After logging in to your account, click the “Contribution Information” link to begin:

The first page will show a summary of your current contribution amount and any pending contribution changes (if applicable). Click the blue “Change contribution” button to proceed with making a change:
Step 1 of 3: Enter your new contribution amount. Note: Gross annual income is a required field.

**Gross annual income:**

Pay frequency:
- Bi-Weekly

Are you making contributions to another 457(b) plan this year?
- Yes
- No

**Contribution amount(s)**

Can't make the maximum contribution right now?
- See other contribution options to get you closer to your goal.

Enter the amount(s) that you want to contribute to your plan each pay period.

Important: Changes made to your existing contribution(s) will override any pending transaction(s). Please consider IRS contribution limits and catch-up contributions as you make your decisions.

</table>

Dollar total per pay:
- Percent total per pay:

If your pay frequency has changed, please contact us. The Estimated Paycheck Impact is based on the Gross annual income amount you entered above. The calculation is not specific to your individual circumstance and therefore represents an estimated contribution value.

**Additional information**

Retirement Specialist ID:

If you are a Retirement Specialist, enter your ID here.

Up next: Review & Submit
Step 2 of 3: Review for accuracy and submit request.

Once submitted, the requested change will take place on the first available pay period of the following month.
