

Prima County Regional Flood Control District
Cañada Del Oro Wash River Park:
La Cholla Boulevard to La Cañada Drive

PUBLIC OPEN HOUSE

Wednesday, September 25, 2013 • 6 P.M. to 7:30 P.M.
Grace Community Church • 9755 N. La Cholla Blvd.

Please join the Pima County Regional Flood Control District for a public open house for the **Cañada Del Oro (CDO) River Park: La Cholla Boulevard to La Cañada Drive Project**. This project is in the concept development stage, and we have information that we would like to share with you. Your input is important to us and will help formulate the design of the project.

The proposed project is to develop the following:

- Connect the southeast bank of the CDO river park, just south of the new La Cholla Boulevard bridge near the Hardy Road alignment, with the river park on the south bank of the CDO east of La Cañada Drive.
- Construction of 1.65 miles of paved river park pathway, and a parallel decomposed granite pathway on the southeast bank of the CDO Wash between La Cholla Boulevard and La Cañada Drive.
- Construct an underpass ramp at La Cañada Drive, and an equestrian parking area. Additional river park amenities are being considered.

Please feel free to stop by and review project displays between 6 P.M. and 7:30 P.M.

Individuals with disabilities who require accommodations for effective participation and communication in the meeting may call Carol Brichra at PCDOT Community Relations at (520)724-6410 by September 13, 2013, to make arrangements. All meeting sites are accessible.
