

## **NOTICE REGARDING WELLNESS PROGRAM**

The Pima County Employee Wellness program is a voluntary program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health and prevent disease. These federal rules include the Americans with Disabilities Act (ADA), the Genetic Information Nondiscrimination Act (GINA), and the Health Insurance Portability and Accountability Act (HIPAA) among others. You may participate in various wellness programs that will require you to:

- Verify if you have been tobacco free for at least the past three months
- Complete a voluntary Health Assessment
- Complete one or more preventive exams or screenings
- Complete various health and wellness activities and programs

You are not required to certify your tobacco free status. Only employees who are active on the County's insurance plan and choose to certify as tobacco free will receive an incentive of a Tobacco Free Healthy Lifestyle Premium Discount valued at \$20.00 per pay period. The Tobacco Free status is verified once per year during Spring Annual Enrollment to qualify for the Tobacco Free Health Lifestyle Premium Discount awarded the following fiscal year (July 1st – June 30th). The Aetna Healthy Lifestyle Coaching Tobacco Free Program is a cessation program available for all Aetna members. Employees who attest to using tobacco products may complete the Aetna Healthy Lifestyle Coaching Tobacco Free Program or provide proof of working with a primary care provider to quit tobacco products and still be eligible to receive the full, annual premium discount retroactive to the beginning of the plan year.

You are not required to complete the health assessment, complete a preventive exam or screening, or participate in health and wellness activities and programs. Employees who choose to participate in the wellness program by completing one or more of these activities will earn a Healthy Lifestyle Premium Discount valued at \$5.00 - \$15.00 per pay period. Only employees who are active on the County's insurance plan and complete one or more of these activities will be eligible to receive the Health Lifestyle Premium Discount. Healthy Lifestyle Activity Points are earned per reporting year (March 1<sup>st</sup> – February 28<sup>th</sup>) to qualify for the Health Lifestyle Premium Discount awarded the following fiscal year (July 1<sup>st</sup> – June 30<sup>th</sup>). Additional incentives of various types and amounts may be available for employees who participate in certain health-related activities and programs. Additional incentives may be raffle-based and are not guaranteed. Tangible incentives valued at \$20.00 or more and gift card/certificate incentives at any value, earned by participating in the Employee Wellness Program including any third party vendor

wellness programs, are subject to taxation and will be reported as income to be taxed within the employee's paycheck.

### **Availability of a Reasonable Alternative Standard**

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. Contact Employee Wellness at 520-724-2792 and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.
