

Pantano Wash Bank Protection: Speedway to Tanque Verde Project

Completed Project, August, 2013

Photo 1 – One of the entrances to the River Park from Tanque Verde Road

Photo 2 – River Park (west bank) off of Kolb Road

Photo 3 - River Park Pathway- West Bank near Tanque Verde Road

Photo 4 - East bank- new bank protection and river park

Photo 5 - West bank pathway and vegetation

Photo 6 - The Tanque Verde Road underpass ramp on the west bank

Photo 7 - East Bank- access from Pantano Townhomes

Photo 8 - East Bank- new trees line a drainage swale/ water harvesting basin

Photo 9 - West bank- limited right-of-way next to an existing building creates only enough space to continue the paved pathway
