Public Open Houses for Lee Moore Wash Basin Management Plan

The Pima County Regional Flood Control District will hold the final round of public open houses in March for the Lee Moore Wash Basin Management Plan. The open houses will present the range of recommended alternatives and development criteria to mitigate existing and future drainage issues within the Lee Moore Wash Basin area. The public open houses will be held from 6 to 8 p.m.

March 23, 2010

Town of Sahuarita
Council Chambers
375 W. Sahuarita Center Way
Sahuarita, AZ 85629

March 25, 2010

Corona Foothills
Middle School
16705 S. Houghton Road
Corona de Tucson, AZ 85641

The meetings will be identical in content and format. Representatives from the District and the project team will be available to answer questions and address concerns about the plan. Maps and displays will be available for viewing. The public may stop by at any time between 6 and 8 p.m.

The District conducted the study to identify the drainage and flooding hazards within the watershed and to develop alternatives to address those hazards. The watershed is 213 square miles located south of Tucson and includes parts of unincorporated Pima County, City of Tucson, Town of Sahuarita, Coronado National Forest and Arizona State Land.

For more information about the study, please contact Bill Zimmerman, Planning and Development Division Manager for Pima County Regional Flood Control District, at bill.zimmerman@rfcd.pima.gov or 520-243-1800. Please visit the project Web site at www.rfcd.pima.gov.
