A. Basic Pay Plan

The basic pay plan may consist of salary grades, open salary ranges and step plans. Each classification in the Classification System is assigned a grade/open salary range, except some classifications which are assigned a flat rate of pay. The grade/open salary range designation is determined by considering the relative level of duties and responsibilities of various classifications, rates paid for comparable classifications elsewhere, the County's financial resources and other relevant factors. Human Resources shall utilize current salary data, the employment market and other pertinent factors as a basis for making recommendations to the County Administrator for approval by the Board of Supervisors. Periodic changes or adjustments are necessary to maintain the pay plan. Grades/open salary ranges will be assigned with due regard to internal and external equity considerations as well as labor market competitiveness factors.

B. Payday

Payday shall be on the Friday following the end of each pay period. Wages shall not be withheld for more than five (5) business days following the end of each pay period. Each employee is responsible for submitting the appropriate pay documents by the scheduled due date in order to be paid on the scheduled payday.

C. Entrance Salary

The initial appointment to a County position shall ordinarily be at the minimum salary of the salary grade or open salary range or in accordance with the approved Salary Administration Plan/Salary Matrix for open salary range appointments. The Appointing Authority may recommend hiring above the minimum salary of the assigned grade/open salary range in two and one-half percent (2.5%) increments, up to seven and one-half percent (7.5%), based on recruiting difficulty, the appointee’s qualifications and the needs of the department. This recommendation shall address any pay equity issues that arise as a result of hiring above the minimum salary of the assigned grade/open salary range. The Appointing Authority may recommend to the County Administrator pay equity adjustments under Section G. of this Policy as a means of resolving the pay equity issue(s). Hiring above the minimum salary of the assigned grade/open salary range requires the County Administrator’s approval.

D. Reinstatement/Reemployment

Reinstatement or reemployment of a laid-off employee shall ordinarily be at the minimum salary of the assigned grade/open salary range or in accordance with the approved Salary Administration Plan/Salary Matrix for open range appointments. The Appointing Authority may recommend hiring above the minimum salary in two and one-half percent (2.5%) increments, up to seven and one-half percent

E. Reassignment

When an employee is reassigned, he/she shall retain the same salary held prior to the reassignment.

F. Adjustment

1. Upward adjustment

When a higher salary grade/open salary range is made applicable to a classification, all employees in that classification shall be changed to the new grade/salary on the same effective date. Each employee shall be placed in the new grade/open salary range at a rate that results in the same salary held in the previous grade/open salary range. There shall be an increase in salary when more is necessary to reach the minimum salary of the new salary grade/open salary range or salary as determined by the approved Salary Administration Plan/Salary Matrix.

2. Downward Adjustment

When a lower salary grade/open salary range is made applicable to a classification, all employees in the classification shall be changed to the new grade/open salary range on the same effective date. Each employee shall be placed in the new grade/open salary range at a rate that results in the same salary held in the previous grade/open salary range. If the employee’s previous salary exceeds the maximum of the salary grade/open salary range of the new classification, the employee shall retain the previous salary, resulting in no loss in pay. There shall be no increase to the employee’s salary until his/her pay is within the salary range of the new classification.

G. Pay Adjustment

At the request of an Appointing Authority, the County Administrator may approve a pay adjustment up or down in two and one-half percent (2.5%) increments in order to address pay equity issues and/or as is otherwise in the best interest of the County, provided no other pay policy applies. A downward adjustment requires written concurrence by the employee prior to implementation.
H. **Promotion**

When an employee is competitively promoted, his/her salary shall be raised up to five percent (5%), in two and one-half percent (2.5%) increments, provided it does not exceed the maximum salary of the new grade/open salary range, unless more is necessary to reach the minimum salary of the new grade/open salary range as determined by the approved Salary Administration Plan/Salary Matrix. Promotional increases in excess of the five percent (5%) require written approval by the County Administrator.

I. **Demotion**

When an employee is demoted or demotes for any reason, his/her salary shall be reduced to a salary in the grade/open salary range for the lower classification which shall result in lower pay of at least two and one-half percent (2.5%), unless waived by the County Administrator, and the salary shall not exceed the maximum salary of the new grade/open salary range.

J. **Reappointment**

The salary for an employee reappointed to a position in a classification assigned a lower compensation/salary grade shall be set in the same manner as for entrance salary. The Appointing Authority may recommend placement above the minimum salary of the assigned grade/open salary range in two and one-half percent (2.5%) increments, up to seven and one-half percent (7.5%), based on the reappointed employee’s qualifications and the needs of the department. Hiring above the minimum salary of the assigned grade/open salary range requires the County Administrator's approval. The salary for an employee reappointed to a position in a classification assigned the same compensation/salary grade shall not decrease. A reappointed employee shall receive a salary increase only with the approval of the County Administrator, or when reappointed to a classification having an approved Salary Administration Plan/Salary Matrix and when such an adjustment is consistent with the Salary Administration Plan/Salary Matrix. In all other cases, a reappointed employee shall receive no increase in pay.

K. **Reclassification**

1. When an employee is reclassified to a classification of a higher grade/open salary range, his/her salary shall be raised two and one-half percent (2.5%), provided it does not exceed the maximum salary of the new grade/open salary range, unless more is necessary to reach the minimum salary of the new grade/open salary range or salary as determined by the approved Salary Administration Plan/Salary Matrix.
K.  2. When an employee is reclassified to a classification of a lower grade/open salary range, he/she shall be placed in the new grade/open salary range at a rate that results in the same salary held in the previous grade/open salary range. If the employee’s previous salary exceeds the maximum salary of the new grade/open salary range of the new classification, the employee shall retain the previous salary, resulting in no loss in pay. There shall be no increase to the employee’s salary until his/her pay is within the salary range of the new classification.

L. Detail

When an employee is detailed to a position with a higher salary grade/open salary range for more than fifteen (15) work days, his/her salary shall be raised five percent (5%), provided it does not exceed the maximum salary of the new grade/open salary range, unless more is necessary to reach the minimum salary of the new grade/open salary range or salary as determined by the approved Salary Administration Plan/Salary Matrix. After the detail is completed, the employee shall return to the same grade/open salary range and pay held before the detail, plus any salary increases which may have occurred during the detail.

M. Merit Increase

When the Board of Supervisors appropriates funds for a merit increase, the Appointing Authority may grant an employee a two and one-half percent (2.5%) merit increase based upon an official performance review with the majority of the ratings being successful or above, provided no formal disciplinary action has occurred during the performance rating period. Merit increases shall be limited to one per year. In no case shall a merit increase raise an employee’s salary above the maximum salary of the salary grade/open salary range unless approved by the Board of Supervisors.

N. Open Range Classifications

1. The merit increase shall be granted based upon a performance appraisal conducted pursuant to Merit System Rule 15, with the majority of the ratings being successful or above, provided no formal disciplinary action has occurred during the performance rating period. In no case shall a merit increase raise an employee's salary above the maximum of the salary range.

O. Open Range Reappointments

1. When an employee in the classified service moves from a position with a salary grade to a position with an open salary range, the employee’s salary shall remain the same, unless more is necessary to reach the starting salary of the open salary range as determined by the approved Salary Administration Plan/Salary Matrix. If the change in pay results from a competitive process, the department may offer the employee a lower salary based on internal equity issues or a higher salary up to five percent (5%), in two and one-half percent (2.5%) increments, provided it does not exceed the maximum of the salary of the new grade/open salary range, unless more is necessary to reach the minimum salary of the new grade/open salary range as determined by the approved Salary Administration Plan/Salary Matrix, when applicable.
