

How to reserve a campsite at Gilbert Ray Campground:

- Go to Pima.gov
- Click on Recreation
- Click on “Campgrounds”
- Click on Gilbert Ray Campground
- Go to “You can now reserve a camp site online just Click Here”

A new window will open titled Reserve Options. If you are on a laptop, you will be on the full site.

If you are on a tablet or a phone, you will need to follow these instructions to access the full site:

Android Chrome browser:

- Tap the three dots up on the top right. A drop down window will come up and you will scroll down until you see a check box that says “desktop site” click that box.

On the iPhone

Open the Safari browser and navigate to the website.

- Once the website loads, click the “aA” icon available in the top corner positioned before the address bar. It opens the website view menu.

From the available options, choose the “Request Desktop Website” option

Full Site

- Click on the last green box labeled “Reserve a Ramada or Campsite”
- Type in Gilbert Ray in the search box and hit the green “Search” box

There will be 5 Gilbert Ray options: Loops A , C, and B(tents) are reservable. Loop H is a first-come first-serve option and is not reservable. You may also view the entire campground map, but you cannot reserve from this view

- Click on the green “View Map” for the loop that you desire
- Enter the “From” date (**must be 72 hours out**)
- Enter the number of nights you would like to reserve (7-day limit). The “To” date will auto populate
- Enter the number of Attendees
- Click on “Check Availability”

From this page the map will auto populate with either Green=available, Black=closed, or Red=booked squares

If you hover over the square, it will give you the site dimensions

If it is green, you can click on the square, a box will pop up, and you can proceed with your reservation. If it is Black or Red squares, you cannot reserve the site

- Enter a Description and click on Reserve
- You will then need to create an account or log in
- Agree to waivers and add your payment information (his information is not retained) and hit Continue
- Make sure to print your permit with all details of your reservation
