

MCKENZIE MOUNTAIN BIKE COURSE PLANNING

We're presently planning Pima County's first mountain bike course on the far east side of town (Phoenix has three!), and we'd like to put it on the County's 1,700 acre McKenzie Ranch. Over 15 miles trails planning has been done by Mark Flint and Tom, his volunteer, and we're looking at our access on State Trust Lands now. Here's our GPS trails map so far, which Mark did this year.
