

# Open House Alamo Wash Basin Management Study UPDATE

Monday, October 23, 2017

5:30 – 7 p.m. – Brief Presentation at 5:45 p.m.

**Dodge Middle School, 5831 E. Pima Street  
(between Craycroft Road and Wilmot Road)**

**Please join** the Pima County Regional Flood Control District and the City of Tucson for an Open House for the Alamo Wash Basin Management Study. This project is identifying flood areas and drainage problems, and will develop a plan for cost-effective solutions to reduce or manage flooding in the project area.

Representatives from the Pima County Regional Flood Control District and the project team will be available to answer questions and provide an update on the project status. The meeting will start at 5:30 p.m. with an opportunity to review project displays and talk to project staff. There will be a brief presentation at 5:45 p.m.

For more information about the study, please visit [www.pima.gov](http://www.pima.gov) and enter **Alamo Wash Basin Management** in the search field.

Individuals with disabilities who require accommodations for effective participation and communication may contact Nanette at (520) 885-9009 or [Nanette@kaneenpr.com](mailto:Nanette@kaneenpr.com) by October 16th to make appropriate arrangements. All meeting sites are accessible.

Para información en español favor de llamar a Francisco Ramirez a (520) 724-4600.
