

Cañada Del Oro Linear Park: Thornydale Road to Magee Road

Open House
Pima County Regional Flood Control District
April 8, 2008

Welcome to the open house for the Cañada Del Oro Linear Park: Thornydale Road to Magee Road project. The Pima County Regional Flood Control District (RFCD) has scheduled this event to provide information on the design of the CDO Linear Park. Tonight's meeting will follow an open house format, with maps, displays and other informational materials available for you to comment on. There will be no formal presentation.

Quick Facts

- Construct a 1.75-mile linear park along the southeast bank of the CDO Wash, from Thornydale Road to Magee Road
- Funds provided by a 2004 bond issue
- Proposed budget is \$3 million
- Provide shared-use underpasses at Ina Road and Magee Road
- Provide shared-use bridges or culverts at major drainage channels along the wash
- Potential staging areas at the northern and southern boundaries
- Landscaping improvements will include preservation and enhancement of the existing native vegetation within the linear park
- Tie into proposed linear park north of Magee Road
