****CONSTRUCTION UPDATE****

RILLITO RIVER LINEAR PARK:

ALVERNON WAY TO CRAYCROFT ROAD IMPROVEMENT PROJECT

Pima County, Arizona- November 17, 2008, the Regional Flood Control District and their contractor, The Ashton Company will be continuing to work on the north bank walking path along the Rillito River Linear Park from Alvernon Way to Craycroft Road.

The walking pathway along the north bank of the Rillito River between Alvernon and Craycroft will be closed for the construction of a drainage structure along the trail. The path will be closed to pedestrians and cyclist from Swan Road to Craycroft Road as well as the parking area at Craycroft Road. Public parking is available at both the north and south bank at Swan Road. The pathway will reopen in December 2008 but construction work in this area and at the parking area will continue through February of 2009. The path at the north bank of the Rillito River from Swan Road to Alvernon Way will reopen to pedestrian and cyclist on Monday, November 17th. Please approach the area with caution and ride slowly if you choose to cycle though this area. The south bank trail will be open as an alternative route. Any questions should be directed to John Spiker, Project Manager at 243-1800.
