

ART/DRAWING/PAINTING

Papier-mâché Animal Puppets (Ages 6-12) **NEW! Just Added 1/28**

Instructor: Jennifer Eschedor- Paper-Mâché Artist

Design and create a papier-mâché hand puppet. Children will be shown how to take a 2-D drawing of an animal and create a 3-D papier-mâché head. They will be encouraged to make a cloth body that would normally be seen on a person. For example, an elephant might be wearing pajamas, or a dog could be dressed as a fireman! There will be a puppet show at the end of our last class that your family and friends won't want to miss! (www.eschasketch.com) A \$5 materials fee is payable to the instructor at the first class.
