

2 Big Labor Unions are Merging Together!

The **Service Employees International Union (SEIU)** and the **American Federation of State, County and Municipal Employees (AFSCME)** have come together to work, expand and strengthen our ability to unite workers and our communities here in Pima County.

Jointly, SEIU and AFSCME will be bigger and stronger.

Together, SEIU and AFSCME will be unstoppable in our movement forward for better working conditions for our workers.

United, SEIU and AFSCME we will never quit in our fight for workers' rights.

As One, SEIU and AFSCME will strengthen the effort to achieve social and economic justice for all working people.

SEIU Local 48 will become a **Division** of **AFSCME Local 449**.

SEIU and **AFSCME** will be setting up "Meet and Greet" worksite meetings with our fellow brothers and sisters at various county locations. All employees are welcome.

Please bring a new member who you think would be interested in joining the efforts of our union.

Remember, this is going to be our union. Your values, your minds, your ideas are vital to this effort. We need your presence.

Together, we will make a difference... Together we shall rise!

For more information call our local union office at: (520) 884-8100 or (520) 571-8884
