

Paseo de las Iglesias Phase I: Santa Cruz River Bank Protection, Ecosystem Restoration, and Linear Parkway, Ajo Way to Silverlake Road Project

Temporary Julian Wash Trail Connection, August 2013

The photos below are provided to assist trail users with route finding until the permanent trail connection is completed.

Photo 1 – The temporary dismount bike gate on Santa Cruz Lane for use until Paseo Phase 1 is completed

Photo 2 – Looking north along the new Temporary Julian Connection as fencing is put up

Photo 3 - Looking west along the new Julian Connection under I-19
