Neighborhood Workshops

July 6, 2010

A Neighborhood Workshop was held on July 6th to assist biological experts in researching any unique and special species found in and around the Phase 2B project area. RECON Environmental Inc. staff collected neighbor's wildlife sighting information, and gave a presentation and call for assistance regarding Regal Horned Lizard translocations. Comments were accepted at the meeting, and additional comment forms are being circulated by the neighborhood organization's email distribution lists.
