

**PIMA COUNTY
ORDINANCE NO. 2018-1
OPPOSITION FORM**

As a union eligible employee of Pima County I have received notification in accordance with Pima County Ordinance No. 2018-1, 2.20.030 that Service Employees International Union (SEIU) will no longer be the exclusive authorized representative. The American Federation of State, County and Municipal Employees (AFSCME) has entered into an agreement and desires to be the authorized representative for all union eligible employees in Pima County.

As a union eligible employee of Pima County, I oppose AFSCME succeeding SEIU as the authorized employee representative.
