GROUND LEASE

THIS GROUND LEASE (this "Ground Lease"), dated as of June 1, 2008, by and between PIMA COUNTY, ARIZONA (the "County"), as lessor, and U.S. BANK NATIONAL ASSOCIATION, as trustee for the benefit of the registered owners of the Certificates (as defined herein) (the "Trustee"), as lessee;

WITNESSETH:

WHEREAS, the County owns the parcel of real property situated in Pima County, Arizona and described in Exhibit A and all improvements thereon existing at the time of execution of this Ground Lease (collectively, the "Public Works Parking Garage") and will lease the Public Works Parking Garage to the Trustee, pursuant to the authority in Section 11-256 of the Arizona Revised Statutes (the "Act"); and

WHEREAS, the Trustee will lease the Public Works Parking Garage from the County for the term specified herein; and

WHEREAS, as a means of financing certain improvements for the County, the Trustee will execute and deliver the Certificates of Participation, to be known as the "Certificates" evidencing proportionate ownership interests in the lease payments to be made by the County pursuant to a Lease-Purchase Agreement (as defined below); and

WHEREAS, simultaneously with the execution and delivery of this Ground Lease, the Trustee will execute the Trust Agreement, dated as of June 1, 2008 (the "Trust Agreement") with the County; and

WHEREAS, in order to effect such financing, it is necessary to set forth the terms and provisions to be in effect hereafter;

NOW, THEREFORE, in consideration of the above premises and of the mutual covenants hereinafter contained and for other good and valuable consideration, the parties hereto agree as follows:

Section 1. Term. The County hereby leases the Public Works Parking Garage to the Trustee and the Trustee hereby leases the Public Works Parking Garage from the County for the period commencing as of the date hereof and terminating on June 1, 2023, or such later date as the term of the Lease-Purchase Agreement identified in Section 2 below shall terminate. This Ground Lease shall be subject to earlier termination in accordance with Section 5 hereof.

Section 2. Simultaneous Lease-Back; No Merger. The County and the Trustee agree that simultaneously with and upon the execution of this Ground Lease, the parties shall enter into a Lease-Purchase Agreement, dated as of June 1, 2008 (the "Lease-Purchase Agreement"), pursuant to which the Trustee, as lessor, has agreed to lease the Public Works Parking Garage to the County, as lessee. The County acknowledges that, as provided in the Lease-Purchase Agreement, if an event of default or termination occurs under the Lease-Purchase Agreement without a concurrent

NUMBER 01111111

prepayment or termination of this Ground Lease as provided in Section 5 hereof, the Trustee shall have the right to enter upon and have the right to occupy the Public Works Parking Garage and to relet or otherwise dispose of its interest in the Public Works Parking Garage without affecting or terminating this Ground Lease.

It is intended by the parties hereto that no merger of the leasehold estates of the County shall occur by operation of law by reason of this Ground Lease and the Lease-Purchase Agreement, and more particularly that (1) the leasehold interest granted by the County to the Trustee under this Ground Lease is and shall be independent of the Lease-Purchase Agreement, (2) the Lease-Purchase Agreement shall not be an assignment or surrender of the leasehold interest granted to the Trustee under this Ground Lease, and (3) the Lease-Purchase Agreement shall not operate as a merger or extinguishment of the leasehold interest granted to the Trustee under this Ground Lease.

Section 3. Title to Property. Title to the Public Works Parking Garage shall at all times remain with the County, subject to the Lease-Purchase Agreement.

Section 4. Rent. The Trustee agrees to prepay its rental obligations hereunder to the County, from the proceeds of the Certificates, upon delivery of the Certificates, which consideration is agreed to represent fair market rental value for the Public Works Parking Garage, and is being paid to the County. The Trustee shall not be responsible for any additional payments hereunder, including any lease or real estate taxes levied with respect to this Ground Lease or the transactions contemplated hereby.

Section 5. Early Rights of Termination by County.

(a) The County shall have the right to terminate this Ground Lease upon written notice to the Trustee after prepayment of the Lease-Purchase Agreement in accordance with Section 10.3 thereof, or the exercise by the County of its option to purchase in accordance with Section 10.2 thereof, and, in either case, defeasance of the Trust Agreement in accordance with Article XIV thereof.

(b) If there is no Event of Default under the Lease-Purchase Agreement in existence at such time, this Ground Lease shall terminate, without any necessity of written notice or further action on the part of the County or the Trustee, on the same date occurring on or after June 1, 2011 that the Public Works Parking Garage is deemed to have been purchased by the County and is released and removed from the Lease-Purchase Agreement, in accordance with Section 10.2 thereof.

Section 6. Surrender. The Trustee agrees that upon the expiration or termination of this Ground Lease it will surrender to the County the Public Works Parking Garage. At the time of such surrender, the Public Works Parking Garage shall be free and clear of all liens and encumbrances resulting from any act or omission of the Trustee.

(c) If any provision of, or any covenants, obligation or agreement contained in, this Ground Lease is determined by a court to be invalid or unenforceable, that determination shall not affect any other provision, covenant, obligation or agreement, each of which shall be construed and enforced as if the invalid or unenforceable portion were not contained in this Ground Lease. That invalidity or unenforceability shall not affect any valid or enforceable application thereof, and each such provision, covenant, obligation or agreement shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

Section 14. Execution in Counterparts. This Ground Lease may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 15. Recording. The parties agree that this Ground Lease or a memorandum thereof is to be recorded in the records of Pima County, Arizona, and that this Ground Lease or a memorandum thereof may be re-recorded as necessary to correct the legal description of the Public Works Parking Garage due to replatting or otherwise.

NOW, THEREFORE, in consideration of the above premises and of the mutual covenants hereinafter contained and for other good and valuable consideration, the parties hereto agree as follows:

Section 1. Term. The County hereby leases the 2014 Leased Property to the Trustee and the Trustee hereby leases the 2014 Leased Property from the County for the period commencing as of the date hereof and terminating on February 1, 2039, or such later date as the term of the Lease-Purchase Agreement identified in Section 2 below shall terminate. This 2014 Ground Lease shall be subject to earlier termination in accordance with Section 5 hereof.

Section 2. Simultaneous Lease-Back; No Merger. The County and the Trustee agree that simultaneously with and upon the execution of this 2014 Ground Lease, the parties shall enter into a Fourth Amendment to Lease-Purchase Agreement, dated as of January 1, 2014, amending the Lease-Purchase Agreement, dated as of June 1, 2008, as previously amended (collectively, the "Lease-Purchase Agreement"), pursuant to which the Trustee, as lessor, will lease the 2014 Leased

Property to the County, as lessee. The County acknowledges that, as provided in the Lease-Purchase Agreement, if an event of default or termination occurs under the Lease-Purchase Agreement without a concurrent prepayment or termination of this 2014 Ground Lease as provided in Section 5 hereof, this 2014 Ground Lease will remain in effect and the Trustee shall have the right to enter upon and occupy the 2014 Leased Property and to relet or otherwise dispose of its leasehold interest in the 2014 Leased Property under this 2014 Ground Lease.

It is intended by the parties hereto that no merger of the leasehold estates of the County shall occur by operation of law by reason of this 2014 Ground Lease and the Lease-Purchase Agreement, and more particularly that (1) the leasehold interest granted by the County to the Trustee under this 2014 Ground Lease is and shall be independent of the Lease-Purchase Agreement, (2) the Lease-Purchase Agreement shall not be an assignment or surrender of the leasehold interest granted to the Trustee under this 2014 Ground Lease, and (3) the Lease-Purchase Agreement shall not operate as a merger or extinguishment of the leasehold interest granted to the Trustee under this 2014 Ground Lease.

Section 3. Title to Property. Title to the 2014 Leased Property shall at all times remain with the County, subject to this 2014 Ground Lease and the Lease-Purchase Agreement.

Section 4. Rent. The Trustee agrees to prepay its rental obligations hereunder to the County, from the proceeds of the Certificates, upon delivery of the Certificates, which consideration is agreed to represent fair market rental value for the 2014 Leased Property, and is being paid to the County. The Trustee shall not be responsible for any additional payments hereunder, including any lease or real estate taxes levied with respect to this 2014 Ground Lease or the transactions contemplated hereby.

Section 5. Early Rights of Termination by the County.

(a) (a) The County shall have the right to terminate this 2014 Ground Lease upon written notice to the Trustee if the County prepays the Lease-Purchase Agreement in accordance with Section 10.3 thereof, or exercises its option to purchase in accordance with Section 10.2 thereof, and, in either case, defeases the Trust Agreement in accordance with Article XIV thereof.

(b) If there is no Event of Default under the Lease-Purchase Agreement in existence at such time, this 2014 Ground Lease shall terminate, without any necessity of written notice or further action on the part of the County or the Trustee, on the same date occurring on or after February 1, 2039 that the 2014 Leased Property is deemed to have been purchased by the County and is released and/or removed from the Lease-Purchase Agreement, in accordance with Section 10.2 thereof.

Section 6. Surrender. The Trustee agrees that upon the expiration or termination of this 2014 Ground Lease, it will surrender to the County the 2014 Leased Property. At the time of such surrender, the 2014 Leased Property shall be free and clear of all liens and encumbrances resulting from any act or omission of the Trustee.

(b) This 2014 Ground Lease may not be modified, amended, altered or changed except in a writing approved and executed by both the County and the Trustee.

(c) If any provision of, or any covenants, obligation or agreement contained in, this 2014 Ground Lease is determined by a court to be invalid or unenforceable, that determination shall not affect any other provision, covenant, obligation or agreement, each of which shall be construed and enforced as if the invalid or unenforceable portion were not contained in this 2014 Ground Lease. That invalidity or unenforceability shall not affect any valid or enforceable application thereof, and each such provision, covenant, obligation or agreement shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

Section 12. Inspection, Audit and Production of Records. The Trustee agrees that all books, accounts, reports, files and other records relating to this 2014 Ground Lease shall be subject at all reasonable times to inspection and audits by the County for five years after completion of this 2014 Ground Lease, and that upon request by the County such records shall be produced at any of the County offices designated herein as the place at which notices to the County are to be given.

Section 13. Limited Obligation of Trustee. The County acknowledges that any and all obligations of the Trustee hereunder are nonrecourse and are limited to moneys received by the Trustee under the Lease-Purchase Agreement or through funds made available pursuant to the Trust Agreement.

Section 14. Execution in Counterparts. This 2014 Ground Lease may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 15. Recording. **ARTICLE IV
AGREEMENT TO LEASE-PURCHASE; TERMINATION OF THIS AGREEMENT;
LEASE PAYMENTS; TITLE TO THE LEASED PROPERTY**

Section 4.1 Lease-Purchase. The Lessor hereby leases the Leased Property to the Lessee, and the Lessee hereby leases the Leased Property from the Lessor, upon the terms and conditions set forth in this Lease-Purchase Agreement.

Section 4.2 Term of Agreement; Termination.

(a) The Term of this Lease-Purchase Agreement shall commence on the date hereof, and continue until the end of the Lessee's current fiscal period, and thereafter shall be deemed to automatically be extended by the Lessee for such additional fiscal periods as are necessary to complete the anticipated total Lease Term through and including June 1, 2011, unless terminated prior thereto as provided herein. If on June 1, 2011, the Trust Agreement shall not be discharged by its terms, then the Term of this Lease-Purchase Agreement shall be extended until the Trust Agreement shall be discharged by its terms. If prior to June 1, 2011, the Trust Agreement shall, to the extent permitted by law, be discharged by its terms, the Term of this Lease-Purchase Agreement shall thereupon end. Reference to the Term of this Lease-Purchase Agreement shall include the initial and any extended term hereunder.

(b) If the Lessee shall fail to obtain, on or before the third Business Day prior to the last date on which the Lessee is required or permitted to adopt its budget for a Fiscal Period, proper budgeting and final appropriation by the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the Fiscal Period for which such budgeting and appropriation are made, the Lessee will immediately notify the Trustee in writing of that fact. If on the last date on which the Lessee is required or permitted to adopt its budget for a Fiscal Period no such proper budgeting and final appropriation by the Lessee's Board of Supervisors shall have been made, all of the Lessee's right, title and interest in and future obligations under this Lease-Purchase Agreement and to all of the Leased Property shall terminate (subject to reinstatement as provided in subsection (c)), effective as of the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which sufficient funds were determined to be lawfully available and allocated and the Lessee shall be relieved of any subsequent obligation under this Lease-Purchase Agreement with respect thereto, other than to return the Lessor possession of all of the Leased Property as provided in this Lease-Purchase Agreement and to pay any accrued and unpaid obligations.

(c) If this Lease-Purchase Agreement terminates pursuant to subsection (b) and if within forty-five (45) days after such date of termination amounts described in subsection (b) are determined to be available which would have permitted this Lease-Purchase Agreement to have continued in effect with respect to the Leased Property if such amounts had been determined to be available prior to the termination date, then this Lease-Purchase Agreement shall be reinstated with respect thereto and deemed renewed as of the day following the date of such termination.

Section 4.3 Possession. The Lessee agrees to take immediate possession of the Leased Property. The Lessee agrees to surrender possession of all the Leased Property upon termination of this Lease-Purchase Agreement for any reason (i) on the day following the forty-five (45) day reinstatement period provided in Section 4.2(c) hereof or (ii) on the date set by the Lessor under Section 9.2(b) hereof. To the maximum extent permitted by law, the Lessee agrees to hold the Lessor harmless for, from and against any costs, loss or damage whatsoever arising from or occasioned by any removal of property due to such termination.

Section 4.4 Lease Payments; Additional Rent; Other Payments.

(a) **Obligation to Pay.** Subject to the provisions of Section 4.2 and Articles VI and X hereof, the Lessee agrees to pay to the Lessor, its successors and assigns, as rental for the use and occupancy of the Leased Property, the Lease Payments (denominated into components of principal and interest) in the respective amounts specified in Exhibit B, to be due and payable on the respective Lease Payment Dates specified in Exhibit B. Any amount held in the Lease Payment Fund on any Lease Payment Date (other than amounts resulting from the Prepayment of the Lease Payments in part but not in whole pursuant to Article X hereof, other than (i) amounts required for payment of past due principal or interest with respect to any Certificates not presented for payment and (ii) proceeds of the Certificate Insurance Policy, if any) shall be credited towards the Lease Payments then due and payable, and no Lease Payments need be made on any Lease Payment Date if the amounts then held in the Lease Payment Fund (other than amounts resulting from the Prepayment of the Lease Payments in part but not in whole pursuant to Article X hereof, other than (i) amounts required for payment of past due principal or interest with respect to any Certificates not presented for payment and (ii) proceeds of the Certificate Insurance Policy, if any) are at least equal to the Lease Payments then required to be paid. Each Fiscal Period's Lease Payments shall be for the use of the Leased Property during such Fiscal Period.

The obligations of the Lessee to pay Lease Payments and Additional Rent as required in this Lease-Purchase Agreement and the performance and observance of the other covenants and agreements on the Lessee's part contained herein shall be absolute and unconditional in all aspects, except as specifically otherwise provided herein with respect to termination upon non-appropriation of funds. During the term hereof, the Lessee (i) shall not suspend or discontinue payment of the Lease Payments or Additional Rent, (ii) shall perform and observe all of its agreements contained herein, and will not terminate this Lease-Purchase Agreement for any reason, including, without limitation, any acts or circumstances that may constitute destruction of or damage to the Leased Property, frustration of purpose, or any failure of the Lessor to perform and observe any agreement whether express or implied, or any duty, liability or obligation arising out of or connected with this Lease-Purchase Agreement.

11/10/2011 11:11:11 AM

The Lessor acknowledges that it has been informed by the Lessee that, pursuant to Arizona law, the Lessee's obligation to make Lease Payments is a current expense of the Lessee, payable exclusively from budgeting and appropriation during each Fiscal Period, and is not a general obligation or indebtedness of Pima County, Arizona.

Arizona law provides that, if the Lessee fails to budget and appropriate money for any periodic payment or renewal term of a lease-purchase agreement, such agreement shall terminate at the end of the current term and the Lessee shall be relieved of any subsequent obligation under such agreement. The Lessee hereby covenants to make Lease Payments and Additional Rents for all Fiscal Periods during the Lease Term if funds are budgeted and appropriated by the Lessee's Board of Supervisors for that purpose.

The budget officials of the Lessee hereby covenant that they will include in the budget presented to the Lessee's Board of Supervisors sufficient funds for payment of all Lease Payments and Additional Rent when due, provided, however, the Lessor acknowledges that pursuant to Arizona law, budgeting and appropriation of money by Pima County is a legislative act of the Board of Supervisors and is beyond the control of the budgeting official of the Lessee.

(b) Effect of Prepayment. In the event that the Lessee prepays all remaining Lease Payments and Additional Rent in full pursuant to Article X hereof, the Lessee's obligations under this Lease-Payment Agreement shall thereupon cease and terminate, including but not limited to the Lessee's obligation to pay Lease Payments under this Section. In the event the Lessee prepays less than all of the remaining principal components of the Lease Payments and Additional Rent pursuant to Sections 10.3 or 10.4 hereof, the principal and interest components of the remaining Lease Payments shall be reduced proportionately such that the remaining Lease Payments correspond to the remaining payments of principal and interest with respect to the Outstanding Certificates (determined by reference to the Trust Agreement).

(c) Rate on Overdue Payments. In the event the Lessee should fail to make any of the Lease Payments or Additional Rent required in this Section 4.4, the payment in default shall continue as an obligation of the Lessee until the amount in default shall have been fully paid, and the Lessee agrees to pay the same with interest thereon, to the extent permitted by law, from the date of default to the date of payment at the rate of ten percent (10%) per annum.

(d) Fair Rental Value. The Lease Payments and Additional Rent for each rental payment period during the term of this Lease-Purchase Agreement shall constitute the total rental for the Leased Property for such rental payment period, and shall be paid by the Lessee in each rental payment period for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of the Leased Property during each such period for which said rental is to be paid. The parties hereto have agreed and determined that the total Lease Payments and Additional Rent represent the fair rental value of the Leased Property. In making such determination, consideration has been given to the appraised value of the Leased Property, other obligations of the parties under this Lease-Purchase Agreement, the uses and purposes which may be served by the Leased Property and the benefits therefrom which will accrue to the Lessee and the general public.

ARTICLE 10

(e) Lessor as Trustee. The Lessee understands that all interest of the Lessor in and to the Lease Payments and Additional Rent for the Leased Property is held by the Trustee in trust, pursuant to the Trust Agreement for the benefit of the Owners of the Certificates. The Lessee hereby agrees to pay to the Trustee at the Trustee's designated office, or to the Trustee at such other place as the Trustee shall direct in writing, all Lease Payments and Additional Rent payable by the Lessee pursuant to this Lease-Purchase Agreement.

Section 4.5 Quiet Enjoyment. During the Term of this Lease-Purchase Agreement the Lessee shall have quiet use and enjoyment of the Leased Property, and the Lessee shall during such Term peaceably and quietly have and hold and enjoy the Leased Property, without suit, trouble or hindrance from the Lessor, except as expressly set forth in this Lease-Purchase Agreement. The Lessor will, at the request of the Lessee and at the Lessee's cost, join in any legal action in which the Lessee asserts its right to such possession and enjoyment to the extent the Lessor may lawfully do so. Notwithstanding the foregoing, the Lessor shall have the right to inspect the Leased Property as provided in Section 7.1 hereof.

Section 4.6 Title. Pursuant to the Ground Lease, the Lessee shall hold title to the Public Works Parking Garage, but subject to this Lease-Purchase Agreement and the Lessor's interest in the Ground Lease. Pursuant to the Deed, the Lessor shall hold title to the Public Works Building and the Legal Services Building.

If the Lessee prepays the Lease Payments and Additional Rent in full pursuant to Article X hereof or makes the advance deposit required by Section 10.1 hereof, or pays all Lease Payments and Additional Rent during the Term of this Lease-Purchase Agreement as the same become due and payable, all right, title and interest of the Lessor in and to the Leased Property shall be transferred to and vested in the Lessee free and clear of this Lease-Purchase Agreement. Such title shall vest in the Lessee hereunder without the necessity of any additional payments or of any further instrument of transfer. The Lessor agrees to take any and all steps and execute and record any and all documents reasonably required by the Lessee to confirm such vesting of title.

Section 4.7 Additional Rent. In addition to the Lease Payments described in Section 4.4 hereof, the Lessee shall pay when due (a) all costs and expenses incurred by the Lessor or the Trustee to comply with the provisions of the Trust Agreement, (b) payments required to be deposited into the Rebate Fund pursuant to Section 8.8(c) of the Trust Agreement, (c) compensation, expenses and any other amounts payable to the Trustee under Section 9.8 of the Trust Agreement, (d) all amounts payable by the Lessee pursuant to Section 7.2 hereof, (e) all costs and expenses of auditors, engineers, accountants and legal counsel, if necessary, but excluding Delivery Costs (which shall be paid by the Lessor from moneys deposited in the Delivery Costs Fund) and (f) all rent for any holdover period during which Lessee stays in possession of the Leased Property after termination of this Lease-Purchase Agreement, which rent shall be calculated as: (i) number of days of holdover divided by (ii) 365 multiplied by (iii) the Lease Payments for such Fiscal Period.

Section 4.8 Nonsubstitution. If an event of default, as defined in Section 9.1 hereof, shall occur or the Lessee shall terminate this Lease-Purchase Agreement pursuant to Section 4.2(b) hereof, the Lessee agrees, to the extent permitted by law, for sixty (60) days from the date of such termination, not to purchase, lease or rent any other property or services to perform the

same functions as, or functions taking the place of, those performed by the Leased Property; provided, however, that these restrictions shall not be applicable if or to the extent that the application of these restrictions would affect the validity of this Lease-Purchase Agreement.

**ARTICLE V
MAINTENANCE; TAXES; INSURANCE; AND OTHER MATTERS**

Section 5.1 Maintenance, Utilities, Taxes and Assessments. Throughout the Term of this Lease-Purchase Agreement, as part of the consideration for the rental of the Leased Property, the Lessee shall repair and maintain the Leased Property, and the Lessee shall pay for or otherwise arrange for the payment of all utility services supplied to the Leased Property, which may include, without limitation, janitor service, security, power, gas, telephone, light, heating, water and all other utility services, and shall pay for or otherwise arrange for the payment of the cost of the repair and replacement of the Leased Property resulting from ordinary wear and tear or want of care on the part of the Lessee or any assignee or sublessee thereof. In exchange for the Lease Payments and Additional Rent herein provided, the Lessor agrees to provide only the Leased Property, as hereinbefore more specifically set forth.

The Lessee shall also pay or cause to be paid all taxes and assessments of any type or nature, if any, charged to the Lessor, the Trustee or the Lessee affecting the Leased Property (but not including income taxes), the respective interests or estates therein or the taxability of any payments under this Lease-Purchase Agreement; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Lessee shall be obligated to pay only such installments as are required to be paid during the Term of this Lease-Purchase Agreement as and when the same become due.

The Lessee or any sublessee may, at the Lessee's or such sublessee's expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Lessor shall notify the Lessee or such sublessee that, in the opinion of Independent Counsel, by nonpayment of any such items, the interest of the Lessor in the Leased Property will be materially endangered or the Leased Property or any part thereof will be subject to loss or forfeiture, in which event the Lessee or such sublessee shall promptly pay such taxes, assessments or charges or provide the Lessor with full security against any loss which may result from nonpayment, in form satisfactory to the Lessor and the Trustee.

Section 5.2 Modification of Leased Property. The Lessee and any sublessee shall, at their own expense, have the right to remodel any portion of the Leased Property or to make additions, modifications and improvements to any portion of the Leased Property. All such additions, modifications and improvements shall thereafter comprise part of the Leased Property and be subject to the provisions of this Lease-Purchase Agreement. Such additions, modifications and improvements shall not in any way damage the Leased Property or cause it to be used for purposes other than those authorized under the provisions of State and federal law; and the Leased Property, upon completion of any additions, modifications and improvements made thereto pursuant to this Section, shall be of a value which is not substantially less than the value of such Leased Property immediately prior to the making of such additions, modifications

such loss or damage; provided, however, to the extent the Lessor or the Trustee are not named as loss payees under any insurance or Qualified Self-Insurance, the Lessee hereby assigns to the Lessor and the Trustee its rights to receive any or all proceeds received from such insurance or Qualified Self-Insurance as their respective interests or rights under this Lease-Purchase Agreement may appear on the date of payment thereof. The Net Proceeds of such insurance shall be applied as provided in Section 6.2(a) hereof.

Section 5.5 Title Insurance. The Lessee shall provide, at its own expense, on or before the Closing Date, a title insurance policy in form satisfactory to the Lessor in the amount of not less than the aggregate principal amount of the 2008 Certificates insuring the Trustee's interest in the Leased Property under the Ground Lease, the Deed and this Lease-Purchase Agreement, subject only to Permitted Encumbrances. All Net Proceeds received under said policy shall be deposited with the Trustee in the Lease Payment Fund and shall be credited towards the Prepayment of the remaining Lease Payments pursuant to Section 10.4 hereof.

Section 5.6 Insurance Net Proceeds; Form of Policies. Each policy of insurance required by Sections 5.4 and 5.5 hereof shall provide that all proceeds thereunder shall be payable to the Lessor or assigned to the Lessor by the Lessee pursuant to Sections 5.3 and 5.4 hereof and applied as provided in Section 6.2 hereof. All policies of insurance required by this Lease-Purchase Agreement and any statements of self-insurance shall be in form satisfactory to the Lessor. The Lessee shall pay or cause to be paid when due the premiums for all insurance policies required by this Lease-Purchase Agreement, and shall promptly furnish or cause to be furnished evidence of such payments to the Lessor. All such policies shall provide that the Lessor shall be given thirty (30) days' notice of each expiration, any intended cancellation thereof or reduction of the coverage provided thereby. The Lessor shall not be responsible for the sufficiency of any insurance herein required and shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the Lessee. The Lessee shall cause to be delivered to the Lessor annually evidence satisfactory to the Lessor that the insurance policies required by this Lease-Purchase Agreement are in full force and effect. In the event the Lessee maintains self-insurance for the insurance required by Sections 5.3 and 5.4 hereof, the Lessee shall cause to be delivered to the Lessor annually the documentation required for the determination that such self-insurance constitutes Qualified Self-Insurance. The Lessee shall furnish an annual certificate stating that the insurance in effect meets the requirements of Sections 5.3, 5.4 and 5.6 of this Lease Agreement.

Section 5.7 Advances. If the Lessee shall fail to perform any of its obligations under this Article, the Trustee may, but shall not be obligated to, take such action as may be necessary to cure such failure, including the advancement of money, and the Lessee shall be obligated to repay all such advances as Additional Rent as soon as possible, with interest at the rate of ten percent (10%) per annum from the date of the advance to the date of repayment.

Section 5.8 Installation of Lessee's Equipment. The Lessee and any sublessee may at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed other items of equipment or other personal property in or upon the Leased Property. All such items shall remain the sole property of such party, in which neither the Lessor nor the Trustee shall have any interest, and may be modified or removed by such party at any time provided that such party shall repair and restore any and all damage to the Leased Property

the Trust Agreement by the Trustee promptly upon receipt thereof and, if the Lessee determines, within ninety (90) days following such deposit, that the replacement, repair, restoration, modification or improvement of such Leased Property is not economically feasible or in the best interest of the Lessee, then, upon receipt by the Trustee of written notice of such determination by the Lessee Representative, such Net Proceeds shall be promptly transferred by the Trustee to the Lease Payment Fund and applied as provided in Section 10.4 hereof; provided, however, that in the event of damage or destruction of the Leased Property in full, such Net Proceeds may be transferred to the Lease Payment Fund only if sufficient, together with other moneys available therefor, to cause the redemption of all Outstanding Certificates; provided further, however, if the Net Proceeds are not sufficient to cause the redemption of all Outstanding Certificates the Lessee shall have an option to purchase the Leased Property for a price representing the difference between the amount of Net Proceeds received and available for transfer to the Lease Payment Fund and the amount required to redeem all Outstanding Certificates. The proceeds from said insurance and the Net Proceeds shall then be deposited in the Lease Payment Fund and applied as provided in Section 10.4 hereof. All Net Proceeds deposited in the Insurance and Condemnation Fund and not so transferred to the Lease Payment Fund shall be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property by the Lessee, upon receipt of a requisition satisfactory to the Trustee signed by the Lessee Representative stating with respect to each payment to be made (i) the requisition number, (ii) the name and address of the person, firm or corporation to whom payment is due, (iii) the amount to be paid, and (iv) that each obligation mentioned therein has been properly incurred, is a proper charge against the Insurance and Condemnation Fund, has not been the basis of any previous withdrawal, and specifying in reasonable detail the nature of the obligation, accompanied by a bill or a statement of account for such obligation; provided, however, in the event the Lessee determines that the Net Proceeds are insufficient for the replacement of the Leased Property and that additional funds are not available from other sources in an amount sufficient for such replacement, such Net Proceeds shall be transferred to the Lease Payment Fund and be applied in accordance with Section 10.4 of this Lease-Purchase Agreement. Any balance of the Net Proceeds remaining after such work has been completed shall be deposited in the Lease Payment Fund and applied toward subsequent Lease Payments.

(b) From Eminent Domain Award. The Net Proceeds of any eminent domain award resulting from any event described in Section 6.1 hereof shall be deposited in the Insurance and Condemnation Fund to be held and applied by the Trustee pursuant to Section 7.2 of the Trust Agreement.

(c) Proceeds of \$100,000 or Less. The parties hereto agree that the provisions of this Section 6.2 are not intended and shall not be construed in any way to apply to the proceeds of any insurance or condemnation award less than or equal to \$100,000. Such proceeds shall be paid to the Lessee and applied by the Lessee in its sole discretion.

Section 6.3 Reduction of Rental in the Event of Prepayment of Lease Payments. In the event the Net Proceeds of any insurance or condemnation awards are deposited in the Lease Payment Fund and credited towards Prepayments pursuant to Section 10.4 hereof, the amount of remaining Lease Payments shall be reduced proportionately as to the principal and interest components thereof such that the resulting Lease Payments will correspond to the remaining payments of principal of and interest on the Outstanding Certificates (after any

redemption of Certificates pursuant to Section 4.2 of the Trust Agreement resulting from such Prepayments), which resulting Lease Payments are hereby deemed to represent fair consideration for the use and occupancy of the portions of the Leased Property not taken, damaged or destroyed. In the event of any such reduction, this Lease-Purchase Agreement shall continue in full force and effect and the Lessee waives any right to terminate this Lease-Purchase Agreement by virtue of any damage or destruction of the Leased Property causing such reduction of Lease Payments.

ARTICLE VII ACCESS TO LEASED PROPERTY, INDEMNIFICATION

Section 7.1 Access to the Leased Property. The Lessee agrees that the Lessor, any Lessor Representative shall have the right at all reasonable times to enter upon and into the Leased Property and to examine and inspect the Leased Property. The Lessee further agrees that the Lessor, any Lessor Representative, and the Lessor's successors or assigns shall have such rights of access to the Leased Property as may be reasonably necessary to cause the proper maintenance of the Leased Property in the event of failure by the Lessee to perform its obligations hereunder.

Section 7.2 Release and Indemnification Covenants. To the extent permitted by law, the Lessee shall and hereby agrees to indemnify and save the Trustee harmless for, from and against all claims, losses and damages, including legal fees and expenses, arising out of (i) the ownership, use, maintenance, condition or management of, or from any work or thing done on, the Leased Property, (ii) any breach or default on the part of the Lessee in the performance of any of its obligations under this Lease-Purchase Agreement or of any of its representations or warranties under this Lease-Purchase Agreement, (iii) any act or negligence of the Lessee or of any of its agents, contractors, servants, employees or licensees with respect to the Leased Property, (iv) any act or negligence of any sublessee of the Lessee with respect to the Leased Property, or (v) the acquisition and construction of the Leased Property, the execution and delivery of this Lease-Purchase Agreement, the Ground Lease, the Deed and the Trust Agreement, and the execution, delivery and sale of the Certificates. No indemnification is made under this Section or elsewhere in this Lease-Purchase Agreement for claims successfully brought for willful misconduct, negligence, or breach of duty under this Lease-Purchase Agreement by the Lessor or its officers, agents, employees, successors or assigns. The indemnification made under this Section shall survive the termination or expiration of this Lease-Purchase Agreement and the redemption or defeasance of the Certificates.

ARTICLE VIII ASSIGNMENT, SUBLEASING AND AMENDMENT

Section 8.1 Assignment and Subleasing by the Lessee. This Lease-Purchase Agreement may not be assigned by the Lessee. The Leased Property may be subleased through agreements in existence on the Closing Date and extensions and renewals thereof, and the Leased Property may be otherwise subleased only with the written consent of the Lessor, which consent shall not be unreasonably withheld, and subject to all of the following conditions:

(i) This Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments hereunder shall remain obligations of the Lessee;

(ii) The Lessee shall, within thirty (30) days after the delivery thereof, furnish or cause to be furnished to the Lessor a true and complete copy of such sublease;

(iii) No such sublease by the Lessee shall cause any of the Leased Property to be used for a purpose other than a governmental or proprietary function authorized under the provisions of the Constitution and laws of the State; and

(iv) The Lessee shall furnish the Lessor with a written opinion of Special Counsel, with respect to any such sublease, stating that such sublease shall not adversely affect the exclusion of the interest components of the Lease Payments from gross income for federal income tax purposes when paid to the Owners of the 2008 Certificates.

Section 8.2 Amendment of this Lease-Purchase Agreement. Without the written consent of the Trustee, neither the Lessor nor the Lessee will alter, modify or cancel, or agree or consent to alter, modify or cancel this Lease-Purchase Agreement, excepting only such alteration or modification as may be permitted by Article X of the Trust Agreement.

ARTICLE IX EVENTS OF DEFAULT AND REMEDIES

Section 9.1 Events of Default Defined. The following shall be "events of default" under this Lease-Purchase Agreement and the terms "events of default" and "default" shall mean, whenever they are used in this Lease-Purchase Agreement, with respect to the Leased Property, any one or more of the following events:

(i) Failure by the Lessee to pay any Lease Payment or other payment required to be paid hereunder at the time specified herein, and the continuation of such failure for a period of two (2) days.

(ii) Failure by the Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed under the Trust Agreement or this Lease-Purchase Agreement, other than as referred to in clause (i) of this Section, for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied has been given to the Lessee by the Lessor, the Trustee or the Owners of not less than five percent (5%) in aggregate principal amount of Certificates then Outstanding; provided, however, if the failure stated in the notice can be corrected, but not within the applicable period, neither the Lessor, the Trustee nor such Owners shall unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Lessee within the applicable period and diligently pursued until the default is corrected.

take possession of the Leased Property, to the exclusion of the Lessee, and relet the Lessee's interests in the Leased Property in the event of default by the Lessee in the performance of any covenants herein contained to be performed by the Lessee and to remove all personal property not constituting Leased Property and to place such property in storage or other suitable place in the County of Pima, State of Arizona, for the account of and at the expense of the Lessee, and, to the extent permitted by law, the Lessee hereby exempts and agrees to save harmless the Lessor for, from and against any costs, loss or damage whatsoever arising or occasioned by any such entry upon and reletting of the Leased Property and the removal and storage of personal property by the Lessor or its duly authorized agents in accordance with the provisions herein contained. The Lessee hereby waives any and all claims for damages caused or which may be caused by the Lessor in reentering and taking possession of the Leased Property as herein provided and all claims for damages that may result from the destruction of or injury to the Leased Property and all claims for damages to or loss of any property belonging to the Lessee that may be in or upon the Leased Property.

The Lessee agrees that the terms of this Lease-Purchase Agreement constitute full and sufficient notice of the right of the Lessor to take possession of or re-rent the Leased Property in the event of such reentry without effecting a surrender of this Lease-Purchase Agreement, and further agrees that no acts of the Lessor in effecting such re-renting or re-leasing shall constitute a surrender or termination of this Lease-Purchase Agreement irrespective of the term for which such re-leasing or re-renting is made or the terms and conditions of such re-leasing or re-renting, or otherwise, but that, on the contrary, in the event of such default by the Lessee the right to terminate this Lease-Purchase Agreement shall vest in the Lessor to be effected in the sole and exclusive manner hereinafter provided for in subparagraph (b) hereof.

(b) In an event of default hereunder, the Lessor at its option may terminate this Lease-Purchase Agreement and sell, convey, re-rent, or re-lease all or any portion of its interests in the Leased Property any may exclude the Lessee therefrom. Neither notice to pay rent or to deliver up possession of the premises given pursuant to law nor any proceeding in unlawful detainer taken by the Lessor shall of itself operate to terminate this Lease-Purchase Agreement and no termination of this Lease-Purchase Agreement on account of default by the Lessee shall be or become effective by operation of law, or otherwise, unless and until the Lessor shall have given written notice to the Lessee of the election on the part of the Lessor to terminate this Lease-Purchase Agreement. The Lessee covenants and agrees that no surrender of the Leased Property or of the remainder of the term hereof or any termination of this Lease-Purchase Agreement shall be valid in any manner or for any purpose whatsoever unless stated or accepted by the Lessor by such written notice. Additionally, to the extent permitted by law, the Lessee hereby exempts and agrees to save harmless the Lessor for, from and against any costs, loss or damage whatsoever arising or occasioned by any removal of the Leased Property by the Lessor or its duly authorized agents in accordance with the provisions contained in this Lease-Purchase Agreement.

Section 9.3 No Remedy Exclusive. No remedy herein conferred upon or reserved to the Lessor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Lease-Purchase Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but

any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Lessor to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice, other than such notice as may be required in this Article or by law.

Section 9.4 Agreement to Pay Attorneys' Fees and Expenses. In the event either party to this Lease-Purchase Agreement should default under any of the provisions hereof and the nondefaulting party should employ attorneys or incur other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party agrees that it will on demand therefor pay to the nondefaulting party, to the extent permitted by law, the fees of such attorneys and such other expenses so incurred by the nondefaulting party.

Section 9.5 No Additional Waiver Implied by One Waiver. In the event any agreement contained in this Lease-Purchase Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 9.6 Application of Proceeds. All Net Proceeds received from the sale, release or other disposition of the Leased Property under this Article IX, and all other amounts derived by the Lessor as a result of an event of default hereunder, shall be applied as provided in Section 13.3 of the Trust Agreement.

Section 9.7 Trustee and Certificate Owners to Exercise Rights. Such rights and remedies as are given to the Lessor under this Article IX shall be exercised by the Trustee and the Owners of the Certificates as provided in the Trust Agreement.

ARTICLE X PREPAYMENT OF LEASE PAYMENTS

Section 10.1 Security Deposit. Notwithstanding any other provision of this Lease-Purchase Agreement, the Lessee may on any date secure the payment of Lease Payments by a deposit with the Trustee of (i) an amount in cash which, in the judgment of the Trustee, together with amounts on deposit in the Lease Payment Fund and the Insurance and Condemnation Fund is sufficient to pay all unpaid Lease Payments and Additional Rent, including the principal and interest components of Lease Payments, in accordance with the Lease Payment Schedule set forth in Exhibit B, or (ii) Defeasance Obligations, together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant acceptable to the Trustee, together with interest to accrue thereon but without reinvestment thereof and, if required, all or a portion of moneys or Defeasance Obligations then on deposit in the Lease Payment Fund, be fully sufficient to pay all unpaid Lease Payments and Additional Rent on their respective due dates or by Prepayment thereof pursuant to Section 10.2 hereof, as the Lessee shall instruct at the time of said deposit. In the event of a deposit pursuant to this Section and upon the defeasance of all the Certificates pursuant to Section 14.1 of the Trust Agreement, all obligations of the Lessee under this Lease-Purchase Agreement (except those which survive termination of this Lease-Purchase Agreement), and all security provided by this Lease-Purchase Agreement for said obligations, shall cease and terminate, excepting only the obligations of the Lessee to make,

or cause to be made, Lease Payments and Additional Rent from the deposit made by the Lessee pursuant to this Section, and if the Trust Agreement has been discharged, title to the Leased Property shall vest in the Lessee on the date of said deposit automatically and without further action by the Lessee or the Lessor. Said deposit shall be deemed to be and shall constitute a special fund for the payment of Lease Payments and Additional Rent in accordance with the provisions of this Lease-Purchase Agreement.

Section 10.2 Purchase Option. The Lessee may exercise its option to purchase all of the Leased Property on any Prepayment Date, by paying the applicable Prepayment Price together with Additional Rent and the interest component of the Lease Payment required to be paid on such Prepayment Date to effect the redemption of Certificates pursuant to Section 4.2(a) of the Trust Agreement and a deposit described in Section 10.1 hereof sufficient to secure all unpaid Lease Payments necessary to provide for the payment of principal of and interest evidenced by the Certificates not subject to redemption or which are not being redeemed. Except as otherwise provided in the Trust Agreement, such Prepayment Price shall be deposited by the Trustee in the Lease Payment Fund to be applied to the redemption of Certificates pursuant to Section 4.2(a) of the Trust Agreement. The Lessee shall give the Trustee notice of its intention to exercise its option not less than forty-five (45) days in advance of the date of exercise.

Section 10.3 Optional Prepayment. The Lessee may prepay the Lease Payments, in whole or in part, at any time. Such Prepayments shall be deposited in the Lease Payment Fund and applied to the payment or redemption of Certificates as provided in Articles II and IV of the Trust Agreement or, if the Certificates are not subject to redemption at the time of such deposit, shall be applied as provided in Section 14.1 of the Trust Agreement to provide for the payment of Certificates as directed by the Lessee.

Section 10.4 Mandatory Prepayment From Net Proceeds of Insurance, Eminent Domain. The Lessee shall be obligated to prepay the Lease Payments allocable to the Leased Property, in whole or in part, on any May 15 or November 15, or the next succeeding Business Day if such date is not a Business Day, from and to the extent of any Net Proceeds of insurance award or condemnation awards with respect to the Leased Property theretofore deposited in the Lease Payment Fund for such purpose pursuant to Articles V, VI, IX or X hereof or pursuant to Section 7.2 of the Trust Agreement. The Lessee and the Lessor hereby agree that such Net Proceeds, to the extent remaining after payment of any delinquent Lease Payments, shall be credited towards the Lessee's obligations under this Section and shall be applied to the mandatory redemption of Certificates required by Section 4.2(b) of the Trust Agreement.

Section 10.5 Credit for Amounts on Deposit. In the event of Prepayment of the principal components of the Lease Payments and Additional Rent in full under this Article X, such that the Trust Agreement shall be discharged by its terms as a result of such Prepayment, all amounts then on deposit in the Lease Payment Fund shall be credited towards the amounts then required to be so prepaid.

IN WITNESS WHEREOF, the Lessor has caused this Lease-Purchase Agreement to be executed in its corporate name by its duly authorized officers, and the Lessee has caused this Lease-Purchase Agreement to be executed in its name by its duly authorized officers, as of the date first above written.

The Lessee retains the legal right to randomly inspect the papers and records of the Lessor to ensure that the Lessor is complying with the above-mentioned warranty. The Lessor shall keep such papers and records open for random inspection by the Lessee during normal business hours. The Lessor shall cooperate with the random inspections by the Lessee, including granting the Lessee entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

The Lessee retains the legal right to randomly inspect the papers and records of the Lessor to ensure that the Lessor is complying with the above-mentioned warranty. The Lessor shall keep such papers and records open for random inspection

by the Lessee during normal business hours. The Lessor shall cooperate with the random inspections by the Lessee, including granting the Lessee entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Third Amendment pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Lessor covenants not to employ as an employee, an agent or, with respect to the subject matter of this Third Amendment, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Third Amendment on behalf of the Lessee within 3 years from execution of this Third Amendment, unless a waiver of A.R.S. § 38-511 is provided by the Lessee's Board of Supervisors.

SECTION 1.16 **Certain Warranties and Certifications from the Lessor.**

A.R.S. § 23-214(A). The breach by the Lessor of the foregoing shall be deemed a material breach by the Lessor of the Lease-Purchase Agreement and the Trust Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The Lessee retains the legal right to randomly inspect the papers and records of the Lessor to ensure that the Lessor is complying with the above-mentioned warranty. The Lessor shall keep such papers and records open for random inspection by the Lessee during normal business hours. The Lessor shall cooperate with the random inspections by the Lessee, including granting the Lessee entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(b) Pursuant to A.R.S. §§ 35-91.06 and 35-393.06, the Lessor certifies that it does not have a scrutinized business operation in Sudan or Iran. SECTION 1.6 **Lease Payments and Lease Payment Dates.** Exhibit B of the Lease-Purchase Agreement is hereby amended by substituting therefor Exhibit B attached to this Fourth Amendment, setting forth the Lease Payments and Lease Payment Dates under the Lease, and representing the total of payments shown on Exhibit B-1, Exhibit B-2 and Exhibit B-3 attached to this Fourth Amendment.

SECTION 1.7 **Leased Property.** Exhibit A of the Lease-Purchase Agreement is hereby amended by substituting therefor Exhibit A attached to this Fourth Amendment, reflecting the addition of the Public Service Center Office Tower and Parking Garage.

SECTION 1.8 **Certain References.** The provisions in Sections 10.1 through 10.5 of the Original Lease-Purchase Agreement, which refer to certain sections in the Original Trust Agreement, regarding prepayment of the 2008 Certificates, shall hereafter be deemed to refer also to the analogous prepayment provisions in the Trust Agreement regarding the 2014 Certificates.

SECTION 1.9 **Tax Covenants.** The Lessee covenants (a) that it will take or cause to be taken all actions that may be required of it for the interest on the 2014 Certificates to remain excluded from gross income for federal income tax purposes, (b) that it will not take or

authorize to be taken any actions which would adversely affect such exclusion and (c) that it, or other persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the 2014 Certificates in compliance with Arizona law and the Trust Agreement, (ii) restrict the yield on investment property, (iii) make or cause to be made timely and adequate payments to the federal government as provided in Section 8.8 of the Trust Agreement, (iv) maintain books and records, and (v) refrain from certain uses of proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of the interest on the 2014 Certificates under the Code. An officer of the Lessee shall take any and all such actions, make such rebate payments or potential payments and make or give such reports and certifications as may be appropriate to assure such exclusion of the interest.

The Lessee covenants that it will use, and will restrict the use and investment of the proceeds of the 2014 Certificates in such manner and to such extent, if any, as may be necessary, so that (a) the 2014 Certificates will not (i) constitute an arbitrage bond, a private activity bond or a hedge bond under Sections 141, 148 or 149 of the Code, or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest on the 2014 Certificates will not be treated as a preference item under Section 57 of the Code.

Any officer of the Lessee having responsibility with respect to the execution and delivery of this Fourth Amendment shall, alone or in conjunction with any other officer, employee or agent of or consultant to the Lessee, be authorized (a) to make or affect any election, selection, designation, choice, consent, approval, or waiver on behalf of the Lessee with respect to the Lease-Purchase Agreement or the Certificates as the Lessee is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the interest on the 2014 Certificates or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action will be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Lessee, as may be appropriate to assure the exclusion of the interest on the 2014 Certificates from gross income for federal income tax purposes, and (c) to give one or more appropriate certificates of the Lessee, for inclusion in the transcript of proceedings for setting forth the reasonable expectations of the Lessee regarding the amount and use of all the proceeds relating to the 2014 Certificates and the property financed with such proceeds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the 2014 Certificates.

SECTION 1.10 Amendments to Lease-Purchase Agreement Requiring Consent of a Majority of Certificate Owners.

(a) Subject to subsection (b) of this Section, Article VIII of the Lease-Purchase Agreement shall be amended to provide for a new Section 8.3 to be added at the end of such Article, as follows:

“Section 8.3 Release of Leased Property. If, during the Term of the Lease-Purchase Agreement, the Lessee desires to release any portion of the Leased Property, the Lessor shall sell or convey all its right, title, and interest in such portion of the Leased Property to the Lessee, provided the following conditions are met, to wit:

(a) Maintenance of Value. The replacement value for insurance purposes, as certified by the County, of the remaining properties comprising the Leased Property shall not be less than the Outstanding principal amount of the Certificates;

(b) No Reduction in Lease Payments. The release of property shall not cause any decrease in the total Lease Payments required to be made under the Lease-Purchase Agreement or any change in the interest component or principal component thereof; and

(c) No Adverse Tax Effect. The Lessee shall furnish to the Trustee an opinion of Special Counsel acceptable to the Trustee that the release of property will not adversely affect the exclusion of the interest payable on the Certificates from the federal gross income of the owners thereof.”

(b) As a condition to their purchase of a 2014 Certificate in the initial offering thereof, the purchasers of the 2014 Certificates, on behalf of themselves and all successors in interest in such 2014 Certificates, will irrevocably provide written consent to the amendment to the Lease-Purchase Agreement described in subsection (a) of this Section. Such amendment shall become effective only upon the County’s receipt of the written consent of the Owners of a majority in principal amount of the Outstanding Certificates.

SECTION 1.11 Ratification of Original Lease-Purchase Agreement, as Amended. The Original Lease-Purchase Agreement, as amended by the First Amendment, by the Second Amendment, by the Third Amendment and by this Fourth Amendment, is hereby ratified and confirmed in all respects.

SECTION 1.12 Binding Effect. This Fourth Amendment shall inure to the benefit of and shall be binding upon the Lessor and the Lessee and their respective successors and assigns.

SECTION 1.13 Severability. In the event any provision of this Fourth Amendment shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

SECTION 1.14 Execution in Counterparts. This Fourth Amendment may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 1.15 Applicable Law. This Fourth Amendment shall be governed by and construed in accordance with the laws of the State.

SECTION 1.16 **Captions.** The captions or headings in this Fourth Amendment are for convenience only and in no way define, limit or describe the scope or intent of any provisions or Section of this Fourth Amendment.

SECTION 1.17 **Cancellation of Contracts.** As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Fourth Amendment pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Lessor covenants not to employ as an employee, an agent or, with respect to the subject matter of this Fourth Amendment, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Fourth Amendment on behalf of the Lessee within 3 years from execution of this Fourth Amendment, unless a waiver of Arizona Revised Statutes Section 38-511 is provided by the Lessee's Board of Supervisors.

To the extent applicable under Arizona Revised Statutes ("A.R.S.") § 41-4401, the Lessor, in its capacity as Lessor under the Lease-Purchase Agreement and as Trustee under the Trust Agreement, including its subcontractors who work on the Lease-Purchase Agreement or the Trust Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E verify requirements under A.R.S. § 23-214(A). The breach by the Lessor of the foregoing shall be deemed a material breach by the Lessor of the Lease-Purchase Agreement and the Trust Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The Lessee retains the legal right to randomly inspect the papers and records of the Lessor to ensure that the Lessor is complying with the above-mentioned warranty. The Lessor shall keep such papers and records open for random inspection by the Lessee during normal business hours. The Lessor shall cooperate with the random inspections by the Lessee, including granting the Lessee entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

SECTION 1.8 Tax Covenants. The Lessee covenants (a) that it will take or cause to be taken all actions that may be required of it for the interest on the 2015 Certificates to remain excluded from gross income for federal income tax purposes, (b) that it will not take or authorize to be taken any actions which would adversely affect such exclusion and (c) that it, or other persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the 2015 Certificates in compliance with Arizona law and the Trust Agreement, (ii) restrict the yield on investment property, (iii) make or cause to be made timely and adequate payments to the federal government as provided in Section 8.8 of the Trust Agreement, (iv) maintain books and records, and (v) refrain from certain uses of proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of the interest on the 2015 Certificates under the Code. The Lessee covenants that it will use, and will restrict the use and investment of the proceeds of the 2015 Certificates in such manner and to such extent, if any, as may be necessary, so that (a) the 2015 Certificates will not (i) constitute an arbitrage bond, a private activity bond or a hedge bond under Sections 141, 148 or 149 of the Code, or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest on the 2015 Certificates will not be treated as a preference item under Section 57 of the Code.

Any officer of the Lessee having responsibility with respect to the execution and delivery of this Fifth Amendment shall, alone or in conjunction with any other officer, employee or agent of or consultant to the Lessee, be authorized (a) to make or affect any election, selection, designation, choice, consent, approval, or waiver on behalf of the Lessee with respect to the Lease-Purchase Agreement or the Certificates as the Lessee is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the interest on the 2015 Certificates or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying,

excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action will be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Lessee, as may be appropriate to assure the exclusion of the interest on the 2015 Certificates from gross income for federal income tax purposes, and (c) to give one or more appropriate certificates of the Lessee, for inclusion in the transcript of proceedings for setting forth the reasonable expectations of the Lessee regarding the amount and use of all the proceeds relating to the 2015 Certificates and the property financed with such proceeds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the 2015 Certificates.

SECTION 1.15 Cancellation of Contracts. As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. The Lessee retains the legal right to randomly inspect the papers and records of the Lessor to ensure that the Lessor is complying with the above-mentioned warranty. The Lessor shall keep such papers and records open for random inspection by the Lessee during normal business hours. The Lessor shall cooperate with the random inspections by the Lessee, including granting the Lessee entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

SECTION 1.15 Cancellation of Contracts. As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Sixth Amendment pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Lessor covenants not to employ as an employee, an agent or, with respect to the subject matter of this Sixth Amendment, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Sixth Amendment on behalf of the Lessee within 3 years from execution of this Sixth Amendment, unless a waiver of Arizona Revised Statutes Section 38-511 is provided by the Lessee's Board of Supervisors.

To the extent applicable under Arizona Revised Statutes ("A.R.S.") § 41-4401, the Lessor, in its capacity as Lessor under the Lease-Purchase Agreement and as Trustee under the Trust Agreement, including its subcontractors who work on the Lease-Purchase Agreement or the Trust Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E verify requirements under A.R.S. § 23-214(A). The breach by the Lessor of the foregoing shall be deemed a material breach by the Lessor of the Lease-Purchase Agreement and the Trust Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The Lessee retains the legal right to randomly inspect the papers and records of the Lessor to ensure that the Lessor is complying with the above-mentioned warranty. The Lessor shall keep such papers and records open for random inspection by the Lessee during normal business hours. The Lessor shall cooperate with the random inspections by the Lessee, including granting the Lessee entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

So long as any Certificates are Outstanding, neither the Lessee nor the Lessor shall have any beneficial right or interest in the Lease Payment Fund or the moneys deposited therein, except only as provided in this Trust Agreement, and such moneys shall be used and applied by the Trustee as hereinafter set forth.

Section 5.3 Deposits. There shall be deposited in the Lease Payment Fund all Lease Payments and Prepayments received by the Trustee, including any moneys received by the Trustee for deposit therein pursuant to Section 4.4(a) or Articles VI or X of the Lease-Purchase Agreement and any other moneys required to be deposited therein pursuant to the Lease-Purchase Agreement or pursuant to this Trust Agreement.

Section 5.4 Application of Moneys. All amounts in the Lease Payment Fund shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of and interest and redemption premiums (if any) with respect to the Certificates as the same shall become due and payable, in accordance with the provisions of Article II and Article IV hereof.

Section 5.5 Transfers of Investment Earnings to Lease Payment Fund. Except as otherwise provided in the Tax Compliance Certificate, the Trustee shall, on each December 15 and June 15, or the next succeeding Business Day if such date is not a Business Day, transfer any income or profit on the investment of moneys in the funds hereunder (except the Rebate Fund) to the Lease Payment Fund.

Section 5.6 Surplus. Any surplus remaining in the Lease Payment Fund, after redemption and payment of all Certificates, including premiums and accrued interest (if any) and

100-100-100

payment of any Additional Rent, or provision for such redemption or payment having been made to the satisfaction of the Trustee, shall be withdrawn by the Trustee and remitted to the Lessee.

Section 7.1 Establishment of Insurance and Condemnation Fund; Application of Net Deeds of Insurance Award. Any Net Proceeds of insurance against accident to or destruction of any structure constituting any part of the Leased Property collected by the Lessee in the event of any such accident or destruction shall be transferred to the Trustee pursuant to Section 6.2 of the Lease-Purchase Agreement and deposited by the Trustee in a special fund designated as the "Insurance and Condemnation Fund" to be applied and disbursed by the Trustee as provided in Section 6.2(a) of the Lease-Purchase Agreement.

Section 7.2 Application of Net Proceeds of Eminent Domain Award. If all or any part of the Leased Property shall be taken by eminent domain proceedings (or sold to a government threatening to exercise the power of eminent domain) the Net Proceeds therefrom shall be deposited with the Trustee in the Insurance and Condemnation Fund pursuant to Section 6.2(b) of the Lease-Purchase Agreement and shall be applied and disbursed by the Trustee as follows:

(i) If the Lessee determines, based upon a report of an independent engineer or other independent professional, that (A) such eminent domain proceedings have not materially affected the operation of any of the Leased Property or the ability of the Lessee to meet any of its obligations under the Lease-Purchase Agreement, and (B) that such proceeds are not needed for repair or rehabilitation of the Leased Property, the Trustee shall transfer such proceeds to the Lease Payment Fund to be credited towards the Prepayments required to be paid pursuant to Section 10.4 of the Lease-Purchase Agreement and applied to the redemption of Certificates in the manner provided in Article IV hereof.

(ii) If the Lessee determines, based upon a report of an independent engineer or other independent professional, that (A) such eminent domain proceedings have not materially affected the operation of any of the Leased Property or the ability of the Lessee to meet any of its obligations under the Lease-Purchase Agreement, and (B) such proceeds are needed for repair, rehabilitation or replacement of the Leased Property, the Trustee shall pay to the Lessee, or to its order, from said proceeds such amounts as the Lessee may expend for such repair, rehabilitation or replacement, upon the filing of requisitions of the Lessee Representative, certificates of architects or engineers and other documents as the Trustee may at its discretion request.

(iii) If (A) less than all of the Leased Property shall have been taken in such eminent domain proceedings or sold to a government threatening the use of eminent

(d) The Trustee shall sell at the best price obtainable, or present for redemption, any Permitted Investment purchased by it as an investment whenever it shall be necessary in order to provide moneys to meet any payment or transfer from the fund or account for which such investment was made.

Section 8.7 Liability of Trustee for Investments. The Trustee shall not be liable for any loss resulting from the making of any investment made in accordance with the provisions hereof, except for its own negligence, willful misconduct or breach of trust.

Section 8.8 Tax Compliance Certificate; Creation of Rebate Fund.

(a) The Lessee hereby agrees to abide by each of its covenants contained in Section 2.3 of the Lease-Purchase Agreement and in any Tax Compliance Certificate as required by Special Counsel and to perform in accordance with this Section 8.8.

(b) There is hereby created, at the direction of the Lessee, and ordered established with the Trustee an irrevocable trust fund to be designated the "Rebate Fund," which shall be administered in accordance with the provisions of this Section 8.8 and the Tax Compliance Certificate.

(c) The foregoing provisions of this Section 8.8 notwithstanding, (i) the Rebate Fund shall not be considered a part of the Trust Estate created hereunder, and (ii) the Trustee shall be permitted to transfer moneys on deposit in any of the trust funds established under this Trust Agreement to the Rebate Fund in accordance with the provisions of the Tax Compliance Certificate. The Trustee shall hold moneys delivered or held in the Rebate Fund as a trust fund separate from any other fund or account established hereunder, and shall apply such moneys only in accordance with the provisions of the Tax Compliance Certificate.

**ARTICLE IX
THE TRUSTEE**

Section 9.1 Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default:

(i) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Trust Agreement and no implied covenants or obligations shall be read into this Trust Agreement against the Trustee; and

(ii) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Trust Agreement; but in the case of any such certificates or opinions which are required by any provision hereof or thereof the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Trust Agreement.

434243 03-1-13

(b) In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Trust Agreement including those described in (a) above, and use the same degree of care and skill in their exercise, as a prudent corporate indenture trustee would exercise or use under the circumstances.

(c) No provision of this Trust Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct or breach of trust, except that:

(i) This subsection shall not be construed to limit the effect of subsection (a) of this Section;

(ii) The Trustee shall not be liable for any error of judgment made in good faith and without negligence by a chairman or vice-chairman of the board of directors, the chairman or vice-chairman of the executive committee of the board of directors, the president, any vice president, the secretary, any assistant secretary, the treasurer, any assistant treasurer, the cashier, any assistant cashier, any trust officer or assistant trust officer, the controller and any assistant controller or any other officer of the Trustee customarily performing functions similar to those performed by any of the above designated officers or, with respect to a particular matter, any other officer to whom such matter is referred because of his knowledge of and familiarity with the particular subject;

(iii) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith and without negligence in accordance with the direction of the Owners of the Outstanding Certificates as provided herein relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Trust Agreement; and

(iv) Except for the obligation (A) Owners of any Event of Default pursuant to Section 13.9 hereof, (B) to notify the Owners of a declaration of acceleration pursuant to Section 13.2 hereof, or (C) to take action to exclude the Lessee from possession of the Leased Property, no provision of this Trust Agreement or the Agreements shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability (including, without limitation, any and all environmental liability) in the performance of any of its duties hereunder or thereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity or other assurance against such risk or liability is not reasonably assured to it. Without limiting the generality of the foregoing, such other assurance may include, but shall not be limited to, environmental audits or other evidence satisfactory to the Trustee that it will not incur liability by reason of any remedial action taken pursuant hereto. The Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its judgment properly to be done by it as the Trustee, without prior assurance of indemnity, and in such case shall be entitled to reimbursement by the Lessee for all reasonable costs, expenses, attorneys, and other fees, and all other reasonable disbursements, including its own fees, and for all liability and damages suffered by the

Trustee in connection therewith except for the Trustee's negligence, willful misconduct or breach of trust.

(d) Whether or not therein expressly so provided, every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

(e) The Trustee is authorized and directed to execute the Ground Lease, Lease and accept the Deed.

(f) The Trustee is not responsible for any official statement or any offering or disclosure materials prepared in connection with the Certificates

Section 9.2 Certain Rights of Trustee. Except as otherwise provided in Section 9.1 hereof:

(a) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties.

(b) Any request or direction of the Lessee mentioned herein shall be sufficiently evidenced by a certificate of a Lessee Representative, and any action of the governing board of the Lessee may be sufficiently evidenced by a copy of a resolution certified by the secretary or an assistant secretary of the Lessee to have been duly adopted by the governing board of the Lessee and to be in full force and effect on the date of such certification and delivered to the Trustee.

(c) Whenever in the administration of this Trust Agreement the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon a certificate of a Lessee Representative.

(d) The Trustee may consult with counsel and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of any of the Certificate Owners pursuant to this Trust Agreement, unless such Certificate Owners shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(f) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.

(g) The Trustee may engage agents and attorneys to assist it in executing any of the trusts or powers hereunder or performing any duties hereunder and shall not be liable for the negligence or misconduct of such agents and attorneys so long as the Trustee exercises due care in the selection thereof.

Section 9.3 Employment of Experts. The Trustee is hereby authorized to employ as its agents such attorneys at law, certified public accountants and recognized authorities in their fields (who are not employees of the Trustee), as it reasonably may deem necessary to assist it to carry out any of its obligations hereunder, and shall be reimbursed by the Lessee for all reasonable expenses and charges in so doing.

Section 9.4 Enforcement of Performance by Others. It shall not be the duty of the Trustee, except as herein provided, to see that any duties and obligations imposed upon the Lessee are performed.

Section 9.5 Right to Deal in Certificates and Take Other Actions. The Trustee may in good faith buy, sell or hold and deal in any Certificates with like effect as if it were not such Trustee and may commence or join in any action which an Owner is entitled to take with like effect as if the Trustee were not the Trustee. It is understood and agreed that the Trustee engages in a general banking business and no provision hereof is to be construed to limit or restrict the right of the Trustee or any affiliate of the Trustee to engage in such business with the Lessee or any Owner. So engaging in such business shall not constitute a breach of trust on the part of the Trustee, but neither shall engaging in such business abrogate, alter or diminish any duty or obligation of the Trustee as Trustee hereunder.

Section 9.6 Removal and Resignation of the Trustee. The Trustee may resign at any time, or may be removed at any time for any breach of its duties hereunder by an instrument or instruments in writing signed by the Owners of not less than a majority in Aggregate Value of Certificates then Outstanding. Written notice of such resignation or removal shall be given by the Trustee to the Lessee and such resignation or removal shall take effect only upon the appointment and qualification of a successor Trustee. In the event a successor Trustee has not been appointed and qualified within sixty (60) days of the date notice of resignation is given, the Trustee or the Lessee may apply to any court of competent jurisdiction for the appointment of a successor Trustee to act until such time as a successor is appointed as provided in this Section.

In the event of the resignation or removal of the Trustee or in the event the Trustee is dissolved or otherwise becomes incapable to act as the Trustee, the Lessee shall be entitled to appoint a successor Trustee, unless an Event of Default has occurred and is continuing.

Unless otherwise ordered by a court or regulatory body having competent jurisdiction, or unless required by law, any successor Trustee shall (i) be a trust company or bank in good standing and duly authorized to exercise trust powers within the State, (ii) be subject to examination by a federal or state authority, and (iii) maintain a reported surplus of not less than fifty million dollars (\$50,000,000).

Every successor Trustee howsoever appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Lessee an instrument in writing, accepting such

appointment hereunder, and thereupon such successor Trustee, without further action, shall become fully vested with all the rights, immunities, powers, trusts, duties and obligations of its predecessor, and such predecessor shall execute and deliver an instrument transferring to such successor Trustee all the rights, power and trusts of such predecessor. The predecessor Trustee shall execute any and all documents necessary or appropriate to convey all interest it may have to the successor Trustee. The predecessor Trustee shall promptly deliver all records relating to the trust or copies thereof and communicate all material information it may have obtained concerning the trust to the successor Trustee.

Each successor Trustee, not later than ten (10) days after its assumption of the duties hereunder, shall mail a notice of such assumption to each Owner of a Certificate.

Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible as a successor Trustee under Section 9.6 hereof in the case of the Trustee, shall be the successor to such Trustee, without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 9.7 Proof of Claim. The Trustee shall have the right and power to take actions in the name and place of the Lessee or Owners to make proof of claim in any proceeding, bankruptcy, reorganization or otherwise where proof of claim may be required. Any amount recovered as a result of any such claim, after payment of all fees (including reasonable attorneys' fees), costs, expenses and advances incurred by the Trustee or its agents in pursuing such claim, shall be for the equal benefit of all of the Owners.

Section 9.8 Trustee's Fees and Expenses. The Lessee hereby covenants and agrees (i) to pay as Additional Rent to the Trustee reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), (ii) to reimburse as Additional Rent the Trustee upon request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Trust Agreement (including the reasonable compensation and the expenses and disbursements of its counsel and its agents), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith or willful misconduct or breach of trust, and (iii) to indemnify and hold the Trustee harmless for, from and against any loss, liability or expense, arising out of or in connection with the acceptance or administration of this trust or its duties hereunder, including the costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder; provided, however, that such indemnification shall not extend to claims successfully brought against the Trustee for, or losses, liabilities or expenses incurred as a result, of the Trustee's negligence, bad faith, willful misconduct or breach of trust. The Trustee's rights to compensation, reimbursement and indemnity while serving as Trustee hereunder shall survive resignation or removal of the Trustee or discharge of the Trust Agreement.

Any provision hereof to the contrary notwithstanding, if the Lessee fails to make any payment properly due the Trustee for its reasonable fees, costs, expenses and fees of attorneys, certified public accountants, recognized authorities in their field and agents (not employees of the Trustee) incurred in performance of its duties or for which the Trustee is entitled to indemnity, the Trustee may reimburse itself from any surplus moneys on hand in any fund or account created pursuant hereto, provided that application of funds upon an Event of Default shall be governed by Section 13.3 hereof.

Section 9.9 Intervention by Trustee. The Trustee may intervene on behalf of the Owners, and shall intervene if requested by an instrument or instruments in writing signed by the Owners of not less than a majority in Aggregate Value of the Certificates Outstanding, in any judicial proceeding to which the Lessee is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interest of Owners of the Certificates. The rights and obligations of the Trustee under this Section are subject to the approval of that intervention by a court of competent jurisdiction. The Trustee may require that a satisfactory indemnity bond be provided to it in accordance with Section 9.1 hereof before it takes action hereunder.

Section 9.10 Destruction of Certificates. Upon payment of or surrender to the Trustee for cancellation of any Certificate, the Trustee shall destroy such Certificate.

Section 9.11 Reports. The Trustee shall quarterly, or at such other intervals as the Trustee and the Lessee shall from time to time agree upon (but in no event less frequently than semiannually or more frequently than monthly), prepare and submit to the Lessee reports covering all moneys received and all payments, expenditures and investments made as the Trustee hereunder since the last previous such report.

Section 9.12 Separate or Co-Trustee. At any time or times, solely for the purpose of meeting the legal requirements of any jurisdiction, the Lessee and the Trustee shall have power to appoint, and, upon the request of the Trustee or the Owners of at least a majority in aggregate principal amount of Certificates then Outstanding, the Lessee shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint, one or more persons, approved by the Trustee and, unless an Event of Default has occurred and is continuing by the Lessee, either to act as co-trustee or co-trustees, jointly with the Trustee of all or any part of the pledged property, or to act as separate trustee or separate trustees of all or any part of the pledged property, and to vest in such person or persons, in such capacity, such title to the pledged property or any part thereof, and such rights, powers, duties, trusts or obligations as the Lessee and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

If the Lessee shall not have joined in such appointment within fifteen (15) days after the receipt by it of a request so to do, or in case an Event of Default shall have occurred and be continuing, the Trustee alone shall have power to make such appointment.

The Lessee shall execute, acknowledge and deliver all such instruments as may reasonably be required by any such co-trustee or separate trustee for more fully and certainly vesting in such co-trustee or separate trustee the property, rights, powers and duties intended to

be vested in such co-trustee or separate trustee. The Lessee shall be under no obligation to prepare any such instruments.

Every co-trustee or separate trustee shall, to the extent permitted by law but to such extent only, be appointed subject to the following terms, namely:

(a) The Certificates shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations hereby conferred upon the trustee in respect to the custody, control and management of moneys, papers, securities and other personal property shall be exercised solely by the trustee.

(b) All rights, powers, trusts, duties and obligations conferred or imposed upon the trustees shall be conferred or imposed upon and exercised or performed by the Trustee, or by the Trustee and such co-trustee or co-trustees or separate trustee or separate trustees jointly, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(c) Any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee and such co-trustee or separate trustee shall abide by such request.

(d) Any co-trustee or separate trustee may, to the extent permitted by law, delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise.

(e) The Trustee may at any time, by any instrument in writing, with the concurrence of the Lessee, accept the resignation of or remove any co-trustee or separate trustee appointed under this Section, and, in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Lessee. Upon the request of the Trustee, the Lessee shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. The Lessee shall be under no obligation to prepare, record or file any such instruments or agreements.

(f) No Trustee hereunder shall be personally liable by reason of any act or omission of any other Trustee hereunder, nor will the act or omission of any Trustee hereunder be imputed to any other Trustee.

(g) Any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing delivered to the Trustee shall be deemed to have been delivered to each such co-trustee or separate trustee.

(h) Any moneys, papers, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

Certificates required for the affirmative vote or written consent to an amendment or modification of the Ground Lease, the Lease-Purchase Agreement or this Trust Agreement, or (iii) modify any of the rights or obligations of the Trustee without its written assent thereto. Any such supplemental agreement shall become effective as provided in Section 10.2 hereof.

This Trust Agreement, the rights and obligations of the Owners of the Certificates, and the Ground Lease and the Lease-Purchase Agreement and the rights and obligations of the parties thereto, may be modified or amended at any time by a supplemental agreement, without the consent of any Owners of the Certificates, but only to the extent permitted by law and only (i) to add to the covenants and agreements of any party other covenants to be observed or to surrender any right or power herein reserved to the Lessor or the Lessee, (ii) to cure, correct or supplement any ambiguous or defective provision contained herein or therein, (iii) in regard to questions arising hereunder or thereunder, as the parties hereto or thereto may deem necessary or desirable and which shall not, in the judgment of the Trustee, materially adversely affect the interests of the Owners of the Certificates, or (iv) to provide additional terms and conditions in connection with the issuance of Additional Certificates in accordance with Section 2.11 hereof and which shall not, in the judgment of the Trustee, materially adversely affect the interests of the Owners of the Certificates. Any such supplemental agreement shall become effective upon execution and delivery by the parties hereto or thereto as the case may be.

Section 10.2 Procedure for Amendment with Written Consent of Certificate Owners. This Trust Agreement, the Ground Lease and the Lease-Purchase Agreement may be amended by supplemental agreement as provided in this Section 10.2 in the event the consent of the Owners of the Certificates is required pursuant to Section 10.1 hereof. A copy of such supplemental agreement, together with a request to the Certificate Owners for their consent thereto, shall be mailed by first class United States mail postage prepaid by the Trustee to each Owner of a Certificate at his address as set forth on the Certificate Register maintained pursuant to Section 2.10 hereof, but failure to mail copies of such supplemental agreement and request shall not affect the validity of the supplemental agreement when assented to as in this Section provided.

Such supplemental agreement shall not become effective unless there shall be filed with the Trustee the written consents of the Owners of a majority in Aggregate Value of the Certificates then Outstanding (exclusive of Certificates disqualified as provided in Section 10.3 hereof) and a notice shall have been mailed as hereinafter in this Section provided. The consent of an Owner of a Certificate shall be effective only if ownership of the Certificates for which such consent is given is proved in accordance with Section 2.9 hereof. Any such consent shall be binding upon the Owner of the Certificate giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof) unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Certificates shall have filed their consents to such supplemental agreement, the Trustee shall mail a notice to the Owners of the Certificates in the manner hereinbefore provided in this Section for the mailing of such supplemental agreement of the notice of adoption thereof, stating in substance that such supplemental

agreement has been consented to by the Owners of the required percentage of Certificates and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of such supplemental agreement or consents thereto). A record, consisting of the papers required by this Section to be filed with the Trustee, shall be conclusive proof of the matters therein stated. Such supplemental agreement shall become effective upon the mailing of such last-mentioned notice, and such supplemental agreement shall be deemed conclusively binding upon the parties hereto and the Owners of all Certificates at the expiration of sixty (60) days after the filing of the papers required by this Section, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty (60) day period.

Section 10.3 Disqualified Certificates. Certificates owned or held by or for the account of the Lessee or by any person directly or indirectly controlled by, or under direct or indirect common control with, the Lessee (except any Certificates held in any pension or retirement fund) shall not be deemed Outstanding for the purpose of any vote, consent, waiver or other action or any calculation of Outstanding Certificates provided for in this Trust Agreement and shall not be entitled to vote upon, consent to or take any other action provided for in this Trust Agreement.

Section 10.4 Effect of Supplemental Agreement. From and after the time any supplemental agreement becomes effective pursuant to this Article X, this Trust Agreement, the Ground Lease or the Lease-Purchase Agreement, as the case may be, shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners of Certificates Outstanding, as the case may be, shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modification and amendment, and all the terms and conditions of any supplemental agreement shall be deemed to be part of the terms and conditions of this Trust Agreement, the Ground Lease or the Lease-Purchase Agreement, as the case may be, for any and all purposes.

The Trustee may require each Certificate Owner, before his consent provided for in this Article X shall be deemed effective, to certify that the Certificates as to which such consent is given are not disqualified as provided in Section 10.3 hereof.

Section 10.5 Endorsement or Replacement of Certificates Delivered After Amendments. The Trustee may determine that Certificates delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the Trustee, as to such action. No such notation shall be made by the Trustee unless the Trustee shall have received an opinion of Special Counsel to the effect that such modification of the Certificate form will not adversely effect the exclusion from gross income for federal income tax purposes of the interest component of Lease Payments paid with respect to the Certificates. In that case, upon demand of the Owner of any Certificate Outstanding at such effective date and presentation of his Certificate for such purpose at the principal corporate trust office of the Trustee, a suitable notation shall be made on such Certificate. The Trustee may determine that the delivery of substitute Certificates, so modified as in the opinion of the Trustee is necessary to conform to such Certificate Owners' action, is necessary and such substitute Certificates shall thereupon be prepared, executed and delivered. In that case, upon demand of the Owner of any Certificate then Outstanding, such substitute

Certificate shall be exchanged at the principal corporate trust office of the Trustee, without cost to such Owner, for a Certificate of the same character then Outstanding, upon surrender of such Outstanding Certificate.

Section 10.6 Amendatory Endorsement of Certificates. The provisions of this Article X shall not prevent any Certificate Owner from accepting any amendment as to the particular Certificates held by him, provided that proper notation thereof is made on such Certificates.

ARTICLE XI COVENANTS; NOTICES

Section 11.1 Compliance With and Enforcement of Lease-Purchase Agreement. The Lessee covenants and agrees with the Owners of the Certificates to perform all obligations and duties imposed on it under the Lease-Purchase Agreement.

Subject to Section 4.2(b) of the Lease-Purchase Agreement, the Lessee will not do or permit anything to be done, or omit or refrain from doing anything, in any case where any such act done or permitted to be done, or any such omission of or refraining from action, would or might be a ground for cancellation or termination of the Lease-Purchase Agreement by the Lessor thereunder. The Lessor and the Lessee, immediately upon receiving or giving any notice, communication or other document in any way relating to or affecting their respective estates, or either of them, in the Leased Property, which may or can in any manner affect such estate of the Lessee, will deliver the same, or a copy thereof, to the Trustee.

Section 11.2 Observance of Laws and Regulations. The Lessee will well and truly keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on it by contract or prescribed by any law of the United States, of the State or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of any and every right, privilege or franchise now owned or hereafter acquired by the Lessee, including its right to exist as a body corporate under the laws of the State, to the end that such rights, privileges and franchises shall be maintained and preserved and shall not become abandoned, forfeited or in any manner impaired.

Section 11.3 Prosecution and Defense of Suits. The Lessee shall promptly, upon request of the Trustee or any Certificate Owner, from time to time take such action as may be necessary or proper to remedy or cure any defect in or cloud upon the title to the Leased Property, whether now existing or hereafter developing and shall prosecute all such suits, actions and other proceedings as may be appropriate for such purpose and, to the extent permitted by law, shall indemnify and save the Trustee and every Certificate Owner harmless for, from and against all loss, cost, damage and expense, including attorneys' fees, which they or any of them may incur by reason of any such defect, cloud, suit, action or proceeding.

Section 11.4 Recordation and Filing. The Lessee shall record and file the Lease-Purchase Agreement, and all such documents as may be required by law (and shall take all further actions which may be necessary or be reasonably required by the Trustee), all in such

manner, at such times and in such places as may be required by law in order fully to preserve, protect and perfect the security of the Trustee and the Certificate Owners.

Section 11.5 Further Assurances. The Lessor and the Lessee will make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Trust Agreement and the Lease-Purchase Agreement, and for the better assuring and confirming unto the Owners of the Certificates the rights and benefits provided herein.

Section 11.6 Action Upon Termination of Lease-Purchase Agreement. In the event the Lease-Purchase Agreement is terminated pursuant to Section 4.2(b) thereof, the Trustee shall take possession of the Leased Property on the day following the forty-five (45) day reinstatement period provided in Section 4.2(c) of the Lease-Purchase Agreement or seek a judicial order excluding, or take other action preventing, the Lessee from using the Leased Property and use its best efforts to re-let or sell the same. This covenant shall be enforceable by the Owners (subject to the requirements set forth in Section 13.8 hereof).

ARTICLE XII LIMITATION OF LIABILITY

Section 12.1 Limited Liability of Lessee. Except for the payment of Lease Payments and Prepayments when due in accordance with the Lease-Purchase Agreement and the payment of Additional Rent and the performance of the other covenants and agreements of the Lessee contained in said Lease-Purchase Agreement, including the payment of fees and expenses and indemnities of the Trustee, the Lessee shall have no pecuniary obligation or liability to any of the other parties or to the Owners of the Certificates with respect to this Trust Agreement or the terms, execution, delivery or transfer of the Certificates, or the distribution of Lease Payments to the Owners by the Trustee.

Section 12.2 No Liability of the Lessee for Trustee Performance. The Lessee shall have no obligation or liability to any of the other parties or to the Owners of the Certificates with respect to the performance by the Trustee of any duty imposed upon it under this Trust Agreement.

Section 12.3 Indemnification. To the extent permitted by law, the Lessee agrees to indemnify and save the Trustee harmless for, from and against (i) all claims, suits and actions brought against it, or to which it is made a party, and from all losses and damages and expenses, including attorneys fees, suffered or incurred by it as a result thereof, where and to the extent such claim, suit or action arises out of the actions of any other party to this Trust Agreement including but not limited to the ownership, operation or use of the Leased Property by the Lessee, and (ii) any taxes required to be paid by the Trustee as a result of the receipt of any amounts under the Lease-Purchase Agreement. Such indemnification shall not extend to claims, suits and actions successfully brought against the Trustee for failure to perform and carry out the duties specifically imposed upon and to be performed by it pursuant to this Trust Agreement. In the event the Lessee is required to indemnify the Trustee as herein provided, the Lessee shall be subrogated to the rights of the Trustee to recover such losses or damages from any other person or entity.

Section 12.4 Opinion of Counsel. Before being required to take any action, the Trustee may require an opinion of Independent Counsel acceptable to the Trustee, which opinion shall be made available to the other parties hereto upon request, which counsel may be counsel to any of the parties hereto, or a verified certificate of any party hereto, or both, concerning the proposed action. If it does so in good faith, Trustee shall be absolutely protected in relying thereon.

Section 12.5 Limitation of Rights to Parties and Certificate Owners. Nothing in this Trust Agreement or in the Certificates expressed or implied is intended or shall be construed to give any person other than the Lessee, the Lessor, the Trustee and the Owners of the Certificates, any legal or equitable right, remedy or claim under or in respect of this Trust Agreement or any covenant, condition or provision hereof, and all such covenants, conditions and provisions are and shall be for the sole and exclusive benefit of the Lessee, the Lessor, the Trustee and said Owners.

Section 12.6 No Liability of the Trustee for Payment of Lease Payments by Lessee. Except as expressly provided herein, the Trustee shall have no obligation or liability to the Owners of the Certificates with respect to the payment of the Lease Payments by the Lessee when due, or with respect to the performance by the Lessee of any other covenant made by it in the Lease-Purchase Agreement.

ARTICLE XIII EVENTS OF DEFAULT AND REMEDIES OF CERTIFICATE OWNERS

Section 13.1 Rights Under the Lease. The Trustee has the right to exercise such rights and remedies conferred on the Lessor pursuant to the Lease-Purchase Agreement as may be necessary or convenient (i) to enforce payment of the Lease Payments, Additional Rent, Prepayments and any other amounts required to be deposited in the Lease Payment Fund, the Rebate Fund or the Insurance and Condemnation Fund, and (ii) to otherwise exercise the Lessor's rights and take any action to protect the interests of the Trustee or the Certificate Owners in an Event of Default.

Section 13.2 Remedies. If an Event of Default shall happen, then and in each and every such case during the continuance of such Event of Default, the Trustee (i) shall take action to exclude the Lessee from the Leased Property, and (ii) may with the prior written consent of the Owners of not less than five percent (5 %) in aggregate principal amount of Certificates then Outstanding, shall exercise any and all other remedies available pursuant to law or granted pursuant to the Lease-Purchase Agreement including the option to re-rent or re-lease all or any portion of the Leased Property pursuant to Article IX thereof. Upon the occurrence and continuance of any Event of Default, the Trustee may with the prior written consent of the Owners of not less than five percent (5%) in aggregate principal amount of Certificates then Outstanding, shall, declare the principal amount of the Certificates then Outstanding to be immediately due and payable, whereupon such principal amount shall, without further action, become and be immediately due and payable, anything in this Trust Agreement or in the Certificates to the contrary notwithstanding; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay

Lease Payments and Additional Rent only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement. The Trustee shall give notice of such declaration of acceleration to the Lessee and shall give notice thereof by first-class mail to Owners of all Certificates then Outstanding.

Section 13.3 Application of Funds. Upon an Event of Default, all moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article XIII or Article IX of the Lease-Purchase Agreement shall be applied by the Trustee in the order following upon presentation of the Certificates, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the ordinary and extraordinary fees and the costs and expenses of the Trustee in declaring and pursuing remedies in connection with such Event of Default, including reasonable compensation to its or their agents, attorneys and counsel;

Second, to the payment of amounts, if any, payable pursuant to the Tax Compliance Certificate;

Third, to the payment of the whole amount then owing and unpaid with respect to the Certificates, whether by acceleration or otherwise, for principal and interest, with interest on the overdue principal and, to the extent lawful, installments of interest at the rate of ten percent (10%) per annum (but such interest on overdue installments of interest shall be paid only to the extent funds are available therefor following payment of principal and interest and interest on overdue principal, as aforesaid), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid with respect to the Certificates, then to the payment of such principal and interest without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, ratably to the aggregate of such principal and interest.

Section 13.4 Institution of Legal Proceedings. If one or more Events of Default shall happen and be continuing, the Trustee in its discretion may with the prior written consent of the Owners of a majority in Aggregate Value of the Certificates shall proceed to protect or enforce its rights or the rights of the Owners of Certificates by a suit in equity or action at law, either for the specific performance of any covenant or agreement contained herein, the foreclosure of any lien granted herein, or in aid of the execution of any power herein granted, or by mandamus or other appropriate proceeding for the enforcement of any other legal or equitable remedy as the Trustee shall deem most effectual in support of any of its rights or duties hereunder.

Section 13.5 Non-waiver. Nothing in this Article XIII or in any other provision of this Trust Agreement or in the Certificates, shall affect or impair the obligation of the Lessee, which is absolute and unconditional, to pay or prepay the Lease Payments and Additional Rent as provided in the Lease-Purchase Agreement, or affect or impair the right of action, which is also absolute and unconditional, of the Certificate Owners to institute suit to enforce and collect such payment. No delay or omission of the Trustee or of any Owner of any of the Certificates to

exercise any right or power arising upon the happening of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein, and every power and remedy given by this Article XIII to the Trustee or the Owners of Certificates may be exercised from time to time and as often as shall be deemed expedient by the Trustee or the Certificate Owners.

Section 13.6 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Certificate Owners is intended to be exclusive of any other remedy, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise.

Section 13.7 Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in Aggregate Value of the Certificates then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Certificates, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, without the consent of the Owners of a majority in Aggregate Value of the Certificates.

Section 13.8 Limitation on Certificate Owners' Right to Sue. No Owner of any Certificate issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Trust Agreement, unless (i) such Owner shall have previously given to the Trustee written notice of the occurrence of an Event of Default hereunder, (ii) the Owners of at least a majority in Aggregate Value of all the Certificates then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) said Owners shall have tendered to the Trustee reasonable indemnity against the costs, expenses, and liabilities to be incurred in compliance with such request, and (iv) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Certificates of any remedy hereunder; it being understood and intended that no one or more Owners of Certificates shall have any right in any manner whatever by his or their action to enforce any right under this Trust Agreement, except in the manner herein provided, and that all proceedings at law or in equity with respect to an Event of Default shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Certificates.

The right of any Owner of any Certificate to receive payment of said Owner's proportionate interest in the Lease Payments as the same become due or to institute suit for the enforcement of such payment, shall not be impaired or affected without the consent of such

Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Trust Agreement.

Section 13.9 Notice of Default.

(a) Within thirty (30) days after (i) the occurrence of an Event of Default under clause (iii) of the definition thereof in the Lease-Purchase Agreement, or (ii) receipt, in writing or otherwise, by the Trustee of actual knowledge or notice of an Event of Default under clauses (i) or (ii) of the definition thereof, the Trustee shall give written notice thereof by first-class mail to each Owner of a Certificate then Outstanding, unless such Event of Default shall have theretofore been cured; provided that, except in the case of a default in the payment of principal or the redemption price of or interest on any of the Certificates, the Trustee may withhold such notice if, in its sole judgment, it determines that the withholding of such notice is in the best interests of the Owners.

(b) The Trustee shall immediately notify the Lessee of (i) the occurrence of an Event of Default under clause (iii) of the definition thereof, and (ii) when the Trustee has received actual knowledge or notice, in writing or otherwise, of an Event of Default under clause (i) or (ii) of the definition thereof.

Section 14.1 Defeasance. If and when any Outstanding Certificates shall be paid and discharged in any one or more of the following ways:

(a) By well and truly paying or causing to be paid the principal of and interest and redemption premiums (if any) with respect to such Certificates Outstanding, as and when the same become due and payable;

(b) By making an irrevocable deposit with the Trustee, in trust, at or before maturity, of money which, together with the amounts then on deposit in the Lease Payment Fund is fully sufficient to pay such Certificates Outstanding, including all principal of and interest and premium, if any;

(c) By making an irrevocable deposit with the Trustee, in trust, of Defeasance Obligations, together with other money, if required, in such amount as will, in the opinion of an independent certified public accountant acceptable to the Trustee, together with the interest to accrue thereon, but without reinvestment thereof, and amounts then on deposit in the Lease Payment Fund together with the interest to accrue thereon, but without reinvestment, be fully sufficient to pay and discharge such Certificates (including all principal, interest and redemption premiums) at or before their respective maturity dates and pay all unpaid Additional Rent; or

Prepayment Date, pursuant to Section 10.1 of the Lease-Purchase Agreement; notwithstanding that any Certificates shall not have been surrendered for payment, all obligations of the Lessor, the Trustee and the Lessee with respect to such Outstanding Certificates shall cease and terminate, except only the obligation of the Trustee to pay or cause to be paid, from Lease Payments paid by or on behalf of the Lessee from funds deposited pursuant to paragraphs (b) through (d) of this Section, to the Owners of the Certificates not so surrendered and paid all sums due with respect thereto, and in the event of deposits pursuant to paragraphs (b) through (d), the Certificates shall continue to represent direct and proportionate interests of the Owners thereof in Lease Payments under the Lease-Purchase Agreement.

Other than as required by the Tax Compliance Certificate, any funds held by the Trustee, at the time of one of the events described in paragraphs (a) through (d) of this Section, which are not required for the payment to be made to Owners, shall first be applied to the payment of Additional Rent and, thereafter, be paid over to the Lessee, subject to Section 9.8 hereof.

Any Certificate or portion thereof in authorized denominations may be paid and discharged as provided in this Section; provided, however, that if any such Certificate or portion thereof is to be redeemed, notice of such redemption shall have been given in accordance with the provisions hereof or the Lessee shall have submitted to the Trustee instructions expressed to be irrevocable as to the date upon which such Certificate or portion thereof is to be redeemed and as to the giving of notice of such redemption; provided further, that if any such Certificate or portion thereof will not mature or be redeemed within sixty (60) days of the deposit referred to in paragraphs (b) through (d) of this Section, the Trustee shall give notice of such deposit by first class mail to the Owners.

If the Lessee prepays the Lease Payments and Additional Rent in full pursuant to Article X of the Lease-Purchase Agreement, makes the advance deposit required by Section 10.1 of the Lease-Purchase Agreement or pays all Lease Payments and Additional Rent during the term of the Lease-Purchase Agreement as the same become due and payable, all right, title and interest of the Trustee and the Lessor in and to each element of the Leased Property shall be transferred to and vested in the Lessee. Title shall be transferred to and vested in the Lessee hereunder without the necessity for any further instrument of transfer; but the Trustee and the Lessor agree to take any and all steps and execute and record any and all documents reasonably required by the Lessee to consummate such transfer of title.

Section 14.2 Records. The Trustee shall keep complete and accurate records of all moneys received and disbursed under this Trust Agreement, which shall be available for inspection by the Lessee and any Owner, or the agent of any of them, at any time during regular business hours of the corporate trust department of the Trustee.

Section 14.3 Notices. All written notices to be given under this Trust Agreement shall be given by mail or personal delivery to the party entitled thereto at its address set forth below, or at such address as the party may provide to the other party in writing from time to time. Notice shall be effective upon deposit in the United States mail, postage prepaid or, in the case of personal delivery, upon delivery to the address set forth below, except that notice to the Trustee shall be effective only upon receipt by an officer of the Trustee responsible for the administration of the trusts created under this Trust Agreement:

Section 14.4 Governing Law. This Trust Agreement shall be construed and governed in accordance with the laws of the State.

Section 14.5 Binding Effect; Successors. This Trust Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Trust Agreement either the Lessor, the Lessee or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Trust Agreement contained by or on behalf of the Lessor, the Lessee or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 14.6 Execution in Counterparts. This Trust Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 14.7 Destruction of Cancelled Certificates. Whenever in this Trust Agreement provision is made for the surrender to or cancellation by the Trustee and the delivery to the Lessee of any Certificates, the Trustee may, upon the request of the Lessee Representative, in lieu of such cancellation and delivery, destroy such Certificates and deliver a certificate of such destruction to the Lessee.

Section 14.8 Headings. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Trust Agreement. All references herein to "Articles," "Sections," and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Trust Agreement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this Trust Agreement as a whole and not to any particular Article, Section or subdivision hereof.

Section 14.9 Waiver of Notice. Whenever in this Trust Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

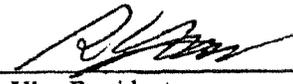

Section 14.10 Severability of Invalid Provisions. In case any one or more of the provisions contained in this Trust Agreement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this Trust Agreement, and this Trust Agreement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this Trust Agreement and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Trust Agreement may be held illegal, invalid or unenforceable.

Section 14.11 Cancellation of Contracts. As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Trust Agreement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Trust Agreement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Trust Agreement on behalf of the Lessee within 3 years from execution of this Trust Agreement, unless a waiver of A.R.S. §38-511 is provided by the Lessee's Board of Supervisors.

THIS IS TO CERTIFY that the Registered Owner identified above, or registered assigns, as the Registered Owner of this Certificate of Participation, Series 2008 (the "2008 Certificate") is the owner of an undivided proportionate interest in the right to receive certain Lease Payments and Prepayments thereof under and defined in that certain Lease-Purchase Agreement, dated as of June 1, 2008 (the "Lease-Purchase Agreement"), by and between U.S. Bank National Association, as trustee (the "Lessor") and Pima County, Arizona (the "Lessee"), which Lease Payments and Prepayments and certain other rights and interests under the Lease-Purchase Agreement are held by U.S. Bank National Association, as trustee (the "Trustee"), at its designated corporate trust office.

The Registered Owner of this 2008 Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2008, and semiannually

thereafter on December 1 and June 1 of each year (the "Interest Payment Dates") until payment in full of said portion of principal, the Registered Owner's proportionate share of the Lease Payments designated as interest coming due preceding each of the Interest Payment Dates; provided that interest with respect hereto shall be payable from the Interest Payment Date next preceding the date of execution of this 2008 Certificate (unless (i) this 2008 Certificate is executed prior to December 1, 2008, in which event interest shall be payable from the Dated Date identified above, (ii) this 2008 Certificate is executed on an Interest Payment Date, in which event interest shall be payable from such Interest Payment Date, or (iii) this 2008 Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding an Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any 2008 Certificates of the issue of which this is one, interest hereon shall be payable from the Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2008, interest shall be payable from the Dated Date identified above, unless this 2008 Certificate is executed after a Special Record Date (as defined in the hereinafter-described Trust Agreement) and before the following Special Interest Payment Date (as defined in the Trust Agreement), in which event interest shall be payable from the scheduled Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amounts representing the Registered Owner's share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such Interest Payment Date (the "Record Date"), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of \$1,000,000 or more in aggregate principal amount of 2008 Certificates as of the close of business of the Trustee on the Record Date for a particular Interest Payment Date or, if applicable, the Special Record Date for a particular Special Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner's expense) on the Interest Payment Date or Special Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such Interest Payment Date or, if applicable, the Special Record Date for such Special Interest Payment Date. Said amounts representing the Registered Owner's share of the Lease Payments designated as principal are payable when due upon surrender of this 2008 Certificate at the principal corporate trust office of the Trustee.

This 2008 Certificate has been executed and delivered by the Trustee pursuant to the terms of a Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the

"Trust Agreement"), and is one of a series of certificates limited in aggregate principal amount to \$50,000,000 (the 2008 Certificates, together with any additional certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates"). The Lessee is authorized to enter into the Lease-Purchase Agreement and the Trust Agreement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2008 Certificates are delivered, the rights thereunder of the Registered Owners of the 2008 Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2008 Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including June 1, 2011, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5 %) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2008 Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2008 Certificate. Upon such transfer a new 2008 Certificate or 2008 Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2008 Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2008 Certificates are not subject to optional redemption prior to maturity.

The 2008 Certificates are subject to redemption on any Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2008 Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2008 Certificate shall not affect the validity of the proceedings for the redemption of any other 2008 Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2008 Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

ARTICLE II THE 2009 CERTIFICATES

Section 2.1 Authorization.

(a) The Trustee is hereby authorized and directed to prepare, execute and deliver, to the Original Purchaser, 2009 Certificates in an aggregate principal amount of \$34,400,000, evidencing proportionate ownership interests in the Lease Payments and the Prepayments.

(b) Except as provided in Section 2.11 of the Original Trust Indenture, as supplemented by this First Supplement, the Trustee shall not at any time while the Certificates are Outstanding execute and deliver additional certificates payable from the Lease Payments and secured by a lien and charge upon the Leased Property on a parity with or prior to the lien and charge securing the Outstanding Certificates hereunder.

Section 2.2 General Terms of 2009 Certificates. The 2009 Certificates shall be executed and delivered only in fully registered form, without coupons, and shall be numbered from one upwards, in the order of their execution, with any other designation as the Trustee deems appropriate. The 2009 Certificates shall be subject to redemption prior to their specified principal payment dates as provided in Article IV hereof.

Each 2009 Certificate shall bear the dated date of the date of the initial delivery thereof, and shall also bear the date of its execution and interest with respect thereto shall be payable from the 2009 Interest Payment Date next preceding the date of execution thereof, unless (i) it is executed prior to December 1, 2009, in which event interest with respect thereto shall be payable from the date of delivery of the 2009 Certificates, (ii) it is executed as of a 2009 Interest Payment Date, in which event interest with respect thereto shall be payable from such date of execution, or (iii) it is executed after a Regular Record Date and before the following 2009 Interest Payment Date, in which event interest with respect thereto shall be payable from such 2009 Interest Payment Date; provided, however, that if, as of the date of execution of any 2009 Certificate, interest is in default with respect to any Outstanding 2009 Certificates, interest with respect to such 2009 Certificate shall be payable from the 2009 Interest Payment Date to which interest has previously been paid or made available for payment with respect to the Outstanding 2009 Certificates, or, if prior to December 1, 2009, interest shall be payable from the dated date

thereof, unless it is executed after a Special Record Date and before the following Special 2009 Interest Payment Date, in which event interest with respect thereto shall be payable from the scheduled 2009 Interest Payment Date next preceding such date of execution.

Payment of interest on any 2009 Certificate on any 2009 Interest Payment Date or any Special 2009 Interest Payment Date shall be made to the person appearing on the Register as the Owner thereof as of the Regular Record Date immediately preceding such 2009 Interest Payment Date or, if applicable, the Special Record Date immediately preceding such Special 2009 Interest Payment Date. Such interest shall be paid by (i) check or draft mailed to such Owner at his address as it appears on the Register or at such other address as he may have filed with the Trustee for that purpose, or (ii) to any Owner of \$1,000,000 or more in aggregate principal amount of 2009 Certificates, as of the close of business of the Trustee on the Regular Record Date for a particular 2009 Interest Payment Date or, if applicable, the Special Record Date for a Special 2009 Interest Payment Date, by wire transfer in immediately available funds sent on the 2009 Interest Payment Date or Special 2009 Interest Payment Date, as the case may be, to any bank or trust company in the continental United States, in accordance with written notice from such Owner containing the wire transfer address, which written notice is received not later than five (5) days before the Regular Record Date with respect to such 2009 Interest Payment Date or, if applicable, the Special Record Date for any Special 2009 Interest Payment Date, it being understood that such notice may refer to multiple interest payments.

In the event there are insufficient funds available on any 2009 Interest Payment Date to pay the interest then due on the 2009 Certificates, the Regular Record Date shall no longer be applicable with respect to the 2009 Certificates. If sufficient funds for the payment of such interest thereafter become available, the Trustee shall immediately establish a Special 2009 Interest Payment Date for the payment of the overdue interest and a Special Record Date for determining the Owners entitled to such payments. Notice of the establishment of any such Special 2009 Interest Payment Date and Special Record Date shall be mailed by the Trustee to each Owner not less than ten (10) days prior to the Special Record Date nor more than thirty (30) days prior to the Special 2009 Interest Payment Date. Such overdue interest shall be paid on the Special 2009 Interest Payment Date to the Owners of the 2009 Certificates as of the Special Record Date.

Section 2.3 Maturity; Interest Rates.

(a) The 2009 Certificates shall be in the denomination of \$5,000 or any integral multiple thereof (except that no 2009 Certificate may have principal maturing in more than one year) and shall mature on the dates and in the principal amounts, and interest with respect thereto shall be computed at the rates, as shown below:

2009 Certificates

<u>Maturity Date</u> <u>(June 1)</u>	<u>Amount</u>	<u>Interest</u> <u>Rate</u>
2010	\$20,000,000	3.000%
2011	10,000,000	4.000
2012	4,400,000	4.000

(b) Interest with respect to the 2009 Certificates shall be payable on December 1, 2009, and thereafter semiannually on December 1 and June 1 of each year to and including the date of maturity or redemption, whichever is earlier. Said interest shall represent the portion of Lease Payments designated as interest and coming due during the six (6) month period preceding each 2009 Interest Payment Date with respect to the 2009 Certificates or in the case of the first Lease Payment, the period since the dated date of the 2009 Certificates. The proportionate share of the portion of Lease Payments designated as interest with respect to any 2009 Certificate shall be computed by multiplying the portion of Lease Payments designated as principal with respect to such 2009 Certificate by the rate of interest applicable to such 2009 Certificate (on the basis of a 360-day year of twelve 30-day months).

Section 2.4 Form of the 2009 Certificates. The 2009 Certificates shall be in fully registered form without coupons. The fully registered form of the 2009 Certificates and the assignment to appear thereon shall be substantially in the forms set forth in Exhibit A attached hereto and by this reference incorporated herein, with such necessary or appropriate variations, omissions and insertions.

Section 2.5 Execution. The 2009 Certificates shall be executed by and in the name of the Trustee by the manual signature of an authorized representative of the Trustee. If any officer whose signature appears on any 2009 Certificate ceases to be such officer before the date of delivery thereof, such signature shall nevertheless be as effective as if the officer had remained in office until such date of delivery. Any 2009 Certificate may be executed on behalf of the Trustee by such person as at the actual date of the execution of such 2009 Certificate shall be the proper officer of the Trustee although at the nominal date of such 2009 Certificate such person shall not have been such officer of the Trustee.

Section 2.6 Application of Proceeds and Other Moneys. The proceeds received by the Trustee from the sale of the 2009 Certificates shall forthwith be set aside by the Trustee in the following respective funds and accounts and in the following order of priority:

- (a) The Trustee shall deposit into the 2009 Delivery Costs Fund, an amount equal to \$131,500.00.
- (b) The Trustee shall deposit into the 2009 Project Fund, an amount equal to \$34,864,732.00 of proceeds of the 2009 Certificates.

Section 2.7 Registration, Transfer and Exchange of 2009 Certificates.

(a) All 2009 Certificates issued hereunder shall be negotiable, subject to the provisions for registration and transfer thereof contained herein or in the 2009 Certificates.

(b) So long as any 2009 Certificates are Outstanding, the Trustee shall maintain at its designated office books for the registration and transfer of 2009 Certificates, and shall provide for the registration and transfer of any 2009 Certificate under such reasonable regulations as the Trustee may prescribe. The Trustee shall act as registrar for purposes of exchanging and registering 2009 Certificates in accordance with the provisions hereof.

(c) Each 2009 Certificate shall be transferable only upon the Register by the Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner thereof or his duly authorized attorney. Upon surrender for transfer of any 2009 Certificate, the Trustee shall execute and deliver, in the name of the transferee, one or more new 2009 Certificates, of the same aggregate principal amount and maturity as the surrendered 2009 Certificate.

(d) Any 2009 Certificate, upon surrender thereof to the Trustee together with written instructions satisfactory to the Trustee, duly executed by the Owner thereof or his attorney duly authorized in writing, may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of 2009 Certificates with the same maturity of any other authorized denominations.

(e) All 2009 Certificates surrendered in any exchange or transfer of 2009 Certificates shall forthwith be cancelled by the Trustee.

(f) In connection with any such exchange or transfer of 2009 Certificates, the Owner requesting such exchange or transfer shall as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer.

(g) The Trustee may but shall not be obligated to exchange or register the transfer of any 2009 Certificate (i) which has been called or selected for call for redemption in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of redemption. If the transfer of any 2009 Certificate which has been called or selected for call for redemption in whole or in part is registered, any notice of redemption which has been given to the transferor shall be binding upon the transferee and a copy of the notice of redemption shall be delivered by the Trustee to the transferee along with the 2009 Certificate or 2009 Certificates.

Section 2.8 Mutilated, Lost, Destroyed and Stolen Certificates. If (i) any mutilated 2009 Certificate is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any 2009 Certificate, and (ii) there is delivered to the Trustee such security or indemnity as may be required by the Trustee to hold it harmless, then, in the absence of written notice to the Trustee that such 2009 Certificate has been acquired by a bona fide purchaser and upon the Owner paying the reasonable expenses of the Trustee, the Trustee shall cause to be executed and shall deliver, in exchange for such mutilated 2009 Certificate or in lieu of such destroyed, lost or stolen 2009 Certificate, a new 2009 Certificate of like principal amount, date and tenor. If the principal of any such mutilated, destroyed, lost or stolen 2009 Certificate has become, or will on or before the next 2009 Interest Payment Date become, due and payable, the Trustee may, in its discretion, pay such 2009 Certificate when due instead of delivering a new 2009 Certificate.

Section 2.9 Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by 2009 Certificate Owners may be in any number

of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such 2009 Certificates. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of 2009 Certificates shall be sufficient for any purpose of the Trust Agreement (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate of an officer of any bank or trust company located within the United States of America, which need not be acknowledged or verified. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(b) The fact of the ownership of 2009 Certificates by any person and the amount, the maturity and the numbers of such 2009 Certificates and the date of his holding the same shall be proved by the Register maintained pursuant to Section 2.10 hereof.

Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any 2009 Certificate shall bind every future Owner of the same 2009 Certificate in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.10 Certificate Register. The Trustee will keep or cause to be kept, at its designated office, sufficient books for the registration and transfer of the 2009 Certificates which shall at all times be open to inspection by the Lessee and the Lessor during normal business hours with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, 2009 Certificates as hereinbefore provided.

Section 2.11 Book-Entry-Only System. The 2009 Certificates shall be initially issued in the form of a single fully registered certificate for each scheduled principal payment date for each 2009 Certificate. Upon initial execution and delivery, the ownership of such 2009 Certificates shall be registered in the Register in the name of Cede & Co., as nominee of DTC, and, except as hereinafter otherwise provided, all of the Outstanding 2009 Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to the 2009 Certificates registered in the Register in the name of Cede & Co., as nominee of DTC, the Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the 2009 Certificates (a "Beneficial Owner"), nor any responsibility or obligation to any DTC Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the 2009 Certificates under or through DTC or any DTC Participant, or any other person with respect to (i) the accuracy of any records maintained by DTC or any DTC Participant, (ii) the payment by DTC or any DTC Participant of any amount in respect of the 2009 Certificates, (iii)

the giving of any notice that is permitted or required to be given to Owners under the Trust Agreement, or (iv) any consent given or other action taken by DTC as an Owner.

Notwithstanding any other provision of the Trust Agreement to the contrary, the Trustee shall be entitled to treat and consider the person in whose name each 2009 Certificate is registered in the Register as an absolute Owner of such 2009 Certificate for the purpose of payment, for the purpose of giving notices of prepayment with respect to any 2009 Certificate, for the purpose of registering transfers with respect to such 2009 Certificate, and for all other purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest evidenced by any 2009 Certificate only to or upon the order of the respective 2009 Certificate Owners, as shown in the Register, as provided in this First Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the 2009 Certificates to the extent of the sum or sums so paid. No person other than a 2009 Certificate Owner, as shown in the Register, shall receive a 2009 Certificate evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this First Supplement.

Notwithstanding any other provision of the Trust Agreement or the 2009 Certificates, so long as the 2009 Certificates are held in book-entry form and registered in the name of Cede & Co., as nominee or DTC, or registered in the name of any successor securities depository, or its nominee, the following provisions shall apply:

(a) **Presentation.** Presentation of 2009 Certificates to the Paying Agent at their scheduled payment dates or upon prepayment prior thereto shall be deemed made to the Paying Agent when the right to exercise ownership rights in the 2009 Certificates through DTC or a DTC Participant is transferred by DTC on its books.

(b) **Fractionalized Representation.** DTC may present notices, approvals, waivers, votes or other communications required or permitted to be made by Owners under this First Supplement on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2009 Certificates through DTC or DTC Participants.

The 2009 Certificate Owners have no right to a depository for the 2009 Certificates. The Lessee or the Trustee may remove DTC or any successor thereto for any reason at any time. In such event, the Trustee shall (i) appoint a successor securities depository qualified to act as such under Section 17(i) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate 2009 Certificates to such successor securities depository, or (ii) notify DTC of the availability through DTC of 2009 Certificates and transfer one or more separate 2009 Certificates to DTC Participants having 2009 Certificates credited to their DTC accounts as directed by DTC. In such event, the 2009 Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving 2009 Certificates shall designate, in accordance with the provisions of the Trust Agreement.

The Trustee and the Lessee may execute the letter of representation in connection with the execution and delivery of the 2009 Certificates. The letter of representation is for the purpose of effectuating the book-entry-only system only and shall not be deemed to amend, supersede or supplement the terms of this First Supplement that are intended to be complete without reference to the letter of representation. In the event of any conflict between the terms of the letter of representation and the terms of this First Supplement, the terms of the Trust Agreement shall control. DTC may exercise the rights of a 2009 Certificate Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

ARTICLE III ACQUISITION FUND AND DELIVERY COSTS FUND

Section 3.1 2009 Project Fund. The Trustee shall establish a special fund designated as the "2009 Project Fund" as a subfund within the Acquisition Fund. There shall be deposited in the 2009 Project Fund the proceeds of the sale of the 2009 Certificates required to be deposited therein pursuant to Section 2.6(b) hereof. The Trustee shall immediately release and disburse the amounts in the 2009 Project Fund to the County as consideration for the County executing and delivering the First Amendment to Lease-Purchase Agreement.

Section 3.2 Delivery Costs Fund. The Trustee shall establish a special fund designated as the "2009 Delivery Costs Fund." The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided herein and in the Lease-Purchase Agreement. There shall be deposited in the 2009 Delivery Costs Fund the proceeds of sale of the 2009 Certificates required to be deposited therein pursuant to Section 2.6(a) hereof.

The Trustee shall disburse moneys in the 2009 Delivery Costs Fund only upon a requisition signed by the Lessee Representative setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom said amounts are to be disbursed, stating that the amounts to be disbursed are for Delivery Costs properly chargeable to the 2009 Delivery Costs Fund. Amounts remaining in the 2009 Delivery Costs Fund after October 1, 2009, shall be transferred to the Lease Payment Fund.

The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the Lessee Representative, of the moneys held in the 2009 Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the Lessee Representative in connection with disbursements made pursuant to this Section.

ARTICLE IV REDEMPTION OF 2009 CERTIFICATES

Section 4.1 Right to Redeem. The 2009 Certificates shall be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein.

Section 4.2 Redemption.

(a) **No Prior Optional Redemption.** The 2009 Certificates are not subject to optional redemption prior to their stated maturity dates.

(b) **Redemption from Net Proceeds of Insurance and Condemnation.** The 2009 Certificates are subject to redemption on any 2009 Interest Payment Date in whole or in part, from the Net Proceeds of insurance or condemnation, which Net Proceeds are deposited in the Lease Payment Fund and credited towards the Prepayment made by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, in any order of maturity designated by the Lessee (or by the Trustee by lot in the event that no such designation is received by the Trustee at the time such Net Proceeds are deposited with the Trustee), and by lot within a maturity at a redemption price equal to the principal amount of the 2009 Certificates to be redeemed, together with accrued interest to the date fixed for redemption, without premium.

Section 4.3 Selection of Certificates to be Redeemed. If less than all of the 2009 Certificates of the same maturity are to be redeemed upon redemption of 2009 Certificates hereunder, the Trustee shall select the 2009 Certificates to be redeemed by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each 2009 Certificate as representing that number of 2009 Certificates of \$5,000 denomination as is obtained by dividing the principal amount of such 2009 Certificate by \$5,000.

Section 4.4 Partial Redemption of Certificates. Upon the selection and call for redemption of, and the surrender of, any 2009 Certificate for redemption in part only, the Trustee shall cause to be executed and delivered to or upon the written order of the Owner thereof, at the expense of the Lessee, a new 2009 Certificate or 2009 Certificates of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2009 Certificate surrendered, in accordance with instructions received from the Owner thereof, with one 2009 Certificate being delivered in the absence of such instructions.

Section 4.5 Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the 2009 Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such 2009 Certificates on such date. If on the date fixed for redemption moneys for payment of the redemption price and accrued interest are held by the Trustee as provided herein, interest on the 2009 Certificates so called for redemption shall cease to accrue, such 2009 Certificates shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such 2009 Certificates so called for redemption shall be deemed paid and no longer Outstanding.

Section 4.6 Notice of Redemption.

(a) Whenever redemption of 2009 Certificates is to be made, the Trustee shall give notice of the redemption of such 2009 Certificates, which notice shall specify the redemption date, the redemption price and the place or places where such redemption price will be payable and, if less than all of the 2009 Certificates are to be redeemed, the numbers or other distinguishing marks of such 2009 Certificates so to be redeemed, and, in the case of 2009

Certificates to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2009 Certificate to be redeemed the redemption price of such 2009 Certificate or the specified portion thereof in the case of a 2009 Certificate to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable on such 2009 Certificate or portion thereof so to be redeemed.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than thirty (30) days nor more than sixty (60) days before the redemption date, to all Owners of any 2009 Certificates or portions of 2009 Certificates which are to be redeemed at their last addresses appearing upon the Register, but failure so to mail any such notice, or a defect in such notice, as to any 2009 Certificate shall not affect the validity of the proceedings for the redemption of any other 2009 Certificate.

(c) In addition to the notice called for in subsections (a) and (b), further notice shall be given by the Trustee as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption or result in a breach of trust by the Trustee of notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all 2009 Certificates being redeemed; (B) the date of issue of the 2009 Certificates as originally issued; (C) the rate of interest borne by each 2009 Certificate being redeemed; (D) the maturity date of each 2009 Certificate being redeemed; and (E) any other descriptive information needed to identify accurately the 2009 Certificates being redeemed.

(ii) Each further notice of redemption shall be sent at least 35 days before the redemption date, return receipt requested, to all registered securities depositories which are registered owners of the 2009 Certificates then in the business of holding substantial amounts of obligations of types such as the 2009 Certificates (such as, at the time of execution and delivery of this First Supplement, Depository Trust Company of New York, New York; Midwest Securities Trust Company of Chicago, Illinois; Pacific Securities Depository Trust Company of San Francisco, California; and Philadelphia Depository Trust Company of Philadelphia, Pennsylvania) and to one or more national information services that disseminate notices of redemption of obligations such as the 2009 Certificates (such as, at the time of execution and delivery of this First Supplement, the Daily Called Bond Service of Financial Information, Inc., Jersey City, New Jersey; the Called Bond Service of Kenney Information Services, New York, New York; Moody's Municipal and Government, New York, New York; and S&P's Called Bond Record, New York, New York).

(d) A second notice of redemption shall be given within sixty (60) days after the redemption date in the manner required above to each of the Owners of the 2009 Certificates

designated for redemption which have not been presented for payment within thirty (30) days after the redemption date.

ARTICLE V
AMENDMENT OF SECTION 2.11 OF ORIGINAL TRUST AGREEMENT

Section 2.11 of the Original Trust Agreement is hereby amended to read, in its entirety, as set forth below, effective simultaneously with the execution and delivery of the 2009 Certificates, the delivery and acceptance thereof by the purchasers of the 2009 Certificates to evidence the consent of the Owners of a majority in Aggregate Value of the Certificates Outstanding.

"Section 2.11. Execution and Delivery of Additional Certificates. So long as the Lease-Purchase Agreement remains in effect and no Event of Default under this Trust Agreement has occurred, the Trustee may execute and deliver, at the direction of the Lessee, Additional Certificates from time to time to provide funds to pay any one or more of (i) the costs of refunding Outstanding Certificates or restructuring the Lease Payments under the Lease-Purchase Agreement, or (ii) the costs of making any modifications or improvements to the Leased Property as the Lessee may deem necessary or desirable.

Before the Trustee shall deliver any Additional Certificates executed pursuant to a supplement authorized by Article X hereof, the following items shall have been received by the Trustee:

(a) Original executed counterparts of any amendments or supplements to the Lease-Purchase Agreement and of the Trust Agreement entered into in connection with the execution and delivery of the Additional Certificates, which are necessary or advisable, in the opinion of Special Counsel, to provide that the Additional Certificates will be executed and delivered in compliance with the provisions of this Trust Agreement.

(b) A written opinion of Special Counsel to the effect that (i) the documents submitted to the Trustee in connection with the request then being made comply with the requirements of this Trust Agreement, (ii) any filings required to be made under Section 11.4 of this Trust Agreement have been made, and (iii) all conditions precedent to the delivery of the Additional Certificates have been fulfilled.

(c) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above), to the effect that (i) when executed and delivered by the Trustee, those Additional Certificates will be valid and binding in accordance with their terms and will be secured hereunder equally and on a parity with all other Certificates at the time Outstanding hereunder as to the assignment to the Trustee of the amounts pledged hereunder, and (ii) the execution and delivery of the Additional Certificates will not result in the portion of the Lease Payments designated as interest evidenced by the Certificates Outstanding immediately prior to that execution and delivery of such Additional Certificates becoming includable in gross income for purposes of federal income taxation.

(d) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above) to the effect that any amendments or supplements to

the Lease-Purchase Agreement entered into in connection with the execution and delivery of the Additional Certificates have been duly authorized, executed and delivered by the Lessee, and that the Lease-Purchase Agreement, as amended or supplemented, constitutes a legal, valid and binding obligation of the Lessee, enforceable in accordance with its terms, subject to exceptions reasonably satisfactory to the Trustee for bankruptcy laws and other laws affecting creditors' rights and the exercise of judicial discretion.

(e) Written confirmation from Moody's, if the Certificates are then rated by Moody's, and from S&P, if the Certificates are then rated by S&P, that the issuance of the Additional Certificates will not cause the then-assigned rating assigned to the Certificates to be reduced or withdrawn.

When the documents listed above have been received by the Trustee, the Trustee shall execute and deliver the Additional Certificates to or on the order of the original purchaser thereof, but only upon payment of the agreed-upon purchase price for the Additional Certificates.

Prior to the issuance of any Additional Certificates, the Lessee shall inform the Trustee of the names of all entities which have rated the outstanding Certificates."

ARTICLE VI MISCELLANEOUS

Section 6.3 Headings. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this First Supplement. All references herein to "Articles," "Sections," and other subdivisions are to the corresponding Articles, Sections or subdivisions of this First Supplement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this First Supplement as a whole and not to any particular Article, Section or subdivision hereof.

Section 6.4 Waiver of Notice. Whenever in this First Supplement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 6.5 Severability of Invalid Provisions. In case any one or more of the provisions contained in this First Supplement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this First Supplement, and this First Supplement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this First Supplement and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this First Supplement may be held illegal, invalid or unenforceable.

Section 6.6 Cancellation of Contracts. As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this First Supplement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this First Supplement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this First Supplement on behalf of the Lessee within 3 years from execution of this First Supplement, unless a waiver of A.R.S. §38-511 is provided by the Lessee's Board of Supervisors.

Section 6.7 Certain Warranties and Certifications from the Lessor.

(a) To the extent applicable under Arizona Revised Statutes ("A.R.S.") § 41-4401, the Trustee, in its capacity as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement, including its subcontractors who work on this First Supplement or the Lease-Purchase Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E verify requirements under A.R.S. § 23-214(A). The breach by the Trustee of the foregoing shall be deemed a material breach of the Trustee's duties under the Trust Agreement and the Lease-Purchase Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The County retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Trust shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(b) Pursuant to A.R.S. §§ 35-391.06 and 35-393.06, the Trustee certifies that it does not have a scrutinized business operation in Sudan or Iran. For the purpose of this subsection, the term "scrutinized business operations" shall have the meanings set forth in A.R.S. §§ 35-391 and 35-393, as applicable. If the County determines that the Trustee submitted a false certification, the County may impose remedies as provided by law, including termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement.

THIS IS TO CERTIFY that the Registered Owner identified above, or registered assigns, as the Registered Owner of this Certificate of Participation, Series 2009 (the "2009 Certificate") is the owner of an undivided proportionate interest in the right to receive certain Lease Payments and Prepayments thereof under and defined in that certain Lease-Purchase Agreement, dated as of June 1, 2008 (the "Original Lease-Purchase Agreement") as amended and supplemented by the First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009, (the "First Amendment", and together with the Original Lease-Purchase Agreement, the "Lease-Purchase Agreement"), by and between U.S. Bank National Association, as trustee (the "Lessor") and Pima County, Arizona (the "Lessee"), which Lease Payments and Prepayments and certain other rights and interests under the Lease-Purchase Agreement are held by U.S. Bank National Association, as trustee (the "Trustee"), at its designated corporate trust office.

The Registered Owner of this 2009 Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2009, and semiannually thereafter on December 1 and June 1 of each year (the "2009 Interest Payment Dates") until payment in full of said portion of principal, the Registered Owner's proportionate share of the Lease Payments designated as interest coming due preceding each of the 2009 Interest Payment

Dates; provided that interest with respect hereto shall be payable from the 2009 Interest Payment Date next preceding the date of execution of this 2009 Certificate (unless (i) this 2009 Certificate is executed prior to December 1, 2009, in which event interest shall be payable from the Dated Date identified above, (ii) this 2009 Certificate is executed on a 2009 Interest Payment Date, in which event interest shall be payable from such 2009 Interest Payment Date, or (iii) this 2009 Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2009 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2009 Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any 2009 Certificates of the issue of which this is one, interest hereon shall be payable from the 2009 Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2009, interest shall be payable from the Dated Date identified above, unless this 2009 Certificate is executed after a Special Record Date (as defined in the Original Trust Agreement) and before the following Special 2009 Interest Payment Date (as defined in the Original Trust Agreement), in which event interest shall be payable from the scheduled 2009 Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amounts representing the Registered Owner's share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such 2009 Interest Payment Date (the "Record Date"), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special 2009 Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of \$1,000,000 or more in aggregate principal amount of 2009 Certificates as of the close of business of the Trustee on the Record Date for a particular 2009 Interest Payment Date or, if applicable, the Special Record Date for a particular Special 2009 Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner's expense) on the 2009 Interest Payment Date or Special 2009 Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such 2009 Interest Payment Date or, if applicable, the Special Record Date for such Special 2009 Interest Payment Date. Said amounts representing the Registered Owner's share of the Lease Payments designated as principal are payable when due upon surrender of this 2009 Certificate at the principal corporate trust office of the Trustee.

This 2009 Certificate has been executed and delivered by the Trustee pursuant to the terms of an Original Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the "Original Trust Agreement"), authorizing the execution and delivery of the aggregate principal amount of \$50,000,000 (the "2008 Certificates"), as supplemented by the First Supplemental to Trust Agreement, dated June 1, 2009 (the "First Supplement", together with the

Original Trust Agreement, the "Trust Agreement") authorizing a series of certificates limited in aggregate principal amount to \$34,400,000 (the "2009 Certificates", and together with the 2008 Certificates and any Additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates"). The Lessee is authorized to enter into the First Amendment to Lease-Purchase Agreement and the First Amendment to Trust Agreement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2009 Certificates are delivered, the rights thereunder of the Registered Owners of the 2009 Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2009 Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including June 1, 2012, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5 %) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2009 Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2009 Certificate. Upon such transfer a new 2009 Certificate or 2009 Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2009 Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2009 Certificates are not subject to optional redemption prior to maturity.

The 2009 Certificates are subject to redemption on any 2009 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2009 Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2009 Certificate shall not affect the validity of the proceedings for the redemption of any other 2009 Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2009 Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

Payment of interest on any 2010 Certificate on any 2010 Interest Payment Date or any Special 2010 Interest Payment Date shall be made to the person appearing on the Register as the Owner thereof as of the Regular Record Date immediately preceding such 2010 Interest Payment Date or, if applicable, the Special Record Date immediately preceding such Special 2010 Interest Payment Date. Such interest shall be paid by (i) check or draft mailed to such Owner at his address as it appears on the Register or at such other address as he may have filed with the Trustee for that purpose, or (ii) to any Owner of \$1,000,000 or more in aggregate principal amount of 2010 Certificates, as of the close of business of the Trustee on the Regular Record Date for a particular 2010 Interest Payment Date or, if applicable, the Special Record Date for a Special 2010 Interest Payment Date, by wire transfer in immediately available funds sent on the 2010 Interest Payment Date or Special 2010 Interest Payment Date, as the case may be, to any bank or trust company in the continental United States, in accordance with written notice from such Owner containing the wire transfer address, which written notice is received not later than five (5) days before the Regular Record Date with respect to such 2010 Interest Payment Date or, if applicable, the Special Record Date for any Special 2010 Interest Payment Date, it being understood that such notice may refer to multiple interest payments.

In the event there are insufficient funds available on any 2010 Interest Payment Date to pay the interest then due on the 2010 Certificates, the Regular Record Date shall no longer be applicable with respect to the 2010 Certificates. If sufficient funds for the payment of such interest thereafter become available, the Trustee shall immediately establish a Special 2010 Interest Payment Date for the payment of the overdue interest and a Special Record Date for determining the Owners entitled to such payments. Notice of the establishment of any such Special 2010 Interest Payment Date and Special Record Date shall be mailed by the Trustee to each Owner not less than ten (10) days prior to the Special Record Date nor more than thirty (30) days prior to the Special 2010 Interest Payment Date. Such overdue interest shall be paid on the Special 2010 Interest Payment Date to the Owners of the 2010 Certificates as of the Special Record Date.

Section 2.3 Maturity; Interest Rates.

(a) The 2010 Certificates shall be in the denomination of \$5,000 or any integral multiple thereof (except that no 2010 Certificate may have principal maturing in more than one year) and shall mature on the dates and in the principal amounts, and interest with respect thereto shall be computed at the rates, as shown below:

2010 Certificates

<u>Maturity Date</u> <u>(June 1)</u>	<u>Amount</u>	<u>Interest</u> <u>Rate</u>
2011	\$1,750,000	2.000%
2012	2,025,000	2.000
2013	2,065,000	3.000
2014	2,130,000	3.500
2015	2,200,000	3.500
2016	2,280,000	5.250
2017	2,400,000	5.250
2018	2,525,000	4.000
2019	2,625,000	4.125

(b) Interest with respect to the 2010 Certificates shall be payable on December 1, 2010 and thereafter semiannually on June 1 and December 1 of each year to and including the date of maturity or redemption, whichever is earlier. Said interest shall represent the portion of Lease Payments designated as interest and coming due during the six (6) month period preceding each 2010 Interest Payment Date with respect to the 2010 Certificates or in the case of the first Lease Payment, the period since the dated date of the 2010 Certificates. The proportionate share of the portion of Lease Payments designated as interest with respect to any 2010 Certificate shall be computed by multiplying the portion of Lease Payments designated as principal with respect to such 2010 Certificate by the rate of interest applicable to such 2010 Certificate (on the basis of a 360-day year of twelve 30-day months).

Section 2.4 Form of the 2010 Certificates. The 2010 Certificates shall be in fully registered form without coupons. The fully registered form of the 2010 Certificates and the assignment to appear thereon shall be substantially in the forms set forth in Exhibit A attached hereto and by this reference incorporated herein, with such necessary or appropriate variations, omissions and insertions.

Section 2.5 Execution. The 2010 Certificates shall be executed by and in the name of the Trustee by the manual signature of an authorized representative of the Trustee. If any officer whose signature appears on any 2010 Certificate ceases to be such officer before the date of delivery thereof, such signature shall nevertheless be as effective as if the officer had remained in office until such date of delivery. Any 2010 Certificate may be executed on behalf of the Trustee by such person as at the actual date of the execution of such 2010 Certificate shall be the proper officer of the Trustee although at the nominal date of such 2010 Certificate such person shall not have been such officer of the Trustee.

Section 2.6 Application of Proceeds and Other Moneys. The proceeds received by the Trustee from the sale of the 2010 Certificates shall forthwith be set aside by the Trustee in the following respective funds and accounts and in the following order of priority:

- (a) The Trustee shall deposit into the 2010 Delivery Costs Fund, an amount equal to \$86,400.00.

- (b) The Trustee shall deposit into the 2010 Project Fund, an amount equal to \$20,325,680.10 of proceeds of the 2010 Certificates.

Section 2.7 Registration, Transfer and Exchange of 2010 Certificates.

(a) All 2010 Certificates issued hereunder shall be negotiable, subject to the provisions for registration and transfer thereof contained herein or in the 2010 Certificates.

(b) So long as any 2010 Certificates are Outstanding, the Trustee shall maintain at its designated office books for the registration and transfer of 2010 Certificates, and shall provide for the registration and transfer of any 2010 Certificate under such reasonable regulations as the Trustee may prescribe. The Trustee shall act as registrar for purposes of exchanging and registering 2010 Certificates in accordance with the provisions hereof.

(c) Each 2010 Certificate shall be transferable only upon the Register by the Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner thereof or his duly authorized attorney. Upon surrender for transfer of any 2010 Certificate, the Trustee shall execute and deliver, in the name of the transferee, one or more new 2010 Certificates, of the same aggregate principal amount and maturity as the surrendered 2010 Certificate.

(d) Any 2010 Certificate, upon surrender thereof to the Trustee together with written instructions satisfactory to the Trustee, duly executed by the Owner thereof or his attorney duly authorized in writing, may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of 2010 Certificates with the same maturity of any other authorized denominations.

(e) All 2010 Certificates surrendered in any exchange or transfer of 2010 Certificates shall forthwith be cancelled by the Trustee.

(f) In connection with any such exchange or transfer of 2010 Certificates, the Owner requesting such exchange or transfer shall as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer.

(g) The Trustee may but shall not be obligated to exchange or register the transfer of any 2010 Certificate (i) which has been called or selected for call for redemption in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of redemption. If the transfer of any 2010 Certificate which has been called or selected for call for redemption in whole or in part is registered, any notice of redemption which has been given to the transferor shall be binding upon the transferee and a copy of the notice of redemption shall be delivered by the Trustee to the transferee along with the 2010 Certificate or 2010 Certificates.

Section 2.8 Mutilated, Lost, Destroyed and Stolen Certificates. If (i) any mutilated 2010 Certificate is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any 2010 Certificate, and (ii) there is delivered to

the Trustee such security or indemnity as may be required by the Trustee to hold it harmless, then, in the absence of written notice to the Trustee that such 2010 Certificate has been acquired by a bona fide purchaser and upon the Owner paying the reasonable expenses of the Trustee, the Trustee shall cause to be executed and shall deliver, in exchange for such mutilated 2010 Certificate or in lieu of such destroyed, lost or stolen 2010 Certificate, a new 2010 Certificate of like principal amount, date and tenor. If the principal of any such mutilated, destroyed, lost or stolen 2010 Certificate has become, or will on or before the next 2010 Interest Payment Date become, due and payable, the Trustee may, in its discretion, pay such 2010 Certificate when due instead of delivering a new 2010 Certificate.

Section 2.9 Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by 2010 Certificate Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such 2010 Certificates. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of 2010 Certificates shall be sufficient for any purpose of the Trust Agreement (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate of an officer of any bank or trust company located within the United States of America, which need not be acknowledged or verified. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(b) The fact of the ownership of 2010 Certificates by any person and the amount, the maturity and the numbers of such 2010 Certificates and the date of his holding the same shall be proved by the Register maintained pursuant to Section 2.10 hereof.

Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any 2010 Certificate shall bind every future Owner of the same 2010 Certificate in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.10 Certificate Register. The Trustee will keep or cause to be kept, at its designated office, sufficient books for the registration and transfer of the 2010 Certificates which shall at all times be open to inspection by the Lessee and the Lessor during normal business hours with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, 2010 Certificates as hereinbefore provided.

Section 2.11 Book-Entry-Only System. The 2010 Certificates shall be initially issued in the form of a single fully registered certificate for each scheduled principal payment date for

each 2010 Certificate. Upon initial execution and delivery, the ownership of such 2010 Certificates shall be registered in the Register in the name of Cede & Co., as nominee of DTC, and, except as hereinafter otherwise provided, all of the Outstanding 2010 Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to the 2010 Certificates registered in the Register in the name of Cede & Co., as nominee of DTC, the Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the 2010 Certificates (a "Beneficial Owner"), nor any responsibility or obligation to any DTC Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the 2010 Certificates under or through DTC or any DTC Participant, or any other person with respect to (i) the accuracy of any records maintained by DTC or any DTC Participant, (ii) the payment by DTC or any DTC Participant of any amount in respect of the 2010 Certificates, (iii) the giving of any notice that is permitted or required to be given to Owners under the Trust Agreement, or (iv) any consent given or other action taken by DTC as an Owner.

Notwithstanding any other provision of the Trust Agreement to the contrary, the Trustee shall be entitled to treat and consider the person in whose name each 2010 Certificate is registered in the Register as an absolute Owner of such 2010 Certificate for the purpose of payment, for the purpose of giving notices of prepayment with respect to any 2010 Certificate, for the purpose of registering transfers with respect to such 2010 Certificate, and for all other purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest evidenced by any 2010 Certificate only to or upon the order of the respective 2010 Certificate Owners, as shown in the Register, as provided in this Second Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the 2010 Certificates to the extent of the sum or sums so paid. No person other than a 2010 Certificate Owner, as shown in the Register, shall receive a 2010 Certificate evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this Second Supplement.

Notwithstanding any other provision of the Trust Agreement or the 2010 Certificates, so long as the 2010 Certificates are held in book-entry form and registered in the name of Cede & Co., as nominee or DTC, or registered in the name of any successor securities depository, or its nominee, the following provisions shall apply:

(a) **Presentation.** Presentation of 2010 Certificates to the Paying Agent at their scheduled payment dates or upon prepayment prior thereto shall be deemed made to the Paying Agent when the right to exercise ownership rights in the 2010 Certificates through DTC or a DTC Participant is transferred by DTC on its books.

(b) **Fractionalized Representation.** DTC may present notices, approvals, waivers, votes or other communications required or permitted to be made by Owners under this Second Supplement on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2010 Certificates through DTC or DTC Participants.

The 2010 Certificate Owners have no right to a depository for the 2010 Certificates. The Lessee or the Trustee may remove DTC or any successor thereto for any reason at any time. In such event, the Trustee shall (i) appoint a successor securities depository qualified to act as such under Section 17(i) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate 2010 Certificates to such successor securities depository, or (ii) notify DTC of the availability through DTC of 2010 Certificates and transfer one or more separate 2010 Certificates to DTC Participants having 2010 Certificates credited to their DTC accounts as directed by DTC. In such event, the 2010 Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving 2010 Certificates shall designate, in accordance with the provisions of the Trust Agreement.

The Trustee and the Lessee may execute the letter of representation in connection with the execution and delivery of the 2010 Certificates. The letter of representation is for the purpose of effectuating the book-entry-only system only and shall not be deemed to amend, supersede or supplement the terms of this Second Supplement that are intended to be complete without reference to the letter of representation. In the event of any conflict between the terms of the letter of representation and the terms of this Second Supplement, the terms of the Trust Agreement shall control. DTC may exercise the rights of a 2010 Certificate Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

ARTICLE III ACQUISITION FUND AND DELIVERY COSTS FUND

Section 3.1 2010 Project Fund. The Trustee shall establish a special fund designated as the "2010 Project Fund" as a subfund within the Acquisition Fund. There shall be deposited in the 2010 Project Fund the proceeds of the sale of the 2010 Certificates required to be deposited therein pursuant to Section 2.6(b) hereof. The Trustee shall immediately release and disburse the amounts in the 2010 Project Fund to the County as consideration for the County executing and delivering the Second Amendment to Lease-Purchase Agreement.

Section 3.2 Delivery Costs Fund. The Trustee shall establish a special fund designated as the "2010 Delivery Costs Fund." The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided herein and in the Lease-Purchase Agreement. There shall be deposited in the 2010 Delivery Costs Fund the proceeds of sale of the 2010 Certificates required to be deposited therein pursuant to Section 2.6(a) hereof.

The Trustee shall disburse moneys in the 2010 Delivery Costs Fund only upon a requisition signed by the Lessee Representative setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom said amounts are to be disbursed, stating that the amounts to be disbursed are for Delivery Costs properly chargeable to the 2010 Delivery Costs Fund. Amounts remaining in the 2010 Delivery Costs Fund after May 1, 2010, shall be transferred to the Lease Payment Fund.

The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the Lessee Representative, of the moneys held in the 2010 Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the Lessee Representative in connection with disbursements made pursuant to this Section.

ARTICLE IV REDEMPTION OF 2010 CERTIFICATES

Section 4.1 Right to Redeem. The 2010 Certificates shall be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein.

Section 4.2 Redemption.

(a) No Prior Optional Redemption. The 2010 Certificates are not subject to optional redemption prior to their stated maturity dates.

(b) Redemption from Net Proceeds of Insurance and Condemnation. The 2010 Certificates are subject to redemption on any 2010 Interest Payment Date in whole or in part, from the Net Proceeds of insurance or condemnation, which Net Proceeds are deposited in the Lease Payment Fund and credited towards the Prepayment made by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, in any order of maturity designated by the Lessee (or by the Trustee by lot in the event that no such designation is received by the Trustee at the time such Net Proceeds are deposited with the Trustee), and by lot within a maturity at a redemption price equal to the principal amount of the 2010 Certificates to be redeemed, together with accrued interest to the date fixed for redemption, without premium.

Section 4.3 Selection of Certificates to be Redeemed. If less than all of the 2010 Certificates of the same maturity are to be redeemed upon redemption of 2010 Certificates hereunder, the Trustee shall select the 2010 Certificates to be redeemed by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each 2010 Certificate as representing that number of 2010 Certificates of \$5,000 denomination as is obtained by dividing the principal amount of such 2010 Certificate by \$5,000.

Section 4.4 Partial Redemption of Certificates. Upon the selection and call for redemption of, and the surrender of, any 2010 Certificate for redemption in part only, the Trustee shall cause to be executed and delivered to or upon the written order of the Owner thereof, at the expense of the Lessee, a new 2010 Certificate or 2010 Certificates of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2010 Certificate surrendered, in accordance with instructions received from the Owner thereof, with one 2010 Certificate being delivered in the absence of such instructions.

Section 4.5 Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the 2010 Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such 2010 Certificates on such date. If on the date fixed for redemption moneys for payment of the redemption price and accrued interest are held by the Trustee as provided herein, interest on the

2010 Certificates so called for redemption shall cease to accrue, such 2010 Certificates shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such 2010 Certificates so called for redemption shall be deemed paid and no longer Outstanding.

Section 4.6 Notice of Redemption.

(a) Whenever redemption of 2010 Certificates is to be made, the Trustee shall give notice of the redemption of such 2010 Certificates, which notice shall specify the redemption date, the redemption price and the place or places where such redemption price will be payable and, if less than all of the 2010 Certificates are to be redeemed, the numbers or other distinguishing marks of such 2010 Certificates so to be redeemed, and, in the case of 2010 Certificates to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2010 Certificate to be redeemed the redemption price of such 2010 Certificate or the specified portion thereof in the case of a 2010 Certificate to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable on such 2010 Certificate or portion thereof so to be redeemed.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than thirty (30) days nor more than sixty (60) days before the redemption date, to all Owners of any 2010 Certificates or portions of 2010 Certificates which are to be redeemed at their last addresses appearing upon the Register, but failure so to mail any such notice, or a defect in such notice, as to any 2010 Certificate shall not affect the validity of the proceedings for the redemption of any other 2010 Certificate.

(c) In addition to the notice called for in subsections (a) and (b), further notice shall be given by the Trustee as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption or result in a breach of trust by the Trustee if notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all 2010 Certificates being redeemed; (B) the date of issue of the 2010 Certificates as originally issued; (C) the rate of interest borne by each 2010 Certificate being redeemed; (D) the maturity date of each 2010 Certificate being redeemed; and (E) any other descriptive information needed to identify accurately the 2010 Certificates being redeemed.

(ii) Each further notice of redemption shall be sent at least 35 days before the redemption date, return receipt requested, to all registered securities depositories which are registered owners of the 2010 Certificates then in the business of holding substantial amounts of obligations of types such as the 2010 Certificates (such as, at the time of execution and delivery of this Second Supplement, Depository Trust Company of New York, New York; Midwest Securities Trust Company of Chicago, Illinois; Pacific

Securities Depository Trust Company of San Francisco, California; and Philadelphia Depository Trust Company of Philadelphia, Pennsylvania) and to one or more national information services that disseminate notices of redemption of obligations such as the 2010 Certificates (such as, at the time of execution and delivery of this Second Supplement, the Daily Called Bond Service of Financial Information, Inc., Jersey City, New Jersey; the Called Bond Service of Kenney Information Services, New York, New York; Moody's Municipal and Government, New York, New York; and S&P's Called Bond Record, New York, New York).

(d) A second notice of redemption shall be given within sixty (60) days after the redemption date in the manner required above to each of the Owners of the 2010 Certificates designated for redemption which have not been presented for payment within thirty (30) days after the redemption date.

ARTICLE V MISCELLANEOUS

Section 5.1 Binding Effect; Successors. This Second Supplement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Second Supplement either the County or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Second Supplement contained by or on behalf of the County or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 5.2 Execution in Counterparts. This Second Supplement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 5.3 Headings. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Second Supplement. All references herein to "Articles," "Sections," and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Second Supplement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this Second Supplement as a whole and not to any particular Article, Section or subdivision hereof.

Section 5.4 Waiver of Notice. Whenever in this Second Supplement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 5.5 Severability of Invalid Provisions. In case any one or more of the provisions contained in this Second Supplement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this Second Supplement, and this Second

Supplement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this Second Supplement and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Second Supplement may be held illegal, invalid or unenforceable.

Section 5.6 Cancellation of Contracts. As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Second Supplement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Second Supplement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Second Supplement on behalf of the Lessee within 3 years from execution of this Second Supplement, unless a waiver of A.R.S. §38-511 is provided by the Lessee's Board of Supervisors.

Section 5.7 Certain Warranties and Certifications from the Lessor.

(a) To the extent applicable under Arizona Revised Statutes ("A.R.S.") § 41-4401, the Trustee, in its capacity as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement, including its subcontractors who work on this Second Supplement or the Lease-Purchase Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E verify requirements under A.R.S. § 23-214(A). The breach by the Trustee of the foregoing shall be deemed a material breach of the Trustee's duties under the Trust Agreement and the Lease-Purchase Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The County retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Trustee shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(b) Pursuant to A.R.S. §§ 35-391.06 and 35-393.06, the Trustee certifies that it does not have a scrutinized business operation in Sudan or Iran. For the purpose of this subsection, the term "scrutinized business operations" shall have the meanings set forth in A.R.S. §§ 35-391 and 35-393, as applicable. If the County determines that the Trustee submitted a false

certification, the County may impose remedies as provided by law, including termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement.

THIS IS TO CERTIFY that the Registered Owner identified above, or registered assigns, as the Registered Owner of this Certificate of Participation, Series 2010 (the "2010 Certificate") is the owner of an undivided proportionate interest in the right to receive certain Lease Payments and Prepayments thereof under and defined in that certain Lease-Purchase Agreement, dated as of June 1, 2008 (the "Original Lease-Purchase Agreement") as amended and supplemented by the First Amendment to Lease Purchase Agreement, dated as of June 1, 2009 (the "First Amendment") and a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, (the "Second Amendment", and together with the Original Lease-Purchase Agreement and the First Amendment, the "Lease-Purchase Agreement"), by and between U.S. Bank National Association, as trustee (the "Lessor") and Pima County, Arizona (the "Lessee"), which Lease Payments and Prepayments and certain other rights and interests under the Lease-Purchase Agreement are held by U.S. Bank National Association, as trustee (the "Trustee"), at its designated corporate trust office.

The Registered Owner of this 2010 Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2010, and semiannually thereafter on June 1 and December 1 of each year (the "2010 Interest Payment Dates") until

payment in full of said portion of principal, the Registered Owner's proportionate share of the Lease Payments designated as interest coming due preceding each of the 2010 Interest Payment Dates; provided that interest with respect hereto shall be payable from the 2010 Interest Payment Date next preceding the date of execution of this 2010 Certificate (unless (i) this 2010 Certificate is executed prior to December 1, 2010, in which event interest shall be payable from the Dated Date identified above, (ii) this 2010 Certificate is executed on a 2010 Interest Payment Date, in which event interest shall be payable from such 2010 Interest Payment Date, or (iii) this 2010 Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2010 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2010 Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any 2010 Certificates of the issue of which this is one, interest hereon shall be payable from the 2010 Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2010, interest shall be payable from the Dated Date identified above, unless this 2010 Certificate is executed after a Special Record Date (as defined in the Original Trust Agreement) and before the following Special 2010 Interest Payment Date (as defined in the Original Trust Agreement), in which event interest shall be payable from the scheduled 2010 Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amounts representing the Registered Owner's share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such 2010 Interest Payment Date (the "Record Date"), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special 2010 Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of \$1,000,000 or more in aggregate principal amount of 2010 Certificates as of the close of business of the Trustee on the Record Date for a particular 2010 Interest Payment Date or, if applicable, the Special Record Date for a particular Special 2010 Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner's expense) on the 2010 Interest Payment Date or Special 2010 Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such 2010 Interest Payment Date or, if applicable, the Special Record Date for such Special 2010 Interest Payment Date. Said amounts representing the Registered Owner's share of the Lease Payments designated as principal are payable when due upon surrender of this 2010 Certificate at the principal corporate trust office of the Trustee.

This 2010 Certificate has been executed and delivered by the Trustee pursuant to the terms of an Original Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the "Original Trust Agreement"), authorizing the execution and delivery of the aggregate

principal amount of \$50,000,000 Certificates of Participation, Series 2008 (the "2008 Certificates"), as supplemented by the First Supplement to Trust Agreement, dated as of June 1, 2009 (the "First Supplement") authorizing the execution and delivery of the aggregate principal amount of \$34,400,000 Certificates of Participation, Series 2009 (the "2009 Certificates") and a Second Supplemental to Trust Agreement, dated February 1, 2010 (the "Second Supplement", together with the Original Trust Agreement and the First Supplement, the "Trust Agreement") authorizing a series of certificates limited in aggregate principal amount to \$20,000,000 (the "2010 Certificates", and together with the 2008 Certificates, the 2009 Certificates and any Additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates"). The Lessee is authorized to enter into the Second Amendment and the Second Amendment under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2010 Certificates are delivered, the rights thereunder of the Registered Owners of the 2010 Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2010 Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including June 1, 2019, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5 %) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and

payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2010 Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2010 Certificate. Upon such transfer a new 2010 Certificate or 2010 Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2010 Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2010 Certificates are not subject to optional redemption prior to maturity.

The 2010 Certificates are subject to redemption on any 2010 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2010 Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2010 Certificate shall not affect the validity of the proceedings for the redemption of any other 2010 Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2010 Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

The 2013 Certificates shall be executed and delivered only in fully registered form, without coupons, and shall be numbered from one upwards, in the order of their execution, with any other designation as the Trustee deems appropriate. (b) Interest with respect to the 2013 Certificates shall be payable on December 1, 2013 and thereafter semiannually on December 1 and June 1 of each year to and including the date of maturity or redemption, whichever is earlier. Said interest shall represent the portion of Lease Payments designated as interest and coming due during the six (6) month period preceding each 2013 Interest Payment Date with respect to the 2013 Certificates or in the case of the first Lease Payment, the period since the dated date of the 2013 Certificates. The proportionate share of the portion of Lease Payments designated as interest with respect to any 2013 Certificate shall be computed by multiplying the portion of Lease Payments designated as principal with respect to such 2013 Certificate by the rate of interest applicable to such 2013 Certificate (on the basis of a 360-day year of twelve 30-day months).

Section 2.4 Form of the 2013 Certificates. The 2013 Certificates shall be in fully registered form without coupons. The fully registered form of the 2013A Certificates and the 2013B Certificates and the assignment to appear thereon shall be substantially in the forms set forth in Exhibit A attached hereto and by this reference incorporated herein, with such necessary or appropriate variations, omissions and insertions.

Section 2.5 Execution. The 2013 Certificates shall be executed by and in the name of the Trustee by the manual signature of an authorized representative of the Trustee. If any officer whose signature appears on any 2013 Certificate ceases to be such officer before the date of delivery thereof, such signature shall nevertheless be as effective as if the officer had remained in office until such date of delivery. Any 2013 Certificate may be executed on behalf of the Trustee by such person as at the actual date of the execution of such 2013 Certificate shall be the proper officer of the Trustee although at the nominal date of such 2013 Certificate such person shall not have been such officer of the Trustee.

Section 2.6 Application of Proceeds and Other Moneys.

(a) The proceeds received by the Trustee from the sale of the 2013A Certificates shall forthwith be set aside by the Trustee in the following respective funds and accounts and in the following order of priority:

- (i) The Trustee shall deposit into the 2013A Delivery Costs Account, an amount equal to \$229,831.10.
- (ii) The Trustee shall deposit into the 2013A Project Fund, an amount equal to \$84,300,000.00.

(b) The proceeds received by the Trustee from the sale of the 2013B Certificates shall forthwith be set aside by the Trustee in the following respective funds and accounts and in the following order of priority:

- (i) The Trustee shall deposit into the 2013B Delivery Costs Account, an amount equal to \$36,983.50.
- (ii) The Trustee shall transfer to the 1997 Trustee, an amount equal to \$13,840,205.00 in consideration of receiving the 1997 Leased Property and refunding and redeeming the Certificates to be Refunded.

Section 2.7 Registration, Transfer and Exchange of 2013 Certificates.

(a) All 2013 Certificates issued hereunder shall be negotiable, subject to the provisions for registration and transfer thereof contained herein or in the 2013 Certificates.

(b) So long as any 2013 Certificates are Outstanding, the Trustee shall maintain at its designated office books for the registration and transfer of 2013 Certificates, and shall provide for the registration and transfer of any 2013 Certificate under such reasonable regulations as the Trustee may prescribe. The Trustee shall act as registrar for purposes of exchanging and registering 2013 Certificates in accordance with the provisions hereof.

(c) Each 2013 Certificate shall be transferable only upon the Register by the Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner thereof or his duly authorized attorney. Upon surrender for transfer of any 2013 Certificate, the Trustee shall execute and deliver, in the name of the transferee, one or more new 2013 Certificates, of the same aggregate principal amount and maturity as the surrendered 2013 Certificate.

(d) Any 2013 Certificate, upon surrender thereof to the Trustee together with written instructions satisfactory to the Trustee, duly executed by the Owner thereof or his attorney duly authorized in writing, may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of 2013 Certificates with the same maturity of any other authorized denominations.

(e) All 2013 Certificates surrendered in any exchange or transfer of 2013 Certificates shall forthwith be cancelled by the Trustee.

(f) In connection with any such exchange or transfer of 2013 Certificates, the Owner requesting such exchange or transfer shall as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer.

(g) The Trustee may but shall not be obligated to exchange or register the transfer of any 2013 Certificate (i) which has been called or selected for call for redemption in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of redemption. If the transfer of any 2013 Certificate which has been called or selected for call for redemption in whole or in part is registered, any notice of redemption which has been given to the transferor shall be binding upon the transferee and a copy of the notice of redemption shall be delivered by the Trustee to the transferee along with the 2013 Certificate or 2013 Certificates.

Section 2.8 Mutilated, Lost, Destroyed and Stolen Certificates. If (i) any mutilated 2013 Certificate is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any 2013 Certificate, and (ii) there is delivered to the Trustee such security or indemnity as may be required by the Trustee to hold it harmless, then, in the absence of written notice to the Trustee that such 2013 Certificate has been acquired by a bona fide purchaser and upon the Owner paying the reasonable expenses of the Trustee, the

Trustee shall cause to be executed and shall deliver, in exchange for such mutilated 2013 Certificate or in lieu of such destroyed, lost or stolen 2013 Certificate, a new 2013 Certificate of like principal amount, date and tenor. If the principal of any such mutilated, destroyed, lost or stolen 2013 Certificate has become, or will on or before the next 2013 Interest Payment Date become, due and payable, the Trustee may, in its discretion, pay such 2013 Certificate when due instead of delivering a new 2013 Certificate.

Section 2.9 Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by 2013 Certificate Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such 2013 Certificates. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of 2013 Certificates shall be sufficient for any purpose of the Trust Agreement (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate of an officer of any bank or trust company located within the United States of America, which need not be acknowledged or verified. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(b) The fact of the ownership of 2013 Certificates by any person and the amount, the maturity and the numbers of such 2013 Certificates and the date of his holding the same shall be proved by the Register maintained pursuant to Section 2.10 hereof.

Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any 2013 Certificate shall bind every future Owner of the same 2013 Certificate in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.10 Certificate Register. The Trustee will keep or cause to be kept, at its designated office, sufficient books for the registration and transfer of the 2013 Certificates which shall at all times be open to inspection by the Lessee and the Lessor during normal business hours with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, 2013 Certificates as hereinbefore provided.

Section 2.11 Book-Entry-Only System. The 2013 Certificates shall be initially issued in the form of a single fully registered certificate for each scheduled principal payment date for each 2013 Certificate. Upon initial execution and delivery, the ownership of such 2013 Certificates shall be registered in the Register in the name of Cede & Co., as nominee of DTC,

and, except as hereinafter otherwise provided, all of the Outstanding 2013 Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to the 2013 Certificates registered in the Register in the name of Cede & Co., as nominee of DTC, the Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the 2013 Certificates (a "Beneficial Owner"), nor any responsibility or obligation to any DTC Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the 2013 Certificates under or through DTC or any DTC Participant, or any other person with respect to (i) the accuracy of any records maintained by DTC or any DTC Participant, (ii) the payment by DTC or any DTC Participant of any amount in respect of the 2013 Certificates, (iii) the giving of any notice that is permitted or required to be given to Owners under the Trust Agreement, or (iv) any consent given or other action taken by DTC as an Owner.

Notwithstanding any other provision of the Trust Agreement to the contrary, the Trustee shall be entitled to treat and consider the person in whose name each 2013 Certificate is registered in the Register as an absolute Owner of such 2013 Certificate for the purpose of payment, for the purpose of giving notices of prepayment with respect to any 2013 Certificate, for the purpose of registering transfers with respect to such 2013 Certificate, and for all other purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest evidenced by any 2013 Certificate only to or upon the order of the respective 2013 Certificate Owners, as shown in the Register, as provided in this Third Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the 2013 Certificates to the extent of the sum or sums so paid. No person other than a 2013 Certificate Owner, as shown in the Register, shall receive a 2013 Certificate evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this Third Supplement.

Notwithstanding any other provision of the Trust Agreement or the 2013 Certificates, so long as the 2013 Certificates are held in book-entry form and registered in the name of Cede & Co., as nominee or DTC, or registered in the name of any successor securities depository, or its nominee, the following provisions shall apply:

(a) Presentation. Presentation of 2013 Certificates to the Paying Agent at their scheduled payment dates or upon prepayment prior thereto shall be deemed made to the Paying Agent when the right to exercise ownership rights in the 2013 Certificates through DTC or a DTC Participant is transferred by DTC on its books.

(b) Fractionalized Representation. DTC may present notices, approvals, waivers, votes or other communications required or permitted to be made by Owners under this Third Supplement on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2013 Certificates through DTC or DTC Participants.

The 2013 Certificate Owners have no right to a depository for the 2013 Certificates. The Lessee or the Trustee may remove DTC or any successor thereto for any reason at any time. In such event, the Trustee shall (i) appoint a successor securities depository qualified to act as such

under Section 17(i) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate 2013 Certificates to such successor securities depository, or (ii) notify DTC of the availability through DTC of 2013 Certificates and transfer one or more separate 2013 Certificates to DTC Participants having 2013 Certificates credited to their DTC accounts as directed by DTC. In such event, the 2013 Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving 2013 Certificates shall designate, in accordance with the provisions of the Trust Agreement.

The Trustee and the Lessee may execute the letter of representation in connection with the execution and delivery of the 2013 Certificates. The letter of representation is for the purpose of effectuating the book-entry-only system only and shall not be deemed to amend, supersede or supplement the terms of this Third Supplement that are intended to be complete without reference to the letter of representation. In the event of any conflict between the terms of the letter of representation and the terms of this Third Supplement, the terms of the Trust Agreement shall control. DTC may exercise the rights of a 2013 Certificate Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

ARTICLE III ACQUISITION FUND AND DELIVERY COSTS FUND

Section 3.1 **2013A Project Fund.** The Trustee shall establish a special fund designated as the “2013A Project Fund” as a subfund within the Acquisition Fund. There shall be deposited in the 2013A Project Fund the proceeds of the sale of the 2013A Certificates required to be deposited therein pursuant to Section 2.6(a)(ii) hereof. The Trustee shall immediately release and disburse the amounts in the 2013A Project Fund to the County as consideration for the County executing and delivering the Third Amendment.

Section 3.2 **Delivery Costs Fund.** The Trustee shall establish a special fund designated as the “2013 Delivery Costs Fund,” comprising the 2013A Delivery Costs Account and the 2013B Delivery Costs Account. The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided herein and in the Lease-Purchase Agreement. There shall be deposited in the 2013A Delivery Costs Account the proceeds of sale of the 2013A Certificates required to be deposited therein pursuant to Section 2.6(a)(i) hereof and there shall be deposited in the 2013B Delivery Costs Account the proceeds of the sale of the 2013B Certificates required to be deposited therein pursuant to Section 2.6(b)(i) hereof.

The Trustee shall disburse moneys in the 2013 Delivery Costs Fund only upon a requisition signed by the Lessee Representative setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom said amounts are to be disbursed, stating that the amounts to be disbursed are for Delivery Costs properly chargeable to the 2013 Delivery Costs Fund. Amounts remaining in the 2013 Delivery Costs Fund after September 1, 2013, shall be transferred to the Lease Payment Fund.

The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the Lessee Representative, of the moneys held in the 2013 Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the Lessee Representative in connection with disbursements made pursuant to this Section.

ARTICLE IV REDEMPTION OF 2013 CERTIFICATES

Section 4.1 **Right to Redeem.** The 2013 Certificates shall be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein.

Section 4.2 **Redemption.**

(a) **No Prior Optional Redemption.** The 2013 Certificates are not subject to optional redemption prior to their stated maturity dates.

(b) **Redemption from Net Proceeds of Insurance and Condemnation.** The 2013 Certificates are subject to extraordinary redemption on any 2013 Interest Payment Date in whole or in part, from the Net Proceeds of insurance or condemnation, which Net Proceeds are deposited in the Lease Payment Fund and credited towards the Prepayment made by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, in any order of maturity designated by the Lessee (or by the Trustee by lot in the event that no such designation is received by the Trustee at the time such Net Proceeds are deposited with the Trustee), and by lot within a maturity at a redemption price equal to the principal amount of the 2013 Certificates to be redeemed, together with accrued interest to the date fixed for redemption, without premium.

Section 4.3 **Selection of Certificates to be Redeemed.** If less than all of the 2013 Certificates of the same maturity are to be redeemed upon redemption of 2013 Certificates hereunder, the Trustee shall select the 2013 Certificates to be redeemed by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each 2013 Certificate as representing that number of 2013 Certificates of \$5,000 denomination as is obtained by dividing the principal amount of such 2013 Certificate by \$5,000.

Section 4.4 **Partial Redemption of Certificates.** Upon the selection and call for redemption of, and the surrender of, any 2013 Certificate for redemption in part only, the Trustee shall cause to be executed and delivered to or upon the written order of the Owner thereof, at the expense of the Lessee, a new 2013 Certificate or 2013 Certificates of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2013 Certificate surrendered, in accordance with instructions received from the Owner thereof, with one 2013 Certificate being delivered in the absence of such instructions.

Section 4.5 **Effect of Call for Redemption.** On the date designated for redemption by notice given as herein provided, the 2013 Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such 2013 Certificates on such date. If on the date fixed for redemption moneys for payment of the redemption price and accrued interest are held by the Trustee as provided herein, interest on the

2013 Certificates so called for redemption shall cease to accrue, such 2013 Certificates shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such 2013 Certificates so called for redemption shall be deemed paid and no longer Outstanding.

Section 4.6 Notice of Redemption.

(a) Whenever redemption of 2013 Certificates is to be made, the Trustee shall give notice of the redemption of such 2013 Certificates, which notice shall specify the redemption date, the redemption price and the place or places where such redemption price will be payable and, if less than all of the 2013 Certificates are to be redeemed, the numbers or other distinguishing marks of such 2013 Certificates so to be redeemed, and, in the case of 2013 Certificates to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2013 Certificate to be redeemed the redemption price of such 2013 Certificate or the specified portion thereof in the case of a 2013 Certificate to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable on such 2013 Certificate or portion thereof so to be redeemed.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than thirty (30) days nor more than sixty (60) days before the redemption date, to all Owners of any 2013 Certificates or portions of 2013 Certificates which are to be redeemed at their last addresses appearing upon the Register, but failure so to mail any such notice, or a defect in such notice, as to any 2013 Certificate shall not affect the validity of the proceedings for the redemption of any other 2013 Certificate.

(c) In addition to the notice called for in subsections (a) and (b), further notice shall be given by the Trustee as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption or result in a breach of trust by the Trustee if notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all 2013 Certificates being redeemed; (B) the date of issue of the 2013 Certificates as originally issued; (C) the rate of interest borne by each 2013 Certificate being redeemed; (D) the maturity date of each 2013 Certificate being redeemed; and (E) any other descriptive information needed to identify accurately the 2013 Certificates being redeemed.

(ii) Each further notice of redemption shall be sent at least 35 days before the redemption date, return receipt requested, to all registered securities depositories which are registered owners of the 2013 Certificates then in the business of holding substantial amounts of obligations of types such as the 2013 Certificates (such as, at the time of execution and delivery of this Third Supplement, Depository Trust Company of New York, New York) and to one or more national information services that disseminate

notices of redemption of obligations such as the 2013 Certificates (such as, at the time of execution and delivery of this Third Supplement, the Daily Called Bond Service of Financial Information, Inc., Jersey City, New Jersey; the Called Bond Service of Kenney Information Services, New York, New York; Moody's Municipal and Government, New York, New York; and S&P's Called Bond Record, New York, New York).

(d) A second notice of redemption shall be given within sixty (60) days after the redemption date in the manner required above to each of the Owners of the 2013 Certificates designated for redemption which have not been presented for payment within thirty (30) days after the redemption date.

ARTICLE V MISCELLANEOUS

Section 5.1 Binding Effect; Successors. This Third Supplement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Third Supplement either the County or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Third Supplement contained by or on behalf of the County or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 5.2 Execution in Counterparts. This Third Supplement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 5.3 Headings. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Third Supplement. All references herein to "Articles," "Sections," and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Third Supplement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this Third Supplement as a whole and not to any particular Article, Section or subdivision hereof.

Section 5.4 Waiver of Notice. Whenever in this Third Supplement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 5.5 Severability of Invalid Provisions. In case any one or more of the provisions contained in this Third Supplement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this Third Supplement, and this Third Supplement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this Third Supplement and each and every other section, paragraph, sentence, clause or phrase hereof

and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Third Supplement may be held illegal, invalid or unenforceable.

Section 5.6 Cancellation of Contracts. As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Third Supplement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Third Supplement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Third Supplement on behalf of the Lessee within 3 years from execution of this Third Supplement, unless a waiver of A.R.S. §38-511 is provided by the Lessee's Board of Supervisors.

Section 5.7 Certain Warranties and Certifications from the Lessor.

(a) To the extent applicable under Arizona Revised Statutes ("A.R.S.") § 41-4401, the Trustee, in its capacity as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement, including its subcontractors who work on this Third Supplement or the Lease-Purchase Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E verify requirements under A.R.S. § 23-214(A). The breach by the Trustee of the foregoing shall be deemed a material breach of the Trustee's duties under the Trust Agreement and the Lease-Purchase Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The County retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Trustee shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(b) Pursuant to A.R.S. §§ 35-391.06 and 35-393.06, the Trustee certifies that it does not have a scrutinized business operation in Sudan or Iran. For the purpose of this subsection, the term "scrutinized business operations" shall have the meanings set forth in A.R.S. §§ 35-391 and 35-393, as applicable. If the County determines that the Trustee submitted a false certification, the County may impose remedies as provided by law, including termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement

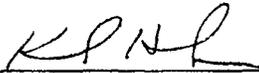

and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement.

Section 5.8 **Leased Property.** The description of the Leased Property, as defined in the Original Trust Agreement, is hereby amended to mean the Public Works Building, the Legal Services Building, the Public Works Parking Garage and the Adult Detention Center described in Exhibit C attached to this Third Supplement, setting forth the Leased Property under the Lease, reflecting the addition of the real property and improvements conveyed to the Trustee by the 1997 Trustee.

The Registered Owner of this 2013[A][B] Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2013, and

semiannually thereafter on December 1 and June 1 of each year (the "2013 Interest Payment Dates") until payment in full of said portion of principal, the Registered Owner's proportionate share of the Lease Payments designated as interest coming due preceding each of the 2013 Interest Payment Dates; provided that interest with respect hereto shall be payable from the 2013 Interest Payment Date next preceding the date of execution of this 2013[A][B] Certificate (unless (i) this 2013[A][B] Certificate is executed prior to December 1, 2013, in which event interest shall be payable from the Dated Date identified above, (ii) this 2013[A][B] Certificate is executed on a 2013 Interest Payment Date, in which event interest shall be payable from such 2013 Interest Payment Date, or (iii) this 2013[A][B] Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2013 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2013 Interest Payment Date). Said amounts representing the Registered Owner's share of the Lease Payments designated as principal are payable when due upon surrender of this 2013[A][B] Certificate at the principal corporate trust office of the Trustee.

This 2013[A][B] Certificate has been executed and delivered by the Trustee pursuant to the terms of an Original Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the "Original Trust Agreement"), authorizing the execution and delivery of the aggregate principal amount of \$50,000,000 Certificates of Participation, Series 2008 (which are no longer outstanding), as supplemented by the First Supplement to Trust Agreement, dated as of June 1, 2009 (the "First Supplement") authorizing the execution and delivery of the aggregate principal amount of \$34,400,000 Certificates of Participation, Series 2009 (which are no longer outstanding), the Second Supplement to Trust Agreement, dated as of February 1, 2010 (the "Second Supplement") authorizing the execution and delivery of the aggregate principal amount of \$20,000,000 Certificates of Participation, Series 2010 (the "2010 Certificates") and a Third Supplement to Trust Agreement, dated as of May 1, 2013 (the "Third Supplement", together with the Original Trust Agreement, the First Supplement and the Second Supplement, the "Trust Agreement"), authorizing a series of certificates limited in aggregate principal amount to \$_____ (the "2013[A][B] Certificates"). The Third Supplement also authorized a series of certificates limited in aggregate principal amount to \$_____ (the "2013[B][A] Certificates"), which the Trustee will execute and deliver simultaneously with the execution and delivery of the 2013[A][B] Certificates. The 2010 Certificates, the 2013[A][B] Certificates, the 2013[B][A] Certificates and any Additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates". The Lessee is authorized to enter into the Third Amendment and the Third Supplement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2013[A][B] Certificates are delivered, the rights thereunder of the Registered Owners of the 2013[A][B] Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2013[A][B] Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including December 1, 2022, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next

occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5 %) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2013[A][B] Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2013[A][B] Certificate. Upon such transfer a new 2013[A][B] Certificate or 2013[A][B] Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2013[A][B] Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2013[A][B] Certificates are not subject to optional redemption prior to maturity.

The 2013[A][B] Certificates are subject to redemption on any 2013 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2013[A][B] Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to

mail any such notice or any defect in such notice as to any 2013[A][B] Certificate shall not affect the validity of the proceedings for the redemption of any other 2013[A][B] Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2013[A][B] Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

The Trustee shall act as registrar for purposes of exchanging and registering 2014 Certificates in accordance with the provisions hereof.

(c) Each 2014 Certificate shall be transferable only upon the Register by the Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner thereof or his duly authorized attorney. Upon surrender for transfer of any 2014 Certificate, the Trustee shall execute and deliver, in the name of the transferee, one or more new 2014 Certificates, of the same aggregate principal amount and maturity as the surrendered 2014 Certificate.

(d) Any 2014 Certificate, upon surrender thereof to the Trustee together with written instructions satisfactory to the Trustee, duly executed by the Owner thereof or his attorney duly authorized in writing, may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of 2014 Certificates with the same maturity of any other authorized denominations.

(e) All 2014 Certificates surrendered in any exchange or transfer of 2014 Certificates shall forthwith be cancelled by the Trustee.

(f) In connection with any such exchange or transfer of 2014 Certificates, the Owner requesting such exchange or transfer shall as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay

any tax or other governmental charge required to be paid with respect to such exchange or transfer.

(g) The Trustee may but shall not be obligated to exchange or register the transfer of any 2014 Certificate (i) which has been called or selected for call for redemption in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of redemption. If the transfer of any 2014 Certificate which has been called or selected for call for redemption in whole or in part is registered, any notice of redemption which has been given to the transferor shall be binding upon the transferee and a copy of the notice of redemption shall be delivered by the Trustee to the transferee along with the 2014 Certificate or 2014 Certificates.

Section 2.8 Mutilated, Lost, Destroyed and Stolen Certificates. If (i) any mutilated 2014 Certificate is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any 2014 Certificate, and (ii) there is delivered to the Trustee such security or indemnity as may be required by the Trustee to hold it harmless, then, in the absence of written notice to the Trustee that such 2014 Certificate has been acquired by a bona fide purchaser and upon the Owner paying the reasonable expenses of the Trustee, the Trustee shall cause to be executed and shall deliver, in exchange for such mutilated 2014 Certificate or in lieu of such destroyed, lost or stolen 2014 Certificate, a new 2014 Certificate of like principal amount, date and tenor. If the principal of any such mutilated, destroyed, lost or stolen 2014 Certificate has become, or will on or before the next 2014 Interest Payment Date become, due and payable, the Trustee may, in its discretion, pay such 2014 Certificate when due instead of delivering a new 2014 Certificate.

Section 2.9 Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by 2014 Certificate Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such 2014 Certificates. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of 2014 Certificates shall be sufficient for any purpose of the Trust Agreement (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate of an officer of any bank or trust company located within the United States of America, which need not be acknowledged or verified. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(b) The fact of the ownership of 2014 Certificates by any person and the amount, the maturity and the numbers of such 2014 Certificates and the date of his holding the same shall be proved by the Register maintained pursuant to Section 2.10 hereof.

Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any 2014 Certificate shall bind every future Owner of the same 2014 Certificate in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.10 Certificate Register. The Trustee will keep or cause to be kept, at its designated office, sufficient books for the registration and transfer of the 2014 Certificates which shall at all times be open to inspection by the Lessee and the Lessor during normal business hours with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, 2014 Certificates as hereinbefore provided.

Section 2.11 Book-Entry-Only System. The 2014 Certificates shall be initially issued in the form of a single fully registered certificate for each scheduled principal payment date for each 2014 Certificate. Upon initial execution and delivery, the ownership of such 2014 Certificates shall be registered in the Register in the name of Cede & Co., as nominee of DTC, and, except as hereinafter otherwise provided, all of the Outstanding 2014 Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to the 2014 Certificates registered in the Register in the name of Cede & Co., as nominee of DTC, the Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the 2014 Certificates (a "Beneficial Owner"), nor any responsibility or obligation to any DTC Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the 2014 Certificates under or through DTC or any DTC Participant, or any other person with respect to (i) the accuracy of any records maintained by DTC or any DTC Participant, (ii) the payment by DTC or any DTC Participant of any amount in respect of the 2014 Certificates, (iii) the giving of any notice that is permitted or required to be given to Owners under the Trust Agreement, or (iv) any consent given or other action taken by DTC as an Owner.

Notwithstanding any other provision of the Trust Agreement to the contrary, the Trustee shall be entitled to treat and consider the person in whose name each 2014 Certificate is registered in the Register as an absolute Owner of such 2014 Certificate for the purpose of payment, for the purpose of giving notices of prepayment with respect to any 2014 Certificate, for the purpose of registering transfers with respect to such 2014 Certificate, and for all other purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest evidenced by any 2014 Certificate only to or upon the order of the respective 2014 Certificate Owners, as shown in the Register, as provided in this Fourth Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the 2014 Certificates to the extent of the sum or sums so paid. No person other than a 2014 Certificate Owner, as shown in the Register, shall receive a 2014 Certificate evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this Fourth Supplement.

Notwithstanding any other provision of the Trust Agreement or the 2014 Certificates, so long as the 2014 Certificates are held in book-entry form and registered in the name of Cede & Co., as nominee of DTC, or registered in the name of any successor securities depository, or its nominee, the following provisions shall apply:

(a) Presentation. Presentation of 2014 Certificates to the Paying Agent at their scheduled payment dates or upon prepayment prior thereto shall be deemed made to the Paying Agent when the right to exercise ownership rights in the 2014 Certificates through DTC or a DTC Participant is transferred by DTC on its books.

(b) Fractionalized Representation. DTC may present notices, approvals, waivers, votes or other communications required or permitted to be made by Owners under this Fourth Supplement on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2014 Certificates through DTC or DTC Participants.

The 2014 Certificate Owners have no right to a depository for the 2014 Certificates. The Lessee or the Trustee may remove DTC or any successor thereto for any reason at any time. In such event, the Trustee shall (i) appoint a successor securities depository qualified to act as such under Section 17(i) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate 2014 Certificates to such successor securities depository, or (ii) notify DTC of the availability through DTC of 2014 Certificates and transfer one or more separate 2014 Certificates to DTC Participants having 2014 Certificates credited to their DTC accounts as directed by DTC. In such event, the 2014 Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving 2014 Certificates shall designate, in accordance with the provisions of the Trust Agreement.

The Trustee and the Lessee may execute the letter of representation in connection with the execution and delivery of the 2014 Certificates. The letter of representation is for the purpose of effectuating the book-entry-only system only and shall not be deemed to amend, supersede or supplement the terms of this Fourth Supplement that are intended to be complete without reference to the letter of representation. In the event of any conflict between the terms of the letter of representation and the terms of this Fourth Supplement, the terms of the Trust Agreement shall control. DTC may exercise the rights of a 2014 Certificate Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

ARTICLE III ACQUISITION FUND AND DELIVERY COSTS FUND

Section 3.1 2014 Project Fund. The Trustee shall establish a special fund designated as the "2014 Project Fund" as a subfund within the Acquisition Fund. There shall be deposited in the 2014 Project Fund the proceeds of the sale of the 2014 Certificates required to be deposited therein pursuant to Section 2.6(b) hereof. The Trustee shall immediately release and disburse the amounts in the 2014 Project Fund to the County as consideration for the County executing and delivering the 2014 Ground Lease.

Section 3.2 Delivery Costs Fund. The Trustee shall establish a special fund designated as the “2014 Delivery Costs Fund.” The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided herein and in the Lease-Purchase Agreement. There shall be deposited in the 2014 Delivery Costs Fund the proceeds of sale of the 2014 Certificates required to be deposited therein pursuant to Section 2.6(a) hereof.

The Trustee shall disburse moneys in the 2014 Delivery Costs Fund only upon a requisition signed by the Lessee Representative setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom said amounts are to be disbursed, stating that the amounts to be disbursed are for Delivery Costs properly chargeable to the 2014 Delivery Costs Fund. Amounts remaining in the 2014 Delivery Costs Fund after May 1, 2014, shall be transferred to the Lease Payment Fund.

The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the Lessee Representative, of the moneys held in the 2014 Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the Lessee Representative in connection with disbursements made pursuant to this Section.

ARTICLE IV REDEMPTION OF 2014 CERTIFICATES

Section 4.1 Right to Redeem. The 2014 Certificates shall be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein.

Section 4.2 Redemption.

(a) **Optional Redemption.** The 2014 Certificates maturing on or after December 1, 2024, are subject to redemption, in whole or in part, on any date on or after December 1, 2023, in increments of \$5,000 of principal amount due on a specific maturity date, in any order of maturity, all as directed by the County, and by lot within a maturity by payment of the principal amount of each 2014 Certificate to be redeemed, plus interest accrued the date fixed for redemption, without premium.

(b) **Redemption from Net Proceeds of Insurance or Condemnation.** The 2014 Certificates are subject to extraordinary redemption on any 2014 Interest Payment Date in whole or in part, from the Net Proceeds of insurance or condemnation, which Net Proceeds are deposited in the Lease Payment Fund and credited towards the Prepayment made by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, in any order of maturity designated by the Lessee (or by the Trustee by lot in the event that no such designation is received by the Trustee at the time such Net Proceeds are deposited with the Trustee), and by lot within a maturity at a redemption price equal to the principal amount of the 2014 Certificates to be redeemed, together with accrued interest to the date fixed for redemption, without premium.

Section 4.3 Selection of Certificates to be Redeemed. If less than all of the 2014 Certificates of the same maturity are to be redeemed upon redemption of 2014 Certificates

hereunder, the Trustee shall select the 2014 Certificates to be redeemed by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each 2014 Certificate as representing that number of 2014 Certificates of \$5,000 denomination as is obtained by dividing the principal amount of such 2014 Certificate by \$5,000.

Section 4.4 Partial Redemption of Certificates. Upon the selection and call for redemption of, and the surrender of, any 2014 Certificate for redemption in part only, the Trustee shall cause to be executed and delivered to or upon the written order of the Owner thereof, at the expense of the Lessee, a new 2014 Certificate or 2014 Certificates of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2014 Certificate surrendered, in accordance with instructions received from the Owner thereof, with one 2014 Certificate being delivered in the absence of such instructions.

Section 4.5 Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the 2014 Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such 2014 Certificates on such date. If on the date fixed for redemption moneys for payment of the redemption price and accrued interest are held by the Trustee as provided herein, interest on the 2014 Certificates so called for redemption shall cease to accrue, such 2014 Certificates shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such 2014 Certificates so called for redemption shall be deemed paid and no longer Outstanding.

Section 4.6 Notice of Redemption.

(a) Whenever redemption of 2014 Certificates is to be made, the Trustee shall give notice of the redemption of such 2014 Certificates, which notice shall specify the redemption date, the redemption price and the place or places where such redemption price will be payable and, if less than all of the 2014 Certificates are to be redeemed, the numbers or other distinguishing marks of such 2014 Certificates so to be redeemed, and, in the case of 2014 Certificates to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2014 Certificate to be redeemed the redemption price of such 2014 Certificate or the specified portion thereof in the case of a 2014 Certificate to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable on such 2014 Certificate or portion thereof so to be redeemed.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than thirty (30) days nor more than sixty (60) days before the redemption date, to all Owners of any 2014 Certificates or portions of 2014 Certificates which are to be redeemed at their last addresses appearing upon the Register, but failure so to mail any such notice, or a defect in such notice, as to any 2014 Certificate shall not affect the validity of the proceedings for the redemption of any other 2014 Certificate. If moneys for the payment of the redemption price and accrued interest are not held in separate accounts by the County or by the Trustee prior to sending the notice of redemption, such redemption shall be

conditional on such moneys being so held on the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect.

(c) In addition to the notice called for in subsections (a) and (b), further notice shall be given by the Trustee as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption or result in a breach of trust by the Trustee of notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all 2014 Certificates being redeemed; (B) the date of issue of the 2014 Certificates as originally issued; (C) the rate of interest borne by each 2014 Certificate being redeemed; (D) the maturity date of each 2014 Certificate being redeemed; and (E) any other descriptive information needed to identify accurately the 2014 Certificates being redeemed.

(ii) Each further notice of redemption shall be sent at least 35 days before the redemption date, return receipt requested, to all registered securities depositories which are registered owners of the 2014 Certificates then in the business of holding substantial amounts of obligations of types such as the 2014 Certificates (such as, at the time of execution and delivery of this Fourth Supplement, DTC) and to one or more national information services that disseminate notices of redemption of obligations such as the 2014 Certificates (such as, at the time of execution and delivery of this Fourth Supplement, the Daily Called Bond Service of Financial Information, Inc., Jersey City, New Jersey; the Called Bond Service of Kenney Information Services, New York, New York; Moody's Municipal and Government, New York, New York; and S&P's Called Bond Record, New York, New York).

(d) A second notice of redemption shall be given within sixty (60) days after the redemption date in the manner required above to each of the Owners of the 2014 Certificates designated for redemption which have not been presented for payment within thirty (30) days after the redemption date.

ARTICLE V MISCELLANEOUS

Section 5.1 Binding Effect; Successors. This Fourth Supplement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Fourth Supplement either the County or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Fourth Supplement contained by or on behalf of the County or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 5.2 **Execution in Counterparts.** This Fourth Supplement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 5.3 **Headings.** The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Fourth Supplement. All references herein to "Articles," "Sections," and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Fourth Supplement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this Fourth Supplement as a whole and not to any particular Article, Section or subdivision hereof.

Section 5.4 **Waiver of Notice.** Whenever in this Fourth Supplement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 5.5 **Severability of Invalid Provisions.** In case any one or more of the provisions contained in this Fourth Supplement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this Fourth Supplement, and this Fourth Supplement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this Fourth Supplement and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Fourth Supplement may be held illegal, invalid or unenforceable.

Section 5.6 **Cancellation of Contracts.** As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Fourth Supplement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Fourth Supplement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Fourth Supplement on behalf of the Lessee within 3 years from execution of this Fourth Supplement, unless a waiver of Arizona Revised Statutes Section 38-511 is provided by the Lessee's Board of Supervisors.

Section 5.7 Certain Warranties and Certifications from the Lessor. To the extent applicable under Arizona Revised Statutes Section 41-4401, the Trustee, in its capacity as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement, including its subcontractors who work on this Fourth Supplement or the Lease-Purchase Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E-verify requirements under Arizona Revised Statutes Section 23-214(A). The breach by the Trustee of the foregoing shall be deemed a material breach of the Trustee's duties under the Trust Agreement and the Lease-Purchase Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The County retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Trustee shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

Section 5.8 Leased Property; Release.

(a) The description of the Leased Property, as defined in the Original Trust Agreement, is hereby amended to mean the Public Works Building, the Legal Services Building, the Public Works Parking Garage, the Adult Detention Center and the Public Service Center Office Tower and Parking Garage.

(b) If the Lessee exercises its rights to release Leased Property under the Lease-Purchase Agreement, the Trustee shall, upon all conditions contained in Section 1.10 of the Fourth Amendment having been complied with and being satisfied, release the lien of the Trust Agreement from any Leased Property being conveyed in connection with such release. The Trustee shall take any and all steps and execute and record any and all documents reasonably required by the Lessee to consummate the transfer of title in connection with such release.

THIS IS TO CERTIFY that the Registered Owner identified above, or registered assigns, as the Registered Owner of this Certificate of Participation, Series 2014 (the "2014 Certificate") is the owner of an undivided proportionate interest in the right to receive certain Lease Payments and Prepayments thereof under and defined in that certain Lease-Purchase Agreement, dated as of June 1, 2008 (the "Original Lease-Purchase Agreement") as amended and supplemented by the First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009 (the "First Amendment"), the Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010 (the "Second Amendment"), the Third Amendment to Lease-Purchase Agreement, dated as of May 1, 2013 (the "Third Amendment") and the Fourth Amendment to Lease-Purchase Agreement, dated as of January 1, 2014 (the "Fourth Amendment" and, together with the Original Lease-Purchase Agreement, the First Amendment, the Second Amendment, and the Third Amendment, the "Lease-Purchase Agreement"), by and between U.S. Bank National Association, as trustee (the "Lessor") and Pima County, Arizona (the "Lessee"), which Lease Payments and Prepayments and certain other rights and interests under the Lease-Purchase Agreement are held by U.S. Bank National Association, as trustee (the "Trustee"), at its designated corporate trust office.

The Registered Owner of this 2014 Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount

set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2014, and semiannually thereafter on December 1 and June 1 of each year (the "2014 Interest Payment Dates") until payment in full of said portion of principal, the Registered Owner's proportionate share of the Lease Payments designated as interest coming due preceding each of the 2014 Interest Payment Dates; provided that interest with respect hereto shall be payable from the 2014 Interest Payment Date next preceding the date of execution of this 2014 Certificate (unless (i) this 2014 Certificate is executed prior to December 1, 2014, in which event interest shall be payable from the Dated Date identified above, (ii) this 2014 Certificate is executed on a 2014 Interest Payment Date, in which event interest shall be payable from such 2014 Interest Payment Date, or (iii) this 2014 Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2014 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2014 Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any 2014 Certificates of the issue of which this is one, interest hereon shall be payable from the 2014 Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2014, interest shall be payable from the Dated Date identified above, unless this 2014 Certificate is executed after a Special Record Date (as defined in the Original Trust Agreement) and before the following Special 2014 Interest Payment Date (as defined in the Original Trust Agreement), in which event interest shall be payable from the scheduled 2014 Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amounts representing the Registered Owner's share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such 2014 Interest Payment Date (the "Record Date"), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special 2014 Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of \$1,000,000 or more in aggregate principal amount of 2014 Certificates as of the close of business of the Trustee on the Record Date for a particular 2014 Interest Payment Date or, if applicable, the Special Record Date for a particular Special 2014 Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner's expense) on the 2014 Interest Payment Date or Special 2014 Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such 2014 Interest Payment Date or, if applicable, the Special Record Date for such Special 2014 Interest Payment Date. Said amounts representing the Registered Owner's share of the Lease Payments designated as principal are payable when due upon surrender of this 2014 Certificate at the principal corporate trust office of the Trustee.

This 2014 Certificate has been executed and delivered by the Trustee pursuant to the terms of an Original Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the "Original Trust Agreement"), authorizing the execution and delivery of the aggregate principal amount of \$50,000,000 Certificates of Participation, Series 2008 (which are no longer outstanding), as supplemented by the First Supplement to Trust Agreement, dated as of June 1, 2009 (the "First Supplement") authorizing the execution and delivery of the aggregate principal amount of \$34,400,000 Certificates of Participation, Series 2009 (which are no longer outstanding), the Second Supplement to Trust Agreement, dated as of February 1, 2010 (the "Second Supplement") authorizing the execution and delivery of the aggregate principal amount of \$20,000,000 Certificates of Participation, Series 2010 (the "2010 Certificates"), the Third Supplement to Trust Agreement, dated as of May 1, 2013 (the "Third Supplement") authorizing the execution and delivery of the aggregate principal amount of \$80,175,000 Certificates of Participation, Series 2013A (the "2013A Certificates") and the aggregate principal amount of \$12,705,000 Refunding Certificates of Participation, Series 2013B (the "Series 2013B Certificates") and a Fourth Supplement to Trust Agreement, dated as of January 1, 2014 (the "Fourth Supplement," together with the Original Trust Agreement, the First Supplement, the Second Supplement and the Third Supplement, the "Trust Agreement"), authorizing a series of certificates limited in aggregate principal amount to \$52,160,000 (the "2014 Certificates"). The 2010 Certificates, the 2013A Certificates, the 2013B Certificates, the 2014 Certificates and any Additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates". The Lessee is authorized to enter into the Fourth Amendment and the Fourth Supplement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2014 Certificates are delivered, the rights thereunder of the Registered Owners of the 2014 Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2014 Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including December 1, 2028, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the

full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2014 Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2014 Certificate. Upon such transfer a new 2014 Certificate or 2014 Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2014 Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2014 Certificates maturing on or after December 1, 2024, are subject to redemption, in whole or in part, on any date on or after December 1, 2023, in increments of \$5,000 of principal amount due on a specific maturity date, in any order of maturity, all as directed by the County, and by lot within a maturity by payment of the principal amount of each 2014 Certificate to be redeemed, plus interest accrued the date fixed for redemption, without premium.

The 2014 Certificates are subject to redemption on any 2014 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2014 Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2014 Certificate shall not affect the validity of the proceedings for the redemption of any other 2014 Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2014 Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

(b) So long as any 2015 Certificates are Outstanding, the Trustee shall maintain at its designated office books for the registration and transfer of 2015 Certificates, and shall provide for the registration and transfer of any 2015 Certificate under such reasonable regulations as the Trustee may prescribe. The Trustee shall act as registrar for purposes of exchanging and registering 2015 Certificates in accordance with the provisions hereof.

(c) Each 2015 Certificate shall be transferable only upon the Register by the Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner thereof or his duly authorized attorney. Upon surrender for transfer of any 2015 Certificate, the Trustee shall execute and deliver, in the name of the transferee, one or more new 2015 Certificates, of the same aggregate principal amount and maturity as the surrendered 2015 Certificate.

(d) Any 2015 Certificate, upon surrender thereof to the Trustee together with written instructions satisfactory to the Trustee, duly executed by the Owner thereof or his attorney duly authorized in writing, may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of 2015 Certificates with the same maturity of any other authorized denominations.

(e) All 2015 Certificates surrendered in any exchange or transfer of 2015 Certificates shall forthwith be cancelled by the Trustee.

(f) In connection with any such exchange or transfer of 2015 Certificates, the Owner requesting such exchange or transfer shall as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer.

(g) The Trustee may but shall not be obligated to exchange or register the transfer of any 2015 Certificate (i) which has been called or selected for call for redemption in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of redemption. If the transfer of any 2015 Certificate which has been called or selected for call for redemption in whole or in part is registered, any notice of redemption which has been given to the transferor shall be binding upon the transferee and a copy of the notice of redemption shall be delivered by the Trustee to the transferee along with the 2015 Certificate or 2015 Certificates.

Section 2.8 Mutilated, Lost, Destroyed and Stolen Certificates. If (i) any mutilated 2015 Certificate is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any 2015 Certificate, and (ii) there is delivered to the Trustee such security or indemnity as may be required by the Trustee to hold it harmless, then, in the absence of written notice to the Trustee that such 2015 Certificate has been acquired by a bona fide purchaser and upon the Owner paying the reasonable expenses of the Trustee, the Trustee shall cause to be executed and shall deliver, in exchange for such mutilated 2015 Certificate or in lieu of such destroyed, lost or stolen 2015 Certificate, a new 2015 Certificate of like principal amount, date and tenor. If the principal of any such mutilated, destroyed, lost or stolen 2015 Certificate has become, or will on or before the next 2015 Interest Payment Date become, due and payable, the Trustee may, in its discretion, pay such 2015 Certificate when due instead of delivering a new 2015 Certificate.

Section 2.9 Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by 2015 Certificate Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such 2015 Certificates. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of 2015 Certificates shall be sufficient for any purpose of the Trust Agreement (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate of an officer of any bank or trust company located within the United States of America, which need not be acknowledged or verified. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(b) The fact of the ownership of 2015 Certificates by any person and the amount, the maturity and the numbers of such 2015 Certificates and the date of his holding the same shall be proved by the Register maintained pursuant to Section 2.10 hereof.

Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any 2015 Certificate shall bind every future Owner of the same 2015 Certificate in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.10 Certificate Register. The Trustee will keep or cause to be kept, at its designated office, sufficient books for the registration and transfer of the 2015 Certificates which shall at all times be open to inspection by the Lessee and the Lessor during normal business hours with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, 2015 Certificates as hereinbefore provided.

Section 2.11 Book-Entry-Only System. The 2015 Certificates shall be initially issued in the form of a single fully registered certificate for each scheduled principal payment date for each 2015 Certificate. Upon initial execution and delivery, the ownership of such 2015 Certificates shall be registered in the Register in the name of Cede & Co., as nominee of DTC, and, except as hereinafter otherwise provided, all of the Outstanding 2015 Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to the 2015 Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the 2015 Certificates (a "Beneficial Owner"), nor any responsibility or obligation to any DTC Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the 2015 Certificates under or through DTC or any DTC Participant, or any other person with respect to (i) the accuracy of any records maintained by DTC or any DTC Participant, (ii) the payment by DTC or any DTC Participant of any amount in respect of the 2015 Certificates, (iii) the giving of any notice that is permitted or required to be given to Owners under the Trust Agreement, or (iv) any consent given or other action taken by DTC as an Owner.

Notwithstanding any other provision of the Trust Agreement to the contrary, the Trustee shall be entitled to treat and consider the person in whose name each 2015 Certificate is registered in the Register as an absolute Owner of such 2015 Certificate for the purpose of payment, for the purpose of giving notices of prepayment with respect to any 2015 Certificate, for the purpose of registering transfers with respect to such 2015 Certificate, and for all other purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest evidenced by any 2015 Certificate only to or upon the order of the respective 2015 Certificate Owners, as shown in the Register, as provided in this Fifth Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the 2015 Certificates to the extent of the sum or sums so paid. No person other than a 2015 Certificate Owner, as shown in the Register, shall receive a 2015 Certificate

evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this Fifth Supplement.

Notwithstanding any other provision of the Trust Agreement or the 2015 Certificates, so long as the 2015 Certificates are held in book-entry form and registered in the name of Cede & Co., as nominee of DTC, or registered in the name of any successor securities depository, or its nominee, the following provisions shall apply:

(a) Presentation. Presentation of 2015 Certificates to the Paying Agent at their scheduled payment dates or upon prepayment prior thereto shall be deemed made to the Paying Agent when the right to exercise ownership rights in the 2015 Certificates through DTC or a DTC Participant is transferred by DTC on its books.

(b) Fractionalized Representation. DTC may present notices, approvals, waivers, votes or other communications required or permitted to be made by Owners under this Fifth Supplement on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2015 Certificates through DTC or DTC Participants.

The 2015 Certificate Owners have no right to a depository for the 2015 Certificates. The Lessee or the Trustee may remove DTC or any successor thereto for any reason at any time. In such event, the Trustee shall (i) appoint a successor securities depository qualified to act as such under Section 17(i) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate 2015 Certificates to such successor securities depository, or (ii) notify DTC of the availability through DTC of 2015 Certificates and transfer one or more separate 2015 Certificates to DTC Participants having 2015 Certificates credited to their DTC accounts as directed by DTC. In such event, the 2015 Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving 2015 Certificates shall designate, in accordance with the provisions of the Trust Agreement.

The Trustee and the Lessee may execute the letter of representation in connection with the execution and delivery of the 2015 Certificates. The letter of representation is for the purpose of effectuating the book-entry-only system only and shall not be deemed to amend, supersede or supplement the terms of this Fifth Supplement that are intended to be complete without reference to the letter of representation. In the event of any conflict between the terms of the letter of representation and the terms of this Fifth Supplement, the terms of the Trust Agreement shall control. DTC may exercise the rights of a 2015 Certificate Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

ARTICLE III ACQUISITION FUND AND DELIVERY COSTS FUND

Section 3.1 2015 Project Fund. The Trustee shall establish a special fund designated as the "2015 Project Fund" as a subfund within the Acquisition Fund. There shall be deposited in the 2015 Project Fund the proceeds of the sale of the 2015 Certificates required to be

deposited therein pursuant to Section 2.6(b) hereof. The Trustee shall immediately release and disburse the amounts in the 2015 Project Fund to the County as consideration for the County executing and delivering the Fifth Amendment.

Section 3.2 Delivery Costs Fund. The Trustee shall establish a special fund designated as the "2015 Delivery Costs Fund." The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided herein and in the Lease-Purchase Agreement. There shall be deposited in the 2015 Delivery Costs Fund the proceeds of sale of the 2015 Certificates required to be deposited therein pursuant to Section 2.6(a) hereof.

The Trustee shall disburse moneys in the 2015 Delivery Costs Fund only upon a requisition signed by the Lessee Representative setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom said amounts are to be disbursed, stating that the amounts to be disbursed are for Delivery Costs properly chargeable to the 2015 Delivery Costs Fund. Amounts remaining in the 2015 Delivery Costs Fund after August 15, 2015, shall be transferred to the Lease Payment Fund.

The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the Lessee Representative, of the moneys held in the 2015 Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the Lessee Representative in connection with disbursements made pursuant to this Section.

ARTICLE IV REDEMPTION OF 2015 CERTIFICATES

Section 4.1 Right to Redeem. The 2015 Certificates shall be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein.

Section 4.2 Redemption.

(a) Optional Redemption. The 2015 Certificates are not subject to optional redemption prior to maturity.

(b) Redemption from Net Proceeds of Insurance or Condemnation. The 2015 Certificates are subject to extraordinary redemption on any 2015 Interest Payment Date in whole or in part, from the Net Proceeds of insurance or condemnation, which Net Proceeds are deposited in the Lease Payment Fund and credited towards the Prepayment made by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, in any order of maturity designated by the Lessee (or by the Trustee by lot in the event that no such designation is received by the Trustee at the time such Net Proceeds are deposited with the Trustee), and by lot within a maturity at a redemption price equal to the principal amount of the 2015 Certificates to be redeemed, together with accrued interest to the date fixed for redemption, without premium.

Section 4.3 Selection of Certificates to be Redeemed. If less than all of the 2015 Certificates of the same maturity are to be redeemed upon redemption of 2015 Certificates

hereunder, the Trustee shall select the 2015 Certificates to be redeemed by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each 2015 Certificate as representing that number of 2015 Certificates of \$5,000 denomination as is obtained by dividing the principal amount of such 2015 Certificate by \$5,000.

Section 4.4 Partial Redemption of Certificates. Upon the selection and call for redemption of, and the surrender of, any 2015 Certificate for redemption in part only, the Trustee shall cause to be executed and delivered to or upon the written order of the Owner thereof, at the expense of the Lessee, a new 2015 Certificate or 2015 Certificates of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2015 Certificate surrendered, in accordance with instructions received from the Owner thereof, with one 2015 Certificate being delivered in the absence of such instructions.

Section 4.5 Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the 2015 Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such 2015 Certificates on such date. If on the date fixed for redemption moneys for payment of the redemption price and accrued interest are held by the Trustee as provided herein, interest on the 2015 Certificates so called for redemption shall cease to accrue, such 2015 Certificates shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such 2015 Certificates so called for redemption shall be deemed paid and no longer Outstanding.

Section 4.6 Notice of Redemption.

(a) Whenever redemption of 2015 Certificates is to be made, the Trustee shall give notice of the redemption of such 2015 Certificates, which notice shall specify the redemption date, the redemption price and the place or places where such redemption price will be payable and, if less than all of the 2015 Certificates are to be redeemed, the numbers or other distinguishing marks of such 2015 Certificates so to be redeemed, and, in the case of 2015 Certificates to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2015 Certificate to be redeemed the redemption price of such 2015 Certificate or the specified portion thereof in the case of a 2015 Certificate to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable on such 2015 Certificate or portion thereof so to be redeemed.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than thirty (30) days nor more than sixty (60) days before the redemption date, to all Owners of any 2015 Certificates or portions of 2015 Certificates which are to be redeemed at their last addresses appearing upon the Register, but failure so to mail any such notice, or a defect in such notice, as to any 2015 Certificate shall not affect the validity of the proceedings for the redemption of any other 2015 Certificate. If moneys for the payment of the redemption price and accrued interest are not held in separate accounts by the County or by the Trustee prior to sending the notice of redemption, such redemption shall be

conditional on such moneys being so held on the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect.

(c) In addition to the notice called for in subsections (a) and (b), further notice shall be given by the Trustee as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption or result in a breach of trust by the Trustee if notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all 2015 Certificates being redeemed; (B) the date of issue of the 2015 Certificates as originally issued; (C) the rate of interest borne by each 2015 Certificate being redeemed; (D) the maturity date of each 2015 Certificate being redeemed; and (E) any other descriptive information needed to identify accurately the 2015 Certificates being redeemed.

(ii) Each further notice of redemption shall be sent at least 35 days before the redemption date, return receipt requested, to all registered securities depositories which are registered owners of the 2015 Certificates then in the business of holding substantial amounts of obligations of types such as the 2015 Certificates (such as, at the time of execution and delivery of this Fifth Supplement, DTC) and to one or more national information services that disseminate notices of redemption of obligations such as the 2015 Certificates (such as, at the time of execution and delivery of this Fifth Supplement, the Daily Called Bond Service of Financial Information, Inc., Jersey City, New Jersey; the Called Bond Service of Kenney Information Services, New York, New York; Moody's Municipal and Government, New York, New York; and S&P's Called Bond Record, New York, New York).

(d) A second notice of redemption shall be given within sixty (60) days after the redemption date in the manner required above to each of the Owners of the 2015 Certificates designated for redemption which have not been presented for payment within thirty (30) days after the redemption date.

ARTICLE V MISCELLANEOUS

Section 5.1 Binding Effect; Successors. This Fifth Supplement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Fifth Supplement either the County or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Fifth Supplement contained by or on behalf of the County or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 5.2 Execution in Counterparts. This Fifth Supplement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 5.3 Headings. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Fifth Supplement. All references herein to "Articles," "Sections," and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Fifth Supplement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this Fifth Supplement as a whole and not to any particular Article, Section or subdivision hereof.

Section 5.4 Waiver of Notice. Whenever in this Fifth Supplement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 5.5 Severability of Invalid Provisions. In case any one or more of the provisions contained in this Fifth Supplement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or unenforceability shall not affect any other provision of this Fifth Supplement, and this Fifth Supplement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this Fifth Supplement and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Fifth Supplement may be held illegal, invalid or unenforceable.

Section 5.6 Cancellation of Contracts. As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Fifth Supplement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Fifth Supplement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Fifth Supplement on behalf of the Lessee within 3 years from execution of this Fifth Supplement, unless a waiver of Arizona Revised Statutes Section 38-511 is provided by the Lessee's Board of Supervisors.

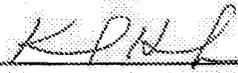

Section 5.7 Certain Warranties and Certifications from the Lessor. To the extent applicable under Arizona Revised Statutes Section 41-4401, the Trustee, in its capacity as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement, including its subcontractors who work on this Fifth Supplement or the Lease-Purchase Agreement, warrants compliance with all federal immigration laws and regulations that relate to

its employees and compliance with the E-verify requirements under Arizona Revised Statutes Section 23-214(A). The breach by the Trustee of the foregoing shall be deemed a material breach of the Trustee's duties under the Trust Agreement and the Lease-Purchase Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The County retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Trustee shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

Section 5.8 Release of Leased Property. If the Lessee exercises its rights to release Leased Property under the Lease-Purchase Agreement, the Trustee shall, upon all conditions contained in the Lease-Purchase Agreement having been complied with and being satisfied, release the lien of the Trust Agreement from any Leased Property being conveyed in connection with such release. The Trustee shall take any and all steps and execute and record any and all documents reasonably required by the Lessee to consummate the transfer of title in connection with such release.

THIS IS TO CERTIFY that the Registered Owner identified above, or registered assigns, as the Registered Owner of this Certificate of Participation, Series 2015 (the "2015 Certificate") is the owner of an undivided proportionate interest in the right to receive certain Lease Payments and Prepayments thereof under and defined in that certain Lease-Purchase Agreement, dated as of June 1, 2008 (the "Original Lease-Purchase Agreement") as amended and supplemented by the First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009 (the "First Amendment"), the Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010 (the "Second Amendment"), the Third Amendment to Lease-Purchase Agreement, dated as of May 1, 2013 (the "Third Amendment"), the Fourth Amendment to Lease-Purchase Agreement, dated as of January 1, 2014 (the "Fourth Amendment") and the Fifth Amendment to Lease-Purchase Agreement, dated as of April 1, 2015 (the "Fifth Supplement" and, together with the Original Lease-Purchase Agreement, the First Amendment, the Second Amendment, the Third Amendment and the Fourth Amendment, the "Lease-Purchase Agreement"), by and between U.S. Bank National Association, as trustee (the "Lessor") and Pima County, Arizona (the "Lessee"), which Lease Payments and Prepayments and certain other rights and interests under the Lease-Purchase Agreement are held by U.S. Bank National Association, as trustee (the "Trustee"), at its designated corporate trust office.

The Registered Owner of this 2015 Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2015, and semiannually thereafter on December 1 and June 1 of each year (the "2015 Interest Payment Dates") until payment in full of said portion of principal, the Registered Owner's proportionate share of the Lease Payments designated as interest coming due preceding each of the 2015 Interest Payment Dates; provided that interest with respect hereto shall be payable from the 2015 Interest Payment Date next preceding the date of execution of this 2015 Certificate (unless (i) this 2015 Certificate is executed prior to December 1, 2015, in which event interest shall be payable from the Dated Date identified above, (ii) this 2015 Certificate is executed on a 2015 Interest Payment Date, in which event interest shall be payable from such 2015 Interest Payment Date, or (iii) this 2015 Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2015 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2015 Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any 2015 Certificates of the issue of which this is one, interest hereon shall be payable from the 2015 Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2015, interest shall be payable from the Dated Date identified above, unless this 2015 Certificate is executed after a Special Record Date (as defined in the Original Trust Agreement) and before the following Special 2015 Interest Payment Date (as defined in the Original Trust Agreement), in which event interest shall be payable from the scheduled 2015 Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amounts representing the Registered Owner's share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such 2015 Interest Payment Date (the "Record Date"), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special 2015 Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of \$1,000,000 or more in aggregate principal amount of 2015 Certificates as of the close of business of the Trustee on the Record Date for a particular 2015 Interest Payment Date or, if applicable, the Special Record Date for a particular Special 2015 Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner's expense) on the 2015 Interest Payment Date or Special 2015 Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such 2015 Interest Payment Date or, if applicable, the Special Record Date for such Special 2015 Interest Payment Date. Said amounts representing the

Registered Owner's share of the Lease Payments designated as principal are payable when due upon surrender of this 2015 Certificate at the principal corporate trust office of the Trustee.

The 2010 Certificates, the 2013A Certificates, the 2013B Certificates, the 2014 Certificates, the 2015 Certificates and any Additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates". The Lessee is authorized to enter into the Fifth Amendment and the Fifth Supplement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2015 Certificates are delivered, the rights thereunder of the Registered Owners of the 2015 Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2015 Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including December 1, 2028,

unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2015 Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2015 Certificate. Upon such transfer a new 2015 Certificate or 2015 Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2015 Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2015 Certificates are not subject to optional redemption prior to maturity.

The 2015 Certificates are subject to redemption on any 2015 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the

Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2015 Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2015 Certificate shall not affect the validity of the proceedings for the redemption of any other 2015 Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2015 Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

(b) Interest with respect to the 2016 Certificates shall be payable on December 1, 2016 and thereafter semiannually on June 1 and December 1 of each year to and including the date of maturity or redemption, whichever is earlier. Said interest shall represent the portion of Lease Payments designated as interest and coming due during the six (6) month period preceding each 2016 Interest Payment Date with respect to the 2016 Certificates or in the case of the first Lease Payment, the period since the dated date of the 2016 Certificates. The proportionate share of the portion of Lease Payments designated as interest with respect to any 2016 Certificate shall be computed by multiplying the portion of Lease Payments designated as principal with respect to such 2016 Certificate by the rate of interest applicable to such 2016 Certificate (on the basis of a 360-day year of twelve 30-day months).

Section 2.4 Form of the 2016 Certificates. The 2016 Certificates shall be in fully registered form without coupons. The fully registered form of the 2016A Certificates and the assignment to appear thereon shall be substantially in the forms set forth in Exhibit A-1 attached hereto and by this reference incorporated herein and the fully registered form of the Taxable 2016B Certificates and the assignment to appear thereon shall be substantially in the forms set forth in Exhibit A-2 attached hereto and by this reference incorporated herein, with such necessary or appropriate variations, omissions and insertions.

Section 2.5 Execution. The 2016 Certificates shall be executed by and in the name of the Trustee by the manual signature of an authorized representative of the Trustee. If any officer whose signature appears on any 2016 Certificate ceases to be such officer before the date of delivery thereof, such signature shall nevertheless be as effective as if the officer had remained in office until such date of delivery. Any 2016 Certificate may be executed on behalf of the Trustee by such person as at the actual date of the execution of such 2016 Certificate shall be the proper

officer of the Trustee although at the nominal date of such 2016 Certificate such person shall not have been such officer of the Trustee.

Section 2.6 Application of Proceeds and Other Moneys.

(a) The proceeds received by the Trustee from the sale of the 2016A Certificates shall forthwith be set aside by the Trustee in the following respective funds and accounts and in the following order of priority:

(i) The Trustee shall deposit into the 2016A Delivery Costs Account, an amount equal to \$121,190.79.

(ii) The Trustee shall deposit into the 2016A Project Account, an amount equal to \$20,000,000.00.

(iii) The Trustee shall transfer to the 2007-A Trustee, an amount equal to \$11,009,880.96 in consideration for the refunding and redeeming of the Certificates to be Refunded.

(b) The proceeds received by the Trustee from the sale of the Taxable 2016B Certificates shall forthwith be set aside by the Trustee in the following respective funds and accounts and in the following order of priority:

(i) The Trustee shall deposit into the Taxable 2016B Delivery Costs Account, an amount equal to \$71,112.50.

(ii) The Trustee shall deposit into the Taxable 2016B Project Account, an amount equal to \$15,000,000.00.

Section 2.7 Registration, Transfer and Exchange of 2016 Certificates.

(a) All 2016 Certificates issued hereunder shall be negotiable, subject to the provisions for registration and transfer thereof contained herein or in the 2016 Certificates.

(b) So long as any 2016 Certificates are Outstanding, the Trustee shall maintain at its designated office books for the registration and transfer of 2016 Certificates, and shall provide for the registration and transfer of any 2016 Certificate under such reasonable regulations as the Trustee may prescribe. The Trustee shall act as registrar for purposes of exchanging and registering 2016 Certificates in accordance with the provisions hereof.

(c) Each 2016 Certificate shall be transferable only upon the Register by the Owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner thereof or his duly authorized attorney. Upon surrender for transfer of any 2016 Certificate, the Trustee shall execute and deliver, in the name of the transferee, one or more new 2016 Certificates, of the same aggregate principal amount and maturity as the surrendered 2016 Certificate.

(d) Any 2016 Certificate, upon surrender thereof to the Trustee together with written instructions satisfactory to the Trustee, duly executed by the Owner thereof or his attorney duly authorized in writing, may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of 2016 Certificates with the same maturity of any other authorized denominations.

(e) All 2016 Certificates surrendered in any exchange or transfer of 2016 Certificates shall forthwith be cancelled by the Trustee.

(f) In connection with any such exchange or transfer of 2016 Certificates, the Owner requesting such exchange or transfer shall as a condition precedent to the exercise of the privilege of making such exchange or transfer, remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer.

(g) The Trustee may but shall not be obligated to exchange or register the transfer of any 2016 Certificate (i) which has been called or selected for call for redemption in whole or in part, or (ii) during a period of fifteen (15) days preceding the giving of a notice of redemption. If the transfer of any 2016 Certificate which has been called or selected for call for redemption in whole or in part is registered, any notice of redemption which has been given to the transferor shall be binding upon the transferee and a copy of the notice of redemption shall be delivered by the Trustee to the transferee along with the 2016 Certificate or 2016 Certificates.

Section 2.8 Mutilated, Lost, Destroyed and Stolen Certificates. If (i) any mutilated 2016 Certificate is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any 2016 Certificate, and (ii) there is delivered to the Trustee such security or indemnity as may be required by the Trustee to hold it harmless, then, in the absence of written notice to the Trustee that such 2016 Certificate has been acquired by a bona fide purchaser and upon the Owner paying the reasonable expenses of the Trustee, the Trustee shall cause to be executed and shall deliver, in exchange for such mutilated 2016 Certificate or in lieu of such destroyed, lost or stolen 2016 Certificate, a new 2016 Certificate of like principal amount, date and tenor. If the principal of any such mutilated, destroyed, lost or stolen 2016 Certificate has become, or will on or before the next 2016 Interest Payment Date become, due and payable, the Trustee may, in its discretion, pay such 2016 Certificate when due instead of delivering a new 2016 Certificate.

Section 2.9 Execution of Documents and Proof of Ownership. Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by 2016 Certificate Owners may be in any number of concurrent instruments of similar tenor, and may be signed or executed by such Owners in person or by their attorneys or agents appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such 2016 Certificates. Proof of the execution of any such instrument, or of any instrument appointing any such attorney or agent, and of the ownership of 2016 Certificates shall be sufficient for any purpose of the Trust Agreement (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his attorney or agent of any such instrument and of any instrument appointing any such attorney or agent, may be proved by a certificate of an officer of any bank or trust company located within the United States of America, which need not be acknowledged or verified. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such certificate shall also constitute sufficient proof of his authority.

(b) The fact of the ownership of 2016 Certificates by any person and the amount, the maturity and the numbers of such 2016 Certificates and the date of his holding the same shall be proved by the Register maintained pursuant to Section 2.10 hereof.

Nothing contained in this Article II shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which the Trustee may deem sufficient. Any request or consent of the Owner of any 2016 Certificate shall bind every future Owner of the same 2016 Certificate in respect of anything done or suffered to be done by the Trustee in pursuance of such request or consent.

Section 2.10 Certificate Register. The Trustee will keep or cause to be kept, at its designated office, sufficient books for the registration and transfer of the 2016 Certificates which shall at all times be open to inspection by the Lessee and the Lessor during normal business hours with reasonable prior notice; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, 2016 Certificates as hereinbefore provided.

Section 2.11 Book-Entry-Only System. The 2016 Certificates shall be initially issued in the form of a single fully registered certificate for each scheduled principal payment date for each 2016 Certificate. Upon initial execution and delivery, the ownership of such 2016 Certificates shall be registered in the Register in the name of Cede & Co., as nominee of DTC, and, except as hereinafter otherwise provided, all of the Outstanding 2016 Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to the 2016 Trustee shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the 2016 Certificates (a "Beneficial Owner"), nor any responsibility or obligation to any DTC Participant, any Beneficial Owner or any other person claiming a beneficial ownership interest in the 2016 Certificates under or through DTC or any DTC Participant, or any other person with respect to (i) the accuracy of any records maintained by DTC or any DTC Participant, (ii) the payment by DTC or any DTC Participant of any amount in respect of the 2016 Certificates, (iii) the giving of any notice that is permitted or required to be given to Owners under the Trust Agreement, or (iv) any consent given or other action taken by DTC as an Owner.

Notwithstanding any other provision of the Trust Agreement to the contrary, the Trustee shall be entitled to treat and consider the person in whose name each 2016 Certificate is registered in the Register as an absolute Owner of such 2016 Certificate for the purpose of payment, for the purpose of giving notices of prepayment with respect to any 2016 Certificate, for the purpose of registering transfers with respect to such 2016 Certificate, and for all other

purposes whatsoever. The Trustee shall pay all principal, premium, if any, and interest evidenced by any 2016 Certificate only to or upon the order of the respective 2016 Certificate Owners, as shown in the Register, as provided in this Sixth Supplement, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the 2016 Certificates to the extent of the sum or sums so paid. No person other than a 2016 Certificate Owner, as shown in the Register, shall receive a 2016 Certificate evidencing the obligation to make payments of principal, premium, if any, and interest pursuant to this Sixth Supplement.

Notwithstanding any other provision of the Trust Agreement or the 2016 Certificates, so long as the 2016 Certificates are held in book-entry form and registered in the name of Cede & Co., as nominee of DTC, or registered in the name of any successor securities depository, or its nominee, the following provisions shall apply:

(a) Presentation. Presentation of 2016 Certificates to the Paying Agent at their scheduled payment dates or upon prepayment prior thereto shall be deemed made to the Paying Agent when the right to exercise ownership rights in the 2016 Certificates through DTC or a DTC Participant is transferred by DTC on its books.

(b) Fractionalized Representation. DTC may present notices, approvals, waivers, votes or other communications required or permitted to be made by Owners under this Sixth Supplement on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the 2016 Certificates through DTC or DTC Participants.

The 2016 Certificate Owners have no right to a depository for the 2016 Certificates. The Lessee or the Trustee may remove DTC or any successor thereto for any reason at any time. In such event, the Trustee shall (i) appoint a successor securities depository qualified to act as such under Section 17(i) of the Securities Exchange Act of 1934, as amended, notify DTC of the appointment of such successor securities depository and transfer one or more separate 2016 Certificates to such successor securities depository, or (ii) notify DTC of the availability through DTC of 2016 Certificates and transfer one or more separate 2016 Certificates to DTC Participants having 2016 Certificates credited to their DTC accounts as directed by DTC. In such event, the 2016 Certificates shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names the DTC Participants receiving 2016 Certificates shall designate, in accordance with the provisions of the Trust Agreement.

The Trustee and the Lessee may execute the letter of representation in connection with the execution and delivery of the 2016 Certificates. The letter of representation is for the purpose of effectuating the book-entry-only system only and shall not be deemed to amend, supersede or supplement the terms of this Sixth Supplement that are intended to be complete without reference to the letter of representation. In the event of any conflict between the terms of the letter of representation and the terms of this Sixth Supplement, the terms of the Trust Agreement shall control. DTC may exercise the rights of a 2016 Certificate Owner hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

**ARTICLE III
ACQUISITION FUND AND DELIVERY COSTS FUND**

Section 3.1 2016 Project Fund. The Trustee shall establish a special fund designated as the "2016 Project Fund" as a subfund within the Acquisition Fund, comprising the 2016A Project Account and the Taxable 2016B Project Account. There shall be deposited in the 2016A Project Account the proceeds of the sale of the 2016A Certificates required to be deposited therein pursuant to Section 2.6(a)(ii) hereof and there shall be deposited in the Taxable 2016B Project Account the proceeds of the sale of the Taxable 2016B Certificates required to be deposited therein pursuant to Section 2.6(b)(ii) hereof. The Trustee shall immediately release and disburse the amounts in the 2016 Project Fund to the County as consideration for the County executing and delivering the Sixth Amendment.

Section 3.2 Delivery Costs Fund. The Trustee shall establish a special fund designated as the "2016 Delivery Costs Fund," comprising the 2016A Delivery Costs Account and the Taxable 2016B Delivery Costs Account. The Trustee shall keep such fund separate and apart from all other funds and moneys held by it and shall administer such fund as provided herein and in the Lease-Purchase Agreement. There shall be deposited in the 2016A Delivery Costs Account the proceeds of sale of the 2016A Certificates required to be deposited therein pursuant to Section 2.6(a)(i) hereof and there shall be deposited in the Taxable 2016B Delivery Costs Account the proceeds of the sale of the Taxable 2016B Certificates required to be deposited therein pursuant to Section 2.6(b)(i) hereof.

The Trustee shall disburse moneys in the 2016 Delivery Costs Fund only upon a requisition signed by the Lessee Representative setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom said amounts are to be disbursed, stating that the amounts to be disbursed are for Delivery Costs properly chargeable to the 2016 Delivery Costs Fund. Amounts remaining in the 2016 Delivery Costs Fund after August 15, 2016, shall be transferred to the Lease Payment Fund.

The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the Lessee Representative, of the moneys held in the 2016 Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the Lessee Representative in connection with disbursements made pursuant to this Section.

**ARTICLE IV
REDEMPTION OF 2016 CERTIFICATES**

Section 4.1 Right to Redeem. The 2016 Certificates shall be subject to redemption prior to maturity at such times, to the extent and in the manner provided herein.

Section 4.2 Redemption.

(a) **Optional Redemption.**

(i) *2016A Certificates.* The 2016A Certificates are not subject to optional redemption prior to their stated maturities.

(ii) *Taxable 2016B Certificates.* The Taxable 2016B Certificates maturing on or before December 1, 2025 will not be subject to call for redemption prior to their respective maturity dates. The Taxable 2016B Certificates maturing on or after December 1, 2026 will be subject to call for redemption on any date on or after June 1, 2026, at the election of the County, in whole or in part from maturities selected by the County and within any maturity by lot, by the payment of a redemption price equal to the principal amount of each Taxable 2016B Certificate called for redemption, plus accrued interest to the date fixed for redemption, without premium.

(b) **Redemption from Net Proceeds of Insurance or Condemnation.** The 2016 Certificates are subject to extraordinary redemption on any 2016 Interest Payment Date in whole or in part, from the Net Proceeds of insurance or condemnation, which Net Proceeds are deposited in the Lease Payment Fund and credited towards the Prepayment made by the Lessee pursuant to Section 10.4 of the Lease-Purchase Agreement, in any order of maturity designated by the Lessee (or by the Trustee by lot in the event that no such designation is received by the Trustee at the time such Net Proceeds are deposited with the Trustee), and by lot within a maturity at a redemption price equal to the principal amount of the 2016 Certificates to be redeemed, together with accrued interest to the date fixed for redemption, without premium.

Section 4.3 Selection of Certificates to be Redeemed. If less than all of the 2016 Certificates of the same maturity are to be redeemed upon redemption of 2016 Certificates hereunder, the Trustee shall select the 2016 Certificates to be redeemed by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each 2016 Certificate as representing that number of 2016 Certificates of \$5,000 denomination as is obtained by dividing the principal amount of such 2016 Certificate by \$5,000.

Section 4.4 Partial Redemption of Certificates. Upon the selection and call for redemption of, and the surrender of, any 2016 Certificate for redemption in part only, the Trustee shall cause to be executed and delivered to or upon the written order of the Owner thereof, at the expense of the Lessee, a new 2016 Certificate or 2016 Certificates of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the 2016 Certificate surrendered, in accordance with instructions received from the Owner thereof, with one 2016 Certificate being delivered in the absence of such instructions.

Section 4.5 Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the 2016 Certificates so called for redemption shall become and be due and payable at the redemption price provided for redemption of such 2016 Certificates on such date. If on the date fixed for redemption moneys for payment of the redemption price and accrued interest are held by the Trustee as provided herein, interest on the

2016 Certificates so called for redemption shall cease to accrue, such 2016 Certificates shall cease to be entitled to any benefit or security hereunder except the right to receive payment from the moneys held by the Trustee and the amount of such 2016 Certificates so called for redemption shall be deemed paid and no longer Outstanding.

Section 4.6 Notice of Redemption.

(a) Whenever redemption of 2016 Certificates is to be made, the Trustee shall give notice of the redemption of such 2016 Certificates, which notice shall specify the redemption date, the redemption price and the place or places where such redemption price will be payable and, if less than all of the 2016 Certificates are to be redeemed, the numbers or other distinguishing marks of such 2016 Certificates so to be redeemed, and, in the case of 2016 Certificates to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each 2016 Certificate to be redeemed the redemption price of such 2016 Certificate or the specified portion thereof in the case of a 2016 Certificate to be redeemed in part only, together with interest accrued to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable on such 2016 Certificate or portion thereof so to be redeemed.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than thirty (30) days nor more than sixty (60) days before the redemption date, to all Owners of any 2016 Certificates or portions of 2016 Certificates which are to be redeemed at their last addresses appearing upon the Register, but failure so to mail any such notice, or a defect in such notice, as to any 2016 Certificate shall not affect the validity of the proceedings for the redemption of any other 2016 Certificate. If moneys for the payment of the redemption price and accrued interest are not held in separate accounts by the County or by the Trustee prior to sending the notice of redemption, such redemption shall be conditional on such moneys being so held on the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect.

(c) In addition to the notice called for in subsections (a) and (b), further notice shall be given by the Trustee as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption or result in a breach of trust by the Trustee of notice thereof is given as above prescribed:

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all 2016 Certificates being redeemed; (B) the date of issue of the 2016 Certificates as originally issued; (C) the rate of interest borne by each 2016 Certificate being redeemed; (D) the maturity date of each 2016 Certificate being redeemed; and (E) any other descriptive information needed to identify accurately the 2016 Certificates being redeemed.

(ii) Each further notice of redemption shall be sent at least 35 days before the redemption date, return receipt requested, to all registered securities depositories which

are registered owners of the 2016 Certificates then in the business of holding substantial amounts of obligations of types such as the 2016 Certificates (such as, at the time of execution and delivery of this Sixth Supplement, DTC) and to one or more national information services that disseminate notices of redemption of obligations such as the 2016 Certificates (such as, at the time of execution and delivery of this Sixth Supplement, the Daily Called Bond Service of Financial Information, Inc., Jersey City, New Jersey; the Called Bond Service of Kenney Information Services, New York, New York; Moody's Municipal and Government, New York, New York; and S&P's Called Bond Record, New York, New York).

(d) A second notice of redemption shall be given within sixty (60) days after the redemption date in the manner required above to each of the Owners of the 2016 Certificates designated for redemption which have not been presented for payment within thirty (30) days after the redemption date.

ARTICLE V MISCELLANEOUS

Section 5.1 Binding Effect; Successors. This Sixth Supplement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Whenever in this Sixth Supplement either the County or the Trustee is named or referred to, such reference shall be deemed to include successors or assigns thereof, and all the covenants and agreements in this Sixth Supplement contained by or on behalf of the County or the Trustee shall bind and inure to the benefit of the respective successors and assigns thereof whether so expressed or not.

Section 5.2 Execution in Counterparts. This Sixth Supplement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same agreement.

Section 5.3 Headings. The headings or titles of the several Articles and Sections hereof, and any table of contents appended to copies hereof, shall be solely for convenience of reference and shall not affect the meaning, construction or effect of this Sixth Supplement. All references herein to "Articles," "Sections," and other subdivisions are to the corresponding Articles, Sections or subdivisions of this Sixth Supplement, and the words "herein," "hereof," "hereunder" and other words of similar import refer to this Sixth Supplement as a whole and not to any particular Article, Section or subdivision hereof.

Section 5.4 Waiver of Notice. Whenever in this Sixth Supplement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Section 5.5 Severability of Invalid Provisions. In case any one or more of the provisions contained in this Sixth Supplement or in the Certificates shall for any reason be held to be invalid, illegal or unenforceable in any respect, then such invalidity, illegality or

unenforceability shall not affect any other provision of this Sixth Supplement, and this Sixth Supplement shall be construed as if such invalid or illegal or unenforceable provision had never been contained herein. The parties hereto hereby declare that they would have entered into this Sixth Supplement and each and every other section, paragraph, sentence, clause or phrase hereof and authorized the delivery of the Certificates pursuant thereto irrespective of the fact that any one or more sections, paragraphs, sentences, clauses or phrases of this Sixth Supplement may be held illegal, invalid or unenforceable.

Section 5.6 Cancellation of Contracts. As required by the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given that the Lessee may cancel any contract, without penalty or further obligation, made by the Lessee if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the Lessee is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the Lessee's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the Lessee to cancel this Sixth Supplement pursuant to Arizona Revised Statutes Section 38-511 as of the date hereof. The Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Sixth Supplement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Sixth Supplement on behalf of the Lessee within 3 years from execution of this Sixth Supplement, unless a waiver of Arizona Revised Statutes Section 38-511 is provided by the Lessee's Board of Supervisors.

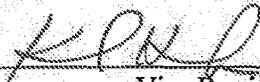

Section 5.7 Certain Warranties and Certifications from the Lessor. To the extent applicable under Arizona Revised Statutes Section 41-4401, the Trustee, in its capacity as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement, including its subcontractors who work on this Sixth Supplement or the Lease-Purchase Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E-verify requirements under Arizona Revised Statutes Section 23-214(A). The breach by the Trustee of the foregoing shall be deemed a material breach of the Trustee's duties under the Trust Agreement and the Lease-Purchase Agreement and may result in the termination of its role as Trustee under the Trust Agreement and as Lessor under the Lease-Purchase Agreement and its replacement with a successor in such capacities, to the extent permitted by the Trust Agreement. The County retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Trustee shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

Section 5.8 Release of Leased Property. If the Lessee exercises its rights to release Leased Property under the Lease-Purchase Agreement, the Trustee shall, upon all conditions contained in the Lease-Purchase Agreement having been complied with and being satisfied, release the lien of the Trust Agreement from any Leased Property being conveyed in connection

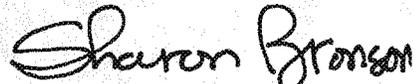

with such release. The Trustee shall take any and all steps and execute and record any and all documents reasonably required by the Lessee to consummate the transfer of title in connection with such release.

IN WITNESS WHEREOF, the parties have executed this Sixth Supplement as of the date and year first above written.

The Registered Owner of this 2016A Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2016, and semiannually thereafter on December 1 and June 1 of each year (the "2016 Interest Payment Dates") until payment in full of said portion of principal, the Registered Owner's proportionate share of the Lease Payments designated as interest coming due preceding each of the 2016 Interest Payment Dates; provided that interest with respect hereto shall be payable from the 2016 Interest Payment Date next preceding the date of execution of this 2016A Certificate (unless (i) this 2016A Certificate is executed prior to December 1, 2016, in which event interest shall be payable from the Dated Date identified above, (ii) this 2016A Certificate is executed on a 2016 Interest Payment Date, in which event interest shall be payable from such 2016 Interest Payment Date, or (iii) this 2016A Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2016 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2016 Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any 2016A Certificates of the issue of which this is one, interest hereon shall be payable from the 2016 Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2016, interest shall be payable from the Dated Date identified above, unless this 2016A Certificate is executed after a Special Record Date (as defined in the Original Trust Agreement) and before the following Special 2016 Interest Payment Date (as defined in the Original Trust Agreement), in which event interest shall be payable from the scheduled 2016 Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amounts representing the Registered Owner's share of the Lease Payments designated as interest are payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such 2016 Interest Payment Date (the "Record Date"), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special 2016 Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such 2016 Interest Payment Date or, if applicable, the Special Record Date for such Special 2016 Interest Payment Date. Said amounts representing the Registered Owner's share of the Lease Payments designated as principal are payable when due upon surrender of this 2016A Certificate at the principal corporate trust office of the Trustee.

This 2016A Certificate has been executed and delivered by the Trustee pursuant to the terms of an Original Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the "Original Trust Agreement"), authorizing the execution and delivery of the aggregate principal amount of \$50,000,000 Certificates of Participation, Series 2008 (which are no longer outstanding), as supplemented by the First Supplement to Trust Agreement, dated as of June 1, 2009 (the "First Supplement") authorizing the execution and delivery of the aggregate principal amount of \$34,400,000 Certificates of Participation, Series 2009 (which are no longer outstanding), the Second Supplement to Trust Agreement, dated as of February 1, 2010 (the "Second Supplement") authorizing the execution and delivery of the aggregate principal amount of \$20,000,000 Certificates of Participation, Series 2010 (the "2010 Certificates"), the Third Supplement to Trust Agreement, dated as of May 1, 2013 (the "Third Supplement") authorizing the execution and delivery of the aggregate principal amount of \$80,175,000 Certificates of Participation, Series 2013A (the "2013A Certificates") and the aggregate principal amount of \$12,705,000 Refunding Certificates of Participation, Series 2013B (the "Series 2013B Certificates"), the Fourth Supplement to Trust Agreement, dated as of January 1, 2014 (the "Fourth Supplement"), authorizing the execution and delivery of the aggregate principal amount of \$52,160,000 Certificates of Participation, Series 2014 (the "2014 Certificates"), the Supplement to Trust Agreement, dated as of April 1, 2015 (the "Fifth Supplement") authorizing the execution and delivery of the aggregate principal amount of \$57,025,000 Certificates of Participation, Series 2015 (the "2015 Certificates") and a Sixth Supplement to Trust Agreement, dated as of April 1, 2016 (the "Sixth Supplement" and, together with the Original Trust Agreement, the First Supplement, the Second Supplement, the Third Supplement, the Fourth Supplement and the Fifth Supplement, the "Trust Agreement"), and is one of a series of certificates limited in aggregate principal amount to \$28,750,000 (the "2016A Certificates", together with the \$15,185,000 aggregate principal amount of Certificates of Participation, Taxable Series 2016B, dated April 14, 2016, being executed and delivered by the Trustee pursuant to the Trust Agreement contemporaneously with the 2016A Certificates, the 2010 Certificates, the 2013A Certificates, the 2013B Certificates, the 2014 Certificates, the 2015 Certificates and any additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates"). The Lessee is authorized to enter into the Sixth Amendment and the Sixth Supplement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2016A Certificates are delivered, the rights thereunder of the Registered Owners of the 2016A Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2016A Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including December 1, 2030, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2016A Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2016A Certificate. Upon such transfer a new 2016A Certificate or 2016A Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee,

the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2016A Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2016A Certificates are not subject to optional redemption prior to maturity.

The 2016A Certificates are subject to redemption on any 2016 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2016A Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any 2016A Certificate shall not affect the validity of the proceedings for the redemption of any other 2016A Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2016A Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

The Registered Owner of this 2016A Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2016, and semiannually thereafter on December 1 and June 1 of each year (the "2016 Interest Payment Dates") until payment in full of said portion of principal, the Registered Owner's proportionate share of the Lease Payments designated as interest coming due preceding each of the 2016 Interest Payment Dates; provided that interest with respect hereto shall be payable from the 2016 Interest Payment Date next preceding the date of execution of this 2016A Certificate (unless (i) this 2016A Certificate is executed prior to December 1, 2016, in which event interest shall be payable from the Dated Date identified above, (ii) this 2016A Certificate is executed on a 2016 Interest Payment Date, in which event interest shall be payable from such 2016 Interest Payment Date, or (iii) this 2016A Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2016 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2016 Interest Payment Date). The Lessee is authorized to enter into the Sixth Amendment and the Sixth Supplement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the 2016A Certificates are delivered, the rights thereunder of the Registered Owners of the 2016A Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this 2016A Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its

political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including December 1, 2030, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This 2016A Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this 2016A Certificate. Upon such transfer a new 2016A Certificate or 2016A Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this 2016A Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The 2016A Certificates are not subject to optional redemption prior to maturity.

The 2016A Certificates are subject to redemption on any 2016 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a 2016A Certificate to be so redeemed at the address shown on the books of the Trustee. Failure to mail any such notice or any defect in such notice as to any 2016A Certificate shall not affect the validity of the proceedings for the redemption of any other 2016A Certificate. On the specified redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this 2016A Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

The Registered Owner of this Taxable 2016B Certificate is entitled to receive, subject to the terms of the Lease-Purchase Agreement, on the Maturity Date set forth above, the Principal Amount set forth above, representing a portion of the Lease Payments designated as principal coming due during the preceding twelve months, and to receive on December 1, 2016, and semiannually thereafter on December 1 and June 1 of each year (the "2016 Interest Payment Dates") until payment in full of said portion of principal, the Registered Owner's proportionate share of the Lease Payments designated as interest coming due preceding each of the 2016 Interest Payment Dates; provided that interest with respect hereto shall be payable from the 2016 Interest Payment Date next preceding the date of execution of this Taxable 2016B Certificate (unless (i) this Taxable 2016B Certificate is executed prior to December 1, 2016, in which event interest shall be payable from the Dated Date identified above, (ii) this Taxable 2016B Certificate is executed on a 2016 Interest Payment Date, in which event interest shall be payable from such 2016 Interest Payment Date, or (iii) this Taxable 2016B Certificate is executed after the close of business on the fifteenth (15th) day of the month preceding a 2016 Interest Payment Date, whether or not such fifteenth day is a Business Day, in which event interest shall be payable from such 2016 Interest Payment Date). If, as of the date of execution hereof, interest is in default with respect to any Taxable 2016B Certificate of the issue of which this is one, interest hereon shall be payable from the 2016 Interest Payment Date to which interest has previously been paid or made available for payment, or, if prior to December 1, 2016, interest shall be payable from the Dated Date identified above, unless this Taxable 2016B Certificate is executed after a Special Record Date (as defined in the Original Trust Agreement) and before the following Special 2016 Interest Payment Date (as defined in the Original Trust Agreement), in which event interest shall be payable from the scheduled 2016 Interest Payment Date next preceding such date of execution. Said proportionate share of the portion of the Lease Payments designated as interest is the result of the multiplication of the aforesaid portion of the Lease Payments designated as principal by the rate per annum set forth above.

Said amount representing the Registered Owner's share of the Lease Payments designated as interest shall be payable in lawful money of the United States of America, unless a wire transfer is elected as described below, by check or draft mailed by the Trustee on each Interest Payment Date to the Registered Owner at the close of business on the fifteenth (15th) day of the month preceding such 2016 Interest Payment Date (the "Record Date"), whether or not such fifteenth day is a Business Day, at his address as it appears on the registration books of the Trustee or at such other address as he may have filed with the Trustee for that purpose. Payment of portions of overdue Lease Payments designated as interest shall be made on Special 2016 Interest Payment Dates designated by the Trustee to the Registered Owner hereof as of the Special Record Date designated by the Trustee. A Registered Owner of \$1,000,000 or more in aggregate principal amount of Taxable 2016B Certificates as of the close of business of the Trustee on the Record Date for a particular 2016 Interest Payment Date or, if applicable, the Special Record Date for a particular Special 2016 Interest Payment Date, may request interest to be paid by wire transfer in immediately available funds sent (at the Registered Owner's expense) on the 2016 Interest Payment Date or Special 2016 Interest Payment Date to such Registered Owner in accordance with written notice from such Registered Owner containing the wire transfer address (which shall be in the continental United States) to which such Registered Owner wishes to have such wire transfer directed, which written notice is received not later than five (5) days prior to the Record Date with respect to such 2016 Interest Payment Date or, if applicable, the Special Record Date for such Special 2016 Interest Payment Date. Said amounts

representing the Registered Owner's share of the Lease Payments designated as principal are payable when due upon surrender of this Taxable 2016B Certificate at the principal corporate trust office of the Trustee.

This Taxable 2016B Certificate has been executed and delivered by the Trustee pursuant to the terms of an Original Trust Agreement between the Trustee and the Lessee, dated as of June 1, 2008 (the "Original Trust Agreement"), authorizing the execution and delivery of the aggregate principal amount of \$50,000,000 Certificates of Participation, Series 2008 (which are no longer outstanding), as supplemented by the First Supplement to Trust Agreement, dated as of June 1, 2009 (the "First Supplement") authorizing the execution and delivery of the aggregate principal amount of \$34,400,000 Certificates of Participation, Series 2009 (which are no longer outstanding), the Second Supplement to Trust Agreement, dated as of February 1, 2010 (the "Second Supplement") authorizing the execution and delivery of the aggregate principal amount of \$20,000,000 Certificates of Participation, Series 2010 (the "2010 Certificates"), the Third Supplement to Trust Agreement, dated as of May 1, 2013 (the "Third Supplement") authorizing the execution and delivery of the aggregate principal amount of \$80,175,000 Certificates of Participation, Series 2013A (the "2013A Certificates") and the aggregate principal amount of \$12,705,000 Refunding Certificates of Participation, Series 2013B (the "Series 2013B Certificates"), the Fourth Supplement to Trust Agreement, dated as of January 1, 2014 (the "Fourth Supplement"), authorizing the execution and delivery of the aggregate principal amount of \$52,160,000 Certificates of Participation, Series 2014 (the "2014 Certificates"), the Supplement to Trust Agreement, dated as of April 1, 2015 (the "Fifth Supplement") authorizing the execution and delivery of the aggregate principal amount of \$57,025,000 Certificates of Participation, Series 2015 (the "2015 Certificates") and a Sixth Supplement to Trust Agreement, dated as of April 1, 2016 (the "Sixth Supplement" and, together with the Original Trust Agreement, the First Supplement, the Second Supplement, the Third Supplement, the Fourth Supplement and the Fifth Supplement, the "Trust Agreement"), and is one of a series of certificates, like this one, in aggregate principal amount to \$15,185,000 (the "Taxable 2016B Certificates", together with the \$28,750,000 aggregate principal amount of Certificates of Participation, Series 2016A, dated April 14, 2016, being executed and delivered by the Trustee pursuant to the Trust Agreement contemporaneously with the Taxable 2016B Certificates, the 2010 Certificates, the 2013A Certificates, the 2013B Certificates, the 2014 Certificates, the 2015 Certificates and any additional Certificates which may hereafter be executed and delivered under the Trust Agreement being herein collectively referred to as the "Certificates"). The Lessee is authorized to enter into the Sixth Amendment and the Sixth Supplement under the laws of the State of Arizona. Reference is hereby made to the Lease-Purchase Agreement and the Trust Agreement (copies of which are on file at said office of the Trustee) for the definition of certain capitalized terms used herein, a description of the terms on which the Taxable 2016B Certificates are delivered, the rights thereunder of the Registered Owners of the Taxable 2016B Certificates, the rights, duties and immunities of the Trustee and the rights and obligations of the Lessee under the Lease-Purchase Agreement, to all of the provisions of which Lease-Purchase Agreement and Trust Agreement the Registered Owner of this Taxable 2016B Certificate, by acceptance hereof, assents and agrees.

The obligation of the Lessee to pay the Lease Payments does not constitute an obligation of the Lessee for which the Lessee is obligated to levy or pledge any form of taxation or for which the Lessee has levied or pledged any form of taxation. The obligation of the Lessee to pay

Lease Payments does not constitute a debt of the Lessee, the State of Arizona or any of its political subdivisions, and does not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

The term of the Lease-Purchase Agreement is from the date thereof until the end of the Lessee's then current Fiscal Period, and thereafter for such additional Fiscal Periods as are necessary to complete the anticipated total lease term through and including December 1, 2030, unless terminated prior thereto in accordance with the provisions of the Lease-Purchase Agreement. The continuation of the Lease-Purchase Agreement and the obligation of the Lessee to make Lease Payments after the end of the Lessee's Fiscal Period during which the Lease-Purchase Agreement commenced is subject to and dependent upon the moneys necessary to make such payments being lawfully budgeted by the Lessee. If the Lessee fails to obtain prior to the last date on which the Lessee is required or permitted to adopt its budget for the next Fiscal Period a proper budgeting and final appropriation of the Lessee's Board of Supervisors of the full amount of funds necessary to make all Lease Payments coming due during the next occurring Fiscal Period for which such budgeting and appropriation are made, the Lease-Purchase Agreement shall terminate effective on the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which such funds were determined to be lawfully available and allocated, subject to reinstatement at the option of the Lessee within forty-five (45) days thereafter.

Upon the occurrence and continuance of any event of default under the Trust Agreement, the Trustee may, and at the written direction of the Owners of not less than five percent (5%) in Aggregate Value (as defined in the Trust Agreement) of Certificates then outstanding shall, declare the principal amount of the Certificates then outstanding to be immediately due and payable; provided, however, that no such acceleration shall change or otherwise affect the Lessee's obligation under the Lease-Purchase Agreement to pay Lease Payments only during the term of the Lease-Purchase Agreement and in the amounts and at the times as provided in the Lease-Purchase Agreement.

To the extent and in the manner permitted by the terms of the Trust Agreement, the provisions of the Trust Agreement may be amended by the parties thereto and the Owners of a majority in Aggregate Value of the Certificates then outstanding, and may be amended without notice to or the consent of such Owners under certain circumstances, provided that no such amendment shall impair the right of any Owner to receive in any case such Owner's proportionate share of any Lease Payment or Prepayment thereof in accordance with such Owner's Certificate.

This Taxable 2016B Certificate is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at said office of the Trustee, but only in the manner, subject to the limitations and upon payment of the charges provided in the Trust Agreement and upon surrender and cancellation of this Taxable 2016B Certificate. Upon such transfer a new Taxable 2016B Certificate or Taxable 2016B Certificates, of authorized denomination or denominations, for the same aggregate principal amount will be delivered to the transferee in exchange herefor. The Lessee, the Lessor and the Trustee may treat the Registered Owner hereof as the absolute Owner hereof for all purposes, whether or not this Taxable 2016B

Certificate shall be overdue, and the Lessee, the Lessor and the Trustee shall not be affected by any notice to the contrary.

The Taxable 2016B Certificates maturing on or before December 1, 2025 will not be subject to call for redemption prior to their respective maturity dates. The Taxable 2016B Certificates maturing on or after December 1, 2026 will be subject to call for redemption on any date on or after June 1, 2026, at the election of the County, in whole or in part from maturities selected by the County and within any maturity by lot, by the payment of a redemption price equal to the principal amount of each Taxable 2016B Certificate called for redemption, plus accrued interest to the date fixed for redemption, without premium.

The Taxable 2016B Certificates are subject to redemption on any 2016 Interest Payment Date, in whole, or in part, in any order of maturity designated by the Lessee, or, under certain circumstances, by lot by the Trustee, and by lot within a maturity from the net proceeds of insurance or condemnation credited towards the prepayment of the Lease Payments by the Lessee pursuant to Section 10.4 of the Original Lease-Purchase Agreement, at a redemption price equal to the principal amount thereof to be redeemed together with accrued interest, without premium.

Notice of redemption shall be mailed not less than thirty (30) days nor more than sixty (60) days prior to the date set for redemption to each Registered Owner of a Taxable 2016B Certificate to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notices to any Taxable 2016B Certificate shall not affect the validity of the proceedings for the redemption of any other Taxable 2016B Certificate. On the specific redemption date all Certificates called for redemption shall cease to bear interest and shall no longer be secured by the Trust Agreement provided funds for redemption are on deposit at the place of payment at that time.

IN WITNESS WHEREOF, this Taxable 2016B Certificate has been executed and delivered by the Trustee, acting pursuant to the Trust Agreement.

NEW ISSUE - BOOK-ENTRY-ONLY

RATINGS: See "Ratings" herein

In the opinion of Squire Patton Boggs (US) LLP, Special Counsel, under existing law (i) assuming continuing compliance with certain covenants and the accuracy of certain representations, the portion of the Lease Payments paid and denominated as interest under the Lease Agreement (the "Interest Portion") and received by the owners of the 2016A Certificates is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, (ii) the Interest Portion received by the owners of the 2016A Certificates is not included in taxable income of individuals or corporations for Arizona income tax purposes so long as that interest is excluded from gross income for federal income tax purposes, and (iii) the Interest Portion received by the owners of the Taxable 2016B Certificates is not excluded from gross income for federal income tax purposes and is NOT exempt from Arizona State income taxes. Special Counsel expresses no opinion as to the treatment for federal income tax purposes or Arizona state income tax purposes of amounts paid to the owners of the 2016 Certificates in the event of termination of the Lease Agreement by nonappropriation. The Interest Portion received by owners of the 2016A Certificates may be subject to certain federal taxes imposed only on certain corporations, including the corporate alternative minimum tax on a portion of the Interest Portion. The property being leased by the Trustee to the County consists of certain interests in the major portion of the public works building of the County, the legal services building of the County, a parking garage of the County, the public service office tower and parking garage of the County, and certain adult detention (jail) facilities of the County (collectively, the "Leased Property"). See "PLAN OF FINANCE - The Leased Property" herein. Initially, the 2016 Certificates will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the 2016 Certificates. Purchases of beneficial interests in the 2016 Certificates will be made in book-entry-only form in amounts of \$5,000 of principal maturing on a specified date or any integral multiple thereof. Purchasers will not receive certificates representing the ownership interest in the 2016 Certificates purchased by them. See Appendix G - "BOOK-ENTRY-ONLY SYSTEM."

The 2016 Certificates will be subject to redemption prior to maturity as more fully described herein. See "THE 2016 CERTIFICATES - Redemption Provisions" herein.

The 2016 Certificates are being executed and delivered to (i) refinance the acquisition by the Trustee of the Leased Property from the County, (ii) refund the Certificates to be Refunded (as described under "PLAN OF FINANCE"), previously executed and delivered pursuant to a Trust Agreement, dated as of May 1, 2007 (the "2007 Trust Agreement") between the County and U.S. Bank National Association, as Trustee thereunder (in such capacity, the "2007 Trustee"), and (iii) pay costs associated with the execution and delivery of the 2016 Certificates. The obligation of the County to make payments under the Lease will be subject to termination as of the last day of each fiscal year, at the option of the County. If so terminated and not reinstated as provided in the Lease, the County shall thereafter be relieved of any subsequent obligation under the Lease other than to surrender possession of the Leased Property to the Trustee. INTRODUCTORY STATEMENT

This Official Statement, which includes the cover page, the inside front cover page and appendices hereto (the "Official Statement"), has been prepared on behalf of Pima County, Arizona (the "County"), in connection with the original execution, delivery and sale of \$28,775,000* principal amount of Certificates of Participation, Series 2016A (the "2016A Certificates") and \$15,250,000* principal amount of Certificates of Participation, Taxable Series 2016B (the "Taxable 2016B Certificates" and, together with the 2016A Certificates, the "2016 Certificates").

Certain capitalized terms used herein but not defined elsewhere are defined under "SUMMARY OF LEGAL DOCUMENTS - Certain Definitions" in Appendix D hereto.

The 2016 Certificates, together with the \$42,025,000 outstanding principal amount of Certificates of Participation, Series 2015, \$47,820,000 outstanding principal amount of Certificates of Participation, Series 2014 (the "2014 Certificates"), \$22,840,000 outstanding principal amount of Certificates of Participation, Series 2013 (the "2013 Certificates"), \$9,830,000 outstanding principal amount of Certificates of Participation, Series 2010 (the "2010 Certificates") and any Additional Certificates executed and delivered pursuant to the hereafter-described Trust Agreement (collectively, the "Certificates"), evidence and represent undivided and proportionate interests of the registered owners thereof in semiannual lease payments (the "Lease Payments") for the hereafter described Leased Property, to be made by the County pursuant to a Lease-Purchase Agreement, dated as of June 1, 2008 (the "Original Lease-Purchase Agreement"), as amended, including by a Sixth Amendment to Lease-Purchase Agreement to be dated as of April 1, 2016* (the "Sixth Amendment" and, together with the Original Lease-Purchase Agreement, as previously amended and as subsequently amended, the "Lease"), between U.S. Bank National Association, as trustee under the Trust Agreement, as lessor (the "Trustee"), and the County, as lessee. The property being leased by the Trustee to the County will consist of certain interests in the major portion of the public works building of the County, a parking garage adjacent to the public works building, the legal services building of the County, the public service center office tower and adjacent parking garage of the County, and certain adult detention (jail) facilities of the County (collectively, the "Leased Property"). The Trustee will hold a fee title interest in the public works building, the legal services building and the adult detention (jail) facilities portions of the Leased Property (the "Sellable Leased Property") and a ground leasehold interest in the portion of the Leased Property consisting of the parking garage adjacent to the public works building and the public service center office tower and adjacent parking garage (the "Ground Leased Property"). See "PLAN OF FINANCE - The Leased Property" herein. The 2016 Certificates are being executed and delivered under a Trust Agreement, dated as of June 1, 2008 (the "Original Trust Agreement"), as supplemented, including by a Sixth Supplement to Trust Agreement to be dated as of April 1, 2016* (the "Sixth Supplement" and, together with the Original Trust Agreement, as previously supplemented and as subsequently supplemented, the "Trust Agreement"), between the Trustee and the County.

The 2016 Certificates are being executed and delivered to (i) refinance the acquisition by the Trustee of the Leased Property from the County, (ii) refund the Certificates to be Refunded (as described under "PLAN OF FINANCE") previously executed and delivered pursuant to a Trust Agreement, dated as of May 1, 2007 (the "2007 Trust Agreement") between the County and U.S. Bank National Association, as trustee thereunder (in such capacity, the "2007 Trustee"), and (iii) pay costs associated with the execution and delivery of the 2016 Certificates. See "PLAN OF FINANCE" herein. Fee title to the Sellable Leased Property will be held by the Trustee and, a ground

* Preliminary, subject to change.

leasehold interest in the Ground Leased Property will be held by the Trustee pursuant to a Ground Lease, dated as of June 1, 2008 (the "2008 Ground Lease"), a Ground Lease dated as of January 1, 2014 (the "2014 Ground Lease," and together with the 2008 Ground Lease, the "Ground Lease") each between the County and the Trustee with respect to the Ground Leased Property. Pursuant to the Lease, the Trustee has or will lease back to the County the Leased Property. See "PLAN OF FINANCE" herein.

The County expects to use the amounts received from the Trustee from the refinancing of the acquisition of the Leased Property to pay the costs of the herein-described Improvements, which are expected to consist of costs of various projects to expand and improve the County's existing sewer system facilities, but may include other capital project purposes. See "PLAN OF FINANCE – The Improvements" herein.

The obligations of the County under the Lease are payable exclusively from annually appropriated funds of the County and will not be a general obligation or indebtedness of the County for any purpose. The obligation of the County to make payments under the Lease will be subject to termination as of the last day of each Fiscal Period of the County, at the option of the County. If so terminated and not reinstated as provided in the Lease, the County shall thereafter be relieved of any subsequent obligation under the Lease other than to surrender possession of the Leased Property to the Trustee. The Lease will also terminate upon the occurrence of an Event of Default thereunder by the County and the election of the Trustee to terminate the Term of the Lease and upon taking of all the Leased Property by eminent domain. In the event of any such termination, there is no assurance of payment of the principal or interest represented by the Certificates, including the 2016 Certificates, from funds available under the Trust Agreement or as a result of the Trustee's selling the Sellable Leased Property or re-leasing of the Leased Property. See "SOURCES OF PAYMENT OF THE CERTIFICATES" and "SECURITY FOR THE CERTIFICATES" herein.

The Certificates will be payable solely from the Lease Payments required to be made by the County from the sources identified above and from funds available under the Trust Agreement. The obligation of the County to make Lease Payments under the Lease will not be secured by a pledge of any funds, will not constitute an obligation of the County for which the County is obligated to levy or pledge any form of taxation and will not constitute a general obligation of the County, or an indebtedness of the County, the State of Arizona ("Arizona" or the "State") or any of its political subdivisions within the meaning of any constitutional or statutory debt limitations.

Under the Lease, the County will be required to pay base rent comprising the Lease Payments equal to the principal and interest requirements represented by the outstanding Certificates, unless the Lease is terminated as provided therein. Such base rent will be held in trust by the Trustee only for payment to the Owners of the Certificates. The County will also be required to pay Additional Rent, which includes payment of any taxes and assessments and the cost of maintenance and repair of the Leased Property, and to pay other fees and obligations. See "SUMMARY OF LEGAL DOCUMENTS - LEASE" in Appendix D hereto.

Unless and until discontinued, the 2016 Certificates will be held in book-entry form by The Depository Trust Company, a registered securities depository ("DTC"), and beneficial interests therein may only be purchased and sold, and payments of principal and interest represented by the 2016 Certificates will be made only to beneficial owners, through participants in the DTC system. Beneficial interests in the 2016 Certificates will be in amounts described on the cover page hereof. See Appendix G - "BOOK-ENTRY-ONLY SYSTEM."

The Lease Payments will be subject to reduction to the extent of any Prepayments made with insurance or condemnation proceeds as a result of damage, destruction or condemnation of a portion of the Leased Property, which causes substantial interference with the County's use of the Leased Property; provided that the revised Lease Payments shall be sufficient to pay principal and interest represented by the Certificates remaining Outstanding after the application of the Net Proceeds of the insurance or self-insurance coverage or condemnation award to redeem a portion of the Certificates. See "SUMMARY OF LEGAL DOCUMENTS – LEASE -- Lease Payments; Additional Rent; Reduction of Rental" in Appendix D hereto. As permitted under the Lease, the County will be self-insured for damage or destruction of the Leased Property in amounts required by the Lease. Proceeds from such self-insurance program and such condemnation awards will be applied either to repair or replace the Leased Property or to redeem all or a portion of the Certificates. See "THE 2016 CERTIFICATES - Redemption Provisions – *Extraordinary Redemption*" herein and "SUMMARY OF LEGAL DOCUMENTS – LEASE – Insurance" in Appendix D hereto.

This Official Statement contains descriptions of the 2016 Certificates, the Trust Agreement, the Ground Lease and the Lease. The descriptions of the 2016 Certificates, the Trust Agreement, the Ground Lease and the Lease and other documents described in this Official Statement (collectively, the "Financing Documents") do not purport to be definitive or comprehensive, and all references to those documents are qualified in their entirety by reference to the complete documents, copies of which are available from RBC Capital Markets, LLC (the "Underwriter") prior to the delivery of the 2016 Certificates.

All financial and other information presented in this Official Statement has been provided by the County from its records, except for information expressly attributed to other sources. The presentation of information, including tables of receipts from taxes and other sources, is intended to show recent historical information and is not intended to indicate future or continuing trends in the financial position or other affairs of the County. No representation is made that past experience, as shown by the financial and other information, will necessarily continue or be repeated in the future.

Reference to provisions of Arizona law, whether codified in the Arizona Revised Statutes ("A.R.S.") or uncodified, or of the Arizona Constitution, are references to those provisions in their current form. Those provisions may be amended, repealed or supplemented.

THE 2016 CERTIFICATES

General Provisions

The 2016 Certificates will be dated their date of initial delivery and will mature on the dates and in the principal amounts and represent interest at the respective per annum rates, all as set forth on the inside front cover page of this Official Statement. Interest represented by the 2016 Certificates will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their dated date. Interest will be computed on the basis of a 360-day year of twelve 30-day months and be payable on each June 1 and December 1 of each year, commencing on December 1, 2016* (each, an "Interest Payment Date").

The 2016 Certificates will be delivered in the form of fully registered certificates without coupons registered in the name of Cede & Co. as registered Owner and nominee of DTC. The Trustee shall treat Cede & Co., as the registered Owner, as the absolute owner of the 2016 Certificates for all purposes, including making payments and sending notices. So long as Cede & Co. is the registered Owner of the 2016 Certificates, as nominee of DTC, references herein to "Owners" or registered owners of the 2016 Certificates (other than under the caption "TAX MATTERS") shall mean Cede & Co., as aforesaid, and shall not mean the beneficial owners of such 2016 Certificates. When reference is made to any action which is required or permitted to be taken by the beneficial owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such beneficial owners for such purposes. When notices are given, they shall be sent by the County or the Trustee to DTC only. See Appendix G - "BOOK-ENTRY-ONLY SYSTEM."

Subject to the provisions summarized in Appendix G - "BOOK-ENTRY-ONLY SYSTEM," the principal represented by each 2016 Certificate will be payable at the designated office of the Trustee. Interest represented by each 2016 Certificate will be paid on each Interest Payment Date by check drawn on the Trustee mailed on or before the Interest Payment Date to the registered owners as shown on the records of the Trustee as of the fifteenth day of the month immediately preceding such Interest Payment Date or, if such a day is not a business day, on the next succeeding business day or the Trustee may agree with a registered Owner of \$1,000,000 or more in aggregate principal amount of the 2016 Certificates for another form of payment.

Redemption Provisions*

2016A Certificates - No Optional Redemption. The 2016A Certificates are not subject to optional redemption prior to their stated maturities.

* Preliminary, subject to change.

Taxable 2016B Certificates —Optional Redemption. The Taxable 2016B Certificates maturing on or before July 1, 2016 will not be subject to call for redemption prior to their respective maturity dates. The Taxable 2016B Certificates maturing on or after July 1, 2027 will be subject to call for redemption on any date on or after July 1, 2026 at the election of the County, in whole or in part from maturities selected by the County and within any maturity by lot, by the payment of a redemption price equal to the principal amount of each Taxable 2016B Certificate called for redemption plus accrued interest to the date fixed for redemption, without premium.

Extraordinary Redemption. The 2016 Certificates will be subject to redemption on any Interest Payment Date, in whole or in part, to the extent of any Net Proceeds of insurance or condemnation that are deposited in the Lease Payment Fund for such purpose as provided under the Lease (See “LEASE - Insurance” and “—Eminent Domain” in Appendix D hereto), at a redemption price equal to the principal amount thereof, without premium, plus interest accrued to the redemption date.

Selection of Certificates. Whenever less than all Outstanding 2016 Certificates are called for redemption, the maturities of the 2016 Certificates to be selected for redemption may be specified by the County or, if the County does not so specify, will be determined by the Trustee by lot, and within any maturity will be selected by lot.

Notice of and Procedure for Redemption

In the event any 2016 Certificates are called for redemption, notice thereof identifying the 2016 Certificates to be redeemed and specifying a redemption date and the redemption price will be required to be given by the Trustee in the form of a redemption notice to DTC not less than 30 nor more than 60 days prior to the date fixed for redemption. If moneys for the payment of the redemption price and accrued interest are not held in separate accounts by the County or by the Trustee prior to sending the notice of redemption, such redemption shall be conditional on such money being so held on the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect. See Appendix G – “BOOK-ENTRY-ONLY SYSTEM.”

All of the 2016 Certificates so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time, and will no longer be protected by and will not be deemed to be Outstanding under the provisions of the Trust Agreement.

Defeasance

If the County (i) pays the principal and interest of all Outstanding 2016 Certificates when the same becomes due and payable, or (ii) at or before maturity of all Outstanding 2016 Certificates, deposits money or Defeasance Obligations with the Trustee which, together with other available funds, are sufficient to pay the principal and interest of all Outstanding 2016 Certificates and any Additional Rent, the lien of the Trust Agreement and all covenants, agreements and obligations of the County and the Trustee securing or pertaining to the 2016 Certificates will terminate, except for the obligation of the Trustee to make payment on the 2016 Certificates. (See “SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT - Defeasance” in Appendix D hereto.)

PLAN OF FINANCE

General

A portion of the proceeds received by the Trustee from the sale of the 2016 Certificates, net of amounts deposited into the Delivery Costs Fund established under the Trust Agreement to pay costs related to the execution and delivery of the 2016 Certificates, will be used to make a payment to the 2007 Trustee to refund and redeem the Certificates to be Refunded (as defined herein).

The remaining portion of the proceeds received by the Trustee from the sale of the 2016 Certificates will be used by the Trustee to refinance the original acquisition of the Leased Property from the County. The County intends to use such amounts received from the Trustee to pay the costs of the Improvements described below, none of which are a part of the Leased Property (See “The Improvements” below).

Plan of Refunding

Certain of the proceeds received by the Trustee from the sale of the 2016A Certificates are being used to provide funds to refund and redeem prior to maturity the certificates described below (collectively, the “Certificates to be Refunded”). Such portion of the proceeds will be deposited into a depository trust account (the “Depository Trust”) with the 2007 Trustee, as depository trustee thereunder, pursuant to the terms of a depository trust agreement between the County and the 2007 Trustee, to be applied to the payment of the Certificates to be Refunded. Amounts in the Depository Trust will be used to acquire United States Government Obligations (the “Government Obligations”), the maturing principal of and interest on which are calculated to be sufficient to pay the principal and interest represented by the Certificates to be Refunded upon redemption prior to maturity.

Certificates to be Refunded

Issue (Dated Date)	Refunding Certificates of Participation	Original Principal Amount	Maturity Dates to be Refunded* (July 1)	Principal Amount Being Refunded*	Redemption Date	Redemption Premium on Bonds Being Refunded	CUSIP (a) (Base No.)
5-1-2007	Series 2007A	\$28,765,000	2019 through 2022	\$10,320,000	7-1-2017	0.00%	721664

(a) See footnote (a) to the inside cover page.

Upon such deposit, the Certificates to be Refunded will be deemed to be paid and discharged pursuant to the Trust agreement. See Appendix D – “SUMMARY OF LEGAL DOCUMENTS – TRUST AGREEMENT – Defeasance” and “PLAN OF FINANCE – Verification of Mathematical Computations” below.

Verification of Mathematical Computations

Concurrently with the delivery of and payment for the 2016A Certificates, Grant Thornton LLP, a firm of independent certified public accountants, will deliver to the County its verification report indicating that it has verified, in accordance with standards established by the American Institute of Certified Public Accountants, the mathematical accuracy of computations. Such computations were prepared using certain information provided by the Underwriter, on behalf of the County, relating to (a) the sufficiency of the anticipated receipts from the Government Obligations, together with the initial cash deposit, if any, to pay, when redeemed, the principal of, interest and applicable premiums, if any, on the Certificates to be Refunded and (b) the “yield” on the Government Obligations and the 2016A Certificates.

The report of Grant Thornton LLP will state that the scope of its engagement was limited to verifying the mathematical accuracy of the computations contained in schedules provided to it by the Underwriter and that it has no obligation to update its report because of events occurring, or data or information coming to its attention, subsequent to the date of its report.

The Leased Property

The Leased Property consists of the following property of the County:

Adult Detention Center. This portion of the Leased Property (the “Adult Detention Center”) consists of a fee ownership interest in the maximum security facility (a seven-story block building designed with a 732-bed capacity) and a medium security facility (a four-story block building designed with an approximately 400-bed capacity). The medium security facility is an annex to the maximum security facility. The maximum security

facility has been retrofitted so that it now accommodates 1,892 beds. The Adult Detention Center currently provides the only maximum and medium detention facilities for the County.

The Adult Detention Center opened in 1984 and currently houses approximately 1,800 inmates. The average annual jail population for the past ten fiscal years is shown below.

The two-building complex is located on approximately 17 acres of land situated about 3 miles southwest of downtown Tucson, Arizona.

Pima County Public Works Building Portion of Leased Property. This portion of the Leased Property consists of a fee ownership interest in the south 137,938 square feet of a 9-story building, located at 201 North Stone in Tucson, Arizona, which serves as the Public Works Building of the County. *(The north 63,000 square feet of the building are leased to the City of Tucson Arizona, by the County and are not part of the Leased Property.)* The 9-story site contains 15,524 square feet of land. The building was constructed in the 1960s; it was subsequently gutted back to the concrete floors and ceilings. By 1991, the building was completely rebuilt and immediately occupied by the County.

Public Works Building Parking Garage. This portion of the Leased Property consists of a ground leasehold interest in a 785-space parking garage located adjacent to the Pima County Public Works Building in downtown Tucson, Arizona, and includes the site for the facility and related entry and exit ramps and the parking facility itself, which is located above the downtown Tucson branch of the YMCA. The YMCA is located on a portion of the same site, beneath the first level of the parking garage, pursuant to a lease granted by the County in 1990. *The Leased Property does not include any portion of the YMCA facilities located on the site or elsewhere.*

The parking facility was constructed in 1991 and has been in continuous operation since its opening. The majority of the facility is used for parking for County employees and public parking during normal business hours and for users of the downtown YMCA facility.

The term of the Ground Lease associated with the parking facility will extend through June 1, 2029, but will be subject to earlier termination on any date upon (a) defeasance of the Lease and the Trust Agreement with respect to all Certificates as permitted thereunder, or (b) the exercise of the County of its option to purchase the Leased Property pursuant to the Lease and defeasance of the Trust Agreement as permitted thereunder.

Legal Services Building Portion of Leased Property. This portion of the Leased Property consists of a fee ownership interest in a 20-story, single-tenant office building constructed in 1966, located at 32 North Stone in Tucson, Arizona. The gross square footage of the tower is 209,187 square feet. The tower site contains 10,636 square feet of land. The 15th floor of the tower was specifically gutted to a shell condition in order to accommodate the record file storage requirements of the Legal Services Division of the County.

Public Service Center Office Tower and Parking Garage. This portion of the Leased Property consists of a 288,363 square foot multi-story building, half of which has 14 courtrooms along with supporting administrative and detention accommodations for use by the Pima County Justice Courts, and space to accommodate an additional 7 courtrooms. The balance of the building is office space for the County Recorder, County Treasurer and County Assessor. The Public Service Center also includes a multi-story, 700 car, precast parking garage with one-half level below grade for secured judicial parking. At grade level, the parking garage includes 8,800 square feet of multi-tenant retail.

Pursuant to the Lease, the Trustee will lease back to the County the Leased Property. The County has not undertaken an appraisal of the Leased Property but believes the market value of the Leased Property is at least \$167.2 million. Policies of title insurance, in an aggregate amount of \$162.16 million, will be in effect upon execution and delivery of the 2016 Certificates, insuring in such amount the Trustee's fee title interest in the Sellable Leased Property and its leasehold interest in the Ground Leased Property.

The Improvements

The County intends to use the amounts received from the Trustee from the refinancing of the acquisition of the Leased Property, net of the amounts used to refund and redeem the Certificates to be Refunded and to pay the costs incurred in issuing the 2016 Certificates, to fund various projects to (i) expand and improve the County's existing sewer system facilities and (ii) develop, design and construct a manufacturing and administrative headquarters to be used by World View Enterprises, Inc., who will lease the facility from the County over a 20-year period. The County may also use a portion of the funds received for other capital projects. All such capital projects are collectively referred to herein as the "Improvements". None of the Improvements will be part of the Leased Property.

Sources of Lease Payments

Although no specific revenue sources will be pledged to or secure the Certificates, the County anticipates using monies from the County's sewer system enterprise for making the Lease Payments on approximately \$19.7 million of the 2016A Certificates, subject to annual appropriation by the Board of Supervisors of the County. The remaining 2016A Certificates and all of the Taxable 2016B Certificates are expected to be paid from the County's General Fund, subject to annual appropriations by the Board of Supervisors of the County.

See "SOURCES OF PAYMENT OF THE CERTIFICATES" and "SECURITY FOR THE CERTIFICATES."

SOURCES OF PAYMENT OF THE CERTIFICATES

Under the terms of the Trust Agreement, the 2016 Certificates will be payable on a parity with the outstanding 2010 Certificates, the 2013 Certificates, the 2014 Certificates, the 2015 Certificates and any Additional Certificates executed and delivered pursuant to the Trust Agreement, solely from: (1) Lease Payments received by the Trustee from the County under the Lease, subject to termination of the Lease as provided under the Lease, (2) amounts from time to time deposited in the funds created under the Trust Agreement and investment earnings on such funds (except for any investment earnings that are required to be rebated to the United States in order to continue the exclusion of the interest represented by the Certificates from gross income for federal income tax purposes) and (3) any Net Proceeds from insurance coverage or condemnation awards received by the Trustee from the damage, destruction or taking of the Leased Property or portion thereof pursuant to the Lease and the Trust Agreement or from exercise by the Trustee of any remedies under the Lease and the Trust Agreement upon default thereunder. See "SECURITY FOR THE CERTIFICATES" as well as "SUMMARY OF LEGAL DOCUMENTS -- LEASE -- Events of Default," "-- Eminent Domain" and "-- Insurance" and "SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT -- Events of Default; Acceleration" in Appendix D hereto.

The County will be required under the Lease to make Lease Payments semiannually in amounts sufficient to make interest and principal payments represented by the Certificates on November 15, 2016*, and each May 15 and November 15 thereafter. The County's obligation under the Lease to pay Lease Payments during the term of the Lease will be absolute and unconditional, but subject to (1) the County's right each year to terminate the Lease as of the end of each Fiscal Period by failing to budget and appropriate the full amount necessary to make all Lease Payments come due in the next Fiscal Period, (2) reduction of Lease Payments in the event of damage, destruction or condemnation of any portion of the Leased Property, and (3) termination of the Lease upon taking of all of the Leased Property by eminent domain, all as described below under "SECURITY FOR THE CERTIFICATES" and

* Preliminary, subject to change.

under "SUMMARY OF LEGAL DOCUMENTS - LEASE -- Lease of Leased Property" and "-- Lease Payments; Additional Rent; Reduction of Rental" in Appendix D hereto.

IN THE EVENT OF TERMINATION OF OR DEFAULTS UNDER THE LEASE, THERE IS NO ASSURANCE THAT THE TRUSTEE WILL HAVE ADEQUATE FUNDS UNDER THE TRUST AGREEMENT TO PAY INTEREST AND PRINCIPAL REPRESENTED BY THE CERTIFICATES. See "RISK FACTORS - Limitations on Remedies."

SECURITY FOR THE CERTIFICATES

General

Each Certificate will evidence an undivided and proportionate interest in Lease Payments under the Lease. The County's obligations to make Lease Payments and any other obligation under the Lease will be subject to and dependent upon an annual budgeting and appropriation being made by the Board of Supervisors of the County to make such Lease Payments. The term of the Lease will continue through and including December 1, 2030, unless terminated prior thereto. If the Board of Supervisors of the County (the "Board") does not budget and appropriate funds sufficient to pay Lease Payments in any succeeding Fiscal Period, the Lease will terminate as of the last day of the Fiscal Period for which Lease Payments were made, and the County will be required to vacate and return possession of the Leased Property to the Trustee, all in accordance with and subject to the terms of the Lease and the Trust Agreement. See "SECURITY FOR THE CERTIFICATES - Non-appropriation; Other Termination Events" herein. In that event, the Trustee will be entitled to exercise all available remedies, which could include selling the Sellable Leased Property or re-leasing the Leased Property. See "RISK FACTORS - Limitations on Remedies" below.

The County's obligation to make Lease Payments will not constitute a debt or liability of the County, the State or any political subdivision thereof within the meaning of any constitutional or statutory limitation. Neither the faith and credit nor the taxing power of the County, the State or any political subdivision thereof will be pledged to pay the principal or interest evidenced by the Certificates. Payments with respect to the Certificates will be made solely from amounts derived under the terms of the Lease, including the Lease Payments, and available amounts from time to time on deposit under the terms of the Trust Agreement. No funds will be pledged by the County to pay Lease Payments.

Non-appropriation; Other Termination Events

If the County fails to obtain, on or before the third Business Day prior to the last date on which the County is required or permitted to adopt its budget for a Fiscal Period, proper budgeting and final appropriation by the Board of the full amount of funds necessary to make all Lease Payments coming due during the Fiscal Period for which such budgeting and appropriation are made, thereafter, the County will immediately notify the Trustee in writing of that fact. If on the last date on which the County is required or permitted to adopt its budget for a Fiscal Period no such proper budgeting and final appropriation by the Board shall have been made, all of the County's right, title and interest in and future obligations under the Lease and to all of the Leased Property will terminate (subject to reinstatement as provided below), effective as of the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which sufficient funds were determined to be lawfully available and allocated. In the event the County terminates the Lease, the County will be relieved of any subsequent obligation under the Lease with respect thereto, other than to return to the Trustee possession of all of the Leased Property as provided in the Lease and to pay any accrued and unpaid obligations.

The budget officials of the County have covenanted in the Lease that they will include in the budget presented to the Board sufficient funds for payment of all Lease Payments and Additional Rent when due, provided, however, pursuant to Arizona law, the budgeting and appropriation of money by the Board is a legislative act of the Board and is beyond the control of the budgeting officials of the County.

If the Lease terminates as described above and if within forty-five (45) days after such date of termination amounts described above are determined to be available which would have permitted the Lease to have continued in

effect with respect to the Leased Property if such amounts had been determined to be available prior to the termination date, then the Lease will be reinstated with respect thereto and deemed renewed as of the day following the date of such termination.

In the event the County terminates the Lease, the County will have no further obligations under the Lease. Upon termination, the County will be required by the Lease to surrender possession of the Leased Property to the Trustee. Such termination will constitute an Event of Default under the Trust Agreement, if the Lease has not been reinstated, but such termination will not be a default under the Lease. Upon such Event of Default under the Trust Agreement, the Trustee may exercise one or more of the remedies provided in the Trust Agreement, subject to receipt of indemnity satisfactory to it, including an option to sell the Sellable Leased Property or re-lease its interest in the Leased Property, and to apply the proceeds of such disposition, if any, along with the moneys in the Lease Payment Fund established under the Trust Agreement, to the payment of the Certificates. See "SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT -- Event of Default; Acceleration" in Appendix D hereto. However, there is no assurance that net revenues received by the Trustee from any such sale of the Sellable Leased Property or re-lease of the Leased Property would be sufficient to pay in full all Outstanding Certificates. Should such a shortfall occur, the interest and principal represented by the Certificates would be paid by the Trustee to the extent of moneys, if any, held by the Trustee under the Trust Agreement.

Upon an Event of Default under the Trust Agreement, the Trustee will be required to take action to force the County to surrender possession of the Leased Property. However, the exercise by the Trustee of any other subsequent or additional remedies may be affected by the environmental condition of the Leased Property, and the Trustee may decline to exercise such other remedies unless it is indemnified and obtains assurances to its satisfaction that it will not become responsible for environmental liabilities. See "RISK FACTORS - Limitations on Remedies."

Damage, Taking or Removal of Leased Property

The Leased Property will be required to be insured or self-insured to the extent set forth herein under "SUMMARY OF LEGAL DOCUMENTS – LEASE -- Insurance" in Appendix D hereto, which includes property insurance equal to the full replacement cost of the Leased Property. As permitted under the Lease, the County will be self-insured for damage or destruction of the Leased Property and other liabilities in amounts required by the Lease.

Under the Lease, the Net Proceeds of any insurance recoveries and proceeds of self-insurance resulting from any damage or destruction of the Leased Property by fire or other casualty must be deposited in the Insurance and Condemnation Fund established under the Trust Agreement. Moneys in the Insurance and Condemnation Fund will be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property by the County, provided, however, that if the County notifies the Trustee within 90 days of such deposit of its determination that the replacement, repair, restoration, modification or improvement of the damaged portion of the Leased Property is not economically feasible or in the best interests of the County, then such Net Proceeds will be promptly transferred by the Trustee to the Lease Payment Fund and applied to effect extraordinary redemption of Outstanding Certificates as follows: in the event of damage or destruction of the Leased Property in full, such Net Proceeds may be transferred to the Lease Payment Fund only if sufficient, together with other moneys available therefor, to cause redemption of all Outstanding Certificates, and in the event of damage or destruction of the Leased Property in part, if such Net Proceeds are sufficient, together with all other funds available therefor to redeem all Outstanding Certificates, such amounts will be applied to the extraordinary redemption, in whole, of all Outstanding Certificates, or if such Net Proceeds, together with such other funds, are not sufficient to redeem all Outstanding Certificates, then the County shall have the option to either use such Net Proceeds to repair the Leased Property or to extraordinarily redeem the Certificates in part. See "THE 2016 CERTIFICATES - Redemption Provisions – Extraordinary Redemption."

In the event of such partial redemption, the Lease Payments will be reduced to an amount sufficient to pay interest and principal represented by the Certificates Outstanding after such partial redemption.

Under the Lease, the County will waive any right to terminate the Lease because of damage or destruction to the Leased Property, but retains the right to determine annually whether to appropriate Lease Payments for the next Fiscal Period.

If all the Leased Property is taken by eminent domain, the Net Proceeds of the condemnation award will be deposited in the Insurance and Condemnation Fund and used to extraordinarily redeem Certificates to the extent of such Net Proceeds and the Lease shall terminate as of the date possession is taken from the County.

If a part of the Leased Property is taken by eminent domain, or if all of the Leased Property is taken temporarily, then the Lease will continue in effect and the Net Proceeds will be deposited in the Insurance and Condemnation Fund and applied as follows: if the Trustee determines that either (1) such taking does not materially adversely affect the operation of the Leased Property and the Net Proceeds are not needed to replace the Leased Property, or (2) such taking does not materially adversely affect remaining portions of the Leased Property or the ability of the County to meet any of its obligations under the Lease, then the Net Proceeds will be used to extraordinarily redeem Certificates in part; otherwise, such Net Proceeds will be used to replace the taken Leased Property. See "THE 2016 CERTIFICATES - Redemption Provisions – *Extraordinary Redemption*."

If there is a partial taking of the Leased Property, the Lease Payments will be reduced to an amount sufficient to pay interest and principal represented by Certificates Outstanding after such partial redemption.

All Net Proceeds deposited in the Insurance and Condemnation Fund and not used to redeem Certificates will be required to be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property by the County. Any balance of the Net Proceeds remaining after such work has been completed will be required to be deposited in the Lease Payment Fund and applied as a credit against the next subsequent Lease Payments.

Additional Certificates

Subject to certain conditions provided in the Trust Agreement, the Trustee may execute and deliver, at the direction of the County, Additional Certificates from time to time to provide funds to pay the costs of refunding Outstanding Certificates or to restructure the County's Lease Payments under the Lease, or to pay the costs of making any modifications or improvements to the Leased Property or to finance additional property as the County deems necessary or desirable. Such conditions include, but are not limited to, that the Lease remains in effect, that no Event of Default has occurred under the Trust Agreement, that such Additional Certificates do not affect the tax-exempt status of the Outstanding Certificates then bearing tax-exempt interest or result in the reduction or withdrawal of the assigned ratings on the Outstanding Certificates.

RISK FACTORS

The purchase of the 2016 Certificates involves certain investment risks that are discussed throughout this Official Statement. Accordingly, each prospective 2016 Certificate purchaser should make an independent evaluation of all the information presented herein. Certain of these investment risks are described below. The list of risks described below is not intended to be definitive or exhaustive and the order in which the following factors are presented is not intended to reflect relative importance of risks. The following factors, along with all other information in this Official Statement, should be considered by potential investors in evaluating the 2016 Certificates.

Limited Obligation. The obligation of the County to pay Lease Payments will not be secured by the levy or pledge of any tax or any other funds and will not constitute a debt or indebtedness of the County or the State within the meaning of any constitutional or statutory debt limitation or restriction. See "SECURITY FOR THE CERTIFICATES." The Lease Payments are payable by the County, subject to annual appropriation by the Board of Supervisors of the County, from monies of the County.

No Pledge of County Funds. No funds or revenues of the County will be pledged, obligated or restricted for the payment of the Lease Payments, including, without limitation, the funds and revenues described under "PLAN

OF FINANCE - Sources of Lease Payments” and “SOURCES OF PAYMENT OF THE CERTIFICATES.” In addition, the County will have the right to refuse to appropriate funds, and thus terminate the Lease, for any reason including inadequacy of the Leased Property. Were the County to refuse to appropriate funds and thereby terminate the Lease, there will be no assurance that the Trustee would have adequate funds under the Trust Agreement to pay interest and principal represented by the Certificates.

Other Obligations of County. The County has existing obligations, including lease-purchase obligations, and has the capacity to enter into other obligations which are payable from amounts in the General Fund or other monies of the County, which is the same source it will use to make Lease Payments. See “PIMA COUNTY, ARIZONA – FINANCIAL INFORMATION - Lease, Lease-Purchase and Purchase Agreements” and “- Certificates of Participation” in Appendix B. To the extent that the County’s current or future obligations are paid from the General Fund or other County monies, the funds available to make Lease Payments may be decreased. The Lease will not impose any restrictions upon the ability of the County to incur additional obligations.

Termination of Lease. In addition to termination of the Lease upon non-appropriation of funds as described under the heading “SECURITY FOR THE CERTIFICATES - Non-appropriation; Other Termination Events”, several other events may lead to a termination of the Lease:

- (1) an Event of Default on the part of the County and an election by the Trustee to terminate the Lease as described under the heading “SUMMARY OF LEGAL DOCUMENTS – LEASE - Events of Default” in Appendix D hereto;
- (2) the taking of all of the Leased Property under the power of eminent domain, described below; and
- (3) violation of certain State statutes pertaining to conflicts of interest, described below.

If an Event of Default under the Lease occurs, the Trustee may terminate the Lease and sell or relet the Leased Property. The Net Proceeds from the sale of the Sellable Leased Property or re-leasing of the Leased Property, together with other moneys then held by the Trustee under the Trust Agreement, will be required to be used under the Trust Agreement to pay principal and interest represented by the Certificates as it becomes due, to the extent of such moneys. No assurance can be given that the amount of such funds would be sufficient to pay all the Certificates when due.

In the event that the Leased Property has been taken in whole pursuant to eminent domain proceedings, all Net Proceeds, together with funds, if any, then on hand in funds held by the Trustee will be applied to the extraordinary redemption of the Certificates and the Lease shall terminate on the date possession is taken from the County. No assurance can be given that the Net Proceeds of eminent domain and other moneys available under the Trust Agreement will be sufficient to redeem all of the Outstanding Certificates.

As required by the provisions of A.R.S. Section 38-511, the County may, within three years after its execution, cancel any contract (including the Financing Documents), without penalty or further obligation, made by the County if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Financing Documents on behalf of the County (a “County Representative”) is, at any time while the Financing Documents or any extension thereof are in effect, an employee of any other party to the Financing Documents in any capacity or a consultant to any other party of the Financing Documents with respect to the subject matter thereof. The cancellation shall be effective when written notice from the Board is received by all other parties to the Financing Documents unless the notice specifies a later time. The Trustee will agree in the Lease not to employ as an employee or an agent, or with respect to the subject matter of the Financing Documents, as a consultant any County Representative within three years from execution of the Financing Documents unless a waiver of Section 38-511 is provided by the Board.

Squire Patton Boggs (US) LLP, Special Counsel with respect to the execution and delivery of the 2016 Certificates (“Special Counsel”), will not render an opinion with respect to the tax-exempt status of payments made to Owners of the 2016A Certificates from sources made available by the County as a result of the termination of the Lease for any reason (including termination upon nonappropriation of funds by the County). If the Lease is

terminated while 2016A Certificates are Outstanding, there will be no assurance that after such termination, payments made to Owners (from sources other than funds made available by the County) with respect to interest will be excludable from gross income of the Owners thereof for federal or Arizona income tax purposes.

In addition, neither Special Counsel nor counsel to the Underwriter will render an opinion as to the applicability or inapplicability of the registration requirements of the Securities Act of 1933, as amended, to the transfer of any 2016 Certificates in the event payments are received from sources made available by the County as a result of termination of the Lease for any reason. If the Lease is terminated while the 2016 Certificates are Outstanding, there will be no assurance that after such termination 2016 Certificates may be transferred by a 2016 Certificate Owner without compliance with the registration provisions of the Securities Act of 1933, as amended, or that an exemption from such registration is available.

Limitations on Remedies. Due to the specialized configuration of the Leased Property and the limited number of potential users of the Leased Property, no assurance can be given that the proceeds from any sale of the Sellable Leased Property or re-leasing of the Leased Property will be sufficient to pay in full the 2016 Certificates. The enforcement of any remedies provided in the Lease and the Trust Agreement could prove both expensive and time consuming. In addition, the enforceability of the Lease and the Trust Agreement is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors' rights generally and liens securing such rights, and the police powers of the State and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly. Any delays in the ability of the Trustee to obtain possession of the Leased Property upon termination of the Lease or exercise of remedies upon default by the County may result in delays in payment of the Certificates.

Although the Lease and the Trust Agreement provide that the Trustee may take possession of the Leased Property and sell the Sellable Leased Property or re-lease the Leased Property if there is a default by the County thereunder or if the County terminates the Lease, and the Lease provides that the Trustee may have such rights of access to the Leased Property as may be necessary to exercise any remedies, no assurance can be given that revenues from the Trustee's sale or reletting of the Leased Property would be sufficient to pay in full all Outstanding Certificates.

Upon the termination of the Lease or if the County defaults in its obligation to make Lease Payments thereunder, the Trustee will be required to take action to force the County to surrender possession of the Leased Property. However, under the terms of the Trust Agreement, the Trustee will not be under any obligation to take any other action if the Trustee determines that to do so exposes the Trustee to a risk of financial liability (including environmental liability) for which it reasonably believes it is not adequately indemnified. Prior to taking other actions under the Trust Agreement, the Trustee may request assurances, such as an additional environmental audit, that it will not incur liability by reason of any other action taken by the Trustee pursuant to the Trust Agreement.

BOND INSURANCE

The County has applied to bond insurance companies (collectively, the "Insurer") for a bond insurance policy (the "Policy") to guarantee the scheduled payment of principal and interest on the 2016 Certificates. The County has yet to determine whether an insurance policy will be purchased with the 2016 Certificates. If an insurance policy is purchased, the following are risk factors relating to bond insurance.

Bond Insurance Risk Factors

In the event of default of the payment of principal or interest with respect to the 2016 Certificates when all or some becomes due, any owner of the 2016 Certificates shall have a claim under the Policy for such payments. However, in the event of any acceleration of the due date of such principal by reason of mandatory or optional redemption or otherwise, other than any advancement of maturity pursuant to a mandatory redemption payment, the payments are to be made in such amounts and at such times as such payments would have been due had there not been any such acceleration. The Policy does not insure against redemption premium, if any. The payment of principal and interest in connection with mandatory or optional redemption of the 2016 Certificates by the County which is recovered by the County from the bond owner as a voidable preference under applicable bankruptcy law is

covered by the Policy, however, such payments will be made by the Insurer at such time and in such amounts as would have been due absent such prepayment by the County unless the Insurer chooses to pay such amounts at an earlier date.

Under most circumstances, default of payment of principal and interest does not obligate acceleration of the obligations of the Insurer without appropriate consent. The Insurer may direct and must consent to any remedies and the Insurer’s consent may be required in connection with amendments to any applicable bond documents.

In the event the Insurer is unable to make payment of principal and interest as such payments become due under the Policy, the 2016 Certificates are payable solely from the moneys received pursuant to the applicable bond documents. In the event the Insurer becomes obligated to make payments with respect to the 2016 Certificates, no assurance is given that such event will not adversely affect the market price of the 2016 Certificates or the marketability (liquidity) for the 2016 Certificates.

The long-term ratings on the 2016 Certificates are dependent in part on the financial strength of the Insurer and its claims paying ability. The Insurer’s financial strength and claims paying ability are predicated upon a number of factors which could change over time. No assurance is given that the long-term ratings of the Insurer and of the ratings on the 2016 Certificates insured by the Insurer will not be subject to downgrade and such event could adversely affect the market price of the 2016 Certificates or the marketability (liquidity) for the 2016 Certificates. See “RATING” herein.

The obligations of the Insurer are contractual obligations and in an event of default by the Insurer, the remedies available may be limited by applicable bankruptcy law or state law related to insolvency of insurance companies.

Neither the County or Underwriter (as defined herein) have made independent investigation into the claims paying ability of the Insurer and no assurance or representation regarding the financial strength or projected financial strength of the Insurer is given. Thus, when making an investment decision, potential investors should carefully consider the ability of the County to pay principal of and interest on the 2016 Certificates and the claims paying ability of the Insurer, particularly over the life of the investment.

CERTIFICATE PAYMENT REQUIREMENTS

The Trust Agreement provides that such amounts be deposited in the Lease Payment Fund and applied, on a semiannual basis, to pay amounts due with respect to the Certificates.

LITIGATION

No Litigation Relating to the Certificates. To the knowledge of appropriate representatives of the County, no litigation or administrative action or proceeding is pending or threatened to restrain or enjoin, or seeking to restrain or enjoin, the issuance or delivery of the 2016 Certificates, the Trust Agreement, or the Lease, or in any way contesting or affecting any authority for the execution and delivery of the 2016 Certificates, or the validity of the 2016 Certificates, the proceeds from the execution and delivery thereof or any agreements entered into in connection therewith, or in any way contesting the existence or powers of the County with regard to the 2016 Certificates, the Trust Agreement, or the Lease or any agreement, document, duty or covenant pertaining thereto.

Other Litigation; Self-Insurance or Commercial Insurance Coverage. The County has been named as a defendant in several lawsuits for which the County believes either that it has adequate self-insurance or insurance coverage in the event of liability or that such liability would not otherwise materially and adversely affect the financial condition of the County. In one such matter, the County is currently defending a lawsuit filed against it, and others, in federal court in April 2016 by a plaintiff who claims his constitutional rights were violated and he was wrongfully imprisoned for 42 years. The plaintiff is seeking damages in excess of \$40 million. The County believes that it has meritorious defenses against all claims and intends to file motions for summary judgment and otherwise vigorously defend the lawsuit. The County is currently determining whether the claim, if it is ultimately successful in whole or in part, is covered by any commercial liability insurance policies covering the County. If there is no available coverage, and if and to the extent the claim is successful, damages would be paid from the County's self-insurance trust.

LEGAL MATTERS

The 2016 Certificates will be sold with the understanding that the County will furnish the Underwriter with approving opinions of Squire Patton Boggs (US) LLP, Special Counsel. Forms of such opinions are included in Appendix E hereto. Said attorneys have been retained by the County as Special Counsel and in such capacity will render their opinions only upon the legality of the 2016 Certificates under Arizona law and on the exclusion of the interest portion related to the 2016A Certificates from gross income for purposes of calculating federal income taxes and of the exemption of the interest portion related to the 2016 Certificates from State income taxes. (See "TAX MATTERS" herein.) Fees of Special Counsel will be paid from 2016 Certificate proceeds.

Certain legal matters will be passed upon solely for the benefit of the Underwriter by Greenberg Traurig, LLP.

2016A Certificates

General. In the opinion of Squire Patton Boggs (US) LLP, Special Counsel, under existing law (i) the Interest Portion of the Lease Payments paid under the Lease and received by the Owners of the 2016A Certificates (for purposes of this section, the "Tax-Exempt Certificates") is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; and (ii) the Interest Portion relating to the Tax-Exempt Certificates is not included in taxable income of individuals or corporations for Arizona income tax purposes so long as that interest is excluded from gross income for federal income tax purposes. Special Counsel expresses no opinion as to any other tax consequences regarding the Tax-Exempt Certificates. Under certain circumstances, interest paid for periods following termination of the Lease by nonappropriation may not be excludable from gross income for federal income tax purposes. Special Counsel expresses no opinion on the federal income tax or Arizona state income tax treatment of amounts paid to Owners of the Tax-Exempt Certificates in the event of termination of the Lease by nonappropriation or as to any other tax consequences regarding the Tax-Exempt Certificates. See also "SECURITY FOR THE CERTIFICATES – Non-appropriation; Other Termination Events."

The opinion on tax matters will be based on and will assume the accuracy of certain representations and certifications, and continuing compliance with certain covenants, of the County contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Interest Portion relating to the Tax-Exempt Certificates is and will remain excluded from gross income for federal income tax purposes. Special Counsel will not independently verify the accuracy of the County's certifications and representations or the continuing compliance with the County's covenants.

The opinion of Special Counsel is based on current legal authority and covers certain matters not directly addressed by such authority. It represents Special Counsel's legal judgment as to the exclusion of the Interest Portion relating to the Tax-Exempt Certificates from gross income for federal income tax purposes but is not a guaranty of that conclusion. The opinion is not binding on the Internal Revenue Service ("IRS") or any court. Special Counsel expresses no opinion about (i) the effect of future changes in the Code and the applicable regulations under the Code or (ii) the interpretation and the enforcement of the Code or those regulations by the IRS.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excluded from gross income for federal income tax purposes, some of which require future or continued compliance after issuance of the obligations. Noncompliance with these requirements by the County may cause loss of such status and result in the Interest Portion relating to the Tax-Exempt Certificates being included in gross income for federal income tax purposes retroactively to the date of execution and delivery of the Tax-Exempt Certificates. The County has covenanted to take the actions required of it for the Interest Portion relating to the Tax-Exempt Certificates to be and to remain excluded from gross income for federal income tax purposes, and not to take any actions that would adversely affect that exclusion. Notwithstanding the previous sentence, in the event of termination of the Lease by nonappropriation, use of the property or the facilities financed with the proceeds of the Tax-Exempt Certificates in a manner that would cause the Lease, if the property or the facilities financed with the proceeds of the Tax-Exempt Certificates had originally been used in such manner, to constitute a "private activity bond" under Section 141 of the Code may prompt the IRS to take the position that the Interest Portion relating to Tax-Exempt Certificates is not excluded from gross income for federal income tax purposes, retroactive to the date of execution and delivery of the Tax-Exempt Certificates. After the date of execution and delivery of the Tax-Exempt Certificates, Special Counsel will not undertake to determine (or to so inform any person) whether any actions taken or not taken, or any events occurring or not occurring, or any other matters coming to Special Counsel's attention, may adversely affect the exclusion from gross income for federal income tax purposes of the Interest Portion relating to the Tax-Exempt Certificates or the market value of the Tax-Exempt Certificates.

A portion of the Interest Portion relating to the Tax-Exempt Certificates earned by certain corporations may be subject to a federal corporate alternative minimum tax. In addition, the Interest Portion relating to the Tax-Exempt Certificates may be subject to a federal branch profits tax imposed on certain foreign corporations doing business in the United States and to a federal tax imposed on excess net passive income of certain S corporations. Under the Code, the exclusion of interest from gross income for federal income tax purposes may have certain adverse federal income tax consequences on items of income, deduction or credit for certain taxpayers, including financial institutions, certain insurance companies, recipients of Social Security and Railroad Retirement benefits, those that are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations, and individuals otherwise eligible for the earned income tax credit. The applicability and extent of these and other tax consequences will depend upon the particular tax status or other tax items of the Owner of the Tax-Exempt Certificates. Special Counsel will express no opinion regarding those consequences.

Payments of interest on tax-exempt obligations, including the Tax-Exempt Certificates, are generally subject to IRS Form 1099-INT information reporting requirements. If an Owner of a Tax-Exempt Certificate is subject to backup withholding under those requirements, then payments of interest will also be subject to backup withholding. Those requirements do not affect the exclusion of such interest from gross income for federal income tax purposes.

Special Counsel's engagement with respect to the 2016 Certificates ends with the execution and delivery of the 2016 Certificates, and, unless separately engaged, Special Counsel is not obligated to defend the County or the Beneficial Owners regarding the tax status of the Interest Portion of the Tax-Exempt Certificates in the event of an audit examination by the IRS. The IRS has a program to audit tax-exempt obligations to determine whether the

interest thereon is includible in gross income for federal income tax purposes. If the IRS does audit the Tax-Exempt Certificates, under current IRS procedures, the IRS will treat the County as the taxpayer and the Beneficial Owners of the Tax-Exempt Certificates will have only limited rights, if any, to obtain and participate in judicial review of such audit. Any action of the IRS, including but not limited to selection of the Tax-Exempt Certificates for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the market value of the Tax-Exempt Certificates.

Prospective purchasers of the Tax-Exempt Certificates upon their original issuance at prices other than the respective prices indicated on the inside front cover page of this Official Statement, and prospective purchasers of the Tax-Exempt Certificates at other than their original issuance, should consult their own tax advisers regarding other tax considerations such as the consequences of market discount, as to all of which Special Counsel expresses no opinion.

Risk of Future Legislative Changes and/or Court Decisions. Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and may also be considered by the State legislature. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Tax-Exempt Certificates. There can be no assurance that legislation enacted or proposed, or actions by a court, after the date of execution and delivery of the Tax-Exempt Certificates will not have an adverse effect on the tax status of the Interest Portion or the market value or marketability of the Tax-Exempt Certificates. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in the benefit) of the exclusion of the Interest Portion relating to the Tax-Exempt Certificates from gross income for federal or state income tax purposes for all or certain taxpayers.

For example, recent presidential and legislative proposals would eliminate, reduce or otherwise alter the tax benefits currently provided to certain owners of state and local government bonds, including proposals that would result in additional federal income tax on taxpayers that own tax-exempt obligations if their incomes exceed certain thresholds. Investors in the Tax-Exempt Certificates should be aware that any such future legislative actions (including federal income tax reform) may retroactively change the treatment of all or a portion of the Interest Portion relating to the Tax-Exempt Certificates for federal income tax purposes for all or certain taxpayers. In such event, the market value of the Tax-Exempt Certificates may be adversely affected and the ability of holders to sell their Tax-Exempt Certificates in the secondary market may be reduced. The Tax-Exempt Certificates are not subject to special mandatory redemption as a result of a change in federal tax law, and the interest rates on the Tax-Exempt Certificates are not subject to adjustment in the event of any such change.

Investors should consult their own financial and tax advisers to analyze the importance of these risks.

Original Issue Discount and Original Issue Premium. Certain of the Tax-Exempt Certificates ("Discount Certificates") as indicated on the inside front cover page of this Official Statement were offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Certificate. The issue price of a Discount Certificate is the initial offering price to the public (other than to bond houses, brokers or similar persons acting in the capacity of underwriters or wholesalers) at which a substantial amount of the Discount Certificates of the same maturity is sold pursuant to that offering. For federal income tax purposes, OID accrues to the Owner of a Discount Certificate over the period to maturity based on the constant yield method, compounding semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Certificate (i) is interest excluded from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Tax-Exempt Certificates, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Certificate. The amount of OID that accrues each year to a corporate owner of a Discount Certificate is taken into account in computing the corporation's liability for federal alternative minimum tax. A purchaser of a Discount Certificate in the initial public offering at the price for that Discount Certificate stated on the inside front cover page of this Official Statement who holds that Discount Certificate to maturity will realize no gain or loss upon the retirement of that Discount Certificate.

Certain of the Tax-Exempt Certificates (“Premium Certificates”) as indicated on the inside front cover page of this Official Statement were offered and sold to the public at a price in excess of their stated redemption price at maturity (the principal amount). That excess constitutes certificate premium. For federal income tax purposes, certificate premium is amortized over the period to maturity of a Premium Certificate, based on the yield to maturity of that Premium Certificate (or, in the case of a Premium Certificate callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Certificate), compounded semiannually. No portion of that certificate premium is deductible by the owner of a Premium Certificate. For purposes of determining the owner’s gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Certificate, the owner’s tax basis in the Premium Certificate is reduced by the amount of certificate premium that is amortized during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Certificate for an amount equal to or less than the amount paid by the owner for that Premium Certificate. A purchaser of a Premium Certificate in the initial public offering at the price for that Premium Certificate stated on the inside front cover page of this Official Statement who holds that Premium Certificate to maturity (or, in the case of a callable Premium Certificate, to its earlier call date that results in the lowest yield on that Premium Certificate) will realize no gain or loss upon the retirement of that Premium Certificate.

Owners of Discount and Premium Certificates should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or certificate premium properly accruable or amortizable in any period with respect to the Discount or the Premium Certificates and as to other federal tax consequences and the treatment of OID and certificate premium for purposes of state and local taxes on, or based on, income.

Taxable 2016B Certificates

General. THE INTEREST PORTION RELATED TO THE TAXABLE 2016B CERTIFICATES IS NOT EXCLUDED FROM GROSS INCOME FOR FEDERAL INCOME TAX PURPOSES AND IS NOT EXEMPT FROM ARIZONA STATE INCOME TAXES. THE LEGAL DEFEASANCE OF THE TAXABLE 2016B CERTIFICATES MAY RESULT IN A DEEMED SALE OR EXCHANGE OF THE TAXABLE 2016B CERTIFICATES UNDER CERTAIN CIRCUMSTANCES; OWNERS OF THE TAXABLE 2016B CERTIFICATES SHOULD CONSULT THEIR TAX ADVISORS AS TO THE FEDERAL INCOME TAX CONSEQUENCES OF SUCH AN EVENT. PROSPECTIVE PURCHASERS OF THE TAXABLE 2016B CERTIFICATES SHOULD CONSULT WITH THEIR OWN TAX ADVISORS AS TO THE FEDERAL, STATE AND LOCAL, AND FOREIGN TAX CONSEQUENCES OF THEIR ACQUISITION, OWNERSHIP AND DISPOSITION OF THE TAXABLE 2016B CERTIFICATES.

The following discussion is generally limited to “U.S. owners,” meaning beneficial owners of Taxable 2016B Certificates that for United States federal income tax purposes are individual citizens or residents of the United States, corporations or other entities taxable as corporations created or organized in or under the laws of the United States or any state thereof (including the District of Columbia), and certain estates or trusts with specific connections to the United States. ***Partnerships holding Taxable 2016B Certificates, and partners in such partnerships, should consult their own tax advisors regarding the tax consequences of an investment in the Taxable 2016B Certificates (including their status as U.S. owners).***

Information Reporting and Backup Withholding. General information reporting requirements will apply to payments of principal and interest made on a Taxable 2016B Certificate and the proceeds of the sale of a Taxable 2016B Certificate to non-corporate holders of the Taxable 2016B Certificates, and “backup withholding,” currently at a rate of 28%, will apply to such payments if the owner fails to provide an accurate taxpayer identification number in the manner required or fails to report all interest required to be shown on its federal income tax returns. A beneficial owner of a Taxable 2016B Certificate that is a U.S. owner generally can obtain complete exemption from backup withholding by providing a properly completed IRS Form W-9 (Request for Taxpayer Identification Number and Certification).

Medicare Tax Affecting U.S. Owners. For taxable years beginning after December 31, 2012, a U.S. owner that is an individual or estate, or a trust not included in a special class of trusts that is exempt from such tax, is

subject to a 3.8% Medicare tax on the lesser of (1) the U.S. owner's "net investment income" for the taxable year and (2) the excess of the U.S. owner's modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals is between \$125,000 and \$250,000, depending on the individual's circumstances). A U.S. owner's net investment income generally includes interest income on, and net gains from the disposition of, Taxable 2016B Certificates, unless such interest income or net gains are derived in the ordinary course of a trade or business (other than a trade or business that consists of certain passive or trading activities). A U.S. owner that is an individual, estate, or trust, should consult its tax adviser regarding the applicability of the Medicare tax.

Non-U.S. Owners. Under the Code, the Interest Portion on any Taxable 2016B Certificate whose beneficial owner is not a U.S. owner are generally not subject to United States income tax or withholding tax (including backup withholding) if the non-U.S. owner provides the payor of interest on the Taxable 2016B Certificates with an appropriate statement as to its status as a non-U.S. owner. This statement can be made on IRS Form W-8BEN or a successor form. If, however, the non-U.S. owner conducts a trade or business in the United States and the Interest Portion on the Taxable 2016B Certificates held by the non-U.S. owner is effectively connected with such trade or business, that interest will be subject to United States income tax but will generally not be subject to United States withholding tax (including backup withholding). The foregoing is a brief summary of certain federal income tax consequences to a non-U.S. owner. ***Non-U.S. owners should consult their own tax advisors regarding the tax consequences of an investment in the Taxable 2016B Certificates.***

Foreign Account Tax Compliance Act. The Foreign Account Tax Compliance Act ("FATCA") generally imposes a 30% withholding tax on interest payments and proceeds from the sale of interest-bearing obligations for payments made after the relevant effective date to (i) certain foreign financial institutions that fail to certify their FATCA status and (ii) investment funds and non-financial foreign entities if certain disclosure requirements related to direct and indirect United States shareholders and/or United States accountholders are not satisfied.

Under applicable Treasury regulations, the FATCA withholding tax of 30% will generally be imposed, subject to certain exceptions, on payments of (i) interest on Bonds on or after July 1, 2014, and (ii) gross proceeds from the sale or other disposition of Bonds on or after January 1, 2017, where such payments are made to persons described in the immediately preceding paragraph.

In the case of payments made to a "foreign financial institution" (generally including an investment fund), as a beneficial owner or as an intermediary, the FATCA withholding tax generally will be imposed, subject to certain exceptions, unless such institution (i) enters into (or is otherwise subject to) and complies with an agreement with the U.S. government (a "FATCA Agreement") or (ii) is required by and complies with applicable foreign law enacted in connection with an intergovernmental agreement between the United States and a foreign jurisdiction (an "IGA"), in either case to, among other things, collect and provide to the U.S. or other relevant tax authorities certain information regarding U.S. account holders of such institution. In the case of payments made to a foreign entity that is not a financial institution (as a beneficial owner), the FATCA withholding tax generally will be imposed, subject to certain exceptions, unless such entity either provides the withholding agent with a certification that it does not have any "substantial" U.S. owner (generally, any specified U.S. person that directly or indirectly owns more than a specified percentage of such entity) or identifies its "substantial" U.S. owners.

If Taxable 2016B Certificates are held through a foreign financial institution that enters into (or is otherwise subject to) a FATCA Agreement, such foreign financial institution (or, in certain cases, a person paying amounts to such foreign financial institution) generally will be required, subject to certain exceptions, to withhold the 30% FATCA tax on payments of dividends or the items described above made to (i) a person (including an individual) that fails to comply with certain information requests or (ii) a foreign financial institution that has not entered into (and is not otherwise subject to) a FATCA Agreement and that is not required to comply with FATCA pursuant to applicable foreign law enacted in connection with an IGA. Coordinating rules may limit duplicative withholding in cases where the withholding described above in "Non-U.S. Holders" or "Information Reporting and Backup Withholding" also applies.

If any amount of, or in respect of, U.S. withholding tax were to be deducted or withheld from payments on Taxable 2016B Certificates as a result of a failure by an investor (or by an institution through which an investor holds the Taxable 2016B Certificates) to comply with FATCA, none of the Board, the Trustee or any other person would, pursuant to the terms of the Taxable 2016B Certificates, be required to pay additional amounts with respect

to any Taxable 2016B Certificate as a result of the deduction or withholding of such tax. Non-U.S. owners should consult their tax advisers regarding the application of FATCA to the ownership and disposition of Taxable 2016B Certificates.

RATINGS

Fitch Ratings, Inc. (“Fitch”) and Standard & Poor’s Financial Services LLC (“S&P”) have assigned the 2016 Certificates ratings of “AA-” and “A+”, respectively. Such ratings reflect only the views of Fitch and S&P, and any desired explanation of the significance of these ratings should be obtained from the rating agency furnishing the same, at the following addresses: Fitch at One State Street Plaza, New York, New York 10004 and S&P at 55 Water Street, 38th Floor, New York, New York 10041. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. The respective ratings may subsequently be revised downward or withdrawn entirely by Fitch and S&P, respectively, if in their respective judgment, circumstances so warrant. Any subsequent downward revision or withdrawal of such ratings may have an adverse effect on the market price and marketability of the 2016 Certificates.

CONTINUING SECONDARY MARKET DISCLOSURE

The County has covenanted for the benefit of holders of the 2016 Certificates to provide certain financial information and operating data relating to the County by not later than February 1 in each year commencing February 1, 2017 (the “Annual Reports”), and to provide notices of the occurrence of certain enumerated events, if material (the “Notices”). The Annual Reports and the Notices will be filed with the Municipal Securities Rulemaking Board (the “MSRB”) through the MSRB’s Electronic Municipal Market Access system as described in Appendix F - “FORM OF CONTINUING DISCLOSURE UNDERTAKING.” The specific nature of the information to be contained in the Annual Reports and the Notices is set forth in Appendix F - “FORM OF CONTINUING DISCLOSURE UNDERTAKING.”

These covenants have been made in order to assist the Underwriter of the 2016 Certificates in complying with S.E.C. Rule 15c2-12(b)(5) (the “Rule”). Pursuant to Arizona law, the ability of the County to provide information pursuant to such covenants is subject to annual appropriation to, among other things, cover the costs of preparing and mailing the Annual Reports and the Notices to the MSRB. A failure by the County to comply with these covenants must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the 2016 Certificates in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the 2016 Certificates and their market price.

UNDERWRITING

The 2016 Certificates will be purchased by the Underwriter at an aggregate purchase price of \$_____, pursuant to a certificate purchase contract (the “Certificate Purchase Agreement”) entered into by the County, the Trustee and the Underwriter. If the 2016 Certificates are sold to produce the yields shown on the inside front cover page, the Underwriter’s compensation will be \$_____. The Certificate Purchase Agreement will provide that the Underwriter will purchase all of the 2016 Certificates so offered if any are purchased. The Underwriter may offer and sell the 2016 Certificates to certain dealers (including dealers depositing 2016 Certificates into unit investment trusts) and others at yields lower than the public offering prices stated on the inside front cover page hereof. The initial offering yields set forth on the inside front cover page may be changed, from time to time, by the Underwriter.

The Underwriter and their respective affiliates are full service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Under certain circumstances, the Underwriter and their affiliates may have certain creditor and/or other rights against the County and its affiliates in connection with such activities. In the various course of their various business activities, the Underwriter and their respective affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively trade securities, derivatives,

loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the County (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the County. The Underwriter and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

Transportation

Tucson is the economic and transportation center of the County, as well as southern Arizona. Tucson is traversed by Interstates 10 and 19, as well as State Highways 77, 83, 85 and 86. Interstate 10 passes through Tucson and connects Tucson with the City of Phoenix, Arizona, to the north and Los Angeles, California, to the west and New Mexico and Texas to the east. Interstate 19 provides access to the City of Nogales, Arizona and Mexico to the south, while U.S. Highway 86 connects with a direct route to the Gulf of California vacation areas. The main line of the Union Pacific Railroad extends across Tucson to the eastern portion of the County. Tucson International Airport, located approximately 20 minutes from Tucson's downtown business area, provides local, regional, national and international air service through several airlines. The airport has an 11,000-ft. lighted, paved primary runway, a 9,100-ft. paved secondary runway and a 7,000-ft paved runway, all of which can accommodate all major types of carriers. The County is also served by Greyhound bus lines and Amtrak.

Economy

The economy of the County is based largely on a variety of service industries, trade, and government employment. Figures from the Arizona Department of Administration, Office of Employment and Population Statistics indicate that 370,000 persons were employed, on average (not including the agricultural industry), in the County in 2015. The following table presents the County's average annual total employment by industry for the periods indicated. During the recent recession, employment decreased in the County. Beginning in 2011, employment levels have either stabilized or grown across most employment sectors, as reflected in the information shown below.

The average annual unemployment rate for the County in 2015 was 5.5%. The average annual unemployment rates for 2014 and 2013 were 6.2% and 6.8%, respectively. The table below shows comparative unemployment rates for the County, the State and the United States for the periods indicated. As reflected for the United States as a whole, the unemployment rate for Arizona and for the County saw significant increases in 2009 and 2010 but has decreased each year since 2011.

Non-Governmental Employment

During the recent recession, average employment figures in Mining and Construction, Manufacturing, Information and Other Services categories showed declines each year. All other non-governmental employment categories had a decrease of employment in 2010 and/or 2011 which was followed by growth. From 2011 through 2015, employment figures for all non-government categories showed signs of either growth or stabilization, with overall employment up by approximately 16,100 jobs, or 5.8%.

The average annual employment in service-providing categories in 2015 was 253,800. It is anticipated that as the County continues to grow in population and economic activity, service-providing employment will continue to provide the primary source of jobs in the County. As detailed in TABLE 2, employment in the Education and Health Services and Trade, Transportation and Utilities industries have been the primary areas of employment in the service-providing industry.

Government

Government employment plays an important role in the County with federal, State and local government employees averaging 76,300 in 2015, representing 20.6% of the County's total wage and salary employment base. The State, Davis-Monthan Air Force Base and U.S. Border Patrol are significant contributors to government employment in the County. (See "Southern Arizona - Major Employers" listed in TABLE 4.) Davis-Monthan Air Force Base is a major training ground for active duty members on the A-10 "Warthog" aircraft. The facility is also responsible for the education of tactical missile crews. Its storage capacity of 4,400 aircraft is the largest in the world. In the past, Davis-Monthan Air Force Base reportedly has been included on lists of installations considered for closure or realignment by the Defense Base Closure and Realignment Commission. There can be no assurances

that Davis-Monthan Air Force Base will not be included on similar lists in the future. Any such closure or realignment would most likely be subject to review and approval by, among others, the Department of Defense and the President of the United States and would have a negative but unquantifiable effect on the County.

Manufacturing

The manufacturing sector in the County continues to be dominated by the high technology industries of aerospace and electronics. Raytheon Missile Systems, the largest manufacturing company and second largest employer in the County, is a major supplier of advanced munitions. Civilian aviation products and services are provided by Bombardier, which has an aircraft maintenance facility in Tucson; Honeywell Aerospace, which manufactures air data solutions, auxiliary power units, flight management systems and sensors; and B/E Aerospace, which manufactures aircraft cabin and interior products. Ventana Medical Systems provides computerized medical laboratory equipment; IBM Corp. manufactures storage hardware; and Texas Instruments produces electronic circuitry and data storage devices.

Average annual employment in the manufacturing sector within the County in 2015 was 22,700, representing 6.1% of the County’s total wage and salary employment base. Manufacturing employment in the County has continued to show small declines in employment each year since the recession.

The following table presents the major manufacturers in the County and Tucson metropolitan area as of April 2015:

The County’s proximity to Mexico makes twin plant “maquiladora” operations practical. Components are manufactured in Tucson and transported duty-free to Nogales, Sonora, Mexico, 65 miles south of Tucson, for assembly. These manufacturers contribute to the County’s economy in many ways, including the support of numerous suppliers and peripheral industries. The proximity of the Mexican border is more significant to manufacturing concerns given the existence of the North American Free Trade Agreement between Canada, the United States and Mexico. However, the uncertainty of the U.S. and Mexican economies may negatively impact the employment of the previously described manufacturing concerns.

Tourism

Tourism is an important economic mainstay in the County and the Tucson area. The County's climate, historical and cultural sites, location and proximity to vacation areas in California, Mexico, and other Southwest destinations attract vacationers, conventioners and other visitors. The Metropolitan Tucson Convention and Visitors Bureau estimated that 570 convention bookings creating 401,541 room nights in the Tucson area in fiscal year 2014-15, the most recent data available (representing convention sales and sporting events). In the Tucson area, the Bureau estimated that there were approximately 105 hotels and resorts with 12,826 rooms. Points of interest, recreational sites and sight-seeing attractions include the Arizona-Sonora Desert Museum, Kitt Peak National Observatory, Pima Air and Space Museum, Titan Missile Museum, Saguaro National Park, Mission San Xavier del Bac, Mount Lemmon, Sabino Canyon, Biosphere 2, and numerous resorts and golf courses.

According to the Arizona Hospitality Research & Resource Center, tourists in the County spent \$1.647 billion in calendar year 2015, an increase from tourism-related expenditures in calendar year 2014. In calendar year 2014, tourists in the County spent approximately \$1.54 billion, an increase of 3.56% from the prior year.

The figures in the following table include the estimated tourist portion of amusement, bar and restaurant, hotel and motel, and retail gross sales. Shown below are tourist dollars expended in the County and State economies for 2011 through 2015, which is the most current data available as of the date of this Official Statement.

Education

The University of Arizona (the "University") provides approximately 11,235 jobs to the area and is an important link to the economic growth of the County. Its presence as a research university has assisted in attracting new business enterprises over the years. The academic organization of the University is comprised of twelve undergraduate colleges, four graduate and professional colleges and a number of interdisciplinary programs. Enrollment figures for the fall semester of 2015 were estimated at 43,088 undergraduate and graduate full-time students. This enrollment includes students in continuing education programs, interns and residents, post-doctoral programs and on-campus non-credit students.

Pima County Community College offers two-year programs in vocational and technical education. Total student enrollment for Pima County Community College for 2014-15 was 47,588 students.

Wholesale and Retail Trade

Wholesale and retail trade includes restaurants, hotels, taverns, service stations, automobile repair shops, shopping malls and wholesale dealers. The largest individual employers in the retail sector (companies with more than 1,000 employees) are Wal-Mart Stores, Albertsons (includes Safeway), Fry's Food Stores, Target Corp., Circle K Stores Inc., Walgreen Co. and Home Depot.

The retail sales figures set forth below are based on the sales tax collections within the County excluding penalties, late charges and nontaxable items. The sales tax rate levied by the State on retail sales within the County is 5.6%. In addition, cities and towns within the County generally levy a 2% to 4% sales tax. The County Regional Transportation Authority levies a county-wide 0.5% sales tax.

The following table sets forth retail sales figures in the County for the periods indicated. After many years of continued growth, retail sales in the County decreased by 9.86% in calendar year 2009 and by an additional 2.20% in calendar year 2010. In calendar year 2011, retail sales in the County returned to positive growth, increasing by 7.80% from the prior year, and have continued to grow each year, as indicated by the following table.

Financial Institutions

The Federal Deposit Insurance Corporation (FDIC) collects deposit balances for commercial and savings banks as of June 30 of each year. The following table illustrates the summary of bank deposits of all FDIC-insured institutions within the County for the past five fiscal years. As of June 30, 2015, there were 18 institutions with 180 offices in the County, with a deposit balance of approximately \$13.760 billion.

Mining

According to the Arizona Mining Association, Arizona leads the nation in copper production, accounting for approximately 63% of the total U.S. mine production. However, the cyclical nature of this industry has caused consolidation of its resources to improve production. In the early 1980's, the Arizona copper industry's direct economic impact on the Arizona economy regularly exceeded \$1.0 billion, peaking in 1981 at approximately \$1.612 billion when the industry employed roughly 25,000 persons. Since that time, employment in this sector has significantly decreased, with average employment in the mining industry within the County being approximately 2,300 in 2014 and 2015.

Agriculture

Agriculture plays a less significant role in the economy of the County as a whole, but a small portion of the County relies on agriculture as its leading economic source. Principal crops harvested are cotton, wheat and hay, as well as vegetables.

PIMA COUNTY, ARIZONA
Financial Information

Introduction

The fiscal year for the County is from July 1 through June 30. The County's budget process is an ongoing function. Each fiscal year's process starts with the issuance in December of guidelines to all departments within which budgets must be developed. Department budget requests are submitted in February. A review process then takes place culminating with the County Administrator's submission of a proposed budget to the Board in time for budget hearings in mid-June. State statutes require that a tentative budget be adopted by the Board no later than the third Monday in July. At the time the final budget is adopted, which can be no later than the first Monday in August of each year, the Board holds a public hearing and meeting to determine the tax levy needed to support the budget. Taxes are then assessed and levied no later than the third Monday in August.

Expenditure Limitation

Beginning in fiscal year 1981-82, the County became subject to an annual expenditure limitation which is set by the Arizona Economic Estimates Commission. This limitation is based on the County's annual expenditures for fiscal year 1979-80, with this base adjusted to reflect interim population, cost of living and boundary changes. Certain expenditures are specifically exempt from the limit, including expenditures made from federal funds and bond sale proceeds, as well as debt service payments. The limitations can be exceeded for certain emergency expenditures or if approved by the voters. The Constitutional provisions which relate to the expenditure limitation provide three processes to exceed the spending limit: a permanent base adjustment, a one-time override, and a capital project accumulation.

The County's expenditure limitation for the 2014-15 fiscal year was \$525,447,388. The County's expenditures for the 2014-15 fiscal year did not exceed the limit. The County's 2015-16 fiscal year expenditure limitation is \$541,485,059, and the County anticipates that its expenditures for such year will not exceed the limit.

PROPERTY TAX INFORMATION

Recent Constitutional and Statutory Changes Affecting Property Taxes

Beginning in fiscal year 2015-16 and for each fiscal year thereafter, a voter-approved constitutional amendment and related enabling legislation imposes additional limits on the growth in taxable value of most real property and improvements, including mobile homes, used for levying ad valorem property taxes, including both primary and secondary ad valorem taxes. Primary ad valorem taxes are levied for the maintenance and operation of counties, cities, towns, school districts, community college districts and certain special taxing districts as described below. Secondary ad valorem taxes are levied for debt retirement, voter-approved budget overrides and the maintenance and operation of special service districts as described below.

Prior to fiscal year 2015-16, the value of real property and improvements, including mobile homes, used for levying primary ad valorem taxes was based on a limited property value described below ("Primary Property Tax Value") and the value used for levying secondary ad valorem taxes ("Secondary Property Tax Value") was based on full cash value ("Full Cash Value") described below. The Primary Property Tax Value for property increased by the greater of either 10% of the prior year's Primary Property Tax Value or 25% of the difference between the prior year's Primary Property Tax Value and the current year's Full Cash Value. There was no limit on the growth of Full Cash Value or Secondary Property Tax Value. See "Tax Procedure – Determination of Full Cash Value" herein. As more fully described below, property assessment ratios were then applied against these respective values, and property exempt from taxation was netted out of the valuation, to arrive at "Net Assessed Primary Value" and "Net Assessed Secondary Value". The tax rate imposed for primary tax and secondary tax purposes was then applied against the respective Net Assessed Primary or Secondary Value to determine the respective primary and secondary tax levy amounts.

Beginning with fiscal year 2015-16 and thereafter, both primary ad valorem taxes and secondary ad valorem taxes are levied based upon a revised limited property value (the "Limited Property Value"), which (i) for locally assessed property (as described below) in existence in the prior year that did not undergo modification through construction, destruction, split or change in use, is equal to the lesser of (a) the Full Cash Value of the property or (b) an amount five percent greater than the Limited Property Value of such property determined for the prior year and (ii) for centrally valued property (as described below) is equal to the Full Cash Value. Property that is subject to an equalization order that the State Legislature exempts from the above property tax limitation is also valued at Full Cash Value. There is no limit on the growth of Full Cash Value of such exempted or centrally assessed property. The property tax assessment ratios are then applied against the Limited Property Value, and property exempt from taxation is netted out of the Limited Property Value, to arrive at "Net Assessed Limited Property Value." The tax rates imposed for both primary tax and secondary tax purposes are then applied against the Net Assessed Limited Property Value to determine the respective primary and secondary tax levy amounts.

Because fiscal year 2015-16 is the first year for implementation of the constitutional amendment and use of Limited Property Values and Net Assessed Limited Property Values, there is currently no comparative data for such property values from prior fiscal years to present in this Official Statement. Accordingly, prior-year information is presented using the then-applicable, but now replaced valuation rules, including Net Assessed Primary Values and Net Assessed Secondary Values.

Additional changes may be made to the manner in which properties are valued for tax purposes and taxes are levied. The County cannot determine whether any such measures will become law or how they might affect property tax collections for the County. However, removing or amending limits on the growth rate of Limited Property Value for locally assessed property would require further amendment to the State Constitution.

Ad Valorem Taxes

General

For tax purposes in Arizona, real property is either valued by the Assessor of the County or by the Arizona Department of Revenue. Property valued by the Assessor of the County is referred to as "locally assessed" property and generally encompasses residential, agricultural and traditional commercial and industrial property. Property valued by the Arizona Department of Revenue is referred to as "centrally valued" property and includes: (1) property used in the business of patented or unpatented producing mines, mills and smelters; (2) producing oil, gas and geothermal interests; (3) real property and improvements used for operation of telephone, telegraph, gas, water and electric utilities; (4) aircraft regularly scheduled and operated by an aircraft company; (5) standing timber; (6) pipelines; and (7) personal property, except mobile home.

Primary Taxes

Taxes levied for the maintenance and operation of counties, cities, towns, school districts, community college districts, certain special taxing districts, and the State are primary taxes. These taxes are levied against the Net Assessed Limited Property Value of the taxing jurisdiction. The State does not currently levy ad valorem taxes but the State currently requires a county (including the County) to levy a "State equalization assistance property tax" to provide equalization assistance to school districts in such county which is used to offset the cost of State equalization to those school districts.

The amount of primary taxes levied by a county (including the County), city, town and community college district is constitutionally limited to a maximum increase of 2% over the maximum allowable prior year's levy limit amount plus any taxes on property not subject to tax in the preceding year (e.g., new construction and property brought into the jurisdiction because of annexation). Each taxing entity's maximum allowable property tax levy limit amount was rebased to the amount of actual 2005 primary property taxes levied (plus amounts levied against property not subject to taxation in the prior year). The 2% limitation does not apply to primary taxes levied on behalf of school districts.

Primary taxes on residential property only are constitutionally limited to 1% of the Limited Property Value of such property.

Secondary Taxes

Taxes levied for debt retirement, voter-approved budget overrides and the maintenance and operation of special service districts such as sanitary, fire and road improvement districts are secondary taxes. These taxes are levied against the Net Assessed Limited Property Value. There is no limitation on annual levies for voter-approved bond indebtedness and certain special district assessments are also unlimited. Debt service on the Bonds is payable solely from secondary property taxes.

Tax Procedures

Tax Year

The Arizona tax year is defined as the calendar year, although tax procedures begin prior to January 1 of the tax year and continue through May of the succeeding calendar year, when payment of the second installment of property taxes for the prior tax year becomes delinquent.

Determination of Full Cash Value

The first step in the tax process is the determination of the Full Cash Value of each parcel of real property within the State. Full Cash Value is statutorily defined to mean "that value determined as prescribed by statute" or if no statutory method is prescribed it is "synonymous with market value." "Market value" means that estimate of value that is derived annually by use of standard appraisal methods and techniques, which generally includes the market approach, the cost approach and the income approach. As a general matter, the various county assessors use a cost approach for commercial/industrial property and a sales data approach for residential property. Arizona law allows taxpayers to appeal the county assessor's valuations by providing evidence of a lower value, which may be based upon another valuation approach.

The Assessor of the County, upon meeting certain conditions, may value residential, agricultural and vacant land at the same Full Cash Value for up to three years. The Assessor of the County currently values existing properties on a two-year cycle.

Arizona law provides for a property valuation "freeze" on Full Cash Value for certain residential property owners 65 years of age and older. Owners of residential property may obtain such freeze against valuation increases (the "Property Valuation Protection Option") if the owners' total income from all sources does not exceed 400% (500% for two or more owners of the same property) of the "Social Security Income Benefit Rate." The Property Valuation Protection Option must be renewed every three years. If the property is sold to a person who does not qualify, the valuation reverts to its then-current Full Cash Value. Any freeze on increases in Full Cash Value will translate to the assessed value of the affected property as hereinafter described.

Following the determination of the Full Cash Value, the Assessor of the County then determines the Limited Property Value by applying any applicable property growth limitations as described under "Recent Constitutional and Statutory Changes Affecting Property Taxes" above.

Assessment Ratios

All property, both real and personal, is assigned a classification to determine its assessed valuation for tax purposes. Each legal classification is defined by property use and has an assessment ratio (a percentage factor) that is multiplied by the applicable Limited Property Value to obtain the assessed valuation. The appropriate property classification ratio is applied to the applicable Limited Property Value of each property parcel to determine the assessed valuation for such parcel. The current assessment ratios for each class of property are set forth in the following table.

**Property Tax Assessment Ratios
Tax Years 2011 through 2016**

Property Classification (a)	Assessment as Percentage of Taxable Value					
	2011	2012	2013	2014	2015	2016
Mining, Utilities, Commercial and Industrial (b)	20%	20%	19.5%	19%	18.5%	18%
Agriculture and Vacant Land (b)	16%	16%	16%	16%	16%	15%
Owner Occupied Residential	10%	10%	10%	10%	10%	10%
Leased or Rented Residential	10%	10%	10%	10%	10%	10%
Railroad, Private Car Company and Airline Flight Property (c)	15%	15%	15%	15%	15%	15%

- (a) Additional classes of property exist, but seldom amount to a significant portion of a taxing jurisdiction's total valuation.
- (b) For tax year 2016, Full Cash Values, up to an amount established by law for each tax year, on commercial, industrial and agricultural personal property are exempt from taxation (for tax year 2016, such maximum amount is \$146,973). This exemption is indexed annually for inflation. Any portion of the Full Cash Value in excess of that amount will be assessed at the applicable rate. The assessment ratio for mining, utility, commercial and industrial property will be reduced to 18% for tax year 2016 and thereafter. The assessment ratio for agricultural and vacant property will be reduced to 15% for tax year 2016 and thereafter.
- (c) This percentage is determined annually to be equal to the ratio of (i) the total Limited Property Value of all mining, utility, commercial, industrial, and military reuse zone properties, agricultural personal property and certain leasehold personal property to (ii) the total Full Cash Value of such properties.

Source: *State and County Abstract of the Assessment Roll*, Arizona Department of Revenue

On or before the third Monday in August of each year, the Board of Supervisors of the County prepares the tax roll that sets forth the valuation by taxing district of all property in the County subject to taxation. The Assessor of the County is required to complete the assessment roll by December 15th of the year prior to the levy. This tax roll also shows the valuation and classification of each parcel of land located within the County for the tax year. The tax roll is then forwarded to the Treasurer. With the various budgetary procedures having been completed by the governmental entities, the appropriate primary and secondary tax rate for each jurisdiction is then applied to the Net Assessed Limited Property Value of each parcel of property in order to determine the total tax owed by each property owner. Any subsequent decrease in the value of the tax roll as it existed on the date of the levy due to appeals or other reasons would reduce the amount of taxes received by each jurisdiction.

The property tax lien on real property attaches on January 1 of the fiscal year the tax is levied. Such lien is prior and superior to all other liens and encumbrances on the property subject to such tax except liens or encumbrances held by the State or liens for taxes accruing in any other years.

The State Legislature, from time to time, may change the manner in which taxes are levied, including changing the assessment ratios and property classifications. The County cannot determine whether any such measures will become law or how they might affect property tax collections for the County. However, removing or amending limits on the growth rate of Limited Property Value for locally assessed property would require further amendment to the State Constitution.

Delinquent Tax Procedures

The property taxes due the County are billed, along with State, County, and other taxes, in September of each year and are payable in two installments on the subsequent October 1 and March 1. The delinquent tax dates are November 1 and May 1 and delinquent taxes are subject to a penalty of 16% per annum unless the full year's taxes are paid by December 31. (Delinquent interest is waived if a taxpayer, delinquent as to the November 1 payment, pays the entire year's tax bill by December 31.) At the close of the tax collection period, the Treasurer

prepares a delinquent property tax list and the property so listed is subject to a tax lien sale in February of the succeeding year. In the event that there is no purchaser for the tax lien at the sale, the tax lien is assigned to the State, and the property is reoffered for sale from time to time until such time as it is sold, subject to redemption, for an amount sufficient to cover all delinquent taxes.

After three years from the sale of the tax lien, the tax lien certificate holder may bring an action in a court of competent jurisdiction to foreclose the right of redemption and, if the delinquent taxes plus accrued interest are not paid by the owner of record or any entity having a right to redeem, a judgment is entered ordering the Treasurer of the County to deliver a treasurer's deed to the certificate holder as prescribed by law.

It should be noted that in the event of bankruptcy of a taxpayer pursuant to the United States Bankruptcy Code (the "Bankruptcy Code"), the law is currently unsettled as to whether a lien can attach against the taxpayer's property for property taxes levied during the pendency of bankruptcy. Such taxes might constitute an unsecured and possibly noninterest bearing administrative expense payable only to the extent that the secured creditors of a taxpayer are over secured, and then possibly only on the prorated basis with other allowed administrative claims. It cannot be determined, therefore, what adverse impact bankruptcy might have on the ability to collect ad valorem taxes on a property of a bankrupt taxpayer within the County. Proceeds to pay such taxes come only from the taxpayer or from a sale of the tax lien on the property.

When a debtor files or is forced into bankruptcy, any act to obtain possession of the debtor's estate, any act to create or perfect any lien against the property of the debtor or any act to collect, assess or recover a claim against the debtor that arose before the commencement of the bankruptcy would be stayed pursuant to the Bankruptcy Code. While the automatic stay of a bankruptcy court may not prevent the sale of tax liens against the real property of a bankrupt taxpayer, the judicial or administrative foreclosure of a tax lien against the real property of a debtor would be subject to the stay of a bankruptcy court. It is reasonable to conclude that "tax sale investors" may be reluctant to purchase tax liens under such circumstances, and, therefore, the timeliness of post-bankruptcy petition tax collections becomes uncertain.

It cannot be determined what impact any deterioration of the financial condition of any taxpayer, whether or not protection under the Bankruptcy Code is sought, may have on payment of or the secondary market for the Bonds. Neither the County nor the Underwriters have undertaken any independent investigation of the operations and financial condition of any taxpayer, nor have they assumed responsibility for the same.

In the event the Treasurer is expressly enjoined or prohibited by law from collecting taxes due from any taxpayer, such as may result from the bankruptcy of a taxpayer, any resulting deficiency could be collected in subsequent tax years by adjusting the County's tax rate charged to non-bankrupt taxpayers during such subsequent tax years.

Property Valuations

The following tables list the property valuations for the County for fiscal year 2015-16. The County's preliminary Net Assessed Limited Property Value for fiscal year 2016-17 is estimated at \$7,816,699,760, an increase of approximately 2.59% from fiscal year 2015-16. As used herein, "Estimated Net Full Cash Value" is the Full Cash Value net of the estimated Full Cash Value of property exempt from taxation. (a) Includes general obligation bonds outstanding. Does not include outstanding principal amount of various cities and towns improvement districts' bonded debt and outstanding principal amount of various County improvement districts' bonded debt, as the indebtedness of these districts is presently being paid from special assessments levied against property owners residing within the various improvement districts. Also does not include various fire districts.

Also does not include the obligation of the Central Arizona Water Conservation District ("CAWCD") to the United States of America, Department of the Interior, for repayment of certain capital costs for construction of the Central Arizona Project ("CAP"), a major reclamation project that has been substantially completed by the Department of the Interior. The obligation is evidenced by a master contract between CAWCD and the Department of the Interior. In April of 2003, the United States and CAWCD agreed to settle litigation over the amount of the construction cost repayment obligation, the amount of the respective obligations for payment of the operation, maintenance and replacement costs and the application of certain revenues and credits against such obligations and costs. Under the agreement, CAWCD's obligation for substantially all of the CAP features that have been constructed so far will be set at \$1.646 billion, which amount assumes (but does not mandate) that the United States will acquire a total of 667,724 acre feet of CAP water for federal purposes. The United States will complete unfinished CAP construction work related to the water supply system and regulatory

storage stages of CAP at no additional cost to CAWCD. Of the \$1.646 billion repayment obligation, 73% is interest bearing and the remaining 27% is non-interest bearing. These percentages are fixed for the entire 50-year repayment period, which commenced October 1, 1993. CAWCD is a multi-county water conservation district having boundaries coterminous with the exterior boundaries of Arizona's Maricopa, Pima and Pinal Counties. It was formed for the express purpose of paying administrative costs and expenses of the CAP and to assist in the repayment to the United States of the CAP capital costs. Repayment will be made from a combination of power revenues, subcontract revenues (i.e., agreements with municipal, industrial and agricultural water users for delivery of CAP water) and a tax levy against all taxable property within CAWCD's boundaries. At the date of this Official Statement, the tax levy is limited to fourteen cents per \$100 of Net Assessed Limited Property Value, of which fourteen cents is being currently levied. (See Sections 48-3715 and 48-3715.02, Arizona Revised Statutes.) There can be no assurance that such levy limit will not be increased or removed at any time during the life of the contract.

- (b) The County's total tax rate shown includes the County's primary and secondary debt service tax rates, the State equalization tax rate of \$0.5054, the \$0.5153 tax rate of the Free Library District, the \$0.1400 tax rate of the CAP and the \$0.0467 tax rate of the Fire District Assistance Tax.
- (c) The boundaries of the Pima County Flood Control District are coterminous with those of the County; however, the Flood Control District only levies taxes on real property.
- (d) The tax rate shown is a weighted average based on each jurisdiction's proportionate amount of Net Assessed Limited Property Value.
- (e) The combined tax rate includes the tax rate for debt service and for all other purposes such as maintenance and operation and capital outlay.
- (f) The following table lists general obligation bonds authorized but unissued for the County and jurisdictions within the County.

Retirement Plans

The County does not own or administer retirement plans but contributes to four separate State owned and managed defined benefit pension plans for the benefit of all full-time employees and elected officials. Please refer to “Note 9 - Retirement Plans” of Appendix E hereto for a more detailed description of these plans and the County contributions to the various State plans.

New Reporting Requirements. In June 2012, the Government Accounting Standards Board issued GASB Statement 68, effective for the County’s fiscal year ended June 30, 2015. This statement revises existing standards for measuring and reporting pension liabilities for pension plans provided to County employees and requires recognition of a liability equal to the County’s proportionate share of net pension liability, which is measured as the total pension liability less the amount of the pension plan’s fiduciary net position. The total pension liability is determined by discounting projected benefit payments based on the benefit terms and legal agreements existing at the pension plan’s fiscal year end. For fiscal year 2015, the County is reporting a net pension liability of \$697 million, which includes, \$47 million of net deferred outflows, \$84 million of incremental pension expense, and a \$622 million reduction in unrestricted net position.

1. The Arizona State Retirement System (“ASRS”), a cost-sharing, multiple employer defined benefit plan, has reported increases in its unfunded liabilities. The most recent annual reports for the ASRS may be accessed at: <https://www.azasrs.gov/content/annual-reports>.

For the year ended June 30, 2015, active ASRS members and the County were each required by statute to contribute at the actuarially determined rate of 11.60% (11.48% for retirement and for health insurance premiums, and 0.12% for long-term disability) of the member’s annual covered payroll. The annual contribution rate for the fiscal year ending June 30, 2016 is 11.47% (11.35% for retirement and for health insurance premiums, and 0.12% for long-term disability). The County’s employer contributions to ASRS for the year ended June 30, 2015 was \$25.2 million, which was equal to the required contribution for such year, and the budgeted contribution for the fiscal year ending June 30, 2016 is \$29.0 million. The contributions by County employees to ASRS are collectively equal to the contributions made by the County.

Enacted State legislation made changes to how the ASRS operates, effective July 1, 2011, which includes requiring employers to pay an alternative contribution rate for retired employees of ASRS that return to work, changing the age at which an employee can retire without penalty based upon years of service, limiting permanent increases in retirement benefits and establishing a Defined Contribution and Retirement Study Committee (as defined in the legislation) that will review the feasibility and cost of changing the current defined benefit plan of ASRS to a defined contribution plan.

* Preliminary, subject to change.

2. The Arizona Public Safety Personnel Retirement System ("PSPRS"), an agent multiple-employer defined benefit plan that covers public safety personnel who are regularly assigned to hazardous duties, for which the Arizona State Legislature establishes and may amend active plan members' contribution rate, has reported increases in its unfunded liabilities. The most recent annual reports for the PSPRS may be accessed at http://psprs.com/sys_psprs/AnnualReports/cato_annual_rpts_psprs.htm.

For the year ended June 30, 2015, active PSPRS members were required by statute to contribute 11.05 percent of the members' annual covered payroll, and the County was required to contribute at the actuarially determined rate of 41.92 percent, the aggregate of which is the actuarially required amount. As allowed by statute, the County also contributed 3.65 percent of the members' required contribution, with the members' net contribution as a result falling to 7.40 percent.

For the fiscal year ending June 30, 2016, the employee contribution rate increased to 8.00% for employees hired before January 1, 2015, and to 11.65% for employees hired on or after January 1, 2015 (net of the 3.65% paid by the County in both cases). The County's employer contribution rate increased to 53.69% for employees hired before January 1, 2015 and to 50.04% for employees hired on or after January 1, 2015 (not including, in each case, the 3.65% of the member's required contribution that the County also pays as noted above).

The employer contribution rates for the fiscal year ending June 30, 2016, noted above reflect the impact of an Arizona Supreme Court decision which determined that the reduction in a permanent benefit increase enacted by the State Legislature in 2011 is unconstitutional. As a result, the County's contribution to the PSPRS was required to increase to provide funding for the benefit increase that was not funded for several years. The County made up this funding by an increase in its employer contribution rates in fiscal year 2015-16, although the Board of Directors of the PSPRS adopted an alternative three-year phase in of higher contribution rates that employers could optionally choose for funding the benefit increase that was not previously funded. Other litigation related to the 2011 legislation remains outstanding. If the ultimate outcome overturns additional portions of the 2011 legislation, there may be further adverse impacts on the unfunded liability of the PSPRS and the actuarially determined contribution rates for the PSPRS.

3. The Corrections Officers Retirement Plan ("CORP"), an agent multiple-employer defined benefit plan that covers certain County employees whose primary duties require direct inmate contact, for which the Arizona State Legislature establishes and may amend active plan members' and the County's contribution rates, has reported increases in its unfunded liabilities. The most recent annual reports for the CORP may be accessed at: http://psprs.com/sys_corp/AnnualReports/cato_annual_rpts_corp.htm.

For the year ended June 30, 2015, active CORP members were required by statutes to contribute 8.41 percent of the member's annual covered payroll, and the County was required to contribute at the actuarially determined rate of 17.76 percent, the aggregate of which is the actuarially required amount. The health insurance premium portion of the contribution rate was actuarially set at 1.05 percent of covered payroll. For the year ending June 30, 2016, active members are required by statute to contribute 8.41% of the member's annual covered payroll and the County is required to contribute at the actuarially determined rate of 22.97%.

4. The Elected Officials Retirement Plan (EORP) which covers County elected officials is relatively insignificant to the County's financial picture.

The effect of the increase in the unfunded liabilities for these four state plans is expected to result in increased contributions by the County and its employees, however the specific increases for the County's and its employees' future annual contributions cannot be determined at this time.

Other Post Employment Benefits

Government Accounting Standards Board Statement Number 45, *Accounting by Employers for Post-Employment Benefits Other than Pensions* ("GASB 45") requires reporting the actuarially accrued cost of post-employment benefits, other than pension benefits ("OPEB"), such as health and life insurance for current and future retirees. The County does not provide post-employment benefits and has no OPEB costs and liabilities.

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, business-type activities, discretely presented component unit, each major fund, and aggregate remaining fund information of Pima County as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of certain departments, one major fund, and the component unit, which account for the following percentages of the assets and deferred outflows, liabilities and deferred inflows, revenues, and expenses or expenditures of the opinion units affected.

Those statements were audited by other auditors whose reports have been furnished to us, and our opinions, insofar as they relate to the amounts included for those entities, are based solely on the reports of the other auditors. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the County's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the reports of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, discretely presented component unit, each major fund, and aggregate remaining fund information of Pima County as of June 30, 2015, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with U.S. generally accepted accounting principles.

Emphasis of Matter

As discussed in Note 2 to the financial statements, for the year ended June 30, 2015, the County adopted new accounting guidance, Governmental Accounting Standards Board Statement (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions*, as amended by GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date*. Our opinions are not modified with respect to this matter.

Other Matters

Required Supplementary Information

U.S. generally accepted accounting principles require that the Management's Discussion and Analysis on pages 15 through 33, the Budgetary Comparison Schedules on pages 97 and 98, Schedule of the County's Proportionate Share of the Net Pension Liability—Cost-Sharing Pension Plans on page 99, Schedule of Changes in the County's Net Pension Liability and Related Ratios—Agent Pension Plans on pages 100 and 101, Schedule of County Pension Contributions on page 102, and Schedule of Agent OPEB Plans' Funding Progress on page 104 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with U.S. generally accepted auditing standards, which consisted of inquiries of management about the methods of preparing the

information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary and Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The combining and individual fund statements and schedules and the introductory and statistical sections listed in the table of contents are presented for purposes of additional analysis and are not required parts of the basic financial statements.

The combining and individual fund statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the combining and individual fund statements and schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

Compliance Over the Use of Highway User Revenue Fund and Other Dedicated State Transportation Revenue Monies

In connection with our audit, nothing came to our attention that caused us to believe that the County failed to use highway user revenue fund monies received by the County pursuant to Arizona Revised Statutes Title 28, Chapter 18, Article 2, and any other dedicated state transportation revenues received by the County solely for the authorized transportation purposes, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the County's noncompliance with the use of highway user revenue fund monies and other dedicated state transportation revenues, insofar as they relate to accounting matters.

The communication related to compliance over the use of highway user revenue fund and other dedicated state transportation revenue monies in the preceding paragraph is intended solely for the information and use of the members of the Arizona State Legislature, the Board of Supervisors, management, and other responsible parties within the County and is not intended to be and should not be used by anyone other than these specified parties.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we will issue our report on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters at a future date. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

Management's Discussion and Analysis

Pima County, Arizona
Management's Discussion and Analysis

Our discussion and analysis of the County's financial performance provides an overview of the County's financial activities for the year ended June 30, 2015. Please read it in conjunction with the transmittal letter which begins on page 1 and the County's basic financial statements, which begin on page 35. All dollar amounts are expressed in thousands (000's) unless otherwise noted.

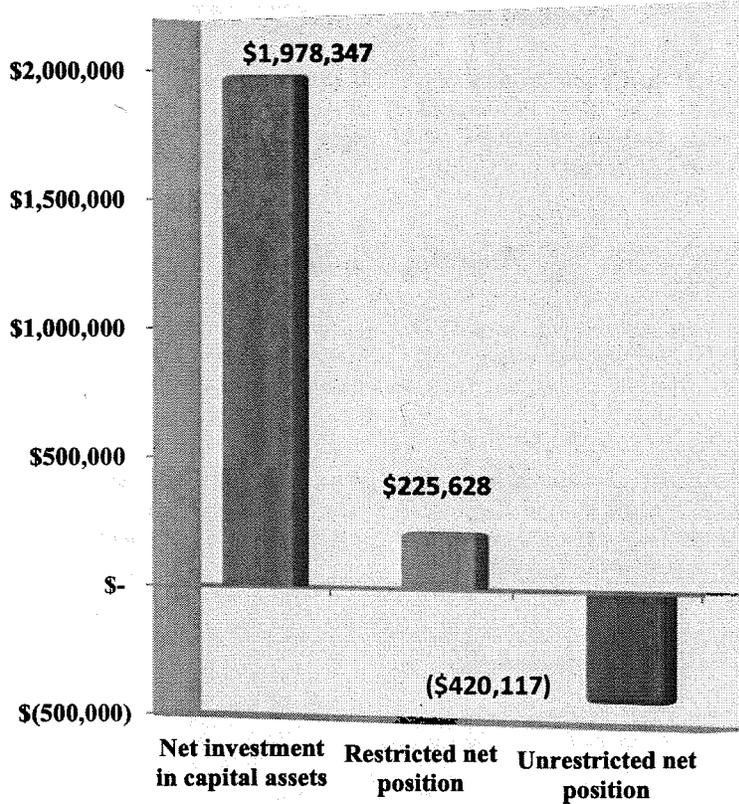

Financial Highlights

- The County's total net position decreased \$575,960, primarily due to the implementation of the provisions of GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*, as amended by GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date* (GASB 68).

The County continues to use debt to finance the construction of roads, streets, and buildings, and reports long-term liabilities related to programs. During the current year, total capital assets increased \$30,778 (1.0%); long-term liabilities increased \$622,742 (41.4%).

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements consist of three components: (1) Government-wide statements, (2) Fund statements, and (3) Notes. Required supplementary information is included in addition to the basic financial statements.

Government-wide financial statements are designed to provide readers with a broad overview of County finances in a manner similar to a private-sector business.

The *statement of net position* presents information on all County assets, deferred outflows of resources, liabilities and deferred inflows of resources. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The *statement of activities* presents information showing how net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation or sick leave).

Both of these government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (*governmental activities*) in contrast to other functions that are intended to recover all or a portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the County include general government, public safety, highways and streets, sanitation, health, welfare, culture and recreation, and education and economic opportunity. The business-type activities of the County include: Regional Wastewater Reclamation (RWR), Development Services, and the County's downtown parking garages.

A discretely presented component unit is included in the basic financial statements. It consists of one legally separate entity for which the County is financially accountable. The County reports the Southwestern Fair Commission, which operates the County Fairgrounds and the annual Pima County Fair, as a discretely presented component unit.

The government-wide financial statements can be found on pages 35-37.

Fund financial statements are groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other state and local governments, uses fund accounting to ensure and demonstrate finance-related legal compliance with applicable state statutes and Federal Office of Management and Budget budgeting guidelines. All of the funds can be divided into three categories: (1) *governmental funds*, (2) *proprietary funds*, and (3) *fiduciary funds*.

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of expendable resources*, as well as on *balances of expendable resources* available at the end of the fiscal year. Such information may be useful in evaluating the County's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The County maintains fifteen individual governmental funds. Information is presented separately in the Governmental Fund Balance Sheet and in the Governmental Fund Statement of Revenues, Expenditures and Changes in Fund Balances for the General, Capital Projects, and Debt Service funds which are reported as major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements.

The governmental fund financial statements can be found on pages 38-41. The combining statements for non-major governmental funds can be found on pages 106-109.

Proprietary funds are maintained in two ways. *Enterprise funds* are used to report the same functions presented as *business-type* activities in the government-wide financial statements. The County uses enterprise funds to account for sewer systems maintenance and operation, real estate-related development services, and parking garage operations. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the County's various functions. The County uses internal service funds to account for employee health and health related benefits, risk management, automotive fleet maintenance and operations, printing services, telecommunications, wireless, and information technology network infrastructure. Because these services predominantly benefit governmental rather than business-type functions, all of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources of these services have been included within *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The RWR Enterprise Fund is considered to be a major fund of the County. Data from the other enterprise funds are combined into a single, aggregated presentation. Similarly, the County's internal service funds are combined into a single, aggregated presentation in the proprietary funds financial statements. Individual fund data for the other enterprise and internal service funds are provided in the form of combining statements.

The proprietary fund financial statements can be found on pages 42-45. The combining statements for other enterprise and internal service funds can be found on pages 125-132.

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the County's programs.

The fiduciary fund financial statements can be found on pages 46-47.

Notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes can be found on pages 48-96.

Required Supplementary Information (RSI) is presented concerning the County's General Fund budgetary schedule and the schedule of the County's Proportionate Share of The Net Pension Liability for Cost Sharing Plans, The Schedule of Changes in the County's Net Pension Liability and Related Ratios for Agent Pension Plans, the

Schedule of County Pension Contributions, and the Schedule of Agent OPEB Plans' Funding Progress. Required supplementary information can be found on pages 97-104.

Combining Statements and Other Schedules referred to earlier provide information for non-major governmental, enterprise, internal service, and fiduciary funds and are presented immediately following the required supplementary information. Combining and individual fund statements and schedules can be found on pages 106-136.

Government-Wide Financial Analysis

As noted earlier, net position may serve as a useful indicator of a government's financial position over time. An analysis of the results of operations is also useful. The schedule below identifies variances in the results of operations.

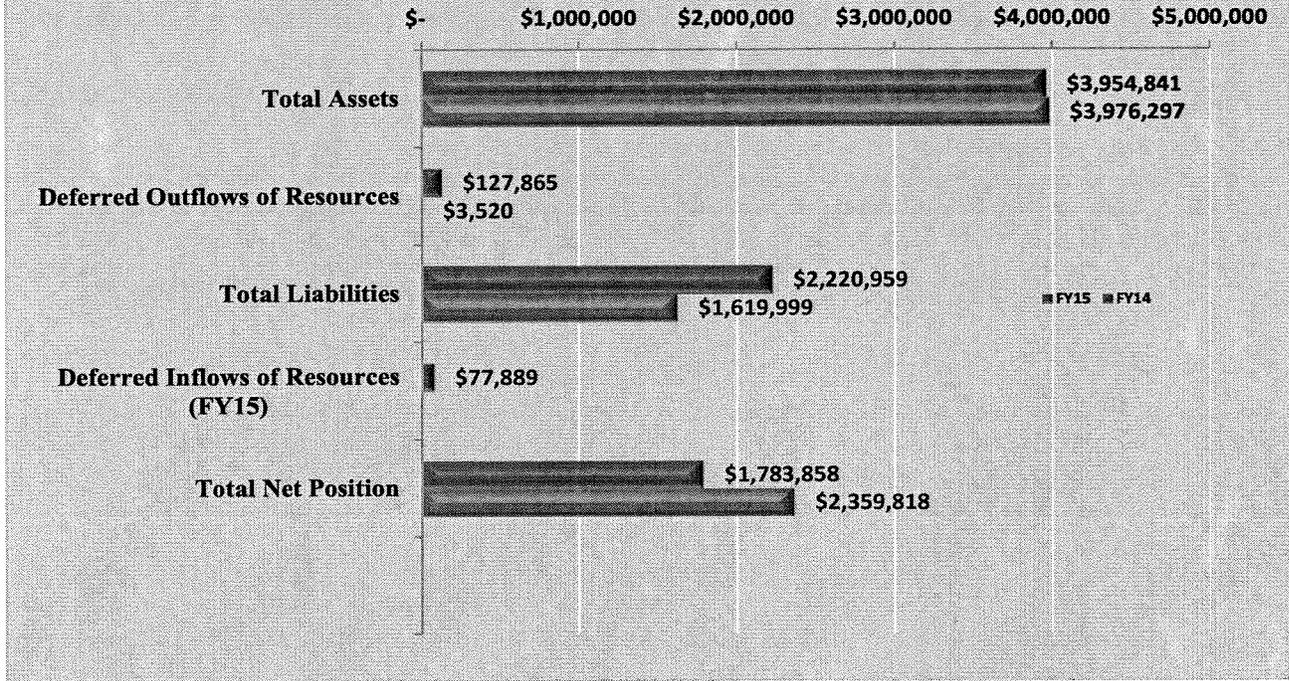

Schedule of Results of Operations and Net Position For the Years Ended June 30, 2015 and 2014			
	2015	2014	Variance
Charges for services	\$ 245,000	\$ 246,421	\$ (1,421)
Operating grants and contributions	126,897	113,129	13,768
Capital grants and contributions	48,424	61,390	(12,966)
Total program revenues	<u>420,321</u>	<u>420,940</u>	<u>(619)</u>
Total general revenues and transfers	<u>592,725</u>	<u>545,804</u>	<u>46,921</u>
Total program and general revenues	<u>1,013,046</u>	<u>966,744</u>	<u>46,302</u>
Total expenses	<u>973,479</u>	<u>922,503</u>	<u>50,976</u>
Change in net position	<u>\$ 39,567</u>	<u>\$ 44,241</u>	<u>\$ (4,674)</u>

Total program and general revenues increased \$46,302, primarily due to the increase of \$46,921 in total general revenues and transfers. Operating grants and contributions increased \$13,768, partially offset by a decrease of \$12,966 in capital grants and contributions. Total expenses increased \$50,976, resulting in a decrease of \$4,674 (10.6%) in change of net position.

An explanation of each of these changes is discussed further in the following governmental and business-type activities sections.

The graph presented below illustrates at a summary level and detail level the changes in the elements of the Statement of Net Position for the County at June 30, 2015, and June 30, 2014.

**Summary of Assets, Deferred Outflows of Resources,
Liabilities, Deferred Inflows of Resources and Total Net Position**

A general discussion of significant variances between fiscal years follows. For a more detailed discussion, please see the governmental activities and business-type activities sections immediately following this section.

Total County assets at June 30, 2015, were \$3,954,841, representing a decrease of \$21,456 (0.5%) from the prior year. Total liabilities were \$2,220,959, an increase of \$600,960 (37.1%) from the prior year. Deferred outflows of resources increased from \$3,520 to \$127,865, while deferred inflows totaled \$77,889. No deferred inflows were reported the prior year.

The largest portion of the County’s net position reflects its net investment in capital assets (i.e., land, buildings, infrastructure, and equipment), less any related outstanding debt used to acquire those assets. At June 30, 2015, net investment in capital assets totaled \$1,978,347, an increase of \$37,023 (1.9%) from the prior year. The County uses a portion of these capital assets to provide services to its citizens, with the other portion available to its citizens for use; consequently, these assets are *not* available for future spending. Although the County’s investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Resources subject to external restrictions on how they may be used comprise the restricted net position of \$225,628, representing an increase of \$9,073 (4.2%) from the prior year and approximately 12.6% of total net position.

As indicated in the Financial Highlights section, unrestricted net position decreased \$622,056 in the current year, due to the restatement of net position as of July 1, 2014, in connection with implementation of GASB 68.

The following schedule presents, on a comparative basis, both governmental activities and business-type activities within the Statement of Net Position.

Analysis of Net Position for Governmental activities

Current and other assets decreased by \$20,745 (4.2%) from \$499,542 in the prior fiscal year, mainly due to a decrease of \$13,437 in cash and cash equivalents, primarily within capital projects and transportation, and a change in internal balances as a result of transfers between RWR and Capital Projects.

Capital assets increased \$45,567 (2.3%) to \$2,011,236, primarily due to the following increases:

- Acquisition of Painted Hills for \$7,555.
- Purchase of land at Tucson Mountain Park for \$1,211.
- Acquisition of Stardust property for \$8,751.
- Increase in machinery and equipment of \$8,455.
- Completion of Roy Place building restoration project for \$1,060.
- Completion of tenant improvements at Administration East building, 4th floor, for \$1,051.

Additionally, the completion of the Public Service Center and other buildings provided an increase of \$7,493 in building assets for the County.

The implementation of GASB 68, which included a restatement of net position, also significantly contributed to the following changes:

- An increase of \$118,719 in total deferred outflows of resources.
- An increase of \$70,168 in total deferred inflows of resources.
- An increase of \$634,645 in long-term liabilities.
- A decrease of \$591,641 in unrestricted net position.

Analysis of Net Position for Business-type activities

Current and other assets of \$223,188 represents a decrease of \$31,489 (12.4%) compared to the prior year, primarily due to a decrease in restricted cash and cash equivalents for RWR of \$28,443.

The decrease in capital assets of \$14,789 (1.2%) is primarily due to the closure of the Randolph Park Reclamation Facility, which reported a net loss of \$27,554.

The increase of \$5,626 in deferred outflows of resources, and the increase of \$7,721 in deferred inflows of resources is due to the implementation of GASB 68.

Long-term liabilities decreased a net of \$11,903 (1.7%) primarily due to a decrease of \$55,974 offset with an increase of \$44,154 for the net pension liability. The decreases in liabilities were from the following:

- \$40,980 decrease for payments of RWR bonds, obligations and loans.
- \$8,150 for bond discount and premium.
- \$6,844 decrease in contract retention for construction projects.

In summary, the decrease of \$41,938 in the current year's change in net position is primarily due to a decrease in total revenues of \$2,560 and an increase in total expenses of \$39,796. Total net position of \$743,443 at June 30, 2015, represents a 4.4% decrease from the prior year.

Revenues

Total revenues of \$824,513 was an increase of \$48,862 (6.3%) over the prior year, primarily due to an increase of \$45,506 (12.0%) in property taxes, an increase of \$4,994 (4.0%) in State-shared taxes, partially offset by a decrease in investment earnings of \$1,024 and a decrease of \$1,286 in other general revenues. The property tax increase is primarily due to a higher primary property tax rate, while the property valuations remained relatively stable.

Program revenues increased \$672 (0.3%) over the prior year, primarily from an increase of \$13,733 (12.1%) in operating grants and contributions, offset by a decrease of \$12,013 (22.0%) in capital grants and contributions, and a decrease of \$1,048 (1.6%) in charges for services.

The chart below presents general and program revenues, as a percentage to total revenues. The amount provided from each revenue source for governmental activities, as a percentage to total revenue for governmental activities, has not changed significantly from the prior fiscal year. Property taxes, operating grants, and state-shared taxes account for approximately 82.7% of the County's revenues.

General and Program Revenues - Governmental Activities

Expenses

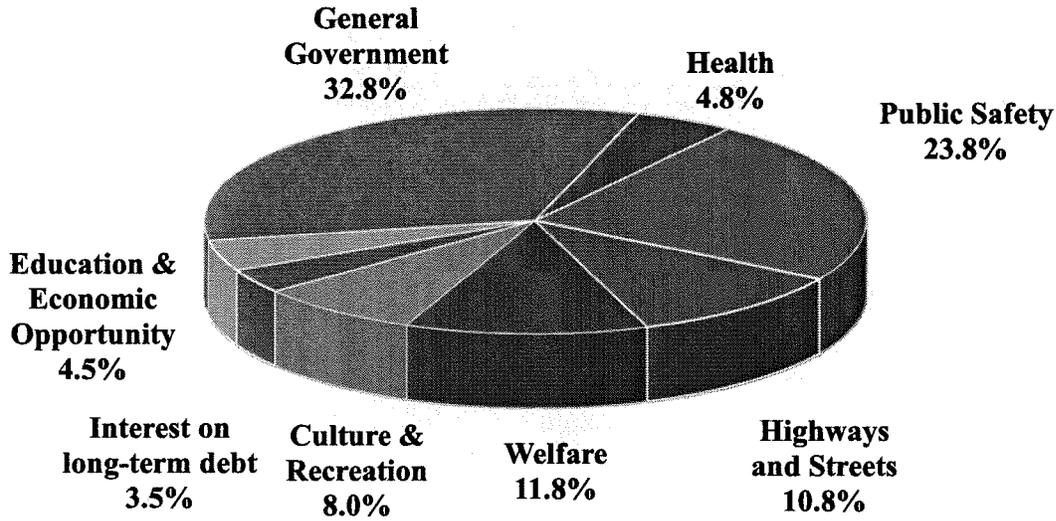

Total expenses increased \$11,180 or 1.5% over the prior year, primarily due to the increase of \$28,992 (12.6%) in general government expenses, partially offset by a decrease of \$8,057 (8.6%) in highways and streets expenses and a decrease of \$9,134 in sanitation expenses. The general government increase of \$28,992 includes \$24,492 due to the implementation of GASB 68. The highways and streets decrease of \$8,057 is due to current year's transportation expenses of \$50,804 representing a decrease from transportation project expenses in the prior year (\$59,397). Project expenses vary from year to year, some of the larger highways and streets cost increases and decreases are as follows:

- Valencia Road - Alvernon Way, increase of \$4,139.
- Magee Road - La Canada Drive - Oracle Road, increase of \$1,328.
- Valencia Road - Mark Road - Wade Road, increase of \$4,538.
- La Cholla Blvd. - Magee Road - Overton Road, decrease of \$6,484.
- La Canada - River Road - Ina Road, decrease of \$3,634.
- Orange Grove - Camino de la Tierra - La Cholla Blvd., decrease of \$3,119.
- Ina Road at Oracle Road, decrease of \$2,302.
- Houghton Road - I10 - Tanque Verde Road, decrease of \$2,572.
- Homer Davis Elementary Bicycle and Pedestrian Enhancement, decrease of \$1,424.

The decrease of \$9,134 in sanitation expenses is primarily due to a decrease of \$7,696, resulting from a change in the estimate for the landfill liability.

The following chart presents expenses by function as a percentage to total expenses. The amount of each expense by function as a percentage to total expenses has not changed significantly from the prior fiscal year. General government, public safety, and welfare account for approximately two-thirds of the County's total expenses.

Expenses by Function - Governmental Activities

The current year's excess before contributions and transfers total of \$44,620 and transfers (out) of \$17,133 result in a change in net position of \$27,487, representing an increase of \$37,264 over the prior year's change in net position deficit of (\$9,777).

At July 1, 2014, the governmental activities beginning net position was restated due to the implementation of the provisions of GASB 68. Ending net position of \$1,040,415 in the current year is a decrease of \$541,955 from the prior year amount of \$1,582,370 (before the restatement); the decrease resulted primarily from the aforementioned GASB 68 implementation.

Business-type activities

Business-type activities, which are composed exclusively of enterprise funds, are intended to recover all or a significant portion of their costs through user fees and charges. The following schedule shows changes in the net position for business-type activities.

Revenues

Total revenues for business-type activities decreased \$2,560 (1.3%) mainly due to a decrease in capital grants and contributions of \$953 (14.0%) resulting from a decrease in the RWR capital contributions, and a decrease of \$935 (63.0%) in other general revenues.

Expenses

Total expenses for business-type activities increased \$39,796 (25.9%), largely due to the increase of \$39,767 (27.4%) in RWR expenses, including capitalized interest expense of \$5,558 and the loss on disposal of capital assets of \$29,542, mainly due to the \$27,554 loss from the closure of the Randolph Park Reclamation Facility.

Financial Analysis of the County's Funds

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements and generally accepted accounting principles (GAAP).

Governmental funds

The County's general government functions are accounted for in the General, Capital Projects, Debt Service, and Special Revenue funds. Included in these funds are special districts governed by the Board of Supervisors (i.e. Flood Control, Library and Stadium Districts) acting as the Board of Directors for each district. The focus of the County's governmental funds is to provide information on near-term inflows, outflows and balances of expendable resources. Such information is useful in assessing the County's financing requirements. In particular, unassigned fund balances may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

Major Governmental Funds

General Fund

The General Fund is the chief operating fund of the County.

Property taxes revenues for the General Fund increased \$43,875 reflecting a higher primary property tax rate, while property valuation remained relatively stable. Intergovernmental revenues increased \$6,506 primarily due to increases in the state-shared sales tax and state-shared vehicle license tax associated with an anticipated gradual recovery in the local economy. Overall, revenues for the General Fund increased \$54,385.

General fund expenditures increased \$27,441, primarily due to:

- An increase of \$10,969 in general government, which includes current year operating expenditures of \$4,925 that are no longer allocated to other departments, \$4,365 increase in the Elections and Recorder departments primarily associated with primary and general elections held during the year, and \$1,387 increase in facilities management department due to higher operating costs.
- An increase of \$13,056 in culture and recreation expenditures as a result of two property acquisitions, Stardust property and Painted Hills.

Other financing sources-installment note increased \$11,500 from two notes payable: one financing \$7,000 towards the acquisition of Stardust property, and the other financing \$4,500 towards purchase of the Painted Hills property.

Transfers in decreased \$14,659 in the current year, primarily due to a one-time transfer in of \$18,500 from residual Pima Health Services transition monies in the prior year.

Transfers (out) increased \$7,523, primarily due to transfers out of \$6,117 to the information technology fund, an internal services fund, in accordance with a budget initiative to provide capital and operating costs in support of the County's information technology infrastructure.

The \$54,385 increase in revenues, the \$27,441 increase in expenses, and a total net increase of \$10,667 in other financing uses yielded an increase of \$16,277 in net change in fund balance, which ended the year at \$52,125.

Budget to Actual Comparison for the General Fund

Overall, actual revenues were lower than budgeted revenues by \$251 and actual expenditures were less than budgeted expenditures by \$23,977.

Actual expenditures for the General Fund were less than budgeted, primarily within General government- County Administration. The Board of Supervisors' contingency is available to respond to changing needs or unforeseen circumstances. The under budget variance was primarily due to the contingency expenditures being \$25,480 less than budgeted.

No variances between the budget to actual amounts at the departmental level were significant enough to affect the County's ability to provide future services.

Capital Projects Fund

Revenues for the Capital Projects Fund decreased \$3,089, primarily due to a \$7,000 decrease in Regional Transportation Authority revenue that was partially offset by an increase in state and city revenue of \$4,501.

Expenditures (capital outlays) decreased \$34,958. This variance results from decreases in capital expenditures from prior year programs. In fiscal year 2013-14, \$15,000 more was spent on telecommunications equipment than in fiscal year 2014-15; additionally, transportation project expenditures reported a decrease of \$8,057 in the current year, as indicated in the analysis of the governmental activities.

The \$72,025 face amount of long-term debt issued represents a decrease of \$6,135 from fiscal year 2013-14. Proceeds received included \$57,025 from certificates of participation and \$15,000 from general obligation bonds.

Transfers out decreased by \$16,082 primarily due to a reduction of transfers out to RWR. Fiscal year 2014-2015 had a transfer out to RWR of \$28,651 from the 2015 COPs, the prior fiscal year had a transfer out to RWR of \$51,404. There was also an \$11,979 transfer to Parking Garages for construction of the garage at the new Public Service Center.

The \$3,089 decrease in revenues, the \$34,958 decrease in expenses and a total decrease of \$5,328 in other financing sources yield an increase of \$26,541 in net change in fund balance in the current year.

Debt Service Fund

This major fund accounts for the accumulation of resources for the payment of principal and interest of long-term debt.

Revenues for the Debt Service Fund decreased \$5,691 primarily due to a decrease in property tax revenues as a result of a decreasing secondary property tax rate. Expenditures for the Debt Service Fund decreased \$31,631 mainly from a decrease in principal payments. Please see Note 7 beginning on page 65 for more information on bond and certificate of participation details.

Issuance of refunding debt was \$13,685, an increase of \$4,880. The refunding consisted of \$13,685 for 2015 HURF bonds. The issuance was used to refund part of the remaining debt of the 2005 HURF bond series.

Payments to escrow agents increased to \$15,250, an increase of \$5,119 from \$10,131 in the prior year. These payments were deposited into the trust account and used to pay the defeasance costs for the partial refunding of the 2005 HURF bond series.

Transfers in decreased by \$6,650, mainly due to a decrease of \$15,350 from RWR COPs 2013A that was partially offset by \$4,060 from General Fund COPS 2014.

The resulting fund balance of \$8,424 reflects a \$576 increase from prior year.

Major Proprietary Fund

The County’s Regional Wastewater Reclamation Enterprise (RWR) Fund is a major enterprise fund.

A significant change in the Fund’s net position is the restatement of net position at July 1, 2014, due to the implementation of GASB Statement No. 68 *Accounting and Financial Reporting for Pension*, resulting in a decrease of \$39,705. Significant changes during the fiscal year that also reduced the fund’s net position included a loss of \$27,554 due to the closure of the Randolph Park Wastewater Reclamation Facility. Net transfers resulted in a decrease of \$7,189, and capitalized interest expense increased by \$5,558.

Operating revenues of \$159,959 represent a decrease of \$1,717 (1.1%) over the previous year, due to a decrease of \$941 in other revenues and a decrease of \$776 in charges for services.

Operating expenses of \$134,671 increased \$9,511 (7.6%) over the prior year, mainly due to an increase of \$4,372 for consultants and professional services, and an increase of \$3,478 for repair and maintenance.

The deficit in total nonoperating revenues increased \$28,333 primarily due to loss on disposal of capital assets resulting from the Randolph Park Reclamation Facility closure of \$27,554.

Transfers in decreased by \$22,753, mainly because the prior fiscal year included a cash transfer from the 2013 COPs. Transfers out decreased by \$15,564 as the prior fiscal year funded a debt service payment of \$34,645 representing the first principal payment of the 2013A COPs, and the current fiscal year transfers funded a debt service payment of \$20,728.

The increase in net position of \$2,211 together with the decrease resulting from the restatement of net position at July 1, 2014, of \$39,705, brings the total net position to \$723,537 at fiscal year-end.

Capital Assets and Debt Administration

Capital Assets

The County’s investment in capital assets consists of land, buildings and improvements, sewage conveyance systems, infrastructure, equipment, and construction in progress.

Capital assets for the governmental and business-type activities are presented below to illustrate changes from the prior year:

Governmental and Business-type Activities Capital Assets As of June 30, 2015 and 2014

The County’s total capital assets increased \$30,778 (1.0%). The most significant changes were: buildings and improvements increased \$87,958 (7.8%), land increased \$23,250 (4.5 %), equipment increased \$15,632 (7.9%), and conveyance systems increased by \$17,770 (4.0%); these increases were partially offset by a decrease of \$121,565 (44.0%) in construction in progress.

Governmental activities

Capital assets of Governmental activities increased \$45,567 (2.3%), with the increase resulting largely from the following activity:

- Acquisition of Painted Hills for \$7,555.
- Purchase of land at Tucson Mountain Park for \$1,211.
- Acquisition of Stardust property for \$8,751.
- Completion of Roy Place building restoration project for \$1,060.
- Completion of tenant improvements at Administration East building, 4th floor, for \$1,051.
- Increase of \$7,493 in building and improvements assets resulting from capitalization of the Public Service Center and other buildings.
- Increase in machinery and equipment of \$8,455.

Business-type activities

Total capital assets decreased \$14,789 (1.2%), mainly due to a decrease in building and improvements of \$27,574, related to the closure of the Randolph Park Reclamation Facility. Construction in progress decreased \$13,526 (21.2%) due in part to the capitalization of \$3,667 for the Public Service garage, and \$9,799 capitalizations in RWR.

Sewage conveyance systems increased \$17,770, primarily due to the capitalization of \$6,286 for the Conveyance Rehabilitation Program, \$6,132 for North Rillito Interceptor Rehabilitation, and \$6,306 in the program Minor Rehabilitation Projects 14/15.

Equipment increase of \$7,177 is largely from the capitalization of \$12,539 for Regional Optimization Master Plan Supervisory Control and Data Acquisition, partially offset by a decrease of \$7,326 resulting from the disposal of equipment and machinery.

The County's infrastructure assets are recorded at historical cost and estimated historical cost in the government-wide financial statements. Additional information regarding the County's capital assets can be found in Note 5 of the financial statements on pages 61-62.

Long-term Debt

Significant, comparative long-term debt entered into during the last two fiscal years is presented below:

Long-Term Debt		
For the Years Ended June 30, 2015 and 2014		
	2015	2014
Bonds issued (at face value):		
General Obligation	\$ 15,000	\$ 10,000
Street and Highway Revenue	13,685	24,805
Sewer System Revenue Obligations		48,500
Certificates of Participation (COPs)	57,025	52,160
Installment note payable	11,500	239
Total	\$ 97,210	\$ 135,704

During the year, \$15,000 of general obligation bonds were issued. The \$15,000 of new debt issued in Series 2015 was for the purpose of funding various capital projects in the County. The County also issued \$13,685 of

transportation revenue bonds for a refunding transaction. This refunding resulted in an economic gain of \$848 and a reduction in debt service payments of \$857.

In addition, the County issued \$57,025 in Certificates of Participation Series 2015. The County intends to use the proceeds to expand and improve the existing sewer system facilities. The County may also use a portion of the funds for other capital projects.

During the year, the County acquired Stardust and Painted Hills properties with at a total installment purchase contracts payable of \$7,000 and \$4,500, respectively.

The most recent ratings for Pima County’s bonds, COPs and obligations are:

Credit Ratings				
	Standard & Poor's		Fitch Ratings	
	Rating	Date	Rating	Date
Certificates of Participation (COPs)	A+	Feb-2015	AA-	Feb-2015
General Obligation	AA-	Feb-2015	AA	Feb-2015

Sewer Revenue Bonds	AA	Mar-2014	AA	Dec-2013
Sewer Revenue Obligations	AA-	Jan-2014	AA-	Dec-2013

The State of Arizona Constitution limits the amount of general obligation debt a governmental entity may issue to 6.0% of its net assessed valuation without voter approval. However, Pima County has voter approval for general obligation debt up to 15.0%. The current debt limitation for Pima County is \$1,136,985, which is significantly in excess of Pima County’s outstanding general obligation debt.

Additional information regarding the County’s debt can be found in Note 7 of the financial statements, on Pages 65-74.

Economic Factors and Next Year's Budget

Pima County is still contending with a slow, and at times, uneven recovery from the Great Recession. Like all governments in Arizona, Pima County has necessarily adjusted to reduced revenues and increased service demands during this time. The upcoming fiscal 2015-16 budget will be based largely on the County's response to a set of unique challenges from a variety of outside sources. Primary amongst these is the decision by the Arizona Legislature to balance the State Budget by transferring \$23.2 million of fiscal year 2015-16 State costs to Pima County. These additional costs imposed by the State cause significant uncertainties in the development of the County budget and will impact all of Pima County's existing service priorities and programs, including law enforcement, healthcare and economic development. Recognizing this, the budget that was adopted by the Board of Supervisors for fiscal year 2015-16 is primarily a "maintenance of effort" budget, which will sustain the County's existing service priorities. The following discussion identifies other significant activities that are expected to affect the County in fiscal 2015-16.

State Budget Cost Shifts

In attempting to balance the State Budget this year, the Governor and Legislature have accelerated cost transfers to the counties throughout the State. However, Pima County will experience the largest increase this year than any other county in the State. The proposed new cost transfers to the County presently enacted into law equal up to \$21.6 million. When added to last year's transfers, the total is \$104.4 million for fiscal year 2015-16, or nearly 31% of the primary property tax levy. Immediate impacts of these cost transfers to the County budget include a two-percent across-the-board reduction in all County expenditures, a \$5,000,000 reduction in funding for the Pavement Preservation Program and a primary property tax rate increase of \$0.1098. The additional property tax revenues from the rate increase are anticipated to offset \$8.1 million of State cost shifts to Pima County. However, the remaining \$4.7 million to \$13.5 million of these cost shifts must be absorbed within the County's fiscal year 2015-16 budget.

State Aid to Education Cost Shifts

A significant portion of the state cost transfers is the cost related to the State Aid to Education tax credit, which has been paid for by the State for the last 35 years. The County is currently mounting a legal challenge to this portion of the State budget. Although the County is hopeful that it will prevail in litigation in the future, an increase in the primary property tax rate of \$0.1098 and levy of \$8.1 million to partially offset the cost transfer has been adopted for fiscal year 2015-16. If the County prevails in its litigation, the primary property tax rate will be reduced next fiscal year.

Property Taxes

As previously mentioned, the fiscal year 2015-16 Adopted Budget relies on a \$0.1098 increase in the primary property tax rate for the General Government over the fiscal year 2014-15 tax rate. The Library District secondary property tax rate will increase by \$0.0800. Debt Service's secondary tax rate remains unchanged from fiscal year 2014-15 and the Regional Flood Control District secondary property tax rate increases by \$0.0100. The total property tax rate for Pima County (excluding the State mandated Fire District Assistance Tax) increased from \$5.7167 to 5.9165 per \$100 of net taxable value, a net increase of \$0.1998.

State Shared Revenues

State shared sales tax revenue is projected to increase by \$1.86 million in fiscal year 2015-16. This increase reflects a gradual recovery in the local economy and continued statewide economic growth.

Employee Benefits Costs

Over the years, Pima County has continued to change and upgrade its benefits package for employees. Over time, the cost to provide these benefits has steadily increased. As a comparison, the actual cost to the County for employee benefits in fiscal year 2003-04 totaled \$65 million whereas the budgeted benefit costs in fiscal year 2015-16 totals nearly \$139 million; resulting in an increase that is more than double the fiscal year 2003-04 amount. A significant portion of this increase is due to higher cost of employee medical insurance, retirement contributions

and other benefit costs. Fiscal year 2015-16 aggregate benefits will increase in excess of \$5 million over fiscal year 2014-15. The County will have to absorb these increases in the face of other budgetary challenges.

Rainy Day Funds

Maintaining a budget reserve has given the County a favorable bond rating which in turn has yielded substantial savings from lower interest payments on County bonds. The reserve has also enabled the County to minimize the negative fiscal impacts of a variety of unforeseen events over which the County has had little or no control. The General Fund Reserve for fiscal year 2015-16 totals \$30,256,247. This reserve represents 5.6% of projected revenues for fiscal year 2015-16 compared to the ending fund balance of 3.6% of revenue last fiscal year. The reserve has been increased to accommodate a worst-case scenario of State Budget cost shifts totaling \$21.6 million. If this reserve is not spent, it will represent the base ending fund balance for fiscal year 2015-16.

PIMA COUNTY, ARIZONA
**Reconciliation of the Statement of Revenues, Expenditures and
 Changes in Fund Balance of Governmental Funds
 to the Statement of Activities
 For the Year Ended June 30, 2015
 (in thousands)**

Exhibit A - 6

Net change in fund balances - total governmental funds \$ (20,575)

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is depreciated over their estimated useful lives and reported as depreciation expense.

Expenditures for capital assets	\$ 101,957	
Less current year depreciation	<u>(69,046)</u>	32,911

Debt proceeds provide current financial resources to governmental funds but issuing debt increases long-term liabilities in the Statement of Net Position. Repayment of the principal of debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position. Also, governmental funds report the effect of premiums, discounts and similar items when debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.

Face amount of long-term debt issued	(72,025)	
Premium on bonds	(5,949)	
Proceeds from issuance of refunding bonds	(13,685)	
Debt service - principal payments	81,933	
Payments to escrow agent	15,250	
Installment note	(11,500)	
Amortization expense	6,237	
Deferred outflows - interest	<u>(1,244)</u>	(983)

Some revenues reported in the Statement of Activities do not represent the collection of current financial resources and therefore are not reported as revenues in the governmental funds. In addition, collections of some revenues in the governmental funds exceeded revenues reported in the Statement of Activities.

Donations of capital assets	7,488	
Intergovernmental	7,154	
Property tax revenues	(1,668)	
Other	<u>869</u>	13,843

Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds.

Change in compensated absences	1,271	
Change in landfill liability	7,696	
Pollution remediation liability	345	
Net book value of capital asset disposals	(1,169)	
Other	<u>65</u>	8,208

County pension contributions are reported as expenditures in the governmental funds when made. However, they are reported as deferred outflows of resources in the Statement of Net Position because the reported net pension liability is measured a year before the County's report date. Pension expense, which is the change in the net pension liability adjusted for changes in deferred outflows and inflows of resources related to pensions is reported in the Statement of Activities.

Pension contributions	41,464	
Pension expense	<u>(75,995)</u>	(34,531)

Internal service funds are used by management to charge the costs of certain activities to individual funds. The incorporation of the external activities of these funds, and the elimination of profit/loss generated by primary government customers results in net revenue (expense) for governmental activities.

Note 1: Summary of Significant Accounting Policies

Pima County's accounting policies conform to generally accepted accounting principles applicable to governmental units adopted by the Governmental Accounting Standards Board (GASB).

For the year ended June 30, 2015, the County implemented the provisions of GASB Statement No. 68, Accounting and Financial Reporting for Pensions, as amended by GASB Statement No. 71, Pension Transition for Contributions Made Subsequent to the Measurement Date, and GASB Statement No. 69, Government Combinations and Disposals of Governmental Operations. GASB Statement Nos. 68 and 71 establish standards for measuring and recognizing net pension liabilities, deferred outflows of resources, deferred inflows of resources, and expenses/expenditures related to pension benefits provided through defined benefit pension plans. In addition, Statement No. 68 requires disclosure of information related to pension benefits. GASB Statement No. 69 establishes accounting and financial reporting standards related to government combinations and disposals of government operations. The implementation of GASB Statement No. 69 had no impact on the County's fiscal year 2014-15 financial statements and therefore no additional note disclosures were required.

A. Reporting Entity

The County is a general purpose local government that is governed by a separately elected board of supervisors. The accompanying financial statements present the activities of the County (the primary government) and its component units.

Component units are legally separate entities for which the County is considered to be financially accountable. Blended component units, although legally separate entities, are so intertwined with the County that they are in substance part of the County's operations. Component units should be blended in the County's financial statements when the component unit's governing body is substantively the same as the County's governing body and there is either a financial benefit or burden relationship between the County and the component unit or County management has operational responsibility for it; the component unit provides services entirely, or almost entirely, to the County; or the component unit's total debt outstanding is expected to be repaid entirely or almost entirely with the County's resources. Therefore, data from these units is combined with data of the County. Discretely presented component units, on the other hand, are reported in a separate column in the government-wide financial statements to emphasize they are legally separate from the County. Each blended and discretely presented component unit discussed below has a June 30 year-end.

The following describes the County's component units:

The Pima County Stadium District, a legally separate entity, was created in 1991 when the Board of Supervisors adopted a resolution to create the Stadium District to manage Kino Sports Complex. The District is a tax-levying, public improvement district and political taxing subdivision of the state of Arizona. The Stadium District, in conjunction with Pima County government, maintains the fiscal resources of the entire complex including facilities, grounds, personnel and the various services provided at the venue. Kino Sports Complex, which covers 155 acres, is the largest professional sports and entertainment venue of its kind in Pima County. The facility hosts youth athletics, amateur and professional sports, concerts and community events on its fields. The County Board of Supervisors serves as the Board of Directors of the District. Acting in the capacity of the Board of Directors, the Pima County Board of Supervisors is able to impose its will on the District. The Board of Directors levies the car rental surcharge rates and the recreational vehicle (RV) park tax for the District. The District is reported as a special revenue fund (blended component unit) in these financial statements. Complete financial statements for the District can be obtained from the Pima County Department of Finance and Risk Management located at 130 West Congress Street, Tucson, Arizona 85701.

The Pima County Library District was established in 1986 when legislation allowed full taxing authority and the ability to enter into agreements with other jurisdictions for the provision of library services. The Library District provides and maintains library services for the County's residents. The Pima County Board of Supervisors is the

Board of Directors of the District. The Library District is reported as a special revenue fund (blended component unit) in these financial statements. Separate financial statements for the District are not available.

The Pima County Regional Flood Control District was established in 1978. The District is responsible for floodplain management activities for the unincorporated areas of Pima County (except national forests, parks, monuments and Native American Nations), the City of South Tucson, and the Town of Sahuarita. The Pima County Board of Supervisors is the Board of Directors for the Flood Control District. The Regional Flood Control District is reported as a special revenue fund (blended component unit) in these financial statements. Separate financial statements for the District are not available.

The Pima County Street Lighting Districts (SLDs) operate and maintain street lighting for specific regions in areas outside local city jurisdictions. The Pima County Board of Supervisors serves as the Board of Directors. SLDs are reported as a special revenue fund in these financial statements and meet substantively the same criteria as blended component units. Separate financial statements for the SLDs are not available.

The Southwestern Fair Commission, Inc. (SFC) is a nonprofit corporation which manages and maintains the fairgrounds owned by the County and conducts annual fair and other events at the fairgrounds. The Commission's members are appointed and can be removed at any time by the Pima County Board of Supervisors. Based on these factors, and because SFC does not provide services entirely, or almost entirely to the County, but rather to the general citizenry, SFC is reported as a separate component unit (discrete presentation) in these financial statements. Complete financial statements for SFC can be obtained from the Pima County Department of Finance and Risk Management located at 130 West Congress Street, Tucson, Arizona 85701.

Related Organization:

The Industrial Authority of Pima County (Authority) is a legally separate entity that was created to promote economic development and the development of affordable housing. The Authority fulfills its function through the issuance of tax-exempt bonds. The County Board of Supervisors appoints the Authority's Board of Directors. The Authority's operations are completely separate from the County and the County is not financially accountable for the Authority. Therefore, the financial activities of the Authority have not been included in the accompanying financial statements.

B. Basis of Presentation

The basic financial statements include both government-wide statements and fund financial statements. The government-wide statements focus on the County as a whole, while the fund financial statements focus on major funds. Each presentation provides valuable information that can be analyzed and compared between years and between governments to enhance the information's usefulness.

Government-wide statements - Provide information about the primary government (the County) and its component units. The statements include a statement of net position and a statement of activities. These statements report the overall government's financial activities except for fiduciary activities. The statements also distinguish between the governmental and business-type activities of the County and between the County and its discretely presented component units. Governmental activities generally are financed through taxes and intergovernmental revenues. Business-type activities are financed in whole or in part by fees charged to external parties.

A statement of activities presents a comparison between direct expenses and program revenues for each function of the County's governmental activities and segment of its business-type activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. The County does not allocate indirect expenses to programs or functions. Program revenues include:

- charges to customers or applicants for goods, services, or privileges provided;
- operating grants and contributions; and
- capital grants and contributions, including special assessments.

Revenues that are not classified as program revenues, including internally dedicated resources and all taxes the County levies or imposes, are reported as general revenues.

Generally, the effect of interfund activity has been eliminated from the government-wide financial statements to minimize the double-counting of internal activities. However, charges for interfund services provided and used are not eliminated if the prices approximate their external exchange values.

Fund financial statements - Provide information about the County's funds, including fiduciary funds and blended component units. Separate statements are presented for the governmental, proprietary, and fiduciary fund categories. The emphasis of fund financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as nonmajor funds. Fiduciary funds are aggregated and reported by fund type.

Proprietary fund revenues and expenses are classified as either operating or nonoperating. Operating revenues and expenses generally result from transactions associated with the fund's principal activity. Accordingly, revenues, such as user charges, in which each party receives and gives up essentially equal values, are operating revenues. Other revenues result from transactions in which the parties do not exchange equal values and are considered nonoperating revenues such as connection fees, intergovernmental revenues, along with investment earnings and revenues ancillary activities generate. Operating expenses include the cost of services, administrative expenses, and depreciation on capital assets. Other expenses, such as interest expense, are considered nonoperating expenses.

The County reports the following major governmental funds:

The *General Fund* is the County's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. The General Fund revenues are primarily from property taxes and intergovernmental revenues.

The *Capital Projects Fund* accounts for financial resources to be used for the acquisition or construction of capital facilities and other capital assets, other than those financed by proprietary funds. Capital Projects Fund revenues are primarily from intergovernmental, face amount of long-term debt and transfers in.

The *Debt Service Fund* accounts for the accumulation of resources for, and the payment of, general long-term debt principal and interest. Revenues are primarily from property taxes, proceeds from refunding debt, and transfers in.

The County reports the following major enterprise fund:

Regional Wastewater Reclamation (RWR) accounts for the management and operation of wastewater treatment and water pollution control programs. Revenues are primarily from charges for services and connection fees.

The County also reports the following fund types:

Internal Service Funds account for fleet maintenance and operation, insurance, printing services, and telecommunications services provided to the County's departments or to other governments on a cost-reimbursement basis. The County transitioned to a medical self-insurance model on July 1, 2013 that is funded by employee and employer premium rates.

Note 1: Summary of Significant Accounting Policies (continued)

Investment Trust Funds account for pooled assets and individual investment accounts the County Treasurer holds and invests on behalf of other governmental entities.

Agency Funds account for assets the County holds as an agent for the State, cities, towns, and other parties.

C. Basis of Accounting

The government-wide, proprietary fund and fiduciary fund financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. The agency funds are custodial in nature and do not have a measurement focus but utilize the accrual basis of accounting for reporting its assets and liabilities. Revenues are recorded when earned, and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Property taxes are recognized as revenue in the year for which they are levied. Grants and donations are recognized as revenue as soon as all eligibility requirements the provider imposed have been met.

Under the terms of grant agreements, the County funds certain programs by a combination of grants and general revenues. Therefore, when program expenses are incurred, there are both restricted and unrestricted net position resources available to finance the program. The County applies grant resources to such programs before using general revenues.

Governmental funds in the fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when they become both measurable and available. The County recognizes property taxes to be available if collected within 30 days. In addition, other taxes that are reported as intergovernmental revenues, i.e. state shared sales tax, highway user revenues and vehicle license tax, recreational vehicle taxes, car rental surcharges, and hotel excise taxes are also recognized if collected within 30 days. Grant funded intergovernmental revenues are considered available if collected within 60 days after fiscal year-end. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, compensated absences, landfill closure and postclosure care costs, and pollution remediation obligations, which are recognized as expenditures to the extent they are due and payable. General capital asset acquisitions are reported as expenditures in governmental funds. Issuances of general long-term debt and acquisitions under capital lease agreements are reported as other financing sources.

D. Cash and Investments

For the statement of cash flows, the County's cash and cash equivalents are considered to be cash on hand, demand deposits, cash and investments held by the County Treasurer, investments in the State Treasurer's Local Government Investment Pool, and only those highly liquid investments with a maturity of 3 months or less when purchased.

Nonparticipating interest-earning investment contracts are stated at cost. Money market investments and participating interest-earning investment contracts with a remaining maturity of 1 year or less at the time of purchase are stated at amortized cost. All other investments are stated using the market approach at fair value.

E. Inventories and Prepaids

Inventories in the government-wide and proprietary funds' financial statements are recorded as assets when purchased and expensed when consumed.

Note 1: Summary of Significant Accounting Policies (continued)

The County accounts for its inventories in the Health Fund using the purchase method. Inventories of the Health Fund consist of expendable supplies held for consumption and are recorded as expenditures at the time of purchase. Amounts on hand at year-end are shown on the balance sheet as an asset for informational purposes only and as nonspendable fund balance to indicate that they do not constitute "available spendable resources." These inventories are stated at cost using the first-in, first-out method or average cost method.

The County accounts for its inventories in the OEM Radio System Fund using the purchases method. Inventories of the OEM Radio System Fund consist of spare parts for the fixed network equipment held for consumption and are recorded as expenditures at the time of purchase. These inventories are stated at cost using the first-in, first-out method or average cost method.

Inventories of the Transportation Fund are recorded as assets when purchased and expensed when used. They are valued at lower of cost or market, cost being determined using the moving average method.

Inventories of RWR, an enterprise fund, are valued at lower of cost or market, cost being determined using the moving average method.

Inventories of Internal Service Funds are valued at lower of cost or market, cost being determined using the moving average method.

Prepaid expenses/expenditures are accounted for using the consumption method, except for the School Reserve Fund reported as an Other Governmental Fund, which uses the purchase method.

F. Property Tax Calendar

The County levies real and personal property taxes on or before the third Monday in August that become due and payable in two equal installments. The first installment is due on the first day of October and becomes delinquent after the first business day of November. The second installment is due on the first day of March of the next year and becomes delinquent after the first business day of May. A lien assessed against real and personal property attaches on the first day of January preceding assessment and levy.

G. Capital Assets

Capital assets are reported at actual cost or estimated historical cost if historical records are not available. Donated assets are reported at fair market value at the time received.

Capitalization thresholds (the dollar values above which asset acquisitions are added to the capital asset accounts), depreciation methods, and estimated useful lives of capital assets are as follows:

	<u>Capitalization Threshold</u>	<u>Depreciation Method</u>	<u>Estimated Useful Life</u>
Land	All	N/A	N/A
Land improvements (Reported in buildings and improvements)	All	Straight Line	20 - 30 Years
Buildings and improvements	\$100	Straight Line	10 - 50 Years

Discretely presented component unit:

The Southwestern Fair Commission, Inc. capital assets are reported at actual cost. Depreciation is calculated using the straight-line method over the assets' estimated useful life, which range from 3 to 40 years.

H. Deferred Outflows and Inflows of Resources

The statement of net position and balance sheet include separate sections for deferred outflows of resources and deferred inflows of resources. Deferred outflows of resources represent a consumption of net position that applies to future periods that will be recognized as an expense or expenditure in future periods. Deferred inflows of resources represent an acquisition of net position or fund balance that applies to future periods and will be recognized as a revenue in future periods.

I. Fund Balance Classifications

The governmental funds' fund balances are reported separately within classifications based on a hierarchy of the constraints placed on those resources' use. The classifications are based on the relative strength of the constraints that control how the specific amounts can be spent. The classifications are nonspendable, restricted, and unrestricted, which includes committed, assigned, and unassigned fund balance classifications.

The nonspendable fund balance classification includes amounts that cannot be spent because they are either not in spendable form, such as inventories, or are legally or contractually required to be maintained intact. Restricted fund balances are those that have externally imposed restrictions on their usage by creditors (such as through debt covenants), grantors, contributors, or laws and regulations.

The unrestricted fund balance category is composed of committed, assigned, and unassigned resources. Committed fund balances are self-imposed limitations that the County's Board of Supervisors, the highest level of decision-making authority within the County, approved by formal action (ordinance). Only the Board can remove or change the constraints placed on committed fund balances. This approval must be given at a regular supervisory meeting by taking the same type of action it employed to previously commit those amounts.

Assigned fund balances are resources constrained by the County's intent to be used for specific purposes, but are neither restricted nor committed. The Board of Supervisors has authorized the County Administrator to make assignments of resources for a specific purpose. Modifications or rescissions of the constraints can also be removed by the same action that limited the funds.

The unassigned fund balance is the residual classification for the General Fund and includes all spendable amounts not reported in the other classifications. Also, deficits in fund balances of the other governmental funds are reported as unassigned.

When an expenditure is incurred that can be paid from either restricted or unrestricted fund balances, it is the County's policy to use restricted fund balance first. For the disbursement of unrestricted fund balances, the County will use committed amounts first, followed by assigned amounts, and lastly unassigned amounts.

J. Investment Earnings

Investment earnings are composed of interest, dividends, and net changes in the fair value of applicable investments.

K. Compensated Absences

Compensated absences payable consists of vacation leave and a calculated amount of sick leave employees earned based on services already rendered.

Employees may accumulate up to 240 hours of vacation depending on years of service, but they forfeit any unused vacation hours in excess of the maximum amount at fiscal year-end. Upon terminating employment, the County pays all unused and unforfeited vacation benefits to employees. Accordingly, vacation benefits are accrued as a liability in the government-wide and proprietary funds' financial statements. A liability for these amounts is reported in the governmental funds' financial statements only if they have matured, for example, as a result of employee resignations and retirements by fiscal year-end.

Employees may accumulate up to 1920 hours of sick leave. Generally, sick leave benefits provide for ordinary sick pay and are cumulative but employees forfeit them upon terminating employment. Because sick leave benefits do not vest with employees, a liability for sick leave benefits is not accrued in the financial statements. However, employees who have accumulated greater than 240 hours of sick leave and are eligible to retire will receive some benefits. An estimate of those retirement payouts is accrued as a liability in government-wide and proprietary funds' financial statements in Employee Compensation for the current portion and under Noncurrent Liabilities for the noncurrent portion. Employees who are eligible to retire from County service into the Arizona State Retirement System, Public Safety Personnel Retirement System, or Corrections Officer Retirement Plan may request sick leave be converted to annual leave on a predetermined conversion basis.

In addition, since vacation and sick leave used by employees within the first two pay periods after fiscal year-end is paid for with current financial resources, a compensated absences liability for these amounts is reported in the governmental funds' financial statements within Employee Compensation.

L. Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the pension plan's fiduciary net position and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the plan. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Note 3: Cash and Investments

Primary Government

Arizona Revised Statutes (A.R.S.) authorize the County to invest public monies in the State Treasurer's investment pool; obligations issued or guaranteed by the United States or any of the senior debt of its agencies, sponsored agencies, corporations, sponsored corporations, or instrumentalities; specified state and local government bonds, notes, and other evidences of indebtedness; interest-earning investments such as savings accounts, certificates of deposit, and repurchase agreements in eligible depositories; specified commercial paper issued by corporations organized and doing business in the United States; specified bonds, debentures, notes, and other evidences of indebtedness that are denominated in United States dollars; and certain open-end and closed-end mutual funds, including exchange traded funds. In addition, the County Treasurer may invest trust funds in certain fixed income securities of corporations doing business in the United States or District of Columbia.

Credit risk—The State statutes have the following requirements for credit risk:

1. Commercial paper must be of prime quality and be rated within the top two ratings by a nationally recognized rating agency.
2. Corporate bonds, debentures, notes, and other evidence of indebtedness that are denominated in United States dollars must be rated "A" or better by at least two nationally recognized rating agencies at the time of purchase.
3. Fixed income securities must carry one of the two highest ratings by Moody's Investors Service and Standard and Poor's rating service. If only one of the above-mentioned services rates the security, it must carry the highest rating of that service.

Custodial credit risk—Statutes require a pooled collateral program for public deposits and a Statewide Collateral Pool Administrator (Administrator) in the State Treasurer's Office. The purpose of the pooled collateral program is to ensure that governmental entities' public deposits placed in participating depositories are secured with collateral of 102 percent of the public deposits, less any applicable deposit insurance. An eligible depository may not retain or accept any public deposit unless it has deposited the required collateral with a qualified escrow agent or the Administrator. The Administrator manages the pooled collateral program, including reporting on each depository's compliance with the program.

Concentration of credit risk—Statutes do not include any requirements for concentration of credit risk.

Interest rate risk—Statutes require that public monies invested in securities and deposits have a maximum maturity of 5 years. Investments in repurchase agreements must have a maximum maturity of 180 days.

Foreign currency risk—Statutes do not allow foreign investments unless the investment is denominated in United States dollars.

Deposits—At June 30, 2015, the carrying amount of the County's deposits was \$76,765, and the bank balance was \$56,588.

Note 3: Cash and Investments (continued)

Custodial credit risk—Custodial credit risk is the risk that the County will not be able to recover its deposits if a financial institution fails. The County does not have a formal policy with respect to custodial credit risk. As of June 30, 2015, \$3,568 of the County's bank balance was exposed to custodial credit risk because it was uninsured and uncollateralized.

Investments—At June 30, 2015, the County's investments consisted of \$344,840 invested in marketable securities and \$472,404 invested in the State Treasurer's Investment Pool. Cash from the County and from externally legally separate governments are pooled to purchase the investments in marketable securities and the State Treasurer's Pool. The State Board of Investment provides oversight for the State Treasurer's pools. The fair value of a participant's position in the pool approximates the value of that participant's pool shares and the participant's shares are not identified with specific investments.

Credit risk—Credit risk is the risk that an issuer or counterparty to an investment will not fulfill its obligations. The County does not have a formal investment policy with respect to credit risk.

At June 30, 2015, credit risk for the County's investments was as follows:

<u>Investment Type</u>	<u>Rating</u>	<u>Rating Agency</u>	<u>Amount</u>
Commercial paper	A- 1/P1	S&P / Moody's	\$ 14,985

Custodial credit risk—For an investment, custodial risk is the risk that, in the event of the counterparty's failure, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The County has no formal policy with respect to custodial credit risk. Of the County's \$817,244 of investments, \$315,752, consisting of the commercial paper, corporate bonds, municipal bonds, Federal Farm Credit Bank, Federal Home Loan Bank, and U.S. Treasury notes, is uninsured and held by a counterparty in the County's name in book entry form.

County Treasurer’s Investment Pool—Arizona Revised Statutes require community colleges, school districts, and other local governments to deposit certain public monies with the County Treasurer. The County Treasurer has a fiduciary responsibility to administer those and the County monies under her stewardship. The County Treasurer invests, on a pool basis, all monies not specifically invested for a fund or program. In addition, the County Treasurer determines the fair value of those pooled investments annually at June 30. The County Treasurer’s Investment Pool is not registered with the Securities and Exchange Commission as an investment

company and there is no regulatory oversight of its operations. The structure of the Pool does not provide for shares and the County has not provided or obtained any legally binding guarantees to support the value of the participants' investments. The County Treasurer allocates interest earnings to each of the Pool's participants. Substantially, all deposits and investments of the County's primary government are included in the County Treasurer's investment pool. Therefore, the deposit and investment risks of the Treasurer's investment pool are substantially the same as the County's deposit and investment risks disclosed above.

Note 6: Claims, Judgments and Risk Management

Self-Insurance Trust Fund (SIT Fund)

The SIT Fund, an internal service fund, accounts for the financing of the insured risk of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; medical malpractice; environmental claims; and natural disasters. The SIT Fund is liable for any single general or automobile liability claim up to \$2,500 per occurrence, any workers' compensation claim up to \$1,000 per occurrence, and any single medical malpractice claim up to \$1,000 per occurrence or any medical malpractice claims in aggregate up to \$5,000 in any policy year. The County purchases commercial insurance for claims in excess of coverage provided by the SIT Fund. Settled claims have not exceeded insurance coverage in any of the last 3 fiscal years.

Payment of unemployment claims is fully self-funded. Payment of environmental claims is generally self-funded, although some claims filed could result in past insurers being liable for such losses.

All of the County's departments participate in the SIT Fund. With the exception of environmental and unemployment losses, charges are based on actuarial estimates of the amounts needed to pay prior- and current-year claims. Charges for environmental losses are based on historical experience. Charges for unemployment losses are based on actual claims paid.

Claims liabilities at June 30, 2015, for each insurable area are as follows:

Auto liability	\$ 213
General liability	5,405
Workers' compensation	19,955
Medical malpractice	104
Environmental liability	1,500
	\$ 27,177

The above amounts, excluding environmental and unemployment, are reported at their present value using an expected future investment yield assumption of 2 percent.

Changes in the unpaid claims liability reported in the SIT Fund are as follows:

Year	Balance July 1	Current-Year Claims and Changes in Estimates	Claims Payments	Balance June 30
2013-14	35,768	4,851	(6,458)	34,161
2014-15	34,161	(470)*	(6,514)	27,177

*This reduction is due to a decrease in the actuarial estimate for unpaid claims, which was greater than actual claims during the fiscal year ended June 30, 2015.

Health Benefits Self-Insurance Trust Fund (HBT Fund)

During fiscal year 2013-14, the County created the HBT Fund, an internal service fund, to account for the financing of the County's self-insured medical/pharmacy plan for employees and their dependents. The HBT Fund is responsible for collecting employer and employee premiums through payroll deductions and reimbursing Aetna, acting as a third-party administrator, for the payment of claims. The plan consists of two plan options, a High Deductible Health Plan and a Preferred Provider Organization Plan. The County purchases commercial stop-loss insurance coverage for claims in excess of coverage provided by the HBT Fund. Settled claims have not exceeded insurance coverage during the past 2 fiscal years.

Claim liabilities are computed using a combination of two actuarial methods: the completion factor approach and the exposure approach. Accrued actuarial liabilities for the HBT Fund at June 30, 2015 for each plan option are as follows:

High-Deductible Health Plan:		
Medical	\$	1,805
Pharmacy		675
Preferred Provider Organization Plan:		
Medical		1,196
Pharmacy		524
	\$	4,200

Changes in the unpaid claims liabilities reported in the HBT Fund are as follows:

* The HBT Fund began in fiscal year 2013-14

Litigation

Pima County is a defendant in a number of court actions. In the opinion of County management, the final disposition of these actions, if unfavorable, will not have a material effect upon the County's financial statements.

Pollution Remediation

The County has estimated and reported an environmental liability of \$294 in the government-wide financial statements for governmental activities (in noncurrent liabilities). Remediation efforts are currently underway at one County site: El Camino del Cerro.

Remediation efforts continue at the El Camino del Cerro site which is approximately bordered by the Santa Cruz River on the west, Interstate 10 on the east and El Camino del Cerro Road on the south. The groundwater contamination is suggested to resonate from the municipal and solid waste landfill operated on the site from 1973 to 1977.

The estimated liability was calculated based upon the expected future outlays associated with the estimate of one pump-and-treat system for one year. There is potential for changes due to increased costs associated with sewage disposal costs, construction costs for extraction and injection wells, and/or changes in the estimated extent of contamination.

CERTIFICATES OF PARTICIPATION

Governmental Activities

(Payments made from General Fund revenues)

Certificates of Participation represent proportionate interests in semiannual lease payments. The County's obligation to make lease payments is subject to annual appropriations being made by the County for that purpose. On May 1, 2007, the County issued Certificates of Participation Series 2007A for \$28,765 to finance the acquisition of and improvements to a 22-story office tower located in downtown Tucson and to acquire and construct replacement facilities for the Pima County Community Services Department.

The new enterprise system will serve the County with finance, budget, procurement, human resources, and material management systems.

On May 22, 2013, the County issued Certificates of Participation Series 2013A for \$80,175. The County intends to use \$60,000 of the proceeds from that issue for projects related to its sewer system. Although no sewer revenues are pledged for the repayment of the Certificates, the County intends to transfer available cash from the Regional Wastewater Reclamation Fund to repay that portion of the proceeds actually used for sewer projects. The County also issued \$12,705 of Refunding Certificates of Participation, Series 2013B. The Certificates were issued with a premium of \$1,260 and the proceeds were used to refund and redeem \$1,220 of Certificates of Participation, Series 1999, and \$12,335 of Certificates of Participation, Series 2003, previously reported by the County as a jail capital lease.

On February 12, 2014, the County issued Certificates of Participation Series 2014 for \$52,160 to finance the costs of completing the Public Service Center and Office Tower. The County may also use a portion of the funds for other capital projects.

On April 15, 2015, the County issued Certificates of Participation Series 2015 for \$57,025 to expand and improve the County's existing sewer system facilities. The County may also use a portion of the funds for other capital projects.

Pima County has pledged future user charges, net of specified operating expenses, to repay \$120,095 in sewer revenue bonds issued between 2007 and 2011, \$18,145 in sewer revenue loans issued between 2004 and 2009, and \$472,240 in sewer revenue obligations issued between 2010 and 2014. Proceeds from the bonds, loans and obligations provided financing for construction of various treatment facilities and sewer infrastructure within Pima County. The bonds, loans and obligations are payable from net sewer revenues and are payable through fiscal year 2028. It is expected that approximately 71 percent of net revenues will be used to pay annual principal and interest payments on the bonds and obligations and approximately 2 percent of net revenues will be used to pay annual principal and interest on the loans. Total principal and interest remaining to be paid on the bonds, loans and obligations are \$145,852, \$21,045, and \$627,118, respectively. Principal and interest paid for loans, bonds and obligations in the current year, and total customer net revenues were \$2,134, \$69,198, and \$94,739, respectively.

All sewer revenue bonds were issued and the loan agreements were executed with a first lien on the pledge of the RWR net revenues and have restrictive covenants, primarily related to minimum utility rates and limitations on future bond issues. The bond covenants also require the RWR to either maintain a surety bond guaranteeing the payment of annual debt service or to maintain in the Bond Reserve Account monies in amounts set by each debt issue. At June 30, 2015, the RWR met the requirements of the debt covenants, including maintaining a surety bond. The County is also authorized to issue for the RWR additional parity bonds or revenue obligations if certain conditions are met, primarily that net revenues for parity bonds and pledged revenues for revenue obligations for the fiscal year immediately preceding issuance of the new debt exceed 120 percent of the maximum annual debt service requirements immediately after such issuance.

Note 9: Landfill Liabilities

Solid Waste Landfill Closure and Post-Closure Care Costs:

State and Federal laws and regulations require the County to place a final cover on its solid waste landfill sites when these sites stop accepting waste and to perform certain maintenance and monitoring functions at the sites for thirty years after their closure. Although closure and post-closure care costs will not be paid until near or after the date the landfills stop accepting waste, the County records a portion of these closure and post-closure care costs as a long-term liability in each period, based on landfill capacity used as of each balance sheet date. The \$15,075 reported as landfill closure and post-closure care long-term liability within the governmental activities represents the cumulative amount reported to date, based on the percentage used of each landfill's total estimated capacity. The County will recognize the remaining estimated cost of closure and post-closure care of \$4,408 as the remaining estimated capacities are used. These amounts are based on what it would cost to perform all closure and post-closure care in the fiscal year ended June 30, 2015; actual costs may change due to inflation, changes in technology, or changes in regulations.

<u>Landfill Site</u>	<u>Capacity Used June 30, 2015</u>	<u>Estimated Remaining Service Life</u>
Ajo	74%	36 Years
Sahuarita	58%	27 Years
*Tangerine	98%	1 Year

*The Tangerine Landfill stopped accepting waste from the public on December 1, 2013 but remains open for internal County waste disposal needs until its remaining capacity is fully used.

The County plans to fund the estimated closure and post-closure care costs with proceeds of general obligation bonds.

According to State and Federal laws and regulations, the County must comply with the local government financial test requirements that ensure the County can meet the costs of landfill closure, post-closure, and corrective action when needed. The County is in compliance with these requirements. The Ina Road Landfill facility is closed to municipal solid waste and only receives green waste and construction debris. It is not subject to the closure and post-closure cost requirements referred to above. Pima County estimates that it will cost approximately \$11,121 when closure occurs and plans to fund the costs with proceeds of general obligation bonds. At this time, there is no closure date available.

On June 1, 2013 Tucson Recycling and Waste Services was contracted to operate the Landfill and Transfer Station operations on behalf of Pima County in an agency capacity. The closure and post-closure costs remain the liability of Pima County.

The County contributes to the Arizona State Retirement System (ASRS), the Corrections Officer Retirement Plan - Detention Officers (CORP), the Corrections Officer Retirement Plan - Administrative Office of the Courts (CORP AOC), the Public Safety Personnel Retirement System (PSPRS), consisting of Pima County Sheriffs and Pima County - County Attorney Investigators, and the Elected Officials Retirement Plan (EORP), all component units of the State of Arizona.

At June 30, 2015, the County reported the following aggregate amounts related to pensions for all plans to which it contributes:

Statement of Net Position and Statement of Activities	Governmental Activities	Business-Type Activities	Total
Net pension liabilities	\$ 653,197	\$ 44,154	\$ 697,351
Deferred outflows of resources	119,381	5,626	125,007
Deferred inflows of resources	70,168	7,721	77,889
Pension expense	81,256	3,099	84,355

The County's accrued payroll and employee benefits includes \$2,375 of outstanding pension contribution amounts payable to all pension plans for the year ended June 30, 2015. Also, the County reported \$80,652 of pension contributions as expenditures in the governmental funds related to all pension plans to which it contributes.

The ASRS, CORP, CORP AOC, PSPRS - Pima County Sheriffs, and EORP plans are described below. The PSPRS, Pima County - County Attorney Investigators is not described due to its relative insignificance to the County's financial statements.

A. Arizona State Retirement System

Plan description—County employees not covered by the other pension plans described below participate in the Arizona State Retirement System (ASRS). The ASRS administers a cost-sharing multiple-employer defined benefit pension plan, a cost-sharing multiple-employer defined benefit health insurance premium benefit (OPEB) plan, and a cost-sharing multiple-employer defined benefit long-term disability (OPEB) plan. The Arizona State Retirement System Board governs the ASRS according to the provisions of A.R.S. Title 38, Chapter 5, Articles 2 and 2.1. The ASRS issues a publicly available financial report that includes its financial statements and required supplementary information. The report is available on its Web site at www.azasrs.gov.

Note 10 - Pensions and Other Postemployment Benefits (continued)

Benefits provided—The ASRS provides retirement, health insurance premium supplement, long-term disability, and survivor benefits. State statute establishes benefit terms. Retirement benefits are calculated on the basis of age, average monthly compensation, and service credit as follows:

ASRS	Retirement	
	Initial membership date:	
	Before July 1, 2011	On or after July 1, 2011
Years of service and age required to receive benefit	Sum of years and age equals 80 10 years age 62 5 years age 50* any years age 65	30 years age 55 25 years age 60 10 years age 62 5 years age 50* any years age 65
Final average salary is based on	Highest 36 consecutive months of last 120 months	Highest 60 consecutive months of last 120 months
Benefit percent per year of service	2.1% to 2.3%	2.1% to 2.3%

*With actuarially reduced benefits.

Retirement benefits for members who joined the ASRS prior to September 13, 2013, are subject to automatic cost-of-living adjustments based on excess investment earnings. Members with a membership date on or after September 13, 2013, are not eligible for cost-of-living adjustments. Survivor benefits are payable upon a member's death. For retired members, the survivor benefit is determined by the retirement benefit option chosen. For all other members, the beneficiary is entitled to the member's account balance that includes the member's contributions and employer's contributions, plus interest earned.

Contributions—In accordance with state statutes, annual actuarial valuations determine active member and employer contribution requirements. The combined active member and employer contribution rates are expected to finance the costs of benefits employees earn during the year, with an additional amount to finance any unfunded accrued liability. For the year ended June 30, 2015, active ASRS members were required by statute to contribute at the actuarially determined rate of 11.6 percent (11.48 percent for retirement and 0.12 percent for long-term disability) of the members' annual covered payroll, and the County was required by statute to contribute at the actuarially determined rate of 11.6 percent (10.89 percent for retirement, 0.59 percent for health insurance premium benefit, and 0.12 percent for long-term disability) of the active members' annual covered payroll. In addition, the County was required by statute to contribute at the actuarially determined rate of 9.57 percent (9.31 percent for retirement, 0.20 percent for health insurance premium benefit, and 0.06 percent for long-term disability) of annual covered payroll of retired members who worked for the County in positions that would typically be filled by an employee who contributes to the ASRS. The County's contributions to the pension plan for the year ended June 30, 2015, were \$25,218. The County's contributions for the current and 2 preceding years for OPEB, all of which were equal to the required contributions, were as follows:

ASRS	Health Benefit Supplement Fund	Long-Term Disability Fund
<u>Year ended June 30</u>		
2015	\$ 1,363	\$ 277
2014	1,387	555
2013	1,452	536

During fiscal year 2015, the County paid for ASRS pension and OPEB contributions as follows: 60 percent from the General Fund, 10 percent from major funds, and 30 percent from other funds.

Pension liability—At June 30, 2015, the County reported a liability of \$379,139 for its proportionate share of the ASRS' net pension liability. The net pension liability was measured as of June 30, 2014. The total pension liability used to calculate the net pension liability was determined using update procedures to roll forward the total pension liability from an actuarial valuation as of June 30, 2013, to the measurement date of June 30, 2014. The County's proportion of the net pension liability was based on the County's actual contributions to the plan relative to the total of all participating employers' contributions for the year ended June 30, 2014. The County's proportion measured as of June 30, 2014, was 2.56 percent, which was an increase of 0.03 from its proportion measured as of June 30, 2013.

Pension expense and deferred outflows/inflows of resources—For the year ended June 30, 2015, the County recognized pension expense for ASRS of \$26,439. At June 30, 2015, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

ASRS	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 19,269	
Net difference between projected and actual earnings on pension plan investments		\$ 66,300
Changes in proportion and differences between county contributions and proportionate share of contributions	3,803	378
County contributions subsequent to the measurement date	25,218	
Total	\$ 48,290	\$ 66,678

The \$25,218 reported as deferred outflows of resources related to ASRS pensions resulting from County contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending June 30, 2016. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to ASRS pensions will be recognized in pension expense as follows:

Year ending June 30	
2016	\$ (6,708)

Actuarial Assumptions—The significant actuarial assumptions used to measure the total pension liability are as follows:

ASRS	
Actuarial valuation date	June 30, 2013
Actuarial roll forward date	June 30, 2014
Actuarial cost method	Entry age normal
Investment rate of return	8%
Projected salary increases	3–6.75%
Inflation	3%
Permanent benefit increase	Included
Mortality rates	1994 GAM Scale BB

Actuarial assumptions used in the June 30, 2013, valuation were based on the results of an actuarial experience study for the 5-year period ended June 30, 2012.

The long-term expected rate of return on ASRS pension plan investments was determined to be 8.79 percent using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

ASRS		Long-Term
<u>Asset Class</u>	<u>Target Allocation</u>	<u>Expected Real Rate of Return</u>
Equity	63%	7.03%
Fixed income	25%	3.20%
Real estate	8%	4.75%
Commodities	4%	4.50%
Total	<u>100%</u>	

Discount Rate—The discount rate used to measure the ASRS total pension liability was 8 percent, which is less than the long-term expected rate of return of 8.79 percent. The projection of cash flows used to determine the discount rate assumed that contributions from participating employers will be made based on the actuarially determined rates based on the ASRS Board’s funding policy, which establishes the contractually required rate under Arizona statute. Based on those assumptions, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

B. Public Safety Personnel Retirement System and Corrections Officer Retirement Plan

Plan descriptions—County sheriff employees who are regularly assigned hazardous duty participate in the Public Safety Personnel Retirement System (PSPRS). The PSPRS administers an agent multiple-employer defined benefit pension plan and an agent multiple-employer defined benefit health insurance premium benefit (OPEB) plan (agent plans). A seven-member board known as the Board of Trustees and the participating local boards govern the PSPRS according to the provisions of A.R.S. Title 38, Chapter 5, Article 4.

County detention officers and Administrative Office of the Courts (AOC) probation, surveillance, and juvenile detention officers participate in the Corrections Officer Retirement Plan (CORP). The CORP administers an agent multiple-employer defined benefit pension plan and an agent multiple-employer defined benefit health insurance premium benefit (OPEB) plan for county detention officers (agent plans), and a cost-sharing multiple-employer defined benefit pension plan and a cost-sharing multiple-employer defined benefit health insurance premium benefit (OPEB) plan for AOC officers (cost-sharing plans). The PSPRS Board of Trustees and the participating local boards govern CORP according to the provisions of A.R.S. Title 38, Chapter 5, Article 6.

The PSPRS and CORP issue publicly available financial reports that include their financial statements and required supplementary information. The reports are available on the PSPRS Web site at www.psprs.com.

Benefits provided—The PSPRS and CORP provide retirement, health insurance premium supplement, disability, and survivor benefits. State statute establishes benefit terms. Retirement, disability, and survivor benefits are calculated on the basis of age, average monthly compensation, and service credit as follows:

Retirement and survivor benefits are subject to automatic cost-of-living adjustments based on excess investment earnings. PSPRS also provides temporary disability benefits of 50 percent of the member's compensation for up to 12 months.

Employees covered by benefit terms—At June 30, 2015, the following employees were covered by the agent pension plans' benefit terms:

	PSPRS Sheriff	CORP Detention
Inactive employees or beneficiaries currently receiving benefits	360	176
Inactive employees entitled to but not yet receiving benefits	91	85
Active employees	491	461
Total	<u>942</u>	<u>722</u>

Contributions and annual OPEB cost—State statutes establish the pension contribution requirements for active PSPRS and CORP employees. In accordance with state statutes, annual actuarial valuations determine employer contribution requirements for PSPRS and CORP pension and health insurance premium benefits. As allowed by statute, the County contributed 3.65 percent of the PSPRS members' required contribution. The combined active member and employer contribution rates are expected to finance the costs of benefits employees earn during the year, with an additional amount to finance any unfunded accrued liability. Contributions rates for the year ended June 30, 2015, are indicated below. Rates are a percentage of active members' annual covered payroll.

	PSPRS Sheriff	CORP Detention	CORP AOC

County			
Pension	40.11%	16.53%	14.88%

In addition, the County was required by statute to contribute at the actuarially determined rate of 19.65 percent for the PSPRS and 7.34 percent for the CORP of annual covered payroll of retired members who worked for the County in positions that would typically be filled by an employee who contributes to the PSPRS or CORP.

2013	169

During fiscal year 2015, the County paid for PSPRS and CORP pension and OPEB contributions as follows: 98 percent from the General Fund and 2 percent from other nonmajor funds.

Pension liability—At June 30, 2015, the County reported the following net pension liabilities:

	<u>Net Pension Liability</u>
PSPRS Sheriff	\$ 184,979
CORP Detention	51,973
CORP AOC (County's proportionate share)	27,888

The net pension liabilities were measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The total pension liabilities as of June 30, 2014, reflect the following changes of benefit terms and actuarial assumptions.

- In February 2014, the Arizona Supreme Court affirmed a Superior Court ruling that a 2011 law that changed the mechanism for funding permanent benefit increases was unconstitutional. As a result, the plans changed benefit terms to reflect the prior mechanism for funding permanent benefit increases and revised actuarial assumptions to explicitly value future permanent benefit increases.
- The wage growth actuarial assumption was decreased from 4.5 percent to 4.0 percent.

Pension actuarial assumptions—The significant actuarial assumptions used to measure the total pension liability are as follows:

PSPRS and CORP—Pension

Actuarial cost method	Entry age normal

Actuarial assumptions used in the June 30, 2014, valuation were based on the results of an actuarial experience study for the 5-year period ended June 30, 2011.

The long-term expected rate of return on PSPRS and CORP pension plan investments was determined to be 7.85 percent using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Note 10 - Pensions and Other Postemployment Benefits (continued)

The projection of cash flows used to determine the PSPRS and CORP discount rates assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between the actuarially determined contribution rate and the member rate. Based on those assumptions, the pension plans' fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Agent plan OPEB actuarial assumptions—The health insurance premium benefit contribution requirements for the year ended June 30, 2015, were established by the June 30, 2013, actuarial valuations, and those actuarial valuations were based on the following actuarial methods and assumptions.

Actuarial valuations involve estimates of the reported amounts' value and assumptions about the probability of events in the future. Amounts determined regarding the plans' funded status and the annual required contributions are subject to continual revision as actual results are compared to past expectations and new estimates are made. The required schedule of funding progress for the health insurance premium benefit presented as required supplementary information provides multiyear trend information that shows whether the actuarial value of the plans' assets are increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Projections of benefits are based on (1) the plans as the County and plans' members understand them and include the types of benefits in force at the valuation date, and (2) the pattern of sharing benefit costs between the County and plans' members to that point. Actuarial calculations reflect a long-term perspective and employ methods and assumptions designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets. The significant actuarial methods and assumptions used are the same for all PSPRS and CORP plans and related benefits (unless noted), and the following actuarial methods and assumptions were used to establish the fiscal year 2015 contribution requirements:

PSPRS and CORP—OPEB Contribution Requirements

Actuarial valuation date	June 30, 2013
Actuarial cost method	Entry age normal
Amortization method	Level percent closed for unfunded actuarial accrued liability, open for excess
Remaining amortization period	23 years for unfunded actuarial accrued liability, 20 years for excess
Asset valuation method	7-year smoothed market value; 20% corridor

Investment rate of return	7.85%
Projected salary increases	4.5%–8.5% for PSPRS and 4.5%–7.75% for CORP
Wage growth	4.5% for PSPRS and CORP

C. Elected Officials Retirement Plan

Plan description—Elected officials and judges participate in the Elected Officials Retirement Plan (EORP). EORP administers a cost-sharing multiple-employer defined benefit pension plan and a cost-sharing multiple-employer defined benefit health insurance premium benefit (OPEB) plan for elected officials and judges who were members of the plan on December 31, 2013. This plan was closed to new members as of January 1, 2014. The PSPRS Board of Trustees governs the EORP according to the provisions of A.R.S. Title 38, Chapter 5, Article 3. The EORP issues a publicly available financial report that includes its financial statements and required supplementary information. The report is available on PSPRS's Web site at www.psprs.com.

Benefits provided—The EORP provides retirement, health insurance premium supplement, disability, and survivor benefits. State statute establishes benefit terms. Retirement, disability, and survivor benefits are calculated on the basis of age, average yearly compensation, and service credit as follows:

EORP	Initial membership date:	
	Before January 1, 2012	On or after January 1, 2012
Retirement and Disability		
Years of service and age required to receive benefit	20 years any age 10 years age 62 5 years age 65 5 years any age* any years and age if disabled	10 years age 62 5 years age 65 any years and age if disabled
Final average salary is based on	Highest 36 consecutive months of last 10 years	Highest 60 consecutive months of last 10 years
Benefit percent		
Normal Retirement	4% per year of service, not to exceed 80%	3% per year of service, not to exceed 75%
Disability Retirement	80% with 10 or more years of service 40% with 5 to 10 years of service 20% with less than 5 years of service	75% with 10 or more years of service 37.5% with 5 to 10 years of service 18.75% with less than 5 years of service
Survivor Benefit		
Retired Members	75% of retired member's benefit	50% of retired member's benefit
Active Members and Other Inactive Members	75% of disability retirement benefit	50% of disability retirement benefit

* With reduced benefits of 0.25% for each month early retirement precedes the member's normal retirement age, with a maximum reduction of 30%.

Retirement and survivor benefits are subject to automatic cost-of-living adjustments based on excess investment earning.

Contributions—State statutes establish active member and employer contribution requirements. Statute also appropriates \$5 million annually through fiscal year 2043 for the EORP from the State of Arizona to supplement the normal cost plus an amount to amortize the unfunded accrued liability and designates a portion of certain court fees for the EORP. For the year ended June 30, 2015, active EORP members were required by statute to contribute 13 percent of the members’ annual covered payroll, and the County was required to contribute 23.5 percent of active EORP members’ annual covered payroll. In addition, the County was required by statute to contribute 23.5 percent of annual covered payroll of retired members who worked for the County in positions that would typically be filled by an employee who contributes to the EORP. The County’s contributions to the pension plan for the year ended June 30, 2015, were \$1,502. No OPEB contributions were required or made for the year ended June 30, 2015. The County’s contributions for the current and 2 preceding years for OPEB, all of which were equal to the required contributions, were as follows:

EORP	Health Insurance
<u>Year ended June 30</u>	<u>Fund</u>
2015	
2014	\$ 54
2013	122

During fiscal year 2015, the County paid for EORP pension contributions as follows: 100 percent from the General Fund.

Pension liability—At June 30, 2015, the County reported a liability for its proportionate share of the EORP’s net pension liability that reflected a reduction for the County’s proportionate share of the State’s appropriation for EORP. The amount the County recognized as its proportionate share of the net pension liability, the related state support, and the total portion of the net pension liability that was associated with the County were as follows:

County’s proportionate share of the EORP net pension liability	\$ 51,259
State’s proportionate share of the EORP net pension liability associated with the County	15,717
Total	<u>\$ 66,976</u>

The net pension liability was measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. In February 2014, the Arizona Supreme Court affirmed a Superior Court ruling that a 2011 law that changed the mechanism for funding permanent benefit increases was unconstitutional. As a result, for the June 30, 2014, actuarial valuation, the plan changed benefit terms to reflect the prior mechanism for funding permanent benefit increases and revised actuarial assumptions to explicitly value future permanent benefit increases.

The County’s proportion of the net pension liability as of June 30, 2013 and 2014 was based on the County’s actual contributions to the plan relative to the total of all participating employers’ actual contributions for the year ended June 30, 2014. The County’s proportion measured as of June 30, 2013 and 2014 was 7.64 percent.

Pension expense and deferred outflows/inflows of resources—For the year ended June 30, 2015, the County recognized pension expense for EORP of \$19,852 and revenue of \$4,658 for the County’s proportionate share of the State’s appropriation to EORP.

Note 10 - Pensions and Other Postemployment Benefits (continued)

At June 30, 2015, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

EORP	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 225	
Changes of assumptions or other inputs	13,872	
Net difference between projected and actual earnings on pension plan investments		\$ 972
County contributions subsequent to the measurement date	1,502	
Total	\$ 15,599	\$ 972

The \$1,502 reported as deferred outflows of resources related to EORP pensions resulting from County contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending June 30, 2016. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to EORP pensions will be recognized in pension expense as follows:

<u>Year ending June 30</u>	
2016	\$ 7,876
2017	5,736
2018	(243)
2019	(244)

Actuarial assumptions—The significant actuarial assumptions used to measure the total pension liability are as follows:

EORP	
Actuarial valuation date	June 30, 2014
Actuarial cost method	Entry age normal
Investment rate of return	7.85%
Projected salary increases	4.25%
Inflation	4.0%
Permanent benefit increase	Included
Mortality rates	RP-2000 mortality table projected to 2025 with projection scale AA

Actuarial assumptions used in the June 30, 2014, valuation were based on the results of an actuarial experience study for the 5-year period ended June 30, 2011.

Note 10 - Pensions and Other Postemployment Benefits (continued)

The long-term expected rate of return on EORP pension plan investments was determined to be 7.85 percent using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

EORP <u>Asset Class</u>	Target <u>Allocation</u>	Long-Term Expected Real Rate <u>of Return</u>
Short term investments	2%	3.25%
Absolute return	4%	6.75%
Risk parity	4%	6.04%
Fixed income	7%	4.75%
Real assets	8%	5.96%
GTAA	10%	5.73%
Private equity	11%	9.50%
Real estate	11%	6.50%
Credit opportunities	13%	8.00%
Non-U.S. equity	14%	8.63%
U.S. equity	<u>16%</u>	7.60%
Total	<u>100%</u>	

Discount rate—At June 30, 2014, the discount rate used to measure the EORP total pension liability was 5.67 percent, which was a decrease of 2.18 from the discount rate used as of June 30, 2013. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate, employer contributions will be made at the statutorily set rates, and state contributions will be made as currently required by statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be insufficient to make all projected future benefit payments of current plan members. Therefore, to determine the total pension liability for the plan, the long-term expected rate of return on pension plan investments of 7.85 percent was applied to periods of projected benefit payments through the year ended June 30, 2030. A municipal bond rate of 4.29 percent obtained from the 20-year Bond Buyer Index, as published by the Federal Reserve as of June 30, 2014, was applied to periods of projected benefit payments after June 30, 2030.

Sensitivity of the County's proportionate share of the EORP net pension liability to changes in the discount rate—The following table presents the County's proportionate share of the net pension liability calculated using the discount rate of 5.67 percent, as well as what the County's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (4.67 percent) or 1 percentage point higher (6.67 percent) than the current rate:

EORP	1% Decrease (4.67%)	Current Discount Rate (5.67%)	1% Increase (6.67%)
County's proportionate share of the net pension liability	\$ 59,841	\$ 51,259	\$ 44,013

Pension Plan Fiduciary Net Position—Detailed information about the pension plan's fiduciary net position is available in the separately issued EORP financial report.

LEASE

Lease of Leased Property

The Lessor has agreed to lease the Leased Property to the County pursuant to the Lease. The term of the Lease continues until December 1, 2030, unless terminated prior thereto as provided therein.

Upon the County’s failure to obtain, on or prior to the last date on which the County is required or permitted to adopt its budget for a fiscal year of the full amount of funds necessary to make all Lease Payments coming due during the fiscal period for which such budgeting and appropriation are made all of the County’s right, title and interest in and future obligations under the Lease and to all of the Leased Property shall terminate (subject to reinstatement within 45 days of such terminate date), effective as of the last day of the last fiscal period for which such budgeting and appropriation were properly obtained.

Lease Payments; Additional Rent; Reduction of Rental

The County has agreed to pay the Lease Payments as rental for the use and occupancy of the Leased Property, which shall be paid in arrears on May 15 and November 15 of each year.

The amount of Lease Payments shall be reduced upon the redemption of Certificates resulting from Prepayment of Lease Payments, including those resulting from damage or destruction (other than by eminent domain which is hereinafter discussed), of the Leased Property causing substantial interference with the use and occupancy thereof by the County. The Lease Payments shall be reduced proportionately as to the principal and interest components thereof such that the resulting Lease Payments shall correspond to the remaining payments of principal of and interest on the Outstanding Certificates (after any redemption of Certificates resulting from such Prepayments made with the Net Proceeds of insurance coverage for such damage or destruction), which resulting Lease Payments are deemed to represent fair consideration for the use and occupancy of the portions of the Leased Property not damaged or destroyed. In the event of any such reduction, the Lease shall continue in full force and effect and the County shall waive any right to terminate the Lease by virtue of any damage and destruction of the Leased Property causing such reduction in Lease Payments.

In addition to Lease Payments, the County has agreed to pay when due as Additional Rent (a) all costs and expenses of the Lessor or the Trustee to comply with the provisions of the Trust Agreement, (b) payments required

to be deposited into the Rebate Fund pursuant to the Trust Agreement to make certain arbitrage rebate payments to the federal government, (c) compensation and expenses of the Trustee, (d) certain indemnification amounts (e) all costs and expenses of auditors, engineers and legal counsel, and (f) all rent for any holdover period during which the County stays in possession of the Leased Property after termination of the Lease.

Maintenance, Utilities, Taxes and Modifications

The County, at its own expense, has agreed to maintain or cause to be maintained the Leased Property in good repair; the Lessor has no responsibility for such repair. The County has the power to make additions, modifications and improvements to the Leased Property which do not damage or reduce their value to a value substantially less than that which existed prior to such modification or improvement. Any such additions, modifications or improvements shall automatically become subject to the Lease. The County must pay or cause to be paid all taxes, other governmental charges and utility charges with respect to the Leased Property, as well as any taxes and assessments, if any, which it is legally obligated to pay.

Insurance

The Lease requires the County to maintain or cause to be maintained the following insurance against risk or physical damage to the Leased Property and other risks for the protection of the Certificate Owners and the Trustee:

(i) General Liability. The County shall maintain or cause to be maintained, throughout the term of the Lease through Qualified Self-Insurance or a standard commercial general insurance policy or policies with a responsible insurance company or companies authorized under the laws of the State to assume such risks, of such types and in such amounts as are then customary for similar institutions carrying on similar activities to those carried on the Leased Property.

(ii) Fire and Extended Coverage, Vandalism and Malicious Mischief. The County shall maintain or cause to be maintained, throughout the term of the Lease, insurance or Qualified Self-Insurance against loss or damage to any structure or equipment constituting any part of the Leased Property by fire and lightning, with extended coverage and malicious mischief insurance. Coverage shall be in an amount equal to 100% of the replacement cost of the Leased Property. Such insurance may be subject to deductible clauses of not to exceed \$100,000 for any one loss.

The insurance described in paragraphs (i) and (ii) may be maintained as part of or in conjunction with any other liability or fire and extended coverage for insurance, respectively, carried or required to be carried by the County and may be maintained in the form of Qualified Self-Insurance by the County.

(iii) Title Insurance. The County provided a title insurance policy in the amount of the aggregate principal amount of the Certificates, insuring the Trustee's estate in the Leased Property, subject only to Permitted Encumbrances.

All policies of insurance (except the policy of general liability insurance) must provide that the Net Proceeds thereof shall be payable to the Trustee. The Net Proceeds of fire and extended coverage insurance shall be deposited in the Insurance and Condemnation Fund and applied to restore, replace, repair, modify or improve the Leased Property or to the prepayment of Lease Payments and the corresponding redemption of Certificates. See "TRUST AGREEMENT – Funds – Insurance and Condemnation Fund". The Net Proceeds of general liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the Net Proceeds of such insurance shall have been paid. The proceeds of title insurance shall be deposited in the Lease Payment Fund and applied to the prepayment of Lease Payments and the corresponding redemption of Outstanding Certificates. The County has agreed to pay or cause to be paid when due the premiums on all insurance policies and furnish evidence of such payments promptly to the Trustee.

In the event the County maintains self-insurance for general liability insurance and fire and extended coverage insurance required under the Lease, the County shall cause to be delivered to the Trustee annually the documentation required for the determination that such self-insurance constitutes Qualified Self-Insurance. Additionally, to the extent the Trustee may not be named as an insured or loss payee under any insurance or

Qualified Self-Insurance, the County assigns to the Trustee its rights to receive any or all proceeds received from such insurance or Qualified Self-Insurance as their respective rights under the Lease appear on the date of payment. The County shall furnish an annual certificate to the Trustee stating that the insurance in effect meets the requirements of the Lease.

Eminent Domain

If all of the Leased Property shall be taken permanently under the power of eminent domain, the term of the Lease shall cease as of the day possession shall be so taken. If less than all of the Leased Property shall be taken permanently, or if all of the Leased Property or any part thereof shall be taken temporarily, under the power of eminent domain, (i) the Lease shall continue in full force and effect and shall not be terminated by virtue of such taking and the parties thereto waive the benefit of any law to the contrary, and (ii) there shall be a partial reduction of Lease Payments as a result of the application of the Net Proceeds of any eminent domain award to the Prepayment of the Lease Payments, which shall be reduced proportionately as to the principal and interest components thereof such that the resulting Lease Payments shall correspond to the remaining payments of principal and interest on the Outstanding Certificates, which represent fair consideration for the use and occupancy of the remaining usable portion of the Leased Property. See "Lease – Lease Payments; Additional Rent; Reduction of Rental."

Option to Purchase Leased Property

The County has the option to purchase all of the Leased Property by prepaying the Lease Payments in whole at any time at the prices set forth in the Lease. In the event that the County elects to exercise its option prior to the optional redemption dates of the Certificates, the County is required to make such Prepayment by depositing certain Permitted Investments and cash, if required, sufficient, together with earnings on the investment thereof to pay and redeem the appropriate amount of Certificates. The optional prepayment prices have been determined such that all of the Outstanding Certificates shall be retired in the event the County elects to purchase all of the Leased Property.

The County may on any date secure the payment of Lease Payments with respect to any element of the Leased Property by deposit with the Trustee of certain Permitted Investments and cash, if required, in such amount as shall, in the opinion of an independent certified public accountant, together with interest to accrue thereon and, if required, all or a portion of moneys or Permitted Investments then on deposit in the Lease Payment Fund, the Insurance and Condemnation Fund related to the Lease Payments with respect to such Leased Property, be fully sufficient to pay all unpaid Lease Payments and Additional Rent with respect to such Leased Property on the respective Lease Payment Dates or on the applicable date for Prepayment of Lease Payments, as the County instructs at the time of said deposit.

Assignment; Subleases

The County may not assign any of its rights in the Lease, and may not sublease all or a portion of the Leased Property without the written consent of the Trustee and only under the conditions contained in the Lease, including the condition that such sublease not adversely affect the exclusion of the interest components of the Lease Payments from federal gross income when paid to the Owners of the Certificates.

Events of Default

Each of the following constitutes an "event of default" under the Lease:

- (i) Failure by the County to make any Lease Payment or other payment required under the Lease when due and continuation of such failure for two (2) days; or
- (ii) Failure by the County to comply with any covenant, agreement or condition contained in the Lease or the Trust Agreement, other than the event of default described in (i) above, and the continuance of such failure or default for a period of 30 days after written notice thereof has been given to the County by the Trustee, the Lessor, or the Owners of not less than 5% in aggregate principal amount of

Certificates then Outstanding; provided, if the failure stated in the notice can be corrected, but not within such 30 day period, the Trustee, the Lessor and such Owners shall not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the County within such 30 day period and diligently pursued until the default is corrected; or

(iii) Any representation or warranty made by the County under the Lease shall be untrue in any material respect; or

(iv) Certain events relating to bankruptcy of the County or the inability of the County to pay its debts.

Notwithstanding the foregoing, if, by reason of Force Majeure, the County is unable to perform or observe any agreement, term or condition of the Lease, other than any obligation to make Lease Payments or Additional Rent, the County shall not be deemed in default during the continuance of such inability. However, the County shall promptly give notice to the Trustee of the existence of any event of Force Majeure and shall use its best efforts to remove the effects thereof; provided that the settlement of strike or labor disturbances shall be entirely within the County's discretion.

The term "Force Majeure" shall mean, without limitation: Acts of God; strikes, lockouts or other labor disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States or any of its departments, agencies, political subdivisions, courts or officials, or any civil or military authority; insurrections; civil disturbances; riots; epidemics; landslides; lighting; earthquakes; fire; hurricanes; tornados; storms; droughts; floods; arrests; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation.

Upon the occurrence and continuance of any event of default, the Lessor may at its option elect to terminate the Lease or, with or without such termination, to re-enter, take possession of the Leased Property, to the exclusion of the County, and sell, convey, re-rent or re-let the Leased Property. Any amounts collected by the Lessor from the sale or reletting of the Leased Property shall be credited towards the County's unpaid Lease Payments. Any net proceeds of sale, re-lease or other disposition of the Leased Property are required to be deposited in the Lease Payment Fund and applied to Lease Payments in order of payment date. Pursuant to the Trust Agreement, the Lessor assigns all of its rights with respect to remedies in an event of default to the Trustee, so that all such remedies shall be exercised by the Trustee and the Certificate Owners as provided in the Trust Agreement.

TRUST AGREEMENT

Pledge and Security

Pursuant to the Trust Agreement, the Trustee is authorized and directed to acquire, to receive and to hold as security for the Owners of the Certificates, the following:

A. All right, title and interest of the Lessor in and to the Leased Property; subject, however, to the rights of the County under the Lease.

B. All right, title and interest of the Lessor in and to the Lease, the Deed and the Ground Lease and the present and continuing right to (i) make claim for, collect or cause to be collected, receive or cause to be received all revenues, receipts and other sums of money payable or receivable thereunder, (ii) bring actions and proceedings thereunder or for the enforcement thereof, and (iii) do any and all things which the Lessor is or may become entitled to do thereunder.

C. All right, title and interest of the Lessor in and to amounts on deposit from time to time in the funds and accounts created pursuant to the Trust Agreement (other than the Rebate Fund).

The Trust Agreement also represents a declaration by the Trustee that it holds the above rights and interests in trust for the benefit of the Owners of the Certificates.

Trustee

The Trustee is appointed pursuant to the Trust Agreement and is authorized to execute and deliver the Certificates and to act as a depository of amounts held thereunder. The Trustee is required to make deposits into and withdrawals from funds, and invest amounts held under the Trust Agreement in accordance with the County's instructions.

Funds

The Trust Agreement creates the Acquisition Fund, the Delivery Costs Fund, the Lease Payment Fund and the Insurance and Condemnation Fund to be held in trust by the Trustee.

Acquisition Fund. There shall be deposited into the Acquisition Fund (after certain deposits are made to the Delivery Costs Fund) amounts necessary to acquire the Leased Property.

Delivery Costs Fund. There shall be deposited in the Delivery Costs Fund amounts necessary to pay costs relating to the execution, sale and delivery of Certificates, which amounts shall be disbursed by the Trustee, upon the written order of the County.

Lease Payment Fund. There shall be deposited into the Lease Payment Fund, when received by the Trustee, all Lease Payments and Prepayments. Moneys on deposit in the Lease Payment Fund shall be used to pay principal of, redemption premiums, if any, and interest on the Certificates.

Insurance and Condemnation Fund. Any Net Proceeds of insurance or condemnation awards in excess of \$100,000 shall be deposited in the Insurance and Condemnation Fund. Moneys on deposit, in the event of an insurance award, shall be used, as directed by the County, either to replace, repair or improve the Leased Property or be transferred to the Lease Payment Fund and applied to the Prepayment of the Certificates. However, if the Leased Property is destroyed in full, such Net Proceeds may only be used to prepay Lease Payments if they are sufficient, together with other available moneys, to fully prepay the Certificates. If such moneys are not so sufficient, they shall be used to replace, repair or improve the Leased Property.

Net Proceeds of a condemnation award shall be used as follows: (i) if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such eminent domain proceedings have not materially affected the operation of any of the Leased Property or the County's ability to meet its obligations under the Lease, and if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such proceeds are not needed for repair or rehabilitation of the Leased Property, the Trustee shall transfer such proceeds to the Lease Payment Fund as a credit against Lease Payments, (ii) if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such proceedings have not materially affected the operations of any of the Leased Property or the County's ability to meet its obligations under the Lease and such proceeds are needed for repair, rehabilitation or replacement of the Leased Property, the Trustee shall pay to the order of the County such portion of the proceeds required for such repair, rehabilitation or replacement, (iii) to prepay Lease Payments and redeem Certificates if less than all of the Leased Property is taken and the Trustee determines that such proceedings have materially affected the operation of the Leased Property or the County's ability to meet its obligations under the Lease, or (iv) if all of the Leased Property is taken, to prepay Lease Payments and thereby redeem Certificates.

Any moneys in the Insurance and Condemnation Fund (including investment earnings) remaining after the repair, replacement or improvement of the Leased Property is completed shall be paid to the County.

The Trustee is required to invest and reinvest all moneys held under the Trust Agreement upon order of a representative of the County in Permitted Investments for the Certificates. Any surplus remaining in the Lease Payment Fund after the payment of all Certificates, or provision for their payment has been made, shall be repaid to the County,

Event of Default; Acceleration

Upon the occurrence of an Event of Default, the Trustee, shall take action to exclude the County from the Leased Property and, upon the request of the Owners of at least 5% in Outstanding principal amount of the Certificates, shall exercise any and all remedies available at law or pursuant to the Lease including declaring the Certificates then Outstanding to be immediately due and payable; provided however that no such acceleration shall change or otherwise affect the County's obligation to make Lease Payments and Additional Rent only during the term of the Lease and at the amounts and times provided therein. The Owner of any Certificate may institute any suit, action, or other proceedings in equity or at law for the protection or enforcement of any right under the Lease or Trust Agreement if and only if (i) such Owner has given written notice to the Trustee of such Event of Default, (ii) a majority of Certificate Owners have first notified the Trustee in writing of the event of default and made written request of the Trustee to exercise such powers, (iii) the Trustee shall have been offered reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request, and (iv) the Trustee shall have refused or omitted to comply with such request 60 days following receipt of such written request and such tender of indemnity.

Amendment

The Trust Agreement or the Lease may be amended by agreement among the parties thereto, and without the consent of the Owners of the Certificates, but only (i) to add to the covenants and agreements of any party, other covenants to be observed, or to surrender any right or power reserved in the Trust Agreement to the Lessor or the County, (ii) to cure, correct or supplement any ambiguous or defective provision, (iii) in regard to questions arising thereunder, which shall not, in the judgment of the Trustee, materially adversely affect the interest of the Owners, or (iv) to provide additional terms and conditions in connection with the issuance of Additional Certificates, which shall not, in the judgment of the Trustee, materially adversely affect the interests of the Owners. Any other amendment shall require the approval of a majority in principal amount of the Certificates then Outstanding; provided that no such amendment shall (i) extend the maturity or time of interest payment, or reduce the interest rate, amount of principal or premium payable on, any Certificate without such owner's consent, (ii) reduce the percentage of Owners of Certificates required to consent to any amendment or modification, or (iii) modify any of the Trustee's rights or obligations without its consent.

Defeasance

Upon payment of all Outstanding Certificates, either at or before maturity, or upon the irrevocable deposit of Permitted Investments of the type described in paragraph (a) of the definition of the term "Permitted Investments" (but not including any repurchase agreements), with the Trustee sufficient together with other available funds, without reinvestment, to retire the Certificates at or before maturity, the Trust Agreement shall be terminated, except for the obligations of the Trustee to make payments on the Certificates.

Any Certificate or portion thereof in authorized denominations may be paid as provided in the preceding paragraph; provided, however, that if any such Certificate or portion thereof is to be redeemed, notice of such redemption shall have been given in accordance with the provisions of the Trust Agreement or the County shall have submitted to the Trustee instructions expressed to be irrevocable as to the date upon which such Certificate or portion thereof is to be redeemed and as to the giving of notice of such redemption; and provided further, that if any such Certificate or portion thereof shall not mature or be redeemed within 60 days of the deposit of the moneys or the respective Permitted Investments referred to in the preceding paragraph, the Trustee shall give notice of such deposit by first class mail to the Owners.

Additional Certificates

So long as the Lease remains in effect and no Event of Default under the Trust Agreement has occurred, the Trustee may execute and deliver, at the direction of the County, Additional Certificates from time to time to provide funds to pay any one or more of (i) the costs of refunding Outstanding Certificates or restructuring the County's Lease Payments under the Lease, or (ii) the costs of making any modifications or improvements to the Leased Property as the County may deem necessary or desirable.

Before the Trustee shall deliver any Additional Certificates executed, the following items shall have been received by the Trustee:

- (a) Original executed counterparts of any amendments or supplements to the Lease and of the Trust Agreement entered into in connection with the execution and delivery of the Additional Certificates, which are necessary or advisable, in the opinion of Special Counsel, to provide that the Additional Certificates will be executed and delivered in compliance with the provisions of the Trust Agreement.
- (b) A written opinion of Special Counsel to the effect that (i) the documents submitted to the Trustee in connection with the request then being made comply with the requirements of the Trust Agreement, (ii) any filings required to be made under the Trust Agreement have been made, and (iii) all conditions precedent to the delivery of the Additional Certificates have been fulfilled.
- (c) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above), to the effect that (i) when executed and delivered by the Trustee, those Additional Certificates will be valid and binding in accordance with their terms and will be secured hereunder equally and on a parity with all other Certificates at the time Outstanding under the Trust Agreement as to the assignment to the Trustee of the amounts pledged thereunder, and (ii) the execution and delivery of the Additional Certificates will not result in the portion of the Lease Payments designated as interest evidenced by the Certificates Outstanding immediately prior to that execution and delivery of such Additional Certificates becoming includable in gross income for purposes of federal income taxation.
- (d) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above) to the effect that any amendments or supplements to the Lease entered into in connection with the execution and delivery of the Additional Certificates have been duly authorized, executed and delivered by the County, and that the Lease, as amended or supplemented, constitutes a legal, valid and binding obligation of the Lessee, enforceable in accordance with its terms, subject to exceptions reasonably satisfactory to the Trustee for bankruptcy laws and other laws affecting creditors' rights and the exercise of judicial discretion.
- (e) Written confirmation from Moody's, if the Certificates are then rated by Moody's, from Fitch, if the Certificates are then rated by Fitch, and from S&P, if the Certificates are then rated by S&P, that the issuance of the Additional Certificates will not cause the then-assigned rating assigned to the Certificates to be reduced or withdrawn.

THE GROUND LEASE

The County leases the site for the Public Works Parking Garage and the Public Service Center Office Tower and Parking Garage and all improvements and structures thereon, to the Trustee for the period commencing as of the date of the Ground Leases and terminating on June 1, 2031, provided that in no event shall the Ground Lease terminate before the termination of the Lease.

Title to the Public Works Parking Garage and the Public Service Center Office Tower and Parking Garage shall at all times remain with the County.

The Trustee prepaid its rental payments under the Ground Lease upon execution and delivery of the Ground Lease in connection with the execution and delivery of the 2008 Certificates.

The County shall have the right to terminate the Ground Lease upon written notice to the Trustee of (a) defeasance of the Lease and the Trust Agreement with respect to all Certificates as permitted thereunder, or (b) the exercise of the County of its option to purchase the Leased Property pursuant to the Lease and defeasance of the Trust Agreement as permitted thereunder.

FORMS OF SPECIAL COUNSEL OPINIONS

(2016A Certificates)

_____, 2016

Pima County, Arizona
Tucson, Arizona

Ladies and Gentlemen:

We have served as special counsel to our client Pima County, Arizona (the "County") and not as counsel to any other person in connection with the execution and delivery by U.S. Bank National Association, as trustee (the "Trustee"), of \$28,775,000* aggregate principal amount of Certificates of Participation, Series 2016A (the "2016A Certificates") pursuant to a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, a Third Supplement to Trust Agreement, dated as of May 1, 2013, a Fourth Supplement to Trust Agreement, dated as of January 1, 2014, a Fifth Supplement to Trust Agreement, dated as of April 1, 2015 and a Sixth Supplement to Trust Agreement, dated as of April 1, 2016 (collectively, the "Trust Agreement"), between the County and the Trustee, and relating to a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009, a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, a Third Amendment to Lease-Purchase Agreement, dated as of May 1, 2013, a Fourth Amendment to Lease-Purchase Agreement, dated as of January 1, 2014, a Fifth Amendment to Lease-Purchase Agreement, dated as of April 1, 2015, and a Sixth Amendment to Lease-Purchase Agreement, dated as of April 1, 2016 (collectively, the "Lease Agreement"), between the Trustee, as lessor, and the County, as lessee. The Lease Agreement and the Trust Agreement are referred to collectively as the "County Documents." Capitalized terms not defined in this letter are used as defined in the County Documents.

In our capacity as special counsel, we have examined the transcript of proceedings relating to the execution and delivery of the 2016A Certificates, the County Documents, a copy of the executed 2016A Certificate of the first maturity, and such other documents, matters and law as we deem necessary to render the opinions set forth in this letter.

The 2016A Certificates, together with other Certificates (as defined in the Trust Agreement) heretofore or hereafter executed and delivered pursuant to the Trust Agreement, represent undivided and proportionate interests in the obligations of the County under the Lease Agreement. The County has agreed to lease certain real and personal property from the Trustee, as lessor, under the Lease Agreement.

Based upon our examination, we are of the opinion that, under existing law:

1. The County is a political subdivision existing under the laws of the State of Arizona, and has all requisite power to enter into and perform its obligations under the County Documents.

2. The County Documents each have been duly authorized, executed and delivered by the County and constitute legal, valid and binding obligations of the County enforceable in accordance with their terms.

* Preliminary, subject to change.

3. The 2016A Certificates have been duly authorized, executed and delivered by the Trustee at the request and for the benefit of the County and are valid and binding limited and special obligations payable solely from the Lease Payments (as defined in the Lease Agreement) and certain funds held under the Trust Agreement as provided therein. The 2016A Certificates are not secured by an obligation or pledge of any taxing power or moneys raised thereby and are not a debt of and do not constitute a pledge of the faith and credit of the County, the State of Arizona or any political subdivision thereof.

4. The portion of each Lease Payment made by the County pursuant to the Lease Agreement and denominated as and comprising interest pursuant to the Lease Agreement and received by the owners of the 2016A Certificates (the "Interest Portion") is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended, and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, portions of the Interest Portion earned by certain corporations may be subject to a corporate alternative minimum tax. The Interest Portion is not included in taxable income of individuals or corporations for Arizona income tax purposes so long as that interest is excluded from gross income for federal income tax purposes. We express no opinion as to any other tax consequences regarding the 2016A Certificates. We also express no opinion as to the treatment for federal income tax purposes or Arizona state income tax purposes of amounts paid to the owners of the 2016A Certificates in the event of termination of the Lease Agreement due to nonappropriation.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined, (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the County and (iii) the correctness of the legal conclusions contained in the legal opinion letters of counsel to the County delivered in connection with this matter.

In rendering those opinions with respect to treatment of the Interest Portion under the federal tax laws, we further assume and rely upon compliance with the covenants in the proceedings and documents we have examined, including those of the County. Failure to comply with certain of those covenants subsequent to the execution and delivery of the 2016A Certificates may cause the Interest Portion to be included in gross income for federal income tax purposes retroactively to the date of execution and delivery of the 2016A Certificates.

The rights of the owners of the 2016A Certificates and the enforceability of the 2016A Certificates and the County Documents are subject to bankruptcy, insolvency, arrangement, fraudulent conveyance or transfer, reorganization, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion, and to limitations on legal remedies against public entities.

The opinions rendered in this letter are stated only as of this date, and no other opinion shall be implied or inferred as a result of anything contained in or omitted from this letter. Our engagement as special counsel with respect to the 2016A Certificates has concluded on this date.

Respectfully submitted,

FORMS OF SPECIAL COUNSEL OPINIONS

(Taxable 2016B Certificates)

_____, 2016

Pima County, Arizona
Tucson, Arizona

Ladies and Gentlemen:

We have served as special counsel to our client Pima County, Arizona (the "County") and not as counsel to any other person in connection with the execution and delivery by U.S. Bank National Association, as trustee (the "Trustee"), of \$15,250,000* aggregate principal amount of Certificates of Participation, Taxable Series 2016B (the "Taxable 2016B Certificates") pursuant to a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, a Third Supplement to Trust Agreement, dated as of May 1, 2013, a Fourth Supplement to Trust Agreement, dated as of January 1, 2014, a Fifth Supplement to Trust Agreement, dated as of April 1, 2015 and a Sixth Supplement to Trust Agreement, dated as of April 1, 2016* (collectively, the "Trust Agreement"), between the County and the Trustee, and relating to a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009, a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, a Third Amendment to Lease-Purchase Agreement, dated as of May 1, 2013, a Fourth Amendment to Lease-Purchase Agreement, dated as of January 1, 2014, a Fifth Amendment to Lease-Purchase Agreement, dated as of April 1, 2015 and a Sixth Amendment to Lease-Purchase Agreement, dated as of April 1, 2016* (collectively, the "Lease Agreement"), between the Trustee, as lessor, and the County, as lessee. The Lease Agreement and the Trust Agreement are referred to collectively as the "County Documents." Capitalized terms not defined in this letter are used as defined in the County Documents.

In our capacity as special counsel, we have examined the transcript of proceedings relating to the execution and delivery of the Taxable 2016B Certificates, the County Documents, a copy of the executed Taxable 2016B Certificate of the first maturity, and such other documents, matters and law as we deem necessary to render the opinions set forth in this letter.

The Taxable 2016B Certificates, together with other Certificates (as defined in the Trust Agreement) heretofore or hereafter executed and delivered pursuant to the Trust Agreement, represent undivided and proportionate interests in the obligations of the County under the Lease Agreement. The County has agreed to lease certain real and personal property from the Trustee, as lessor, under the Lease Agreement.

Based upon our examination, we are of the opinion that, under existing law:

1. The County is a political subdivision existing under the laws of the State of Arizona, and has all requisite power to enter into and perform its obligations under the County Documents.
2. The County Documents each have been duly authorized, executed and delivered by the County and constitute legal, valid and binding obligations of the County enforceable in accordance with their terms.
3. The Taxable 2016B Certificates have been duly authorized, executed and delivered by the Trustee at the request and for the benefit of the County and are valid and binding limited and special obligations

* Preliminary, subject to change.

payable solely from the Lease Payments (as defined in the Lease Agreement) and certain funds held under the Trust Agreement as provided therein. The Taxable 2016B Certificates are not secured by an obligation or pledge of any taxing power or moneys raised thereby and are not a debt of and do not constitute a pledge of the faith and credit of the County, the State of Arizona or any political subdivision thereof.

4. We express no opinion as to any tax consequences regarding the Taxable 2016B Certificates.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined, (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the County and (iii) the correctness of the legal conclusions contained in the legal opinion letters of counsel to the County delivered in connection with this matter.

The rights of the owners of the Taxable 2016B Certificates and the enforceability of the Taxable 2016B Certificates and the County Documents are subject to bankruptcy, insolvency, arrangement, fraudulent conveyance or transfer, reorganization, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion, and to limitations on legal remedies against public entities.

The opinions rendered in this letter are stated only as of this date, and no other opinion shall be implied or inferred as a result of anything contained in or omitted from this letter. Our engagement as special counsel with respect to the Taxable 2016B Certificates has concluded on this date.

APPENDIX G

BOOK-ENTRY-ONLY SYSTEM

THE INFORMATION PROVIDED IN THIS APPENDIX HAS BEEN PROVIDED BY DTC. NO REPRESENTATION IS MADE BY THE COUNTY, SPECIAL COUNSEL, OR THE UNDERWRITER AS TO THE ACCURACY OR ADEQUACY OF SUCH INFORMATION PROVIDED BY DTC OR AS TO THE ABSENCE OF MATERIAL ADVERSE CHANGES IN SUCH INFORMATION SUBSEQUENT TO THE DATE HEREOF.

DTC will act as securities depository for the 2016 Certificates. The 2016 Certificates will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2016 Certificate certificate will be issued for each maturity of the 2016 Certificates, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of 2016 Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2016 Certificates on DTC's records. The ownership interest of each actual purchaser of each 2016 Certificate ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2016 Certificates are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in 2016 Certificates, except in the event that use of the book-entry system for the 2016 Certificates is discontinued.

To facilitate subsequent transfers, all 2016 Certificates deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2016 Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2016 Certificates; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2016 Certificates are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2016 Certificates may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2016 Certificates, such as redemptions, tenders, defaults, and proposed amendments to the Trust Agreement. For example, Beneficial Owners of 2016 Certificates may wish to ascertain that the nominee holding the 2016 Certificates for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2016 Certificates unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts 2016 Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and redemption payments on the 2016 Certificates will be made by the Trustee to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and redemption proceeds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2016 Certificates at any time by giving reasonable notice to the Trustee or the County. Under such circumstances, in the event that a successor depository is not obtained, 2016 Certificate certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, 2016 Certificate certificates will be printed and delivered to DTC.

NEITHER THE COUNTY NOR THE TRUSTEE WILL HAVE RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (2) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2016 CERTIFICATES UNDER THE TRUST AGREEMENT; (3) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2016 CERTIFICATES; (4) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE 2016 CERTIFICATES; (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF 2016 CERTIFICATES; OR (6) ANY OTHER MATTERS.

So long as Cede & Co. is the registered owner of the 2016 Certificates, as nominee of DTC, references herein to "Owner" or registered owners of the 2016 Certificates (other than under the caption "TAX MATTERS") shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of such 2016 Certificates.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the County or the Trustee to DTC only.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the County believes to be reliable, but the County takes no responsibility for the accuracy thereof.

(e) The purchase price of the Certificates shall be \$46,202,184.25, which represents an aggregate principal amount of the Certificates of \$43,935,000.00, plus original issue premium of \$2,552,134.25, less an underwriting discount of \$284,950.00.

2. *Public Offering.* The Underwriter shall make a *bona fide* public offering of all of the Certificates at yields not less than the public offering yields set forth on the inside cover page of the Official Statement and may subsequently change such offering yields without any requirement of prior notice. The Underwriter may offer and sell Certificates to certain dealers (including dealers depositing Certificates into investment trusts) and others at yields higher than the public offering yields stated on the inside cover of the Official Statement.

3. *The Official Statement.*

(a) The Preliminary Official Statement dated March 8, 2016 (including the cover page, the inside cover page and Appendices thereto, the "*Preliminary Official Statement*"), of the County relating to the Certificates, to be subsequently revised to reflect the changes resulting from the sale of the Certificates and including amendments or supplements thereto, is hereinafter called the "*Official Statement*."

(b) The Preliminary Official Statement has been prepared for use by the Underwriter in connection with the public offering, sale and distribution of the Certificates. The County hereby deems the Preliminary Official Statement "final" as of its date, except for the omission of such information which is dependent upon the final pricing of the Certificates for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (the "*Rule*").

(c) The County represents that appropriate officials of the County have reviewed and approved the information in the Official Statement and that the Board has authorized the Official Statement and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Certificates. The County shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the acceptance by the County of this Contract (but, in any event, not later than within seven (7) business days after the acceptance by the County of this Contract and in sufficient time to accompany any confirmation that requests payment from any customer) copies of the Official Statement which is complete as of the date of its delivery to the Underwriter in such quantity as the Underwriter shall request in

order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board (the "MSRB").

(d) If, after the date of this Contract to and including the date the Underwriter is no longer required to provide the Official Statement to potential customers who request the same pursuant to the Rule (the earlier of (i) 90 days from the "end of the underwriting period" (as defined in Rule) and (ii) the time when the Official Statement is available to any person from the MSRB, but in no case less than twenty-five (25) days after the "end of the underwriting period" for the Certificates), the County becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or if it is necessary to amend or supplement the Official Statement to comply with law, the County will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request) and if, in the opinion of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the County will forthwith prepare and furnish, at the expense of the County (in a form and manner approved by the Underwriter), a reasonable number of copies of either amendments or supplements to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or so that the Official Statement will comply with law. If such notification shall be subsequent to the hereinafter defined Closing, the County shall furnish such legal opinions, certificates, instruments and other documents as the Underwriter may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement.

(e) Unless otherwise notified in writing by the Underwriter, the County can assume that the "end of the underwriting period" for purposes of the Rule is the hereinafter defined Closing Date.

4. *Representations, Warranties, and Covenants of the County.* The undersigned on behalf of the County, but not individually, represents and warrants to and covenants with, as applicable, the Underwriter that:

7. *Termination.* The Underwriter shall have the right to cancel its obligation to purchase the Certificates if, between the date of this Contract and time of the Closing, the market price or marketability of the Certificates shall be materially adversely affected, in the sole judgment of the Underwriter, by the occurrence of any of the following:

(a) legislation shall be enacted by or introduced in the Congress of the United States or recommended to the Congress for passage by the President of the United States, or the Treasury Department of the United States or the Internal Revenue Service or any member of the Congress or the State legislature or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or of the State or the United States Tax Court shall be rendered, or an order, ruling, regulation (final, temporary, or proposed), press release, statement or other form of notice by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed, the effect of any or all of which would be to impose, directly or indirectly, federal income taxation or State income taxation upon interest received on obligations of the general character of the 2016A Certificates or, with respect to State taxation, of the interest on the 2016A Certificates as described in the Official Statement, or other action or events shall have transpired which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences or State income tax consequences of any of the transactions contemplated herein;

(b) legislation introduced in or enacted (or resolution passed) by the Congress or an order, decree, or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary, or proposed), press release or other form of notice issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Certificates, including any or all underlying arrangements, are not exempt from registration under or other requirements of the 1933 Act, or that the Trust Agreement is not exempt from qualification under or other requirements of the Trust Indenture Act, or that the issuance, offering, or sale of obligations of the general character of the Certificates, including any or all underlying arrangements, as contemplated hereby or by the Official Statement or otherwise, is or would be in violation of the federal securities law as amended and then in effect;

(c) any state "blue sky" or securities commission or other governmental agency or body shall have withheld registration, exemption or clearance of the offering of the Certificates as described herein, or issued a stop order or similar ruling relating thereto;

(d) a general suspension of trading in securities on the New York Stock Exchange or the American Stock Exchange, the establishment of minimum prices on either such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any

national securities exchange, a general banking moratorium declared by federal, State of New York, or State officials authorized to do so;

(e) the New York Stock Exchange or other national securities exchange or any governmental authority, shall impose, as to the Certificates or as to obligations of the general character of the Certificates, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, Underwriter;

(f) any amendment to the federal or state Constitution or action by any federal or state court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the County, its property, income securities (or interest thereon), or the validity or enforceability of the Certificates;

(g) any event occurring, or information becoming known which, in the judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(h) there shall have occurred since the date of this Contract any materially adverse change in the affairs or financial condition of the County;

(i) the United States shall have become engaged in hostilities which have resulted in a declaration of war or a national emergency or there shall have occurred any other outbreak or escalation of hostilities or a national or international calamity or crisis, financial or otherwise;

(j) any fact or event shall exist or have existed that, in the judgment of the Underwriter, requires or has required an amendment of or supplement to the Preliminary Official Statement or the Official Statement;

(k) there shall have occurred any withdrawal or downgrading, or any notice shall have been given of (A) any intended or potential withdrawal or downgrading or (B) any review or possible change that does not indicate a possible upgrade, in the rating accorded any of the obligations of the County (including the rating to be accorded the Certificates) and

(l) the purchase of and payment for the Certificates by the Underwriter, or the resale of the Certificates by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission.

8. *Expenses.*

(a) The Underwriter shall be under no obligation to pay, and the County shall pay, all expenses incident to the performance of the County's obligations hereunder, including, but not limited to (i) the cost of preparation and printing of the Certificates, the Preliminary Official Statement and the Official Statement and any amendment or supplement thereto, (ii) the fees and disbursements of Special Counsel, Counsel to the Trustee and Counsel to the Underwriter; (iii) the fees and disbursements of U.S. Bank National Association, as the Trustee and the lessor pursuant to the Lease, and any engineers, accountants, and other experts, consultants or advisers retained by the County, if any; and (iv) the fees for bond ratings. The County shall also pay for any expenses (included in the expense component of the Underwriter's discount) incurred by the Underwriter which are incidental to implementing this Contract and the execution and delivery of the Certificates, including miscellaneous closing costs.

(b) Except as provided for above, the Underwriter shall pay (i) the cost of preparation and printing of this Contract; (ii) all advertising expenses in connection with the public offering of the Certificates; and (iii) all other expenses incurred by it in connection with its public offering and distribution of the Certificates.

(c) If this Contract shall be terminated by the Underwriter because of any failure or refusal on the part of the County to comply with the terms or to fulfill any of the conditions of this Contract, or if for any reason the County shall be unable to perform its obligations under this Contract, the County will reimburse the Underwriter for all "out-of-pocket expenses" (including the fees and disbursements of Counsel to the Underwriter) reasonably incurred by the Underwriter in connection with this Contract or the offering contemplated hereunder.

(d) The County acknowledges that it has had an opportunity to evaluate and consider the fees and expenses being incurred as part of the execution and delivery of the Certificates.

FORM OF OPINION OF PIMA COUNTY ATTORNEY'S OFFICE

[Closing Date]

RBC Capital Markets, LLC
Phoenix, Arizona

Re: Pima County, Arizona Certificates of Participation,
Series 2015

This opinion is rendered in connection with the execution and delivery by Pima County, Arizona (the "County"), of each of the following (together, the "Documents"):

- A Sixth Amendment to Lease-Purchase Agreement, dated as of April 1, 2016, which amends a Lease-Purchase Agreement, dated as of June 1, 2008, as previously amended by a First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009, a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, a Third Amendment to Lease-Purchase Agreement, dated as of May 1, 2013, a Fourth Amendment to Lease-Purchase Agreement, dated as of January 1, 2014, and a Fifth Supplement to Lease-Purchase Agreement, dated as of April 1, 2015 (as so amended, the "Lease-Purchase Agreement"), between the County, as lessee, and U.S. Bank National Association, as lessor (the "Lessor").
- A Sixth Supplement to Trust Agreement, dated as of April 1, 2016, which supplements a Trust Agreement, dated as of June 1, 2008, as previously supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, a Third Supplement to Trust Agreement, dated as of May 1, 2013 and a Fourth Supplement to Trust Agreement, dated as of January 1, 2014, and a Fifth Supplement to Lease-Purchase Agreement, dated as of April 1, 2015 (as so supplemented, the "Trust Agreement"), between the County and U.S. Bank National Association, as trustee (the "Trustee").
- A Continuing Disclosure Undertaking, dated the date hereof (the "Undertaking"), executed by the County.

- A Depository Trust Agreement, dated as of April 1, 2016 (the "Depository Trust Agreement"), between the County and U.S. Bank National Association.
- A Certificate Purchase Contract, dated the date of sale of the captioned Certificates (the "Certificate Purchase Contract"), between the County and RBC Capital Markets, LLC.

Each of the Documents was authorized by a resolution adopted by the Board of Supervisors of the County on February 16, 2016 (the "Authorizing Resolution"). We have examined the transcript of proceedings relating to the execution and delivery of the Documents and such other documents as we considered necessary to our opinion. As to questions of fact material to our opinion we have relied upon, and assumed due and continuing compliance with the provisions of, the above-mentioned proceedings and other documents, and have relied upon certificates, covenants and representations furnished to us by the County without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, as of this date, which is the date of execution and delivery of the Documents, that:

1. The adoption of the Authorizing Resolution, and all other proceedings of the County relating to the authorization, approval and execution of the Documents, have been carried out in conformity with all applicable open meeting and other laws of the State of Arizona.

2. The authorization, execution and delivery of the Documents, and the County's compliance with the provisions of the Documents, do not and will not in any material respect conflict with or constitute on the part of the County a breach of or default under any agreement or other instrument to which the County is a party, or of any existing law, administrative regulation, court order or consent decree to which the County or the Leased Property (as defined in the Lease-Purchase Agreement) is subject.

3. There are no lawsuits or administrative proceedings pending or, to the best of our knowledge, threatened, against the County that:

(i) in any way question the validity and the proper authorization, approval and execution of the Documents, or the ability

of the County to perform its obligations under the Documents thereby,
or

(ii) could result in an unfavorable decision, ruling or finding that would adversely affect the transactions contemplated by the Documents, the use of the Leased Property as contemplated by the Documents, or the financial condition of the County.

4. The statements in the Official Statement issued by the County in connection with the transaction contemplated by the Documents under the heading "LITIGATION" are true and correct in all material respects and do not omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

NEW ISSUE - BOOK-ENTRY-ONLY

RATINGS: See "Ratings" herein

In the opinion of Squire Patton Boggs (US) LLP, Special Counsel, under existing law (i) assuming continuing compliance with certain covenants and the accuracy of certain representations, the portion of the Lease Payments paid and denominated as interest under the Lease Agreement (the "Interest Portion") and received by the owners of the 2016A Certificates is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, (ii) the Interest Portion received by the owners of the 2016A Certificates is not included in taxable income of individuals or corporations for Arizona income tax purposes so long as that interest is excluded from gross income for federal income tax purposes, and (iii) the Interest Portion received by the owners of the Taxable 2016B Certificates is not excluded from gross income for federal income tax purposes and is NOT exempt from Arizona State income taxes. Special Counsel expresses no opinion as to the treatment for federal income tax purposes or Arizona state income tax purposes of amounts paid to the owners of the 2016 Certificates in the event of termination of the Lease Agreement by nonappropriation. The Interest Portion received by owners of the 2016A Certificates may be subject to certain federal taxes imposed only on certain corporations, including the corporate alternative minimum tax on a portion of the Interest Portion. For a more complete discussion of tax aspects, see "TAX MATTERS" herein.

The securities being offered hereby consist of Certificates of Participation, Series 2016A (the "2016A Certificates") and Certificates of Participation, Series 2016B (the "Taxable 2016B Certificates" and together with the 2016A Certificates, the "2016 Certificates") in a Lease-Purchase Agreement, dated as of June 1, 2008, as amended, including by a Sixth Amendment to Lease-Purchase Agreement to be dated as of April 1, 2016 (the original as so amended and as subsequently amended, the "Lease"), between U.S. Bank National Association, as trustee under the below-described Trust Agreement, as lessor (the "Trustee"), and Pima County, Arizona, as lessee (the "County"). The property being leased by the Trustee to the County consists of certain interests in the major portion of the public works building of the County, the legal services building of the County, a parking garage of the County, the public service office tower and parking garage of the County, and certain adult detention (jail) facilities of the County (collectively, the "Leased Property"). See "PLAN OF FINANCE - The Leased Property" herein. The 2016 Certificates are being executed and delivered under a Trust Agreement, dated as of June 1, 2008, as supplemented, including by a Sixth Supplement to Trust Agreement to be dated as of April 1, 2016 (the original as so supplemented and as subsequently supplemented, the "Trust Agreement"), between the Trustee and the County. Initially, the 2016 Certificates will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the 2016 Certificates. Purchases of beneficial interests in the 2016 Certificates will be made in book-entry-only form in amounts of \$5,000 of principal maturing on a specified date or any integral multiple thereof. Purchasers will not receive certificates representing the ownership interest in the 2016 Certificates purchased by them. See Appendix G - "BOOK-ENTRY-ONLY SYSTEM."

Interest represented by the 2016 Certificates will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their dated date and will be payable semiannually on June 1 and December 1 of each year, commencing December 1, 2016, until maturity or prior redemption, and principal with respect to the 2016 Certificates will be payable annually in accordance with the schedule set forth on the inside front cover page. So long as the 2016 Certificates are registered in the name of DTC, or its nominee, payments of the principal and interest with respect to the 2016 Certificates will be made directly by the Trustee to DTC which, in turn, is obligated to remit such payments to its participants for subsequent distribution to beneficial owners of the 2016 Certificates, as described herein.

The 2016 Certificates will be subject to redemption prior to maturity as more fully described herein. See "THE 2016 CERTIFICATES - Redemption Provisions" herein.

The 2016 Certificates are being executed and delivered to (i) refinance the acquisition by the Trustee of the Leased Property from the County, (ii) refund the Certificates to be Refunded (as described under "PLAN OF FINANCE"), previously executed and delivered pursuant to a Trust Agreement, dated as of May 1, 2007 (the "2007 Trust Agreement") between the County and U.S. Bank National Association, as Trustee thereunder (in such capacity, the "2007 Trustee"), and (iii) pay costs associated with the execution and delivery of the 2016 Certificates. The obligation of the County to make payments under the Lease will be subject to termination as of the last day of each fiscal year, at the option of the County. If so terminated and not reinstated as provided in the Lease, the County shall thereafter be relieved of any subsequent obligation under the Lease other than to surrender possession of the Leased Property to the Trustee. INTRODUCTORY STATEMENT

This Official Statement, which includes the cover page, the inside front cover page and appendices hereto (the "Official Statement"), has been prepared on behalf of Pima County, Arizona (the "County"), in connection with the original execution, delivery and sale of \$28,750,000 principal amount of Certificates of Participation, Series 2016A (the "2016A Certificates") and \$15,185,000 principal amount of Certificates of Participation, Taxable Series 2016B (the "Taxable 2016B Certificates" and, together with the 2016A Certificates, the "2016 Certificates").

Certain capitalized terms used herein but not defined elsewhere are defined under "SUMMARY OF LEGAL DOCUMENTS - Certain Definitions" in Appendix D hereto.

The 2016 Certificates, together with the \$42,025,000 outstanding principal amount of Certificates of Participation, Series 2015, \$47,820,000 outstanding principal amount of Certificates of Participation, Series 2014 (the "2014 Certificates"), \$22,840,000 outstanding principal amount of Certificates of Participation, Series 2013 (the "2013 Certificates"), \$9,830,000 outstanding principal amount of Certificates of Participation, Series 2010 (the "2010 Certificates") and any Additional Certificates executed and delivered pursuant to the hereafter-described Trust Agreement (collectively, the "Certificates"), evidence and represent undivided and proportionate interests of the registered owners thereof in semiannual lease payments (the "Lease Payments") for the hereafter described Leased Property, to be made by the County pursuant to a Lease-Purchase Agreement, dated as of June 1, 2008 (the "Original Lease-Purchase Agreement"), as amended, including by a Sixth Amendment to Lease-Purchase Agreement to be dated as of April 1, 2016 (the "Sixth Amendment" and, together with the Original Lease-Purchase Agreement, as previously amended and as subsequently amended, the "Lease"), between U.S. Bank National Association, as trustee under the Trust Agreement, as lessor (the "Trustee"), and the County, as lessee. The property being leased by the Trustee to the County will consist of certain interests in the major portion of the public works building of the County, a parking garage adjacent to the public works building, the legal services building of the County, the public service center office tower and adjacent parking garage of the County, and certain adult detention (jail) facilities of the County (collectively, the "Leased Property"). The Trustee will hold a fee title interest in the public works building, the legal services building and the adult detention (jail) facilities portions of the Leased Property (the "Sellable Leased Property") and a ground leasehold interest in the portion of the Leased Property consisting of the parking garage adjacent to the public works building and the public service center office tower and adjacent parking garage (the "Ground Leased Property"). See "PLAN OF FINANCE - The Leased Property" herein. The 2016 Certificates are being executed and delivered under a Trust Agreement, dated as of June 1, 2008 (the "Original Trust Agreement"), as supplemented, including by a Sixth Supplement to Trust Agreement to be dated as of April 1, 2016 (the "Sixth Supplement" and, together with the Original Trust Agreement, as previously supplemented and as subsequently supplemented, the "Trust Agreement"), between the Trustee and the County.

The 2016 Certificates are being executed and delivered to (i) refinance the acquisition by the Trustee of the Leased Property from the County, (ii) refund the Certificates to be Refunded (as described under "PLAN OF FINANCE") previously executed and delivered pursuant to a Trust Agreement, dated as of May 1, 2007 (the "2007 Trust Agreement") between the County and U.S. Bank National Association, as trustee thereunder (in such capacity, the "2007 Trustee"), and (iii) pay costs associated with the execution and delivery of the 2016 Certificates. See "PLAN OF FINANCE" herein. Fee title to the Sellable Leased Property will be held by the Trustee and, a ground leasehold interest in the Ground Leased Property will be held by the Trustee pursuant to a Ground Lease, dated as of June 1, 2008 (the "2008 Ground Lease"), a Ground Lease dated as of January 1, 2014 (the "2014 Ground Lease,"

and together with the 2008 Ground Lease, the “Ground Lease”) each between the County and the Trustee with respect to the Ground Leased Property. Pursuant to the Lease, the Trustee has or will lease back to the County the Leased Property. See “PLAN OF FINANCE” herein.

The County expects to use the amounts received from the Trustee from the refinancing of the acquisition of the Leased Property to pay the costs of the herein-described Improvements, which are expected to consist of costs of various projects to expand and improve the County’s existing sewer system facilities, but may include other capital project purposes. See “PLAN OF FINANCE – The Improvements” herein.

The obligations of the County under the Lease are payable exclusively from annually appropriated funds of the County and will not be a general obligation or indebtedness of the County for any purpose. The obligation of the County to make payments under the Lease will be subject to termination as of the last day of each Fiscal Period of the County, at the option of the County. If so terminated and not reinstated as provided in the Lease, the County shall thereafter be relieved of any subsequent obligation under the Lease other than to surrender possession of the Leased Property to the Trustee. The Lease will also terminate upon the occurrence of an Event of Default thereunder by the County and the election of the Trustee to terminate the Term of the Lease and upon taking of all the Leased Property by eminent domain. In the event of any such termination, there is no assurance of payment of the principal or interest represented by the Certificates, including the 2016 Certificates, from funds available under the Trust Agreement or as a result of the Trustee’s selling the Sellable Leased Property or re-leasing of the Leased Property. See “SOURCES OF PAYMENT OF THE CERTIFICATES” and “SECURITY FOR THE CERTIFICATES” herein.

The Certificates will be payable solely from the Lease Payments required to be made by the County from the sources identified above and from funds available under the Trust Agreement. The obligation of the County to make Lease Payments under the Lease will not be secured by a pledge of any funds, will not constitute an obligation of the County for which the County is obligated to levy or pledge any form of taxation and will not constitute a general obligation of the County, or an indebtedness of the County, the State of Arizona (“Arizona” or the “State”) or any of its political subdivisions within the meaning of any constitutional or statutory debt limitations.

Under the Lease, the County will be required to pay base rent comprising the Lease Payments equal to the principal and interest requirements represented by the outstanding Certificates, unless the Lease is terminated as provided therein. Such base rent will be held in trust by the Trustee only for payment to the Owners of the Certificates. The County will also be required to pay Additional Rent, which includes payment of any taxes and assessments and the cost of maintenance and repair of the Leased Property, and to pay other fees and obligations. See “SUMMARY OF LEGAL DOCUMENTS - LEASE” in Appendix D hereto.

Unless and until discontinued, the 2016 Certificates will be held in book-entry form by The Depository Trust Company, a registered securities depository (“DTC”), and beneficial interests therein may only be purchased and sold, and payments of principal and interest represented by the 2016 Certificates will be made only to beneficial owners, through participants in the DTC system. Beneficial interests in the 2016 Certificates will be in amounts described on the cover page hereof. See Appendix G - “BOOK-ENTRY-ONLY SYSTEM.”

The Lease Payments will be subject to reduction to the extent of any Prepayments made with insurance or condemnation proceeds as a result of damage, destruction or condemnation of a portion of the Leased Property, which causes substantial interference with the County’s use of the Leased Property; provided that the revised Lease Payments shall be sufficient to pay principal and interest represented by the Certificates remaining Outstanding after the application of the Net Proceeds of the insurance or self-insurance coverage or condemnation award to redeem a portion of the Certificates. See “SUMMARY OF LEGAL DOCUMENTS – LEASE -- Lease Payments; Additional Rent; Reduction of Rental” in Appendix D hereto. As permitted under the Lease, the County will be self-insured for damage or destruction of the Leased Property in amounts required by the Lease. Proceeds from such self-insurance program and such condemnation awards will be applied either to repair or replace the Leased Property or to redeem all or a portion of the Certificates. See “THE 2016 CERTIFICATES - Redemption Provisions – *Extraordinary Redemption*” herein and “SUMMARY OF LEGAL DOCUMENTS – LEASE – Insurance” in Appendix D hereto.

This Official Statement contains descriptions of the 2016 Certificates, the Trust Agreement, the Ground Lease and the Lease. The descriptions of the 2016 Certificates, the Trust Agreement, the Ground Lease and the

Lease and other documents described in this Official Statement (collectively, the “Financing Documents”) do not purport to be definitive or comprehensive, and all references to those documents are qualified in their entirety by reference to the complete documents, copies of which are available from RBC Capital Markets, LLC (the “Underwriter”) prior to the delivery of the 2016 Certificates.

All financial and other information presented in this Official Statement has been provided by the County from its records, except for information expressly attributed to other sources. The presentation of information, including tables of receipts from taxes and other sources, is intended to show recent historical information and is not intended to indicate future or continuing trends in the financial position or other affairs of the County. No representation is made that past experience, as shown by the financial and other information, will necessarily continue or be repeated in the future.

Reference to provisions of Arizona law, whether codified in the Arizona Revised Statutes (“A.R.S.”) or uncodified, or of the Arizona Constitution, are references to those provisions in their current form. Those provisions may be amended, repealed or supplemented.

THE 2016 CERTIFICATES

General Provisions

The 2016 Certificates will be dated their date of initial delivery and will mature on the dates and in the principal amounts and represent interest at the respective per annum rates, all as set forth on the inside front cover page of this Official Statement. Interest represented by the 2016 Certificates will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their dated date. Interest will be computed on the basis of a 360-day year of twelve 30-day months and be payable on each June 1 and December 1 of each year, commencing on December 1, 2016 (each, an “Interest Payment Date”).

The 2016 Certificates will be delivered in the form of fully registered certificates without coupons registered in the name of Cede & Co. as registered Owner and nominee of DTC. The Trustee shall treat Cede & Co., as the registered Owner, as the absolute owner of the 2016 Certificates for all purposes, including making payments and sending notices. So long as Cede & Co. is the registered Owner of the 2016 Certificates, as nominee of DTC, references herein to “Owners” or registered owners of the 2016 Certificates (other than under the caption “TAX MATTERS”) shall mean Cede & Co., as aforesaid, and shall not mean the beneficial owners of such 2016 Certificates. When reference is made to any action which is required or permitted to be taken by the beneficial owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such beneficial owners for such purposes. When notices are given, they shall be sent by the County or the Trustee to DTC only. See Appendix G - “BOOK-ENTRY-ONLY SYSTEM.”

Subject to the provisions summarized in Appendix G - “BOOK-ENTRY-ONLY SYSTEM,” the principal represented by each 2016 Certificate will be payable at the designated office of the Trustee. Interest represented by each 2016 Certificate will be paid on each Interest Payment Date by check drawn on the Trustee mailed on or before the Interest Payment Date to the registered owners as shown on the records of the Trustee as of the fifteenth day of the month immediately preceding such Interest Payment Date or, if such a day is not a business day, on the next succeeding business day or the Trustee may agree with a registered Owner of \$1,000,000 or more in aggregate principal amount of the 2016 Certificates for another form of payment.

Redemption Provisions

2016A Certificates - No Optional Redemption. The 2016A Certificates are not subject to optional redemption prior to their stated maturities.

Taxable 2016B Certificates —Optional Redemption. The Taxable 2016B Certificates maturing on or before December 1, 2025 will not be subject to call for redemption prior to their respective maturity dates. The Taxable 2016B Certificates maturing on or after December 1, 2026 will be subject to call for redemption on any date on or after June 1, 2026 at the election of the County, in whole or in part from maturities selected by the County and

within any maturity by lot, by the payment of a redemption price equal to the principal amount of each Taxable 2016B Certificate called for redemption plus accrued interest to the date fixed for redemption, without premium.

Extraordinary Redemption. The 2016 Certificates will be subject to redemption on any Interest Payment Date, in whole or in part, to the extent of any Net Proceeds of insurance or condemnation that are deposited in the Lease Payment Fund for such purpose as provided under the Lease (See “LEASE - Insurance” and “—Eminent Domain” in Appendix D hereto), at a redemption price equal to the principal amount thereof, without premium, plus interest accrued to the redemption date.

Selection of Certificates. Whenever less than all Outstanding 2016 Certificates are called for redemption, the maturities of the 2016 Certificates to be selected for redemption may be specified by the County or, if the County does not so specify, will be determined by the Trustee by lot, and within any maturity will be selected by lot.

Notice of and Procedure for Redemption

In the event any 2016 Certificates are called for redemption, notice thereof identifying the 2016 Certificates to be redeemed and specifying a redemption date and the redemption price will be required to be given by the Trustee in the form of a redemption notice to DTC not less than 30 nor more than 60 days prior to the date fixed for redemption. If moneys for the payment of the redemption price and accrued interest are not held in separate accounts by the County or by the Trustee prior to sending the notice of redemption, such redemption shall be conditional on such money being so held on the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect. See Appendix G – “BOOK-ENTRY-ONLY SYSTEM.”

All of the 2016 Certificates so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time, and will no longer be protected by and will not be deemed to be Outstanding under the provisions of the Trust Agreement.

Defeasance

If the County (i) pays the principal and interest of all Outstanding 2016 Certificates when the same becomes due and payable, or (ii) at or before maturity of all Outstanding 2016 Certificates, deposits money or Defeasance Obligations with the Trustee which, together with other available funds, are sufficient to pay the principal and interest of all Outstanding 2016 Certificates and any Additional Rent, the lien of the Trust Agreement and all covenants, agreements and obligations of the County and the Trustee securing or pertaining to the 2016 Certificates will terminate, except for the obligation of the Trustee to make payment on the 2016 Certificates. (See “SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT - Defeasance” in Appendix D hereto.)

PLAN OF FINANCE

General

A portion of the proceeds received by the Trustee from the sale of the 2016 Certificates, net of amounts deposited into the Delivery Costs Fund established under the Trust Agreement to pay costs related to the execution and delivery of the 2016 Certificates, will be used to make a payment to the 2007 Trustee to refund and redeem the Certificates to be Refunded (as defined herein).

The remaining portion of the proceeds received by the Trustee from the sale of the 2016 Certificates will be used by the Trustee to refinance the original acquisition of the Leased Property from the County. The County intends to use such amounts received from the Trustee to pay the costs of the Improvements described below, none of which are a part of the Leased Property (See “The Improvements” below).

Plan of Refunding

Certain of the proceeds received by the Trustee from the sale of the 2016A Certificates are being used to provide funds to refund and redeem prior to maturity the certificates described below (collectively, the “Certificates to be Refunded”). Such portion of the proceeds will be deposited into a depository trust account (the “Depository Trust”) with the 2007 Trustee, as depository trustee thereunder, pursuant to the terms of a depository trust agreement between the County and the 2007 Trustee, to be applied to the payment of the Certificates to be Refunded. Amounts in the Depository Trust will be used to acquire United States Government Obligations (the “Government Obligations”), the maturing principal of and interest on which are calculated to be sufficient to pay the principal and interest represented by the Certificates to be Refunded upon redemption prior to maturity.

(a) See footnote (a) to the inside cover page.

Upon such deposit, the Certificates to be Refunded will be deemed to be paid and discharged pursuant to the Trust agreement. See Appendix D – “SUMMARY OF LEGAL DOCUMENTS – TRUST AGREEMENT – Defeasance” and “PLAN OF FINANCE – Verification of Mathematical Computations” below.

Verification of Mathematical Computations

Concurrently with the delivery of and payment for the 2016A Certificates, Grant Thornton LLP, a firm of independent certified public accountants, will deliver to the County its verification report indicating that it has verified, in accordance with standards established by the American Institute of Certified Public Accountants, the mathematical accuracy of computations. Such computations were prepared using certain information provided by the Underwriter, on behalf of the County, relating to (a) the sufficiency of the anticipated receipts from the Government Obligations, together with the initial cash deposit, if any, to pay, when redeemed, the principal of, interest and applicable premiums, if any, on the Certificates to be Refunded and (b) the “yield” on the Government Obligations and the 2016A Certificates.

The report of Grant Thornton LLP will state that the scope of its engagement was limited to verifying the mathematical accuracy of the computations contained in schedules provided to it by the Underwriter and that it has no obligation to update its report because of events occurring, or data or information coming to its attention, subsequent to the date of its report.

The Leased Property

The Leased Property consists of the following property of the County:

Adult Detention Center. This portion of the Leased Property (the “Adult Detention Center”) consists of a fee ownership interest in the maximum security facility (a seven-story block building designed with a 732-bed capacity) and a medium security facility (a four-story block building designed with an approximately 400-bed capacity). The medium security facility is an annex to the maximum security facility. The maximum security facility has been retrofitted so that it now accommodates 1,892 beds. The Adult Detention Center currently provides the only maximum and medium detention facilities for the County.

The Adult Detention Center opened in 1984 and currently houses approximately 1,800 inmates. The average annual jail population for the past ten fiscal years is shown below.

The two-building complex is located on approximately 17 acres of land situated about 3 miles southwest of downtown Tucson, Arizona.

Pima County Public Works Building Portion of Leased Property. This portion of the Leased Property consists of a fee ownership interest in the south 137,938 square feet of a 9-story building, located at 201 North Stone in Tucson, Arizona, which serves as the Public Works Building of the County. *(The north 63,000 square feet of the building are leased to the City of Tucson Arizona, by the County and are not part of the Leased Property.)* The 9-story site contains 15,524 square feet of land. The building was constructed in the 1960s; it was subsequently gutted back to the concrete floors and ceilings. By 1991, the building was completely rebuilt and immediately occupied by the County.

Public Works Building Parking Garage. This portion of the Leased Property consists of a ground leasehold interest in a 785-space parking garage located adjacent to the Pima County Public Works Building in downtown Tucson, Arizona, and includes the site for the facility and related entry and exit ramps and the parking facility itself, which is located above the downtown Tucson branch of the YMCA. The YMCA is located on a portion of the same site, beneath the first level of the parking garage, pursuant to a lease granted by the County in 1990. *The Leased Property does not include any portion of the YMCA facilities located on the site or elsewhere.*

The parking facility was constructed in 1991 and has been in continuous operation since its opening. The majority of the facility is used for parking for County employees and public parking during normal business hours and for users of the downtown YMCA facility.

The term of the Ground Lease associated with the parking facility will extend through June 1, 2029, but will be subject to earlier termination on any date upon (a) defeasance of the Lease and the Trust Agreement with respect to all Certificates as permitted thereunder, or (b) the exercise of the County of its option to purchase the Leased Property pursuant to the Lease and defeasance of the Trust Agreement as permitted thereunder.

Legal Services Building Portion of Leased Property. This portion of the Leased Property consists of a fee ownership interest in a 20-story, single-tenant office building constructed in 1966, located at 32 North Stone in Tucson, Arizona. The gross square footage of the tower is 209,187 square feet. The tower site contains 10,636 square feet of land. The 15th floor of the tower was specifically gutted to a shell condition in order to accommodate the record file storage requirements of the Legal Services Division of the County.

Public Service Center Office Tower and Parking Garage. This portion of the Leased Property consists of a 288,363 square foot multi-story building, half of which has 14 courtrooms along with supporting administrative and detention accommodations for use by the Pima County Justice Courts, and space to accommodate an additional 7 courtrooms. The balance of the building is office space for the County Recorder, County Treasurer and County Assessor. The Public Service Center also includes a multi-story, 700 car, precast parking garage with one-half level below grade for secured judicial parking. At grade level, the parking garage includes 8,800 square feet of multi-tenant retail.

Pursuant to the Lease, the Trustee will lease back to the County the Leased Property. The County has not undertaken an appraisal of the Leased Property but believes the market value of the Leased Property is at least

\$167.2 million. Policies of title insurance, in an aggregate amount of \$162.16 million, will be in effect upon execution and delivery of the 2016 Certificates, insuring in such amount the Trustee's fee title interest in the Sellable Leased Property and its leasehold interest in the Ground Leased Property.

The Improvements

The County intends to use the amounts received from the Trustee from the refinancing of the acquisition of the Leased Property, net of the amounts used to refund and redeem the Certificates to be Refunded and to pay the costs incurred in issuing the 2016 Certificates, to fund various projects to (i) expand and improve the County's existing sewer system facilities and (ii) develop, design and construct a manufacturing and administrative headquarters to be used by World View Enterprises, Inc., who will lease the facility from the County over a 20-year period. The County may also use a portion of the funds received for other capital projects. All such capital projects are collectively referred to herein as the "Improvements". None of the Improvements will be part of the Leased Property.

The County, in January 2016, entered into a lease-sale agreement (the "Lease Agreement") with World View Enterprises, Inc. ("World View"), a private for-profit entity, as the tenant/purchaser of a to-be-built County facility. The County intends to use the proceeds of the Taxable 2016B Certificates to pay for the construction of the facility subject to the Lease Agreement (the "Facility"), which will be owned by the County during the term of the Lease Agreement. The Facility is not part of the Leased Property, and the rent to be paid by World View is not pledged to payment of debt service on the Taxable 2016B Certificates.

On March 29, 2016, Pima County received a letter, dated March 28, 2016, from the Goldwater Institute, a Phoenix, Arizona-based public-policy think-tank (the "Institute"), requesting that the County terminate the Lease Agreement and "cancel" the Taxable 2016B Certificates. The Institute asserts that the Lease Agreement violates Ariz. Const. art. 9, § 7, which prohibits gifting of public property to private entities, and that the County's contract for construction of the Facility was awarded in violation of County procurement policies. The letter does not challenge the legality of the issuance of the Taxable 2016B Certificates or the use of the proceeds of the Taxable 2016B Certificates to build the Facility. The objection is to the lease of the Facility to World View.

The County believes the objections raised in the Institute's letter are without merit and that, even in the unlikely event that the Institute were to bring a successful legal action against the County, it would not materially impact the County's ability to pay the debt service on the Taxable 2016B Certificates. The annual debt service for the Taxable 2016B Certificates represents less than 0.2% of the annual General Fund revenues of the County. If the Facility is not leased to World View, or if the Lease Agreement is terminated early, the County will repurpose the Facility for other County needs. Further, if for any reason the County would not use the proceeds of the Taxable 2016B Certificates for the Facility, the County has several other capital projects relating to County facilities to which it could apply the proceeds of the Taxable 2016B Certificates.

Sources of Lease Payments

Although no specific revenue sources will be pledged to or secure the Certificates, the County anticipates using monies from the County's sewer system enterprise for making the Lease Payments on approximately \$19.7 million of the 2016A Certificates, subject to annual appropriation by the Board of Supervisors of the County. The remaining 2016A Certificates and all of the Taxable 2016B Certificates are expected to be paid from the County's General Fund, subject to annual appropriations by the Board of Supervisors of the County.

See "SOURCES OF PAYMENT OF THE CERTIFICATES" and "SECURITY FOR THE CERTIFICATES."

SOURCES OF PAYMENT OF THE CERTIFICATES

Under the terms of the Trust Agreement, the 2016 Certificates will be payable on a parity with the outstanding 2010 Certificates, the 2013 Certificates, the 2014 Certificates, the 2015 Certificates and any Additional Certificates executed and delivered pursuant to the Trust Agreement, solely from: (1) Lease Payments received by

the Trustee from the County under the Lease, subject to termination of the Lease as provided under the Lease, (2) amounts from time to time deposited in the funds created under the Trust Agreement and investment earnings on such funds (except for any investment earnings that are required to be rebated to the United States in order to continue the exclusion of the interest represented by the Certificates from gross income for federal income tax purposes) and (3) any Net Proceeds from insurance coverage or condemnation awards received by the Trustee from the damage, destruction or taking of the Leased Property or portion thereof pursuant to the Lease and the Trust Agreement or from exercise by the Trustee of any remedies under the Lease and the Trust Agreement upon default thereunder. See "SECURITY FOR THE CERTIFICATES" as well as "SUMMARY OF LEGAL DOCUMENTS – LEASE -- Events of Default," "-- Eminent Domain" and "-- Insurance" and "SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT -- Events of Default; Acceleration" in Appendix D hereto.

The County will be required under the Lease to make Lease Payments semiannually in amounts sufficient to make interest and principal payments represented by the Certificates on November 15, 2016, and each May 15 and November 15 thereafter. The County's obligation under the Lease to pay Lease Payments during the term of the Lease will be absolute and unconditional, but subject to (1) the County's right each year to terminate the Lease as of the end of each Fiscal Period by failing to budget and appropriate the full amount necessary to make all Lease Payments come due in the next Fiscal Period, (2) reduction of Lease Payments in the event of damage, destruction or condemnation of any portion of the Leased Property, and (3) termination of the Lease upon taking of all of the Leased Property by eminent domain, all as described below under "SECURITY FOR THE CERTIFICATES" and under "SUMMARY OF LEGAL DOCUMENTS - LEASE -- Lease of Leased Property" and "-- Lease Payments; Additional Rent; Reduction of Rental" in Appendix D hereto.

IN THE EVENT OF TERMINATION OF OR DEFAULTS UNDER THE LEASE, THERE IS NO ASSURANCE THAT THE TRUSTEE WILL HAVE ADEQUATE FUNDS UNDER THE TRUST AGREEMENT TO PAY INTEREST AND PRINCIPAL REPRESENTED BY THE CERTIFICATES. See "RISK FACTORS - Limitations on Remedies."

SECURITY FOR THE CERTIFICATES

General

Each Certificate will evidence an undivided and proportionate interest in Lease Payments under the Lease. The County's obligations to make Lease Payments and any other obligation under the Lease will be subject to and dependent upon an annual budgeting and appropriation being made by the Board of Supervisors of the County to make such Lease Payments. The term of the Lease will continue through and including December 1, 2030, unless terminated prior thereto. If the Board of Supervisors of the County (the "Board") does not budget and appropriate funds sufficient to pay Lease Payments in any succeeding Fiscal Period, the Lease will terminate as of the last day of the Fiscal Period for which Lease Payments were made, and the County will be required to vacate and return possession of the Leased Property to the Trustee, all in accordance with and subject to the terms of the Lease and the Trust Agreement. See "SECURITY FOR THE CERTIFICATES - Non-appropriation; Other Termination Events" herein. In that event, the Trustee will be entitled to exercise all available remedies, which could include selling the Sellable Leased Property or re-leasing the Leased Property. See "RISK FACTORS - Limitations on Remedies" below.

The County's obligation to make Lease Payments will not constitute a debt or liability of the County, the State or any political subdivision thereof within the meaning of any constitutional or statutory limitation. Neither the faith and credit nor the taxing power of the County, the State or any political subdivision thereof will be pledged to pay the principal or interest evidenced by the Certificates. Payments with respect to the Certificates will be made solely from amounts derived under the terms of the Lease, including the Lease Payments, and available amounts from time to time on deposit under the terms of the Trust Agreement. No funds will be pledged by the County to pay Lease Payments.

Non-appropriation; Other Termination Events

If the County fails to obtain, on or before the third Business Day prior to the last date on which the County is required or permitted to adopt its budget for a Fiscal Period, proper budgeting and final appropriation by the Board of the full amount of funds necessary to make all Lease Payments coming due during the Fiscal Period for which such budgeting and appropriation are made, thereafter, the County will immediately notify the Trustee in writing of that fact. If on the last date on which the County is required or permitted to adopt its budget for a Fiscal Period no such proper budgeting and final appropriation by the Board shall have been made, all of the County's right, title and interest in and future obligations under the Lease and to all of the Leased Property will terminate (subject to reinstatement as provided below), effective as of the last day of the last Fiscal Period for which such budgeting and appropriation were properly obtained and for which sufficient funds were determined to be lawfully available and allocated. In the event the County terminates the Lease, the County will be relieved of any subsequent obligation under the Lease with respect thereto, other than to return to the Trustee possession of all of the Leased Property as provided in the Lease and to pay any accrued and unpaid obligations.

The budget officials of the County have covenanted in the Lease that they will include in the budget presented to the Board sufficient funds for payment of all Lease Payments and Additional Rent when due, provided, however, pursuant to Arizona law, the budgeting and appropriation of money by the Board is a legislative act of the Board and is beyond the control of the budgeting officials of the County.

If the Lease terminates as described above and if within forty-five (45) days after such date of termination amounts described above are determined to be available which would have permitted the Lease to have continued in effect with respect to the Leased Property if such amounts had been determined to be available prior to the termination date, then the Lease will be reinstated with respect thereto and deemed renewed as of the day following the date of such termination.

In the event the County terminates the Lease, the County will have no further obligations under the Lease. Upon termination, the County will be required by the Lease to surrender possession of the Leased Property to the Trustee. Such termination will constitute an Event of Default under the Trust Agreement, if the Lease has not been reinstated, but such termination will not be a default under the Lease. Upon such Event of Default under the Trust Agreement, the Trustee may exercise one or more of the remedies provided in the Trust Agreement, subject to receipt of indemnity satisfactory to it, including an option to sell the Sellable Leased Property or re-lease its interest in the Leased Property, and to apply the proceeds of such disposition, if any, along with the moneys in the Lease Payment Fund established under the Trust Agreement, to the payment of the Certificates. See "SUMMARY OF LEGAL DOCUMENTS - TRUST AGREEMENT -- Event of Default; Acceleration" in Appendix D hereto. However, there is no assurance that net revenues received by the Trustee from any such sale of the Sellable Leased Property or re-lease of the Leased Property would be sufficient to pay in full all Outstanding Certificates. Should such a shortfall occur, the interest and principal represented by the Certificates would be paid by the Trustee to the extent of moneys, if any, held by the Trustee under the Trust Agreement.

Upon an Event of Default under the Trust Agreement, the Trustee will be required to take action to force the County to surrender possession of the Leased Property. However, the exercise by the Trustee of any other subsequent or additional remedies may be affected by the environmental condition of the Leased Property, and the Trustee may decline to exercise such other remedies unless it is indemnified and obtains assurances to its satisfaction that it will not become responsible for environmental liabilities. See "RISK FACTORS - Limitations on Remedies."

Damage, Taking or Removal of Leased Property

The Leased Property will be required to be insured or self-insured to the extent set forth herein under "SUMMARY OF LEGAL DOCUMENTS – LEASE -- Insurance" in Appendix D hereto, which includes property insurance equal to the full replacement cost of the Leased Property. As permitted under the Lease, the County will be self-insured for damage or destruction of the Leased Property and other liabilities in amounts required by the Lease.

Under the Lease, the Net Proceeds of any insurance recoveries and proceeds of self-insurance resulting from any damage or destruction of the Leased Property by fire or other casualty must be deposited in the Insurance and Condemnation Fund established under the Trust Agreement. Moneys in the Insurance and Condemnation Fund will be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property by the County, provided, however, that if the County notifies the Trustee within 90 days of such deposit of its determination that the replacement, repair, restoration, modification or improvement of the damaged portion of the Leased Property is not economically feasible or in the best interests of the County, then such Net Proceeds will be promptly transferred by the Trustee to the Lease Payment Fund and applied to effect extraordinary redemption of Outstanding Certificates as follows: in the event of damage or destruction of the Leased Property in full, such Net Proceeds may be transferred to the Lease Payment Fund only if sufficient, together with other moneys available therefor, to cause redemption of all Outstanding Certificates, and in the event of damage or destruction of the Leased Property in part, if such Net Proceeds are sufficient, together with all other funds available therefor to redeem all Outstanding Certificates, such amounts will be applied to the extraordinary redemption, in whole, of all Outstanding Certificates, or if such Net Proceeds, together with such other funds, are not sufficient to redeem all Outstanding Certificates, then the County shall have the option to either use such Net Proceeds to repair the Leased Property or to extraordinarily redeem the Certificates in part. See "THE 2016 CERTIFICATES - Redemption Provisions – *Extraordinary Redemption.*"

In the event of such partial redemption, the Lease Payments will be reduced to an amount sufficient to pay interest and principal represented by the Certificates Outstanding after such partial redemption.

Under the Lease, the County will waive any right to terminate the Lease because of damage or destruction to the Leased Property, but retains the right to determine annually whether to appropriate Lease Payments for the next Fiscal Period.

If all the Leased Property is taken by eminent domain, the Net Proceeds of the condemnation award will be deposited in the Insurance and Condemnation Fund and used to extraordinarily redeem Certificates to the extent of such Net Proceeds and the Lease shall terminate as of the date possession is taken from the County.

If a part of the Leased Property is taken by eminent domain, or if all of the Leased Property is taken temporarily, then the Lease will continue in effect and the Net Proceeds will be deposited in the Insurance and Condemnation Fund and applied as follows: if the Trustee determines that either (1) such taking does not materially adversely affect the operation of the Leased Property and the Net Proceeds are not needed to replace the Leased Property, or (2) such taking does not materially adversely affect remaining portions of the Leased Property or the ability of the County to meet any of its obligations under the Lease, then the Net Proceeds will be used to extraordinarily redeem Certificates in part; otherwise, such Net Proceeds will be used to replace the taken Leased Property. See "THE 2016 CERTIFICATES - Redemption Provisions – *Extraordinary Redemption.*"

If there is a partial taking of the Leased Property, the Lease Payments will be reduced to an amount sufficient to pay interest and principal represented by Certificates Outstanding after such partial redemption.

All Net Proceeds deposited in the Insurance and Condemnation Fund and not used to redeem Certificates will be required to be applied to the prompt replacement, repair, restoration, modification or improvement of the Leased Property by the County. Any balance of the Net Proceeds remaining after such work has been completed will be required to be deposited in the Lease Payment Fund and applied as a credit against the next subsequent Lease Payments.

Additional Certificates

Subject to certain conditions provided in the Trust Agreement, the Trustee may execute and deliver, at the direction of the County, Additional Certificates from time to time to provide funds to pay the costs of refunding Outstanding Certificates or to restructure the County's Lease Payments under the Lease, or to pay the costs of making any modifications or improvements to the Leased Property or to finance additional property as the County deems necessary or desirable. Such conditions include, but are not limited to, that the Lease remains in effect, that no Event of Default has occurred under the Trust Agreement, that such Additional Certificates do not affect the tax-

exempt status of the Outstanding Certificates then bearing tax-exempt interest or result in the reduction or withdrawal of the assigned ratings on the Outstanding Certificates.

RISK FACTORS

The purchase of the 2016 Certificates involves certain investment risks that are discussed throughout this Official Statement. Accordingly, each prospective 2016 Certificate purchaser should make an independent evaluation of all the information presented herein. Certain of these investment risks are described below. The list of risks described below is not intended to be definitive or exhaustive and the order in which the following factors are presented is not intended to reflect relative importance of risks. The following factors, along with all other information in this Official Statement, should be considered by potential investors in evaluating the 2016 Certificates.

Limited Obligation. The obligation of the County to pay Lease Payments will not be secured by the levy or pledge of any tax or any other funds and will not constitute a debt or indebtedness of the County or the State within the meaning of any constitutional or statutory debt limitation or restriction. See “SECURITY FOR THE CERTIFICATES.” The Lease Payments are payable by the County, subject to annual appropriation by the Board of Supervisors of the County, from monies of the County.

No Pledge of County Funds. No funds or revenues of the County will be pledged, obligated or restricted for the payment of the Lease Payments, including, without limitation, the funds and revenues described under “PLAN OF FINANCE - Sources of Lease Payments” and “SOURCES OF PAYMENT OF THE CERTIFICATES.” In addition, the County will have the right to refuse to appropriate funds, and thus terminate the Lease, for any reason including inadequacy of the Leased Property. Were the County to refuse to appropriate funds and thereby terminate the Lease, there will be no assurance that the Trustee would have adequate funds under the Trust Agreement to pay interest and principal represented by the Certificates.

Other Obligations of County. The County has existing obligations, including lease-purchase obligations, and has the capacity to enter into other obligations which are payable from amounts in the General Fund or other monies of the County, which is the same source it will use to make Lease Payments. See “PIMA COUNTY, ARIZONA – FINANCIAL INFORMATION - Lease, Lease-Purchase and Purchase Agreements” and “- Certificates of Participation” in Appendix B. To the extent that the County’s current or future obligations are paid from the General Fund or other County monies, the funds available to make Lease Payments may be decreased. The Lease will not impose any restrictions upon the ability of the County to incur additional obligations.

Termination of Lease. In addition to termination of the Lease upon non-appropriation of funds as described under the heading “SECURITY FOR THE CERTIFICATES - Non-appropriation; Other Termination Events”, several other events may lead to a termination of the Lease:

- (1) an Event of Default on the part of the County and an election by the Trustee to terminate the Lease as described under the heading “SUMMARY OF LEGAL DOCUMENTS – LEASE - Events of Default” in Appendix D hereto;
- (2) the taking of all of the Leased Property under the power of eminent domain, described below; and
- (3) violation of certain State statutes pertaining to conflicts of interest, described below.

If an Event of Default under the Lease occurs, the Trustee may terminate the Lease and sell or relet the Leased Property. The Net Proceeds from the sale of the Sellable Leased Property or re-leasing of the Leased Property, together with other moneys then held by the Trustee under the Trust Agreement, will be required to be used under the Trust Agreement to pay principal and interest represented by the Certificates as it becomes due, to the extent of such moneys. No assurance can be given that the amount of such funds would be sufficient to pay all the Certificates when due.

In the event that the Leased Property has been taken in whole pursuant to eminent domain proceedings, all Net Proceeds, together with funds, if any, then on hand in funds held by the Trustee will be applied to the extraordinary redemption of the Certificates and the Lease shall terminate on the date possession is taken from the County. No assurance can be given that the Net Proceeds of eminent domain and other moneys available under the Trust Agreement will be sufficient to redeem all of the Outstanding Certificates.

As required by the provisions of A.R.S. Section 38-511, the County may, within three years after its execution, cancel any contract (including the Financing Documents), without penalty or further obligation, made by the County if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Financing Documents on behalf of the County (a "County Representative") is, at any time while the Financing Documents or any extension thereof are in effect, an employee of any other party to the Financing Documents in any capacity or a consultant to any other party of the Financing Documents with respect to the subject matter thereof. The cancellation shall be effective when written notice from the Board is received by all other parties to the Financing Documents unless the notice specifies a later time. The Trustee will agree in the Lease not to employ as an employee or an agent, or with respect to the subject matter of the Financing Documents, as a consultant any County Representative within three years from execution of the Financing Documents unless a waiver of Section 38-511 is provided by the Board.

Squire Patton Boggs (US) LLP, Special Counsel with respect to the execution and delivery of the 2016 Certificates ("Special Counsel"), will not render an opinion with respect to the tax-exempt status of payments made to Owners of the 2016A Certificates from sources made available by the County as a result of the termination of the Lease for any reason (including termination upon nonappropriation of funds by the County). If the Lease is terminated while 2016A Certificates are Outstanding, there will be no assurance that after such termination, payments made to Owners (from sources other than funds made available by the County) with respect to interest will be excludable from gross income of the Owners thereof for federal or Arizona income tax purposes.

In addition, neither Special Counsel nor counsel to the Underwriter will render an opinion as to the applicability or inapplicability of the registration requirements of the Securities Act of 1933, as amended, to the transfer of any 2016 Certificates in the event payments are received from sources made available by the County as a result of termination of the Lease for any reason. If the Lease is terminated while the 2016 Certificates are Outstanding, there will be no assurance that after such termination 2016 Certificates may be transferred by a 2016 Certificate Owner without compliance with the registration provisions of the Securities Act of 1933, as amended, or that an exemption from such registration is available.

Limitations on Remedies. Due to the specialized configuration of the Leased Property and the limited number of potential users of the Leased Property, no assurance can be given that the proceeds from any sale of the Sellable Leased Property or re-leasing of the Leased Property will be sufficient to pay in full the 2016 Certificates. The enforcement of any remedies provided in the Lease and the Trust Agreement could prove both expensive and time consuming. In addition, the enforceability of the Lease and the Trust Agreement is subject to applicable bankruptcy laws, equitable principles affecting the enforcement of creditors' rights generally and liens securing such rights, and the police powers of the State and its political subdivisions. Because of delays inherent in obtaining judicial remedies, it should not be assumed that these remedies could be accomplished rapidly. Any delays in the ability of the Trustee to obtain possession of the Leased Property upon termination of the Lease or exercise of remedies upon default by the County may result in delays in payment of the Certificates.

Although the Lease and the Trust Agreement provide that the Trustee may take possession of the Leased Property and sell the Sellable Leased Property or re-lease the Leased Property if there is a default by the County thereunder or if the County terminates the Lease, and the Lease provides that the Trustee may have such rights of access to the Leased Property as may be necessary to exercise any remedies, no assurance can be given that revenues from the Trustee's sale or reletting of the Leased Property would be sufficient to pay in full all Outstanding Certificates.

Upon the termination of the Lease or if the County defaults in its obligation to make Lease Payments thereunder, the Trustee will be required to take action to force the County to surrender possession of the Leased Property. However, under the terms of the Trust Agreement, the Trustee will not be under any obligation to take any other action if the Trustee determines that to do so exposes the Trustee to a risk of financial liability (including

environmental liability) for which it reasonably believes it is not adequately indemnified. Prior to taking other actions under the Trust Agreement, the Trustee may request assurances, such as an additional environmental audit, that it will not incur liability by reason of any other action taken by the Trustee pursuant to the Trust Agreement.

The Trust Agreement provides that such amounts be deposited in the Lease Payment Fund and applied, on a semiannual basis, to pay amounts due with respect to the Certificates.

LITIGATION

No Litigation Relating to the Certificates. To the knowledge of appropriate representatives of the County, no litigation or administrative action or proceeding is pending or threatened to restrain or enjoin, or seeking to restrain or enjoin, the issuance or delivery of the 2016 Certificates, the Trust Agreement, or the Lease, or in any way contesting or affecting any authority for the execution and delivery of the 2016 Certificates, or the validity of the 2016 Certificates, the proceeds from the execution and delivery thereof or any agreements entered into in connection therewith, or in any way contesting the existence or powers of the County with regard to the 2016 Certificates, the Trust Agreement, or the Lease or any agreement, document, duty or covenant pertaining thereto.

Other Litigation; Self-Insurance or Commercial Insurance Coverage. The County has been named as a defendant in several lawsuits for which the County believes either that it has adequate self-insurance or insurance coverage in the event of liability or that such liability would not otherwise materially and adversely affect the financial condition of the County. In one such matter, the County is currently defending a lawsuit filed against it, and others, in federal court in April 2016 by a plaintiff who claims his constitutional rights were violated and he was wrongfully imprisoned for 42 years. The plaintiff is seeking damages in excess of \$40 million. The County believes that it has meritorious defenses against all claims and intends to file motions for summary judgment and otherwise vigorously defend the lawsuit. The County is currently determining whether the claim, if it is ultimately successful in whole or in part, is covered by any commercial liability insurance policies covering the County. If there is no available coverage, and if and to the extent the claim is successful, damages would be paid from the County's self-insurance trust.

LEGAL MATTERS

The 2016 Certificates will be sold with the understanding that the County will furnish the Underwriter with approving opinions of Squire Patton Boggs (US) LLP, Special Counsel. Forms of such opinions are included in Appendix E hereto. Said attorneys have been retained by the County as Special Counsel and in such capacity will render their opinions only upon the legality of the 2016 Certificates under Arizona law and on the exclusion of the interest portion related to the 2016A Certificates from gross income for purposes of calculating federal income taxes and of the exemption of the interest portion related to the 2016 Certificates from State income taxes. (See "TAX MATTERS" herein.) Fees of Special Counsel will be paid from 2016 Certificate proceeds.

Certain legal matters will be passed upon solely for the benefit of the Underwriter by Greenberg Traurig, LLP.

TAX MATTERS

2016A Certificates

General. In the opinion of Squire Patton Boggs (US) LLP, Special Counsel, under existing law (i) the Interest Portion of the Lease Payments paid under the Lease and received by the Owners of the 2016A Certificates (for purposes of this section, the "Tax-Exempt Certificates") is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; and (ii) the Interest Portion relating to the Tax-Exempt Certificates is not included in taxable income of individuals or corporations for Arizona income tax purposes so long as that interest is excluded from gross income for federal income tax purposes. Special Counsel expresses no opinion as to any other tax consequences regarding the Tax-Exempt Certificates. Under certain circumstances, interest paid for periods following termination of the Lease by nonappropriation may not be excludable from gross income for federal income tax purposes. Special Counsel expresses no opinion on the federal income tax or Arizona state income tax treatment of amounts paid to Owners of the Tax-Exempt Certificates in the event of termination of the Lease by nonappropriation or as to any other tax consequences regarding the Tax-Exempt Certificates. See also "SECURITY FOR THE CERTIFICATES – Non-appropriation; Other Termination Events."

The opinion on tax matters will be based on and will assume the accuracy of certain representations and certifications, and continuing compliance with certain covenants, of the County contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Interest Portion relating to the Tax-Exempt Certificates is and will remain excluded from gross income for federal income tax purposes. Special Counsel will not independently verify the accuracy of the County's certifications and representations or the continuing compliance with the County's covenants.

The opinion of Special Counsel is based on current legal authority and covers certain matters not directly addressed by such authority. It represents Special Counsel's legal judgment as to the exclusion of the Interest Portion relating to the Tax-Exempt Certificates from gross income for federal income tax purposes but is not a guaranty of that conclusion. The opinion is not binding on the Internal Revenue Service ("IRS") or any court. Special Counsel expresses no opinion about (i) the effect of future changes in the Code and the applicable regulations under the Code or (ii) the interpretation and the enforcement of the Code or those regulations by the IRS.

The Code prescribes a number of qualifications and conditions for the interest on state and local government obligations to be and to remain excluded from gross income for federal income tax purposes, some of which require future or continued compliance after issuance of the obligations. Noncompliance with these requirements by the County may cause loss of such status and result in the Interest Portion relating to the Tax-Exempt Certificates being included in gross income for federal income tax purposes retroactively to the date of execution and delivery of the Tax-Exempt Certificates. The County has covenanted to take the actions required of it for the Interest Portion relating to the Tax-Exempt Certificates to be and to remain excluded from gross income for federal income tax purposes, and not to take any actions that would adversely affect that exclusion. Notwithstanding the previous sentence, in the event of termination of the Lease by nonappropriation, use of the property or the facilities financed with the proceeds of the Tax-Exempt Certificates in a manner that would cause the Lease, if the property or the facilities financed with the proceeds of the Tax-Exempt Certificates had originally been used in such manner, to constitute a "private activity bond" under Section 141 of the Code may prompt the IRS to take the position that the Interest Portion relating to Tax-Exempt Certificates is not excluded from gross income for federal income tax purposes, retroactive to the date of execution and delivery of the Tax-Exempt Certificates. After the date of execution and delivery of the Tax-Exempt Certificates, Special Counsel will not undertake to determine (or to so inform any person) whether any actions taken or not taken, or any events occurring or not occurring, or any other matters coming to Special Counsel's attention, may adversely affect the exclusion from gross income for federal income tax purposes of the Interest Portion relating to the Tax-Exempt Certificates or the market value of the Tax-Exempt Certificates.

A portion of the Interest Portion relating to the Tax-Exempt Certificates earned by certain corporations may be subject to a federal corporate alternative minimum tax. In addition, the Interest Portion relating to the Tax-Exempt Certificates may be subject to a federal branch profits tax imposed on certain foreign corporations doing business in the United States and to a federal tax imposed on excess net passive income of certain S corporations. Under the Code, the exclusion of interest from gross income for federal income tax purposes may have certain adverse federal income tax consequences on items of income, deduction or credit for certain taxpayers, including financial institutions, certain insurance companies, recipients of Social Security and Railroad Retirement benefits, those that are deemed to incur or continue indebtedness to acquire or carry tax-exempt obligations, and individuals otherwise eligible for the earned income tax credit. The applicability and extent of these and other tax consequences will depend upon the particular tax status or other tax items of the Owner of the Tax-Exempt Certificates. Special Counsel will express no opinion regarding those consequences.

Payments of interest on tax-exempt obligations, including the Tax-Exempt Certificates, are generally subject to IRS Form 1099-INT information reporting requirements. If an Owner of a Tax-Exempt Certificate is subject to backup withholding under those requirements, then payments of interest will also be subject to backup withholding. Those requirements do not affect the exclusion of such interest from gross income for federal income tax purposes.

Special Counsel's engagement with respect to the 2016 Certificates ends with the execution and delivery of the 2016 Certificates, and, unless separately engaged, Special Counsel is not obligated to defend the County or the Beneficial Owners regarding the tax status of the Interest Portion of the Tax-Exempt Certificates in the event of an audit examination by the IRS. The IRS has a program to audit tax-exempt obligations to determine whether the

interest thereon is includible in gross income for federal income tax purposes. If the IRS does audit the Tax-Exempt Certificates, under current IRS procedures, the IRS will treat the County as the taxpayer and the Beneficial Owners of the Tax-Exempt Certificates will have only limited rights, if any, to obtain and participate in judicial review of such audit. Any action of the IRS, including but not limited to selection of the Tax-Exempt Certificates for audit, or the course or result of such audit, or an audit of other obligations presenting similar tax issues, may affect the market value of the Tax-Exempt Certificates.

Prospective purchasers of the Tax-Exempt Certificates upon their original issuance at prices other than the respective prices indicated on the inside front cover page of this Official Statement, and prospective purchasers of the Tax-Exempt Certificates at other than their original issuance, should consult their own tax advisers regarding other tax considerations such as the consequences of market discount, as to all of which Special Counsel expresses no opinion.

Risk of Future Legislative Changes and/or Court Decisions. Legislation affecting tax-exempt obligations is regularly considered by the United States Congress and may also be considered by the State legislature. Court proceedings may also be filed, the outcome of which could modify the tax treatment of obligations such as the Tax-Exempt Certificates. There can be no assurance that legislation enacted or proposed, or actions by a court, after the date of execution and delivery of the Tax-Exempt Certificates will not have an adverse effect on the tax status of the Interest Portion or the market value or marketability of the Tax-Exempt Certificates. These adverse effects could result, for example, from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), or repeal (or reduction in the benefit) of the exclusion of the Interest Portion relating to the Tax-Exempt Certificates from gross income for federal or state income tax purposes for all or certain taxpayers.

For example, recent presidential and legislative proposals would eliminate, reduce or otherwise alter the tax benefits currently provided to certain owners of state and local government bonds, including proposals that would result in additional federal income tax on taxpayers that own tax-exempt obligations if their incomes exceed certain thresholds. Investors in the Tax-Exempt Certificates should be aware that any such future legislative actions (including federal income tax reform) may retroactively change the treatment of all or a portion of the Interest Portion relating to the Tax-Exempt Certificates for federal income tax purposes for all or certain taxpayers. In such event, the market value of the Tax-Exempt Certificates may be adversely affected and the ability of holders to sell their Tax-Exempt Certificates in the secondary market may be reduced. The Tax-Exempt Certificates are not subject to special mandatory redemption as a result of a change in federal tax law, and the interest rates on the Tax-Exempt Certificates are not subject to adjustment in the event of any such change.

Investors should consult their own financial and tax advisers to analyze the importance of these risks.

Original Issue Premium. The Tax-Exempt Certificates (“Premium Certificates”) indicated on the inside front cover page of this Official Statement were offered and sold to the public at a price in excess of their stated redemption price at maturity (the principal amount). That excess constitutes certificate premium. For federal income tax purposes, certificate premium is amortized over the period to maturity of a Premium Certificate, based on the yield to maturity of that Premium Certificate (or, in the case of a Premium Certificate callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Certificate), compounded semiannually. No portion of that certificate premium is deductible by the owner of a Premium Certificate. For purposes of determining the owner’s gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Certificate, the owner’s tax basis in the Premium Certificate is reduced by the amount of certificate premium that is amortized during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Certificate for an amount equal to or less than the amount paid by the owner for that Premium Certificate. A purchaser of a Premium Certificate in the initial public offering at the price for that Premium Certificate stated on the inside front cover page of this Official Statement who holds that Premium Certificate to maturity (or, in the case of a callable Premium Certificate, to its earlier call date that results in the lowest yield on that Premium Certificate) will realize no gain or loss upon the retirement of that Premium Certificate.

Owners of Premium Certificates should consult their own tax advisers as to the determination for federal income tax purposes of the amount of certificate premium properly accruable or amortizable in any period with respect to the Premium Certificates and as to other federal tax consequences and the treatment of certificate premium for purposes of state and local taxes on, or based on, income.

Taxable 2016B Certificates

General. THE INTEREST PORTION RELATED TO THE TAXABLE 2016B CERTIFICATES IS NOT EXCLUDED FROM GROSS INCOME FOR FEDERAL INCOME TAX PURPOSES AND IS NOT EXEMPT FROM ARIZONA STATE INCOME TAXES. THE LEGAL DEFEASANCE OF THE TAXABLE 2016B CERTIFICATES MAY RESULT IN A DEEMED SALE OR EXCHANGE OF THE TAXABLE 2016B CERTIFICATES UNDER CERTAIN CIRCUMSTANCES; OWNERS OF THE TAXABLE 2016B CERTIFICATES SHOULD CONSULT THEIR TAX ADVISORS AS TO THE FEDERAL INCOME TAX CONSEQUENCES OF SUCH AN EVENT. PROSPECTIVE PURCHASERS OF THE TAXABLE 2016B CERTIFICATES SHOULD CONSULT WITH THEIR OWN TAX ADVISORS AS TO THE FEDERAL, STATE AND LOCAL, AND FOREIGN TAX CONSEQUENCES OF THEIR ACQUISITION, OWNERSHIP AND DISPOSITION OF THE TAXABLE 2016B CERTIFICATES.

The following discussion is generally limited to “U.S. owners,” meaning beneficial owners of Taxable 2016B Certificates that for United States federal income tax purposes are individual citizens or residents of the United States, corporations or other entities taxable as corporations created or organized in or under the laws of the United States or any state thereof (including the District of Columbia), and certain estates or trusts with specific connections to the United States. *Partnerships holding Taxable 2016B Certificates, and partners in such partnerships, should consult their own tax advisers regarding the tax consequences of an investment in the Taxable 2016B Certificates (including their status as U.S. owners).*

Information Reporting and Backup Withholding. General information reporting requirements will apply to payments of principal and interest made on a Taxable 2016B Certificate and the proceeds of the sale of a Taxable 2016B Certificate to non-corporate holders of the Taxable 2016B Certificates, and “backup withholding,” currently at a rate of 28%, will apply to such payments if the owner fails to provide an accurate taxpayer identification number in the manner required or fails to report all interest required to be shown on its federal income tax returns. A beneficial owner of a Taxable 2016B Certificate that is a U.S. owner generally can obtain complete exemption from backup withholding by providing a properly completed IRS Form W-9 (Request for Taxpayer Identification Number and Certification).

Medicare Tax Affecting U.S. Owners. For taxable years beginning after December 31, 2012, a U.S. owner that is an individual or estate, or a trust not included in a special class of trusts that is exempt from such tax, is subject to a 3.8% Medicare tax on the lesser of (1) the U.S. owner’s “net investment income” for the taxable year and (2) the excess of the U.S. owner’s modified adjusted gross income for the taxable year over a certain threshold (which in the case of individuals is between \$125,000 and \$250,000, depending on the individual’s circumstances). A U.S. owner’s net investment income generally includes interest income on, and net gains from the disposition of, Taxable 2016B Certificates, unless such interest income or net gains are derived in the ordinary course of a trade or business (other than a trade or business that consists of certain passive or trading activities). A U.S. owner that is an individual, estate, or trust, should consult its tax adviser regarding the applicability of the Medicare tax.

Non-U.S. Owners. Under the Code, the Interest Portion on any Taxable 2016B Certificate whose beneficial owner is not a U.S. owner are generally not subject to United States income tax or withholding tax (including backup withholding) if the non-U.S. owner provides the payor of interest on the Taxable 2016B Certificates with an appropriate statement as to its status as a non-U.S. owner. This statement can be made on IRS Form W-8BEN or a successor form. If, however, the non-U.S. owner conducts a trade or business in the United States and the Interest Portion on the Taxable 2016B Certificates held by the non-U.S. owner is effectively connected with such trade or business, that interest will be subject to United States income tax but will generally not be subject to United States withholding tax (including backup withholding). The foregoing is a brief summary of certain federal income tax consequences to a non-U.S. owner. *Non-U.S. owners should consult their own tax advisers regarding the tax consequences of an investment in the Taxable 2016B Certificates.*

Foreign Account Tax Compliance Act. The Foreign Account Tax Compliance Act (“FATCA”) generally imposes a 30% withholding tax on interest payments and proceeds from the sale of interest-bearing obligations for payments made after the relevant effective date to (i) certain foreign financial institutions that fail to certify their FATCA status and (ii) investment funds and non-financial foreign entities if certain disclosure requirements related to direct and indirect United States shareholders and/or United States accountholders are not satisfied.

Under applicable Treasury regulations, the FATCA withholding tax of 30% will generally be imposed, subject to certain exceptions, on payments of (i) interest on Bonds on or after July 1, 2014, and (ii) gross proceeds from the sale or other disposition of Bonds on or after January 1, 2017, where such payments are made to persons described in the immediately preceding paragraph.

In the case of payments made to a “foreign financial institution” (generally including an investment fund), as a beneficial owner or as an intermediary, the FATCA withholding tax generally will be imposed, subject to certain exceptions, unless such institution (i) enters into (or is otherwise subject to) and complies with an agreement with the U.S. government (a “FATCA Agreement”) or (ii) is required by and complies with applicable foreign law enacted in connection with an intergovernmental agreement between the United States and a foreign jurisdiction (an “IGA”), in either case to, among other things, collect and provide to the U.S. or other relevant tax authorities certain information regarding U.S. account holders of such institution. In the case of payments made to a foreign entity that is not a financial institution (as a beneficial owner), the FATCA withholding tax generally will be imposed, subject to certain exceptions, unless such entity either provides the withholding agent with a certification that it does not have any “substantial” U.S. owner (generally, any specified U.S. person that directly or indirectly owns more than a specified percentage of such entity) or identifies its “substantial” U.S. owners.

If Taxable 2016B Certificates are held through a foreign financial institution that enters into (or is otherwise subject to) a FATCA Agreement, such foreign financial institution (or, in certain cases, a person paying amounts to such foreign financial institution) generally will be required, subject to certain exceptions, to withhold the 30% FATCA tax on payments of dividends or the items described above made to (i) a person (including an individual) that fails to comply with certain information requests or (ii) a foreign financial institution that has not entered into (and is not otherwise subject to) a FATCA Agreement and that is not required to comply with FATCA pursuant to applicable foreign law enacted in connection with an IGA. Coordinating rules may limit duplicative withholding in cases where the withholding described above in “Non-U.S. Holders” or “Information Reporting and Backup Withholding” also applies.

If any amount of, or in respect of, U.S. withholding tax were to be deducted or withheld from payments on Taxable 2016B Certificates as a result of a failure by an investor (or by an institution through which an investor holds the Taxable 2016B Certificates) to comply with FATCA, none of the Board, the Trustee or any other person would, pursuant to the terms of the Taxable 2016B Certificates, be required to pay additional amounts with respect to any Taxable 2016B Certificate as a result of the deduction or withholding of such tax. Non-U.S. owners should consult their tax advisers regarding the application of FATCA to the ownership and disposition of Taxable 2016B Certificates.

RATINGS

Fitch Ratings, Inc. (“Fitch”) and Standard & Poor’s Financial Services LLC (“S&P”) have assigned the 2016 Certificates ratings of “AA-” and “A+”, respectively. Such ratings reflect only the views of Fitch and S&P, and any desired explanation of the significance of these ratings should be obtained from the rating agency furnishing the same, at the following addresses: Fitch at One State Street Plaza, New York, New York 10004 and S&P at 55 Water Street, 38th Floor, New York, New York 10041. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. The respective ratings may subsequently be revised downward or withdrawn entirely by Fitch and S&P, respectively, if in their respective judgment, circumstances warrant. Any subsequent downward revision or withdrawal of such ratings may have an adverse effect on the market price and marketability of the 2016 Certificates.

CONTINUING SECONDARY MARKET DISCLOSURE

The County has covenanted for the benefit of holders of the 2016 Certificates to provide certain financial information and operating data relating to the County by not later than February 1 in each year commencing February 1, 2017 (the "Annual Reports"), and to provide notices of the occurrence of certain enumerated events, if material (the "Notices"). The Annual Reports and the Notices will be filed with the Municipal Securities Rulemaking Board (the "MSRB") through the MSRB's Electronic Municipal Market Access system as described in Appendix F - "FORM OF CONTINUING DISCLOSURE UNDERTAKING." The specific nature of the information to be contained in the Annual Reports and the Notices is set forth in Appendix F - "FORM OF CONTINUING DISCLOSURE UNDERTAKING."

These covenants have been made in order to assist the Underwriter of the 2016 Certificates in complying with S.E.C. Rule 15c2-12(b)(5) (the "Rule"). Pursuant to Arizona law, the ability of the County to provide information pursuant to such covenants is subject to annual appropriation to, among other things, cover the costs of preparing and mailing the Annual Reports and the Notices to the MSRB. A failure by the County to comply with these covenants must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the 2016 Certificates in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the 2016 Certificates and their market price.

UNDERWRITING

The 2016 Certificates will be purchased by the Underwriter at an aggregate purchase price of \$46,202,184.25, pursuant to a certificate purchase contract (the "Certificate Purchase Agreement") entered into by the County, the Trustee and the Underwriter. If the 2016 Certificates are sold to produce the yields shown on the inside front cover page, the Underwriter's compensation will be \$284,950.00. The Certificate Purchase Agreement will provide that the Underwriter will purchase all of the 2016 Certificates so offered if any are purchased. The Underwriter may offer and sell the 2016 Certificates to certain dealers (including dealers depositing 2016 Certificates into unit investment trusts) and others at yields lower than the public offering prices stated on the inside front cover page hereof. The initial offering yields set forth on the inside front cover page may be changed, from time to time, by the Underwriter.

The Underwriter and their respective affiliates are full service financial institutions engaged in various activities, which may include sales and trading, commercial and investment banking, advisory, investment management, investment research, principal investment, hedging, market making, brokerage and other financial and non-financial activities and services. Under certain circumstances, the Underwriter and their affiliates may have certain creditor and/or other rights against the County and its affiliates in connection with such activities. In the various course of their various business activities, the Underwriter and their respective affiliates, officers, directors and employees may purchase, sell or hold a broad array of investments and actively trade securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments for their own account and for the accounts of their customers, and such investment and trading activities may involve or relate to assets, securities and/or instruments of the County (directly, as collateral securing other obligations or otherwise) and/or persons and entities with relationships with the County. The Underwriter and their respective affiliates may also communicate independent investment recommendations, market color or trading ideas and/or publish or express independent research views in respect of such assets, securities or instruments and may at any time hold, or recommend to clients that they should acquire, long and/or short positions in such assets, securities and instruments.

Transportation

Tucson is the economic and transportation center of the County, as well as southern Arizona. Tucson is traversed by Interstates 10 and 19, as well as State Highways 77, 83, 85 and 86. Interstate 10 passes through Tucson and connects Tucson with the City of Phoenix, Arizona, to the north and Los Angeles, California, to the west and New Mexico and Texas to the east. Interstate 19 provides access to the City of Nogales, Arizona and Mexico to the south, while U.S. Highway 86 connects with a direct route to the Gulf of California vacation areas. The main line of the Union Pacific Railroad extends across Tucson to the eastern portion of the County. Tucson International Airport, located approximately 20 minutes from Tucson's downtown business area, provides local, regional, national and international air service through several airlines. The airport has an 11,000-ft. lighted, paved primary runway, a 9,100-ft. paved secondary runway and a 7,000-ft paved runway, all of which can accommodate all major types of carriers. The County is also served by Greyhound bus lines and Amtrak.

Economy

The economy of the County is based largely on a variety of service industries, trade, and government employment. Figures from the Arizona Department of Administration, Office of Employment and Population Statistics indicate that 370,000 persons were employed, on average (not including the agricultural industry), in the County in 2015. The following table presents the County's average annual total employment by industry for the periods indicated. During the recent recession, employment decreased in the County. Beginning in 2011, employment levels have either stabilized or grown across most employment sectors, as reflected in the information shown below.

The average annual unemployment rate for the County in 2015 was 5.5%. The average annual unemployment rates for 2014 and 2013 were 6.2% and 6.8%, respectively. The table below shows comparative unemployment rates for the County, the State and the United States for the periods indicated. As reflected for the United States as a whole, the unemployment rate for Arizona and for the County saw significant increases in 2009 and 2010 but has decreased each year since 2011.

Non-Governmental Employment

During the recent recession, average employment figures in Mining and Construction, Manufacturing, Information and Other Services categories showed declines each year. All other non-governmental employment categories had a decrease of employment in 2010 and/or 2011 which was followed by growth. From 2011 through 2015, employment figures for all non-government categories showed signs of either growth or stabilization, with overall employment up by approximately 16,100 jobs, or 5.8%.

The average annual employment in service-providing categories in 2015 was 253,800. It is anticipated that as the County continues to grow in population and economic activity, service-providing employment will continue to provide the primary source of jobs in the County. As detailed in TABLE 2, employment in the Education and Health Services and Trade, Transportation and Utilities industries have been the primary areas of employment in the service-providing industry.

Government

Government employment plays an important role in the County with federal, State and local government employees averaging 76,300 in 2015, representing 20.6% of the County's total wage and salary employment base. The State, Davis-Monthan Air Force Base and U.S. Border Patrol are significant contributors to government employment in the County. (See "Southern Arizona - Major Employers" listed in TABLE 4.) Davis-Monthan Air Force Base is a major training ground for active duty members on the A-10 "Warthog" aircraft. The facility is also responsible for the education of tactical missile crews. Its storage capacity of 4,400 aircraft is the largest in the world. In the past, Davis-Monthan Air Force Base reportedly has been included on lists of installations considered for closure or realignment by the Defense Base Closure and Realignment Commission. There can be no assurances

that Davis-Monthan Air Force Base will not be included on similar lists in the future. Any such closure or realignment would most likely be subject to review and approval by, among others, the Department of Defense and the President of the United States and would have a negative but unquantifiable effect on the County.

Manufacturing

The manufacturing sector in the County continues to be dominated by the high technology industries of aerospace and electronics. Raytheon Missile Systems, the largest manufacturing company and second largest employer in the County, is a major supplier of advanced munitions. Civilian aviation products and services are provided by Bombardier, which has an aircraft maintenance facility in Tucson; Honeywell Aerospace, which manufactures air data solutions, auxiliary power units, flight management systems and sensors; and B/E Aerospace, which manufactures aircraft cabin and interior products. Ventana Medical Systems provides computerized medical laboratory equipment; IBM Corp. manufactures storage hardware; and Texas Instruments produces electronic circuitry and data storage devices.

Average annual employment in the manufacturing sector within the County in 2015 was 22,700, representing 6.1% of the County's total wage and salary employment base. Manufacturing employment in the County has continued to show small declines in employment each year since the recession.

The following table presents the major manufacturers in the County and Tucson metropolitan area as of April 2015:

The County's proximity to Mexico makes twin plant "maquiladora" operations practical. Components are manufactured in Tucson and transported duty-free to Nogales, Sonora, Mexico, 65 miles south of Tucson, for assembly. These manufacturers contribute to the County's economy in many ways, including the support of numerous suppliers and peripheral industries. The proximity of the Mexican border is more significant to manufacturing concerns given the existence of the North American Free Trade Agreement between Canada, the United States and Mexico. However, the uncertainty of the U.S. and Mexican economies may negatively impact the employment of the previously described manufacturing concerns.

Tourism

Tourism is an important economic mainstay in the County and the Tucson area. The County's climate, historical and cultural sites, location and proximity to vacation areas in California, Mexico, and other Southwest destinations attract vacationers, conventioners and other visitors. The Metropolitan Tucson Convention and Visitors Bureau estimated that 570 convention bookings creating 401,541 room nights in the Tucson area in fiscal year 2014-15, the most recent data available (representing convention sales and sporting events). In the Tucson area, the Bureau estimated that there were approximately 105 hotels and resorts with 12,826 rooms. Points of interest, recreational sites and sight-seeing attractions include the Arizona-Sonora Desert Museum, Kitt Peak National Observatory, Pima Air and Space Museum, Titan Missile Museum, Saguaro National Park, Mission San Xavier del Bac, Mount Lemmon, Sabino Canyon, Biosphere 2, and numerous resorts and golf courses.

According to the Arizona Hospitality Research & Resource Center, tourists in the County spent \$1.647 billion in calendar year 2015, an increase from tourism-related expenditures in calendar year 2014. In calendar year 2014, tourists in the County spent approximately \$1.54 billion, an increase of 3.56% from the prior year.

The figures in the following table include the estimated tourist portion of amusement, bar and restaurant, hotel and motel, and retail gross sales. Shown below are tourist dollars expended in the County and State economies for 2011 through 2015, which is the most current data available as of the date of this Official Statement.

Education

The University of Arizona (the "University") provides approximately 11,235 jobs to the area and is an important link to the economic growth of the County. Its presence as a research university has assisted in attracting new business enterprises over the years. The academic organization of the University is comprised of twelve undergraduate colleges, four graduate and professional colleges and a number of interdisciplinary programs. Enrollment figures for the fall semester of 2015 were estimated at 43,088 undergraduate and graduate full-time students. This enrollment includes students in continuing education programs, interns and residents, post-doctoral programs and on-campus non-credit students.

Pima County Community College offers two-year programs in vocational and technical education. Total student enrollment for Pima County Community College for 2014-15 was 47,588 students.

Wholesale and Retail Trade

Wholesale and retail trade includes restaurants, hotels, taverns, service stations, automobile repair shops, shopping malls and wholesale dealers. The largest individual employers in the retail sector (companies with more than 1,000 employees) are Wal-Mart Stores, Albertsons (includes Safeway), Fry's Food Stores, Target Corp., Circle K Stores Inc., Walgreen Co. and Home Depot.

The retail sales figures set forth below are based on the sales tax collections within the County excluding penalties, late charges and nontaxable items. The sales tax rate levied by the State on retail sales within the County is 5.6%. In addition, cities and towns within the County generally levy a 2% to 4% sales tax. The County Regional Transportation Authority levies a county-wide 0.5% sales tax.

The following table sets forth retail sales figures in the County for the periods indicated. After many years of continued growth, retail sales in the County decreased by 9.86% in calendar year 2009 and by an additional 2.20% in calendar year 2010. In calendar year 2011, retail sales in the County returned to positive growth, increasing by 7.80% from the prior year, and have continued to grow each year, as indicated by the following table.

Financial Institutions

The Federal Deposit Insurance Corporation (FDIC) collects deposit balances for commercial and savings banks as of June 30 of each year. The following table illustrates the summary of bank deposits of all FDIC-insured institutions within the County for the past five fiscal years. As of June 30, 2015, there were 18 institutions with 180 offices in the County, with a deposit balance of approximately \$13.760 billion.

Mining

According to the Arizona Mining Association, Arizona leads the nation in copper production, accounting for approximately 63% of the total U.S. mine production. However, the cyclical nature of this industry has caused consolidation of its resources to improve production. In the early 1980's, the Arizona copper industry's direct economic impact on the Arizona economy regularly exceeded \$1.0 billion, peaking in 1981 at approximately \$1.612 billion when the industry employed roughly 25,000 persons. Since that time, employment in this sector has significantly decreased, with average employment in the mining industry within the County being approximately 2,300 in 2014 and 2015.

Agriculture

Agriculture plays a less significant role in the economy of the County as a whole, but a small portion of the County relies on agriculture as its leading economic source. Principal crops harvested are cotton, wheat and hay, as well as vegetables.

PIMA COUNTY, ARIZONA
Financial Information

Introduction

The fiscal year for the County is from July 1 through June 30. The County's budget process is an ongoing function. Each fiscal year's process starts with the issuance in December of guidelines to all departments within which budgets must be developed. Department budget requests are submitted in February. A review process then takes place culminating with the County Administrator's submission of a proposed budget to the Board in time for budget hearings in mid-June. State statutes require that a tentative budget be adopted by the Board no later than the third Monday in July. At the time the final budget is adopted, which can be no later than the first Monday in August of each year, the Board holds a public hearing and meeting to determine the tax levy needed to support the budget. Taxes are then assessed and levied no later than the third Monday in August.

Expenditure Limitation

Beginning in fiscal year 1981-82, the County became subject to an annual expenditure limitation which is set by the Arizona Economic Estimates Commission. This limitation is based on the County's annual expenditures for fiscal year 1979-80, with this base adjusted to reflect interim population, cost of living and boundary changes. Certain expenditures are specifically exempt from the limit, including expenditures made from federal funds and bond sale proceeds, as well as debt service payments. The limitations can be exceeded for certain emergency expenditures or if approved by the voters. The Constitutional provisions which relate to the expenditure limitation provide three processes to exceed the spending limit: a permanent base adjustment, a one-time override, and a capital project accumulation.

The County's expenditure limitation for the 2014-15 fiscal year was \$525,447,388. The County's expenditures for the 2014-15 fiscal year did not exceed the limit. The County's 2015-16 fiscal year expenditure limitation is \$541,485,059, and the County anticipates that its expenditures for such year will not exceed the limit.

PROPERTY TAX INFORMATION

Recent Constitutional and Statutory Changes Affecting Property Taxes

Beginning in fiscal year 2015-16 and for each fiscal year thereafter, a voter-approved constitutional amendment and related enabling legislation imposes additional limits on the growth in taxable value of most real property and improvements, including mobile homes, used for levying ad valorem property taxes, including both primary and secondary ad valorem taxes. Primary ad valorem taxes are levied for the maintenance and operation of counties, cities, towns, school districts, community college districts and certain special taxing districts as described below. Secondary ad valorem taxes are levied for debt retirement, voter-approved budget overrides and the maintenance and operation of special service districts as described below.

Prior to fiscal year 2015-16, the value of real property and improvements, including mobile homes, used for levying primary ad valorem taxes was based on a limited property value described below ("Primary Property Tax Value") and the value used for levying secondary ad valorem taxes ("Secondary Property Tax Value") was based on full cash value ("Full Cash Value") described below. The Primary Property Tax Value for property increased by the greater of either 10% of the prior year's Primary Property Tax Value or 25% of the difference between the prior year's Primary Property Tax Value and the current year's Full Cash Value. There was no limit on the growth of Full Cash Value or Secondary Property Tax Value. See "Tax Procedure – Determination of Full Cash Value" herein. As more fully described below, property assessment ratios were then applied against these respective values, and property exempt from taxation was netted out of the valuation, to arrive at "Net Assessed Primary Value" and "Net Assessed Secondary Value". The tax rate imposed for primary tax and secondary tax purposes was then applied against the respective Net Assessed Primary or Secondary Value to determine the respective primary and secondary tax levy amounts.

Beginning with fiscal year 2015-16 and thereafter, both primary ad valorem taxes and secondary ad valorem taxes are levied based upon a revised limited property value (the “Limited Property Value”), which (i) for locally assessed property (as described below) in existence in the prior year that did not undergo modification through construction, destruction, split or change in use, is equal to the lesser of (a) the Full Cash Value of the property or (b) an amount five percent greater than the Limited Property Value of such property determined for the prior year and (ii) for centrally valued property (as described below) is equal to the Full Cash Value. Property that is subject to an equalization order that the State Legislature exempts from the above property tax limitation is also valued at Full Cash Value. There is no limit on the growth of Full Cash Value of such exempted or centrally assessed property. The property tax assessment ratios are then applied against the Limited Property Value, and property exempt from taxation is netted out of the Limited Property Value, to arrive at “Net Assessed Limited Property Value.” The tax rates imposed for both primary tax and secondary tax purposes are then applied against the Net Assessed Limited Property Value to determine the respective primary and secondary tax levy amounts.

Because fiscal year 2015-16 is the first year for implementation of the constitutional amendment and use of Limited Property Values and Net Assessed Limited Property Values, there is currently no comparative data for such property values from prior fiscal years to present in this Official Statement. Accordingly, prior-year information is presented using the then-applicable, but now replaced valuation rules, including Net Assessed Primary Values and Net Assessed Secondary Values.

Additional changes may be made to the manner in which properties are valued for tax purposes and taxes are levied. The County cannot determine whether any such measures will become law or how they might affect property tax collections for the County. However, removing or amending limits on the growth rate of Limited Property Value for locally assessed property would require further amendment to the State Constitution.

Ad Valorem Taxes

General

For tax purposes in Arizona, real property is either valued by the Assessor of the County or by the Arizona Department of Revenue. Property valued by the Assessor of the County is referred to as “locally assessed” property and generally encompasses residential, agricultural and traditional commercial and industrial property. Property valued by the Arizona Department of Revenue is referred to as “centrally valued” property and includes: (1) property used in the business of patented or unpatented producing mines, mills and smelters; (2) producing oil, gas and geothermal interests; (3) real property and improvements used for operation of telephone, telegraph, gas, water and electric utilities; (4) aircraft regularly scheduled and operated by an aircraft company; (5) standing timber; (6) pipelines; and (7) personal property, except mobile home.

Primary Taxes

Taxes levied for the maintenance and operation of counties, cities, towns, school districts, community college districts, certain special taxing districts, and the State are primary taxes. These taxes are levied against the Net Assessed Limited Property Value of the taxing jurisdiction. The State does not currently levy ad valorem taxes but the State currently requires a county (including the County) to levy a “State equalization assistance property tax” to provide equalization assistance to school districts in such county which is used to offset the cost of State equalization to those school districts.

The amount of primary taxes levied by a county (including the County), city, town and community college district is constitutionally limited to a maximum increase of 2% over the maximum allowable prior year’s levy limit amount plus any taxes on property not subject to tax in the preceding year (e.g., new construction and property brought into the jurisdiction because of annexation). Each taxing entity’s maximum allowable property tax levy limit amount was rebased to the amount of actual 2005 primary property taxes levied (plus amounts levied against property not subject to taxation in the prior year). The 2% limitation does not apply to primary taxes levied on behalf of school districts.

Primary taxes on residential property only are constitutionally limited to 1% of the Limited Property Value of such property.

Secondary Taxes

Taxes levied for debt retirement, voter-approved budget overrides and the maintenance and operation of special service districts such as sanitary, fire and road improvement districts are secondary taxes. These taxes are levied against the Net Assessed Limited Property Value. There is no limitation on annual levies for voter-approved bond indebtedness and certain special district assessments are also unlimited. Debt service on the Bonds is payable solely from secondary property taxes.

Tax Procedures

Tax Year

The Arizona tax year is defined as the calendar year, although tax procedures begin prior to January 1 of the tax year and continue through May of the succeeding calendar year, when payment of the second installment of property taxes for the prior tax year becomes delinquent.

Determination of Full Cash Value

The first step in the tax process is the determination of the Full Cash Value of each parcel of real property within the State. Full Cash Value is statutorily defined to mean “that value determined as prescribed by statute” or if no statutory method is prescribed it is “synonymous with market value.” “Market value” means that estimate of value that is derived annually by use of standard appraisal methods and techniques, which generally includes the market approach, the cost approach and the income approach. As a general matter, the various county assessors use a cost approach for commercial/industrial property and a sales data approach for residential property. Arizona law allows taxpayers to appeal the county assessor’s valuations by providing evidence of a lower value, which may be based upon another valuation approach.

The Assessor of the County, upon meeting certain conditions, may value residential, agricultural and vacant land at the same Full Cash Value for up to three years. The Assessor of the County currently values existing properties on a two-year cycle.

Arizona law provides for a property valuation “freeze” on Full Cash Value for certain residential property owners 65 years of age and older. Owners of residential property may obtain such freeze against valuation increases (the “Property Valuation Protection Option”) if the owners’ total income from all sources does not exceed 400% (500% for two or more owners of the same property) of the “Social Security Income Benefit Rate.” The Property Valuation Protection Option must be renewed every three years. If the property is sold to a person who does not qualify, the valuation reverts to its then-current Full Cash Value. Any freeze on increases in Full Cash Value will translate to the assessed value of the affected property as hereinafter described.

Following the determination of the Full Cash Value, the Assessor of the County then determines the Limited Property Value by applying any applicable property growth limitations as described under “Recent Constitutional and Statutory Changes Affecting Property Taxes” above.

Assessment Ratios

All property, both real and personal, is assigned a classification to determine its assessed valuation for tax purposes. Each legal classification is defined by property use and has an assessment ratio (a percentage factor) that is multiplied by the applicable Limited Property Value to obtain the assessed valuation. The appropriate property classification ratio is applied to the applicable Limited Property Value of each property parcel to determine the assessed valuation for such parcel. The current assessment ratios for each class of property are set forth in the following table.

**Property Tax Assessment Ratios
Tax Years 2011 through 2016**

Property Classification (a)	Assessment as Percentage of Taxable Value					
	2011	2012	2013	2014	2015	2016
Mining, Utilities, Commercial and Industrial (b)	20%	20%	19.5%	19%	18.5%	18%
Agriculture and Vacant Land (b)	16%	16%	16%	16%	16%	15%
Owner Occupied Residential	10%	10%	10%	10%	10%	10%
Leased or Rented Residential	10%	10%	10%	10%	10%	10%
Railroad, Private Car Company and Airline Flight Property (c)	15%	15%	15%	15%	15%	15%

- (a) Additional classes of property exist, but seldom amount to a significant portion of a taxing jurisdiction's total valuation.
- (b) For tax year 2016, Full Cash Values, up to an amount established by law for each tax year, on commercial, industrial and agricultural personal property are exempt from taxation (for tax year 2016, such maximum amount is \$146,973). This exemption is indexed annually for inflation. Any portion of the Full Cash Value in excess of that amount will be assessed at the applicable rate. The assessment ratio for mining, utility, commercial and industrial property will be reduced to 18% for tax year 2016 and thereafter. The assessment ratio for agricultural and vacant property will be reduced to 15% for tax year 2016 and thereafter.
- (c) This percentage is determined annually to be equal to the ratio of (i) the total Limited Property Value of all mining, utility, commercial, industrial, and military reuse zone properties, agricultural personal property and certain leasehold personal property to (ii) the total Full Cash Value of such properties.

Source: *State and County Abstract of the Assessment Roll*, Arizona Department of Revenue

On or before the third Monday in August of each year, the Board of Supervisors of the County prepares the tax roll that sets forth the valuation by taxing district of all property in the County subject to taxation. The Assessor of the County is required to complete the assessment roll by December 15th of the year prior to the levy. This tax roll also shows the valuation and classification of each parcel of land located within the County for the tax year. The tax roll is then forwarded to the Treasurer. With the various budgetary procedures having been completed by the governmental entities, the appropriate primary and secondary tax rate for each jurisdiction is then applied to the Net Assessed Limited Property Value of each parcel of property in order to determine the total tax owed by each property owner. Any subsequent decrease in the value of the tax roll as it existed on the date of the levy due to appeals or other reasons would reduce the amount of taxes received by each jurisdiction.

The property tax lien on real property attaches on January 1 of the fiscal year the tax is levied. Such lien is prior and superior to all other liens and encumbrances on the property subject to such tax except liens or encumbrances held by the State or liens for taxes accruing in any other years.

The State Legislature, from time to time, may change the manner in which taxes are levied, including changing the assessment ratios and property classifications. The County cannot determine whether any such measures will become law or how they might affect property tax collections for the County. However, removing or amending limits on the growth rate of Limited Property Value for locally assessed property would require further amendment to the State Constitution.

Delinquent Tax Procedures

The property taxes due the County are billed, along with State, County, and other taxes, in September of each year and are payable in two installments on the subsequent October 1 and March 1. The delinquent tax dates are November 1 and May 1 and delinquent taxes are subject to a penalty of 16% per annum unless the full year's taxes are paid by December 31. (Delinquent interest is waived if a taxpayer, delinquent as to the November 1 payment, pays the entire year's tax bill by December 31.) At the close of the tax collection period, the Treasurer

prepares a delinquent property tax list and the property so listed is subject to a tax lien sale in February of the succeeding year. In the event that there is no purchaser for the tax lien at the sale, the tax lien is assigned to the State, and the property is reoffered for sale from time to time until such time as it is sold, subject to redemption, for an amount sufficient to cover all delinquent taxes.

After three years from the sale of the tax lien, the tax lien certificate holder may bring an action in a court of competent jurisdiction to foreclose the right of redemption and, if the delinquent taxes plus accrued interest are not paid by the owner of record or any entity having a right to redeem, a judgment is entered ordering the Treasurer of the County to deliver a treasurer's deed to the certificate holder as prescribed by law.

It should be noted that in the event of bankruptcy of a taxpayer pursuant to the United States Bankruptcy Code (the "Bankruptcy Code"), the law is currently unsettled as to whether a lien can attach against the taxpayer's property for property taxes levied during the pendency of bankruptcy. Such taxes might constitute an unsecured and possibly noninterest bearing administrative expense payable only to the extent that the secured creditors of a taxpayer are over secured, and then possibly only on the prorated basis with other allowed administrative claims. It cannot be determined, therefore, what adverse impact bankruptcy might have on the ability to collect ad valorem taxes on a property of a bankrupt taxpayer within the County. Proceeds to pay such taxes come only from the taxpayer or from a sale of the tax lien on the property.

When a debtor files or is forced into bankruptcy, any act to obtain possession of the debtor's estate, any act to create or perfect any lien against the property of the debtor or any act to collect, assess or recover a claim against the debtor that arose before the commencement of the bankruptcy would be stayed pursuant to the Bankruptcy Code. While the automatic stay of a bankruptcy court may not prevent the sale of tax liens against the real property of a bankrupt taxpayer, the judicial or administrative foreclosure of a tax lien against the real property of a debtor would be subject to the stay of a bankruptcy court. It is reasonable to conclude that "tax sale investors" may be reluctant to purchase tax liens under such circumstances, and, therefore, the timeliness of post-bankruptcy petition tax collections becomes uncertain.

It cannot be determined what impact any deterioration of the financial condition of any taxpayer, whether or not protection under the Bankruptcy Code is sought, may have on payment of or the secondary market for the Bonds. Neither the County nor the Underwriters have undertaken any independent investigation of the operations and financial condition of any taxpayer, nor have they assumed responsibility for the same.

In the event the Treasurer is expressly enjoined or prohibited by law from collecting taxes due from any taxpayer, such as may result from the bankruptcy of a taxpayer, any resulting deficiency could be collected in subsequent tax years by adjusting the County's tax rate charged to non-bankrupt taxpayers during such subsequent tax years.

Property Valuations

The following tables list the property valuations for the County for fiscal year 2015-16. The County's preliminary Net Assessed Limited Property Value for fiscal year 2016-17 is estimated at \$7,816,699,760, an increase of approximately 2.59% from fiscal year 2015-16. As used herein, "Estimated Net Full Cash Value" is the Full Cash Value net of the estimated Full Cash Value of property exempt from taxation. For more information on constitutional and statutory changes in the taxable values of property beginning in fiscal year 2015-16 and thereafter, see "Recent Constitutional and Statutory Changes Affecting Property Taxes" above.

- (a) Includes general obligation bonds outstanding. Does not include outstanding principal amount of various cities and towns improvement districts' bonded debt and outstanding principal amount of various County improvement districts' bonded debt, as the indebtedness of these districts is presently being paid from special assessments levied against property owners residing within the various improvement districts. Also does not include various fire districts.

Also does not include the obligation of the Central Arizona Water Conservation District ("CAWCD") to the United States of America, Department of the Interior, for repayment of certain capital costs for construction of the Central Arizona Project ("CAP"), a major reclamation project that has been substantially completed by the Department of the Interior. The obligation is evidenced by a master contract between CAWCD and the Department of the Interior. In April of 2003, the United States and CAWCD agreed to settle litigation over the amount of the construction cost repayment obligation, the amount of the respective obligations for payment of the operation, maintenance and replacement costs and the application of certain revenues and credits against such obligations and costs. Under the agreement, CAWCD's obligation for substantially all of the CAP features that have been constructed so far will be set at \$1.646 billion, which amount assumes (but does not mandate) that the United States will acquire a total of 667,724 acre feet of CAP water for federal purposes. The United States will complete unfinished CAP construction work related to the water supply system and regulatory

storage stages of CAP at no additional cost to CAWCD. Of the \$1.646 billion repayment obligation, 73% is interest bearing and the remaining 27% is non-interest bearing. These percentages are fixed for the entire 50-year repayment period, which commenced October 1, 1993. CAWCD is a multi-county water conservation district having boundaries coterminous with the exterior boundaries of Arizona's Maricopa, Pima and Pinal Counties. It was formed for the express purpose of paying administrative costs and expenses of the CAP and to assist in the repayment to the United States of the CAP capital costs. Repayment will be made from a combination of power revenues, subcontract revenues (i.e., agreements with municipal, industrial and agricultural water users for delivery of CAP water) and a tax levy against all taxable property within CAWCD's boundaries. At the date of this Official Statement, the tax levy is limited to fourteen cents per \$100 of Net Assessed Limited Property Value, of which fourteen cents is being currently levied. (See Sections 48-3715 and 48-3715.02, Arizona Revised Statutes.) There can be no assurance that such levy limit will not be increased or removed at any time during the life of the contract.

- (b) The County's total tax rate shown includes the County's primary and secondary debt service tax rates, the State equalization tax rate of \$0.5054, the \$0.5153 tax rate of the Free Library District, the \$0.1400 tax rate of the CAP and the \$0.0467 tax rate of the Fire District Assistance Tax.
- (c) The boundaries of the Pima County Flood Control District are coterminous with those of the County; however, the Flood Control District only levies taxes on real property.
- (d) The tax rate shown is a weighted average based on each jurisdiction's proportionate amount of Net Assessed Limited Property Value.
- (e) The combined tax rate includes the tax rate for debt service and for all other purposes such as maintenance and operation and capital outlay.
- (f) The following table lists general obligation bonds authorized but unissued for the County and jurisdictions within the County.

Retirement Plans

The County does not own or administer retirement plans but contributes to four separate State owned and managed defined benefit pension plans for the benefit of all full-time employees and elected officials. Please refer to “Note 9 - Retirement Plans” of Appendix E hereto for a more detailed description of these plans and the County contributions to the various State plans.

New Reporting Requirements. In June 2012, the Government Accounting Standards Board issued GASB Statement 68, effective for the County’s fiscal year ended June 30, 2015. This statement revises existing standards for measuring and reporting pension liabilities for pension plans provided to County employees and requires recognition of a liability equal to the County’s proportionate share of net pension liability, which is measured as the total pension liability less the amount of the pension plan’s fiduciary net position. The total pension liability is determined by discounting projected benefit payments based on the benefit terms and legal agreements existing at the pension plan’s fiscal year end. For fiscal year 2015, the County is reporting a net pension liability of \$697 million, which includes, \$47 million of net deferred outflows, \$84 million of incremental pension expense, and a \$622 million reduction in unrestricted net position.

1. The Arizona State Retirement System (“ASRS”), a cost-sharing, multiple employer defined benefit plan, has reported increases in its unfunded liabilities. The most recent annual reports for the ASRS may be accessed at: <https://www.azasrs.gov/content/annual-reports>.

For the year ended June 30, 2015, active ASRS members and the County were each required by statute to contribute at the actuarially determined rate of 11.60% (11.48% for retirement and for health insurance premiums, and 0.12% for long-term disability) of the member’s annual covered payroll. The annual contribution rate for the fiscal year ending June 30, 2016 is 11.47% (11.35% for retirement and for health insurance premiums, and 0.12% for long-term disability). The County’s employer contributions to ASRS for the year ended June 30, 2015 was \$25.2 million, which was equal to the required contribution for such year, and the budgeted contribution for the fiscal year ending June 30, 2016 is \$29.0 million. The contributions by County employees to ASRS are collectively equal to the contributions made by the County.

Enacted State legislation made changes to how the ASRS operates, effective July 1, 2011, which includes requiring employers to pay an alternative contribution rate for retired employees of ASRS that return to work, changing the age at which an employee can retire without penalty based upon years of service, limiting permanent increases in retirement benefits and establishing a Defined Contribution and Retirement Study Committee (as defined in the legislation) that will review the feasibility and cost of changing the current defined benefit plan of ASRS to a defined contribution plan.

2. The Arizona Public Safety Personnel Retirement System (“PSPRS”), an agent multiple-employer defined benefit plan that covers public safety personnel who are regularly assigned to hazardous duties, for which

the Arizona State Legislature establishes and may amend active plan members' contribution rate, has reported increases in its unfunded liabilities. The most recent annual reports for the PSPRS may be accessed at http://psprs.com/sys_psprs/AnnualReports/cato_annual_rpts_psprs.htm.

For the year ended June 30, 2015, active PSPRS members were required by statute to contribute 11.05 percent of the members' annual covered payroll, and the County was required to contribute at the actuarially determined rate of 41.92 percent, the aggregate of which is the actuarially required amount. As allowed by statute, the County also contributed 3.65 percent of the members' required contribution, with the members' net contribution as a result falling to 7.40 percent.

For the fiscal year ending June 30, 2016, the employee contribution rate increased to 8.00% for employees hired before January 1, 2015, and to 11.65% for employees hired on or after January 1, 2015 (net of the 3.65% paid by the County in both cases). The County's employer contribution rate increased to 53.69% for employees hired before January 1, 2015 and to 50.04% for employees hired on or after January 1, 2015 (not including, in each case, the 3.65% of the member's required contribution that the County also pays as noted above).

The employer contribution rates for the fiscal year ending June 30, 2016, noted above reflect the impact of an Arizona Supreme Court decision which determined that the reduction in a permanent benefit increase enacted by the State Legislature in 2011 is unconstitutional. As a result, the County's contribution to the PSPRS was required to increase to provide funding for the benefit increase that was not funded for several years. The County made up this funding by an increase in its employer contribution rates in fiscal year 2015-16, although the Board of Directors of the PSPRS adopted an alternative three-year phase in of higher contribution rates that employers could optionally choose for funding the benefit increase that was not previously funded. Other litigation related to the 2011 legislation remains outstanding. If the ultimate outcome overturns additional portions of the 2011 legislation, there may be further adverse impacts on the unfunded liability of the PSPRS and the actuarially determined contribution rates for the PSPRS.

3. The Corrections Officers Retirement Plan ("CORP"), an agent multiple-employer defined benefit plan that covers certain County employees whose primary duties require direct inmate contact, for which the Arizona State Legislature establishes and may amend active plan members' and the County's contribution rates, has reported increases in its unfunded liabilities. The most recent annual reports for the CORP may be accessed at: http://psprs.com/sys_corp/AnnualReports/cato_annual_rpts_corp.htm.

For the year ended June 30, 2015, active CORP members were required by statutes to contribute 8.41 percent of the member's annual covered payroll, and the County was required to contribute at the actuarially determined rate of 17.76 percent, the aggregate of which is the actuarially required amount. The health insurance premium portion of the contribution rate was actuarially set at 1.05 percent of covered payroll. For the year ending June 30, 2016, active members are required by statute to contribute 8.41% of the member's annual covered payroll and the County is required to contribute at the actuarially determined rate of 22.97%.

4. The Elected Officials Retirement Plan (EORP) which covers County elected officials is relatively insignificant to the County's financial picture.

The effect of the increase in the unfunded liabilities for these four state plans is expected to result in increased contributions by the County and its employees, however the specific increases for the County's and its employees' future annual contributions cannot be determined at this time.

Other Post Employment Benefits

Government Accounting Standards Board Statement Number 45, *Accounting by Employers for Post-Employment Benefits Other than Pensions* ("GASB 45") requires reporting the actuarially accrued cost of post-employment benefits, other than pension benefits ("OPEB"), such as health and life insurance for current and future retirees. The County does not provide post-employment benefits and has no OPEB costs and liabilities.

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, business-type activities, discretely presented component unit, each major fund, and aggregate remaining fund information of Pima County as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of certain departments, one major fund, and the component unit, which account for the following percentages of the assets and deferred outflows, liabilities and deferred inflows, revenues, and expenses or expenditures of the opinion units affected.

Those statements were audited by other auditors whose reports have been furnished to us, and our opinions, insofar as they relate to the amounts included for those entities, are based solely on the reports of the other auditors. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the County's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the reports of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, discretely presented component unit, each major fund, and aggregate remaining fund information of Pima County as of June 30, 2015, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with U.S. generally accepted accounting principles.

Emphasis of Matter

As discussed in Note 2 to the financial statements, for the year ended June 30, 2015, the County adopted new accounting guidance, Governmental Accounting Standards Board Statement (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions*, as amended by GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date*. Our opinions are not modified with respect to this matter.

Other Matters

Required Supplementary Information

U.S. generally accepted accounting principles require that the Management's Discussion and Analysis on pages 15 through 33, the Budgetary Comparison Schedules on pages 97 and 98, Schedule of the County's Proportionate Share of the Net Pension Liability—Cost-Sharing Pension Plans on page 99, Schedule of Changes in the County's Net Pension Liability and Related Ratios—Agent Pension Plans on pages 100 and 101, Schedule of County Pension Contributions on page 102, and Schedule of Agent OPEB Plans' Funding Progress on page 104 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with U.S. generally accepted auditing standards, which consisted of inquiries of management about the methods of preparing the

information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary and Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The combining and individual fund statements and schedules and the introductory and statistical sections listed in the table of contents are presented for purposes of additional analysis and are not required parts of the basic financial statements.

The combining and individual fund statements and schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the combining and individual fund statements and schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

Compliance Over the Use of Highway User Revenue Fund and Other Dedicated State Transportation Revenue Monies

In connection with our audit, nothing came to our attention that caused us to believe that the County failed to use highway user revenue fund monies received by the County pursuant to Arizona Revised Statutes Title 28, Chapter 18, Article 2, and any other dedicated state transportation revenues received by the County solely for the authorized transportation purposes, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the County's noncompliance with the use of highway user revenue fund monies and other dedicated state transportation revenues, insofar as they relate to accounting matters.

The communication related to compliance over the use of highway user revenue fund and other dedicated state transportation revenue monies in the preceding paragraph is intended solely for the information and use of the members of the Arizona State Legislature, the Board of Supervisors, management, and other responsible parties within the County and is not intended to be and should not be used by anyone other than these specified parties.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we will issue our report on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters at a future date. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

Management's Discussion and Analysis

Pima County, Arizona
Management's Discussion and Analysis
For the Year Ended June 30, 2015

Our discussion and analysis of the County's financial performance provides an overview of the County's financial activities for the year ended June 30, 2015. Please read it in conjunction with the transmittal letter which begins on page 1 and the County's basic financial statements, which begin on page 35. All dollar amounts are expressed in thousands (000's) unless otherwise noted.

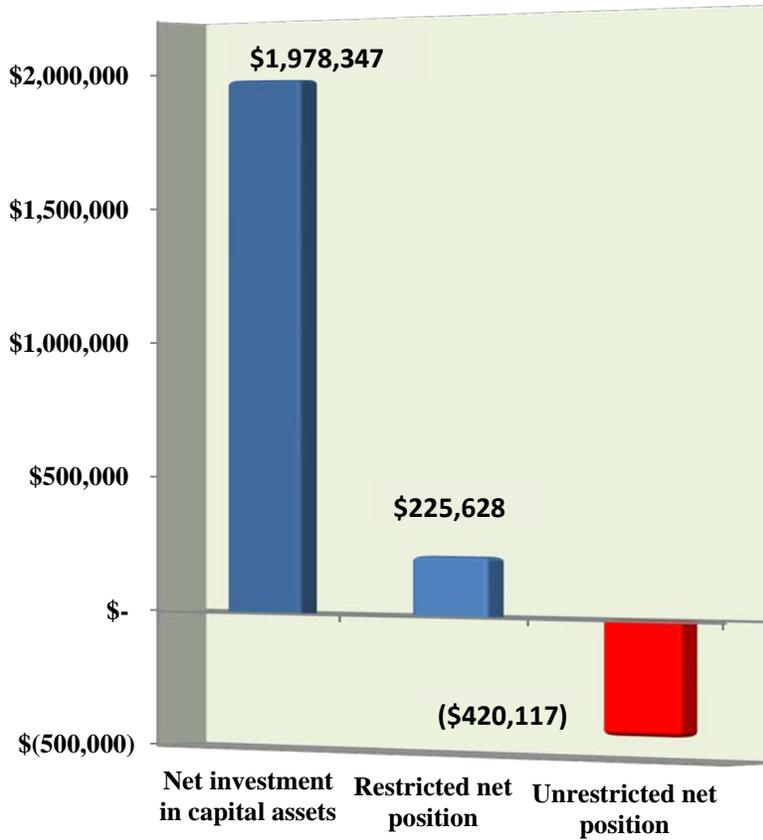

Financial Highlights

- The County's total net position decreased \$575,960, primarily due to the implementation of the provisions of GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*, as amended by GASB Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date* (GASB 68).
- Governmental Activities unrestricted net position decreased from \$84,514 in fiscal year 2013-14 to a deficit of (\$507,127) in the current fiscal year, while Business-type Activities unrestricted net position decreased by \$30,415 from \$117,425 in the prior fiscal year to \$87,010 in the current fiscal year, primarily due to the implementation of GASB 68.
- The County's primary sources of revenue come from taxes, grants and contributions, charges for services, and state shared taxes as displayed below:

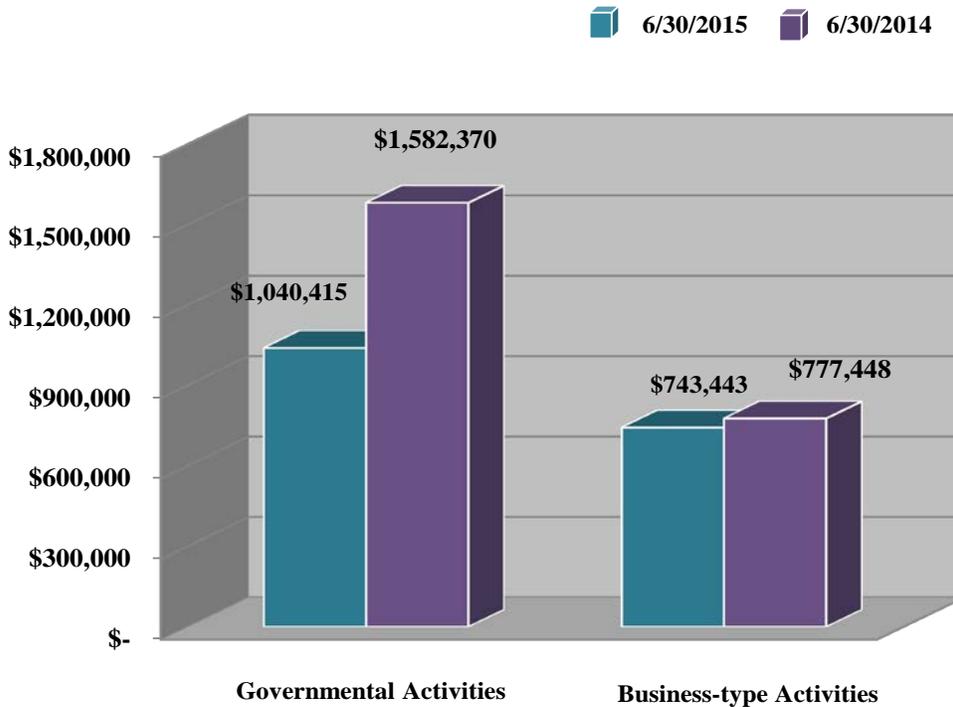

- The County's total net position at June 30, 2015, is \$1,783,858. Composition of net position is illustrated in the following chart.

Composition of Net Position, as of June 30, 2015

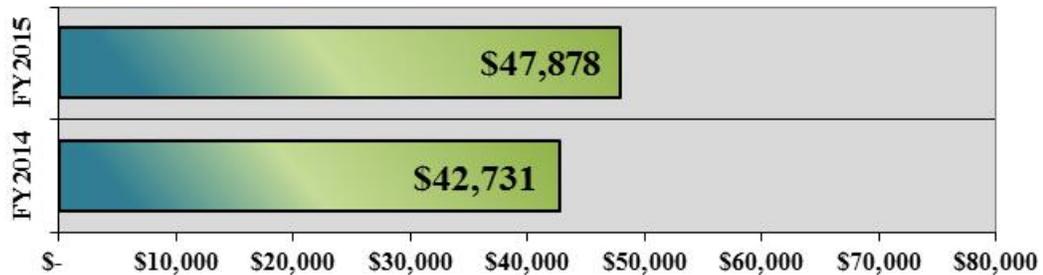

- Governmental Activities total net position at June 30, 2015, is \$1,040,415, a decrease of \$541,955 (34.3%) from the prior fiscal year. Business-type Activities total net position decreased by \$34,005 (4.4%) in the current fiscal year, closing at \$743,443.

Comparative Total Net Position

- The General Fund unassigned fund balance increased by 12% to \$47,878, from \$42,731 in the prior fiscal year. The unassigned fund balance comprises 91.9% of the total fund balance of \$52,125.

General Fund - Unassigned Fund Balance

The County continues to use debt to finance the construction of roads, streets, and buildings, and reports long-term liabilities related to programs. During the current year, total capital assets increased \$30,778 (1.0%); long-term liabilities increased \$622,742 (41.4%).

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements. The County's basic financial statements consist of three components: (1) Government-wide statements, (2) Fund statements, and (3) Notes. Required supplementary information is included in addition to the basic financial statements.

Government-wide financial statements are designed to provide readers with a broad overview of County finances in a manner similar to a private-sector business.

The *statement of net position* presents information on all County assets, deferred outflows of resources, liabilities and deferred inflows of resources. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The *statement of activities* presents information showing how net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation or sick leave).

Both of these government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (*governmental activities*) in contrast to other functions that are intended to recover all or a portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the County include general government, public safety, highways and streets, sanitation, health, welfare, culture and recreation, and education and economic opportunity. The business-type activities of the County include: Regional Wastewater Reclamation (RWR), Development Services, and the County's downtown parking garages.

A discretely presented component unit is included in the basic financial statements. It consists of one legally separate entity for which the County is financially accountable. The County reports the Southwestern Fair Commission, which operates the County Fairgrounds and the annual Pima County Fair, as a discretely presented component unit.

The government-wide financial statements can be found on pages 35-37.

Fund financial statements are groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other state and local governments, uses fund accounting to ensure and demonstrate finance-related legal compliance with applicable state statutes and Federal Office of Management and Budget budgeting guidelines. All of the funds can be divided into three categories: (1) *governmental funds*, (2) *proprietary funds*, and (3) *fiduciary funds*.

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of expendable resources*, as well as on *balances of expendable resources* available at the end of the fiscal year. Such information may be useful in evaluating the County's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and changes in fund balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The County maintains fifteen individual governmental funds. Information is presented separately in the Governmental Fund Balance Sheet and in the Governmental Fund Statement of Revenues, Expenditures and Changes in Fund Balances for the General, Capital Projects, and Debt Service funds which are reported as major funds. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements.

The governmental fund financial statements can be found on pages 38-41. The combining statements for non-major governmental funds can be found on pages 106-109.

Proprietary funds are maintained in two ways. *Enterprise funds* are used to report the same functions presented as *business-type* activities in the government-wide financial statements. The County uses enterprise funds to account for sewer systems maintenance and operation, real estate-related development services, and parking garage operations. *Internal service funds* are an accounting device used to accumulate and allocate costs internally among the County's various functions. The County uses internal service funds to account for employee health and health related benefits, risk management, automotive fleet maintenance and operations, printing services, telecommunications, wireless, and information technology network infrastructure. Because these services predominantly benefit governmental rather than business-type functions, all of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources of these services have been included within *governmental activities* in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The RWR Enterprise Fund is considered to be a major fund of the County. Data from the other enterprise funds are combined into a single, aggregated presentation. Similarly, the County's internal service funds are combined into a single, aggregated presentation in the proprietary funds financial statements. Individual fund data for the other enterprise and internal service funds are provided in the form of combining statements.

The proprietary fund financial statements can be found on pages 42-45. The combining statements for other enterprise and internal service funds can be found on pages 125-132.

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the County's programs.

The fiduciary fund financial statements can be found on pages 46-47.

Notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes can be found on pages 48-96.

Required Supplementary Information (RSI) is presented concerning the County's General Fund budgetary schedule and the schedule of the County's Proportionate Share of The Net Pension Liability for Cost Sharing Plans, The Schedule of Changes in the County's Net Pension Liability and Related Ratios for Agent Pension Plans, the

Schedule of County Pension Contributions, and the Schedule of Agent OPEB Plans' Funding Progress. Required supplementary information can be found on pages 97-104.

Combining Statements and Other Schedules referred to earlier provide information for non-major governmental, enterprise, internal service, and fiduciary funds and are presented immediately following the required supplementary information. Combining and individual fund statements and schedules can be found on pages 106-136.

Government-Wide Financial Analysis

As noted earlier, net position may serve as a useful indicator of a government's financial position over time. An analysis of the results of operations is also useful. The schedule below identifies variances in the results of operations.

Schedule of Results of Operations and Net Position For the Years Ended June 30, 2015 and 2014			
	2015	2014	Variance
Charges for services	\$ 245,000	\$ 246,421	\$ (1,421)
Operating grants and contributions	126,897	113,129	13,768
Capital grants and contributions	48,424	61,390	(12,966)
Total program revenues	<u>420,321</u>	<u>420,940</u>	<u>(619)</u>
Total general revenues and transfers	<u>592,725</u>	<u>545,804</u>	46,921
Total program and general revenues	<u>1,013,046</u>	<u>966,744</u>	46,302
Total expenses	973,479	922,503	50,976
Change in net position	<u>\$ 39,567</u>	<u>\$ 44,241</u>	<u>\$ (4,674)</u>

Total program and general revenues increased \$46,302, primarily due to the increase of \$46,921 in total general revenues and transfers. Operating grants and contributions increased \$13,768, partially offset by a decrease of \$12,966 in capital grants and contributions. Total expenses increased \$50,976, resulting in a decrease of \$4,674 (10.6%) in change of net position.

An explanation of each of these changes is discussed further in the following governmental and business-type activities sections.

The graph presented below illustrates at a summary level and detail level the changes in the elements of the Statement of Net Position for the County at June 30, 2015, and June 30, 2014.

**Summary of Assets, Deferred Outflows of Resources,
Liabilities, Deferred Inflows of Resources and Total Net Position**

A general discussion of significant variances between fiscal years follows. For a more detailed discussion, please see the governmental activities and business-type activities sections immediately following this section.

Total County assets at June 30, 2015, were \$3,954,841, representing a decrease of \$21,456 (0.5%) from the prior year. Total liabilities were \$2,220,959, an increase of \$600,960 (37.1%) from the prior year. Deferred outflows of resources increased from \$3,520 to \$127,865, while deferred inflows totaled \$77,889. No deferred inflows were reported the prior year.

The largest portion of the County's net position reflects its net investment in capital assets (i.e., land, buildings, infrastructure, and equipment), less any related outstanding debt used to acquire those assets. At June 30, 2015, net investment in capital assets totaled \$1,978,347, an increase of \$37,023 (1.9%) from the prior year. The County uses a portion of these capital assets to provide services to its citizens, with the other portion available to its citizens for use; consequently, these assets are *not* available for future spending. Although the County's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Resources subject to external restrictions on how they may be used comprise the restricted net position of \$225,628, representing an increase of \$9,073 (4.2%) from the prior year and approximately 12.6% of total net position.

As indicated in the Financial Highlights section, unrestricted net position decreased \$622,056 in the current year, due to the restatement of net position as of July 1, 2014, in connection with implementation of GASB 68.

The following schedule presents, on a comparative basis, both governmental activities and business-type activities within the Statement of Net Position.

Analysis of Net Position for Governmental activities

Current and other assets decreased by \$20,745 (4.2%) from \$499,542 in the prior fiscal year, mainly due to a decrease of \$13,437 in cash and cash equivalents, primarily within capital projects and transportation, and a change in internal balances as a result of transfers between RWR and Capital Projects.

Capital assets increased \$45,567 (2.3%) to \$2,011,236, primarily due to the following increases:

- Acquisition of Painted Hills for \$7,555.
- Purchase of land at Tucson Mountain Park for \$1,211.
- Acquisition of Stardust property for \$8,751.
- Increase in machinery and equipment of \$8,455.
- Completion of Roy Place building restoration project for \$1,060.
- Completion of tenant improvements at Administration East building, 4th floor, for \$1,051.

Additionally, the completion of the Public Service Center and other buildings provided an increase of \$7,493 in building assets for the County.

The implementation of GASB 68, which included a restatement of net position, also significantly contributed to the following changes:

- An increase of \$118,719 in total deferred outflows of resources.
- An increase of \$70,168 in total deferred inflows of resources.
- An increase of \$634,645 in long-term liabilities.
- A decrease of \$591,641 in unrestricted net position.

Analysis of Net Position for Business-type activities

Current and other assets of \$223,188 represents a decrease of \$31,489 (12.4%) compared to the prior year, primarily due to a decrease in restricted cash and cash equivalents for RWR of \$28,443.

The decrease in capital assets of \$14,789 (1.2%) is primarily due to the closure of the Randolph Park Reclamation Facility, which reported a net loss of \$27,554.

The increase of \$5,626 in deferred outflows of resources, and the increase of \$7,721 in deferred inflows of resources is due to the implementation of GASB 68.

Long-term liabilities decreased a net of \$11,903 (1.7%) primarily due to a decrease of \$55,974 offset with an increase of \$44,154 for the net pension liability. The decreases in liabilities were from the following:

- \$40,980 decrease for payments of RWR bonds, obligations and loans.
- \$8,150 for bond discount and premium.
- \$6,844 decrease in contract retention for construction projects.

In summary, the decrease of \$41,938 in the current year's change in net position is primarily due to a decrease in total revenues of \$2,560 and an increase in total expenses of \$39,796. Total net position of \$743,443 at June 30, 2015, represents a 4.4% decrease from the prior year.

Revenues

Total revenues of \$824,513 was an increase of \$48,862 (6.3%) over the prior year, primarily due to an increase of \$45,506 (12.0%) in property taxes, an increase of \$4,994 (4.0%) in State-shared taxes, partially offset by a decrease in investment earnings of \$1,024 and a decrease of \$1,286 in other general revenues. The property tax increase is primarily due to a higher primary property tax rate, while the property valuations remained relatively stable.

Program revenues increased \$672 (0.3%) over the prior year, primarily from an increase of \$13,733 (12.1%) in operating grants and contributions, offset by a decrease of \$12,013 (22.0%) in capital grants and contributions, and a decrease of \$1,048 (1.6%) in charges for services.

The chart below presents general and program revenues, as a percentage to total revenues. The amount provided from each revenue source for governmental activities, as a percentage to total revenue for governmental activities, has not changed significantly from the prior fiscal year. Property taxes, operating grants, and state-shared taxes account for approximately 82.7% of the County's revenues.

General and Program Revenues - Governmental Activities

Expenses

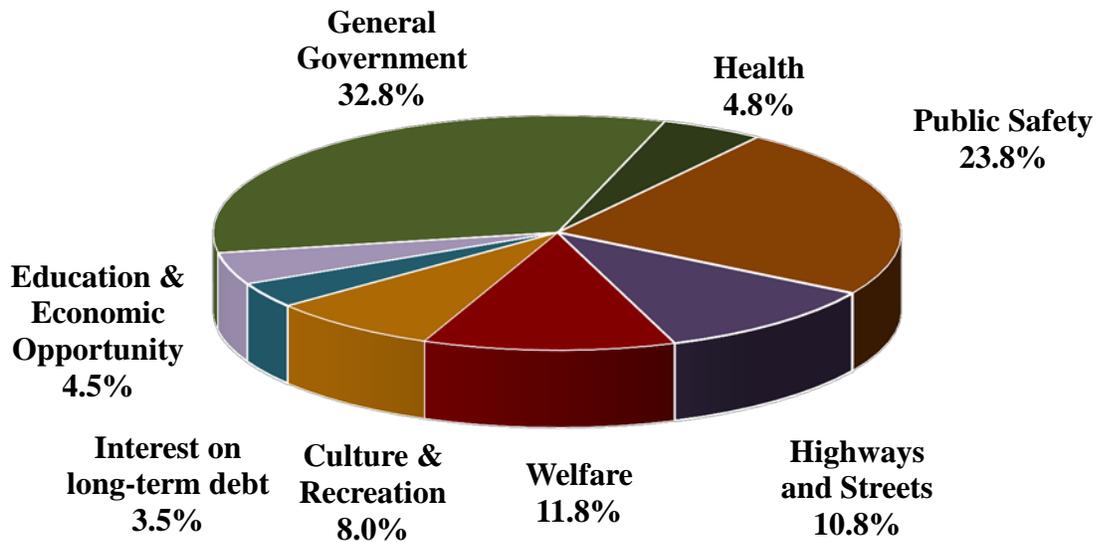

Total expenses increased \$11,180 or 1.5% over the prior year, primarily due to the increase of \$28,992 (12.6%) in general government expenses, partially offset by a decrease of \$8,057 (8.6%) in highways and streets expenses and a decrease of \$9,134 in sanitation expenses. The general government increase of \$28,992 includes \$24,492 due to the implementation of GASB 68. The highways and streets decrease of \$8,057 is due to current year's transportation expenses of \$50,804 representing a decrease from transportation project expenses in the prior year (\$59,397). Project expenses vary from year to year, some of the larger highways and streets cost increases and decreases are as follows:

- Valencia Road - Alvernon Way, increase of \$4,139.
- Magee Road – La Canada Drive – Oracle Road, increase of \$1,328.
- Valencia Road - Mark Road - Wade Road, increase of \$4,538.
- La Cholla Blvd. – Magee Road – Overton Road, decrease of \$6,484.
- La Canada – River Road – Ina Road, decrease of \$3,634.
- Orange Grove – Camino de la Tierra – La Cholla Blvd., decrease of \$3,119.
- Ina Road at Oracle Road, decrease of \$2,302.
- Houghton Road – I10 – Tanque Verde Road, decrease of \$2,572.
- Homer Davis Elementary Bicycle and Pedestrian Enhancement, decrease of \$1,424.

The decrease of \$9,134 in sanitation expenses is primarily due to a decrease of \$7,696, resulting from a change in the estimate for the landfill liability.

The following chart presents expenses by function as a percentage to total expenses. The amount of each expense by function as a percentage to total expenses has not changed significantly from the prior fiscal year. General government, public safety, and welfare account for approximately two-thirds of the County's total expenses.

Expenses by Function - Governmental Activities

The current year's excess before contributions and transfers total of \$44,620 and transfers (out) of \$17,133 result in a change in net position of \$27,487, representing an increase of \$37,264 over the prior year's change in net position deficit of (\$9,777).

At July 1, 2014, the governmental activities beginning net position was restated due to the implementation of the provisions of GASB 68. Ending net position of \$1,040,415 in the current year is a decrease of \$541,955 from the prior year amount of \$1,582,370 (before the restatement); the decrease resulted primarily from the aforementioned GASB 68 implementation.

Business-type activities

Business-type activities, which are composed exclusively of enterprise funds, are intended to recover all or a significant portion of their costs through user fees and charges. The following schedule shows changes in the net position for business-type activities.

Revenues

Total revenues for business-type activities decreased \$2,560 (1.3%) mainly due to a decrease in capital grants and contributions of \$953 (14.0%) resulting from a decrease in the RWR capital contributions, and a decrease of \$935 (63.0%) in other general revenues.

Expenses

Total expenses for business-type activities increased \$39,796 (25.9%), largely due to the increase of \$39,767 (27.4%) in RWR expenses, including capitalized interest expense of \$5,558 and the loss on disposal of capital assets of \$29,542, mainly due to the \$27,554 loss from the closure of the Randolph Park Reclamation Facility.

Financial Analysis of the County's Funds

As noted earlier, the County uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements and generally accepted accounting principles (GAAP).

Governmental funds

The County's general government functions are accounted for in the General, Capital Projects, Debt Service, and Special Revenue funds. Included in these funds are special districts governed by the Board of Supervisors (i.e. Flood Control, Library and Stadium Districts) acting as the Board of Directors for each district. The focus of the County's governmental funds is to provide information on near-term inflows, outflows and balances of expendable resources. Such information is useful in assessing the County's financing requirements. In particular, unassigned fund balances may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

Major Governmental Funds

General Fund

The General Fund is the chief operating fund of the County.

Property taxes revenues for the General Fund increased \$43,875 reflecting a higher primary property tax rate, while property valuation remained relatively stable. Intergovernmental revenues increased \$6,506 primarily due to increases in the state-shared sales tax and state-shared vehicle license tax associated with an anticipated gradual recovery in the local economy. Overall, revenues for the General Fund increased \$54,385.

General fund expenditures increased \$27,441, primarily due to:

- An increase of \$10,969 in general government, which includes current year operating expenditures of \$4,925 that are no longer allocated to other departments, \$4,365 increase in the Elections and Recorder departments primarily associated with primary and general elections held during the year, and \$1,387 increase in facilities management department due to higher operating costs.
- An increase of \$13,056 in culture and recreation expenditures as a result of two property acquisitions, Stardust property and Painted Hills.

Other financing sources-installment note increased \$11,500 from two notes payable: one financing \$7,000 towards the acquisition of Stardust property, and the other financing \$4,500 towards purchase of the Painted Hills property.

Transfers in decreased \$14,659 in the current year, primarily due to a one-time transfer in of \$18,500 from residual Pima Health Services transition monies in the prior year.

Transfers (out) increased \$7,523, primarily due to transfers out of \$6,117 to the information technology fund, an internal services fund, in accordance with a budget initiative to provide capital and operating costs in support of the County's information technology infrastructure.

The \$54,385 increase in revenues, the \$27,441 increase in expenses, and a total net increase of \$10,667 in other financing uses yielded an increase of \$16,277 in net change in fund balance, which ended the year at \$52,125.

Budget to Actual Comparison for the General Fund

Overall, actual revenues were lower than budgeted revenues by \$251 and actual expenditures were less than budgeted expenditures by \$23,977.

Actual expenditures for the General Fund were less than budgeted, primarily within General government- County Administration. The Board of Supervisors' contingency is available to respond to changing needs or unforeseen circumstances. The under budget variance was primarily due to the contingency expenditures being \$25,480 less than budgeted.

No variances between the budget to actual amounts at the departmental level were significant enough to affect the County's ability to provide future services.

Capital Projects Fund

Revenues for the Capital Projects Fund decreased \$3,089, primarily due to a \$7,000 decrease in Regional Transportation Authority revenue that was partially offset by an increase in state and city revenue of \$4,501.

Expenditures (capital outlays) decreased \$34,958. This variance results from decreases in capital expenditures from prior year programs. In fiscal year 2013-14, \$15,000 more was spent on telecommunications equipment than in fiscal year 2014-15; additionally, transportation project expenditures reported a decrease of \$8,057 in the current year, as indicated in the analysis of the governmental activities.

The \$72,025 face amount of long-term debt issued represents a decrease of \$6,135 from fiscal year 2013-14. Proceeds received included \$57,025 from certificates of participation and \$15,000 from general obligation bonds.

Transfers out decreased by \$16,082 primarily due to a reduction of transfers out to RWR. Fiscal year 2014-2015 had a transfer out to RWR of \$28,651 from the 2015 COPs, the prior fiscal year had a transfer out to RWR of \$51,404. There was also an \$11,979 transfer to Parking Garages for construction of the garage at the new Public Service Center.

The \$3,089 decrease in revenues, the \$34,958 decrease in expenses and a total decrease of \$5,328 in other financing sources yield an increase of \$26,541 in net change in fund balance in the current year.

Debt Service Fund

This major fund accounts for the accumulation of resources for the payment of principal and interest of long-term debt.

Revenues for the Debt Service Fund decreased \$5,691 primarily due to a decrease in property tax revenues as a result of a decreasing secondary property tax rate. Expenditures for the Debt Service Fund decreased \$31,631 mainly from a decrease in principal payments. Please see Note 7 beginning on page 65 for more information on bond and certificate of participation details.

Issuance of refunding debt was \$13,685, an increase of \$4,880. The refunding consisted of \$13,685 for 2015 HURF bonds. The issuance was used to refund part of the remaining debt of the 2005 HURF bond series.

Payments to escrow agents increased to \$15,250, an increase of \$5,119 from \$10,131 in the prior year. These payments were deposited into the trust account and used to pay the defeasance costs for the partial refunding of the 2005 HURF bond series.

Transfers in decreased by \$6,650, mainly due to a decrease of \$15,350 from RWR COPs 2013A that was partially offset by \$4,060 from General Fund COPS 2014.

The resulting fund balance of \$8,424 reflects a \$576 increase from prior year.

Major Proprietary Fund

The County’s Regional Wastewater Reclamation Enterprise (RWR) Fund is a major enterprise fund.

A significant change in the Fund’s net position is the restatement of net position at July 1, 2014, due to the implementation of GASB Statement No. 68 *Accounting and Financial Reporting for Pension*, resulting in a decrease of \$39,705. Significant changes during the fiscal year that also reduced the fund’s net position included a loss of \$27,554 due to the closure of the Randolph Park Wastewater Reclamation Facility. Net transfers resulted in a decrease of \$7,189, and capitalized interest expense increased by \$5,558.

Operating revenues of \$159,959 represent a decrease of \$1,717 (1.1%) over the previous year, due to a decrease of \$941 in other revenues and a decrease of \$776 in charges for services.

Operating expenses of \$134,671 increased \$9,511 (7.6%) over the prior year, mainly due to an increase of \$4,372 for consultants and professional services, and an increase of \$3,478 for repair and maintenance.

The deficit in total nonoperating revenues increased \$28,333 primarily due to loss on disposal of capital assets resulting from the Randolph Park Reclamation Facility closure of \$27,554.

Transfers in decreased by \$22,753, mainly because the prior fiscal year included a cash transfer from the 2013 COPs. Transfers out decreased by \$15,564 as the prior fiscal year funded a debt service payment of \$34,645 representing the first principal payment of the 2013A COPs, and the current fiscal year transfers funded a debt service payment of \$20,728.

The increase in net position of \$2,211 together with the decrease resulting from the restatement of net position at July 1, 2014, of \$39,705, brings the total net position to \$723,537 at fiscal year-end.

Capital Assets and Debt Administration

Capital Assets

The County’s investment in capital assets consists of land, buildings and improvements, sewage conveyance systems, infrastructure, equipment, and construction in progress.

Capital assets for the governmental and business-type activities are presented below to illustrate changes from the prior year:

Governmental and Business-type Activities

The County’s total capital assets increased \$30,778 (1.0%). The most significant changes were: buildings and improvements increased \$87,958 (7.8%), land increased \$23,250 (4.5 %), equipment increased \$15,632 (7.9%), and conveyance systems increased by \$17,770 (4.0%); these increases were partially offset by a decrease of \$121,565 (44.0%) in construction in progress.

Governmental activities

Capital assets of Governmental activities increased \$45,567 (2.3%), with the increase resulting largely from the following activity:

- Acquisition of Painted Hills for \$7,555.
- Purchase of land at Tucson Mountain Park for \$1,211.
- Acquisition of Stardust property for \$8,751.
- Completion of Roy Place building restoration project for \$1,060.
- Completion of tenant improvements at Administration East building, 4th floor, for \$1,051.
- Increase of \$7,493 in building and improvements assets resulting from capitalization of the Public Service Center and other buildings.
- Increase in machinery and equipment of \$8,455.

Business-type activities

Total capital assets decreased \$14,789 (1.2%), mainly due to a decrease in building and improvements of \$27,574, related to the closure of the Randolph Park Reclamation Facility. Construction in progress decreased \$13,526 (21.2%) due in part to the capitalization of \$3,667 for the Public Service garage, and \$9,799 capitalizations in RWR.

Sewage conveyance systems increased \$17,770, primarily due to the capitalization of \$6,286 for the Conveyance Rehabilitation Program, \$6,132 for North Rillito Interceptor Rehabilitation, and \$6,306 in the program Minor Rehabilitation Projects 14/15.

Equipment increase of \$7,177 is largely from the capitalization of \$12,539 for Regional Optimization Master Plan Supervisory Control and Data Acquisition, partially offset by a decrease of \$7,326 resulting from the disposal of equipment and machinery.

The County's infrastructure assets are recorded at historical cost and estimated historical cost in the government-wide financial statements. Additional information regarding the County's capital assets can be found in Note 5 of the financial statements on pages 61-62.

Long-term Debt

Significant, comparative long-term debt entered into during the last two fiscal years is presented below:

Long-Term Debt For the Years Ended June 30, 2015 and 2014		
	<u>2015</u>	<u>2014</u>
Bonds issued (at face value):		
General Obligation	\$ 15,000	\$ 10,000
Street and Highway Revenue	13,685	24,805

Certificates of Participation (COPs)	57,025	52,160
Installment note payable	11,500	239
Total	\$ 97,210	\$ 135,704

During the year, \$15,000 of general obligation bonds were issued. The \$15,000 of new debt issued in Series 2015 was for the purpose of funding various capital projects in the County. The County also issued \$13,685 of

transportation revenue bonds for a refunding transaction. This refunding resulted in an economic gain of \$848 and a reduction in debt service payments of \$857.

In addition, the County issued \$57,025 in Certificates of Participation Series 2015. The County intends to use the proceeds to expand and improve the existing sewer system facilities. The County may also use a portion of the funds for other capital projects.

During the year, the County acquired Stardust and Painted Hills properties with at a total installment purchase contracts payable of \$7,000 and \$4,500, respectively.

The most recent ratings for Pima County’s bonds, COPs and obligations are:

Credit Ratings				
	Standard & Poor's		Fitch Ratings	
	Rating	Date	Rating	Date
Certificates of Participation (COPs)	A+	Feb-2015	AA-	Feb-2015
General Obligation	AA-	Feb-2015	AA	Feb-2015

Sewer Revenue Bonds	AA	Mar-2014	AA	Dec-2013
Sewer Revenue Obligations	AA-	Jan-2014	AA-	Dec-2013

The State of Arizona Constitution limits the amount of general obligation debt a governmental entity may issue to 6.0% of its net assessed valuation without voter approval. However, Pima County has voter approval for general obligation debt up to 15.0%. The current debt limitation for Pima County is \$1,136,985, which is significantly in excess of Pima County’s outstanding general obligation debt.

Additional information regarding the County’s debt can be found in Note 7 of the financial statements, on Pages 65-74.

Economic Factors and Next Year's Budget

Pima County is still contending with a slow, and at times, uneven recovery from the Great Recession. Like all governments in Arizona, Pima County has necessarily adjusted to reduced revenues and increased service demands during this time. The upcoming fiscal 2015-16 budget will be based largely on the County's response to a set of unique challenges from a variety of outside sources. Primary amongst these is the decision by the Arizona Legislature to balance the State Budget by transferring \$23.2 million of fiscal year 2015-16 State costs to Pima County. These additional costs imposed by the State cause significant uncertainties in the development of the County budget and will impact all of Pima County's existing service priorities and programs, including law enforcement, healthcare and economic development. Recognizing this, the budget that was adopted by the Board of Supervisors for fiscal year 2015-16 is primarily a "maintenance of effort" budget, which will sustain the County's existing service priorities. The following discussion identifies other significant activities that are expected to affect the County in fiscal 2015-16.

State Budget Cost Shifts

In attempting to balance the State Budget this year, the Governor and Legislature have accelerated cost transfers to the counties throughout the State. However, Pima County will experience the largest increase this year than any other county in the State. The proposed new cost transfers to the County presently enacted into law equal up to \$21.6 million. When added to last year's transfers, the total is \$104.4 million for fiscal year 2015-16, or nearly 31% of the primary property tax levy. Immediate impacts of these cost transfers to the County budget include a two-percent across-the-board reduction in all County expenditures, a \$5,000,000 reduction in funding for the Pavement Preservation Program and a primary property tax rate increase of \$0.1098. The additional property tax revenues from the rate increase are anticipated to offset \$8.1 million of State cost shifts to Pima County. However, the remaining \$4.7 million to \$13.5 million of these cost shifts must be absorbed within the County's fiscal year 2015-16 budget.

State Aid to Education Cost Shifts

A significant portion of the state cost transfers is the cost related to the State Aid to Education tax credit, which has been paid for by the State for the last 35 years. The County is currently mounting a legal challenge to this portion of the State budget. Although the County is hopeful that it will prevail in litigation in the future, an increase in the primary property tax rate of \$0.1098 and levy of \$8.1 million to partially offset the cost transfer has been adopted for fiscal year 2015-16. If the County prevails in its litigation, the primary property tax rate will be reduced next fiscal year.

Property Taxes

As previously mentioned, the fiscal year 2015-16 Adopted Budget relies on a \$0.1098 increase in the primary property tax rate for the General Government over the fiscal year 2014-15 tax rate. The Library District secondary property tax rate will increase by \$0.0800. Debt Service's secondary tax rate remains unchanged from fiscal year 2014-15 and the Regional Flood Control District secondary property tax rate increases by \$0.0100. The total property tax rate for Pima County (excluding the State mandated Fire District Assistance Tax) increased from \$5.7167 to 5.9165 per \$100 of net taxable value, a net increase of \$0.1998.

State Shared Revenues

State shared sales tax revenue is projected to increase by \$1.86 million in fiscal year 2015-16. This increase reflects a gradual recovery in the local economy and continued statewide economic growth.

Employee Benefits Costs

Over the years, Pima County has continued to change and upgrade its benefits package for employees. Over time, the cost to provide these benefits has steadily increased. As a comparison, the actual cost to the County for employee benefits in fiscal year 2003-04 totaled \$65 million whereas the budgeted benefit costs in fiscal year 2015-16 totals nearly \$139 million; resulting in an increase that is more than double the fiscal year 2003-04 amount. A significant portion of this increase is due to higher cost of employee medical insurance, retirement contributions

and other benefit costs. Fiscal year 2015-16 aggregate benefits will increase in excess of \$5 million over fiscal year 2014-15. The County will have to absorb these increases in the face of other budgetary challenges.

Rainy Day Funds

Maintaining a budget reserve has given the County a favorable bond rating which in turn has yielded substantial savings from lower interest payments on County bonds. The reserve has also enabled the County to minimize the negative fiscal impacts of a variety of unforeseen events over which the County has had little or no control. The General Fund Reserve for fiscal year 2015-16 totals \$30,256,247. This reserve represents 5.6% of projected revenues for fiscal year 2015-16 compared to the ending fund balance of 3.6% of revenue last fiscal year. The reserve has been increased to accommodate a worst-case scenario of State Budget cost shifts totaling \$21.6 million. If this reserve is not spent, it will represent the base ending fund balance for fiscal year 2015-16.

PIMA COUNTY, ARIZONA
 Reconciliation of the Statement of Revenues, Expenditures and
 Changes in Fund Balance of Governmental Funds
 to the Statement of Activities
 For the Year Ended June 30, 2015
 (in thousands)

Net change in fund balances - total governmental funds \$ (20,575)

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is depreciated over their estimated useful lives and reported as depreciation expense.

Expenditures for capital assets	\$ 101,957	
Less current year depreciation	(69,046)	32,911

Debt proceeds provide current financial resources to governmental funds but issuing debt increases long-term liabilities in the Statement of Net Position. Repayment of the principal of debt is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the Statement of Net Position. Also, governmental funds report the effect of premiums, discounts and similar items when debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities. This amount is the net effect of these differences in the treatment of long-term debt and related items.

Face amount of long-term debt issued	(72,025)	
Premium on bonds	(5,949)	
Proceeds from issuance of refunding bonds	(13,685)	
Debt service - principal payments	81,933	
Payments to escrow agent	15,250	
Installment note	(11,500)	
Amortization expense	6,237	
Deferred outflows - interest	(1,244)	(983)

Some revenues reported in the Statement of Activities do not represent the collection of current financial resources and therefore are not reported as revenues in the governmental funds. In addition, collections of some revenues in the governmental funds exceeded revenues reported in the Statement of Activities.

Donations of capital assets	7,488	
Intergovernmental	7,154	
Property tax revenues	(1,668)	
Other	869	13,843

Some expenses reported in the Statement of Activities do not require the use of current financial resources and therefore are not reported as expenditures in the governmental funds.

Change in compensated absences	1,271	
Change in landfill liability	7,696	
Pollution remediation liability	345	
Net book value of capital asset disposals	(1,169)	
Other	65	8,208

County pension contributions are reported as expenditures in the governmental funds when made. However, they are reported as deferred outflows of resources in the Statement of Net Position because the reported net pension liability is measured a year before the County's report date. Pension expense, which is the change in the net pension liability adjusted for changes in deferred outflows and inflows of resources related to pensions is reported in the Statement of Activities.

Pension contributions	41,464	
Pension expense	(75,995)	(34,531)

Internal service funds are used by management to charge the costs of certain activities to individual funds. The incorporation of the external activities of these funds, and the elimination of profit/loss generated by primary government customers results in net revenue (expense) for governmental activities.

Note 1: Summary of Significant Accounting Policies

Pima County's accounting policies conform to generally accepted accounting principles applicable to governmental units adopted by the Governmental Accounting Standards Board (GASB).

For the year ended June 30, 2015, the County implemented the provisions of GASB Statement No. 68, Accounting and Financial Reporting for Pensions, as amended by GASB Statement No. 71, Pension Transition for Contributions Made Subsequent to the Measurement Date, and GASB Statement No. 69, Government Combinations and Disposals of Governmental Operations. GASB Statement Nos. 68 and 71 establish standards for measuring and recognizing net pension liabilities, deferred outflows of resources, deferred inflows of resources, and expenses/expenditures related to pension benefits provided through defined benefit pension plans. In addition, Statement No. 68 requires disclosure of information related to pension benefits. GASB Statement No. 69 establishes accounting and financial reporting standards related to government combinations and disposals of government operations. The implementation of GASB Statement No. 69 had no impact on the County's fiscal year 2014-15 financial statements and therefore no additional note disclosures were required.

A. Reporting Entity

The County is a general purpose local government that is governed by a separately elected board of supervisors. The accompanying financial statements present the activities of the County (the primary government) and its component units.

Component units are legally separate entities for which the County is considered to be financially accountable. Blended component units, although legally separate entities, are so intertwined with the County that they are in substance part of the County's operations. Component units should be blended in the County's financial statements when the component unit's governing body is substantively the same as the County's governing body and there is either a financial benefit or burden relationship between the County and the component unit or County management has operational responsibility for it; the component unit provides services entirely, or almost entirely, to the County; or the component unit's total debt outstanding is expected to be repaid entirely or almost entirely with the County's resources. Therefore, data from these units is combined with data of the County. Discretely presented component units, on the other hand, are reported in a separate column in the government-wide financial statements to emphasize they are legally separate from the County. Each blended and discretely presented component unit discussed below has a June 30 year-end.

The following describes the County's component units:

The Pima County Stadium District, a legally separate entity, was created in 1991 when the Board of Supervisors adopted a resolution to create the Stadium District to manage Kino Sports Complex. The District is a tax-levying, public improvement district and political taxing subdivision of the state of Arizona. The Stadium District, in conjunction with Pima County government, maintains the fiscal resources of the entire complex including facilities, grounds, personnel and the various services provided at the venue. Kino Sports Complex, which covers 155 acres, is the largest professional sports and entertainment venue of its kind in Pima County. The facility hosts youth athletics, amateur and professional sports, concerts and community events on its fields. The County Board of Supervisors serves as the Board of Directors of the District. Acting in the capacity of the Board of Directors, the Pima County Board of Supervisors is able to impose its will on the District. The Board of Directors levies the car rental surcharge rates and the recreational vehicle (RV) park tax for the District. The District is reported as a special revenue fund (blended component unit) in these financial statements. Complete financial statements for the District can be obtained from the Pima County Department of Finance and Risk Management located at 130 West Congress Street, Tucson, Arizona 85701.

The Pima County Library District was established in 1986 when legislation allowed full taxing authority and the ability to enter into agreements with other jurisdictions for the provision of library services. The Library District provides and maintains library services for the County's residents. The Pima County Board of Supervisors is the

Board of Directors of the District. The Library District is reported as a special revenue fund (blended component unit) in these financial statements. Separate financial statements for the District are not available.

The Pima County Regional Flood Control District was established in 1978. The District is responsible for floodplain management activities for the unincorporated areas of Pima County (except national forests, parks, monuments and Native American Nations), the City of South Tucson, and the Town of Sahuarita. The Pima County Board of Supervisors is the Board of Directors for the Flood Control District. The Regional Flood Control District is reported as a special revenue fund (blended component unit) in these financial statements. Separate financial statements for the District are not available.

The Pima County Street Lighting Districts (SLDs) operate and maintain street lighting for specific regions in areas outside local city jurisdictions. The Pima County Board of Supervisors serves as the Board of Directors. SLDs are reported as a special revenue fund in these financial statements and meet substantively the same criteria as blended component units. Separate financial statements for the SLDs are not available.

The Southwestern Fair Commission, Inc. (SFC) is a nonprofit corporation which manages and maintains the fairgrounds owned by the County and conducts annual fair and other events at the fairgrounds. The Commission's members are appointed and can be removed at any time by the Pima County Board of Supervisors. Based on these factors, and because SFC does not provide services entirely, or almost entirely to the County, but rather to the general citizenry, SFC is reported as a separate component unit (discrete presentation) in these financial statements. Complete financial statements for SFC can be obtained from the Pima County Department of Finance and Risk Management located at 130 West Congress Street, Tucson, Arizona 85701.

Related Organization:

The Industrial Authority of Pima County (Authority) is a legally separate entity that was created to promote economic development and the development of affordable housing. The Authority fulfills its function through the issuance of tax-exempt bonds. The County Board of Supervisors appoints the Authority's Board of Directors. The Authority's operations are completely separate from the County and the County is not financially accountable for the Authority. Therefore, the financial activities of the Authority have not been included in the accompanying financial statements.

B. Basis of Presentation

The basic financial statements include both government-wide statements and fund financial statements. The government-wide statements focus on the County as a whole, while the fund financial statements focus on major funds. Each presentation provides valuable information that can be analyzed and compared between years and between governments to enhance the information's usefulness.

Government-wide statements - Provide information about the primary government (the County) and its component units. The statements include a statement of net position and a statement of activities. These statements report the overall government's financial activities except for fiduciary activities. The statements also distinguish between the governmental and business-type activities of the County and between the County and its discretely presented component units. Governmental activities generally are financed through taxes and intergovernmental revenues. Business-type activities are financed in whole or in part by fees charged to external parties.

A statement of activities presents a comparison between direct expenses and program revenues for each function of the County's governmental activities and segment of its business-type activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. The County does not allocate indirect expenses to programs or functions. Program revenues include:

- charges to customers or applicants for goods, services, or privileges provided;
- operating grants and contributions; and
- capital grants and contributions, including special assessments.

Revenues that are not classified as program revenues, including internally dedicated resources and all taxes the County levies or imposes, are reported as general revenues.

Generally, the effect of interfund activity has been eliminated from the government-wide financial statements to minimize the double-counting of internal activities. However, charges for interfund services provided and used are not eliminated if the prices approximate their external exchange values.

Fund financial statements - Provide information about the County's funds, including fiduciary funds and blended component units. Separate statements are presented for the governmental, proprietary, and fiduciary fund categories. The emphasis of fund financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as nonmajor funds. Fiduciary funds are aggregated and reported by fund type.

Proprietary fund revenues and expenses are classified as either operating or nonoperating. Operating revenues and expenses generally result from transactions associated with the fund's principal activity. Accordingly, revenues, such as user charges, in which each party receives and gives up essentially equal values, are operating revenues. Other revenues result from transactions in which the parties do not exchange equal values and are considered nonoperating revenues such as connection fees, intergovernmental revenues, along with investment earnings and revenues ancillary activities generate. Operating expenses include the cost of services, administrative expenses, and depreciation on capital assets. Other expenses, such as interest expense, are considered nonoperating expenses.

The County reports the following major governmental funds:

The *General Fund* is the County's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. The General Fund revenues are primarily from property taxes and intergovernmental revenues.

The *Capital Projects Fund* accounts for financial resources to be used for the acquisition or construction of capital facilities and other capital assets, other than those financed by proprietary funds. Capital Projects Fund revenues are primarily from intergovernmental, face amount of long-term debt and transfers in.

The *Debt Service Fund* accounts for the accumulation of resources for, and the payment of, general long-term debt principal and interest. Revenues are primarily from property taxes, proceeds from refunding debt, and transfers in.

The County reports the following major enterprise fund:

Regional Wastewater Reclamation (RWR) accounts for the management and operation of wastewater treatment and water pollution control programs. Revenues are primarily from charges for services and connection fees.

The County also reports the following fund types:

Internal Service Funds account for fleet maintenance and operation, insurance, printing services, and telecommunications services provided to the County's departments or to other governments on a cost-reimbursement basis. The County transitioned to a medical self-insurance model on July 1, 2013 that is funded by employee and employer premium rates.

Note 1: Summary of Significant Accounting Policies (continued)

Investment Trust Funds account for pooled assets and individual investment accounts the County Treasurer holds and invests on behalf of other governmental entities.

Agency Funds account for assets the County holds as an agent for the State, cities, towns, and other parties.

C. Basis of Accounting

The government-wide, proprietary fund and fiduciary fund financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. The agency funds are custodial in nature and do not have a measurement focus but utilize the accrual basis of accounting for reporting its assets and liabilities. Revenues are recorded when earned, and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Property taxes are recognized as revenue in the year for which they are levied. Grants and donations are recognized as revenue as soon as all eligibility requirements the provider imposed have been met.

Under the terms of grant agreements, the County funds certain programs by a combination of grants and general revenues. Therefore, when program expenses are incurred, there are both restricted and unrestricted net position resources available to finance the program. The County applies grant resources to such programs before using general revenues.

Governmental funds in the fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when they become both measurable and available. The County recognizes property taxes to be available if collected within 30 days. In addition, other taxes that are reported as intergovernmental revenues, i.e. state shared sales tax, highway user revenues and vehicle license tax, recreational vehicle taxes, car rental surcharges, and hotel excise taxes are also recognized if collected within 30 days. Grant funded intergovernmental revenues are considered available if collected within 60 days after fiscal year-end. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, compensated absences, landfill closure and postclosure care costs, and pollution remediation obligations, which are recognized as expenditures to the extent they are due and payable. General capital asset acquisitions are reported as expenditures in governmental funds. Issuances of general long-term debt and acquisitions under capital lease agreements are reported as other financing sources.

D. Cash and Investments

For the statement of cash flows, the County's cash and cash equivalents are considered to be cash on hand, demand deposits, cash and investments held by the County Treasurer, investments in the State Treasurer's Local Government Investment Pool, and only those highly liquid investments with a maturity of 3 months or less when purchased.

Nonparticipating interest-earning investment contracts are stated at cost. Money market investments and participating interest-earning investment contracts with a remaining maturity of 1 year or less at the time of purchase are stated at amortized cost. All other investments are stated using the market approach at fair value.

E. Inventories and Prepaids

Inventories in the government-wide and proprietary funds' financial statements are recorded as assets when purchased and expensed when consumed.

Note 1: Summary of Significant Accounting Policies (continued)

The County accounts for its inventories in the Health Fund using the purchase method. Inventories of the Health Fund consist of expendable supplies held for consumption and are recorded as expenditures at the time of purchase. Amounts on hand at year-end are shown on the balance sheet as an asset for informational purposes only and as nonspendable fund balance to indicate that they do not constitute “available spendable resources.” These inventories are stated at cost using the first-in, first-out method or average cost method.

The County accounts for its inventories in the OEM Radio System Fund using the purchases method. Inventories of the OEM Radio System Fund consist of spare parts for the fixed network equipment held for consumption and are recorded as expenditures at the time of purchase. These inventories are stated at cost using the first-in, first-out method or average cost method.

Inventories of the Transportation Fund are recorded as assets when purchased and expensed when used. They are valued at lower of cost or market, cost being determined using the moving average method.

Inventories of RWR, an enterprise fund, are valued at lower of cost or market, cost being determined using the moving average method.

Inventories of Internal Service Funds are valued at lower of cost or market, cost being determined using the moving average method.

Prepaid expenses/expenditures are accounted for using the consumption method, except for the School Reserve Fund reported as an Other Governmental Fund, which uses the purchase method.

F. Property Tax Calendar

The County levies real and personal property taxes on or before the third Monday in August that become due and payable in two equal installments. The first installment is due on the first day of October and becomes delinquent after the first business day of November. The second installment is due on the first day of March of the next year and becomes delinquent after the first business day of May. A lien assessed against real and personal property attaches on the first day of January preceding assessment and levy.

G. Capital Assets

Capital assets are reported at actual cost or estimated historical cost if historical records are not available. Donated assets are reported at fair market value at the time received.

Capitalization thresholds (the dollar values above which asset acquisitions are added to the capital asset accounts), depreciation methods, and estimated useful lives of capital assets are as follows:

	<u>Capitalization Threshold</u>	<u>Depreciation Method</u>	<u>Estimated Useful Life</u>
Land	All	N/A	N/A
Land improvements (Reported in buildings and improvements)	All	Straight Line	20 - 30 Years
Buildings and improvements	\$100	Straight Line	10 - 50 Years

Discretely presented component unit:

The Southwestern Fair Commission, Inc. capital assets are reported at actual cost. Depreciation is calculated using the straight-line method over the assets' estimated useful life, which range from 3 to 40 years.

H. Deferred Outflows and Inflows of Resources

The statement of net position and balance sheet include separate sections for deferred outflows of resources and deferred inflows of resources. Deferred outflows of resources represent a consumption of net position that applies to future periods that will be recognized as an expense or expenditure in future periods. Deferred inflows of resources represent an acquisition of net position or fund balance that applies to future periods and will be recognized as a revenue in future periods.

I. Fund Balance Classifications

The governmental funds' fund balances are reported separately within classifications based on a hierarchy of the constraints placed on those resources' use. The classifications are based on the relative strength of the constraints that control how the specific amounts can be spent. The classifications are nonspendable, restricted, and unrestricted, which includes committed, assigned, and unassigned fund balance classifications.

The nonspendable fund balance classification includes amounts that cannot be spent because they are either not in spendable form, such as inventories, or are legally or contractually required to be maintained intact. Restricted fund balances are those that have externally imposed restrictions on their usage by creditors (such as through debt covenants), grantors, contributors, or laws and regulations.

The unrestricted fund balance category is composed of committed, assigned, and unassigned resources. Committed fund balances are self-imposed limitations that the County's Board of Supervisors, the highest level of decision-making authority within the County, approved by formal action (ordinance). Only the Board can remove or change the constraints placed on committed fund balances. This approval must be given at a regular supervisory meeting by taking the same type of action it employed to previously commit those amounts.

Assigned fund balances are resources constrained by the County's intent to be used for specific purposes, but are neither restricted nor committed. The Board of Supervisors has authorized the County Administrator to make assignments of resources for a specific purpose. Modifications or rescissions of the constraints can also be removed by the same action that limited the funds.

The unassigned fund balance is the residual classification for the General Fund and includes all spendable amounts not reported in the other classifications. Also, deficits in fund balances of the other governmental funds are reported as unassigned.

When an expenditure is incurred that can be paid from either restricted or unrestricted fund balances, it is the County's policy to use restricted fund balance first. For the disbursement of unrestricted fund balances, the County will use committed amounts first, followed by assigned amounts, and lastly unassigned amounts.

J. Investment Earnings

Investment earnings are composed of interest, dividends, and net changes in the fair value of applicable investments.

K. Compensated Absences

Compensated absences payable consists of vacation leave and a calculated amount of sick leave employees earned based on services already rendered.

Employees may accumulate up to 240 hours of vacation depending on years of service, but they forfeit any unused vacation hours in excess of the maximum amount at fiscal year-end. Upon terminating employment, the County pays all unused and unforfeited vacation benefits to employees. Accordingly, vacation benefits are accrued as a liability in the government-wide and proprietary funds' financial statements. A liability for these amounts is reported in the governmental funds' financial statements only if they have matured, for example, as a result of employee resignations and retirements by fiscal year-end.

Employees may accumulate up to 1920 hours of sick leave. Generally, sick leave benefits provide for ordinary sick pay and are cumulative but employees forfeit them upon terminating employment. Because sick leave benefits do not vest with employees, a liability for sick leave benefits is not accrued in the financial statements. However, employees who have accumulated greater than 240 hours of sick leave and are eligible to retire will receive some benefits. An estimate of those retirement payouts is accrued as a liability in government-wide and proprietary funds' financial statements in Employee Compensation for the current portion and under Noncurrent Liabilities for the noncurrent portion. Employees who are eligible to retire from County service into the Arizona State Retirement System, Public Safety Personnel Retirement System, or Corrections Officer Retirement Plan may request sick leave be converted to annual leave on a predetermined conversion basis.

In addition, since vacation and sick leave used by employees within the first two pay periods after fiscal year-end is paid for with current financial resources, a compensated absences liability for these amounts is reported in the governmental funds' financial statements within Employee Compensation.

L. Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the pension plan's fiduciary net position and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the plan. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Note 3: Cash and Investments

Primary Government

Arizona Revised Statutes (A.R.S.) authorize the County to invest public monies in the State Treasurer's investment pool; obligations issued or guaranteed by the United States or any of the senior debt of its agencies, sponsored agencies, corporations, sponsored corporations, or instrumentalities; specified state and local government bonds, notes, and other evidences of indebtedness; interest-earning investments such as savings accounts, certificates of deposit, and repurchase agreements in eligible depositories; specified commercial paper issued by corporations organized and doing business in the United States; specified bonds, debentures, notes, and other evidences of indebtedness that are denominated in United States dollars; and certain open-end and closed-end mutual funds, including exchange traded funds. In addition, the County Treasurer may invest trust funds in certain fixed income securities of corporations doing business in the United States or District of Columbia.

Credit risk—The State statutes have the following requirements for credit risk:

1. Commercial paper must be of prime quality and be rated within the top two ratings by a nationally recognized rating agency.
2. Corporate bonds, debentures, notes, and other evidence of indebtedness that are denominated in United States dollars must be rated "A" or better by at least two nationally recognized rating agencies at the time of purchase.
3. Fixed income securities must carry one of the two highest ratings by Moody's Investors Service and Standard and Poor's rating service. If only one of the above-mentioned services rates the security, it must carry the highest rating of that service.

Custodial credit risk—Statutes require a pooled collateral program for public deposits and a Statewide Collateral Pool Administrator (Administrator) in the State Treasurer's Office. The purpose of the pooled collateral program is to ensure that governmental entities' public deposits placed in participating depositories are secured with collateral of 102 percent of the public deposits, less any applicable deposit insurance. An eligible depository may not retain or accept any public deposit unless it has deposited the required collateral with a qualified escrow agent or the Administrator. The Administrator manages the pooled collateral program, including reporting on each depository's compliance with the program.

Concentration of credit risk—Statutes do not include any requirements for concentration of credit risk.

Interest rate risk—Statutes require that public monies invested in securities and deposits have a maximum maturity of 5 years. Investments in repurchase agreements must have a maximum maturity of 180 days.

Foreign currency risk—Statutes do not allow foreign investments unless the investment is denominated in United States dollars.

Deposits—At June 30, 2015, the carrying amount of the County's deposits was \$76,765, and the bank balance was \$56,588.

Note 3: Cash and Investments (continued)

Custodial credit risk—Custodial credit risk is the risk that the County will not be able to recover its deposits if a financial institution fails. The County does not have a formal policy with respect to custodial credit risk. As of June 30, 2015, \$3,568 of the County's bank balance was exposed to custodial credit risk because it was uninsured and uncollateralized.

Investments—At June 30, 2015, the County's investments consisted of \$344,840 invested in marketable securities and \$472,404 invested in the State Treasurer's Investment Pool. Cash from the County and from externally legally separate governments are pooled to purchase the investments in marketable securities and the State Treasurer's Pool. The State Board of Investment provides oversight for the State Treasurer's pools. The fair value of a participant's position in the pool approximates the value of that participant's pool shares and the participant's shares are not identified with specific investments.

Credit risk—Credit risk is the risk that an issuer or counterparty to an investment will not fulfill its obligations. The County does not have a formal investment policy with respect to credit risk.

At June 30, 2015, credit risk for the County's investments was as follows:

<u>Investment Type</u>	<u>Rating</u>	<u>Rating Agency</u>	<u>Amount</u>
Commercial paper	A- 1/P1	S&P / Moody's	\$ 14,985

Note 6: Claims, Judgments and Risk Management

Self-Insurance Trust Fund (SIT Fund)

The SIT Fund, an internal service fund, accounts for the financing of the insured risk of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; medical malpractice; environmental claims; and natural disasters. The SIT Fund is liable for any single general or automobile liability claim up to \$2,500 per occurrence, any workers' compensation claim up to \$1,000 per occurrence, and any single medical malpractice claim up to \$1,000 per occurrence or any medical malpractice claims in aggregate up to \$5,000 in any policy year. The County purchases commercial insurance for claims in excess of coverage provided by the SIT Fund. Settled claims have not exceeded insurance coverage in any of the last 3 fiscal years.

Payment of unemployment claims is fully self-funded. Payment of environmental claims is generally self-funded, although some claims filed could result in past insurers being liable for such losses.

All of the County's departments participate in the SIT Fund. With the exception of environmental and unemployment losses, charges are based on actuarial estimates of the amounts needed to pay prior- and current-year claims. Charges for environmental losses are based on historical experience. Charges for unemployment losses are based on actual claims paid.

Claims liabilities at June 30, 2015, for each insurable area are as follows:

Auto liability	\$	213
General liability		5,405
Workers' compensation		19,955
Medical malpractice		104
Environmental liability		1,500
		\$ 27,177

The above amounts, excluding environmental and unemployment, are reported at their present value using an expected future investment yield assumption of 2 percent.

Changes in the unpaid claims liability reported in the SIT Fund are as follows:

Year	Balance July 1	Current-Year Claims and Changes in Estimates	Claims Payments	Balance June 30
2013-14	35,768	4,851	(6,458)	34,161
2014-15	34,161	(470)*	(6,514)	27,177

*This reduction is due to a decrease in the actuarial estimate for unpaid claims, which was greater than actual claims during the fiscal year ended June 30, 2015.

Health Benefits Self-Insurance Trust Fund (HBT Fund)

During fiscal year 2013-14, the County created the HBT Fund, an internal service fund, to account for the financing of the County's self-insured medical/pharmacy plan for employees and their dependents. The HBT Fund is responsible for collecting employer and employee premiums through payroll deductions and reimbursing Aetna, acting as a third-party administrator, for the payment of claims. The plan consists of two plan options, a High Deductible Health Plan and a Preferred Provider Organization Plan. The County purchases commercial stop-loss insurance coverage for claims in excess of coverage provided by the HBT Fund. Settled claims have not exceeded insurance coverage during the past 2 fiscal years.

Claim liabilities are computed using a combination of two actuarial methods: the completion factor approach and the exposure approach. Accrued actuarial liabilities for the HBT Fund at June 30, 2015 for each plan option are as follows:

High-Deductible Health Plan:	
Medical	\$ 1,805
Pharmacy	675
Preferred Provider Organization Plan:	
Medical	1,196
Pharmacy	524
	\$ 4,200

Changes in the unpaid claims liabilities reported in the HBT Fund are as follows:

Year	Balance July 1	Current-Year Claims and Changes in Estimates	Claims Payments	Balance June 30
2013-14*		\$ 47,161	\$ (40,461)	\$ 6,700
2014-15	\$ 6,700	46,123	(48,623)	4,200

* The HBT Fund began in fiscal year 2013-14

Litigation

Pima County is a defendant in a number of court actions. In the opinion of County management, the final disposition of these actions, if unfavorable, will not have a material effect upon the County's financial statements.

Pollution Remediation

The County has estimated and reported an environmental liability of \$294 in the government-wide financial statements for governmental activities (in noncurrent liabilities). Remediation efforts are currently underway at one County site: El Camino del Cerro.

Remediation efforts continue at the El Camino del Cerro site which is approximately bordered by the Santa Cruz River on the west, Interstate 10 on the east and El Camino del Cerro Road on the south. The groundwater contamination is suggested to resonate from the municipal and solid waste landfill operated on the site from 1973 to 1977.

The estimated liability was calculated based upon the expected future outlays associated with the estimate of one pump-and-treat system for one year. There is potential for changes due to increased costs associated with sewage disposal costs, construction costs for extraction and injection wells, and/or changes in the estimated extent of contamination.

The County's debt consists of various issues of general obligation, HURF revenue, certificates of participation, sewer revenue bonds, loans, and obligations bonds that are generally callable with interest payable semiannually. Bond proceeds primarily pay for acquiring or constructing capital facilities. Bonds have also been issued to advance-refund previously issued bonds. The County repays general obligation bonds from voter-approved property taxes. HURF revenue bonds are repaid from net highway user revenues in the Transportation fund. Certificates of participation are repaid from General fund and other various funds' revenues. Sewer revenue bonds, loans, and obligations are repaid from the charges for services in the Regional Wastewater Reclamation fund.

CERTIFICATES OF PARTICIPATION

Governmental Activities

(Payments made from General Fund revenues)

Certificates of Participation represent proportionate interests in semiannual lease payments. The County's obligation to make lease payments is subject to annual appropriations being made by the County for that purpose. On May 1, 2007, the County issued Certificates of Participation Series 2007A for \$28,765 to finance the acquisition of and improvements to a 22-story office tower located in downtown Tucson and to acquire and construct replacement facilities for the Pima County Community Services Department.

On May 22, 2013, the County issued Certificates of Participation Series 2013A for \$80,175. The County intends to use \$60,000 of the proceeds from that issue for projects related to its sewer system. Although no sewer revenues are pledged for the repayment of the Certificates, the County intends to transfer available cash from the Regional Wastewater Reclamation Fund to repay that portion of the proceeds actually used for sewer projects. The County also issued \$12,705 of Refunding Certificates of Participation, Series 2013B. The Certificates were issued with a premium of \$1,260 and the proceeds were used to refund and redeem \$1,220 of Certificates of Participation, Series 1999, and \$12,335 of Certificates of Participation, Series 2003, previously reported by the County as a jail capital lease.

On February 12, 2014, the County issued Certificates of Participation Series 2014 for \$52,160 to finance the costs of completing the Public Service Center and Office Tower. The County may also use a portion of the funds for other capital projects.

On April 15, 2015, the County issued Certificates of Participation Series 2015 for \$57,025 to expand and improve the County's existing sewer system facilities. The County may also use a portion of the funds for other capital projects.

Pima County has pledged future user charges, net of specified operating expenses, to repay \$120,095 in sewer revenue bonds issued between 2007 and 2011, \$18,145 in sewer revenue loans issued between 2004 and 2009, and \$472,240 in sewer revenue obligations issued between 2010 and 2014. Proceeds from the bonds, loans and obligations provided financing for construction of various treatment facilities and sewer infrastructure within Pima County. The bonds, loans and obligations are payable from net sewer revenues and are payable through fiscal year 2028. It is expected that approximately 71 percent of net revenues will be used to pay annual principal and interest payments on the bonds and obligations and approximately 2 percent of net revenues will be used to pay annual principal and interest on the loans. Total principal and interest remaining to be paid on the bonds, loans and obligations are \$145,852, \$21,045, and \$627,118, respectively. Principal and interest paid for loans, bonds and obligations in the current year, and total customer net revenues were \$2,134, \$69,198, and \$94,739, respectively.

All sewer revenue bonds were issued and the loan agreements were executed with a first lien on the pledge of the RWR net revenues and have restrictive covenants, primarily related to minimum utility rates and limitations on future bond issues. The bond covenants also require the RWR to either maintain a surety bond guaranteeing the payment of annual debt service or to maintain in the Bond Reserve Account monies in amounts set by each debt issue. At June 30, 2015, the RWR met the requirements of the debt covenants, including maintaining a surety bond. The County is also authorized to issue for the RWR additional parity bonds or revenue obligations if certain conditions are met, primarily that net revenues for parity bonds and pledged revenues for revenue obligations for the fiscal year immediately preceding issuance of the new debt exceed 120 percent of the maximum annual debt service requirements immediately after such issuance.

CONTRACTS AND NOTES

Note 9: Landfill Liabilities

Solid Waste Landfill Closure and Post-Closure Care Costs:

State and Federal laws and regulations require the County to place a final cover on its solid waste landfill sites when these sites stop accepting waste and to perform certain maintenance and monitoring functions at the sites for thirty years after their closure. Although closure and post-closure care costs will not be paid until near or after the date the landfills stop accepting waste, the County records a portion of these closure and post-closure care costs as a long-term liability in each period, based on landfill capacity used as of each balance sheet date. The \$15,075 reported as landfill closure and post-closure care long-term liability within the governmental activities represents the cumulative amount reported to date, based on the percentage used of each landfill's total estimated capacity. The County will recognize the remaining estimated cost of closure and post-closure care of \$4,408 as the remaining estimated capacities are used. These amounts are based on what it would cost to perform all closure and post-closure care in the fiscal year ended June 30, 2015; actual costs may change due to inflation, changes in technology, or changes in regulations.

Landfill Site	Capacity Used June 30, 2015	Estimated Remaining Service Life
Ajo	74%	36 Years
Sahuarita	58%	27 Years
*Tangerine	98%	1 Year

*The Tangerine Landfill stopped accepting waste from the public on December 1, 2013 but remains open for internal County waste disposal needs until its remaining capacity is fully used.

The County plans to fund the estimated closure and post-closure care costs with proceeds of general obligation bonds.

According to State and Federal laws and regulations, the County must comply with the local government financial test requirements that ensure the County can meet the costs of landfill closure, post-closure, and corrective action when needed. The County is in compliance with these requirements. The Ina Road Landfill facility is closed to municipal solid waste and only receives green waste and construction debris. It is not subject to the closure and post-closure cost requirements referred to above. Pima County estimates that it will cost approximately \$11,121 when closure occurs and plans to fund the costs with proceeds of general obligation bonds. At this time, there is no closure date available.

On June 1, 2013 Tucson Recycling and Waste Services was contracted to operate the Landfill and Transfer Station operations on behalf of Pima County in an agency capacity. The closure and post-closure costs remain the liability of Pima County.

Note 10 - Pensions and Other Postemployment Benefits (continued)

Benefits provided—The ASRS provides retirement, health insurance premium supplement, long-term disability, and survivor benefits. State statute establishes benefit terms. Retirement benefits are calculated on the basis of age, average monthly compensation, and service credit as follows:

ASRS	Retirement	
	Initial membership date:	
	Before July 1, 2011	On or after July 1, 2011
Years of service and age required to receive benefit	Sum of years and age equals 80 10 years age 62 5 years age 50* any years age 65	30 years age 55 25 years age 60 10 years age 62 5 years age 50* any years age 65
Final average salary is based on	Highest 36 consecutive months of last 120 months	Highest 60 consecutive months of last 120 months
Benefit percent per year of service	2.1% to 2.3%	2.1% to 2.3%

*With actuarially reduced benefits.

Retirement benefits for members who joined the ASRS prior to September 13, 2013, are subject to automatic cost-of-living adjustments based on excess investment earnings. Members with a membership date on or after September 13, 2013, are not eligible for cost-of-living adjustments. Survivor benefits are payable upon a member's death. For retired members, the survivor benefit is determined by the retirement benefit option chosen. For all other members, the beneficiary is entitled to the member's account balance that includes the member's contributions and employer's contributions, plus interest earned.

Contributions—In accordance with state statutes, annual actuarial valuations determine active member and employer contribution requirements. The combined active member and employer contribution rates are expected to finance the costs of benefits employees earn during the year, with an additional amount to finance any unfunded accrued liability. For the year ended June 30, 2015, active ASRS members were required by statute to contribute at the actuarially determined rate of 11.6 percent (11.48 percent for retirement and 0.12 percent for long-term disability) of the members' annual covered payroll, and the County was required by statute to contribute at the actuarially determined rate of 11.6 percent (10.89 percent for retirement, 0.59 percent for health insurance premium benefit, and 0.12 percent for long-term disability) of the active members' annual covered payroll. In addition, the County was required by statute to contribute at the actuarially determined rate of 9.57 percent (9.31 percent for retirement, 0.20 percent for health insurance premium benefit, and 0.06 percent for long-term disability) of annual covered payroll of retired members who worked for the County in positions that would typically be filled by an employee who contributes to the ASRS. The County's contributions to the pension plan for the year ended June 30, 2015, were \$25,218. The County's contributions for the current and 2 preceding years for OPEB, all of which were equal to the required contributions, were as follows:

ASRS	Health Benefit Supplement Fund	Long-Term Disability Fund
<u>Year ended June 30</u>		
2015	\$ 1,363	\$ 277
2014	1,387	555
2013	1,452	536

During fiscal year 2015, the County paid for ASRS pension and OPEB contributions as follows: 60 percent from the General Fund, 10 percent from major funds, and 30 percent from other funds.

Pension liability—At June 30, 2015, the County reported a liability of \$379,139 for its proportionate share of the ASRS' net pension liability. The net pension liability was measured as of June 30, 2014. The total pension liability used to calculate the net pension liability was determined using update procedures to roll forward the total pension liability from an actuarial valuation as of June 30, 2013, to the measurement date of June 30, 2014. The County's proportion of the net pension liability was based on the County's actual contributions to the plan relative to the total of all participating employers' contributions for the year ended June 30, 2014. The County's proportion measured as of June 30, 2014, was 2.56 percent, which was an increase of 0.03 from its proportion measured as of June 30, 2013.

Pension expense and deferred outflows/inflows of resources—For the year ended June 30, 2015, the County recognized pension expense for ASRS of \$26,439. At June 30, 2015, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

ASRS	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 19,269	
Net difference between projected and actual earnings on pension plan investments		\$ 66,300
Changes in proportion and differences between county contributions and proportionate share of contributions	3,803	378
County contributions subsequent to the measurement date	25,218	
Total	\$ 48,290	\$ 66,678

The \$25,218 reported as deferred outflows of resources related to ASRS pensions resulting from County contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending June 30, 2016. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to ASRS pensions will be recognized in pension expense as follows:

Actuarial Assumptions—The significant actuarial assumptions used to measure the total pension liability are as follows:

ASRS	
Actuarial valuation date	June 30, 2013
Actuarial roll forward date	June 30, 2014
Actuarial cost method	Entry age normal
Investment rate of return	8%
Projected salary increases	3–6.75%
Inflation	3%
Permanent benefit increase	Included
Mortality rates	1994 GAM Scale BB

Actuarial assumptions used in the June 30, 2013, valuation were based on the results of an actuarial experience study for the 5-year period ended June 30, 2012.

The long-term expected rate of return on ASRS pension plan investments was determined to be 8.79 percent using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

ASRS	Target	Long-Term
<u>Asset Class</u>	<u>Allocation</u>	<u>Expected Real Rate of Return</u>
Equity	63%	7.03%
Fixed income	25%	3.20%
Real estate	8%	4.75%
Commodities	<u>4%</u>	4.50%
Total	<u>100%</u>	

Discount Rate—The discount rate used to measure the ASRS total pension liability was 8 percent, which is less than the long-term expected rate of return of 8.79 percent. The projection of cash flows used to determine the discount rate assumed that contributions from participating employers will be made based on the actuarially determined rates based on the ASRS Board’s funding policy, which establishes the contractually required rate under Arizona statute. Based on those assumptions, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

B. Public Safety Personnel Retirement System and Corrections Officer Retirement Plan

Plan descriptions—County sheriff employees who are regularly assigned hazardous duty participate in the Public Safety Personnel Retirement System (PSPRS). The PSPRS administers an agent multiple-employer defined benefit pension plan and an agent multiple-employer defined benefit health insurance premium benefit (OPEB) plan (agent plans). A seven-member board known as the Board of Trustees and the participating local boards govern the PSPRS according to the provisions of A.R.S. Title 38, Chapter 5, Article 4.

County detention officers and Administrative Office of the Courts (AOC) probation, surveillance, and juvenile detention officers participate in the Corrections Officer Retirement Plan (CORP). The CORP administers an agent multiple-employer defined benefit pension plan and an agent multiple-employer defined benefit health insurance premium benefit (OPEB) plan for county detention officers (agent plans), and a cost-sharing multiple-employer defined benefit pension plan and a cost-sharing multiple-employer defined benefit health insurance premium benefit (OPEB) plan for AOC officers (cost-sharing plans). The PSPRS Board of Trustees and the participating local boards govern CORP according to the provisions of A.R.S. Title 38, Chapter 5, Article 6.

The PSPRS and CORP issue publicly available financial reports that include their financial statements and required supplementary information. The reports are available on the PSPRS Web site at www.psprs.com.

Benefits provided—The PSPRS and CORP provide retirement, health insurance premium supplement, disability, and survivor benefits. State statute establishes benefit terms. Retirement and survivor benefits are subject to automatic cost-of-living adjustments based on excess investment earnings. PSPRS also provides temporary disability benefits of 50 percent of the member's compensation for up to 12 months.

Employees covered by benefit terms—At June 30, 2015, the following employees were covered by the agent pension plans' benefit terms:

	PSPRS Sheriff	CORP Detention
Inactive employees or beneficiaries currently receiving benefits	360	176
Inactive employees entitled to but not yet receiving benefits	91	85
Active employees	491	461
Total	<u>942</u>	<u>722</u>

Contributions and annual OPEB cost—State statutes establish the pension contribution requirements for active PSPRS and CORP employees. In accordance with state statutes, annual actuarial valuations determine employer contribution requirements for PSPRS and CORP pension and health insurance premium benefits. As allowed by statute, the County contributed 3.65 percent of the PSPRS members' required contribution. The combined active member and employer contribution rates are expected to finance the costs of benefits employees earn during the year, with an additional amount to finance any unfunded accrued liability. Contributions rates for the year ended June 30, 2015, are indicated below. Rates are a percentage of active members' annual covered payroll.

County			
Pension	40.11%	16.53%	14.88%

In addition, the County was required by statute to contribute at the actuarially determined rate of 19.65 percent for the PSPRS and 7.34 percent for the CORP of annual covered payroll of retired members who worked for the County in positions that would typically be filled by an employee who contributes to the PSPRS or CORP.

2013	169

During fiscal year 2015, the County paid for PSPRS and CORP pension and OPEB contributions as follows: 98 percent from the General Fund and 2 percent from other nonmajor funds.

Pension liability—At June 30, 2015, the County reported the following net pension liabilities:

	<u>Net Pension Liability</u>
PSPRS Sheriff	\$ 184,979
CORP Detention	51,973
CORP AOC (County's proportionate share)	27,888

The net pension liabilities were measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The total pension liabilities as of June 30, 2014, reflect the following changes of benefit terms and actuarial assumptions.

- In February 2014, the Arizona Supreme Court affirmed a Superior Court ruling that a 2011 law that changed the mechanism for funding permanent benefit increases was unconstitutional. As a result, the plans changed benefit terms to reflect the prior mechanism for funding permanent benefit increases and revised actuarial assumptions to explicitly value future permanent benefit increases.
- The wage growth actuarial assumption was decreased from 4.5 percent to 4.0 percent.

Actuarial assumptions used in the June 30, 2014, valuation were based on the results of an actuarial experience study for the 5-year period ended June 30, 2011.

The long-term expected rate of return on PSPRS and CORP pension plan investments was determined to be 7.85 percent using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Note 10 - Pensions and Other Postemployment Benefits (continued)

The projection of cash flows used to determine the PSPRS and CORP discount rates assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between the actuarially determined contribution rate and the member rate. Based on those assumptions, the pension plans' fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Agent plan OPEB actuarial assumptions—The health insurance premium benefit contribution requirements for the year ended June 30, 2015, were established by the June 30, 2013, actuarial valuations, and those actuarial valuations were based on the following actuarial methods and assumptions.

Actuarial valuations involve estimates of the reported amounts' value and assumptions about the probability of events in the future. Amounts determined regarding the plans' funded status and the annual required contributions are subject to continual revision as actual results are compared to past expectations and new estimates are made. The required schedule of funding progress for the health insurance premium benefit presented as required supplementary information provides multiyear trend information that shows whether the actuarial value of the plans' assets are increasing or decreasing over time relative to the actuarial accrued liability for benefits.

Projections of benefits are based on (1) the plans as the County and plans' members understand them and include the types of benefits in force at the valuation date, and (2) the pattern of sharing benefit costs between the County and plans' members to that point. Actuarial calculations reflect a long-term perspective and employ methods and assumptions designed to reduce short-term volatility in actuarial accrued liabilities and the actuarial value of assets. The significant actuarial methods and assumptions used are the same for all PSPRS and CORP plans and related benefits (unless noted), and the following actuarial methods and assumptions were used to establish the fiscal year 2015 contribution requirements:

PSPRS and CORP—OPEB Contribution Requirements

Actuarial valuation date	June 30, 2013
Actuarial cost method	Entry age normal
Amortization method	Level percent closed for unfunded actuarial accrued liability, open for excess

C. Elected Officials Retirement Plan

Plan description—Elected officials and judges participate in the Elected Officials Retirement Plan (EORP). EORP administers a cost-sharing multiple-employer defined benefit pension plan and a cost-sharing multiple-employer defined benefit health insurance premium benefit (OPEB) plan for elected officials and judges who were members of the plan on December 31, 2013. This plan was closed to new members as of January 1, 2014. The PSPRS Board of Trustees governs the EORP according to the provisions of A.R.S. Title 38, Chapter 5, Article 3. The EORP issues a publicly available financial report that includes its financial statements and required supplementary information. The report is available on PSPRS’s Web site at www.psprs.com.

Benefits provided—The EORP provides retirement, health insurance premium supplement, disability, and survivor benefits. State statute establishes benefit terms. Retirement, disability, and survivor benefits are calculated on the basis of age, average yearly compensation, and service credit as follows:

EORP	Initial membership date:	
	Before January 1, 2012	On or after January 1, 2012
Retirement and Disability		
Years of service and age required to receive benefit	20 years any age 10 years age 62 5 years age 65 5 years any age* any years and age if disabled	10 years age 62 5 years age 65 any years and age if disabled

Normal Retirement	4% per year of service, not to exceed 80%	3% per year of service, not to exceed 75%
Disability Retirement	80% with 10 or more years of service 40% with 5 to 10 years of service 20% with less than 5 years of service	75% with 10 or more years of service 37.5% with 5 to 10 years of service 18.75% with less than 5 years of service
Survivor Benefit		
Retired Members	75% of retired member’s benefit	50% of retired member’s benefit
Active Members and Other Inactive Members	75% of disability retirement benefit	50% of disability retirement benefit

* With reduced benefits of 0.25% for each month early retirement precedes the member’s normal retirement age, with a maximum reduction of 30%.

Retirement and survivor benefits are subject to automatic cost-of-living adjustments based on excess investment earning.

Contributions—State statutes establish active member and employer contribution requirements. Statute also appropriates \$5 million annually through fiscal year 2043 for the EORP from the State of Arizona to supplement the normal cost plus an amount to amortize the unfunded accrued liability and designates a portion of certain court fees for the EORP. For the year ended June 30, 2015, active EORP members were required by statute to contribute 13 percent of the members' annual covered payroll, and the County was required to contribute 23.5 percent of active EORP members' annual covered payroll. In addition, the County was required by statute to contribute 23.5 percent of annual covered payroll of retired members who worked for the County in positions that would typically be filled by an employee who contributes to the EORP. The County's contributions to the pension plan for the year ended June 30, 2015, were \$1,502. No OPEB contributions were required or made for the year ended June 30, 2015. The County's contributions for the current and 2 preceding years for OPEB, all of which were equal to the required contributions, were as follows:

EORP	Health Insurance
<u>Year ended June 30</u>	<u>Fund</u>
2015	
2014	\$ 54
2013	122

During fiscal year 2015, the County paid for EORP pension contributions as follows: 100 percent from the General Fund.

Pension liability—At June 30, 2015, the County reported a liability for its proportionate share of the EORP's net pension liability that reflected a reduction for the County's proportionate share of the State's appropriation for EORP. The amount the County recognized as its proportionate share of the net pension liability, the related state support, and the total portion of the net pension liability that was associated with the County were as follows:

County's proportionate share of the EORP net pension liability	\$ 51,259
State's proportionate share of the EORP net pension liability associated with the County	15,717
Total	<u>\$ 66,976</u>

The net pension liability was measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. In February 2014, the Arizona Supreme Court affirmed a Superior Court ruling that a 2011 law that changed the mechanism for funding permanent benefit increases was unconstitutional. As a result, for the June 30, 2014, actuarial valuation, the plan changed benefit terms to reflect the prior mechanism for funding permanent benefit increases and revised actuarial assumptions to explicitly value future permanent benefit increases.

The County's proportion of the net pension liability as of June 30, 2013 and 2014 was based on the County's actual contributions to the plan relative to the total of all participating employers' actual contributions for the year ended June 30, 2014. The County's proportion measured as of June 30, 2013 and 2014 was 7.64 percent.

Pension expense and deferred outflows/inflows of resources—For the year ended June 30, 2015, the County recognized pension expense for EORP of \$19,852 and revenue of \$4,658 for the County's proportionate share of the State's appropriation to EORP.

Note 10 - Pensions and Other Postemployment Benefits (continued)

At June 30, 2015, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

EORP	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 225	
Changes of assumptions or other inputs	13,872	
Net difference between projected and actual earnings on pension plan investments		\$ 972
County contributions subsequent to the measurement date	1,502	
Total	\$ 15,599	\$ 972

The \$1,502 reported as deferred outflows of resources related to EORP pensions resulting from County contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending June 30, 2016. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to EORP pensions will be recognized in pension expense as follows:

<u>Year ending June 30</u>	
2016	\$ 7,876
2017	5,736
2018	(243)
2019	(244)

Actuarial assumptions—The significant actuarial assumptions used to measure the total pension liability are as follows:

EORP	
Actuarial valuation date	June 30, 2014
Actuarial cost method	Entry age normal
Investment rate of return	7.85%
Projected salary increases	4.25%
Inflation	4.0%
Permanent benefit increase	Included
Mortality rates	RP-2000 mortality table projected to 2025 with projection scale AA

Actuarial assumptions used in the June 30, 2014, valuation were based on the results of an actuarial experience study for the 5-year period ended June 30, 2011.

Note 10 - Pensions and Other Postemployment Benefits (continued)

The long-term expected rate of return on EORP pension plan investments was determined to be 7.85 percent using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

EORP	Target	Long-Term
<u>Asset Class</u>	<u>Allocation</u>	<u>Expected Real Rate</u>
<u>of Return</u>		
Short term investments	2%	3.25%
Absolute return	4%	6.75%
Risk parity	4%	6.04%
Fixed income	7%	4.75%
Real assets	8%	5.96%
GTAA	10%	5.73%
Private equity	11%	9.50%
Real estate	11%	6.50%
Credit opportunities	13%	8.00%
Non-U.S. equity	14%	8.63%
U.S. equity	<u>16%</u>	7.60%
Total	<u>100%</u>	

Discount rate—At June 30, 2014, the discount rate used to measure the EORP total pension liability was 5.67 percent, which was a decrease of 2.18 from the discount rate used as of June 30, 2013. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate, employer contributions will be made at the statutorily set rates, and state contributions will be made as currently required by statute. Based on those assumptions, the pension plan’s fiduciary net position was projected to be insufficient to make all projected future benefit payments of current plan members. Therefore, to determine the total pension liability for the plan, the long-term expected rate of return on pension plan investments of 7.85 percent was applied to periods of projected benefit payments through the year ended June 30, 2030. A municipal bond rate of 4.29 percent obtained from the 20-year Bond Buyer Index, as published by the Federal Reserve as of June 30, 2014, was applied to periods of projected benefit payments after June 30, 2030.

Sensitivity of the County’s proportionate share of the EORP net pension liability to changes in the discount rate—The following table presents the County’s proportionate share of the net pension liability calculated using the discount rate of 5.67 percent, as well as what the County’s proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (4.67 percent) or 1 percentage point higher (6.67 percent) than the current rate:

EORP	1% Decrease	Current Discount Rate	1% Increase
	<u>(4.67%)</u>	<u>(5.67%)</u>	<u>(6.67%)</u>
County’s proportionate share of the net pension liability	\$ 59,841	\$ 51,259	\$ 44,013

Pension Plan Fiduciary Net Position—Detailed information about the pension plan’s fiduciary net position is available in the separately issued EORP financial report.

LEASE

Lease of Leased Property

The Lessor has agreed to lease the Leased Property to the County pursuant to the Lease. The term of the Lease continues until December 1, 2030, unless terminated prior thereto as provided therein.

Upon the County’s failure to obtain, on or prior to the last date on which the County is required or permitted to adopt its budget for a fiscal year of the full amount of funds necessary to make all Lease Payments coming due during the fiscal period for which such budgeting and appropriation are made all of the County’s right, title and interest in and future obligations under the Lease and to all of the Leased Property shall terminate (subject to reinstatement within 45 days of such terminate date), effective as of the last day of the last fiscal period for which such budgeting and appropriation were properly obtained.

Lease Payments; Additional Rent; Reduction of Rental

The County has agreed to pay the Lease Payments as rental for the use and occupancy of the Leased Property, which shall be paid in arrears on May 15 and November 15 of each year.

The amount of Lease Payments shall be reduced upon the redemption of Certificates resulting from Prepayment of Lease Payments, including those resulting from damage or destruction (other than by eminent domain which is hereinafter discussed), of the Leased Property causing substantial interference with the use and occupancy thereof by the County. The Lease Payments shall be reduced proportionately as to the principal and interest components thereof such that the resulting Lease Payments shall correspond to the remaining payments of principal of and interest on the Outstanding Certificates (after any redemption of Certificates resulting from such Prepayments made with the Net Proceeds of insurance coverage for such damage or destruction), which resulting Lease Payments are deemed to represent fair consideration for the use and occupancy of the portions of the Leased Property not damaged or destroyed. In the event of any such reduction, the Lease shall continue in full force and effect and the County shall waive any right to terminate the Lease by virtue of any damage and destruction of the Leased Property causing such reduction in Lease Payments.

In addition to Lease Payments, the County has agreed to pay when due as Additional Rent (a) all costs and expenses of the Lessor or the Trustee to comply with the provisions of the Trust Agreement, (b) payments required to be deposited into the Rebate Fund pursuant to the Trust Agreement to make certain arbitrage rebate payments to the federal government, (c) compensation and expenses of the Trustee, (d) certain indemnification amounts (e) all costs and expenses of auditors, engineers and legal counsel, and (f) all rent for any holdover period during which the County stays in possession of the Leased Property after termination of the Lease.

Maintenance, Utilities, Taxes and Modifications

The County, at its own expense, has agreed to maintain or cause to be maintained the Leased Property in good repair; the Lessor has no responsibility for such repair. The County has the power to make additions, modifications and improvements to the Leased Property which do not damage or reduce their value to a value substantially less than that which existed prior to such modification or improvement. Any such additions, modifications or improvements shall automatically become subject to the Lease. The County must pay or cause to be paid all taxes, other governmental charges and utility charges with respect to the Leased Property, as well as any taxes and assessments, if any, which it is legally obligated to pay.

Insurance

The Lease requires the County to maintain or cause to be maintained the following insurance against risk or physical damage to the Leased Property and other risks for the protection of the Certificate Owners and the Trustee:

(i) General Liability. The County shall maintain or cause to be maintained, throughout the term of the Lease through Qualified Self-Insurance or a standard commercial general insurance policy or policies with a responsible insurance company or companies authorized under the laws of the State to assume such risks, of such types and in such amounts as are then customary for similar institutions carrying on similar activities to those carried on the Leased Property.

(ii) Fire and Extended Coverage, Vandalism and Malicious Mischief. The County shall maintain or cause to be maintained, throughout the term of the Lease, insurance or Qualified Self-Insurance against loss or damage to any structure or equipment constituting any part of the Leased Property by fire and lightning, with extended coverage and malicious mischief insurance. Coverage shall be in an amount equal to 100% of the replacement cost of the Leased Property. Such insurance may be subject to deductible clauses of not to exceed \$100,000 for any one loss.

The insurance described in paragraphs (i) and (ii) may be maintained as part of or in conjunction with any other liability or fire and extended coverage for insurance, respectively, carried or required to be carried by the County and may be maintained in the form of Qualified Self-Insurance by the County.

(iii) Title Insurance. The County provided a title insurance policy in the amount of the aggregate principal amount of the Certificates, insuring the Trustee's estate in the Leased Property, subject only to Permitted Encumbrances.

All policies of insurance (except the policy of general liability insurance) must provide that the Net Proceeds thereof shall be payable to the Trustee. The Net Proceeds of fire and extended coverage insurance shall be deposited in the Insurance and Condemnation Fund and applied to restore, replace, repair, modify or improve the Leased Property or to the prepayment of Lease Payments and the corresponding redemption of Certificates. See "TRUST AGREEMENT – Funds – Insurance and Condemnation Fund". The Net Proceeds of general liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the Net Proceeds of such insurance shall have been paid. The proceeds of title insurance shall be deposited in the Lease Payment Fund and applied to the prepayment of Lease Payments and the corresponding redemption of Outstanding Certificates. The County has agreed to pay or cause to be paid when due the premiums on all insurance policies and furnish evidence of such payments promptly to the Trustee.

In the event the County maintains self-insurance for general liability insurance and fire and extended coverage insurance required under the Lease, the County shall cause to be delivered to the Trustee annually the documentation required for the determination that such self-insurance constitutes Qualified Self-Insurance. Additionally, to the extent the Trustee may not be named as an insured or loss payee under any insurance or Qualified Self-Insurance, the County assigns to the Trustee its rights to receive any or all proceeds received from such insurance or Qualified Self-Insurance as their respective rights under the Lease appear on the date of payment. The County shall furnish an annual certificate to the Trustee stating that the insurance in effect meets the requirements of the Lease.

Eminent Domain

If all of the Leased Property shall be taken permanently under the power of eminent domain, the term of the Lease shall cease as of the day possession shall be so taken. If less than all of the Leased Property shall be taken permanently, or if all of the Leased Property or any part thereof shall be taken temporarily, under the power of eminent domain, (i) the Lease shall continue in full force and effect and shall not be terminated by virtue of such taking and the parties thereto waive the benefit of any law to the contrary, and (ii) there shall be a partial reduction of Lease Payments as a result of the application of the Net Proceeds of any eminent domain award to the Prepayment of the Lease Payments, which shall be reduced proportionately as to the principal and interest components thereof such that the resulting Lease Payments shall correspond to the remaining payments of principal of and interest on the Outstanding Certificates, which represent fair consideration for the use and occupancy of the remaining usable portion of the Leased Property. See “Lease – Lease Payments; Additional Rent; Reduction of Rental.”

Option to Purchase Leased Property

The County has the option to purchase all of the Leased Property by prepaying the Lease Payments in whole at any time at the prices set forth in the Lease. In the event that the County elects to exercise its option prior to the optional redemption dates of the Certificates, the County is required to make such Prepayment by depositing certain Permitted Investments and cash, if required, sufficient, together with earnings on the investment thereof to pay and redeem the appropriate amount of Certificates. The optional prepayment prices have been determined such that all of the Outstanding Certificates shall be retired in the event the County elects to purchase all of the Leased Property.

The County may on any date secure the payment of Lease Payments with respect to any element of the Leased Property by deposit with the Trustee of certain Permitted Investments and cash, if required, in such amount as shall, in the opinion of an independent certified public accountant, together with interest to accrue thereon and, if required, all or a portion of moneys or Permitted Investments then on deposit in the Lease Payment Fund, the Insurance and Condemnation Fund related to the Lease Payments with respect to such Leased Property, be fully sufficient to pay all unpaid Lease Payments and Additional Rent with respect to such Leased Property on the respective Lease Payment Dates or on the applicable date for Prepayment of Lease Payments, as the County instructs at the time of said deposit.

Assignment; Subleases

The County may not assign any of its rights in the Lease, and may not sublease all or a portion of the Leased Property without the written consent of the Trustee and only under the conditions contained in the Lease, including the condition that such sublease not adversely affect the exclusion of the interest components of the Lease Payments from federal gross income when paid to the Owners of the Certificates.

Events of Default

Each of the following constitutes an “event of default” under the Lease:

(i) Failure by the County to make any Lease Payment or other payment required under the Lease when due and continuation of such failure for two (2) days; or

(ii) Failure by the County to comply with any covenant, agreement or condition contained in the Lease or the Trust Agreement, other than the event of default described in (i) above, and the continuance of such failure or default for a period of 30 days after written notice thereof has been given to the County by the Trustee, the Lessor, or the Owners of not less than 5% in aggregate principal amount of Certificates then Outstanding; provided, if the failure stated in the notice can be corrected, but not within such 30 day period, the Trustee, the Lessor and such Owners shall not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the County within such 30 day period and diligently pursued until the default is corrected; or

(iii) Any representation or warranty made by the County under the Lease shall be untrue in any material respect; or

(iv) Certain events relating to bankruptcy of the County or the inability of the County to pay its debts.

Notwithstanding the foregoing, if, by reason of Force Majeure, the County is unable to perform or observe any agreement, term or condition of the Lease, other than any obligation to make Lease Payments or Additional Rent, the County shall not be deemed in default during the continuance of such inability. However, the County shall promptly give notice to the Trustee of the existence of any event of Force Majeure and shall use its best efforts to remove the effects thereof; provided that the settlement of strike or labor disturbances shall be entirely within the County's discretion.

The term "Force Majeure" shall mean, without limitation: Acts of God; strikes, lockouts or other labor disturbances; acts of public enemies; orders or restraints of any kind of the government of the United States or any of its departments, agencies, political subdivisions, courts or officials, or any civil or military authority; insurrections; civil disturbances; riots; epidemics; landslides; lighting; earthquakes; fire; hurricanes; tornados; storms; droughts; floods; arrests; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation.

Upon the occurrence and continuance of any event of default, the Lessor may at its option elect to terminate the Lease or, with or without such termination, to re-enter, take possession of the Leased Property, to the exclusion of the County, and sell, convey, re-rent or re-let the Leased Property. Any amounts collected by the Lessor from the sale or reletting of the Leased Property shall be credited towards the County's unpaid Lease Payments. Any net proceeds of sale, re-lease or other disposition of the Leased Property are required to be deposited in the Lease Payment Fund and applied to Lease Payments in order of payment date. Pursuant to the Trust Agreement, the Lessor assigns all of its rights with respect to remedies in an event of default to the Trustee, so that all such remedies shall be exercised by the Trustee and the Certificate Owners as provided in the Trust Agreement.

TRUST AGREEMENT

Pledge and Security

Pursuant to the Trust Agreement, the Trustee is authorized and directed to acquire, to receive and to hold as security for the Owners of the Certificates, the following:

A. All right, title and interest of the Lessor in and to the Leased Property; subject, however, to the rights of the County under the Lease.

B. All right, title and interest of the Lessor in and to the Lease, the Deed and the Ground Lease and the present and continuing right to (i) make claim for, collect or cause to be collected, receive or cause to be received all revenues, receipts and other sums of money payable or receivable thereunder, (ii) bring actions and proceedings thereunder or for the enforcement thereof, and (iii) do any and all things which the Lessor is or may become entitled to do thereunder.

C. All right, title and interest of the Lessor in and to amounts on deposit from time to time in the funds and accounts created pursuant to the Trust Agreement (other than the Rebate Fund).

The Trust Agreement also represents a declaration by the Trustee that it holds the above rights and interests in trust for the benefit of the Owners of the Certificates.

Trustee

The Trustee is appointed pursuant to the Trust Agreement and is authorized to execute and deliver the Certificates and to act as a depository of amounts held thereunder. The Trustee is required to make deposits into and

withdrawals from funds, and invest amounts held under the Trust Agreement in accordance with the County's instructions.

Funds

The Trust Agreement creates the Acquisition Fund, the Delivery Costs Fund, the Lease Payment Fund and the Insurance and Condemnation Fund to be held in trust by the Trustee.

Acquisition Fund. There shall be deposited into the Acquisition Fund (after certain deposits are made to the Delivery Costs Fund) amounts necessary to acquire the Leased Property.

Delivery Costs Fund. There shall be deposited in the Delivery Costs Fund amounts necessary to pay costs relating to the execution, sale and delivery of Certificates, which amounts shall be disbursed by the Trustee, upon the written order of the County.

Lease Payment Fund. There shall be deposited into the Lease Payment Fund, when received by the Trustee, all Lease Payments and Prepayments. Moneys on deposit in the Lease Payment Fund shall be used to pay principal of, redemption premiums, if any, and interest on the Certificates.

Insurance and Condemnation Fund. Any Net Proceeds of insurance or condemnation awards in excess of \$100,000 shall be deposited in the Insurance and Condemnation Fund. Moneys on deposit, in the event of an insurance award, shall be used, as directed by the County, either to replace, repair or improve the Leased Property or be transferred to the Lease Payment Fund and applied to the Prepayment of the Certificates. However, if the Leased Property is destroyed in full, such Net Proceeds may only be used to prepay Lease Payments if they are sufficient, together with other available moneys, to fully prepay the Certificates. If such moneys are not so sufficient, they shall be used to replace, repair or improve the Leased Property.

Net Proceeds of a condemnation award shall be used as follows: (i) if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such eminent domain proceedings have not materially affected the operation of any of the Leased Property or the County's ability to meet its obligations under the Lease, and if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such proceeds are not needed for repair or rehabilitation of the Leased Property, the Trustee shall transfer such proceeds to the Lease Payment Fund as a credit against Lease Payments, (ii) if the Trustee determines, based upon a report of an independent engineer or other independent professional consultant, that such proceedings have not materially affected the operations of any of the Leased Property or the County's ability to meet its obligations under the Lease and such proceeds are needed for repair, rehabilitation or replacement of the Leased Property, the Trustee shall pay to the order of the County such portion of the proceeds required for such repair, rehabilitation or replacement, (iii) to prepay Lease Payments and redeem Certificates if less than all of the Leased Property is taken and the Trustee determines that such proceedings have materially affected the operation of the Leased Property or the County's ability to meet its obligations under the Lease, or (iv) if all of the Leased Property is taken, to prepay Lease Payments and thereby redeem Certificates.

Any moneys in the Insurance and Condemnation Fund (including investment earnings) remaining after the repair, replacement or improvement of the Leased Property is completed shall be paid to the County.

The Trustee is required to invest and reinvest all moneys held under the Trust Agreement upon order of a representative of the County in Permitted Investments for the Certificates. Any surplus remaining in the Lease Payment Fund after the payment of all Certificates, or provision for their payment has been made, shall be repaid to the County,

Event of Default; Acceleration

Upon the occurrence of an Event of Default, the Trustee, shall take action to exclude the County from the Leased Property and, upon the request of the Owners of at least 5% in Outstanding principal amount of the Certificates, shall exercise any and all remedies available at law or pursuant to the Lease including declaring the Certificates then Outstanding to be immediately due and payable; provided however that no such acceleration shall

change or otherwise affect the County's obligation to make Lease Payments and Additional Rent only during the term of the Lease and at the amounts and times provided therein. The Owner of any Certificate may institute any suit, action, or other proceedings in equity or at law for the protection or enforcement of any right under the Lease or Trust Agreement if and only if (i) such Owner has given written notice to the Trustee of such Event of Default, (ii) a majority of Certificate Owners have first notified the Trustee in writing of the event of default and made written request of the Trustee to exercise such powers, (iii) the Trustee shall have been offered reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request, and (iv) the Trustee shall have refused or omitted to comply with such request 60 days following receipt of such written request and such tender of indemnity.

Amendment

The Trust Agreement or the Lease may be amended by agreement among the parties thereto, and without the consent of the Owners of the Certificates, but only (i) to add to the covenants and agreements of any party, other covenants to be observed, or to surrender any right or power reserved in the Trust Agreement to the Lessor or the County, (ii) to cure, correct or supplement any ambiguous or defective provision, (iii) in regard to questions arising thereunder, which shall not, in the judgment of the Trustee, materially adversely affect the interest of the Owners, or (iv) to provide additional terms and conditions in connection with the issuance of Additional Certificates, which shall not, in the judgment of the Trustee, materially adversely affect the interests of the Owners. Any other amendment shall require the approval of a majority in principal amount of the Certificates then Outstanding; provided that no such amendment shall (i) extend the maturity or time of interest payment, or reduce the interest rate, amount of principal or premium payable on, any Certificate without such owner's consent, (ii) reduce the percentage of Owners of Certificates required to consent to any amendment or modification, or (iii) modify any of the Trustee's rights or obligations without its consent.

Defeasance

Upon payment of all Outstanding Certificates, either at or before maturity, or upon the irrevocable deposit of Permitted Investments of the type described in paragraph (a) of the definition of the term "Permitted Investments" (but not including any repurchase agreements), with the Trustee sufficient together with other available funds, without reinvestment, to retire the Certificates at or before maturity, the Trust Agreement shall be terminated, except for the obligations of the Trustee to make payments on the Certificates.

Any Certificate or portion thereof in authorized denominations may be paid as provided in the preceding paragraph; provided, however, that if any such Certificate or portion thereof is to be redeemed, notice of such redemption shall have been given in accordance with the provisions of the Trust Agreement or the County shall have submitted to the Trustee instructions expressed to be irrevocable as to the date upon which such Certificate or portion thereof is to be redeemed and as to the giving of notice of such redemption; and provided further, that if any such Certificate or portion thereof shall not mature or be redeemed within 60 days of the deposit of the moneys or the respective Permitted Investments referred to in the preceding paragraph, the Trustee shall give notice of such deposit by first class mail to the Owners.

Additional Certificates

So long as the Lease remains in effect and no Event of Default under the Trust Agreement has occurred, the Trustee may execute and deliver, at the direction of the County, Additional Certificates from time to time to provide funds to pay any one or more of (i) the costs of refunding Outstanding Certificates or restructuring the County's Lease Payments under the Lease, or (ii) the costs of making any modifications or improvements to the Leased Property as the County may deem necessary or desirable.

Before the Trustee shall deliver any Additional Certificates executed, the following items shall have been received by the Trustee:

- (a) Original executed counterparts of any amendments or supplements to the Lease and of the Trust Agreement entered into in connection with the execution and delivery of the Additional Certificates, which are necessary or advisable, in the opinion of Special Counsel, to provide that

the Additional Certificates will be executed and delivered in compliance with the provisions of the Trust Agreement.

- (b) A written opinion of Special Counsel to the effect that (i) the documents submitted to the Trustee in connection with the request then being made comply with the requirements of the Trust Agreement, (ii) any filings required to be made under the Trust Agreement have been made, and (iii) all conditions precedent to the delivery of the Additional Certificates have been fulfilled.
- (c) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above), to the effect that (i) when executed and delivered by the Trustee, those Additional Certificates will be valid and binding in accordance with their terms and will be secured hereunder equally and on a parity with all other Certificates at the time Outstanding under the Trust Agreement as to the assignment to the Trustee of the amounts pledged thereunder, and (ii) the execution and delivery of the Additional Certificates will not result in the portion of the Lease Payments designated as interest evidenced by the Certificates Outstanding immediately prior to that execution and delivery of such Additional Certificates becoming includable in gross income for purposes of federal income taxation.
- (d) A written opinion of Special Counsel (who also may be the counsel to which reference is made in subsection (b) above) to the effect that any amendments or supplements to the Lease entered into in connection with the execution and delivery of the Additional Certificates have been duly authorized, executed and delivered by the County, and that the Lease, as amended or supplemented, constitutes a legal, valid and binding obligation of the Lessee, enforceable in accordance with its terms, subject to exceptions reasonably satisfactory to the Trustee for bankruptcy laws and other laws affecting creditors' rights and the exercise of judicial discretion.
- (e) Written confirmation from Moody's, if the Certificates are then rated by Moody's, from Fitch, if the Certificates are then rated by Fitch, and from S&P, if the Certificates are then rated by S&P, that the issuance of the Additional Certificates will not cause the then-assigned rating assigned to the Certificates to be reduced or withdrawn.

THE GROUND LEASE

The County leases the site for the Public Works Parking Garage and the Public Service Center Office Tower and Parking Garage and all improvements and structures thereon, to the Trustee for the period commencing as of the date of the Ground Leases and terminating on June 1, 2031, provided that in no event shall the Ground Lease terminate before the termination of the Lease.

Title to the Public Works Parking Garage and the Public Service Center Office Tower and Parking Garage shall at all times remain with the County.

The Trustee prepaid its rental payments under the Ground Lease upon execution and delivery of the Ground Lease in connection with the execution and delivery of the 2008 Certificates.

The County shall have the right to terminate the Ground Lease upon written notice to the Trustee of (a) defeasance of the Lease and the Trust Agreement with respect to all Certificates as permitted thereunder, or (b) the exercise of the County of its option to purchase the Leased Property pursuant to the Lease and defeasance of the Trust Agreement as permitted thereunder.

FORMS OF SPECIAL COUNSEL OPINIONS

(2016A Certificates)

_____, 2016

Pima County, Arizona
Tucson, Arizona

Ladies and Gentlemen:

We have served as special counsel to our client Pima County, Arizona (the “County”) and not as counsel to any other person in connection with the execution and delivery by U.S. Bank National Association, as trustee (the “Trustee”), of \$28,750,000 aggregate principal amount of Certificates of Participation, Series 2016A (the “2016A Certificates”) pursuant to a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, a Third Supplement to Trust Agreement, dated as of May 1, 2013, a Fourth Supplement to Trust Agreement, dated as of January 1, 2014, a Fifth Supplement to Trust Agreement, dated as of April 1, 2015 and a Sixth Supplement to Trust Agreement, dated as of April 1, 2016 (collectively, the “Trust Agreement”), between the County and the Trustee, and relating to a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009, a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, a Third Amendment to Lease-Purchase Agreement, dated as of May 1, 2013, a Fourth Amendment to Lease-Purchase Agreement, dated as of January 1, 2014, a Fifth Amendment to Lease-Purchase Agreement, dated as of April 1, 2015, and a Sixth Amendment to Lease-Purchase Agreement, dated as of April 1, 2016 (collectively, the “Lease Agreement”), between the Trustee, as lessor, and the County, as lessee. The Lease Agreement and the Trust Agreement are referred to collectively as the “County Documents.” Capitalized terms not defined in this letter are used as defined in the County Documents.

In our capacity as special counsel, we have examined the transcript of proceedings relating to the execution and delivery of the 2016A Certificates, the County Documents, a copy of the executed 2016A Certificate of the first maturity, and such other documents, matters and law as we deem necessary to render the opinions set forth in this letter.

The 2016A Certificates, together with other Certificates (as defined in the Trust Agreement) heretofore or hereafter executed and delivered pursuant to the Trust Agreement, represent undivided and proportionate interests in the obligations of the County under the Lease Agreement. The County has agreed to lease certain real and personal property from the Trustee, as lessor, under the Lease Agreement.

Based upon our examination, we are of the opinion that, under existing law:

1. The County is a political subdivision existing under the laws of the State of Arizona, and has all requisite power to enter into and perform its obligations under the County Documents.
2. The County Documents each have been duly authorized, executed and delivered by the County and constitute legal, valid and binding obligations of the County enforceable in accordance with their terms.

3. The 2016A Certificates have been duly authorized, executed and delivered by the Trustee at the request and for the benefit of the County and are valid and binding limited and special obligations payable solely from the Lease Payments (as defined in the Lease Agreement) and certain funds held under the Trust Agreement as provided therein. The 2016A Certificates are not secured by an obligation or pledge of any taxing power or moneys raised thereby and are not a debt of and do not constitute a pledge of the faith and credit of the County, the State of Arizona or any political subdivision thereof.

4. The portion of each Lease Payment made by the County pursuant to the Lease Agreement and denominated as and comprising interest pursuant to the Lease Agreement and received by the owners of the 2016A Certificates (the "Interest Portion") is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended, and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, portions of the Interest Portion earned by certain corporations may be subject to a corporate alternative minimum tax. The Interest Portion is not included in taxable income of individuals or corporations for Arizona income tax purposes so long as that interest is excluded from gross income for federal income tax purposes. We express no opinion as to any other tax consequences regarding the 2016A Certificates. We also express no opinion as to the treatment for federal income tax purposes or Arizona state income tax purposes of amounts paid to the owners of the 2016A Certificates in the event of termination of the Lease Agreement due to nonappropriation.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined, (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the County and (iii) the correctness of the legal conclusions contained in the legal opinion letters of counsel to the County delivered in connection with this matter.

In rendering those opinions with respect to treatment of the Interest Portion under the federal tax laws, we further assume and rely upon compliance with the covenants in the proceedings and documents we have examined, including those of the County. Failure to comply with certain of those covenants subsequent to the execution and delivery of the 2016A Certificates may cause the Interest Portion to be included in gross income for federal income tax purposes retroactively to the date of execution and delivery of the 2016A Certificates.

The rights of the owners of the 2016A Certificates and the enforceability of the 2016A Certificates and the County Documents are subject to bankruptcy, insolvency, arrangement, fraudulent conveyance or transfer, reorganization, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion, and to limitations on legal remedies against public entities.

The opinions rendered in this letter are stated only as of this date, and no other opinion shall be implied or inferred as a result of anything contained in or omitted from this letter. Our engagement as special counsel with respect to the 2016A Certificates has concluded on this date.

Respectfully submitted,

FORMS OF SPECIAL COUNSEL OPINIONS

(Taxable 2016B Certificates)

_____, 2016

Pima County, Arizona
Tucson, Arizona

Ladies and Gentlemen:

We have served as special counsel to our client Pima County, Arizona (the “County”) and not as counsel to any other person in connection with the execution and delivery by U.S. Bank National Association, as trustee (the “Trustee”), of \$15,185,000 aggregate principal amount of Certificates of Participation, Taxable Series 2016B (the “Taxable 2016B Certificates”) pursuant to a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, a Third Supplement to Trust Agreement, dated as of May 1, 2013, a Fourth Supplement to Trust Agreement, dated as of January 1, 2014, a Fifth Supplement to Trust Agreement, dated as of April 1, 2015 and a Sixth Supplement to Trust Agreement, dated as of April 1, 2016 (collectively, the “Trust Agreement”), between the County and the Trustee, and relating to a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009, a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, a Third Amendment to Lease-Purchase Agreement, dated as of May 1, 2013, a Fourth Amendment to Lease-Purchase Agreement, dated as of January 1, 2014, a Fifth Amendment to Lease-Purchase Agreement, dated as of April 1, 2015 and a Sixth Amendment to Lease-Purchase Agreement, dated as of April 1, 2016 (collectively, the “Lease Agreement”), between the Trustee, as lessor, and the County, as lessee. The Lease Agreement and the Trust Agreement are referred to collectively as the “County Documents.” Capitalized terms not defined in this letter are used as defined in the County Documents.

In our capacity as special counsel, we have examined the transcript of proceedings relating to the execution and delivery of the Taxable 2016B Certificates, the County Documents, a copy of the executed Taxable 2016B Certificate of the first maturity, and such other documents, matters and law as we deem necessary to render the opinions set forth in this letter.

The Taxable 2016B Certificates, together with other Certificates (as defined in the Trust Agreement) heretofore or hereafter executed and delivered pursuant to the Trust Agreement, represent undivided and proportionate interests in the obligations of the County under the Lease Agreement. The County has agreed to lease certain real and personal property from the Trustee, as lessor, under the Lease Agreement.

Based upon our examination, we are of the opinion that, under existing law:

1. The County is a political subdivision existing under the laws of the State of Arizona, and has all requisite power to enter into and perform its obligations under the County Documents.
2. The County Documents each have been duly authorized, executed and delivered by the County and constitute legal, valid and binding obligations of the County enforceable in accordance with their terms.
3. The Taxable 2016B Certificates have been duly authorized, executed and delivered by the Trustee at the request and for the benefit of the County and are valid and binding limited and special obligations payable solely from the Lease Payments (as defined in the Lease Agreement) and certain funds held under the Trust Agreement as provided therein. The Taxable 2016B Certificates are not secured by an obligation or pledge of any

taxing power or moneys raised thereby and are not a debt of and do not constitute a pledge of the faith and credit of the County, the State of Arizona or any political subdivision thereof.

4. We express no opinion as to any tax consequences regarding the Taxable 2016B Certificates.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined, (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the County and (iii) the correctness of the legal conclusions contained in the legal opinion letters of counsel to the County delivered in connection with this matter.

The rights of the owners of the Taxable 2016B Certificates and the enforceability of the Taxable 2016B Certificates and the County Documents are subject to bankruptcy, insolvency, arrangement, fraudulent conveyance or transfer, reorganization, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion, and to limitations on legal remedies against public entities.

The opinions rendered in this letter are stated only as of this date, and no other opinion shall be implied or inferred as a result of anything contained in or omitted from this letter. Our engagement as special counsel with respect to the Taxable 2016B Certificates has concluded on this date.

Respectfully submitted,

BOOK-ENTRY-ONLY SYSTEM

THE INFORMATION PROVIDED IN THIS APPENDIX HAS BEEN PROVIDED BY DTC. NO REPRESENTATION IS MADE BY THE COUNTY, SPECIAL COUNSEL, OR THE UNDERWRITER AS TO THE ACCURACY OR ADEQUACY OF SUCH INFORMATION PROVIDED BY DTC OR AS TO THE ABSENCE OF MATERIAL ADVERSE CHANGES IN SUCH INFORMATION SUBSEQUENT TO THE DATE HEREOF.

DTC will act as securities depository for the 2016 Certificates. The 2016 Certificates will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2016 Certificate certificate will be issued for each maturity of the 2016 Certificates, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of 2016 Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2016 Certificates on DTC's records. The ownership interest of each actual purchaser of each 2016 Certificate ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2016 Certificates are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in 2016 Certificates, except in the event that use of the book-entry system for the 2016 Certificates is discontinued.

To facilitate subsequent transfers, all 2016 Certificates deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of 2016 Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2016 Certificates; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2016 Certificates are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2016 Certificates may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2016 Certificates, such as redemptions, tenders, defaults, and proposed amendments to the Trust Agreement. For example, Beneficial Owners of 2016 Certificates may wish to ascertain that the nominee holding the 2016 Certificates for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2016 Certificates unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts 2016 Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and redemption payments on the 2016 Certificates will be made by the Trustee to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and redemption proceeds to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2016 Certificates at any time by giving reasonable notice to the Trustee or the County. Under such circumstances, in the event that a successor depository is not obtained, 2016 Certificate certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, 2016 Certificate certificates will be printed and delivered to DTC.

NEITHER THE COUNTY NOR THE TRUSTEE WILL HAVE RESPONSIBILITY OR OBLIGATION TO PARTICIPANTS WITH RESPECT TO (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC, ANY DIRECT PARTICIPANT, OR ANY INDIRECT PARTICIPANT; (2) ANY NOTICE THAT IS PERMITTED OR REQUIRED TO BE GIVEN TO THE OWNERS OF THE 2016 CERTIFICATES UNDER THE TRUST AGREEMENT; (3) THE SELECTION BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY PERSON TO RECEIVE PAYMENT IN THE EVENT OF A PARTIAL REDEMPTION OF THE 2016 CERTIFICATES; (4) THE PAYMENT BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT OF ANY AMOUNT WITH RESPECT TO THE PRINCIPAL OR REDEMPTION PREMIUM, IF ANY, OR INTEREST DUE WITH RESPECT TO THE 2016 CERTIFICATES; (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC AS THE OWNER OF 2016 CERTIFICATES; OR (6) ANY OTHER MATTERS.

So long as Cede & Co. is the registered owner of the 2016 Certificates, as nominee of DTC, references herein to "Owner" or registered owners of the 2016 Certificates (other than under the caption "TAX MATTERS") shall mean Cede & Co., as aforesaid, and shall not mean the Beneficial Owners of such 2016 Certificates.

When reference is made to any action which is required or permitted to be taken by the Beneficial Owners, such reference shall only relate to those permitted to act (by statute, regulation or otherwise) on behalf of such Beneficial Owners for such purposes. When notices are given, they shall be sent by the County or the Trustee to DTC only.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the County believes to be reliable, but the County takes no responsibility for the accuracy thereof.

WHEREAS, the Depository Trustee agrees to accept and administer the trust for such purpose created hereby,

NOW, THEREFORE, in consideration of the mutual covenants, conditions and agreements hereinafter contained, IT IS HEREBY AGREED as follows:

Section 1. Definitions. For the purpose of this Depository Trust Agreement, unless the context otherwise requires, the following words and phrases shall have the following meanings:

“Bond Counsel” means a firm of attorneys of national reputation acceptable to the Depository Trustee and experienced in the field of municipal bonds whose opinions are generally accepted by purchasers of municipal bonds.

“Business Day” means a day of the year (i) which is not a Saturday or Sunday, (ii) on which banks located in the city in which the principal corporate trust office of the Depository Trustee is located are not required or authorized to remain closed and (iii) on which the New York Stock Exchange is not closed.

“Certificates to be Refunded” means the County’s Certificates of Participation, Series 2007-A, identified on Exhibit A attached hereto.

“Code” means the Internal Revenue Code of 1986, as amended.

“Depository Trust Agreement” means this Depository Trust Agreement, dated as of April 1, 2016, between the County and the Depository Trustee.

“Depository Trustee” means U.S. Bank National Association and its successors, as the Depository Trustee under this Depository Trust Agreement.

“Lease Payment Fund” means the “Lease Payment Fund” established by Article V of the Original Trust Agreement and held by the Trustee.

“Report” means the written verification report by Grant Thornton LLP certified public accountants, of the accuracy of the arithmetical computations of the adequacy of the maturing principal of and interest on the investments held by Depository Trustee in the trust accounts created hereunder to pay, when due, principal, premium, if any, and interest, on the Certificates to be Refunded as the same become due.

“State” means the State of Arizona.

“Trust Account” means the trust fund so named created pursuant to Section 3 hereof.

Section 2. Acknowledgment by Depository Trustee. The Depository Trustee acknowledges receipt of copies of the 2007-A Trust Agreement, the Trust Agreement and the Report.

Section 3. Creation of Trust Account; Payment of Debt.

(a) The County hereby declares this Depository Trust Agreement to be an irrevocable trust made for the benefit of the holders of the Certificates to be Refunded, as their respective interests may appear (the “Beneficiaries”).

In the event that this Depository Trust Agreement is ever declared void, made voidable, terminated or canceled for any reason, the express trust created herein shall continue for the benefit of the Beneficiaries and the County shall use its best efforts to obtain a qualified successor bank to act as Depository Trustee hereunder. In the further event that no successor depository trustee shall qualify to succeed as trustee hereunder, the trust herein declared shall not

terminate and the County shall hold the moneys and Defeasance Obligations then on deposit in the hereinafter described Trust Account in trust for the Beneficiaries.

(b) The County shall cause to be deposited with the Depository Trustee \$11,009,880.00, which represents a portion of the proceeds of the 2016A Certificates. The Depository Trustee agrees to hold such amount so deposited and all investments made with such moneys and all earnings from investment and reinvestment of such moneys as a special trust fund (the "Trust Account") separate from all other funds and investments held by the Depository Trustee. The Trust Account shall be held by the Depository Trustee pursuant to Section 14.1 of the 2007-A Trust Agreement and this Depository Trust Agreement.

(c) The amounts credited to the Trust Account, other than an initial cash balance of \$0.96, shall be applied immediately to create the portfolio of moneys and Defeasance Obligations described in Exhibit B hereto and constituting Defeasance Obligations under the 2007-A Trust Agreement, which is a part of this Depository Trust Agreement. The Depository Trustee shall keep adequate and accurate records of such moneys, Defeasance Obligations and investment earnings thereon and all payments from the Trust Account. The Depository Trustee shall not redeem the Defeasance Obligations in advance of their maturity dates except as provided in this Depository Trust Agreement. Amounts earned on investments held in the Trust Account shall be deposited, as and when the same are earned, thereto.

(d) If on the date of delivery of the 2016A Certificates and the deposits to the Trust Account (the "Closing Date"), the Depository Trustee shall not receive from the seller thereof any of the Defeasance Obligations listed in Exhibit B ("Failed Escrow Securities"), the Depository Trustee shall accept, as temporary substitutes, at the same purchase price, other Defeasance Obligations and/or cash (collectively, "Substitute Escrow Securities") the payments on which are scheduled to provide, as determined by an independent certified public accountant, at least the same amounts of moneys on or before the same dates as the Failed Escrow Securities for which they are substituted. The Depository Trustee may rely upon the opinion of independent public accountants that the condition in the preceding sentence is satisfied.

If Substitute Escrow Securities are delivered, thereafter, upon delivery by the seller to the Depository Trustee of Failed Escrow Securities together with any amounts paid thereon subsequent to the Closing Date, the Depository Trustee shall return to the seller an amount of Substitute Escrow Securities, and any amounts paid thereon subsequent to the Closing Date, corresponding to the Failed Escrow Securities which the Substitute Escrow Securities replaced.

The moneys and Defeasance Obligations credited to the Trust Account and all proceeds thereof are pledged solely to payment of principal of and interest or redemption premium on the Certificates to be Refunded to the extent necessary for such payment and shall be used solely for that purpose except as otherwise expressly provided herein. To secure such payment, the Beneficiaries are granted a security interest in such moneys and Defeasance Obligations and proceeds thereof to the extent necessary for such payment.

Section 4. Redemption of the Certificates to be Refunded; Notices.

(a) (a) The County hereby irrevocably exercises its option to call for redemption on July 1, 2017 the Certificates to be Refunded maturing on July 1 of the years 2019 through and including 2022, and hereby irrevocably directs the 2007-A Trustee and the 2007-A Trustee hereby agrees, to take any action required under the 2007-A Trust Agreement, including, without limitation, the giving of notices thereunder, to apply amounts in the Trust Account to accomplish such redemption. Such optional redemption shall be carried out in accordance with the provisions of the 2007-A Trust Agreement.

The 2007-A Trustee is also authorized and directed to mail notices of refunding, in substantially the forms set forth as Exhibit C-1 to this Depository Trust Agreement, to each registered owner of a Certificate to be Refunded, such mailing to take place within a reasonable time after creation of the Trust Account.

The 2007-A Trustee is also authorized and irrevocably directed, and hereby agrees, to give notice of redemption of the Certificates to be Refunded being called for optional redemption at the times and in the manner specified in the 2007-A Trust Agreement, in substantially the form set forth as Exhibit C-2 to this Depository Trust Agreement.

(b) The County hereby irrevocably directs the Depository Trustee, and the Depository Trustee hereby agrees, to apply amounts from Trust Account on the dates shown on Exhibit D to the payment of the principal of and interest on and redemption price of the Certificates to be Refunded.

Section 5. Application of Moneys; Reinvestment; Liquidation. The Depository Trustee shall, at all times, hold the Defeasance Obligations and all moneys in the Trust Account for the account of the County and for the benefit of the Beneficiaries, shall maintain the Trust Account and the separate accounts therein wholly segregated from other funds and securities on deposit with the Depository Trustee, shall never commingle such Defeasance Obligations and other moneys with other funds or obligations of the Depository Trustee, and shall never at any time use, loan or borrow the same in any way.

Notwithstanding the foregoing, the Depository Trustee may liquidate investments and reinvestments held in the Trust Account in advance of their maturity dates, and may reinvest or otherwise disburse the liquidation proceeds or other amounts only upon receipt of:

(a) Written instructions from the County to do so;

(b) An opinion of Bond Counsel to the effect that such action will not adversely affect the exclusion from gross income for purposes of Federal income taxation of the interest income on the 2007-A Certificates or the 2016A Certificates, and will not cause the 2007-A Certificates or the 2016A Certificates to become "arbitrage bonds" as that term is defined in Section 148 of the Code; and

(c) A report from an independent certified public accountant or firm of independent certified public accountants whose members are also members of the American Institute of Certified Public Accountants and acceptable to the Depository

Trustee and the County, verifying the accuracy of the arithmetical computations of the adequacy of the proceeds from the liquidation, if any, together with any additional deposits and the maturing principal of and interest of Defeasance Obligations, if any, to be acquired by the Depository Trustee in accordance with the County's instructions, to pay, when due, without reinvestment the amounts to be paid from the Trust Account as provided herein.

Notwithstanding any provision herein to the contrary, all reinvestments shall be in Defeasance Obligations and the Depository Trustee shall determine that such Defeasance Obligations shall mature on or before the dates required to pay, when due, the principal of and interest and redemption premium, if any, of the Certificates to be Refunded and in an amount at least equal to the purchase price thereof..

Section 6. Security for Deposits. Any moneys credited to the Trust Account which are not invested in Defeasance Obligations as provided herein, shall be held as cash and shall at all times be insured by the Federal Deposit Insurance Corporation or be secured by Defeasance Obligations at least equal in value to the amount of such moneys.

Section 7. Certain Covenants. The County covenants that:

(a) It will take no action or fail to take any action, either directly or through affiliates, which action or failure to take action would adversely affect the exemption from federal income taxation of the interest income on any of the 2007-A Certificates or the 2016A Certificates.

(b) It will not take or direct any action which will cause the 2007-A Certificates or the 2016A Certificates to become "arbitrage bonds" as that term is defined in Section 148(a) of the Code.

(c) It will preserve the validity of the 2007-A Certificates and the 2016A Certificates and the exclusion from gross income for purposes of federal income tax of interest on the 2007-A Certificates and the 2016A Certificates.

Section 8. Acceptance. The Depository Trustee shall have only the duties set forth herein and referred to in the 2007-A Trust Agreement with no liability in connection with any action or omission to act hereunder, except for its own negligence, willful misconduct or breach of trust, and no liability for payments on the Certificates to be Refunded except from the funds herein pledged for that purpose. By executing this Depository Trust Agreement, the Depository Trustee shall evidence its acceptance of the powers, duties and responsibilities bestowed upon and requested of the Depository Trustee under the terms hereof.

Section 9. Reports. On or prior to July 15, 2016, January 15, 2017 and July 15, 2017, the Depository Trustee shall submit to the County a report covering all moneys it shall have received and all payments it shall have made under the provisions hereof for the immediately preceding semiannual period until the Certificates to be Refunded have been paid and redeemed.

Section 10. Responsibilities and Indemnification.

(a) The Depository Trustee shall have no responsibility or liability for any action taken in accordance with the express provisions hereof and shall have no liability for the genuineness of any investments made or received hereunder or for any loss resulting from any investments made pursuant hereto. In the event the Depository Trustee is required or permitted hereby, or is requested hereunder, to take any action (or refrain from taking any action) which exposes the Depository Trustee to unreasonable risk of liability or expense, the Depository Trustee shall have no duty to take (or refrain from taking) any such action until the Depository Trustee has been furnished with indemnity adequate, in its sole judgment, to protect the Depository Trustee, its directors, officers, employees, agents and attorneys for, from and against such liability or expense, and all reasonable costs and expenses (including reasonable attorneys' fees) in connection therewith, or until its duty as to any such action (or inaction) shall have been finally adjudicated by a court of competent jurisdiction and all applicable periods in which to appeal or seek appellate review have expired.

(b) The County agrees, to the extent permitted by law, to indemnify and hold the Depository Trustee, its directors, officers, employees, agents and attorneys harmless for, from and against any and all claims, liabilities, judgments, losses, costs and expenses (including reasonable attorneys' fees) arising from the Depository Trustee's performance of its duties hereunder. Such indemnification shall not extend to claims successfully brought against the Depository Trustee, its directors, officers, employees, agents or attorneys, for, or liabilities, losses, costs and expenses incurred as a result of, the Depository Trustee's own negligence, willful misconduct or breach of trust. In the event any action or proceeding is instituted or pending against the Depository Trustee, its directors, officers, employees, agents or attorneys by reason of the Depository Trustee's performance of its duties hereunder, the County may, at its election, assume the defense of any such action or proceeding with counsel satisfactory to the indemnified party. If any such action or proceeding includes any claims alleging the Depository Trustee's own negligence, willful misconduct or breach of trust in the performance of its duties hereunder, the indemnified party shall reimburse the County its expenses (including reasonable attorneys' fees), if any, of assuming the defense of such action or proceeding if it is determined by a final judgment of a court of competent jurisdiction that the said party is not entitled to be indemnified by the County as authorized in this Section 10(b). The County may, without the prior approval of the indemnified party, settle any such action or proceeding on such terms as may be acceptable to the County provided the County assumes all responsibility and liability in connection with any such settlement. Any such settlement shall not, of itself, create a presumption as to the merits of any claims alleging the Depository Trustee's own negligence, willful misconduct or breach of trust in the performance of its duties hereunder.

Section 11. Fees. The Depository Trustee hereby acknowledges receipt of its fee in the amount of \$600.00. Except as otherwise expressly provided herein, such fees, which the County hereby agrees to pay on or promptly after the Closing Date, constitute all payments the Depository Trustee shall receive with respect to services hereunder; provided, however, that the County also agrees to pay or reimburse the Depository Trustee for any unusual or extraordinary costs incurred by it in performance of its duties and to pay the Depository Trustee its usual and customary fees and to reimburse the Depository Trustee for its reasonable costs (including reasonable attorneys' fees) in connection with the redemption of the Certificates to be Refunded.

Notwithstanding the foregoing, the Depository Trustee shall be obligated to perform its duties hereunder if it does not receive the fees payable to it hereunder. Except as specifically provided in the first sentence of Section 15 hereof, the Depository Trustee shall have no lien nor assert any lien on moneys or investments in the Trust Account securing payment of its fees or expenses.

Section 13. Assignment. The rights and duties of the Depository Trustee under this Depository Trust Agreement shall not be assigned to any other person, corporation, partnership or trustee unless the Depository Trustee is required by law to divest, or does divest, itself of its trust department or unless the Depository Trustee shall sell or assign substantially all of its trust business in which event the trust hereunder shall be continued by the Depository Trustee's successor in interest.

Section 14. Right to Deal in Certificates. The Depository Trustee may in good faith buy, sell or hold and deal in any Certificates to be Refunded with like effect as if it were not such Depository Trustee but such action shall not abrogate, alter or diminish any duty of the Depository Trustee as the depository trustee under this Depository Trust Agreement.

Section 15. Irrevocability; Amendments. The parties hereto recognize that the holders of the Certificates to be Refunded have a beneficial and vested interest in the moneys and investments in the Trust Account to pay when due principal of and redemption premiums, if any, on the Certificates to be Refunded. It is therefore recited, understood and agreed by the parties hereto that this Depository Trust Agreement shall not be revoked or amended without the consent of the holders of 100% of the aggregate principal amount of the Certificates to be Refunded, except that this Depository Trust Agreement may be amended without notice to or consent of the holders of the Certificates to be Refunded for one or more of the following purposes:

- (a) To insert any unintentionally omitted material or to cure any formal defect or omission or to cure any ambiguity, provided any such amendment shall not, in the opinion of the Depository Trustee (in reliance upon an opinion of counsel), materially adversely affect the interests of the holders of the Certificates to be Refunded;
- (b) To grant or confer upon the holders of the Certificates to be Refunded any additional rights, remedies, powers or authority that may lawfully be granted or conferred upon them;
- (c) To secure or provide additional revenues or security or reserves for the payment of the Certificates to be Refunded; or
- (d) To reflect the severance of any section, paragraph, subdivision, sentence, clause or phrase hereof which has been held illegal or unenforceable.

Section 16. Termination. When all amounts payable on the Certificates to be Refunded have become due and the Depository Trustee has on deposit all moneys necessary for the payment of such amounts, and in any event on the Business Day following the date on which the last of the Certificates to be Refunded is to be retired, the Depository Trustee shall deposit all moneys and investments credited to the Trust Account and not needed for payment of principal of and interest on the Certificates to be Refunded or fees and expenses of the Depository Trustee

into the Lease Payment Fund established in the Trust Agreement. Any moneys held by the Depository Trustee or any paying agent for the payment of the principal of and interest on any Certificates to be Refunded remaining unclaimed for four years after the principal of all Certificates to be Refunded has become due and payable shall then be paid to the Lease Payment Fund established in the Trust Agreement and the holders of any Certificates to be Refunded not theretofore presented for payment shall thereafter be entitled to look only to the County for payment thereof and all liability of the Depository Trustee and any paying agent with respect to such moneys shall thereupon cease and this Depository Trust Agreement shall terminate. Any claims of the Depository Trustee against the County for amounts due to the Depository Trustee pursuant to Sections 10 and 11 hereof shall survive the termination of this Depository Trust Agreement.

Section 17. Severability. If any section, paragraph, subdivision, sentence, clause or phrase hereof shall for any reason be held illegal or unenforceable, such decision shall not affect the validity of the remaining portions hereof. If any provision hereof contains an ambiguity which may be construed as either valid or invalid, the valid construction shall be adopted.

Section 18. Applicable Laws. This Depository Trust Agreement shall be governed exclusively by the provisions hereof and by the applicable laws of the State.

Section 19. Headings for Reference Only. The headings herein are inserted for reference only and shall not define or limit the provision hereof.

Section 20. Counterparts. This Depository Trust Agreement may be executed in several counterparts, each of which shall be an original, but all of which together shall constitute but one instrument.

Section 21. Notices. All notices, consents or other communications required or permitted to be made hereunder to the parties hereto shall be deemed sufficient if given in writing, addressed and mailed by certified or registered mail, postage prepaid as follows:

the County if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the County is, at any time while the contract or any extension of the contract is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the County's Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time. All parties represent that to the best of their knowledge, no basis exists for the County to cancel this Depository Trust Agreement pursuant to A.R.S. § 38-511 as of the date hereof. The Depository Trustee covenants not to employ as an employee, an agent or, with respect to the subject matter of this Depository Trust Agreement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Depository Trust Agreement on behalf of the County within 3 years from execution of this Depository Trust Agreement, unless a waiver of A.R.S. § 38-511 is provided by the County's Board of Supervisors.

Section 23. Certain Warranties and Certifications from the Depository Trustee.

To the extent applicable under A.R.S. § 41-4401, the Depository Trustee, in its capacity as Depository Trustee hereunder, including its subcontractors who work on this Depository Trust Agreement, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E-verify requirements under A.R.S. § 23-214(A). The breach by the Depository Trustee of the foregoing shall be deemed a material breach by the Depository Trustee of this Depository Trust Agreement and may result in the termination of its role as Depository Trustee hereunder and its replacement with a successor in such capacity. The County retains the legal right to randomly inspect the papers and records of the Depository Trustee to ensure that the Depository Trustee is complying with the above-mentioned warranty. The Depository Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Depository Trustee shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

We have performed the procedures described in this report, which were agreed to by Pima County, Arizona (the "County") and RBC Capital Markets, LLC (the "Underwriter"), to verify the mathematical accuracy of certain computations contained in the schedules attached in Appendix I provided by the Underwriter. The County is responsible for these schedules. These procedures were performed solely to assist you in the issuance of the above-captioned issue (the "2016A Certificates") for the purpose, in part, of refunding a portion of the County's outstanding Certificates of Participation (Justice Building Project), Series 2007-A (the "Refunded Certificates") as summarized on the next page. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of the addressees of this report who are the specified parties. Consequently, we make no representation regarding the sufficiency of the procedures described in this report either for the purpose for which this report has been requested or for any other purpose.

VERIFICATION OF ESCROW ACCOUNT CASH FLOW SUFFICIENCY

The Underwriter provided us with schedules (Appendix I) summarizing future escrow account cash receipts and disbursements. These schedules indicate that there will be sufficient cash available in the escrow account to pay the principal and interest on the Refunded Certificates assuming the Refunded Certificates will be redeemed on July 1, 2017 at 100 percent of par plus accrued interest.

The attached Exhibit A (Schedule of Sources and Uses of Funds) was compiled based upon information provided by the Underwriter.

As part of our engagement to recalculate the schedules attached as Appendix I we prepared schedules attached hereto as Exhibits B through B-2 independently calculating future escrow account cash receipts and disbursements and compared the information used in our calculations to the information listed below contained in applicable pages of the following documents:

- Subscription confirmation, dated March 30, 2016, and Schedule of U.S. Treasury Securities provided by the Underwriter used to acquire certain United States Treasury Securities - State and Local Government Series (the "SLGS") insofar as the SLGS are described as to the principal amounts, interest rates, maturity dates, issuance date and first interest payment date; and
- Official Statement for the Refunded Certificates provided by the Underwriter insofar as the Refunded Certificates are described as to the maturity and interest payment dates, principal amounts, interest rates and optional redemption date and price.

In addition, we compared the interest rates for each maturity of the SLGS, as shown on the Schedule of U.S. Treasury Securities, with the maximum allowable interest rates shown on the Department of Treasury, Bureau of Public Debt, SLGS Table for use on March 30, 2016 and found that the interest rates were equal to the maximum allowable interest rates for each maturity.

Our procedures, as summarized in Exhibits B through B-2, prove the mathematical accuracy of the schedules provided by the Underwriter summarizing future escrow account cash receipts and disbursements. The schedules provided by the Underwriter and those prepared by us reflect that the anticipated receipts from the SLGS, together with an initial cash deposit of \$0.96 to be deposited into the escrow account on April 14, 2016, will be sufficient to pay, when due, the principal and interest related to the Refunded Certificates assuming the Refunded Certificates will be redeemed on July 1, 2017 at 100 percent of par plus accrued interest.

VERIFICATION OF YIELDS

The Underwriter provided us with schedules (Appendix I) which indicate that the yield on the cash receipts from the SLGS is less than the yield on the 2016A Certificates. These schedules were prepared based on the assumed settlement date of April 14, 2016 using a 360-day year with interest compounded semi-annually. The term "yield", as used herein, means that yield which, when used in computing the present value of all payments of principal and interest to be paid or received on an obligation produces an amount equal to, in the case of the cash receipts from the SLGS, the purchase price, and in the case of the 2016A Certificates, the issue price.

As part of our engagement to recalculate the schedules attached as Appendix I we prepared schedules attached hereto as Exhibits B-1 and C independently calculating the yields on (i) the cash receipts from the SLGS calculated on Exhibit B-1, and (ii) the 2016A Certificates using the Official Statement provided by the Underwriter insofar as the 2016A Certificates are described as to the maturity and interest payment dates, dated date, principal amounts, interest rates and issue price to the public. The results of our calculations, based on the aforementioned assumptions, are summarized below:

	<u>Yield</u>	<u>Exhibit</u>
• Yield on the cash receipts from the SLGS	0.646661%	B-1
• Yield on the 2016A Certificates	1.210183%	C

Our procedures, as summarized in Exhibits B-1 and C, prove the mathematical accuracy of the schedules provided by the Underwriter summarizing the yields. The schedules provided by the Underwriter and those prepared by us reflect that the yield on the cash receipts from the SLGS is less than the yield on the 2016A Certificates.

* * * * *

We were not engaged to, and did not, conduct an examination or a review in accordance with attestation standards established by the American Institute of Certified Public Accountants, the objective of which would be the expression of an examination opinion or limited assurance on the items referred to above. Accordingly we do not express such an opinion or limited assurance. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of those to whom this letter is addressed and is not intended to be and should not be used by anyone other than these specified parties.

Total Sale Proceeds	<u>\$20,193,294.30</u>	<u>\$11,108,839.95</u>	<u>\$31,302,134.25</u>

2.70 Higher Yielding Investments. Gross Proceeds will not be invested in Higher Yielding Investments except for (A) those Gross Proceeds identified in 3.10, 3.20, and 3.30, but only during the applicable Temporary Periods there described for those Gross Proceeds, and (B) the Minor Portion to the extent provided in 3.70.

2.80 Single Issue; Multiple Issue.

(A) **Single Issue.** All of the obligations of the Issue were sold on the Sale Date pursuant to the same plan of financing and are expected to be paid from substantially the same source of funds. Whether obligations are expected to be paid from substantially the same source of funds is determined without regard to guarantees from a person who is not a Related Party to the Issuer. Accordingly, all of the obligations of the Issue constitute a single "issue" for federal income tax purposes. No obligations, other than those comprising the Issue, have been or will be sold less than 15 days before or after the Sale Date that are expected to be paid from substantially the same source of funds as the Issue. Accordingly, no obligations other than those comprising the Issue are a part of a single issue with the Issue.

(B) **Multipurpose Issue.** The Issue is a Multipurpose Issue, consisting of the Advance Refunding Portion and the New Money Portion. No allocation of certificates of the Issue to the separate government purposes thereof for federal income tax purposes are being made at this time. Any future election by the Issuer to allocate certificates of the Issue to the Advance Refunding Portion and New Money Portion will accord with the federal tax law in effect at the time any such election is made, but it is noted that the Debt Service on the Advance Refunded Portion exceeds the Debt Service on the Advance Refunded Certificates in each Bond Year other than the final Bond Year.

III. ARBITRAGE (NONREBATE) MATTERS

3.10 Use of Sale Proceeds and Pre-Issuance Accrued Interest; Temporary Periods; Transferred Proceeds.

(A) **Pre-Issuance Accrued Interest.** There is no Pre-Issuance Accrued Interest.

(B) **Underwriter's Discount and Issuance Costs.** Sale Proceeds in the amount of \$171,062.50 will be retained by the Underwriter from the Issue Price otherwise paid to the

Issuer to purchase the Issue as compensation for its services in marketing the Issue to the public. Sale Proceeds in the amount of \$121,190.79 will be used to pay other Issuance Costs within 13 months from the Issuance Date, such period being the Temporary Period for that amount.

(C) Refunding of Advance Refunded Certificates

(1) Sale Proceeds of the Advance Refunding Portion in the amount of \$11,009,880.96 will be deposited in the Escrow Fund and used on the Issuance Date (except for \$0.96 that will remain in cash, uninvested as the "Initial Cash Balance") to purchase the United States Treasury Obligations – State and Local Government Series identified on Exhibit A to the Escrow Agreement ("Restricted Securities").

(2) The amounts received from the Restricted Securities and the Initial Cash Balance will be used to pay Debt Service on the Advance Refunded Certificates to and including their stated maturity dates except, in the case of Advance Refunded Certificates subject to optional redemption before maturity, such Debt Service will be paid to and including their earliest redemption date and to redeem on that date such Advance Refunded Certificates. At no time from and after the Issuance Date will the Proceeds in the Escrow Fund be used to acquire or hold Higher Yielding Investments with respect to the Issue. As shown in the Verification Report, the Yield on the Issue is 1.2101% and the Yield on the Restricted Securities 0.6467%.

(3) Pursuant to Regulations § 1.148-9(g), the Issuer hereby waives the general 30-day Temporary Period in Regulations § 1.148-9(d)(2)(i) for Proceeds of the Issue held in the Escrow Fund.

(4) All Proceeds of the Advance Refunded Certificates have been spent. Accordingly, there will be no Transferred Proceeds of the Advance Refunding Portion.

(5) There are no Excess Gross Proceeds of the Advance Refunding Portion.

(6) As required by Section 149(d)(4), no device has been employed in connection with the issuance of the Issue to obtain a material financial advantage (based on arbitrage) apart from Debt Service Savings attributable to lower interest rates.

(7) The refunding of the Advance Refunded Certificates constitutes the first and last advance refunding of such Certificates, within the meaning of Section 149(d)(3). No portion of the Advance Refunded Certificates was an Advance Refunding Issue.

(8) The Advance Refunded Certificates will be redeemed on the earliest date on which they may be redeemed (July 1, 2017).

(D) Payment of New Money Project Costs.

(1) Sale Proceeds of the New Money Portion in the amount of \$20,000,000.00 will be used to pay a portion of the costs of the New Money Project. Such Sale Proceeds may be used to acquire or hold Higher Yielding Investments for a period ending on the third anniversary of the Issuance Date (such period being the Temporary Period for such amount) because the following three tests are reasonably expected to be satisfied:

(i) At least 85% of the Net Sale Proceeds of the New Money Portion will be allocated to expenditures on the New Money Project by the end of the Temporary Period for such Net Sale Proceeds.

(ii) Within six months of the Issuance Date, the Issuer will incur substantial binding obligations to one or more third parties to expend at least 5% of the Net Sale Proceeds of the New Money Portion on the New Money Project; and

(iii) Completion of the New Money Project and allocation of the Net Sale Proceeds of the New Money Portion to expenditures within respect to the New Money Project will proceed with due diligence.

Any Sale Proceeds of the New Money Portion that remain unspent on the third anniversary of the Issuance Date, which is the expiration date of the Temporary Period for such Proceeds, shall not be invested in Higher Yielding Investments with respect to the Issue after that date except as part of the Minor Portion. In complying with the foregoing sentence, the Issuer may take into account "yield reduction payments" (with the meaning of Regulations §1.148-5(c)) timely paid to the United States.

(2) There will be no Reimbursement Allocation.

3.20 Investment Proceeds. Any Investment Proceeds of the Advance Refunding Portion that will be used to pay Debt Service on the Advance Refunded Certificates will be so used on the date all remaining Debt Service on the Advance Refunded Certificates is paid and any other Investment Proceeds of the Advance Refunding Portion will be spent within one year after receipt of those Investment Proceeds, such periods being the Temporary Periods for those Investment Proceeds. Any Investment Proceeds of the New Money Portion will be used to pay costs of the New Money Project, and such Investment Proceeds may be invested in Higher Yielding Investments during the Temporary Period identified in 3.10(D)(1) or, if longer, during the one-year period from the date of receipt, such period being the Temporary Period for such Proceeds.

3.30 Certificate Fund. The Certificate Fund is a Bona Fide Debt Service Fund. Amounts deposited from time to time in the Certificate Fund will be used to pay Debt Service within 13 months after the amounts are so deposited, such period being the Temporary Period for such amounts.

3.40 No Other Replacement Fund or Assured Available Funds. The Issuer has not established and does not expect to establish or use any sinking fund, debt service fund, redemption fund, reserve or replacement fund, or similar fund, or any other fund to pay Debt

Service other than the Certificate Fund. Except for money referred to in 3.30 and Proceeds of a Refunding Issue, if any, no other money or Investment Property is or will be pledged as collateral or used for the payment of Debt Service (or for the reimbursement of any others who may provide money to pay that Debt Service), or is or will be restricted, dedicated, encumbered, or set aside in any way as to afford the holders of the Issue reasonable assurance of the availability of such money or Investment Property to pay Debt Service.

3.50 No Overissuance. The Proceeds are not reasonably expected to exceed the amount needed for the governmental purposes of the Issue as set forth in 2.20.

3.60 Other Uses of Proceeds Negated. Except as stated otherwise in this Certificate, none of the Proceeds will be used:

(A) to pay principal of or interest on, refund, renew, roll over, retire, or replace any other obligations issued by or on behalf of the Issuer or any other Governmental Unit,

(B) to replace any Proceeds of another issue that were not expended on the project for which such other issue was issued,

(C) to replace any money that was or will be used directly or indirectly to acquire Higher Yielding Investments,

(D) to make a loan to any person or other Governmental Unit,

(E) to pay any Working Capital Expenditures other than expenditures identified in Regulations §1.148-6(d)(3)(ii)(A) and (B) (i.e., Issuance Costs, Qualified Administrative Costs, reasonable charges for a Qualified Guarantee or for a Qualified Hedge, interest on the Issue for a period commencing on the Issuance Date and ending on the date that is the later of three years from such Issuance Date or one year after the date on which the Project financed or refinanced by the Issue is Placed in Service, payments of the Rebate Amount, and costs, other than those already described, that do not exceed 5% of the Sale Proceeds and that are directly related to Capital Expenditures financed by the New Money Portion, principal or interest on an issue paid from unexpected excess Sale Proceeds or Investment Proceeds, principal or interest on an issue paid from investment earnings on a reserve or replacement fund that are deposited in a Bona Fide Debt Service Fund) and expenditures for extraordinary, nonrecurring items that are not customarily payable from current revenues, such as casualty losses or extraordinary legal judgments in amounts in excess of reasonable insurance coverage, or

(F) to reimburse any expenditures made prior to the Issuance Date that do not satisfy the requirements for a Reimbursement Allocation.

No portion of the Issue is being issued solely for the purpose of investing Proceeds in Higher Yielding Investments.

3.70 Minor Portion. The Minor Portion of \$100,000.00 may be invested in Higher Yielding Investments.

3.80 No Other Replacement Proceeds. That portion of the Issue that is to be used to finance or refinance Capital Expenditures has a weighted average maturity that does not exceed 120% of the weighted average reasonably expected economic life of the property resulting from such Capital Expenditures.

3.90 Written Procedures to Monitor the Requirements of Section 148. The procedures set forth in Attachments C-1 (Arbitrage Compliance Checklist) and C-2 (Rebate Instructions) constitute the Issuer's written procedures to monitor compliance with the arbitrage Yield restriction and rebate requirements of Section 148.

IV. REBATE MATTERS

4.10 Issuer Obligation Regarding Rebate. Consistent with its covenants contained in the Lease-Purchase Agreement, the Issuer will calculate and make, or cause to be calculated and made, payments of the Rebate Amount in the amounts and at the times and in the manner provided in Section 148(f) and the Instructions with respect to Gross Proceeds to the extent not exempted under Section 148(f)(4) and the Instructions.

4.20 No Avoidance of Rebate Amount. No amounts that are required to be paid to the United States will be used to make any payment to a party other than the United States through a transaction or a series of transactions that reduces the amount earned on any Investment Property or that results in a smaller profit or a larger loss on any Investment Property than would have resulted in an arm's length transaction in which the Yield on the Issue was not relevant to either party to the transaction.

4.30 Exceptions.

(A) Notwithstanding the foregoing, the computations and payments of amounts to the United States referred to in IV. need not be made to the extent that such failure will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Issue, based on an Opinion of Bond Counsel.

(B) The New Money Portion is a Construction Issue. The Issuer hereby elects to apply the 2-year spending exception to the rebate requirement on the basis of actual facts instead of the Issuer's reasonable expectations.

V. OTHER TAX MATTERS

5.10 Refunded Certificate Proceeds and Replacement Proceeds. All of the Proceeds and Replacement Proceeds of the 2007-A Prior Issue property allocable to the Advance Refunded Certificates have been expended for the governmental purposes thereof.

5.20 Not Private Activity Bonds or Pool Bonds. No obligation of the Issue will be a Private Activity Bond or a pooled financing bond (within the meaning of Section 149(f)), based on the following:

(A) Not more than 5% of the Proceeds, if any, directly or indirectly, will be used for a Private Business Use and not more than 5%, if any, of the Debt Service, directly or

indirectly, will be derived from or secured by Private Security or Payments. In measuring the use of Proceeds for a Private Business Use and the amount of Private Security or Payments, the use of Proceeds of all Prior Issues and the amount of Private Security or Payments with respect to all Prior Issues are taken into account in accordance with Regulations § 1.141-13.

(B) Less than 5% or \$5,000,000, whichever is less, of the Proceeds, if any, will be used to make or finance loans to any Private Person or Governmental Unit other than the Issuer.

(C) The lesser of the Proceeds that are being or will be used for any Private Business Use or the Proceeds with respect to which there are or will be Private Security or Payments does not exceed \$15,000,000 and none of the Proceeds will be used with respect to an “output facility” (other than a facility for the furnishing of water) within the meaning of Section 141(b)(4).

5.30 Disposition of Property. The Issuer does not intend to sell or otherwise dispose of the New Money Project, the Prior Issue Project, or any portion thereof during the term of the Issue except for dispositions of property in the normal course at the end of such property’s useful life to the Issuer. With respect to tangible personal property, if any, that is part of the New Money Project or Prior Issue Project financed or refinanced by the Issue, the Issuer reasonably expects that:

(A) Dispositions of such tangible personal property, if any, will be in the ordinary course of an established governmental program;

(B) The weighted average maturity of the bonds of the Issue financing or refinancing such property (treating the bonds of the Issue properly allocable to such personal property, as a separate issue for this purpose) will not be greater than 120% of the reasonably expected actual use of such property for governmental purposes;

(C) The fair market value of such property on the date of disposition will not be greater than 25% of its cost;

(D) The property will no longer be suitable for its governmental purposes on the date of disposition; and

(E) The amounts received from any disposition of such property are required to, and will be, deposited in the Issuer’s General Fund and commingled with substantial tax or other governmental revenues and will be spent on governmental programs within 6 months from the date of such deposit and commingling.

5.40 Issue Not Federally Guaranteed. The Issue is not Federally Guaranteed.

5.50 Not Hedge Bonds. At least 85% of the Spendable Proceeds of the New Money Portion will be used to carry out the governmental purposes of the Issue within three years from the Issuance Date. It was reasonably expected on the Issuance Date of the 2007-A Prior Issue that not less than 85% of the Spendable Proceeds of the 2007-A Prior Issue would be used, and such amounts were used, to carry out the governmental purposes of the 2007-A Prior Issue

within three years from the Issuance Date thereof. Not more than 50%, if any, of the Proceeds of the New Money Portion will be, and not more than 50%, if any, of the Proceeds of the 2007-A Prior Issue were, invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more, including but not limited to any investment contract or fixed Yield investment having a maturity of four years or more. The reasonable expectations stated above were not and are not based on and do not take into account (A) any expectations or assumptions as to the occurrence of changes in market interest rates or changes of federal tax law or regulations or rulings thereunder or (B) any prepayments of items other than items that are customarily prepaid.

5.60 Hedge Contracts. The Issuer has not entered into, and will not enter into, any Hedge with respect to the Issue, or any portion thereof, without obtaining a Bond Counsel's Opinion that doing so will not adversely affect the exclusion from gross income for federal income tax purposes of interest on this Issue. The Issuer acknowledges that entering into a Hedge with respect to the Issue, or any portion thereof, may change the Yield.

5.70 Written Procedures to Remediate Nonqualified Bonds. The Issuer acknowledges and establishes the Post Issuance Compliance for Debt Issues set forth in Attachment C-1 as its written procedures to ensure that all "nonqualified bonds" (as defined therein) are remediated in accordance with Regulations § 1.141-12. The word "Issue," in lower case, refers either to the Issue or to another issue of obligations or portion thereof treated as a separate issue for the applicable purposes of Section 148, as the context requires. The word "obligation" or "obligations," in lower case, includes any obligation, whether in the form of bonds, notes, certificates, or any other obligation that is a "bond" within the meaning of Section 150(a)(1). All capitalized terms used in this Certificate include either the singular or the plural. All terms used in this Attachment A or in the Tax Compliance Certificate to which this Attachment A is attached, including terms specifically defined, shall be interpreted in a manner consistent with Sections 103 and 141-150 and the applicable Regulations thereunder except as otherwise specified. All references to Section, unless otherwise noted, refer to the Code.

“**Yield**” has the meaning assigned to it for purposes of Section 148, and means that discount rate (stated as an annual percentage) that, when used in computing the present

worth of all applicable unconditionally payable payments of Debt Service, all payments for a Qualified Guarantee, if any, and payments and receipts with respect to a Qualified Hedge, if any, as required by the Regulations, paid and to be paid with respect to an obligation (paid and to be paid during and attributable to the Yield Period in the case of a Variable Yield Issue), reduced by the credit, if any, allowed by Section 6431, produces an amount equal to (a) the Issue Price in the case of a Fixed Yield Issue or the present value of the Issue Price at the commencement of the applicable Yield Period in the case of a Variable Yield Issue, or (b) the purchase price for yield purposes in the case of Investment Property, all subject to the applicable methods of computation provided for under Section 148, including variations from the foregoing. The Yield on Investment Property in which Proceeds or Replacement Proceeds of an issue are invested is computed on a basis consistent with the computation of Yield on that issue, including the same compounding interval of not more than one year selected by the Issuer.

“Yield Period” means, in the case of the first Yield Period, the period that commences on the Issuance Date and ends at the close of business on the first Computation Date and, in the case of each succeeding Yield Period, the period that begins immediately after the end of the immediately preceding Yield Period and ends at the close of business on the next succeeding Computation Date.

The terms “bond,” “obligation,” “reasonably required reserve or replacement fund,” “reserve or replacement fund,” “loan,” “sinking fund,” “purpose investment,” “same plan of financing,” “other replacement proceeds” and other terms relating to Code provisions used but not defined in this Certificate shall have the meanings given to them for purposes of Sections 103 and 141 to 150 unless the context indicates another meaning.

PIMA COUNTY, ARIZONA
CERTIFICATES OF PARTICIPATION
SERIES 2016A

Dated as of April 14, 2016

UNDERWRITER'S CERTIFICATE

RBC Capital Markets, LLC (the "Underwriter"), as underwriter for the certificates of participation identified above (the "Issue"), executed and delivered for the benefit of Pima County, Arizona (the "Issuer"), based on its knowledge regarding the sale of the Issue, represents as of this date as follows:

(1) Issue Price-Section 148. All of the certificates of the Issue have been the subject of a bona fide offering to the public pursuant to a Certificate Purchase Contract by and between the Issuer and the Underwriter, dated March 30, 2016, and, as of the Sale Date, at least 10% of the principal amount of each maturity was sold or was reasonably expected to be sold (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at the respective price for that maturity shown in the Final Official Statement for the Issue. For purposes of this Certificate, the Underwriter has assumed that the phrase "bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers" refers only to persons who, to the knowledge of the representatives of the Underwriter, have an arrangement with the Issuer or the Underwriter to act in such capacity on behalf of the Issuer or the Underwriter. The aggregate Issue Price of the Issue, there being no Pre-Issuance Accrued Interest, is \$31,302,134.25.

(2) Information Return. To the extent that we provided the Issuer and Squire Patton Boggs (US) LLP, as bond counsel, with certain computations that show a bond yield, issue price, weighted average maturity and certain other information with respect to the Issue, these computations are provided for informational purposes and are based on our understanding of directions that we have received from bond counsel regarding interpretation of the applicable law. We express no view regarding the legal sufficiency of any such computations or the correctness of any legal interpretation made by bond counsel. For purposes of the Information Return required by Section 149(e) of the Code to be filed in connection with the Issue:

- The Initial Offering Price of the entire Issue is \$31,302,134.25.

- The weighted average maturity of the Issue is 2.6085 years and the weighted average maturity of the Advance Refunded Certificates is 4.7715 years.
- The Yield on the Issue is 1.2101%. That is the Yield that, when used in computing the present worth of all payments of principal and interest to be paid on the Issue, computed on the basis of a 360-day year and semi-annual compounding, produces an amount equal to the aggregate Issue Price of the Issue as stated in paragraph (1).
- The Underwriter's discount is \$171,062.50.
- The CUSIP Number assigned to the final maturity of the Issue is 721664ES5.

(3) Discount Certificates Subject to Mandatory Early Redemption. No certificate of the Issue is subject to mandatory early redemption.

(4) Premium Certificates Subject to Optional Redemption. No certificate of the Issue is subject to optional redemption.

(5) No Stepped Coupon Certificates. No certificate of the Issue bears interest at an increasing interest rate.

All capitalized terms not defined in this Certificate have the meaning set forth in the Issuer's Tax Compliance Certificate or in Attachment A to it.

The Issuer may rely on the foregoing representations in making its certification as to the Issue Price of the Issue under the Internal Revenue Code of 1986, as amended (the "Code"), and bond counsel may rely on the foregoing representations in rendering certain of its legal opinions in connection with the execution and delivery of the Issue, including its opinion on the exclusion from federal gross income of the interest as evidenced by the Issue; provided, however, that nothing herein represents our interpretation of any laws, and in particular, regulations under section 148 of the Code.

The Underwriter has performed these computations with the express understanding and agreement of the Issuer that, notwithstanding the performance of these computations and the delivery of this Certificate, in doing so, the Underwriter is (i) not acting as a municipal advisor (as defined in Section 15B of the Securities Exchange Act), (ii) does not have a fiduciary duty to the Issuer, and (iii) is not to be construed as a "paid preparer" of any tax returns of the Issuer, including specifically (but not limited to) Form 8038-G.

Statement: The policies and procedures provided herein shall be complied with in order to ensure compliance with the requirements of the Internal Revenue Code (the "Code") that are applicable to the issuance of Tax-Exempt Bonds or other Obligations (hereinafter called "Bonds"). Undefined terms used herein have the meanings assigned to them in the Code and the related Treasury Regulations. These policies and procedures, coupled with requirements contained in the Arbitrage Certificate (the "Tax Certificate") executed at the time of issuance of the Bonds, are intended to constitute written procedures for compliance with the federal tax requirements applicable to the Bonds and for timely identification of violations of such requirements.

I. GENERAL MATTERS.

- A. Responsible Officer. The Director of the Finance Department will have overall responsibility for ensuring that the ongoing requirements described herein are met with respect to the Bonds (the "Responsible Officer").
- B. Identify Additional Responsible Employees. The Responsible Officer shall identify any additional employees who will be responsible for each of the procedures described herein, notify the current holder of that office of the responsibilities, and provide that person a copy of the procedures. (For each procedure, this may be the Responsible Officer or another person who is assigned the particular responsibility.)
 1. Upon employee or officer transitions, new personnel should be advised of responsibilities under the procedures and ensure they understand the importance of the procedures.
 2. If employee or officer positions are restructured or eliminated, responsibilities should be reassigned as necessary to ensure that all procedures have been appropriately assigned.
- C. Periodic Review. The Responsible Officer should periodically review compliance with these procedures and with the terms of the Tax Certificate to determine whether any violations have occurred so that such violations can be remedied through the "remedial action" regulations (Treasury Regulation §1.141-12) or the Voluntary Closing Agreement Program described in Internal Revenue Service ("IRS") Notice 2008-31 (or successor guidance).
- D. Change in Bond Terms. If any changes to the terms of the Bonds are contemplated, bond counsel will be consulted.

SUBJECT: Post Issuance Compliance for Debt Issues		

II. **ISSUE PRICE AND PREMIUM LIMIT.** The following procedures shall be followed:

- A. Involving Bond Counsel Pre-pricing. Consult with bond counsel to ensure that:
1. Premium on each maturity of the Bonds (stated as a percentage of principal amount) does not exceed one-quarter of one-percent (0.25%) multiplied by the number of complete years to the earlier of final maturity of the Bond or, generally, the earliest call date of the Bond.
 2. The excess of the issue price of the Bond issue over the price at which the Bond issue is sold to the underwriter or placement agent, when combined with other issuance costs paid from proceeds of the Bond issue, does not exceed 2% of the sale proceeds of the Bond issue.
- B. Working with Financial Advisor. Ensure that the market trading activity of the Bonds is reviewed after their sale date but before their issuance date that questions concerning such data are answered, and that reports concerning the sales data as necessary are produced. (Market trading information is generally available through the Municipal Securities Rulemaking Board's Electronic Municipal Market Access System (EMMA) (<http://www.emma.msrb.org>.)
1. Records of reports produced, including copies of the market trading information, should be maintained.

III. **IRS INFORMATION RETURN FILING.** The following procedures shall be followed:

- A. 6038-G. Ensure that IRS Form 6038-G is timely filed with respect to each Bond issue, including the required debt service schedule and other required schedules and attachments and maintain it as part of the transcript for the Bond issue.

IV. **USE OF PROCEEDS.** The following procedures shall be followed:

- A. Consistent Accounting Procedures. Clear accounting procedures for tracking investment and expenditures of proceeds, including investment proceeds.
- B. Reimbursement Allocations at Closing. At or shortly after issuance of a Bond issue, allocation of proceeds of the Bond issue to reimbursement of prior expenditures, as appropriate.

	Pima County Department of Finance and Risk Management Internal Operating Procedures	Effective Date: Review Date: Revision Date: Page: 4 of 12
	Responsible Division: Financial Management and Audit	Responsible Section: Cash Management
SUBJECT: Post Issuance Compliance for Debt Issues		

- C. Cost of Issuance. Ensure that no more than 2% of the sale proceeds of a Bond issue are used to pay issuance costs.
- D. Capital Expenditures. Ensure that 100% of all sale proceeds and investment proceeds, other than sale proceeds used to pay issuance costs (up to the 2% limit described above) or deposited in a reasonably required reserve fund, are allocated to capital expenditures.
- E. Requisitions. Ensure that requisitions are used to draw Bond proceeds and make sure the requisitions contain the information needed to show what and how Bond proceeds were spent, reviewing them carefully before submission to ensure proper use of Bond proceeds to minimize need for reallocations.
- F. Final Allocation. Ensure that a final allocation of Bond proceeds (including investment proceeds) to qualifying expenditures is made if Bond proceeds are to be allocated to project expenditures on a basis other than "direct tracing" (direct tracing means treating the Bond proceeds as spent as shown in the accounting records for bond draws and project expenditures). An allocation other than on the basis of "direct tracing" is often made to reduce the private business use (see E., below) of Bond proceeds that would otherwise result from "direct tracing" of Bond proceeds to project expenditures. *This allocation must be made within 18 months after the later of the date the expenditure was made or the date the project was placed in service, but not later than five years and 60 days after the issuance date of the Bonds or 60 days after the Bond issue is retired.* Bond counsel can assist with the final allocation of Bond proceeds to project costs.
- G. Record Retention. Maintain careful records of all project and other costs (e.g., issuance costs, credit enhancement and capitalized interest) and uses (e.g., deposit to reserve fund) for which Bond proceeds were spent or used. These records should be maintained separately for each issue of Bonds.

V. MONITORING PRIVATE BUSINESS USE. The following procedures shall be followed:

- A. Review Of Contracts With Private Persons. Review all of the following contracts or arrangements with non-governmental persons or organizations or the federal government (collectively referred to as "Private Persons") with respect to the Bond-financed facilities which could result in private business use of the Bond-financed facilities:
 1. Sales of Bond-financed facilities.
 2. Leases of Bond-financed facilities.

	Pima County Department of Finance and Risk Management Internal Operating Procedures	Effective Date: Review Date: Revision Date: Page: 5 of 12
	Responsible Division: Financial Management and Audit	Responsible Section: Cash Management
SUBJECT: Post Issuance Compliance for Debt Issues		

3. Management or service contracts relating to Bond-financed facilities.
4. Research contracts under which a Private Person sponsors research in Bond-financed facilities.
5. Any other contracts involving "special legal entitlements" (such as naming rights or exclusive provider arrangements) granted to a Private Person with respect to Bond-financed facilities.

- B. Review of New Leases, Management, Research and Other Contracts. Before amending an existing agreement with a Private Person or entering into any new lease, management, service, or research agreement with a Private Person, review such amendment or agreement to determine whether it results in private business use.
- C. Establish Procedures to Ensure Proper Use. Establish procedures to ensure Bond financed facilities are identified and are not used for private use without written approval of the Responsible Officer.
- D. Analyze Use. Analyze any private business use of Bond-financed facilities and, for each issue of Bonds, determining whether the 10% limit on private business use (5% in the case of "unrelated or disproportionate" private business use) is exceeded, and contacting bond counsel or other tax advisors if either of these limits is exceeded.
- E. Record Retention. Retain copies of all of the above contracts or arrangements (or, if no written contract exists, detailed records of the contracts or arrangements) with Private Persons for the period indicated in VII. below.

VI. **ARBITRAGE AND REBATE.** The following procedures shall be followed:

- A. Yield. Record the yield of the Bond issue, as shown on the Form 8038-G.
- B. Temporary Period. Review the Tax Certificate to determine the temporary periods for the Bond issue, during which periods various categories of gross proceeds of the Bond issue may be invested without yield restriction.
- C. Post-Temporary Period Investments. Ensure that proceeds of the Bond issue are not invested in investments with a yield above the yield for the Bonds following the end of the applicable temporary period identified above unless Yield reduction payments may be made.

 <p>Pima County Department of Finance and Risk Management Internal Operating Procedures</p>	<p>Effective Date: Review Date: Revision Date: Page: 6 of 12</p>
	<p>Responsible Division: Financial Management and Audit</p>
<p>SUBJECT: Post Issuance Compliance for Debt Issues</p>	

- D. Monitoring Temporary Period Compliance. Monitor expenditures of Bond proceeds, including investment proceeds, against issuance date expectations for satisfaction of three-year or five-year temporary period from yield restriction on investment of Bond proceeds and to avoid "hedge bond" status.
- E. Establishing Fair Market Value of Investments. Ensure that investments acquired with Bond proceeds satisfy IRS regulatory safe harbors for establishing fair market value (e.g., through the use of bidding procedures), and maintaining records to demonstrate satisfaction of such safe harbors.
- F. Debt Service, Credit Enhancement and Sinking Funds. Consult with bond counsel before engaging in credit enhancement or hedging transactions in respect of a Bond issue, and before creating separate funds that are reasonably expected to be used to pay debt service on the Bonds.
- G. Document Retention. Maintain copies of all contracts and certificates relating to credit enhancement and hedging transactions.
- H. Donations. Before beginning a capital campaign that may result in gifts that are restricted to Bond-financed projects (or, in the absence of such a campaign, upon the receipt of such restricted gifts), to determine whether replacement proceeds may result.
- I. Bona Fide Debt Service Fund. Even after all proceeds of a given Bond issue have been spent, ensure that the debt service fund meets the requirements of a bona fide debt service fund, i.e., one used primarily to achieve a proper matching of revenues with debt service that is depleted at least once each bond year, except for a reasonable carryover amount not to exceed the greater of: (i) the earnings on the fund for the immediately preceding bond year; or (ii) one-twelfth of the debt service on the issue for the immediately preceding bond year. To the extent that a debt service fund qualifies as a bona fide debt service fund for a given bond year, the investment of amounts held in that fund is not subject to yield restriction for that year.
- J. Debt Service Reserve Fund. Ensure that amounts invested in any reasonably required debt service reserve fund do not exceed the least of: (i) 10% of the stated principal amount of the Bonds for the sale proceeds of the Bond issue if the Bond issue has original issue discount or original issue premium that exceeds 2% of the stated principal of the Bond issue plus, in the case of premium, reasonable underwriter's compensation; (ii) maximum annual debt service on the Bond issue; or (iii) 125% of average annual debt service on the Bond issue.

K. Rebate Requirement. Review the arbitrage rebate covenants noted in the Tax Certificate. Subject to the exceptions described below, investment earnings on Bond proceeds at a yield in excess of the bond yield (i.e., positive arbitrage) generally must be rebated to the U.S. Treasury, even if a temporary period exception from yield restriction allowed the earning of positive arbitrage.

1. Ensuring that rebate calculations will be timely performed and payment of rebate amounts, if any, will be timely made; such payments are generally due 60 days after the fifth anniversary of the issuance date of the Bond issue, then in succeeding installments every five years; the final rebate payment for a Bond issue is due 60 days after retirement of the last Bond of the issue; hiring a rebate consultant if necessary.
2. Reviewing the rebate section of the Tax Certificate to determine whether the "small issuer" rebate exception applies to the Bond issue.
3. If the 6-month, 18-month, or 24-month spending exceptions from the rebate requirement may apply to the Bonds, ensuring that the spending of proceeds is monitored prior to semi-annual spending dates for the applicable exception.
4. Timely making rebate and yield reduction payments and filing Form 8038-T.
5. Even after all other proceeds of a given Bond issue have been spent, ensuring compliance with rebate requirements for any debt service reserve fund and any debt service fund that is not exempt from the rebate requirement.

L. Record Retention. Maintain records of investments and expenditures of Proceeds, rebate exception analyses, rebate calculations, Forms 8038-T, and rebate and Yield reduction payments, and any other records relevant to compliance with the arbitrage restrictions.

VII. RECORD RETENTION. Procedures will be set forth for maintaining all records and documents described in these procedures while any of the bonds of the issue are outstanding and during the three-year period following the final maturity or redemption of the bond issue or, if later, while any bonds that refund (or re-refund) bonds of that original issue are outstanding and for the three year period following the final maturity or redemption date of the latest refunding bond issue.

The County will spend the Gross Proceeds of the Issue and use the facilities financed with those Gross Proceeds ("Bond-Financed Facilities") in a manner that complies with the restrictions and requirements imposed by the Code and Regulations on Tax-Exempt Bonds. The County will comply with the remedial action requirements, if necessary, set forth in Regulations §1.141-12. These Instructions provide guidance for that compliance.

VIII. USE OF PROCEEDS CHECKLIST AND REMEDIAL ACTION

A. Use of Proceeds

1. Ensure there exists a clearly established accounting procedure for tracking investment and expenditures of Proceeds, including Investment Proceeds.
2. At or shortly after issuance of the Issue, allocate Proceeds to reimbursement of prior expenditures, as appropriate.
3. Ensure that a final allocation of Proceeds (including Investment Proceeds) to qualifying expenditures is made if Proceeds are to be allocated to Project expenditures on a basis other than "direct tracing" (direct tracing means treating the Proceeds as spent as shown in the accounting records for Proceeds draws and Project expenditures). An allocation other than on the basis of "direct tracing" is often made to reduce the Private Business Use (see Section 2, below) of Proceeds that would otherwise result from "direct tracing" of Proceeds to Project expenditures. This allocation must be made within 18 months after the later of the date the expenditure was made or the date the Project was placed in service, but not later than five years and 60 days after the Issuance Date of the Issue or 60 days after the Issue is retired. Bond counsel can assist with the final allocation of Proceeds to Project costs.
4. Maintain careful records of all Bond-Financed Facilities and other costs (e.g., Issuance Costs, credit enhancement and capitalized interest) and uses (e.g., deposit to reserve fund) for which Proceeds were spent or used. These records should be maintained separately for each issue of Tax-Exempt Bonds.
5. On at least an annual basis, identify all current and contemplated uses of Bond-Financed Facilities and ensure that the use of the Bond-Financed Facilities complies with the covenants and restrictions set forth in the Certificate.

SUBJECT: Post Issuance Compliance for Debt Issues		

B. Monitoring Private Business Use

1. Before entering into any new management, service, or research agreements described in 3. below, review the agreements to determine whether they result in Private Business Use.
2. Analyze any Private Business Use of Bond-Financed Facilities to determine whether the 5% or 10% limitation, as applicable, on Private Business Use of Proceeds is exceeded. Contact Bond Counsel if this limit is exceeded.
3. Maintain copies of all of the following contracts or arrangements (or, if no written contract exists, maintain detailed records of the following contracts or arrangements) with a Private Person:
 - a. Sales of Bond-Financed Facilities.
 - b. Leases of Bond-Financed Facilities.
 - c. Management or service contracts relating to Bond-Financed Facilities
 - d. Research contracts under which a Private Person sponsors research in Bond-Financed Facilities.
 - e. Any other contracts involving "special legal entitlements" (such as naming rights or exclusive provider arrangements) granted to a Private Person with respect to Bond-Financed Facilities.

Each of the foregoing contracts or arrangements may result in Private Business Use of the Bond-Financed Facilities. Consult with Bond Counsel to undertake any necessary remedial actions, discussed below, in respect of "nonqualified bonds" of the Issue.

C. Remedial Action

1. Deliberate Action. A "deliberate action" ("Deliberate Action") is any action taken after the Issuance Date by the Issuer that is within the Issuer's control and that causes: more than 5% or 10%, as applicable, of the Proceeds to be used for a Private Business Use (the "Private Business Use Limit"), and more than 5% or 10%, as applicable, of either the principal of or interest on the Issue to be secured by or derived, directly or indirectly, from Private Security or Payments (collectively with the Private Business Use Limit, the "Private Business Limits").

An action by the Issuer is not a Deliberate Action if the action was (i) the result of an involuntary conversion of all or a portion of the Project, or (ii) an action that was taken in response to a regulatory directive made by the federal government (see Regulations §1.141-2(d)(3)(ii)).

2. Timely Reallocation. If a Deliberate Action occurs, the Issuer may reallocate the Proceeds that had been allocated to the Project or portion thereof as to which the Deliberate Action occurred to other permitted uses not later than 18 months after the later of (i) the date of the expenditure to which the

	Pima County Department of Finance and Risk Management Internal Operating Procedures	Effective Date: Review Date: Revision Date: Page: 10 of 12
	Responsible Division: Financial Management and Audit	Responsible Section: Cash Management
SUBJECT: Post Issuance Compliance for Debt Issues		

Proceeds were originally allocated or (ii) the placed in service date of the Project or portion thereof to which such Proceeds were originally allocated, but not later than 60 days after the fifth anniversary of the Issuance Date or the retirement of the Issue, if earlier (see Regulations §§1.141-6(a) and 1.148-6(d)(1)(iii)).

3. Remedial Action.

- a) Effect. A "remedial action" cures the use of Proceeds that caused the Private Business Use limit to be exceeded. A remedial action will not impact the amount of Private Security or Payments.
- b) Ability to Use. In order to achieve either or both of the effects set forth in 3.a, five conditions must be satisfied (see 3.c) and one of three alternative remedial actions must be taken (see D.).
- c) Conditions. The Issuer may use a "remedial action" only if the following five conditions are satisfied:
 - 1) On the Issuance Date, the Issuer did not reasonably expect the Private Business Limits to be exceeded at any time while any portion of the Issue was outstanding.
 - 2) On the Issuance Date, the weighted average maturity of the Issue did not exceed 120% of the weighted average of the reasonably expected economic lives of the assets comprising the Project.
 - 3) Unless the Project is being used for an alternative use (as described in 4 below), the new user of all or any portion of the Project must have paid fair market value therefor.
 - 4) The Issuer must treat any "disposition proceeds," which are all proceeds received from the sale, transfer or other disposition of all or a portion of the Project, as Gross Proceeds for arbitrage (Section 149) purposes.
 - 5) Prior to the Deliberate Action, the Proceeds were used for a governmental purpose unless the remedial action to be taken is described in D.1.

D. Types of Remedial Action.

1. Redemption of Non-Qualified Bonds. The "non-qualified bonds" are the portion of the Issue allocable to the Deliberate Action that causes the Issue to exceed the Private Business Limits. In general, within 90 days after the Deliberate Action, either the non-qualified

	Pima County Department of Finance and Risk Management Internal Operating Procedures	Effective Date: Review Date: Revision Date: Page: 11 of 12
	Responsible Division: Financial Management and Audit	Responsible Section: Cash Management
SUBJECT: Post Issuance Compliance for Debt Issues		

bonds must be redeemed or an escrow that defeases the non-qualified bonds to their earliest redemption date must be established. A defeasance escrow may not be used, however, if the period between the Issuance Date and the earliest redemption date of the non-qualified bonds is more than 10.5 years; in such case, a closing agreement with the Internal Revenue Service ("IRS") may be necessary. If a defeasance escrow is established, the Issuer must notify the IRS within 90 days of its establishment. Notwithstanding the general requirement stated above that all non-qualified bonds must be redeemed or defeased, if the disposition proceeds consist exclusively of cash, it is sufficient that the disposition proceeds be used to redeem or defease a pro rata portion of the non-qualified bonds.

2. *Alternative Use of Disposition Proceeds.* The Issue satisfies the requirements of this remedial action if:

- a) all disposition proceeds consist exclusively of cash;
- b) the Issuer reasonably expects to spend the disposition proceeds within two years after the date of the Deliberate Action;
- c) the disposition proceeds are treated as Proceeds for purposes of the Private Business Limits, the use of the disposition proceeds does not cause the Issue to exceed these Limits, and the Issuer does not take a subsequent Deliberate Action that causes either of these Limits to be exceeded;
- d) any unspent disposition proceeds must be used to redeem all or a portion of the Issue; and
- e) if the disposition proceeds are to be used by a 501(c)(3) Organization, from the date of the Deliberate Action, the non-qualified bonds must constitute Qualified 501(c)(3) Bonds and be treated as reissued for that purpose.

3. *Alternative Use of Project.* The Issuer satisfies the requirements of this remedial action if:

- a) the portion of the Project that is transferred or disposed of could have been financed by another type of Tax-Exempt Bond;
- b) the Deliberate Action taken by the Issuer did not involve a purchase financed by another issue of Tax-Exempt Bonds; and
- c) any disposition proceeds resulting from the Deliberate Action (other than those related to the provision of services) are used to pay Debt Service on the Issue on the next available

 Pima County Department of Finance and Risk Management Internal Operating Procedures	Effective Date: Review Date: Revision Date: Page: 12 of 12
	Responsible Division: Financial Management and Audit
SUBJECT: Post Issuance Compliance for Debt Issues	

payment date or, within 90 days of receipt, are deposited into a Yield-restricted escrow to be used to pay Debt Service on the next available payment date.

Under these circumstances, the non-qualified bonds are treated as re-issued as of the date of the Deliberate Action, and must remain qualifying Tax-Exempt Bonds throughout their term.

E. Examples of Deliberate Action.

1. Lease to a Private Person. A Deliberate Action generally occurs if the Issuer (i) leases space within the Project to a Private Person and that use, when added to any other Private Business Use, exceeds 5% or 10%, as applicable, of the Bond-Financed Facilities so that more than 5% or 10%, as applicable, of the Proceeds of the Issue are considered used for a Private Business Use and (ii) receives rent under that lease that, when added to any other Private Security or Payments, exceeds 5% or 10%, as applicable, of the Proceeds.

2. Service Contract. A Deliberate Action generally occurs if (i) (1) the Issuer enters into a "service contract" (defined below) with a Private Person, (2) that Service Contract will be performed (or will be deemed to be performed) within the Project, (3) that Service Contract does not satisfy the requirements set forth in Revenue Procedure 97-13 (or its successor), and (4) that use, when added to any other Private Business Use of the Project, exceeds 5% or 10%, as applicable, of the Proceeds, and (ii) payments received or deemed received with respect to the Project in which the Service Contract is performed, when added to any other Private Security or Payments, exceed 5% or 10%, as applicable, of the Proceeds. A service contract is an arrangement under which services are to be provided by a Private Person involving the use of all or any portion of, or any function of, the Bond-Financed Facilities (for example, management services for an entire facility or a specific department of a facility).

3. Sale of Project. A Deliberate Action generally occurs if the Issuer sells all or more than 5% or 10%, as applicable, of the Bond-Financed Facilities to a Private Person, which results in Private Business Use, and receives commensurate disposition proceeds for that sale.

to Tax Compliance Certificate**

**INSTRUCTIONS FOR COMPLIANCE WITH REBATE
REQUIREMENTS OF SECTION 148(f) OF THE CODE
(Governmental Use Bonds)**

The Issuer¹ covenanted in the operative documents (*i.e.*, Ordinance/Resolution/Trust Indenture/Tax Compliance Certificate) to comply with the arbitrage rebate requirement of Section 148(f) of the Code. These Instructions provide guidance for that compliance, including the spending exceptions that free the Issue from all or part of the rebate requirements. Capitalized terms that are not defined in these Rebate Instructions are defined in Attachment A to the Tax Compliance Certificate.

PART I: GENERAL

SECTION 1.01. REBATE GENERALLY.

The Rebate Amount with respect to the Issue must be paid (rebated) to the United States to prevent the bonds of the Issue from being arbitrage bonds, the interest on which is subject to federal income tax. In general, the Rebate Amount is the amount by which the actual earnings on Nonpurpose Investments purchased (or deemed to have been purchased) with Gross Proceeds of the Issue exceed the amount of earnings that would have been received if those Nonpurpose Investments had a Yield equal to the Yield on the Issue.² Stated differently, the Rebate Amount for the Issue as of any date is the excess of the Future Value, as of that date, of all Receipts on Nonpurpose Investments over the Future Value, as of that date, of all Payments on Nonpurpose Investments, computed using the Yield on the Issue as the Future Value rate.³

If the Issue is a Fixed Yield Issue, the Yield on the Issue generally is the Yield to maturity, taking into account mandatory redemptions prior to maturity. If the Issue is a Variable Yield Issue, the Yield on the Issue is computed separately for each Yield Period selected by the Issuer.

¹ For purposes of these Instructions, the term "Issuer" includes the borrower in a conduit financing issue.

² Amounts earned on the Bona Fide Debt Service Fund for the Issue are not taken into account in determining the Rebate Amount: (1) for any Bond Year in which the gross earnings on such Fund for such Year are less than \$100,000; (2) if the average annual Debt Service on the Issue does not exceed \$2,500,000; or (3) if none of the obligations of the Issue are Private Activity Bonds, the rates of interest on the Issue do not vary and the average maturity of the Issue is at least five years.

³ The scope of these Instructions does not permit a detailed description of the computation of the Rebate Amount with respect to the Issue. If you need assistance in computing the Rebate Amount on the Issue or want Squire Patton Boggs (US) LLP to do the computations, please feel free to contact the Squire Patton Boggs (US) LLP attorney with whom you normally consult to discuss engaging the Firm to provide such assistance.

PART II: EXCEPTIONS TO REBATE

SECTION 2.01. SPENDING EXCEPTIONS.

The rebate requirements with respect to the Issue are deemed to have been satisfied if any one of three spending exceptions (the 6-Month, the 18-Month, or the 2-Year Spending Exception, collectively, the “Spending Exceptions”) is satisfied. The Spending Exceptions are each independent exceptions. The Issue need not meet the requirements of any other exception in order to use any one of the three exceptions. For example, a Construction Issue may qualify for the 6-Month Spending Exception or the 18-Month Spending Exception even though the Issuer makes one or more elections under the 2-Year Exception with respect to the Issue.

The following rules apply for purposes of all of the Spending Exceptions except as otherwise noted.

Refunding Issues. The only spending exception available for a Refunding Issue⁴ is the 6-Month Spending Exception.

Special Transferred Proceeds Rules. In applying the Spending Exceptions to a Refunding Issue, unspent Proceeds of the Prior Issue that become Transferred Proceeds of the Refunding Issue are ignored. If the Prior Issue satisfies one of the rebate Spending Exceptions, the Proceeds of the Prior Issue that are excepted from rebate under that exception are not subject to rebate either as Proceeds of the Prior Issue or as Transferred Proceeds of the Refunding Issue.

However, if the Prior Issue does not satisfy any of the Spending Exceptions and is not otherwise exempt from rebate, the Transferred Proceeds from the Prior Issue will be subject to rebate, even if the Refunding Issue satisfies the 6-Month Spending Exception. The Rebate Amount will be calculated on the Transferred Proceeds on the basis of the Yield of the Prior Issue up to each transfer date and on the basis of the Yield of the Refunding Issue after each transfer date.

Application of Spending Exceptions to a Multipurpose Issue. If the Issue is a Multipurpose Issue, the Refunding Portion and the New Money Portion are treated for purposes of the rebate Spending Exceptions as separate issues. Thus, the Refunding Portion is eligible to use only the 6-Month Spending Exception. The New Money Portion is eligible to use any of the three Spending Exceptions.

Expenditures for Governmental Purposes of the Issue. Each of the spending exceptions requires that expenditures of Gross Proceeds be for the governmental purposes of the Issue. These purposes include payment of interest (but not principal) on the Issue.

⁴ For purposes of these Instructions, references to “Refunding Issue” include the Refunding Portion of a Multipurpose Issue.

SECTION 2.02. 6-MONTH SPENDING EXCEPTION.

The Issue will be treated as satisfying the rebate requirements if all of the Gross Proceeds of the Issue are allocated to expenditures for the governmental purposes of the Issue within the 6-month period beginning on the Issuance Date and the Rebate Amount, if any, with respect to earnings on amounts deposited in a reasonably required reserve or replacement fund or a Bona Fide Debt Service Fund if and to the extent that such Fund is subject to rebate (see footnote 3) is timely paid to the United States. If no bond of the Issue is a Private Activity Bond (other than a Qualified 501(c)(3) Bond) or a tax or revenue anticipation bond, the 6-month period is extended for an additional six months if the unexpended Gross Proceeds of the Issue at the end of the 6-month period do not exceed 5% of the Proceeds of the Issue.

For purposes of the 6-Month Spending Exception, Gross Proceeds required to be spent within six months do not include amounts in a reasonably required reserve or replacement fund for the Issue or in a Bona Fide Debt Service Fund for the Issue.

SECTION 2.03. 18-MONTH SPENDING EXCEPTION.

The Issue (or the New Money Portion if the Issue is a Multipurpose Issue) is treated as satisfying the rebate requirement if the conditions set forth in (A), (B) and (C) are satisfied.

(A) All of the Gross Proceeds of the Issue (excluding amounts in a reasonably required reserve or replacement fund for the Issue or in a Bona Fide Debt Service Fund for the Issue) are allocated to expenditures for the governmental purposes of the Issue in accordance with the following schedule, measured from the Issuance Date:

- (1) at least 15% within six months;
- (2) at least 60% within 12 months; and
- (3) 100% within 18 months, subject to the Reasonable Retainage exception described below.

(B) The Rebate Amount, if any, with respect to earnings on amounts deposited in a reasonably required reserve or replacement fund or in a Bona Fide Debt Service Fund for the Issue, to the extent such Fund is subject to rebate (see footnote 3), is timely paid to the United States.

(C) The Gross Proceeds of the Issue qualify for the initial 3-year Temporary Period.

If the only unspent Gross Proceeds at the end of the 18th month are Reasonable Retainage, the requirement that 100% of the Gross Proceeds be spent by the end of the 18th month is treated as met if the Reasonable Retainage, and all earnings thereon, are spent for the governmental purposes of the Issue within 30 months of the Issuance Date.

For purposes of determining whether the spend-down requirements have been met as of the end of each of the first two spending periods, the amount of Investment Proceeds that the Issuer reasonably expects as of the Issuance Date to earn on the Sale Proceeds and Investment Proceeds of the Issue during the 18-month period are included in Gross Proceeds of the Issue. The final spend-down requirement includes actual Investment Proceeds for the entire 18 months.

The 18-Month Spending Exception does not apply to the Issue (or the New Money Portion, as applicable) if any portion of the Issue (or New Money Portion) is treated as meeting the rebate requirement under the 2-Year Spending Exception discussed below. This rule prohibits use of the 18-Month Spending Exception for the Nonconstruction Portion of a Bifurcated Issue. The only Spending Exception available for the Nonconstruction Portion of a Bifurcated Issue is the 6-Month Spending Exception.

SECTION 2.04. 2-YEAR SPENDING EXCEPTION FOR CERTAIN CONSTRUCTION ISSUES.

(A) In general. A Construction Issue no bond of which is a Private Activity Bond (other than a Qualified 501(c)(3) Bond or a Bond that finances property to be owned by a Governmental Unit or a 501(c)(3) Organization) is treated as satisfying the rebate requirement if the Available Construction Proceeds of the Issue are allocated to expenditures for the governmental purposes of the Issue in accordance with the following schedule, measured from the Issuance Date:

- (1) at least 10% within six months;
- (2) at least 45% within one year;
- (3) at least 75% within 18 months; and
- (4) 100% within two years, subject to the Reasonable Retainage exception described below.

Amounts in a Bona Fide Debt Service Fund or a reasonably required reserve or replacement fund for the Issue are not treated as Gross Proceeds for purposes of the expenditure requirements. However, unless the Issuer has elected otherwise in the Tax Compliance Certificate, earnings on amounts in a reasonably required reserve or replacement fund for the Issue are treated as Available Construction Funds during the 2-year period and therefore must be allocated to expenditures for the governmental purposes of the Issue.

If the Issuer elected in the Tax Compliance Certificate to exclude from Available Construction Proceeds the Investment Proceeds or earnings on a reasonably required reserve or replacement fund for the Issue during the 2-year spend-down period, the Rebate Amount, if any, with respect to such Investment Proceeds or earnings from the Issuance Date must be timely paid to the United States. If the election is not made, the Rebate Amount, if any, with respect to such Investment Proceeds or earnings after the earlier of the date construction is substantially completed or two years after the Issuance Date must be timely paid to the United States. The

Rebate Amount, if any, with respect to earnings on amounts in a Bona Fide Debt Service Fund must be timely paid to the extent such Fund is subject to the rebate requirements (see footnote 3).

The Issue does not fail to satisfy the spending requirement for the fourth spend-down period (*i.e.*, 100% within two years of the Issuance Date) if the only unspent Available Construction Proceeds are amounts for Reasonable Retainage if such amounts (together with all earnings on such amounts) are allocated to expenditures within three years of the Issuance Date.

For purposes of determining whether the spend down requirements have been met as of the end of each of the first three spend-down periods, Available Construction Proceeds include the amount of Investment Proceeds or earnings that the Issuer reasonably expected as of the Issuance Date to earn during the 2-year period unless the Issuer elects, on or before the Issuance Date, to apply these spend-down requirements on the basis of actual facts rather than reasonable expectations. For purposes of satisfying the final spend-down requirement, Available Construction Proceeds include actual Investment Proceeds or earnings from the Issuance Date through the end of the 2-year period.

Available Construction Proceeds do not include Gross Proceeds used to pay Issuance Costs financed by the Issue, but do include earnings on such Proceeds. Thus, an expenditure of Gross Proceeds to pay Issuance Costs does not count toward meeting the spend-down requirements, but expenditures of earnings on such Gross Proceeds to pay Issuance Costs do count.

(B) 1½% penalty in lieu of rebate for Construction Issues. If the Issuer elected in the Tax Compliance Certificate for a Construction Issue, or for the Construction Portion of a Bifurcated Issue, to pay a 1½% penalty in lieu of the Rebate Amount on Available Construction Proceeds in the event that the Construction Issue fails to satisfy any of the spend-down requirements, the 1½% penalty is calculated separately for each spend-down period, including each semiannual period after the end of the fourth spend-down period until all Available Construction Proceeds have been spent. The penalty is equal to 0.015 times the underexpended Proceeds as of the end of the applicable spend-down period. The fact that no arbitrage is in fact earned during such spend-down period is not relevant. The Rebate Amount with respect to Gross Proceeds other than Available Construction Proceeds (*e.g.*, amounts in a reasonably required reserve or replacement fund or in a Bona Fide Debt Service Fund, to the extent subject to rebate (see footnote 3)) must be timely paid.

PART III: COMPUTATION AND PAYMENT

SECTION 3.01. COMPUTATION AND PAYMENT OF REBATE AMOUNT.

If none of the Spending Exceptions described above is satisfied (and if the 1½% penalty election for a Construction Issue or the Construction Portion of a Bifurcated Issue has not been made), then within 45 days after each Computation Date the Issuer shall compute, or cause to be computed, the Rebate Amount as of such Computation Date. The first Computation Date is a date selected by the Issuer, but shall be not later than five years after the Issuance Date. Each subsequent Computation Date shall end five years after the previous Computation Date except that, in a Variable Yield Issue, the Issuer may select annual Yield Periods. The final

Computation Date shall be the date the last obligation of the Issue matures or is finally discharged.

Within 60 days after each Computation Date (except the final Computation Date), the Issuer shall pay to the United States not less than 90% of the Rebate Amount, if any, computed as of such Computation Date. Within 60 days after the final Computation Date, the Issuer shall pay to the United States 100% of the Rebate Amount, if any, computed as of the final Computation Date. In computing the Rebate Amount, a computation credit may be taken into account on the last day of each Bond Year to the Computation Date during which there are unspent Gross Proceeds that are subject to the rebate requirement, and on the final maturity date.

If the operative documents pertaining to the Issue establish a Rebate Fund and require the computation of the Rebate Amount at the end of each Bond Year, the Issuer shall calculate, or cause to be calculated, within 45 days after the end of each Bond Year the Rebate Amount, taking into account the computation credit for each Bond Year. Within 50 days after the end of each Bond Year, if the Rebate Amount is positive, the Issuer shall deposit in the Rebate Fund such amount as will cause the amount on deposit therein to equal the Rebate Amount, and may withdraw any amount on deposit in the Rebate Fund in excess of the Rebate Amount. Payments of the Rebate Amount to the Internal Revenue Service on a Computation Date shall be made first from amounts on deposit in the Rebate Fund and second from other amounts specified in the operative documents.

Each payment of the Rebate Amount or portion thereof shall be payable to the Internal Revenue Service and shall be made to the Internal Revenue Service Center, Ogden, UT 84201 by certified mail. Each payment shall be accompanied by Internal Revenue Service Form 8038-T and any other form or forms required to be submitted with such remittance.

SECTION 3.02. BOOKS AND RECORDS.

(A) The Issuer or Trustee, as applicable, shall keep proper books of record and accounts containing complete and correct entries of all transactions relating to the receipt, investment, disbursement, allocation and application of the Gross Proceeds of the Issue. Such records shall specify the account or fund to which each Nonpurpose Investment (or portion thereof) held by the Issuer or Trustee is to be allocated and shall set forth as to each Nonpurpose Investment (1) its purchase price, (2) identifying information, including par amount, interest rate, and payment dates, (3) the amount received at maturity or its sales price, as the case may be, including accrued interest, (4) the amounts and dates of any payments made with respect thereto, and (5) the dates of acquisition and disposition or maturity.

(B) The Issuer, Trustee, or Rebate Analyst, as applicable, shall retain the records of all calculations and payments of the Rebate Amount until three years after the retirement of the last obligation that is a part of the Issue.

SECTION 3.03. FAIR MARKET VALUE.

(A) No Nonpurpose Investment shall be acquired for an amount in excess of its fair market value. No Nonpurpose Investment shall be sold or otherwise disposed of for an amount less than its fair market value.

(B) The fair market value of any Nonpurpose Investment shall be the price at which a willing buyer would purchase the Nonpurpose Investment from a willing seller in an arm's-length transaction. Fair market value generally is determined on the date on which a contract to purchase or sell the Nonpurpose Investment becomes binding (*i.e.*, the trade date rather than the settlement date). Except as otherwise provided in this Section, a Nonpurpose Investment that is not of a type traded on an established securities market (within the meaning of Section 1273 of the Code) is rebuttably presumed to be acquired or disposed of for a price that is not equal to its fair market value.

(C) Obligations purchased directly from the Treasury. The fair market value of a United States Treasury obligation that is purchased directly from the United States Treasury is its purchase price.

(D) Safe harbor for Guaranteed Investment Contracts. The purchase price of a Guaranteed Investment Contract shall be treated as its fair market value on the purchase date if all the following conditions are met.

(1) The Issuer or broker makes a bona fide solicitation for a specified Guaranteed Investment Contract and receives at least three bona fide bids from reasonably competitive providers (of Guaranteed Investment Contracts) that have no material financial interest in the Issue.

(2) The Issuer purchases the highest-yielding Guaranteed Investment Contract for which a qualifying bid is made (determined net of broker's fees).

(3) The Yield on the Guaranteed Investment Contract (determined net of broker's fees) is not less than the Yield then available from the provider on reasonably comparable Guaranteed Investment Contracts, if any, offered to other persons from a source of funds other than Gross Proceeds of Tax-Exempt Obligations.

(4) The determination of the terms of the Guaranteed Investment Contract takes into account as a significant factor the Issuer's reasonably expected drawdown schedule for the amounts to be invested, exclusive of amounts deposited in a Bona Fide Debt Service Fund and a reasonably required reserve or replacement fund.

(5) The terms of the Guaranteed Investment Contract, including collateral security requirements, are reasonable.

(6) The obligor on the Guaranteed Investment Contract certifies the administrative costs that it is paying (or expects to pay) to third parties in connection with the Guaranteed Investment Contract.

(E) Safe harbor for certificates of deposit. The purchase price of a certificate of deposit shall be treated as its fair market value on the purchase date if all of the following requirements are met.

(1) The certificate of deposit has a fixed interest rate, a fixed payment schedule, and a substantial penalty for early withdrawal.

(2) The Yield on the certificate of deposit is not less than (a) the Yield on reasonably comparable direct obligations of the United States, or (b) the highest Yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public.

Certificates evidencing the foregoing requirements should be obtained before purchasing any Guaranteed Investment Contract or certificate of deposit.

SECTION 3.04. CONSTRUCTIVE SALE/PURCHASE.

(A) Nonpurpose Investments that are held by the Issuer or Trustee as of any Computation Date (or Bond Year if the computations are required to be done annually) shall be treated for purposes of computing the Rebate Amount as of such date as having been sold for their fair market value as of such date. Investment Property that becomes allocated to Gross Proceeds of the Issue on a date after such Investment Property has actually been purchased shall be treated for purposes of the rebate requirements as having been purchased by the Issuer on such date of allocation at its fair market value on such date.

(B) For purposes of constructive or deemed sales or purchases of Investment Property (other than Investment Property in the Escrow Fund or that is otherwise not invested for a Temporary Period or is not part of a reasonably required reserve or replacement fund for the Issue) must be valued at its fair market value on the date of constructive or deemed sale or purchase.

(C) Except as set forth in (B), fixed-rate Investment Property that is (1) issued with not more than 2% of original issue discount or original issue premium, (2) issued with original issue premium that is attributable exclusively to reasonable underwriters' compensation or (3) acquired with not more than 2% of market discount or market premium may be treated as having a fair market value equal to its outstanding stated principal amount plus accrued interest. Fixed-rate Investment Property also may be treated as having a fair market value equal to its present value.

SECTION 3.05. ADMINISTRATIVE COSTS.

(A) Administrative costs shall not be taken into account in determining the payments for or receipts from a Nonpurpose Investment unless such administrative costs are Qualified Administrative Costs. Thus, administrative costs or expenses paid, directly or indirectly, to purchase, carry, sell, or retire Nonpurpose Investments generally do not increase the Payments for, or reduce the Receipts from, Nonpurpose Investments.

(B) Qualified Administrative Costs are taken into account in determining the Payments and Receipts on Nonpurpose Investments and thus increase the Payments for, or decrease the Receipts from, Nonpurpose Investments. In the case of a Guaranteed Investment Contract, a broker's commission or similar fee paid on behalf of either the Issuer or the provider

is a Qualified Administrative Cost to the extent that (1) the amount of the fee treated as a Qualified Administrative Cost does not exceed the lesser of (a) \$39,000, or such higher amount as determined and published by the Internal Revenue Service as the “cost of living adjustment” for the calendar year in which the Guaranteed Investment Contract is acquired and (b) 0.2% of the Computational Base or, if more, \$4,000, or such higher amount as determined and published by the Internal Revenue Service as the “cost of living adjustment” for the calendar year in which the Guaranteed Investment Contract is acquired and (2) the aggregate amount of broker’s commissions or similar fees with respect to all Guaranteed Investment Contracts and Nonpurpose Investments acquired for a yield-restricted defeasance escrow purchased with Gross Proceeds of the Issue treated as Qualified Administrative Costs does not exceed a cap of \$110,000, or such higher amount as determined and published by the Internal Revenue Service as the “cost-of-living adjustment” for the calendar year in which the Guaranteed Investment Contract is acquired less the portion of such cap, if any, used in prior years with respect to the Issue.

PART IV: COMPLIANCE AND AMENDMENT

SECTION 4.01. COMPLIANCE.

The Issuer, Trustee or Rebate Analyst, as applicable, shall take all necessary steps to comply with the requirements of these Instructions in order to ensure that interest on the Issue is excluded from gross income for federal income tax purposes under Section 103(a) of the Code. However, compliance shall not be required in the event and to the extent stated therein the Issuer and the Trustee receive a Bond Counsel’s Opinion that either (A) compliance with such requirement is not required to maintain the exclusion from gross income for federal income tax purposes of interest on the Issue or (B) compliance with some other requirement in lieu of such requirement will comply with Section 148(f) of the Code, in which case compliance with the other requirement specified in the Bond Counsel’s Opinion shall constitute compliance with such requirement.

SECTION 4.02. LIABILITY.

If for any reason any requirement of these Instructions is not complied with, the Issuer and the Trustee, if applicable, shall take all necessary and desirable steps to correct such noncompliance within a reasonable period of time after such noncompliance is discovered or should have been discovered with the exercise of reasonable diligence. The Trustee shall have no duty or responsibility to independently verify any of the Issuer’s, or the Rebate Analyst’s, calculations with respect to the payments of the Rebate Amount due and owing to the United States. Under no circumstances whatsoever shall the Trustee be liable to the Issuer, any bondholder or any other person for any inclusion of the interest on the Issue in gross income for federal income tax purposes, or any claims, demands, damages, liabilities, losses, costs or expenses resulting therefrom or in any way connected therewith, so long as the Trustee acts only in accordance with these Instructions and the operative documents pertaining to the Issue.

SCHEDULE A

SAMPLE OFFERING DOCUMENT LANGUAGE
DESCRIBING BOOK-ENTRY-ONLY ISSUANCE

(Prepared by DTC—bracketed material may be applicable only to certain issues)

1. The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the securities (the "Securities"). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$200 million, one certificate will be issued with respect to each \$200 million of principal amount and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Securities with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

[6. Redemption notices shall be sent to Cede & Co. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

7. Neither DTC nor Cede & Co. will consent or vote with respect to Securities. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

8. Principal and interest payments on the Securities will be made to DTC. DTC's practice is to credit Direct Participants' accounts on payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on payable date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Agent, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Issuer or the Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to the [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to the [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records.]

10. DTC may discontinue providing its services as securities depository with respect to the Securities at any time by giving reasonable notice to the Issuer or the Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Security certificates are required to be printed and delivered.

11. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

12. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Issuer believes to be reliable, but the Issuer takes no responsibility for the accuracy thereof.

Ladies and Gentlemen:

We have served as special counsel to our client Pima County, Arizona (the "County") and not as counsel to any other person in connection with the execution and delivery by U.S. Bank National Association, as trustee (the "Trustee"), of \$15,185,000 aggregate principal amount of Certificates of Participation, Taxable Series 2016B (the "Taxable 2016B Certificates") pursuant to a Trust Agreement, dated as of June 1, 2008, as supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, a Third Supplement to Trust Agreement, dated as of May 1, 2013, a Fourth Supplement to Trust Agreement, dated as of January 1, 2014, a Fifth Supplement to Trust Agreement, dated as of April 1, 2015 and a Sixth Supplement to Trust Agreement, dated as of April 1, 2016 (collectively, the "Trust Agreement"), between the County and the Trustee, and relating to a Lease-Purchase Agreement, dated as of June 1, 2008, as amended by a First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009, a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, a Third Amendment to Lease-Purchase Agreement, dated as of May 1, 2013, a Fourth Amendment to Lease-Purchase Agreement, dated as of January 1, 2014, a Fifth Amendment to Lease-Purchase Agreement, dated as of April 1, 2015 and a Sixth Amendment to Lease-Purchase Agreement, dated as of April 1, 2016 (collectively, the "Lease Agreement"), between the Trustee, as lessor, and the County, as lessee. The Lease Agreement and the Trust Agreement are referred to collectively as the "County Documents." Capitalized terms not defined in this letter are used as defined in the County Documents.

In our capacity as special counsel, we have examined the transcript of proceedings relating to the execution and delivery of the Taxable 2016B Certificates, the County Documents, a copy of the executed Taxable 2016B Certificate of the first maturity, and such other documents, matters and law as we deem necessary to render the opinions set forth in this letter.

The Taxable 2016B Certificates, together with other Certificates (as defined in the Trust Agreement) heretofore or hereafter executed and delivered pursuant to the Trust Agreement, represent undivided and proportionate interests in the obligations of the County under the Lease Agreement. The County has agreed to lease certain real and personal property from the Trustee, as lessor, under the Lease Agreement.

Based upon our examination, we are of the opinion that, under existing law:

1. The County is a political subdivision existing under the laws of the State of Arizona, and has all requisite power to enter into and perform its obligations under the County Documents.

2. The County Documents each have been duly authorized, executed and delivered by the County and constitute legal, valid and binding obligations of the County enforceable in accordance with their terms.

3. The Taxable 2016B Certificates have been duly authorized, executed and delivered by the Trustee at the request and for the benefit of the County and are valid and binding limited and special obligations payable solely from the Lease Payments (as defined in the Lease Agreement) and certain funds held under the Trust Agreement as provided therein. The Taxable 2016B Certificates are not secured by an obligation or pledge of any taxing power or moneys raised thereby and are not a debt of and do not constitute a pledge of the faith and credit of the County, the State of Arizona or any political subdivision thereof.

4. We express no opinion as to any tax consequences regarding the Taxable 2016B Certificates.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume, without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined, (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the County and (iii) the correctness of the legal conclusions contained in the legal opinion letters of counsel to the County delivered in connection with this matter.

The rights of the owners of the Taxable 2016B Certificates and the enforceability of the Taxable 2016B Certificates and the County Documents are subject to bankruptcy, insolvency, arrangement, fraudulent conveyance or transfer, reorganization, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion, and to limitations on legal remedies against public entities.

Capitalized terms not otherwise defined in this letter are used as defined in the 2007 Trust Agreement.

We have reviewed: the 2007 Trust Agreement, the Depository Trust Agreement, dated as of April 1, 2016 (the "Depository Trust Agreement"), between U.S. Bank National Association, as depository trustee, and the County, the Verification Report prepared by Grant Thornton LLP as to the sufficiency of the moneys and investments deposited to provide for the payment of amounts to come due on the Refunded Certificates, and such other proceedings, documents, matters and law as we deem necessary to render the opinions set forth in this letter.

Based on that examination and subject to the limitations stated below, we are of the opinion that under existing law, payment of all the principal of and interest on all the Refunded Certificates has been made in accordance with Section 14.1 of the 2007 Trust Agreement and, accordingly, none of the Refunded Certificates are considered to be Outstanding within the meaning of the 2007 Trust Agreement.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and documents we have examined and (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the County.

This letter is furnished by us solely for your benefit in connection with the defeasance of the Refunded Certificates and may not be relied upon for any other purpose or by any other person, including the holders, owners or beneficial owners of the Refunded Certificates or the Series 2007A Certificates to remain Outstanding. Re: Pima County, Arizona Certificates of Participation, Series 2016

This opinion is rendered in connection with the execution and delivery by Pima County, Arizona (the "County"), of each of the following (together, the "Documents"):

- A Sixth Amendment to Lease-Purchase Agreement, dated as of April 1, 2016, which amends a Lease-Purchase Agreement, dated as of June 1, 2008, as previously amended by a First Amendment to Lease-Purchase Agreement, dated as of June 1, 2009, a Second Amendment to Lease-Purchase Agreement, dated as of February 1, 2010, a Third Amendment to Lease-Purchase Agreement, dated as of May 1, 2013, a Fourth Amendment to Lease-Purchase Agreement, dated as of January 1, 2014, and a Fifth Supplement to Lease-Purchase Agreement, dated as of April 1, 2015 (as so amended, the "Lease-Purchase Agreement"), between the County, as lessee, and U.S. Bank National Association, as lessor (the "Lessor").
- A Sixth Supplement to Trust Agreement, dated as of April 1, 2016, which supplements a Trust Agreement, dated as of June 1, 2008, as previously supplemented by a First Supplement to Trust Agreement, dated as of June 1, 2009, a Second Supplement to Trust Agreement, dated as of February 1, 2010, a Third Supplement to Trust Agreement, dated as of May 1, 2013 and a Fourth Supplement to Trust Agreement, dated as of January 1, 2014, and a Fifth Supplement to Lease-Purchase Agreement, dated as of April 1, 2015 (as so supplemented, the "Trust Agreement"), between the County and U.S. Bank National Association, as trustee (the "Trustee").
- A Continuing Disclosure Undertaking, dated the date hereof (the "Undertaking"), executed by the County.

- Depository Trust Agreement, dated as of April 1, 2016 (the "Depository Trust Agreement"), between the County and U.S. Bank National Association.
- A Certificate Purchase Contract, dated the date of sale of the captioned Certificates (the "Certificate Purchase Contract"), among the County, the Trustee and RBC Capital Markets, LLC.

Each of the Documents was authorized by a resolution adopted by the Board of Supervisors of the County on February 16, 2016 (the "Authorizing Resolution"). We have examined the transcript of proceedings relating to the execution and delivery of the Documents and such other documents as we considered necessary to our opinion. As to questions of fact material to our opinion we have relied upon, and assumed due and continuing compliance with the provisions of, the above-mentioned proceedings and other documents, and have relied upon certificates, covenants and representations furnished to us by the County without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, as of this date, which is the date of execution and delivery of the Documents, that:

1. The adoption of the Authorizing Resolution, and all other proceedings of the County relating to the authorization, approval and execution of the Documents, have been carried out in conformity with all applicable open meeting and other laws of the State of Arizona.

2. The authorization, execution and delivery of the Documents, and the County's compliance with the provisions of the Documents, do not and will not in any material respect conflict with or constitute on the part of the County a breach of or default under any agreement or other instrument to which the County is a party, or of any existing law, administrative regulation, court order or consent decree to which the County or the Leased Property (as defined in the Lease-Purchase Agreement) is subject.

3. There are no lawsuits or administrative proceedings pending or, to the best of our knowledge, threatened, against the County that:

(i) in any way question the validity and the proper authorization, approval and execution of the Documents, or the ability of the County to perform its obligations under the Documents thereby, or

(ii) could result in an unfavorable decision, ruling or finding that would adversely affect the transactions contemplated by the Documents, the use of the Leased Property as contemplated by the Documents, or the financial condition of the County.

4. The statements in the Official Statement issued by the County in connection with the transaction contemplated by the Documents under the heading "LITIGATION" are true and correct in all material respects and do not omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

referred to collectively as the "Official Statement"), relating to the Certificates, the Continuing Disclosure Undertaking, dated the date hereof (the "Continuing Disclosure Undertaking"), the Resolution adopted by the Board of Supervisors of the County on February 16, 2016 (the "Resolution"), the Depository Trust Agreement, dated as of April 1, 2016 (the "Depository Trust Agreement"), between the County and U.S. Bank National Association, as depository trustee, the Securities Act of 1933, as amended (the "1933 Act"), the Trust Indenture Act of 1939, as amended (the "1939 Act"), the rules, regulations and interpretations under the 1933 Act and the 1939 Act, and Rule 15c2-12 (the "Rule") prescribed under the Securities Exchange Act of 1934, as amended (the "Act"). In addition, we have examined originals (or copies certified or otherwise identified to our satisfaction) of such other instruments, certificates and documents as we have deemed necessary or appropriate for the purposes of the opinions rendered hereinbelow. In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity to the original documents of all documents submitted to us as copies. As to any facts material to our opinion, we have, when relevant facts were not independently established, relied upon the aforesaid instruments, certificates and other documents.

In accordance with our understanding with you, we rendered legal advice and assistance to you in connection with your participation in the preparation of the Official Statement. Based upon our participation in the preparation of the Official Statement as counsel for you and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Official Statement and except as otherwise indicated herein, no information came to the attention of our attorneys assigned to this matter which leads us to believe that the Official Statement as of its date and as of the date hereof contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. We express no views with respect to (i) the information contained in the Official Statement relating to The Depository Trust Company, New York, New York, (ii) the financial or statistical data included in the Official Statement, (iii) the information in Appendices C and G to the Official Statement or (iv) the status of the Certificates for any purpose including particularly, but not by way of limitation, for federal or State income tax purposes.

We also have rendered legal advice and assistance to you as to the requirements of the Rule prescribed under the Act, in connection with your review, for purposes of the Rule, of the Continuing Disclosure Undertaking. Based upon our examination of the items referenced in this letter, including the Continuing Disclosure Undertaking and the Rule, and subject to the limitations expressed above, we are of the opinion that, under existing law, the Continuing Disclosure Undertaking satisfies paragraph (b)(5)(i) of the Rule, which requires an undertaking for the benefit of the holders, including beneficial owners, of the Certificates to provide certain annual financial information and event notices at the time and in the manner required by the Rule.

Based upon our examination of the items referenced in this letter, we are further of the opinion that it is not necessary in connection with the sale of the Certificates to the public to register the Certificates under the 1933 Act or to qualify the Resolution or the Depository Trust Agreement under the 1939 Act. For purposes of rendering such opinion, we have relied on the legal conclusions expressed by Squire Patton Boggs (US) LLP, as Special Counsel, as to the validity of the Certificates and the exclusion of interest on the Series 2016A Certificates from the gross income of their owners for federal income tax purposes.

We have not investigated independently the accuracy of any legal conclusions upon which we have relied that are expressed by other counsel; however, our attorneys assigned to this matter are not presently aware of any information that leads us to believe that it would be unreasonable to rely upon those legal conclusions.

References in this letter to "our attorneys assigned to this matter" refer only to those lawyers now with this firm who rendered legal services in connection with our representation of you in this matter.

Our engagement with respect to the matters addressed in this letter is concluded upon the delivery of this letter. The views expressed in this letter are as of, and are based upon the law in effect on, the date of this letter. Those views may be affected by actions taken or omitted or events occurring after the date of this letter, and we assume no obligation to revise or supplement this letter or to determine or to inform any person if such law changes or if any such actions are taken or omitted or any such events occur.

This letter is furnished solely for your benefit in connection with your purchase of the Certificates, and this letter may not, without our prior express consent, be used, circulated, quoted or otherwise referred to (except in lists or sets of closing documents), or be relied upon by any other person or for any other purpose.

Respectfully submitted,

- (d) "Insured": The Insured named in Schedule A.
- (i) The term "Insured" also includes

The term "Land" does not include any property beyond the lines of the area described in Schedule A, nor any right, title, interest, estate, or easement in abutting streets, roads, avenues, alleys, lanes, ways, or waterways, but this does not modify or limit the extent that a right of access to and from the Land is insured by this policy.

- (i) "Public Records": Records established under state statutes at Date of Policy for the purpose of imparting constructive notice of matters relating to real property to purchasers for value and without Knowledge. - (j) "Title": The estate or interest described in Schedule A.
- (k) "Unmarketable Title": Title affected by an alleged or apparent matter that would permit a prospective purchaser or lessee of the Title or tender on the Title to be released from the obligation to purchase, lease, or lend if there is a contractual condition requiring the delivery of marketable title.

2. CONTINUATION OF INSURANCE

The coverage of this policy shall continue in force as of Date of Policy in favor of an Insured, but only so long as the Insured retains an estate or interest in the Land, or holds an obligation secured by a purchase money Mortgage given by a purchaser from the Insured, or only so long as the Insured shall have liability by reason of warranties in any transfer or conveyance of the Title. This policy shall not continue in force in favor of any purchaser from the Insured of either (i) an estate or interest in the Land, or (ii) an obligation secured by a purchase money Mortgage given to the Insured.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT

The Insured shall notify the Company promptly in writing (i) in case of any litigation as set forth in Section 5(a) of these Conditions, (ii) in case Knowledge shall come to an Insured hereunder of any claim of title or interest that is adverse to the Title, as Insured, and that might cause loss or damage for which the Company may be liable by virtue of this policy, or (iii) if the Title, as Insured, is rejected as Unmarketable Title. If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under the policy shall be reduced to the extent of the prejudice.

4. PROOF OF LOSS

In the event the Company is unable to determine the amount of loss or damage, the Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, or other matter insured against by this policy that constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage.

5. DEFENSE AND PROSECUTION OF ACTIONS

(a) Upon written request by the Insured, and subject to the options contained in Section 7 of these Conditions, the Company, at its own cost and without unreasonable delay, shall provide for the defense of an Insured in litigation in which any third party asserts a claim covered by this policy adverse to the Insured. This obligation is limited to only those stated causes of action alleging matters insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of the Insured to object for reasonable cause) to represent the Insured as to those stated causes of action. It shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs, or expenses incurred by the Insured in the defense of those causes of action that allege matters not insured against by this policy.

(b) The Company shall have the right, in addition to the options contained in Section 7 of these Conditions, at its own cost, to institute and prosecute any action or proceeding or to do any other act that in its opinion may be necessary or desirable to establish the Title, as Insured, or to prevent or reduce loss or damage to the Insured. The Company may take any appropriate action under the terms of this policy, whether or not it shall be liable to the Insured. The exercise of these rights shall not be an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under this subsection, it must do so diligently.

(c) Whenever the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court of competent jurisdiction, and it expressly reserves the right, in its sole discretion, to appeal any adverse judgment or order.

6. DUTY OF INSURED CLAIMANT TO COOPERATE

(a) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding and any appeals, the Insured shall secure to the Company the right to so prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose. Whenever requested by the Company, the Insured, at the Company's expense, shall give the Company all reasonable aid (i) in securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act that in the opinion of the Company may be necessary or desirable to establish the Title or any other matter as Insured. If the Company is prejudiced by the failure of the Insured to furnish the required cooperation, the Company's obligations to the Insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such cooperation.

(b) The Company may reasonably require the Insured Claimant to submit to examination under oath by any authorized representative of the Company and to produce for examination, inspection, and copying, at such reasonable times and places as may be designated by the authorized representative of the Company, all records, in whatever medium maintained, including books, ledgers, checks, memoranda, correspondence, reports, e-mails, disks, tapes, and videos whether bearing a date before or after Date of Policy, that reasonably pertain to

the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect, and copy all of these records in the custody or control of a third party that reasonably pertain to the loss or damage. All information designated as confidential by the Insured Claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in this subsection, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In case of a claim under this policy, the Company shall have the following additional options:

(a) To Pay or Tender Payment of the Amount of Insurance.

To pay or tender payment of the Amount of Insurance under this policy together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment or tender of payment and that the Company is obligated to pay.

Upon the exercise by the Company of this option, all liability and obligations of the Company to the Insured under this policy, other than to make the payment required in this subsection, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.

(b) To Pay or Otherwise Settle With Parties Other Than the Insured or With the Insured Claimant.

(i) To pay or otherwise settle with other parties for or in the name of an Insured Claimant any claim insured against under this policy. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay; or

(ii) To pay or otherwise settle with the Insured Claimant the loss or damage provided for under this policy, together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay.

Upon the exercise by the Company of either of the options provided for in subsections (b)(i) or (ii), the Company's obligations to the Insured under this policy for the claimed loss or damage, other than the payments required to be made, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.

8. DETERMINATION AND EXTENT OF LIABILITY

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy.

(a) The extent of liability of the Company for loss or damage under this policy shall not exceed the lesser of

(i) the Amount of Insurance; or

(ii) the difference between the value of the Title as insured and the value of the Title subject to the risk insured against by this policy.

(b) If the Company pursues its rights under Section 5 of these Conditions and is unsuccessful in establishing the Title, as insured,

(i) the Amount of Insurance shall be increased by 10%, and

(ii) the Insured Claimant shall have the right to have the loss or damage determined either as of the date the claim was made by the Insured Claimant or as of the date it is settled and paid.

(c) In addition to the extent of liability under (a) and (b), the Company will also pay those costs, attorneys' fees, and expenses incurred in accordance with Sections 5 and 7 of these Conditions.

9. LIMITATION OF LIABILITY

(a) If the Company establishes the Title, or removes the alleged defect, lien, or encumbrance, or cures the lack of a right of access to or from the Land, or cures the claim of Unmarketable Title, all as insured, in a reasonably diligent manner by any method, including litigation and the completion of any appeals, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused to the Insured.

(b) In the event of any litigation, including litigation by the Company or with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals, adverse to the Title, as insured.

(c) The Company shall not be liable for loss or damage to the Insured for liability voluntarily assumed by the Insured in settling any claim or suit without the prior written consent of the Company.

10. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY

All payments under this policy, except payments made for costs, attorneys' fees, and expenses, shall reduce the Amount of Insurance by the amount of the payment.

11. LIABILITY NONCUMULATIVE

The Amount of Insurance shall be reduced by any amount the Company pays under any policy insuring a Mortgage to which exception is taken in Schedule B or to which the Insured has agreed, assumed, or taken subject, or which is executed by an Insured after Date of Policy and which is a charge or lien on the Title, and the amount so paid shall be deemed a payment to the Insured under this policy.

12. PAYMENT OF LOSS

When liability and the extent of loss or damage have been definitely fixed in accordance with these Conditions, the payment shall be made within 30 days.

13. RIGHTS OF RECOVERY UPON PAYMENT OR SETTLEMENT

(a) Whenever the Company shall have settled and paid a claim under this policy, it shall be subrogated and entitled to the rights of the Insured Claimant in the Title and all other rights and remedies in respect to the claim that the Insured Claimant has against any person or property, to the extent of the amount of any loss, costs, attorneys' fees, and expenses paid by the Company. If requested by the Company, the Insured Claimant shall execute documents to evidence the transfer to the Company of these rights and remedies. The Insured Claimant shall permit the Company to sue, compromise, or settle in the name of the Insured Claimant and to use the name of the Insured Claimant in any transaction or litigation involving these rights and remedies.

If a payment on account of a claim does not fully cover the loss of the Insured Claimant, the Company shall defer the exercise of its right to recover until after the Insured Claimant shall have recovered its loss.

(b) The Company's right of subrogation includes the rights of the Insured to indemnities, guarantees, other policies of insurance, or bonds, notwithstanding any terms or conditions contained in those instruments that address subrogation rights.

- a. "Evicted" or "Eviction": (a) the lawful deprivation, in whole or in part, of the right of possession insured by this policy, contrary to the terms of the Lease or (b) the lawful prevention of the use of the Land or the Tenant Leasehold Improvements for the purposes permitted by the Lease, in either case as a result of a matter covered by this policy.
- b. "Lease": the lease agreement described in Schedule A.
- c. "Leasehold Estate": the right of possession for the Lease Term.
- d. "Lease Term": the duration of the Leasehold Estate, including any renewal or extended term if a valid option to renew or extend is contained in the Lease.
- e. "Personal Property": chattels located on the Land and property which, because of their character and manner of affixation to the Land, can be severed from the Land without causing appreciable damage to themselves or to the Land to which they are affixed.
- f. "Remaining Lease Term": the portion of the Lease Term remaining after the Insured has been Evicted as a result of a matter covered by this policy.
- g. "Tenant Leasehold Improvements": Those improvements, including landscaping, required or permitted to be built on the Land by the Lease that have been built at the Insured's expense or in which the Insured has an interest greater than the right to possession during the Lease Term.

2. Valuation of Estate or Interest Insured

If in computing loss or damage it becomes necessary to value the Title as the result of a covered matter that results in an Eviction of the Tenant, then that value shall consist of the value for the Remaining Lease Term of the Leasehold Estate and any Tenant Leasehold Improvements existing on the date of the Eviction. The Insured Claimant shall have the right to have the Leasehold Estate and the Tenant Leasehold Improvements valued either as a whole or separately. In either event, this determination of value shall take into account rent no longer required to be paid for the Remaining Lease Term.

3. Additional items of loss covered by this endorsement

If the Insured is Evicted, the following items of loss, if applicable, shall be included in computing loss or damage incurred by the Insured, but not to the extent that the same are included in the valuation of the Title.

- a. The reasonable cost of removing and relocating any Personal Property that the Insured has the right to remove and relocate, situated on the Land at the time of Eviction, the cost of transportation of that Personal Property for the initial one hundred miles incurred in connection with the relocation, and the reasonable cost of repairing the Personal Property damaged by reason of the removal and relocation.
- b. Rent or damages for use and occupancy of the Land prior to the Eviction that the Insured as owner of the Leasehold Estate may be obligated to pay to any person having paramount title to that of the lessor in the Lease.

- c. The amount of rent that, by the terms of the Lease, the Insured must continue to pay to the lessor after Eviction with respect to the portion of the Leasehold Estate and Tenant Leasehold Improvements from which the Insured has been Evicted.
- d. The fair market value, at the time of the Eviction, of the estate or interest of the Insured in any lease or sublease made by Tenant as lessor of all or part of the Leasehold Estate or the Tenant Leasehold Improvements.
- e. Damages that the Insured is obligated to pay to lessees or sublessees on account of the breach of any lease or sublease made by the Tenant as lessor of all or part of the Leasehold Estate or the Tenant Leasehold Improvements caused by the Eviction
- f. Reasonable costs incurred by the Insured to secure a replacement leasehold equivalent to the Leasehold Estate.
- g. If Tenant Leasehold Improvements are not substantially completed at the time of Eviction, the actual cost incurred by the Insured, less the salvage value, for the Tenant Leasehold Improvements up to the time of Eviction. Those costs include costs incurred to obtain land use, zoning, building and occupancy permits, architectural and engineering fees, construction management fees, costs of environmental testing and reviews, and landscaping costs.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Otherwise, this endorsement is subject to all of the terms and provisions of the policy and of any prior endorsements to it.

This policy shall not continue in force in favor of any purchaser from the Insured of either (i) an estate or interest in the Land, or (ii) an obligation secured by a purchase money Mortgage given to the Insured.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT

The Insured shall notify the Company promptly in writing (i) in case of any litigation as set forth in Section 5(a) of these Conditions, (ii) in case Knowledge shall come to an Insured hereunder of any claim of title or interest that is adverse to the Title, as insured, and that might cause loss or damage for which the Company may be liable by virtue of this policy, or (iii) if the Title, as insured, is rejected as Unmarketable Title. If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under the policy shall be reduced to the extent of the prejudice.

4. PROOF OF LOSS

In the event the Insured is unable to determine the amount of loss or damage, the Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, or other matter insured against by this policy that constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage.

5. DEFENSE AND PROSECUTION OF ACTIONS

(a) Upon written request by the Insured, and subject to the options contained in Section 7 of these Conditions, the Company, at its own cost and without unreasonable delay, shall provide for the defense of an Insured in litigation in which any third party asserts a claim covered by this policy adverse to the Insured. This obligation is limited to only those stated causes of action alleging matters insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of the Insured to object for reasonable cause) to represent the Insured as to those stated causes of action. It shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs, or expenses incurred by the Insured in the defense of those causes of action that allege matters not insured against by this policy.

CONDITIONS (Continued)

- (b) The Company shall have the right, in addition to the options contained in Section 7 of these Conditions, at its own cost, to institute and prosecute any action or proceeding or to do any other act that in its opinion may be necessary or desirable to establish the Title, as insured, or to prevent or reduce loss or damage to the Insured. The Company may take any appropriate action under the terms of this policy, whether or not it shall be liable to the Insured. The exercise of these rights shall not be an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under this subsection, it must do so diligently.
- (c) Whenever the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court of competent jurisdiction, and it expressly reserves the right, in its sole discretion, to appeal any adverse judgment or order.

6. DUTY OF INSURED CLAIMANT TO COOPERATE

- (a) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding and any appeals, the Insured shall secure to the Company the right to so prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose. Whenever requested by the Company, the Insured, at the Company's expense, shall give the Company all reasonable aid (i) in securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act that in the opinion of the Company may be necessary or desirable to establish the Title or any other matter as insured. - (b) The Company may reasonably require the Insured Claimant to submit to examination under oath by any authorized representative of the Company and to produce for examination, inspection, and copying, at such reasonable times and places as may be designated by the authorized representative of the Company, all records, in whatever medium maintained, including books, ledgers, checks, memoranda, correspondence, reports, e-mails, disks, tapes, and videos whether bearing a date before or after Date of Policy, that reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect, and copy all of these records in the custody or control of a third party that reasonably pertain to the loss or damage. All information designated as confidential by the Insured Claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in this subsection, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.

7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY

In case of a claim under this policy, the Company shall have the following additional options:

- (a) To Pay or Tender Payment of the Amount of Insurance.

- (b) To Pay or Otherwise Settle With Parties Other Than the Insured or With the Insured Claimant.
 - (i) To pay or otherwise settle with other parties for or in the name of an Insured Claimant any claim insured against under this policy. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay; or
 - (ii) To pay or otherwise settle with the Insured Claimant the loss or damage provided for under this policy, together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay.

Upon the exercise by the Company of either of the options provided for in subsections (b)(i) or (ii), the Company's obligations to the Insured under this policy for the claimed loss or damage, other than the payments required to be made, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.

8. DETERMINATION AND EXTENT OF LIABILITY

This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy.

- (a) The extent of liability of the Company for loss or damage under this policy shall not exceed the lesser of

- (b) In the event of any litigation, including litigation by the Company or with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals, adverse to the Title, as insured.
- (c) The Company shall not be liable for loss or damage to the Insured for liability voluntarily assumed by the Insured in settling any claim or suit without the prior written consent of the Company.

10. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY

11. LIABILITY NONCUMULATIVE

The Amount of Insurance shall be reduced by any amount the Company pays under any policy insuring a Mortgage to which exception is taken in Schedule B or to which the Insured has agreed, assumed, or taken subject, or which is executed by an Insured after Date of Policy and which is a charge or lien on the Title, and the amount so paid shall be deemed a payment to the Insured under this policy.

12. PAYMENT OF LOSS

When liability and the extent of loss or damage have been definitely fixed in accordance with these Conditions, the payment shall be made within 30 days.

This policy shall not continue in force in favor of any purchaser from the Insured of either (i) an estate or interest in the Land, or (ii) an obligation secured by a purchase money Mortgage given to the Insured.

3. NOTICE OF CLAIM TO BE GIVEN BY INSURED CLAIMANT

The Insured shall notify the Company promptly in writing (i) in case of any litigation as set forth in Section 5(a) of these Conditions, (ii) in case Knowledge shall come to an Insured hereunder of any claim of title or interest that is adverse to the Title, as insured, and that might cause loss or damage for which the Company may be liable by virtue of this policy, or (iii) if the Title, as insured, is rejected as Unmarketable Title. If the Company is prejudiced by the failure of the Insured Claimant to provide prompt notice, the Company's liability to the Insured Claimant under the policy shall be reduced to the extent of the prejudice.

4. PROOF OF LOSS

In the event the Company is unable to determine the amount of loss or damage, the Company may, at its option, require as a condition of payment that the Insured Claimant furnish a signed proof of loss. The proof of loss must describe the defect, lien, encumbrance, or other matter insured against by this policy that constitutes the basis of loss or damage and shall state, to the extent possible, the basis of calculating the amount of the loss or damage.

5. DEFENSE AND PROSECUTION OF ACTIONS

- (a) Upon written request by the Insured, and subject to the options contained in Section 7 of these Conditions, the Company, at its own cost and without unreasonable delay, shall provide for the defense of an Insured in litigation in which any third party asserts a claim covered by this policy adverse to the Insured. This obligation is limited to only those stated causes of action alleging matters insured against by this policy. The Company shall have the right to select counsel of its choice (subject to the right of the Insured to object for reasonable cause) to represent the Insured as to those stated causes of action. It shall not be liable for and will not pay the fees of any other counsel. The Company will not pay any fees, costs, or expenses incurred by the Insured in the defense of those causes of action that allege matters not insured against by this policy.

CONDITIONS (Continued)

- (b) The Company shall have the right, in addition to the options contained in Section 7 of these Conditions, at its own cost, to institute and prosecute any action or proceeding or to do any other act that in its opinion may be necessary or desirable to establish the Title, as insured, or to prevent or reduce loss or damage to the Insured. The Company may take any appropriate action under the terms of this policy, whether or not it shall be liable to the Insured. The exercise of these rights shall not be an admission of liability or waiver of any provision of this policy. If the Company exercises its rights under this subsection, it must do so diligently.
- (c) Whenever the Company brings an action or asserts a defense as required or permitted by this policy, the Company may pursue the litigation to a final determination by a court of competent jurisdiction, and it expressly reserves the right, in its sole discretion, to appeal any adverse judgment or order.
- 6. DUTY OF INSURED CLAIMANT TO COOPERATE**
- (a) In all cases where this policy permits or requires the Company to prosecute or provide for the defense of any action or proceeding and any appeals, the Insured shall secure to the Company the right to so prosecute or provide defense in the action or proceeding, including the right to use, at its option, the name of the Insured for this purpose. Whenever requested by the Company, the Insured, at the Company's expense, shall give the Company all reasonable aid (i) in securing evidence, obtaining witnesses, prosecuting or defending the action or proceeding, or effecting settlement, and (ii) in any other lawful act that in the opinion of the Company may be necessary or desirable to establish the Title or any other matter as insured. If the Company is prejudiced by the failure of the Insured to furnish the required cooperation, the Company's obligations to the Insured under the policy shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation, with regard to the matter or matters requiring such cooperation.
- (b) The Company may reasonably require the Insured Claimant to submit to examination under oath by any authorized representative of the Company and to produce for examination, inspection, and copying, at such reasonable times and places as may be designated by the authorized representative of the Company, all records, in whatever medium maintained, including books, ledgers, checks, memoranda, correspondence, reports, e-mails, disks, tapes, and videos whether bearing a date before or after Date of Policy, that reasonably pertain to the loss or damage. Further, if requested by any authorized representative of the Company, the Insured Claimant shall grant its permission, in writing, for any authorized representative of the Company to examine, inspect, and copy all of these records in the custody or control of a third party that reasonably pertain to the loss or damage. All information designated as confidential by the Insured Claimant provided to the Company pursuant to this Section shall not be disclosed to others unless, in the reasonable judgment of the Company, it is necessary in the administration of the claim. Failure of the Insured Claimant to submit for examination under oath, produce any reasonably requested information, or grant permission to secure reasonably necessary information from third parties as required in this subsection, unless prohibited by law or governmental regulation, shall terminate any liability of the Company under this policy as to that claim.
- 7. OPTIONS TO PAY OR OTHERWISE SETTLE CLAIMS; TERMINATION OF LIABILITY**
- In case of a claim under this policy, the Company shall have the following additional options:
- (a) To Pay or Tender Payment of the Amount of Insurance.
- To pay or tender payment of the Amount of Insurance under this policy together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment or tender of payment and that the Company is obligated to pay. Upon the exercise by the Company of this option, all liability and obligations of the Company to the Insured under this policy, other than to make the payment required in this subsection, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.
- (b) To Pay or Otherwise Settle With Parties Other Than the Insured or With the Insured Claimant.
- (i) To pay or otherwise settle with other parties for or in the name of an Insured Claimant any claim insured against under this policy. In addition, the Company will pay any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay; or
- (ii) To pay or otherwise settle with the Insured Claimant the loss or damage provided for under this policy, together with any costs, attorneys' fees, and expenses incurred by the Insured Claimant that were authorized by the Company up to the time of payment and that the Company is obligated to pay.
- Upon the exercise by the Company of either of the options provided for in subsections (b)(i) or (ii), the Company's obligations to the Insured under this policy for the claimed loss or damage, other than the payments required to be made, shall terminate, including any liability or obligation to defend, prosecute, or continue any litigation.
- 8. DETERMINATION AND EXTENT OF LIABILITY**
- This policy is a contract of indemnity against actual monetary loss or damage sustained or incurred by the Insured Claimant who has suffered loss or damage by reason of matters insured against by this policy.
- (a) The extent of liability of the Company for loss or damage under this policy shall not exceed the lesser of
- (i) the Amount of Insurance; or
- (ii) the difference between the value of the Title as insured and the value of the Title subject to the risk insured against by this policy.
- (b) If the Company pursues its rights under Section 5 of these Conditions and is unsuccessful in establishing the Title, as insured,
- (i) the Amount of Insurance shall be increased by 10%, and
- (ii) the Insured Claimant shall have the right to have the loss or damage determined either as of the date the claim was made by the Insured Claimant or as of the date it is settled and paid.
- (c) In addition to the extent of liability under (a) and (b), the Company will also pay those costs, attorneys' fees, and expenses incurred in accordance with Sections 5 and 7 of these Conditions.
- 9. LIMITATION OF LIABILITY**
- (a) If the Company establishes the Title, or removes the alleged defect, lien, or encumbrance, or cures the lack of a right of access to or from the Land, or cures the claim of

CONDITIONS (Continued)

Unmarketable Title, all as insured, in a reasonably diligent manner by any method, including litigation and the completion of any appeals, it shall have fully performed its obligations with respect to that matter and shall not be liable for any loss or damage caused to the Insured.

- (b) In the event of any litigation, including litigation by the Company or with the Company's consent, the Company shall have no liability for loss or damage until there has been a final determination by a court of competent jurisdiction, and disposition of all appeals, adverse to the Title, as insured.
- (c) The Company shall not be liable for loss or damage to the Insured for liability voluntarily assumed by the Insured in settling any claim or suit without the prior written consent of the Company.

10. REDUCTION OF INSURANCE; REDUCTION OR TERMINATION OF LIABILITY

All payments under this policy, except payments made for costs, attorneys' fees, and expenses, shall reduce the Amount of Insurance by the amount of the payment.

11. LIABILITY NONCUMULATIVE

The Amount of Insurance shall be reduced by any amount the Company pays under any policy insuring a Mortgage to which exception is taken in Schedule B or to which the Insured has agreed, assumed, or taken subject, or which is executed by an Insured after Date of Policy and which is a charge or lien on the Title, and the amount so paid shall be deemed a payment to the Insured under this policy.

12. PAYMENT OF LOSS

When liability and the extent of loss or damage have been definitely fixed in accordance with these Conditions, the payment shall be made within 30 days.

13. RIGHTS OF RECOVERY UPON PAYMENT OR SETTLEMENT

- (a) Whenever the Company shall have settled and paid a claim under this policy, it shall be subrogated and entitled to the rights of the Insured Claimant in the Title and all other rights and remedies in respect to the claim that the Insured Claimant has against any person or property, to the extent of the amount of any loss, costs, attorneys' fees, and expenses paid by the Company. If requested by the Company, the Insured Claimant shall execute documents to evidence the transfer to the Company of these rights and remedies. The Insured Claimant shall permit the Company to sue, compromise, or settle in the name of the Insured Claimant and to use the name of the Insured Claimant in any transaction or litigation involving these rights and remedies. If a payment on account of a claim does not fully cover the loss of the Insured Claimant, the Company shall defer the exercise of its right to recover until after the Insured Claimant shall have recovered its loss.
- (b) The Company's right of subrogation includes the rights of the Insured to indemnities, guaranties, other policies of insurance, or bonds, notwithstanding any terms or conditions contained in those instruments that address subrogation rights.

14. ARBITRATION

Either the Company or the Insured may demand that the claim or controversy shall be submitted to arbitration pursuant to the Title Insurance Arbitration Rules of the American Land Title Association ("Rules"). Except as provided in the Rules, there shall be no joinder or consolidation with claims or controversies of other

persons. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the Insured arising out of or relating to this policy, any service in connection with its issuance or the breach of a policy provision, or to any other controversy or claim arising out of the transaction giving rise to this policy. All arbitrable matters when the Amount of Insurance is \$2,000,000 or less shall be arbitrated at the option of either the Company or the Insured. All arbitrable matters when the Amount of Insurance is in excess of \$2,000,000 shall be arbitrated only when agreed to by both the Company and the Insured. Arbitration pursuant to this policy and under the Rules shall be binding upon the parties. Judgment upon the award rendered by the Arbitrator(s) may be entered in any court of competent jurisdiction.

15. LIABILITY LIMITED TO THIS POLICY; POLICY ENTIRE CONTRACT

- (a) This policy together with all endorsements, if any, attached to it by the Company is the entire policy and contract between the Insured and the Company. In interpreting any provision of this policy, this policy shall be construed as a whole.
- (b) Any claim of loss or damage that arises out of the status of the Title or by any action asserting such claim shall be restricted to this policy.
- (c) Any amendment of or endorsement to this policy must be in writing and authenticated by an authorized person, or expressly incorporated by Schedule A of this policy.
- (d) Each endorsement to this policy issued at any time is made a part of this policy and is subject to all of its terms and provisions. Except as the endorsement expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsement, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance.

16. SEVERABILITY

In the event any provision of this policy, in whole or in part, is held invalid or unenforceable under applicable law, the policy shall be deemed not to include that provision or such part held to be invalid, but all other provisions shall remain in full force and effect.

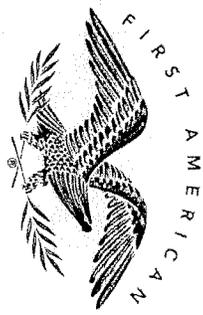

17. CHOICE OF LAW; FORUM

- (a) Choice of Law: The Insured acknowledges the Company has underwritten the risks covered by this policy and determined the premium charged therefor in reliance upon the law affecting interests in real property and applicable to the interpretation, rights, remedies, or enforcement of policies of title insurance of the jurisdiction where the Land is located. Therefore, the court or an arbitrator shall apply the law of the jurisdiction where the Land is located to determine the validity of claims against the Title that are adverse to the Insured and to interpret and enforce the terms of this policy. In neither case shall the court or arbitrator apply its conflicts of law principles to determine the applicable law.
- (b) Choice of Forum: Any litigation or other proceeding brought by the Insured against the Company must be filed only in a state or federal court within the United States of America or its territories having appropriate jurisdiction.

LEASEHOLD – OWNER'S POLICY
ENDORSEMENT

Issued by

FIRST AMERICAN TITLE INSURANCE COMPANY

Attached to Policy No.: 5011400-567515

File No.: 07001431-887-PT

1. As used in this endorsement, the following terms shall mean:

- a. "Evicted" or "Eviction": (a) the lawful deprivation, in whole or in part, of the right of possession insured by this policy, contrary to the terms of the Lease or (b) the lawful prevention of the use of the Land or the Tenant Leasehold Improvements for the purposes permitted by the Lease, in either case as a result of a matter covered by this policy.
- b. "Lease": the lease agreement described in Schedule A.
- c. "Leasehold Estate": the right of possession granted in the Lease for the Lease Term.
- d. "Lease Term": the duration of the Leasehold Estate, as set forth in the Lease, including any renewal or extended term if a valid option to renew or extend is contained in the Lease.
- e. "Personal Property": property, in which and to the extent the Insured has rights, located on or affixed to the Land on or after Date of Policy that by law does not constitute real property because (i) of its character and manner of attachment to the Land and (ii) the property can be severed from the Land without causing material damage to the property or to the Land.
- f. "Remaining Lease Term": the portion of the Lease Term remaining after the Insured has been Evicted.
- g. "Tenant Leasehold Improvements": Those improvements, in which and to the extent the Insured has rights, including landscaping, required or permitted to be built on the Land by the Lease that have been built at the Insured's expense or in which the Insured has an interest greater than the right to possession during the Lease Term.

2. Valuation of Estate or Interest Insured:

If in computing loss or damage it becomes necessary to value the Title, or any portion of it, as the result of an Eviction of the Insured, then, as to that portion of the Land from which the Insured is Evicted, that value shall consist of the value for the Remaining Lease Term of the Leasehold Estate and any Tenant Leasehold Improvements existing on the date of the Eviction. The Insured Claimant shall have the right to have the Leasehold Estate and the Tenant Leasehold Improvements, affected by a defect insured against by the policy valued either as a whole or separately. In either event, this determination of value shall take into account rent no longer required to be paid for the Remaining Lease Term.

3. Additional items of loss covered by this endorsement:

If the Insured is Evicted, the following items of loss, if applicable to that portion of the Land from which the Insured is Evicted shall be included, without duplication, in computing loss or damage incurred by the Insured, but not to the extent that the same are included in the valuation of the Title determined pursuant to Section 2 of this endorsement, any other endorsement to the policy, or Section 8 (a)(ii) of the Conditions:

- a. The reasonable cost of (i) removing and relocating any Personal Property that the Insured has the right to remove and relocate, situated on the Land at the time of Eviction, (ii) transportation of that Personal Property for the initial one hundred miles incurred in connection with the relocation, (iii) repairing the Personal Property damaged by reason of the removal and relocation, and (iv) restoring the Land to the extent damaged as a result of the removal and relocation of the Personal Property and required of the Insured solely because of the Eviction.
- b. Rent or damages for use and occupancy of the Land prior to the Eviction that the Insured as owner of the Leasehold Estate may be obligated to pay to any person having paramount title to that of the lessor in the Lease.

- c. The amount of rent that, by the terms of the Lease, the Insured must continue to pay to the lessor after Eviction with respect to the portion of the Leasehold Estate and Tenant Leasehold Improvements from which the Insured has been Evicted.
 - d. The fair market value, at the time of the Eviction, of the estate or interest of the Insured in any lease or sublease permitted by the Lease and made by Insured as lessor of all or part of the Leasehold Estate or the Tenant Leasehold Improvements.
 - e. Damages caused by the Eviction that the Insured is obligated to pay to lessees or sublessees on account of the breach of any lease or sublease permitted by the Lease and made by the Insured as lessor of all or part of the Leasehold Estate or the Tenant Leasehold Improvements.
 - f. The reasonable cost to obtain land use, zoning, building and occupancy permits, architectural and engineering services and environmental testing and reviews for a replacement leasehold reasonably equivalent to the Leasehold Estate.
 - g. If Tenant Leasehold Improvements are not substantially completed at the time of Eviction, the actual cost incurred by the Insured, less the salvage value, for the Tenant Leasehold Improvements up to the time of Eviction. Those costs include costs incurred to obtain land use, zoning, building and occupancy permits, architectural and engineering services, construction management services, environmental testing and reviews, and landscaping.
4. This endorsement does not insure against loss, damage or costs of remediation (and the Company will not pay costs, attorneys' fees or expenses) resulting from environmental damage or contamination.

This endorsement is issued as part of the policy. Except as it expressly states, it does not (i) modify any of the terms and provisions of the policy, (ii) modify any prior endorsements, (iii) extend the Date of Policy, or (iv) increase the Amount of Insurance. To the extent a provision of the policy or a previous endorsement is inconsistent with an express provision of this endorsement, this endorsement controls. Mr. Thomas Burke
Deputy County Administrator
Pima County
130 West Congress, 10th Floor
Tucson, AZ 85701

Dear Mr. Burke:

Fitch Ratings has assigned one or more ratings and/or otherwise taken rating action(s), as detailed in the attached Notice of Rating Action.

In issuing and maintaining its ratings, Fitch relies on factual information it receives from issuers and underwriters and from other sources Fitch believes to be credible. Fitch conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security or in a given jurisdiction.

The manner of Fitch's factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in the jurisdiction in which the rated security is offered and sold and/or the issuer is located, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of Fitch's ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information Fitch relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to Fitch and to the market in offering documents and other reports. In issuing its ratings Fitch must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

Fitch seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that Fitch is continuously evaluating and updating. Therefore, ratings are the collective work product of Fitch and no individual, or group of individuals, is solely responsible for a rating. All Fitch reports have shared authorship. Individuals identified in a Fitch report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. Fitch is not your advisor, nor is Fitch providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services.

The assignment of a rating by Fitch does not constitute consent by Fitch to the use of its name as an expert in connection with any registration statement or other filings under US, UK or any other relevant securities laws. Fitch does not consent to the inclusion of its ratings in any offering document in any instance in which US, UK or any other relevant securities laws requires such consent. Fitch does not consent to the inclusion of any written letter communicating its rating action in any offering document. You understand that Fitch has not consented to, and will not consent to, being named as an "expert" in connection with any registration statement or other filings under US, UK or any other relevant securities laws, including but not limited to Section 7 of the U.S. Securities Act of 1933. Fitch is not an "underwriter" or "seller" as those terms are defined under applicable securities laws or other regulatory guidance, rules or recommendations, including without limitation Sections 11 and 12(a)(2) of the U.S. Securities Act of 1933, nor has Fitch performed the roles or tasks associated with an "underwriter" or "seller" under this engagement.

It is important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason Fitch deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between Fitch and you or between us and any user of the ratings.

In this letter, "Fitch" means Fitch Ratings, Inc. and any successor in interest.

We are pleased to have had the opportunity to be of service to you. If we can be of further assistance, please feel free to contact us at any time.

Standard & Poor's Ratings Services Terms and Conditions Applicable To Public Finance Credit Ratings

General. The credit ratings and other views of Standard & Poor's Ratings Services ("Ratings Services") are statements of opinion and not statements of fact. Credit ratings and other views of Ratings Services are not recommendations to purchase, hold, or sell any securities and do not comment on market price, marketability, investor preference or suitability of any security. While Ratings Services bases its credit ratings and other views on information provided by issuers and their agents and advisors, and other information from sources it believes to be reliable, Ratings Services does not perform an audit, and undertakes no duty of due diligence or independent verification, of any information it receives. Such information and Ratings Services' opinions should not be relied upon in making any investment decision. Ratings Services does not act as a "fiduciary" or an investment advisor. Ratings Services neither recommends nor will recommend how an issuer can or should achieve a particular credit rating outcome nor provides or will provide consulting, advisory, financial or structuring advice. Unless otherwise indicated, the term "issuer" means both the issuer and the obligor if the obligor is not the issuer.

All Credit Rating Actions in Ratings Services' Sole Discretion. Ratings Services may assign, raise, lower, suspend, place on CreditWatch, or withdraw a credit rating, and assign or revise an Outlook, at any time, in Ratings Services' sole discretion. Ratings Services may take any of the foregoing actions notwithstanding any request for a confidential or private credit rating or a withdrawal of a credit rating, or termination of a credit rating engagement. Ratings Services will not convert a public credit rating to a confidential or private credit rating, or a private credit rating to a confidential credit rating.

Publication. Ratings Services reserves the right to use, publish, disseminate, or license others to use, publish or disseminate a credit rating and any related analytical reports, including the rationale for the credit rating, unless the issuer specifically requests in connection with the initial credit rating that the credit rating be assigned and maintained on a confidential or private basis. If, however, a confidential or private credit rating or the existence of a confidential or private credit rating subsequently becomes public through disclosure other than by an act of Ratings Services or its affiliates, Ratings Services reserves the right to treat the credit rating as a public credit rating, including, without limitation, publishing the credit rating and any related analytical reports. Any analytical reports published by Ratings Services are not issued by or on behalf of the issuer or at the issuer's request. Ratings Services reserves the right to use, publish, disseminate or license others to use, publish or disseminate analytical reports with respect to public credit ratings that have been withdrawn, regardless of the reason for such withdrawal. Ratings Services may publish explanations of Ratings Services' credit ratings criteria from time to time and Ratings Services may modify or refine its credit ratings criteria at any time as Ratings Services deems appropriate.

Reliance on Information. Ratings Services relies on issuers and their agents and advisors for the accuracy and completeness of the information submitted in connection with credit ratings and the surveillance of credit ratings including, without limitation, information on material changes to information previously provided by issuers, their agents or advisors. Credit ratings, and the maintenance of credit ratings, may be affected by Ratings Services' opinion of the information received from issuers, their agents or advisors.

Confidential Information. Ratings Services has established policies and procedures to maintain the confidentiality of certain non-public information received from issuers, their agents or advisors. For these purposes, "Confidential Information" shall mean verbal or written information that the issuer or its agents or advisors have provided to Ratings Services and, in a specific and particularized manner, have marked or otherwise indicated in writing (either prior to or promptly following such disclosure) that such information is "Confidential."

Ratings Services Not an Expert, Underwriter or Seller under Securities Laws. Ratings Services has not consented to and will not consent to being named an "expert" or any similar designation under any applicable securities laws or other regulatory guidance, rules or recommendations, including without limitation, Section 7 of the U.S. Securities Act of 1933. Rating Services has not performed and will not perform the role or tasks associated with an "underwriter" or "seller" under the United States federal securities laws or other regulatory guidance, rules or recommendations in connection with a credit rating engagement.

Disclaimer of Liability. Ratings Services does not and cannot guarantee the accuracy, completeness, or timeliness of the information relied on in connection with a credit rating or the results obtained from the use of such information. RATINGS SERVICES GIVES NO EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE. Ratings Services, its affiliates or third party providers, or any of their officers, directors, shareholders, employees or agents shall not be liable to any person for any inaccuracies, errors, or omissions, in each case regardless of cause, actions, damages (consequential, special, indirect, incidental, punitive, compensatory, exemplary or otherwise), claims, liabilities, costs, expenses, legal fees or losses (including, without limitation, lost income or lost profits and opportunity costs) in any way arising out of or relating to a credit rating or the related analytic services even if advised of the possibility of such damages or other amounts.

No Third Party Beneficiaries. Nothing in any credit rating engagement, or a credit rating when issued, is intended or should be construed as creating any rights on behalf of any third parties, including, without limitation, any recipient of a credit rating. No person is intended as a third party beneficiary of any credit rating engagement or of a credit rating when issued.

RATINGS: See "Ratings" herein

In the opinion of Squire Patton Boggs (US) LLP, Special Counsel, under existing law (i) assuming continuing compliance with certain covenants and the accuracy of certain representations, the portion of the Lease Payments paid and denominated as interest under the Lease Agreement (the "Interest Portion") and received by the owners of the 2016A Certificates is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, (ii) the Interest Portion received by the owners of the 2016A Certificates is not included in taxable income of individuals or corporations for Arizona income tax purposes so long as that interest is excluded from gross income for federal income tax purposes, and (iii) the Interest Portion received by the owners of the Taxable 2016B Certificates is not excluded from gross income for federal income tax purposes and is NOT exempt from Arizona State income taxes. Special Counsel expresses no opinion as to the treatment for federal income tax purposes or Arizona state income tax purposes of amounts paid to the owners of the 2016 Certificates in the event of termination of the Lease Agreement by nonappropriation. The Interest Portion received by owners of the 2016A Certificates may be subject to certain federal taxes imposed only on certain corporations, including the corporate alternative minimum tax on a portion of the Interest Portion. For a more complete discussion of tax aspects, see "TAX MATTERS" herein.

Dated: Date of Initial Delivery

Due: December 1, as shown on inside front cover page

The securities being offered hereby consist of Certificates of Participation, Series 2016A (the "2016A Certificates") and Certificates of Participation, Series 2016B (the "Taxable 2016B Certificates" and together with the 2016A Certificates, the "2016 Certificates") in a Lease-Purchase Agreement, dated as of June 1, 2008, as amended, including by a Sixth Amendment to Lease-Purchase Agreement to be dated as of April 1, 2016 (the original as so amended and as subsequently amended, the "Lease"), between U.S. Bank National Association, as trustee under the below-described Trust Agreement, as lessor (the "Trustee"), and Pima County, Arizona, as lessee (the "County"). The property being leased by the Trustee to the County consists of certain interests in the major portion of the public works building of the County, the legal services building of the County, a parking garage of the County, the public service office tower and parking garage of the County, and certain adult detention (jail) facilities of the County (collectively, the "Leased Property"). See "PLAN OF FINANCE - The Leased Property" herein. The 2016 Certificates are being executed and delivered under a Trust Agreement, dated as of June 1, 2008, as supplemented, including by a Sixth Supplement to Trust Agreement to be dated as of April 1, 2016 (the original as so supplemented and as subsequently supplemented, the "Trust Agreement"), between the Trustee and the County. Initially, the 2016 Certificates will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the 2016 Certificates. Purchases of beneficial interests in the 2016 Certificates will be made in book-entry-only form in amounts of \$5,000 of principal maturing on a specified date or any integral multiple thereof. Purchasers will not receive certificates representing the ownership interest in the 2016 Certificates purchased by them. See Appendix G - "BOOK-ENTRY-ONLY SYSTEM."

Interest represented by the 2016 Certificates will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their dated date and will be payable semiannually on June 1 and December 1 of each year, commencing December 1, 2016, until maturity or prior redemption, and principal with respect to the 2016 Certificates will be payable annually in accordance with the schedule set forth on the inside front cover page. So long as the 2016 Certificates are registered in the name of DTC, or its nominee, payments of the principal and interest with respect to the 2016 Certificates will be made directly by the Trustee to DTC which, in turn, is obligated to remit such payments to its participants for subsequent distribution to beneficial owners of the 2016 Certificates, as described herein.

The 2016 Certificates will be subject to redemption prior to maturity as more fully described herein. See "THE 2016 CERTIFICATES - Redemption Provisions" herein.

The 2016 Certificates are being executed and delivered to (i) refinance the acquisition by the Trustee of the Leased Property from the County, (ii) refund the Certificates to be Refunded (as described under "PLAN OF FINANCE"), previously executed and delivered pursuant to a Trust Agreement, dated as of May 1, 2007 (the "2007 Trust Agreement") between the County and U.S. Bank National Association, as Trustee thereunder (in such capacity, the "2007 Trustee"), and (iii) pay costs associated with the execution and delivery of the 2016 Certificates. See "PLAN OF FINANCE" herein.

MATURITY SCHEDULE AND ADDITIONAL INFORMATION ON INSIDE FRONT COVER PAGE

The 2016 Certificates, together with \$42,025,000 outstanding principal amount of Certificates of Participation, Series 2015, \$47,820,000 outstanding principal amount of Certificates of Participation, Series 2014, \$22,840,000 outstanding principal amount of Certificates of Participation, Series 2013, \$9,830,000 outstanding principal amount of Certificates of Participation, Series 2010, and any Additional Certificates (defined herein) executed and delivered pursuant to the Trust Agreement (collectively, the "Certificates"), will evidence and represent undivided and proportionate interests of the registered Owners thereof in semiannual lease payments (the "Lease Payments") to be made by the County pursuant to the Lease. **The obligations of the County under the Lease will be payable exclusively from annually appropriated funds and will not be a general obligation or indebtedness of the County for any purpose. The obligation of the County to make payments under the Lease will be subject to termination as of the last day of each fiscal year, at the option of the County. If so terminated and not reinstated as provided in the Lease, the County shall thereafter be relieved of any subsequent obligation under the Lease other than to surrender possession of the Leased Property to the Trustee. Upon such termination, there will be no assurance of payment of the principal or interest represented by the Certificates, including the 2016 Certificates, from funds available under the Trust Agreement as a result of the Trustee's re-leasing of the Leased Property or selling the Sellable Leased Property (defined herein).** See "SOURCES OF PAYMENT OF THE CERTIFICATES" and "SECURITY FOR THE CERTIFICATES" herein.

The Certificates will be payable solely from the Lease Payments to be made by the County from the sources identified above and from funds available under the Trust Agreement. The obligation of the County to make the Lease Payments will not be secured by a pledge of any funds, will not constitute an obligation of the County for which the County is obligated to levy or pledge any form of taxation nor constitute a general obligation of the County nor an indebtedness of the County, the State of Arizona or any of its political subdivisions within the meaning of any constitutional or statutory debt limitations.

This cover page contains information for quick reference only. It is not a summary of this issue. Investors must read the entire Official Statement to obtain information essential to the making of an informed investment decision.
