Investment agreements with a domestic or foreign bank or corporation (other than a life or property casualty insurance company) the long-term debt of which, or, in the case of a guaranteed corporation the long-term debt, or, in the case of a monoline financial guaranty insurance company, claims paying ability, of the guarantor is rated at least “AA” by S&P and “Aa2” by Moody’s; provided that, by the terms of the investment agreement:

A. interest payments are to be made to the Trustee at times and in amounts as necessary to pay debt service (or, if the investment agreement is for the construction fund, construction draws) on the Series 2012A Obligations;

B. the invested funds are available for withdrawal without penalty or premium, at any time upon not more than seven days’ prior notice; the Trustee thereby agrees to give or cause to be given notice in accordance with the terms of the investment agreement so as to receive funds thereunder with no penalty or premium paid;

C. the investment agreement shall state that it is the unconditional and general obligation of, and is not subordinated to any other obligation of, the provider thereof or, if the provider is a bank, the agreement or the opinion of counsel shall state that the obligation of the provider to make payments thereunder ranks pari passu with the obligations of the provider to its other depositors and its other unsecured and unsubordinated creditors;

D. the Trustee receives the opinion of domestic counsel (which opinion shall be addressed to the Trustee) that such investment agreement is legal, valid, binding and enforceable upon the provider in accordance with its terms and of foreign counsel (if applicable);

E. the investment agreement shall provide that if during its term:

(i) the provider’s rating by either S&P or Moody’s falls below “AA-” or “Aa3”, respectively, the provider shall, at its option, within ten days of receipt of publication of such downgrade, either (a) collateralize the investment agreement by delivering or transferring in accordance with applicable state and federal laws
(other than by means of entries on the provider’s books) to the Trustee or a third party acting solely as agent therefor (the “Holder of the Collateral”) collateral free and clear of any third-party liens or claims the market value of which collateral is maintained at levels and upon such conditions as would be acceptable to S&P and Moody’s to maintain an “A” rating in an “A” rated structured financing (with a market value approach); or (b) repay the principal of and accrued but unpaid interest on the investment; and

(ii) the provider’s rating by either S&P or Moody’s is withdrawn or suspended or falls below “A-” or “A3”, respectively, the provider must, at the direction of the Trustee, within ten days of receipt of such direction, repay the principal of and accrued but unpaid interest on the investment, in either case with no penalty or premium to the Trustee, and

F. the investment agreement shall state and an opinion of counsel shall be rendered, in the event collateral is required to be pledged by the provider under the terms of the investment agreement, at the time such collateral is delivered, that the Holder of the Collateral has a perfected first priority security interest in the collateral, any substituted collateral and all proceeds thereof (in the case of bearer securities, this means the Holder of the Collateral is in possession);

G. the investment agreement must provide that if during its term:

(i) the provider shall default in its payment obligations, the provider’s obligations under the investment agreement shall, at the direction of the Trustee, be accelerated and amounts invested and accrued but unpaid with interest thereon shall be repaid to the Trustee, and

(ii) the provider shall become insolvent, not pay its debts as they become due, be declared or petition to be declared bankrupt, etc. (“event of insolvency”), the provider’s obligations shall automatically be accelerated and amounts invested and accrued but unpaid with interest thereon shall be repaid to the Trustee, as appropriate.

12. Interests in the Local Government Investment Pool established pursuant to Arizona Revised Statutes Section 35-326.

“Person” includes an individual, an unincorporated association, a corporation, a partnership, a government agency or a political subdivision.

“Principal Account” means the account of the Obligation Fund of that name created pursuant to Section 5.1.
“Principal Installment” means, for any particular date, the aggregate of the principal amount of Series 2012A Obligations that is due on such date.

“Qualified Reserve Fund Instrument” means a letter or line of credit, insurance policy or surety bond that meets the requirements set forth below:

(i) A surety bond or insurance policy issued to the Trustee by a company licensed to issue an insurance policy guaranteeing the timely payment of debt service on the Series 2012A Obligations (a “municipal bond insurer”) may be deposited in the Debt Service Reserve Account to meet the amount that should have then been on deposit in the Debt Service Reserve Account pursuant to the requirements of the Purchase Agreement if the claims paying ability of the issuer thereof shall be rated “AA” or “Aa2” by S&P or Moody’s, respectively.

(ii) A surety bond or insurance policy issued to the Trustee, as agent of the Holders of the Series 2012A Obligations, by an entity other than a municipal bond insurer may be deposited in the Debt Service Reserve Account to meet the amount that should have then been on deposit in the Debt Service Reserve Account pursuant to the requirements of the Purchase Agreement if the form and substance of such instrument and the issuer thereof shall be approved by the providers of any Qualified Reserve Fund Instruments then in effect if the applicable Qualified Reserve Fund Instrument is then in good standing and the applicable provider thereof is not in default thereunder.

(iii) An unconditional irrevocable letter of credit issued to the Trustee, as agent of the Holders of the Series 2012A Obligations, by a bank may be deposited in the Debt Service Reserve Account to meet the amount that should have then been on deposit in the Debt Service Reserve Account pursuant to the requirements of the Purchase Agreement if the issuer thereof is rated at least “AA” by S&P. The letter of credit shall be payable in one or more draws upon presentation by the beneficiary of a sight draft accompanied by its certificate that it then holds insufficient funds to make a required payment of principal or interest on the Series 2012A Obligations. The draws shall be payable within two days of presentation of the sight draft. The letter of credit shall be for a term of not less than three years. The issuer of the letter of credit shall be required to notify the County and the Trustee, not later than 24 months prior to the stated expiration date of the letter of credit, as to whether such expiration date shall be extended, and if so, shall indicate the new expiration date.

If such notice indicates that the expiration date shall not be extended, the County shall deposit in the Debt Service Reserve Account an amount sufficient to cause the cash or permitted investments on deposit in the Debt Service Reserve Account together with any other qualifying Qualified Reserve Fund Instruments, to equal the amount that should have then been on deposit in the Debt Service Reserve Account pursuant to the requirements of the Purchase Agreement, such deposit to be paid in equal installments on at least a semiannual basis over the ensuing three years, unless the Qualified Reserve Fund Instrument is replaced by a Qualified Reserve Fund Instrument meeting the requirements in any of (i)-(iii) above. The letter of credit shall permit a draw in full not less than 14 days prior to the expiration or termination of such letter of credit if the letter
of credit has not been replaced or renewed. The Trustee is authorized by this Indenture and directed to draw upon the letter of credit prior to its expiration or termination unless an acceptable replacement is in place or the Debt Service Reserve Account is fully funded in its required amount.

The deposit of any Qualified Reserve Fund Instrument pursuant to this paragraph (iii) shall be subject to receipt of an opinion of counsel acceptable to the providers of any Qualified Reserve Fund Instruments then in effect if the applicable Qualified Reserve Fund Instrument is in good standing and the applicable provider thereof is not in default thereunder and in form and substance satisfactory to the providers of any Qualified Reserve Fund Instruments then in effect if the applicable Qualified Reserve Fund Instrument is in good standing and the applicable provider thereof is not in default thereunder as to the due authorization, execution, delivery and enforceability of such instrument in accordance with its terms, subject to applicable laws affecting creditors’ rights generally, and, in the event the issuer of such credit instrument is not a domestic entity, an opinion of foreign counsel in form and substance satisfactory to the providers of any Qualified Reserve Fund Instruments then in effect if the applicable Qualified Reserve Fund Instrument is in good standing and the applicable provider thereof is not in default thereunder. In addition, the use of an irrevocable letter of credit shall be subject to receipt of an opinion of counsel acceptable to the providers of any Qualified Reserve Fund Instruments then in effect if the applicable Qualified Reserve Fund Instrument is in good standing and the applicable provider thereof is not in default thereunder and in form and substance satisfactory to the providers of any Qualified Reserve Fund Instruments then in effect if the applicable Qualified Reserve Fund Instrument is in good standing and the applicable provider thereof is not in default thereunder and in form and substance satisfactory to the providers of any Qualified Reserve Fund Instruments then in effect if the applicable Qualified Reserve Fund Instrument is in good standing and the applicable provider thereof is not in default thereunder and in form and substance satisfactory to the providers of any Qualified Reserve Fund Instruments then in effect if the applicable Qualified Reserve Fund Instrument is in good standing and the applicable provider thereof is not in default thereunder as to the due authorization, execution, delivery and enforceability of such instrument in accordance with its terms, subject to applicable laws affecting creditors’ rights generally, and, in the event the issuer of such credit instrument is not a domestic entity, an opinion of foreign counsel in form and substance satisfactory to the providers of any Qualified Reserve Fund Instruments then in effect if the applicable Qualified Reserve Fund Instrument is in good standing and the applicable provider thereof is not in default thereunder.

The obligation to reimburse the issuer of a Qualified Reserve Fund Instrument for any fees, expenses, claims or draws upon such Qualified Reserve Fund Instrument shall be subordinate to the payment of debt service on the Series 2012A Obligations. The right of the issuer of a Qualified Reserve Fund Instrument to payment or reimbursement of its fees and expenses shall be subordinated to cash replenishment of the Debt Service Reserve Account, and subject to the second succeeding sentence, its right to reimbursement for claims or draws shall be on a parity with the cash replenishment of the Debt Service Reserve Account. The Qualified Reserve Fund Instrument shall provide for a revolving feature under which the amount available thereunder will be reinstated to the extent of any reimbursement of draws or claims paid. If the revolving feature is suspended or terminated for any reason, the right of the issuer of the Qualified Reserve Fund Instrument to reimbursement will be further subordinated to cash replenishment of the Debt Service Reserve Account to an amount equal to the difference between the full original amount available under the Qualified Reserve Fund Instrument and the amount then available for further draws or claims. If (A) the issuer of a Qualified Reserve Fund Instrument
Instrument becomes insolvent or (B) the issuer of a Qualified Reserve Fund Instrument defaults in its payment obligations thereunder or (C) the claims-paying ability of the issuer of the insurance policy or surety bond falls below a S&P “AA” or a Moody’s “Aa2” or (D) the rating of the issuer of the letter of credit falls below a S&P “AA,” the obligation to reimburse the issuer of the Qualified Reserve Fund Instrument shall be subordinate to the cash replenishment of the Debt Service Reserve Account.

(iv) If (A) the revolving reinstatement feature described in the preceding paragraph is suspended or terminated or (B) the rating of the claims paying ability of the issuer of the surety bond or insurance policy falls below a S&P “AA” or a Moody’s “Aa2” or (C) the rating of the issuer of the letter of credit falls below a S&P “AA”, the County shall either (1) deposit into the Debt Service Reserve Account an amount sufficient to cause the cash or permitted investments on deposit in the Debt Service Reserve Account to equal the amount that should have then been on deposit in the Debt Service Reserve Account pursuant to the requirements of the Purchase Agreement, such amount to be paid over the ensuing three years in equal installments deposited at least semiannually or (2) replace such instrument with a surety bond, insurance policy or letter of credit meeting the requirements in any of (i)-(iii) above within six months of such occurrence. In the event (a) the rating of the claims-paying ability of the issuer of the surety bond or insurance policy falls below “A” or (b) the rating of the issuer of the letter of credit falls below “A” or (c) the issuer of the Qualified Reserve Fund Instrument defaults in its payment obligations or (d) the issuer of the Qualified Reserve Fund Instrument becomes insolvent, the County shall either (i) deposit into the Debt Service Reserve Account an amount sufficient to cause the cash or permitted investments on deposit in the Debt Service Reserve Account to equal the amount that should have then been on deposit in the Debt Service Reserve Account pursuant to the requirements of the Purchase Agreement, such amount to be paid over three years in equal installments on at least a semiannual basis or (ii) replace such instrument with a surety bond, insurance policy or letter of credit meeting the requirements above, as applicable, within six months of such occurrence.

(v) Where applicable, the amount available for draws or claims under the Qualified Reserve Fund Instrument may be reduced by the amount of cash or permitted investments deposited in the Debt Service Reserve Account pursuant to clause (d)(i) of the preceding subparagraph (iv).

(vi) Any amounts owed by the County to the issuer of such credit instrument as a result of a draw thereon or a claim thereunder, as appropriate, shall be included in any calculation of debt service requirements required to be made pursuant to the Purchase Agreement for any purpose, e.g., Sections 4.2 and 4.4 of the Purchase Agreement.

(vii) The Trustee shall ascertain the necessity for a claim or draw upon the Qualified Reserve Fund Instrument and provide notice to the issuer of the Qualified Reserve Fund Instrument in accordance with its terms not later than three days (or such longer period as may be necessary depending on the permitted time period for honoring a
draw under the Qualified Reserve Fund Instrument) prior to each Obligation Payment Date.

(viii) Cash on deposit in the Debt Service Reserve Account shall be used (or investments purchased with such cash shall be liquidated and the proceeds applied as required) prior to any drawing on any Qualified Reserve Fund Instrument. If and to the extent that more than one Qualified Reserve Fund Instrument is deposited in the Debt Service Reserve Account, drawings thereunder and repayments of costs associated therewith shall be made on a pro rata basis, calculated by reference to the maximum amounts available thereunder.

(ix) A Qualified Reserve Fund Instrument may not be provided to replace existing cash or Permitted Investments unless the County obtains a Special Counsel’s Opinion to the effect that such action will not cause the interest on any Series 2012A Obligations to become includible in gross income for purposes of federal income taxes.

"Rating Agency" shall mean Fitch, Moody’s or S&P, or any of them or their replacements as provided in the definition of each.

"Record Date" means (i) with respect to any Obligation Payment Date occurring on the first calendar day of any month, the 15th day of the calendar month next preceding that Obligation Payment Date (regardless of whether such 15th day is a Business Day) or (ii) such other date as may be designated pursuant to Section 2.2(c).

"Reserve Requirement" means $6,187,875.00.

"S&P" means Standard & Poor’s Financial Services LLC, its successors and assigns, and, if such limited liability company shall be dissolved or liquidated or shall no longer perform the functions of a securities rating agency for the type of credit in question, "S&P" shall be deemed to refer to any other nationally recognized securities rating agency designated by the County by written notice to the Trustee.

"Securities Depository" has the meaning provided in Section 2.9.

"Special Counsel" means an attorney or firm of attorneys of nationally recognized standing in the field of law relating to municipal bonds selected by the County.

"Special Counsel’s Opinion" means an opinion signed by Special Counsel.

"State" means the State of Arizona.

Section 1.2 Interpretation.

(a) Any reference in this Indenture to the Board or any officer of the County shall include those succeeding to their functions, duties or responsibilities pursuant to or by operation of law or who are lawfully performing their functions.
(b) Unless the context otherwise indicates, words importing the singular shall include the plural and vice versa and the use of the neuter, masculine or feminine gender is for convenience only and shall be deemed to mean and include the neuter, masculine or feminine gender.

(c) Headings of articles and sections in this Indenture and the table of contents of this Indenture are solely for convenience of reference, do not constitute a part of this Indenture and shall not affect the meaning, construction or effect hereof. References to “Articles” and “Sections” are to those in this Indenture, unless otherwise specified.

Section 1.3 All Series 2012A Obligations Equally and Ratably Secured; Series 2012A Obligations Not General Obligations of the County. All of the Series 2012A Obligations executed and delivered under this Indenture and at any time Outstanding shall in all respects be equally and ratably secured by this Indenture, without preference, priority, or distinction on account of the date or dates or the actual time or times of the execution and delivery or maturity of the Series 2012A Obligations, so that all Series 2012A Obligations at any time Outstanding under this Indenture shall have the same right, lien and preference under this Indenture. The Series 2012A Obligations shall be payable solely out of the revenues and other security pledged by this Indenture and shall not constitute an indebtedness or general obligation of the County within the meaning of any State constitutional provision or statutory limitation and shall never constitute or give rise to a pecuniary liability of the County or be a charge against its general credit or a charge against the general credit or the taxing powers of the State or any political subdivision thereof.

ARTICLE 2
AUTHORIZATION AND TERMS OF SERIES 2012A OBLIGATIONS

Section 2.1 Authorization of Series 2012A Obligations. The Trustee is authorized and directed by this Indenture, upon receipt of a request in writing from the County Representative, to prepare, execute and deliver $128,795,000 aggregate original principal amount of Series 2012A Obligations to, or upon the direction of, RBC Capital Markets, LLC, as the underwriter of the Series 2012A Obligations. In no event shall the Series 2012A Obligations be deemed a debt or liability of the Trustee.

Section 2.2 Form, Date and Payment Terms of Series 2012A Obligations.

(a) The Series 2012A Obligations shall be dated the date of their initial execution and delivery, be executed and delivered in denominations of $5,000 of principal each or any integral multiple thereof, and bear interest from the most recent Obligation Payment Date to which interest has been paid or for which due provision has been made or, if no interest has been paid, from the date of their initial execution and delivery. Said interest shall represent the portion of each installment of the Purchase Price designated as interest and coming due during the six-month period preceding each Obligation Payment Date paid pursuant to Section 5.4(i); provided that the first installment shall be for interest from the date of initial execution and delivery of the Series 2012A Obligations to, but not including, July 1, 2013. The proportionate share of the portion of each installment of the Purchase Price designated as interest with respect
to any Series 2012A Obligation shall be computed by multiplying the portion of each installment of the Purchase Price designated as principal with respect to such Series 2012A Obligation by the rate of interest applicable to such Series 2012A Obligation (on the basis of a 360-day year of twelve 30-day months).

The Series 2012A Obligations shall mature on July 1 in the years and amounts and bear interest at rates per annum (calculated on the basis of a 360-day year) as follows:

(b) The Series 2012A Obligations shall be executed and delivered only in fully registered form and shall be numbered or otherwise designated in a manner specified by the Trustee so as to distinguish each Series 2012A Obligation from every other Series 2012A Obligation.

(c) Interest on each Series 2012A Obligation shall be payable when due to the Holder in whose name such Series 2012A Obligation is registered at the close of business on the Record Date with respect to each Obligation Payment Date, irrespective of any transfer or exchange of such Series 2012A Obligation subsequent to such Record Date and prior to such Obligation Payment Date, unless there is a default in the payment of interest due on such Obligation Payment Date. In the event of any such default, such defaulted interest shall be payable to the Holder in whose name such Series 2012A Obligation is registered at the close of business on a special Record Date for the payment of such defaulted interest established by notice mailed by the Trustee to the Holders of the Series 2012A Obligations not less than 15 days preceding such special Record Date. Such notice shall be mailed to the Holders in whose name the Series 2012A Obligations are registered at the close of business on the fifth day preceding the date of mailing. If the Trustee registers the transfer of any Series 2012A Obligation subsequent to the mailing of such notice and on or before the special Record Date, any such notice of payment of defaulted interest shall be binding upon the transferee and a copy of the notice of payment of defaulted interest shall be delivered by the Trustee to the transferee(s) along with the Series 2012A Obligation(s).

(d) Principal of and redemption premium, if any, and interest on each Series 2012A Obligation shall be payable when due in any coin or currency of the United States of
America that is legal tender for the payment of public and private debts. Principal and redemption premium, if any, on each Series 2012A Obligation shall be payable at the designated corporate trust office of the Trustee upon surrender of the Series 2012A Obligation on or after the maturity date. Payment of interest on the Series 2012A Obligations shall be made by check or draft mailed to the registered address of the Person entitled thereto; except that, upon the written direction of any Holder of not less than $1,000,000 in aggregate principal amount of Series 2012A Obligations (which direction shall remain effective for so long as such Holder owns not less than $1,000,000 in Series 2012A Obligations or until such Holder countermands such written direction in writing), the payment of interest on the Series 2012A Obligations owned by such Holder may be made by wire transfer of immediately available funds to an account located in a bank within the United States pursuant to wire transfer directions issued by such Holder.

(e) Any payment due on any Series 2012A Obligation that is not paid when due shall bear interest at a rate equal to the rate of interest borne on such Series 2012A Obligation, from the date such payment is due until the payment is made. Such interest shall be calculated based upon an assumption of a 360-day year of twelve 30-day months, with such interest compounded semiannually.

Section 2.3 Mutilated, Destroyed, Lost and Stolen Series 2012A Obligations. If (a) any mutilated Series 2012A Obligation is surrendered to the Trustee, or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Series 2012A Obligation, and (b) there is delivered to the Trustee such security or indemnity as the Trustee may require to hold the Trustee harmless, then, in the absence of notice to the Trustee that such Series 2012A Obligation has been acquired by a bona fide purchaser and upon the Holder paying the reasonable expenses of the Trustee and of any security or indemnity obligation required by the Trustee, the Trustee shall execute and deliver, in exchange for such mutilated Series 2012A Obligation or in lieu of such destroyed, lost or stolen Series 2012A Obligation, a new Series 2012A Obligation of like principal amount, date and tenor. If any such mutilated, destroyed, lost or stolen Series 2012A Obligation has become, or will on or before the next Obligation Payment Date become, due and payable, the Trustee may, in its discretion, pay such Series 2012A Obligation when due instead of delivering a new Series 2012A Obligation.

Section 2.4 Execution of Series 2012A Obligations. All Series 2012A Obligations shall be executed by and in the name of the Trustee by manual signature of an individual who, as of the actual date of execution, is an authorized representative of the Trustee. If any authorized representative of the Trustee whose signature appears on any Series 2012A Obligation ceases to be an authorized representative of the Trustee before the date of initial execution and delivery of the Series 2012A Obligations, or was not an authorized representative on the nominal date of the Series 2012A Obligations, such signature shall nevertheless be effective.

Section 2.5 Registration, Transfer and Exchange of Series 2012A Obligations.

(a) All Series 2012A Obligations executed and delivered under this Indenture shall be negotiable, subject to the provisions for registration and transfer thereof contained in this Indenture or in the Series 2012A Obligations.
(b) So long as any Series 2012A Obligations are Outstanding, the Trustee shall maintain at its offices books for the registration and transfer of Series 2012A Obligations and shall provide for the registration and transfer of any Series 2012A Obligation under such reasonable regulations as the Trustee may prescribe. The Trustee shall act as registrar for purposes of exchanging and registering Series 2012A Obligations in accordance with the provisions of this Indenture.

(c) Each Series 2012A Obligation shall be transferable only upon the registration books maintained by the Trustee, by the Holder thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered Holder or his duly authorized attorney. Upon surrender for transfer of any Series 2012A Obligation, the Trustee shall authenticate and deliver, in the name of the transferee, one or more new Series 2012A Obligations, of the same aggregate principal amount and maturity as the surrendered Series 2012A Obligation.

(d) Any Series 2012A Obligation, upon surrender thereof to the Trustee together with written instructions satisfactory to the Trustee, duly executed by the registered Holder or his attorney duly authorized in writing, may, at the option of the registered Holder thereof, be exchanged for Series 2012A Obligations of any other authorized denominations, with an equal aggregate principal amount and the same maturity.

(e) All Series 2012A Obligations surrendered in any exchange or transfer of Series 2012A Obligations shall forthwith be cancelled by the Trustee.

(f) In connection with any such exchange or transfer of Series 2012A Obligations the Holder requesting such exchange or transfer shall as a condition precedent to the exercise of the privilege of making such exchange or transfer remit to the Trustee an amount sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer.

Section 2.6 Persons Deemed Owners. The Person in whose name any Series 2012A Obligation shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal of and interest or any applicable premium on any Series 2012A Obligation shall be made only to or upon the written order of the registered Holder thereof (subject to provisions in this Indenture regarding the Record Date). Such payment shall be valid and effectual to satisfy and discharge the liability upon such Series 2012A Obligation to the extent of the amount so paid.

Section 2.7 Non-Presentment of Series 2012A Obligations. In the event any Series 2012A Obligation shall not be presented for payment when the principal thereof and premium, if any, becomes due, either at maturity or otherwise, if moneys sufficient to pay the principal of, premium, if any, and interest on, such Series 2012A Obligation shall have been deposited under this Indenture for such payment, all liability to the Holder thereof for the payment of such Series 2012A Obligation shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such moneys as provided in this Indenture, including specifically Section 10.3, without liability for interest thereon, for the benefit of the Holder of such Series 2012A Obligation, who shall thereafter be restricted exclusively to such moneys, for
any claim of whatever nature on his part under this Indenture or on, or with respect to, said Series 2012A Obligation.

Section 2.8 Destruction of Series 2012A Obligations. Upon payment of or surrender to the Trustee for cancellation of any Series 2012A Obligation, the Trustee shall destroy such Series 2012A Obligation.

Section 2.9 Book-Entry. The Trustee or the County may from time to time enter into, and discontinue, an agreement with a “clearing agency” registered under Section 17A of the Securities Exchange Act of 1934, as amended (the “Securities Depository”), which is the owner of the Series 2012A Obligations, to establish procedures with respect to the Series 2012A Obligations not inconsistent with the provisions of this Indenture; except that, notwithstanding any other provisions of this Indenture, any such agreement may contain provisions for notice to the Securities Depository different than those set forth in this Indenture provided that a legend to that effect appears on each Series 2012A Obligation so long as the Series 2012A Obligations are subject to such agreement. With respect to Series 2012A Obligations registered in the name of a Securities Depository (or its nominee), the Trustee shall not have any obligation to any of its members or participants or to any person on behalf of whom the Securities Depository holds an interest in the Series 2012A Obligations. The Trustee and the County acknowledge that the County has entered into an agreement with DTC and that while such agreement is in effect the procedures established in that agreement will apply to the Series 2012A Obligations notwithstanding any other provisions of this Indenture to the contrary. As long as DTC is the Securities Depository with respect to the Series 2012A Obligations, the Trustee shall be a “DTC Direct Participant.”

ARTICLE 3
REDEMPTION OF SERIES 2012A OBLIGATIONS

Section 3.1 Right to Redeem. The Series 2012A Obligations shall be subject to redemption prior to maturity, in any order of maturity, as directed by the County, at such times, to the extent and in the manner provided in this Indenture.

Section 3.2 Redemption of Series 2012A Obligations. The Series 2012A Obligations maturing on or prior to July 1, 2022, are not subject to optional redemption prior to maturity. The Series 2012A Obligations maturing on and after July 1, 2023, are subject to redemption, in whole or in part on any date on or after July 1, 2022, in increments of $5,000 of principal amount due on a specific maturity date, in any order of maturity, all as directed by the County, and by lot within a maturity (as provided in Section 3.3 below) by payment of the principal amount of each Series 2012A Obligation to be redeemed plus interest accrued to the date fixed for redemption, without premium.

Section 3.3 Selection of Series 2012A Obligations to be Redeemed. If less than all of the Series 2012A Obligations of the same maturity are to be redeemed upon any redemption of Series 2012A Obligations under this Indenture, the Trustee shall select the Series 2012A Obligations to be redeemed, from among those of the applicable maturity, by lot or in such other manner as the Trustee shall deem fair. In making such selection, the Trustee shall treat each
Series 2012A Obligation as representing that number of Series 2012A Obligations as is obtained by dividing the original principal amount of each such Series 2012A Obligation by the lowest authorized denomination of Series 2012A Obligations.

Section 3.4 Partial Redemption of Series 2012A Obligations. Upon the selection and notice of redemption and the surrender of any Series 2012A Obligation for redemption in part only, the Trustee shall execute and deliver to or upon the written order of the Holder thereof, at the expense of the County, a new Series 2012A Obligation(s) of authorized denominations in an aggregate principal amount equal to the unredeemed portion of the Series 2012A Obligation surrendered.

Section 3.5 Effect of Call for Redemption. On the date designated for redemption by notice given as provided in this Indenture, the Series 2012A Obligations called for redemption shall become and be due and payable at the redemption price of such Series 2012A Obligations on such date. If on the date fixed for redemption moneys or Defeasance Obligations sufficient for payment of the redemption price and accrued interest on such date are held by the Trustee as provided in this Indenture, interest on the Series 2012A Obligations called for redemption shall cease to accrue, such Series 2012A Obligations shall cease to be entitled to any benefit or security under this Indenture except the right to receive payment from the moneys or Defeasance Obligations held by the Trustee and the amount of such Series 2012A Obligations called for redemption shall be deemed paid and no longer Outstanding.

Section 3.6 Notice of Redemption.

(a) Whenever redemption of Series 2012A Obligations is to be made, the Trustee shall give notice of the redemption of such Series 2012A Obligations, which notice shall specify the redemption date, the redemption price and the place or places where amounts due upon such redemption will be payable and, if less than all of the Series 2012A Obligations are to be redeemed, the numbers or other distinguishing marks of such Series 2012A Obligations so to be redeemed, including CUSIP numbers, and, in the case of Series 2012A Obligations to be redeemed in part only, such notice shall also specify the respective portions of the principal amounts thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable upon each Series 2012A Obligation to be redeemed the redemption price thereof, as appropriate, of such Series 2012A Obligation or the specified portion thereof in the case of a Series 2012A Obligation to be redeemed in part only, together with interest accrued to the redemption date on such Series 2012A Obligations or portion thereof so to be redeemed and that, from and after such date, the Series 2012A Obligations being redeemed will cease to accrue interest. Notwithstanding the foregoing, no notice of redemption shall be sent unless (i) the Trustee has on deposit sufficient funds to effect such redemption or (ii) the redemption notice states that redemption is contingent upon receipt of such funds prior to the redemption date. Such redemption notices may state that no representation is made as to the correctness or accuracy of the CUSIP numbers printed therein or on the Series 2012A Obligations.

(b) Such notice shall be given by mailing a copy of such notice, first class United States mail postage prepaid, not less than 30 days nor more than 60 days before the redemption date, to (i) all Holders of any Series 2012A Obligations or portions of Series 2012A Obligations that are to be redeemed at their last addresses appearing upon the registry books and
(ii) to the Treasurer of the County. Such notice shall be mailed a second time to any Holder of Series 2012A Obligations that have been called for redemption if such Holder has not presented such Series 2012A Obligations for payment of the redemption price within 60 days after the redemption date. Failure so to mail any such notice, or a defect in such notice, as to any Series 2012A Obligation shall not affect the validity of the proceedings for the redemption of any other Series 2012A Obligation, and failure to mail a second notice shall not affect the validity of the proceedings for the redemption of any Series 2012A Obligation.

ARTICLE 4
FORM OF SERIES 2012A OBLIGATIONS

The Series 2012A Obligations shall be substantially in the form set forth in Exhibit A to this Indenture with such omissions, insertions and variations as are consistent with the provisions of this Indenture.

ARTICLE 5
REVENUES AND FUNDS

Section 5.1 Creation of Funds and Accounts. The Trustee shall create (a) the Obligation Fund, which shall contain the following accounts: (i) the Interest Account, (ii) the Principal Account, and (iii) the Debt Service Reserve Account, and (b) the Delivery Costs Fund. Such funds and accounts shall be held in trust for the benefit of the Holders, as their interests may appear.

Section 5.2 Application of Series 2012A Obligation Proceeds. The Trustee shall receive (i) $150,371,118.05, being the proceeds of the sale of the Series 2012A Obligations (including original issue premium), net of underwriter’s compensation, and (ii) $6,187,875.00, being other legally available moneys of the County. The Trustee shall (i) deposit the other legally available moneys of the County in an amount equal to the Reserve Requirement into the Debt Service Reserve Account, (ii) deposit proceeds of sale of the Series 2012A Obligations in an amount equal to $371,118.05 to the Delivery Costs Fund, and (iii) transfer the balance of the proceeds of sale of the Series 2012A Obligations to the County for deposit to the Improvements Fund.

Section 5.3 Flow of Funds Into the Obligation Fund. The following payments to the Trustee shall be applied in the following manner:

(i) The Trustee shall deposit to the Interest Account amounts paid pursuant to Section 3.3(b)(ii) of the Purchase Agreement. (Amounts transferred pursuant to Section 2.2(d) of the Purchase Agreement and Section 5.4(iii)(B) of this Indenture shall also be deposited into the Interest Account.)

(ii) The Trustee shall deposit to the Principal Account amounts paid pursuant to Section 3.3(b)(iii) of the Purchase Agreement as well as the total of any amounts received for any redemption of Series 2012A Obligations. (Amounts transferred
pursuant to Section 2.2(d) of the Purchase Agreement and Section 5.4(iii)(B) of this Indenture shall also be deposited in the Principal Account.)

(iii) The Trustee shall deposit to the Debt Service Reserve Account amounts paid pursuant to Section 3.3(b)(iv) of the Purchase Agreement. No deposit need be made into the Debt Service Reserve Account if the amount on deposit therein plus the maximum amount of the Qualified Reserve Fund Instruments contained therein equals the Reserve Requirement.

Section 5.4 Flow of Funds Out of the Obligation Fund. Amounts in the following accounts shall be applied in the following manner:

(i) Amounts in the Interest Account shall be used to pay interest on the Series 2012A Obligations as it becomes due.

(ii) Amounts in the Principal Account shall be used to retire Series 2012A Obligations by payment on their scheduled maturity date, mandatory redemption date or optional redemption date.

(iii) (A) Amounts in the Debt Service Reserve Account shall be used to pay the interest on, or to retire at their scheduled maturity or mandatory redemption date, the Series 2012A Obligations in the event that no other money of the County is available therefor or for the retirement (including by defeasance pursuant to Section 10.2) of all of the Series 2012A Obligations then Outstanding. If and to the extent that money has been deposited in the Debt Service Reserve Account, all such money shall be used (or investments purchased with such money shall be liquidated and the proceeds applied as required) prior to any drawing under a Qualified Reserve Fund Instrument. If and to the extent that more than one Qualified Reserve Fund Instrument is credited to the Debt Service Reserve Account in lieu of money, drawings under such Qualified Reserve Fund Instruments shall be made on a pro-rata basis (calculated by reference to the policy, surety or other similar limits or maximum amounts available thereunder) after applying all available money in the Debt Service Reserve Account.

(B) If on July 2 of any year the amount in the Debt Service Reserve Account exceeds an amount equal to the Reserve Requirement and if the County is not then in default under the Purchase Agreement, the Trustee shall withdraw the amount of any such excess from such account and shall apply such amount, first and on a pro-rata basis, to pay amounts due with respect to any Qualified Reserve Fund Instruments, including by transferring pro-rata amounts in the appropriate “reimbursement funds” established to reimburse the providers of any Qualified Reserve Fund Instruments for any payments made by the providers thereof until the corresponding costs with respect thereto are paid, second, as a deposit to the Interest Account, and third, if the amount in the Interest Account is equal to or greater than the interest due on the Series 2012A Obligations on the next Obligation Payment Date, as a deposit to the Principal Account.
Section 5.5  Investment of Moneys Held by Trustee.

(a) Moneys in all funds and accounts held by the Trustee shall be invested by the Trustee, as soon as possible upon receipt of immediately available funds at its designated corporate trust office, to the fullest amount possible, in Permitted Investments as directed, in writing, by the County Representative; provided that the maturity date or the date on which such Permitted Investments may be redeemed at the option of the holder thereof shall coincide as nearly as practicable with (but in no event shall be later than) the date or dates on which moneys in the funds or accounts for which the investments were made will be required for the purposes thereof.

(b) Amounts credited to a fund or account may be invested, together with amounts credited to one or more other funds or accounts, in the same Permitted Investment, provided that (i) each such investment complies in all respects with the provisions of subsection (a) of this Section as they apply to each fund or account for which the joint investment is made and (ii) the Trustee maintains separate records for each fund and account and such investments are accurately reflected therein.

(c) The Trustee may make any investment permitted by this Section, through or with its own commercial banking or investment departments, as agent or principal, unless otherwise directed by the County Representative. The Trustee may conclusively rely upon such written direction from the County as to both the suitability and legality of the directed investments. The County acknowledges that regulations of the Comptroller of the Currency grant the County the right to receive brokerage confirmations of the Security transactions as they occur, at no additional cost. To the extent permitted by law, the County specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Trustee that no brokerage confirmations need be sent relating to the security transactions as they occur.

(d) In computing the amount in any fund or account, Permitted Investments purchased as an investment of moneys therein shall be valued as follows:

(i) For securities:

(A) the closing bid price quoted by Interactive Data Projects, Inc.; or

(B) a valuation performed by a nationally recognized and accepted pricing service whose valuation method consists of the composite average of various bid price quotes on the valuation date; or

(C) the lower of two dealer bids on the valuation date. The dealers or their parent holding companies must be rated at least investment grade by Moody’s and S&P and must be market makers in the securities being valued.
(ii) As to certificates of deposit and bankers’ acceptances: the face amount thereof, plus accrued interest.

(iii) As to any investment not specified above: the value thereof established by such investment agreement, Qualified Reserve Fund Instrument or repurchase or reverse repurchase agreement or by prior agreement between the County and the Trustee.

(e) The Trustee shall sell at the best price obtainable, or present for redemption, any Permitted Investment purchased by it as an investment whenever it shall be necessary in order to provide moneys to make any required payment or transfer from the fund or account for which such investment was made.

(f) (i) The Trustee shall not knowingly make any investment at a “yield” in excess of the maximum yield, if any, stated with respect to the source of moneys therefor in any arbitrage or other similar certificate executed and delivered pursuant to section 148 of the Code or any successor section of the Code, issued in connection with the execution and delivery of the Series 2012A Obligations except during any “temporary period” stated in any arbitrage or other certificate, and the Trustee shall make and keep appropriate records of such investments, yields and temporary periods as required by section 148 of the Code or any successor section thereof. Notwithstanding the foregoing, investments may be made at a higher “yield” or for a different “temporary period” or both in accordance with written instructions of Special Counsel filed with and addressed to the Trustee.

(ii) Neither the Trustee nor the County shall knowingly use or direct or permit the use of any moneys of the County in its possession or control in any manner that would cause any Series 2012A Obligation to be an “arbitrage bond” within the meaning ascribed to such term in section 148 of the Code, or any successor section of the Code. The Trustee and the County shall comply with and take all actions required by any arbitrage or similar certificate and will continue to do so notwithstanding any satisfaction or discharge of this Indenture.

Section 5.6 Liability of Trustee for Investments. The Trustee shall not be liable for any loss resulting from the making of any investment made in accordance with the provisions of this Indenture, except for its own negligence, willful misconduct or breach of trust.

Section 5.7 Investment Income. Except as otherwise provided in this Indenture, interest income and gain received, or loss realized, from investments or moneys in a fund or account shall be credited, or charged, as the case may be, to such fund or account.

Section 5.8 Delivery Costs Fund. Proceeds from the sale of the Series 2012A Obligations shall be deposited in the Delivery Costs Fund as described in Section 5.2. The Trustee shall disburse moneys in the Delivery Costs Fund only upon a requisition signed by the County Representative, substantially in the form attached hereto as Exhibit B entitled “Order for Disbursement”, setting forth the amounts to be disbursed for payment or reimbursement of Delivery Costs and the person or persons to whom such amounts are to be disbursed, stating that
the amounts to be disbursed are for Delivery Costs properly chargeable to the Delivery Costs Fund. Amounts remaining in the Delivery Costs Fund after March 1, 2013, or such earlier date as the County has notified the Trustee that all Delivery Costs have been paid, shall be transferred to the County for deposit to the Improvements Fund.

The Trustee shall be responsible for the safekeeping and investment, upon the written direction of the County Representative, of the moneys held in the Delivery Costs Fund in Permitted Investments and the payment thereof in accordance with this Section. Notwithstanding the foregoing, the Trustee shall be entitled to rely conclusively on the requisitions and written orders supplied to it by the County Representative in connection with disbursements made pursuant to this Section.

ARTICLE 6
CERTAIN COVENANTS

Section 6.1 Payment of Principal and Interest. Subject to the limited liability and sources of payment specified in this Indenture, the Series 2012A Obligations shall be promptly paid in the amounts due at the place, on the dates and in the manner provided in this Indenture and in said Series 2012A Obligations according to the terms thereof. The amounts due on the Series 2012A Obligations are payable solely from moneys held or received by the Trustee under this Indenture, all of which are by this Indenture specifically assigned and pledged to such payment in the manner and to the extent specified in this Indenture and nothing in this Indenture or in the Series 2012A Obligations shall be construed as assigning or pledging any other funds or assets of the County.

Section 6.2 Performance of Covenants. Subject to the limited liability and sources of payment described in this Indenture and except to the extent assigned to the Trustee under this Indenture, the County shall faithfully perform at all times any and all covenants, undertakings, stipulations and provisions on its part to be performed as provided in this Indenture, in each and every Series 2012A Obligation executed, authenticated and delivered under this Indenture and in all proceedings of the County pertaining thereto.

Section 6.3 Instruments of Further Assurance. The County shall do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, such instruments supplemental to this Indenture and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, mortgaging, conveying, pledging, assigning and confirming unto the Trustee all interests, revenues and receipts pledged by this Indenture to the payment of the principal of and premium, if any, and interest on the Series 2012A Obligations in the manner and to the extent contemplated in this Indenture.

Section 6.4 Rights under Purchase Agreement. The Trustee may enforce all rights under the Purchase Agreement for and on behalf of the Holders, whether or not the County is then in default under this Indenture.

Section 6.5 Protection of Lien. The County shall not make or create or agree to permit to be made or created any assignment or lien on a parity with or having priority or preference
over the assignment and lien of this Indenture upon the interests granted by this Indenture or any part thereof except as otherwise specifically provided in the Purchase Agreement. No obligation, the payment of which is secured by property or revenues pledged under this Indenture, shall be executed and delivered by the County except in lieu of, or upon transfer of registration or exchange of, any Series 2012A Obligation except as provided in the Purchase Agreement.

ARTICLE 7
DEFAULT AND REMEDIES

Section 7.1 Events of Default. Each of the following is an “Indenture Event of Default”:

(a) If payment of any installment of interest on any Series 2012A Obligation is not made in full when the same becomes due and payable;

(b) If payment of the principal or redemption premium, if any, on any Series 2012A Obligation is not made in full when the same becomes due and payable;

(c) If, under the provisions of any law for the relief or aid of debtors, any court of competent jurisdiction assumes custody or control of all or any part of the interests pledged under this Indenture and such custody or control continues for more than 60 days;

(d) If the County defaults in the due and punctual performance of any other covenant, condition, agreement or provision on its part to be performed as provided in this Indenture or in the Series 2012A Obligations and such default continues for 30 days after the Trustee gives the County written notice specifying such default, unless within such 30 days the County commences and diligently pursues in good faith appropriate corrective action to the satisfaction of the Trustee and such failure does not continue for a period of more than 60 days; the Trustee may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than 25 percent in principal amount of the Series 2012A Obligations then Outstanding; or

(e) If any event of default provided by Section 7.1 of the Purchase Agreement occurs.

Section 7.2 Remedies and Enforcement of Remedies.

(a) Upon the occurrence and continuance of any Indenture Event of Default and in accordance with Article 7 of this Indenture and Article 7 of the Purchase Agreement, the Trustee may, and upon the written request of the Holders of not less than a majority in principal amount of the Series 2012A Obligations Outstanding, together with indemnification of the Trustee to its satisfaction therefor, shall protect and enforce its rights and the rights of the Holders under this Indenture and the Series 2012A Obligations by such suits, actions or proceedings as the Trustee, being advised by counsel, deems expedient, including but not limited to, an action for the recovery of any amounts due under this Indenture or for damages for the breach of this Indenture, and the Trustee may pursue any other remedy that the law affords,
including the remedy of specific performance. The Trustee shall also have those remedies provided pursuant to Article 7 of the Purchase Agreement, subject to any limitations on such remedies set forth in such Article 7.

(b) Regardless of the happening of an Indenture Event of Default and subject to Section 7.7, the Trustee, if requested in writing by the Holders of not less than a majority in principal amount of the Series 2012A Obligations then Outstanding shall, upon being indemnified to its satisfaction therefor, institute and maintain such suits and proceedings as it deems necessary or expedient (i) to prevent any impairment of the security under this Indenture by any acts that may be unlawful or in violation of this Indenture, or (ii) to preserve or protect the interests of the Holders, provided that such request is in accordance with law and the provisions of this Indenture and, in the sole judgment of the Trustee, is not unduly prejudicial to the interest of the Holders of Series 2012A Obligations not making such request.

Section 7.3 No Acceleration. In no event shall the Trustee have the right to accelerate or cause to become immediately due and payable, or payable in advance of their scheduled maturity dates, any amounts due under this Indenture other than as a result of optional redemption pursuant to Article 3 of this Indenture, and then only to the extent of the amount to be so redeemed.

Section 7.4 Application of Revenues and Other Moneys After Default.

(a) During the continuance of an Indenture Event of Default all moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses and advances incurred or made by the Trustee with respect thereto, be deposited in the Obligation Fund, and all amounts held by the Trustee under this Indenture shall be applied as follows; provided, that if the amount available shall not be sufficient to pay in full any amount or amounts then due, then to the payment thereof ratably in a manner consistent with Section 3.3 of the Purchase Agreement, according to the amounts due to the Persons entitled thereto, without any discrimination or preference:

First: To the payment of all installments of interest then due (including interest on amounts not paid when due on the Series 2012A Obligations); and

Second: To the payment of the unpaid Principal Installments or redemption price of any Series 2012A Obligations that have become due, whether at maturity or by call for redemption, in the order of their due dates.

(b) Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, such moneys shall be applied by it at such times, and from time to time, as the Trustee shall determine, having due regard for the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such moneys, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal of the Series 2012A Obligations to be paid on such dates shall cease to accrue. The Trustee shall give
such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Holder of any unpaid Series 2012A Obligation until such Series 2012A Obligation is presented to the Trustee for appropriate endorsement of any partial payment or for cancellation if fully paid.

(c) Whenever all principal of and interest on the Series 2012A Obligations that has become due has been paid under the provisions of this Section and all expenses and charges of the Trustee have been paid and the Obligation Fund contains the amounts then required to be credited thereto, any balance remaining shall be paid to the County.

Section 7.5 Remedies Not Exclusive. No remedy provided by this Indenture to the Trustee or the Holders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Indenture or existing at law or in equity or by statute on or after the date of this Indenture.

Section 7.6 Remedies Vested in Trustee. Any cause of action (including the right to file proof of claims) under this Indenture or under any of the Series 2012A Obligations may be brought by the Trustee, without the possession of any of the Series 2012A Obligations or the production thereof in any trial or other proceedings relating thereto. Any such suit or proceeding may be brought without the necessity of joining as plaintiffs or defendants any Holders of the Series 2012A Obligations. Subject to the provisions of Section 7.4, any recovery or judgment shall be for the equal benefit of all the Holders of the Outstanding Series 2012A Obligations. Nothing in this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Series 2012A Obligations or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding without the approval of the Holders so affected.

Section 7.7 Individual Holder Action Restricted.

(a) No Holder of any Series 2012A Obligation shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust or for any remedy under this Indenture except for the right to institute any suit, action or proceeding in equity or at law for the enforcement of the Trustee’s duties and powers under this Indenture upon the occurrence of all of the following events:

(i) The Holders of at least a majority in principal amount of Series 2012A Obligations Outstanding have made written request to the Trustee to proceed to exercise the powers granted in this Indenture; and

(ii) Such Holders have offered to indemnify the Trustee as provided in Section 8.2(v); and

(iii) The Trustee has failed or refused to exercise the duties or powers granted in this Indenture for a period of 60 days after receipt by it of such request and offer of indemnity; and
(iv) During such 60 day period no direction inconsistent with such written request has been delivered to the Trustee by the Holders of a greater majority in principal amount of Series 2012A Obligations then Outstanding.

(b) No one or more Holders of Series 2012A Obligations shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Indenture or to enforce any right under this Indenture except in the manner provided in this Indenture and for the equal benefit of the Holders of all Series 2012A Obligations Outstanding.

(c) Nothing contained in this Indenture shall affect or impair, or be construed to affect or impair, the right of the Holder of any Series 2012A Obligation (i) to receive payment of the principal of or premium, if any, or interest on such Series 2012A Obligation, as the case may be, on or after the due date thereof or (ii) to institute suit for the enforcement of any such payment on or after such due date; provided, however, no Holder of any Series 2012A Obligation may institute or prosecute any such suit if, and to the extent that, the institution or prosecution of such suit or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the lien of of this Indenture on the moneys, funds and properties pledged under this Indenture for the equal and ratably benefit of all Holders of Series 2012A Obligations.

Section 7.8 Termination of Proceedings. In case any proceeding taken on account of an Indenture Event of Default shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or the Holders, then the County, the Trustee and the Holders shall be restored to their former positions and rights under this Indenture, and all rights and powers of the Trustee and the Holders shall continue as if no such proceeding had been taken.

Section 7.9 Waiver of Event of Default.

(a) No delay or omission of the Trustee or of the Holder of any Series 2012A Obligations to exercise any right or power accruing upon any Indenture Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Indenture Event of Default or an acquiescence therein. Every power and remedy given by this Article may be exercised from time to time and as often as may be deemed expedient.

(b) The Trustee may waive in writing any Indenture Event of Default that in its opinion has been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted by it under the provisions of this Indenture, or before the completion of the enforcement of any other remedy under this Indenture.

(c) In case of any waiver by the Trustee of an Indenture Event of Default under this Indenture, the County, the Trustee and the Holders shall be restored to their former positions and rights under this Indenture, respectively, but no such waiver shall extend to any subsequent or other Indenture Event of Default. The Trustee shall not be responsible to anyone for waiving or refraining from waiving any Indenture Event of Default in accordance with this Section.
Section 7.10  Notice of Default.

(a) Within 30 days after (i) the occurrence of an Indenture Event of Default under Section 7.1(a) or (b) of which the Trustee is deemed to have notice, or (ii) receipt by the Trustee of actual knowledge or written notice of an Indenture Event of Default under Section 7.1(c), (d) or (e), the Trustee shall, unless such Indenture Event of Default has been cured, give written notice thereof by first class mail to each Holder of a Series 2012A Obligation then Outstanding, provided that, except in the case of a default in the payment of Principal Installments or the redemption price of or interest on any of the Series 2012A Obligations, the Trustee may withhold such notice if, in its sole judgment, it determines that the withholding of such notice is in the best interests of the Holders.

(b) The Trustee shall immediately notify the County of (i) the occurrence of an Indenture Event of Default under Section 7.1(a) or (b) and (ii) when the Trustee has received actual knowledge or written notice of an Indenture Event of Default under Section 7.1(c), (d) or (e).

Section 7.11  Limitation of Liability.

(a) Except for the payment of amounts pursuant to the Purchase Agreement when due and the performance of the other covenants and agreements of the County contained in the Purchase Agreement and in this Indenture, the County shall have no pecuniary obligation or liability to any of the other parties or to the Holders with respect to this Indenture or the terms, execution, delivery or transfer of the Series 2012A Obligations, or the distribution of applicable portions of the Purchase Price to the Holders by the Trustee.

(b) The County shall not have any obligation or liability to any of the other parties or to the Holders with respect to the performance by the Trustee of any duty imposed upon it under this Indenture; nor shall the Trustee have any obligation or liability to any of the other parties or to the Holders with respect to the performance by the County of any duty imposed upon it under this Indenture.

Section 7.12  Limitations on Remedies. It is the purpose and intention of this Article to provide to the Trustee and Holders rights and remedies that lawfully may be granted, but should any right or remedy granted in this Indenture be held to be unlawful, the Trustee and the Holders shall be entitled, as above set forth, to every other right and remedy provided in this Indenture and, to the extent consistent with the provisions of this Indenture, by law.

ARTICLE 8
THE TRUSTEE

Section 8.1  Certain Duties and Responsibilities of Trustee.

(a) Except during the continuance of an Indenture Event of Default:
(i) The Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(ii) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions that are required by any provision of this Indenture or of the Purchase Agreement, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture or the Purchase Agreement on their face.

(b) In case an Indenture Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent corporate indenture trustee would exercise or use under the circumstances.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct or breach of trust, except that:

(i) this subsection shall not be construed to limit the effect of subsection (a);

(ii) the Trustee shall not be liable for any error of judgment made in good faith and without negligence, willful misconduct or breach of trust by a president or vice-president of the board of directors, the president or vice-president of the executive committee of the board of directors, the president, any vice president, any assistant vice president, the secretary, any assistant secretary, the treasurer, any assistant treasurer, any associate or senior associate, or any other officer of the Trustee customarily performing functions similar to those performed by any of the above designated officers or, with respect to a particular matter, any other officer to whom such matter is referred because of his knowledge of and familiarity with the particular subject;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith and without negligence in accordance with the direction of the Holders of the Outstanding Series 2012A Obligations as provided in this Indenture relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties under this Indenture, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it. The Trustee may, nevertheless, begin suit, or appear in and defend suit, or do anything else in its
judgment properly to be done by it as the Trustee, without prior assurance of indemnity, and in such case shall be entitled to reimbursement by the County for all reasonable costs, expenses, attorneys’ and other fees and expenses, and all other reasonable disbursements, including its own fees and expenses, and for all liability and damages suffered by the Trustee in connection therewith except for the Trustee’s negligence, willful misconduct or breach of trust.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

Section 8.2 Certain Rights of Trustee. Except as otherwise provided in Section 8.1:

(i) The Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, obligation, note or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties.

(ii) Any request or direction of the County mentioned in this Indenture shall be sufficiently evidenced by a certificate of the County Representative, and any action of the Board may be sufficiently evidenced by a copy of a resolution certified by the Clerk or Assistant Clerk of the Board to have been duly adopted by the Board and to be in full force and effect on the date of such certification and delivered to the Trustee.

(iii) Whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action under this Indenture, the Trustee (unless other evidence is specifically prescribed in this Indenture) may, in the absence of bad faith on its part, rely upon a certificate of the County Representative.

(iv) The Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it under this Indenture in good faith and in reliance thereon.

(v) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture unless such Holders shall have offered to the Trustee satisfactory security or indemnity against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(vi) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, obligation, note or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.
(vii) The Trustee may engage agents and attorneys to assist it in executing any of the trusts or powers under this Indenture or performing any duties under this Indenture and shall not be liable for the negligence or misconduct of such agents and attorneys so long as the Trustee exercises due care in the selection thereof.

(viii) The Trustee shall not be responsible for the recording or filing of any documents relating to the Purchase Agreement.

(ix) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful default. The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(x) In acting or omitting to act pursuant to the Purchase Agreement, the Trustee shall be entitled to all of the rights, immunities and indemnities accorded to it under this Indenture, including, but not limited to, this Article 8.

Section 8.3 Employment of Experts. The Trustee is authorized to employ as its agents such attorneys at law, certified public accountants and recognized authorities in their fields (who are not employees of the Trustee), as it reasonably may deem necessary to assist it to carry out any of its obligations under this Indenture, and shall be reimbursed by the County for all reasonable expenses and charges in so doing.

Section 8.4 Enforcement of Performance by Others. Except as provided in Section 8.1 or otherwise specifically provided in this Indenture, it shall not be the duty of the Trustee to see that any duties and obligations imposed upon the County by this Indenture are performed.

Section 8.5 Right to Deal in Series 2012A Obligations and Take Other Actions. The Trustee may in good faith buy, sell or hold and deal in any Series 2012A Obligations with like effect as if it were not such Trustee and may commence or join in any action that a Holder is entitled to take with like effect as if the Trustee were not the Trustee. It is understood and agreed that the Trustee engages in a general banking business and no provision of this Indenture or of the Purchase Agreement is to be construed to limit or restrict the right of the Trustee to engage in such business with the County or any Holder. So engaging in such business shall not, in and of itself, and so long as the Trustee duly performs all of its duties as required by this Indenture and by the Purchase Agreement, constitute a breach of trust on the part of the Trustee, but neither shall engaging in such business abrogate, alter or diminish any duty or obligation of the Trustee as Trustee under this Indenture.

Section 8.6 Removal and Resignation of Trustee.

(a) The Trustee may resign at any time from the trusts created by this Indenture by giving written notice of the resignation to the County and any Paying Agents and by mailing written notice of the resignation to the Holders as their names and addresses appear on the register it maintains with respect to the Series 2012A Obligations at the close of business
15 days prior to the mailing. The resignation shall take effect upon the appointment of a successor Trustee.

(b) The Trustee may be removed at any time by an instrument or document or concurrent instruments or documents in writing delivered to the Trustee, with copies thereof mailed to the County and any Paying Agents and signed by (i) the County Representative or (ii) by or on behalf of the Holders of not less than a majority in aggregate principal amount of the Series 2012A Obligations then Outstanding. The Trustee also may be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by an instrument signed by the County or by any court of competent jurisdiction upon the application of the County, or the Holders of not less a majority in aggregate principal amount of the Series 2012A Obligations then Outstanding under this Indenture. Any removal shall not take effect until a successor Trustee has been appointed. In the event a successor Trustee has not been appointed and qualified within 60 days of the date notice of resignation or removal is given, the Trustee may apply to any court of competent jurisdiction for the appointment of a successor Trustee to act until such time as a successor is appointed as provided in this Section.

(c) In the event of the resignation or removal of the Trustee or in the event the Trustee is dissolved or otherwise becomes incapable to act as the Trustee, the County shall be entitled to appoint a successor Trustee acceptable to the County.

(d) If the Holders of a majority of the principal amount of Series 2012A Obligations then Outstanding object to the successor Trustee so appointed by the County and if such Holders designate another Person qualified to act as the Trustee, the County shall then appoint as the Trustee the Person so designated by the Holders.

(e) Unless otherwise ordered by a court or regulatory body having competent jurisdiction, or unless required by law, any successor Trustee shall be a trust company or bank having the powers of a trust company as to trusts, qualified to do trust business in the State and having an officially reported combined capital, surplus, undivided profits and reserves aggregating at least $200,000,000, if there is such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

(f) Every successor Trustee howsoever appointed under this Indenture shall execute, acknowledge and deliver to its predecessor and also to the County an instrument in writing, accepting such appointment under this Indenture, and thereupon such successor Trustee, without further action, shall become fully vested with all the rights, immunities, powers, trusts, duties and obligations of its predecessor, and such predecessor shall execute and deliver an instrument transferring to such successor Trustee all the rights, power and trusts of such predecessor. The predecessor Trustee shall execute any and all documents necessary or appropriate to convey all interest it may have to the successor Trustee. The predecessor Trustee shall promptly deliver all records relating to the trust or copies thereof and communicate all material information it may have obtained concerning the trust to the successor Trustee.
(g) Each successor Trustee, not later than ten days after its assumption of the
duties under this Indenture, shall mail a notice of such assumption to each Holder of a Series
2012A Obligation.

(h) Any company into which the Trustee may be merged or converted or with
which it may be consolidated or any company resulting from any merger, conversion or
consolidation to which it shall be a party or any company to which the Trustee may sell or
transfer all or substantially all of its corporate trust business shall be the successor to such
Trustee without the execution or filing of any paper or any further act, provided such company
shall be eligible as a successor Trustee under this Indenture.

Section 8.7 Proof of Claim. The Trustee shall have the right and power to take actions
in the name and place of the County or Holders to make proof of claim in any proceeding,
bankruptcy, reorganization or otherwise where proof of claim may be required. Any amount
recovered as a result of any such claim, after payment of all fees (including reasonable attorneys’
fees), costs, expenses and advances incurred by the Trustee or its agents in pursuing such claim,
shall be for the equal benefit of all of the Holders.

Section 8.8 Trustee’s Fees and Expenses.

(a) The Trustee shall be entitled to be paid from time to time reasonable
compensation for all services rendered by it under this Indenture; to reimbursement upon request
for all reasonable expenses, disbursements and advances incurred or made by the Trustee in
accordance with any provision of this Indenture (including the reasonable compensation and the
expenses and disbursements of its counsel and its agents), except any such expense,
disbursement or advance as may be attributable to its negligence or bad faith or willful
misconduct or breach of trust; and, together with the Trustee’s officers, directors, agents and
employees, to be indemnified by the County, for, from and against any loss, liability, claim, suit,
cost, judgment, damages or expense (including without limitation legal fees and expenses)
arising out of or in connection with the acceptance or administration of this trust or its duties
under this Indenture, the Purchase Agreement and any other document or transaction
contemplated in connection with this Indenture or the Purchase Agreement. The Trustee’s right
to indemnity shall not extend to claims, suits and actions successfully brought against the Trustee
for, or losses, liabilities or expenses incurred as a result of the Trustee’s own negligence, bad
faith, willful misconduct or breach of trust. In the event any action or proceeding is instituted or
pending against the Trustee by reason of or in connection with the acceptance or administration
of this trust or the Trustee’s duties under this Indenture, the County may, at its election, assume
the defense of any such action or proceeding with counsel satisfactory to the Trustee. If any such
action or proceeding includes any claims alleging the Trustee’s own negligence, bad faith,
willful misconduct or breach of trust, the Trustee shall reimburse the County its expenses
(including reasonable attorneys’ fees), if any, of assuming the defense of such action or
proceeding if it is determined by a final judgment of a court of competent jurisdiction that the
Trustee is not entitled to be indemnified as authorized in this Section. Any settlement of any
such action or proceeding shall not, of itself, create a presumption as to the merits of any claims
alleging the Trustee’s own negligence, bad faith, willful misconduct or breach of trust. The
Trustee’s rights to compensation, reimbursement and indemnity while serving as Trustee under this Indenture shall survive resignation or removal of the Trustee or discharge of the Indenture.

(b) Any provision of this Indenture to the contrary notwithstanding, if the County fails, within 30 days of receiving an itemized invoice and back-up documentation, to make any payment properly due the Trustee for its reasonable fees, costs, expenses and fees of attorneys, certified public accountants, recognized authorities in their field and agents (not employees of the Trustee) incurred in performance of its duties, the Trustee may reimburse itself from any moneys on hand in any fund or account created pursuant to this Indenture and shall have a lien prior to the Holders of the Series 2012A Obligations. When the Trustee incurs expenses or renders services after the occurrence of an Indenture Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

Section 8.9 Reports; Records.

(a) The Trustee shall quarterly, or at such other intervals as the Trustee and the County shall from time to time agree upon (but in no event more frequently than monthly), prepare and submit to the County reports covering all moneys received and all payments, expenditures and investments made as the Trustee under this Indenture since the last previous such report.

(b) The Trustee’s records shall be kept in compliance with standards as have been or may be issued from time to time by the Securities and Exchange Commission, the Municipal Securities Rulemaking Board of the United States, the requirements of the Code and any other securities industry standard. The Trustee shall retain such records in accordance with the applicable record keeping standard of the Internal Revenue Service. In lieu of destruction and immediately prior to the date the Trustee would destroy any Holder or payment records with respect to the Series 2012A Obligations maintained by the Trustee pursuant to this Indenture, such records shall be provided to the Treasurer of the County.

Section 8.10 Separate or Co-Trustee.

(a) At any time or times, solely for the purpose of meeting any legal requirements of any jurisdiction other than Arizona, the County and the Trustee shall have the power to appoint one or more Persons, approved by the Trustee and, unless an Indenture Event of Default has occurred and is continuing, reasonably acceptable to the County, to act as either a co-trustee or co-trustees, or as a separate trustee or separate trustees, of all or any part of the pledged property, and to vest in such Person or Persons, in such capacity, such title to the pledged property or any part thereof, and such rights, powers, duties, trusts or obligations as the County and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section. Upon the request of the Trustee or of the Holders of at least a majority in principal amount of Series 2012A Obligations then Outstanding, the County shall for such purpose join with the Trustee and both, as necessary, will execute, deliver and perform all instruments and agreements necessary or proper to affect the appointment.
(b) If the County fails to join in such appointment within 30 days after the receipt by it of a request to do so, or if an Indenture Event of Default has occurred and is continuing, the Trustee acting alone shall have power to make such appointment.

(c) The County shall execute, acknowledge and deliver all instruments reasonably required by any such co-trustee or separate trustee to more fully and certainly vest in such co-trustee or separate trustee the property, rights, powers and duties intended to be vested in such co-trustee or separate trustee.

(d) Every co-trustee or separate trustee shall, to the extent permitted by law but to such extent only, be appointed subject to the following terms, namely:

(i) The Series 2012A Obligations shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations conferred upon the Trustee by this Indenture in respect to the custody, control and management of moneys, papers, securities and other personal property shall be exercised, solely by the Trustee.

(ii) All rights, powers, trusts, duties and obligations conferred or imposed upon the trustees shall be conferred or imposed upon and exercised or performed by the Trustee, or by the Trustee and such co-trustee or co-trustees or separate trustee or separate trustees jointly, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(iii) Any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action under this Indenture shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee and such co-trustee or separate trustee shall abide by such request.

(iv) Any co-trustee or separate trustee may, to the extent permitted by law, delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise.

(v) The Trustee may at any time, by any instrument in writing, with the concurrence of the County, accept the resignation of or remove any co-trustee or separate trustee appointed under this Section, and, in case an Indenture Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee. Upon the request of the Trustee, the County shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal.

(vi) No Trustee or any Paying Agent under this Indenture shall be personally liable by reason of any act or omission of any other trustee or paying agent
under this Indenture, nor will the act or omission of any trustee or paying agent under this
Indenture be imputed to any other trustee or paying agent.

(vii) Any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing delivered to the Trustee shall be deemed to have been delivered to each such co-trustee or separate trustee.

(viii) Any moneys, papers, securities or other items of personal property received by any such co-trustee or separate trustee under this Indenture shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

(e) Upon the acceptance in writing of such appointment by any such co-trustee or separate trustee, it or he shall be vested jointly with the Trustee (except insofar as local law makes it necessary for any such co-trustee or separate trustee to act alone) with such title to the pledged property or any part thereof, and with such rights, powers, duties or obligations, as shall be specified in the instrument of appointment subject to all the terms of this Indenture. Every such acceptance shall be filed with the Trustee. To the extent permitted by law, any co-trustee or separate trustee may, at any time by an instrument in writing signed by the Trustee and any co-trustee or separate trustee, constitute the Trustee, its or his attorney-in-fact and agent, with full power and authority to do all acts and things and to exercise all discretion on its or his behalf and in its or his name.

(f) In case any co-trustee or separate trustee shall dissolve, cease to exist, become incapable of acting, resign or be removed, the title to the pledged property, and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee unless and until a successor co-trustee or separate trustee shall be appointed in the manner provided in this Indenture.

Section 8.11 Recitals and Representations.

(a) The recitals, statements and representations contained in this Indenture, or in any Series 2012A Obligation (excluding the Trustee’s authentication on the Series 2012A Obligations or any recitals or representations concerning the Trustee or its powers) shall not be taken or construed as made by the Trustee, and the Trustee neither assumes nor shall be under any responsibility for the correctness of the same.

(b) The Trustee makes no representation as to, and is not responsible for, the validity or sufficiency of this Indenture, of the Series 2012A Obligations, or the validity or sufficiency of insurance to be provided or, except as required in this Indenture, the filing or recording or registering of any document. The Trustee shall be deemed not to have made representations as to the security afforded by or under this Indenture or as to the validity or sufficiency of such document. The Trustee shall not be concerned with or accountable to anyone for the use or application of any moneys that are released or withdrawn in accordance with the provisions of this Indenture. Except as to defaults described in Sections 7.1(a) and (b) of which the Trustee is deemed to have notice, the Trustee shall have no duty of inquiry with respect to any default or Events of Default described in this Indenture without actual knowledge of or
receipt by the Trustee of written notice of a default or an Indenture Event of Default from any Holder.

(c) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or other disclosure or sales material prepared or distributed in connection with the execution and delivery of the Series 2012A Obligations.

ARTICLE 9
SUPPLEMENTS TO INDENTURE
AND AMENDMENTS TO PURCHASE AGREEMENT

Section 9.1 Supplements Not Requiring Consent of Holders. The County acting through the County Representative and the Trustee may, without the consent of or notice to any of the Holders, enter into one or more supplements to this Indenture for one or more of the following purposes:

(i) To cure any ambiguity or formal defect or omission in this Indenture or to correct or supplement any provision in this Indenture that is inconsistent with any other provision in this Indenture, or to make any other provisions with respect to matters or questions arising under this Indenture provided such action shall, in the opinion of counsel delivered to the Trustee under Section 9.3(a), not materially adversely affect the interests of the Holders;

(ii) To grant or confer upon the Holders any additional rights, remedies, powers or authority that may lawfully be granted or conferred upon them;

(iii) To secure additional revenues or provide additional security or reserves for payment of the Series 2012A Obligations or to add a Qualified Reserve Fund Instrument and necessary, related provisions therefor;

(iv) To comply with the requirements of any state or federal securities laws or the Trust Indenture Act of 1939, as from time to time amended, if required by law or regulation lawfully issued thereunder;

(v) To provide for the appointment of a successor trustee or co-trustee pursuant to the terms of Section 8.6 and Section 8.10;

(vi) To permit Series 2012A Obligations in bearer form if the County and the Trustee receive a Special Counsel’s Opinion that such action will not cause the interest on any Series 2012A Obligations to become includible in gross income for purposes of federal income taxes;

(vii) To preserve the exclusion of the interest on the Series 2012A Obligations from gross income for purposes of federal or State income taxes and to preserve the power of the County to continue to incur obligations (specifically not limited
to the Series 2012A Obligations authorized by this Indenture) the interest on which is likewise exempt from federal and State income taxes and

(viii) To adopt procedures for the disclosure of information to Holders and to others in accordance with any guidelines for such purpose promulgated by the American Bankers Association or some other similar national organization, as such guidelines may be made applicable to this Indenture by agreement of the Trustee and the County.

Section 9.2 Supplements Requiring Consent of Holders.

(a) Other than supplements referred to in Section 9.1 and subject to the terms and provisions and limitations contained in this Article and not otherwise, the Holders of not less than a majority in principal amount of the Series 2012A Obligations then Outstanding shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the County Representative and the Trustee of such supplement as shall be deemed necessary and desirable by the County and the Trustee for the purpose of modifying, altering, amending, adding to or rescinding, in any particular respect, any of the terms or provisions contained in this Indenture; provided, however, nothing in this Section or Section 9.1 shall permit or be construed as permitting a supplement that would:

(i) extend the stated maturity of or time for paying interest on any Series 2012A Obligation or reduce the principal amount of or rate of interest payable on any Series 2012A Obligation without the consent of the Holder of such Series 2012A Obligation;

(ii) prefer or give a priority to any Series 2012A Obligation over any other Series 2012A Obligation without the consent of the Holder of such Series 2012A Obligation;

(iii) reduce the principal amount of Series 2012A Obligations then Outstanding the consent of the Holders of which is required to authorize such Supplement without the consent of the Holders of all Series 2012A Obligations then Outstanding;

(iv) increase the principal amount of Series 2012A Obligations then Outstanding, the request of the Holders of which is required by Section 7.1(d), without the consent of the Holders of all Series 2012A Obligations then Outstanding; or

(v) reduce the redemption price of any Series 2012A Obligation upon optional redemption or reduce any period of time prior to commencement of any optional redemption period set forth in Section 3.2 without the consent of the Holders of such Series 2012A Obligation.

(b) If at any time the County requests the Trustee to enter into a Supplement pursuant to this Section, the Trustee shall, upon being satisfactorily and specifically indemnified by the County with respect to expenses with respect to such Supplement, cause notice of the
proposed execution of such Supplement to be mailed by first class mail, postage pre-paid, to all registered Holders of Series 2012A Obligations then Outstanding at their addresses as they appear on the registration books provided for in this Indenture. The Trustee shall not, however, be subject to any liability to any Holder by reason of its failure to mail, or the failure of such Holder to receive, the notice required by this Section, and any such failure shall not affect the validity of such Supplement when consented to and approved as provided in this Section. Such notice shall briefly set forth the nature of the proposed Supplement and shall state that copies of are on file at the office of the Trustee for inspection by all Holders.

(c) If within the period prescribed by the County, following the mailing of such notice, the Trustee receives an instrument or instruments purporting to be executed by the Holders of not less than the principal amount or number of Series 2012A Obligations Outstanding specified in subsection (a) for the Supplement in question, that refers to the proposed Supplement and specifically consents to and approves the execution of the Supplement and the Trustee and the County may execute such Supplement in substantially the form of the copy referred to in the notice as on file with the Trustee, without liability or responsibility to any Holder of any Series 2012A Obligation, whether or not that Holder shall consented to the Supplement.

(d) Any such consent shall be binding upon the Holder of the Series 2012A Obligation giving such consent and upon any subsequent Holder of such Series 2012A Obligation and of any Series 2012A Obligation executed and delivered in exchange therefor (whether or not the subsequent Holder has notice of the consent), unless the consent is revoked in writing by the Holder giving the consent or by a subsequent Holder by filing the revocation with the Trustee, prior to the execution by the Trustee of the Supplement. At any time after the Holders of the required principal amount or number of Series 2012A Obligations have filed their consents to the Supplement, the Trustee shall make and file with the County a written statement to that effect. Such written statement shall be conclusive that such consents have been so filed.

(e) If the Holders of the required amount or number of the Series 2012A Obligations Outstanding have consented to and approved the execution of the Supplement as provided in this Indenture, no Holder shall have any right to object to the execution of the Supplement, or to object to any of the terms and provisions contained in the Supplement or the operation of the Supplement, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Trustee or the County from executing the Supplement or from taking any action pursuant to the provisions thereof.

(f) S&P, if maintaining a rating on the Series 2012A Obligations, shall be provided a copy of any proposed supplement or any amendment to the Purchase Agreement at least 15 days prior to the execution of such Supplement or amendment.

Section 9.3 Execution and Effect of Supplements.

(a) In executing any Supplement permitted by this Article, the Trustee and the County shall be entitled to receive and to rely upon an Opinion of Counsel stating that the execution of such Supplement is authorized or permitted by this Indenture. The Trustee may but
shall not be obligated to enter into any such Supplement that affects the Trustee’s own rights, duties or immunities.

(b) Upon the execution and delivery of any Supplement in accordance with this Article, the provisions of this Indenture shall be modified in accordance with such Supplement and such Supplement shall form a part of this Indenture for all purposes and every Holder of a Series 2012A Obligation previously or thereafter authenticated and delivered under this Indenture shall be bound by such Supplement.

(c) Any Series 2012A Obligation authenticated and delivered after the execution and delivery of any Supplement in accordance with this Article may, and if required by the Trustee shall, bear a notation in a form approved by the Trustee as to any matter provided for in such Supplement. The Trustee may execute and deliver new Series 2012A Obligations modified to conform, in the opinion of the Trustee, to any such Supplement in exchange for and upon surrender of Series 2012A Obligations then Outstanding upon receipt of a Special Counsel’s Opinion to the effect that such action will not cause the interest on any Series 2012A Obligations to become includible in gross income for purposes of federal income taxes.

Section 9.4 Amendments to Purchase Agreement Not Requiring Consent of Holders.
The Trustee may, without the consent of or notice to any of the Holders, consent to and join with the County in the execution and delivery of any amendment, change or modification of the Purchase Agreement that is required (i) by the provisions of the Purchase Agreement; (ii) to cure any ambiguity or formal defect or omission or to correct or supplement any provision of the Purchase Agreement that is inconsistent with any other provision of the Purchase Agreement, or to make any other provisions with respect to matters or questions arising under the Purchase Agreement provided that the modification, in the opinion of counsel delivered to the Trustee under this Section 9.4, does not materially adversely affect the interests of the Holders; (iii) to add a Qualified Reserve Fund Instrument so long as any payments with regard to the new Qualified Reserve Fund Instrument are paid no sooner, or in an amount greater, than amounts required to be paid pursuant to Section 3.3(b)(iv) of the Purchase Agreement; (iv) to amend the description of the Series 2012A Projects; (v) to preserve the exclusion of the interest on the Series 2012A Obligations from gross income for purposes of federal or State income taxes and to preserve the power of the County to continue to incur bonds or other obligations (specifically not limited to the Series 2012A Obligations authorized by this Indenture) the interest on which is likewise exempt from federal and State income taxes; and (vi) in connection with any other change in the Purchase Agreement that, in the opinion of counsel delivered to the Trustee, will not materially adversely affect the interests of the Holders or, in the opinion of the Trustee, the Trustee. In executing any amendment to the Purchase Agreement, the Trustee shall be entitled to receive and rely on an Opinion of Counsel stating that such amendment is authorized or permitted under this Indenture and under the Purchase Agreement.

Section 9.5 Amendments to Purchase Agreement Requiring Consent of Holders.

(a) Except for amendments, changes or modification to the Purchase Agreement referred to in Section 9.4, and subject to the terms, provisions and limitations contained in this Article, and not otherwise, the Trustee may consent to and join with the County in the execution and delivery of any amendment, change or modification to the Purchase Agreement.
Agreement only with the consent of the Holders of not less than a majority in principal amount of Series 2012A Obligations then Outstanding, given as provided in this Section; provided, however, no such amendment, change or modification may affect the obligation of the County to make payments under the Purchase Agreement or reduce the amount of or extend the time for making such payments, without the consent of the Holders of all Series 2012A Obligations then Outstanding.

(b) If at any time the County requests the consent of the Trustee to any amendment, change or modification to the Purchase Agreement, the Trustee shall, upon being satisfactorily indemnified by the County with respect to expenses, cause notice of the proposed amendment, change or modification to be given in the manner provided in Section 9.2 with respect to Supplements to this Indenture. Such notice shall briefly set forth the nature of the proposed amendment, change or modification and shall state that copies of it are on file at the office of the Trustee for inspection by any Holder.

(c) If the consent to and approval of the execution of the amendment, change or modification is given by the Holders of not less than the aggregate principal amount or number of Series 2012A Obligations specified in subsection (a) within the time and in the manner provided by Section 9.2 with respect to Supplements to this Indenture, but not otherwise, the amendment, change or modification may be consented to, executed and delivered upon the terms and conditions and with like binding effect upon the Holders as provided in Section 9.2 and Section 9.3 with respect to Supplements to this Indenture.

ARTICLE 10
SATISFACTION AND DISCHARGE

Section 10.1 Discharge.

(a) If payment of all principal of and premium, if any, and interest on all of the Series 2012A Obligations in accordance with their terms and as provided in this Indenture and in Section 3.7 of the Purchase Agreement is made, or is provided for in accordance with this Article, and if all other sums, if any, payable under this Indenture shall be paid, then the liens, estates and security interests granted by this Indenture shall cease. Thereupon, upon the request of the County, and upon receipt by the Trustee of an Opinion of Counsel addressed to the County and the Trustee stating that all conditions precedent to the satisfaction and discharge of the lien of this Indenture have been satisfied, the Trustee shall execute and deliver proper instruments acknowledging such satisfaction and discharging the lien of this Indenture and the Trustee shall transfer all property held by it under this Indenture, other than moneys or obligations held by the Trustee for payment of amounts due or to become due on the Series 2012A Obligations, to the County or such other Person as may be entitled thereto as their respective interests may appear. Such satisfaction and discharge shall be without prejudice to the rights of the Trustee thereafter to charge and be compensated or reimbursed for services rendered and expenditures incurred in connection with this Indenture.

(b) The County may at any time surrender to the Trustee for cancellation any Series 2012A Obligations previously executed and delivered that the County may have acquired
in any manner whatsoever and such Series 2012A Obligations upon such surrender and cancellation shall be deemed to be paid and retired.

Section 10.2 Providing for Payment of Series 2012A Obligations.

(a) Payment of all or any part of the Series 2012A Obligations in authorized denominations may be provided for by the deposit with the Trustee or a Depository Trustee of moneys or Defeasance Obligations that are not redeemable in advance of their maturity dates. Amounts in the Debt Service Reserve Account may be included as part of such deposit only if all of the Series 2012A Obligations are to be defeased. The moneys and the maturing principal and interest income on such Defeasance Obligations, if any, shall be sufficient, as evidenced by a certificate of an independent nationally recognized certified public accountant or firm of such accountants, to pay when due the principal or redemption price of and interest on such Series 2012A Obligations. The moneys and Defeasance Obligations shall be held by the Trustee or the Depository Trustee irrevocably in trust for the Holders of such Series 2012A Obligations solely for the purpose of paying the principal or redemption price of and interest on such Series 2012A Obligations as the same shall mature, come due or become payable upon redemption, and, if applicable, upon simultaneous direction, expressed to be irrevocable to the Trustee or Depository Trustee as to the dates upon which any such Series 2012A Obligations are to be redeemed prior to their respective dates.

(b) Notwithstanding the foregoing, no deposit under subsection (a) above shall be deemed a payment of such Series 2012A Obligation as aforesaid until the earlier of: (i) proper notice of redemption of such Series 2012A Obligation shall have been given in accordance with the provisions of Section 3.6 or, in the event said Series 2012A Obligation is not to be redeemed within the next succeeding 60 days, until the County shall have given the Trustee irrevocable instructions in form satisfactory to the Trustee, to notify, as soon as practicable, the Holder of such Series 2012A Obligation in accordance with Section 3.6, that the deposit required by subsection (a) has been made with the Trustee and that said Series 2012A Obligation is deemed to have been paid in accordance with this Article and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable redemption price, if any, on said Series 2012A Obligation, plus interest thereon to the due date or redemption date thereof or (ii) the maturity of such Series 2012A Obligation.

(c) If payment of Series 2012A Obligations is so provided for, the Trustee or the Depository Trustee shall mail a notice so stating to (i) each Holder of a Series 2012A Obligation so provided for and (ii) to the Treasurer of the County.

(d) Series 2012A Obligations, the payment of which has been provided for in accordance with this Section, shall no longer be deemed Outstanding under or secured by this Indenture. The obligation in respect of such Series 2012A Obligations shall nevertheless continue but the Holders of those Series 2012A Obligations will be entitled to payment only from the moneys or Defeasance Obligations deposited with the Trustee or the Depository Trustee to provide for the payment of such Series 2012A Obligations.

(e) No Series 2012A Obligation may be so provided for if, as a result thereof or of any other action in connection with which the provisions for payment of such Series 2012A
Obligation is made, the interest payable on any Series 2012A Obligation is made includible in gross income for purposes of federal income taxes. The Trustee and the County may rely upon a Special Counsel’s Opinion to the effect that the provisions of this paragraph will not be breached by so providing for the payment of any Series 2012A Obligations.

Section 10.3 Payment of Series 2012A Obligations After Discharge. Notwithstanding the discharge of the lien of this Indenture under this Article, the Trustee shall nevertheless retain such rights, powers and duties under this Indenture as may be necessary and convenient for the payment of amounts due or to become due on the Series 2012A Obligations and the registration, transfer, exchange and replacement of Series 2012A Obligations as provided in this Indenture. Nevertheless, any moneys held by the Trustee or any Paying Agent for the payment of the principal of or premium, if any, or interest on any Series 2012A Obligation remaining unclaimed for two years after the same shall become due and payable at maturity or by declaration as provided in this Indenture, shall then be paid to the County and the Holders of that Series 2012A Obligation shall be entitled to look only to the County for payment thereof and all liability of the Trustee or any Paying Agent with respect to such moneys shall cease at that time. The obligations of the Trustee under this Section shall be subject, however, to the requirements of any applicable law regarding the disposition of unclaimed property.

ARTICLE 11
MISCELLANEOUS

Section 11.1 Evidence of Acts of Holders.

(a) Any request, direction, consent or other instrument provided by this Indenture to be signed and executed by the Holders may be in any number of concurrent writings of similar tenor and may be signed or executed by such Holders in person or by agent appointed in writing. Proof of the execution of any such request, direction or other instrument or of the writing appointing any such agent and of the ownership of Series 2012A Obligations, if made in the following manner, shall be sufficient for any of the purposes of this Indenture and shall be conclusive in favor of the Trustee and the County, with regard to any action taken by them, or either of them, under such request or other instrument, namely:

(i) The fact and date of the execution by any Person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments in such jurisdiction, that the Person signing such writing acknowledged before him the execution thereof, or by the affidavit of a witness of such execution; and

(ii) The ownership of Series 2012A Obligations shall be proved by the register of such Series 2012A Obligations.

(b) Nothing in this Section shall be construed as limiting the Trustee to the proof specified in subsection (a) above, it being intended that the Trustee may accept any other evidence that it may deem sufficient.
(c) Any action taken or suffered by the Trustee pursuant to any provision of this Indenture, upon the request or with the assent of any Person who at the time is the Holder of any Series 2012A Obligation, shall be conclusive and binding upon all future Holders of the same Series 2012A Obligation.

Section 11.2 Limitation of Rights. With the exception of rights expressly conferred in this Indenture, nothing expressed or mentioned in or to be implied from this Indenture or the Series 2012A Obligations is intended or shall be construed to give to any Person other than the parties to this Indenture and the Holders of the Series 2012A Obligations any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions contained in this Indenture.

Section 11.3 Severability. If any one or more sections, clauses, sentences or parts of this Indenture shall for any reason be questioned in any court of competent jurisdiction and shall be adjudged unconstitutional or invalid, such judgment shall not affect, impair or invalidate the remaining provisions of this Indenture, or the Series 2012A Obligations executed and delivered pursuant to this Indenture, but shall be confined to the specific sections, clauses, sentences and parts so adjudged.

Section 11.4 Holidays. When the date on which principal of or interest or premium on any Series 2012A Obligation is due and payable is not a Business Day, payment may be made on Series 2012A Obligations presented at such place of payment on the next Business Day with effect as though payment were made on the due date, and, if such payment is made, no additional interest shall accrue from and after such due date. When any other action is provided in this Indenture to be done on a day named or within a time period named, and the day or the last day of the period falls on a day other than a Business Day, it may be performed on the next ensuing Business Day with effect as though performed on the appointed day or within the specified period.

Section 11.5 Governing Law. This Indenture and the Series 2012A Obligations are contracts made under the laws of the State and shall be governed and construed in accordance with such laws.

Section 11.6 Notices.

(a) Unless otherwise expressly specified or permitted by the terms of this Indenture, all notices, consents or other communications required or permitted under this Indenture shall be deemed sufficiently given or served if given in writing, mailed by first class mail, postage prepaid and addressed as follows:

10041 and
(v) If to Fitch, addressed to it at One State Street Plaza, New York,
New York 10004.

(b) The parties listed above may from time to time by notice in writing to the
others designate a different address or addresses for notices under this Indenture.

Section 11.7 Counterparts. This Indenture may be executed in several counterparts,
each of which shall be an original and all of which together shall constitute one instrument.

Section 11.8 Waiver of Personal Liability. No director, officer, agent, financial
advisor, counsel or employee of the County shall be individually or personally liable for the
payment of the principal amount or redemption price of or interest on the Series 2012A
Obligations; but nothing contained in this Indenture shall relieve any such director, officer,
agent, financial advisor, counsel or employee from the performance of any official duty provided
by law.

Section 11.9 Binding Effect. This instrument shall inure to the benefit of and shall be
binding upon the parties to this Indenture and their respective successors and assigns subject to
the limitations contained in this Indenture. Except as provided in this Indenture, the trust under
this Indenture shall not be assigned to any other person, corporation, partnership or trustee unless
the Trustee is required by law to divest, or does divest, itself of its trust department or unless the
Trustee shall sell or assign substantially all of its corporate trust business in which event the trust
under this Indenture shall be continued by the Trustee’s successor in interest.

Section 11.10 Certain Statutory Notices.

(a) To the extent applicable by provision of law, the Trustee acknowledges
that this Indenture is subject to cancellation pursuant to Section 38-511, Arizona Revised
Statutes, as amended, the provisions of which are incorporated in this Indenture and which
provides that the County may within three years after its execution cancel any contract (including
this Indenture) without penalty or further obligation if any person significantly involved in
initiating, negotiating, securing, drafting or creating the contract on behalf of the County is at any
time while the contract or any extension of the contract is in effect, an employee or agent of any
other party to the contract in any capacity or a consultant to any other party to the contract with
respect to the subject matter of the contract. The Trustee covenants not to employ as an
employee, an agent or, with respect to the subject matter of this Indenture, a consultant, any
person significantly involved in initiating, negotiating, securing, drafting or creating this
Indenture on behalf of the County within three years from the execution of this Purchase
Agreement. The County and the Trustee represent that, to the best of their knowledge, as of the
date of this Purchase Agreement, no basis exists for the County to cancel this Purchase
Agreement pursuant to Section 38-511 of the Arizona Revised Statutes, as amended.
(b) To the extent applicable under Section 41-4401, Arizona Revised Statutes, as amended, the Trustee shall comply with all federal immigration laws and regulations that relate to its employees and its compliance with the E-verify requirements under Section 23-214(A), Arizona Revised Statutes, as amended. The breach by the Trustee of the foregoing shall be deemed a material breach of this Indenture and may result in the termination of the services of the Trustee by the County. The County retains the legal right to randomly inspect the papers and records of the Trustee to ensure that the Trustee is complying with the above-mentioned warranty. The Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Trustee shall cooperate with the random inspections including by granting the County entry rights onto its property to perform such random inspections and waiving its rights to keep such papers and records confidential.

(c) Pursuant to Sections 35-391.06 and 35-393.06, Arizona Revised Statutes, as amended, the Trustee certifies that it does not have a scrutinized business operation in Sudan or Iran. For the purpose of this subsection, the term “scrutinized business operations” shall have the meanings set forth in Section 35-391 or and 35-393, Arizona Revised Statutes, as amended, as applicable. If the County determines that the Trustee submitted a false certification, the County may impose remedies as provided by law including terminating the services of the Trustee.

Section 11.11 Facsimile Instructions. The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Trustee has received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons. The incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a previous written instruction. The County agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions (provided the signatures appear to be the signatures on the incumbency certificate and the e-mail appears to have been sent from a County e-mail address or facsimile machine), and the risk of interception and misuse by third parties.

Section 11.12 Force Majeure. The Trustee shall not be considered in breach of or in default in its obligations under this Indenture or progress in respect thereto in the event of enforced delay (“unavoidable delay”) in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, Acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other like occurrences beyond the control of the Trustee; it being understood that the Trustee shall use reasonable efforts that are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.
IN WITNESS WHEREOF, the County has caused these presents to be signed in the name and on its behalf by its duly authorized officer and, to evidence its acceptance of the trusts created by this Indenture, the Trustee has caused these presents to be signed in its name and on its behalf by its duly authorized officer, all as of the day and year first above written.

EVIDENCING A PROPORTIONATE INTEREST OF THE HOLDER HEREOF
IN INSTALLMENT PAYMENTS OF THE PURCHASE PRICE TO BE PAID
BY PIMA COUNTY, ARIZONA, PURSUANT TO A
SERIES 2012A PURCHASE AGREEMENT,
DATED AS OF DECEMBER 1, 2012
AS ASSIGNED TO
.............................................................., AS TRUSTEE

No: .......... Denomination: ..............

INTEREST RATE: ..........% MATURITY DATE: JULY 1, ....

PRINCIPAL AMOUNT: .......................................................... DOLLARS

The registered owner identified above, or registered assigns, as the registered owner of
this Sewer System Revenue Obligation, Series 2012A (this “obligation”), is the owner of an
undivided proportionate interest in the right to receive certain installments of the “Purchase
Price” pursuant to that certain Series 2012A Purchase Agreement, dated as of December 1, 2012
(the “Purchase Agreement”), by and between ......................................................, a national
banking association, authorized to exercise trust powers in the State of Arizona, in its separate
capacity as seller (the “Seller”), and Pima County, Arizona, a political subdivision of the State of
Arizona, as purchaser (the “County”), which installments and certain other rights and interests
under the Purchase Agreement have been assigned to ......................................................, in its
separate capacity as trustee (together with any successor thereto, the “Trustee”), pursuant to that
certain Series 2012A Obligation Indenture, dated as of December 1, 2012 (the “Indenture”), by
and between the County and the Trustee.

The registered owner of this obligation is entitled to receive, subject to the terms of the
Purchase Agreement, on the maturity date set forth above, the principal amount set forth above,
representing a portion of the installments of the Purchase Price denominated as principal coming
due on the Maturity Date set forth above, and to receive on July 1, 2013, and semiannually on
January 1 and July 1 of each year thereafter (each an “Obligation Payment Date”) until payment
in full of said portion of principal, the registered owner’s proportionate share of the installments
of the Purchase Price denominated as interest coming due during the six month period (or
portion thereof) immediately preceding each of such dates; provided that the first installment shall be for interest from the date of initial execution and delivery to July 1, 2013. Said proportionate share of the portion of such installments designated as interest is the result of the multiplication of the aforesaid portion of such installments designated as principal by the rate per annum set forth above.

The proportionate share of the portion of the installments of the Purchase Price denominated as interest is payable when due to the person in whose name this obligation is registered at the close of business on the 15th day of the calendar month next preceding each Obligation Payment Date, except that interest not duly paid or provided for when due shall be payable to the person in whose name this obligation is registered at the close of business on a special record date to be fixed for the payment of defaulted interest. Such defaulted interest shall be payable to the person in whose name such obligation is registered at the close of business on a special record date for the payment of such defaulted interest established by notice mailed to the holders of the obligations not less than 15 days preceding such special record date. Such notice shall be mailed to the holder in whose name this obligation is registered at the close of business on the fifth day preceding the date of mailing. If the Trustee registers the transfer on any obligation subsequent to the mailing of such notice and on or before the special record date, any such notice of payment of defaulted interest shall be binding upon the transferee and a copy of the notice of payment of defaulted interest shall be delivered by the Trustee to the transferee along with the obligation or obligations. (Any payment due on this obligation that shall not be paid when due shall bear interest at the rate of interest, compounded semiannually, set forth above from the date such payment is due until the payment is made.)

Principal of and premium, if any, and interest on this obligation are payable in lawful money of the United States of America that on the date of payment thereof is legal tender for the payment of public and private debts. Payments of interest will be made by check mailed by the Trustee as paying agent to the registered address of the person entitled thereto; provided, however, that the Indenture provides that upon certain circumstances the payments of interest on this obligation may, at the direction of the person in whose name this obligation is registered, be made by wire transfer of immediately available funds. The proportionate share of the portion of the installments of the Purchase Price denominated as principal and any premium payable upon redemption, if any, when due, shall be paid upon surrender of this obligation at the designated corporate trust office of the Trustee.

This obligation is one of a series, limited in aggregate original principal amount of $128,795,000 (the “Series 2012A Obligations”), which have been executed and delivered under the Indenture and are limited, special revenue obligations, payable solely from the sources (particularly the Purchase Agreement) and in the manner described in the Indenture, in order to acquire certain property comprising a portion of the sewer system of the County. The payments to be made by the County pursuant to the Purchase Agreement are to be in an amount sufficient to make the payments due on the Series 2012A Obligations, and payments by the County under the Purchase Agreement are to be made from, and secured by, a pledge of certain revenues, proceeds and receipts to be derived by the County from such system. Under the restrictions set out in the Purchase Agreement, additional parity obligations have been and may be incurred by the County payable from such sewer revenues. (No additional obligations senior to the Series
2012A Obligations may be incurred by the County payable from such revenues.) For a more complete statement of the provisions made to secure payment of the Series 2012A Obligations, the revenues from and conditions under which this obligation is payable, statements of the terms under which the Purchase Agreement may be modified and the general covenants and provisions pursuant to which this obligation is issued, reference is made to the Indenture.

This obligation shall not constitute a debt of the County, the State of Arizona or any political subdivision thereof within the meaning of any provision of the Constitution or laws of the State of Arizona and shall not constitute or give rise to a pecuniary liability of the County, the State of Arizona or any other political subdivision thereof or a charge against the general credit or taxing powers of any of them. This obligation and the interest on this obligation are enforceable exclusively from the revenues pledged thereto in the Purchase Agreement, and no holder of this obligation shall have the right to compel any exercise of the taxing power of the County to pay this obligation or the interest on this obligation.

Counterparts or copies of the Indenture and the other documents referred to in this obligation are on file at the designated office of the Trustee, and reference is made thereto and to the documents referred to therein for the provisions thereof, including the provisions with respect to the rights, obligations, duties and immunities of the Trustee, the County, and the registered owners of the Series 2012A Obligations under such documents, to all of which the registered owner of this obligation, by acceptance of this obligation, assents.

The Series 2012A Obligations maturing on or prior to July 1, 2022, are not subject to optional redemption prior to maturity. The Series 2012A Obligations maturing on and after July 1, 2023, are subject to redemption, in whole or in part on any date on or after July 1, 2022, in increments of $5,000 of principal amount due on a specific maturity date, in any order of maturity, all as directed by the County, and by lot within a maturity (as provided in the Indenture) by payment of the principal amount of each Series 2012A Obligation to be redeemed plus interest accrued to the date fixed for redemption, without premium.

Notice of redemption shall be mailed not less than 30 days nor more than 60 days prior to the date set for redemption to each registered owner of a Series 2012A Obligation to be so redeemed at the address shown on the books of the Trustee, but failure so to mail any such notice or any defect in such notice as to any Series 2012A Obligation shall not affect the validity of the proceedings for the redemption of any other Series 2012A Obligation. On the specified redemption date all Series 2012A Obligations called for redemption shall cease to bear interest and shall no longer be secured by the Indenture provided funds for redemption are on deposit at the place of payment at that time.

The registered owner of this obligation shall have no right to enforce the provisions of the Indenture or to institute an action to enforce the covenants thereof, or to take any action with respect to a default of this obligation, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

The Indenture and other documents referred to therein may be modified or amended to the extent permitted by and as provided therein. Certain amendments, modifications or changes that would affect the rights of registered owners of Series 2012A Obligations may be made only
with the consent of a majority of the registered owners of the Series 2012A Obligations then outstanding under the Indenture, as provided in the Indenture. Any such consent by the registered owner of this obligation shall be conclusive and binding upon such registered owner and all subsequent registered owners. However, as to certain other amendments that will not materially adversely affect the interests of the registered owners, no consent of any Holder shall be required.

The Series 2012A Obligations are and shall be executed and delivered only in fully registered form. Subject to the limitations provided for in the Indenture, this obligation may be exchanged for a like aggregate principal amount payable at maturity of Series 2012A Obligations of the same maturity in authorized denominations.

This obligation is transferable by the registered owner of this obligation in person or by his attorney duly authorized in writing at the designated corporate trust office of the Trustee, but only in the manner and subject to the limitations provided for in the Indenture and upon surrender and cancellation of this obligation. Upon such transfer a new Series 2012A Obligation or Series 2012A Obligations of the same maturity and in authorized denominations for the same aggregate principal amount payable at maturity will be executed and delivered to the transferee in exchange.

The Trustee may require a registered owner, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture in connection with any exchange or transfer.

The Trustee and any paying agent may treat the registered owner of this obligation as the absolute owner for the purpose of receiving payment as provided in this obligation and for all other purposes and none of them shall be affected by any notice to the contrary.

As used in this obligation, the term “owner” means the person who at the time of nonpayment of a Series 2012A Obligation is entitled under the terms of such Series 2012A Obligation to payment thereof.

It is certified and recited that all acts, conditions and things required to exist, to happen and to be performed precedent to and in the execution and delivery of this obligation have existed, have happened and have been performed in due form, time and manner as required by law.

IN TESTIMONY WHEREOF, this obligation has been executed and delivered by the Trustee, acting pursuant to the Indenture.

WHEREAS, the Board may in the future authorize the execution and delivery of additional obligations to finance or refinance improvements to the System which will be payable from net revenues derived from operation of the System on a parity with the Outstanding Parity Obligations (the “Additional Parity Obligations” and, together with the Outstanding Parity Obligations, the “Parity Obligations”), under the conditions permitted in the documents authorizing the execution and delivery of the then-Outstanding Parity Obligations; and

WHEREAS, if the County Administrator of the County deems it prudent and advantageous to prepay or redeem any Prior Obligations or Parity Obligations from time to time prior to the maturity or payment dates thereof, it may be necessary for the County to execute and deliver one or more depository trust agreements or escrow agreements (each a “Depository Trust Agreement”) with a depository trustee or escrow agent named therein (each a “Depository Trustee”); and

WHEREAS, the County has determined that it is advantageous and in the public interest to provide for and approve such prepayment or redemption of any outstanding Prior Obligations or Parity Obligations from time to time prior to the payment dates thereof in order to secure the financial advantages for the County:
NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF PIMA COUNTY, ARIZONA, AS FOLLOWS:

1. The Chairman, Vice Chairman or Acting Chairman of this Board or the County Administrator of the County (each an “Authorized Officer”) are each hereby authorized, empowered and directed, with the approval of counsel to the County, in the name and on behalf of the County, to execute or attest, as required, and deliver Depository Trust Agreements and any related agreements or documents (collectively, the “County Documents”) related to the prepayment or redemption of Prior Obligations or Parity Obligations, in such forms as shall be reviewed by counsel to the County and approved by the Authorized Officer executing the same.

2. From and after the execution and delivery of the County Documents in definitive form by the County and the other parties thereto, as required, the officers, agents and employees of the County are hereby authorized, empowered and directed to do all such acts and things and to execute all such agreements, documents, instruments and certificates as may be necessary or desirable in connection with the execution and delivery of the County Documents or the prepayment or redemption of Prior Obligations or Parity Obligations, including, without limitation, calling for redemption such Prior Obligations or Parity Obligations for which payments are being provided and directing the transfer of County funds to the Depository Trustee for the purpose of such prepayment or redemption.

3. All actions of the officers, agents and employees of the County which are in conformity with the purposes and intent of the foregoing resolutions be, and the same are hereby, in all respects, authorized, approved, ratified and confirmed.

(SEWER SYSTEM REVENUE OBLIGATIONS, SERIES 2012A)

THIS DEPOSITORY TRUST AGREEMENT (SEWER SYSTEM REVENUE OBLIGATIONS, SERIES 2012A), dated as of August 1, 2021, between PIMA COUNTY, ARIZONA (the “County”) and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., as Trustee under the hereinafter-described Series 2012A Obligation Indenture and as Depository Trustee (the “Depository Trustee” or the “Trustee”),

W I T N E S S E T H:

WHEREAS, pursuant to a Series 2012A Obligation Indenture dated as of December 1, 2012 (the “Series 2012A Obligation Indenture”), between the County and Depository Trustee, as trustee thereunder, and a Series 2012A Purchase Agreement, dated as of December 1, 2012 (the “Series 2012A Purchase Agreement”), between the County, as buyer, and the Depository Trustee, as seller thereunder, there have been executed and delivered the Sewer System Revenue Obligations, Series 2012A (the “Series 2012A Obligations”), to finance portions of the County’s sewer system (the “System”), which are payable solely from revenues of the System after deduction for operating expenses, as provided in the Series 2012A Obligation Indenture; and

WHEREAS, pursuant to Resolution No. 2018-16 (the “Resolution”) adopted by the Board on March 20, 2018, the County now desires to provide for the payment of the Series 2012A Obligations identified on Exhibit A attached hereto in advance of their respective maturities (collectively, the “Escrowed Obligations”); and

WHEREAS, pursuant to the Resolution, the County has caused to be purchased obligations issued or guaranteed by the United States Government (hereinafter referred to as “Defeasance Obligations”), the maturing principal of and investment income from which will be sufficient to redeem on July 1, 2022 the Escrowed Obligations maturing on July 1 in the years 2023 and 2024; and

WHEREAS, the Resolution approves the execution and delivery of this Depository Trust Agreement with the Depository Trustee for the purpose of creating an irrevocable trust for the administration and safekeeping of the Defeasance Obligations and other moneys to be held in trust for, and irrevocably pledged to, the payment of the Escrowed Obligations; and

WHEREAS, the Depository Trustee agrees to accept and administer the trust created hereby for such purpose:

NOW, THEREFORE, in consideration of the mutual covenants, conditions and agreements hereinafter contained, IT IS HEREBY AGREED as follows:

Section 1. Definitions. For the purpose of this Depository Trust Agreement, unless the context otherwise requires, the following words and phrases shall have the following meanings:

“Bond Counsel” means a firm of attorneys of national reputation and experienced in the field of municipal bonds whose opinions are generally accepted by purchasers of municipal bonds.
“Business Day” means a day of the year (i) which is not a Saturday or Sunday, (ii) on which banks located in the city in which the corporate trust office of the Depository Trustee is located are not required or authorized to remain closed and (iii) on which the New York Stock Exchange is not closed.

“Defeasance Obligations” means any security listed in Exhibit B attached hereto and any other “Defeasance Obligation” as defined in the Series 2012A Obligation Indenture.

“Depository Trust Agreement” means this Depository Trust Agreement (Sewer System Revenue Obligations, Series 2012A), dated as of August 1, 2021, between the County and the Depository Trustee.

“Depository Trustee” or “Trustee” means The Bank of New York Mellon Trust Company, N.A. and its successors, as the Trustee under the Series 2012A Obligation Indenture and as the Depository Trustee under this Depository Trust Agreement.

“Escrowed Obligations” means the obligations described in Exhibit A attached hereto.

“Expense Account” means the account so named created pursuant to Section 12 hereof.

“Report” means the written verification report addressed to the Depository Trustee by Robert Thomas CPA, LLC, certified public accountants, of the accuracy of the arithmetical computations of the adequacy of the maturing principal of and interest on the investments held by Depository Trustee in the trust accounts created hereunder to pay, when due, principal, premium, if any, and interest, on the Escrowed Obligations as the same become due.

“State” means the State of Arizona.

“Trust Account” means the trust fund so named created pursuant to Section 3 hereof.

Section 2. Acknowledgment by Depository Trustee. The Depository Trustee acknowledges receipt of copies of the Series 2012A Obligation Indenture and the Report.

Section 3. Creation of Trust Account; Payment of Debt; Expense Account.

(a) The County hereby declares this Depository Trust Agreement to be an irrevocable trust made for the benefit of the holders of the Escrowed Obligations, as their respective interests may appear (the “Beneficiaries”).

In the event that this Depository Trust Agreement is ever declared void, made voidable, terminated or canceled for any reason, the express trust created herein shall continue for the benefit of the Beneficiaries, and the County shall use its best efforts to obtain a qualified successor bank to act as Depository Trustee hereunder. In the further event that no successor depository trustee
shall qualify to succeed as trustee hereunder, the trust herein declared shall not terminate, and the County shall hold the moneys and Defeasance Obligations then on deposit in the hereinafter described Trust Account in trust for the Beneficiaries.

(b) The County shall cause to be deposited with the Depository Trustee the aggregate sum of $20,893,855.62. The Depository Trustee shall deposit $32,000.00 of such moneys in the Expense Account described in Section 12 hereof. The Depository Trustee agrees to hold the remaining amount of the deposit and all investments made with such moneys and all earnings from investment and reinvestment of such moneys as a special trust fund (the “Trust Account”) separate from all other funds and investments held by the Depository Trustee. The Trust Account shall be held by the Depository Trustee pursuant to Section 10.2 of the Series 2012A Obligation Indenture and this Depository Trust Agreement to pay when due debt service on the Escrowed Obligations.

(c) The amounts credited to the Trust Account, other than an initial cash balance of $337.50, shall be applied immediately to create the portfolio of moneys and Defeasance Obligations described in Exhibit B attached hereto and constituting “Defeasance Obligations” under the Series 2012A Obligation Indenture, which is a part of this Depository Trust Agreement. The Depository Trustee shall keep adequate and accurate records of such moneys, Defeasance Obligations and investment earnings thereon and all payments from the Trust Account. The Depository Trustee shall not redeem the Defeasance Obligations in advance of their maturity dates except as provided in this Depository Trust Agreement. Amounts earned on investments held in the Trust Account shall be deposited, as and when the same are earned, thereto.

(d) If on the date of the deposit to the Trust Account (the “Closing Date”), the Depository Trustee shall not receive from the seller thereof any of the Defeasance Obligations listed in Exhibit B attached hereto (“Failed Escrow Securities”), the Depository Trustee shall accept, as temporary substitutes, at the same purchase price, other Defeasance Obligations under the Series 2012A Obligation Indenture (collectively, “Substitute Escrow Securities”), the payments on which are scheduled to provide, as determined by an independent certified public accountant, at least the same amounts of moneys on or before the same dates as the Failed Escrow Securities for which they are substituted. The Depository Trustee may rely upon the opinion of independent public accountants that the condition in the preceding sentence is satisfied.

If Substitute Escrow Securities are delivered thereafter, upon delivery by the seller to the Depository Trustee of Failed Escrow Securities together with any amounts paid thereon subsequent to the Closing Date, the Depository Trustee shall return to the seller an amount of Substitute Escrow Securities, and any amounts paid thereon subsequent to the Closing Date, corresponding to the Failed Escrow Securities which the Substitute Escrow Securities replaced.

The moneys and Defeasance Obligations credited to the Trust Account and all proceeds thereof are pledged solely to payment of principal of and interest or redemption premium on the Escrowed Obligations to the extent necessary for such payment and shall be used solely for that purpose except as otherwise expressly provided herein. To secure such payment, the Beneficiaries are granted a security interest in such moneys and Defeasance Obligations and proceeds thereof to the extent necessary for such payment.
If the Depository Trustee learns that the Department of the Treasury or the Bureau of Fiscal Service will not, for any reason, accept a subscription of state and local government series securities (“SLGS”) that is to be submitted pursuant to this Depository Trust Agreement, the Depository Trustee shall promptly request alternative written investment instructions from the County with respect to funds which were to be invested in SLGS. The Depository Trustee shall follow such instructions and, upon the maturity of any such alternative investment, the Depository Trustee shall hold such funds uninvested and without liability for interest until receipt of further written instructions from the County. In the absence of investment instructions from the County, the Depository Trustee shall not be responsible for the investment of such funds or interest thereon. The Depository Trustee may conclusively rely upon the County’s selection of an alternative investment as a determination of the alternative investment’s legality and suitability and shall not be liable for any losses related to the alternative investments or for compliance with any yield restriction applicable thereto.

Section 4. Payment of Escrowed Obligations; Notices of Defeasance and Redemption.

(a) The Depository Trustee, as Trustee and Paying Agent for the Escrowed Obligations, is hereby irrevocably authorized and directed to make payments of principal, premium, if any, and interest on the Escrowed Obligations, when due, in the respective amounts due on such payment dates for the Escrowed Obligations in accordance with Exhibit C attached hereto.

(b) The County is hereby delivering notice to the Depository Trustee of the County’s irrevocable election to call the Escrowed Obligations maturing on July 1 in the years 2023 and 2024 for redemption on the redemption date set forth on Exhibit A and the Depository Trustee is hereby also authorized and directed to mail notices of defeasance to each registered owner of a Escrowed Obligation in accordance with the Series 2012A Obligation Indenture, such mailing to take place on the date of creation of the Trust Account and to mail notices of redemption to each registered owner of a Escrowed Obligation in accordance with the Series 2012A Obligation Indenture. The Depository Trustee is also hereby authorized and directed to post such notices referenced above on the Electronic Municipal Market Access system on behalf of the County. The sole remedy for the Depository Trustee’s failure to post such notices on the Electronic Municipal Market Access system will be an action in mandamus by the holders of the Escrowed Obligations for specific performance or similar remedy to compel performance.

Section 5. Application of Moneys; Reinvestment; Liquidation. The Depository Trustee shall, at all times, hold the Defeasance Obligations and all moneys in the Trust Account for the account of the County and for the benefit of the Beneficiaries, shall maintain the Trust Account wholly segregated from other funds and securities on deposit with the Depository Trustee, shall never commingle such Defeasance Obligations and other moneys with other funds or obligations of the Depository Trustee, and shall never at any time use, loan or borrow the same in any way.

Notwithstanding the foregoing, the Depository Trustee may liquidate investments and reinvestments held in the Trust Account in advance of their maturity dates, and may reinvest or otherwise disburse the liquidation proceeds or other amounts only upon receipt of:
(a) Written instructions from the County to do so;

(b) An opinion of Bond Counsel to the effect that such action will not adversely affect the exclusion from gross income for purposes of Federal income taxation of the interest income on the Escrowed Obligations, and will not cause the Escrowed Obligations to become “arbitrage bonds” as that term is defined in Section 148 of the Code; and

(c) A report from an independent certified public accountant or firm of independent certified public accountants whose members are also members of the American Institute of Certified Public Accountants and acceptable to the County, verifying the accuracy of the arithmetical computations of the adequacy of the proceeds from the liquidation, if any, together with any additional deposits and the maturing principal of and interest of Defeasance Obligations, if any, to be acquired by the Depository Trustee in accordance with the County’s instructions, to pay, when due, without reinvestment the amounts to be paid from the Trust Account as provided herein.

Notwithstanding any provision herein to the contrary, all reinvestments shall be in Defeasance Obligations, and the Depository Trustee shall rely upon the report to show that such Defeasance Obligations shall mature on or before the dates required to pay, when due, the principal of and interest and redemption premium, if any, of the Escrowed Obligations and in an amount at least equal to the purchase price thereof.

Section 6. Security for Deposits. Any moneys credited to the Trust Account which are not invested in Defeasance Obligations as provided herein, shall be held as cash and shall at all times be insured by the Federal Deposit Insurance Corporation or be secured by Defeasance Obligations at least equal in value to the amount of such moneys.

Section 7. Certain Covenants. The County covenants that:

(a) It will take no action or fail to take any action, either directly or through affiliates, which action or failure to take action would adversely affect the exemption from federal income taxation of the interest income on any of the Escrowed Obligations.

(b) It will not take or direct any action which will cause the Escrowed Obligations to become “arbitrage bonds” as that term is defined in Section 148(a) of the Code.

(c) It will preserve the validity of the Escrowed Obligations and the exclusion from gross income for purposes of federal income tax of interest on the Escrowed Obligations.

Section 8. Acceptance. The Depository Trustee shall have only the duties set forth herein and referred to in the Series 2012A Obligation Indenture authorizing the Escrowed Obligations with no liability in connection with any action or omission to act hereunder, except for its own negligence, willful misconduct and no liability for payments on the Escrowed Obligations except from the funds herein pledged for that purpose. By executing this Depository Trust Agreement, the Depository Trustee shall evidence its acceptance of the powers, duties and responsibilities bestowed upon and requested of the Depository Trustee under the terms hereof.
Section 9. Reports. On or prior to January 15, 2022 and July 15, 2022, the Depository Trustee shall submit to the County a report covering all moneys it shall have received and all payments it shall have made under the provisions hereof for the immediately preceding semiannual period until the Escrowed Obligations have been paid and redeemed.

Section 10. Responsibilities and Indemnification.

(a) The Depository Trustee shall have no responsibility or liability for any action taken in accordance with the express provisions hereof and shall have no liability for the genuineness of any investments made or received hereunder or for any loss resulting from any investments made pursuant hereto. In the event the Depository Trustee is required or permitted hereby, or is requested hereunder, to take any action (or refrain from taking any action) which exposes the Depository Trustee to risk of liability or expense, the Depository Trustee shall have no duty to take (or refrain from taking) any such action until the Depository Trustee has been furnished with indemnity satisfactory, in its sole judgment, to protect the Depository Trustee, its directors, officers, employees, agents and attorneys for, from and against such liability or expense, and all reasonable costs and expenses (including reasonable attorneys’ fees and expenses) in connection therewith.

(b) (i) The County agrees, to the extent permitted by law, to indemnify and hold the Depository Trustee, its directors, officers, employees, agents and attorneys harmless for, from and against any and all claims, liabilities, judgments, losses, costs and expenses (including reasonable attorneys’ fees and expenses) arising from the Depository Trustee’s performance of its duties hereunder. Such indemnification shall not extend to claims successfully brought against the Depository Trustee, its directors, officers, employees, agents or attorneys, for, or liabilities, losses, costs and expenses incurred as a result of, the Depository Trustee’s own negligence or willful misconduct. In the event any action or proceeding is instituted or pending against the Depository Trustee, its directors, officers, employees, agents or attorneys by reason of the Depository Trustee’s performance of its duties hereunder, the County may, at its election, assume the defense of any such action or proceeding with counsel satisfactory to the indemnified party. The County may, without the prior approval of the indemnified party, settle any such action or proceeding on such terms as may be acceptable to the County provided the County assumes all responsibility and liability in connection with any such settlement. Any such settlement shall not, of itself, create a presumption as to the merits of any claims alleging the Depository Trustee’s own negligence or willful misconduct in the performance of its duties hereunder.

(ii) This Section 10(b) shall survive the termination of this Depository Trust Agreement and the earlier removal or resignation of the Depository Trustee.

(iii) None of the provisions of this Depository Trust Agreement shall require the Depository Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder. The Depository Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Depository Trustee may consult with counsel and the advice or any opinion of counsel shall be full and complete authorization and protection in
respect of any action taken or omitted by it hereunder in good faith and in accordance with such advice or opinion of counsel. The Depository Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care, and shall not be responsible for any willful misconduct or negligence on the part of any agent, attorney, custodian or nominee so appointed.

(iv) The Depository Trustee may at any time resign by giving 30 days written notice of resignation to the County. Upon receiving such notice of resignation, the County shall promptly appoint a successor and, upon the acceptance by the successor of such appointment, release the resigning Depository Trustee from its obligations hereunder by written instrument, a copy of which instrument shall be delivered to each of the County, the resigning Depository Trustee and the successor. If no successor shall have been so appointed and have accepted appointment within 60 days after the giving of such notice of resignation, the resigning Depository Trustee may petition any court of competent jurisdiction for the appointment of a successor.

(v) Anything in this Depository Trust Agreement to the contrary notwithstanding, in no event shall the Depository Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits).

(vi) The Depository Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Depository Trust Agreement and delivered using Electronic Means (“Electronic Means” shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Depository Trustee, or another method or system specified by the Depository Trustee as available for use in connection with its services hereunder); provided, however, that the County shall provide to the Depository Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the County whenever a person is to be added or deleted from the listing. If the County elects to give the Depository Trustee Instructions using Electronic Means and the Depository Trustee in its discretion elects to act upon such Instructions, the Depository Trustee’s understanding of such Instructions shall be deemed controlling. The County understands and agrees that the Depository Trustee cannot determine the identity of the actual sender of such Instructions and that the Depository Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Depository Trustee have been sent by such Authorized Officer. The County shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Depository Trustee and that the County and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the County. The Depository Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Depository Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The County agrees: (A) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Depository Trustee, including without limitation the risk of the Depository Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (B) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the
Depository Trustee and that there may be more secure methods of transmitting Instructions than
the method(s) selected by the County; (C) that the security procedures (if any) to be followed in
connection with its transmission of Instructions provide to it a commercially reasonable degree of
protection in light of its particular needs and circumstances; and (D) to notify the Depository
Trustee immediately upon learning of any compromise or unauthorized use of the security
procedures.

Section 11. Fees. The Depository Trustee hereby acknowledges receipt of its fee in the
total amount of $750.00. Except as otherwise expressly provided herein, such fee, which the
County hereby agrees to pay on or promptly after the Closing Date, constitutes all payments the
Depository Trustee shall receive with respect to services hereunder; provided, however, that the
County also agrees to pay or reimburse the Depository Trustee for any unusual or extraordinary
costs incurred by it in performance of its duties and to pay the Depository Trustee its usual and
customary fees and to reimburse the Depository Trustee for its reasonable costs (including
reasonable attorneys’ fees and expenses) in connection with the redemption of the Escrowed
Obligations. Notwithstanding the foregoing, the Depository Trustee shall be obligated to perform
its duties hereunder if it does not receive the fees payable to it hereunder subject to its right to
resign under Section 10 hereof. Except as specifically provided in the first sentence of Section 16
hereof, the Depository Trustee shall have no lien nor assert any lien on moneys or investments in
the Trust Account securing payment of its fees or expenses.

Section 12. Expense Account. The Depository Trustee is hereby authorized and
directed to pay solely from the $32,000.00 of moneys deposited with the Depository Trustee as
described in Section 3(b) hereof for such purpose, the costs and expenses associated with the
prepayment of Escrowed Obligations to the parties and in the amounts set forth on Schedule I
attached hereto, upon presentation of an invoice, except the Depository Trustee does not need to
present an invoice. Amounts deposited with the Depository Trustee for such purpose shall be held
in a separate account (the “Expense Account”) and shall not constitute a part of the Trust Account
created with respect to the Escrowed Obligations. Any moneys remaining in the Expense Account
after all authorized expenses have been paid or after October 31, 2021 shall be transferred into the
Interest Account under the Series 2012A Obligation Indenture. Amounts in the Expense Account
shall be invested as directed by the County in writing.

The Depository Trustee shall have no obligation to invest and reinvest any cash held in the
Expense Account in the absence of timely and specific written investment direction from the
County. In no event shall the Depository Trustee be liable for the selection of investments or for
investment losses incurred thereon. The Depository Trustee shall have no liability in respect of
losses incurred as a result of the liquidation of any investment prior to its stated maturity or the
failure of the Depositors to provide timely written investment direction. The County
acknowledges that regulations of the Comptroller of the Currency grant the County the right to
receive brokerage confirmations of the security transactions as they occur, at no additional cost.
To the extent permitted by law, the County specifically waives compliance with 12 C.F.R. 12 and
hereby notifies the Depository Trustee that no brokerage confirmations need be sent relating to the
security transactions as they occur. The Depository Trustee may purchase or sell to itself or any
affiliate, as principal or agent, investments authorized by this Depository Trust Agreement.
Section 13. Assignment. The rights and duties of the Depository Trustee under this Depository Trust Agreement shall not be assigned to any other person, corporation, partnership or trustee unless the Depository Trustee is required by law to divest, or does divest, itself of its trust department or unless the Depository Trustee shall sell or assign substantially all of its corporate trust business in which event the trust hereunder shall be continued by the Depository Trustee’s successor in interest.

Section 14. Right to Deal in Escrowed Obligations. The Depository Trustee may in good faith buy, sell or hold and deal in any Escrowed Obligations with like effect as if it were not such Depository Trustee but such action shall not abrogate, alter or diminish any duty of the Depository Trustee as the depository trustee under this Depository Trust Agreement.

Section 15. Irrevocability; Amendments. The parties hereto recognize that the holders of the Escrowed Obligations have a beneficial and vested interest in the moneys and investments in the Trust Account to pay when due principal, interest and redemption premiums, if any, on the Escrowed Obligations. It is therefore recited, understood and agreed by the parties hereto that this Depository Trust Agreement shall not be revoked or amended without the consent of the holders of 100% of the aggregate principal amount of the Escrowed Obligations, except that this Depository Trust Agreement may be amended without notice to or consent of the holders of the Escrowed Obligations for one or more of the following purposes:

(a) To insert any unintentionally omitted material or to cure any formal defect or omission or to cure any ambiguity, provided any such amendment shall not, as evidenced by an opinion of counsel (in reliance upon an opinion of counsel), materially adversely affect the interests of the holders of the Escrowed Obligations;

(b) To grant or confer upon the holders of the Escrowed Obligations any additional rights, remedies, powers or authority that may lawfully be granted or conferred upon them;

(c) To secure or provide additional revenues or security or reserves for the payment of the Escrowed Obligations; or

(d) To reflect the severance of any section, paragraph, subdivision, sentence, clause or phrase hereof which has been held illegal or unenforceable.

The Depository Trustee shall be entitled to receive and rely on an opinion of counsel that such amendment complies with Section 15 hereof.

Section 16. Termination. When all amounts payable on the Escrowed Obligations have become due and the Depository Trustee has on deposit all moneys necessary for the payment of such amounts, and in any event on the Business Day following the date on which the last of the Escrowed Obligations is to be retired, the Depository Trustee shall deposit all moneys and investments credited to the Trust Account and not needed for payment of principal of and interest on the Escrowed Obligations or fees and expenses of the Depository Trustee into the Interest Account under the Series 2012A Obligation Indenture. Any moneys held by the Depository Trustee or any paying agent for the payment of the principal of and interest on any Escrowed Obligations remaining unclaimed for four years after the principal of all Escrowed Obligations has become due and payable shall then be paid (without liability for interest) to the County and the
holders of any Escrowed Obligations not theretofore presented for payment shall thereafter be
entitled to look only to the County for payment thereof and all liability of the Depository Trustee
and any paying agent with respect to such moneys shall thereupon cease and this Depository Trust
Agreement shall terminate. Any claims of the Depository Trustee against the County for amounts
due the Depository Trustee pursuant to Sections 10 and 11 hereof shall survive the termination of
this Depository Trust Agreement.

Section 17. Severability. If any section, paragraph, subdivision, sentence, clause or
phrase hereof shall for any reason be held illegal or unenforceable, such decision shall not affect
the validity of the remaining portions hereof. If any provision hereof contains an ambiguity which
may be construed as either valid or invalid, the valid construction shall be adopted.

Section 18. Applicable Laws. This Depository Trust Agreement shall be governed
exclusively by the provisions hereof and by the applicable laws of the State.

Section 19. Headings for Reference Only. The headings herein are inserted for
reference only and shall not define or limit the provision hereof.

Section 20. Counterparts. This Depository Trust Agreement may be executed in
several counterparts, each of which shall be an original, but all of which together shall constitute
but one instrument.

Section 21. Notices. All notices, consents or other communications required or
permitted to be made hereunder to the parties hereto shall be deemed sufficient if given in writing,
addressed and mailed by certified or registered mail, postage prepaid as follows:

To the County:

Pima County, Arizona
130 West Congress, 6th Floor
Tucson, Arizona 85701
Attention: Finance and Risk Management Director

To the Depository Trustee or the Trustee:

The Bank of New York Mellon Trust Company, N.A.
601 Travis Street, 16th Floor
Houston, TX 77002
Attention: Corporate Trust Services

or to such other address as such party may hereafter designate by notice in writing addressed and
mailed or delivered to each other party hereto.

Section 22. Statutory Notice Regarding Cancellation of Contracts. As required by
the provisions of Arizona Revised Statutes Section 38-511, as amended, notice is hereby given
that the County may cancel any contract, without penalty or further obligation, made by the County
if any person significantly involved in initiating, negotiating, securing, drafting or creating the
contract on behalf of the County is, at any time while the contract or any extension of the contract
is in effect, an employee of any other party to the contract in any capacity or a consultant to any other party of the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice from the County’s Board of Supervisors is received by all other parties to the contract unless the notice specifies a later time.

Section 23. Certain Warranties and Certifications from the Depository Trustee.

(a) To the extent applicable under Arizona Revised Statutes (“A.R.S.”) § 41-4401, the Depository Trustee, in its capacity as Depository Trustee hereunder and as Trustee under the Series 2012A Obligation Indenture, including its subcontractors who work on this Depository Trust Agreement or the Series 2012A Obligation Indenture, warrants compliance with all federal immigration laws and regulations that relate to its employees and compliance with the E verify requirements under A.R.S. § 23-214(A). The breach by the Depository Trustee of the foregoing shall be deemed a material breach by the Depository Trustee of this Depository Trust Agreement and the Series 2012A Obligation Indenture and may result in the termination of its role as Trustee under the Series 2012A Obligation Indenture and as Depository Trustee hereunder and its replacement with a successor in such capacities, to the extent permitted by the Series 2012A Obligation Indenture. The County retains the legal right to randomly inspect the papers and records of the Depository Trustee to ensure that the Depository Trustee is complying with the above-mentioned warranty. The Depository Trustee shall keep such papers and records open for random inspection by the County during normal business hours. The Depository Trustee shall cooperate with the random inspections by the County, including granting the County entry rights onto its property to perform such random inspections. To the extent permitted by law, the County will preserve the confidentiality of any information, records, or papers the County views, accesses, or otherwise obtains during any and every such random inspection.

INDEPENDENT ACCOUNTANT’S VERIFICATION REPORT

The Bank of New York Mellon
Trust Company, N.A. (“Escrow Agent”)

Pursuant to the request of the Municipal Advisor, on behalf of the County, we have performed certain procedures, as discussed below, in connection with the County’s proposed defeasance of a portion of the $128,795,000 Sewer System Revenue Obligations, Series 2012A, dated December 6, 2012 (the “2012A Obligations”).

Available funds from the County will be used to establish a cash deposit and to acquire certain United States Treasury Bills (the “T-Bills”) and Notes (the “T-Notes”) (collectively, the “Escrowed Securities”) to defease a portion of the 2012A Obligations (the “Defeased 2012A Obligations”), as listed below.

The procedures, as summarized below, were performed solely to assist the addressees of this report in evaluating the mathematical accuracy of certain schedules prepared by the Municipal Advisor which indicate that:

- there will be sufficient funds available in an escrow account (the “Escrow Fund”), to be established on August 26, 2021, to pay the payments of principal and interest related to the Defeased 2012A Obligations (the “Escrow Requirements”), assuming the Defeased 2012A Obligations, in the aggregate principal amount of $19,875,000, will be called and redeemed on the optional redemption date of July 1, 2022 at 100.00 percent of the principal amount thereof plus accrued interest; and
- the yield on the Escrowed Securities is less than the yield on the 2012A Obligations.

The procedures we performed are summarized below:

1. We independently calculated the Escrow Requirements related to the Defeased 2012A Obligations using information from the Official Statement dated November 14, 2012 (the “Prior Obligation Documents”), compared the Escrow Requirements to the Municipal Advisor’s schedules, and found the Escrow Requirements to be in agreement. We assume the Prior Obligation Documents to be accurate and have relied solely on the documents named in this paragraph to calculate Escrow Requirements.

2. We independently calculated the future cash receipts from the Escrowed Securities and compared the future cash receipts to the Municipal Advisor’s schedules. We found the future cash receipts to be in agreement.

3. Using the results of our independent calculations described in procedures 1 and 2 and assuming the cash deposit to the Escrow Fund of $337.50 on August 26, 2021, we prepared an Escrow Fund cash flow schedule (attached hereto as Exhibit B). The resulting cash flow schedule indicates that there will be sufficient funds available in the Escrow Fund to pay the Escrow Requirements on a timely basis.

4. We compared pertinent terms of the Defeased 2012A Obligations (i.e., debt service payment dates, maturity amounts, interest rates, and optional redemption provisions), as summarized herein, to the information from the Prior Obligation Documents; we found the terms to be in agreement.

5. We compared certain terms (i.e., issue date, maturity date, interest payment dates and interest rate) of the T-Bills and T-Notes (shown in the schedules provided by the Municipal Advisor) to the Monthly Statement of the Public Debt of the United States for the month of July 2021 and found the terms to be accurate.

6. We compared the terms (i.e., the principal amount, interest rate, issue date, maturity date and purchase price) of the T-Bills and T-Notes to be acquired on August 26, 2021, as summarized herein, to the final trade confirmations (provided by the Municipal Advisor and attached to this report); we found the terms to be in agreement.

7. We independently calculated the yield on the Escrowed Securities, assuming a settlement date of August 26, 2021. The term “yield,” as used herein, means that yield which, when used in computing the present value of all payments of principal and interest on an obligation, compounded semi-annually, using a 30/360-day year basis, produces an amount equal to the purchase price of the Escrowed Securities.

The result of our yield calculation, which is listed below, was compared to the yield calculation provided by the Municipal Advisor; we found the yield to be in agreement.

* As shown in the Final Numbers provided by the Municipal Advisor.

Based on performing the aforementioned procedures, we have found that those schedules provided by the Municipal Advisor, when compared to those schedules prepared by us (attached hereto as Exhibits), are arithmetically accurate and reflect, based on the assumptions set forth herein, that:

- there will be sufficient funds available in the Escrow Fund to pay the Escrow Requirements on a timely basis; and

- the yield on the Escrowed Securities is less than the yield on the 2012A Obligations.

This engagement was performed in accordance with consulting service standards established by the American Institute of Certified Public Accountants (the “AICPA”). The sufficiency of these procedures is solely the responsibility of the specified users of the report. We make no representation regarding the sufficiency of the procedures summarized above, either for the purpose for which this report has been requested or for any other purpose.

The results of our independent calculations with respect to the proposed transactions are summarized in the accompanying exhibits. The original computations, along with related characteristics and assumptions contained herein, were provided by the Municipal Advisor on behalf of the County. We relied solely on this information and these assumptions and limited our work to performing those procedures set forth above.

This report is issued solely for the information of, and assistance to, the addressees of this report and is not to be quoted or referred to in any document, except for the required closing transaction documents. Additionally, this report should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under the terms of our engagement, we have no obligation to update this report because of events or transactions occurring subsequent to the date of this report.

To: Pima County, Arizona
The Bank Of New York Mellon Trust Company, N.A.

We have served as bond counsel to our client Pima County, Arizona (the “County”) in connection with providing on this date for the payment of a portion of the County’s Sewer System Revenue Obligations, Series 2012A, maturing on July 1 in the years 2023 and 2024 (collectively, the “2012A Refunded Obligations”). Providing for the payment of the 2012A Refunding Obligations is referred to herein as the “Defeasance.” Capitalized terms not otherwise defined in this letter are used as defined in the Depository Trust Agreement (Sewer System Revenue Obligations, Series 2012A), dated as of August 1, 2021 (the “Depository Trust Agreement”), between the County and The Bank of New York Mellon Trust Company, N.A. (the “Depository Trustee”).

In our capacity as bond counsel, we have examined: the Depository Trust Agreement, the verification report provided by Robert Thomas CPA, LLC (the “Verification Report”), and such other proceedings, documents, matters and law as we deem necessary to render the opinions set forth in this letter.

Based on that examination and subject to the limitations stated below, we are of the opinion that under existing law:

1. Upon the deposit of monies and investments described in the Depository Trust Agreement and the Verification Report with the Depository Trustee in accordance with the provisions of the Depository Trust Agreement, the 2012A Refunded Obligations will no longer be deemed to be Outstanding within the meaning of the Series 2012A Obligation Indenture and the 2012A Refunded Obligations will be entitled to payment only from the moneys and investments held by the Depository Trustee.

2. The Defeasance will not, by itself, adversely affect the exclusion from gross income of interest on the 2012A Refunded Obligations for federal income tax purposes.

The opinions stated above are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. In rendering all such opinions, we assume without independent verification, and rely upon (i) the accuracy of the factual matters represented, warranted or certified in the proceedings and
documents we have examined and (ii) the due and legal authorization, execution and delivery of those documents by, and the valid, binding and enforceable nature of those documents upon, any parties other than the County.

The opinion stated above regarding treatment of interest on the 2012A Refunded Obligations for federal income tax purposes is limited to the legal effect of the Defeasance. Greenberg Traurig, LLP delivered its opinion letter as bond counsel to the County dated December 6, 2012 (the “Bond Opinion”), in connection with the original issuance of the 2012A Refunded Obligations. The Bond Opinion speaks only as of its date and this letter is not a confirmation or renewal of the Bond Opinion as of any more recent date. We have not for purposes of this letter examined any of the matters of law or fact upon which the legal opinions expressed in the Bond Opinion were based. We have not for purposes of this letter obtained, verified or reviewed any information concerning any event, other than the Defeasance, that might have occurred subsequent to the original issuance of the 2012A Refunded Obligations and that might have adversely affected the exclusion from gross income of interest on the 2012A Refunded Obligations for federal income tax purposes. Accordingly, except as expressly stated above, we express no opinion as to any matters concerning the status of the interest on the 2012A Refunded Obligations under the Internal Revenue Code of 1986, as amended, including specifically whether the interest on the 2012A Refunded Obligations is excluded from gross income for federal income tax purposes.

This letter is being furnished only to you for your use solely in connection with the Defeasance and may not be relied upon by anyone else or for any other purpose without our prior written consent. No opinions other than those expressly stated herein are implied or shall be inferred as a result of anything contained in or omitted from this letter. The opinions expressed in this letter are stated only as of the time of its delivery and we disclaim any obligation to revise or supplement this letter thereafter. Our engagement as bond counsel in connection with the Defeasance is concluded upon delivery of this letter.

Respectfully submitted,

Provider Certificate

CERTIFICATE OF SUCCESSFUL BIDDER AS TO MARKET PRICE RULE

The undersigned, PNC Capital Markets LLC (the “Provider”), hereby certifies that it acted as principal in selling, on an arm’s length basis, the Eligible Securities described in Schedule A of this Certificate (the “Securities”) to the Pima County, Arizona (the “Issuer”) in connection with the Issuer’s Defeasance of Sewer System Revenue Obligations (the “Defeasance”). On Thursday, August 26, 2021 (the “Delivery Date”), the Provider will deliver the Securities, at the purchase prices specified on Schedule A (the “Purchase Price”), to The Bank of New York Mellon Trust Company, N.A., as escrow agent (the “Escrow Agent”), in connection with the Escrow Agreement between the Issuer and the Escrow Agent related to the Defeasance. We further certify that, to the best of our knowledge, information and belief:

1. The Provider is an active participant in an established market for securities and engages in the regular purchase and sale of securities of which the Securities are a type (disregarding, for this purpose, any markets especially established to provide securities to issuers of governmental obligations). The Provider does not have a financial interest in the Defeasance and is not related to RBCCM, the financial advisor for the Issuer, and the broker soliciting bids for the Securities. The Provider’s offer to provide the Securities was not submitted solely as a courtesy to the Issuer, or the broker, if any, soliciting bids for the Securities. The Provider received the bid specifications in sufficient time to formulate and submit its bid and the Securities provided are consistent with the terms specified in the bid specifications.

2. The Provider represents that the purchase price of the Securities on August 17, 2021 for delivery on the Delivery Date (i) was determined on an arm’s length basis without regard to any payment of any amount in order to reduce or increase the yield on the Securities; (ii) is neither greater nor less than it would have been in an arm’s length transaction in the open market between parties not involved in the transactions relating to the issuance of the Defeasance; and (iii) is not more than the price available from the Provider on reasonably comparable securities offered to persons for purchase on terms comparable to those offered to the Issuer from a source of funds other than gross proceeds of tax-exempt obligations. The Provider was not afforded any opportunity to review offers from other potential providers of the Securities before the Provider made its offer to provide the Securities.

3. Neither the Provider nor any of its employees, agents or representatives has consulted regarding the bid with another person from whom a bid was solicited by the Issuer.

4. Other than pursuant to any terms of the request for proposals, the Purchase Price has been determined without regard to any formal or informal arrangement (whether or not in connection with the Defeasance) with the Issuer, the financial advisor, Bond Counsel or any other person acting for or on behalf of the Issuer.

5. The Securities constitute obligations which are non-callable as of the Delivery Date and prior to the maturity date thereof.
6. The Provider has not paid nor expects to pay any fees, commissions or similar expenses to third parties in connection with the providing of the sale of the Securities, other than a fee equal to $2,500 to RBCCM which does not exceed the lesser of (a) the Purchase Price multiplied by 0.2% or (b) $42,000.

We understand that the Issuer and Squire Patton Boggs (US) LLP, as Bond Counsel to the Issuer, will rely upon this Certificate, among other things, in reaching a conclusion that the yield on the Securities can be computed on the basis of the price paid for the Securities and that the Defeasance do not constitute “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended.

IN WITNESS WHEREOF, the Provider has signed this 17th day of August, 2021.

CASH DEFEASANCE

CERTIFICATE OF BIDDING AGENT
REGARDING INVESTMENTS FOR YIELD
RESTRICTED DEFEASANCE ESCROW

The undersigned is an officer of RBC Capital Markets, LLC (“Bidding Agent”) and is authorized to execute and deliver this Certificate of the Bidding Agent in connection with the defeasance by Pima County, Arizona (“Issuer”) of its Sewer System Revenue Obligations, Series 2012A (“Issue”). (Capitalized terms used but not defined in this Certificate have the meaning set forth in the Issuer’s Arbitrage Certificate, dated December 6, 2012, relating to the Issue.) The Bidding Agent hereby certifies as follows:

(1) The Bidding Agent made a bona fide solicitation for the purchase of Eligible Securities (as set forth in the bid specifications) to be purchased with certain gross proceeds of the Issue that satisfies all of the following requirements:

(a) the bid specifications (“Bid Specifications”), a copy of which is attached hereto as Exhibit 1, are in writing and were timely forwarded to at least three different reasonably competitive providers (i.e., providers that have an established industry reputation as a competitive provider of investments such as the Eligible Securities);

(b) the Bid Specifications include all material terms of the bid (i.e., all terms that may directly or indirectly affect the Yield or the cost of the Eligible Securities);

(c) the Bid Specifications include a statement notifying potential providers that submission of a bid is a representation and certification that (i) the potential provider did not consult with any other potential provider about its bid, (ii) its bid was determined without regard to any other formal or informal agreement that the potential provider has with the Issuer or any other person (whether or not in connection with the defeasance of the Issue), and (iii) the bid is not being submitted solely as a courtesy to the Issuer or any other person for purposes of satisfying the safe harbor bidding requirements set forth in Treasury Regulations § 1.148-5(d)(6)(iii)(B)(1) and (2);

(d) the terms of the Bid Specifications are commercially reasonable (i.e., there is a legitimate business purpose for each term other than to increase the purchase price or reduce the Yield of the Eligible Securities); and

(e) all potential providers had an equal opportunity to bid and no potential provider was given the opportunity to review other bids (i.e., a last look) before providing a bid.
(2) Pursuant to the solicitation described in paragraph (1), the Bidding Agent received bona fide bids from at least three different providers of Eligible Securities that, to the Bidding Agent’s knowledge, have no material financial interest in the Issue (e.g., as financial advisor for the Issuer, etc.) and that are not a Related Party to a person having a material financial interest in the Issue. A copy of each bid received is attached as Exhibit 2. At least one of the bids received is from a reasonably competitive provider described in paragraph (1)(a). Attached as Exhibit 3 is a complete summary of all of the bids received, showing the name of each bidder, the time and date of each bid, and the bid results.

(3) The Bidding Agent did not bid to provide the Eligible Securities.

(4) The winning bid was submitted by PNC Capital Markets LLC (“Provider”) and is the lowest cost bona fide bid received for the Eligible Securities, taking into account the Fee described in paragraph (5). The terms for the purchase of the Eligible Securities do not deviate from the Bid Specifications or from the bid submitted by the Provider and, in the Bidding Agent’s judgment, none of the conditions to which the Provider’s bid is subject should have caused or resulted in the yield that was bid by the Provider to differ from the yield that Provider otherwise would have bid.

(5) The Provider is paying a fee of $2,500.00 (“Fee”) on the date hereof to the Bidding Agent for its services in connection with the purchase of the Securities. The Fee does not exceed the lesser of (a) $42,000 or (b) the greater of (i) $4,000 or (ii) 0.2% of the amount initially invested in the Securities. No portion of the Fee has been or will be paid to the Issuer, financial advisor to the Issuer (other than for its services rendered as Bidding Agent), or any other person.

(6) United States Treasury Securities – State and Local Government Series were not available on the day that bids were required to be submitted pursuant to the terms of the Bid Specifications.
The signer understands that the certifications contained in this Certificate will be relied on by Squire Patton Boggs (US) LLP, as bond counsel, in rendering certain of its opinions in connection with the defeasance of the Issue.

The submission of a bid is a representation that the bidder did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential bidder has with the Issuer or any other person (whether or not in connection with the bond issue or the defeasance of the bond issue), and that the bid is not being submitted solely as a courtesy to the Issuer or any other person for the purposes of satisfying the requirement to obtain a minimum number of bids of any type or from any class of providers.
CERTIFICATE OF SUCCESSFUL BIDDER AS TO MARKET PRICE RULE

The undersigned, ____________________ (the “Provider”), hereby certifies that it acted as principal in selling, on an arm’s length basis, the Eligible Securities described in Schedule A of this Certificate (the “Securities”) to the Pima County, Arizona (the “Issuer”) in connection with the Issuer’s Defeasance of Sewer System Revenue Obligations (the “Defeasance”). On Thursday, August 26, 2021 (the “Delivery Date”), the Provider will deliver the Securities, at the purchase prices specified on Schedule A (the “Purchase Price”), to The Bank of New York Mellon Trust Company, N.A., as escrow agent (the “Escrow Agent”), in connection with the Escrow Agreement between the Issuer and the Escrow Agent related to the Defeasance. We further certify that, to the best of our knowledge, information and belief:

1. The Provider is an active participant in an established market for securities and engages in the regular purchase and sale of securities of which the Securities are a type (disregarding, for this purpose, any markets especially established to provide securities to issuers of governmental obligations). The Provider does not have a financial interest in the Defeasance and is not related to RBCCM, the financial advisor for the Issuer, and the broker soliciting bids for the Securities. The Provider’s offer to provide the Securities was not submitted solely as a courtesy to the Issuer, or the broker, if any, soliciting bids for the Securities. The Provider received the bid specifications in sufficient time to formulate and submit its bid and the Securities provided are consistent with the terms specified in the bid specifications.

2. The Provider represents that the purchase price of the Securities on August 17, 2021 for delivery on the Delivery Date (i) was determined on an arm’s length basis without regard to any payment of any amount in order to reduce or increase the yield on the Securities; (ii) is neither greater nor less than it would have been in an arm’s length transaction in the open market between parties not involved in the transactions relating to the issuance of the Defeasance; and (iii) is not more than the price available from the Provider on reasonably comparable securities offered to persons for purchase on terms comparable to those offered to the Issuer from a source of funds other than gross proceeds of tax-exempt obligations. The Provider was not afforded any opportunity to review offers from other potential providers of the Securities before the Provider made its offer to provide the Securities.

3. Neither the Provider nor any of its employees, agents or representatives has consulted regarding the bid with another person from whom a bid was solicited by the Issuer.

4. Other than pursuant to any terms of the request for proposals, the Purchase Price has been determined without regard to any formal or informal arrangement (whether or not in connection with the Defeasance) with the Issuer, the financial advisor, Bond Counsel or any other person acting for or on behalf of the Issuer.

5. The Securities constitute obligations which are non-callable as of the Delivery Date and prior to the maturity date thereof.
6. The Provider has not paid nor expects to pay any fees, commissions or similar expenses to third parties in connection with the providing of the sale of the Securities, other than a fee equal to $2,500 to RBCCM which does not exceed the lesser of (a) the Purchase Price multiplied by 0.2% or (b) $42,000.

We understand that the Issuer and Squire Patton Boggs (US) LLP, as Bond Counsel to the Issuer, will rely upon this Certificate, among other things, in reaching a conclusion that the yield on the Securities can be computed on the basis of the price paid for the Securities and that the Defeasance do not constitute “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended.

IN WITNESS WHEREOF, the Provider has signed this ___ day of ________, 2021.
