

Pima County Regional Flood Control District

Fall 2011 Drainage Way Improvements

Public Meeting April 12th, 2011

The Pima County Regional Flood Control District would like to inform you, as a resident adjacent to the drainage way between E. Paseo Chuparosa and E. El Valle located east of N. Abrego Drive, that in the **Fall of 2011 we will be repairing and improving the drainage way.** The attached map shows the extents of the project limits. The proposed drainage improvements are being preformed to reduce scour and stabilize the channel.

Residents are requested to please remove any decorative items such as benches, bird feeders and statues that are currently adjacent to the drainage way by September 1, 2011. These items can be moved back after construction has been completed. Temporary disruption of walking the alleys is anticipated.

This project will be discussed at a public meeting on **April 12th at 10:00 A.M. at Desert Hills Social Center, 2980 S. Camino del Sol, Green Valley, AZ 85622** in collaboration with the Green Valley Community Coordinating Council.

If you are unable to attend this meeting and have questions, please contact Deirdre Brosnihan at (520) 243-1800.
