

# JULY 27, 2015

## NEW PERMIT SYSTEM

### **Accela Automation System Goes Live!**

Staff have been working on the implementation of new permitting software which will bring positive changes to the land planning and permitting processes in Pima County. As with any transition, some issues may arise and staff may require additional time as we learn a new system.

Tips for the  
Transition

---

Try Submitting  
Plans and Projects  
before July 22,  
2015

---

Or Submit Plans  
and Projects after  
July 30, 2015

---

Stay tuned... the  
"Launch" May  
Move if Issues  
Arise

---

Please be Patient.  
We Are All  
Learning

THANK YOU!
