered Owners of the 2013B Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lessee, in these agreements and Trust Agreement the Registered Owner of this 2013B Certificate, in acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee’s then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including December 1, 2022, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee’s Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee’s Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.
Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee’s obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner’s proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner’s Certificate.

This 2013B Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2013B Certificate. Upon such transfer a new 2013B Certificate or 2013B Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2013B Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2013B Certificates are not subject to optional redemption prior to maturity.

The 2013B Certificates are subject to redemption on any 2013 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credits, towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2013B Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2013B Certificate shall not affect the validity of the proceedings for the redemption of any other 2013B Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.
IN WITNESS WHEREOF, this 2013B Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

Date of Execution: May 22, 2013.

$79,915,000*
CERTIFICATES OF PARTICIPATION, SERIES 2013A
Evidencing a Proportionate Interest of Owners thereof in
Lease Payments to be Made by
PIMA COUNTY, ARIZONA, As Lessee

Dated: Date of Initial Delivery

Due: December 1, as shown on inside front cover

The securities being offered hereby consist of Certificates of Participation, Series 2013A (the “2013A Certificates”) and Refunding Certificates of Participation, Series 2013B (the “2013B Certificates”) and, together with the 2013A Certificates, the “2013 Certificates”) in a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009, a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, and a Third Amendment to Lease-Purchase Agreement, to be dated as of May 1, 2013 (the original as so amended and subsequently amended, the “Lease”), between U.S. Bank National Association, as trustee under the below-described Trust Agreement, as lessor (the “Trustee”), and Pima County, Arizona, as lessee (the “County”). The property being leased by the Trustee to the County consists of certain interests in the major portion of the public works building of the County, the legal services building of the County, a parking garage of the County, and certain adult detention (jail) facilities of the County (collectively, the “Leased Property”). See “PLAN OF FINANCE - The Leased Property” herein. The 2013 Certificates are being executed and delivered under a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, and a Third Supplement to Trust Agreement, to be dated as of May 1, 2013 (the original as so supplemented and as subsequently supplemented, the “Trust Agreement”), between the Trustee and the County. Initially, the 2013 Certificates will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the 2013 Certificates. Purchases of beneficial interests in the 2013 Certificates will be made in book-entry-only form in amounts of $5,000 of principal of a series maturing on a specified date or any integral multiple thereof. Purchasers will not receive certificates representing the ownership interest in the 2013 Certificates purchased by them. See Appendix G - “BOOK-ENTRY-ONLY SYSTEM.”

Interest represented by the 2013 Certificates will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their dated date and will be payable semiannually on June 1 and December 1 of each year, commencing December 1, 2013, until maturity or prior redemption, and principal with respect to the 2013 Certificates will be payable annually in accordance with the schedule set forth on the inside front cover. So long as the 2013 Certificates are registered in the name of DTC, or its nominee, payments of the principal and interest with respect to the 2013 Certificates will be made directly by the Trustee to DTC which, in turn, is obligated to remit such payments to its participants for subsequent distribution to beneficial owners of the 2013 Certificates, as described herein.

The 2013 Certificates will not be subject to optional redemption, but will be subject to extraordinary redemption prior to maturity as more fully described herein. See “THE 2013 CERTIFICATES - Redemption Provisions” herein.

The 2013 Certificates are being executed and delivered to (i) refinance the acquisition by the Trustee of the Leased Property from the County, (ii) refund the Certificates to be Refunded (as defined herein), and (iii) pay costs associated with the execution and delivery of the 2013 Certificates. See “PLAN OF FINANCE” herein.

The 2013 Certificates, together with $16,225,000 outstanding principal amount of Certificates of Participation, Series 2010 and any Additional Certificates (defined herein) executed and delivered pursuant to the Trust Agreement (collectively, the “Certificates”), will evidence and represent undivided and proportionate interests of the registered Owners thereof in semianual lease payments (the “Lease Payments”) to be made by the County pursuant to the Lease. The obligations of the County under the Lease will be payable exclusively from annually appropriated funds and will not be a general obligation or indebtedness of the County for any purpose. The obligation of the County to make payments under the Lease will be subject to termination as of the last day of each fiscal year, at the option of the County. If so terminated and not reinstated as provided in the Lease, the County shall thereafter be relieved of any subsequent obligation under the Lease other than to surrender possession of the Leased Property to the Trustee. Upon such termination, there will be no assurance of payment of the principal or interest represented by the Certificates, including the 2013 Certificates, from funds available under the Trust Agreement as a result of the Trustee’s re-leasing of the Leased Property. See “SOURCES OF PAYMENT OF THE CERTIFICATES” and “SECURITY FOR THE CERTIFICATES” herein.

The Certificates will be payable solely from the Lease Payments to be made by the County from the sources identified above and from funds available under the Trust Agreement. The obligation of the County to make the Lease Payments will not be secured by a pledge of any funds, will not constitute an obligation of the County for which the County is obligated to levy or pledge any form of taxation nor constitute a general obligation of the County nor an indebtedness of the County, the State of Arizona or any of its political subdivisions within the meaning of any constitutional or statutory debt limitations.

This cover page contains information for quick reference only. It is not a summary of this issue. Investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision.

The 2013 Certificates are offered when, as and if certain conditions are satisfied and subject to the legal opinion of Squire Sanders (US) LLP, Special Counsel. Certain legal matters will be passed upon solely for the benefit of the Underwriter by its counsel, Greenberg Traurig, LLP. It is expected that the 2013 Certificates will be available for delivery through the facilities of DTC, on or about May 22, 2013*.

INTRODUCTORY STATEMENT

This Official Statement, which includes the cover page, the inside front cover page and appendices hereto (the “Official Statement”), has been prepared on behalf of Pima County, Arizona (the “County”), in connection with the original execution, delivery and sale of $79,915,000* principal amount of Certificates of Participation, Series 2013A (the “2013A Certificates”) and $13,045,000* principal amount of Refunding Certificates of Participation, Series 2013B (the “2013B Certificates” and, together with the 2013A Certificates, the “2013 Certificates”).

Certain capitalized terms used herein but not defined elsewhere are defined under “SUMMARY OF LEGAL DOCUMENTS - Certain Definitions” in Appendix D hereto.

The 2013 Certificates, together with $16,225,000 outstanding principal amount of Certificates of Participation, Series 2010 (the “2010 Certificates”) and any Additional Certificates (hereafter defined) executed and delivered pursuant to the hereafter-described Trust Agreement (collectively, the “Certificates”), evidence and represent undivided and proportionate interests of the registered owners thereof in semiannual lease payments (the “Lease Payments”) for the hereafter described Leased Property, to be made by the County pursuant to a Lease-Purchase Agreement, dated as of June 1, 2008 (the “Original Lease-Purchase Agreement”), as amended by a First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009 (the “First Amendment”), a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010 (the “Second Amendment”), and a Third Amendment to Lease-Purchase Agreement, to be dated as of May 1, 2013 (the “Third Amendment” and, together with the Original Lease-Purchase Agreement, the First Amendment, the Second Amendment, and as subsequently amended, the “Lease”), between U.S. Bank National Association, as trustee under the Trust Agreement, as lessor (the “Trustee”), and Pima County, Arizona, as lessee (the “County”). The property being leased by the Trustee to the County will consist of certain interests in the major portion of the public works building of the County, the legal services building of the County, a parking garage of the County, and certain adult detention (jail) facilities of the County (collectively, the “Leased Property”). The Trustee will hold a fee title interest in the public works building, legal services building and the adult detention (jail) facilities portions of the Leased Property (the “Sellable Leased Property”) and a ground leasehold interest in the parking garage portion of the Leased Property (the “Ground Leased Property”). See “PLAN OF FINANCE - The Leased Property” herein. The 2013 Certificates are being executed and delivered under a Trust Agreement, dated as of June 1, 2008 (the “Original Trust Agreement”), as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009 (the “First Supplement”), a Second Supplement to Trust Agreement, dated as of February 1, 2010 (the “Second Supplement”), and a Third Supplement to Trust Agreement, to be dated as of May 1, 2013 (the “Third Supplement” and, together with the Original Trust Agreement, the First Supplement, the Second Supplement, and as subsequently supplemented, the “Trust Agreement”), between the Trustee and the County.

The 2013 Certificates are being executed and delivered to (i) refinance the acquisition by the Trustee of the Leased Property from the County, (ii) refund the Certificates to be Refunded (as described below under “PLAN OF FINANCE”), previously executed and delivered pursuant to a Trust Agreement, dated as of February 1, 1997 (as thereafter supplemented, the “1997 Trust Agreement”) between the County and U.S. Bank National Association, as

* Preliminary, subject to change.
trustee thereunder (in such capacity, the “1997 Trustee”), and (iii) pay costs associated with the execution and delivery of the 2013 Certificates. See “PLAN OF FINANCE” herein. Fee title to the Sellable Leased Property will be held by the Trustee and, a ground leasehold interest pursuant to a Ground Lease, dated as of June 1, 2008 (the “Ground Lease”), between the County and the Trustee has been transferred to the Trustee with respect to the Ground Leased Property. Pursuant to the Lease, the Trustee has or will lease back to the County the Leased Property. See “PLAN OF FINANCE” herein.

The County expects to use a portion of the amounts received from the Trustee from the refinancing of the acquisition of the Leased Property to pay the costs of the herein-described Improvements, which are expected to primarily consist of expansion and upgrades to the County’s sewer system facilities and fleet services facilities, but may include other capital project purposes. See “PLAN OF FINANCE – The Improvements” herein. None of the Improvements will be part of the Leased Property.

The obligations of the County under the Lease are payable exclusively from annually appropriated funds of the County and will not be a general obligation or indebtedness of the County for any purpose. The obligation of the County to make payments under the Lease will be subject to termination as of the last day of each Fiscal Period of the County, at the option of the County. If so terminated and not reinstated as provided in the Lease, the County shall thereafter be relieved of any subsequent obligation under the Lease other than to surrender possession of the Leased Property to the Trustee. The Lease will also terminate upon the occurrence of an Event of Default thereunder by the County and the election of the Trustee to terminate the Term of the Lease and upon taking of all the Leased Property by eminent domain. In the event of any such termination, there is no assurance of payment of the principal or interest represented by the Certificates, including the 2013 Certificates, from funds available under the Trust Agreement or as a result of the Trustee’s re-leasing of the Leased Property. See “SOURCES OF PAYMENT OF THE CERTIFICATES” and “SECURITY FOR THE CERTIFICATES” herein.

The Certificates will be payable solely from the Lease Payments required to be made by the County from the sources identified above and from funds available under the Trust Agreement. The obligation of the County to make Lease Payments under the Lease will not be secured by a pledge of any funds, will not constitute an obligation of the County for which the County is obligated to levy or pledge any form of taxation and will not constitute a general obligation of the County, or an indebtedness of the County, the State of Arizona (the “State”) or any of its political subdivisions within the meaning of any constitutional or statutory debt limitations.

Under the Lease, the County will be required to pay base rent comprising the Lease Payments equal to the principal and interest requirements represented by the outstanding Certificates, unless the Lease is terminated as provided therein. Such base rent will be held in trust by the Trustee only for payment to the Owners of the Certificates. The County will also be required to pay Additional Rent, which includes payment of any taxes and assessments and the cost of maintenance and repair of the Leased Property, and to pay other fees and obligations. See “SUMMARY OF LEGAL DOCUMENTS - LEASE” in Appendix D hereto.

Unless and until discontinued, the 2013 Certificates will be held in book-entry form by The Depository Trust Company, a registered securities depository (“DTC”), and beneficial interests therein may only be purchased and sold, and payments of principal and interest represented by the 2013 Certificates will be made only to beneficial owners, through participants in the DTC system. Beneficial interests in the 2013 Certificates will be in amounts described on the cover page hereof. See Appendix G - “BOOK-ENTRY-ONLY SYSTEM.”

The Lease Payments will be subject to reduction to the extent of any Prepayments made with insurance or condemnation proceeds as a result of damage, destruction or condemnation of a portion of the Leased Property, which causes substantial interference with the County’s use of the Leased Property; provided that the revised Lease Payments shall be sufficient to pay principal and interest represented by the Certificates remaining Outstanding after the application of the Net Proceeds of the insurance or self-insurance coverage or condemnation award to redeem a portion of the Certificates. See “SUMMARY OF LEGAL DOCUMENTS – LEASE -- Lease Payments; Additional Rent; Reduction of Rental” in Appendix D hereto. As permitted under the Lease, the County will be self-insured for damage or destruction of the Leased Property in amounts required by the Lease. Proceeds from such self-insurance program and such condemnation awards will be applied either to repair or replace the Leased Property or to redeem

This Official Statement contains descriptions of the 2013 Certificates, the Trust Agreement, the Ground Lease and the Lease. The descriptions of the 2013 Certificates, the Trust Agreement, the Ground Lease and the Lease and other documents described in this Official Statement (collectively, the “Financing Documents”) do not purport to be definitive or comprehensive, and all references to those documents are qualified in their entirety by reference to the complete documents, copies of which are available from RBC Capital Markets, LLC (the “Underwriter”) prior to the delivery of the 2013 Certificates.

THE 2013 CERTIFICATES

General Provisions

The 2013 Certificates will be dated their date of initial delivery and will mature on the dates and in the principal amounts and represent interest at the respective per annum rates, all as set forth on the inside front cover page of this Official Statement. Interest represented by the 2013 Certificates will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their dated date. Interest will be computed on the basis of a 360-day year of twelve 30-day months and be payable on each June 1 and December 1, commencing on December 1, 2013 (each, an “Interest Payment Date”).

The 2013 Certificates will be delivered in the form of fully registered certificates without coupons registered in the name of Cede & Co. as registered Owner and nominee for DTC. The Trustee shall treat Cede & Co., as the registered Owner, as the absolute owner of the 2013 Certificates for all purposes, including making payments and sending notices. So long as Cede & Co. is the registered Owner of the 2013 Certificates, as nominee for DTC, references herein to “Owners” or registered owners of the 2013 Certificates (other than under the caption “TAX MATTERS”) shall mean Cede & Co., as aforesaid, and shall not mean the beneficial owners of such 2013 Certificates. When reference is made to any action which is required or permitted to be taken by the beneficial owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such beneficial owners for such purposes. When notices are given, they shall be sent by the County or the Trustee to DTC only. See Appendix G - “BOOK-ENTRY-ONLY SYSTEM.”

Subject to the provisions summarized in Appendix G - “BOOK-ENTRY-ONLY SYSTEM,” the principal represented by each 2013 Certificate will be payable at the designated office of the Trustee. Interest represented by each 2013 Certificate will be paid on each Interest Payment Date by check drawn on the Trustee mailed on or before the Interest Payment Date to the registered owners as shown on the records of the Trustee as of the fifteenth day of the month immediately preceding such Interest Payment Date or, if such a day is not a business day, on the next succeeding business day or the Trustee may agree with a registered Owner of $1,000,000 or more in aggregate principal amount of the 2013 Certificates for another form of payment.

Redemption Provisions

No Optional Redemption. The 2013 Certificates will not be subject to optional redemption prior to maturity.
Extraordinary Redemption. The 2013 Certificates will be subject to redemption on any Interest Payment Date, in whole or in part, to the extent of any Net Proceeds of insurance or condemnation that are deposited in the Lease Payment Fund for such purpose as provided under the Lease (See “LEASE - Insurance” and “—Eminent Domain” in Appendix D hereto), at a redemption price equal to the principal amount thereof, without premium, plus interest accrued to the redemption date.

Selection of Certificates. Whenever less than all Outstanding 2013 Certificates are called for redemption, the maturities of the 2013 Certificates to be selected for redemption may be specified by the County or, if the County does not so specify, will be determined by the Trustee by lot, and within any maturity will be selected by lot.

Notice of and Procedure for Redemption

In the event any 2013 Certificates are called for redemption, notice thereof identifying the 2013 Certificates to be redeemed and specifying a redemption date and the redemption price will be required to be given by the Trustee in the form of a redemption notice to DTC not less than 30 nor more than 60 days prior to the date fixed for redemption. See Appendix G – “BOOK-ENTRY-ONLY SYSTEM.”

All of the 2013 Certificates so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time, and will no longer be protected by and will not be deemed to be Outstanding under the provisions of the Trust Agreement.

Defeasance

If the County (i) pays the principal, interest and redemption premium, if any, of all Outstanding 2013 Certificates when the same becomes due and payable, or (ii) at or before maturity of all Outstanding 2013 Certificates, deposits money or Defeasance Obligations with the Trustee which, together with other available funds, are sufficient to pay the principal, interest and redemption premium, if any, of all Outstanding 2013 Certificates and any Additional Rent, the lien of the Trust Agreement and all covenants, agreements and obligations of the County and the Trustee securing or pertaining to the 2013 Certificates will terminate, except for the obligation of the Trustee to make payment on the 2013 Certificates. (See “SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT - Defeasance” in Appendix D hereto.)

PLAN OF FINANCE

2013A Certificates

The proceeds received by the Trustee from the sale of the 2013A Certificates, net of amounts deposited into the Delivery Costs Fund established under the Trust Agreement to pay costs related to the execution and delivery of the 2013A Certificates, will be paid by the Trustee to the County to refinance the Trustee’s original acquisition of the portion of the Leased Property from the County comprising the below-described Pima County Public Works Building of Leased Property, the Legal Services Building Portion of Leased Property and the Ground Leased Property.

The County intends to use such amounts paid by the Trustee to pay costs of the Improvements described below, none of which is part of the Leased Property.

2013B Certificates

The proceeds received by the Trustee from the sale of the 2013B Certificates, net of amounts deposited into the Delivery Costs Fund established under the Trust Agreement to pay costs related to the execution and delivery of the 2013B Certificates, will be used to make a payment to the 1997 Trustee to refund and redeem the following certificates (the “Certificates to be Refunded”) and to discharge the 1997 Trust Agreement. In consideration for providing funds for such purpose, the 1997 Trustee will convey to the Trustee fee title to the below-described Adult Detention Center Portion of Leased Property, which will constitute additional Leased Property under the Trust Agreement and the Lease.
The Leased Property

The Leased Property consists of the following:

Adult Detention Center. This portion of the Leased Property (the “Adult Detention Center”) consists of a fee ownership interest in the maximum security facility (a seven-story block building designed with a 732-bed capacity) and a medium security facility (a four-story block building designed with an approximately 400-bed capacity). The Adult Detention Center was the leased security for the Certificates to be Refunded and will be conveyed to the Trustee and added as a part of the Leased Property simultaneously with the execution and delivery of the 2013 Certificates. The medium security facility is an annex to the maximum security facility. The maximum security facility has been retrofitted so that it now accommodates 1,892 beds. The Adult Detention Center currently provides the only maximum and medium lock-up facilities for the County. The County’s estimate of the replacement value of the Adult Detention Center is $53.96 million.

The Adult Detention Center opened in 1984 and currently houses approximately 1,800 inmates. The change in average annual jail population for the past ten years is shown below:

The two-building complex is located on approximately 17 acres of land situated about 3 miles southwest of downtown Tucson, Arizona.

Pima County Public Works Building Portion of Leased Property. This portion of the Leased Property consists of a fee ownership interest in the south 137,938 square feet of a 9-story building, located at 201 North Stone in Tucson, Arizona, which serves as the Public Works Building of the County. (The north 63,000 square feet of the building are leased to the City of Tucson Arizona, by the County and are not part of the Leased Property.) The 9-story site contains 15,524 square feet of land. The building was constructed in the 1960s; it was subsequently gutted back to the concrete floors and ceilings. By 1991, the building was completely rebuilt and immediately occupied by the County.

Public Works Building Parking Garage. This portion of the Leased Property consists of a ground leasehold interest in a 785-space parking garage located adjacent to the Pima County Public Works Building in downtown Tucson. Any Preliminary, subject to change.
Tucson, Arizona, and includes the site for the facility and related entry and exit ramps and the parking facility itself, which is located above the downtown Tucson branch of the YMCA. The YMCA is located on a portion of the same site, beneath the first level of the parking garage, pursuant to a lease granted by the County in 1990. *The Leased Property does not include any portion of the YMCA facilities located on the site or elsewhere.*

The parking facility was constructed in 1991 and has been in continuous operation since its opening. The majority of the facility is used for parking for County employees and public parking during normal business hours and for users of the downtown YMCA facility.

The term of the Ground Lease associated with the parking facility will extend through June 1, 2023, but be subject to earlier termination on any date upon (a) defeasance of the Lease and the Trust Agreement with respect to all Certificates as permitted thereunder, or (b) the exercise of the County of its option to purchase the Leased Property pursuant to the Lease and defeasance of the Trust Agreement as permitted thereunder.

The County’s estimate of the replacement value of the Public Works Building and Parking Garage (excluding the portion leased by the YMCA) is $35.58 million.

*Legal Services Building Portion of Leased Property.* This portion of the Leased Property consists of a fee ownership interest in a 20-story, single-tenant office building constructed in 1966, located at 32 North Stone in Tucson, Arizona. The gross square footage of the tower is 209,187 square feet. The tower site contains 10,636 square feet of land. The 15th floor of the tower was specifically gutted to a shell condition in order to accommodate the record file storage requirements of the Legal Services Division of the County. The County’s estimate of the replacement value of the Legal Services Building is $29.69 million.

Pursuant to the Lease, the Trustee will lease back to the County the Leased Property, which does not include the Improvements. Policies of title insurance, in an aggregate amount of $110 million, will be in effect upon execution and delivery of the 2013 Certificates, insuring the Trustee’s fee title interest in the Sellable Leased Property and its leasehold interest in the Ground Leased Property.

**The Improvements**

The County intends to use the amounts received from the Trustee from the refinancing of the acquisition of the Leased Property to fund approximately: (i) $60,000,000 of various projects to expand and improve the County’s existing sewer system facilities; (ii) $21,300,000 of various projects for the County’s Fleet Services operations; and (iii) $3,000,000 of various projects of the County’s Facilities Management Department. The County may also use a portion of the funds received for other capital projects. All such capital projects are collectively referred to herein as the “Improvements”. *The Improvements are not and will not ever be part of the Leased Property.*

**Sources of Lease Payments**

Although no specific revenue sources will be pledged to or secure the Certificates, the County anticipates using the following sources for making the Lease Payments which are available for such purpose pursuant to annual appropriation by the Board of Supervisors of the County.

- For Lease Payments associated with $60 million of Improvements for various wastewater related projects, monies from the County’s Wastewater Enterprise Fund.

- For Lease Payments associated with $21.3 million of Improvements for various Fleet Services operations, monies from the County’s Fleet Services Fund, an internal fund of the County comprised of monies deposited to such fund by various departments and agencies of the County for Fleet Services.

- For all other Lease Payments, generally from monies from the County’s General Fund.
See “SOURCE OF PAYMENTS OF THE CERTIFICATES” and “SECURITY FOR THE CERTIFICATES.”

**SOURCES OF PAYMENT OF THE CERTIFICATES**

Under the terms of the Trust Agreement, the 2013 Certificates will be payable on a parity with the 2010 Certificates and any Additional Certificates executed and delivered pursuant to the Trust Agreement, solely from:

1. Lease Payments received by the Trustee from the County under the Lease, subject to termination of the Lease as provided under the Lease,
2. amounts from time to time deposited in the funds created under the Trust Agreement and investment earnings on such funds (except for any investment earnings that are required to be rebated to the United States in order to continue the exclusion of the interest represented by the Certificates from gross income for federal income tax purposes) and
3. any Net Proceeds from insurance coverage or condemnation awards received by the Trustee from the damage, destruction or taking of the Leased Property or portion thereof pursuant to the Lease and the Trust Agreement or from exercise by the Trustee of any remedies under the Lease and the Trust Agreement upon default thereunder. See “SECURITY FOR THE CERTIFICATES” as well as “SUMMARY OF LEGAL DOCUMENTS – LEASE -- Events of Default,” “-- Eminent Domain” and “Insurance” and “SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT -- Events of Default; Acceleration” in Appendix D hereto.

The County will be required under the Lease to make Lease Payments semiannually in amounts sufficient to make interest and principal payments represented by the Certificates on November 15, 2013, and each May 15 and November 15 thereafter. The County’s obligation under the Lease to pay Lease Payments during the term of the Lease will be absolute and unconditional, but subject to (1) the County’s right each year to terminate the Lease as of the end of each Fiscal Period by failing to budget and appropriate the full amount necessary to make all Lease Payments come due in the next Fiscal Period, (2) reduction of Lease Payments in the event of damage, destruction or condemnation of any portion of the Leased Property, and (3) termination of the Lease upon taking of all of the Leased Property by eminent domain, all as described below under “SECURITY FOR THE CERTIFICATES” and under “SUMMARY OF LEGAL DOCUMENTS - LEASE -- Lease of Leased Property” and “-- Lease Payments; Additional Rent; Reduction of Rental” in Appendix D hereto.

IN THE EVENT OF TERMINATION OF OR DEFAULTS UNDER THE LEASE, THERE IS NO ASSURANCE THAT THE TRUSTEE WILL HAVE ADEQUATE FUNDS UNDER THE TRUST AGREEMENT TO PAY INTEREST AND PRINCIPAL REPRESENTED BY THE CERTIFICATES. See “RISK FACTORS - Limitation on Remedies.”

**SECURITY FOR THE CERTIFICATES**

**General**

Each Certificate will evidence an undivided and proportionate interest in Lease Payments under the Lease. The County’s obligations to make Lease Payments and any other obligation under the Lease will be subject to and dependent upon an annual budgeting and appropriation being made by the Board of Supervisors of the County to make such Lease Payments. The term of the Lease will continue through and including December 1, 2022, unless terminated prior thereto. If the Board of Supervisors of the County (the “Board”) does not budget and appropriate funds sufficient to pay Lease Payments in any succeeding Fiscal Period, the Lease will terminate as of the last day of the Fiscal Period for which Lease Payments were made, and the County will be required to vacate and return possession of the Leased Property to the Trustee, all in accordance with and subject to the terms of the Lease and the Trust Agreement. See “SECURITY FOR THE CERTIFICATES - Non-appropriation; Other Termination Events” herein. In that event, the Trustee will be entitled to exercise all available remedies, which could include selling the Sellable Leased Property or re-leasing the Leased Property. See “RISK FACTORS - Limitations on Remedies” below.

The County’s obligation to make Lease Payments will not constitute a debt or liability of the County, the State or any political subdivision thereof within the meaning of any constitutional or statutory limitation. Neither the faith and credit nor the taxing power of the County, the State or any political subdivision thereof will be pledged to pay the principal or interest evidenced by the Certificates. Payments with respect to the
Certificates will be made solely from amounts derived under the terms of the Lease, including the Lease Payments, and available amounts from time to time on deposit under the terms of the Trust Agreement. No funds will be pledged by the County to pay Lease Payments.

Non-appropriation; Other Termination Events

If the County fails to obtain, on or before the third Business Day prior to the last date on which the County is required or permitted to adopt its budget for a Fiscal Period, proper budgeting and final appropriation by the Board of the full amount of funds necessary to make all Lease Payments coming due during the Fiscal Period for which such budgeting and appropriation are made, thereafter, the County will immediately notify the Trustee in writing of that fact. If on the last date on which the County is required or permitted to adopt its budget for a Fiscal Period no such proper budgeting and final appropriation by the Board shall have been made, all of the County’s right, title and interest in and future obligations under the Lease and to all of the Leased Property will terminate (subject to reinstatement as provided below), effective as of the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which sufficient funds were determined to be lawfully available and allocated. In the event the County terminates the Lease, the County will be relieved of any subsequent obligation under the Lease with respect thereto, other than to return to the Trustee possession of all of the Leased Property as provided in the Lease and to pay any accrued and unpaid obligations.

The budget officials of the County have covenanted in the Lease that they will include in the budget presented to the Board sufficient funds for payment of all Lease Payments and Additional Rent when due, provided, however, pursuant to Arizona law, the budgeting and appropriation of money by the Board is a legislative act of the Board and is beyond the control of the budgeting officials of the County.

If the Lease terminates as described above and if within forty-five (45) days after such date of termination amounts described above are determined to be available which would have permitted the Lease to have continued in effect with respect to the Leased Property if such amounts had been determined to be available prior to the termination date, then the Lease will be reinstated with respect thereto and deemed renewed as of the day following the date of such termination.

In the event the County terminates the Lease, the County will have no further obligations under the Lease. Upon termination, the County will be required by the Lease to surrender possession of the Leased Property to the Trustee. Such termination will constitute an Event of Default under the Trust Agreement, if the Lease has not been reinstated, but such termination will not be a default under the Lease. Upon such Event of Default under the Trust Agreement, the Trustee may exercise one or more of the remedies provided in the Trust Agreement, subject to receipt of indemnity satisfactory to it, including an option to sell the Sellable Leased Property or re-lease its interest in the Ground Leased Property, and to apply the proceeds of such disposition, if any, along with the moneys in the Lease Payment Fund established under the Trust Agreement, to the payment of the Certificates. See “SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT -- Event of Default; Acceleration” in Appendix D hereto. However, there is no assurance that net revenues received by the Trustee from any such sale of the Sellable Leased Property or re-lease of the Ground Leased Property would be sufficient to pay in full all Outstanding Certificates. Should such a shortfall occur, the interest and principal represented by the Certificates would be paid by the Trustee to the extent of moneys, if any, held by the Trustee under the Trust Agreement.

Upon an Event of Default under the Trust Agreement, the Trustee will be required to take action to force the County to surrender possession of the Leased Property. However, the exercise by the Trustee of any other subsequent or additional remedies may be affected by the environmental condition of the Leased Property, and the Trustee may decline to exercise such other remedies unless it is indemnified and obtains assurances to its satisfaction that it will not become responsible for environmental liabilities. See “RISK FACTORS - Limitation on Remedies.”

Damage, Taking or Removal of Leased Property

The Leased Property will be required to be insured or self-insured to the extent set forth herein under “SUMMARY OF LEGAL DOCUMENTS - LEASE -- Insurance” in Appendix D hereto, which includes property insurance equal to the full replacement cost of the Leased Property. As permitted under the Lease, the County will
be self-insured for damage or destruction of the Leased Property and other liabilities in amounts required by the Lease.

Under the Lease, the Net Proceeds of any insurance recoveries and proceeds of self-insurance resulting from any damage or destruction of the Leased Property by fire or other casualty must be deposited in the Insurance and Condemnation Fund established under the Trust Agreement. Moneys in the Insurance and Condemnation Fund will be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property by the County, provided, however, that if the County notifies the Trustee within 90 days of such deposit of its determination that the replacement, repair, restoration, modification or improvement of the damaged portion of the Leased Property is not economically feasible or in the best interests of the County, then such Net Proceeds will be promptly transferred by the Trustee to the Lease Payment Fund and applied to effect extraordinary redemption of Outstanding Certificates as follows: in the event of damage or destruction of the Leased Property in full, such Net Proceeds may be transferred to the Lease Payment Fund only if sufficient, together with other moneys available therefor, to cause redemption of all Outstanding Certificates, and in the event of damage or destruction of the Leased Property in part, if such Net Proceeds are sufficient, together with all other funds available therefor to redeem all Outstanding Certificates, such amounts will be applied to the extraordinary redemption, in whole, of all Outstanding Certificates, or if such Net Proceeds, together with such other funds, are not sufficient to redeem all Outstanding Certificates, then the County shall have the option to either use such Net Proceeds to repair the Leased Property or to extraordinarily redeem the Certificates in part. See “THE 2013 CERTIFICATES - Redemption Provisions – Extraordinary Redemption.”

In the event of such partial redemption, the Lease Payments will be reduced to an amount sufficient to pay interest and principal represented by the Certificates Outstanding after such partial redemption.

Under the Lease, the County will waive any right to terminate the Lease because of damage or destruction to the Leased Property, but retains the right to determine annually whether to appropriate Lease Payments for the next Fiscal Period.

If all the Leased Property is taken by eminent domain, the Net Proceeds of the condemnation award will be deposited in the Insurance and Condemnation Fund and used to extraordinarily redeem Certificates to the extent of such Net Proceeds and the Lease shall terminate as of the date possession is taken from the County.

If a part of the Leased Property is taken by eminent domain, or if all of the Leased Property is taken temporarily, then the Lease will continue in effect and the Net Proceeds will be deposited in the Insurance and Condemnation Fund and applied as follows: if the Trustee determines that either (1) such taking does not materially adversely affect the operation of the Leased Property and the Net Proceeds are not needed to replace the Leased Property, or (2) such taking does not materially adversely affect remaining portions of the Leased Property or the ability of the County to meet any of its obligations under the Lease, then the Net Proceeds will be used to extraordinarily redeem Certificates in part; otherwise, such Net Proceeds will be used to replace the taken Leased Property. See “THE 2013 CERTIFICATES - Redemption Provisions – Extraordinary Redemption.”

If there is a partial taking of the Leased Property, the Lease Payments will be reduced to an amount sufficient to pay interest and principal represented by Certificates Outstanding after such partial redemption.

All Net Proceeds deposited in the Insurance and Condemnation Fund and not used to redeem Certificates will be required to be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property by the County. Any balance of the Net Proceeds remaining after such work has been completed will be required to be deposited in the Lease Payment Fund and applied as a credit against the next subsequent Lease Payments.

**Additional Certificates**

Subject to certain conditions provided in the Trust Agreement, the Trustee may execute and deliver, at the direction of the County, Additional Certificates from time to time to provide funds to pay the costs of refunding Outstanding Certificates or to restructure the County’s Lease Payments under the Lease, or to pay the costs of
making any modifications or improvements to the Leased Property or to finance additional property as the County deems necessary or desirable. Such conditions include, but are not limited to, that the Lease remains in effect, that no Event of Default has occurred under the Trust Agreement, that such Additional Certificates do not affect the tax-exempt status of the Outstanding Certificates then bearing tax-exempt interest or result in the reduction or withdrawal of the assigned ratings on the Outstanding Certificates.

**RISK FACTORS**

The purchase of the 2013 Certificates involves certain investment risks that are discussed throughout this Official Statement. Accordingly, each prospective 2013 Certificate purchaser should make an independent evaluation of all the information presented herein. Certain of these investment risks are described below. The list of risks described below is not intended to be definitive or exhaustive and the order in which the following factors are presented is not intended to reflect relative importance of risks. The following factors, along with all other information in this Official Statement, should be considered by potential investors in evaluating the 2013 Certificates.

**Limited Obligation.** The obligation of the County to pay Lease Payments will not be secured by the levy or pledge of any tax or any other funds and will not constitute a debt or indebtedness of the County or the State within the meaning of any constitutional or statutory debt limitation or restriction. See “SECURITY FOR THE CERTIFICATES.” The Lease Payments are payable by the County, subject to annual appropriation by the Board of Supervisors of the County, from monies of the County.

**No Pledge of County Funds.** No funds or revenues of the County will be pledged, obligated or restricted for the payment of the Lease Payments, including, without limitation, the funds and revenues described under “PLAN OF FINANCE - Sources of Lease Payments” and “SOURCES OF PAYMENT OF THE CERTIFICATES.” In addition, the County will have the right to refuse to appropriate funds, and thus terminate the Lease, for any reason including inadequacy of the Leased Property. Were the County to refuse to appropriate funds and thereby terminate the Lease, there will be no assurance that the Trustee would have adequate funds under the Trust Agreement to pay interest and principal represented by the Certificates.

**Other Obligations of County.** The County has existing obligations, including lease-purchase obligations, and has the capacity to enter into other obligations which are payable from amounts in the General Fund or other monies of the County, which is the same source it will use to make Lease Payments. See “PIMA COUNTY, ARIZONA FINANCIAL INFORMATION - Lease, Lease-Purchase and Purchase Agreements” and “- Certificates of Participation” in Appendix B. To the extent that the County’s current or future obligations are paid from the General Fund or other County monies, the funds available to make Lease Payments may be decreased. The Lease will not impose any restrictions upon the ability of the County to incur additional obligations.

**Termination of Lease.** In addition to termination of the Lease upon non-appropriation of funds as described under the heading “SECURITY FOR THE CERTIFICATES - Non-appropriation; Other Termination Events”, several other events may lead to a termination of the Lease:

1. an Event of Default on the part of the County and an election by the Trustee to terminate the Lease as described under the heading “SUMMARY OF LEGAL DOCUMENTS – LEASE - Events of Default” in Appendix D hereto;

2. the taking of all of the Leased Property under the power of eminent domain, described below; and

3. violation of certain State statutes pertaining to conflicts of interest, described below.

If an Event of Default under the Lease occurs, the Trustee may terminate the Lease and sell or relet the Leased Property. The Net Proceeds from the sale of the Sellable Leased Property or re-leasing of the Ground Leased Property, together with other monies then held by the Trustee under the Trust Agreement, will be required to be used under the Trust Agreement to pay principal and interest represented by the Certificates as it becomes due,
to the extent of such moneys. No assurance can be given that the amount of such funds would be sufficient to pay all the Certificates when due.

In the event that the Leased Property has been taken in whole pursuant to eminent domain proceedings, all Net Proceeds, together with funds, if any, then on hand in funds held by the Trustee will be applied to the extraordinary redemption of the Certificates and the Lease shall terminate on the date possession is taken from the County. No assurance can be given that the Net Proceeds of eminent domain and other moneys available under the Trust Agreement will be sufficient to redeem all of the Outstanding Certificates.

As required by the provisions of Arizona Revised Statutes Section 38-511, the County may, within three years after its execution, cancel any contract (including the Financing Documents), without penalty or further obligation, made by the County if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Financing Documents on behalf of the County (a “County Representative”) is, at any time while the Financing Documents or any extension thereof are in effect, an employee of any other party to the Financing Documents in any capacity or a consultant to any other party of the Financing Documents with respect to the subject matter thereof. The cancellation shall be effective when written notice from the Board of Supervisors of the County is received by all other parties to the Financing Documents unless the notice specifies a later time. The Trustee will agree in the Lease not to employ as an employee or an agent, or with respect to the subject matter of the Financing Documents, as a consultant any County Representative within three years from execution of the Financing Documents unless a waiver of Section 38-511 is provided by the Board of Supervisors of the County.

Squire Sanders (US) LLP, Special Counsel with respect to the execution and delivery of the 2013 Certificates (“Special Counsel”), will not render an opinion with respect to the tax-exempt status of payments made to Owners of the 2013 Certificates from sources made available by the County as a result of the termination of the Lease for any reason (including termination upon nonappropriation of funds by the County). If the Lease is terminated while 2013 Certificates are Outstanding, there will be no assurance that after such termination, payments made to Owners (from sources other than funds made available by the County) with respect to interest will be excludable from gross income of the Owners thereof for federal or Arizona income tax purposes.

In addition, neither Special Counsel nor counsel to the Underwriter will render an opinion as to the applicability or inapplicability of the registration requirements of the Securities Act of 1933, as amended, to the transfer of any 2013 Certificates in the event payments are received from sources made available by the County as a result of termination of the Lease for any reason. If the Lease is terminated while the 2013 Certificates are Outstanding, there will be no assurance that after such termination 2013 Certificates may be transferred by a 2013 Certificate Owner without compliance with the registration provisions of the Securities Act of 1933, as amended, or that an exemption from such registration is available.

Limitations on Remedies. Due to the specialized configuration of the Leased Property and the limited number of potential users of the Leased Property, no assurance can be given that the proceeds from any sale of the Sellable Leased Property or re-leasing of the Ground Leased Property will be sufficient to pay in full the 2013 Certificates. The enforcement of any remedies provided in the Lease and the Trust Agreement could prove both expensive and time consuming. In addition, the enforceability of the Lease and the Trust Agreement is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors’ rights generally and liens securing such rights, and the police powers of the State and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly. Any delays in the ability of the Trustee to obtain possession of the Leased Property upon termination of the Lease or exercise of remedies upon default by the County may result in delays in payment of the Certificates.

Although the Lease and the Trust Agreement provide that the Trustee may take possession of the Leased Property and sell the Sellable Leased Property or re-lease the Ground Leased Property if there is a default by the County thereunder or if the County terminates the Lease, and the Lease provides that the Trustee may have such rights of access to the Leased Property as may be necessary to exercise any remedies, no assurance can be given that revenues from the Trustee’s sale or reletting of the Leased Property would be sufficient to pay in full all Outstanding Certificates.
Upon the termination of the Lease or if the County defaults in its obligation to make Lease Payments thereunder, the Trustee will be required to take action to force the County to surrender possession of the Leased Property. However, under the terms of the Trust Agreement, the Trustee will not be under any obligation to take any other action if the Trustee determines that to do so exposes the Trustee to a risk of financial liability (including environmental liability) for which it reasonably believes it is not adequately indemnified. Prior to taking other actions under the Trust Agreement, the Trustee may request assurances, such as an additional environmental audit, that it will not incur liability by reason of any other action taken by the Trustee pursuant to the Trust Agreement.

LITIGATION

To the knowledge of appropriate representatives of the County, no litigation or administrative action or proceeding is pending or threatened to restrain or enjoin, or seeking to restrain or enjoin: the issuance or delivery of the 2013 Certificates, the Trust Agreement, or the Lease, or in any way contesting or affecting any authority for the execution and delivery of the 2013 Certificates, or the validity of the 2013 Certificates, the proceeds from the execution and delivery thereof or any agreements entered into in connection therewith, or in any way contesting the existence or powers of the County with regard to the 2013 Certificates, the Trust Agreement, or the Lease or any agreement, document, duty or covenant pertaining thereto.

The County has been cooperating fully with the U.S. Office of the Inspector General (“OIG”) and the Inspector General of the Arizona Health Care Cost Containment System (“AHCCCS”), Arizona’s Medicaid agency, since discovering that the County improperly billed AHCCCS for administration fees on vaccinations for a period of time beginning in 2005. The improper billing, which was inadvertent, ceased as soon as it was discovered, and the County has been accepted into OIG’s Self-Disclosure Protocol program (SDP). Nevertheless, it is anticipated that the County will be required to pay some amount of civil penalties and damages under the state and federal false

* Preliminary, subject to change.
claims acts (31 U.S.C §§ 3729-3733 and A.R.S. § 36-2918). Federal and state authorities have not yet determined the amount of the penalty. It is anticipated that successful completion under the SDP will significantly mitigate the amount of penalties assessed against the County and, in the opinion of County management, that such penalties will not be material to the County.

The County has been named as a defendant in several other lawsuits for which appropriate representatives of the County believe either that the County has adequate self-insurance or insurance coverage in the event of liability or that such liability would not otherwise materially and adversely affect the financial condition of the County.

**LEGAL MATTERS**

The 2013 Certificates will be sold with the understanding that the County will furnish the Underwriter with an approving opinion of Squire Sanders (US) LLP, Special Counsel. A form of such opinion is included in Appendix E hereto. Said attorneys have been retained by the County as Special Counsel and in such capacity will render their opinion only upon the legality of the 2013 Certificates under Arizona law and on the exclusion of the interest portion related to the 2013 Certificates from gross income for purposes of calculating federal income taxes and of the exemption of that interest portion from State of Arizona income taxes. (See “TAX MATTERS” herein.)

Fees of Special Counsel will be paid from 2013 Certificate proceeds.

Certain legal matters will be passed upon solely for the benefit of the Underwriter by Greenberg Traurig, LLP.

**TAX MATTERS**

**General**

In the opinion of Squire Sanders (US) LLP, Special Counsel, under existing law: (i) the portion of each Lease Payment made by the County pursuant to the Lease and denominated as and comprised of interest pursuant to the Lease (the “Interest Portion”) received by the Owners is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; and (ii) the Interest Portion is exempt from Arizona state income tax. Under certain circumstances, interest paid for periods following termination of the Lease by nonappropriation may not be excludable from gross income for federal income tax purposes. Special Counsel expresses no opinion on the federal income tax or Arizona state income tax treatment of amounts paid to Owners in the event of termination of the Lease by nonappropriation or as to any other tax consequences regarding the 2013 Certificates. See also “SECURITY FOR THE CERTIFICATES – Non-appropriation; Other Termination Events”.

The opinion on tax matters will be based on and will assume the accuracy of certain representations and certifications, and continuing compliance with certain covenants, of the County contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Interest Portion is and will remain excluded from gross income for federal income tax purposes. Special Counsel will not independently verify the accuracy of the County’s certifications and representations or the continuing compliance with the County’s covenants.

The opinion of Special Counsel is based on current legal authority and covers certain matters not directly addressed by such authority. It represents Special Counsel’s legal judgment as to exclusion of the Interest Portion from gross income for federal income tax purposes but is not a guaranty of that conclusion. The opinion is not binding on the Internal Revenue Service (“IRS”) or any court. Special Counsel expresses no opinion about (i) the effect of future changes in the Code and the applicable regulations under the Code or (ii) the interpretation and the enforcement of the Code or those regulations by the IRS.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excluded from gross income for federal income tax purposes, some of
which require future or continued compliance after issuance of the obligations. Noncompliance with these requirements by the County may cause loss of such status and result in the Interest Portion being included in gross income for federal income tax purposes retroactively to the date of execution and delivery of the 2013 Certificates. The County has covenanted to take the actions required of it for the Interest Portion to be and to remain excluded from gross income for federal income tax purposes, and not to take any actions that would adversely affect that exclusion. Notwithstanding the previous sentence, in the event of termination of the Lease by nonappropriation, use of the Leased Property in a manner that would cause the Lease, if such Leased Property had originally been used in such manner, to constitute a “private activity bond” under Section 141 of the Code may prompt the IRS to take the position that the Interest Portion is not excluded from gross income for federal income tax purposes, retroactive to the date of execution and delivery of the 2013 Certificates. After the date of execution and delivery of the 2013 Certificates, Special Counsel will not undertake to determine (or to so inform any person) whether any actions taken or not taken, or any events occurring or not occurring, or any other matters coming to Special Counsel’s attention, may adversely affect the exclusion from gross income for federal income tax purposes of the Interest Portion or the market value of the 2013 Certificates.

A portion of the Interest Portion earned by certain corporations may be subject to a federal corporate alternative minimum tax. In addition, the Interest Portion may be subject to a federal branch profits tax imposed on certain foreign corporations doing business in the United States and to a federal tax imposed on excess net passive income of certain S corporations. Under the Code, the exclusion of interest from gross income for federal income tax purposes may have certain adverse federal income tax consequences on items of income, deduction or credit for certain taxpayers, including financial institutions, certain insurance companies, recipients of Social Security and Railroad Retirement benefits, those that are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations, and individuals otherwise eligible for the earned income tax credit. The applicability and extent of these and other tax consequences will depend upon the particular tax status or other tax items of the owner of the 2013 Certificates. Special Counsel will express no opinion regarding those consequences.

Payments of interest on tax-exempt obligations, including the 2013 Certificates, are generally subject to IRS Form 1099-INT information reporting requirements. If an owner of a 2013 Certificates is subject to backup withholding under those requirements, then payments of interest will also be subject to backup withholding. Those requirements do not affect the exclusion of such interest from gross income for federal income tax purposes.

Special Counsel’s engagement with respect to the 2013 Certificates ends with the execution and delivery of the 2013 Certificates, and, unless separately engaged, Special Counsel is not obligated to defend the County or the owners of the 2013 Certificates regarding the tax status of the Interest Portion in the event of an audit examination by the IRS. The IRS has a program to audit tax-exempt obligations to determine whether the interest thereon is includible in gross income for federal income tax purposes. If the IRS does audit the 2013 Certificates, under current IRS procedures, the IRS will treat the County as the taxpayer and the beneficial owners of the 2013 Certificates will have only limited rights, if any, to obtain and participate in judicial review of such audit. Any action of the IRS, including but not limited to selection of the 2013 Certificates for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the market value of the 2013 Certificates.

Prospective purchasers of the 2013 Certificates upon their original issuance at prices other than the respective prices indicated on the inside cover of this Official Statement, and prospective purchasers of the 2013 Certificates at other than their original issuance, should also consult their own tax advisers regarding other tax considerations such as the consequences of market discount, as to all of which Special Counsel expresses no opinion.

**Risk of Future Legislative Changes and/or Court Decisions**

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and may also be considered by the State legislature. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the 2013 Certificates. There can be no assurance that legislation enacted or proposed, or actions by a court, after the date of execution and delivery of the 2013 Certificates will not have an adverse effect on the tax status of the Interest Portion or the market value or marketability of the 2013 Certificates. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the
structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in the benefit) of the exclusion of the Interest Portion from gross income for federal or state income tax purposes for all or certain taxpayers.

For example, recent presidential and legislative proposals would eliminate, reduce or otherwise alter the tax benefits currently provided to certain owners of state and local government bonds, including proposals that would result in additional federal income tax on taxpayers that own tax-exempt obligations if their incomes exceed certain thresholds. Investors in the 2013 Certificates should be aware that any such future legislative actions (including federal income tax reform) may retroactively change the treatment of the Interest Portion for federal and state income tax purposes for all or certain taxpayers. In such event, the market value of the 2013 Certificates may be adversely affected and the ability of holders to sell their 2013 Certificates in the secondary market may be reduced. The 2013 Certificates are not subject to special mandatory redemption, and the interest rates on the 2013 Certificates are not subject to adjustment in the event of any such change.

Investors should consult their own financial and tax advisers to analyze the importance of these risks.

**Original Issue Discount and Original Issue Premium**

Certain of the 2013 Certificates (“Discount Certificates”) as indicated on the cover of this Official Statement were offered and sold to the public at an original issue discount (“OID”). OID is the excess of the stated redemption price at maturity (the principal amount) over the “issue price” of a Discount Certificate. The issue price of a Discount Certificate is the initial offering price to the public (other than to bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of the Discount Certificates of the same maturity is sold pursuant to that offering. For federal income tax purposes, OID accrues to the owner of a Discount Certificate over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Certificate (i) is interest excluded from the owner’s gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest represented by the 2013 Certificates, and (ii) is added to the owner’s tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Certificate. The amount of OID that accrues each year to a corporate owner of a Discount Certificate is taken into account in computing the corporation’s liability for federal alternative minimum tax. A purchaser of a Discount Certificate in the initial public offering at the price for that Discount Certificate stated on the cover of this Official Statement who holds that Discount Certificate to maturity will realize no gain or loss upon the retirement of that Discount Certificate.

Certain of the 2013 Certificates (“Premium Certificates”) as indicated on the cover of this Official Statement were offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity. That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Certificate, based on the yield to maturity of that Premium Certificate (or, in the case of a Premium Certificate callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Certificate), compounded semiannually. No portion of that bond premium is deductible by the owner of a Premium Certificate. For purposes of determining the owner’s gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Certificate, the owner’s tax basis in the Premium Certificate is reduced by the amount of bond premium that is amortized during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Certificate for an amount equal to or less than the amount paid by the owner for that Premium Certificate. A purchaser of a Premium Certificate in the initial public offering at the price for that Premium Certificate stated on the cover of this Official Statement who holds that Premium Certificate to maturity (or, in the case of a callable Premium Certificate, to its earlier call date that results in the lowest yield on that Premium Certificate) will realize no gain or loss upon the retirement of that Premium Certificate.

Owners of Discount Certificates and Premium Certificates should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable or amortizable in any period with respect to the Discount Certificates or Premium Certificates and as to other federal
tax consequences and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

RATINGS

Fitch Ratings (“Fitch”) and Standard & Poor’s Financial Services LLC (“S&P”) will assign the 2013 Certificates ratings of “AA-” and “A+”, respectively. Such ratings reflect only the views of Fitch and S&P, and any desired explanation of the significance of these ratings should be obtained from the rating agency furnishing the same, at the following addresses: Fitch at One State Street Plaza, New York, New York 10004 and S&P at 55 Water Street, 36th Floor, New York, New York 10041. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. The respective ratings may subsequently be revised downward or withdrawn entirely by Fitch and S&P, respectively, if in their respective judgment, circumstances to warrant. Any subsequent downward revision or withdrawal of such ratings may have an adverse effect on the market price and marketability of the 2013 Certificates.

CONTINUING SECONDARY MARKET DISCLOSURE

The County has covenanted for the benefit of holders of the 2013 Certificates to provide certain financial information and operating data relating to the County by not later than February 1 in each year commencing February 1, 2014 (the “Annual Reports”), and to provide notices of the occurrence of certain enumerated events, if material (the “Notices”). The Annual Reports and Notices will be filed with the Municipal Securities Rulemaking Board (the “MSRB”) through the MSRB’s Electronic Municipal Market Access system as described in Appendix F - “CONTINUING DISCLOSURE UNDERTAKING.” The specific nature of the information to be contained in the Annual Reports and the Notices is set forth in Appendix F - “CONTINUING DISCLOSURE UNDERTAKING.”

These covenants have been made in order to assist the underwriters of the 2013 Certificates in complying with S.E.C. Rule 15c2-12(b)(5) (the “Rule”). Pursuant to Arizona law, the ability of the County to provide information pursuant to such covenants is subject to annual appropriation to, among other things, cover the costs of preparing and mailing the Annual Reports and the Notices to the MSRB. A failure by the County to comply with these covenants must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the 2013 Certificates in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the 2013 Certificates and their market price.

The County has complied with all existing continuing disclosure undertakings relating to the County for the last five years in all material respects.

UNDERWRITING

The 2013 Certificates will be purchased by the Underwriter, at an aggregate purchase price of $____________ (“Purchase Price”), pursuant to a certificate purchase contract (the “Certificate Purchase Agreement”) entered into by the County, the Trustee and the Underwriter. If the 2013 Certificates are sold to produce the yields shown on the inside front cover, the Underwriter’s compensation will be $__________. The Certificate Purchase Agreement will provide that the Underwriter will purchase all of the 2013 Certificates so offered if any are purchased. The Underwriter may offer and sell the 2013 Certificates to certain dealers (including dealers depositing 2013 Certificates into unit investment trusts) and others at yields lower than the public offering prices stated on the inside front cover page hereof. The initial offering yields set forth on the inside front cover page may be changed, from time to time, by the Underwriter.

FINANCIAL STATEMENTS

The financial statements of the County as of June 30, 2012, and for its fiscal year then ended, which are included as Appendix C of this Official Statement, have been audited by the Auditor General of the State of Arizona, as stated in their opinion which appears in Appendix C. The County neither requested nor obtained the
consent of the Auditor General to include their report and the Auditor General has performed no procedures subsequent to rendering their opinion on the financial statements. The audited financial statements in Appendix C do not cover the most recent fiscal year and, therefore, may not represent the current financial condition of the County.

Organization

The County is governed by a five-member Board, each member of which is elected for a four-year term to represent one of the designated districts within the County. The chairman is selected by the Board from among its members. The Board is responsible for establishing the policies of the various County departments and approving the annual budgets of these departments. The Board appoints a County Administrator who is responsible for the general administration and overall operations of the various departments of the County.

Mr. Charles H. Huckelberry was appointed County Administrator in December 1993. From 1987 to 1993, Mr. Huckelberry served as an Assistant County Manager with responsibility for the administration of public works. He served as the Director of Pima County's Department of Transportation and the Flood Control District (the “District”) from 1979 to 1987; as Deputy Director of the Wastewater Department from 1976 to 1979; and as the Wastewater Department's Manager of Field Engineering from 1974 to 1976. He was self employed as a civil engineering and land surveying consultant for one year. From 1972 to 1973, Mr. Huckelberry was employed as a Research and Development Engineer for the Shell Oil Company. He holds both a Bachelor of Science Degree in Mining Engineering and a Master of Science Degree in Civil Engineering from The University of Arizona and is a registered professional engineer and land surveyor as well as a member of numerous professional organizations.

Mr. Thomas Burke was appointed Finance and Risk Management Director in January 2005 and had served as Deputy Director of Finance from May 2004. Prior to his move to Finance, Mr. Burke served as Deputy Director of Pima County's Department of Natural Resources, Parks and Recreation from 2003 to 2004. From 2000 to 2003, he was a Deputy County Attorney representing various Pima County departments including the County Assessor, County Treasurer and Public Works departments. From 1989 to 1998, Mr. Burke served as the Manager of Pima
County’s Real Property Services and from 1994 to 1998 also served as the County’s Superintendent of Streets overseeing special taxing districts. During 1998 to 2000, he was a partner in an Arizona law firm representing local governments. Prior to his work with Pima County, Mr. Burke was an attorney with a Tucson law firm from 1983 to 1989 and was a Certified Public Accountant with Ernst & Whinney from 1976 to 1980. Mr. Burke holds a Bachelor of Science in Business Administration with a major in Accounting and a Juris Doctor, both from The University of Arizona, and is licensed as an attorney in the State of Arizona.

Transportation

Tucson is the economic and transportation center of the County, as well as southern Arizona. Tucson is traversed by Interstates 10 and 19, as well as State Highways 77, 83, 85 and 86. Interstate 10 passes through Tucson and connects Tucson with the City of Phoenix, Arizona, to the north and Los Angeles, California, to the west and New Mexico and Texas to the east. Interstate 19 provides access to the City of Nogales, Arizona and Mexico to the south, while U.S. Highway 86 connects with a direct route to the Gulf of California vacation areas. The main line of the Union Pacific Railroad extends across Tucson to the eastern portion of the County. Tucson International Airport, located approximately 20 minutes from Tucson's downtown business area, provides local, regional, national and international air service through several airlines. The airport has an 11,000-ft. lighted, paved primary runway, a 9,100-ft. paved secondary runway and a 7,000-ft paved runway, all of which can accommodate all major types of carriers. The County is also served by Greyhound bus lines and Amtrak.

Economy

The economy of the County is based largely on a variety of service industries, trade, and government employment. Figures from the Arizona Department of Administration, Office of Employment and Population Statistics indicate that 360,900 persons were employed, on average (not including the agricultural industry), in the County in 2012. The following table presents the County’s average annual total employment by industry for the periods indicated. During the recent recession, employment decreased in the County from 2008 through 2010, but has shown signs of stabilizing and growth in 2011 and 2012, as reflected in the information shown below.

The average unemployment rate for the County in 2012 was 7.3%. The average annual unemployment rates for 2011 and 2010 were 8.4% and 9.4%, respectively. The table below shows comparative unemployment rates for the County, the State and the United States for the periods indicated. As reflected for the United States as a whole, the unemployment rate for Arizona and for the County saw significant increases in 2009 and 2010 but decreased in 2011 and 2012.

Non-Governmental Employment

From 2008 through 2010, average employment figures across all categories with the exception of financial activities and education and health services showed declines in employment. During that time, average non-governmental employment in the County fell by approximately 26,000 jobs, or approximately 8.6%. In 2011 and 2012, employment figures for all categories showed signs of either growth or stabilization, with overall employment up 1.9%, in comparison to the 2010 figures.

The average annual employment in service-providing categories in 2012 was 243,200. It is anticipated that as the County continues to grow in population and economic activity, service-providing employment will continue to provide the primary source of jobs in the County. As detailed in TABLE 2, employment in the Education and Health Services and Trade, Transportation and Utilities have been the primary areas of employment in the service-providing industry.

Government

Government employment plays an important role in the County with Federal, State and local government employees averaging approximately 78,000 in 2012. The State and Davis-Monthan Air Force Base are significant contributors to government employment in the County. (See “Southern Arizona - Major Employers” listed in TABLE 4.) Davis-Monthan Air Force Base is a major training ground for active duty members on the A-10 “Warthog” aircraft. The facility is also responsible for the education of tactical missile crews. Its storage capacity of 2,500 aircraft is the largest in the world. In the past, Davis-Monthan Air Force Base reportedly has been included on lists of installations considered for closure or realignment by the Defense Base Closure and Realignment Commission. There can be no assurances that Davis-Monthan Air Force Base will not be included on similar lists in the future. Any such closure or realignment would most likely be subject to review and approval by, among others, the Department of Defense and the President of the United States and would have a negative but unquantifiable effect on the County.

Manufacturing

The manufacturing sector in the County continues to be dominated by the high technology industries of aerospace and electronics. Raytheon Missile Systems, the largest manufacturing company and largest employer in the County, is a major supplier of advanced munitions. Civilian aviation products and services are provided by Bombardier, which has an aircraft maintenance facility in Tucson, and Universal Avionics Systems Corp., which builds and installs advanced instrumentation, communication and navigation systems for civil aircrafts. Texas Instruments manufactures electronic circuitry and data storage devices. Ventana Medical Systems provides computerized medical laboratory equipment.

Average annual employment in the manufacturing sector within the County in 2012 was 23,300, representing 6.5% of the County’s total wage and salary employment base. Manufacturing employment in the County has decreased each year since 2008, but has shown signs of stabilization in 2012. Since 2008, average manufacturing employment fell by approximately 3,900 jobs, or approximately 14.3%.

* Estimated

The County’s proximity to Mexico makes twin plant “maquiladora” operations practical. Components are manufactured in Tucson and transported duty-free to Nogales, Sonora, Mexico, 65 miles south of Tucson, for assembly. Among the companies operating “twin plants” in Tucson and Nogales are General Electric, Samsonite, Motorola, Acco, Moen Faucets and Masterlock. These manufacturers contribute to the County’s economy in many ways including the support of numerous suppliers and peripheral industries. The proximity of the Mexican border is more significant to manufacturing concerns given the existence of the North American Free Trade Agreement between Canada, the United States and Mexico. However, the uncertainty of the U.S. and Mexican economies may negatively impact the employment of the previously described manufacturing concerns.

**Tourism**

Tourism is an important economic mainstay in the County and the Tucson area. The County’s climate, historical and cultural sites, location and proximity to vacation areas in California, Mexico, and other Southwest destinations attract vacationers, conventioneers and other visitors. The Metropolitan Tucson Convention and Visitors Bureau estimated that 688 convention bookings with 222,102 convention delegates visited the Tucson area in fiscal year 2011-12, the most recent data available. In the Tucson area, the Bureau estimated that there were approximately 197 hotels and resorts with 16,727 rooms. Points of interest, recreational sites and sight-seeing attractions include the Arizona-Sonora Desert Museum, Kitt Peak National Observatory, Pima Air and Space Museum, Titan Missile Museum, Saguaro National Park, Mission San Xavier del Bac, Mount Lemmon, Sabino Canyon, Biosphere 2, and numerous resorts and golf courses.

According to the Arizona Hospitality Research & Resource Center, tourists in the County spent $1.37 billion in calendar year 2011, a slight increase from tourism-related expenditures in calendar year 2010. In calendar year 2012, tourists in the County spent approximately $1.44 billion, an increase of 5.33% from the prior year.

The figures in the following table include the estimated tourist portion of amusement, bar and restaurant, hotel and motel, and retail gross sales. Shown below are tourist dollars expended in the County and State economies for 2008 through 2012.

Education

The University of Arizona (the “University”) provides approximately 10,681 jobs to the area and is an important link to the economic growth of the County. Its presence as a research university has assisted in attracting new business enterprises over the years. The academic organization of the University is comprised of twelve undergraduate colleges, four graduate and professional colleges and a number of interdisciplinary programs. Enrollment figures for the fall semester of 2012 were estimated at 40,223 undergraduate and graduate full-time students. This enrollment includes students in continuing education programs, interns and residents, post-doctoral programs and on-campus non-credit students.

Pima County Community College offers two-year programs in vocational and technical education. Total student enrollment for Pima County Community College for 2011-12 was 59,303 students.

Wholesale and Retail Trade

Wholesale and retail trade includes restaurants, hotels, taverns, service stations, automobile repair shops, shopping malls and wholesale dealers. The largest individual employers in the retail sector (companies with more than 1,000 employees) are Wal-Mart Stores, Fry’s Food and Drug Stores, Bashas’ Inc., Walgreen Co., Safeway Stores Inc., Home Depot, Albertsons-Osco and Crosstown Traders.

The retail sales figures set forth below are based on the sales tax collections within the County excluding penalties, late charges and nontaxable items. The sales tax rate levied by the State on retail sales within the County is 5.6% (not including a temporary 1.0% tax). In addition, cities and towns within the County generally levy a 2% to 4% sales tax. The County Regional Transportation Authority levies a county-wide 0.5% sales tax.

The following table sets forth retail sales figures in the County for the periods indicated. After many years of continued growth, retail sales in the County decreased by 7.14% in calendar year 2008 and by an additional 9.86% in calendar year 2009. While continuing to decrease in calendar year 2010, the rate of decline slowed to 2.20% and in calendar year 2011, retail sales in the County increased by 7.8% from the prior year. As indicated by the following table, retail sales increased by 5.6% in 2012.

The Federal Deposit Insurance Corporation (FDIC) collects deposit balances for commercial and savings banks as of June 30 of each year. The following table illustrates the summary of bank deposits of all FDIC-insured institutions within the County for the past five fiscal years. As of June 30, 2012, there were 18 institutions with 193 offices in the County, with a deposit balance of approximately $12.152 billion.

Mining

According to the Arizona Mining Association, Arizona leads the nation in copper production, accounting for approximately 63% of the total U.S. mine production. However, the cyclical nature of this industry has caused consolidation of its resources to improve production. In the early 1980's, the Arizona copper industry's direct economic impact on the Arizona economy regularly exceeded $1.0 billion, peaking in 1981 at approximately $1.612 billion when the industry employed roughly 25,000 persons. Since that time, employment in this sector has significantly decreased, with employment in the mining industry within the County being approximately 2,100 in 2012.

Agriculture

Agriculture plays a less significant role in the economy of the County as a whole, but a small portion of the County relies on agriculture as its leading economic source. Principal crops harvested are cotton, wheat and hay, as well as vegetables. The following table sets forth the total cash receipts for all crops and livestock products in the County for the most recent five years for which reports are available.

Introduction

The fiscal year for the County is from July 1 through June 30. The County’s budget process is an ongoing function. Each fiscal year’s process starts with the issuance in December of guidelines to all departments within which budgets must be developed. Department budget requests are submitted in February. A review process then takes place culminating with the County Administrator’s submission of a proposed budget to the Board in time for budget hearings in mid-June. State statutes require that a tentative budget be adopted by the Board no later than the third Monday in July. At the time the final budget is adopted, which can be no later than the first Monday in August of each year, the Board holds a public hearing and meeting to determine the tax levy needed to support the budget. Taxes are then assessed and levied no later than the third Monday in August.

Expenditure Limitation

Beginning in fiscal year 1981-82, the County became subject to an annual expenditure limitation which is set by the Arizona Economic Estimates Commission. This limitation is based on the County’s annual expenditures for fiscal year 1979-80, with this base adjusted to reflect interim population, cost of living and boundary changes. Certain expenditures are specifically exempt from the limit, including expenditures made from federal funds and bond sale proceeds, as well as debt service payments. The limitations can be exceeded for certain emergency expenditures or if approved by the voters. The Constitution provisions which relate to the expenditure limitation provide three processes to exceed the spending limit: a permanent base adjustment, a one-time override, and a capital project accumulation.

The County’s expenditure limitation for the 2012-13 fiscal year was $516,422,727. The County’s expenditures for the 2012-13 fiscal year are anticipated to be under the limit. The County’s 2013-14 fiscal year expenditure limitation is $527,442,812, and the County anticipates that its expenditures for such year will be under the limit.

Ad Valorem Taxes

At the general election held November 6, 2012, the voters of the State ratified Senate Concurrent Resolution 1025, which amends a provision of the Arizona Constitution relating to the State’s property tax system. Beginning in tax year 2015 (for operations beginning in the County’s fiscal year 2015-16), and for tax years thereafter, the constitutional amendment will limit the value of real property and improvements, including mobile homes, used for all ad valorem tax purposes (both primary and secondary tax purposes) to the lesser of the full cash value of the property or an amount five percent greater than the taxable value of property determined for the prior year. The foregoing limitation does not apply to (1) equalization orders that the Arizona Legislature exempts from such limitation; (2) property used in the business of patented or unpatented producing mines, mills and smelters; (3) producing oil, gas and geothermal interests; (4) real property and improvements used for operation of telephone, telegraph, gas, water and electric utilities; (5) aircraft that is regularly scheduled and operated by an aircraft company; (6) standing timber; (7) pipelines; and (8) personal property, except mobile homes.

The information which follows under the heading “Ad Valorem Taxes” summarizes the assessment, levy and collection process as it currently exists. It is expected that numerous statutory changes will be required in order to implement this voter-approved constitutional amendment. It is uncertain when or if such additional changes will be made and what form such changes will take if enacted.
General

Arizona (the “State” or “Arizona”) property taxes are divided into two systems, primary and secondary. Secondary property taxes are those taxes imposed for payment of bonded indebtedness, for exceeding a budget, expenditure or tax limitation pursuant to voter approval and for operating and maintaining certain special districts. Primary property taxes are all ad valorem taxes other than secondary property taxes.

Under the primary system, the full cash value of locally-assessed real property (consisting primarily of residential, commercial, industrial, agricultural and unimproved property) cannot increase by more than 10% per year, except under certain circumstances. This limitation does not apply to mines, utilities and railroads which are assessed by the State. Annual tax levies under the primary system are based on the nature of the property taxed and the taxing authority. Primary taxes levied on residential property only are limited to 1% of the limited full cash value of such property. In addition, primary taxes levied on all types of property by counties, cities, towns and community college districts are limited to a maximum increase of 2% over the prior year's levy plus any amount directly attributable to new construction and annexation. The 2% limitation does not apply to primary taxes levied for local school districts. The County does not currently levy its primary tax to the maximum allowed under the law.

Secondary assessed valuation represents the value used in determining property tax levies for the payment of principal and interest on bonds, school district voter-approved budget overrides and special district taxes and the calculation of maximum bonded indebtedness allowed under the State’s Constitutional debt limit. See “Debt Limitation” herein. Under the secondary system, there is no limitation on annual increases in full cash value of any property. In addition, annual tax levies for voter-approved bonded indebtedness, overrides and special district taxes are unlimited.

Arizona law provides for a property valuation “freeze” for certain residential property owners sixty-five years of age and older. Owners of residential property may obtain such freeze against valuation increases (the “Property Valuation Protection Option”) if the owner’s total income from all sources does not exceed 400% (500% for two or more owners of the same property) of the “Social Security Income Benefit Rate.” The Property Valuation Protection Option must be renewed every three years. If the property is sold to a person who does not qualify, the valuation reverts to its current full cash value. Any freeze on increases in full cash value will translate to the secondary assessed value of the affected property as hereinafter described.

Additionally, all property, both real and personal, is assigned a classification to determine its assessed valuation for tax purposes. Each legal classification is defined by property use and has an assessment ratio (a percentage factor) which is multiplied by the limited or full cash values of the property to obtain the assessed valuations.

Tax Procedures

The tax year in Arizona is defined as the calendar year, although tax procedures begin prior to January 1 of each tax year and continue through May of the succeeding calendar year. The first step in the tax process, for taxing entities other than certain special districts, is the determination of the full cash value of each individually-owned parcel of land within the State. Property valuations are established on most property by the individual county assessors, with the State Department of Revenue determining the valuation of centrally assessed properties such as gas, water and electrical utilities, railroads, mines and pipelines. The appropriate property classification assessment ratio is then applied to the full cash value to determine the assessed valuation for such parcel. The assessment ratios utilized over the five-year period 2009 through 2013 for each class of property are set forth below.

(a) Additional classes of property exist, but seldom amount to a significant portion of a governmental entity’s total valuation.

(b) For each of the tax years 2011, 2012 and 2013, full cash values up to $67,268, $68,079 and $133,868, respectively, on commercial, industrial and agricultural personal property are exempt from taxation. This exemption is indexed annually for inflation. Any portion of the full cash value in excess of that amount will be assessed at the applicable rate. Effective January 1, 2011, the assessment ratio for mining, utilities, commercial and industrial property was reduced by one percentage point annually, resulting in an assessment ratio of 20.0% thereafter. The assessment ratio for mining, utilities, commercial and industrial property will be reduced to 19.5% for tax year 2013 and further reduced one-half of one percent for each year to 18.0% for 2016 and thereafter. The assessment ratio for agricultural and vacant property will be reduced to 15.0% for tax year 2016 and thereafter.

(c) This percentage is determined annually to be equal to the ratio of (i) the total assessed valuation of all mining, utility, commercial, industrial, and military reuse zone properties, agricultural personal property and certain leasehold personal property to (ii) the total full cash (market) value of such properties.

Source: State and County Abstract of the Assessment Roll, Arizona Department of Revenue.

From time to time, bills have been introduced in the Arizona Legislature to reduce the property tax assessment ratios on various classes of property and such bills may be introduced in the current or future legislative sessions. The County cannot determine whether any such measures will become law or how they might affect property tax collections for the County.

### Delinquent Tax Procedures

The property taxes due to the County are billed, along with State and other taxes, ordinarily in September of the calendar tax year and are due and payable in two installments on October 1 and March 1 and become delinquent on November 1 and May 1. Delinquent taxes are subject to an interest penalty of 16% per annum prorated monthly as of the first day of the month unless the full year's taxes are paid by December 31. After the close of the tax collection period, the County Treasurer prepares a delinquent property tax list and the property so listed is subject to a tax lien sale in February of the succeeding year. In the event that there is no purchaser for the tax lien at the sale, the tax lien is assigned to the State, and the tax lien is reoffered for sale from time to time until such time as the taxes, penalties and interest put on the lien is sold, subject to redemption, for an amount sufficient to cover all delinquent and current taxes.

It should be noted that in the event of bankruptcy of a taxpayer pursuant to the United States Bankruptcy Code (the "Bankruptcy Code"), the law is currently unsettled as to whether a lien can be attached against the taxpayer's property for property taxes levied during the pendency of bankruptcy. Such taxes might constitute an unsecured and possibly noninterest bearing administrative expense payable only to the extent that the secured creditors of a taxpayer are oversecured, and then possibly only on the prorated basis with other allowed administrative claims. It cannot be determined, therefore, what adverse impact bankruptcy might have on the ability to collect ad valorem taxes on a property of a taxpayer within the County. Proceeds to pay such taxes come only from the taxpayer or from a sale of the tax lien on the property.

When a debtor files or is forced into bankruptcy, any act to obtain possession of the debtor’s estate, any act to create or perfect any lien against the property of the debtor or any act to collect, assess or recover a claim against the debtor that arose before the commencement of the bankruptcy would be stayed pursuant to the Bankruptcy Code.
While the stay of a bankruptcy court may not prevent the sale of tax liens against the real property of a bankrupt taxpayer, the judicial or administrative foreclosure of a tax lien against the real property of a debtor would be subject to the stay of a bankruptcy court. It is reasonable to conclude that “tax sale investors” may be reluctant to purchase tax liens under such circumstances, and, therefore, the timeliness of post bankruptcy petition tax collections becomes uncertain.

(a) Includes general obligation bonds outstanding. Does not include outstanding principal amount of various cities and towns improvement districts’ bonded debt and outstanding principal amount of various County improvement districts’ bonded debt, as the indebtedness of these districts is presently being paid from special assessments levied against property owners residing within the various improvement districts. Also does not include various fire districts.

Also does not include the obligation of the Central Arizona Water Conservation District (“CAWCD”) to the United States of America, Department of the Interior, for repayment of certain capital costs for construction of the Central Arizona Project (“CAP”), a major reclamation project that has been substantially completed by the Department of the Interior. The obligation is evidenced by a master contract between CAWCD and the Department of the Interior. In April 2003, the United States and CAWCD agreed to settle litigation over the amount of the construction cost repayment obligation, the amount of the respective obligations for payment of the operation, maintenance and replacement costs and the application of certain revenues and credits against such obligations and costs. Under the agreement, CAWCD’s obligation for substantially all of the CAP features that have been constructed so far will be set at $1.646 billion, which amount assumes (but does not mandate) that the United States will acquire a total of 667,724 acre feet of CAP water for federal purposes. The United States will complete unfinished CAP construction work related to the water supply system and regulatory storage stages of CAP at no additional cost to CAWCD. Of the $1.646 billion repayment obligation, 73% will be interest bearing and the remaining 27% will be non-interest bearing. These percentages will be fixed for the
entire 50-year repayment period, which commenced October 1, 1993. CAWCD is a multi-county water conservation district having boundaries coterminous with the exterior boundaries of Maricopa, Pima and Pinal Counties. It was formed for the express purpose of paying administrative costs and expenses of the CAP and to assist in the repayment to the United States of the CAP capital costs. Repayment will be made from a combination of power revenues, subcontract revenues (i.e., agreements with municipal, industrial and agricultural water users for delivery of CAP water) and a tax levy against all taxable property within CAWCD’s boundaries. At the date of this Official Statement, the tax levy is limited to fourteen cents per $100 of secondary assessed valuation, of which twelve cents is being currently levied. (See Arizona Revised Statutes, Sections 48-3715 and 48-3715.02.) There can be no assurance that such levy limit will not be increased or removed at any time during the life of the contract.

(b) The County's total tax rate shown includes the County’s primary and secondary debt service tax rates, the State equalization tax rate of $0.4717, the $0.3460 tax rate of the Free Library District, the $0.1000 tax rate of the Central Arizona Project and the $0.0447 tax rate of the Fire District Assistance Tax.

(c) The boundaries of the Pima County Flood Control District are coterminous with those of the County; however, the Flood Control District only levies taxes on real property.

(d) The tax rate shown is a weighted average based on each jurisdiction's proportionate amount of secondary assessed valuation.

(e) The combined tax rate includes the tax rate for debt service payments, which is based on the secondary assessed valuation of the entity, and the tax rate for all other purposes such as maintenance and operation and capital outlay, which is based on the primary assessed valuation of the municipality or school district.

Retirement Plans

The County contributes to four separate defined benefit pension plans for the benefit of all full-time employees and elected officials. Please refer to “Note 9 - Retirement Plans” of Appendix F hereto for a more detailed description of these plans and the County contributions to the various plans.

The Arizona State Retirement System (“ASRS”), a cost-sharing, multiple employer defined benefit plan, has reported increases in its unfunded liabilities. The most recent annual reports for the ASRS may be accessed at: https://www.azasrs.gov/web/FinancialReports.do. The effect of the increase in ASRS’ unfunded liabilities on the County, or on the County’s and its employees’ future annual contribution to ASRS, are projected to increase in future years.

The board for the ASRS has adopted contribution rates for fiscal years 2012 and 2013. For the year ended June 30, 2012, active plan members were required by statute to contribute at the actuarially determined rate of 10.74 percent (10.50 percent retirement and 0.24 percent long-term disability) of the members’ annual covered payroll. The County was also required by statute to contribute at the actuarially determined rate of 10.74 percent (9.87 percent for retirement, 0.63 percent for health insurance premium, and 0.24 percent long-term disability) of the members’ annual covered payroll. For fiscal year 2013, the rate, including retirement and long-term disability, was increased to 11.14 percent for the County and to 11.14 percent for employees.

Legislation enacted by the State in 2012 made changes to how ASRS operates, effective July 1, 2011, which includes requiring employers to pay an alternative contribution rate for retired employees of ASRS that return to work, changing the age at which an employee can retire without penalty based upon years of service, limiting permanent increases in retirement benefits and establishing a study committee that will review the feasibility and cost to changing the current defined benefit plan to a defined contribution plan.
The ASRS has reported increases in its unfunded liabilities. The effect of the increase in the ASRS’ unfunded liabilities on the County, or on the County’s and its employees’ future annual contribution to the ASRS, are projected to increase in future years.

The Arizona Public Safety Personnel Retirement System (“PSPRS”), an agent multiple-employer defined benefit plan that covers public safety personnel who are regularly assigned to hazardous duties, for which the Arizona State Legislature establishes and may amend active plan members’ contribution rate, has reported increases in its unfunded liabilities. The most recent annual reports for the PSPRS may be assessed at http://www.psprs.com/sys_psprs/Annual Reports/cato_annual_rpts_psprs.htm. The effect of the increase in the PSPRS’s unfunded liabilities is expected to result in increased contributions by the County and its employees, however the specific impact on the County, or on the County’s and its employees’ future annual contributions to the PSPRS, cannot be determined at this time.

The Corrections Officers Retirement Plan (“CORP”), an agent multiple-employer defined benefit plan that covers certain County employees whose primary duties require direct inmate contact, for which the Arizona State Legislature establishes and may amend active plan members’ and the County’s contribution rates, has reported increases in its unfunded liabilities. The most recent annual reports for the EORP may be accessed at: http://www.psprs.com/sys_eorp/Annual reports/cato_Annual rpts CORP.htm. The effect of the increase in the EORP’s unfunded liabilities is expected to result in increased contributions by the County and its employees, however the specific impact on the County, or on the County’s and its employees’ future annual contributions to the EORP, cannot be determined at this time.

For the year ended June 30, 2012, active PSPRS members were required by statute to contribute 8.65 percent of the members’ annual covered payroll, and the County was required to contribute at the actuarially determined rate of 24.24 percent, the aggregate of which is the actuarially required amount. As allowed by statute, the County contributed 3.65 percent of the members’ required contribution, with the members contributing 5.00 percent. The health insurance premium portion of the contribution was set at 1.83 percent of covered payroll. Active CORP members were required by statues to contribute 8.41 percent of the members’ annual covered payroll, and the County was required to contribute at the actuarially determined rate of 9.38 percent, the aggregate of which is the actuarially required amount. The health insurance premium portion of the contribution rate was actuarially set at 1.30 percent of covered payroll.

The Elected Officials Retirement Plan (EORP) (and the PSPRS as it relates to County Attorney Investigators) are relatively insignificant to the County’s financial picture.

New Reporting Requirements. Government Accounting Standards Board adopted Statement Number 68, Accounting and Financial Reporting for Pensions (“GASB 68”), which, beginning with fiscal years starting after June 15, 2014, requires cost-sharing employers to report their “proportionate share” of the plan’s net pension liability in their government-wide financial statements. GASB 68 will also require that the cost-sharing employer’s pension expense component include its proportionate share of the plan’s pension expense, the net effect of annual changes in the employer’s proportionate share and the annual differences between the employer’s actual contributions and its proportionate share. The new reporting requirements imposed by GASB 68 will change the financial statements of the County, but what the specific effect will be is unknown at this time.

Other Post Employment Benefits

In fiscal year 2007-08, the County implemented Government Accounting Standards Board Statement Number 45, Accounting by Employers for Post-Employment Benefits Other than Pensions (“GASB 45”), which requires reporting the actuarially accrued cost of post-employment benefits, other than pension benefits (“OPEB”), such as health and life insurance for current and future retirees. Plan benefits covered by GASB 45 must be recognized as current costs over the working lifetime of employees, and to the extent such costs are not pre-funded, the reporting of such costs as a financial statement liability.

The County has, in the past, offered its retired employees, their spouses and survivors continuing access to health care insurance through the County’s health plan until they reach an age covered by Medicare, a benefit that was discontinued effective July 1, 2010. Participating retirees were required to pay 100% of applicable health care
insurance premiums. The County makes no payments for OPEB costs for such retirees, but for fiscal year 2007-08 the County reported an implicit rate subsidy described in Note 10 of the 2007-08 Comprehensive Annual Financial Report. For fiscal year 2008-09, the County did not report any OPEB liability because the County determined that, to the degree GASB 45 applied, any OPEB liability would not be material. Because the program was discontinued as of July 1, 2010, the County had no OPEB costs for fiscal year 2009-10, or for subsequent years unless the program is reinstituted.

Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our opinions, insofar as they relate to the amounts included for those entities, are based solely on the reports of the other auditors.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes
examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit and the reports of the other auditors provide a reasonable basis for our opinions.

In our opinion, based on our audit and the reports of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, aggregate discretely presented component units, each major fund, and aggregate remaining fund information of Pima County as of June 30, 2012, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in conformity with U.S. generally accepted accounting principles.

U.S. generally accepted accounting principles require that the Management’s Discussion and Analysis on pages 11 through 29, the Budgetary Comparison Schedule on pages 81 and 82, and the Schedule of Agent Retirement Plans’ Funding Progress on page 83 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with U.S. generally accepted auditing standards, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County’s basic financial statements. The combining and individual fund statements and schedules and the introductory and statistical sections listed in the table of contents are presented for purposes of additional analysis and are not required parts of the basic financial statements. Such information is the responsibility of the County’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The combining and individual fund statements and schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards by us and the other auditors. In our opinion, based on our audit, the procedures performed as described previously, and the reports of the other auditors, the combining and individual fund statements and schedules are fairly stated in all material respects in relation to the basic financial statements as a whole. The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

In accordance with Government Auditing Standards, we will also issue our report on our consideration of the County’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters at a future date. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

**OVERVIEW OF THE FINANCIAL STATEMENTS**

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements consist of three components: (1) Government-wide statements, (2) Fund statements, and (3) Notes. Required supplementary information is included in addition to the basic financial statements.

**Government-wide financial statements** are designed to provide readers with a broad overview of County finances in a manner similar to a private-sector business.

The *statement of net position* presents information on all County assets, deferred outflows, liabilities, and deferred inflows with the difference between them reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The *statement of activities* presents information showing how net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported...
in this statement for some items that will result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation or sick leave).

Both of these government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a portion of their costs through user fees and charges (business-type activities). The governmental activities of the County include general government, public safety, highways and streets, sanitation, health, welfare, culture and recreation, and education and economic opportunity. The business-type activities of the County include Pima Health System & Services, Regional Wastewater Reclamation, Development Services, and the County’s downtown parking garages.

Discretely presented component units are included in the basic financial statements. They consist of two legally separate entities for which the County is financially accountable. The County reports the Southwestern Fair Commission, which operates the County Fairgrounds and the annual Pima County Fair, as a discretely presented component unit. The Pima County Sports and Tourism Authority (S&TA) is also reported as a discrete component unit. S&TA is a nonprofit municipal corporation established to promote professional and amateur sports events and other suitable activities for the benefit of the public.

The government-wide financial statements can be found on pages 31-33.

Fund financial statements are groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other state and local governments, uses fund accounting to ensure and demonstrate finance-related legal compliance with applicable State statutes and Federal Office of Management and Budget budgeting guidelines. All of the funds can be divided into three categories: (1) governmental funds, (2) proprietary funds, and (3) fiduciary funds.

**Governmental funds** are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of expendable resources, as well as on balances of expendable resources available at the end of the fiscal year. Such information may be useful in evaluating the County’s near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government’s near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The County maintains fifteen individual governmental funds. Information is presented separately in the Governmental Fund Balance Sheet and in the Governmental Fund Statement of Revenues, Expenditures and Changes in Fund Balances for the General, Capital Projects and Debt Service funds which are reported as major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements.

13
The governmental fund financial statements can be found on pages 34-37. The combining statements for non-major governmental funds can be found on pages 86-89.

**Proprietary funds** are maintained in two ways. **Enterprise funds** are used to report the same functions presented as business-type activities in the government-wide financial statements. The County uses enterprise funds to account for certain health care services, including medical and long-term health care, sewer systems maintenance and operation, real estate-related development services, and parking garage operations. **Internal service funds** are an accounting device used to accumulate and allocate costs internally among the County’s various functions. The County uses internal service funds to account for risk management, automotive fleet maintenance and operations, printing services, telecommunications, wireless and IT network infrastructure. Because these services predominantly benefit governmental rather than business-type functions, most of the assets, deferred outflows, liabilities, and deferred inflows of these services have been included within governmental activities in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. Regional Wastewater Reclamation and Pima Health System & Services operations are considered to be major funds of the County. Data from the other enterprise funds are combined into a single, aggregated presentation. Similarly, the County’s internal service funds are combined into a single, aggregated presentation in the proprietary funds financial statements. Individual fund data for the other enterprise and internal service funds are provided in the form of combining statements.

The proprietary fund financial statements can be found on pages 38-41. The combining statements for other enterprise and internal service funds can be found on pages 105-112.

**Fiduciary funds** are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the County’s programs.

The fiduciary fund financial statements can be found on pages 42-43.

**Notes to the financial statements** provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes can be found on pages 46-79.

**Required Supplementary Information (RSI)** is presented concerning the County’s General Fund budgetary schedule and the schedule of retirement plans’ funding progress. Required supplementary information can be found on pages 81-83.

**Combining Statements and Other Schedules** referred to earlier provide information for non-major governmental, enterprise, internal service, and fiduciary funds and are presented immediately following the required supplementary information. Combining and individual fund statements and schedules can be found on pages 86-116.
GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve as a useful indicator of a government’s financial position over time. County assets exceeded liabilities by $2,274 at June 30, 2012. The following table shows condensed information for the Schedule of Assets, Liabilities and Net Position:

**Assets**

Current and other assets increased by $87,061 mainly due to an increase in Cash and Cash Equivalents, $91,543.

Capital assets increased by $278,035 primarily due to the following:

- An increase of $221,970 in construction in progress, with $45,340 for governmental activities and $176,630 for business-type activities.
- Capitalization of software, $20,614, resulted in a net increase in Equipment of $23,224 in the governmental activities and an accompanying decrease of $2,799 for business-type activities.

Total liabilities for the primary government increased by $240,303. Current liabilities increased $40,085 mainly due to an overall increase in accounts payable, with accounts payable for governmental activities increasing $47,119 and accounts payable for business-type activities increasing by $10,815.
Net position

The largest portion of the County’s net position reflects its investment in capital assets (i.e. land, buildings, infrastructure, and equipment), less any related outstanding debt used to acquire those assets. As of June 30, 2012, net investment in capital assets totaled $1,809,788, comprising approximately 79.6% of total net position. The County uses a portion of these capital assets to provide services to its citizens, with the other portion available to its citizens for use; consequently, these assets are not available for future spending. The $98,230 increase in capital assets, net of related debt, is primarily due to the significant amount of capital project activity. Although the County’s investments in capital assets are reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Unrestricted net position for the primary government increased $25,731 mainly due to an increase in business-type activities of 99% ($33,022), specifically; the Regional Wastewater Reclamation Fund had an increase in its unrestricted net position of 120% from $25,652 to $56,462.

The table below provides the composition of net position for the County as of June 30, 2012.

![Composition of Net Position](image)

Restricted net position represent resources that are subject to external restrictions on how they may be used. As of June 30, 2012, restricted net position totaled $240,165 and comprised approximately 10% of total net position. This represents an $832 increase in restricted net position from the prior fiscal year.
The remaining balance of the County’s net position represents unrestricted net position, which may be used to meet the County’s ongoing obligations to citizens and creditors. As of June 30, 2012, unrestricted net position totaled $223,785 and comprised approximately 10% of total net position.

Ending net position for governmental activities increased by $107,594, a 7.4% increase. This year's change in net position decreased by $3,981 from last year, primarily due to a decrease in overall revenues of $9,926 and an increase in expenses of $15,093.

Factors affecting the $9,926 decrease in revenues from governmental activities:

- Revenue from capital grants and contributions decreased by $17,502 in Highway and Streets Activity. This is primarily from a decrease in ARRA Stimulus revenue, $4,071, a decrease in State Revenue of $6,232 and a decrease of $10,348 in Capital Contributions.

Total expenses for governmental activities were $734,025, up 2.1% or $15,093 compared to the previous year's total of $718,932. Factors contributing to the increase in expenses:

- Health expenses increased by $10,772, of which $7,603 was related to a grant called Communities Putting Prevention to Work which was awarded at $15 million. This grant was predominantly awarded to funding partners in fiscal year 2012.

The increase in the Transfers in line item of $21,038 was due to an equity transfer of $26,436 from Pima Health System & Services to Other Special Revenue Fund.

The chart below presents general and program revenues, as a percentage to total revenues. The amount provided from each revenue source for governmental activities, as a percentage to total revenue for governmental activities, has not changed significantly from the prior fiscal year. Property taxes, operating grants, and state-shared taxes continue to account for approximately 72% of the County's revenues.
Each expense by function as a proportion to total expenses by function for governmental activities has not changed significantly from the prior fiscal year. General government, public safety, and welfare account for approximately two-thirds of the County’s total expenses.
**Business-type activities**

Business-type activities, which are composed exclusively of enterprise funds, are intended to recover all or a significant portion of their costs through user fees and charges. Change in net position for business-type activities added $17,199 or 2.5% to the County's $124,793 change in total net position for the year ended June 30, 2012. Key elements of the change in net position from business-type activities include:

- Primarily due to the closing of the Pima Health System & Service Enterprise Fund charges for services revenue decreased by $141,942 and Pima Heath System & Services Expenses decreased $141,532.

- The increase of $21,038 in the Transfers in (out) line is due to an equity transfer $26,436 from Pima Health System & Services to Other Special Revenue Fund.
FINANCIAL ANALYSIS OF THE COUNTY’S FUNDS

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds

The County’s general government functions are accounted for in the General, Special Revenue, Debt Service, and Capital Project funds. Included in these funds are special districts governed by the Board of Supervisors (i.e. Flood Control, Library and Stadium Districts). The focus of the County’s governmental funds is to provide information on near-term inflows, outflows and balances of expendable resources. Such information is useful in assessing the County's financing requirements. In particular, unassigned fund balances may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

Major Governmental Funds

General Fund
The General Fund is the chief operating fund of the County. At June 30, 2012, total fund balance of the General Fund was $80,767.

The net change in fund balance for the General Fund was $3,212. Revenues increased by $6,011. Property Taxes decreased by $9,846, while Intergovernmental revenues, Charges for services, and Miscellaneous revenues increased by $15,770.

- Property taxes decreased $9,846 primarily due to lower assessed property valuations with the tax rates remaining constant.
- Intergovernmental revenue increased by $4,077 due to increases in State Shared Sales Tax of $4,093.
- Service fee revenue increased by $3,756 primarily in two areas:
  - Correctional Housing Revenues of $1,772
  - Fees for Recording Documents of $779.
- Miscellaneous earnings increased by $7,937 of which $7,917 was Other Miscellaneous Revenue – Operating.

Expenditures for the General Fund increased by $16,616 primarily in two categories:

- The net increase in General Government expenditures of $10,997:
  - County Administrator expenditures increased by $5,129 primarily from a $1,586 increase in payments to other governments and agencies.
  - Superior Court expenditures increased by $3,463 primarily from increased payroll costs.
There was an increase in Public Safety expenditures of $6,663, primarily as a result of the Sheriff Department purchasing a helicopter for $2,556, and Sheriff operations expenditures increasing $2,935.

**Capital Projects Fund**
Revenues for the Capital Projects Fund decreased by $3,530 and expenditures in capital outlay decreased by $3,591. The net change in fund balance was an increase of $42,841.

- Of the decrease in revenues, $3,147, can be attributed to intergovernmental revenues; Federal revenue decreased by $2,947 and State revenue decreased by $871.

- Expenditures decreased by $3,591 in capital outlay primarily from the decrease in expenditures relating to the construction of the Behavioral Health Pavilion, $20,506, with an increase of $15,584 in the Emergency Communications Systems expenditures.

The fund reported a $101,129 deficiency of revenues over expenditures. A net transfer in of $65,545 and that resulted in a net change in the fund balance of $42,841 for the Capital Projects Fund.

**Debt Service Fund**
The fund accounts for the accumulation of resources for and the payment of principal and interest of general long-term debt. At June 30, 2012, the net change in fund balance was a decrease of $7,605.

Secondary tax revenues remained relatively constant with a decrease of $3,160. Expenditures, mainly as a result of increased principal payments, increased $7,840 from last fiscal year.

**Budget to Actual Comparison for the General Fund**
Overall, actual revenues were more than budgeted revenues by $18,734 and actual expenditures were less than budgeted expenditures by $45,856. No variances between the budget to actual amounts at the departmental level were significant enough to affect the County’s ability to provide future services.

**Overview of all governmental funds**
At June 30, 2012, the County's governmental funds reported combined fund balances of $395,385, an increase of $33,655 from the prior year. Approximately 16.4% of the combined fund balances, or $65,030, constitutes unassigned fund balance, which is available to meet the County's current and future needs.

Total expenditures in governmental funds increased during the year by $33,392, primarily due to the following:

- Health expenditures increased by $10,161 primarily from the Communities Putting Prevention to Work grant.
- Public safety expenditures increased by $9,002 due to the Sheriff’s Department purchase of a helicopter, $2,556.
- General Government expenditures increased by $12,409 due to a $10,997 increase in the general fund.

Proprietary funds

The County’s proprietary fund functions are contained in the enterprise and internal service funds. The enterprise funds of the County are Pima Health System & Services, Regional Wastewater Reclamation, Development Services, and Parking Garages. Pima Health System & Services contract with the Arizona Health Care Cost Containment System (AHCCCS) terminated on September 30, 2011. As a result, the fund was closed and year-end balances were transferred to the other governmental funds as of June 30, 2012. These business-type activities are accounted for in a similar fashion to private-sector businesses and the costs for services provided are expected to be covered either fully or in part by generated revenues, which include fees charged to external users.

The internal service funds consist of the Self-Insurance Trust Fund and Other Internal Service Funds, which are comprised of multiple smaller funds consisting of Fleet Services, Print Shop, and Wireless/Telecommunications. The change in net position for all Internal Service Funds was $10,128, generated primarily from the operations of the Self Insurance Trust Fund.

While net patient revenues from Pima Health System & Services decreased by $153,796, revenues continued to exceed operating expenses, generating an operating gain for all enterprise funds this year. Regional Wastewater Reclamation contributed approximately 96%, or $30,476 to the $31,642 operating gain for all enterprise funds.
• Charges for service revenue increased by $15,290 due primarily to a $9,853 increase in Regional Wastewater Reclamation Sewer utility service fees.

• Medical claims expense decreased $118,511 and employee compensation expense decreased $14,812 due to the termination of the AHCCCS contract with Pima Health System & Services.

Economic Factors and Next Year’s Budget

Primary property taxes

The recession continues to impact the local economy, primarily evident by decreasing market values of existing property. The primary net assessed value for fiscal year 2012-13 decreased $236 million or 2.84%. The contraction of the property tax base is expected to continue into fiscal year 2015-16 with the net assessed value projected to decline by more than 6%.

The tax rate for fiscal year 2012-13 will remain constant, resulting in a levy that is $8 million less than fiscal year 2011-12.

State shared revenues

An indication of increased consumer confidence is evident by positive projections of state shared sales tax revenue. Current projections indicate a $7.4 million increase in fiscal year 2012-13. Even with this positive projection however, it is still $13,286 less than the County received at its peak in fiscal year 2006-07.

Other revenues

General government revenues are expected to decrease by almost $6 million, primarily from $1 million decrease from Federal payments in lieu of property taxes and $4.9 million less from grant, enterprise and special revenue funds for central administrative support services.

University of Arizona Medical Center – South Campus

A two year agreement with the Arizona Board of Regents (ABOR) on behalf of the University Of Arizona College Of Medicine provides funding for the University of Arizona Medical Center – South Campus: $20 million in fiscal year 2010-11, $15 million in fiscal year 2011-12. The Board of Supervisor’s have approved a second two year contract with ABOR with an annual funding of $15 million for each fiscal year.

### Net change in fund balances - total governmental funds

$33,737

Amounts reported for governmental activities in the Statement of Activities are different because:

1. Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is depreciated over their estimated useful lives and reported as depreciation expense.

   | Expenditures for capital assets | $141,790 |
   | Less current year depreciation   | (58,595) |
   |                                 | 83,195   |

2. The issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds but increases long-term liabilities in the Statement of Net Position. Repayment of the principal of debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position. Also, governmental funds report the effect of issuance costs, premiums, discounts and similar items when debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities. This amount is the net effect of these differences in the treatment of long-term debt and related items:

   | Face amount of long-term debt   | (78,425) |
   | Premium on bonds                | (7,349)  |
   | Proceeds on refunding bonds     | (30,745) |
   | Debt service - principal payments| 78,688   |
   | Payments to escrow agent        | 33,013   |
   | Amendment to capital lease      | 894      |
   | Deferred issuance costs         | 1,153    |
   | Amortization expense            | (805)    |
   |                                 | (5,364)  |

3. Some revenues reported in the Statement of Activities do not represent the collection of current financial resources and therefore are not reported as revenues in the governmental funds:

   | Donations of capital assets    | 8,137   |
   | Property tax revenues          | 4,234   |
   | Intergovernmental              | (18,688) |
   | Other                          | (1,550) |
   |                                 | (7,867)  |

4. Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds:

   | Change in compensated absences| (803)   |
   | Change in landfill liability  | (928)   |
   | Pollution remediation liability| 228     |
   | Net book value of capital asset disposals| (3,217)   |
   | Other                         | (82)    |
   |                                 | (4,802) |

5. Internal service funds are used by management to charge the costs of certain activities to individual funds. A portion of the net expense of the internal service funds is reported with governmental activities:

   |                                 | 8,695   |

6. Change in net position of governmental activities:

   |                                 | $107,594 |

Note 1: Summary of Significant Accounting Policies

The accounting policies of Pima County (County) conform to U.S. generally accepted accounting principles (GAAP) applicable to governmental units as promulgated by the Governmental Accounting Standards Board (GASB) and the regulatory requirements of the State of Arizona. A summary of the County’s significant accounting policies follows.

During the year ended June 30, 2012, the County early implemented the provisions of GASB Statement No. 61, The Financial Reporting Entity: Omnibus, an amendment of GASB Statements No. 14 and No. 34. GASB Statement No. 61 modifies certain requirements for the inclusion of component units in the financial reporting entity. The County also early implemented the provisions of GASB Statement No. 63, Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position. GASB Statement No. 63 establishes criteria for reporting the consumption and acquisition of net position that is applicable to future reporting periods.

A. Reporting Entity

The County is a general-purpose local government that is governed by a separately elected Board of Supervisors. The accompanying financial statements present the activities of the County (the primary government) and its component units.

Component units are legally separate entities for which the County is considered financially accountable. Blended component units, although legally separate entities, are, in substance, part of the County’s operations. Each blended component described below provides a financial benefit and/or financial burden to the County. Therefore, data from these units are combined with data of the primary government. Discretely presented component units, on the other hand, are reported in a separate column in the government-wide financial statements to emphasize they are legally separate from the County. Each blended and discretely presented component unit discussed below has a June 30 year-end.

The Pima County Stadium District, a legally separate entity, was formed to promote and establish major league baseball spring training in Pima County. The County Board of Supervisors is the Board of Directors of the District. Acting in the capacity of the Board of Directors, the Pima County Board of Supervisors is able to impose its will on the District. The Board of Directors levies the car rental surcharge rates and the recreation vehicle (RV) park tax for the District. The District is reported as a special revenue fund (blended component unit) in these financial statements. Complete financial statements for the District can be obtained from the Pima County Department of Finance and Risk Management located at 130 West Congress Street, Tucson, Arizona 85701.

The Pima County Library District was established in 1986 when legislation allowed full taxing authority and the ability to enter into agreements with other jurisdictions for the provision of library services. The Pima County Board of Supervisors is the Board of Directors of the District. The Library District is reported as a special revenue fund (blended component unit) in these financial statements. Separate financial statements for the District are not available.

The Pima County Regional Flood Control District was established in 1978. The District is responsible for floodplain management activities for the unincorporated areas of Pima County (except national forests, parks, monuments, and Native American Nations), the City of South Tucson, and the Town of Sahuarita. The Pima County Board of Supervisors is the Board of Directors for the Flood Control District. The Regional Flood Control District is reported as a special revenue fund (blended component unit) in these financial statements. Separate financial statements for the District are not available.

Note 1: Summary of Significant Accounting Policies (continued)

The Pima County Street Lighting Improvement Districts (SLIDs) are responsible for street lighting for specific regions of unincorporated Pima County. All budgetary and operational activities are administered by the Pima County Board of Supervisors and meet the criteria for a blended component unit. SLIDs are reported as a special revenue fund in these financial statements. Separate financial statements for the SLIDs are not available.

The Southwestern Fair Commission, Inc. (SFC) is a nonprofit corporation, which manages and maintains the fairgrounds owned by the County and conducts annual fair and other events at the fairgrounds. The Commission’s members are appointed and can be removed at any time by the Pima County Board of Supervisors. Based on these factors, and because SFC does not provide services entirely, or almost entirely to the County, but rather to the general citizenry, SFC is reported as a separate component unit (discrete presentation) in these financial statements. Complete financial statements for SFC can be obtained from the Pima County Department of Finance and Risk Management located at 130 West Congress Street, Tucson, Arizona 85701.

The Pima County Sports and Tourism Authority (S&TA) is a nonprofit municipal corporation established to promote professional and amateur sports events and other suitable activities for the benefit of the public and to increase opportunities for amateur youth sports in Pima County. S&TA members are appointed and can be removed at any time by the Board of Supervisors. Based on these factors, and because S&TA does not provide services entirely, or almost entirely to the County, but rather to the general citizenry, S&TA is reported as a separate component unit (discrete presentation) in these financial statements. Separate financial statements are unavailable for S&TA.

Related Organization:

The Industrial Authority of Pima County (Authority) is a legally separate entity that was created to promote economic development and the development of affordable housing. The Authority fulfills its function through the issuance of tax-exempt bonds. The County Board of Supervisors appoints the Authority’s Board of Directors. The Authority’s operations are completely separate from the County and the County is not financially accountable for the Authority. Therefore, the financial activities of the Authority have not been included in the accompanying financial statements.

B. Basis of Accounting

Primary government:

The government-wide, proprietary fund, and fiduciary fund financial statements are presented using the economic resources measurement focus and the accrual basis of accounting with the exception of agency funds, which have no measurement focus. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Property taxes are recognized as revenue in the year for which they are levied. Grants and donations are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental funds in the fund-based financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The County considers all revenues reported in the governmental funds to be available if the revenues are collected within 30 days after year-end. Revenues that are collected after 30 days are reported as deferred revenues. The County’s major revenue sources that are susceptible to accrual are property taxes, intergovernmental, and charges for services. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, compensated absences, landfill closure and post-closure care costs, and pollution remediation, which are
Note 1: Summary of Significant Accounting Policies (continued)

recognized as expenditures to the extent they are due and payable. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital lease agreements are reported as other financing sources. The County may fund certain programs by a combination of restricted, committed, assigned, and/or unassigned (general) revenues. When an expenditure/expense is incurred that can be paid from either restricted or unrestricted fund balances/net position, the County uses restricted fund balance/net position first. When an expenditure is incurred that can be paid from more than one category of unrestricted fund balances, the County will use committed amounts first, followed by assigned amounts, and lastly unassigned amounts. Fund balances of the governmental funds are reported separately within classifications based on a hierarchy of the constraints placed on the use of those resources. The classifications are based on the relative strength of the constraints that control how the specific amounts can be spent. The classifications are nonspendable, restricted, and unrestricted, which includes committed, assigned, and unassigned fund balance classifications.

The nonspendable fund balance classification includes amounts that cannot be spent because they are either not in spendable form, such as inventories, or are legally or contractually required to be maintained intact.

Restricted fund balances are those that have externally imposed restrictions on their usage by creditors, such as through debt covenants, grantors, contributors, or laws and regulations.

Committed fund balances are self-imposed limitations set prior to the year-end closing. The Pima County Board of Supervisors is the highest level of decision making authority. Imposed limitations on the use of funds must be approved by the Board of Supervisors at a regular supervisory meeting. Any modifications and/or rescissions must also be approved by the board.

Assigned fund balances are limitations resulting from the intended use of funds. The Pima County Board of Supervisors and/or its representative, the County Administrator, can authorize the constraints for the specific purpose. Modifications or rescissions of the constraints can also be authorized by the same action that limited the funds.

The unassigned fund balance is the residual classification for the General Fund and includes all spendable amounts not reported in the other classifications. Also, deficits in fund balances of the other governmental funds are reported as unassigned.

The County does not have a formal minimum fund balance policy, however, all County funds’ fund balances or net position are analyzed throughout the year and reserved as necessary during the budgetary appropriation process.

The County’s business-type activities and enterprise funds follow FASB Statements and Interpretations issued on or before November 30, 1989, Accounting Principles Board Opinions, and Accounting Research Bulletins, unless those pronouncements conflict with GASB pronouncements. The County has chosen the option not to follow FASB statements and interpretations issued after November 30, 1989.

C. Basis of Presentation

The basic financial statements include both government-wide and fund-based financial statements. The government-wide statements focus on the County as a whole, while the fund-based statements focus on major funds. Each presentation provides valuable information that can be analyzed and compared between years and between governments to enhance the usefulness of the information.
Note 1: Summary of Significant Accounting Policies (continued)

**Government-wide statements** provide information about the primary government and its component units. The statements include a statement of net position and a statement of activities. These statements report the financial activities of the overall government, except for fiduciary activities. They also distinguish between the governmental and business-type activities of the County and between the County and its discretely presented component units. Governmental activities are financed primarily through taxes and intergovernmental revenues. Business-type activities are financed in whole or in part by fees charged to external parties. A statement of activities presents a comparison between direct expenses and program revenues for each function of the County’s governmental activities and segment of its business-type activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. The County does not allocate indirect expenses to programs or functions. Program revenues include:

- Charges for services (fines and forfeitures, licenses and permits, and special assessments);
- Operating grants and contributions; and
- Capital grants and contributions

Revenues that are not classified as program revenues, including internally dedicated resources and all taxes levied or imposed by the County, are reported as general revenues. The net effect of interfund activity has been eliminated from the government-wide financial statements to minimize the double counting of internal activities.

**Fund-based financial statements** provide information about the County’s funds, including fiduciary funds and blended component units. Separate statements are presented for the governmental, proprietary, and fiduciary fund categories. The emphasis of fund-based financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as non-major funds. Fiduciary funds are aggregated and reported by fund type.

Proprietary funds are financed mainly by fees and charges received from users of the services provided by the fund’s operations. Proprietary funds distinguish operating revenues and expenses from non-operating items.

Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund’s principal ongoing operations. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The County reports the following major governmental funds:

The **General Fund** is the County’s primary operating fund. It accounts for all financial resources of the general government, except for those required to be accounted for in another fund.

The **Capital Projects Fund** accounts for financial resources to be used for the acquisition or construction of capital facilities and other capital assets, other than those financed by proprietary funds.

The **Debt Service Fund** accounts for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

The County reports the following major enterprise funds:

**Pima Health System and Services (PHS&S)** provided payment for health care services including inpatient hospital care and outpatient clinical care for medical and psychiatric problems, indigent health care under the Arizona Health Care Cost Containment System (AHCCCS), an alternative to Medicaid, home health services,
Note 1: Summary of Significant Accounting Policies (continued)

and long-term nursing care. The County’s AHCCCS contracts terminated on September 30, 2011, and the
Pima Health System and Services ceased operations. All residual balances of the fund were transferred to the
other governmental funds at June 30, 2012.

Regional Wastewater Reclamation (RWR) accounts for the management and operation of wastewater
treatment and water pollution control programs.

The County reports the following fund types:

Internal Service Funds account for the financing of goods or services provided by one department or agency
to other departments or agencies of the County, or to other governmental units, on a cost-reimbursement
basis. These funds account for fleet maintenance and operation, insurance, graphic services, and
telecommunications services.

Investment Trust Funds account for assets held by the County Treasurer in an external investment pool and
individual investment accounts for the benefit of outside jurisdictions.

Agency Funds account for the assets held by the County as an agent for individuals, private organizations, or
other governmental units. The agency funds are custodial in nature and do not present results of operations.

D. Cash and Investments

Primary government:

For purposes of its statements of cash flows, the County considers only those highly liquid investments, with a
maturity period of 3 months or less when purchased, to be cash equivalents. All investments are stated at fair
value.

If an individual fund has a deficit balance in the amount on deposit with the County Treasurer at year-end, that
balance is reclassified as an amount due to other funds.

E. Inventories and Prepaids

The County accounts for its inventories in the Health Fund using the purchase method. Inventories of the
Health Department consist of expendable supplies held for consumption and are recorded as expenditures at
the time of purchase. Amounts on hand at year-end are shown on the balance sheet as an asset for
informational purposes only and are offset by nonspendable fund balance to indicate that they do not constitute
“available spendable resources.” These inventories are stated at cost using the first-in, first-out method or
average cost method.

Inventories of the Transportation Department are recorded as assets when purchased and expensed when used.
Inventories in Transportation are valued at lower of cost or market, cost being determined using the moving
average method.

Inventories in the government-wide and proprietary funds’ financial statements are recorded as assets when
purchased and expensed when consumed.

Inventories of RWR, an enterprise fund, are valued at lower of cost or market, cost being determined using the
moving average method.
Note 1: Summary of Significant Accounting Policies (continued)

Inventories of Internal Service Funds are valued at lower of cost or market, cost being determined using the moving average method.

Prepaid expenses/expenditures are accounted for using the consumption method, except for the School Reserve Fund reported as an Other Governmental Fund, which uses the purchase method.

F. Property Tax Calendar

The County levies real and personal property taxes on or before the third Monday in August that become due and payable in two equal installments. The first installment is due on the first day of October and becomes delinquent after the first business day of November. The second installment is due on the first day of March of the next year and becomes delinquent after the first business day of May. A lien assessed against real and personal property attaches on the first day of January preceding assessment and levy.

G. Capital Assets

Capital assets are reported at actual cost or estimated historical cost if historical records are not available. Donated assets are reported at estimated fair value at the time received.

Capitalization thresholds, depreciation methods, and estimated useful lives of capital assets reported in the government-wide statements and proprietary funds are as follows (excluding component units):

<table>
<thead>
<tr>
<th>Capitalization Threshold</th>
<th>Depreciation Method</th>
<th>Estimated Useful Life</th>

</tbody>
</table>

Discretely presented component units:

SFC capital assets are reported at actual cost. Depreciation is provided by the straight-line method over the assets’ estimated useful life, which range from 5 to 40 years.

H. Investment Earnings

Investment earnings are composed of interest, dividends, and net changes in the fair value of applicable investments.
I. Compensated Absences

Compensated absences consist of vacation leave and a calculated amount of sick leave earned by employees based on services already rendered.

Employees may accumulate up to 240 hours of vacation depending upon years of service, but any vacation hours in excess of the maximum amount that are unused at their year-end are forfeited. Upon termination of employment, all unused and unforfeited vacation benefits are paid to employees. Accordingly, vacation benefits are accrued as a liability in the government-wide and proprietary fund financial statements in Employee Compensation.

Employees may accumulate up to 1920 hours of sick leave. Generally, sick leave benefits provide for ordinary sick pay and are cumulative but are forfeited upon termination of employment. Sick leave benefits do not vest with employees; however, employees who are eligible to retire from County service into the Arizona State Retirement System, Public Safety Personnel Retirement System, or Corrections Officer Retirement Plan may request sick leave be converted to annual leave on a predetermined conversion basis. An estimate of those retirement payouts is accrued as a liability in the government-wide and proprietary fund financial statements in Employee Compensation. Compensated absences for the governmental funds is accrued based on vacation and sick leave paid within the first two pay periods after fiscal year end.

Note 3: Cash and Investments

Primary Government

The County’s cash and investment policies are governed by State statutes and by bond covenants. The County Treasurer is authorized to invest public monies in the State Treasurer’s Investment Pool; interest bearing savings accounts, certificates of deposit and repurchase agreements in eligible depositories; bonds or other obligations issued or guaranteed by the United States government or any of the senior debt of its agencies, sponsored agencies, corporations, sponsored corporations, or instrumentalities; specified state and local government bonds; specified commercial paper, bonds, debentures, and notes issued by corporations organized and doing business in the United States; bonds or other evidences of indebtedness of the State of Arizona or any of its counties, cities, towns, or school districts as specified by statute; and bonds of any county municipal district, municipal utility, or special taxing district of any state that are payable from revenues, earnings, or a special tax pledged for all payments on the obligations. In addition, the County Treasurer may invest trust funds in fixed income securities of corporations doing business in the United States.

Credit risk—The State statutes have the following requirements for credit risk:

1. Commercial paper must be of prime quality and be rated within the top two ratings by a nationally recognized rating agency.
2. Corporate bonds, debentures, and notes must be rated within the top three ratings by a nationally recognized rating agency.
3. Fixed income securities must carry one of the two highest ratings by Moody’s Investors Service and Standard and Poor’s rating service. If only one of the above-mentioned services rates the security, it must carry the highest rating of that service.

Custodial credit risk—Statutes require collateral for demand deposits and certificates of deposit at 101 percent of all deposits not covered by federal depository insurance.

Concentration of credit risk—Statutes do not include any requirements for concentration of credit risk.

Interest rate risk—Statutes require that public monies invested in securities and deposits have a maximum maturity of 5 years. Investments in repurchase agreements must have a maximum maturity of 180 days.

Foreign currency risk—Statutes do not allow foreign investments.

Deposits—At June 30, 2012, the carrying amount of the County’s deposits was $57,136 and the bank balance was $66,485.

Custodial credit risk—Custodial credit risk is the risk that the County will not be able to recover its deposits if a financial institution fails. The County does not have a formal policy with respect to custodial credit risk. As of June 30, 2012, $1,977 of the County’s bank balance was exposed to custodial credit risk because it was uninsured and uncollateralized.
Note 3: Cash and Investments (continued)

**Investments**—At June 30, 2012, the County’s investments consisted of $552,258 invested in marketable securities and $471,556 invested in the State Treasurer’s Investment Pool. Cash from the County and from externally legally separate governments are pooled to purchase the investments in marketable securities and the State Treasurer’s Pool. The State Board of Investment provides oversight for the State Treasurer’s pools. The fair value of a participant’s position in the pool approximates the value of that participant’s pool shares and the participant’s shares are not identified with specific investments.

**Credit risk**—Credit risk is the risk that an issuer or counterparty to an investment will not fulfill its obligations. The County does not have a formal investment policy with respect to credit risk.

At June 30, 2012, credit risk for the County’s investments was as follows:

**Custodial credit risk**—For an investment, custodial risk is the risk that, in the event of the counterparty’s failure, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The County has no formal policy with respect to custodial credit risk. Of the County’s $1,023,814 of investments, $541,083, consisting of the commercial paper, corporate bonds, Federal Farm Credit Bank, Federal Home Loan Bank, Freddie Mac discount notes, and U.S. Treasury notes, is uninsured and held by a counterparty in the County’s name in book entry form.

**Concentration of credit risk**—The County has no formal policy with respect to limiting the amount the Treasurer may invest in any one issuer. At June 30, 2012, the County had investments in the Federal Home Loan Bank with a fair value of $52,582 or 5.1% of total investments.

**Interest rate risk**—Interest rate risk is the risk that changes in interest rates will adversely affect an investment’s fair value. The County does not have a formal investment policy with respect to interest rate risk.

**County Treasurer’s Investment Pool**—Arizona Revised Statutes require community colleges, school districts, and other local governments to deposit certain public monies with the County Treasurer. The County Treasurer has a fiduciary responsibility to administer those and the County monies under her stewardship. The County Treasurer invests, on a pool basis, all idle monies not specifically invested for a fund or program. In addition, the County Treasurer determines the fair value of those pooled investments annually at June 30. The County Treasurer’s Investment Pool is not registered with the Securities and Exchange Commission as an investment company and there is no regulatory oversight of its operations. The structure of the Pool does not provide for shares and the County has not provided or obtained any legally binding guarantees to support the value of the participants’ investments. The County Treasurer allocates interest earnings to each of the Pool’s participants.
Note 3: Cash and Investments (continued)

Substantially, all deposits and investments of the County’s primary government are included in the County Treasurer’s investment pool. Therefore, the deposit and investment risks of the Treasurer’s investment pool are substantially the same as the County’s deposit and investment risks disclosed above.

The Pool’s assets consist of the following:

Note 6: Claims, Judgments, and Risk Management

Risk Management and Claims Liability

The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; medical malpractice; environmental claims; and natural disasters. Claims against the County are accounted for in the Self Insurance Trust Fund (the Fund), an internal service fund. Annually, an actuarial evaluation is performed to determine the County’s anticipated losses except for environmental, unemployment, and dental losses. Environmental losses are based on reported claims and the County risk manager’s knowledge and experience. Unemployment and dental losses are based on claims that have been submitted but not yet paid by the Fund. Losses accounted for include reported and paid, reported but unpaid, and incurred but not reported. All liabilities of the Fund except for environmental, unemployment, and dental losses are reported at their present value using an expected future investment yield assumption of four percent.

The Fund is liable for any single general or automobile liability claim up to $2,500, per occurrence; workers’ compensation claim up to $1,000, per occurrence; or any medical malpractice claims in aggregate up to $5,000, in any policy year. The County purchases commercial insurance for claims in excess of coverage provided by the Fund and for some other risks of loss. Settled claims have not exceeded insurance coverage in any of the last three fiscal years.

Payment of unemployment and dental claims is fully self-funded. Payment of environmental claims is generally self-funded, although some claims filed could result in past insurers being liable for such losses.

All of the County’s departments participate in the Fund. With the exception of environmental, dental, and unemployment losses, charges are based on actuarial estimates of the amounts needed to pay prior- and current-year claims. Charges for environmental losses are based on historical experience. Charges for dental and unemployment losses are based on actual claims paid.

The claims liability of $35,397 reported in the Fund at June 30, 2012, is based on estimates of the ultimate cost of claims that have been reported but not settled and of claims that have been incurred but not reported. The ultimate cost of claims includes incremental claim adjustment expenses that have been allocated to specific claims, as well as salvage and subrogation. No other claim adjustment expenses have been included.

Litigation

Pima County is a defendant in a number of court actions. In the opinion of County management, the final disposition of these actions, if unfavorable, will not have a material effect upon the County's financial statements.
Note 6: Claims, Judgments, and Risk Management (continued)

Pollution Remediation

The County has estimated and reported an environmental liability of $805 in the government-wide financial statements for governmental activities (in noncurrent liabilities). Remediation efforts are currently underway at one County site: El Camino del Cerro.

Remediation efforts continue at the El Camino del Cerro site which is approximately bordered by the Santa Cruz River on the west, Interstate 10 on the east and El Camino del Cerro Road on the south. The groundwater contamination is suggested to resonate from the municipal and solid waste landfill operated on the site from 1973 to 1977.

The estimated liability was calculated based upon the expected future outlays associated with the estimate of one pump-and-treat system for one year. There is potential for changes due to increased costs associated with sewage disposal costs, construction costs for extraction and injection wells, and/or changes in the estimated extent of contamination.

CERTIFICATES OF PARTICIPATION

Governmental Activities
(Payments made from General Fund revenues)

Certificates of Participation represent proportionate interests in semiannual lease payments. The County’s obligation to make lease payments is subject to annual appropriations being made by the County for that purpose. On May 1, 2007, the County issued Certificates of Participation Series 2007A for $28,765 to finance the acquisition of and improvements to a 22-story office tower located in downtown Tucson and to acquire and construct replacement facilities for the Pima County Community Services Department. On February 4, 2010, the County issued Certificates of Participation Series 2010 for $20,000 to finance the replacement computer enterprise system composed of servers and other hardware, computer terminals, software, and system training. The new enterprise system will serve the County with finance, budget, procurement, human resources, and material management systems.

CAPITAL LEASES

Governmental Activities

On February 1, 1997, the County entered into an agreement to sell certain jail facilities and then lease them back for a 15-year term. The jail facilities were sold for $34,500, and the proceeds were used to finance the construction of the baseball stadium. On September 1, 1999 and October 1, 2003, Pima County amended the capital lease agreement between U.S. Bank Trust National Association and Pima County. The amendments extended the lease term to 2014 and 2018 respectively, increased the range of interest rates, and increased the County’s obligation under the lease agreement. The County has also entered into capital leases for heavy equipment for use at its landfill sites. The outstanding balance as of June 30, 2012, for these leases totaled $596. The net book value of assets acquired through capital leases consists of $15,908 of buildings and $867 of equipment.

Note 7: Long-Term Liabilities (continued)

Pima County has pledged future user charges, net of specified operating expenses, to repay $169,310 in sewer revenue bonds issued between 2004 and 2011, $23,719 in sewer revenue loans issued between 1996 and 2009, and $348,935 in sewer revenue obligations issued in 2010 and 2011. Proceeds from the bonds, loans, and obligations provided financing for construction of various treatment facilities and sewer infrastructure within Pima County. The bonds, loans, and obligations are payable from net sewer revenues and are payable through fiscal year 2026. Annual principal and interest payments on the bonds and obligations are expected to require approximately 42 percent of net revenues. The annual principal and interest payments on the loans are expected to require approximately 9 percent of net revenues. Total principal and interest remaining to be paid on the bonds is $214,957. Total principal and interest remaining to be paid on the loans is $28,504. Total principal and interest remaining to be paid on the obligations is $498,752. Principal and interest paid for bonds, loans and obligations in the current year and total customer net revenues were $39,586, $4,069, and $80,142, respectively.

All sewer revenue bonds were issued and the loan agreements were executed with a first lien on the pledge of the RWR net revenues and have restrictive covenants, primarily related to minimum utility rates and limitations on future bond issues. The bond covenants also require the RWR to either maintain a surety bond guaranteeing the payment of annual debt service or to maintain in the Bond Reserve Account monies equal to the average annual debt service payment. At June 30, 2012, the RWR had a surety bond to meet the requirements of the debt covenants. The County is also authorized to issue for the RWR additional parity bonds if certain conditions are met, primarily that net revenues for the fiscal year immediately preceding issuance of the parity bonds exceed 120 percent of the maximum annual debt service requirements immediately after such issuance.

CONTRACTS AND NOTES

Business-type Activities

(Payments made from restricted assets in the RWR)

Contracts and notes consist of contract retentions for several construction projects. Generally, interest is not accrued and the timing of payments is based on completion of the related construction projects.

Note 8: Landfill Liabilities

Solid Waste Landfill Closure and Post-Closure Care Costs:

State and Federal laws and regulations require the County to place a final cover on its solid waste landfill sites when these sites stop accepting waste and to perform certain maintenance and monitoring functions at the sites for thirty years after their closure. Although closure and post-closure care costs will not be paid until near or after the date the landfills stop accepting waste, the County records a portion of these closure and post-closure care costs as a long-term liability in each period, based on landfill capacity used as of each balance sheet date. The $20,872 reported as landfill closure and post-closure care long-term liability within the governmental activities represents the cumulative amount reported to date, based on the percentage used of each landfill's total estimated capacity. The County will recognize the remaining estimated cost of closure and post-closure care of $5,608 as the remaining estimated capacities are used. These amounts are based on what it would cost to perform all closure and post-closure care in the fiscal year ended June 30, 2012; actual costs may change due to inflation, changes in technology, or changes in regulations.

The County plans to fund the estimated closure and post-closure care costs with proceeds of general obligation bonds and with solid waste tipping fees.

According to State and Federal laws and regulations, the County must comply with the local government financial test requirements that ensure the County can meet the costs of landfill closure, post-closure, and corrective action when needed. The County is in compliance with these requirements. The Ina Road Landfill facility is closed to municipal solid waste and only receives green waste and construction debris. It is not subject to the closure and post-closure cost requirements referred to above. Pima County estimates that it will cost approximately $10,596 when closure occurs and plans to fund the costs with proceeds of general obligation bonds and with solid waste tipping fees. At this time, there is no closure date available.

Pension Plan Descriptions

The County contributes to the Arizona State Retirement System (ASRS), the Corrections Officer Retirement Plan (CORP), the Public Safety Personnel Retirement System (PSPRS), consisting of Pima County Sheriffs and Pima County - County Attorney Investigators, and the Elected Officials Retirement Plan (EORP). The EORP and the PSPRS are not described due to their relative insignificance to the County’s financial statements. Benefits are established by state statute and generally provide retirement, death, long-term disability, survivor, and health insurance premium benefits. The retirement benefits are generally paid at a percentage, based on years of service, of the retiree’s average compensation. Long-term disability benefits vary by circumstance, but generally pay a percentage of the employee’s monthly compensation. Health insurance premium benefits are generally paid as a fixed dollar amount per month towards the retiree’s healthcare insurance premiums, in amounts based on whether the benefit is for the retiree or for the retiree and his or her dependents.
Note 9: Pensions and Other Post Employment Benefits (continued)

The ASRS administers a cost-sharing multiple-employer defined benefit pension plan; a cost-sharing, multiple-employer defined benefit health insurance premium plan; and a cost-sharing multiple-employer defined benefit long-term disability plan that covers employees of the State of Arizona and employees of participating political subdivisions, including general employees of the County and school districts. The ASRS is governed by the Arizona State Retirement System Board according to the provisions of A.R.S. Title 38, Chapter 5, Article 2.

The PSPRS administers an agent multiple-employer defined benefit pension plan and an agent multiple-employer defined benefit health insurance premium plan that covers public safety personnel who are regularly assigned hazardous duty as employees of the State of Arizona or one of its political subdivisions. The PSPRS, acting as a common investment and administrative agent, is governed by a seven-member board, known as The Board of Trustees, and the participating local boards according to the provisions of A.R.S. Title 38, Chapter 5, Article 4.

The CORP administers an agent multiple-employer defined benefit pension plan and an agent multiple-employer defined benefit health insurance premium plan that covers certain employees of the State of Arizona’s Departments of Corrections and Juvenile Corrections and County employees whose primary duties require direct inmate contact. The CORP is governed by the Board of Trustees of PSPRS and the participating local boards according to the provisions of A.R.S. Title 38, Chapter 5, Article 6.

Each plan issues a publicly available financial report that includes its financial statements and required supplementary information. A report may be obtained by contacting the applicable plan.

Funding Policy

The Arizona State Legislature establishes and may amend active plan members’ and the County’s contribution rates for ASRS, PSPRS and CORP.

Cost-sharing plans

For the year ended June 30, 2012, active ASRS members were required by statute to contribute at the actuarially determined rate of 10.74 percent (10.5 percent for retirement and 0.24 percent for long-term disability) of the members’ annual covered payroll. The County is required by statute to contribute at an actuarially determined rate. For the year ended June 30, 2012, the County contributed 10.74 percent (9.87 percent for retirement, 0.63 percent for health insurance premium, and 0.24 percent for long-term disability) of the members’ annual covered payroll. For the year ended June 30, 2011, the County contributed 9.85 percent (9.01 percent for retirement, 0.59 percent for health insurance premium, and 0.25 percent for long-term disability) of the members’ annual covered payroll. For the year ended June 30, 2010, the County contributed 9.4 percent (8.34 percent for retirement, 0.66 percent for health insurance premium, and 0.40 percent for long-term disability) of the members’ annual covered payroll.
Agent plans
For the year ended June 30, 2012, active PSPRS members were required by statute to contribute 8.65 percent of the members’ annual covered payroll, and the County was required to contribute at the actuarially determined rate of 24.24 percent, the aggregate of which is the actuarially required amount. As allowed by statute, the County contributed 3.65 percent of the members’ required contribution, with the members contributing 5.00 percent. The health insurance premium portion of the contribution was set at 1.83 percent of covered payroll. Active CORP members were required by statute to contribute 8.41 percent of the members’ annual covered payroll, and the County was required to contribute at the actuarially determined rate of 9.38 percent, the aggregate of which is the actuarially required amount. The health insurance premium portion of the contribution rate was actuarially set at 1.30 percent of covered payroll.

Actuarial methods and assumptions
The contribution requirements for the year ended June 30, 2012 were established by the June 30, 2010 actuarial valuations and those actuarial valuations were based on the following actuarial methods and assumptions.

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events in the future. Amounts determined regarding the funded status of the plans and the annual required contributions are subject to continual revision as actual results are compared to past expectations and new estimates are made. The required schedule of funding progress presented as required supplementary information provides multi-year trend information that shows whether the actuarial value of the plans’ assets are increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Projections of benefits are based on 1) the plans as understood by the County and plans’ members and include the types of benefits in force at the valuation date, and 2) the pattern of sharing benefit costs between the County and plans’ members to that point. Actuarial calculations reflect a long-term perspective and employ methods and assumptions that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets. The significant actuarial methods and assumptions used are the same for all plans and related benefits (unless noted), and the actuarial methods and assumptions used to establish the fiscal year 2012 contribution requirements, are as follows:

**LEASE**

**Lease of Leased Property**

Upon the County's failure to obtain, on or prior to the last date on which the County is required or permitted to adopt its budget for a fiscal year of the full amount of funds necessary to make all Lease Payments coming due during the fiscal period for which such budgeting and appropriation are made all of the County's right, title and interest in and future obligations under the Lease and to all of the Leased Property shall terminate (subject to reinstatement within 45 days of such terminate date), effective as of the last day of the last fiscal period for which such budgeting and appropriation were properly obtained.

**Lease Payments; Additional Rent; Reduction of Rental**

The County has agreed to pay the Lease Payments as rental for the use and occupancy of the Leased Property, which shall be paid in arrears on May 15 and November 15 of each year.

The amount of Lease Payments shall be reduced upon the redemption of Certificates resulting from Prepayment of Lease Payments, including those resulting from damage or destruction (other than by eminent domain which is hereinafter discussed), of the Leased Property causing substantial interference with the use and occupancy thereof by the County. The Lease Payments shall be reduced proportionately as to the principal and interest components thereof such that the resulting Lease Payments shall correspond to the remaining payments of principal and interest on the Outstanding Certificates (after any redemption of Certificates resulting from such Prepayments made with the Net Proceeds of insurance coverage for such damage or destruction), which resulting Lease Payments are deemed to represent fair consideration for the use and occupancy of the portions of the Leased
Property not damaged or destroyed. In the event of any such reduction, the Lease shall continue in full force and effect and the County shall waive any right to terminate the Lease by virtue of any damage and destruction of the Leased Property causing such reduction in Lease Payments.

In addition to Lease Payments, the County has agreed to pay when due as Additional Rent (a) all costs and expenses of the Lessor or the Trustee to comply with the provisions of the Trust Agreement, (b) payments required to be deposited into the Rebate Fund pursuant to the Trust Agreement to make certain arbitrage rebate payments to the federal government, (c) compensation and expenses of the Trustee, (d) certain indemnification amounts (e) all costs and expenses of auditors, engineers and legal counsel, and (f) all rent for any holdover period during which the County stays in possession of the Leased Property after termination of the Lease.

Maintenance, Utilities, Taxes and Modifications

The County, at its own expense, has agreed to maintain or cause to be maintained the Leased Property in good repair; the Lessor has no responsibility for such repair. The County has the power to make additions, modifications and improvements to the Leased Property which do not damage or reduce their value to a value substantially less than that which existed prior to such modification or improvement. Any such additions, modifications or improvements shall automatically become subject to the Lease. The County must pay or cause to be paid all taxes, other governmental charges and utility charges with respect to the Leased Property, as well as any taxes and assessments, if any, which it is legally obligated to pay.

Insurance

The Lease requires the County to maintain or cause to be maintained the following insurance against risk or physical damage to the Leased Property and other risks for the protection of the Certificate Owners and the Trustee:

(i) General Liability. The County shall maintain or cause to be maintained, throughout the term of the Lease through Qualified Self-Insurance or a standard commercial general insurance policy or policies with a responsible insurance company or companies authorized under the laws of the State to assume such risks, of such types and in such amounts as are then customary for similar institutions carrying on similar activities to those carried on the Leased Property.

(ii) Fire and Extended Coverage, Vandalism and Malicious Mischief. The County shall maintain or cause to be maintained, throughout the term of the Lease, insurance or Qualified Self-Insurance against loss or damage to any structure or equipment constituting any part of the Leased Property by fire and lightning, with extended coverage and malicious mischief insurance. Coverage shall be in an amount equal to 100% of the replacement cost of the Leased Property. Such insurance may be subject to deductible clauses of not to exceed $100,000 for any one loss.

The insurance described in paragraphs (i) and (ii) may be maintained as part of or in conjunction with any other liability or fire and extended coverage for insurance, respectively, carried or required to be carried by the County and may be maintained in the form of Qualified Self-Insurance by the County.

(iii) Title Insurance. The County provided a title insurance policy in the amount of the aggregate principal amount of the Certificates, insuring the Trustee's estate in the Leased Property, subject only to Permitted Encumbrances.

All policies of insurance (except the policy of general liability insurance) must provide that the Net Proceeds thereof shall be payable to the Trustee. The Net Proceeds of fire and extended coverage insurance shall be deposited in the Insurance and Condemnation Fund and applied to restore, replace, repair, modify or improve the Leased Property or to the prepayment of Lease Payments and the corresponding redemption of Certificates. See “TRUST AGREEMENT -- Funds - Insurance and Condemnation Fund”. The Net Proceeds of general liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the Net Proceeds of such insurance shall have been paid. The proceeds of title insurance shall be deposited in the Lease Payment Fund and applied to the prepayment of Lease Payments and the corresponding redemption of Outstanding
Certificates. The County has agreed to pay or cause to be paid when due the premiums on all insurance policies and furnish evidence of such payments promptly to the Trustee.

In the event the County maintains Self-Insurance for general liability insurance and fire and extended coverage insurance required under the Lease, the County shall cause to be delivered to the Trustee annually the documentation required for the determination that such self-insurance constitutes Qualified Self-Insurance. Additionally, to the extent the Trustee may not be named as an insured or loss payee under any insurance or Qualified Self-Insurance, the County assigns to the Trustee its rights to receive any or all proceeds received from such insurance or Qualified Self-Insurance as their respective rights under the Lease appear on the date of payment. The County shall furnish an annual certificate to the Trustee stating that the insurance in effect meets the requirements of the Lease.

Eminent Domain

If all of the Leased Property shall be taken permanently under the power of eminent domain, the term of the Lease shall cease as of the day possession shall be so taken. If less than all of the Leased Property shall be taken permanently, or if all of the Leased Property or any part thereof shall be taken temporarily, under the power of eminent domain, (i) the Lease shall continue in full force and effect and shall not be terminated by virtue of such taking and the parties thereto waive the benefit of any law to the contrary, and (ii) there shall be a partial reduction of Lease Payments as a result of the application of the Net Proceeds of any eminent domain award to the Prepayment of the Lease Payments, which shall be reduced proportionately as to the principal and interest components thereof such that the resulting Lease Payments shall correspond to the remaining payments of principal of and interest on the Outstanding Certificates, which represent fair consideration for the use and occupancy of the remaining usable portion of the Leased Property. See ‘Lease -- Lease Payments; Additional Rent; Reduction of Rental.”

Option to Purchase Leased Property

The County has the option to purchase all of the Leased Property by prepaying the Lease Payments in whole at any time at the prices set forth in the Lease. In the event that the County elects to exercise its option prior to the optional redemption dates of the Certificates, the County is required to make such Prepayment by depositing certain Permitted Investments and cash, if required, sufficient, together with earnings on the investment thereof to pay and redeem the appropriate amount of Certificates. The optional prepayment prices have been determined such that all of the Outstanding Certificates shall be retired in the event the County elects to purchase all of the Leased Property.

The County may on any date secure the payment of Lease Payments with respect to any element of the Leased Property by deposit with the Trustee of certain Permitted Investments and cash, if required, in such amount as shall, in the opinion of an independent certified public accountant, together with interest to accrue thereon and, if required, all or a portion of moneys or Permitted Investments then on deposit in the Lease Payment Fund, the Insurance and Condemnation Fund related to the Lease Payments with respect to such Leased Property, be fully sufficient to pay all unpaid Lease Payments and Additional Rent with respect to such Leased Property on the respective Lease Payment Dates or on the applicable date for Prepayment of Lease Payments, as the County instructs at the time of said deposit.

Assignment; Subleases

The County may not assign any of its rights in the Lease, and may not sublease all or a portion of the Leased Property without the written consent of the Trustee and only under the conditions contained in the Lease, including the condition that such sublease not adversely affect the exclusion of the interest components of the Lease Payments from federal gross income when paid to the Owners of the Certificates.

Events of Default

Each of the following constitutes an “event of default” under the Lease:
(i) Failure by the County to make any Lease Payment or other payment required under the Lease when due and continuation of such failure for two (2) days; or

(ii) Failure by the County to comply with any covenant, agreement or condition contained in the Lease or the Trust Agreement, other than default described in above, and the continuance of such failure or default for a period of 30 days after written notice thereof has been given to the County by the Trustee, the lessor, or the Owners of not less than 5% in aggregate principal amount of Certificates then Outstanding; provided, if the failure stated in the notice can be corrected, but not within such 30 day period, the Trustee, the Lessor and such Owners shall not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the County within such 30 day period and diligently pursued until the default is corrected; or

(iii) Any representation or warranty made by the County under the Lease shall be untrue in any material respect; or.

(iv) Certain events relating to bankruptcy of the County or the inability of the County to pay its debts.

Notwithstanding the foregoing, if, by reason of Force Majeure, the County is unable to perform or observe any agreement, term or condition of the Lease, other than any obligation to make Lease Payments or Additional Rent, the County shall not be deemed in default during the continuance of such inability. However, the County shall promptly give notice to the Trustee of existence of any event of Force Majeure and shall use its best efforts to remove the effects thereof; provided that the settlement of strike or labor disturbances shall be entirely within the County's discretion.

The term “Force Majeure” shall mean, without limitation: Acts of God; strikes, lockouts or other labor disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States or any of its departments, agencies, political subdivisions, courts or officials, or any civil or military authority; insurrections; civil disturbances; riots; epidemics; landslides; lighting; earthquakes; fire; hurricanes; tornadoes; storms; droughts; floods; arrests; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation.

Upon the occurrence and continuance of any event of default, the Lessor may at its option elect to terminate the Lease or, with or without such termination, to re-enter, take possession of the Leased Property, to the exclusion of the County, and sell, convey, re-rent or re-let the Leased Property. Any amounts collected by the Lessor from the sale or reletting of the Leased Property shall be credited towards the County's unpaid Lease Payments. Any net proceeds of sale, re-lease or other disposition of the Leased Property are required to be deposited in the Lease Payment Fund and applied to Lease Payments in order of payment date. Pursuant to the Trust Agreement, the Lessor assigns all of its rights with respect to remedies in an event of default to the Trustee, so that all such remedies shall be exercised by the Trustee and the Certificate Owners as provided in the Trust Agreement.

**TRUST AGREEMENT**

**Pledge and Security**

Pursuant to the Trust Agreement, the Trustee is authorized and directed to acquire, to receive and to hold as security for the Owners of the Certificates, the following:

A. All right, title and interest of the Lessor in and to the Leased Property; subject, however, to the rights of the County under the Lease.

B. All right, title and interest of the Lessor in and to the Lease, the Deed and the Ground Lease and the present and continuing right to (i) make claim for, collect or cause to be collected, receive or cause to be received all revenues, receipts and other sums of money payable or receivable thereunder, (ii) bring actions and proceedings thereunder or for the enforcement thereof, and (iii) do any and all things which the Lessor is or may become entitled to do thereunder.
C. All right, title and interest of the Lessor in and to amounts on deposit from time to time in the funds and accounts created pursuant to the Trust Agreement (other than the Rebate Fund).

The Trust Agreement also represents a declaration by the Trustee that it holds the above rights and interests in trust for the benefit of the Owners of the Certificates.

**Trustee**

The Trustee is appointed pursuant to the Trust Agreement and is authorized to execute and deliver the Certificates and to act as a depository of amounts held thereunder. The Trustee is required to make deposits into and withdrawals from funds, and invest amounts held under the Trust Agreement in accordance with the County’s instructions.

**Funds**

The Trust Agreement creates the Acquisition Fund, the Delivery Costs Fund, the Lease Payment Fund and the Insurance and Condemnation Fund to be held in trust by the Trustee.

**Acquisition Fund.** There shall be deposited into the Acquisition Fund (after certain deposits are made to the Delivery Costs Fund) amounts necessary to acquire the Leased Property.

**Delivery Costs Fund.** There shall be deposited in the Delivery Costs Fund amounts necessary to pay costs relating to the execution, sale and delivery of Certificates, which amounts shall be disbursed by the Trustee, upon the written order of the County.

**Lease Payment Fund.** There shall be deposited into the Lease Payment Fund, when received by the Trustee, all Lease Payments and Prepayments. Moneys on deposit in the Lease Payment Fund shall be used to pay principal of, redemption premiums, if any, and interest on the Certificates.

**Insurance and Condemnation Fund.** Any Net Proceeds of insurance or condemnation awards in excess of $100,000 shall be deposited in the Insurance and Condemnation Fund. Moneys on deposit, in the event of an insurance award, shall be used, as directed by the County, either to replace, repair or improve the Leased Property or be transferred to the Lease Payment Fund and applied to the Prepayment of the Certificates. However, if the Leased Property is destroyed in full, such Net Proceeds may only be used to prepay Lease Payments if they are sufficient, together with other available moneys, to fully prepay the Certificates. If such moneys are not so sufficient, they shall be used to replace, repair or improve the Leased Property.

Net Proceeds of a condemnation award shall be used as follows: (i) if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such eminent domain proceedings have not materially affected the operation of any of the Leased Property or the County’s ability to meet its obligations under the Lease, and if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such proceedings are not needed for repair or rehabilitation of the Leased Property, the Trustee shall transfer such proceeds to the Lease Payment Fund as a credit against Lease Payments, (ii) if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such proceedings have not materially affected the operations of any of the Leased Property or the County’s ability to meet its obligations under the Lease and such proceeds are needed for repair, rehabilitation or replacement of the Leased Property, the Trustee shall pay to the order of the County such portion of the proceeds required for such repair, rehabilitation or replacement, (iii) to prepay Lease Payments and redeem Certificates if less than all of the Leased Property is taken and the Trustee determines that such proceedings have materially affected the operation of the Leased Property or the County’s ability to meet its obligations under the Lease, or (iv) if all of the Leased Property is taken, to prepay Lease Payments and thereby redeem Certificates.

Any moneys in the Insurance and Condemnation Fund (including investment earnings) remaining after the repair, replacement or improvement of the Leased Property is completed shall be paid to the County.
The Trustee is required to invest and reinvest all moneys held under the Trust Agreement upon order of a representative of the County in Permitted Investments for the Certificates. Any surplus remaining in the Lease Payment Fund after the payment of all Certificates, or provision for their payment has been made, shall be repaid to the County.

Event of Default; Acceleration

Upon the occurrence of an Event of Default, the Trustee, shall take action to exclude the County from the Leased Property and, upon the request of the Owners of at least 5% in Outstanding principal amount of the Certificates, shall exercise any and all remedies available at law or pursuant to the Lease including declaring the Certificates then Outstanding to be immediately due and payable; provided however that no such acceleration shall change or otherwise affect the County's obligation to make Lease Payments and Additional Rent only during the term of the Lease and at the amounts and times provided therein. The Owner of any Certificate may institute any suit, action, or other proceedings in equity or at law for the protection or enforcement of any right under the Lease or Trust Agreement if and only if (i) such Owner has given written notice to the Trustee of such Event of Default, (ii) a majority of Certificate Owners have first notified the Trustee in writing of the event of default and made written request of the Trustee to exercise such powers, (iii) the Trustee shall have been offered reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request, and (iv) the Trustee shall have refused or omitted to comply with such request 60 days following receipt of such written request and such tender of indemnity.

Amendment

The Trust Agreement or the Lease may be amended by agreement among the parties thereto, and without the consent of the Owners of the Certificates, but only (i) to add to the covenants and agreements of any party, other covenants to be observed, or to surrender any right or power reserved in the Trust Agreement to the Lessor or the County, (ii) to cure, correct or supplement any ambiguous or defective provision, (iii) in regard to questions arising thereunder, which shall not, in the judgment of the Trustee, materially adversely affect the interest of the Owners, or (iv) to provide additional terms and conditions in connection with the issuance of Additional Certificates, which shall not, in the judgment of the Trustee, materially adversely affect the interests of the Owners. Any other amendment shall require the approval of a majority in principal amount of the Certificates then Outstanding; provided that no such amendment shall (i) extend the maturity or time of interest payment, or reduce the interest rate, amount of principal or premium payable on, any Certificate without such owner's consent, (ii) reduce the percentage of Owners of Certificates required to consent to any amendment or modification, or (iii) modify any of the Trustee's rights or obligations without its consent.

Defeasance

Upon payment of all Outstanding Certificates, either at or before maturity, or upon the irrevocable deposit of Permitted Investments of the type described in paragraph (a) of the definition of the term “Permitted Investments” (but not including any repurchase agreements), with the Trustee sufficient together with other available funds, without reinvestment, to retire the Certificates at or before maturity, the Trust Agreement shall be terminated, except for the obligations of the Trustee to make payments on the Certificates.

Any Certificate or portion thereof in authorized denominations may be paid as provided in the preceding paragraph; provided, however, that if any such Certificate or portion thereof is to be redeemed, notice of such redemption shall have been given in accordance with the provisions of the Trust Agreement or the County shall have submitted to the Trustee instructions expressed to be irrevocable as to the date upon which such Certificate or portion thereof is to be redeemed and as to the giving of notice of such redemption; and provided further, that if any such Certificate or portion thereof shall not mature or be redeemed within 60 days of the deposit of the moneys or the respective Permitted Investments referred to in the preceding paragraph, the Trustee shall give notice of such deposit by first class mail to the Owners.
**Additional Certificates**

So long as the Lease remains in effect and no Event of Default under the Trust Agreement has occurred, the Trustee may execute and deliver, at the direction of the County, Additional Certificates from time to time to provide funds to pay any one or more of (i) the costs of refunding Outstanding Certificates or restructuring the County's Lease Payments under the Lease, or (ii) the costs of making any modifications or improvements to the Leased Property as the County may deem necessary or desirable.

Before the Trustee shall deliver any Additional Certificates executed, the following items shall have been received by the Trustee:

(a) Original executed counterparts of any amendments or supplements to the Lease and of the Trust Agreement entered into in connection with the execution and delivery of the Additional Certificates, which are necessary or advisable, in the opinion of Special Counsel, to provide that the Additional Certificates will be executed and delivered in compliance with the provisions of the Trust Agreement.

(b) A written opinion of Special Counsel to the effect that (i) the documents submitted to the Trustee in connection with the request then being made comply with the requirements of the Trust Agreement, (ii) any filings required to be made under the Trust Agreement have been made, and (iii) all conditions precedent to the delivery of the Additional Certificates have been fulfilled.

(c) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above), to the effect that (i) when executed and delivered by the Trustee, those Additional Certificates will be valid and binding in accordance with their terms and will be secured hereunder equally and on a parity with all other Certificates at the time Outstanding under the Trust Agreement as to the assignment to the Trustee of the amounts pledged thereunder, and (ii) the execution and delivery of the Additional Certificates will not result in the portion of the Lease Payments designated as interest evidenced by the Certificates Outstanding immediately prior to that execution and delivery of such Additional Certificates becoming includable in gross income for purposes of federal income taxation.

(d) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above) to the effect that any amendments or supplements to the Lease entered into in connection with the execution and delivery of the Additional Certificates have been duly authorized, executed and delivered by the County, and that the Lease, as amended or supplemented, constitutes a legal, valid and binding obligation of the Lessee, enforceable in accordance with its terms, subject to exceptions reasonably satisfactory to the Trustee for bankruptcy laws and other laws affecting creditors’ rights and the exercise of judicial discretion.

(e) Written confirmation from Moody’s, if the Certificates are then rated by Moody’s, and from S&P, if the Certificates are then rated by S&P, that the issuance of the Additional Certificates will not cause the then-assigned rating assigned to the Certificates to be reduced or withdrawn.

**THE GROUND LEASE**

The County leases the site for the Public Works Parking Garage and all improvements and structures thereon, to the Trustee for the period commencing as of the date of the Ground Leases and terminating on June 1, 2023, provided that in no event shall the Ground Lease terminate before the termination of the Lease.

Title to the Public Works Parking Garage shall at all times remain with the County.

The Trustee prepaid its rental payments under the Ground Lease upon execution and delivery of the Ground Lease in connection with the execution and delivery of the 2008 Certificates.

The County shall have the right to terminate the Ground Lease upon written notice to the Trustee of (a) defeasance of the Lease and the Trust Agreement with respect to all Certificates as permitted thereunder, or (b) the exercise of the County of its option to purchase the Leased Property pursuant to the Lease and defeasance of the Trust Agreement as permitted thereunder.

FORM OF SPECIAL COUNSEL OPINION

[Closing Date]

Pima County, Arizona
Tucson, Arizona

Ladies and Gentlemen:

We have served as special counsel to our client Pima County, Arizona (the “County”) and not as counsel to any other person in connection with the execution and delivery by U.S. Bank National Association, as trustee (the “Trustee”), of $79,915,000* aggregate principal amount of Certificates of Participation, Series 2013A (the “2013A Certificates”) and $13,045,000* aggregate principal amount of Refunding Certificates of Participation, Series 2013B (the “2013B Certificates” and, together with the 2013A Certificates, the “2013 Certificates”) pursuant to a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010 and a Third Supplement to Trust Agreement, dated as of May 1, 2013 (collectively, the “Trust Agreement”), between Pima County, Arizona (the “County”) and the Trustee, and relating to a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease-Purchase, dated as of June 1, 2009, a Second Amendment to Lease-Purchase, dated as of February 1, 2010 and a Third Amendment to Lease-Purchase, dated as of May 1, 2013 (collectively, the “Lease Agreement”), between the Trustee, as lessor, and the County, as lessee. The Lease Agreement and the Trust Agreement are referred to collectively as the “County Documents.” Capitalized terms not defined in this letter are used as defined in the County Documents.

In our capacity as special counsel, we have examined the transcript of proceeding relating to the execution and delivery of the 2013 Certificates, the County Documents, copies of the executed certificate of the first maturity of each series of the 2013 Certificates, and such other documents, matters and law as we deem necessary to render the opinions set forth in this letter.

The 2013 Certificates, together with other Certificates (as defined in the Trust Agreement) heretofore or hereafter executed and delivered pursuant to the Trust Agreement, represent undivided and proportionate interests in the obligations of the County under the Lease Agreement. The County has agreed to lease certain real and personal property from the Trustee, as lessor, under the Lease Agreement.

Based upon our examination, we are of the opinion that, under existing law:

1. The County is a political subdivision existing under the laws of the State of Arizona, and has all requisite power to enter into and perform its obligations under the County Documents.

2. The County Documents each have been duly authorized, executed and delivered by the County and constitute legal, valid and binding obligations of the County enforceable in accordance with their terms.

* Preliminary, subject to change.
3. The 2013 Certificates have been duly authorized, executed and delivered by the Trustee at the request and for the benefit of the County and are valid and binding limited and special obligations payable solely from the Lease Payments (as defined in the Lease Agreement) and certain funds held under the Trust Agreement as provided therein. The 2013 Certificates are not secured by an obligation or pledge of any taxing power or moneys raised thereby and are not a debt of and do not constitute a pledge of the faith and credit of the County, the State of Arizona or any political subdivision thereof.

4. The portion of each Lease Payment made by the County pursuant to the Lease Agreement and denominated as and comprising interest pursuant the Lease Agreement and received by the owners of the 2013 Certificates (the “Interest Portion”) is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, portions of the Interest Portion earned by certain corporations may be subject to a corporate alternative minimum tax. The Interest Portion is exempt from Arizona State income tax. We express no opinion as to any other tax consequences regarding the 2013 Certificates. We also express no opinion as to the treatment for federal income tax purposes or Arizona state income tax purposes of amounts paid to the owners of the 2013 Certificates in the event of termination of the Lease Agreement due to nonappropriation.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined, (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the County and (iii) the correctness of the legal conclusions contained in the legal opinion letters of counsel to the County delivered in connection with this matter.

In rendering those opinions with respect to treatment of the Interest Portion under the federal tax laws, we further assume and rely upon compliance with the covenants in the proceedings and documents we have examined, including those of the County. Failure to comply with certain of those covenants subsequent to the execution and delivery of the 2013 Certificates may cause the Interest Portion to be included in gross income for federal income tax purposes retroactively to the date of execution and delivery of the 2013 Certificates.

The rights of the owners of the 2013 Certificates and the enforceability of the 2013 Certificates and the County Documents are subject to bankruptcy, insolvency, arrangement, fraudulent conveyance or transfer, reorganization, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to the exercise of judicial discretion, and to limitations on legal remedies against public entities.

The opinions rendered in this letter are stated only as of this date, and no other opinion shall be implied or inferred as a result of anything contained in or omitted from this letter. Our engagement as special counsel with respect to the 2013 Certificates has concluded on this date.

Respectfully submitted,

BOOK-ENTRY-ONLY SYSTEM

THE INFORMATION PROVIDED IN THIS APPENDIX HAS BEEN PROVIDED BY DTC. NO REPRESENTATION IS MADE BY THE COUNTY, SPECIAL COUNSEL, OR THE UNDERWRITER AS TO THE ACCURACY OR ADEQUACY OF SUCH INFORMATION PROVIDED BY DTC OR AS TO THE ABSENCE OF MATERIAL ADVERSE CHANGES IN SUCH INFORMATION SUBSEQUENT TO THE DATE HEREOF.

DTC will act as securities depository for the 2013 Certificates. The 2013 Certificates will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the 2013 Certificates, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of 2013 Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2013 Certificates on DTC’s records. The ownership interest of each actual purchaser of each 2013 Certificate (“Beneficial Owner”) is in turn to be recorded on the Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2013 Certificates are to be accomplished by entries made on the books of Direct Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in 2013 Certificates, except in the event that use of the book-entry system for the 2013 Certificates is discontinued.

To facilitate subsequent transfers, all 2013 Certificates deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2013 Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2013 Certificates; DTC’s records reflect only the identity of the Direct Participants to whose accounts such 2013 Certificates are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.
Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to
Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by
arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.
Beneficial Owners of 2013 Certificates may wish to take certain steps to augment the transmission to them of
notices of significant events with respect to the 2013 Certificates, such as redemptions, tenders, defaults, and
proposed amendments to the Trust Agreement. For example, Beneficial Owners of 2013 Certificates may wish to
ascertain that the nominee holding the 2013 Certificates for their benefit has agreed to obtain and transmit notices to
Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the
Trustee and request that copies of notices be provided directly to them.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to 2013
Certificates unless authorized by a Direct Participant in accordance with DTC’s Procedures. Under its usual
procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus
Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts 2013
Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and redemption payments on the 2013 Certificates will be made by the Trustee to Cede
& Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to
credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the
County or the Trustee, on payable date in accordance with their respective holdings shown on DTC’s records.
Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices,
as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and
will be the responsibility of such Participant and not of DTC; the Trustee or the County, subject to any statutory or
regulatory requirements as may be in effect from time to time. Payment of principal, interest and redemption
proceeds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the
responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of
DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants
and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2013 Certificates at any time
by giving reasonable notice to the Trustee or the County. Under such circumstances, in the event that a successor
depository is not obtained, Bond certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry-only transfers through DTC (or a
successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

NEITHER THE COUNTY NOR THE TRUSTEE WILL HAVE RESPONSIBILITY OR OBLIGATION
TO PARTICIPANTS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC,
ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (2) ANY NOTICE THAT IS PERMITTED
OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2013 CERTIFICATES UNDER THE TRUST
AGREEMENT; (3) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT
PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION
OF THE 2013 CERTIFICATES; (4) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR
INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION
PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE 2013 CERTIFICATES; (5) ANY
CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF 2013 CERTIFICATES; OR
(6) ANY OTHER MATTERS.

So long as Cede & Co. is the registered owner of the 2013 Certificates, as nominee for DTC, references
herein to “Owner” or registered owners of the 2013 Certificates (other than under the caption “TAX MATTERS”) shall
mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of such 2013 Certificates.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners,
such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such
Beneficial Owners for such purposes. When notices are given, they shall be sent by the County or the Trustee to
DTC only.
So long as Cede & Co. is the registered Owner of the 2013 Certificates, as nominee for DTC, references herein to “Owner” or registered owners of the 2013 Certificates (other than under the captions “TAX MATTERS”) shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of such 2013 Certificates.

When reference is made herein to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the County or the Trustee to DTC only.

The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the County believes to be reliable, but the County takes no responsibility for the accuracy thereof.

This offer is made subject to written acceptance hereof by the County and the Trustee before 11:59 p.m., Mountain Standard Time, on the date indicated above, and,
if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the County and the Trustee at any time prior to the acceptance hereof. Unless the context otherwise indicates, any capitalized term not defined in this Contract shall have the meaning assigned to it in the Trust Agreement described in Section 1 hereof or in the Official Statement described in Section 3 hereof.

1. Purchase and Sale of the Certificates.

(a) Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriter shall purchase all, but not less than all, and the County shall cause the Trustee to execute, sell and deliver to the Underwriter all, of the $80,175,000 principal amount of Certificates of Participation, Series 2013A and $12,705,000 principal amount of Refunding Certificates of Participation, Series 2013B (both series together, the "Certificates") evidencing proportionate ownership interests in the Lease Payments to be made by the County.

(b) Inasmuch as this purchase and sale represents a negotiated transaction, (i) the transaction contemplated by this Contract is an "arm's length," commercial transaction between the County and the Underwriter in which the Underwriter is acting solely on its behalf, not as agent but as a principal and is not acting as a municipal advisor, financial advisor or fiduciary to the County; (ii) the Underwriter has not assumed any advisory or fiduciary responsibility to the County with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the County on other matters); (iii) the Underwriter is acting solely in its capacity as underwriter for its own account; (iv) the only obligations the Underwriter has to the County or the Trustee with respect to the transaction contemplated hereby expressly are set forth in this Contract and (v) the County has consulted its own legal, accounting, tax and other advisors, as applicable, to the extent deemed appropriate.

(c) The principal amount of the Certificates to be issued, the dated date thereof and the maturities, extraordinary redemption provisions and interest rates per annum therefor are set forth in the Schedule hereto. The Certificates shall be as described in, and shall be executed, delivered and secured under and pursuant to the provisions of, a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, and a Third Supplement to Trust Agreement, to be dated as of May 1, 2013 (as so supplemented, the "Trust Agreement"), between the County and the Trustee, and authorized by a Resolution of the Board of Supervisors of the County adopted on September 11, 2012, as amended on December 18, 2012 (as so amended, the "Resolution"). The proceeds of the sale of the Certificates will be used as provided in the Trust Agreement.
(e) The purchase price of the Certificates shall be $98,407,019.60. The purchase price represents the aggregate of:
(1) the aggregate par amount of the Certificates of $92,880,000.00;
(2) plus the original issue premium on the Certificates of $6,167,891.60 and less the compensation of the Underwriter of $640,872.00. Based on the initial offering prices to the public of the Certificates as reflected on the inside cover page of the Final Official Statement (as hereafter defined), the Underwriter anticipates receiving compensation of $640,872.00. The Underwriter shall also be reimbursed for its expenses as set forth in Section 9 of this Contract.

(f) The Certificates represent undivided proportionate interests of the owners thereof in lease payments (the "Lease Payments") to be received from the County pursuant to a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease Agreement, dated as of June 1, 2009, a Second Amendment to Lease Agreement, dated as of February 1, 2010, and a Third Amendment to Lease Agreement, to be dated as of May 1, 2013 (as so amended, the "Lease"), by and between the County and the Trustee, as the rental price for certain real property and improvements thereto (the "Leased Property"). The obligations of the County under the Lease will be payable exclusively from appropriated funds and will not be a general obligation or indebtedness of the County for any purpose.

2. Public Offering. The Underwriter shall make a bona fide public offering of all of the Certificates at a price not to exceed the public offering prices or yields set forth on the inside cover page of the Final Official Statement and may subsequently change such offering prices or yields without any requirement of prior notice. The Underwriter may offer and sell Certificates to certain dealers (including dealers depositing Certificates into investment trusts) and others at prices lower or yields higher than the public offering prices or yields stated on the cover of the Final Official Statement.

3. The Official Statement.

(a) The Certificates shall be offered for sale pursuant to a final Official Statement, dated the date hereof (the "Final Official Statement"), with respect to the Certificates. On behalf of the County and for purposes of the hereinafter described Rule, the Preliminary Official Statement, dated April 26, 2013 (the "Preliminary Official Statement"), with respect to the Certificates, was prepared for use in connection with the public offering, sale and distribution of the Certificates by the Underwriter and is "deemed final" as of its date, except for the omission of such information permitted to be excluded by Section (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule"). The County ratifies, approves and confirms in all respects the use of the Preliminary Official Statement in connection with the public offering and sale of the Certificates. Collectively, the Final Official Statement and the
Preliminary Official Statement are hereinafter called the "Official Statement."

(b) The County authorizes the Final Official Statement and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Certificates. The County shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the acceptance by the County of this Contract (but, in any event, not later than within seven (7) business days after the acceptance by the County of this Contract and in sufficient time to accompany any confirmation that requests payment from any customer) copies of the Final Official Statement which is complete as of the date of its delivery to the Underwriter in such quantity as the Underwriter shall request in order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board.

(c) If, after the date of this Contract to and including the date the Underwriter is no longer required to provide the Final Official Statement to potential customers who request the same pursuant to the Rule (the earlier of (i) 90 days from the "end of the underwriting period" (as defined in Rule) and (ii) the time when the Final Official Statement is available to any person from the Municipal Securities Rulemaking Board, but in no case less than twenty-five (25) days after the "end of the underwriting period" for the Certificates), if the County becomes aware of any fact or event which might or would cause the Final Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or if it is necessary to amend or supplement the Final Official Statement to comply with law, the County will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request) and if, in the opinion of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Final Official Statement, the County will forthwith prepare and furnish, at the expense of the County (in a form and manner approved by the Underwriter), a reasonable number of copies of either amendments or supplements to the Final Official Statement so that the statements in the Final Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or so that the Final Official Statement will comply with law. (Unless otherwise notified in writing by the Underwriter, the County can assume that the "end of the underwriting period" for purposes of the Rule is the date of the Closing.) If such notification shall be subsequent to the hereinafter described Closing, the County shall furnish such legal opinions, certificates, instruments and other documents as the Underwriter may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Final Official Statement.
4. Representations, Warranties, and Covenants of the County. The undersigned on behalf of the County, but not individually, represents and warrants to and covenants with, as applicable, the Underwriter that:

(a) The County is a political subdivision of the State of Arizona (the "State") duly created, organized and existing under the laws of the State and has full legal right, power and authority and at the date of the Closing will have full legal right, power and authority (i) to enter into and execute and deliver the Resolution, the Trust Agreement, the Lease, a Ground Lease, dated as of June 1, 2008 (the "Ground Lease"), by and between the County and the Trustee, this Contract and the Undertaking (as defined in Section 7(j)(2) hereof) (such documents referred to in this clause (i) hereinafter collectively referred to as the "County Documents"), (ii) to approve, execute and authorize the use and distribution of the Official Statement and (iii) to carry out and consummate file transactions contemplated by the County Documents and the Official Statement, and the County has complied, and will at the date of the Closing be in compliance in all material respects, with the terms of the County Documents as they pertain to such transactions.

(b) By all necessary official action of the County prior to or concurrently with the acceptance hereof, the County has duly authorized all necessary action to be taken by it for (i) the adoption of the Resolution and the sale and execution and delivery of the Certificates, (ii) the approval, execution and delivery of, and the performance by the County of the obligations on its part contained in, the Certificates and the County Documents and (iii) the consummation by it of all other transactions contemplated by the Official Statement and the County Documents and any and all such other agreements and documents as may be required to be executed, delivered and/or received by the County in order to carry out, give effect to, and consummate the transactions contemplated herein and in the Official Statement.

(c) The County Documents will constitute legal, valid and binding obligations of the County, enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; the Certificates, when paid for and executed and delivered, in accordance with the Resolution, the Trust Agreement and this Contract, will constitute legal, valid and binding obligations of the County entitled to the benefits of the Resolution and enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; and upon the execution and delivery of the Certificates as aforesaid, the Trust Agreement will provide, for the benefit of the holders, from time to time, of the Certificates, the legally valid and binding pledge of and lien it purports to create as set forth in the Trust Agreement.
(d) The County is not in breach of or default in any material respect under any applicable constitutional provision, law of the State or the United States or any applicable judgment or decree or any loan agreement, trust agreement, bond, note, resolution, agreement or other instrument to which the County is a party or to which the County is otherwise subject, and no event has occurred and is continuing which constitutes or with the passage of time or the giving of notice, or both, would constitute a default or event of default by the County under any of the foregoing, and the execution and delivery of the Certificates and the County Documents and the adoption of the Resolution and compliance with the provisions on the part of the County contained herein and therein will not conflict with or constitute a breach of or default under any constitutional provision, administrative regulation, judgment, decree, loan agreement, trust agreement, bond, note, resolution, agreement or other instrument to which the County is a party or to which the County is otherwise subject nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the County pledged to secure the Certificates or under the terms of any such law, regulation or instrument, except as provided by the Certificates and the Trust Agreement.

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the County of its obligations under the County Documents have been duly obtained, except such approvals, consents and orders as may be required under the "blue sky" or securities laws of any jurisdiction in connection with the offering and sale of the Certificates.

(f) Except as otherwise disclosed in the Official Statement, there is no litigation, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending or overtly threatened against the County, affecting the existence of the County or the titles of its officers to their respective offices, or affecting or seeking to prohibit, restrain or enjoin the sale or execution and delivery of the Certificates or the appropriation of Lease Payments to pay the principal of and interest on the Certificates or in any way contesting or affecting the validity or enforceability of the Certificates or the County Documents, or contesting the exclusion from gross income of interest on the Certificates for federal income tax purposes or State income tax purposes, or contesting in any way the completeness or accuracy of the Official Statement or any supplement or amendment thereto or contesting the powers of the County or any authority for the issuance of the Certificates, the adoption of the Resolution or the execution and delivery of the County Documents, nor, to the best knowledge of the County, is there any basis therefor, wherein an
unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Certificates or the County Documents.

(g) As of the date thereof and hereof, the Preliminary Official Statement (excluding information under the headings "TAX MATTERS," "RATINGS" and "UNDERWRITING" and in Appendix G) did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(j) The County will apply, or cause to be applied, the proceeds from the sale of the Certificates as provided in and subject to all of the terms and provisions of the Trust Agreement and not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes or State income tax purposes of the interest on the Certificates.

(k) The County will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request (A) to (y) qualify the Certificates for offer and sale under the "blue sky" or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (z) determine the eligibility of the Certificates for investment under the laws of such states and other jurisdictions and (B) to continue such qual-
fications in effect so long as required for the distribution of the Certificates (provided, however, that the County will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the County of any notification with respect to the suspension of the qualification of the Certificates for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

(l) The financial statements of, and other financial information regarding, the County in the Official Statement (i) fairly present the financial position and results of the County as of the dates and for the periods therein set forth in accordance with generally accepted accounting principles ("GAAP") and (ii) have been prepared in accordance with GAAP consistently applied throughout the periods covered (except as otherwise disclosed in the notes to such financial statements).

(n) Prior to the Closing, and to the extent this provision would otherwise be enforceable pursuant to applicable law, the County will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, except in the ordinary course of business, without the prior approval of the Underwriter which shall not be unreasonably withheld.

(o) The County is not a party to any contract or agreement or subject to any restriction, the performance of or compliance with which has or could be expected to have a material adverse effect on the financial condition or operations of the County, except as described in the Official Statement.

(p) Except as disclosed in the Official Statement, the County is not a party to any litigation or other proceeding pending or threatened which, if decided adversely to the County, would have a materially adverse effect on the financial condition of the County or on the Leased Property, and except as disclosed in the Official Statement, the County is not a party to any contract or agreement or subject to any restriction, the performance of or compliance with which has or could be expected to have a material adverse effect on the financial condition, operations or prospects of the County or the ability of the County to comply with all the requirements set forth in the Official Statement, the Resolution or the County Documents.
(g) Any certificate, signed by any official of the County authorized to do so in connection with the transactions contemplated by this Contract, shall be deemed a representation and warranty by the County to the Underwriter as to the statements made therein.

(r) The County has fully submitted to the Arizona Department of Revenue the information required with respect to previous issuances of bonds, securities and lease-purchase agreements of the County pursuant to Section 35-501(B), Arizona Revised Statutes, and the County shall file the information relating to the Certificates required to be submitted to the Arizona Department of Revenue pursuant to Section 35-501(B), Arizona Revised Statutes, within sixty (60) days of the date of the Closing.

(s) The County shall execute and deliver prior to Closing, and in time for the Closing to occur at its specified time, the documents required to cause the Certificates to be eligible for deposit with DTC (as hereinafter defined) or other securities depositories.

(d) No approval, permit, consent, authorization or order of any court or any governmental or public agency, authority or person not already obtained (other than any approvals that may be required under the "blue sky" laws of any jurisdiction) is required with respect to the Trustee in connection with the issuance and sale of the Certificates, the acquisition of title to the Leased Property or the execution and delivery by the Trustee of, or the performance by the Trustee of its obligations under, the Trustee Documents.

(e) The execution and delivery by the Trustee of the Trustee Documents and the compliance by the Trustee with the provisions hereof and thereof do not and will not materially conflict with or result in a material breach or violation of any of the terms or provisions of, or constitute a default under any resolution, indenture, deed of trust, mortgage commitment, agreement or other instrument to which the Trustee is a party or by which the Trustee is bound, or any constitutional provision, existing law, administrative regulation, court order or consent decree to which the Trustee or its property is subject.

(f) There is no litigation, action, suit or proceeding pending or threatened by or before any court, administrative agency, arbitrator or governmental body that challenges (i) the authority of the Trustee, its officers or its employees to acquire the Leased Property, (ii) the proper authorization, execution and delivery of the Trustee Documents, (iii) the assignment of its rights under the Lease, or (iv) the ability of the Trustee to otherwise perform its obligations under the Trustee Documents and to carry out the transactions contemplated hereby and thereby.

The Underwriter will accept such delivery and pay the purchase price therefor by check or by wire transfer or other funds which are immediately available funds on the
date of the Closing payable to the Trustee on behalf of the County. Re: Pima County, Arizona Certificates of Participation, Series 2013A and Refunding Certificates of Participation, Series 2013B

This opinion is rendered in connection with the execution and delivery by Pima County, Arizona (the "County"), of: a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease Agreement, dated as of June 1, 2009, a Second Amendment to Lease Agreement, dated as of February 1, 2010, and a Third Amendment to Lease Agreement, dated as of May 1, 2013 (as so amended, the "Lease-Purchase Agreement"), between the County, as lessee, and U.S. Bank National Association, as lessor (the "Lessor"); a Ground Lease, dated as of June 1, 2008 (the "Ground Lease"), between the County and the Lessor; a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, and a Third Supplement to Trust Agreement, dated as of May 1, 2013 (as so supplemented, the "Trust Agreement"), between the County and U.S. Bank National Association, as trustee (the "Trustee"); a Continuing Disclosure Undertaking, dated the date hereof (the "Undertaking"), and a Certificate Purchase Contract, dated the date hereof (the "Certificate Purchase Contract"), among the County, the Trustee and RBC Capital Markets, LLC. The Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract are each authorized by a resolution adopted by the Board of Supervisors of the County on September 11, 2012, as amended on December 18, 2012 (as so amended, the "Authorizing Resolution"). We have examined the transcript of proceedings relating to the execution and delivery of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract and such other documents as we considered necessary to our opinion. As to questions of fact material to our opinion we have relied upon, and assumed due and continuing compliance with the provisions of, the above-mentioned proceedings and other documents, and have relied upon certificates, covenants and representations.
furnished to us by the County without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, as of this date, which is the date of execution and delivery of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking, the Depository Trust Agreement and the Certificate Purchase Contract, that:

1. The authorization, approval and execution of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and Certificate Purchase Contract, the adoption of the Authorizing Resolution and all other proceedings of the County relating to the authorization, approval and execution of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract have been carried out in conformance with the applicable open meeting and other laws of the State of Arizona.

2. The authorization, execution and delivery of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract and compliance with the provisions thereof under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute on the part of the County a breach of or default under any agreement or other instrument to which the County is a party or of any existing law, administrative regulation, court order or consent decree to which the County or the Leased Property (as defined in the Lease-Purchase Agreement) is subject.

3. There are no lawsuits or administrative proceedings pending or, to the best of our knowledge, threatened, against the County (i) which in any way question (a) the validity and the proper authorization, approval and execution of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking or the Certificate Purchase Contract, (b) the authority of the County or its officials to enter into the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract or the ability of the County otherwise to perform its obligations under the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract and to carry out the transactions contemplated thereby or (ii) wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract or the Leased Property or the financial condition of the County.
4. The statements in the Official Statement under the heading "LITIGATION" are true and correct in all material respects and do not omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

OFFICIAL STATEMENT

RATINGS: See “Ratings” herein.

In the opinion of Squire Sanders (US) LLP, Special Counsel, under existing law (i) assuming continuing compliance with certain covenants and the accuracy of certain representations, the portion of the Lease Payments paid and denominated as interest under the Lease and received by the owners of the related 2013 Certificates (the “Interest Portion”) is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, and (ii) the Interest Portion is exempt from Arizona state income tax. Special Counsel expresses no opinion as to the treatment for federal income tax purposes or Arizona state income tax purposes of amounts paid to the owners of the 2013 Certificates in the event of termination of the Lease by nonpropriation. The Interest Portion may be subject to certain federal taxes imposed only on certain corporations, including the corporate alternative minimum tax on a portion of the Interest Portion. For a more complete discussion of tax aspects, see “TAX MATTERS” herein.

INTRODUCTORY STATEMENT

This Official Statement, which includes the cover page, the inside front cover page and appendices hereto
(the “Official Statement”), has been prepared on behalf of Pima County, Arizona (the “County”), in connection with
the original execution, delivery and sale of $80,175,000 principal amount of Certificates of Participation, Series
2013A (the “2013A Certificates”) and $12,705,000 principal amount of Refunding Certificates of Participation,
Series 2013B (the “2013B Certificates” and, together with the 2013A Certificates, the “2013 Certificates”).

Certain capitalized terms used herein but not defined elsewhere are defined under “SUMMARY OF
LEGAL DOCUMENTS - Certain Definitions” in Appendix D hereto.

The 2013 Certificates, together with $16,225,000 outstanding principal amount of Certificates of
Participation, Series 2010 (the “2010 Certificates”) and any Additional Certificates (hereafter defined) executed and
delivered pursuant to the hereafter-described Trust Agreement (collectively, the “Certificates”), evidence and
represent undivided and proportionate interests of the registered owners thereof in semiannual lease payments (the
“Lease Payments”) for the hereafter described Leased Property, to be made by the County pursuant to a Lease-
Purchase Agreement, dated as of June 1, 2008 (the “Original Lease-Purchase Agreement”), as amended by a First
Amendment to Lease-Purchase Agreement, dated as of June 1, 2009 (the “First Amendment”), a Second
Amendment to Lease-Purchase Agreement, dated as of February 1, 2010 (the “Second Amendment”), and a Third
Amendment to Lease-Purchase Agreement, to be dated as of May 1, 2013 (the “Third Amendment” and, together
with the Original Lease-Purchase Agreement, the First Amendment, the Second Amendment, and as subsequently
amended, the “Lease”), between U.S. Bank National Association, as trustee under the Trust Agreement, as lessor
(the “Trustee”), and Pima County, Arizona, as lessee (the “County”). The property being leased by the Trustee to
the County will consist of certain interests in the major portion of the public works building of the County, the legal
services building of the County, a parking garage of the County, and certain adult detention (jail) facilities of the
County (collectively, the “Leased Property”). The Trustee will hold a fee title interest in the public works building,
legal services building and the adult detention (jail) facilities portions of the Leased Property (the “Sellable Leased
Property”) and a ground leasehold interest in the parking garage portion of the Leased Property (the “Ground Leased
Property”). See “PLAN OF FINANCE - The Leased Property” herein. The 2013 Certificates are being executed and
delivered under a Trust Agreement, dated as of June 1, 2008 (the “Original Trust Agreement”), as supplemented
by a First Supplement to Trust Agreement, dated as of June 1, 2009 (the “First Supplement”), a Second Supplement
to Trust Agreement, dated as of February 10, 2010 (the “Second Supplement”), and a Third Supplement to Trust
Agreement, to be dated as of May 1, 2013 (the “Third Supplement” and, together with the Original Trust
Agreement, the First Supplement, the Second Supplement, and as subsequently supplemented, the “Trust
Agreement”), between the Trustee and the County.

The 2013 Certificates are being executed and delivered to (i) refinance the acquisition by the Trustee of the
Leased Property from the County, (ii) refund the Certificates to be Refunded (as described below under “PLAN OF
FINANCE”), previously executed and delivered pursuant to a Trust Agreement, dated as of February 1, 1997 (as
thereafter supplemented, the “1997 Trust Agreement”) between the County and U.S. Bank National Association, as
trustee thereunder (in such capacity, the “1997 Trustee”), and (iii) pay costs associated with the execution and
delivery of the 2013 Certificates. See “PLAN OF FINANCE” herein. Fee title to the Sellable Leased Property will
be held by the Trustee and, a ground leasehold interest pursuant to a Ground Lease, dated as of June 1, 2008 (the “Ground Lease”), between the County and the Trustee has been transferred to the Trustee with respect to the Ground Leased Property. Pursuant to the Lease, the Trustee has or will lease back to the County the Leased Property. See “PLAN OF FINANCE” herein.

The County expects to use a portion of the amounts received from the Trustee from the refinancing of the acquisition of the Leased Property to pay the costs of the herein-described Improvements, which are expected to primarily consist of expansion and upgrades to the County’s sewer system facilities and fleet services facilities, but may include other capital project purposes. See “PLAN OF FINANCE – The Improvements” herein. None of the Improvements will be part of the Leased Property.

The obligations of the County under the Lease are payable exclusively from annually appropriated funds of the County and will not be a general obligation or indebtedness of the County for any purpose. The obligation of the County to make payments under the Lease will be subject to termination as of the last day of each Fiscal Period of the County, at the option of the County. If so terminated and not reinstated as provided in the Lease, the County shall thereafter be relieved of any subsequent obligation under the Lease other than to surrender possession of the Leased Property to the Trustee. The Lease will also terminate upon the occurrence of an Event of Default thereunder by the County and the election of the Trustee to terminate the Term of the Lease and upon taking of all the Leased Property by eminent domain. In the event of any such termination, there is no assurance of payment of the principal or interest represented by the Certificates, including the 2013 Certificates, from funds available under the Trust Agreement or as a result of the Trustee’s re-leasing of the Leased Property. See “SOURCES OF PAYMENT OF THE CERTIFICATES” and “SECURITY FOR THE CERTIFICATES” herein.

The Certificates will be payable solely from the Lease Payments required to be made by the County from the sources identified above and from funds available under the Trust Agreement. The obligation of the County to make Lease Payments under the Lease will not be secured by a pledge of any funds, will not constitute an obligation of the County for which the County is obligated to levy or pledge any form of taxation and will not constitute a general obligation of the County, or an indebtedness of the County, the State of Arizona (the “State”) or any of its political subdivisions within the meaning of any constitutional or statutory debt limitations.

Under the Lease, the County will be required to pay base rent comprising the Lease Payments equal to the principal and interest requirements represented by the outstanding Certificates, unless the Lease is terminated as provided therein. Such base rent will be held in trust by the Trustee only for payment to the Owners of the Certificates. The County will also be required to pay Additional Rent, which includes payment of any taxes and assessments and the cost of maintenance and repair of the Leased Property, and to pay other fees and obligations. See “SUMMARY OF LEGAL DOCUMENTS - LEASE” in Appendix D hereto.

Unless and until discontinued, the 2013 Certificates will be held in book-entry form by The Depository Trust Company, a registered securities depository (“DTC”), and beneficial interests therein may only be purchased and sold, and payments of principal and interest represented by the 2013 Certificates will be made only to beneficial owners, through participants in the DTC system. Beneficial interests in the 2013 Certificates will be in amounts described on the cover page hereof. See Appendix G - “BOOK-ENTRY-ONLY SYSTEM.”

The Lease Payments will be subject to reduction to the extent of any Prepayments made with insurance or condemnation proceeds as a result of damage, destruction or condemnation of a portion of the Leased Property, which causes substantial interference with the County’s use of the Leased Property; provided that the revised Lease Payments shall be sufficient to pay principal and interest represented by the Certificates remaining Outstanding after the application of the Net Proceeds of the insurance or self-insurance coverage or condemnation award to redeem a portion of the Certificates. See “SUMMARY OF LEGAL DOCUMENTS – LEASE – Lease Payments; Additional Rent; Reduction of Rental” in Appendix D hereto. As permitted under the Lease, the County will be self-insured for damage or destruction of the Leased Property in amounts required by the Lease. Proceeds from such self-insurance program and such condemnation awards will be applied either to repair or replace the Leased Property or to redeem all or a portion of the Certificates. See “THE 2013 CERTIFICATES - Redemption Provisions – Extraordinary Redemption” herein and “SUMMARY OF LEGAL DOCUMENTS – LEASE – Insurance” in Appendix D hereto.
This Official Statement contains descriptions of the 2013 Certificates, the Trust Agreement, the Ground Lease and the Lease. The descriptions of the 2013 Certificates, the Trust Agreement, the Ground Lease and the Lease and other documents described in this Official Statement (collectively, the “Financing Documents”) do not purport to be definitive or comprehensive, and all references to those documents are qualified in their entirety by reference to the complete documents, copies of which are available from RBC Capital Markets, LLC (the “Underwriter”) prior to the delivery of the 2013 Certificates.

All financial and other information presented in this Official Statement has been provided by the County from its records, except for information expressly attributed to other sources. The presentation of information, including tables of receipts from taxes and other sources, is intended to show recent historical information and is not intended to indicate future or continuing trends in the financial position or other affairs of the County. No representation is made that past experience, as shown by the financial and other information, will necessarily continue or be repeated in the future.

Reference to provisions of Arizona law, whether codified in the Arizona Revised Statutes (“A.R.S.”) or uncodified, or of the Arizona Constitution, are references to those provisions in their current form. Those provisions may be amended, repealed or supplemented.

**THE 2013 CERTIFICATES**

**General Provisions**

The 2013 Certificates will be dated their date of initial delivery and will mature on the dates and in the principal amounts and represent interest at the respective per annum rates, all as set forth on the inside front cover page of this Official Statement. Interest represented by the 2013 Certificates will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their dated date. Interest will be computed on the basis of a 360-day year of twelve 30-day months and be payable on each June 1 and December 1, commencing on December 1, 2013 (each, an “Interest Payment Date”).

The 2013 Certificates will be delivered in the form of fully registered certificates without coupons registered in the name of Cede & Co. as registered Owner and nominee for DTC. The Trustee shall treat Cede & Co., as the registered Owner, as the absolute owner of the 2013 Certificates for all purposes, including making payments and sending notices. So long as Cede & Co. is the registered Owner of the 2013 Certificates, as nominee for DTC, references herein to “Owners” or registered owners of the 2013 Certificates (other than under the caption “TAX MATTERS”) shall mean Cede & Co., as aforesaid, and shall not mean the beneficial owners of such 2013 Certificates. When reference is made to any action which is required or permitted to be taken by the beneficial owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such beneficial owners for such purposes. When notices are given, they shall be sent by the County or the Trustee to DTC only. See Appendix G - “BOOK-ENTRY-ONLY SYSTEM.”

Subject to the provisions summarized in Appendix G - “BOOK-ENTRY-ONLY SYSTEM,” the principal represented by each 2013 Certificate will be payable at the designated office of the Trustee. Interest represented by each 2013 Certificate will be paid on each Interest Payment Date by check drawn on the Trustee mailed on or before the Interest Payment Date to the registered owners as shown on the records of the Trustee as of the fifteenth day of the month immediately preceding such Interest Payment Date or, if such a day is not a business day, on the next succeeding business day or the Trustee may agree with a registered Owner of $1,000,000 or more in aggregate principal amount of the 2013 Certificates for another form of payment.

**Redemption Provisions**

*No Optional Redemption.* The 2013 Certificates will not be subject to optional redemption prior to maturity.

*Extraordinary Redemption.* The 2013 Certificates will be subject to redemption on any Interest Payment Date, in whole or in part, to the extent of any Net Proceeds of insurance or condemnation that are deposited in the
Lease Payment Fund for such purpose as provided under the Lease (See “LEASE - Insurance” and “—Eminent Domain” in Appendix D hereto), at a redemption price equal to the principal amount thereof, without premium, plus interest accrued to the redemption date.

Selection of Certificates. Whenever less than all Outstanding 2013 Certificates are called for redemption, the maturities of the 2013 Certificates to be selected for redemption may be specified by the County or, if the County does not so specify, will be determined by the Trustee by lot, and within any maturity will be selected by lot.

Notice of and Procedure for Redemption

In the event any 2013 Certificates are called for redemption, notice thereof identifying the 2013 Certificates to be redeemed and specifying a redemption date and the redemption price will be required to be given by the Trustee in the form of a redemption notice to DTC not less than 30 nor more than 60 days prior to the date fixed for redemption. See Appendix G – “BOOK-ENTRY-ONLY SYSTEM.”

All of the 2013 Certificates so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time, and will no longer be protected by and will not be deemed to be Outstanding under the provisions of the Trust Agreement.

Defeasance

If the County (i) pays the principal, interest and redemption premium, if any, of all Outstanding 2013 Certificates when the same becomes due and payable, or (ii) at or before maturity of all Outstanding 2013 Certificates, deposits money or Defeasance Obligations with the Trustee which, together with other available funds, are sufficient to pay the principal, interest and redemption premium, if any, of all Outstanding 2013 Certificates and any Additional Rent, the lien of the Trust Agreement and all covenants, agreements and obligations of the County and the Trustee securing or pertaining to the 2013 Certificates will terminate, except for the obligation of the Trustee to make payment on the 2013 Certificates. (See “SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT - Defeasance” in Appendix D hereto.)

PLAN OF FINANCE

2013A Certificates

The proceeds received by the Trustee from the sale of the 2013A Certificates, net of amounts deposited into the Delivery Costs Fund established under the Trust Agreement to pay costs related to the execution and delivery of the 2013A Certificates, will be paid by the Trustee to the County to refinance the Trustee’s original acquisition of the portion of the Leased Property from the County comprising the below-described Pima County Public Works Building of Leased Property, the Legal Services Building Portion of Leased Property and the Ground Leased Property.

The County intends to use such amounts paid by the Trustee to pay costs of the Improvements described below, none of which is part of the Leased Property.

2013B Certificates

The proceeds received by the Trustee from the sale of the 2013B Certificates, net of amounts deposited into the Delivery Costs Fund established under the Trust Agreement to pay costs related to the execution and delivery of the 2013B Certificates, will be used to make a payment to the 1997 Trustee to refund and redeem the following certificates (the “Certificates to be Refunded”) and to discharge the 1997 Trust Agreement. In consideration for providing funds for such purpose, the 1997 Trustee will convey to the Trustee fee title to the below-described Adult Detention Center Portion of Leased Property, which will constitute additional Leased Property under the Trust Agreement and the Lease.
(a) See footnote (a) to the inside cover page.

The Leased Property

The Leased Property consists of the following:

Adult Detention Center. This portion of the Leased Property (the “Adult Detention Center”) consists of a fee ownership interest in the maximum security facility (a seven-story block building designed with a 732-bed capacity) and a medium security facility (a four-story block building designed with an approximately 400-bed capacity). (The Adult Detention Center was the leased security for the Certificates to be Refunded and will be conveyed to the Trustee and added as a part of the Leased Property simultaneously with the execution and delivery of the 2013 Certificates.) The medium security facility is an annex to the maximum security facility. The maximum security facility has been retrofitted so that it now accommodates 1,892 beds. The Adult Detention Center currently provides the only maximum and medium lock-up facilities for the County. The County’s estimate of the replacement value of the Adult Detention Center is $53.96 million.

The Adult Detention Center opened in 1984 and currently houses approximately 1,800 inmates. The change in average annual jail population for the past ten years is shown below.

The two-building complex is located on approximately 17 acres of land situated about 3 miles southwest of downtown Tucson, Arizona.

Pima County Public Works Building Portion of Leased Property. This portion of the Leased Property consists of a fee ownership interest in the south 137,938 square feet of a 9-story building, located at 201 North Stone in Tucson, Arizona, which serves as the Public Works Building of the County. (The north 63,000 square feet of the building are leased to the City of Tucson Arizona, by the County and are not part of the Leased Property.) The 9-story site contains 15,524 square feet of land. The building was constructed in the 1960s; it was subsequently gutted back to the concrete floors and ceilings. By 1991, the building was completely rebuilt and immediately occupied by the County.

Public Works Building Parking Garage. This portion of the Leased Property consists of a ground leasehold interest in a 785-space parking garage located adjacent to the Pima County Public Works Building in downtown Tucson, Arizona, and includes the site for the facility and related entry and exit ramps and the parking facility itself, which is located above the downtown Tucson branch of the YMCA. The YMCA is located on a portion of the same
site, beneath the first level of the parking garage, pursuant to a lease granted by the County in 1990. *The Leased Property does not include any portion of the YMCA facilities located on the site or elsewhere.*

The parking facility was constructed in 1991 and has been in continuous operation since its opening. The majority of the facility is used for parking for County employees and public parking during normal business hours and for users of the downtown YMCA facility.

The term of the Ground Lease associated with the parking facility will extend through June 1, 2023, but be subject to earlier termination on any date upon (a) defeasance of the Lease and the Trust Agreement with respect to all Certificates as permitted thereunder, or (b) the exercise of the County of its option to purchase the Leased Property pursuant to the Lease and defeasance of the Trust Agreement as permitted thereunder.

The County’s estimate of the replacement value of the Public Works Building and Parking Garage (excluding the portion leased by the YMCA) is $35.58 million.

*Legal Services Building Portion of Leased Property.* This portion of the Leased Property consists of a fee ownership interest in a 20-story, single-tenant office building constructed in 1966, located at 32 North Stone in Tucson, Arizona. The gross square footage of the tower is 209,187 square feet. The tower site contains 10,636 square feet of land. The 15th floor of the tower was specifically gutted to a shell condition in order to accommodate the record file storage requirements of the Legal Services Division of the County. The County’s estimate of the replacement value of the Legal Services Building is $29.69 million.

Pursuant to the Lease, the Trustee will lease back to the County the Leased Property, which does not include the Improvements. Policies of title insurance, in an aggregate amount of $110 million, will be in effect upon execution and delivery of the 2013 Certificates, insuring the Trustee’s fee title interest in the Sellable Leased Property and its leasehold interest in the Ground Leased Property.

The Improvements

The County intends to use the amounts received from the Trustee from the refinancing of the acquisition of the Leased Property to fund approximately: (i) $60,000,000 of various projects to expand and improve the County’s existing sewer system facilities; (ii) $21,500,000 of various projects for the County’s Fleet Services operations; and (iii) $3,000,000 of various projects of the County’s Facilities Management Department. The County may also use a portion of the funds received for other capital projects. All such capital projects are collectively referred to herein as the “Improvements”. *The Improvements are not and will not ever be part of the Leased Property.*

Sources of Lease Payments

Although no specific revenue sources will be pledged to or secure the Certificates, the County anticipates using the following sources for making the Lease Payments which are available for such purpose pursuant to annual appropriation by the Board of Supervisors of the County.

- For Lease Payments associated with $60 million of Improvements for various wastewater related projects, monies from the County’s Wastewater Enterprise Fund.

- For Lease Payments associated with $21.3 million of Improvements for various Fleet Services operations, monies from the County’s Fleet Services Fund, an internal fund of the County comprised of monies deposited to such fund by various departments and agencies of the County for Fleet Services.

- For all other Lease Payments, generally from monies from the County’s General Fund.

See “SOURCE OF PAYMENTS OF THE CERTIFICATES” and “SECURITY FOR THE CERTIFICATES.”
SOURCES OF PAYMENT OF THE CERTIFICATES

Under the terms of the Trust Agreement, the 2013 Certificates will be payable on a parity with the 2010 Certificates and any Additional Certificates executed and delivered pursuant to the Trust Agreement, solely from:
1. Lease Payments received by the Trustee from the County under the Lease, subject to termination of the Lease as provided under the Lease, (2) amounts from time to time deposited in the funds created under the Trust Agreement and investment earnings on such funds (except for any investment earnings that are required to be rebated to the United States in order to continue the exclusion of the interest represented by the Certificates from gross income for federal income tax purposes) and (3) any Net Proceeds from insurance coverage or condemnation awards received by the Trustee from the damage, destruction or taking of the Leased Property or portion thereof pursuant to the Lease and the Trust Agreement or from exercise by the Trustee of any remedies under the Lease and the Trust Agreement upon default thereunder. See “SECURITY FOR THE CERTIFICATES” as well as “SUMMARY OF LEGAL DOCUMENTS – LEASE -- Events of Default,” “-- Eminent Domain” and “Insurance” and “SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT -- Events of Default; Acceleration” in Appendix D hereto.

The County will be required under the Lease to make Lease Payments semiannually in amounts sufficient to make interest and principal payments represented by the Certificates on November 15, 2013, and each May 15 and November 15 thereafter. The County’s obligation under the Lease to pay Lease Payments during the term of the Lease will be absolute and unconditional, but subject to (1) the County’s right each year to terminate the Lease as of the end of each Fiscal Period by failing to budget and appropriate the full amount necessary to make all Lease Payments due in the next Fiscal Period, (2) reduction of Lease Payments in the event of damage, destruction or condemnation of any portion of the Leased Property, and (3) termination of the Lease upon taking of all of the Leased Property by eminent domain, all as described below under “SECURITY FOR THE CERTIFICATES” and under “SUMMARY OF LEGAL DOCUMENTS - LEASE -- Lease of Leased Property” and “-- Lease Payments; Additional Rent; Reduction of Rental” in Appendix D hereto.

IN THE EVENT OF TERMINATION OF OR DEFAULTS UNDER THE LEASE, THERE IS NO ASSURANCE THAT THE TRUSTEE WILL HAVE ADEQUATE FUNDS UNDER THE TRUST AGREEMENT TO PAY INTEREST AND PRINCIPAL REPRESENTED BY THE CERTIFICATES. See “RISK FACTORS - Limitation on Remedies.”

SECURITY FOR THE CERTIFICATES

General

Each Certificate will evidence an undivided and proportionate interest in Lease Payments under the Lease. The County’s obligations to make Lease Payments and any other obligation under the Lease will be subject to and dependent upon an annual budgeting and appropriation being made by the Board of Supervisors of the County to make such Lease Payments. The term of the Lease will continue through and including December 1, 2022, unless terminated prior thereto. If the Board of Supervisors of the County (the “Board”) does not budget and appropriate funds sufficient to pay Lease Payments in any succeeding Fiscal Period, the Lease will terminate as of the last day of the Fiscal Period for which Lease Payments were made, and the County will be required to vacate and return possession of the Leased Property to the Trustee, all in accordance with and subject to the terms of the Lease and the Trust Agreement. See “SECURITY FOR THE CERTIFICATES - Non-appropriation; Other Termination Events” herein. In that event, the Trustee will be entitled to exercise all available remedies, which could include selling the Sellable Leased Property or re-leasing the Leased Property. See “RISK FACTORS - Limitations on Remedies” below.

The County’s obligation to make Lease Payments will not constitute a debt or liability of the County, the State or any political subdivision thereof within the meaning of any constitutional or statutory limitation. Neither the faith and credit nor the taxing power of the County, the State or any political subdivision thereof will be pledged to pay the principal or interest evidenced by the Certificates. Payments with respect to the Certificates will be made solely from amounts derived under the terms of the Lease, including the Lease Payments, and available amounts from time to time on deposit under the terms of the Trust Agreement. No funds will be pledged by the County to pay Lease Payments.
Non-appropriation; Other Termination Events

If the County fails to obtain, on or before the third Business Day prior to the last date on which the County is required or permitted to adopt its budget for a Fiscal Period, proper budgeting and final appropriation by the Board of the full amount of funds necessary to make all Lease Payments coming due during the Fiscal Period for which such budgeting and appropriation are made, thereafter, the County will immediately notify the Trustee in writing of that fact. If on the last date on which the County is required or permitted to adopt its budget for a Fiscal Period no such proper budgeting and final appropriation by the Board shall have been made, all of the County’s right, title and interest in and future obligations under the Lease and to all of the Leased Property will terminate (subject to reinstatement as provided below), effective as of the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which sufficient funds were determined to be lawfully available and allocated. In the event the County terminates the Lease, the County will be relieved of any subsequent obligation under the Lease with respect thereto, other than to return to the Trustee possession of all of the Leased Property as provided in the Lease and to pay any accrued and unpaid obligations.

The budget officials of the County have covenanted in the Lease that they will include in the budget presented to the Board sufficient funds for payment of all Lease Payments and Additional Rent when due, provided, however, pursuant to Arizona law, the budgeting and appropriation of money by the Board is a legislative act of the Board and is beyond the control of the budgeting officials of the County.

If the Lease terminates as described above and if within forty-five (45) days after such date of termination amounts described above are determined to be available which would have permitted the Lease to have continued in effect with respect to the Leased Property if such amounts had been determined to be available prior to the termination date, then the Lease will be reinstated with respect thereto and deemed renewed as of the day following the date of such termination.

In the event the County terminates the Lease, the County will have no further obligations under the Lease. Upon termination, the County will be required by the Lease to surrender possession of the Leased Property to the Trustee. Such termination will constitute an Event of Default under the Trust Agreement, if the Lease has not been reinstated, but such termination will not be a default under the Lease. Upon such Event of Default under the Trust Agreement, the Trustee may exercise one or more of the remedies provided in the Trust Agreement, subject to receipt of indemnity satisfactory to it, including an option to sell the Sellable Leased Property or re-lease its interest in the Ground Leased Property, and to apply the proceeds of such disposition, if any, along with the moneys in the Lease Payment Fund established under the Trust Agreement, to the payment of the Certificates. See “SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT -- Event of Default; Acceleration” in Appendix D hereto. However, there is no assurance that net revenues received by the Trustee from any such sale of the Sellable Leased Property or re-lease of the Ground Leased Property would be sufficient to pay in full all Outstanding Certificates. Should such a shortfall occur, the interest and principal represented by the Certificates would be paid by the Trustee to the extent of moneys, if any, held by the Trustee under the Trust Agreement.

Upon an Event of Default under the Trust Agreement, the Trustee will be required to take action to force the County to surrender possession of the Leased Property. However, the exercise by the Trustee of any other subsequent or additional remedies may be affected by the environmental condition of the Leased Property, and the Trustee may decline to exercise such other remedies unless it is indemnified and obtains assurances to its satisfaction that it will not become responsible for environmental liabilities. See “RISK FACTORS - Limitation on Remedies.”

Damage, Taking or Removal of Leased Property

The Leased Property will be required to be insured or self-insured to the extent set forth herein under “SUMMARY OF LEGAL DOCUMENTS -- LEASE -- Insurance” in Appendix D hereto, which includes property insurance equal to the full replacement cost of the Leased Property. As permitted under the Lease, the County will be self-insured for damage or destruction of the Leased Property and other liabilities in amounts required by the Lease.
Under the Lease, the Net Proceeds of any insurance recoveries and proceeds of self-insurance resulting from any damage or destruction of the Leased Property by fire or other casualty must be deposited in the Insurance and Condemnation Fund established under the Trust Agreement. Moneys in the Insurance and Condemnation Fund will be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property by the County, provided, however, that if the County notifies the Trustee within 90 days of such deposit of its determination that the replacement, repair, restoration, modification or improvement of the damaged portion of the Leased Property is not economically feasible or in the best interests of the County, then such Net Proceeds will be promptly transferred by the Trustee to the Lease Payment Fund and applied to effect extraordinary redemption of Outstanding Certificates as follows: in the event of damage or destruction of the Leased Property in full, such Net Proceeds may be transferred to the Lease Payment Fund only if sufficient, together with other moneys available therefor, to cause redemption of all Outstanding Certificates, and in the event of damage or destruction of the Leased Property in part, if such Net Proceeds are sufficient, together with all other funds available therefor to redeem all Outstanding Certificates, such amounts will be applied to the extraordinary redemption, in whole, of all Outstanding Certificates, or if such Net Proceeds, together with such other funds, are not sufficient to redeem all Outstanding Certificates, then the County shall have the option to either use such Net Proceeds to repair the Leased Property or to extraordinarily redeem the Certificates in part. See “THE 2013 CERTIFICATES - Redemption Provisions – Extraordinary Redemption.”

In the event of such partial redemption, the Lease Payments will be reduced to an amount sufficient to pay interest and principal represented by the Certificates Outstanding after such partial redemption.

Under the Lease, the County will waive any right to terminate the Lease because of damage or destruction to the Leased Property, but retains the right to determine annually whether to appropriate Lease Payments for the next Fiscal Period.

If all the Leased Property is taken by eminent domain, the Net Proceeds of the condemnation award will be deposited in the Insurance and Condemnation Fund and used to extraordinarily redeem Certificates to the extent of such Net Proceeds and the Lease shall terminate as of the date possession is taken from the County.

If a part of the Leased Property is taken by eminent domain, or if all of the Leased Property is taken temporarily, then the Lease will continue in effect and the Net Proceeds will be deposited in the Insurance and Condemnation Fund and applied as follows: if the Trustee determines that either (1) such taking does not materially adversely affect the operation of the Leased Property and the Net Proceeds are not needed to replace the Leased Property, or (2) such taking does not materially adversely affect remaining portions of the Leased Property or the ability of the County to meet any of its obligations under the Lease, then the Net Proceeds will be used to extraordinarily redeem Certificates in part; otherwise, such Net Proceeds will be used to replace the taken Leased Property. See “THE 2013 CERTIFICATES - Redemption Provisions – Extraordinary Redemption.”

If there is a partial taking of the Leased Property, the Lease Payments will be reduced to an amount sufficient to pay interest and principal represented by Certificates Outstanding after such partial redemption.

All Net Proceeds deposited in the Insurance and Condemnation Fund and not used to redeem Certificates will be required to be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property by the County. Any balance of the Net Proceeds remaining after such work has been completed will be required to be deposited in the Lease Payment Fund and applied as a credit against the next subsequent Lease Payments.

**Additional Certificates**

Subject to certain conditions provided in the Trust Agreement, the Trustee may execute and deliver, at the direction of the County, Additional Certificates from time to time to provide funds to pay the costs of refunding Outstanding Certificates or to restructure the County’s Lease Payments under the Lease, or to pay the costs of making any modifications or improvements to the Leased Property or to finance additional property as the County deems necessary or desirable. Such conditions include, but are not limited to, that the Lease remains in effect, that no Event of Default has occurred under the Trust Agreement, that such Additional Certificates do not affect the tax-
exempt status of the Outstanding Certificates then bearing tax-exempt interest or result in the reduction or withdrawal of the assigned ratings on the Outstanding Certificates.

RISK FACTORS

The purchase of the 2013 Certificates involves certain investment risks that are discussed throughout this Official Statement. Accordingly, each prospective 2013 Certificate purchaser should make an independent evaluation of all the information presented herein. Certain of these investment risks are described below. The list of risks described below is not intended to be definitive or exhaustive and the order in which the following factors are presented is not intended to reflect relative importance of risks. The following factors, along with all other information in this Official Statement, should be considered by potential investors in evaluating the 2013 Certificates.

Limited Obligation. The obligation of the County to pay Lease Payments will not be secured by the levy or pledge of any tax or any other funds and will not constitute a debt or indebtedness of the County or the State within the meaning of any constitutional or statutory debt limitation or restriction. See “SECURITY FOR THE CERTIFICATES.” The Lease Payments are payable by the County, subject to annual appropriation by the Board of Supervisors of the County, from monies of the County.

No Pledge of County Funds. No funds or revenues of the County will be pledged, obligated or restricted for the payment of the Lease Payments, including, without limitation, the funds and revenues described under “PLAN OF FINANCE - Sources of Lease Payments” and “SOURCES OF PAYMENT OF THE CERTIFICATES.” In addition, the County will have the right to refuse to appropriate funds, and thus terminate the Lease, for any reason including inadequacy of the Leased Property. Were the County to refuse to appropriate funds and thereby terminate the Lease, there will be no assurance that the Trustee would have adequate funds under the Trust Agreement to pay interest and principal represented by the Certificates.

Other Obligations of County. The County has existing obligations, including lease-purchase obligations, and has the capacity to enter into other obligations which are payable from amounts in the General Fund or other monies of the County, which is the same source it will use to make Lease Payments. See “PIMA COUNTY, ARIZONA FINANCIAL INFORMATION - Lease, Lease-Purchase and Purchase Agreements” and “- Certificates of Participation” in Appendix B. To the extent that the County’s current or future obligations are paid from the General Fund or other County monies, the funds available to make Lease Payments may be decreased. The Lease will not impose any restrictions upon the ability of the County to incur additional obligations.

Termination of Lease. In addition to termination of the Lease upon non-appropriation of funds as described under the heading “SECURITY FOR THE CERTIFICATES - Non-appropriation; Other Termination Events”, several other events may lead to a termination of the Lease:

(1) an Event of Default on the part of the County and an election by the Trustee to terminate the Lease as described under the heading “SUMMARY OF LEGAL DOCUMENTS – LEASE - Events of Default” in Appendix D hereto;

(2) the taking of all of the Leased Property under the power of eminent domain, described below; and

(3) violation of certain State statutes pertaining to conflicts of interest, described below.

If an Event of Default under the Lease occurs, the Trustee may terminate the Lease and sell or relet the Leased Property. The Net Proceeds from the sale of the Sellable Leased Property or re-leasing of the Ground Leased Property, together with other moneys then held by the Trustee under the Trust Agreement, will be required to be used under the Trust Agreement to pay principal and interest represented by the Certificates as it becomes due, to the extent of such moneys. No assurance can be given that the amount of such funds would be sufficient to pay all the Certificates when due.
In the event that the Leased Property has been taken in whole pursuant to eminent domain proceedings, all Net Proceeds, together with funds, if any, then on hand in funds held by the Trustee will be applied to the extraordinary redemption of the Certificates and the Lease shall terminate on the date possession is taken from the County. No assurance can be given that the Net Proceeds of eminent domain and other moneys available under the Trust Agreement will be sufficient to redeem all of the Outstanding Certificates.

As required by the provisions of Arizona Revised Statutes Section 38-511, the County may, within three years after its execution, cancel any contract (including the Financing Documents), without penalty or further obligation, made by the County if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Financings Documents on behalf of the County (a “County Representative”) is, at any time while the Financing Documents or any extension thereof are in effect, an employee of any other party to the Financing Documents in any capacity or a consultant to any other party of the Financing Documents with respect to the subject matter thereof. The cancellation shall be effective when written notice from the Board of Supervisors of the County is received by all other parties to the Financing Documents unless the notice specifies a later time. The Trustee will agree in the Lease not to employ as an employee or an agent, or with respect to the subject matter of the Financing Documents, as a consultant any County Representative within three years from execution of the Financing Documents unless a waiver of Section 38-511 is provided by the Board of Supervisors of the County.

Squire Sanders (US) LLP, Special Counsel with respect to the execution and delivery of the 2013 Certificates (“Special Counsel”), will not render an opinion with respect to the tax-exempt status of payments made to Owners of the 2013 Certificates from sources made available by the County as a result of the termination of the Lease for any reason (including termination upon nonappropriation of funds by the County). If the Lease is terminated while 2013 Certificates are Outstanding, there will be no assurance that after such termination, payments made to Owners (from sources other than funds made available by the County) with respect to interest will be excludable from gross income of the Owners thereof for federal or Arizona income tax purposes.

In addition, neither Special Counsel nor counsel to the Underwriter will render an opinion as to the applicability or inapplicability of the registration requirements of the Securities Act of 1933, as amended, to the transfer of any 2013 Certificates in the event payments are received from sources made available by the County as a result of termination of the Lease for any reason. If the Lease is terminated while the 2013 Certificates are Outstanding, there will be no assurance that after such termination 2013 Certificates may be transferred by a 2013 Certificate Owner without compliance with the registration provisions of the Securities Act of 1933, as amended, or that an exemption from such registration is available.

**Limitations on Remedies.** Due to the specialized configuration of the Leased Property and the limited number of potential users of the Leased Property, no assurance can be given that the proceeds from any sale of the Sellable Leased Property or re-leasing of the Ground Leased Property will be sufficient to pay in full the 2013 Certificates. The enforcement of any remedies provided in the Lease and the Trust Agreement could prove both expensive and time consuming. In addition, the enforceability of the Lease and the Trust Agreement is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors’ rights generally and liens securing such rights, and the police powers of the State and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly. Any delays in the ability of the Trustee to obtain possession of the Leased Property upon termination of the Lease or exercise of remedies upon default by the County may result in delays in payment of the Certificates.

Although the Lease and the Trust Agreement provide that the Trustee may take possession of the Leased Property and sell the Sellable Leased Property or re-lease the Ground Leased Property if there is a default by the County thereunder or if the County terminates the Lease, and the Lease provides that the Trustee may have such rights of access to the Leased Property as may be necessary to exercise any remedies, no assurance can be given that revenues from the Trustee’s sale or reletting of the Leased Property would be sufficient to pay in full all Outstanding Certificates.

Upon the termination of the Lease or if the County defaults in its obligation to make Lease Payments thereunder, the Trustee will be required to take action to force the County to surrender possession of the Leased Property. However, under the terms of the Trust Agreement, the Trustee will not be under any obligation to take any other action if the Trustee determines that to do so exposes the Trustee to a risk of financial liability (including
environmental liability) for which it reasonably believes it is not adequately indemnified. Prior to taking other actions under the Trust Agreement, the Trustee may request assurances, such as an additional environmental audit, that it will not incur liability by reason of any other action taken by the Trustee pursuant to the Trust Agreement.

LITIGATION

To the knowledge of appropriate representatives of the County, no litigation or administrative action or proceeding is pending or threatened to restrain or enjoin, or seeking to restrain or enjoin: the issuance or delivery of the 2013 Certificates, the Trust Agreement, or the Lease, or in any way contesting or affecting any authority for the execution and delivery of the 2013 Certificates, or the validity of the 2013 Certificates, the proceeds from the execution and delivery thereof or any agreements entered into in connection therewith, or in any way contesting the existence or powers of the County with regard to the 2013 Certificates, the Trust Agreement, or the Lease or any agreement, document, duty or covenant pertaining thereto.

The County has been cooperating fully with the U.S. Office of the Inspector General (“OIG”) and the Inspector General of the Arizona Health Care Cost Containment System (“AHCCCS”), Arizona’s Medicaid agency, since discovering that the County improperly billed AHCCCS for administration fees on vaccinations for a period of time beginning in 2005. The improper billing, which was inadvertent, ceased as soon as it was discovered, and the County has been accepted into OIG’s Self-Disclosure Protocol program (SDP). Nevertheless, it is anticipated that the County will be required to pay some amount of civil penalties and damages under the state and federal false claims acts (31 U.S.C §§ 3729-3733 and A.R.S. § 36-2918). Federal and state authorities have not yet determined the amount of the penalty. It is anticipated that successful completion under the SDP will significantly mitigate the
amount of penalties assessed against the County and, in the opinion of County management, that such penalties will not be material to the County.

The County has been named as a defendant in several other lawsuits for which appropriate representatives of the County believe either that the County has adequate self-insurance or insurance coverage in the event of liability or that such liability would not otherwise materially and adversely affect the financial condition of the County.

LEGAL MATTERS

The 2013 Certificates will be sold with the understanding that the County will furnish the Underwriter with an approving opinion of Squire Sanders (US) LLP, Special Counsel. A form of such opinion is included in Appendix E hereto. Said attorneys have been retained by the County as Special Counsel and in such capacity will render their opinion only upon the legality of the 2013 Certificates under Arizona law and on the exclusion of the interest portion related to the 2013 Certificates from gross income for purposes of calculating federal income taxes and of the exemption of that interest portion from State of Arizona income taxes. (See “TAX MATTERS” herein.) Fees of Special Counsel will be paid from 2013 Certificate proceeds.

Certain legal matters will be passed upon solely for the benefit of the Underwriter by Greenberg Traurig, LLP.

TAX MATTERS

General

In the opinion of Squire Sanders (US) LLP, Special Counsel, under existing law: (i) the portion of each Lease Payment made by the County pursuant to the Lease and denominated as and comprised of interest pursuant to the Lease (the “Interest Portion”) received by the Owners is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; and (ii) the Interest Portion is exempt from Arizona state income tax. Under certain circumstances, interest paid for periods following termination of the Lease by nonappropriation may not be excludable from gross income for federal income tax proposes. Special Counsel expresses no opinion on the federal income tax or Arizona state income tax treatment of amounts paid to Owners in the event of termination of the Lease by nonappropriation or as to any other tax consequences regarding the 2013 Certificates. See also “SECURITY FOR THE CERTIFICATES – Non-appropriation; Other Termination Events”.

The opinion on tax matters will be based on and will assume the accuracy of certain representations and certifications, and continuing compliance with certain covenants, of the County contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Interest Portion is and will remain excluded from gross income for federal income tax purposes. Special Counsel will not independently verify the accuracy of the County’s certifications and representations or the continuing compliance with the County’s covenants.

The opinion of Special Counsel is based on current legal authority and covers certain matters not directly addressed by such authority. It represents Special Counsel’s legal judgment as to exclusion of the Interest Portion from gross income for federal income tax purposes but is not a guaranty of that conclusion. The opinion is not binding on the Internal Revenue Service (“IRS”) or any court. Special Counsel expresses no opinion about (i) the effect of future changes in the Code and the applicable regulations under the Code or (ii) the interpretation and the enforcement of the Code or those regulations by the IRS.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excluded from gross income for federal income tax purposes, some of which require future or continued compliance after issuance of the obligations. Noncompliance with these requirements by the County may cause loss of such status and result in the Interest Portion being included in gross
income for federal income tax purposes retroactively to the date of execution and delivery of the 2013 Certificates. The County has covenanted to take the actions required of it for the Interest Portion to be and to remain excluded from gross income for federal income tax purposes, and not to take any actions that would adversely affect that exclusion. Notwithstanding the previous sentence, in the event of termination of the Lease by nonappropriation, use of the Leased Property in a manner that would cause the Lease, if such Leased Property had originally been used in such manner, to constitute a “private activity bond” under Section 141 of the Code may prompt the IRS to take the position that the Interest Portion is not excluded from gross income for federal income tax purposes, retroactive to the date of execution and delivery of the 2013 Certificates. After the date of execution and delivery of the 2013 Certificates, Special Counsel will not undertake to determine (or to so inform any person) whether any actions taken or not taken, or any events occurring or not occurring, or any other matters coming to Special Counsel’s attention, may adversely affect the exclusion from gross income for federal income tax purposes of the Interest Portion or the market value of the 2013 Certificates.

A portion of the Interest Portion earned by certain corporations may be subject to a federal corporate alternative minimum tax. In addition, the Interest Portion may be subject to a federal branch profits tax imposed on certain foreign corporations doing business in the United States and to a federal tax imposed on excess net passive income of certain S corporations. Under the Code, the exclusion of interest from gross income for federal income tax purposes may have certain adverse federal income tax consequences on items of income, deduction or credit for certain taxpayers, including financial institutions, certain insurance companies, recipients of Social Security and Railroad Retirement benefits, those that are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations, and individuals otherwise eligible for the earned income tax credit. The applicability and extent of these and other tax consequences will depend upon the particular tax status or other tax items of the owner of the 2013 Certificates. Special Counsel will express no opinion regarding those consequences.

Payments of interest on tax-exempt obligations, including the 2013 Certificates, are generally subject to IRS Form 1099-INT information reporting requirements. If an owner of a 2013 Certificates is subject to backup withholding under those requirements, then payments of interest will also be subject to backup withholding. Those requirements do not affect the exclusion of such interest from gross income for federal income tax purposes.

Special Counsel’s engagement with respect to the 2013 Certificates ends with the execution and delivery of the 2013 Certificates, and, unless separately engaged, Special Counsel is not obligated to defend the County or the owners of the 2013 Certificates regarding the tax status of the Interest Portion in the event of an audit examination by the IRS. The IRS has a program to audit tax-exempt obligations to determine whether the interest thereon is includible in gross income for federal income tax purposes. If the IRS does audit the 2013 Certificates, under current IRS procedures, the IRS will treat the County as the taxpayer and the beneficial owners of the 2013 Certificates will have only limited rights, if any, to obtain and participate in judicial review of such audit. Any action of the IRS, including but not limited to selection of the 2013 Certificates for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the market value of the 2013 Certificates.

Prospective purchasers of the 2013 Certificates upon their original issuance at prices other than the respective prices indicated on the inside cover of this Official Statement, and prospective purchasers of the 2013 Certificates at other than their original issuance, should also consult their own tax advisers regarding other tax considerations such as the consequences of market discount, as to all of which Special Counsel expresses no opinion.

Risk of Future Legislative Changes and/or Court Decisions

Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and may also be considered by the State legislature. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the 2013 Certificates. There can be no assurance that legislation enacted or proposed, or actions by a court, after the date of execution and delivery of the 2013 Certificates will not have an adverse effect on the tax status of the Interest Portion or the market value or marketability of the 2013 Certificates. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in
the benefit) of the exclusion of the Interest Portion from gross income for federal or state income tax purposes for all or certain taxpayers.

For example, recent presidential and legislative proposals would eliminate, reduce or otherwise alter the tax benefits currently provided to certain owners of state and local government bonds, including proposals that would result in additional federal income tax on taxpayers that own tax-exempt obligations if their incomes exceed certain thresholds. Investors in the 2013 Certificates should be aware that any such future legislative actions (including federal income tax reform) may retroactively change the treatment of the Interest Portion for federal and state income tax purposes for all or certain taxpayers. In such event, the market value of the 2013 Certificates may be adversely affected and the ability of holders to sell their 2013 Certificates in the secondary market may be reduced. The 2013 Certificates are not subject to special mandatory redemption, and the interest rates on the 2013 Certificates are not subject to adjustment in the event of any such change.

Investors should consult their own financial and tax advisers to analyze the importance of these risks.

Original Issue Premium

The 2013 Certificates (“Premium Certificates”) as indicated on the cover of this Official Statement were offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity. That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Certificate, based on the yield to maturity of that Premium Certificate (or, in the case of a Premium Certificate callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Certificate), compounded semiannually. No portion of that bond premium is deductible by the owner of a Premium Certificate. For purposes of determining the owner’s gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Certificate, the owner’s tax basis in the Premium Certificate is reduced by the amount of bond premium that is amortized during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Certificate for an amount equal to or less than the amount paid by the owner for that Premium Certificate. A purchaser of a Premium Certificate in the initial public offering at the price for that Premium Certificate stated on the cover of this Official Statement who holds that Premium Certificate to maturity (or, in the case of a callable Premium Certificate, to its earlier call date that results in the lowest yield on that Premium Certificate) will realize no gain or loss upon the retirement of that Premium Certificate.

Owners of Premium Certificates should consult their own tax advisers as to the determination for federal income tax purposes of the amount of bond premium properly amortizable in any period with respect to the Premium Certificates and as to other federal tax consequences and the treatment of bond premium for purposes of state and local taxes on, or based on, income.

RATINGS

Fitch Ratings (“Fitch”) and Standard & Poor’s Financial Services LLC (“S&P”) will assign the 2013 Certificates ratings of “AA-” and “A+”, respectively. Such ratings reflect only the views of Fitch and S&P, and any desired explanation of the significance of these ratings should be obtained from the rating agency furnishing the same, at the following addresses: Fitch at One State Street Plaza, New York, New York 10004 and S&P at 55 Water Street, 38th Floor, New York, New York 10041. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. The respective ratings may subsequently be revised downward or withdrawn entirely by Fitch and S&P, respectively, if in their respective judgment, circumstances to warrant. Any subsequent downward revision or withdrawal of such ratings may have an adverse effect on the market price and marketability of the 2013 Certificates.

CONTINUING SECONDARY MARKET DISCLOSURE

The County has covenanted for the benefit of holders of the 2013 Certificates to provide certain financial information and operating data relating to the County by not later than February 1 in each year commencing
February 1, 2014 (the “Annual Reports”), and to provide notices of the occurrence of certain enumerated events, if material (the “Notices”). The Annual Reports and Notices will be filed with the Municipal Securities Rulemaking Board (the “MSRB”) through the MSRB’s Electronic Municipal Market Access system as described in Appendix F - “CONTINUING DISCLOSURE UNDERTAKING.” The specific nature of the information to be contained in the Annual Reports and the Notices is set forth in Appendix F - “CONTINUING DISCLOSURE UNDERTAKING.”

These covenants have been made in order to assist the underwriters of the 2013 Certificates in complying with S.E.C. Rule 15c2-12(b)(5) (the “Rule”). Pursuant to Arizona law, the ability of the County to provide information pursuant to such covenants is subject to annual appropriation to, among other things, cover the costs of preparing and mailing the Annual Reports and the Notices to the MSRB. A failure by the County to comply with these covenants must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the 2013 Certificates in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the 2013 Certificates and their market price.

The County has complied with all existing continuing disclosure undertakings relating to the County for the last five years in all material respects.

UNDERWRITING

The 2013 Certificates will be purchased by the Underwriter, at an aggregate purchase price of $98,407,019.60 (“Purchase Price”), pursuant to a certificate purchase contract (the “Certificate Purchase Agreement”) entered into by the County, the Trustee and the Underwriter. PIMA COUNTY, ARIZONA
General Economic and Demographic Information

General Information

Pima County, Arizona (the “County”) is located in the southern portion of the State of Arizona (“Arizona” or the “State”), with a section of its southern boundary bordering Mexico. The boundaries of the County encompass an area of approximately 9,184 square miles. Organized in 1864 by the Arizona Territorial Legislature as one of the State's four original counties, the County is today the second most populous county in Arizona with an estimated 2012 population of 990,380. Approximately 53% of the County’s population resides in the City of Tucson, Arizona (“Tucson”), the County seat of government and southern Arizona’s largest city.

Organization

The County is governed by a five-member Board, each member of which is elected for a four-year term to represent one of the designated districts within the County. The chairman is selected by the Board from among its members. The Board is responsible for establishing the policies of the various County departments and approving the annual budgets of these departments. The Board appoints a County Administrator who is responsible for the general administration and overall operations of the various departments of the County.

Mr. Charles H. Huckelberry was appointed County Administrator in December 1993. From 1987 to 1993, Mr. Huckelberry served as an Assistant County Manager with responsibility for the administration of public works. He served as the Director of Pima County’s Department of Transportation and the Flood Control District (the “District”) from 1979 to 1987; as Deputy Director of the Wastewater Department from 1976 to 1979; and as the Wastewater Department’s Manager of Field Engineering from 1974 to 1976. He was self employed as a civil engineering and land surveying consultant for one year. From 1972 to 1973, Mr. Huckelberry was employed as a Research and Development Engineer for the Shell Oil Company. He holds both a Bachelor of Science Degree in Mining Engineering and a Master of Science Degree in Civil Engineering from The University of Arizona and is a registered professional engineer and land surveyor as well as a member of numerous professional organizations.

Mr. Thomas Burke was appointed Finance and Risk Management Director in January 2005 and had served as Deputy Director of Finance from May 2004. Prior to his move to Finance, Mr. Burke served as Deputy Director of Pima County’s Department of Natural Resources, Parks and Recreation from 2003 to 2004. From 2000 to 2003, he was a Deputy County Attorney representing various Pima County departments including the County Assessor, County Treasurer and Public Works departments. From 1989 to 1998, Mr. Burke served as the Manager of Pima
County’s Real Property Services and from 1994 to 1998 also served as the County’s Superintendent of Streets overseeing special taxing districts. During 1998 to 2000, he was a partner in an Arizona law firm representing local governments. Prior to his work with Pima County, Mr. Burke was an attorney with a Tucson law firm from 1983 to 1989 and was a Certified Public Accountant with Ernst & Whinney from 1976 to 1980. Mr. Burke holds a Bachelor of Science in Business Administration with a major in Accounting and a Juris Doctor, both from The University of Arizona, and is licensed as an attorney in the State of Arizona.

Transportation

Tucson is the economic and transportation center of the County, as well as southern Arizona. Tucson is traversed by Interstates 10 and 19, as well as State Highways 77, 83, 85 and 86. Interstate 10 passes through Tucson and connects Tucson with the City of Phoenix, Arizona, to the north and Los Angeles, California, to the west and New Mexico and Texas to the east. Interstate 19 provides access to the City of Nogales, Arizona and Mexico to the south, while U.S. Highway 86 connects with a direct route to the Gulf of California vacation areas. The main line of the Union Pacific Railroad extends across Tucson to the eastern portion of the County. Tucson International Airport, located approximately 20 minutes from Tucson's downtown business area, provides local, regional, national and international air service through several airlines. The airport has an 11,000-ft. lighted, paved primary runway, a 9,100-ft. paved secondary runway and a 7,000-ft paved runway, all of which can accommodate all major types of carriers. The County is also served by Greyhound bus lines and Amtrak.

Economy

The economy of the County is based largely on a variety of service industries, trade, and government employment. Figures from the Arizona Department of Administration, Office of Employment and Population Statistics indicate that 360,900 persons were employed, on average (not including the agricultural industry), in the County in 2012. The following table presents the County’s average annual total employment by industry for the periods indicated. During the recent recession, employment decreased in the County from 2008 through 2010, but has shown signs of stabilizing and growth in 2011 and 2012, as reflected in the information shown below.

Non-Governmental Employment

From 2008 through 2010, average employment figures across all categories with the exception of financial activities and education and health services showed declines in employment. During that time, average non-governmental employment in the County fell by approximately 26,000 jobs, or approximately 8.6%. In 2011 and 2012, employment figures for all categories showed signs of either growth or stabilization, with overall employment up 1.9%, in comparison to the 2010 figures.

The average annual employment in service-providing categories in 2012 was 243,200. It is anticipated that as the County continues to grow in population and economic activity, service-providing employment will continue to provide the primary source of jobs in the County. As detailed in TABLE 2, employment in the Education and Health Services and Trade, Transportation and Utilities have been the primary areas of employment in the service-providing industry.

Government

Government employment plays an important role in the County with Federal, State and local government employees averaging approximately 78,000 in 2012. The State and Davis-Monthan Air Force Base are significant contributors to government employment in the County. (See “Southern Arizona - Major Employers” listed in TABLE 4.) Davis-Monthan Air Force Base is a major training ground for active duty members on the A-10 “Warthog” aircraft. The facility is also responsible for the education of tactical missile crews. Its storage capacity of 2,500 aircraft is the largest in the world. In the past, Davis-Monthan Air Force Base reportedly has been included on lists of installations considered for closure or realignment by the Defense Base Closure and Realignment Commission. There can be no assurances that Davis-Monthan Air Force Base will not be included on similar lists in the future. Any such closure or realignment would most likely be subject to review and approval by, among others, the Department of Defense and the President of the United States and would have a negative but unquantifiable effect on the County.

Manufacturing

The manufacturing sector in the County continues to be dominated by the high technology industries of aerospace and electronics. Raytheon Missile Systems, the largest manufacturing company and largest employer in the County, is a major supplier of advanced munitions. Civilian aviation products and services are provided by Bombardier, which has an aircraft maintenance facility in Tucson, and Universal Avionics Systems Corp., which builds and installs advanced instrumentation, communication and navigation systems for civil aircrafts. Texas Instruments manufactures electronic circuitry and data storage devices. Ventana Medical Systems provides computerized medical laboratory equipment.

Average annual employment in the manufacturing sector within the County in 2012 was 23,300, representing 6.5% of the County’s total wage and salary employment base. Manufacturing employment in the County has decreased each year since 2008, but has shown signs of stabilization in 2012. Since 2008, average manufacturing employment fell by approximately 3,900 jobs, or approximately 14.3%.

* Estimated

Source: *The Star 200, The Arizona Daily Star (April 2012).*

The County’s proximity to Mexico makes twin plant “maquiladora” operations practical. Components are manufactured in Tucson and transported duty-free to Nogales, Sonora, Mexico, 65 miles south of Tucson, for assembly. Among the companies operating “twin plants” in Tucson and Nogales are General Electric, Samsonite, Motorola, Acco, Moen Faucets and Masterlock. These manufacturers contribute to the County’s economy in many ways including the support of numerous suppliers and peripheral industries. The proximity of the Mexican border is more significant to manufacturing concerns given the existence of the North American Free Trade Agreement between Canada, the United States and Mexico. However, the uncertainty of the U.S. and Mexican economies may negatively impact the employment of the previously described manufacturing concerns.

**Tourism**

Tourism is an important economic mainstay in the County and the Tucson area. The County’s climate, historical and cultural sites, location and proximity to vacation areas in California, Mexico, and other Southwest destinations attract vacationers, conventioneers and other visitors. The Metropolitan Tucson Convention and Visitors Bureau estimated that 688 convention bookings with 222,102 convention delegates visited the Tucson area in fiscal year 2011-12, the most recent data available. In the Tucson area, the Bureau estimated that there were approximately 197 hotels and resorts with 16,727 rooms. Points of interest, recreational sites and sight-seeing attractions include the Arizona-Sonora Desert Museum, Kitt Peak National Observatory, Pima Air and Space Museum, Titan Missile Museum, Saguaro National Park, Mission San Xavier del Bac, Mount Lemmon, Sabino Canyon, Biosphere 2, and numerous resorts and golf courses.

According to the Arizona Hospitality Research & Resource Center, tourists in the County spent $1.37 billion in calendar year 2011, a slight increase from tourism-related expenditures in calendar year 2010. In calendar year 2012, tourists in the County spent approximately $1.44 billion, an increase of 5.33% from the prior year.

The figures in the following table include the estimated tourist portion of amusement, bar and restaurant, hotel and motel, and retail gross sales. Shown below are tourist dollars expended in the County and State economies for 2008 through 2012.

Education

The University of Arizona (the “University”) provides approximately 10,681 jobs to the area and is an important link to the economic growth of the County. Its presence as a research university has assisted in attracting new business enterprises over the years. The academic organization of the University is comprised of twelve undergraduate colleges, four graduate and professional colleges and a number of interdisciplinary programs. Enrollment figures for the fall semester of 2012 were estimated at 40,223 undergraduate and graduate full-time students. This enrollment includes students in continuing education programs, interns and residents, post-doctoral programs and on-campus non-credit students.

Pima County Community College offers two-year programs in vocational and technical education. Total student enrollment for Pima County Community College for 2011-12 was 59,303 students.

Wholesale and Retail Trade

Wholesale and retail trade includes restaurants, hotels, taverns, service stations, automobile repair shops, shopping malls and wholesale dealers. The largest individual employers in the retail sector (companies with more than 1,000 employees) are Wal-Mart Stores, Fry’s Food and Drug Stores, Bashas’ Inc., Walgreen Co., Safeway Stores Inc., Home Depot, Albertsons-Osco and Crosstown Traders.

The retail sales figures set forth below are based on the sales tax collections within the County excluding penalties, late charges and nontaxable items. The sales tax rate levied by the State on retail sales within the County is 5.6% (not including a temporary 1.0% tax). In addition, cities and towns within the County generally levy a 2% to 4% sales tax. The County Regional Transportation Authority levies a county-wide 0.5% sales tax.

The following table sets forth retail sales figures in the County for the periods indicated. After many years of continued growth, retail sales in the County decreased by 7.14% in calendar year 2008 and by an additional 9.86% in calendar year 2009. While continuing to decrease in calendar year 2010, the rate of decline slowed to 2.20% and in calendar year 2011, retail sales in the County increased by 7.8% from the prior year. As indicated by the following table, retail sales increased by 5.6% in 2012.

The following table illustrates the summary of bank deposits of all FDIC-insured institutions within the County for the past five fiscal years. As of June 30, 2012, there were 18 institutions with 193 offices in the County, with a deposit balance of approximately $12.152 billion.

Mining

According to the Arizona Mining Association, Arizona leads the nation in copper production, accounting for approximately 63% of the total U.S. mine production. However, the cyclical nature of this industry has caused consolidation of its resources to improve production. In the early 1980’s, the Arizona copper industry's direct economic impact on the Arizona economy regularly exceeded $1.0 billion, peaking in 1981 at approximately $1.612 billion when the industry employed roughly 25,000 persons. Since that time, employment in this sector has significantly decreased, with employment in the mining industry within the County being approximately 2,100 in 2012.

Agriculture

Agriculture plays a less significant role in the economy of the County as a whole, but a small portion of the County relies on agriculture as its leading economic source. Principal crops harvested are cotton, wheat and hay, as well as vegetables. The following table sets forth the total cash receipts for all crops and livestock products in the County for the most recent five years for which reports are available.

APPENDIX B

PIMA COUNTY, ARIZONA
Financial Information

Introduction

The fiscal year for the County is from July 1 through June 30. The County’s budget process is an ongoing function. Each fiscal year’s process starts with the issuance in December of guidelines to all departments within which budgets must be developed. Department budget requests are submitted in February. A review process then takes place culminating with the County Administrator’s submission of a proposed budget to the Board in time for budget hearings in mid-June. State statutes require that a tentative budget be adopted by the Board no later than the third Monday in July. At the time the final budget is adopted, which can be no later than the first Monday in August of each year, the Board holds a public hearing and meeting to determine the tax levy needed to support the budget. Taxes are then assessed and levied no later than the third Monday in August.

Expenditure Limitation

Beginning in fiscal year 1981-82, the County became subject to an annual expenditure limitation which is set by the Arizona Economic Estimates Commission. This limitation is based on the County’s annual expenditures for fiscal year 1979-80, with this base adjusted to reflect interim population, cost of living and boundary changes. Certain expenditures are specifically exempt from the limit, including expenditures made from federal funds and bond sale proceeds, as well as debt service payments. The limitations can be exceeded for certain emergency expenditures or if approved by the voters. The Constitution provisions which relate to the expenditure limitation provide three processes to exceed the spending limit: a permanent base adjustment, a one-time override, and a capital project accumulation.

The County’s expenditure limitation for the 2012-13 fiscal year is $516,422,727. The County’s expenditures for the 2012-13 fiscal year are anticipated to be under the limit. The County’s 2013-14 fiscal year expenditure limitation is $527,442,812, and the County anticipates that its expenditures for such year will be under the limit.

Ad Valorem Taxes

At the general election held November 6, 2012, the voters of the State ratified Senate Concurrent Resolution 1025, which amends a provision of the Arizona Constitution relating to the State’s property tax system. Beginning in tax year 2015 (for operations beginning in the County’s fiscal year 2015-16), and for tax years thereafter, the constitutional amendment will limit the value of real property and improvements, including mobile homes, used for all ad valorem tax purposes (both primary and secondary tax purposes) to the lesser of the full cash value of the property or an amount five percent greater than the taxable value of property determined for the prior year. The foregoing limitation does not apply to (1) equalization orders that the Arizona Legislature exempts from such limitation; (2) property used in the business of patented or unpatented producing mines, mills and smelters; (3) producing oil, gas and geothermal interests; (4) real property and improvements used for operation of telephone, telegraph, gas, water and electric utilities; (5) aircraft that is regularly scheduled and operated by an aircraft company; (6) standing timber; (7) pipelines; and (8) personal property, except mobile homes. The legislature has enacted, and, as of April 5, 2013, the Governor has signed into law S1169, which makes statutory changes necessary to implement this voter-approved constitutional amendment. S1169 will become effective 90 days after the legislature adjourns the current legislative session, unless a sufficient petition seeking referendum of such legislation is submitted. The date of adjournment is unknown at this time. Other statutory changes may be enacted in the future.

The information which follows under the heading “Ad Valorem Taxes” summarizes the assessment, levy and collection process as it currently exists.
General

Arizona (the “State” or “Arizona”) property taxes are divided into two systems, primary and secondary. Secondary property taxes are those taxes imposed for payment of bonded indebtedness, for exceeding a budget, expenditure or tax limitation pursuant to voter approval and for operating and maintaining certain special districts. Primary property taxes are all ad valorem taxes other than secondary property taxes.

Under the primary system, the full cash value of locally-assessed real property (consisting primarily of residential, commercial, industrial, agricultural and unimproved property) cannot increase by more than 10% per year, except under certain circumstances. This limitation does not apply to mines, utilities and railroads which are assessed by the State. Annual tax levies under the primary system are based on the nature of the property taxed and the taxing authority. Primary taxes levied on residential property only are limited to 1% of the limited full cash value of such property. In addition, primary taxes levied on all types of property by counties, cities, towns and community college districts are limited to a maximum increase of 2% over the prior year's levy plus any amount directly attributable to new construction and annexation. The 2% limitation does not apply to primary taxes levied for local school districts. The County does not currently levy its primary tax to the maximum allowed under the law.

Secondary assessed valuation represents the value used in determining property tax levies for the payment of principal and interest on bonds, school district voter-approved budget overrides and special district taxes and the calculation of maximum bonded indebtedness allowed under the State's Constitutional debt limit. See “Debt Limitation” herein. Under the secondary system, there is no limitation on annual increases in full cash value of any property. In addition, annual tax levies for voter-approved bonded indebtedness, overrides and special district taxes are unlimited.

Arizona law provides for a property valuation “freeze” for certain residential property owners sixty-five years of age and older. Owners of residential property may obtain such freeze against valuation increases (the “Property Valuation Protection Option”) if the owner's total income from all sources does not exceed 400% (500% for two or more owners of the same property) of the “Social Security Income Benefit Rate.” The Property Valuation Protection Option must be renewed every three years. If the property is sold to a person who does not qualify, the valuation reverts to its current full cash value. Any freeze on increases in full cash value will translate to the secondary assessed value of the affected property as hereinafter described.

Additionally, all property, both real and personal, is assigned a classification to determine its assessed valuation for tax purposes. Each legal classification is defined by property use and has an assessment ratio (a percentage factor) which is multiplied by the limited or full cash values of the property to obtain the assessed valuations.

Tax Procedures

The tax year in Arizona is defined as the calendar year, although tax procedures begin prior to January 1 of each tax year and continue through May of the succeeding calendar year. The first step in the tax process, for taxing entities other than certain special districts, is the determination of the full cash value of each individually-owned parcel of land within the State. Property valuations are established on most property by the individual county assessors, with the State Department of Revenue determining the valuation of centrally assessed properties such as gas, water and electrical utilities, railroads, mines and pipelines. The appropriate property classification assessment ratio is then applied to the full cash value to determine the assessed valuation for such parcel. The assessment ratios utilized over the five-year period 2009 through 2013 for each class of property are set forth below.

(a) Additional classes of property exist, but seldom amount to a significant portion of a governmental entity’s total valuation.

(b) For each of the tax years 2011, 2012 and 2013, full cash values up to $67,268, $68,079 and $133,868, respectively, on commercial, industrial and agricultural personal property are exempt from taxation. This exemption is indexed annually for inflation. Any portion of the full cash value in excess of that amount will be assessed at the applicable rate. Effective January 1, 2011, the assessment ratio for mining, utilities, commercial and industrial property was reduced by one percentage point annually, resulting in an assessment ratio of 20.0% thereafter. The assessment ratio for mining, utilities, commercial and industrial property will be reduced to 19.5% for tax year 2013 and further reduced one-half of one percent for each year to 18.0% for 2016 and thereafter. The assessment ratio for agricultural and vacant property will be reduced to 15.0% for tax year 2016 and thereafter.

(c) This percentage is determined annually to be equal to the ratio of (i) the total assessed valuation of all mining, utility, commercial, industrial, and military reuse zone properties, agricultural personal property and certain leasehold personal property to (ii) the total full cash (market) value of such properties.

From time to time, bills have been introduced in the Arizona Legislature to reduce the property tax assessment ratios on various classes of property and such bills may be introduced in the current or future legislative sessions. The County cannot determine whether any such measures will become law or how they might affect property tax collections for the County.

### Delinquent Tax Procedures

The property taxes due to the County are billed, along with State and other taxes, ordinarily in September of the calendar tax year and are due and payable in two installments on October 1 and March 1 and become delinquent on November 1 and May 1. Delinquent taxes are subject to an interest penalty of 16% per annum prorated monthly as of the first day of the month unless the full year's taxes are paid by December 31. After the close of the tax collection period, the County Treasurer prepares a delinquent property tax list and the property so listed is subject to a tax lien sale in February of the succeeding year. In the event that there is no purchaser for the tax lien at the sale, the tax lien is assigned to the State, and the tax lien is reoffered for sale from time to time until such time as the taxes, penalties and interest put on the lien is sold, subject to redemption, for an amount sufficient to cover all delinquent and current taxes.

It should be noted that in the event of bankruptcy of a taxpayer pursuant to the United States Bankruptcy Code (the “Bankruptcy Code”), the law is currently unsettled as to whether a lien can be attached against the taxpayer's property for property taxes levied during the pendency of bankruptcy. Such taxes might constitute an unsecured and possibly noninterest bearing administrative expense payable only to the extent that the secured creditors of a taxpayer are oversecured, and then possibly only on the prorated basis with other allowed administrative claims. It cannot be determined, therefore, what adverse impact bankruptcy might have on the ability to collect ad valorem taxes on a property of a taxpayer within the County. Proceeds to pay such taxes come only from the taxpayer or from a sale of the tax lien on the property.

When a debtor files or is forced into bankruptcy, any act to obtain possession of the debtor’s estate, any act to create or perfect any lien against the property of the debtor or any act to collect, assess or recover a claim against the debtor that arose before the commencement of the bankruptcy would be stayed pursuant to the Bankruptcy Code.

B-3
While the stay of a bankruptcy court may not prevent the sale of tax liens against the real property of a bankrupt taxpayer, the judicial or administrative foreclosure of a tax lien against the real property of a debtor would be subject to the stay of a bankruptcy court. It is reasonable to conclude that “tax sale investors” may be reluctant to purchase tax liens under such circumstances, and, therefore, the timeliness of post bankruptcy petition tax collections becomes uncertain.

(a) Reflects collections made through June 30th, the end of the fiscal year, on such year’s levy. Property taxes are payable in two installments. The first installment is due the first day of October and becomes delinquent on November 1, but is waived if the full tax year's taxes are paid in full by December 31. The second installment becomes due the first day of March and is delinquent on May 1. Interest at the rate of 16% per annum attaches on first and second installments following their delinquent dates. Penalties for delinquent payments are not included in the above collection figures.

(b) Reflects collections made through March 31, 2013 against the current and prior levies.

Tax Rate Data

The tax rates provided below reflect the total property tax rate levied by the County. As such, the rates are the sum of the primary tax rate, which is levied against the primary assessed value within the County, and the secondary tax rate for debt service payments, the County Library District, the County Fire District Assistance Tax and the County Flood Control District, all of which are levied against the County’s secondary assessed value (except in the case of the Flood Control District, which is levied against the District's secondary assessed value, excluding the value of personal property).

(a) Includes general obligation bonds outstanding. Does not include outstanding principal amount of various cities and towns improvement districts’ bonded debt and outstanding principal amount of various County improvement districts’ bonded debt, as the indebtedness of these districts is presently being paid from special assessments levied against property owners residing within the various improvement districts. Also does not include various fire districts.

Also does not include the obligation of the Central Arizona Water Conservation District (“CAWCD”) to the United States of America, Department of the Interior, for repayment of certain capital costs for construction of the Central Arizona Project (“CAP”), a major reclamation project that has been substantially completed by the Department of the Interior. The obligation is evidenced by a master contract between CAWCD and the Department of the Interior. In April 2003, the United States and CAWCD agreed to settle litigation over the amount of the construction cost repayment obligation, the amount of the respective obligations for payment of the operation, maintenance and replacement costs and the application of certain revenues and credits against such obligations and costs. Under the agreement, CAWCD’s obligation for substantially all of the CAP features that have been constructed so far will be set at $1.646 billion, which amount assumes (but does not mandate) that the United States will acquire a total of 667,724 acre feet of CAP water for federal purposes. The United States will complete unfinished CAP construction work related to the water supply system and regulatory storage stages of CAP at no additional cost to CAWCD. Of the $1.646 billion repayment obligation, 73% will be interest bearing and the remaining 27% will be non-interest bearing. These percentages will be fixed for the
entire 50-year repayment period, which commenced October 1, 1993. CAWCD is a multi-county water conservation district having boundaries coterminous with the exterior boundaries of Maricopa, Pima and Pinal Counties. It was formed for the express purpose of paying administrative costs and expenses of the CAP and to assist in the repayment to the United States of the CAP capital costs. Repayment will be made from a combination of power revenues, subcontract revenues (i.e., agreements with municipal, industrial and agricultural water users for delivery of CAP water) and a tax levy against all taxable property within CAWCD’s boundaries. At the date of this Official Statement, the tax levy is limited to fourteen cents per $100 of secondary assessed valuation, of which twelve cents is being currently levied. (See Arizona Revised Statutes, Sections 48-3715 and 48-3715.02.) There can be no assurance that such levy limit will not be increased or removed at any time during the life of the contract.

(b) The County’s total tax rate shown includes the County’s primary and secondary debt service tax rates, the State equalization tax rate of $0.4717, the $0.3460 tax rate of the Free Library District, the $0.1000 tax rate of the Central Arizona Project and the $0.0447 tax rate of the Fire District Assistance Tax.

c) The boundaries of the Pima County Flood Control District are coterminous with those of the County; however, the Flood Control District only levies taxes on real property.

d) The tax rate shown is a weighted average based on each jurisdiction’s proportionate amount of secondary assessed valuation.

e) The combined tax rate includes the tax rate for debt service payments, which is based on the secondary assessed valuation of the entity, and the tax rate for all other purposes such as maintenance and operation and capital outlay, which is based on the primary assessed valuation of the municipality or school district.

Retirement Plans

The County contributes to four separate defined benefit pension plans for the benefit of all full-time employees and elected officials. Please refer to “Note 9 - Retirement Plans” of Appendix F hereto for a more detailed description of these plans and the County contributions to the various plans.

The Arizona State Retirement System (“ASRS”), a cost-sharing, multiple employer defined benefit plan, has reported increases in its unfunded liabilities. The most recent annual reports for the ASRS may be accessed at: https://www.azsrs.gov/web/FinancialReports.do. The effect of the increase in ASRS’ unfunded liabilities on the County, or on the County’s and its employees’ future annual contribution to ASRS, are projected to increase in future years.

The board for the ASRS has adopted contribution rates for fiscal years 2012 and 2013. For the year ended June 30, 2012, active plan members were required by statute to contribute at the actuarially determined rate of 10.74 percent (10.50 percent retirement and 0.24 percent long-term disability) of the members’ annual covered payroll. The County was also required by statute to contribute at the actuarially determined rate of 10.74 percent (9.87 percent for retirement, 0.63 percent for health insurance premium, and 0.24 percent long-term disability) of the members’ annual covered payroll. For fiscal year 2013, the rate, including retirement and long-term disability, was increased to 11.14 percent for the County and to 11.14 percent for employees.

Legislation enacted by the State in 2012 made changes to how ASRS operates, effective July 1, 2011, which includes requiring employers to pay an alternative contribution rate for retired employees of ASRS that return to work, changing the age at which an employee can retire without penalty based upon years of service, limiting permanent increases in retirement benefits and establishing a study committee that will review the feasibility and cost to changing the current defined benefit plan to a defined contribution plan.
The ASRS has reported increases in its unfunded liabilities. The effect of the increase in the ASRS’ unfunded liabilities on the County, or on the County’s and its employees’ future annual contribution to the ASRS, are projected to increase in future years.

The Arizona Public Safety Personnel Retirement System (“PSPRS”), an agent multiple-employer defined benefit plan that covers public safety personnel who are regularly assigned to hazardous duties, for which the Arizona State Legislature establishes and may amend active plan members’ contribution rate, has reported increases in its unfunded liabilities. The most recent annual reports for the PSPRS may be assessed at http://www.psprs.com/sys_psprs/Annual_Reports/cato_annual_rpts_psprs.htm. The effect of the increase in the PSPRS’s unfunded liabilities is expected to result in increased contributions by the County and its employees, however the specific impact on the County, or on the County’s and its employees’ future annual contributions to the PSPRS, cannot be determined at this time.

The Corrections Officers Retirement Plan (“CORP”), an agent multiple-employer defined benefit plan that covers certain County employees whose primary duties require direct inmate contact, for which the Arizona State Legislature establishes and may amend active plan members’ and the County’s contribution rates, has reported increases in its unfunded liabilities. The most recent annual reports for the EORP may be accessed at: http://www.psprs.com/sys_eorp/Annual_reports/cato_Annual_rpts_CORP.htm. The effect of the increase in the EORP’s unfunded liabilities is expected to result in increased contributions by the County and its employees, however the specific impact on the County, or on the County’s and its employees’ future annual contributions to the EORP, cannot be determined at this time.

For the year ended June 30, 2012, active PSPRS members were required by statute to contribute 8.65 percent of the members’ annual covered payroll, and the County was required to contribute at the actuarially determined rate of 24.24 percent, the aggregate of which is the actuarially required amount. As allowed by statute, the County contributed 3.65 percent of the members’ required contribution, with the members contributing 5.00 percent. The health insurance premium portion of the contribution was set at 1.83 percent of covered payroll. Active CORP members were required by statues to contribute 8.41 percent of the members’ annual covered payroll, and the County was required to contribute at the actuarially determined rate of 9.38 percent, the aggregate of which is the actuarially required amount. The health insurance premium portion of the contribution rate was actuarially set at 1.30 percent of covered payroll.

The Elected Officials Retirement Plan (EORP) (and the PSPRS as it relates to County Attorney Investigators) are relatively insignificant to the County’s financial picture.

New Reporting Requirements. Government Accounting Standards Board adopted Statement Number 68, Accounting and Financial Reporting for Pensions (“GASB 68”), which, beginning with fiscal years starting after June 15, 2014, requires cost-sharing employers to report their “proportionate share” of the plan’s net pension liability in their government-wide financial statements. GASB 68 will also require that the cost-sharing employer’s pension expense component include its proportionate share of the plan’s pension expense, the net effect of annual changes in the employer’s proportionate share and the annual differences between the employer’s actual contributions and its proportionate share. The new reporting requirements imposed by GASB 68 will change the financial statements of the County, but what the specific effect will be is unknown at this time.

Other Post Employment Benefits

In fiscal year 2007-08, the County implemented Government Accounting Standards Board Statement Number 45, Accounting by Employers for Post-Employment Benefits Other than Pensions (“GASB 45”), which requires reporting the actuarially accrued cost of post-employment benefits, other than pension benefits (“OPEB”), such as health and life insurance for current and future retirees. Plan benefits covered by GASB 45 must be recognized as current costs over the working lifetime of employees, and to the extent such costs are not pre-funded, the reporting of such costs as a financial statement liability.

The County has, in the past, offered its retired employees, their spouses and survivors continuing access to health care insurance through the County’s health plan until they reach an age covered by Medicare, a benefit that was discontinued effective July 1, 2010. Participating retirees were required to pay 100% of applicable health care
insurance premiums. The County makes no payments for OPEB costs for such retirees, but for fiscal year 2007-08 the County reported an implicit rate subsidy described in Note 10 of the 2007-08 Comprehensive Annual Financial Report. For fiscal year 2008-09, the County did not report any OPEB liability because the County determined that, to the degree GASB 45 applied, any OPEB liability would not be material. Because the program was discontinued as of July 1, 2010, the County had no OPEB costs for fiscal year 2009-10, or for subsequent years unless the program is reinstituted.

#### OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements consist of three components: (1) Government-wide statements, (2) Fund statements, and (3) Notes. Required supplementary information is included in addition to the basic financial statements.

**Government-wide financial statements** are designed to provide readers with a broad overview of County finances in a manner similar to a private-sector business.

The statement of net position presents information on all County assets, deferred outflows, liabilities, and deferred inflows with the difference between them reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The statement of activities presents information showing how net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported
in this statement for some items that will result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation or sick leave).

Both of these government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a portion of their costs through user fees and charges (business-type activities). The governmental activities of the County include general government, public safety, highways and streets, sanitation, health, welfare, culture and recreation, and education and economic opportunity. The business-type activities of the County include Pima Health System & Services, Regional Wastewater Reclamation, Development Services, and the County’s downtown parking garages.

Discretely presented component units are included in the basic financial statements. They consist of two legally separate entities for which the County is financially accountable. The County reports the Southwestern Fair Commission, which operates the County Fairgrounds and the annual Pima County Fair, as a discretely presented component unit. The Pima County Sports and Tourism Authority (S&TA) is also reported as a discrete component unit. S&TA is a nonprofit municipal corporation established to promote professional and amateur sports events and other suitable activities for the benefit of the public.

The government-wide financial statements can be found on pages 31-33.

**Fund financial statements** are groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other state and local governments, uses fund accounting to ensure and demonstrate finance-related legal compliance with applicable State statutes and Federal Office of Management and Budget budgeting guidelines. All of the funds can be divided into three categories: (1) governmental funds, (2) proprietary funds, and (3) fiduciary funds.

**Governmental funds** are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of expendable resources, as well as on balances of expendable resources available at the end of the fiscal year. Such information may be useful in evaluating the County’s near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government’s near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The County maintains fifteen individual governmental funds. Information is presented separately in the Governmental Fund Balance Sheet and in the Governmental Fund Statement of Revenues, Expenditures and Changes in Fund Balances for the General, Capital Projects and Debt Service funds which are reported as major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements.
The governmental fund financial statements can be found on pages 34-37. The combining statements for non-major governmental funds can be found on pages 86-89.

**Proprietary funds** are maintained in two ways. **Enterprise funds** are used to report the same functions presented as *business-type* activities in the government-wide financial statements. The County uses enterprise funds to account for certain health care services, including medical and long-term health care, sewer systems maintenance and operation, real estate-related development services, and parking garage operations. **Internal service funds** are an accounting device used to accumulate and allocate costs internally among the County’s various functions. The County uses internal service funds to account for risk management, automotive fleet maintenance and operations, printing services, telecommunications, wireless and IT network infrastructure. Because these services predominantly benefit governmental rather than business-type functions, most of the assets, deferred outflows, liabilities, and deferred inflows of these services have been included within *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. Regional Wastewater Reclamation and Pima Health System & Services operations are considered to be major funds of the County. Data from the other enterprise funds are combined into a single, aggregated presentation. Similarly, the County’s internal service funds are combined into a single, aggregated presentation in the proprietary funds financial statements. Individual fund data for the other enterprise and internal service funds are provided in the form of *combining statements*.

The proprietary fund financial statements can be found on pages 38-41. The combining statements for other enterprise and internal service funds can be found on pages 105-112.

**Fiduciary funds** are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the County’s programs.

The fiduciary fund financial statements can be found on pages 42-43.

**Notes to the financial statements** provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes can be found on pages 46-79.

**Required Supplementary Information (RSI)** is presented concerning the County’s General Fund budgetary schedule and the schedule of retirement plans’ funding progress. Required supplementary information can be found on pages 81-83.

**Combining Statements and Other Schedules** referred to earlier provide information for non-major governmental, enterprise, internal service, and fiduciary funds and are presented immediately following the required supplementary information. Combining and individual fund statements and schedules can be found on pages 86-116.
GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve as a useful indicator of a government’s financial position over time. County assets exceeded liabilities by $2,274 at June 30, 2012. The following table shows condensed information for the Schedule of Assets, Liabilities and Net Position:

Assets

Current and other assets increased by $87,061 mainly due to an increase in Cash and Cash Equivalents, $91,543.

Capital assets increased by $278,035 primarily due to the following:

- An increase of $221,970 in construction in progress, with $45,340 for governmental activities and $176,630 for business-type activities.
- Capitalization of software, $20,614, resulted in a net increase in Equipment of $23,224 in the governmental activities and an accompanying decrease of $2,799 for business-type activities.

Total liabilities for the primary government increased by $240,303. Current liabilities increased $40,085 mainly due to an overall increase in accounts payable, with accounts payable for governmental activities increasing $47,119 and accounts payable for business-type activities increasing by $10,815.
Net position

The largest portion of the County’s net position reflects its investment in capital assets (i.e. land, buildings, infrastructure, and equipment), less any related outstanding debt used to acquire those assets. As of June 30, 2012, net investment in capital assets totaled $1,809,788, comprising approximately 79.6% of total net position. The County uses a portion of these capital assets to provide services to its citizens, with the other portion available to its citizens for use; consequently, these assets are *not* available for future spending. The $98,230 increase in capital assets, net of related debt, is primarily due to the significant amount of capital project activity. Although the County’s investments in capital assets are reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Unrestricted net position for the primary government increased $25,731 mainly due to an increase in business-type activities of 99% ($33,022), specifically; the Regional Wastewater Reclamation Fund had an increase in its unrestricted net position of 120% from $25,652 to $56,462.

The table below provides the composition of net position for the County as of June 30, 2012.

![Composition of Net Position](image)

Restricted net position represent resources that are subject to external restrictions on how they may be used. As of June 30, 2012, restricted net position totaled $240,165 and comprised approximately 10% of total net position. This represents an $832 increase in restricted net position from the prior fiscal year.
The remaining balance of the County’s net position represents unrestricted net position, which may be used to meet the County’s ongoing obligations to citizens and creditors. As of June 30, 2012, unrestricted net position totaled $223,785 and comprised approximately 10% of total net position.

</table>
Ending net position for governmental activities increased by $107,594, a 7.4% increase. This year’s change in net position decreased by $3,981 from last year, primarily due to a decrease in overall revenues of $9,926 and an increase in expenses of $15,093.

Factors affecting the $9,926 decrease in revenues from governmental activities:

- Revenue from capital grants and contributions decreased by $17,502 in Highway and Streets Activity. This is primarily from a decrease in ARRA Stimulus revenue, $4,071, a decrease in State Revenue of $6,232 and a decrease of $10,348 in Capital Contributions.

Total expenses for governmental activities were $734,025, up 2.1% or $15,093 compared to the previous year’s total of $718,932. Factors contributing to the increase in expenses:

- Health expenses increased by $10,772, of which $7,603 was related to a grant called Communities Putting Prevention to Work which was awarded at $15 million. This grant was predominantly awarded to funding partners in fiscal year 2012.

The increase in the Transfers in line item of $21,038 was due to an equity transfer of $26,436 from Pima Health System & Services to Other Special Revenue Fund.

The chart below presents general and program revenues, as a percentage to total revenues. The amount provided from each revenue source for governmental activities, as a percentage to total revenue for governmental activities, has not changed significantly from the prior fiscal year. Property taxes, operating grants, and state-shared taxes continue to account for approximately 72% of the County’s revenues.

**General and Program Revenues - Governmental Activities**

- Property taxes: 50%
- Operating grants: 16%
- Charges for services: 7%
- Other general revenue: 4%
- State-shared taxes: 14%
- Capital grants & contributions: 8%
- Investment earnings: 1%
The chart below presents expenses by function as a percentage to total expenses by function for governmental activities:

**Expenses by Function - Governmental Activities**

- **Health**: 5%
- **Public Safety**: 20%
- **Sanitation**: 1%
- **Education & Economic Opportunity**: 8%
- **Highways & Streets**: 10%
- **Culture & Recreation**: 9%
- **Welfare**: 13%
- **Interest on long-term debt**: 4%

Each expense by function as a proportion to total expenses by function for governmental activities has not changed significantly from the prior fiscal year. General government, public safety, and welfare account for approximately two-thirds of the County’s total expenses.
**Business-type activities**

Business-type activities, which are composed exclusively of enterprise funds, are intended to recover all or a significant portion of their costs through user fees and charges. Change in net position for business-type activities added $17,199 or 2.5% to the County's $124,793 change in total net position for the year ended June 30, 2012. Key elements of the change in net position from business-type activities include:

- Primarily due to the closing of the Pima Health System & Service Enterprise Fund charges for services revenue decreased by $141,942 and Pima Health System & Services Expenses decreased $141,532.

- The increase of $21,038 in the Transfers in (out) line is due to an equity transfer $26,436 from Pima Health System & Services to Other Special Revenue Fund.
FINANCIAL ANALYSIS OF THE COUNTY’S FUNDS

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental funds

The County’s general government functions are accounted for in the General, Special Revenue, Debt Service, and Capital Project funds. Included in these funds are special districts governed by the Board of Supervisors (i.e. Flood Control, Library and Stadium Districts). The focus of the County’s governmental funds is to provide information on near-term inflows, outflows and balances of expendable resources. Such information is useful in assessing the County's financing requirements. In particular, unassigned fund balances may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

Major Governmental Funds

General Fund
The General Fund is the chief operating fund of the County. At June 30, 2012, total fund balance of the General Fund was $80,767.

The net change in fund balance for the General Fund was $3,212. Revenues increased by $6,011. Property Taxes decreased by $9,846, while Intergovernmental revenues, Charges for services, and Miscellaneous revenues increased by $15,770.

- Property taxes decreased $9,846 primarily due to lower assessed property valuations with the tax rates remaining constant.

Total expenditures

Total expenditures in governmental funds increased during the year by $33,392, primarily due to the following:

- Health expenditures increased by $10,161 primarily from the Communities Putting Prevention to Work grant.
- Public safety expenditures increased by $9,002 due to the Sheriff’s Department purchase of a helicopter, $2,556.
- General Government expenditures increased by $12,409 due to a $10,997 increase in the general fund.

Proprietary funds

The County’s proprietary fund functions are contained in the enterprise and internal service funds. The enterprise funds of the County are Pima Health System & Services, Regional Wastewater Reclamation, Development Services, and Parking Garages. Pima Health System & Services contract with the Arizona Health Care Cost Containment System (AHCCCS) terminated on September 30, 2011. As a result, the fund was closed and year-end balances were transferred to the other governmental funds as of June 30, 2012. These business-type activities are accounted for in a similar fashion to private-sector businesses and the costs for services provided are expected to be covered either fully or in part by generated revenues, which include fees charged to external users.

The internal service funds consist of the Self-Insurance Trust Fund and Other Internal Service Funds, which are comprised of multiple smaller funds consisting of Fleet Services, Print Shop, and Wireless/Telecommunications. The change in net position for all Internal Service Funds was $10,128, generated primarily from the operations of the Self Insurance Trust Fund.

While net patient revenues from Pima Health System & Services decreased by $153,796, revenues continued to exceed operating expenses, generating an operating gain for all enterprise funds this year. Regional Wastewater Reclamation contributed approximately 96%, or $30,476 to the $31,642 operating gain for all enterprise funds.
• Charges for service revenue increased by $15,290 due primarily to a $9,853 increase in Regional Wastewater Reclamation Sewer utility service fees.

• Medical claims expense decreased $118,511 and employee compensation expense decreased $14,812 due to the termination of the AHCCCS contract with Pima Health System & Services.

• Transfers in and transfers out are significantly more this year. This fiscal year, the transfer out of $26,436 from Pima Health System & Services to Other Special Revenue was due to the movement of equity from the Enterprise Fund to a new Other Special Revenue Fund. Last fiscal year, Pima Health System & Services transferred out $4,596 as an equity transfer to the General fund.

Economic Factors and Next Year’s Budget

Primary property taxes

The recession continues to impact the local economy, primarily evident by decreasing market values of existing property. The primary net assessed value for fiscal year 2012-13 decreased $236 million or 2.84%. The contraction of the property tax base is expected to continue into fiscal year 2015-16 with the net assessed value projected to decline by more than 6%.

The tax rate for fiscal year 2012-13 will remain constant, resulting in a levy that is $8 million less than fiscal year 2011-12.

State shared revenues

An indication of increased consumer confidence is evident by positive projections of state shared sales tax revenue. Current projections indicate a $7.4 million increase in fiscal year 2012-13. Even with this positive projection however, it is still $13,286 less than the County received at its peak in fiscal year 2006-07.

Other revenues

General government revenues are expected to decrease by almost $6 million, primarily from $1 million decrease from Federal payments in lieu of property taxes and $4.9 million less from grant, enterprise and special revenue funds for central administrative support services.

University of Arizona Medical Center – South Campus

A two year agreement with the Arizona Board of Regents (ABOR) on behalf of the University Of Arizona College Of Medicine provides funding for the University of Arizona Medical Center – South Campus: $20 million in fiscal year 2010-11, $15 million in fiscal year 2011-12. The Board of Supervisor’s have approved a second two year contract with ABOR with an annual funding of $15 million for each fiscal year.

Net change in fund balances - total governmental funds $ 33,737

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is depreciated over their estimated useful lives and reported as depreciation expense.

The issuance of long-term debt (e.g., bonds, leases) provides current financial resources to governmental funds but increases long-term liabilities in the Statement of Net Position. Repayment of the principal of debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position. Also, governmental funds report the effect of issuance costs, premiums, discounts and similar items when debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.

Note 1: Summary of Significant Accounting Policies

The accounting policies of Pima County (County) conform to U.S. generally accepted accounting principles (GAAP) applicable to governmental units as promulgated by the Governmental Accounting Standards Board (GASB) and the regulatory requirements of the State of Arizona. A summary of the County’s significant accounting policies follows.

During the year ended June 30, 2012, the County early implemented the provisions of GASB Statement No. 61, The Financial Reporting Entity Omnibus, an amendment of GASB Statements No. 14 and No. 34. GASB Statement No. 61 modifies certain requirements for the inclusion of component units in the financial reporting entity. The County also early implemented the provisions of GASB Statement No. 63, Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position. GASB Statement No. 63 establishes criteria for reporting the consumption and acquisition of net position that is applicable to future reporting periods.

A. Reporting Entity

The County is a general-purpose local government that is governed by a separately elected Board of Supervisors. The accompanying financial statements present the activities of the County (the primary government) and its component units.

Component units are legally separate entities for which the County is considered financially accountable. Blended component units, although legally separate entities, are, in substance, part of the County’s operations. Each blended component described below provides a financial benefit and/or financial burden to the County. Therefore, data from these units are combined with data of the primary government. Discretely presented component units, on the other hand, are reported in a separate column in the government-wide financial statements to emphasize they are legally separate from the County. Each blended and discretely presented component unit discussed below has a June 30 year-end.

The Pima County Stadium District, a legally separate entity, was formed to promote and establish major league baseball spring training in Pima County. The County Board of Supervisors is the Board of Directors of the District. Acting in the capacity of the Board of Directors, the Pima County Board of Supervisors is able to impose its will on the District. The Board of Directors levies the car rental surcharge rate and the recreation vehicle (RV) park tax for the District. The District is reported as a special revenue fund (blended component unit) in these financial statements. Complete financial statements for the District can be obtained from the Pima County Department of Finance and Risk Management located at 130 West Congress Street, Tucson, Arizona 85701.

The Pima County Library District was established in 1986 when legislation allowed full taxing authority and the ability to enter into agreements with other jurisdictions for the provision of library services. The Pima County Board of Supervisors is the Board of Directors of the District. The Library District is reported as a special revenue fund (blended component unit) in these financial statements. Separate financial statements for the District are not available.

The Pima County Regional Flood Control District was established in 1978. The District is responsible for floodplain management activities for the unincorporated areas of Pima County (except national forests, parks, monuments, and Native American Nations), the City of South Tucson, and the Town of Sahuarita. The Pima County Board of Supervisors is the Board of Directors for the Flood Control District. The Regional Flood Control District is reported as a special revenue fund (blended component unit) in these financial statements. Separate financial statements for the District are not available.
Note 1: Summary of Significant Accounting Policies (continued)

The Pima County Street Lighting Improvement Districts (SLIDs) are responsible for street lighting for specific regions of unincorporated Pima County. All budgetary and operational activities are administered by the Pima County Board of Supervisors and meet the criteria for a blended component unit. SLIDs are reported as a special revenue fund in these financial statements. Separate financial statements for the SLIDs are not available.

The Southwestern Fair Commission, Inc. (SFC) is a nonprofit corporation, which manages and maintains the fairgrounds owned by the County and conducts annual fair and other events at the fairgrounds. The Commission’s members are appointed and can be removed at any time by the Pima County Board of Supervisors. Based on these factors, and because SFC does not provide services entirely, or almost entirely to the County, but rather to the general citizenry, SFC is reported as a separate component unit (discrete presentation) in these financial statements. Complete financial statements for SFC can be obtained from the Pima County Department of Finance and Risk Management located at 130 West Congress Street, Tucson, Arizona 85701.

The Pima County Sports and Tourism Authority (S&TA) is a nonprofit municipal corporation established to promote professional and amateur sports events and other suitable activities for the benefit of the public and to increase opportunities for amateur youth sports in Pima County. S&TA members are appointed and can be removed at any time by the Board of Supervisors. Based on these factors, and because S&TA does not provide services entirely, or almost entirely to the County, but rather to the general citizenry, S&TA is reported as a separate component unit (discrete presentation) in these financial statements. Separate financial statements are unavailable for S&TA.

Related Organization:

The Industrial Authority of Pima County (Authority) is a legally separate entity that was created to promote economic development and the development of affordable housing. The Authority fulfills its function through the issuance of tax-exempt bonds. The County Board of Supervisors appoints the Authority’s Board of Directors. The Authority’s operations are completely separate from the County and the County is not financially accountable for the Authority. Therefore, the financial activities of the Authority have not been included in the accompanying financial statements.

B. Basis of Accounting

Primary government:

The government-wide, proprietary fund, and fiduciary fund financial statements are presented using the economic resources measurement focus and the accrual basis of accounting with the exception of agency funds, which have no measurement focus. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Property taxes are recognized as revenue in the year for which they are levied. Grants and donations are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental funds in the fund-based financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The County considers all revenues reported in the governmental funds to be available if the revenues are collected within 30 days after year-end. Revenues that are collected after 30 days are reported as deferred revenues. The County’s major revenue sources that are susceptible to accrual are property taxes, intergovernmental, and charges for services. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, compensated absences, landfill closure and post-closure care costs, and pollution remediation, which are
Note 1: **Summary of Significant Accounting Policies (continued)**

recognized as expenditures to the extent they are due and payable. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital lease agreements are reported as other financing sources. The County may fund certain programs by a combination of restricted, committed, assigned, and/or unassigned (general) revenues. When an expenditure/expense is incurred that can be paid from either restricted or unrestricted fund balances/net position, the County uses restricted fund balance/net position first. When an expenditure is incurred that can be paid from more than one category of unrestricted fund balances, the County will use committed amounts first, followed by assigned amounts, and lastly unassigned amounts. Fund balances of the governmental funds are reported separately within classifications based on a hierarchy of the constraints placed on the use of those resources. The classifications are based on the relative strength of the constraints that control how the specific amounts can be spent. The classifications are nonspendable, restricted, and unrestricted, which includes committed, assigned, and unassigned fund balance classifications.

The nonspendable fund balance classification includes amounts that cannot be spent because they are either not in spendable form, such as inventories, or are legally or contractually required to be maintained intact.

Restricted fund balances are those that have externally imposed restrictions on their usage by creditors, such as through debt covenants, grantors, contributors, or laws and regulations.

Committed fund balances are self-imposed limitations set prior to the year-end closing. The Pima County Board of Supervisors is the highest level of decision making authority. Imposed limitations on the use of funds must be approved by the Board of Supervisors at a regular supervisory meeting. Any modifications and/or rescissions must also be approved by the board.

Assigned fund balances are limitations resulting from the intended use of funds. The Pima County Board of Supervisors and/or its representative, the County Administrator, can authorize the constraints for the specific purpose. Modifications or rescissions of the constraints can also be authorized by the same action that limited the funds.

The unassigned fund balance is the residual classification for the General Fund and includes all spendable amounts not reported in the other classifications. Also, deficits in fund balances of the other governmental funds are reported as unassigned.

The County does not have a formal minimum fund balance policy, however, all County funds’ fund balances or net position are analyzed throughout the year and reserved as necessary during the budgetary appropriation process.

The County’s business-type activities and enterprise funds follow FASB Statements and Interpretations issued on or before November 30, 1989, Accounting Principles Board Opinions, and Accounting Research Bulletins, unless those pronouncements conflict with GASB pronouncements. The County has chosen the option not to follow FASB statements and interpretations issued after November 30, 1989.

C. **Basis of Presentation**

The basic financial statements include both government-wide and fund-based financial statements. The government-wide statements focus on the County as a whole, while the fund-based statements focus on major funds. Each presentation provides valuable information that can be analyzed and compared between years and between governments to enhance the usefulness of the information.
**Note 1: Summary of Significant Accounting Policies (continued)**

**Government-wide statements** provide information about the primary government and its component units. The statements include a statement of net position and a statement of activities. These statements report the financial activities of the overall government, except for fiduciary activities. They also distinguish between the governmental and business-type activities of the County and between the County and its discretely presented component units. Governmental activities are financed primarily through taxes and intergovernmental revenues. Business-type activities are financed in whole or in part by fees charged to external parties. A statement of activities presents a comparison between direct expenses and program revenues for each function of the County’s governmental activities and segment of its business-type activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. The County does not allocate indirect expenses to programs or functions. Program revenues include:

- Charges for services (fines and forfeitures, licenses and permits, and special assessments);
- Operating grants and contributions; and
- Capital grants and contributions

Revenues that are not classified as program revenues, including internally dedicated resources and all taxes levied or imposed by the County, are reported as general revenues. The net effect of interfund activity has been eliminated from the government-wide financial statements to minimize the double counting of internal activities.

**Fund-based financial statements** provide information about the County’s funds, including fiduciary funds and blended component units. Separate statements are presented for the governmental, proprietary, and fiduciary fund categories. The emphasis of fund-based financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as non-major funds. Fiduciary funds are aggregated and reported by fund type.

Proprietary funds are financed mainly by fees and charges received from users of the services provided by the fund’s operations. Proprietary funds distinguish operating revenues and expenses from non-operating items.

Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund’s principal ongoing operations. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The County reports the following major governmental funds:

The **General Fund** is the County’s primary operating fund. It accounts for all financial resources of the general government, except for those required to be accounted for in another fund.

The **Capital Projects Fund** accounts for financial resources to be used for the acquisition or construction of capital facilities and other capital assets, other than those financed by proprietary funds.

The **Debt Service Fund** accounts for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

The County reports the following major enterprise funds:

**Pima Health System and Services (PHS&S)** provided payment for health care services including inpatient hospital care and outpatient clinical care for medical and psychiatric problems, indigent health care under the Arizona Health Care Cost Containment System (AHCCCS), an alternative to Medicaid, home health services,
and long-term nursing care. The County’s AHCCCS contracts terminated on September 30, 2011, and the Pima Health System and Services ceased operations. All residual balances of the fund were transferred to the other governmental funds at June 30, 2012.

**Regional Wastewater Reclamation (RWR)** accounts for the management and operation of wastewater treatment and water pollution control programs.

The County reports the following fund types:

**Internal Service Funds** account for the financing of goods or services provided by one department or agency to other departments or agencies of the County, or to other governmental units, on a cost-reimbursement basis. These funds account for fleet maintenance and operation, insurance, graphic services, and telecommunications services.

**Investment Trust Funds** account for assets held by the County Treasurer in an external investment pool and individual investment accounts for the benefit of outside jurisdictions.

**Agency Funds** account for the assets held by the County as an agent for individuals, private organizations, or other governmental units. The agency funds are custodial in nature and do not present results of operations.

**D. Cash and Investments**

Primary government:

For purposes of its statements of cash flows, the County considers only those highly liquid investments, with a maturity period of 3 months or less when purchased, to be cash equivalents. All investments are stated at fair value.

If an individual fund has a deficit balance in the amount on deposit with the County Treasurer at year-end, that balance is reclassified as an amount due to other funds.

**E. Inventories and Prepaids**

The County accounts for its inventories in the Health Fund using the purchase method. Inventories of the Health Department consist of expendable supplies held for consumption and are recorded as expenditures at the time of purchase. Amounts on hand at year-end are shown on the balance sheet as an asset for informational purposes only and are offset by nonspendable fund balance to indicate that they do not constitute “available spendable resources.” These inventories are stated at cost using the first-in, first-out method or average cost method.

Inventories of the Transportation Department are recorded as assets when purchased and expensed when used. Inventories in Transportation are valued at lower of cost or market, cost being determined using the moving average method.

Inventories in the government-wide and proprietary funds’ financial statements are recorded as assets when purchased and expensed when consumed.

Inventories of RWR, an enterprise fund, are valued at lower of cost or market, cost being determined using the moving average method.
Note 1: Summary of Significant Accounting Policies (continued)

Inventories of Internal Service Funds are valued at lower of cost or market, cost being determined using the moving average method.

Prepaid expenses/expenses are accounted for using the consumption method, except for the School Reserve Fund reported as an Other Governmental Fund, which uses the purchase method.

F. Property Tax Calendar

The County levies real and personal property taxes on or before the third Monday in August that become due and payable in two equal installments. The first installment is due on the first day of October and becomes delinquent after the first business day of November. The second installment is due on the first day of March of the next year and becomes delinquent after the first business day of May. A lien assessed against real and personal property attaches on the first day of January preceding assessment and levy.

G. Capital Assets

Capital assets are reported at actual cost or estimated historical cost if historical records are not available. Donated assets are reported at estimated fair value at the time received.

Capitalization thresholds, depreciation methods, and estimated useful lives of capital assets reported in the government-wide statements and proprietary funds are as follows (excluding component units):

<table>

</tbody>
</table>

Discretely presented component units:

SFC capital assets are reported at actual cost. Depreciation is provided by the straight-line method over the assets’ estimated useful life, which range from 5 to 40 years.

H. Investment Earnings

Investment earnings are composed of interest, dividends, and net changes in the fair value of applicable investments.
I. Compensated Absences

Compensated absences consist of vacation leave and a calculated amount of sick leave earned by employees based on services already rendered.

Employees may accumulate up to 240 hours of vacation depending upon years of service, but any vacation hours in excess of the maximum amount that are unused at their year-end are forfeited. Upon termination of employment, all unused and unforfeited vacation benefits are paid to employees. Accordingly, vacation benefits are accrued as a liability in the government wide and proprietary fund financial statements in Employee Compensation.

Employees may accumulate up to 1920 hours of sick leave. Generally, sick leave benefits provide for ordinary sick pay and are cumulative but are forfeited upon termination of employment. Sick leave benefits do not vest with employees; however, employees who are eligible to retire from County service into the Arizona State Retirement System, Public Safety Personnel Retirement System, or Corrections Officer Retirement Plan may request sick leave be converted to annual leave on a predetermined conversion basis. An estimate of those retirement payouts is accrued as a liability in the government-wide and proprietary fund financial statements in Employee Compensation. Compensated absences for the governmental funds is accrued based on vacation and sick leave paid within the first two pay periods after fiscal year end.

Note 3: Cash and Investments

Primary Government

The County’s cash and investment policies are governed by State statutes and by bond covenants. The County Treasurer is authorized to invest public monies in the State Treasurer’s Investment Pool; interest bearing savings accounts, certificates of deposit and repurchase agreements in eligible depositories; bonds or other obligations issued or guaranteed by the United States government or any of the senior debt of its agencies, sponsored agencies, corporations, sponsored corporations, or instrumentalities; specified state and local government bonds; specified commercial paper, bonds, debentures, and notes issued by corporations organized and doing business in the United States; bonds or other evidences of indebtedness of the State of Arizona or any of its counties, cities, towns, or school districts as specified by statute; and bonds of any county municipal district, municipal utility, or special taxing district of any state that are payable from revenues, earnings, or a special tax pledged for all payments on the obligations. In addition, the County Treasurer may invest trust funds in fixed income securities of corporations doing business in the United States.

Credit risk—The State statutes have the following requirements for credit risk:

1. Commercial paper must be of prime quality and be rated within the top two ratings by a nationally recognized rating agency.

2. Corporate bonds, debentures, and notes must be rated within the top three ratings by a nationally recognized rating agency.

3. Fixed income securities must carry one of the two highest ratings by Moody’s Investors Service and Standard and Poor’s rating service. If only one of the above-mentioned services rates the security, it must carry the highest rating of that service.

Custodial credit risk—Statutes require collateral for demand deposits and certificates of deposit at 101 percent of all deposits not covered by federal depository insurance.

Concentration of credit risk—Statutes do not include any requirements for concentration of credit risk.

Interest rate risk—Statutes require that public monies invested in securities and deposits have a maximum maturity of 5 years. Investments in repurchase agreements must have a maximum maturity of 180 days.

Foreign currency risk—Statutes do not allow foreign investments.

Deposits—At June 30, 2012, the carrying amount of the County’s deposits was $57,136 and the bank balance was $66,485.

Custodial credit risk—Custodial credit risk is the risk that the County will not be able to recover its deposits if a financial institution fails. The County does not have a formal policy with respect to custodial credit risk. As of June 30, 2012, $1,977 of the County’s bank balance was exposed to custodial credit risk because it was uninsured and uncollateralized.
Note 3: Cash and Investments (continued)

**Investments**—At June 30, 2012, the County’s investments consisted of $552,258 invested in marketable securities and $471,556 invested in the State Treasurer’s Investment Pool. Cash from the County and from externally legally separate governments are pooled to purchase the investments in marketable securities and the State Treasurer’s Pool. The State Board of Investment provides oversight for the State Treasurer’s pools. The fair value of a participant’s position in the pool approximates the value of that participant’s pool shares and the participant’s shares are not identified with specific investments.

**Credit risk**—Credit risk is the risk that an issuer or counterparty to an investment will not fulfill its obligations. The County does not have a formal investment policy with respect to credit risk.

At June 30, 2012, credit risk for the County’s investments was as follows:

**Custodial credit risk**—For an investment, custodial risk is the risk that, in the event of the counterparty’s failure, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The County has no formal policy with respect to custodial credit risk. Of the County’s $1,023,814 of investments, $541,083, consisting of the commercial paper, corporate bonds, Federal Farm Credit Bank, Federal Home Loan Bank, Freddie Mac discount notes, and U.S. Treasury notes, is uninsured and held by a counterparty in the County’s name in book entry form.

**Concentration of credit risk**—The County has no formal policy with respect to limiting the amount the Treasurer may invest in any one issuer. At June 30, 2012, the County had investments in the Federal Home Loan Bank with a fair value of $52,582 or 5.1% of total investments.

**Interest rate risk**—Interest rate risk is the risk that changes in interest rates will adversely affect an investment’s fair value. The County does not have a formal investment policy with respect to interest rate risk.

**County Treasurer’s Investment Pool**—Arizona Revised Statutes require community colleges, school districts, and other local governments to deposit certain public monies with the County Treasurer. The County Treasurer has a fiduciary responsibility to administer those and the County monies under her stewardship. The County Treasurer invests, on a pool basis, all idle monies not specifically invested for a fund or program. In addition, the County Treasurer determines the fair value of those pooled investments annually at June 30. The County Treasurer’s Investment Pool is not registered with the Securities and Exchange Commission as an investment company and there is no regulatory oversight of its operations. The structure of the Pool does not provide for shares and the County has not provided or obtained any legally binding guarantees to support the value of the participants’ investments. The County Treasurer allocates interest earnings to each of the Pool’s participants.
Note 3: Cash and Investments (continued)

Substantially, all deposits and investments of the County’s primary government are included in the County Treasurer’s investment pool. Therefore, the deposit and investment risks of the Treasurer’s investment pool are substantially the same as the County’s deposit and investment risks disclosed above.

The Pool’s assets consist of the following:

Note 6: Claims, Judgments, and Risk Management

Risk Management and Claims Liability

The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; medical malpractice; environmental claims; and natural disasters. Claims against the County are accounted for in the Self Insurance Trust Fund (the Fund), an internal service fund. Annually, an actuarial evaluation is performed to determine the County’s anticipated losses except for environmental, unemployment, and dental losses. Environmental losses are based on reported claims and the County risk manager’s knowledge and experience. Unemployment and dental losses are based on claims that have been submitted but not yet paid by the Fund. Losses accounted for include reported and paid, reported but unpaid, and incurred but not reported. All liabilities of the Fund except for environmental, unemployment, and dental losses are reported at their present value using an expected future investment yield assumption of four percent.

The Fund is liable for any single general or automobile liability claim up to $2,500, per occurrence; workers’ compensation claim up to $1,000, per occurrence; or any medical malpractice claims in aggregate up to $5,000, in any policy year. The County purchases commercial insurance for claims in excess of coverage provided by the Fund and for some other risks of loss. Settled claims have not exceeded insurance coverage in any of the last three fiscal years.

Payment of unemployment and dental claims is generally self-funded. Payment of environmental claims is generally self-funded, although some claims filed could result in past insurers being liable for such losses.

All of the County’s departments participate in the Fund. With the exception of environmental, dental, and unemployment losses, charges are based on actuarial estimates of the amounts needed to pay prior- and current-year claims. Charges for environmental losses are based on historical experience. Charges for dental and unemployment losses are based on actual claims paid.

The claims liability of $35,397 reported in the Fund at June 30, 2012, is based on estimates of the ultimate cost of claims that have been reported but not settled and of claims that have been incurred but not reported. The ultimate cost of claims includes incremental claim adjustment expenses that have been allocated to specific claims, as well as salvage and subrogation. No other claim adjustment expenses have been included.

Litigation

Pima County is a defendant in a number of court actions. In the opinion of County management, the final disposition of these actions, if unfavorable, will not have a material effect upon the County’s financial statements.
Note 6: Claims, Judgments, and Risk Management (continued)

**Pollution Remediation**

The County has estimated and reported an environmental liability of $805 in the government-wide financial statements for governmental activities (in noncurrent liabilities). Remediation efforts are currently underway at one County site: El Camino del Cerro.

Remediation efforts continue at the El Camino del Cerro site which is approximately bordered by the Santa Cruz River on the west, Interstate 10 on the east and El Camino del Cerro Road on the south. The groundwater contamination is suggested to resonate from the municipal and solid waste landfill operated on the site from 1973 to 1977.

The estimated liability was calculated based upon the expected future outlays associated with the estimate of one pump-and-treat system for one year. There is potential for changes due to increased costs associated with sewage disposal costs, construction costs for extraction and injection wells, and/or changes in the estimated extent of contamination.

The amendments extended the lease term to 2014 and 2018 respectively, increased the range of interest rates, and increased the County’s obligation under the lease agreement. The County has also entered into capital leases for heavy equipment for use at its landfill sites. The outstanding balance as of June 30, 2012, for these leases totaled $596. The net book value of assets acquired through capital leases consists of $15,908 of buildings and $867 of equipment.

In prior years, the Regional Wastewater Reclamation Enterprise Fund entered into loan agreements (1996 to provide funds for the defeasance of prior sewer revenue bonds, and 2004 which was used for construction and improvement of wastewater treatment facilities). In October 2009, the County entered into an additional loan agreement for the funding of construction of wastewater treatment facilities. Interest is payable semiannually and is calculated based on the principal amount of the loan outstanding during such period.

Note 7: Long-Term Liabilities (continued)

Pima County has pledged future user charges, net of specified operating expenses, to repay $169,310 in sewer revenue bonds issued between 2004 and 2011, $23,719 in sewer revenue loans issued between 1996 and 2009, and $348,935 in sewer revenue obligations issued in 2010 and 2011. Proceeds from the bonds, loans, and obligations provided financing for construction of various treatment facilities and sewer infrastructure within Pima County. The bonds, loans, and obligations are payable from net sewer revenues and are payable through fiscal year 2026. Annual principal and interest payments on the bonds and obligations are expected to require approximately 42 percent of net revenues. The annual principal and interest payments on the loans are expected to require approximately 9 percent of net revenues. Total principal and interest remaining to be paid on the bonds is $214,957. Total principal and interest remaining to be paid on the loans is $28,504. Total principal and interest remaining to be paid on the obligations is $498,752. Principal and interest paid for bonds, loans and obligations in the current year and total customer net revenues were $39,586, $4,069, and $80,142, respectively.

All sewer revenue bonds were issued and the loan agreements were executed with a first lien on the pledge of the RWR net revenues and have restrictive covenants, primarily related to minimum utility rates and limitations on future bond issues. The bond covenants also require the RWR to either maintain a surety bond guaranteeing the payment of annual debt service or to maintain in the Bond Reserve Account monies equal to the average annual debt service payment. At June 30, 2012, the RWR had a surety bond to meet the requirements of the debt covenants. The County is also authorized to issue for the RWR additional parity bonds if certain conditions are met, primarily that net revenues for the fiscal year immediately preceding issuance of the parity bonds exceed 120 percent of the maximum annual debt service requirements immediately after such issuance.

CONTRACTS AND NOTES

Business-type Activities
(Payments made from restricted assets in the RWR)

Contracts and notes consist of contract retentions for several construction projects. Generally, interest is not accrued and the timing of payments is based on completion of the related construction projects.

LEGAL DEBT MARGIN

County General Obligation Bonds

General obligation debt may not exceed 6 percent of the value of the County’s taxable property as of the latest assessment. However, with voter approval, debt may be incurred up to 15 percent of the value of taxable property. Pima County has received voter approval for all general obligation debt. The legal debt margin at June 30, 2012, is as follows:

Note 8: Landfill Liabilities

Solid Waste Landfill Closure and Post-Closure Care Costs:

State and Federal laws and regulations require the County to place a final cover on its solid waste landfill sites when these sites stop accepting waste and to perform certain maintenance and monitoring functions at the sites for thirty years after their closure. Although closure and post-closure care costs will not be paid until near or after the date the landfills stop accepting waste, the County records a portion of these closure and post-closure care costs as a long-term liability in each period, based on landfill capacity used as of each balance sheet date. The $20,872 reported as landfill closure and post-closure care long-term liability within the governmental activities represents the cumulative amount reported to date, based on the percentage used of each landfill's total estimated capacity. The County will recognize the remaining estimated cost of closure and post-closure care of $5,608 as the remaining estimated capacities are used. These amounts are based on what it would cost to perform all closure and post-closure care in the fiscal year ended June 30, 2012; actual costs may change due to inflation, changes in technology, or changes in regulations.

The County plans to fund the estimated closure and post-closure care costs with proceeds of general obligation bonds and with solid waste tipping fees.

According to State and Federal laws and regulations, the County must comply with the local government financial test requirements that ensure the County can meet the costs of landfill closure, post-closure, and corrective action when needed. The County is in compliance with these requirements. The Ina Road Landfill facility is closed to municipal solid waste and only receives green waste and construction debris. It is not subject to the closure and post-closure cost requirements referred to above. Pima County estimates that it will cost approximately $10,596 when closure occurs and plans to fund the costs with proceeds of general obligation bonds and with solid waste tipping fees. At this time, there is no closure date available.

Note 9: Pension and Other Post Employment Benefits

Pension Plan Descriptions

The County contributes to the Arizona State Retirement System (ASRS), the Corrections Officer Retirement Plan (CORP), the Public Safety Personnel Retirement System (PSPRS), consisting of Pima County Sheriffs and Pima County - County Attorney Investigators, and the Elected Officials Retirement Plan (EORP). The EORP and the PSPRS are not described due to their relative insignificance to the County’s financial statements. Benefits are established by state statute and generally provide retirement, death, long-term disability, survivor, and health insurance premium benefits. The retirement benefits are generally paid at a percentage, based on years of service, of the retiree’s average compensation. Long-term disability benefits vary by circumstance, but generally pay a percentage of the employee’s monthly compensation. Health insurance premium benefits are generally paid as a fixed dollar amount per month towards the retiree’s healthcare insurance premiums, in amounts based on whether the benefit is for the retiree or for the retiree and his or her dependents.
Note 9: Pensions and Other Post Employment Benefits (continued)

The ASRS administers a cost-sharing multiple-employer defined benefit pension plan; a cost-sharing, multiple-employer defined benefit health insurance premium plan; and a cost-sharing multiple-employer defined benefit long-term disability plan that covers employees of the State of Arizona and employees of participating political subdivisions, including general employees of the County and school districts. The ASRS is governed by the Arizona State Retirement System Board according to the provisions of A.R.S. Title 38, Chapter 5, Article 2.

The PSPRS administers an agent multiple-employer defined benefit pension plan and an agent multiple-employer defined benefit health insurance premium plan that covers public safety personnel who are regularly assigned hazardous duty as employees of the State of Arizona or one of its political subdivisions. The PSPRS, acting as a common investment and administrative agent, is governed by a seven-member board, known as The Board of Trustees, and the participating local boards according to the provisions of A.R.S. Title 38, Chapter 5, Article 4.

The CORP administers an agent multiple-employer defined benefit pension plan and an agent multiple-employer defined benefit health insurance premium plan that covers certain employees of the State of Arizona’s Departments of Corrections and Juvenile Corrections and County employees whose primary duties require direct inmate contact. The CORP is governed by the Board of Trustees of PSPRS and the participating local boards according to the provisions of A.R.S. Title 38, Chapter 5, Article 6.

Each plan issues a publicly available financial report that includes its financial statements and required supplementary information. A report may be obtained by contacting the applicable plan.

For the year ended June 30, 2012, active PSPRS members were required by statute to contribute 8.65 percent of the members’ annual covered payroll, and the County was required to contribute at the actuarially determined rate of 24.24 percent, the aggregate of which is the actuarially required amount. As allowed by statute, the County contributed 3.65 percent of the members’ required contribution, with the members contributing 5.00 percent. The health insurance premium portion of the contribution was set at 1.83 percent of covered payroll. Active CORP members were required by statute to contribute 8.41 percent of the members’ annual covered payroll, and the County was required to contribute at the actuarially determined rate of 9.38 percent, the aggregate of which is the actuarially required amount. The health insurance premium portion of the contribution rate was actuarially set at 1.30 percent of covered payroll.

Actuarial methods and assumptions
The contribution requirements for the year ended June 30, 2012 were established by the June 30, 2010 actuarial valuations and those actuarial valuations were based on the following actuarial methods and assumptions.

Actuarial valuations involve estimates of the value of reported amounts and assumptions about the probability of events in the future. Amounts determined regarding the funded status of the plans and the annual required contributions are subject to continual revision as actual results are compared to past expectations and new estimates are made. The required schedule of funding progress presented as required supplementary information provides multi-year trend information that shows whether the actuarial value of the plans’ assets are increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Projections of benefits are based on 1) the plans as understood by the County and plans’ members and include the types of benefits in force at the valuation date, and 2) the pattern of sharing benefit costs between the County and plans’ members to that point. Actuarial calculations reflect a long-term perspective and employ methods and assumptions that are designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets. The significant actuarial methods and assumptions used are the same for all plans and related benefits (unless noted), and the actuarial methods and assumptions used to establish the fiscal year 2012 contribution requirements, are as follows:

**Lease Payments; Additional Rent; Reduction of Rental**

The County has agreed to pay the Lease Payments as rental for the use and occupancy of the Leased Property, which shall be paid in arrears on May 15 and November 15 of each year.

The amount of Lease Payments shall be reduced upon the redemption of Certificates resulting from Prepayment of Lease Payments, including those resulting from damage or destruction (other than by eminent domain which is hereinafter discussed), of the Leased Property causing substantial interference with the use and occupancy thereof by the County. The Lease Payments shall be reduced proportionately as to the principal and interest components thereof such that the resulting Lease Payments shall correspond to the remaining payments of principal of and interest on the Outstanding Certificates (after any redemption of Certificates resulting from such Prepayments made with the Net Proceeds of insurance coverage for such damage or destruction), which resulting Lease Payments are deemed to represent fair consideration for the use and occupancy of the portions of the Leased Property not damaged or destroyed. The County has the power to make additions, modifications and improvements to the Leased Property which do not damage or reduce their value to a value substantially less than that which existed prior to such modification or improvement. Any such additions, modifications or improvements shall automatically become subject to the Lease. The County must pay or cause to be paid all taxes, other governmental charges and utility charges with respect to the Leased Property, as well as any taxes and assessments, if any, which it is legally obligated to pay.

Insurance

The Lease requires the County to maintain or cause to be maintained the following insurance against risk or physical damage to the Leased Property and other risks for the protection of the Certificate Owners and the Trustee:

(i) General Liability. The County shall maintain or cause to be maintained, throughout the term of the Lease through Qualified Self-Insurance or a standard commercial general insurance policy or policies with a responsible insurance company or companies authorized under the laws of the State to assume such risks, of such types and in such amounts as are then customary for similar institutions carrying on similar activities to those carried on the Leased Property.

(ii) Fire and Extended Coverage, Vandalism and Malicious Mischief. The County shall maintain or cause to be maintained, throughout the term of the Lease, insurance or Qualified Self-Insurance against loss or damage to any structure or equipment constituting any part of the Leased Property by fire and lightning, with extended coverage and malicious mischief insurance. Coverage shall be in an amount equal to 100% of the replacement cost of the Leased Property. Such insurance may be subject to deductible clauses of not to exceed $100,000 for any one loss.

The insurance described in paragraphs (i) and (ii) may be maintained as part of or in conjunction with any other liability or fire and extended coverage for insurance, respectively, carried or required to be carried by the County and may be maintained in the form of Qualified Self-Insurance by the County.

(iii) Title Insurance. The County provided a title insurance policy in the amount of the aggregate principal amount of the Certificates, insuring the Trustee's estate in the Leased Property, subject only to Permitted Encumbrances.

All policies of insurance (except the policy of general liability insurance) must provide that the Net Proceeds thereof shall be payable to the Trustee. The Net Proceeds of fire and extended coverage insurance shall be deposited in the Insurance and Condemnation Fund and applied to restore, replace, repair, modify or improve the Leased Property or to the prepayment of Lease Payments and the corresponding redemption of Certificates. See “TRUST AGREEMENT -- Funds - Insurance and Condemnation Fund”. The Net Proceeds of general liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the Net Proceeds of such insurance shall have been paid. The proceeds of title insurance shall be deposited in the Lease Payment Fund and applied to the prepayment of Lease Payments and the corresponding redemption of Outstanding Certificates. The County has agreed to pay or cause to be paid when due the premiums on all insurance policies and furnish evidence of such payments promptly to the Trustee.

In the event the County maintains Self-Insurance for general liability insurance and fire and extended coverage insurance required under the Lease, the County shall cause to be delivered to the Trustee annually the
documentation required for the determination that such self-insurance constitutes Qualified Self-Insurance. Additionally, to the extent the Trustee may not be named as an insured or loss payee under any insurance or Qualified Self-Insurance, the County assigns to the Trustee its rights to receive any or all proceeds received from such insurance or Qualified Self-Insurance as their respective rights under the Lease appear on the date of payment. The County shall furnish an annual certificate to the Trustee stating that the insurance in effect meets the requirements of the Lease.

**Eminent Domain**

If all of the Leased Property shall be taken permanently under the power of eminent domain, the term of the Lease shall cease as of the day possession shall be so taken. If less than all of the Leased Property shall be taken permanently, or if all of the Leased Property or any part thereof shall be taken temporarily, under the power of eminent domain, (i) the Lease shall continue in full force and effect and shall not be terminated by virtue of such taking and the parties thereto waive the benefit of any law to the contrary, and (ii) there shall be a partial reduction of Lease Payments as a result of the application of the Net Proceeds of any eminent domain award to the Prepayment of the Lease Payments, which shall be reduced proportionately as to the principal and interest components thereof such that the resulting Lease Payments shall correspond to the remaining payments of principal of and interest on the Outstanding Certificates, which represent fair consideration for the use and occupancy of the remaining usable portion of the Leased Property. See ‘Lease -- Lease Payments; Additional Rent; Reduction of Rental.”

**Option to Purchase Leased Property**

The County has the option to purchase all of the Leased Property by prepaying the Lease Payments in whole at any time at the prices set forth in the Lease. In the event that the County elects to exercise its option prior to the optional redemption dates of the Certificates, the County is required to make such Prepayment by depositing certain Permitted Investments and cash, if required, sufficient, together with earnings on the investment thereof to pay and redeem the appropriate amount of Certificates. The optional prepayment prices have been determined such that all of the Outstanding Certificates shall be retired in the event the County elects to purchase all of the Leased Property.

The County may on any date secure the payment of Lease Payments with respect to any element of the Leased Property by deposit with the Trustee of certain Permitted Investments and cash, if required, in such amount as shall, in the opinion of an independent certified public accountant, together with interest to accrue thereon and, if required, all or a portion of money or Permitted Investments then on deposit in the Lease Payment Fund, the Insurance and Condemnation Fund related to the Lease Payments with respect to such Leased Property, be fully sufficient to pay all unpaid Lease Payments and Additional Rent with respect to such Leased Property on the respective Lease Payment Dates or on the applicable date for Prepayment of Lease Payments, as the County instructs at the time of said deposit.

**Assignment; Subleases**

The County may not assign any of its rights in the Lease, and may not sublease all or a portion of the Leased Property without the written consent of the Trustee and only under the conditions contained in the Lease, including the condition that such sublease not adversely affect the exclusion of the interest components of the Lease Payments from federal gross income when paid to the Owners of the Certificates.

**Events of Default**

Each of the following constitutes an “event of default” under the Lease:

(i) Failure by the County to make any Lease Payment or other payment required under the Lease when due and continuation of such failure for two (2) days; or

(ii) Failure by the County to comply with any covenant, agreement or condition contained in the Lease or the Trust Agreement, other than default described in above, and the continuance of such
failure or default for a period of 30 days after written notice thereof has been given to the County by the Trustee, the lessor, or the Owners of not less than 5% in aggregate principal amount of Certificates then Outstanding; provided, if the failure stated in the notice can be corrected, but not within such 30 day period, the Trustee, the Lessor and such Owners shall not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the County within such 30 day period and diligently pursued until the default is corrected; or

(iii) Any representation or warranty made by the County under the Lease shall be untrue in any material respect; or.

(iv) Certain events relating to bankruptcy of the County or the inability of the County to pay its debts.

Notwithstanding the foregoing, if, by reason of Force Majeure, the County is unable to perform or observe any agreement, term or condition of the Lease, other than any obligation to make Lease Payments or Additional Rent, the County shall not be deemed in default during the continuance of such inability. However, the County shall promptly give notice to the Trustee of existence of any event of Force Majeure and shall use its best efforts to remove the effects thereof; provided that the settlement of strike or labor disturbances shall be entirely within the County's discretion.

The term “Force Majeure” shall mean, without limitation: Acts of God; strikes, lockouts or other labor disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States or any of its departments, agencies, political subdivisions, courts or officials, or any civil or military authority; insurrections; civil disturbances; riots; epidemics; landslides; lighting; earthquakes; fire; hurricanes; tornados; storms; droughts; floods; arrests; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation.

Upon the occurrence and continuance of any event of default, the Lessor may at its option elect to terminate the Lease or, with or without such termination, to re-enter, take possession of the Leased Property, to the exclusion of the County, and sell, convey, re-rent or re-let the Leased Property. Any amounts collected by the Lessor from the sale or reletting of the Leased Property shall be credited towards the County's unpaid Lease Payments. Any net proceeds of sale, re-lease or other disposition of the Leased Property are required to be deposited in the Lease Payment Fund and applied to Lease Payments in order of payment date. Pursuant to the Trust Agreement, the Lessor assigns all of its rights with respect to remedies in an event of default to the Trustee, so that all such remedies shall be exercised by the Trustee and the Certificate Owners as provided in the Trust Agreement.

TRUST AGREEMENT

Pursuant to the Trust Agreement, the Trustee is authorized and directed to acquire, to receive and to hold as security for the Owners of the Certificates, the following:

Trustee

The Trustee is appointed pursuant to the Trust Agreement and is authorized to execute and deliver the Certificates and to act as a depository of amounts held thereunder. The Trustee is required to make deposits into and withdrawals from funds, and invest amounts held under the Trust Agreement in accordance with the County's instructions.

Moneys on deposit, in the event of an insurance award, shall be used, as directed by the County, either to replace, repair or improve the Leased Property or be transferred to the Lease Payment Fund and applied to the Prepayment of the Certificates. However, if the Leased Property is destroyed in full, such Net Proceeds may only be used to prepay Lease Payments if they are sufficient, together with other available moneys, to fully prepay the Certificates. If such moneys are not so sufficient, they shall be used to replace, repair or improve the Leased Property.

Net Proceeds of a condemnation award shall be used as follows: (i) if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such eminent domain proceedings have not materially affected the operation of any of the Leased Property or the County's ability to meet its obligations under the Lease, and if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such proceeds are not needed for repair or rehabilitation of the Leased Property, the Trustee shall transfer such proceeds to the Lease Payment Fund as a credit against Lease Payments, (ii) if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such proceedings have not materially affected the operations of any of the Leased Property or the County's ability to meet its obligations under the Lease and such proceeds are needed for repair, rehabilitation or replacement of the Leased Property, the Trustee shall pay to the order of the County such portion of the proceeds required for such repair, rehabilitation or replacement, (iii) to prepay Lease Payments and redeem Certificates if less than all of the Leased Property is taken and the Trustee determines that such proceedings have materially affected the operation of the Leased Property or the County's ability to meet its obligations under the Lease, or (iv) if all of the Leased Property is taken, to prepay Lease Payments and thereby redeem Certificates.

Any moneys in the Insurance and Condemnation Fund (including investment earnings) remaining after the repair, replacement or improvement of the Leased Property is completed shall be paid to the County.

Defeasance

Upon payment of all Outstanding Certificates, either at or before maturity, or upon the irrecoverable deposit of Permitted Investments of the type described in paragraph (a) of the definition of the term “Permitted Investments” (but not including any repurchase agreements), with the Trustee sufficient together with other available funds, without reinvestment, to retire the Certificates at or before maturity, the Trust Agreement shall be terminated, except for the obligations of the Trustee to make payments on the Certificates.

Any Certificate or portion thereof in authorized denominations may be paid as provided in the preceding paragraph; provided, however, that if any such Certificate or portion thereof is to be redeemed, notice of such redemption shall have been given in accordance with the provisions of the Trust Agreement or the County shall have submitted to the Trustee instructions expressed to be irrevocable as to the date upon which such Certificate or portion thereof is to be redeemed and as to the giving of notice of such redemption; and provided further, that if any such Certificate or portion thereof shall not mature or be redeemed within 60 days of the deposit of the moneys or the respective Permitted Investments referred to in the preceding paragraph, the Trustee shall give notice of such deposit by first class mail to the Owners.

Additional Certificates

So long as the Lease remains in effect and no Event of Default under the Trust Agreement has occurred, the Trustee may execute and deliver, at the direction of the County, Additional Certificates from time to time to provide funds to pay any one or more of (i) the costs of refunding Outstanding Certificates or restructuring the County's Lease Payments under the Lease, or (ii) the costs of making any modifications or improvements to the Leased Property as the County may deem necessary or desirable.
Before the Trustee shall deliver any Additional Certificates executed, the following items shall have been received by the Trustee:

(a) Original executed counterparts of any amendments or supplements to the Lease and of the Trust Agreement entered into in connection with the execution and delivery of the Additional Certificates, which are necessary or advisable, in the opinion of Special Counsel, to provide that the Additional Certificates will be executed and delivered in compliance with the provisions of the Trust Agreement.

(b) A written opinion of Special Counsel to the effect that (i) the documents submitted to the Trustee in connection with the request then being made comply with the requirements of the Trust Agreement, (ii) any filings required to be made under the Trust Agreement have been made, and (iii) all conditions precedent to the delivery of the Additional Certificates have been fulfilled.

(c) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above), to the effect that (i) when executed and delivered by the Trustee, those Additional Certificates will be valid and binding in accordance with their terms and will be secured hereunder equally and on a parity with all other Certificates at the time outstanding under the Trust Agreement as to the assignment to the Trustee of the amounts pledged thereunder, and (ii) the execution and delivery of the Additional Certificates will not result in the portion of the Lease Payments designated as interest evidenced by the Certificates Outstanding immediately prior to that execution and delivery of such Additional Certificates becoming includable in gross income for purposes of federal income taxation.

(d) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above) to the effect that any amendments or supplements to the Lease entered into in connection with the execution and delivery of the Additional Certificates have been duly authorized, executed and delivered by the County, and that the Lease, as amended or supplemented, constitutes a legal, valid and binding obligation of the Lessee, enforceable in accordance with its terms, subject to exceptions reasonably satisfactory to the Trustee for bankruptcy laws and other laws affecting creditors’ rights and the exercise of judicial discretion.

(e) Written confirmation from Moody’s, if the Certificates are then rated by Moody’s, and from S&P, if the Certificates are then rated by S&P, that the issuance of the Additional Certificates will not cause the then-assigned rating assigned to the Certificates to be reduced or withdrawn.

THE GROUND LEASE

The County leases the site for the Public Works Parking Garage and all improvements and structures thereon, to the Trustee for the period commencing as of the date of the Ground Leases and terminating on June 1, 2023, provided that in no event shall the Ground Lease terminate before the termination of the Lease.

Title to the Public Works Parking Garage shall at all times remain with the County.

The Trustee prepaid its rental payments under the Ground Lease upon execution and delivery of the Ground Lease in connection with the execution and delivery of the 2008 Certificates.

The County shall have the right to terminate the Ground Lease upon written notice to the Trustee of (a) defeasance of the Lease and the Trust Agreement with respect to all Certificates as permitted thereunder, or (b) the exercise of the County of its option to purchase the Leased Property pursuant to the Lease and defeasance of the Trust Agreement as permitted thereunder.
FORM OF SPECIAL COUNSEL OPINION

[Closing Date]

Pima County, Arizona
Tucson, Arizona

Ladies and Gentlemen:

We have served as special counsel to our client Pima County, Arizona (the “County”) and not as counsel to any other person in connection with the execution and delivery by U.S. Bank National Association, as trustee (the “Trustee”), of $80,175,000 aggregate principal amount of Certificates of Participation, Series 2013A (the “2013A Certificates”) and $12,705,000 aggregate principal amount of Refunding Certificates of Participation, Series 2013B (the “2013B Certificates” and, together with the 2013A Certificates, the “2013 Certificates”) pursuant to a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010 and a Third Supplement to Trust Agreement, dated as of May 1, 2013 (collectively, the “Trust Agreement”), between Pima County, Arizona (the “County”) and the Trustee, and relating to a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease-Purchase, dated as of June 1, 2009, a Second Amendment to Lease-Purchase, dated as of February 1, 2010 and a Third Amendment to Lease-Purchase, dated as of May 1, 2013 (collectively, the “Lease Agreement”), between the Trustee, as lessor, and the County, as lessee. The Lease Agreement and the Trust Agreement are referred to collectively as the “County Documents.” Capitalized terms not defined in this letter are used as defined in the County Documents.

In our capacity as special counsel, we have examined the transcript of proceeding relating to the execution and delivery of the 2013 Certificates, the County Documents, copies of the executed certificate of the first maturity of each series of the 2013 Certificates, and such other documents, matters and law as we deem necessary to render the opinions set forth in this letter.

The 2013 Certificates, together with other Certificates (as defined in the Trust Agreement) heretofore or hereafter executed and delivered pursuant to the Trust Agreement, represent undivided and proportionate interests in the obligations of the County under the Lease Agreement. The County has agreed to lease certain real and personal property from the Trustee, as lessor, under the Lease Agreement.

Based upon our examination, we are of the opinion that, under existing law:

1. The County is a political subdivision existing under the laws of the State of Arizona, and has all requisite power to enter into and perform its obligations under the County Documents.

2. The County Documents each have been duly authorized, executed and delivered by the County and constitute legal, valid and binding obligations of the County enforceable in accordance with their terms.

3. The 2013 Certificates have been duly authorized, executed and delivered by the Trustee at the request and for the benefit of the County and are valid and binding limited and special obligations payable solely from the Lease Payments (as defined in the Lease Agreement) and certain funds held under the Trust Agreement as
provided therein. The 2013 Certificates are not secured by an obligation or pledge of any taxing power or moneys raised thereby and are not a debt of and do not constitute a pledge of the faith and credit of the County, the State of Arizona or any political subdivision thereof.

4. The portion of each Lease Payment made by the County pursuant to the Lease Agreement and denominated as and comprising interest pursuant the Lease Agreement and received by the owners of the 2013 Certificates (the “Interest Portion”) is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, portions of the Interest Portion earned by certain corporations may be subject to a corporate alternative minimum tax. The Interest Portion is exempt from Arizona State income tax. We express no opinion as to any other tax consequences regarding the 2013 Certificates. We also express no opinion as to the treatment for federal income tax purposes or Arizona state income tax purposes of amounts paid to the owners of the 2013 Certificates in the event of termination of the Lease Agreement due to nonappropriation.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined, (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the County and (iii) the correctness of the legal conclusions contained in the legal opinion letters of counsel to the County delivered in connection with this matter.

In rendering those opinions with respect to treatment of the Interest Portion under the federal tax laws, we further assume and rely upon compliance with the covenants in the proceedings and documents we have examined, including those of the County. Failure to comply with certain of those covenants subsequent to the execution and delivery of the 2013 Certificates may cause the Interest Portion to be included in gross income for federal income tax purposes retroactively to the date of execution and delivery of the 2013 Certificates.

The rights of the owners of the 2013 Certificates and the enforceability of the 2013 Certificates and the County Documents are subject to bankruptcy, insolvency, arrangement, fraudulent conveyance or transfer, reorganization, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to the exercise of judicial discretion, and to limitations on legal remedies against public entities.

The opinions rendered in this letter are stated only as of this date, and no other opinion shall be implied or inferred as a result of anything contained in or omitted from this letter. Our engagement as special counsel with respect to the 2013 Certificates has concluded on this date.

Respectfully submitted,

   (a) The amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the County, or type of business conducted;
(b) This Undertaking, as amended, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the rule, as well as any change in circumstances; and

APPENDIX G

BOOK-ENTRY-ONLY SYSTEM

THE INFORMATION PROVIDED IN THIS APPENDIX HAS BEEN PROVIDED BY DTC. NO REPRESENTATION IS MADE BY THE COUNTY, SPECIAL COUNSEL, OR THE UNDERWRITER AS TO THE ACCURACY OR ADEQUACY OF SUCH INFORMATION PROVIDED BY DTC OR AS TO THE ABSENCE OF MATERIAL ADVERSE CHANGES IN SUCH INFORMATION SUBSEQUENT TO THE DATE HEREOF.

DTC will act as securities depository for the 2013 Certificates. The 2013 Certificates will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the 2013 Certificates, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of 2013 Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2013 Certificates on DTC’s records. The ownership interest of each actual purchaser of each 2013 Certificate (“Beneficial Owner”) is in turn to be recorded on the Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct Participant or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2013 Certificates are to be accomplished by entries made on the books of Direct Participants and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in 2013 Certificates, except in the event that use of the book-entry system for the 2013 Certificates is discontinued.

To facilitate subsequent transfers, all 2013 Certificates deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2013 Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2013 Certificates; DTC’s records reflect only the identity of the Direct Participants to whose accounts such 2013 Certificates are credited, which may or may not be the Beneficial Owners. The Direct Participants and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.
Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2013 Certificates may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2013 Certificates, such as redemptions, tenders, defaults, and proposed amendments to the Trust Agreement. For example, Beneficial Owners of 2013 Certificates may wish to ascertain that the nominee holding the 2013 Certificates for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to 2013 Certificates unless authorized by a Direct Participant in accordance with DTC’s Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts 2013 Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and redemption payments on the 2013 Certificates will be made by the Trustee to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the County or the Trustee, on payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC, the Trustee or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and redemption proceeds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct Participants and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2013 Certificates at any time by giving reasonable notice to the Trustee or the County. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

NEITHER THE COUNTY NOR THE TRUSTEE WILL HAVE RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (2) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2013 CERTIFICATES UNDER THE TRUST AGREEMENT; (3) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2013 CERTIFICATES; (4) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE 2013 CERTIFICATES; (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF 2013 CERTIFICATES; OR (6) ANY OTHER MATTERS.

So long as Cede & Co. is the registered owner of the 2013 Certificates, as nominee for DTC, references herein to “Owner” or registered owners of the 2013 Certificates (other than under the caption “TAX MATTERS”) shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of such 2013 Certificates.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the County or the Trustee to DTC only.
So long as Cede & Co. is the registered Owner of the 2013 Certificates, as nominee for DTC, references herein to “Owner” or registered owners of the 2013 Certificates (other than under the captions “TAX MATTERS”) shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of such 2013 Certificates.

When reference is made herein to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. Phoenix, Arizona

Attention: Keith Henselen

Ladies and Gentlemen:

These directions are being delivered to you pursuant to the Trust Agreement, dated as of February 1, 1997 (the “Original Trust Agreement”), as supplemented by a First Supplement to Trust Agreement, dated as of September 1, 1999 (the “First Supplement”) and a Second Supplement to Trust Agreement, dated as of October 1, 2003 (the “Second Supplement” and, together with the Original Trust Agreement and the First Supplement, the “Trust Agreement”), all as between Pima County, Arizona (the “County”) and you, as successor trustee (the “Trustee”), relating to payment and redemption of the County’s outstanding Refunding Certificates of Participation, Series 1999 (the “1999 Certificates”) identified on Exhibit A-1 hereto (the “1999 Certificates to be Redeemed”) and Refunding Certificates of Participation, Series 2003 (the “2003 Certificates”) identified on Exhibit A-2 hereto (the “2003 Certificates to be Redeemed” and, together with the 1999 Certificates to be Redeemed, the “Certificates to be Redeemed”), which were executed and delivered pursuant to the Trust Agreement. Terms denoted herein with initial capitals and not otherwise defined herein have the meanings given in the Trust Agreement. These directions relate to the County exercising its option to redeem the Certificates to be Redeemed on July 1, 2013 and to provide for the payment of such Certificates to be Redeemed on July 1, 2013.

The County expects that on May 22, 2013 (the “Closing Date”) the Trustee will execute and deliver Refunding Certificates of Participation, Series 2013B (the “2013B Refunding Certificates”) pursuant to a Trust Agreement, dated as of June 1, 2008, as supplemented (the “2008 Trust Agreement”), between the County and you, as trustee, and to deposit with you on the Closing Date, from the proceeds therefrom, the amount of $13,840,205.00 (the “Irrevocable Deposit”), comprising an amount sufficient, without investment, to pay the amount necessary to redeem all Certificates to be Redeemed, together with an irrevocable direction to you from the County to (i) hold such amounts in
the Lease Payment Fund for credit to the Certificates to Be Redeemed; and (ii) redeem on July 1, 2013 all such Certificates to be Redeemed.

Section 16(a) of the First Supplement provides that at the direction of the County, the 1999 Certificates are subject to redemption prior to maturity in any order of maturity designated by the County (or by the Trustee by lot in the event that no designation accompanies the direction of the County), and by lot within a maturity, on any date occurring on or after January 1, 2009, by payment of the principal amount thereof, plus interest accrued to the date fixed for redemption.

2.70 Higher Yielding Investments. Gross Proceeds will not be invested in Higher Yielding Investments except for (A) those Gross Proceeds identified in 3.10, 3.20, and 3.30, but only during the applicable Temporary Periods there described for those Gross Proceeds, and (B) the Minor Portion to the extent provided in 3.70.

2.80 Single Issue. All of the obligations of the Issue were sold on the Sale Date pursuant to the same plan of financing and are expected to be paid from substantially the same source of funds. Whether obligations are expected to be paid from substantially the same source of funds is determined without regard to guarantees from a person who is not a Related Party to the Issuer. Accordingly, all of the obligations of the Issue constitute a single “issue” for federal income tax purposes. No obligations, other than those comprising the Issue, have been or will be sold less than 15 days before or after the Sale Date that are expected to be paid from substantially the same source of funds as the Issue. Accordingly, no obligations other than those comprising the Issue are a part of a single issue with the Issue.

III. ARBITRAGE (NONREBATE) MATTERS

3.10 Use of Sale Proceeds and Pre-Issuance Accrued Interest; Temporary Periods; Transferred Proceeds.

(A) Pre-Issuance Accrued Interest. There is no Pre-Issuance Accrued Interest.

(B) Underwriter’s Discount and Issuance Costs. Sale Proceeds of the Issue in the amount of $640,872.00 will be retained by the Underwriter from the Issue Price otherwise paid to the Issuer to purchase the Issue as compensation for their services in marketing the Issue to the public. Sale Proceeds in the amount of $266,814.60 will be used to pay other Issuance Costs within 13 months from the Issuance Date, such period being the Temporary Period for that amount.

(C) Refunding of Refunded Certificates.

(1) Sale Proceeds of the Current Refunding Portion in the amount of $13,840,205.00 will be used on July 1, 2013 to retire the Refunded Certificates, the
period from the Issuance Date to such use being the Temporary Period for those Sale Proceeds.

(2) All of the Net Sale Proceeds and Investment Proceeds of the Prior Issues have been spent on the Original Issue Project or other governmental purposes of the Issuer. Accordingly, there will be no Transferred Proceeds of the Current Refunded Portion. There are no Replacement Proceeds of the Prior Issues.

(D) Payment of New Money Project Costs.

(1) Sale Proceeds of the New Money Portion in the amount of $84,300,000.00 will be used to pay a portion of the costs of the New Money Project. Such Sale Proceeds may be used to acquire or hold Higher Yielding Investments for a period ending on the third anniversary of the Issuance Date (such period being the Temporary Period for such amount) because the following three tests are reasonably expected to be satisfied:

(i) At least 85% of the Net Sale Proceeds of the New Money Portion will be allocated to expenditures on the New Money Project by the end of the Temporary Period for such Net Sale Proceeds.

(ii) Within six months of the Issuance Date, the Issuer will incur substantial binding obligations to one or more third parties to expend at least 5% of the Net Sale Proceeds of the New Money Portion on the New Money Project; and

(iii) Completion of the New Money Project and allocation of the Net Sale Proceeds of the New Money Portion to expenditures within respect to the New Money Project will proceed with due diligence.

Any Sale Proceeds of the New Money Portion that remain unspent on the third anniversary of the Issuance Date, which is the expiration date of the Temporary Period for such Proceeds, shall not be invested in Higher Yielding Investments with respect to the Issue after that date except as part of the Minor Portion. In complying with the foregoing sentence, the Issuer may take into account "yield reduction payments" (with the meaning of Regulations §1.148-5(c)) timely paid to the United States.

(2) There is no Reimbursement Allocation.

3.20 Investment Proceeds. Any Investment Proceeds of the Current Refunding Portion that will be used to pay Debt Service on the Refunded Certificates will be so used on the date all remaining Debt Service on the Refunded Certificates is paid and any other Investment Proceeds of the Current Refunding Portion will be spent within one year after receipt of those Investment Proceeds, such periods being the Temporary Periods for those Investment Proceeds. Any Investment Proceeds of the New Money Portion will be used to pay costs of the New Money Project, and such Investment Proceeds may be invested in Higher Yielding Investments during the Temporary Period identified in 3.10(D)(1) or, if longer, during the one-year period from the date of receipt, such period being the Temporary Period for such Proceeds.
3.30 **Certificate Fund.** The Certificate Fund is a Bona Fide Debt Service Fund. Amounts deposited from time to time in the Certificate Fund will be used to pay Debt Service within 13 months after the amounts are so deposited, such period being the Temporary Period for such amounts.

3.40 **No Other Replacement Fund or Assured Available Funds.** The Issuer has not established and does not expect to establish or use any sinking fund, debt service fund, redemption fund, reserve or replacement fund, or similar fund, or any other fund to pay Debt Service other than the Certificate Fund. Except for money referred to in 3.30 and Proceeds of a Refunding Issue, if any, no other money or Investment Property is or will be pledged as collateral or used for the payment of Debt Service (or for the reimbursement of any others who may provide money to pay that Debt Service), or is or will be restricted, dedicated, encumbered, or set aside in any way as to afford the holders of the Issue reasonable assurance of the availability of such money or Investment Property to pay Debt Service.

3.50 **No Overissuance.** The Proceeds are not reasonably expected to exceed the amount needed for the governmental purposes of the Issue as set forth in 2.20.

3.60 **Other Uses of Proceeds Negated.** Except as stated otherwise in this Certificate, none of the Proceeds will be used:

(A) to pay principal of or interest on, refund, renew, roll over, retire, or replace any other obligations issued by or on behalf of the Issuer or any other Governmental Unit,

(B) to replace any Proceeds of another issue that were not expended on the project for which such other issue was issued,

(C) to replace any money that was or will be used directly or indirectly to acquire Higher Yielding Investments,

(D) to make a loan to any person or other Governmental Unit,

(E) to pay any Working Capital Expenditures other than expenditures identified in Regulations §1.148-6(d)(3)(ii)(A) and (B) (i.e., Issuance Costs, Qualified Administrative Costs, reasonable charges for a Qualified Guarantee or for a Qualified Hedge, interest on the Issue for a period commencing on the Issuance Date and ending on the date that is the later of three years from such Issuance Date or one year after the date on which the Project financed or refinanced by the Issue is Placed in Service, payments of the Rebate Amount, and costs, other than those already described, that do not exceed 5% of the Sale Proceeds and that are directly related to Capital Expenditures financed by the Issue, principal or interest on an issue paid from unexpected excess Sale Proceeds or Investment Proceeds, principal or interest on an issue paid from investment earnings on a reserve or replacement fund that are deposited in a Bona Fide Debt Service Fund) and expenditures for extraordinary, nonrecurring items that are not customarily payable from current revenues, such as casualty losses or extraordinary legal judgments in amounts in excess of reasonable insurance coverage, or

(F) to reimburse any expenditures made prior to the Issuance Date that do not satisfy the requirements for a Reimbursement Allocation.
No portion of the Issue is being issued solely for the purpose of investing Proceeds in Higher Yielding Investments.

3.70 Minor Portion. The Minor Portion of $100,000.00 may be invested in Higher Yielding Investments.

3.80 No Other Replacement Proceeds. That portion of the Issue that is to be used to finance or refinance Capital Expenditures has a weighted average maturity that does not exceed 120% of the weighted average reasonably expected economic life of the property resulting from such Capital Expenditures.

3.90 Written Procedures to Monitor the Requirements of Section 148. The procedures set forth in Attachments C-1 (Arbitrage Compliance Checklist) and C-2 (Rebate Instructions) constitute the Issuer’s written procedures to monitor compliance with the arbitrage Yield restriction and rebate requirements of Section 148.

IV. REBATE MATTERS

4.10 Issuer Obligation Regarding Rebate. Consistent with its covenants contained in the Lease-Purchase Agreement, the Issuer will calculate and make, or cause to be calculated and made, payments of the Rebate Amount in the amounts and at the times and in the manner provided in Section 148(f) and the Instructions with respect to Gross Proceeds to the extent not exempted under Section 148(f)(4) and the Instructions.

4.20 No Avoidance of Rebate Amount. No amounts that are required to be paid to the United States will be used to make any payment to a party other than the United States through a transaction or a series of transactions that reduces the amount earned on any Investment Property or that results in a smaller profit or a larger loss on any Investment Property than would have resulted in an arm’s length transaction in which the Yield on the Issue was not relevant to either party to the transaction.

4.30 Exceptions.

(A) Notwithstanding the foregoing, the computations and payments of amounts to the United States referred to in IV. need not be made to the extent that such failure will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Issue, based on an Opinion of Bond Counsel.

(B) The New Money Portion is a Construction Issue. The Issuer hereby elects to apply the 2-year spending exception to the rebate requirement on the basis of actual facts instead of the Issuer’s reasonable expectations.

V. OTHER TAX MATTERS

5.10 Refunded Certificates Proceeds and Replacement Proceeds. All of the Proceeds and Replacement Proceeds of the Prior Issues properly allocable to the Refunded Certificates have been expended for the governmental purposes thereof except as described in this 5.10.
5.20 Not Private Activity Bonds or Pool Bonds. No obligation of the Issue will be a Private Activity Bond or a pooled financing bond (within the meaning of Section 149(f)), based on the following:

(A) Not more than 5% of the Proceeds, if any, directly or indirectly, will be used for a Private Business Use and not more than 5%, if any, of the Debt Service, directly or indirectly, will be derived from or secured by Private Security or Payments. In measuring the use of Proceeds for a Private Business Use and the amount of Private Security or Payments, the use of Proceeds of all Prior Issues and the amount of Private Security or Payments with respect to all Prior Issues are taken into account in accordance with Regulations § 1.141-13.

(B) Less than 5% or $5,000,000, whichever is less, of the Proceeds, if any, will be used to make or finance loans to any Private Person or Governmental Unit other than the Issuer.

(C) The lesser of the Proceeds that are being or will be used for any Private Business Use or the Proceeds with respect to which there are or will be Private Security or Payments does not exceed $15,000,000 and none of the Proceeds will be used with respect to an “output facility” (other than a facility for the furnishing of water) within the meaning of Section 141(b)(4).

5.30 Disposition of Property. The Issuer does not intend to sell or otherwise dispose of the New Money Project or the Original Issue Project or any portion thereof during the term of the Issue except for dispositions of property in the normal course at the end of such property’s useful life to the Issuer. With respect to tangible personal property, if any, that is part of the New Money Project or the Original Issue Project financed or refinanced by the Issue, the Issuer reasonably expects that:

(A) Dispositions of such tangible personal property, if any, will be in the ordinary course of an established governmental program;

(B) The weighted average maturity of the bonds of the Issue financing or refinancing such property (treating the bonds of the Issue properly allocable to such personal property, as a separate issue for this purpose) will not be greater than 120% of the reasonably expected actual use of such property for governmental purposes;

(C) The fair market value of such property on the date of disposition will not be greater than 25% of its cost;

(D) The property will no longer be suitable for its governmental purposes on the date of disposition; and

(E) The amounts received from any disposition of such property are required to, and will be, deposited in the Issuer’s General Fund and commingled with substantial tax or other governmental revenues and will be spent on governmental programs within 6 months from the date of such deposit and commingling.

5.40 Issue Not Federally Guaranteed. The Issue is not Federally Guaranteed.
5.50 Not Hedge Bonds. At least 85% of the Spendable Proceeds of the New Money Portion will be used to carry out the governmental purposes of the Issue within three years from the Issuance Date. It was reasonably expected on the Issuance Date of the 1997 Original Issue that not less than 85% of the Spendable Proceeds of the 1997 Original Issue would be used, and such amounts were used, to carry out the governmental purposes of the Original Issue within three years from the Issuance Date thereof. Not more than 50%, if any, of the Proceeds of the New Money Portion will be and not more than 50%, if any, of the Proceeds of the 1997 Original Issue were invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more, including but not limited to any investment contract or fixed Yield investment having a maturity of four years or more. The reasonable expectations stated above were not and are not based on and do not take into account (A) any expectations or assumptions as to the occurrence of changes in market interest rates or changes of federal tax law or regulations or rulings thereunder or (B) any prepayments of items other than items that are customarily prepaid.

5.60 Hedge Contracts. The Issuer has not entered into, and does not reasonably expect to enter into, any Hedge with respect to the Issue, or any portion thereof. The Issuer acknowledges that entering into a Hedge with respect to the Issue, or any portion thereof, may change the Yield and that Bond Counsel should be contacted prior to entering into any Hedge with respect to the Issue in order to determine whether payments/receipts pursuant to the Hedge are to be taken into account in computing the Yields on the Issue.

5.65 Written Procedures to Remediate Nonqualified Bonds. The Issuer acknowledges and establishes the Use of Proceeds Checklist and Remedial Action Instructions set forth in Attachment C-3 as its written procedures to ensure that all "nonqualified bonds" (as defined therein) are remediated in accordance with Regulations § 1.141-12. The Issuer will monitor the expenditure of Gross Proceeds and the use of facilities financed by the Issue, and will undertake, if necessary, any available measures under Regulations § 1.141-12 to ensure compliance after the Issuance Date with the applicable covenants contained in V.

5.70 Internal Revenue Service Information Return. "Yield" has the meaning assigned to it for purposes of Section 148, and means that discount rate (stated as an annual percentage) that, when used in computing the present worth of all applicable unconditionally payable payments of Debt Service, all payments for a Qualified Guarantee, if any, and payments and receipts with respect to a Qualified Hedge, if any, as required by the Regulations, paid and to be paid with respect to an obligation (paid and to be paid during and attributable to the Yield Period in the case of a Variable Yield Issue), reduced by the credit, if any, allowed by Section 6431, produces an amount equal to (a) the Issue Price in the case of a Fixed Yield Issue or the present value of the Issue Price at the commencement of the
applicable Yield Period in the case of a Variable Yield Issue, or (b) the purchase price for yield purposes in the case of Investment Property, all subject to the applicable methods of computation provided for under Section 148, including variations from the foregoing. The Yield on Investment Property in which Proceeds or Replacement Proceeds of an issue are invested is computed on a basis consistent with the computation of Yield on that issue, including the same compounding interval of not more than one year selected by the Issuer.

"Yield Period" means, in the case of the first Yield Period, the period that commences on the Issuance Date and ends at the close of business on the first Computation Date and, in the case of each succeeding Yield Period, the period that begins immediately after the end of the immediately preceding Yield Period and ends at the close of business on the next succeeding Computation Date.

The terms "bond," "obligation," "reasonably required reserve or replacement fund," "reserve or replacement fund," "loan," "sinking fund," "purpose investment," "same plan of financing," "other replacement proceeds" and other terms relating to Code provisions used but not defined in this Certificate shall have the meanings given to them for purposes of Sections 103 and 141 to 150 unless the context indicates another meaning.

UNDERWRITER’S CERTIFICATE

RBC Capital Markets, LLC ("Underwriter"), as underwriter for the certificates of participation (the "Certificates") identified above (the "Issue"), executed and delivered for the benefit of Pima County, Arizona (the "Issuer"), based on its knowledge regarding the sale of the Issue, represents as of this date as follows:

(1) Issue Price-Section 148. All of the Certificates of the Issue have been the subject of a bona fide offering to the public pursuant to a Certificate Purchase Contract by and between the Issuer and the Underwriter, dated May 7, 2013, and at least 10% of the principal amount of each maturity initially was sold or was reasonably expected to be sold (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at the respective price for that maturity shown in the Final Official Statement for the Issue. For purposes of this Certificate, the Underwriter has assumed that the phrase “bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers” refers only to persons who, to the knowledge of the representatives of the Underwriter, have an arrangement with the Issuer or the Underwriter to act in such capacity on behalf of the Issuer or the Underwriter. The aggregate Issue Price of the Issue, there being no Pre-Issuance Accrued Interest, is $99,047,891.60.

(2) Information Return. To the extent that we provided the Issuer and Squire Sanders (US) LLP, as bond counsel, with certain computations that show a bond yield, issue price, weighted average maturity and certain other information with respect to the Issue, these computations are provided for informational purposes and are based on our understanding of directions that we have received from bond counsel regarding interpretation of the applicable law. We express no view regarding the legal sufficiency of any such computations or the correctness of any legal interpretation made by special counsel. For purposes of the Information Return required by Section 149(e) of the Code to be filed in connection with the Issue:

- The Initial Offering Price of the entire Issue is $99,047,891.60.
• The weighted average maturity of the Issue is 2.5015 years and the remaining weighted average maturity of the Refunded Certificates is 2.6906 years.
• The Yield on the Issue is 1.2484%. That is the Yield that, when used in computing the present worth of all payments of principal and interest to be paid on the Issue, computed on the basis of a 360-day year and semi-annual compounding, produces an amount equal to the aggregate Issue Price of the Issue as stated in paragraph (1) and computed with the adjustments stated in paragraph (4).
• The Underwriter’s discount is $640,872.00.
• The CUSIP Number assigned to the final maturity of the Issue is 721664DLI.

(3) Discount Certificates Subject to Mandatory Early Redemption. No Certificate of the Issue is subject to mandatory early redemption.

(4) Premium Certificates Subject to Optional Redemption. No Certificate of the Issue is subject to optional redemption.

(5) No Stepped Coupon Certificates. No Certificate of the Issue bears interest at an increasing interest rate.

All capitalized terms not defined in this Certificate have the meaning set forth in the Issuer’s Tax Compliance Certificate or in Attachment A to it.

[Remainder of page left blank intentionally]
The Issuer may rely on the foregoing representations in making its certification as to issue price of the Issue under the Internal Revenue Code of 1986, as amended (the "Code"), and bond counsel may rely on the foregoing representations in rendering certain of its legal opinions in connection with the execution and delivery of the Issue, including its opinion on the exclusion from federal gross income of the interest as evidenced by the Certificates; provided, however, that nothing herein represents our interpretation of any laws, and in particular, regulations under section 148 of the Code.

The Underwriter has performed these computations with the express understanding and agreement of the County that, notwithstanding the performance of these computations and the delivery of this certificate, in doing so the Underwriter is (i) not acting as a municipal advisor (as defined in Section 15B of the Securities Exchange Act), (ii) does not have a fiduciary duty to the County, and (iii) is not to be construed as a “paid preparer” of any tax returns of the County, including specifically (but not limited to) Form 8038-G.

Statement: The policies and procedures provided herein shall be complied with in order to ensure compliance with the requirements of the Internal Revenue Code (the "Code") that are applicable to the issuance of Tax-Exempt Bonds or other Obligations (hereinafter called "Bonds"). Undefined terms used herein have the meanings assigned to them in the Code and the related Treasury Regulations. These policies and procedures, coupled with requirements contained in the Arbitrage Certificate (the "Tax Certificate") executed at the time of issuance of the Bonds, are intended to constitute written procedures for compliance with the federal tax requirements applicable to the Bonds and for timely identification of violations of such requirements.

I. GENERAL MATTERS.

A. Responsible Officer. The Director of the Finance Department will have overall responsibility for ensuring that the ongoing requirements described herein are met with respect to the Bonds (the "Responsible Officer").

B. Identify Additional Responsible Employees. The Responsible Officer shall identify any additional employees who will be responsible for each of the procedures described herein, notify the current holder of that office of the responsibilities, and provide that person a copy of the procedures. (For each procedure, this may be the Responsible Officer or another person who is assigned the particular responsibility.)

1. Upon employee or officer transitions, new personnel should be advised of responsibilities under the procedures and ensure they understand the importance of the procedures.

2. If employee or officer positions are restructured or eliminated, responsibilities should be reassigned as necessary to ensure that all procedures have been appropriately assigned.

C. Periodic Review. The Responsible Officer should periodically review compliance with these procedures and with the terms of the Tax Certificate to determine whether any violations have occurred so that such violations can be remedied through the "remedial action" regulations (Treasury Regulation §1.141-12) or the Voluntary Closing Agreement Program described in Internal Revenue Service ("IRS") Notice 2008-31 (or successor guidance).

D. Change in Bond Terms. If any changes to the terms of the Bonds are contemplated, bond counsel will be consulted.
II. ISSUE PRICE AND PREMIUM LIMIT. The following procedures shall be followed:

A. Involving Bond Counsel Pre-pricing. Consult with bond counsel to ensure that:

1. Premium on each maturity of the Bonds (stated as a percentage of principal amount) does not exceed one-quarter of one-percent (0.25%) multiplied by the number of complete years to the earlier of final maturity of the Bond or, generally, the earliest call date of the Bond.

2. The excess of the issue price of the Bond issue over the price at which the Bond issue is sold to the underwriter or placement agent, when combined with other issuance costs paid from proceeds of the Bond issue, does not exceed 2% of the sale proceeds of the Bond issue.

B. Working with Financial Advisor. Ensure that the market trading activity of the Bonds is reviewed after their sale date but before their issuance date that questions concerning such data are answered, and that reports concerning the sales data as necessary are produced. (Market trading information is generally available through the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access System (EMMA) (http://www.emma.msrb.org/).

1. Records of reports produced, including copies of the market trading information, should be maintained.

III. IRS INFORMATION RETURN FILING. The following procedures shall be followed:

A. 8038-G. Ensure that IRS Form 8038-G is timely filed with respect to each Bond issue, including the required debt service schedule and other required schedules and attachments and maintain it as part of the transcript for the Bond issue.

IV. USE OF PROCEEDS. The following procedures shall be followed:

A. Consistent Accounting Procedures. Clear accounting procedures for tracking investment and expenditures of proceeds, including investment proceeds.

B. Reimbursement Allocations at Closing. At or shortly after issuance of a Bond issue, allocation of proceeds of the Bond issue to reimbursement of prior expenditures, as appropriate.
C. Cost of Issuance. Ensure that no more than 2% of the sale proceeds of a Bond issue are used to pay issuance costs.

D. Capital Expenditures. Ensure that 100% of all sale proceeds and investment proceeds, other than sale proceeds used to pay issuance costs (up to the 2% limit described above) or deposited in a reasonably required reserve fund, are allocated to capital expenditures.

E. Requisitions. Ensure that requisitions are used to draw Bond proceeds and make sure the requisitions contain the information needed to show what and how Bond proceeds were spent, reviewing them carefully before submission to ensure proper use of Bond proceeds to minimize need for reallocations.

F. Final Allocation. Ensure that a final allocation of Bond proceeds (including investment proceeds) to qualifying expenditures is made if Bond proceeds are to be allocated to project expenditures on a basis other than "direct tracing" (direct tracing means treating the Bond proceeds as spent as shown in the accounting records for bond draws and project expenditures). An allocation other than on the basis of "direct tracing" is often made to reduce the private business use (see B., below) of Bond proceeds that would otherwise result from "direct tracing" of Bond proceeds to project expenditures. This allocation must be made within 18 months after the later of the date the expenditure was made or the date the project was placed in service, but not later than five years and 60 days after the issuance date of the Bonds or 60 days after the Bond issue is retired. Bond counsel can assist with the final allocation of Bond proceeds to project costs.

G. Record Retention. Maintain careful records of all project and other costs (e.g., issuance costs, credit enhancement and capitalized interest) and uses (e.g., deposit to reserve fund) for which Bond proceeds were spent or used. These records should be maintained separately for each issue of Bonds.

V. MONITORING PRIVATE BUSINESS USE. The following procedures shall be followed:

A. Review of Contracts With Private Persons. Review all of the following contracts or arrangements with non-governmental persons or organizations or the federal government (collectively referred to as "Private Persons") with respect to the Bond-financed facilities which could result in private business use of the Bond-financed facilities:

1. Sales of Bond-financed facilities.
2. Leases of Bond-financed facilities.

1. Management or service contracts relating to Bond-financed facilities.

2. Research contracts under which a Private Person sponsors research in Bond-financed facilities.

3. Any other contracts involving "special legal entitlements" (such as naming rights or exclusive provider arrangements) granted to a Private Person with respect to Bond-financed facilities.

B. Review of New Leases, Management, Research and Other Contracts. Before amending an existing agreement with a Private Person or entering into any new lease, management, service, or research agreement with a Private Person, review such amendment or agreement to determine whether it results in private business use.

C. Establish Procedures to Ensure Proper Use. Establish procedures to ensure Bond financed facilities are identified and are not used for private use without written approval of the Responsible Officer.

D. Analyze Use. Analyze any private business use of Bond-financed facilities and, for each issue of Bonds, determining whether the 10% limit on private business use (5% in the case of "unrelated or disproportionate" private business use) is exceeded, and contacting bond counsel or other tax advisors if either of these limits is exceeded.

E. Record Retention. Retain copies of all of the above contracts or arrangements (or, if no written contract exists, detailed records of the contracts or arrangements) with Private Persons for the period indicated in VII. below.

VI. ARBITRAGE AND REBATE. The following procedures shall be followed:

A. Yield. Record the yield of the Bond issue, as shown on the Form 8003-0.

B. Temporary Period. Review the Tax Certificate to determine the temporary periods for the Bond issue, during which periods various categories of gross proceeds of the Bond issue may be invested without yield restriction.

C. Post-Temporary Period Investments. Ensure that proceeds of the Bond issue are not invested in investments with a yield above the yield for the Bonds following the end of the applicable temporary period identified above unless yield reduction payments may be made.
Monitoring Temporary Period Compliance. Monitor expenditures of Bond proceeds, including investment proceeds, against issuance date expectations for satisfaction of three-year or five-year temporary period from yield restriction on investment of Bond proceeds and to avoid “hedge bond” status.

Establishing Fair Market Value of Investments. Ensure that investments acquired with Bond proceeds satisfy IRS regulatory safe harbors for establishing fair market value (e.g., through the use of bidding procedures), and maintaining records to demonstrate satisfaction of such safe harbors.

Debt Service, Credit Enhancement and Sinking Funds. Consult with bond counsel before engaging in credit enhancement or hedging transactions in respect of a Bond issue, and before creating separate funds that are reasonably expected to be used to pay debt service on the Bonds.

Document Retention. Maintain copies of all contracts and certificates relating to credit enhancement and hedging transactions.

Donations. Before beginning a capital campaign that may result in gifts that are restricted to Bond-financed projects (or, in the absence of such a campaign, upon the receipt of such restricted gifts), to determine whether replacement proceeds may result.

Bona Fide Debt Service Fund. Even after all proceeds of a given Bond issue have been spent, ensure that the debt service fund meets the requirements of a bona fide debt service fund, i.e., one used primarily to achieve a proper matching of revenues with debt service that is depleted at least once each bond year, except for a reasonable carryover amount not to exceed the greater of: (i) the earnings on the fund for the immediately preceding bond year; or (ii) one-twelfth of the debt service on the issue for the immediately preceding bond year. To the extent that a debt service fund qualifies as a bona fide debt service fund for a given bond year, the investment of amounts held in that fund is not subject to yield restriction for that year.

Debt Service Reserve Fund. Ensure that amounts invested in any reasonably required debt service reserve fund do not exceed the least of: (i) 10% of the stated principal amount of the Bonds or the sale proceeds of the Bond issue if the Bond issue has original issue discount or original issue premium that exceeds 2% of the stated principal of the Bond issue plus, in the case of premium, reasonable underwriter’s compensation; (ii) maximum annual debt service on the Bond issue; or (iii) 125% of average annual debt service on the Bond issue.
K. Rebate Requirement. Review the arbitrage rebate covenants noted in the Tax Certificate. Subject to the exceptions described below, investment earnings on Bond proceeds at a yield in excess of the bond yield (i.e., positive arbitrage) generally must be rebated to the U.S. Treasury, even if a temporary period exception from yield restriction allowed the earning of positive arbitrage.

1. Ensuring that rebate calculations will be timely performed and payment of rebate amounts, if any, will be timely made; such payments are generally due 60 days after the fifth anniversary of the issuance date of the Bond issue, then in succeeding installments every five years; the final rebate payment for a Bond issue is due 60 days after retirement of the last Bond of the issue; hiring a rebate consultant if necessary.

2. Reviewing the rebate section of the Tax Certificate to determine whether the "small issuer" rebate exception applies to the Bond issue.

3. If the 6-month, 18-month, or 24-month spending exceptions from the rebate requirement may apply to the Bonds, ensuring that the spending of proceeds is monitored prior to semi-annual spending dates for the applicable exception.

4. Timely making rebate and yield reduction payments and filing Form 8038-T.

5. Even after all other proceeds of a given Bond issue have been spent, ensuring compliance with rebate requirements for any debt service reserve fund and any debt service fund that is not exempt from the rebate requirement.

L. Record Retention. Maintain records of investments and expenditures of Proceeds, rebate exception analyses, rebate calculations, Forms 8038-T, and rebate and yield reduction payments, and any other records relevant to compliance with the arbitrage restrictions.

VII. RECORD RETENTION. Procedures will be set forth for maintaining all records and documents described in these procedures while any of the bonds of the issue are outstanding and during the three-year period following the final maturity or redemption of the bond issue or, if later, while any bonds that refund (or re-refund) bonds of that original issue are outstanding and for the three-year period following the final maturity or redemption date of the latest refunding bond issue.
The County will spend the Gross Proceeds of the Issue and use the facilities financed with those Gross Proceeds ("Bond-Financed Facilities") in a manner that complies with the restrictions and requirements imposed by the Code and Regulations on Tax-Exempt Bonds. The County will comply with the remedial action requirements, if necessary, set forth in Regulations §1.141-12. These Instructions provide guidance for that compliance.

VIII. USE OF PROCEEDS CHECKLIST AND REMEDIAL ACTION

A. Use of Proceeds

1. Ensure there exists a clearly established accounting procedure for tracking investment and expenditures of Proceeds, including Investment Proceeds.

2. At or shortly after issuance of the Issue, allocate Proceeds to reimbursement of prior expenditures, as appropriate.

3. Ensure that a final allocation of Proceeds (including Investment Proceeds) to qualifying expenditures is made if Proceeds are to be allocated to Project expenditures on a basis other than "direct tracing" (direct tracing means treating the Proceeds as spent as shown in the accounting records for Proceeds draws and Project expenditures). An allocation other than on the basis of "direct tracing" is often made to reduce the Private Business Use (see Section 2, below) of Proceeds that would otherwise result from "direct tracing" of Proceeds to Project expenditures. This allocation must be made within 18 months after the later of the date the expenditure was made or the date the Project was placed in service, but not later than five years and 60 days after the Issuance Date of the Issue or 60 days after the Issue is retired. Bond counsel can assist with the final allocation of Proceeds to Project costs.

4. Maintain careful records of all Bond-Financed Facilities and other costs (e.g., Issuance Costs, credit enhancement and capitalized interest) and uses (e.g., deposit to reserve fund) for which Proceeds were spent or used. These records should be maintained separately for each issue of Tax-Exempt Bonds.

5. On at least an annual basis, identify all current and contemplated uses of Bond-Financed Facilities and ensure that the use of the Bond-Financed Facilities complies with the covenants and restrictions set forth in the Certificate.
B. Monitoring Private Business Use

1. Before entering into any new management, service, or research agreements described in 3. below, review the agreements to determine whether they result in Private Business Use.

2. Analyze any Private Business Use of Bond-Financed Facilities to determine whether the 5% or 10% limitation, as applicable, on Private Business Use of Proceeds is exceeded. Contact Bond Counsel if this limit is exceeded.

3. Maintain copies of all of the following contracts or arrangements (or, if no written contract exists, maintain detailed records of the following contracts or arrangements) with a Private Person:

   a. Sales of Bond-Financed Facilities.
   b. Leases of Bond-Financed Facilities.
   c. Management or service contracts relating to Bond-Financed Facilities.
   d. Research contracts under which a Private Person sponsors research in Bond-Financed Facilities.
   e. Any other contracts involving “special legal entitlements” (such as naming rights or exclusive provider arrangements) granted to a Private Person with respect to Bond-Financed Facilities.

Each of the foregoing contracts or arrangements may result in Private Business Use of the Bond-Financed Facilities. Consult with Bond Counsel to undertake any necessary remedial actions, discussed below, in respect of “nonqualified bonds” of the issue.

C. Remedial Action

1. Deliberate Action. A “deliberate action” (“Deliberate Action”) is any action taken after the Issuer Date by the Issuer that is within the Issuer’s control and that causes: more than 5% or 10%, as applicable, of the Proceeds to be used for a Private Business Use (the “Private Business Use Limit”), and more than 5% or 10%, as applicable, of either the principal of or interest on the Issue to be secured by or derived, directly or indirectly, from Private Security or Payments (collectively with the Private Business Use Limit, the “Private Business Limits”).

An action by the Issuer is not a Deliberate Action if the action was (i) the result of an involuntary conversion of all or a portion of the Project, or (ii) an action that was taken in response to a regulatory directive made by the federal government (see Regulations §1.141-2(d)(3)(ii)).

2. Timely Reallocation. If a Deliberate Action occurs, the Issuer may reallocate the Proceeds that had been allocated to the Project or portion thereof as to which the Deliberate Action occurred to other permitted uses not later than 18 months after the later of (i) the date of the expenditure to which the
Proceeds were originally allocated or (ii) the placed in service date of the Project or portion thereof to which such Proceeds were originally allocated, but not later than 60 days after the fifth anniversary of the Issuance Date or the retirement of the Issue, if earlier (see Regulations §§1.141-8(a) and 1.141-6(d)(1)(iii)).

3. Remedial Action.

a) Effect. A "remedial action" cures the use of Proceeds that caused the Private Business Use limit to be exceeded. A remedial action will not impact the amount of Private Security or Payments.

b) Ability to Use. In order to achieve either or both of the effects set forth in 3.a, five conditions must be satisfied (see 3.c) and one of three alternative remedial actions must be taken (see D.1).

c) Conditions. The Issuer may use a "remedial action" only if the following five conditions are satisfied:

1) On the Issuance Date, the Issuer did not reasonably expect the Private Business Limits to be exceeded at any time while any portion of the Issue was outstanding.

2) On the Issuance Date, the weighted average maturity of the Issue did not exceed 120% of the weighted average of the reasonably expected economic lives of the assets comprising the Project.

3) Unless the Project is being used for an alternative use (as described in 4 below), the new user of all or any portion of the Project must have paid fair market value therefor.

4) The Issuer must treat any "disposition proceeds," which are all proceeds received from the sale, transfer or other disposition of all or a portion of the Project, as Gross Proceeds for arbitrage (Section 148) purposes.

5) Prior to the Deliberate Action, the Proceeds were used for a governmental purpose unless the remedial action to be taken is described in D.1.

D. Types of Remedial Action.

1. Redemption of Non-Qualified Bonds. The "non-qualified bonds" are the portion of the Issue allocable to the Deliberate Action that causes the Issue to exceed the Private Business Limits. In general, within 30 days after the Deliberate Action, either the non-qualified
bonds must be redeemed or an escrow that defeases the non-qualified bonds to their earliest redemption date must be established. A defeasance escrow may not be used, however, if the period between the Issuance Date and the earliest redemption date of the non-qualified bonds is more than 10.5 years; in such case, a closing agreement with the Internal Revenue Service ("IRS") may be necessary. If a defeasance escrow is established, the Issuer must notify the IRS within 90 days of its establishment. Notwithstanding the general requirement stated above that all non-qualified bonds must be redeemed or defeased, if the disposition proceeds consist exclusively of cash, it is sufficient that the disposition proceeds be used to redeem or defease a pro rata portion of the non-qualified bonds.

2. Alternative Use of Disposition Proceeds. The Issuer satisfies the requirements of this remedial action if:

   a) all disposition proceeds consist exclusively of cash;

   b) the Issuer reasonably expects to spend the disposition proceeds within two years after the date of the Deliberate Action;

   c) the disposition proceeds are treated as Proceeds for purposes of the Private Business Limits, the use of the disposition proceeds does not cause the Issue to exceed these Limits, and the Issuer does not take a subsequent Deliberate Action that causes either of these Limits to be exceeded;

   d) any unspent disposition proceeds must be used to redeem all or a portion of the Issue; and

   e) if the disposition proceeds are to be used by a 501(c)(3) Organization, from the date of the Deliberate Action, the non-qualified bonds must constitute Qualified 501(c)(3) Bonds and be treated as reissued for that purpose.

3. Alternative Use of Project. The Issuer satisfies the requirements of this remedial action if:

   a) the portion of the Project that is transferred or disposed of could have been financed by another type of Tax-Exempt Bond;

   b) the Deliberate Action taken by the Issuer did not involve a purchase financed by another issue of Tax-Exempt Bonds; and

   c) any disposition proceeds resulting from the Deliberate Action (other than those related to the provision of services) are used to pay Debt Service on the Issue on the next available
payment date or, within 90 days of receipt, are deposited into a Yield-restricted escrow to be used to pay Debt Service on the next available payment date.

Under these circumstances, the non-qualified bonds are treated as re-issued as of the date of the Deliberate Action, and must remain qualifying Tax-Exempt Bonds throughout their term.

E. Examples of Deliberate Action.

1. Lease to a Private Person. A Deliberate Action generally occurs if the Issuer (1) leases space within the Project to a Private Person and that use, when added to any other Private Business Use, exceeds 5% or 10%, as applicable, of the Bond-Financed Facilities so that more than 5% or 10%, as applicable, of the Proceeds of the Issue are considered used for a Private Business Use and (ii) receives rent under that lease that, when added to any other Private Security or Payments, exceeds 5% or 10%, as applicable, of the Proceeds.

2. Service Contract. A Deliberate Action generally occurs if (i) (1) the Issuer enters into a “service contract” (defined below) with a Private Person, (2) that Service Contract will be performed (or will be deemed to be performed) within the Project, (3) that Service Contract does not satisfy the requirements set forth in Revenue Procedure 97-13 (or its successor), and (4) that use, when added to any other Private Business Use of the Project, exceeds 5% or 10%, as applicable, of the Proceeds, and (ii) payments received or deemed received with respect to the Project in which the Service Contract is performed, when added to any other Private Security or Payments, exceed 5% or 10%, as applicable, of the Proceeds. A service contract is an arrangement under which services are to be provided by a Private Person involving the use of all or any portion of, or any function of, the Bond-Financed Facilities (for example, management services for an entire facility or a specific department of a facility).

3. Sale of Project. A Deliberate Action generally occurs if the Issuer sells all or more than 5% or 10%, as applicable, of the Bond-Financed Facilities to a Private Person, which results in Private Business Use, and receives commensurate disposition proceeds for that sale.

INSTRUCTIONS FOR COMPLIANCE WITH REBATE REQUIREMENTS
OF SECTION 148(f) OF THE CODE
(Governmental Use Bonds)

The Issuer\(^1\) covenanted in the operative documents (i.e., Ordinance/Resolution/
Trust Indenture/Tax Compliance Certificate) to comply with the arbitrage rebate requirement of
Section 148(f) of the Code. These Instructions provide guidance for that compliance, including
the spending exceptions that free the Issue from all or part of the rebate requirements.
Capitalized terms that are not defined in these Rebate Instructions are defined in Attachment A
to the Tax Compliance Certificate.

PART I: GENERAL

SECTION 1.01. REBATE GENERALLY.

The Rebate Amount with respect to the Issue must be paid (rebated) to the United
States to prevent the bonds of the Issue from being arbitrage bonds, the interest on which is
subject to federal income tax. In general, the Rebate Amount is the amount by which the actual
earnings on Nonpurpose Investments purchased (or deemed to have been purchased) with Gross
Proceeds of the Issue exceed the amount of earnings that would have been received if those
Nonpurpose Investments had a Yield equal to the Yield on the Issue.\(^2\) Stated differently, the
Rebate Amount for the Issue as of any date is the excess of the Future Value, as of that date, of
all Receipts on Nonpurpose Investments over the Future Value, as of that date, of all Payments
on Nonpurpose Investments, computed using the Yield on the Issue as the Future Value rate.\(^3\)

\(^1\) For purposes of these Instructions, the term “Issuer” includes the borrower in a conduit financing issue.

\(^2\) Amounts earned on the Bona Fide Debt Service Fund for the Issue are not taken into account in
determining the Rebate Amount: (1) for any Bond Year in which the gross earnings on such Fund for such
Year are less than $100,000; (2) if the average annual Debt Service on the Issue does not exceed
$2,500,000; or (3) if none of the obligations of the Issue are Private Activity Bonds, the rates of interest on
the Issue do not vary and the average maturity of the Issue is at least five years.

\(^3\) The scope of these Instructions does not permit a detailed description of the computation of the Rebate
Amount with respect to the Issue. If you need assistance in computing the Rebate Amount on the Issue or
If the Issue is a Fixed Yield Issue, the Yield on the Issue generally is the Yield to maturity, taking into account mandatory redemptions prior to maturity. If the Issue is a Variable Yield Issue, the Yield on the Issue is computed separately for each Yield Period selected by the Issuer.

PART II: EXCEPTIONS TO REBATE

SECTION 2.01. SPENDING EXCEPTIONS.

The rebate requirements with respect to the Issue are deemed to have been satisfied if any one of three spending exceptions (the 6-Month, the 18-Month, or the 2-Year Spending Exception, collectively, the “Spending Exceptions”) is satisfied. The Spending Exceptions are each independent exceptions. The Issue need not meet the requirements of any other exception in order to use any one of the three exceptions. For example, a Construction Issue may qualify for the 6-Month Spending Exception or the 18-Month Spending Exception even though the Issuer makes one or more elections under the 2-Year Exception with respect to the Issue.

The following rules apply for purposes of all of the Spending Exceptions except as otherwise noted.

Refunding Issues. The only spending exception available for a Refunding Issue is the 6-Month Spending Exception.

Special Transferred Proceeds Rules. In applying the Spending Exceptions to a Refunding Issue, unspent Proceeds of the Prior Issue that become Transferred Proceeds of the Refunding Issue are ignored. If the Prior Issue satisfies one of the rebate Spending Exceptions, the Proceeds of the Prior Issue that are excepted from rebate under that exception are not subject to rebate either as Proceeds of the Prior Issue or as Transferred Proceeds of the Refunding Issue.

However, if the Prior Issue does not satisfy any of the Spending Exceptions and is not otherwise exempt from rebate, the Transferred Proceeds from the Prior Issue will be subject to rebate, even if the Refunding Issue satisfies the 6-Month Spending Exception. The Rebate Amount will be calculated on the Transferred Proceeds on the basis of the Yield of the Prior Issue up to each transfer date and on the basis of the Yield of the Refunding Issue after each transfer date.

Application of Spending Exceptions to a Multipurpose Issue. If the Issue is a Multipurpose Issue, the Refunding Portion and the New Money Portion are treated for purposes of the rebate Spending Exceptions as separate issues. Thus, the Refunding Portion is eligible to use only the 6-Month Spending Exception. The New Money Portion is eligible to use any of the three Spending Exceptions.

4 For purposes of these Instructions, references to “Refunding Issue” include the Refunding Portion of a Multipurpose Issue.
Expenditures for Governmental Purposes of the Issue. Each of the spending exceptions requires that expenditures of Gross Proceeds be for the governmental purposes of the Issue. These purposes include payment of interest (but not principal) on the Issue.

SECTION 2.02. 6-MONTH SPENDING EXCEPTION.

The Issue will be treated as satisfying the rebate requirements if all of the Gross Proceeds of the Issue are allocated to expenditures for the governmental purposes of the Issue within the 6-month period beginning on the Issuance Date and the Rebate Amount, if any, with respect to earnings on amounts deposited in a reasonably required reserve or replacement fund or a Bona Fide Debt Service Fund if and to the extent that such Fund is subject to rebate (see footnote 3) is timely paid to the United States. If no bond of the Issue is a Private Activity Bond (other than a Qualified 501(c)(3) Bond) or a tax or revenue anticipation bond, the 6-month period is extended for an additional six months if the unexpended Gross Proceeds of the Issue at the end of the 6-month period do not exceed 5% of the Proceeds of the Issue.

For purposes of the 6-Month Spending Exception, Gross Proceeds required to be spent within six months do not include amounts in a reasonably required reserve or replacement fund for the Issue or in a Bona Fide Debt Service Fund for the Issue.

SECTION 2.03. 18-MONTH SPENDING EXCEPTION.

The Issue (or the New Money Portion if the Issue is a Multipurpose Issue) is treated as satisfying the rebate requirement if the conditions set forth in (A), (B) and (C) are satisfied.

(A) All of the Gross Proceeds of the Issue (excluding amounts in a reasonably required reserve or replacement fund for the Issue or in a Bona Fide Debt Service Fund for the Issue) are allocated to expenditures for the governmental purposes of the Issue in accordance with the following schedule, measured from the Issuance Date:

1. at least 15% within six months;
2. at least 60% within 12 months; and
3. 100% within 18 months, subject to the Reasonable Retainage exception described below.

(B) The Rebate Amount, if any, with respect to earnings on amounts deposited in a reasonably required reserve or replacement fund or in a Bona Fide Debt Service Fund for the Issue, to the extent such Fund is subject to rebate (see footnote 3), is timely paid to the United States.

(C) The Gross Proceeds of the Issue qualify for the initial 3-year Temporary Period.

If the only unspent Gross Proceeds at the end of the 18th month are Reasonable Retainage, the requirement that 100% of the Gross Proceeds be spent by the end of the 18th
month is treated as met if the Reasonable Retainage, and all earnings thereon, are spent for the governmental purposes of the Issue within 30 months of the Issuance Date.

For purposes of determining whether the spend-down requirements have been met as of the end of each of the first two spending periods, the amount of Investment Proceeds that the Issuer reasonably expects as of the Issuance Date to earn on the Sale Proceeds and Investment Proceeds of the Issue during the 18-month period are included in Gross Proceeds of the Issue. The final spend-down requirement includes actual Investment Proceeds for the entire 18 months.

The 18-Month Spending Exception does not apply to the Issue (or the New Money Portion, as applicable) if any portion of the Issue (or New Money Portion) is treated as meeting the rebate requirement under the 2-Year Spending Exception discussed below. This rule prohibits use of the 18-Month Spending Exception for the Nonconstruction Portion of a Bifurcated Issue. The only Spending Exception available for the Nonconstruction Portion of a Bifurcated Issue is the 6-Month Spending Exception.

SECTION 2.04. 2-YEAR SPENDING EXCEPTION FOR CERTAIN CONSTRUCTION ISSUES.

(A) In general. A Construction Issue no bond of which is a Private Activity Bond (other than a Qualified 501(c)(3) Bond or a Bond that finances property to be owned by a Governmental Unit or a 501(c)(3) Organization) is treated as satisfying the rebate requirement if the Available Construction Proceeds of the Issue are allocated to expenditures for the governmental purposes of the Issue in accordance with the following schedule, measured from the Issuance Date:

(1) at least 10% within six months;
(2) at least 45% within one year;
(3) at least 75% within 18 months; and
(4) 100% within two years, subject to the Reasonable Retainage exception described below.

Amounts in a Bona Fide Debt Service Fund or a reasonably required reserve or replacement fund for the Issue are not treated as Gross Proceeds for purposes of the expenditure requirements. However, unless the Issuer has elected otherwise in the Tax Compliance Certificate, earnings on amounts in a reasonably required reserve or replacement fund for the Issue are treated as Available Construction Funds during the 2-year period and therefore must be allocated to expenditures for the governmental purposes of the Issue.

If the Issuer elected in the Tax Compliance Certificate to exclude from Available Construction Proceeds the Investment Proceeds or earnings on a reasonably required reserve or replacement fund for the Issue during the 2-year spend-down period, the Rebate Amount, if any, with respect to such Investment Proceeds or earnings from the Issuance Date must be timely paid to the United States. If the election is not made, the Rebate Amount, if any, with respect to such
Investment Proceeds or earnings after the earlier of the date construction is substantially completed or two years after the Issuance Date must be timely paid to the United States. The Rebate Amount, if any, with respect to earnings on amounts in a Bona Fide Debt Service Fund must be timely paid to the extent such Fund is subject to the rebate requirements (see footnote 3).

The Issue does not fail to satisfy the spending requirement for the fourth spend-down period (i.e., 100% within two years of the Issuance Date) if the only unspent Available Construction Proceeds are amounts for Reasonable Retainage if such amounts (together with all earnings on such amounts) are allocated to expenditures within three years of the Issuance Date.

For purposes of determining whether the spend down requirements have been met as of the end of each of the first three spend-down periods, Available Construction Proceeds include the amount of Investment Proceeds or earnings that the Issuer reasonably expected as of the Issuance Date to earn during the 2-year period unless the Issuer elects, on or before the Issuance Date, to apply these spend-down requirements on the basis of actual facts rather than reasonable expectations. For purposes of satisfying the final spend-down requirement, Available Construction Proceeds include actual Investment Proceeds or earnings from the Issuance Date through the end of the 2-year period.

Available Construction Proceeds do not include Gross Proceeds used to pay Issuance Costs financed by the Issue, but do include earnings on such Proceeds. Thus, an expenditure of Gross Proceeds to pay Issuance Costs does not count toward meeting the spend-down requirements, but expenditures of earnings on such Gross Proceeds to pay Issuance Costs do count.

(B) 1½% penalty in lieu of rebate for Construction Issues. If the Issuer elected in the Tax Compliance Certificate for a Construction Issue, or for the Construction Portion of a Bifurcated Issue, to pay a 1½% penalty in lieu of the Rebate Amount on Available Construction Proceeds in the event that the Construction Issue fails to satisfy any of the spend-down requirements, the 1½% penalty is calculated separately for each spend-down period, including each semiannual period after the end of the fourth spend-down period until all Available Construction Proceeds have been spent. The penalty is equal to 0.015 times the underexpended Proceeds as of the end of the applicable spend-down period. The fact that no arbitrage is in fact earned during such spend-down period is not relevant. The Rebate Amount with respect to Gross Proceeds other than Available Construction Proceeds (e.g., amounts in a reasonably required reserve or replacement fund or in a Bona Fide Debt Service Fund, to the extent subject to rebate (see footnote 3)) must be timely paid.

PART III: COMPUTATION AND PAYMENT

SECTION 3.01. COMPUTATION AND PAYMENT OF REBATE AMOUNT.

If none of the Spending Exceptions described above is satisfied (and if the 1½% penalty election for a Construction Issue or the Construction Portion of a Bifurcated Issue has not been made), then within 45 days after each Computation Date the Issuer shall compute, or cause to be computed, the Rebate Amount as of such Computation Date. The first Computation
Date is a date selected by the Issuer, but shall be not later than five years after the Issuance Date. Each subsequent Computation Date shall end five years after the previous Computation Date except that, in a Variable Yield Issue, the Issuer may select annual Yield Periods. The final Computation Date shall be the date the last obligation of the Issue matures or is finally discharged.

Within 60 days after each Computation Date (except the final Computation Date), the Issuer shall pay to the United States not less than 90% of the Rebate Amount, if any, computed as of such Computation Date. Within 60 days after the final Computation Date, the Issuer shall pay to the United States 100% of the Rebate Amount, if any, computed as of the final Computation Date. In computing the Rebate Amount, a computation credit may be taken into account on the last day of each Bond Year to the Computation Date during which there are unspent Gross Proceeds that are subject to the rebate requirement, and on the final maturity date.

If the operative documents pertaining to the Issue establish a Rebate Fund and require the computation of the Rebate Amount at the end of each Bond Year, the Issuer shall calculate, or cause to be calculated, within 45 days after the end of each Bond Year the Rebate Amount, taking into account the computation credit for each Bond Year. Within 50 days after the end of each Bond Year, if the Rebate Amount is positive, the Issuer shall deposit in the Rebate Fund such amount as will cause the amount on deposit therein to equal the Rebate Amount, and may withdraw any amount on deposit in the Rebate Fund in excess of the Rebate Amount. Payments of the Rebate Amount to the Internal Revenue Service on a Computation Date shall be made first from amounts on deposit in the Rebate Fund and second from other amounts specified in the operative documents.

Each payment of the Rebate Amount or portion thereof shall be payable to the Internal Revenue Service and shall be made to the Internal Revenue Service Center, Ogden, UT 84201 by certified mail. Each payment shall be accompanied by Internal Revenue Service Form 8038-T and any other form or forms required to be submitted with such remittance.

SECTION 3.02. BOOKS AND RECORDS.

(A) The Issuer or Trustee, as applicable, shall keep proper books of record and accounts containing complete and correct entries of all transactions relating to the receipt, investment, disbursement, allocation and application of the Gross Proceeds of the Issue. Such records shall specify the account or fund to which each Nonpurpose Investment (or portion thereof) held by the Issuer or Trustee is to be allocated and shall set forth as to each Nonpurpose Investment (1) its purchase price, (2) identifying information, including par amount, interest rate, and payment dates, (3) the amount received at maturity or its sales price, as the case may be, including accrued interest, (4) the amounts and dates of any payments made with respect thereto, and (5) the dates of acquisition and disposition or maturity.

(B) The Issuer, Trustee, or Rebate Analyst, as applicable, shall retain the records of all calculations and payments of the Rebate Amount until three years after the retirement of the last obligation that is a part of the Issue.
SECTION 3.03. FAIR MARKET VALUE.

(A) No Nonpurpose Investment shall be acquired for an amount in excess of its fair market value. No Nonpurpose Investment shall be sold or otherwise disposed of for an amount less than its fair market value.

(B) The fair market value of any Nonpurpose Investment shall be the price at which a willing buyer would purchase the Nonpurpose Investment from a willing seller in an arm’s-length transaction. Fair market value generally is determined on the date on which a contract to purchase or sell the Nonpurpose Investment becomes binding (i.e., the trade date rather than the settlement date). Except as otherwise provided in this Section, a Nonpurpose Investment that is not of a type traded on an established securities market (within the meaning of Section 1273 of the Code) is rebuttably presumed to be acquired or disposed of for a price that is not equal to its fair market value.

(C) Obligations purchased directly from the Treasury. The fair market value of a United States Treasury obligation that is purchased directly from the United States Treasury is its purchase price.

(D) Safe harbor for Guaranteed Investment Contracts. The purchase price of a Guaranteed Investment Contract shall be treated as its fair market value on the purchase date if all the following conditions are met.

(1) The Issuer or broker makes a bona fide solicitation for a specified Guaranteed Investment Contract and receives at least three bona fide bids from reasonably competitive providers (of Guaranteed Investment Contracts) that have no material financial interest in the Issue.

(2) The Issuer purchases the highest-yielding Guaranteed Investment Contract for which a qualifying bid is made (determined net of broker’s fees).

(3) The Yield on the Guaranteed Investment Contract (determined net of broker’s fees) is not less than the Yield then available from the provider on reasonably comparable Guaranteed Investment Contracts, if any, offered to other persons from a source of funds other than Gross Proceeds of Tax-Exempt Obligations.

(4) The determination of the terms of the Guaranteed Investment Contract takes into account as a significant factor the Issuer’s reasonably expected drawdown schedule for the amounts to be invested, exclusive of amounts deposited in a Bona Fide Debt Service Fund and a reasonably required reserve or replacement fund.

(5) The terms of the Guaranteed Investment Contract, including collateral security requirements, are reasonable.
(6) The obligor on the Guaranteed Investment Contract certifies the
administrative costs that it is paying (or expects to pay) to third parties in
connection with the Guaranteed Investment Contract.

(E) Safe harbor for certificates of deposit. The purchase price of a certificate
of deposit shall be treated as its fair market value on the purchase date if all of the following
requirements are met.

(1) The certificate of deposit has a fixed interest rate, a fixed payment
schedule, and a substantial penalty for early withdrawal.

(2) The Yield on the certificate of deposit is not less than (a) the Yield
on reasonably comparable direct obligations of the United States, or (b) the
highest Yield that is published or posted by the provider to be currently available
from the provider on reasonably comparable certificates of deposit offered to the
public.

Certificates evidencing the foregoing requirements should be obtained before
purchasing any Guaranteed Investment Contract or certificate of deposit.

SECTION 3.04. CONSTRUCTIVE SALE/PURCHASE.

(A) Nonpurpose Investments that are held by the Issuer or Trustee as of any
Computation Date (or Bond Year if the computations are required to be done annually) shall be
treated for purposes of computing the Rebate Amount as of such date as having been sold for
their fair market value as of such date. Investment Property that becomes allocated to Gross
Proceeds of the Issue on a date after such Investment Property has actually been purchased shall
be treated for purposes of the rebate requirements as having been purchased by the Issuer on
such date of allocation at its fair market value on such date.

(B) For purposes of constructive or deemed sales or purchases of Investment
Property (other than Investment Property in the Escrow Fund or that is otherwise not invested for
a Temporary Period or is not part of a reasonably required reserve or replacement fund for the
Issue) must be valued at its fair market value on the date of constructive or deemed sale or
purchase.

(C) Except as set forth in (B), fixed-rate Investment Property that is (1) issued
with not more than 2% of original issue discount or original issue premium, (2) issued with
original issue premium that is attributable exclusively to reasonable underwriters’ compensation
or (3) acquired with not more than 2% of market discount or market premium may be treated as
having a fair market value equal to its outstanding stated principal amount plus accrued interest.
Fixed-rate Investment Property also may be treated as having a fair market value equal to its
present value.

SECTION 3.05. ADMINISTRATIVE COSTS.

(A) Administrative costs shall not be taken into account in determining the
payments for or receipts from a Nonpurpose Investment unless such administrative costs are
Qualified Administrative Costs. Thus, administrative costs or expenses paid, directly or indirectly, to purchase, carry, sell, or retire Nonpurpose Investments generally do not increase the Payments for, or reduce the Receipts from, Nonpurpose Investments.

(B) Qualified Administrative Costs are taken into account in determining the Payments and Receipts on Nonpurpose Investments and thus increase the Payments for, or decrease the Receipts from, Nonpurpose Investments. In the case of a Guaranteed Investment Contract, a broker’s commission or similar fee paid on behalf of either the Issuer or the provider is a Qualified Administrative Cost to the extent that (1) the amount of the fee treated as a Qualified Administrative Cost does not exceed the lesser of (a) $37,000, or such higher amount as determined and published by the Internal Revenue Service as the “cost of living adjustment” for the calendar year in which the Guaranteed Investment Contract is acquired and (b) 0.2% of the Computational Base or, if more, $4,000, or such higher amount as determined and published by the Internal Revenue Service as the “cost of living adjustment” for the calendar year in which the Guaranteed Investment Contract is acquired and (2) the aggregate amount of broker’s commissions or similar fees with respect to all Guaranteed Investment Contracts and Nonpurpose Investments acquired for a yield-restricted defeasance escrow purchased with Gross Proceeds of the Issue treated as Qualified Administrative Costs does not exceed a cap of $106,000, or such higher amount as determined and published by the Internal Revenue Service as the “cost-of-living adjustment” for the calendar year in which the Guaranteed Investment Contract is acquired less the portion of such cap, if any, used in prior years with respect to the Issue.

PART IV: COMPLIANCE AND AMENDMENT

SECTION 4.01. COMPLIANCE.

The Issuer, Trustee or Rebate Analyst, as applicable, shall take all necessary steps to comply with the requirements of these Instructions in order to ensure that interest on the Issue is excluded from gross income for federal income tax purposes under Section 103(a) of the Code. However, compliance shall not be required in the event and to the extent stated therein the Issuer and the Trustee receive a Bond Counsel’s Opinion that either (A) compliance with such requirement is not required to maintain the exclusion from gross income for federal income tax purposes of interest on the Issue or (B) compliance with some other requirement in lieu of such requirement will comply with Section 148(f) of the Code, in which case compliance with the other requirement specified in the Bond Counsel’s Opinion shall constitute compliance with such requirement.

SECTION 4.02. LIABILITY.

If for any reason any requirement of these Instructions is not complied with, the Issuer and the Trustee, if applicable, shall take all necessary and desirable steps to correct such noncompliance within a reasonable period of time after such noncompliance is discovered or should have been discovered with the exercise of reasonable diligence. The Trustee shall have no duty or responsibility to independently verify any of the Issuer’s, or the Rebate Analyst’s, calculations with respect to the payments of the Rebate Amount due and owing to the United States. Under no circumstances whatsoever shall the Trustee be liable to the Issuer, any bondholder or any other person for any inclusion of the interest on the Issue in gross income for

C-2-9
federal income tax purposes, or any claims, demands, damages, liabilities, losses, costs or expenses resulting therefrom or in any way connected therewith, so long as the Trustee acts only in accordance with these Instructions and the operative documents pertaining to the Issue.

DEScribing book-entry-only issuance
(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds $200 million, one certificate will be issued with respect to each $200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on-file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Pima County, Arizona
Tucson, Arizona

Ladies and Gentlemen:

We have served as special counsel to our client Pima County, Arizona (the “County”) and not as counsel to any other person in connection with the execution and delivery by U.S. Bank National Association, as trustee (the “Trustee”), of $80,175,000 aggregate principal amount of Certificates of Participation, Series 2013A (the “2013A Certificates”) and $12,705,000 aggregate principal amount of Refunding Certificates of Participation, Series 2013B (the “2013B Certificates” and, together with the 2013A Certificates, the “2013 Certificates”) pursuant to a Trust Agreement dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement dated as of June 1, 2009, a Second Supplement to Trust Agreement dated as of February 1, 2010 and a Third Supplement to Trust Agreement dated as of May 1, 2013 (collectively, the “Trust Agreement”), between the County and the Trustee, and relating to a Lease-Purchase Agreement dated as of June 1, 2008, as amended by a First Amendment to Lease-Purchase dated as of June 1, 2009, a Second Amendment to Lease-Purchase dated as of February 1, 2010 and a Third Amendment to Lease-Purchase dated as of May 1, 2013 (collectively, the “Lease Agreement”), between the Trustee, as lessor, and the County, as lessee. The Lease Agreement and the Trust Agreement are referred to collectively as the “County Documents.” Capitalized terms not defined in this letter are used as defined in the County Documents.

In our capacity as special counsel, we have examined the transcript of proceeding relating to the execution and delivery of the 2013 Certificates, the County Documents, copies of the executed certificate of the first maturity of each series of the 2013 Certificates, and such other documents, matters and law as we deem necessary to render the opinions set forth in this letter.

The 2013 Certificates, together with other Certificates (as defined in the Trust Agreement) heretofore or hereafter executed and delivered pursuant to the Trust Agreement, represent undivided and proportionate interests in the obligations of the County under the Lease
Agreement. The County has agreed to lease certain real and personal property from the Trustee, as lessor, under the Lease Agreement.

Based upon our examination, we are of the opinion that, under existing law:

1. The County is a political subdivision existing under the laws of the State of Arizona, and has all requisite power to enter into and perform its obligations under the County Documents.

2. The County Documents each have been duly authorized, executed and delivered by the County and constitute legal, valid and binding obligations of the County enforceable in accordance with their terms.

3. The 2013 Certificates have been duly authorized, executed and delivered by the Trustee at the request and for the benefit of the County and are valid and binding limited and special obligations payable solely from the Lease Payments (as defined in the Lease Agreement) and certain funds held under the Trust Agreement as provided therein. The 2013 Certificates are not secured by an obligation or pledge of any taxing power or moneys raised thereby and are not a debt of and do not constitute a pledge of the faith and credit of the County, the State of Arizona or any political subdivision thereof.

4. The portion of each Lease Payment made by the County pursuant to the Lease Agreement and denominated as and comprising interest pursuant the Lease Agreement and received by the owners of the 2013 Certificates (the “Interest Portion”) is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, portions of the Interest Portion earned by certain corporations may be subject to a corporate alternative minimum tax. The Interest Portion is exempt from Arizona State income tax. We express no opinion as to any other tax consequences regarding the 2013 Certificates. We also express no opinion as to the treatment for federal income tax purposes or Arizona state income tax purposes of amounts paid to the owners of the 2013 Certificates in the event of termination of the Lease Agreement due to nonappropriation.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined, (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the County and (iii) the correctness of the legal conclusions contained in the legal opinion letters of counsel to the County delivered in connection with this matter.
In rendering those opinions with respect to treatment of the Interest Portion under the federal tax laws, we further assume and rely upon compliance with the covenants in the proceedings and documents we have examined, including those of the County. Failure to comply with certain of those covenants subsequent to the execution and delivery of the 2013 Certificates may cause the Interest Portion to be included in gross income for federal income tax purposes retroactively to the date of execution and delivery of the 2013 Certificates.

The rights of the owners of the 2013 Certificates and the enforceability of the 2013 Certificates and the County Documents are subject to bankruptcy, insolvency, arrangement, fraudulent conveyance or transfer, reorganization, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to the exercise of judicial discretion, and to limitations on legal remedies against public entities.

The opinions rendered in this letter are stated only as of this date, and no other opinion shall be implied or inferred as a result of anything contained in or omitted from this letter. Our engagement as special counsel with respect to the 2013 Certificates has concluded on this date.

Respectfully submitted,
May 22, 2013

Ladies and Gentlemen:

Pursuant to a Certificate Purchase Contract, dated May 7, 2013 (the “Certificate Purchase Contract”), among Pima County, Arizona, RBC Capital Markets, LLC and U.S. Bank National Association, as trustee, we have delivered to you our approving opinion of even date herewith (the “Approving Opinion”) relating to the Pima County, Arizona Certificates of Participation, Series 2013A in the aggregate principal amount of $80,175,000, and Pima County, Arizona Refunding Certificates of Participation, Series 2013B in the aggregate principal amount of $12,705,000 (collectively, the “2013 Certificates”). All terms used herein shall have the same meaning as assigned in the Certificate Purchase Contract.

We hereby supplement the aforesaid Approving Opinion and further advise you as follows:

1. The Resolutions have been duly adopted and are in full force and effect;

2. It is not necessary, in connection with the offering and sale of the 2013 Certificates, to register the 2013 Certificates under the Securities Act of 1933, as amended or to qualify the Trust Agreement under the Trust Indenture Act of 1939, as amended;

3. The statements and information contained in the final Official Statement on the cover page, under the headings entitled “INTRODUCTORY STATEMENT,” “DESCRIPTION OF THE 2013 CERTIFICATES,” “PLAN OF FINANCE – 2013A Certificates” and “PLAN OF FINANCE – 2013B Certificates,” “SOURCES OF PAYMENT OF THE CERTIFICATES,” “SECURITY FOR THE CERTIFICATES,” “TAX MATTERS” and “CONTINUING SECONDARY MARKET DISCLOSURE” (other than matters relating to the County’s compliance with prior undertakings as to which no opinion is expressed), and Appendices C, D and E thereto, insofar as such statements and information summarize certain provisions of the 2013 Certificates, the County Documents and certain provisions of Arizona and federal law, including the federal and Arizona income tax status of interest on the 2013 Certificates, fairly present the information purported to be shown, and nothing has come to our attention which would lead us to believe that such information contains any untrue statement of a material fact or
that such information, taken collectively, omits to state any material fact that is necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading; provided, however, that such information does not purport to summarize all the provisions of, and is qualified in its entirety by, the complete documents which are summarized;

4. The Certificate Purchase Contract has been duly authorized, executed and delivered by the County and (assuming due authorization and execution by the Trustee and the Underwriter) is a legal, valid and binding obligation of the County, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium, and other similar laws generally affecting the enforcement of creditors’ rights and to principles of equity in the event equitable remedies are sought;

5. The Undertaking has been duly authorized, executed and delivered by the County and is a legal, valid, and binding obligation of the County, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium, and other similar laws generally affecting the enforcement of creditors’ rights and to principles of equity in the event equitable remedies are sought;

6. No consent of any other party and no consent, license, approval or authorization of, exemption by, or registration with any governmental body, authority, bureau or agency (other than those that have been obtained prior to the execution and delivery of the Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract) is required in connection with the execution, delivery and performance by the County of the Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract.

You may rely upon the Approving Opinion as though it were specifically addressed to you.

This letter is provided pursuant to Section 7(i)(4) of the Certificate Purchase Contract and is being given solely for the information of and assistance to the addressee of this letter in its capacity as the Underwriter of the 2013 Certificates. In giving this opinion to the Underwriter, it is expressly understood that no attorney-client relationship is being created thereby. Without our express prior written permission, this opinion may not be relied upon by any person other than the County and the Underwriter and is not to be used, circulated, quoted, or otherwise referred to in connection with the offering of the 2013 Certificates, except that reference may be made to this opinion in any list of closing documents pertaining to the execution and delivery of the 2013 Certificates.

Re: $80,175,000 Pima County, Arizona Certificates of Participation, Series 2013A
and $12,705,000 Pima County, Arizona Refunding Certificates of Participation,
Series 2013B

Ladies and Gentlemen:

We have served as Special Counsel in connection with the execution and delivery of the
above-described Certificates of Participation (the “2013 Certificates”) under the Third
Supplement to Trust Agreement dated as of May 1, 2013 (the “Third Supplement”), to the Trust
Agreement, dated as of June 1, 2008 (as supplemented by the Third Supplement, by a Second
Supplement to Trust Agreement dated as of February 1, 2010, and by a First Supplement to Trust
Agreement dated as of June 1, 2009, the “Trust Agreement”), each between Pima County,
Arizona (the “County”) and U.S. Bank National Association, as trustee (the “Trustee”). This
opinion is delivered to you pursuant to Section 2.11 of the Trust Agreement.

In connection with the execution and delivery of the 2013 Certificates, you have been
provided, among other items, with the following:

1. Original executed counterparts of (a) the Third Supplement, and (b) the Third
   Amendment to Lease-Purchase Agreement dated as of May 1, 2013 (the “Third Amendment”),
   to the Lease-Purchase Agreement, dated as of June 1, 2008 (as amended by the Third
   Amendment, by a Second Amendment to Lease-Purchase Agreement dated as of February 1,
   2010, and by a First Amendment to Lease-Purchase Agreement dated as of June 1, 2009, the
   “Lease Agreement”), between the County, as lessee, and the Trustee, as lessor (in such capacity,
   the “Lessor”);
2. Closing Certificate of the County, of even date herewith, including a request from the County (the "Request"), for the Trustee to execute and deliver the 2013 Certificates and containing certain representations therein;

3. Our opinion, of even date herewith (the "Approving Opinion"), addressing the validity of the 2013 Certificates and the other matters described therein.

Based on the foregoing and an examination of the law and such documents and matters as we deemed necessary to render this opinion, it is our opinion and we herewith advise you that:

(i) The foregoing documents submitted to the Trustee in connection with the Request comply with the requirements of the Trust Agreement for the execution and delivery of the 2013 Certificates, any filings required to be made under Section 11.4 of the Trust Agreement have been made, and all conditions precedent to the delivery of the 2013 Certificates have been fulfilled.

(ii) When executed and delivered by the Trustee, the 2013 Certificates will be valid and binding in accordance with their terms, as described in the Approving Opinion, and will be secured under the Trust Agreement equally and on a parity with the County's Certificates of Participation, Series 2010, as to the assignment to the Trustee of the amounts pledged thereunder.

(iii) The execution and delivery of the 2013 Certificates will not result in the portion of the Lease Payments designated as interest evidenced by the 2010 Certificates becoming includable in gross income for purposes of federal income taxation.

(iv) The Third Amendment has been duly authorized, executed and delivered by the County, and the Lease Agreement, as amended by the Third Amendment constitutes a legal, valid and binding obligation of the County, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws generally affecting the enforcement of creditors’ rights and to the principles of equity in the event equitable remedies are sought.

Re: Pima County, Arizona Certificates of Participation, Series 2013A and Refunding Certificates of Participation, Series 2013B

This opinion is rendered in connection with the execution and delivery by Pima County, Arizona (the “County”), of: a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease Agreement dated as of June 1, 2009, by a Second Amendment to Lease Agreement dated as of February 1, 2010, and by a Third Amendment to Lease Agreement dated as of May 1, 2013 (as so amended, the “Lease-Purchase Agreement”), between the County, as lessee, and U.S. Bank National Association, as trustee (the “Lessor”); a Ground Lease, dated as of June 1, 2008 (the “Ground Lease”), between the County and the Trustee; a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement dated as of June 1, 2009, by a Second Amendment to Lease Agreement dated as of February 1, 2010, and by a Third Amendment to Lease Agreement dated as of May 1, 2013 (as so supplemented, the “Trust Agreement”), between the County and the Trustee; a Continuing Disclosure Undertaking, dated the date hereof (the “Undertaking”), and a Certificate Purchase Contract, dated May 7, 2013 (the “Certificate Purchase Contract”), among the County, the Trustee and RBC Capital Markets, LLC. The Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract are each authorized by resolutions adopted by the Board of Supervisors of the County on June 17, 2008, September 11, 2012 and December 18, 2012 (collectively, the “Authorizing Resolution”). We have examined the transcript of proceedings relating to the execution and delivery of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract and such other documents as we considered necessary to our opinion. As to questions of fact material to our opinion we have relied upon, and assumed due and continuing compliance with the provisions of, the above-mentioned proceedings and other documents, and have relied upon certificates, covenants and representations furnished to us by the County without undertaking to verify the same by independent investigation.
Based upon the foregoing, we are of the opinion, as of this date that:

1. The authorization, approval and execution of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and Certificate Purchase Contract, the adoption of the Authorizing Resolution and all other proceedings of the County relating to the authorization, approval and execution of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract have been carried out in conformance with the applicable open meeting and other laws of the State of Arizona.

2. The authorization, execution and delivery of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Deed, the Undertaking and the Certificate Purchase Contract and compliance with the provisions thereof under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute on the part of the County a breach of or default under any agreement or other instrument to which the County is a party or of any existing law, administrative regulation, court order or consent decree to which the County or the Leased Property (as defined in the Lease-Purchase Agreement) is subject.

3. There are no lawsuits or administrative proceedings pending or, to the best of our knowledge, threatened, against the County (i) which in any way question (a) the validity and the proper authorization, approval and execution of the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking or the Certificate Purchase Contract, (b) the authority of the County or its officials to enter into the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract or the ability of the County otherwise to perform its obligations under the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract and to carry out the transactions contemplated thereby or (ii) wherein an unfavorable decision, ruling or finding would adversely affect the transactions contemplated by the Lease-Purchase Agreement, the Ground Lease, the Trust Agreement, the Undertaking and the Certificate Purchase Contract or the Leased Property or the financial condition of the County.

4. The statements in the Official Statement (as defined in the Certificate Purchase Agreement) under the heading “LITIGATION” are true and correct in all material respects and do not omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(B) successors to an Insured by dissolution, merger, consolidation, distribution, or reorganization;

(C) successors to an Insured by its conversion to another kind of Entity;

(D) a grantee of an Insured under a deed delivered without payment of actual valuable consideration conveying the Title if the stock, shares, membership, or other equity interests passed to the Insured by the grantee are wholly-owned by the named Insured.

(ii) If the grantee wholly owns the Insured, in (A), (B), (C), and (D), reserving, however, all rights and defenses as to any successor that the Company would have had against any predecessor Insured.

(e) "Insured Claimant": An Insured claiming loss or damage.

(f) "Knowledge" or "Known": Actual knowledge not constructive knowledge or notice that may be imputed to an Insured by reason of the Public Records or any other records that impart constructive notice of matters affecting the Title.

2. CONTINUATION OF INSURANCE

The coverage of this policy shall continue in force as of Date of Policy in favor of an Insured, but so long as the Insured retains an estate or interest in the Land, or holds an obligation secured by a purchase money Mortgage given by a purchaser from the Insured, or only so long as the Insured shall have liability by reason of warranties in any transfer or conveyance of the Title. This policy shall not continue in force in favor of any purchaser from the Insured of either (i) an estate or interest in the Land, or (ii) an obligation secured by a purchase money Mortgage given by the Insured.
the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant shall grant its permission, in writing, to any authorized representative of the Company to examine, inspect, and copy all of these records in the custody or control of a third party that reasonably pertain to the loss or damage.

All information designated as confidential by the Insured Claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in this subsection, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS;
TERMINATION OF LIABILITY:
In case of a claim under this policy, the Company shall have the following additional options:
(a) To Pay or Tender Payment of the Amount of Insurance.
   To pay or tender payment of the Amount of Insurance under this policy
   together with any costs, attorneys' fees, and expenses incurred by
   the Insured Claimant that were authorized by the Company up to the
   time of payment or tender of payment and that the Company is
   obligated to pay.
   Upon the exercise by the Company of this option, all liability and
   obligations of the Company to the Insured under this policy, other
   than to make the payment required in this subsection, shall terminate,
   including any liability or obligation to defend, prosecute, or continue any
   litigation.
   (b) To Pay or Otherwise Settle With Parties Other Than the
   Insured or With the Insured Claimant.
      (1) To pay or otherwise settle with other parties for or in the
      name of an Insured Claimant any claim incurred against the
      Insured under this policy. In addition, the Company will pay any costs,
      attorneys' fees, and expenses incurred by the Insured Claimant that were
      authorized by the Company up to the time of payment and that the Company is
      obligated to pay.
      (2) To pay or otherwise settle with the Insured Claimant the
      loss or damage provided for under this policy, together with any costs,
      attorneys' fees, and expenses incurred by the Insured Claimant that
      were authorized by the Company up to the time of payment and that the
      Company is obligated to pay.
      Upon the exercise by the Company of either of the options provided for
      in subsections (a)(1) or (b), the Company's obligations to the Insured
      under this policy for the claimed loss or damage, other than the
      payments required to be made, shall terminate, including any liability or
      obligation to defend, prosecute, or continue any litigation.

8. DETERMINATION AND EXTENT OF LIABILITY:
This policy is a contract of indemnity against actual monetary loss or
damage sustained or incurred by the Insured Claimant who has
suffered loss or damage by reason of matters insured against by this
policy.
(a) The extent of liability of the Company for loss or damage
under this policy shall not exceed the lesser of
(1) the Amount of Insurance; or
(2) the difference between the value of the Title as insured
and the value of the Title subject to the risk insured against by this
policy.
(b) If the Company pursues its rights under Section 5 of these
Conditions and is unsuccessful in establishing the Title, as insured,
the Amount of Insurance shall be increased by 10%, and
the Insured Claimant shall have the right to have the loss
or damage determined either as of the date the claim was made by the
Insured Claimant or as of the date it is settled and paid.
(c) In addition to the extent of liability under (a) and (b), the
Company will also pay those costs, attorneys' fees, and expenses
incurred in accordance with Sections 5 and 7 of these Conditions.

9. LIMITATION OF LIABILITY:
(a) If the Company establishes the Title, or removes the alleged
defect, lien, or encumbrance, or cures the lack of a right of access to or
from the Land, or cures the claim of Unmarketable Title, all as insured,
in a reasonably diligent manner by any method, including litigation and
the completion of any appeals, it shall have fully performed its
obligations with respect to that matter and shall not be liable for any loss
or damage caused to the Insured.
(b) In the event of any litigation, including litigation by the
Company or with the Company's consent, the Company shall have no
liability for loss or damage until there has been a final determination by
a court of competent jurisdiction, and disposition of all appeals, adverse
to the Title, as insured.

The Company shall not be liable for loss or damage to the
Insured for liability voluntarily assumed by the Insured in settling any
claim or suit without the prior written consent of the Company.

10. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION
OF LIABILITY:
All payments under this policy, except payments made for costs,
atorneys' fees, and expenses, shall reduce the Amount of Insurance by
the amount of the payment.

11. LIABILITY NONCUMULATIVE:
The Amount of Insurance shall be reduced by any amount the Company
pays under any policy insuring a Mortgage to which exception is taken
in Schedule B or to which the Insured has agreed, assumed, or taken
subject, or which is executed by an Insured after Date of Policy and
which is a charge or lien on the Title, and the amount so paid shall be
deemed a payment to the Insured under this policy.

12. PAYMENT OF LOSS:
When liability and the extent of loss or damage have been definitively
fixed in accordance with these Conditions, the payment shall be made
within 30 days.

13. RIGHTS OF RECOVERY UPON PAYMENT OR SETTLEMENT:
(a) Whenever the Company shall have settled and paid a claim
under this policy, it shall be subrogated and entitled to the rights of
the Insured Claimant in the Title and all other rights and remedies in
respect to the claim that the Insured Claimant has against any person or
property, to the extent of the amount of any loss, costs, attorneys' fees,
and expenses paid by the Company. If requested by the Company, the
Insured Claimant shall execute documents to evidence the transfer to
the Company of these rights and remedies. The Insured Claimant shall
permit the Company to sue, compromise, or settle in the name of the
Insured Claimant and to use the name of the Insured Claimant in any
transaction or litigation involving these rights and remedies.

If a payment on account of a claim does not fully cover the loss of
the Insured Claimant, the Company shall defer the exercise of its right
to recover until after the Insured Claimant shall have recovered its loss.
(b) The Company's right of subrogation includes the rights of the
Insured to indemnities, guarantees, other policies of insurance, or bonds,
notwithstanding any terms or conditions contained in those instruments
that address subrogation rights.

14. ARBITRATION:
Either the Company or the Insured may demand that the claim or
controversy shall be submitted to arbitration pursuant to the Title
Insurance Arbitration Rules of the American Land Title Association
("Rules"). Except as provided in the Rules, there shall be no juries or
consolidation with claims or controversies of other persons. Arbitrable
matters may include, but are not limited to, any controversy or claim
between the Company and the Insured arising out of or relating to
this policy, any service in connection with its issuance or the breach of a
policy provision, or to any other controversy or claim arising out of the
transaction giving rise to this policy. All arbitrable matters when the
Amount of Insurance is $2,000,000 or less shall be arbitrated at the
option of either the Company or the Insured. All arbitrable matters when
the Amount of Insurance is in excess of $2,000,000 shall be arbitrated
only when agreed to by both the Company and the Insured. Arbitration
pursuant to this policy and under the Rules shall be binding upon the
parties. Judgment upon the award rendered by the Arbitrator(s) may be
entered in any court of competent jurisdiction.

15. LIABILITY LIMITED TO THIS POLICY; POLICY ENTIRE
CONTRACT:
(a) This policy together with all endorsements, if any, attached to
it by the Company is the entire policy and contract between the Insured
and the Company. In interpreting any provision of this policy, this
policy shall be construed as a whole.
(b) Any claim of loss or damage that arises out of the status of
the Title or by any action asserting such claim shall be restricted to this
policy.
(c) Any amendment or endorsement to this policy must be in
writing and authenticated by an authorized person, or expressly
incorporated by Schedule A of this policy.
(d) Each endorsement to this policy issued at any time is a
part of this policy and is subject to all of its terms and provisions.
Except as the endorsement expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsement, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance.

8. SEVERABILITY
In the event any provision of this policy, in whole or in part, is held invalid or unenforceable under applicable law, the policy shall be deemed not to include that provision or such part held to be invalid, but all other provisions shall remain in full force and effect.

17. CHOICE OF LAW; FORUM
(a) Choice of Law: The Insured acknowledges the Company has underwritten the risks covered by this policy and determined the premium charged therefor in reliance upon the law affecting interests in real property and applicable to the interpretation, rights, remedies, or enforcement of policies of title insurance of the jurisdiction where the Land is located.

Therefore, the court or an arbitrator shall apply the law of the jurisdiction where the Land is located to determine the validity of claims against the Title that are adverse to the Insured and to interpret and enforce the terms of this policy. In neither case shall the court or arbitrator apply its conflicts of law principles to determine the applicable law.

(b) Choice of Forum: Any litigation or other proceeding brought by the Insured against the Company must be filed only in a state or federal court within the United States of America or its territories having appropriate jurisdiction.

1. As used in this endorsement, these terms shall mean the following:
   a. "Evicted" or "Eviction": (a) the lawful deprivation, in whole or in part, of the right of possession insured by this policy, contrary to the terms of the Lease or (b) the lawful prevention of the use of the Land or the Tenant Leasehold Improvements for the purposes permitted by the Lease, in either case as a result of a matter covered by this policy.
   b. "Lease": the lease agreement described in Schedule A.
   c. "Leasehold Estate": the right of possession for the Lease Term.
   d. "Lease Term": the duration of the Leasehold Estate, including any renewal or extended term if a valid option to renew or extend is contained in the Lease.
   e. "Personal Property": chattels located on the Land and property which, because of their character and manner of affixation to the Land, can be severed from the Land without causing appreciable damage to themselves or to the Land to which they are affixed.
   f. "Remaining Lease Term": the portion of the Lease Term remaining after the Insured has been Evicted as a result of a matter covered by this policy.
   g. "Tenant Leasehold Improvements": Those Improvements, including landscaping, required or permitted to be built on the Land by the Lessee that have been built at the Insured's expense or in which the Insured has an interest greater than the right to possession during the Lease Term.

2. Valuation of Estate or Interest Insured

If in computing loss or damage it becomes necessary to value the Title as the result of a covered matter that results in an Eviction of the Tenant, then that value shall consist of the value for the Remaining Lease Term of the Leasehold Estate and any Tenant Leasehold Improvements existing on the date of the Eviction. The Insured Claimant shall have the right to have the Leasehold Estate and the Tenant Leasehold Improvements valued either as a whole or separately. In either event, this determination of value shall take into account rent no longer required to be paid for the Remaining Lease Term.

3. Additional items of loss covered by this endorsement

If the Insured is Evicted, the following items of loss, if applicable, shall be included in computing loss or damage incurred by the Insured, but not to the extent that the same are included in the valuation of the Title.
   a. The reasonable cost of removing and relocating any Personal Property that the Insured has the right to remove and relocate, situated on the Land at the time of Eviction, the cost of transportation of that Personal Property for the initial one hundred miles incurred in connection with the relocation, and the reasonable cost of repairing the Personal Property damaged by reason of the removal and relocation.
   b. Rent or damages for use and occupancy of the Land prior to the Eviction that the Insured as owner of the Leasehold Estate may be obligated to pay to any person having paramount title to that of the lessor in the Lease.
c. The amount of rent that, by the terms of the Lease, the Insured must continue to pay to the lessor after Eviction with respect to the portion of the Leasehold Estate and Tenant Leasehold Improvements from which the Insured has been Evicted.

d. The fair market value, at the time of the Eviction, of the estate or interest of the Insured in any lease or sublease made by Tenant as lessor of all or part of the Leasehold Estate or the Tenant Leasehold Improvements.

e. Damages that the Insured is obligated to pay to lessees or sublessees on account of the breach of any lease or sublease made by the Tenant as lessor of all or part of the Leasehold Estate or the Tenant Leasehold Improvements caused by the Eviction.

f. Reasonable costs incurred by the Insured to secure a replacement leasehold equivalent to the Leasehold Estate.

g. If Tenant Leasehold Improvements are not substantially completed at the time of Eviction, the actual cost incurred by the Insured, less the salvage value, for the Tenant Leasehold Improvements up to the time of Eviction. Those costs include costs incurred to obtain land use, zoning, building and occupancy permits, architectural and engineering fees, construction management fees, costs of environmental testing and reviews, and landscaping costs.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements to it.

5. Any lien on the Title for real estate taxes or assessments imposed by governmental authority and created or attaching between Date of Policy and the date of recording of the deed or other instrument of transfer in the Public Records that vests Title as shown in Schedule A.
1. DEFINITION OF TERMS
The following terms when used in this policy mean:

(a) "Amount of Insurance": The amount stated in Schedule A, as may be increased or decreased by endorsement to this policy, increased by Section 8(b), or decreased by Sections 10 and 11 of these Conditions.

(b) "Date of Policy": The date designated as "Date of Policy" in Schedule A.

(c) "Entity": A corporation, partnership, trust, limited liability company, or other similar legal entity.

(d) "Insured": The Insured named in Schedule A.

(i) The term "Insured" also includes

(C) successors to an Insured by its conversion to another kind of Entity;
(D) a grantee of an Insured under a deed delivered without payment of actual valuable consideration conveying the Title
(1) if the stock, shares, memberships, or other equity interests of the grantee are wholly-owned by the named Insured,
(2) if the grantee wholly owns the named Insured,
(3) if the grantee is wholly-owned by an affiliated Entity of the named Insured, provided the affiliated Entity and the named Insured are both wholly-owned by the same person or Entity, or
(4) if the grantee is a trustee or beneficiary of a trust created by a written instrument established by the Insured named in Schedule A for estate planning purposes.

(ii) With regard to (A), (B), (C), and (D) reserving, however, all rights and defenses as to any successor that the Company would have had against any predecessor Insured.

The term "Land" does not include any property beyond the lines of the area described in Schedule A, nor any right, title, interest, estate, or easement in abutting streets, roads, avenues, alleys, lanes, ways, or waterways, but this does not modify or limit the extent that a right of access to and from the Land is insured by this policy.

(i) "Public Records": Records established under state statutes at Date of Policy for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without Knowledge. With respect to Covered Risk 5(d), "Public Records" shall also include environmental protection liens filed in the records of the clerk of the United States District Court for the district where the Land is located.

(j) "Title": The estate or interest described in Schedule A.

(k) "Unmarketable Title": Title affected by an alleged or apparent matter that would permit a prospective purchaser or lessee of the Title or lender on the Title to be released from the obligation to purchase, lease, or lend if there is a contractual condition requiring the delivery of marketable title.

2. CONTINUATION OF INSURANCE
The coverage of this policy shall continue in force as of Date of Policy in favor of an Insured, but only so long as the Insured retains an estate or interest in the Land, or holds an obligation secured by a purchase money Mortgage given by a purchaser from the Insured, or only so long as the Insured shall have liability by reason of warranties in any transfer or conveyance of the Title. This policy shall not continue in force in favor of any purchaser from the Insured of either (i) an estate or interest in the Land, or (ii) an obligation secured by a purchase money Mortgage given to the Insured.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT
The Insured shall notify the Company promptly in writing (i) in case of any litigation as set forth in Section 5(a) of these Conditions, (ii) in case Knowledge shall come to an Insured hereunder of any claim of title or interest that is adverse to the Title, as insured, and that might cause loss or damage for which the Company may be liable by virtue of this policy, or (iii) if the Title, as insured, is rejected as Unmarketable Title. If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under the policy shall be reduced to the extent of the prejudice.

4. PROOF OF LOSS
In the event the Company is unable to determine the amount of loss or damage, the Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, or other matter insured against by this policy that constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage.

5. DEFENSE AND PROSECUTION OF ACTIONS
(a) Upon written request by the Insured, and subject to the options contained in Section 7 of these Conditions, the Company, at its own cost and without unreasonable delay, shall provide for the defense of an Insured in litigation in which any third party asserts a claim covered by this policy adverse to the Insured. This obligation is limited to only those stated causes of action alleging matters insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of the Insured to object for reasonable cause) to represent the Insured as to those stated causes of action. It shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs, or expenses incurred by the Insured in the defense of those causes of action that allege matters not insured against by this policy.
(b) The Company shall have the right, in addition to the options contained in Section 7 of these Conditions, at its own cost, to institute and prosecute any action or proceeding or to do any other act that in its opinion may be necessary or desirable to establish the Title, as insured, or to prevent or reduce loss or damage to the Insured. The Company may take any appropriate action under the terms of this policy, whether or not it shall be liable to the Insured. The exercise of these rights shall not be an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under this subsection, it must do so diligently.

(c) Whenever the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court of competent jurisdiction, and it expressly reserves the right, in its sole discretion, to appeal any adverse judgment or order.

6. DUTY OF INSURED CLAIMANT TO COOPERATE

(a) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding and any appeals, the Insured shall secure to the Company the right to so prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose. Whenever requested by the Company, the Insured, at the Company's expense, shall give the Company all reasonable aid (i) in securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act in that the opinion of the Company may be necessary or desirable to establish the Title or any other matter as insured. If the Company is prejudiced by the failure of the Insured to furnish the required cooperation, the Company's obligations to the Insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such cooperation.

(b) The Company may reasonably require the Insured Claimant to submit to examination under oath by any authorized representative of the Company and to produce for examination, inspection, and copying, at such reasonable times and places as may be designated by the authorized representative of the Company, all records, in whatever medium maintained, including books, ledgers, checks, memoranda, correspondence, reports, e-mails, disks, tapes, and videos whether bearing a date before or after Date of Policy, that reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect, and copy all of these records in the custody or control of a third party that reasonably pertain to the loss or damage. All information designated as confidential by the Insured Claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in this subsection, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In case of a claim under this policy, the Company shall have the following additional options:

(a) To Pay or Tender Payment of the Amount of Insurance.
   To pay or tender payment of the Amount of Insurance under this policy together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment or tender of payment and that the Company is obligated to pay. Upon the exercise by the Company of this option, all liability and obligations of the Company to the Insured under this policy, other than to make the payment required in this subsection, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.

(b) To Pay or Otherwise Settle With Parties Other Than the Insured or With the Insured Claimant.

(i) To pay or otherwise settle with other parties for or in the name of an Insured Claimant any claim insured against under this policy. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay; or

(ii) To pay or otherwise settle with the Insured Claimant the loss or damage provided for under this policy, together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay. Upon the exercise by the Company of either of the options provided for in subsections (b)(i) or (ii), the Company's obligations to the Insured under this policy for the claimed loss or damage, other than the payments required to be made, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.

8. DETERMINATION AND EXTENT OF LIABILITY

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy.

(a) The extent of liability of the Company for loss or damage under this policy shall not exceed the lesser of
   (i) the Amount of Insurance; or
   (ii) the difference between the value of the Title as insured and the value of the Title subject to the risk insured against by this policy.

(b) If the Company pursues its rights under Section 5 of these Conditions and is unsuccessful in establishing the Title, as insured,
   (i) the Amount of Insurance shall be increased by 10%, and
   (ii) the Insured Claimant shall have the right to have the loss or damage determined either as of the date the claim was made by the Insured Claimant or as of the date it is settled and paid.

(c) In addition to the extent of liability under (a) and (b), the Company will also pay those costs, attorneys' fees, and expenses incurred in accordance with Sections 5 and 7 of these Conditions.

9. LIMITATION OF LIABILITY

(a) If the Company establishes the Title, or removes the alleged defect, lien, or encumbrance, or cures the lack of a right of access to or from the Land, or cures the claim of
CONDITIONS (Continued)

Unmarketable Title, all as insured, in a reasonably diligent manner by any method, including litigation and the completion of any appeals, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused to the Insured.

(b) In the event of any litigation, including litigation by the Company or with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals, adverse to the Title, as insured.

(c) The Company shall not be liable for loss or damage to the Insured for liability voluntarily assumed by the Insured in settling any claim or suit without the prior written consent of the Company.

10. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY

All payments under this policy, except payments made for costs, attorneys' fees, and expenses, shall reduce the Amount of Insurance by the amount of the payment.

11. LIABILITY NONCUMULATIVE

The Amount of Insurance shall be reduced by any amount the Company pays under any policy insuring a Mortgage to which exception is taken in Schedule B or to which the Insured has agreed, assumed, or taken subject, or which is executed by an Insured after Date of Policy and which is a charge or lien on the Title, and the amount so paid shall be deemed a payment to the Insured under this policy.

12. PAYMENT OF LOSS

When liability and the extent of loss or damage have been definitely fixed in accordance with these Conditions, the payment shall be made within 30 days.

13. RIGHTS OF RECOVERY UPON PAYMENT OR SETTLEMENT

(a) Whenever the Company shall have settled and paid a claim under this policy, it shall be subrogated and entitled to the rights of the Insured Claimant in the Title and all other rights and remedies in respect to the claim that the Insured Claimant has against any person or property, to the extent of the amount of any loss, costs, attorneys' fees, and expenses paid by the Company. If requested by the Company, the Insured Claimant shall execute documents to evidence the transfer to the Company of these rights and remedies. The Insured Claimant shall permit the Company to sue, compromise, or settle in the name of the Insured Claimant and to use the name of the Insured Claimant in any transaction or litigation involving these rights and remedies. If a payment on account of a claim does not fully cover the loss of the Insured Claimant, the Company shall defer the exercise of its right to recover until after the Insured Claimant shall have recovered its loss.

(b) The Company's right of subrogation includes the rights of the Insured to indemnities, guarantees, other policies of insurance, or bonds, notwithstanding any terms or conditions contained in those instruments that address subrogation rights.

14. ARBITRATION

Either the Company or the Insured may demand that the claim or controversy shall be submitted to arbitration pursuant to the Title Insurance Arbitration Rules of the American Land Title Association ("Rules"). Except as provided in the Rules, there shall be no joinder or consolidation with claims or controversies of other persons. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Insured arising out of or relating to this policy, any service in connection with its issuance or the breach of a policy provision, or to any other controversy or claim arising out of the transaction giving rise to this policy. All arbitrable matters when the Amount of Insurance is $2,000,000 or less shall be arbitrated at the option of either the Company or the Insured. All arbitrable matters when the Amount of Insurance is in excess of $2,000,000 shall be arbitrated only when agreed to by both the Company and the Insured. Arbitration pursuant to this policy and under the Rules shall be binding upon the parties. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court of competent jurisdiction.

15. LIABILITY LIMITED TO THIS POLICY; POLICY ENTIRE CONTRACT

(a) This policy together with all endorsements, if any, attached to it by the Company is the entire policy and contract between the Insured and the Company. In interpreting any provision of this policy, this policy shall be construed as a whole.

(b) Any claim of loss or damage that arises out of the status of the Title or by any action asserting such claim shall be restricted to this policy.

(c) Any amendment of or endorsement to this policy must be in writing and authenticated by an authorized person, or expressly incorporated by Schedule A of this policy.

(d) Each endorsement to this policy issued at any time is a part of this policy and is subject to all of its terms and provisions. Except as the endorsement expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsement, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance.

16. SEVERABILITY

In the event any provision of this policy, in whole or in part, is held invalid or unenforceable under applicable law, the policy shall be deemed not to include that provision or such part held to be invalid, but all other provisions shall remain in full force and effect.

17. CHOICE OF LAW; FORUM

(a) Choice of Law. The Insured acknowledges the Company has underwritten the risks covered by this policy and determined the premium charged therefor in reliance upon the law affecting interests in real property and applicable to the interpretation, rights, remedies, or enforcement of policies of title insurance of the jurisdiction where the Land is located. Therefore, the court or an arbitrator shall apply the law of the jurisdiction where the Land is located to determine the validity of claims against the Title that are adverse to the Insured and to interpret and enforce the terms of this policy. In neither case shall the court or arbitrator apply its conflicts of law principles to determine the applicable law.

(b) Choice of Forum: Any litigation or other proceeding brought by the Insured against the Company must be filed only in a state or federal court within the United States of America or its territories having appropriate jurisdiction.

Rationale

Standard & Poor's Ratings Services assigned its 'AA-' long-term rating to Pima County, Ariz.'s series 2013A general obligation (GO) bonds and series 2013B GO refunding bonds. At the same time, we reaffirmed our 'AA-' long-term and underlying ratings (SPUR) on the county's previously issued GO debt. Additionally, we assigned our 'A+' long-term rating to the county's series 2013A certificates of participation (COPs) and series 2013B COP refunding notes. Finally, Standard & Poor's affirmed its 'A+' long-term rating and SPUR on the county's previously issued COPs. The outlook on all ratings is stable.

The ratings reflect our view of the county's:

- Deep and diverse local economic base, anchored by Tucson's role as a regional employment, education, and service center for southern Arizona;
- Strong financial management policies and practices; and
- Low overall debt levels.

Partly offsetting the above strengths, in our view, are the county's:

- Projections of decreasing secondary assessed value (AV) because of a softened real estate market;
- Continued financial support of its public hospital under an operating agreement, which we believe could result in unforeseen financial burden on the general fund;
- Projected general fund drawdowns in the upcoming year to offset revenue declines.

Revenue from an unlimited ad valorem property tax pledge secures the county's GO bonds. We understand that the series 2013A GO bond proceeds will fund certain county capital projects, and that the series 2013B GO refunding bond proceeds will refund its series 2004 and 2005 bonds.

The lease revenue bonds represent an interest in lease payments by the county, as lessee, to US Bank N. A., as lessor,
for use of various leased property, which includes the public works building, the legal services building, a parking garage, and certain adult detention facilities. In practice, the county will use available cash reserves from its wastewater fund to meet a significant amount of the COP lease payments. Therefore, the COPs will have a rapid amortization schedule and a final maturity of June 2023.

Pima County encompasses 9,184 square miles of southern Arizona and had a 2012 estimated population of approximately 1 million, of which nearly half resided in Tucson. A stable yet growing local economy, coupled with favorable weather, good educational opportunities, and affordable housing, has continued to draw new residents. The county's population had grown steadily during the mid-2000's, with average annual increases of over 2%. However, similar to national trends, this growth has slowed during the late 2000's. Services, government, and the military remain the primary employment sectors. The University of Arizona (10,681) and Raytheon Missile Systems (10,500) are the two leading employers in the county, followed by the state government, Davis-Monthan Air Force Base, and Wal-Mart stores. Tourism, particularly in the Tucson area, is another major economic driver, and visitors are attracted to the area's climate, nature areas, conventions, baseball spring training, and golf. Total tourist expenditure exceeded $1.37 billion in 2011, a slight increase from the prior year. The county's unemployment rate has remained flat since last year, measuring 7.3% for fiscal 2013 compared with the national average of 8.5%. Incomes are, in our view, good, with median household and per-capita effective buying income measuring 93% and 97% of the national levels, respectively.

Although secondary AV has declined since fiscal 2011 as a result of the recent national decline in the housing market, historically, construction activity -- particularly in the residential sector -- has supported the county's property tax base growth. Secondary AV had increased at a 12% average annual rate during fiscal years 2005 through 2010 to $9.9 billion. Arizona's AV tax roll exhibits a two-year lag from market trends, and as such, secondary AV declined by 5.3% for fiscal 2011, followed by a decline of 9.6% for fiscal 2012 to $8.5 billion. Fiscal 2013, saw the third consecutive decline in property values as secondary AV declined by an additional 3.3%. Full property valuation for fiscal 2013 totals $67.4 billion, or $65,507 per capita, which we consider strong. The tax base is, in our view, diverse, with the 10 largest taxpayers accounting for 7.4% of secondary AV. The county projects secondary AV to decline by approximately 6.7% for fiscal 2014.

Finances and debt
Based on audited fiscal 2012 results, Pima County had an approximately $33 million general fund surplus, but as a result of transfers out of the general fund, it closed the year with a net surplus of $3.2 million to its ending fund balance. General fund expenditures of $445.8 million were higher by about 3.9%, mainly as result of public safety and general government expenditure increases. Revenues were also higher by 1.2% to $479 million, helped by a slight increase in intergovernmental revenue stemming from state-shared vehicle license and sales tax revenue, which helped more than offset property tax revenue declines. During the year, the county had net transfers out of approximately $31.5 million from the general fund to support other county funds (such as capital projects, debt service, and health services), a practice in place for the past few years. The county closed fiscal 2012 with an available fund balance (assigned and unassigned) of approximately $77.8 million, or 18.1% of expenditures, which we consider very strong.

General fund revenue is primarily generated from property tax revenues (64%), followed by intergovernmental revenues (26%). Pima County projects closing fiscal 2013 with nearly a $30 million drawdown on the general fund
reserves, as it projects ending the year with revenues over expenditures of just over $1 million (0.2% of expenditures), the smallest operational surplus of the past several years. The results stem from lower property tax and charges for service revenues. The county is projecting to transfer roughly $30 million out of the general (to other funds just like prior years), and to close the year with an ending fund balance of nearly $50 million, or 10.9% of expenditures, which we consider strong. The county anticipates that its unreserved general fund balance will stay at or exceed its aimed policy of 5% of expenditures, which would be about $22.5 million (in fiscal 2013).

For fiscal 2014, county management (although the county has not yet compiled its formal budget), has expressed to us that they will propose to increase the primary tax rate to help mitigate declines in property tax revenues. Should the tax increase be denied, the county has express to us that they will make necessary expenditure reductions to balance the budget. During fiscal 2012, the administrative duties of the county to oversee the state's health care program, the Arizona Health Care Cost Containment System, were not renewed with the state and have thus been contracted with a private party instead. The county projects that, since it has met certain required obligations, nearly $18.5 of the county health care fund's (Pima Health System & Services) available fund balance will be transferred to the county's general fund during fiscal 2014. Although the county had previously (in 2012) expressed that those fund would be transferred to the county during 2013, the county has expressed to us that the state did not issue a release approval to the county until this current fiscal year. If those funds are to be transferred to the general fund in the next fiscal year, the county will likely end fiscal 2014 with nearly the same ending fund balance as in fiscal 2013, should the tax rate not be increased for fiscal 2014. We expect that, if the county can raise its tax rate for fiscal 2014, by itself, will lead to an operational surplus and ultimately grow reserves by the end of next year. However, together, the transfer from the Pima Health System & Services and an increase in the tax rate will help to reduce the operational deficit and boost reserves.

Pima County has entered into a 25-year lease, effective June 2004, with University Physicians Healthcare (UPH), a nonprofit organization absorbed by the Arizona Board of Regents, under the program of the University of Arizona School of Medicine. Under this agreement, UPH (though now, University of Arizona Health Net) assumes full responsibility for the operations of Kino Community Hospital, while the county pays the Board of Regents an annual service fee if operating costs exceed revenue that program generates at the hospital. We understand the county provided $15 million to the regents in fiscal 2012. Although we believe this agreement creates moderate financial uncertainty, the county projects that the payments will be less than the negotiated amount. The county is budgeting to provide $15 million in fiscal 2013 while paying the $25 million paid in 2011.

We consider Pima County's management practices "strong" under our Financial Management Assessment methodology, indicating practices are strong, well embedded, and likely sustainable.

Overall net debt levels are low, in our view, at $1,198 per capita and 1.9% of market value. We consider amortization of the county's direct GO and COP debt rapid, with approximately 75% of principal maturing over 10 years and 100% over 20. Thus, the county's carrying charge is what we consider moderate, at 13.6% of governmental expenditures. We understand that the county plans to issue additional enterprise and appropriation debt within the next few years. The county contributes to the Arizona State Retirement System, the Corrections Officer Retirement Plan, and the Public Safety Personnel Retirement System. The county does not offer other postemployment benefits (OPEBs) to employees.
and reports that it lacks an unfunded liability associated with OPEBs.

Outlook

The stable outlook reflects our anticipation that Pima County will properly manage its financial operations during the next two years based on further potential reductions in revenue. We do anticipate that it might reduce its general fund reserves during the next year, but we do not anticipate the reduction to be substantial as it is projecting to receive funds from the closing of the Pima Health System & Services for fiscal 2014. We believe that the county will likely be able to bring expenditures in line with revenues over the next two years. If the county can’t appropriately balance its budget and becomes heavily reliant on its reserves, we could lower the rating. Otherwise, we don’t expect to change the rating over our two-year outlook horizon.

Mr. Thomas Burke  
Finance & Risk Management Director  
Pima County  
130 West Congress, 10th Floor  
Tucson, AZ 85701

Dear Mr. Burke:

Fitch Ratings has assigned one or more ratings and/or otherwise taken rating action(s), as detailed in the attached Notice of Rating Action.

In issuing and maintaining its ratings, Fitch relies on factual information it receives from issuers and underwriters and from other sources Fitch believes to be credible. Fitch conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security or in a given jurisdiction.

The manner of Fitch’s factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in the jurisdiction in which the rated security is offered and sold and/or the issuer is located, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of Fitch's ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information Fitch relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to Fitch and to the market in offering documents and other reports. In issuing its ratings Fitch must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

Fitch seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that Fitch is continuously evaluating and updating. Therefore, ratings are the collective work product of Fitch and no individual, or group of individuals, is solely responsible for a rating. All Fitch reports have shared authorship. Individuals identified in a Fitch report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. Fitch is not your advisor, nor is Fitch providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services.
The assignment of a rating by Fitch does not constitute consent by Fitch to the use of its name as an expert in connection with any registration statement or other filings under US, UK or any other relevant securities laws. Fitch does not consent to the inclusion of its ratings nor this letter communicating our rating action in any offering document.

It is important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason Fitch deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between Fitch and you or between us and any user of the ratings.

In this letter, “Fitch” means Fitch, Inc. and Fitch Ratings Ltd and any subsidiary of either of them together with any successor in interest to any such person.

We are pleased to have had the opportunity to be of service to you. If we can be of further assistance, please feel free to contact us at any time.

OFFICIAL STATEMENT

NEW ISSUE - BOOK-ENTRY-ONLY

RATINGS: See “Ratings” herein

In the opinion of Squire Sanders (US) LLP, Special Counsel, under existing law (i) assuming continuing compliance with certain covenants and the accuracy of certain representations, the portion of the Lease Payments paid and denominated as interest under the Lease and received by the owners of the related 2013 Certificates (the “Interest Portion”) is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, and (ii) the Interest Portion is exempt from Arizona state income tax. Special Counsel expresses no opinion as to the treatment for federal income tax purposes or Arizona state income tax purposes of amounts paid to the owners of the 2013 Certificates in the event of termination of the Lease by nonappropriation. The Interest Portion may be subject to certain federal taxes imposed only on certain corporations, including the corporate alternative minimum tax on a portion of the Interest Portion. For a more complete discussion of tax aspects, see “TAX MATTERS” herein.

PIIMA COUNTY, ARIZONA

$80,175,000 CERTIFICATES OF PARTICIPATION, SERIES 2013A
Evidencing a Proportionate Interest of Owners thereof in Lease Payments to be Made by
PIIMA COUNTY, ARIZONA, As Lessee

Dated: Date of Initial Delivery

The securities being offered hereby consist of Certificates of Participation, Series 2013A (the “2013A Certificates”) and Refunding Certificates of Participation, Series 2013B (the “2013B Certificates”) and, together with the 2013A Certificates, the “2013 Certificates”) in a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009, a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, and a Third Amendment to Lease-Purchase Agreement, to be dated as of May 1, 2013 (the original as so amended and subsequently amended, the “Lease”), between U.S. Bank National Association, as trustee under the below-described Trust Agreement, as lessor (the “Trustee”), and Pima County, Arizona, as lessee (the “County”). The property being leased by the Trustee to the County consists of certain interests in the major portion of the public works building of the County, the legal services building of the County, a parking garage of the County, and certain adult detention (juv) facilities of the County (collectively, the “Leased Property”). See “PLAN OF FINANCE - The Leased Property” herein. The 2013 Certificates are being executed and delivered under a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, and a Third Supplement to Trust Agreement, to be dated as of May 1, 2013 (the original as so supplemented and as subsequently supplemented, the “Trust Agreement”), between the Trustee and the County. Initially, the 2013 Certificates will be registered in the name of Cede & Co., as nominee for Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the 2013 Certificates. Purchases of beneficial interests in the 2013 Certificates will be made in book-entry-only form in amounts of $5,000 of principal of a series maturing on a specified date or any integral multiple thereof. Purchasers will not receive certificates representing the ownership interest in the 2013 Certificates purchased by them. See Appendix G - “BOOK-ENTRY-ONLY SYSTEM.”

Interest represented by the 2013 Certificates will accrue from the most recent date to which interest has been paid or duly provided for, if no interest has been paid or duly provided for, from their date and will be payable semianually on June 1 and December 1 of each year, commencing December 1, 2013, until maturity or prior redemption, and principal with respect to the 2013 Certificates will be payable annually in accordance with the schedule set forth on the inside front cover. So long as the 2013 Certificates are registered in the name of DTC, or its nominee, payments of the principal and interest with respect to the 2013 Certificates will be made directly by the Trustee to DTC which, in turn, is obligated to remit such payments to its participants for subsequent distribution to beneficial owners of the 2013 Certificates, as described herein. The 2013 Certificates will not be subject to optional redemption, but will be subject to extraordinary redemption prior to maturity as more fully described herein. See “THE 2013 CERTIFICATES - Redemption Provisions” herein.

The 2013 Certificates are being executed and delivered to (i) refinance the acquisition by the Trustee of the Leased Property from the County, (ii) refund the Certificates to be Refunded (as defined herein), and (iii) pay costs associated with the execution and delivery of the 2013 Certificates. See “PLAN OF FINANCE” herein.

The 2013 Certificates, together with $16,225,000 outstanding principal amount of Certificates of Participation, Series 2010 and any Additional Certificates (defined herein) executed and delivered pursuant to the Trust Agreement (collectively, the “Certificates”), will evidence and represent undivided and proportionate interests of the registered Owners thereof in semiannual lease payments (the “Lease Payments”) to be made by the County pursuant to the Lease. The obligations of the County under the Lease will be payable exclusively from annually appropriated funds and will not be a general obligation or indebtedness of the County for any purpose. The obligation of the County to make payments under the Lease will be subject to termination as of the last day of each fiscal year, at the option of the County. If so terminated and not reinstated as provided in the Lease, the County shall thereafter be relieved of any subsequent obligation under the Lease other than to surrender possession of the Leased Property to the Trustee. Upon such termination, there will be no assurance of payment of the principal or interest represented by the Certificates, including the 2013 Certificates, from funds available under the Trust Agreement as a result of the Trustee’s re-leasing of the Leased Property. See “SOURCES OF PAYMENT OF THE CERTIFICATES” and “SECURITY FOR THE CERTIFICATES” herein.

The Certificates will be payable solely from the Lease Payments to be made by the County from the sources identified above and from funds available under the Trust Agreement. The obligation of the County to make the Lease Payments will not be secured by a pledge of any funds, will not constitute an obligation of the County for which the County is obligated to levy or pledge any form of taxation nor constitute a general obligation of the County nor an indebtedness of the County, the State of Arizona or any of its political subdivisions within the meaning of any constitutional or statutory debt limitations.
