INVESTMENT OPTIONS

How would you like to set up your investments?

Help me do it

By selecting this option, you want some assistance with your ongoing investment decisions. You also want one fund that can help diversify your portfolio.

Target Date Funds

A target date fund is a mutual fund that automatically adjusts the mix of stocks, bonds and cash equivalents in its portfolio over time. Investors can select an anticipated year of retirement, and the portfolio will gradually get more conservative until the target date is reached.

By selecting one of the funds below, 100% of your contributions will be invested in this fund.

<input type="radio"/> American Funds 2015 Target Date Retirement Fund - Class R6	Prospectus Fact Sheet
<input type="radio"/> American Funds 2020 Target Date Retirement Fund - Class R6	Prospectus Fact Sheet

Target Date Funds invest in a wide variety of underlying funds to help reduce investment risk. So, in addition to the expenses of the Target Date Funds, you pay a proportionate share of the expenses of the underlying funds. Target Maturity Funds are designed for people who plan to withdrawal funds during or near a specific year. Like other funds, target date funds are subject to market risk and loss. Loss of principal can occur at any time, including before, at or after the target date. There is no guarantee that target date funds will provide enough income for retirement.

I'll do it myself

By selecting this option, you will have full control over your investments. You will be responsible for all investments chosen, the allocations of those investments, and how often your investments get balanced and/or updated.

Do it for me [Fees](#) | [Learn More](#)

By selecting this option, a respected investment management firm will actively manage your portfolio. With Nationwide ProAccount® your investments will be managed based on your risk tolerance and your age. While enrolled, we monitor and adjust your investments over time to help keep you on track toward your retirement goals. There is an annual program fee. See if Nationwide ProAccount is right for you.
